There is yet to be some debate before the legislature makes its final decisions.

For example, Representative Joe Burkett of Kerrville protested the proposed 60 per cent increase in corporation franchise taxes.

Difference of opinion also arose in the House in the shape of a bill presented by Representative Charles Murphy of Houston. This bill provides an alternative to the teacher pay raise proposition of-fered by the governor. Murphy's bill would give school

districts \$400 more per year per teacher, but would not entail raising all teachers' pay by that amount. The present \$2,402 and a per year per state of the present \$2,402 and the renual pay minimum would be re-tained, but extra money would

Texas Press Association Austin, Texas—All of Governor Allan Shivers' proposals are moving along in the legislature.

Passed by the House Revenue
and Taxation committee was the governor's tax measure, levying on beer, franchise taxes and natural gas.

To raise about \$25 million a year, the tax is designed to pay for increased salaries for teachers and state employees and for state buildings.

Before passing the committee by a vote of 16 to 4, the tax bill was changed in one particular: instead of a gathering tax, it is an increase on production, from 5.72 to 9.06 per cent of market value at the well

Until recently, the use of super aviation gasoline components was restricted by the United States Government to high octane, high performance aviation gasoline. They were needed to give our planes a tremendous power surge in aerial combat. Now military authorities have released restrictions on the use of these power-packed aviation gasoline components. So Phillips is able to use not only Di-isopropyl but also HF Alkylate, both originated and first manufactured by Phillips. That's why Phillips can bring you this great new gasoline— Phillips 66 Flite-Fuel.
