She is an active member of D. F. D. social club, Wesley Players, (Methodist Dramatic organization), the Rodeo Association, and the Home Economics Club.

Speaker for the commencement exercises at 8 p. m., Monday, May 26, is Governor Dan Thornton of Colorado, former Tech student. Rev. Dr. Robert E. Goodrich Jr., pastor of the First Methodist Church in Dallas, will speak at baccalaureate services at 8 p. m., Sunday May 25.

Employees of the Acme plant of Certain-teed Products Corporation have been cited for their 1951 safety record by the Gypsum Association, sponsor of an intensive campaign to reduce lost-time accidents in the industry for the past nine years.

The plant achieved a rating of 3.23 lost-time injuries for the year ending Dec. 31, 1951, to lead all Class A producing plants. This group included only those which had worked 600,000 man-hours or more in 1951. A cup is awarded by the Gypsum Association to first-place winners.

Manager of Certain-teed's Acme plant is H. J. Zelms. Acme is one of six plants of the Certain-teed Products Corporation whose main offices are in Ardmore, Pennsylvania.

Two other Certain-teed gypsum plants also won safety awards from the Gypsum Association. The Grand Rapids, Michigan plant won top honors in Class B, with a record of no lost-time accidents among plants working from 425,000 to 600,000 man-hours during the 12 months ending last Dec. 31. The Sigurd, Utah, plant also had no lost-time accidents during the same period, and was awarded second place among those plants working from 275,000 to 425,000 man hours, since another plant had a higher man-hour total in this classification.

Mr. and Mrs. Rob Cooper have returned home from a visit with relatives in Dallas.

CHRYSLER SARATOGA 6-PASSENGER SEDAN ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL With its 180 HP V-8 engine, on 125 1/2 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all. We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that make driving a new experience. Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, even on non-premium fuel, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay younger on the way! And with Chrysler full-time Power Steering, you steer with one-fifth the usual effort . . . drive with five times the usual control! With Power Brakes you need up to two-thirds less foot pressure . . . and still stop in many feet less than other cars can do. Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean? \*NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler. **New Crowell Feed Store to Sell Gooch's Red Circle Feeds**

The Crowell Feed & Produce Co. has been awarded the dealership for Gooch's Red Circle Feed in Crowell. Gooch's Best Products include flour, corn meal, macaroni, pancake mix and a complete line of feeds. Gooch Red Circle points will be issued with the purchase of these products.

In this connection, J. J. Vanier, owner of the CK Ranch at Brookline, Kansas, has announced that there would be a new event held in conjunction with the annual CK Ranch Field Day July 19.

The added feature will be a special auction for top quality Hereford and Angus calves in which Gooch's Red Circle points will be used for payment.

In announcing the special feature, Vanier stated, "Boys and girls throughout the entire Midwest area are seeking top quality calves. Their ability to acquire such animals has been dependent upon how much money they could accumulate and how far it went in competition with older buyers. In this special feature of our annual CK Field Day only Gooch Red Circle points will be used."

"Any boy or girl who will use the calf in a club feeding project is eligible and all they have to do is collect enough Red Circle points between now and auction day—July 19—to be the highest bidder. Now, those kids who are long on energy and resourcefulness will have an opportunity to bid in good calves because of this feature—cash doesn't count."

Full details of the special event are being mailed to all County Agents and to all Gooch feed dealers. In all, ten calves will be put up in the Red Circle auction, five Hereford and five Angus.

**Health Letter**

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

State Health Officer Geo. W. Cox has forecast the death this year of some 30,000 Texans due to heart and blood vessel diseases. Twenty thousand will be men, and at least half the total figure—both men and women—will be less than 70 years old.

The problem of worn-out hearts, thickened blood vessels, and kidney disorders is an old one, he asserted, but said the longer length of average life isn't the whole reason for the great numbers of heart disease deaths.

To prove that point he quoted these figures: Of the 30,000 Texans that cardiovascular (heart and blood vessel) diseases will kill in 1952, about 15,000 will be less than 70 years old, 700 will be in their 30's, 2,000 will be in their 40's, 4,500 in their 50's, and at least 7,000 in the 60's.

Since 1941, the male death rate has exceeded the female rate by something like 70 per cent, the health officer said. For those 75 and over the risk of death from heart disease is a fourth again as great for men as it is for women.

**CARD OF THANKS**

These ever increasing deaths to heart, kidney, and blood vessel disorders have been observed for the last 30 or 40 years.

"If a statewide heart program is to develop," he declared, "it will be necessary that there be provided a professional coordinating committee that will council on program procedures and give necessary directions on essential medical services."

He credited the American Heart Association with "successfully influencing" fund appropriations, and for formulating a heart control program for the nation.

**CARD OF THANKS**

I take this means of expressing my sincere thanks to the hospital staff and friends for their kindness while I was in the hospital. Also for the cards, letters and flowers.

## HEAD WILDCATS

We salute our present graduation class who will go out to various positions in the world. There are great opportunities awaiting these students. We hope that they may strive, so that the world may be lifted a little by their works. They know the value of teamwork and that only by teamwork may anyone reach the best of his ability.

Their textbooks have filled a basic need, but only by continued reading and experience acquired from as many varied experiences

and sources as possible may they attain a fuller life.

Mrs. Manard and her Roundup staff deserve credit for a splendid Roundup. The make-up, the large number of cuts, the fact that everyone's picture is in it, are outstanding. Hats off to you.

This is an opportunity we would not pass up—paying our respects and tribute to Mrs. Davis in whose honor the Roundup was dedicated. She has served long and well as a teacher of mathematics. We believe she rates at the top among Texas high school teachers.

Along this same line, though we know none of our faculty members claim perfection, we want to say that we do have an unusually strong loyal group of teachers sincerely concerned with the welfare and development of their pupils along all the lines that count. When we stop to think seriously, we are deeply appreciative of this fact. We are also appreciative of their loyalty to the school and to its administration.

Our teachers are being offered

## How to spot an expert

An expert makes hard work easier.

When it comes to hauling, a GMC truck is your expert—for this very sound reason:

GMC—as the world's largest exclusive manufacturer of commercial vehicles—concerns itself 100% with the development of new and better ways to transport goods.

Each model is the careful answer to specific, tough hauling problems.

The new GMC "302" engine is a

case in point. In addition to being America's highest-compression standard gasoline truck engine—it packs more horsepower for its weight than any other on the road! The result is savings in useless "dead weight" by as much as 500 pounds over other engines of equal horsepower.

It's this kind of expert engineering that makes us sure of one thing: whatever model you select at our showroom—panel or pickup, stake rack or platform—you'll have an expert on your next job!

**HAYS-McLAIN FARM EQPT.**

You'll do better on a used truck with your GMC dealer.

## FROM THE SENIORS—THANKS FOR EVERYTHING

The following editorial is written to the citizens of Crowell, the faculty, the administration, and to CHS's freshmen, sophomores, juniors and seniors of 1952.

By the Senior Class of 1952—whose members will soon walk down these halls the last time and walk into the second chapter of the book of life—whose members will soon be scattered into branches of the armed services, colleges, fields of employment—by this class, this editorial is endorsed.

The purpose of this editorial is to acknowledge all the friendships, commemorate the many traditions, and to apologize for all the mistakes that we have made throughout these years that have completed our high school career.

To the faculty and administration, we say, "Forgive us." Forgive us for the errors of neglect we made, and for the many times we opposed you in your efforts. To the students—the freshmen who yet have much to learn, the sophomores who have found that high school can be fun, and to the juniors who take our places—to you, our thoughts are simply "Good bye." Those two words signify much; no more hand trips, no more Thespian work, no more football thrills, and so many more "no mores" that our limited words do not express. These "no mores" are yours now, and as we leave these to you, we leave this bit of advice: "Enjoy them, respect them, use them."

When you are Seniors and the parting comes near, you'll add this sentiment, "I miss them."

These three past years play a large part in our future plans. Figuratively speaking, we have carved our high school epitaphs. And now we make our exodus.—Thaxton.

## ANNUALS PRESENTED IN ASSEMBLY

At a special assembly held in the Crowell High School auditorium Monday, May 13, the students honored the annual staff, their sponsor, Mrs. Earl Manard, and the one to whom the annual was dedicated—Mrs. F. A. Davis.

Members of the annual staff were sitting in a row across the lighted stage. Maurine Youree, annual editor, introduced each person and the place he has held on the staff for the past year. The mistress of ceremonies then presented each staff member with a small gift in appreciation for the

hard, tedious work they had done for the annual.

Beautifully bound gold and black annuals caught the light and glittered as the annual staff were first presented their annuals.

Mrs. Lena Davis, to whom the annual was dedicated, "for her many years of faithful and loyal service to Crowell High School," came to the front of the room amid hearty cheers, to receive her annual.

If anything really fits the old maxim, "A thing of beauty and a joy forever," it is the school annual—the 1952 Crowell High School Annual.

## GLANCING BACK ON 1951-52 SPORTS

The 1951-52 year in sports in CHS has been very successful, and almost everyone is looking forward to even a greater year during the 1952-53 term. We should like to reminisce just briefly on the sports activities during the current year.

On the grid slate, the charges of Coaches Thayne Amonett and Gordon Erwin ended the season with a respectful 7-3 mark. This was an outstanding season since the starting eleven consisted of only 4 regulars back from the 50-51 football race.

With the gridiron campaign finished, the CHS cagers hit the hardwoods for an excellent season. They gained this initial recognition by coping the tough Matador Tournament and winning 3rd place in the Quanah Invitational. Following that, the roundballers breezed through the conference schedule victories until they were defeated by the never-give-up Newcastle quintet. After eliminating the Bobcats in a play-off series, the Wildcats journeyed to Denton where they placed second in the Region II tournament.

Track was next on the agenda and the track team fared well since this sport is young in the athletic program. Ginger Johnson had a good year in the 880 yard dash as he set a regional record and won fifth in the state meet at Austin.

The tennis teams, doubles and singles, wrapped up second place honors in the district tournament. Grin Stinebaugh represented CHS in the singles, while Glyndon Johnson and Billy Abston pounded the opponents in the double class.

In the finals of the spring training, the Cats showed great promise for next year as they clipped the exes 34-0 in a scrimmage session held Friday night. All in all, it was an excellent season, and we're looking forward to a district championship in football come next year.

Well, sports fans, that just about takes care of the activities in sports during the year, so until next year, we will be shoveling off.

## COLLEGE, WORK, PLAY, TRAVEL, FISHING ON SUMMER AGENDA FOR CHS TEACHERS

College, work, play, travel, and fishing are included in the plans of Crowell High's faculty and administration.

Eight have found going to school every morning habit forming, and will attend college for at least part of the summer. Mrs. Lena Davis and Mrs. Zelma Hulse will do graduate work at Midwestern toward an MA degree.

Mesdames Vera Manard, Evelyn Nichols, Martha Thomas, Veda Cooper and Miss Florence Black will stay at home.

Frankie Kirkpatrick will work toward a Master of Education degree at Boulder, Colo.

Marian and Marilyn Hays will do graduate work at Hardin Simmons.

Bernice Todd says that she will do as nearly nothing as possible. Lola Davenport plans to make a trip to the Pacific Northwest and Canada (she hopes).

Mrs. Guy A. Bounds will travel to California.

Mrs. Homer Streit will complete a Master's degree at Canyon (she hopes).

Mrs. Grady Graves will wash, iron, scrub and eat.

Jewell Sollis will try to make her home look more attractive.

Glen Taylor will labor toward a Master's degree at Midwestern. Gordon Erwin will work with the summer youth program as he did so well last summer.

Mrs. Sloan hopes to complete a Master of Arts degree at New Mexico Highlands University.

## LOCAL THESPIAN TROUPE HOLDS INFORMAL SPRING INITIATION

Thursday afternoon, May 14th, the high school student body attended an informal initiation ceremony for four dramatic club members who had earned the required ten points and were thus eligible to join local Thespian Troupe No. 1101. These students were Norma Jones, Faye Black, Robert Brock and John Diggs. A number of other eligible students elected to postpone joining the Thespians until the fall ceremony.

Thespian officials in charge of the brief ceremony were Don Gobin, president; V. A. Smith, vice president; Jane Bruce, secretary; Norma Mathews, treasurer; Camille Todd, recording secretary; and Mrs. Elmo Todd, sponsor.

Following the presentation of the certificates to the new members, gold stars, each representing ten additional points, were presented for the first time to our local Thespians. These were given as follows: Nettie Black one, Thur-

ston Edgin 4, Rebecca Calhoun 2, Bertha Johnson 2, Ginger Johnson 1, Wanda Mathews 2, Jackie Rasberry 1, V. A. Smith 3, Virginia Taylor 1, Camille Todd 4, Dorothy son 1, Billy Johnson 2, Brock 4, John Diggs 2 and Bruce 1. Jimmie Franklin earned four stars and his bar and Essie Franklin had one star before moving to Greenville.

The four-star Thespians an highest possible ranking and honor bars were presented these students: Camille Todd, Bert Brock and Thurston Edgin. Maurine Youree and Billy Johnson had previously earned their tional forty points and rec their honor bars.

Each year the National Thespian Society requests all high schools to select a "Best Thespian of Year," and Thurston Edgin next presented the Best Thespian award, an emblem to be worn his sweater. Thurston was elected to this honor because of his did cooperation in all phases dramatic work and his un efforts both as an actor and technician throughout his high school career.

The local Thespians conferred their first two Honorary Memberships voting unanimously for

presentation to two persons whom they felt most worthy. Each of these memberships carries with it a one-year's subscription to Dramatics Magazine.

First to be presented was the membership to Mrs. Moody Bursley, whose interest in present dramatic work, whose past success as a high school actress and dramatic coach in Crowell High School, and whose tireless efforts and talents made possible our Interscholastic League contest play and declamation en- tries this year.

The second Honorary Member- ship was given to Henry Black, High School principal, who has contributed his wonderful person- ality, dramatic talent, and ener- getic efforts toward the further- ing of dramatics here both as high school actor and director. His helpful criticism, deep interest, and unselfish devotion have both touched and inspired the students in their work.

**DRAMATIC CLUB STAGES BARBECUE FOR SENIORS**

The Spring Lake Country Club House was the scene of a barbecue given by the Dramatic Club for the senior class Tuesday, May 13, at 7 o'clock.

Upon arriving it was easy to note that everyone seemed to have donned his best holiday mood especially for the occasion. Mr. and Mrs. Elmo Todd and a few as- sistants were on hand to see that each guest got his share of the delicious barbecued mutton of which there appeared to be a huge quan- tity. With the barbecue each guest was served a generous helping of Boston baked beans, pickles, on- ions and all the trimmings.

After all had finished eating, Jimmy Johnson and his trio of music makers entertained for the rest of the evening with enjoyable dance music. Those composing the trio were Jimmy Johnson, Bud Halsell and Ebb Scales.

The Dramatic Club and senior class would like to thank Mr. and Mrs. Todd for their donation of the barbecue and Jimmy Johnson and his trio for playing without charge. Without their help the barbecue and dance would have been impossible.

Special guests were Mr. and Mrs. Jeff Bruce and Mr. and Mrs. Fred Youree.

## LEGAL NOTICE

THE STATE OF TEXAS, COUNTY OF FOARD

In the Name and by the Authority of the State of Texas

TO: D. S. Hord, if living, whose residence is unknown, and if dead, all of the heirs and legal representatives of the said D. S. Hord, Deceased, whose names and addresses are unknown, and their heirs and legal representatives, and the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiffs herein for taxes.

YOU ARE HEREBY NOTIFIED that suit has been brought and is now pending in the Honorable District Court, 46th Judicial District, Foard County, Texas, wherein The State of Texas and the County of Foard are plaintiffs and the Crowell Consolidated Independent School District; and the City of Crowell, Texas are impleaded party defendants; and D. S. Hord, if living, and the heirs and legal representatives of the said D. S. Hord, Deceased, are defendants, by the filing of said plaintiff of a petition on the 15th day of April, 1952, and the file number of said suit being No. 3056 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

All of Lots Nos. Thirteen (13) and Fourteen (14), in Block No. Forty-Seven (47), in the Original town of Crowell, Foard County, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows: The State of Texas and the County of Foard \$29.66 Crowell Consolidated Independent School District \$51.66 The City of Crowell, Texas \$145.55 TOTAL \$226.87

The names of all taxing units which assess and collect taxes on said property not made party to this suit are None.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinafter described, and in addition to the taxes, all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 7th day of July, A. D. 1952 (which is the return day of such citation), before the Honorable Dis- trict Court of Foard County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and con- demning said property and ordering fore- closure of the constitutional and statu- tory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, pen- alties, and costs allowed by the law up to and including the day of judgment here- in, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Crowell, Foard County, Texas, this 21st day of May, A. D. 1952.

## REGISTERED NURSE SAYS BIG 12 FORMULA IS BEST

When a registered nurse with years of experience in hospitals and private homes caring for sick people recommends a medicinal product one can be certain that the product has real merit. Mrs. Fern Collins, a registered nurse who resides in San Clemente, California and recently visited in Texas had this to say about BIG 12 Iron Tonic.

"I am a registered nurse, serving many years in hospitals and on private cases, and I have seen many instances where patients, suffering from stomach trouble, nervousness, sleeplessness, loss of appetite and a general run-down condition have been greatly benefited by taking a vitamin and mineral tonic such as BIG 12. In fact I should consider BIG 12 an absolute necessity where the patient's system is deficient in Vita- mins B, B<sub>12</sub>, Niacin, and Iron; this is especially true in cases of iron anemia of which there are many. I have studied the BIG 12 formula carefully and BIG 12 supplies by far more iron per daily dose than any similar product I have seen and I think I am familiar with all of them. BIG 12 also sup- plies in the daily dose as much of the new Red Vitamin B<sub>12</sub> as a doctor usually gives in an intra- muscular injection. I believe that BIG 12 Iron Tonic, supplying as it does, helpful amounts of Vita- min B<sub>12</sub>, and Niacin in addition to Vitamin B<sub>1</sub>, and with such a large iron content is undoubtedly the best tonic a person, young or old, can take to relieve condi- tions caused by these deficiencies. Also, because of its pleasant taste, BIG 12 is invaluable to mothers whose children are not thriving as they should, since children will readily take BIG 12 and this is important to mothers because other similar products usually taste atrociously and have to be diluted with water to enable an adult to take them, much less trying to get such a dose down a child. BIG 12 requires no dilution with water, in fact BIG 12 can be placed in milk without causing the milk to curdle as will be the case with other similar products."

If you or any one in your family, a grownup, or child, is suf- fering with stomach distress, list- lessness, poor appetite, nervous- ness, nagging aches and pains and sleeplessness due to deficiencies of Vitamins B, B<sub>12</sub>, Niacin and Iron you could not possibly do a greater favor than to purchase a bottle of BIG 12 Iron Tonic at your drug store and within a short time, often before the first bottle has been taken, you will note a decided change for the better, you'll note more energy, bet- ter appetite and a general im- provement so why wait? BIG 12 is the product you have been look- ing for if you suffer from these deficiencies and it is as close to you as your nearest drug store.

**LUNCHEON HONORS**  
MRS. TOM McCANDLESS

A luncheon honoring Mrs. Tom McCandless was given at the home of Mrs. H. K. Edwards on May 15 with Mrs. Grady Halbert as assistant hostess. Pink roses and spring flowers decorated the rooms and tiny pitchers of flowers were the centerpiece of the quartet tables.

Following the luncheon, gifts were presented in a clever manner to the honoree and a pleasant hour of visiting ensued.

Those present at the enjoyable affair were the honoree, her mother and aunt, Mrs. Paul Shelton of Clarendon and Mrs. Inez Croto of Magnolia, Ark. Mesdames E. R. Roland, M. A. Walker, M. S. Henry, Jack Spikes, Gordon Bell, Henry Borchardt, G. D. Self, W. B. Tysinger and D. R. Magee.

The old fashioned method of arranging a number of vases of flowers and then distributing them haphazardly through the house is now outmoded. The artist achieves the maximum in effect with the minimum of wasted effort by standing in the center of her room and deciding just where

## TRUSCOTT DILETTANTE CLUB

The Truscott Dilettante Club was fortunate in having as its guest speaker, Mrs. G. C. Phillips of Thalia, at its flower show Wednesday afternoon, May 14. Mrs. Phillips has won many prizes at flower shows throughout this area, including the Santa Rosa show.

Using a basic foliage background, Mrs. Phillips showed how various groupings of flowers could be used to create symmetrical and asymmetrical arrangements. In her informal discussion, she stressed the importance of the basic principles of flower arrangements. These include design, balance, color, scale, rhythm, focus, accent and harmony.

Winners with flower arrangements were, in order awarded, Mrs. D. S. Ellis, Mrs. Marion Chowning Sr., Mrs. Q. D. Williams and Mrs. Odell Williams.

Prizes for owners of growing plants went to Mrs. Edgar Jones, first; Mrs. Odell Williams, second; and Miss Mary Kathleen Chowning, third.

Collections of chrysanthemums and lily plantings were the prizes awarded.

Hostesses for the day were Mrs. Newell Looney, Mrs. Jack Hickman and Mrs. Q. D. Williams. Mrs. Phillips was introduced to the members and guests by the program leader, Mrs. Q. D. Williams. Seed punch and dainty cookies were served following the judging. Guests were from Crowell, Vera, Gilliland, and Truscott. Miss Mary Chowning directed the nursery.

The next meeting of the Dilettante Club will be Wednesday, May 28, at the club room. Hostesses will be Mrs. Marion Hord and Mrs. Odell Williams.

**PIANO RECITAL HELD**

Mrs. Allen Sanders presented her music pupils in a spring piano recital in the High School auditorium on Thursday evening, May 15.

The following pupils appeared on the program: Mary Ann Brown, Janie Bowers, Delton Brown, Kay Johnson, Barbara Goodwin, Judy Traweck, Wanda Moore, Sue Banks, Dorothy White, Roxianne Adkins, Jeanie Johnson, Patricia Prosser, Dannie Callaway, Sue Bursey, Linda Ferguson, Judy Borchardt, George Morgan, Jana Black, Sandra Sanders, Carolyn Monks.

Latrell Duckworth, Jo Ann Fox, Sandra Campbell, Carolyn Bursey, Patricia Todd, Jane Bruce, Mary Cooper, Betty Linda Knox, Patty McGinnis, Shirley Fox, Peggy New, Gail Knox, Noel Wilkins, Betty Davis, Carol Pogue.

Several vocal numbers, readings and an accordion solo interspersed the piano numbers.

At the close of the program, refreshments of punch and cookies were served to the class members by Mesdames Henry Borchardt, Gerald Knox, M. A. Wilkins, Lee Black, Gordon Cooper and Moody Bursey.

**WEINER ROAST**

Mr. and Mrs. Walter Sprague honored their two daughters, Myrna Ruth and Shirley, with a weiner roast Friday afternoon at the six-mile hill west of Crowell.

Refreshments and games were enjoyed by the following: Sandra Campbell, Ray Thomson, Shirley Fox, James Choate, J. C. McCoy, Sandra Choate, Noel Wilkins, June Ford, Billy Max Edgin, Elizabeth Davis, Lula Scott, Aldon Garrett, Virginia Scott, Rowlene and Gilbert Choate, the honorees and the host and hostess.

**COLUMBIAN CLUB**

The season's last meeting for the Columbian Club was held in the home of Mrs. B. W. Self on Wednesday, May 14.

The president dispatched all business pertaining to the club and dismissed all committees with the exception of the calendar committee.

Mrs. Hines Clark was leader and the afternoon was devoted to a home and garden program. Particular interest was placed on the present-day iris hobby. Many Crowell gardens are cultivating a number of the late varieties and know where they are as they select the best.

Mrs. Self served brick ice cream, cake and punch to fifteen members.

**PIANO RECITAL**

Mrs. J. Fred Bayless presented her piano pupils in recital at the First Christian Church Sunday afternoon, May 18, at 3 o'clock.

Mrs. Bayless' class consists of the following who took part on the program: Shirley Sprague, Myrna Ruth Sprague, Barbara Borchardt, Charlene Borchardt, Marjorie Brock, Alyene Graham, Janis Crowell, Marion Crowell, David Bayless and Anne Bayless. Solos and duets and a trombone solo comprised the program.

## Home Demonstration Notes

MARY DEEB BROWN

The reupholstery school is over now, but I believe that the work the women did and the things they learned will carry on for many years.

Four clubs were represented at this school. They were Vivian, Foard City, Gambleville and West Side. The West Side leaders, Mrs. C. R. Bryson and Mrs. Jack Lyons, did a regular living room chair with the curved arms and back which we are all familiar with. Mrs. Clyde Bowley and Mrs. Johnny Marr, Vivian leaders, did a platform rocker. Mrs. Ed Huskey and Mrs. Archie Campbell, Gambleville leaders, did a boudoir chair. Leaders from Foard City, Mrs. Tom Callaway, Mrs. W. M. Cox, Mrs. W. L. Johnson and Mrs. Doc Borchardt, did a large overstuffed chair.

All of the women did excellent jobs and I believe all were proud of the results.

These women plan to go back to their communities and hold a reupholstery school there, so if you are interested in reupholstering, won't you contact them to see when they plan to start, etc.

Hot weather is coming on and we are all looking for "cool recipes." Here is one for orange milk sherbet which you might like to have.

**Orange Milk Sherbet**

Two 14½ ounce cans evaporated milk.  
2 cups sugar.  
4 teaspoons salt.  
3 tablespoons lemon juice.  
1 cup orange juice.

Combine evaporated milk, sugar and salt. Gradually stir in fruit juices. Pour into two refrigerator trays and freeze until firm. Remove to chilled bowl and beat until smooth and fluffy. Return to trays and freeze until firm again.

**ROTIARY CLUB**

The Crowell Rotary Club probably had the shortest attendance Wednesday at noon that it has had during the past Rotary year. There were no visitors and five members were absent.

The program was in charge of Marion Crowell with Miss Faye Black, new pianist for the club, giving a piano recital. She played several request numbers, which proved to be a very enjoyable program.

Herbert Edwards was in Dallas the first of the week buying fall merchandise for Edwards Dry Goods Co.

## TRAINING MEETING TUES.

"Would you like to make a reed magazine basket?" asked Mrs. Herman Kincheoloe and Mrs. Jack Lyons at the training meeting Tuesday, May 20, held in the Home Demonstration Agent's office.

Foard, Hardeman and Wilbarger county club women were represented at this meeting by 16 leaders and two agents.

Mrs. Kincheoloe and Mrs. Lyons demonstrated how to start a basket, how to put the braided edge on it, and how to make several different types of handles.

"Working with your hands is an outlet for your creative sense," concluded Mrs. Kincheoloe, "and weaving has always been a favorite craft."

**4-H Club Members Study Different Shrubs**

From the Panhandle to the Gulf Coast and from East Texas to New Mexico, 4-H boys and girls are studying shrubs and their uses. Community, county and district contests are being held to train members in recognizing shrubs and suggesting practical uses, says Sadie Hatfield, home-stead improvement specialist for the Texas Agricultural Extension Service.

Friendly contests at club meetings train the members to recognize shrubs. Each contestant, she adds, is expected to know at least 50 shrubs. This list includes many old time favorites such as abelia, althea, bush honey suckle, bridal wreath and crape myrtle. The list also contains many of our native shrubs which have been neglected such as apache plume, cliff rose, desert willow, lemonade sumac, wafer ash and evergreen sumac. The specialist explains that dry weather during the past two seasons has quickened the general interest in our native drought-enduring plants.

During the 1951 4-H Roundup, the first state Shrub Identification contest was held, and it created a great deal of interest. Boys and girls from all parts of Texas are preparing now for the 1952 contest to be held June 9 at Texas A&M College. Winning teams and high scoring individuals will be given gold, silver and bronze medals, says Miss Hatfield. This is one contest, she adds, in which all can be winners. Learning to know shrubs and where to plant them is valuable information when planning home grounds and knowing which will be hardy and thrifty is equally important.

**GRADUATES HONORED**

As a compliment to the members of the graduating class of the Elementary School, immediately following graduation exercises of the high school auditorium Tuesday afternoon, May 20, the eighth

grade class mothers were hostesses to class members and the teachers of the elementary school at a lovely garden party given at the home of Mr. and Mrs. Foster Davis.

Besides Mrs. Davis, the hostesses were Mesdames Jack Walker, Rex Traweck, Ed McDaniell, Earl Ingle, Moody Bursey, John Borchardt, Joe Eddy, Charlie Wishon, Raymon Rasberry, Gerald Knox and Milton Hunter.

Adorning the madeira-covered table was a lovely arrangement of pink flori-bunda roses and larkspur in a lovely round tainer opposite the punch from which lime punch was served by Mrs. Dick Todd, Mrs. and Mrs. Otto Davenport, the home-room teachers of eighth grade. Sandwiches, cookies of various kinds and a variety candy completed the refreshment course.

Pictures were made of the ty-one graduates.
