SEVENTH YEAR NUMBER 36

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MAR. 26, 1953

EIGHT PAGES

Soil Conservation News of District

Lower Pease River Soil Conservation District Board: W. C. Howard, Grady Halbert, O. T. Holmes, O. H. Brandon, H. L. Ayers.

Salted out land on the Addis Creighton farm, located eight miles southwest of Chillicothe is producing good crops after planned drainage was established. In 1950 fifty acres of land on this farm was salted out so much that that part of the land would not grow peas. Feed, wheat and peas would come up and die. White and black alkali had collected on the surface of the ground until production of crops was reduced to the point where it was not profitable to farm the land.

During January of 1950 Creighton made application to the Lower Pease River Soil Conservation District for technical assistance to plan a drainage system for his farm. Some places the water table was one foot from the surface of the ground. Technicians of the Soil Conservation Service made borings to determine where the subsurface water was and where it was coming from. When that was completed the drainage system was laid out and established. The ditches were dug with a drag line and part of the time it had to operate from a mat to keep it from sinking.

As soon as the drainage ditches were completed water began to lower. In 2 months Creighton said he could tell a difference in the land. For years he kept four mules to work the wet land. Later it was decided that he could do the work with a tractor. Some of the worst land would not grow peas in 1950 but he made 14 bushels of wheat in 1951 and 21 bushels of wheat per acre in 1952. Another part of this field would not grow a good crop of gooseneck maize in 1950 but made one-fourth bale of cotton per acre in 1951 and one bale per acre in 1952.

This year Creighton has a good stand and growth of wheat on land that had black alkali in 1950. He thinks his big problem at the present time is low soil fertility. To remedy that he plants china red peas after wheat and turns them under. Other legumes used for soil improvement include alfalfa, clover, and vetch.

News About Our Men in Service

Lieut. Joe H. Scales, who had spent some time at Ft. Lewis, Wash., arrived in Japan the first part of the month, according to information furnished by relatives in Crowell.

S/IC Jack Bailey has been transferred to Childress from Amarillo where he will be in charge of the recruiting station for the U. S. Army and Air Force. Sgt. Bailey will be in Crowell one day each week for the purpose of recruiting young men into the Army or Air Force.

In Amarillo, Sgt. Bailey was connected with the induction station.

San Diego, Calif., March 19—Destroyer Division 152 arrived home from Korea today from its second tour of combat duty.

Serving aboard the destroyer USS Uhlmann are Thomas L. Tamplen, torpedoman's mate seaman, USN, son of Mr. and Mrs. Luther Tamplen, and William P. Thomson, torpedoman's mate third class, USN, son of Mr. and Mrs. Walter P. Thomson, all of Crowell. The division is composed of the destroyers USS, Uhlmann, Kidd, Hopewell and Wedderburn.

The Uhlmann, the first to draw fire, had cut rail lines south of Wonsan and was firing into a rail tunnel when Communist batteries opened fire. Two of the red guns were destroyed in the duel while the Uhlmann suffered minor damage and 2 minor casualties from three direct hits.

The division was one of the last to patrol the Formosan Straits before President Eisenhower terminated the patrol. The patrol gave each ship an opportunity to visit the city of Hong Kong as well as ports in Formosa.

While away from San Diego each ship of the division steamed more than 60,000 miles. During the entire months of November and February the division was underway continuously, never putting into port, anchoring or stopping their engines. Thanksgiving, Christmas and New Year's Day were spent at sea for the second successive year.

Ginger Johnson Wins First Place in 880-Yard Dash at P. K. Relays

Ginger Johnson of Crowell High School copped first place honors in the 880-yard dash in the class A division at the Possum Kingdom Relays held in Graham last week. Class AA schools also participated in the track meet. Johnson not only won a great deal of recognition by placing first in this event, but his time of 2:06 minutes set a new record in the class A division for this annual meet.

In the broad jump contest, Jim Paul Norman leaped forward some 19 feet and 11 inches to place fourth in this category. The first place winner in class A jumped 20 feet and 6 inches while the class AA entry captured a blue ribbon with only 19 feet 10 inches, which was less than Norman's jump.

Robert Graves and Glyndon Johnson were the other boys accompanying Coach Thayne Amonett to this meet. Graves entered in the mile run and Johnson competed in the 440-yard dash. Both of these boys were among the top in their respective heats, but their time was not low enough to place.

Easter Egg Hunt at Truscott to Be Held Afternoon of April 4

The annual Children's Easter Egg hunt for the children of the Truscott community will be held on Saturday afternoon, April 4th, at 2:30 o'clock. All of the children are asked to gather at the Truscott Methodist Church before or by 2:30 o'clock. Every child in the Truscott community is invited. Each child will bring his own eggs and then all of the eggs will be hidden for the hunt.

NEW CARS

New cars registered in the office of J. L. Gobin, sheriff and tax assessor-collector, since March 4, follow:

March 4, A. W. Owens, 1953 Pontiac sedan; March 4, Ray Hy-singer, 1953 Chrysler sedan; March 9, W. T. McGann, 1953 Chevrolet sedan; March 12, Guyton Hickman, 1953 Chevrolet 4-door; March 13, Lottie Russell, 1953 Ford 4-door; March 13, Thayne Amonett, 1953 Ford 4-door; March 13, Leon Solomon, 1953 Ford club coupe; March 14, L. G. Tate, 1953 Ford 2-door; March 23, J. L. Gobin, 1953 Pontiac police special 4-door.

BIBLE CLASS

Visitors at the Sunday morning meeting of the Down Town Bible Class were Dr. J. C. Davis of Rule, Dick Todd and C. C. McLaughlin of Crowell.

George Ferguson acted as pianist in the absence of Mrs. W. W. Lemons. Approximately 40 were present.

School Board Election to Be Held April 4th

The Crowell School Board election will be held Saturday, April 4, at the school tax collector's office in the court house. The terms of Edgar Jones of Truscott, Grady Halbert of Foard City, and William Bradford of Margaret expire. All three of these men have filed for re-election. Milburn Carroll is the fourth candidate.

The other four members of the board are Roy Barker, Mike Bird, and Glen Goodwin of Crowell, and Otis Gafford of the Vivian community.

Pre-Easter Services to Begin April 1 at Methodist Church

Beginning Wednesday evening, April 1, there will be a service each night for the remainder of the week at the Methodist Church, it was announced this week by the pastor, Rev. M. A. Walker. Some of the sayings of Jesus upon the cross will be discussed, he stated.

A visiting minister will bring the message each night and members are urged to be present and the public is cordially invited to attend.

The following schedule will be carried out: Wednesday evening, Rev. W. J. Knoy of Margaret will speak on "My God, My God, Why Hast Thou Forsaken Me?"; Thursday evening, Rev. Clark Campbell of Thalia will speak on "This Day Shall Thou Be With Me in Paradise"; Friday evening, Rev. Carl Hudson of Truscott will speak on "Father, Forgive Them for They Know Not What They Do."; Saturday evening, Rev. M. E. Hanks, pastor of the Assembly of God Church in Crowell, will speak on "It is Finished." The services will begin at 7:30 o'clock.

Odd Fellows and Rebekah Circle Met in Crowell last Friday

The regular monthly meeting of the Odd Fellows and Rebekahs Circle of this district was held in Crowell at the I. O. O. F. hall last Friday night, March 20.

Odd Fellows and Rebekahs from Memphis, Wellington, Childress, Quannah, Crowell, Eldorado, Okla., and Hollis, Okla., attended.

The program included several numbers by the Sunrise Serenaders of Quannah, piano numbers by Miss Evon Pierce of Quannah, a quartet from Foard City, duet by Misses Joyce and Lois Nation, a reading by Frank Templeton of Quannah, two violin numbers by G. R. Choate, and readings by Mrs. Nannie McDaniel and Otho Talley of Hollis.

Mrs. G. R. Choate was mistress of ceremonies.

Refreshments were served, following the program, to 145 persons.

Interior of Cicero Smith Lumber Co. Receives "New Look"

The interior of the Cicero Smith Lumber Co. here has recently been altered somewhat to give the customers the "spring look" with attractive display racks filled with equipment for gardening and other merchandise used this time of the year.

Other new features added to the interior are new display islands and wall display for various tools.

ROTARIAN OF THE WEEK IN SWEETWATER CLUB

O. O. "Holly" Hollingsworth, plumber in Sweetwater for the past 16 years and a member of the Rotary Club of Sweetwater for 9 years, was named Rotarian of the Week by that club last week. Mr. Hollingsworth and family were residents of Crowell for several years and he is a charter member of the Rotary Club of Crowell. He was in the plumbing business during the time the family lived here.

Holly's picture and short write-up appeared in the March 23 issue of the Rotary Rumbings, club publication.

Moved to Residence

Burk's Watch Repair shop was moved this week from an office space in the rear of the Jonas building to the Burk residence, 5 blocks west of the square, 522 West California Street.

Forrest Burk is owner and operator of the business which was originally located in the home.

THALIA CEMETERY REPORT

Mrs. Cap Adkins, secretary, reports the following have sent in donations to the Thalia Cemetery since last report: The Gray Estate, by Norman Gray, Hereford, \$20.00; Mrs. Isa Banister, \$5.00; Mrs. Vina Jobe, Vernon, \$10.00; Mr. and Mrs. W. A. Johnson, \$5.00.

A. G. McCOWN

Christian Church Revival to Be Held March 30 - April 5

Evangelist A. G. McCOWN of Edmond, Okla., evangelist with "New Testament" churches for more than 25 years, will arrive on Monday to lead the Pre-Easter Revival at the First Christian Church in Crowell.

Services will be conducted daily at 7:30 p. m. with Minister Bedford W. Smith and evangelistic committee chairman Joe Ward in charge of the song services. Special music, accompanied by Mrs. Bedford W. Smith, church pianist, will be featured.

Minister Smith will preach the opening sermons of the meeting on Sunday. His Palm Sunday morning message will be on "The Lord Hath Need of You" and he will preach Sunday night on "The Stone Rejected by the Builders."

Evangelist McCOWN has conducted great revivals in his home state, planting many new churches there before going into other states. His evangelistic efforts have been of such quality that he has been called from coast to coast making 17 trips to the Atlantic coast and 5 to the Pacific coast states for meetings. For 20 years he has been writing Bible sketches for papers.

His opening sermon will be on "What Must I Preach to Be Saved." On Tuesday he will speak on "Three Ways We May Know the Lord"; Wednesday, "Christ in a Changing World"; Thursday, "The Immortality of Christ"; and Friday, "Satan's Home." The Christian Church feels very fortunate in bringing an outstanding preacher to Crowell and extends a friendly welcome to all at every service.

Boy Scout Hike and Meeting Tonight

Scoutmaster Marcus Mills and members of the Boy Scout committee, chairman Bedford Smith and camp committeeman Lawrence Hallmark will accompany the Scouts tonight on the first of the spring and summer hikes in store for Troop No. 49. The boys will meet with Scout leaders at the Legion hall and leave at 5:30 p. m. to hike for several miles, cook their evening meal, have their weekly meeting by their Patrol fires, and return via foot power. Each boy will be responsible for carrying along his own food and water and anything else he will need, until his return from the outing.

Each Patrol will compete in trying to have the best camp fire, etc.

The troop usually meets at 6:30 p. m. Thursday, but will meet an hour earlier tonight. Mr. Smith stated that should rain or inclement weather prevent the hike, the boys will meet at the regular time at the hall.

SPECIAL SERVICE FOR CHILDREN

Rev. M. F. Hanks of the Assembly of God Church has announced special services for children beginning Saturday, March 28. Children's Church will be conducted each Saturday afternoon from 2:30 until 3:30 and all children from Crowell and the surrounding communities are invited to attend. The services will consist of singing, Bible stories, and Bible training.

Bro. Hanks expressed his desire that children from all churches attend these services and stated that there would certainly be no effort to encourage them away from their own Sunday school and church. Mrs. Hanks will assist the pastor in these services.

TO PLAY AT THALIA

Jimmie Johnson and his Lone Star Wranglers will play at the Thalia School Friday, March 27, at 8 p. m. The Thalia P. T. A. sponsors of the program, invite everyone to attend. Tickets will be on sale at the door.

Leonardo da Vinci, the painter, wrote from right to left.

A howdah is a canopied seat upon the back of an elephant.

Crowell High School Football Team in Final Week of Spring Training; Win Over Seniors in Final Scrimmage

This is the final week of spring training for the Crowell High School football squad. Coaches Thayne Amonett and Gordon Erwin feel like the prospects have come a long way since practice started four weeks ago. They had only a nucleus of four offensive regulars to start spring training with. However, by shifting some of these around and inserting "B" string boys in other places, it looks like they will be able to produce a fair team by the time they are ready to defend their district championship next fall.

In their final scrimmage with the seniors, the Wildcats looked much better than they had the previous week. In fact, they ran five touchdowns over during the game. However, several of the seniors had to be replaced by reserves due to a conflict with the track relays at Graham. The outstanding feature of this scrimmage was the power house running of fullback James Pittillo.

The following boys will be available next fall: centers, Robert Kincaid and Don Kidd; guards, Buddy Caddell, C. T. McDaniel, Ronny Fox and Gerald Houck; tackles, Joe Don Thompson, Jackie Walker, Don Smith and Lindell McBeath; ends, DuWayne Elliott, Jimmy Everson, Jimmy Harper, and DuWayne Boren; quarterback, Gordon Graves, Edward Howard and Gaylon Whitley; halfbacks, Wayne Borchardt, Gerry Knox, James Denton, Robert Graves, Jimmy Thaxton, Aldon Garrett, Floyd Bice and Joe Calvin; fullbacks, James Pittillo, Edward Daniel and Benny Short.

The two boys who received fractured limbs, Joe Calvin and Robert Love, are recuperating in a satisfactory manner. Both have been dismissed from the hospital. Calvin's arm injury was not nearly as serious as Love's leg injury. Joe returned to school last week and Robert should be able to return next week.

Crowell's schedule for next fall calls for four non-conference games, Seymour, Quannah, Matador and Memphis; and six conference contests, Iowa Park, Holliday, Chillicothe, Archer City, Paducah and Henrietta.

District One-Act Play Contest Starts Here Tonight

The District One-Act Play tournament will get underway tonight (Thursday) at 7:00 p. m. at the High School auditorium.

Seymour will lead off with the presentation of "The Command Performance;" Archer City will present "High Window;" and Chillicothe will present "Judge Lynch."

The Friday afternoon schedule will start at 1:00 o'clock with Olney presenting "Spring Scene;" Burk Burnett, "Cleaned and Pressed;" and Holliday, "The Finger of God."

Crowell's play, "Senior Freedom," will be the first on the program at seven o'clock on Friday night; Iowa Park will follow with "Sparkin'"; and Electra, "Fantasy on An Empty Stage."

Dr. Jennie Louise Hindman of Midwestern University will act as judge for all of the plays. The admission prices will be 25c for students and 50c for adults for each series.

Foard Citizens Donate to Knox City Tornado Relief

Irving Fisch, president of the Crowell Booster Club, announced Monday morning that he had mailed a check for \$342.50 to Knox City to be used in relief for tornado victims in that city.

The money was donated by Crowell business firms and other Crowell citizens. This amount does not include all the donations sent from this county. The Thalia Idle Hour Club sponsored a relief fund drive in that community last week and raised \$34.25 which was sent to Knox City Monday. The Red Cross Chapter also sent a check for \$50.00.

City Election for Mayor and 3 Aldermen Set for Tues., April 7

The date of the City election has been set for Tuesday, April 7, at the City Hall, according to an announcement made by City officials this week. On this year's ballot, voters will select a mayor and three aldermen. Mrs. Grace McLaughlin has been appointed to be the presiding officer for this election.

Candidates whose names will appear on the ballot include Hubert Brown for mayor; Lee Black, C. R. Seale and Leon Speer for aldermen.

Rev. James Braswell to Conduct Revival at Thalia Baptist Church

Rev. James Braswell of Fort Worth, a former Crowell resident, will conduct a 10-day revival meeting at the Thalia Baptist Church beginning next Friday, April 3, and continuing for ten days.

Rev. W. B. Fitzgerald, pastor of the church, says that the song leader of the Calvary Baptist Church in Vernon, will lead the singing and extends a cordial welcome for all to attend these services.

Mr. and Mrs. William Simmons and three children have moved from Crowell to an irrigated farm Mr. Simmons has rented near Goodlett where they will make their home. For the past several years, Mr. Simmons has been a building contractor in Crowell.

Before Lindberg's famous flight, 64 people had crossed the Atlantic by air.

mage was the power house running of fullback James Pittillo. Pittillo was taken out of the line last week when James Denton was injured. He showed great potential possibilities when he averaged over six yards per carry. Experience should develop him into a power runner, a thing that last year's squad lacked.

The following boys will be available next fall: centers, Robert Kincaid and Don Kidd; guards, Buddy Caddell, C. T. McDaniel, Ronny Fox and Gerald Houck; tackles, Joe Don Thompson, Jackie Walker, Don Smith and Lindell McBeath; ends, DuWayne Elliott, Jimmy Everson, Jimmy Harper, and DuWayne Boren; quarterback, Gordon Graves, Edward Howard and Gaylon Whitley; halfbacks, Wayne Borchardt, Gerry Knox, James Denton, Robert Graves, Jimmy Thaxton, Aldon Garrett, Floyd Bice and Joe Calvin; fullbacks, James Pittillo, Edward Daniel and Benny Short.

The two boys who received fractured limbs, Joe Calvin and Robert Love, are recuperating in a satisfactory manner. Both have been dismissed from the hospital. Calvin's arm injury was not nearly as serious as Love's leg injury. Joe returned to school last week and Robert should be able to return next week.

Crowell's schedule for next fall calls for four non-conference games, Seymour, Quannah, Matador and Memphis; and six conference contests, Iowa Park, Holliday, Chillicothe, Archer City, Paducah and Henrietta.

New Phillips "66" Station Completed; Leased to Cooper

The new and modern Phillips "66" service station has been completed with the exception of a few minor details. Service to the public has been continued through the construction period by Dwight Campbell, Phillips "66" jobber, with the assistance of Ector Solis and Bob Myers.

The new station has been leased to J. G. Cooper, veteran service station operator in Crowell, and Mr. Cooper is announcing in this issue of the paper that the station will be opened Monday morning, March 30, under the new management and will be known as Cooper's "66" Station. Mr. Cooper's employees, George Clifton and H. B. (Tootie) Booker, who have been with him at the Texaco station, will continue in his employ at the new station.

Fifty Per Cent of County's Vehicles Not Yet Registered

R. R. Magee, deputy tax-assessor and collector, announced this week that only about fifty per cent of the total number of vehicles in this county have been registered. This means that only five more days are left motorists to obtain their 1953 license plates before the April 1 deadline.

Motorists are urged by Mr. Magee to bring either their title or receipt for 1952 in order to expedite the registration process.

ROTARY CLUB

Visitors at the Wednesday meeting of the Rotary Club of Crowell were Rotarians Vance Favot of Quannah and Bruce Gibson of Vernon; Munson Welch of Crowell and W. A. Kenny of Kansas City.

Ginger Johnson of the Crowell High School attended for the first time as student guest. Martin Langham is the retiring student guest.

Virgil Johnson, whose classification is raising of livestock, gave the program on the livestock industry. It included a very interesting talk on livestock in general, following which a motion picture was shown of scenes taken on the Leslie McAdams ranch.

SEES FLYING SAUCERS

Henry Dixon, local jeweler, was a witness of what he thinks were three flying saucers Tuesday afternoon about 12:30. Mr. Dixon said that he first noticed the 3 or 4 feet circular aluminum looking objects after hearing some crows cawing near the saucers which were about 200 feet in the air. They were then flying over the Crowell airport.

After the shining objects had been observed for a few minutes, they disappeared.

Before Lindberg's famous flight, 64 people had crossed the Atlantic by air.

KEEP LINES PAINTED TO SAVE CHILDREN

Not long ago this town sponsored a campaign for the safety

of school children. Now it seems as though everyone has already forgotten this.

When this campaign first started, all the people who drove down the street in front of the school house stopped at the yellow lines, indicating where the students were to cross the street. A parking lot was built on the empty lots across the street from the school, and all students were requested to park their cars there to keep the street clear, thus reducing the danger when crossing the street.

Cars are still being parked on the parking lot, but it seems everyone has forgotten to stop at the yellow stripes before passing east in front of the school. It is true that the lines are just about gone, but everyone should stop, even if he cannot see them. It could be if they were painted again, drivers would notice them and stop. Let's try it and see.

ANY COMMUNISTS IN THE CROWD? READ THIS

There have been persistent rumors flying around that Coach is trying to teach the American History class the United States Constitution.

For some of them, this should be easy since they have been in the habit of copying it about every three weeks since they were freshmen.

But, strangely enough, there hasn't been much griping about it. The kids don't seem to mind learning a little more about the government. The way some of them are studying, you might even think that they are getting interested in how the country's run.

Seriously, now, most of them are rather interested in what they are studying and are getting a more complete knowledge of the way the government operates. And not only should they be interested, so should you. If you don't know at least 10 or 12 amendments, you ought to be ashamed of yourself, because of your lack of knowledge.

No one wants to lecture on the subject, but it seems that, since our forefathers fought and sometimes died trying to pass on to their children government that respects the individual's rights and

feelings, the least we can do is study this government of ours and try to preserve and improve it for our children.

What would you rather have, a free democratic government under which all individuals can work in freedom and peace or a government which takes all your land, discourages belief in God, and gives you barely enough to live. If you don't want this communistic type of government, then join in to learn the facts of life about our constitution to help keep it safe and secure for all time.

BOOST BAKERY BAZAAR

The FHA will have a bakery sale Saturday, March 28, at the Davis Hardware.

We boasted once before of our cooking ability, and now is our chance to prove we really can stir up a fine cake. Also, here is your chance to help the Home-making girls.

The money made will be used to send two delegates to the state meeting in San Antonio.

Beaus, brothers, fathers, and mothers, buy a cake!

ONE-ACT PLAY CONTEST SET

"Senor Freedom" by Jean Lee Latham is to be Crowell High School's entry in District 11A and AA Interscholastic League One-Act Play tournament which will be held in Crowell March 26 and 27.

The scene for this play is laid in the patio of the home of Dolores Sarveda, a young Mexican senorita. The action takes place during an uprising of the people against their tyrannical ruler. Mixed emotions of humor, tears, sympathy and hatred will present themselves on the stage.

The theme of the play centers around the one priceless thing in life—freedom; and the story will be as true tomorrow as it is today, for it is timeless.

Dolores Sarveda will be played by Marcia Kincaid, and Juan, the wounded soldier whom she loves, will be enacted by Billy Johnson. Don Gobin is cast as Luis, a stranger. Oleta Lankford will play the part of Gina, a servant in the Sarveda household. Bruna, an old Mexican peasant woman, will be played by Jackie Rasberry. Understudies for feminine roles are Francine Coffey, Dolores; Mary Cooper, Bruna; and Betty Bartley, Gina.

Perhaps the most important member of the cast and the play's mascot as well is Senor Freedom himself, a white pigeon owned by Mary Denton, eighth grader, who graciously loaned him to V. A. for the play.

V. A. Smith is stage manager for "Senor Freedom" which is produced by arrangement with Row, Peterson & Co., Evanston, Ill. Others on the production staff are Don Kidd, electrician; Joe

Don Brown, sound effects; Mary Cooper, properties; and Laretta Lyons and Wanda Jones, make-up.

BANQUET AND PROM GAIN MOMENTUM AS APRIL SECOND NEARS

The approaching date of April 2 finds the Junior class "busy as bees" in their attempt to make the banquet and prom an instance long to be remembered in the hearts of every graduating senior.

In order to make this banquet different from many of the humdrum themes used for many, "Song of the Islands" of Hawaiian motif, is being used. This was chosen for its originality and opportunity in decoration.

Different committees in their individual phases are the following: decorations, Leta Scott, Robert Graves, James Pittillo, Jean Whitby, Genevieve McDaniel, James Denton; food, George Scott, Shirley Wehba, Rebecca Calvin, Mary Lynn Hough, Buddy Caldwell; music, CloVonne McKown, Raymond Halenack, Jimmy Everson; finance, George Ann Davis, Joan Roberts, Paul Cooper, David Jackson. No definite program committee has been announced, but plans are being made by most of the juniors for the senior will and prophecy.

It was announced recently that a swing band, Sonny Prepps, has consented to play for the prom after the banquet.

ROBERT LOVE BREAKS LEG

Robert Love, a sophomore, suffered a very bad leg injury last week in a scrimmage. Students at CHS were very sorry to hear about his misfortune.

Robert was taken to Wichita Falls where he received treatment for his broken leg. He is now at home and is reported to be doing very well.

We hope to see you back in school as soon as possible, Robert.

A WORD OF THANKS

As the yearbook goes to press, the staff realizes just how much other people have assisted in making the 1953 edition possible. Especially do we wish to thank those who contributed advertisements as well as those who offered their homes and yards as settings for pictures. The student body also deserves to be commended for its cooperation in many ways, and the faculty has certainly shown consideration in letting their classes be interrupted on picture taking days.

So to make a long story short—thanks to everyone! The yearbook should be here by the first week in May.

The Roundup Staff.

BRIEFS FROM SPEECH CLASS

After waiting four years, Billy Johnson is hoping V. A. Smith does not have to pull the curtain too soon on the last scene in the contest play. Why, Billy?

Was Don Gobin's newly-sprouted mustache the one referred to in last week's "Robert's Rib Ticklers"? May your crop grow rapidly, Louis de Gama!

Mrs. Todd: "Yes, somehow, I felt we should have several 'Dons' in our play this year!"

News item: Supt. Grady Graves turns bus driver in order to free electrician to repair footlights for play festival.

Could it be Valentine's Pet Parade was selected as a build-up for little Senor Freedom?

Wishes

Don Kidd: If only I can hold the moon in the sky and not lose my footing on earth!

Joe Don Brown: Four hands instead of two for sound effect purposes.

Oleta Lankford: A black out that is not black!

Marcia Kincaid: A comb for my mantilla.

Jackie Rasberry: A soft rug for upstage center the night of March 27.

Betty Bartley and Francine Coffey: A monument for unsung heroines.

Mary Cooper: A smash hit contest play without a hobble!

Mrs. Todd: If only Senor Freedom can escape the mumps!

V. A. Smith, stage manager: Quiet please.

RODEOS AND HORSES RATE TOPS WITH HOPKINS

Kenneth Hopkins is 5' 8" and has brown eyes and brown curly hair. While attending CHS, Kenneth has had a hand in almost everything. This includes most of the mischief that goes on.

For entertainment Kenneth enjoys football and basketball as a spectator. He also enjoys horseback riding and rodeos.

His favorite foods include fried steak, chicken and ham. Kenneth likes hillbilly and folk music and enjoys dancing with his girl, Betty Bartley.

Ken is a perfect example of a boy who is fun to be around and is well liked.

JOHNSON TO BECOME ENGINEER, ENJOYS SPORTS AND GIRLS

Glyndon Johnson is frequently called "Glee" by his pals. He has lived in Crowell all his life and has attended Crowell schools.

Glyndon, who enjoys sports, was active in football until he received a broken neck in a car wreck. He has returned to the gridiron only as a spectator. Lately he has developed an interest for tennis and track.

Glee's best friend is anyone who is a soft touch for Coke. He has an interest in girls, namely Billye McCoy, his steady.

Glyndon is fun to be around and is well liked by the students as well as the faculty at CHS. He worked faithfully as business manager of the annual last year.

In the future he plans to at-

tend the University of Texas, where he will study engineering.

VOLLEYBALL GIRLS LOSE TO KNOX CITY IN TOURNAMENT

Crowell High School's volleyball girls, displaying fine team work in the Knox City volleyball tournament last week end, were eliminated in a close contest by the tournament champs, Knox City, in the semi-final round played Friday night. Previously the local girls, coached by Glen Taylor, trounced Matson 41-12.

Both games were played in two 15 minutes halves with a brief intermission between halves.

Coach Taylor in commenting on the showing made by the CHS ladies, stated that it was unfortunate that Crowell had to meet such a good team in the semi-finals; otherwise, the girls could have easily advanced to the finals.

JOHNSON BREAKS 880 RECORD AT GRAHAM SAT.

Setting a blistering pace in the 880 yard dash at Graham's Pegasus Kingdom Relays Saturday night, CHS's Ginger Johnson broke the all-time record for class A participation at this track meet by halting the clock at 2:06 minutes. Ginger broke the ribbon in the 880 in 2:04 minutes at the state meet last year.

Jim Paul Norman's broad jump of 19 ft. 11 in. was a greater distance than the first place winner of the 2A division which measured 19 ft. 10 in.; however, Jim Paul's jump was good for only fourth place in the class A competition, of which Crowell was entered.

Two other boys representing CHS in this meet, Glyndon Johnson and Robert Graves, ran good races in their respective heats, but were unable to place. Glyndon was entered in the 440 yard dash, and Robert participated in the mile run.

BASEBALL INVADES CHS

It appears right now that CHS will have a baseball team this year. If this is so, it will be more or less independent, since this district dropped baseball from its calendar two years ago. The team will be made up of high school boys and helped along by coach Gordon Erwin. A few boys have already begun to work their arms in shape, and the rest will be ready as soon as football and track are finished.

There will be a lot of work to organize the team since it has been two years since most of the boys have played. There are a number of boys who are interested and willing to put out a little labor in order to play.

It is much too early to say who will make the starting nine, and it will probably be a week or two more before the team will be able to round out into good shape.

The local diamond will be cleared and put into good shape in the near future. The team will probably be allowed to use the school equipment.

SPRING TRAINING DRAWS TO CLOSE FRIDAY

The Crowell Wildcats will bring the spring training to a close tomorrow. From the sideline, the team looks pretty good and should win a lot of ball games next fall. There have been a number of

changes in positions, and it appears to be working fine. The major change was shifting of one or two last year linemen to the backfield.

In the two scrimmages with the exes, they have broken even, winning one and losing as many. Last week the varsity beat the exes by about four touchdowns.

The only casualty suffered thus far was Robert Love. He broke his leg in the early part of last week.

OWL HOOTS

Here we go again, so please don't get angry with us. We only print what we hear and see.

Scoop! Wayne and Zonell have finally called it quits! Television is getting better, says "Zody."

Still true blue to each other is Barbara Luckie and Gaylon Whitman.

Grin and Fran have been seen making the rounds lately. It was bound to happen sooner or later. Freshmen are small, but oh so loud mouthed. Wonder how the

Fish party turned out last night? Red headed boys (Continued on Page 3)

Hijacking the States

The efforts of politicians in Washington to destroy states rights have become increasingly brazen in the past decade.

The recent political play to rob the states of their tidelands capped the climax. Almost the last act of Mr. Truman was an attempt to reverse the action of Congress, by issuing an executive order setting aside the tidelands—oil areas as a naval reserve.

If one president is allowed to hijack states of their oil lands for the federal government, why can't another president hijack their timber lands, wheat lands, coal lands or anything else which "he" deems essential for federal reserves?

The excuse for such undemocratic action always is that some big, bad corporations want to rob the helpless states, so the federal government should rob them first. To swallow such baloney one has to accept the theory that "the king can do no wrong."

As a matter of fact and record, the states can deal with cor-

Notes and Comments

Health is very valuable to those who have lost it.

If advice is all you want, you can get it without expense.

The hard work of some people often explains their success.

What the world needs today is millions of honest, average citizens.

Trading in Crowell is a matter of good business judgment.

The individual with an idea is very often a nuisance to his friends.

If you take the name-calling out of some writing there is not much left.

The man who has never needed financial assistance because of a large inheritance, rarely understands the needs of the others.

Most parents take credit for the good points of their children and wonder where the perverse symptoms originate.

If the entire population of Crowell would trade at home for one month, what a difference in business it would make.

Corporations to which they lease lands, but they can't even make leases when their lands are placed in federal reserves. Their tax revenues are destroyed and development too often stops.

The enormous quantities of oil products which this nation needs have always been and are being supplied by a highly progressive and competitive industry, and it would still have to supply our gasoline and oil whether owned the tidelands. For defense purposes the government would always have first call. Then why rob the states of their natural resources? That would not increase the oil supply by one gallon—it would probably decrease it by red tape and killing incentive to produce.

IDEAL RANCH FOR SALE!

Ranch of 1,600 acres, 80 acres in cultivation, beautiful modern rock home, 9 earthen tanks, no barren land at all, good turf, and well worth the money.

Smart Styling of '53 Chevrolets

Front-end styling of the completely re-designed Chevrolets accentuates the appearance of power and fleetness in the new line. As shown above, the surface of the hood this year extends farther forward before curving abruptly down to the radiator grille. Adding its note of beauty and distinction, the outer rim of the grille encircles the parking lamps and center bar mounting three decorative "prop bars." Increased performance, comfort and convenience are outstanding features of the 1953 Chevrolet line.

In The News . . .

30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, March 23, 1923:

In a letter from Mrs. F. L. Bassett of Anthony, Kansas, to the News, says: "Don't let your town overlook the importance of a cotton mill location for West Texas. You raise the cotton and it can be woven into cloth cheaper in Texas than anywhere and you must hammer at it constantly until it's a reality."

The death of Mrs. Bart Fox occurred at the sanitarium here in the early hours of Tuesday morning, March 20, following an operation last Friday for appendicitis.

Lee Roy Stator, foreman of the Kilworth ranch in the southeast part of the county, was in town last Friday to bring Mr. and Mrs. Kilworth who spent the winter at the ranch. They left Friday for their home in Lawrence, Kan.

W. H. Dunagan and family moved to Sherman last week.

Rev. J. H. Hamblen was here Wednesday from Stamford to conduct the funeral of Mrs. Bart Fox.

Eb Scales left Sunday for College Station to take an eight weeks course in mechanics at A&M College.

John Bell and Arthur Compere came in Tuesday from Gallup, N. M.

J. G. Witherspoon came in Wednesday from Hollis and expects to remain in Crowell for some time. Crowell Chapter No. 107, O. E. S., meets Thursday night, March 29. Mrs. Lizzie Kennet, worthy matron pro tem, Wynne Beidleman, sec.

Eggs are selling in California for 34c and in Texas for 20c. Is there any reason for that?

Margaret

MRS. BAX MIDDLEBROOK

No other light trucks have all this

YOU don't expect polo-pony agility from a truck in traffic—but the new GMC's have it. You'd like to have passenger-car pace and economy on the highway—and you'll get it from the 1953 GMC's. For there are two great advances that step the new GMC's ahead of all previous truck performance: One: Dual-Range Hydra-Matic Drive—the fully automatic shift with 3 speeds for traffic, 4 for the open road—available on 19 models through the 1/2-, 3/4- and 1-ton capacity range. Two: a new line of engines of progressive design, with compression ratios of 7.5 to 1 and 8.0 to 1—the highest of any gasoline truck engine ever built. Here's pile-driver power behind every piston stroke—flashing response and better mileage squeezed from regular fuel. Many chassis advances, too, add to the extra-value features that make GMC's, point for point, the biggest-dollar's worth in the light-truck field as well as in the heavier lines. We confidently tell you—these great new GMC's will do your job better, easier, and at the lowest over-all cost. They have stamina beyond their size, because they're "built like the big ones"—the heavy-duty GMC's that lead the world in sales. That's saying a lot. But just come in—and we'll prove it.

Get a real truck! A General Motors Value

McLAIN FARM EQUIPMENT

You'll do better on a used truck with your GMC dealer

KNOWALS

See the new—all new—General Electric food freezer at Crowell's.

Mr. and Mrs. J. C. Self of Wichita Falls spent the week end here in the home of Mr. and Mrs. Herbert Edwards.

Texas Production of Cattle Up in 1952

Cattle slaughtered commercially in Texas in 1952 amounted to 1,175,000 head, or a total live weight of 929,201,000 pounds, as compared with 989,000 head, or a live weight of 784,711,000 pounds, slaughtered in 1951, according to figures released by the Bureau of Agricultural Economics, U. S. Department of Agriculture.

Calf slaughter in Texas rose to 861,000 head in 1952, as compared with 731,000 head in 1951. Commercial slaughter of hogs rose to 2,036,000 in 1952, from 1,941,000 head in 1951, while commercial slaughter of sheep and lambs here in 1952 was 676,000 head, as compared with 593,200 head in 1951.

Nationally, commercial meat production for the year 1952 was 21.4 billion pounds, 6 per cent more than the 20.2 billion pounds produced in 1951. As compared with 1951, mutton and lamb production during 1952 was up 25 per cent, veal production 11 per cent, beef production 9 per cent, and pork production 1 per cent.

During 1952 a total of 17.9 million head of cattle were slaughtered in the United States, an increase of 9 per cent from the 16.4 million head slaughtered during 1951. A total of 8.9 million head of calves were slaughtered in 1952, an increase of 6 per cent over the 8.4 million head killed during 1951.

Commercial hog slaughter during 1952 totaled 77.7 million head, 2 per cent more than the 76.1 million head slaughtered in 1951. The number of sheep and lambs slaughtered totaled 14.0 million head, 26 per cent more than in the previous year.

Australia was formerly called New Holland.

Guarantee Your Harvest by CROP-HAIL INSURANCE

REASONS WHY YOU SHOULD BUY CROP-HAIL INSURANCE

An average of one in every seven policy holders report losses during a normal hail season.

A reliable Crop-Hail policy will protect the FARMER against this big hazard, which is the worst with which he has to contend.

The Farmers' crop is his "STOCK IN STORE" and is at the mercy of the ELEMENTS; the only protection he can get is a CROP-HAIL POLICY.

You never heard of a FARMER going broke because he paid a crop-hail insurance premium, but many have met financial ruin because they did not buy Crop-Hail Insurance. You cannot prevent a HAIL STORM, but you can replace the damage caused through the medium of a CROP-HAIL INSURANCE POLICY in a sound reliable stock company. You owe it to YOURSELF, YOUR LOVED ONES, and your creditors if any, to protect your crop investment against loss from a HAIL-STORM.

DO YOU KNOW?

That crop-hail losses paid by STOCK INSURANCE COMPANIES during 1952 EXCEEDED TWENTY-ONE MILLION DOLLARS.

THAT UNINSURED LOSSES FAR EXCEED THIS AMOUNT. LOSSES ARE PAID IMMEDIATELY UPON RECEIPT OF PROPER PROOF OF LOSS.

THAT HAIL POLICIES ALSO INCLUDE PROTECTION AGAINST FIRE.

Leo Spencer or Nelson Oliphant

Phone 56 Office North Side Square

America's New Railroad

What's this surveyor doing? He's sighting on tomorrow... clipping off an old curve... clipping off the past...

It goes on day after day on the Santa Fe Building new.

Till there's nothing left that's old today of the Atchison, Topeka and Santa Fe but the country and the song and the pride of its people!

IN THE PAST 5 YEARS... Whole fleets of streamlined trains replaced with finer streamlined trains... Enough new track laid to more than reach from Chicago to Los Angeles... Great new "hump" yards built to speed switching... New roadbed, new rail and new ballast methods—for smoother, safer rides for goods and people.

IN THE PAST YEAR... New freight stations, with new towveyors, at Chicago and San Francisco... Great new construction started to raise Santa Fe rails in Kansas and Missouri above the highest flood stage of recorded history.

IN THIS YEAR... New micro-wave communication system put in service between Galveston and Beaumont, Texas... New freight classification yard will be opened at Belen, New Mexico.

AND IN THE NEXT YEAR... More curves will be clipped, more grades reduced... 119 new diesel units will go to work... 3600 new freight cars will be placed in service... New electronic communication and control equipment will be installed... and El Capitan will be re-equipped with all new chair cars!

AND IN THE NEXT 5 YEARS... New cars and whole new trains will be rolling on an ever newer, greater Santa Fe.

It costs Santa Fe millions (not one penny from the taxes you pay) to keep America's New Railroad growing newer every day.

SANTA FE SYSTEM LINES

PROGRESS THAT PAYS ITS OWN WAY

Thalia

MRS. C. H. WOOD

Mr. and Mrs. Loyd Gray and son of Vernon visited his mother, Mrs. H. W. Gray, Sunday.

NOTICE OF SHERIFF'S SALE

The State of Texas, County of Foard.
WHEREAS, on the 18th day of February, A. D. 1953, Crowell Consolidated Independent School District, Plaintiff and The State of Texas and the County of Foard; and the City of Crowell, Texas, Implored Taxing Units recovered a judgment in the District Court of Foard County (for the 46th Judicial District of Texas) No. 3036 on the docket of said Court, against J. A. Trice, if living, whose address is unknown, and if dead, all of the heirs and legal representatives of the said J. A. Trice. Deceased, whose names and addresses are unknown; B. F. Robbins, if living, whose address is unknown, and if dead, all of the heirs and legal representatives of the said B. F. Robbins, Deceased, whose names and addresses are unknown; T. M. Walton, if living, whose address is unknown, and if dead, all of the heirs and legal representatives of the said T. M. Walton, Deceased, whose names and addresses are unknown; E. N. Trice, if living, whose address is unknown, and if dead, all of the heirs and legal representatives of the said E. N. Trice, Deceased, whose names and addresses are unknown; and the unknown stockholders of the said defendant corporation, and their heirs and legal representatives for the aggregate of Four Hundred, Six and 57/100 Dollars for delinquent taxes, interest, penalties and accrued costs on the same, with interest on said sum by virtue of an order of sale, issued from date of judgment together with all costs of suit. Said judgment directs that a foreclosure of plaintiffs' lien together with lien of the taxing unit which were parties to this suit and established their claims thereto for the amount of said taxes, interest, penalties and accrued costs, as apportioned to each tract and/or lots of land as described in said order of sale.

By virtue of an order of sale, issued by the Clerk of the District Court of Foard County, Texas, on the 24th day of March 1953, as directed by the terms of said judgment, the Sheriff of said Foard County, I have seized, levied upon and will, on the first Tuesday in May, 1953, same being the 5th day of May, 1953, at the courthouse door of said Foard County, between the hours of 2 o'clock p. m. and 4 o'clock p. m. of said day, proceed to sell for cash to the highest bidder all the right, title, and interest of the above named defendants in and to the following described real estate levied upon the 24th day of March, 1953, as the property of the above named defendants.

Description: All of Lots Nos. One (1), Two (2), Three (3), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), and Twelve (12), in Block No. One Hundred Seventy-One (171), in the Original town of Crowell, Foard County, Texas.

Amount Apportioned Against Said Tract: Crowell Consolidated Independent School District, \$89.52; The State of Texas and County of Foard, \$102.89; The City of Crowell, Texas, \$154.35; Total \$446.76.

The Adjudged Value or the Reasonable Fair Value of the above described real estate as set by the Court is One Hundred Eighty (\$180.00) and no-100 Dollars, subject however, to the right of redemption of the said property by any interested therein, may have, and subject to any other and further rights of the defendants, or any one interested therein, may be entitled to under the provisions of law. Said sale to be made by me to satisfy the above described judgment and foreclosing the lien provided by law for the taxes, interest, penalty and costs. The proceeds of said sale to be applied to the satisfaction thereof. Said sale will be made subject to the defendants' right to redeem the said property by complying with the provisions of law in such cases made and provided.

J. L. GOBIN, Sheriff,
Foard County, Texas.
By: R. E. MADDOX, Deputy,
Crowell, Texas, March 25th, 1953.

A dog's tongue is the only part of its body that can perspire.

THE WILDCAT

(Continued from Page 2)
headed girls are very plentiful since the discovery of peroxide at CHS.

It seems as if Gaylon has lost out completely with Carolyn since Truscott has moved in. Jimmy New has stolen her heart.

New couple of the week are Lyndell McBeath and Peggy Long of Thalia.

Gafford, who is the girl in Vernon by the name of Teresa Thompson.

Arleta and Don had a nice time Friday night, eh kiddos.

What would you call this: Charlene, Coy, Jimmy Thaxton and Willie Marlow? It's not a triangle, but I suppose it could be a square.

Zonell didn't waste any time. She and Gail have dates with Vernon boys next Saturday night. Vernon seems to dominate the CHS girls.

Doyle McNeese and CloVonne McKown were seen making the square several times Sunday night.

Wonder where Grin and Squint were Saturday night. Nobody knows but me and half the population of Crowell.

One of the steady couples of CHS: Red Ownbey and Lareta Lyons. The only trouble she has with him is keeping him out of Quanah.

Speaking of Quanah, Bud, Chun, J. M. and Jack were Sunday visitors. Or were they?

Who's "Ophelia?" "Ham" knows, don't you boy?

Gerry, does your dad have cattle in his wheat field, or did you have another reason for having the gate up Saturday night?

Gaylon has found a new girl in Paducah. Her initials are Rachel H.

Seen at the local theatre Sunday were Ginger and Cia, Abbo and Carolyn, Glyndon and Billye.

Shirley, Nell and CloVonne had lots of fun Sunday afternoon in the Webba pickup. No telling who or what they had in the back.

Which way is it to Wichita Falls Hallmark? Betcha don't know, do ya?

Well, that dad-burned Easter bunny is bothering me so I guess that is all for this week. This Old Owl ain't told half what he knows, so you younguns had better be good.

ADELPHIAN CLUB

Members of the Adelpian Club enjoyed an outstanding report by Mrs. W. B. Johnson at their meeting of March 18. Hostesses for the afternoon were Mrs. Ab Dunn and Mrs. Bill McClain.

Mrs. J. C. Prosser was leader for the afternoon and introduced Mrs. Johnson as speaker for the afternoon. Mrs. Johnson spoke on UNESCO and its aims. Using various scriptures, Mrs. Johnson stressed the need for greater sym-

pathy and understanding among the peoples of our modern world. She emphasized the fact that a study of the history and culture of various nations would build a good foundation for such an attitude of appreciation and tolerance.

Mrs. M. A. Walker sang a beautiful old hymn, "In Christ There is No East or West." She also led the group in singing "Help Somebody Today."

Following the program, the hos-

tesses served a delicious salad plate to twenty-six members.

COLUMBIAN CLUB

The March 18th meeting of the Columbian Club was with Mrs. Grady Halbert as hostess. Mrs. C. C. McLaughlin was leader and a program of unusual interest centered about the South Central States.

Mrs. McLaughlin told of the charms of Louisiana, its cities, lakes and industries. It was revealed that a number of the club members had at some time visited this state, particularly New Orleans.

Mrs. Jack Roberts Jr. pictured Arkansas as the state that completed the sum total of the Louisiana Purchase. With the Ozarks in the west and the lowlands in the east, it has everything required for man's sustenance.

Mrs. M. N. Kenner chose Oklahoma as the state with the fastest growth and the greatest underground wealth. It's the nearest to Texas and has many things in common with this state.

Mrs. Halbert served coffee, salad and cake to twenty members. The next meeting will be with Mrs. R. L. Kincaid April 1.

RIVERSIDE H. D. CLUB

"Look for and read labels when buying fabrics, to be certain what fibers are used in the materials," advised Mrs. Ben Hopkins, when the Riverside Home Demonstration Club met in the home of Mrs. S. C. Kuehn Tuesday afternoon, March 17.

Mrs. Hopkins made tests by burning samples of different kinds of fabrics to determine the fiber content of each. Silk and woolen materials are woven from animal fibers; cotton and linen are from plant fibers; and rayon and nylon are from man-made fibers.

Mrs. S. C. Kuehn gave an enthusiastic report on the work simplification training school program she had attended on March 9 and 10.

The next meeting will be with Mrs. Louis Kieschnick Tuesday, April 7, at 2 o'clock. Mrs. Mary D. Brown, acting County Home Demonstration Agent, will demonstrate on the subject, "Lay and cut your dress." The members are asked to bring scissors and tape measures.

A St. Patrick's Day Irish game was lead by Mrs. Monroe Karcher, recreation chairman.

Refreshments were served to members. Mesdames Cap Adkins, Roy Ayers, James Bowers, Ben Hopkins, Monroe Karcher, W. A. Mussetter, John S. Ray, Frank Ward and George Wesley, by the hostess, Mrs. S. C. Kuehn.

GAMBLEVILLE H. D. CLUB

"Each customer should demand a list of the content of a fabric before it is purchased," Mrs. Milton Hunter declared to members of the Gambleville Home Demonstration Club in the home of Mrs. Clarence Garrett March 20. Mrs. Hunter also showed how the different materials may be shrunk.

Mrs. A. B. Calvin, president, conducted the business program. A report of the last council meeting was given by Mrs. Clarence Garrett. Mrs. Virgil Smith conducted a quiz during the recreation period. Mrs. Hunter was awarded the hostess gift.

Roll call was answered with "Problems I've had with fabrics."

Refreshments were served to Mesdames Clarence Orr, Hulien Monkes, Rusty Russell, W. J. Garrett, Guy Morgan, Archie Campbell, Cecil Carroll, Virgil Smith, Milton Hunter, J. C. Prosser, A. B. Calvin and the hostess, Mrs. Fred Diggs was hostess to the group in an all-day session March 6. Pattern study was discussed by Mrs. Mary D. Brown, acting Home Demonstration agent.

Eleven members and one new member, Mrs. Rusty Russell, were present.

WEST SIDE H. D. CLUB

Read the labels on fabrics or garments to see if the qualities and characteristics suit your need, said Mrs. Donald Norris in a demonstration of fabrics at the West Side Club in the home of Mrs. G. H. Kincheloe Tuesday, March 24. Nylon is moisture resistant and dries fast, but it also does not absorb body perspiration and thus is uncomfortable for some people when used as underwear.

Mrs. Jack Lyons gave a report on work the ladies of council did in fixing up the rest room at the court house. The furniture was all painted and reupholstered. And

Home Demonstration Notes

MRS. MARY D. BROWN

On Thursday, March 19, the Foard County H. D. Council members and club members held an all-day meeting to rework the furniture in the ladies' lounge in the court house. They painted the blinds, overhauled the wicker furniture and then spray-painted it with a new coat of varnish, made cushions, refinished the small dresser. The commissioners' court furnished the money for all of the materials and they had the wall painted. The results are amazing and it really looks much better.

During the day a THDA meeting was called by Mrs. Tom Callaway, county THDA chairman, for the purpose of electing 3 delegates to attend the district meeting in Vernon April 29. Mrs. Blanche Ross of the Margaret club, Mrs. Henry Edgin of the West Side club and Mrs. Callaway of the Foard City club were elected.

Any H. D. club member can attend this district meeting in Vernon and I hope many of you will. It will last only the one day and there will be many excellent speakers. If you can attend this meeting, I'm sure you will come away with a more thorough understanding of club work.

It is always interesting to meet women from other counties and hear what their clubs are doing. When I meet with your club in April we will discuss this more fully and try to make arrangements for transportation for all who want to go.

Our recipe for this week is a little different as it is a gelatin solution to be used instead of starch. It will give sheers and dark cottons that "just bought look." Garments receiving this treatment will retain a nice, new finish for several washings. They don't resist wrinkles and dark sheers do not have that starched glaze.

This solution is prepared by soaking one ounce of gelatin in a cup of cold water for a few minutes and then dissolving it in a pint of boiling water. Dilute this mixture with 8-15 parts of hot water depending on the thickness of the garments to be dipped.

Not only is the gelatin solution recommended for cottons, it may be used on sheer rayons, veils, baby clothes, handkerchiefs and other dainty garments.

CARD OF THANKS

We want to express our sincere appreciation for the flowers, visits and cards I received while I was ill in the Crowell and Quana hospitals. May God bless each one of you.

Mrs. J. L. McBeath Sr. and Family.

RETURN WRONG LOOT

Indianapolis, Ind. — After being held up and robbed by three men, James Adams asked them to give him back his empty wallet. One robber stuffed it back into Adams' pocket. But it wasn't Adams' billfold. Police picked up James Goodner, 33, and asked him to explain how Goodner's billfold came to be in Adams' pocket and how Adams' billfold, with \$70 still in it, came to be in Goodner's pocket.

UNUSUAL RIDE

Los Angeles, Calif. — Warren W. Camplin was standing on a manhole cover, while tending to a small weed fire. The flames evidently touched off a small pocket of gas in the manhole and Camplin was blown about 4 feet into the air, while standing on the cover. He was treated for burns and injuries.

Ford engineers claim these newly-designed C-750 Series cab-forward trucks set a pattern for the industry with their wider, 3-man cabs with full-width seats. They have greater maneuverability and shorter turning radius; new, curved, one-piece windshield with 55 percent more visibility and 4 foot wide rear window. Synchro-silent transmissions do away with double clutching. This new cab-forward design makes possible almost all engine service operations from the front of the truck.
