## Powerful Quannah Indians and Crowell Wildcats, Two Undefeated Teams, to Meet Here Tomorrow Night at 8 P. M.

Powerful Quannah Indians, District 2A-4 champions, will meet the Crowell High School Wildcats here at the Wildcat stadium tomorrow (Friday) night at 8 o'clock. With only one loss from one backfield player from the starting lineup this season, it looks like Crowell will be at least a three-touchdown underdog in this contest. The Wildcats, too, have been looking better this season and have been definitely picked to cop the 1A-9 championship. Crowell's line has been able to outplay the opposing line thus far this season, but Quannah will have a 17-pound weight advantage that will be hard to cope with.

Probable starting lineups for the Crowell Wildcats-Quannah Indians football game to be played at Wildcat Stadium Friday night, Sept. 26, at 8 o'clock, follow:

Offensive Starters					
Crowell	Wt.	Pos.	Wt.	Quannah	No.

## Powerful Teachers to Prominent Negro Saturday

The Foard, Hardeman and larger County members of the Kappa Gamma heard Mrs. Ernest Matthews speak on "The Gilmer-Aiken Law Is Not Doing for Negro America." This, the opening 1952 meeting of the Beta Gamma chapter was held in the Forum room of the Wilbarger Memorial Auditorium last Saturday evening in

The Gilmer-Aiken law has increased the salaries and the length of school terms for Negro-American teachers, but there is much to be done to provide adequate pay for Negro schools," related Mrs. Matthews.

She placed much emphasis on pressing need for laboratories and libraries. "Students seeking higher education are penalized because of lack of such facilities. Many Negro-Americans who do domestic work for their schools would be more efficient workers with laboratory training in the schools," stated Mrs. Matthews.

Closing the program the guest speaker sang "I Walk Alone" by Jimmy Collins and "Just Awear-Your-You," by Carrie Bond.

Foard County members attending the meeting were Misses Cora Carter, Florence Black and Frankie Black.

## H. K. Edwards Returns from Stay in Venezuela

H. K. Edwards Jr., son of Mr. and Mrs. Herbert Edwards of this city, has recently returned from Venezuela where he has been employed as district engineer for the Texas Petroleum Co. He is currently on vacation after spending two and one-half years in this country south of the equator.

H. K. relates that he enjoys his work in Venezuela and especially likes the comfortable climate with temperatures averaging about 80 degrees. He stated that two seasons, dry and wet, prevail throughout the year with the dry period from October through April and the wet season continuing for the remainder of the year. These facts will illustrate the desirable weather in the eastern section of Venezuela.

After his vacation has ended on December 1, he plans to return to Venezuela and his position there. When asked about living conditions, he replied that prices there exceed prices here in the States.

H. K. graduated from Crowell High School in 1938 and received his degree from Texas A&M following several years spent in the armed forces during World War II.

## Funeral for Mrs. D. B. Traweck Held in Truscott Sunday

### Pioneer Antelope Flat Resident Dies Suddenly Sept. 20

Funeral services for Mrs. D. B. Traweck of Truscott were held at the Baptist Church in Truscott Sunday afternoon at 4 o'clock with Rev. Barnard Franklin, pastor of the Crowell Baptist Church, conducting and Rev. R. E. Brannum, former pastor of the Truscott church, assisting.

A quartet composed of John Rasor, Mrs. W. F. Statter, Ed McDaniel and Ernest King, sang the following songs, "Sweet By and By," "Rock of Ages" and "The Old Rugged Cross." Mrs. W. L. Lemons played piano accompaniment.

Interment was made in the Truscott cemetery. Pall bearers were Sty Barker, Bob Whitaker, Byron Bates, James Sandlin, Blake McDaniel and Floyd Roberson. Flower bearers included Mesdames Sty Barker, Bob Whitaker, S. E. McRoberts, James Sandlin, Darwin Bell, Blake McDaniel, S. O. Turner, H. D. Patterson and Floyd Roberson.

Mrs. Traweck's body was found Saturday morning by a son, Willard Traweck, by the side of a road near her home. It was assumed that Mrs. Traweck left home during the night to seek aid for her husband who had suffered a heart attack. Her body was found in a ditch between her home and the home of the son who lived about two miles away. Mr. Traweck was on the floor with a pillow under his head when he awakened and missed his wife. A search followed. Mr. Traweck, being subject to such attacks, it was assumed that he fell during the night and Mrs. Traweck became alarmed and went to seek help.

Mrs. Traweck was born Dec. 15, 1886, in North Carolina. She was Hattie Lucency Harris and was married to Mr. Traweck on Dec. 4, 1903, at Weatherford.

She was converted and united with the Baptist Church at Long Branch, Eastland County, more than forty years ago. Her church membership at the time of her death was in the Truscott Baptist Church. She was an outstanding Christian woman, ever kind and helpful to all.

Survivors are the husband and ten children; Mrs. Jesse Owens of Vernon, Willard Traweck of Foard City, Mrs. Jesse Rutherford of Gilliland, Mrs. Lewis Cogdell of Crosbyton, Rex Traweck of Truscott, Jack Traweck of Rochelle, Mrs. Dan Callaway of Crowell, Mrs. R. J. Owens of Foard City, Harry Traweck of Foard City; and Dick Traweck of Spur. There are also twenty-four grandchildren and five great grandchildren surviving as well as one sister, Mrs. Henry Scott of Rising Star and one brother, Henry Harris, of Lubbock, all of whom were present at the funeral services.

Out of - of - town relatives and friends who attended the funeral include: Mr. and Mrs. J. B. Davis and son and Mr. and Mrs. Lewis Owens and Mr. and Mrs. H. D. Patterson of Lubbock; Mr. and Mrs. Hoyt Ellis and children of Clarendon; Mr. and Mrs. Whitt Richards of Breckenridge; Mr. and Mrs. Glenn Richards and Miss Mary Richards of Stephenville; Mr. and Mrs. W. M. Hord of Spur; Mr. and Mrs. A. L. Hord and Mr. and Mrs. Gaylon Hord of Cores; Mr. and Mrs. Ted Wisdom and family of Abernathy; Mr. and Mrs. Buster Ryan and family of Seymour; Mr. and Mrs. Derrell Hord and sons of Tulia; Mr. and Mrs. Frank Langston of Sanford; Mr. and Mrs. Clifford Killingsworth of Paducah; Mr. and Mrs. Amos Lilly of Zephyr; Mr. and Mrs. Byron Darnell of Denton; Dr. and Mrs. Lowell Campbell of Fort Worth; Mr. and Mrs. J. C. Traweck of Bangs; Mrs. Henry Henderson, Mr. and Mrs. Ned Owens, Mr. and Mrs. John McAnear, Mrs. Raymond Bays, Mr. and Mrs. Mark Neal, Mr. and Mrs. George Beavers, Mr. and Mrs. Ples Holbrook, Mr. and Mrs. H. B. Dockery, Mrs. Kade West, all of Vernon.

## COUNTY FEDERATION

The Foard County Federation will meet Friday of this week at the Adelphian Club House. Vivian and Gambleville Home Demonstration Clubs will be hostesses.

This promises to be a meeting of unusual interest and all member clubs are urged to attend.

## PACIFIC SECURITY PACT

The outline for a three-power Pacific security pact to protect the area from Communist aggression has been completed by the Foreign Ministers of the United States, Australia and New Zealand.

SIX IN FAMILY STRICKEN BY POLIO—Six of the seven children of the Paul Pehl family of Stonewall, Texas, are stricken with dreaded polio—and the seventh is being tested for the crippling disease. In hospital beds are (front to rear), Paul, 11; Elaine 9, Daniel 15, Dayton 14, Dorothy 6 and George 10.

## Crowell High School Wildcat Football Team Keeps Clean Slate in Defeating Paducah 47 to 0 Here Last Friday Night

The Crowell High School football team ran roughshod over the green Paducah High School team here last Friday night to defeat them 47 to 0. Paducah's regulars from last year's team have been eliminated by ineligibilities and sickness down to one player. Most of their performers were freshmen and sophomores. However, the Wildcat team that defeated the strong Seymour eleven the week before should be given credit for some excellent football on its part. In fact, Coaches Thayne Amoneit and Gordon Erwin used mostly reserves in the last half of the game. It was Crowell's strong line that made the big difference in the strength of the teams. Crowell's defense, led by all-district George Scott at tackle, held the Dragons to one first down during the first half. So many members of Crowell's team looked

## Achievement Day for H. D. Clubs Set November 8

November 8 was the date selected by Foard County Home Demonstration Council for the annual Achievement Day and Food Sale, at the meeting last Saturday afternoon. Thirteen members and two guests were present at the meeting of the Council.

## Former Crowell Resident Dies in Wichita Falls

One of Wichita Falls' oldest residents and a former resident of Crowell for many years, Mrs. Frank Hays, 93, died at her home in that city Monday afternoon.

Mrs. Hays, born before the Civil War, had been a resident of Wichita Falls for 32 years. She was born in Louisville, Kentucky, in 1859, and moved with her family to the Indian Territory—now Oklahoma—in 1877.

Married in 1881, she moved to Foard County with her late husband, J. Frank Hays, and family from Cooke County. During the boom, they moved to Burk Burnett and lived there for two years before moving to Wichita Falls in 1920. She was a member of the First Church of Christ, Scientist, of Wichita Falls.

She is survived by three daughters, Mrs. Beulah Gafford and Mrs. Rose Crowell, both of Wichita Falls, and Mrs. L. A. Beverly of Denver, Colo.; three sons, John A. Hays, Grover W. Hays and James F. Hays, all of Graham.

Funeral services for Mrs. Hays were held at 2:30 p. m. Wednesday from the Hampton-Vaughn-Merkle funeral chapel with interment in Rosemont Burial Park in Wichita Falls. Grandsons were pall bearers. Mrs. G. T. Drinkard of the First Church Scientist officiated at the services.

Those attending from Crowell were Mr. and Mrs. J. R. Beverly.

## First of "Dollar Days" to Be Held Here Next Week End, Oct. 3 and 4; to Be Sponsored by Crowell Booster Club

The first of a series of monthly "Dollar Days" will be held in Crowell next Friday and Saturday, October 3 and 4. The Crowell Booster Club, sponsor of the affair, plans to make the Dollar Day week end a monthly affair on the first Friday and Saturday of each month.

Merchants will carry ads on barrains to be offered in the News next week, and papers will be sent to every home in Foard

## News About Our Men in Service

Pvt. Perry A. Hinkle spent last week in the home of his parents, Mr. and Mrs. Charlie Hinkle. He reported back to Camp Stoneman, Calif., on Sept. 17 for orders.

A/IC Baxter W. Gentry has been transferred to Camp Stoneman, Calif., where he is to be shipped overseas. His new address is Prov. Sq., 1714 APO 959, Postmaster, San Francisco, Calif.

## CHS Band to Put on Half-Time Show at Game Friday Night

The Crowell High School Band will put on a good half-time show for the football game Friday night. Last Friday they marched and played down town before the game.

On Monday night the Band Boosters' Club met in the auditorium of the high school with an unusually large attendance and more than usual interest was shown in the affairs of the band.

Again, Walter B. Harris, band director, wants to remind all parents who want their children in the junior band to contact him soon before it is too late to get in the band.

## Boys Desiring to Join Scouts Should Attend Meeting Tonight

The Boy Scouts meeting from 7:30 to 9 p. m. each Thursday at the VFW Hall, were organized into four patrols last week when 21 boys attended. Application for charter was delayed due to the fact that a few of the some 25 boys who have applied have not brought their application blanks to Scoutmaster Marcus Mills.

Mr. Mills stated that the last call for charter members is the Scout meeting tonight. Any other boys, 11 years or older, desiring to be Scouts, should be present with their parents tonight, or contact Mr. Mills.

## ROTARY CLUB

The Crowell Rotary Club convened Wednesday for the weekly luncheon-meeting with President Clinton McLain in charge.

Grady Halbert, program chairman, presented H. K. Edwards who has just returned from Venezuela. Mr. Edwards presented a very interesting talk concerning conditions in Venezuela. This program climaxed Grady Halbert's tenure as program chairman and it was announced that Grady Graves will serve in this capacity for the next three months.

Visitors attending this meeting included Rotarian Vance Favor of Quannah and Lt. Wayne Steele of Williams Air Force Base, Arizona.

## CROWELL SCHOOLS TO HAVE DEFENSE STAMP DAY

Foard County schools will again this year be unanimous in their cooperation in weekly Defense Stamp Days. The Treasury Department in Dallas has been notified that the Crowell Public Schools will resume their weekly Defense Stamp Days and also that the Thalia School, of which Mrs. Howard Bursley is principal, will also have Defense Stamp Days.

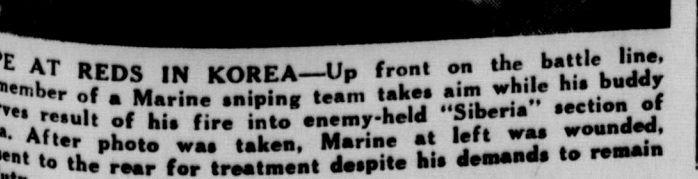

## STUDENT NURSE

Miss Bertha Jeannette Johnson, daughter of Mrs. Madge Johnson of Crowell, is the freshman nurse representative on the annual staff of San Angelo Junior College. She is a student nurse at the Shannon West Texas School of Nursing in San Angelo, and in connection with this course, attends San Angelo Junior College for the first nine months.

Horace Greeley habitually wore a white hat and coat.

## Taft Agrees to Back Ike

In a historic meeting at Gen. Dwight Eisenhower's New York home, his arch-foe for the Republican presidential nomination, Senator Robert Taft (right), agreed to campaign for the general. Above, both men smile after reaching agreement. The convinced Taft he'd support "Republican policies." Taft is expected to bring reluctant Taft-men into the Eisenhower fold.

**CITIZENSHIP DAY OBSERVED  
SEPTEMBER 17**

"Citizenship Day," in commemoration of the signing of the Constitution of the United States

on Sept. 17, 1787, was observed throughout the nation this week. The special day for Americans to assert their faith in the principles and ideals of the Constitution was designated by Congress. President Truman recently signed a proclamation urging citizens throughout the country to observe Citizenship Day.

"Citizenship training ranks with reading, writing and arithmetic as one of the foremost teaching obligations of Texas elementary and secondary schools," says J. W. Edgar, commissioner of education. In CHS special emphasis on good citizenship was stressed in civics and American history classes by placing emphasis on the democratic way of life and the rights and responsibilities of being an American citizen.

The U. S. flag flew from the CHS flag pole at full mast during the day.

**MY TRIP TO VILLA ACUNA**  
by Fred Barker

Note: Fred wrote this account of a trip he made during the summer as a theme requirement. We asked his permission to print it.

One Wednesday morning about six o'clock four boys, Jim Hill, Erwin, George Johnson, Ace Whitley and I set out from Crowell for Villa Acuna. Within six hours we had covered the distance between these two points. We arrived in Villa Acuna about 2:00 p. m. There were numerous curio shops so we shopped around awhile for souvenirs. Taking a cruise around town in some horse drawn buggies, then back to Del Rio and spent the night.

The next day (which was Sunday) we went back to Villa Acuna and went to a movie. We also saw the bull fights. I will now proceed to tell how they fight bulls.

First comes the parade to the arena. The two competing matadors are first, then come the four young fighters, then the picadors on their nags just about two jumps from the glue factory, and then last but not least the caretaker

pushing his wheelbarrow. Then they let out the bull.

They enrage the bull by letting him charge into swirling capes held by the young fighters. Next they send in the picadors who ride on armored horses and whose job it is to let the bull charge into the horse to give him more confidence. Meanwhile the bull is hitting the horse the man is on, and at the same time he is driving a sharp shaft into the bull's shoulder just deep enough to enrage him. Next come the three young fighters who place the banderillas. They are little harpoons about three feet long gaily decorated with crepe paper. A fighter will take two (one in each hand) and get the bull to charge at him, then he leans over the charging bull's neck and hooks the banderillas into the bull's shoulder and kindly steps out of the way. This is repeated three times for they usually have six in if they are good fighters.

At last comes the matador with his cape and sword. He lets the bull charge at him several times and draws him close by him with his cape. After about ten minutes of this strenuous work, he strikes a dramatic pose as he aims the sword for the kill. The bull charges at the same time he does. Then if he knows his business, he will sink the sword deep into the bull's shoulder and El Toro (the bull) is dead.

**COME TO PANCAKE SUPPER**

I suppose by now everyone has heard about the pancake supper. But if you haven't, here are the details. The band is putting on a pancake supper Monday evening, Oct. 6, in the school cafeteria.

Pancakes, coffee, cream, syrup and everything necessary has been donated. It will cost the band nothing. The band will furnish music for the supper. The money from the supper will be added to the money from the pop bottle drive and used to buy uniforms. Adult tickets will cost one dollar and children's tickets will cost 50c. A package of Pillsbury Pancake flour will be given away with each adult ticket sold.

Remember October 6th. Come to the pancake supper and eat all you want. If you back your band, the band will back you.

**JUNIOR CLASS BEGINS  
MAGAZINE SUBSCRIPTION  
DRIVE**

The Junior Class has begun the annual magazine subscription drive. The captains are Jean Whitby and David Jackson.

Every day there is a drawing of all the names in the Junior Class. The first day the student's name that is drawn receives ten dollars if he has sold four dol-

lars. If he hasn't, the name is put back in, and every day a dollar is added until someone gets the money.

On the fifth day which was last Thursday, Wayne Borchardt's name was drawn making him the winner of the 15 accumulated dollars.

At the end of the drive the boy or girl who has sold the most subscriptions gets a prize.

Since the drive began, about \$500 worth of subscriptions have been sold.

Students and patrons, help a worthy cause by buying our magazines for the juniors, for the proceeds go to the Junior Senior banquet fund.

**LAB PERIODS FASCINATE  
FUTURE CHEMISTS**

Lights! Camera! Action! So began the first lab experiment by the chemistry department of CHS. For two weeks, tension has been built up by Mr. Welch, lab instructor. Each student was eager to probe into the dark and mysterious new world called "Chemistry in Action."

Exciting new words were tried by a brave few. Molecule! Carbon tetrachloride! Ammonium hydroxide! Sodium chloride! Cupricide! These were only a few. Gradually day by day these future chemists learned the chemical make-up of each. Then finally the students eagerly filed into the lab.

A little shyly at first they tried out the metrical balances and beakers. Soon after all equipment was sorted they were ready for the first experiment. "Preparing a solution suitable for fireproofing cloth" the lab manual read. The solution was made, the cloth saturated and tested, then a big "experiment successful" was marked down in the workbooks of each.

Throughout the years much interest has been shown by students in signing up for chemistry. This year being no exception as nearly a full class filed in on the first day.

Excellent guidance is offered by Mr. Welch who says "They're bound to learn how to make something even if they do blow up the school house in the process."

**ANNUAL STAFF SETS RECORD**

The annual staff under the guidance of Mrs. Manard did a splendid job last Tuesday of gathering the high school students in the auditorium to have their pictures made. With the exception of three students, every boy and girl smiled up at the camera. This set a very impressive record. Up until this year picture making has been a very troublesome issue for the staff.

This accomplishment will be of much benefit to the annual in an economical way. The pictures will be placed on the pages that they will occupy in the annual, and for every page that the publishing company receives by Nov. 1, there

will be a fifty cent per page discount.

Those students who were not on hand to have their pictures taken last Tuesday may have their final chance to do so Oct. 2. Pictures also will be taken of the officers of various clubs at this date. For fifty cents each student gets his picture in the annual and a copy for himself. Extra orders for pictures may be placed Oct. 2.

The staff plans to meet its first deadline Nov. 15 for one-fourth of the annual must be in on that date. The annual drive is scheduled for the last of October to make possible the completion of the final order by Dec. 1.

**JOAN ROBERTS LIKES CHS**

Have you seen this cute junior girl lightly tripping the halls of CHS? She is 5 feet 4 in. tall, has hazel eyes and a smile that would find you at glance.

Prior to CHS, Joan has attended Arlington Heights in Ft. Worth where she had a very high scholastic standing. She commented that as far as studying, she would rate the two schools on an even basis although Arlington could offer a more varied schedule.

At present she is staying with her grandparents, Mr. and Mrs. Jack Roberts Sr. Joan is rather concerned about sports. She likes to follow the records of various football teams. According to Joan, Arlington Heights had a splendid record last year and she hopes that Crowell can do as well this coming season.

CHS welcomes Joan!

**BIBLE THROUGH THE  
AGES UNFOLDS**

High School students last Thursday saw the dramatic story of the development of the Bible in a moving film which combined history and religion to achieve its effect.

"The Bible Through the Ages" told the story from the time the idea of writing the Bible was first conceived in the minds of men up to the present day task of making the many translations so all men may possess it and read it.

The film elaborated on the wonderful work being done at the present time by missionaries toward the enormous task of translating the Great Book into the tongues of African natives. They spend a lifetime devoted to the furtherance of a great ideal, "That all men may possess this treasure, read it, and live by it."

**DON GOBIN CHOSEN JUNIOR  
ROTARIAN FOR 3 MONTHS**

The Crowell Rotary Club has chosen to keep its Junior Rotarian, Don Gobin, for an additional three months. Don was first chosen to be the club's junior member at

the last half of the school term last year.

If a brief look is taken at the outstanding offices and positions Don holds at the present date, not to mention his accomplishments of previous years, the reasons back of the Rotarians' choice is understandable.

Don is the quarterback of the Wildcat football team and a definite asset to that organization. Because of his leadership as the president of the Dramatics Club last year, he has been re-elected to that position by a wide majority.

If you are one of the many who enjoy the brilliant accounts of the games in the sports section of the Wildcat, you may again look to Don, along with co-editor, Roy Whitley. These two do a splendid job.

When asked to make a statement, Don said, "I enjoy attending the Rotary Club because it gives me a closer association with business men and acquaints me with the fine personalities who constitute the club."

**BARBECUE SAUCE**

For an ideal winter meal, add barbecue sauce to your meat

dishes. Delightful and high-souped foods may be used for main course during the winter months.

The following winter special presented to Homemaking girls by Faye Black.

Combine one cup catsup, one quarter cup Worcestershire sauce, 3 tablespoons chopped onions, one teaspoon sugar, 1/2 spoon vinegar and one spoon water. Pour over the in the skillet, cover and cook 10 minutes, turning meat occasionally.

If frankfurters are to be split open 3 large frankfurters, brown in small amount of oil. This sauce is enough for 16 meat balls or a frying chicken.

WTCC Compares GOP and Democrat Farm Platforms

Comparison of statements in the national platforms of the two major political parties pertaining to spending for agriculture have been compared by the West Texas Chamber of Commerce public information department.

Without comment or interpretation, the statements in the platforms on this subject are, briefly, as follows:

Democratic platform: Promises to: (1) continue a mandatory price support program "at not less than 90 per cent of parity"; (2) "practical methods of extending price supports to other storable and to producers of perishable commodities"; (3) "continue to assist farmers in providing abundant and stable supplies of agricultural commodities for the consumers at reasonable prices" and to "assure farmers the opportunity to earn a fair return."

The party pledges to continue agricultural adjustment and crop insurance programs and to extend soil conservation, flood control and agricultural research program. It declares it will provide adequate storage facilities for farm products.

Republican Platform: Promises: (1) a farm program "aimed at full parity prices for all farm products in the market place"; (2) a program of commodity loans on all non-perishable products without restricting the farmer's ability to produce; (3) expanded soil conservation and flood control programs "under local control"; (4) expanded agricultural research and education; (5) extension of rural electrification and communications (tele-phones).

The platform also promises to "make more efficient the operation of the Department of Agriculture."

"It's built like the big ones" —that's why a GMC pickup will last longer, cost less to maintain!

WHEN the big GMC over-the-high-way truck and the small pickup, shown above, are loaded to capacity—there's 30,000 pounds difference in their weights.

Yet they are alike in a lot of important ways that make GMC light trucks tops in all-around service!

For GMC is the ONLY pickup truck with all five of the important features which most manufacturers reserve for their bigger, "heavy duty" vehicles.

They are: Tocco-Hardened crankshafts, full-floating piston pins, airplane-type main and rod bearings, rifle-drilled connecting rods and full-pressure lubrication all the way to the piston pins—things that increase the life of any truck.

But that's not all. We'll be glad to demonstrate how other features like "pillow action" springs and recirculating ball-bearing steering give GMC's a real "passenger-car ride." Come in and see firsthand the fine features that make GMC today's top buy in pickup, panel and stake rack trucks!

TEXAS-BORN IKE ...a man of integrity He is the Choice of Texas Democrats for President! Texas Democrats for Eisenhower! That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party—but NOT in the policies and practices of Trumanism. We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!" We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism. We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President." If you, as a Democrat, feel as we do—join us! Be a Texan—not a Trumanite... Vote Ike!

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information. NAME ADDRESS (Mail to: TEXAS DEMOCRATS FOR EISENHOWER 211 West 14th St., Austin, Texas)

**Almost Every Other Texan Owns Car**

Almost every other Texan has an automobile.

The state now ranks fourth in automobile population of the nation, with some 3,400,000 registered, according to information compiled by the Texas Good Roads Association. These automobiles, plus the trucks and buses, drive a total of more than 81 million miles a day.

At present only New York, Pennsylvania and California have more automobiles than Texas. In the last ten years this state's population has increased 20 per cent but its automobile population has increased nearly 100 per cent.

Texas now has 44,000 miles of improved highways for these automobiles to drive on. Nearly half of that amount is in the farm-to-market road system. Urban expressways total less than 100 miles while safe four-lane highways now total approximately 1,000 miles.

If all the automobiles in Texas were lined up bumper to bumper, they would form a line 13,000 miles long.

Birmingham is England's second largest city.

America's home-making magazines are the best in the world. Their circulations total many millions of readers because they are packed with ideas for improving our homes and gardens. And newspapers are doing just as good a job along these lines as the magazines.

Evidently, though, the Department of Agriculture is not satisfied. It wants to get into the act, too. The Department has just issued a five-cent booklet entitled "Electric Lamps That You Can Make or Modernize."

### BELLES AND BEAUS

If you are having any trouble  
getting a boy friend, keeping him  
or losing him, just ask the advice  
of any of the Homemaking II  
girls. They find, by consulting  
authorities, that the best way to  
get and keep your beau is by be-  
ing cheerful, courteous and con-  
siderate, but the best way to lose  
him is by being selfish, inconsid-  
erate and self-centered.

Boys, here are some tips for  
you, too. They also find that girls  
prefer boys who are well groomed,  
humorous, and well mannered. By  
all means don't let the fact that  
you are broke or don't have a  
car stand in the way. Go over to  
your "Belle's" house and play  
records or just simply sit and talk.  
Girls are also expected to be  
fair about it. Make the boy feel  
at ease by showing that it doesn't  
matter whether he can get the car  
or not. Certainly don't sulk be-  
cause he can't take you to a  
"dreamy" movie that you have  
been "dying to see."

### FOOTBALL FIELD IN GOOD CONDITION

The football boys like the con-  
dition in which the field has been  
kept this summer. It has a better  
turf on it than it has had in sev-  
eral years. Credit goes to Mr.  
Brisco and Mr. Huskey who watered  
and mowed it continuously  
throughout the summer.

Crowell has one of the best  
fields in the district. It is free  
from grassburrs; this is something  
we can brag about. If you have  
ever played football, you know  
what grassburrs are like when  
you fall on them.

The playing field is on the south  
side of a large stadium which has  
been kept in good repair during  
the past years.

If we play football just half  
as well as our field has been  
taken care of, we should deal all  
the teams in the district a lot of  
misery.

### IF I'M WRONG, SUE ME

Well, sport fans, our Wildcats  
have come through the first two  
contenders in flying colors and  
Friday night's game with the  
powerful Quannah Indians here in  
Wildcat Stadium should really be  
a thriller since both the Indians  
and our 'Cats are currently rated  
high in 2A-4 and 1A-9, respective-  
ly. As a result of last week's con-  
tests, the charges of Coaches Am-  
nett and Erwin have captured un-  
disputed possession of first place  
in the district standings. No con-  
ference games have been played  
thus far by any team in the loop.  
Now for a quick glance over

this week's schedule for district  
1A-9. We predict Iowa Park over  
Electra, Olney to edge Archer  
City, Holliday to snap Bridgeport,  
Burkhardt over Henrietta, New-  
castle to win their first game and  
record their initial score of the  
season by defeating Valley View.  
Chillicothe should handle Estel-  
line, and last and by no means  
least, Crowell over Quannah in a  
razzle-dazzle affair, 21-19.

### WILDCATS MAUL PADUCAH

The Crowell Wildcats came  
through with another victory last  
Friday night by beating their old  
rivals, the Paducah Dragons. Once  
the local gridders got underway,  
there just wasn't a possibility of  
stopping them.

Early in the first quarter the  
massacre began. Ginger Johnson,  
Crowell's left halfback, broke  
loose for a 60-yard touch down  
gallop. Jim Norman kicked the ex-  
tra point.

A few minutes later, Wayne  
Borchardt, a junior, plowed over  
from the five. Borchardt and Hal-  
encak did some nice running to  
set up this tally. Jim Norman  
again kicked the extra point.

After these two back-breaking  
blows, it was no back to back for  
Crowell to score. Johnson and  
Borchardt made another touch-  
down each before half. Halencak  
also got into the scoring column  
in the final half.

The half time score was 41-0.  
During the last half the first team  
scored little or no action at all;  
however, our B team boys did a  
good job themselves. They scored  
two and held the Dragons nicely.

In the third quarter, little Ray-  
mond Halencak intercepted a  
Dragon pass on Paducah's own 40  
and rambled on to a touchdown  
untouched.

Along late in the fourth quar-  
ter, Gerry Knox contributed a six  
pointer to the Wildcat cause. He  
did some very nice running all  
during the last half. Incidentally,  
Knox is going to make a great  
ball player by the time he is a  
senior.

I'd like to say that even though  
the backs get all the credit, those  
linemen are the boys who make  
it possible.

We have some very outstanding  
boys who play in the line; in fact,  
they are all above average. George  
Scott, Rat Latimer, Buddy Caddell,  
James Pittillo, Billy Abston, Jim-  
my Everson and Gordon Graves  
make up the Wildcat forward wall.  
They deserve a lot of credit, and  
are sure to get it.

Crowell is to be put to the test  
this week (tomorrow night) when  
they take on the very strong Qua-  
nah Indians.

Remember, win or lose, let's  
back our own Wildcats to the end.

### Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal  
Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can  
punish you brutally! Their cramps and  
gripping disrupt normal bowel action,  
make you feel in need of repeated dosing.  
When you occasionally feel constipated,  
get gentle but sure relief. Take Dr. Cald-  
well's Senna Laxative contained in Syrup  
Pepsin. It's all-vegetable. No salts, no harsh  
drugs. Dr. Caldwell's contains an extract  
of Senna, oldest and one of the finest  
natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes  
good, acts mildly, brings thorough relief  
comfortably. Helps you get regular, ends  
chronic dosing. Even relieves stomach  
sourness that constipation often brings.

## Adelphian Club Has Gentlemen's Evening on Tuesday, Sept. 23

The Adelphian Club members entertained their husbands with an informal picnic dinner at the home of Mr. and Mrs. C. P. Sandifer on Tuesday, September 23, at 7 p. m. Mesdames Ray Brown, Virgil Johnson, Lewis Sloan and Jack Turner were hostesses for the occasion.

The color scheme, pink and green, was carried out with decorative watermelons on the tables containing food on the Cub Hut lawn. The invocation was offered by Rev. M. A. Walker, and the social part of eating together was an important part of the entertainment of the evening.

Mrs. Mark Henry was program leader for the occasion. She first welcomed all guests and stated that it was the forty-first club celebration of this kind and that she and Mrs. Sandifer were the only charter members present.

She then introduced the speaker of the evening, Ray Nichols of Vernon.

Mr. Nichols spoke on "International Relations of European Countries." Geography, politics and religion play an important part in the welfare of European countries. England is poorly clothed and fed while on the continent good food was found and Switzerland was the most prosperous of all the countries. Mr. Nichols also pointed out that the attitude of the U. S. toward these countries has an important bearing on the welfare of these countries. His closing thought was that seven-eighths of the world is hungry and uncomfortable in their existence, the other one-eighth could not be isolationist and stay on peaceful terms with them.

The club will have a regular meeting on October first.

### COLUMBIAN CLUB

Mrs. C. C. McLaughlin was hostess to the Columbian Club on Wednesday, Sept. 17. Twenty members answered roll call.

The club's course of study for 1952-53 is "Our Heritage, the United States," and with this first lesson it was proven that it will

be both interesting and profitable. Beginning with the Northeastern States, Mrs. C. R. Ferguson brought highlights from Maine, Mrs. Floyd Borchard from New Hampshire, and Mrs. S. P. Ferguson from Vermont.

Each speaker showed how the state contributed vitally to the industries which make the United States the greatest of all nations. The next series will be on other Northeastern States.

Mrs. McLaughlin served a delicious plate of angel food cake and ice cream.

### Home Demonstration Notes

MARY DEEB BROWN

On Thursday, Sept. 18, we held our last yearbook committee meeting. Mrs. M. O'Connell, Mrs. Clyde Bowley, and Mrs. Boss Johnson met in my office to discuss the final details. I think that they did a fine job and am sure that you will agree with me when you see the yearbook for next year.

Soon we will be electing new officers again. Unless you have a very good reason for being unable to serve, accept the election in your club to an office.

You joined the organization because you wanted to share its benefits and good times. It is only fair that you share the responsibilities of the program and activities. Your club honors and expresses confidence when electing you to an office.

I will be out of the office all next week, Sept. 29 through Oct. 3. At that time I will go to Vernon to attend an advanced dress making school held by Miss Nena Robinson, associate clothing specialist. The things I learn while at the school will help all of us when we start our clothing program next year.

### VIVIAN

MRS. W. O. FISH

Sidney Gilbert of Hawthorne, Calif., is visiting his father, Dee Gilbert, who is seriously ill in the Veterans hospital in McKinney. Mrs. Gilbert is also at her husband's bedside. Sidney was met in Amarillo Sunday by his grandfather, A. T. Fish, and his uncle, A. T. Fish Jr., of Paducah.

Mr. and Mrs. C. C. Browning of Truscott visited Mr. and Mrs. Allen Fish Sunday afternoon. Mr. and Mrs. Bert Matthews of Crowell visited Mrs. W. O. Fish and family Sunday afternoon.

Mrs. A. J. Whately of Gilliland visited Mrs. Arthur Sandlin Wednesday. Mr. and Mrs. Allen Fish visited her brother, T. B. Klepper, and family of Crowell Saturday. Mr. and Mrs. W. R. Henderson and daughters, Suzanne and June Elaine, of Vernon spent Sunday with her mother, Mrs. W. O. Fish, and sons.

Jimmy Fish left last Sunday for Lubbock where he will attend Texas Tech the next term.

Misses Myrtle, Bernita and Neoma Fish, Egbert and Herbert Fish were dinner guests of Mr. and Mrs. C. S. Lewis of Paducah Sunday. They also attended the dedication and open house for the new Goodwin school Sunday afternoon.

Mr. and Mrs. R. L. Walling and son, Danny, attended the wedding of Miss Mary Blake and Lt. Orville Gaston in the Central Christian Church of Vernon Monday evening.

Mrs. W. O. Fish, John and Bill Fish visited her niece, Mrs. Frank Webb, and family of Quanah Friday.

Mr. and Mrs. H. H. Fish, Judy Boren and Jeanete Prater of Paducah visited Mrs. W. O. Fish and family Sunday afternoon.

Most everyone in this community attended the Crowell-Paducah football game in Crowell Friday night.

### Seventeen States Now Members of Billion Dollar Club

Seventeen of the 48 states are now members of the billion-dollar club, compared with only 14 a year ago.

And one—the state of Minnesota—is knocking at the door. The membership, as explained by the Chamber of Commerce of the United States, is made up of states which pay the Federal Government a billion dollars or more in taxes.

Federal tax collections for the fiscal year which ended June 30 hit a new peak of nearly \$65 billion.

States which poured a billion or more into Washington are: California, Connecticut, Illinois, Indiana, Kentucky, Maryland (and the District of Columbia), Massachusetts, Michigan, Missouri, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Texas, Virginia and Wisconsin.

## In The News . . . 30 YEARS AGO

The Friday, September 22, 1922, issue of The Foard County News listed the items below in its edition:

The senior class of Crowell high school met Thursday afternoon and elected the following officers: president, Tom Beverly; vice president, Mattie Russell; secretary-treasurer, Susie Johnson; class reporter, Roy Sloan.

S. T. Crews and daughter, Mary Sam, left Sunday, Mr. Crews going to Fayette, Mo., on business and Miss Crews going to Columbia, Mo., to enter Christian College.

Miss Frances Clark entered C. I. A. in Denton Monday.

Mr. and Mrs. H. K. Edwards and small son visited Mrs. Edwards' parents in Clarendon a few days this week.

Sidney Collins has recently entered school at the Clarendon College.

The radiophone at the Allison Mercantile store in Margaret is in good connection now.

Miss Grace Self spent a few days last week with her sister, Mrs. Harley Capps, of Crowell.

Mrs. W. A. Dunn has purchased a new Ford touring car.

Leo Spencer left Monday with his son, Markham, for Austin where the son will continue the school work he commenced last year.

### 44 Years Ago

Taken from the issue of The Foard County News of Friday, Sept. 25, 1908:

Hughston-Henry & Co. have made considerable improvements in their store this week.

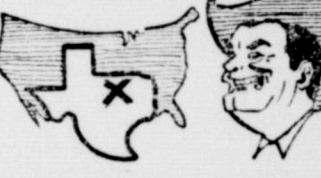

Lee Allan Beverly is up after a seizure of the fever.

C. P. Sandifer made a business trip to Margaret Tuesday.

Claude Nichols was in town Saturday and ordered the News sent to his sister in Oklahoma.

John Roberts came in Tuesday from New Mexico and is now at work in the Index office.

### LET'S TALK LIVESTOCK BY TED GOULDY

Heavy runs of all kinds of livestock were reported over the nation Monday and prices were highly uneven. At Fort Worth cows lost 50 cents or more of last week's advances in the opening session. Bulls were steady to strong. Fed cattle ruled steady, but grassy steers and yearlings were weaker. High quality and lightweight stockers were around steady but the lesser qualified kinds eased. Choice fat calves were firm, and fat calves generally held steady. Very good demand for stocker cows was uncovered, some good young cows \$22 to \$23.50, several loads at the latter prices.

## BIRD'S

Hogs advanced 25 cents, topping at \$20 and \$20.25. Sows were steady at \$15 to \$17.

Lambs were 50 cents or more lower. Ewes opened 25 to 50 cents higher and closed weak. Fresh shorn sheep and lambs were discounted \$1 to \$2 under those in the wool.

Good and choice slaughter steers and yearlings sold for \$24 to \$31.50, and common and medium sorts sold for \$15 to \$24, with cutter steers and yearlings from \$12 to \$15.

Fat cows sold for \$14.50 to \$18, and canners and cutters drew \$10 to \$14.50. Bulls sold from \$12 to \$20. Fat calves of good and choice kinds sold for \$22 to \$28.50, while common and medium kinds drew \$15 to \$20. Culls sold at \$12 to \$15.

Good and choice stocker calves moved out at \$22 to \$28 and common to medium sorts sold from \$16 to \$20. Stocker and feeder yearling steers of good and choice kinds sold from \$22 to \$26, while plainer sorts sold from \$15 to \$20. Stocker heifers sold from \$23.50 down. Stocker cows sold from \$14 to \$23.50.

Good and choice slaughter lambs sold from \$22 to \$25, medium and good kinds sold for \$18 to \$22, and cull lambs, yearlings and two's sold from \$8 to \$10. Slaughter ewes sold for \$5.50 to \$7.25, and stocker ewes sold at \$8 to \$9. Old wethers sold from \$10 downward. Two-year-olds sold from \$15 down. Old hucks sold at \$6 to \$7.

Stocker and feeder lambs sold from \$12 to \$18 and stocker yearlings cashed at \$10 to \$12.

## Soil Conservation Service Studies Drouth Results

The Soil Conservation Service regional office this week announced results of a four-state study of drouth conditions and reported that the drouth in Texas, from the standpoint of area involved, duration, effect on land cover, persistent high temperatures and in the scantiness of effective rainfall, the present drouth exceeds all previous ones in severity.

Neighboring Oklahoma, Arkansas and Louisiana, though hit hard in some areas by months of dry weather in the growing season, are generally in less critical condition. In dry areas of these states crop yields, especially corn, have been greatly reduced but most range and pasture lands are in condition to make fairly quick recovery.

Reports from 440 field offices—230 in Texas—were summarized by the regional SCS office in its study.

In eight widely separated locations the estimated duration of the present drouth is as follows: Lubbock 29 months (to April 1); Haskell, Fort Worth and San Angelo 23½ months; Big Spring 24½ months; Fort Stockton, 22½; Del Rio 32½ and Falfurrias 34½.

The report to Regional Director Louis P. Merrill of SCS showed that in many of the drought-ridden, western, southwestern and southern portions of the state, crops have been a complete failure. In ranching areas range cover, except where good management practices have given protection, has largely disappeared. Stockmen have sold or moved out

large percentages of the normal livestock populations of their counties.

Extent of damage from the drought in Texas range areas cannot be measured immediately. Merrill pointed out. Forage losses can be determined only after enough rainfall has occurred to bring surviving plants back into growing conditions. Recent rains in a few drought-hit areas show that ranges on which conservation management has been practiced have come through the dry weather in best condition.

In comparing the current drought with those of 1916-1918 and 1933-1936, Merrill said the present drought has prevailed for an average of nearly 27 months

at key locations in the area. Drought of 1916-18, using same yardstick, ran 24 months and the 1933-36 spell lasted 23 months.

Information is too sketchy comparing the three more recent droughts with one of 1885-86 according to an account by W. C. Holden, curator of the Texas Technological College Museum at Lubbock, that drought conditions in 1885-86 were similar to those of 1916-18. Dependence of the on streams for water, on feed reserves, and on the developed transportation and communication facilities multiplied consequences of that early drought.

## What Santa Fe Freight Service Means to You

Santa Fe freight service brings your community the commodities needed for everyday living. Merchandise for your grocers, your clothing stores, your appliance dealers—in fact, much of the goods you buy from your retailers—comes in via Santa Fe.

This same freight service takes your farm products, manufactured goods, and other merchandise to ready markets wherever they exist. We help keep local business going with a safe dependable freight service.

Santa Fe pays taxes in your community, too. These vital railroad taxes help support your schools and local government. In this way, every freight shipment via Santa Fe helps you and your community.
