football, a boy becomes a true sportsman and makes many fine friends. But to achieve football success, he has to work hard and show real hustle—for there's no short cut."

Prior to Dick Todd's introduction of the principal speaker, a trio of girls, Misses Sue Meason, Frances Kincaid and Billye Bell, presented two vocal renditions, with Miss Marcia Kincaid playing piano accompaniment.

Master of ceremonies George Self then made the introductions of the members of the 1952 Crowell Wildcat Regional Champion Football Team, giving their classification, position, number of letters, and honors attained. Following recognition of football players, President Irving Fisch of the Crowell Booster Club, presented Coaches Thayne Amonett, Gordon Erwin and Glen Taylor with beautiful wrist watches in appreciation of their efforts in producing players and teams which are a credit to a town much larger than Crowell.

In conclusion, Mr. Self read a memorial to Billy Ray Latimer, all-district guard who died on Jan. 4, Supt. Grady Graves gave the benediction.

The delicious turkey dinner was served by the Woman's Society of Christian Service of the Methodist Church.

Out-of-town guests attending the banquet included Mr. Martin of Fort Worth, Mr. and Mrs. A. Y. Olds of Vernon, Mr. and Mrs. Rufus Emmons of Matador and Bud Worsham of the Wichita Falls Record News.

## East Side Church of Christ Building New Church House

Construction of the new church building for the East Side Church of Christ is now under way and the proposed 40x70 foot structure will replace the present building housing the church within a period of 90 days, according to officials of Wm. Cameron & Co. lumber yard, who are providing the materials for the new structure.

Leon Callaway, local contractor in charge of construction, indicated this week that the building will be of tile blocks, a very popular building material, with steel window frames. The new building, which will seat approximately 300 people, will have 5 class rooms, all of which can become a part of the auditorium when the folding partitions are moved.

Due to the increased enrollment of the church and desire for a modern and complete building, the church recently promoted the plans for this construction. Walter Thomson has bought the old building which has been moved to the south side of the lot and will be used by the congregation until the new building is completed.

## Former Thalia Resident Passes Away at Seminole

Mrs. H. T. Capps passed away at her home in Seminole, Texas, Jan. 12, 1953. She was a former resident of Foard County, having lived at Thalia for many years.

Mrs. Capps, who was formerly Miss Ivy Havis, was born in Homer, La., in 1875. In 1896 she was married to H. T. Capps in Archer County, Texas.

To Mr. and Mrs. Capps four children were born. They are: John T. Capps of Andrews, Mrs. Fannie Mason and Havis Capps of Seminole and Harley Capps, who passed away at Thalia in 1945.

Besides these three surviving children, she is survived by seven grandchildren: Duane Capps and Mrs. Marlene Orr of Thalia, Mrs. Frankie Cottrell of Five Points, Calif., Joe and Larue Mason and Carolyn and Claris Capps, all of Seminole. She is also survived by 5 great grandchildren, two brothers, Minor Havis of Plainview and Oscar Havis of Luling, and a sister-in-law, Mrs. Van Havis of Pecos. A number of nieces and nephews also survive her.

Mrs. Capps was a member of the Baptist Church since early girlhood and was a member of the Thalia Church 32 years. Her funeral was held Jan. 15 at the Thalia Church, Rev. W. B. Fitzgerald, assisted by the Church of Christ Minister, Roy Ruckman, officiating.

She was laid to rest in the Thalia Cemetery by the side of her husband, H. T. Capps, who passed away in 1942.

## CHS Cagers Keep Perfect Record With 2 More Wins

The Crowell High School basketball team won two more conference games the past week to maintain a perfect record along with Iowa Park. Chillicothe is the other strong contender for the district championship.

Crowell had a hard time at Henrietta last Friday night but finally nosed the Bearcats out 55 to 53. The score was tied seven times during the game and Henrietta was ahead by one point at halftime. Billy Marlow scored 20 points and Gordon Graves came through with 19 for the Wildcats. Harold Cotton scored 25 points for the Bearcats. Ginger Johnson missed this game due to a leg injury.

The game here last Tuesday night with Archer City was rather listless with the Wildcats on the big end of a 73 to 20 score. Jim Paul Norman worked both backboards to perfection for the Cats. Gaylon Whitley and Ginger Johnson looked better on their floor play.

The Crowell "B" team continued undefeated by dropping the Henrietta Bearkittens 43 to 23 and the Archer City Wildkittens 51 to 25. Jimmy Harper scored 18 points at Henrietta and DuWayne Elliott was high for Crowell in the Archer City game with 13 points.

The Crowell boys get a rest this week end. They travel to Iowa Park next Tuesday night for the most important game of the season up to this date. Coach Thayne Amonett has arranged two games each with Vernon and Quanah which should be very interesting. Vernon defeated Crowell in the Chillicothe tournament and Crowell came out on top in the Vernon game at the Quanah tournament. The Vernon game will be here February 2 and the Quanah game will be here February 16.

## Leave Porch Light On

"Leave your porch light on," urges Mrs. Todd, "and if you have no porch light, be on the alert for the workers. If, by any chance, your house is missed, call 125R and a special trip will be made to pick up your donation."

1952 was the worst year in history in regard to the number of new cases of polio contracted, and everyone is urged to give generously to this worthy cause.

Mrs. Todd stated that a meeting of all the workers will be held at her home on January 22, tonight, at 7 p. m. and all are urged to attend.

## Dr. C. L. Saunders Jr. Moves Here to Practice Medicine

Dr. Charles L. Saunders Jr. will move to Crowell this week from Galveston where he will establish his office in Shirley-Youree Drug and begin the practice of medicine at an early date. Dr. Saunders' home town is Port Arthur, Texas.

Before coming to Crowell, Dr. Saunders served as a medical doctor on the staff of the famous Joan Sealy Hospital in Galveston. He interned in the Denver General Hospital in Denver, Colo., prior to accepting the position with the hospital in Galveston.

In acquiring his education, the new physician attended North Texas State College, University of Texas and the University's medical branch in Galveston, graduating in 1951. He served three years in the armed forces during World War II, from 1942 through 1945.

Dr. Saunders is married and has two children, Kathleen 8, and Helen Marie 2. They have rented a house owned by Otto Davenport and will make permanent residence soon.

**MEMORIAL SERVICES HELD IN HONOR OF BILLY RAY**

Services in honor of the memory

of our late friend and classmate, Billy Ray Latimer, were held in the high school auditorium Monday, Jan. 5.

Supt. Grady Graves called on James Welch to lead the group in prayer. Mr. Welch offered the prayer in an effective, forceful way expressing his feelings as well as those of the congregation.

A hymn, "Near the Cross" was rendered by a quintet of girls composed of Billy Bell, Frances Kincaid, Sue Meason, Jackie Rasberry and Mary Lou Woods. Warren Everson, layman of the Assembly of God Church and father of one of Billy Ray's teammates, delivered the comforting message. Highlight of his talk was the statement that in heaven God wants all ages young and old alike to make up his celestial kingdom.

A statement made by Mr. Graves in closing brought real peace to the hearts of his family and friends. Ginger Johnson had

come to him and told him of the fact that Billy Ray had been converted. Ginger stood during the service and told in his own words that about three weeks before his death Billy Ray had shown his desire to know more of the Bible and his Creator, by talking and praying with his pastor.

"This news, I know, will prove to be as great a blessing to you as it did to me," Mr. Graves said. Brother Everson offered the closing prayer.

Members of Billy Ray's family and close friends as well as the entire student body of both high school and grammar school attended the memorial service.

**BRO. C. Y. PETTIGREW SPEAKS TO STUDENTS**

Pastor of the East Side Church of Christ, C. Y. Pettigrew, talked to the high school students Thursday, Jan. 15.

After the opening prayer, Bro. Pettigrew stated that before he began his message he hoped that it would prove to be of some benefit to everyone, for he believed that to be of benefit to someone should always be an aim in life.

The numerous advantages to be received from an extensive education were pointed out by the pastor as well as the improvements that have been made since the time he received his education. A good example he made of this by describing a little country school house in Tennessee which was the rule rather than the exception when he lived there.

The development of the railroad, the automobile, the telephone and electric lights and the degree to which they have been perfected in this twentieth century were highlights in the minister's talk.

"I'd like to see every boy and girl here at church on Sunday morning" was a closing thought and in reference to school work and other worthwhile accomplishments, he said, "Let's not advance backwards but push on to perfection."

Mrs. Pettigrew was also a guest at this assembly.

**WILDCATS SEEK ANOTHER DISTRICT TITLE**

The Crowell Wildcats are looking forward to another district championship this year. They have won it for the last two years and by all appearances, should be able to do it again.

The team of '50-'51 went to Regional, where they were defeated by a very strong Bowie club.

Last year they played in a tournament at Denton and advanced to the finals before Plano beat them by a fair score. Second in Regional was pretty good for the Wildcats.

This year's team will have 3 seniors and two sophomores starting. Jim Paul Norman has played four years and was a starter every year. Ginger Johnson and Billy Marlow are lettermen from last year and the other two seniors on the team. A couple of sharp-shooting sophomores come up this year from last year's B team. They are Gaylon Whitley and Gordon Graves. Both saw considerable action on the A squad last year but are still inexperienced.

Senior Grin Stinebaugh is the sixth man on the team and is due to see a lot of ball before the season is done.

The Wildcats have won their first three conference games thus far.

**KENNETH FOX, TENNIS WHIZ, ASPIRING GEOLOGIST**

Now and then, an individual pops up who's a "genius"—well almost, in more than one thing. CHS has such a one in the person of Kenneth Fox.

Even though practically a "genius" in math and in tennis technicalities, Kenneth is just a swell all-around fellow.

In sports, tennis is his first love with a good, exciting game of basketball as his second love. An "ace" on the tennis courts, "Foxy" is a tough guy to defeat.

After a good, exciting tennis match, with Kenneth usually the victor by a top-sided margin, the perfect refreshment for him is a huge dish of strawberry ice cream accompanied by Dixieland jazz records, spinning on the record player.

No summer day is too sultry for Foxy to plow and work on his father's farm. This goes to show that he is really dependable and industrious.

Kenneth's "tip-topness" in high school will be followed by college at Oklahoma University with a major in petroleum geology which incidentally is the study of oil location. And we'll just bet at the rate he's going, Kenneth Fox will own some of that oil he's going to study about some day.

**HOME ECONOMICS III**

Are you interested in making a belt, purse, or billfold for yourself or as a gift? This is just what the Home Ec II and III girls have been doing.

The plain leather was ordered from Fort Worth and Dallas and as soon as it arrived the girls put the designs they had chosen on them.

The tools used were the tracer, that puts the design on the leather, swivel knife that cuts out the design, the bender that raises the design, and the other tools were chosen according to the design.

**WILDCAT'S OWL**

Well, guys and gals, here it is Thursday again and I'm back on the old owl roost "hootin'" out the scandal on the past week. So hide your face and continue to gather in all the scandalous scandal of ole CHS.

It seems as if "Crow" got mad at Zonell because she went to the ball game. Wonder why?

Has anyone else noticed the starry eyes of Gail Knox now that she is going with Gaylon? Ain't love grand?

Joan Roberts and A. L. McGinnis seem to be a true blue couple now days. (Hands off, girls, Joan has her hooks on him).

David, have you and Jonny had a bust up? Hope not.

The triangle of the week is Doyle McNeese, Clo Vonne and Jean. (May the best girl win).

Cowboys, did you say? We have plenty of them (drug store, that is). Jackie Walker, Dale Keith, Duane, J. M., Jerry Cates and Gerry Knox were all a'stride the saddle Sunday afternoon.

Joe Don and Francyne seem to be another true blue couple. Power to ya!

Carolyn, do you like the nick name "Abbo" has given you?

Hey! What's this we hear about L. C. Gordon and Bobbie Lou? Tell us more, "Elsie."

The couple of the week is Larry Rader and Peggy Long.

Vida, did you have fun at the dance in Paducah? My, how that girls gets around.

Squint Barker has eyes only for a certain girl from Quanah. B. J. are her initials.

Seen at the show Sunday were Barbara and Gaylon, Rufus and Gwendolyn.

Seems as if Betty Jane still has a crush on a certain sophomore boy, Coleman Self, no doubt.

"Sweet," what did Marcia think about your new girl, Rosita?

Wonder who Joan Fox likes now? Could it be a freshman? Could be.

Seems as if the Bursley-Shultz "combo" is working fine.

Somebody better tell James to get on the ball. It seems as if Gaylon is trying to beat his time. Oleta is really anxious for the football jackets to come in. Couldn't be because she's getting "Ed's" jacket, could it, Oleta? I wonder who J. Thaxton has

a crush on? Nobody knows. Francyne, did you have a good time Sunday night?

Say, Cates, did you have a good time in Vernon Sunday night?

One last bit of news. Who's blue Oldsmobile was Virginia T. riding around in Sunday afternoon.

Well, this is the old big eyed, big eared, and bigger mouthed owl hooting so long till next week. If I don't know about it, it's not worth knowing.

**THALIA P. T. A.**

The Thalia P. T. A. met Wednesday, January 7, with Mrs. Joe Johnson in charge of the program. The theme of the program was "My Home Town." Mrs. Johnson spoke about "the opportunities our home town has to offer our children and brought out that Thalia means paradise."

Mrs. Clark Campbell suggested some ways in which the home town could be improved.

In keeping with the theme of the program, a quintet composed

of Ocie Tarver, Billy Short Johnson, Max Hammonds, Jimmy Marlow sang "Dear and Gentle People."

"Where do General Electric's engineers come from?" a visitor asked us. "I suppose they all got trained at MIT, or Cornell, or Michigan."

His question set us pondering, so we started plowing through the file cabinet for an answer. And, of course, it turned out as you'd imagine—NO. General Electric engineers don't always come from eastern technical schools. They won their slide rules from colleges in every state.

Maybe you'd like to hear how many of our bright engineers got their engineering education in your home state. Here's part of the list...

328 came from colleges in Kansas... 207 from Oklahoma... 125 Nebraska... 103 Montana... 97 South Dakota... 87 North Dakota... 47 Arkansas... 41 Wyoming... 411 came from Texas colleges... well, the list includes every state.

One out of every twenty employees at General Electric is an engineer or scientist. You know that a big part of our work is improving products and working out new ideas.

Right now young men from your home state are working on big and important engineering jobs at General Electric. You should be mighty proud of them because—take our word—they're doing a swell job.

You can put your confidence in—

**South Texas Coyotes Turn to Vegetables**

South Texas coyotes, sissy or not, are turning from raw meat to garden vegetables, according to a report from John E. Hearn of Cotulla, predator control supervisor for the Game and Fish Commission.

Hearn, quoted in the January issue of Texas Game and Fish Magazine, says the coyotes' vegetarian habits have been cultivated in keeping with revolutionary land utilization trends.

"The once tractless brush areas are being gradually cleared and converted to agriculture," states the magazine. "The shrinkage of the wilderness has shrunk the natural prey of the coyotes and they have turned to farm products."

"The new diet may not be too good for the coyote for his numbers have dropped in recent years," according to Hearn.

The Predator Control Supervisor points out that the coyotes still relish fresh meat and this characteristic craving has been used to help curb their depredations.

The magazine article goes on: "Hearn said that after one rancher complained that coyotes were raiding his 70-acre melon patch, and, incidentally were choosing the largest melons, they shot two jackrabbits. They made

16 baits, poisoned them and left them around the melon patch. "The coyotes ate every one of the baits. Three dead animals attested to the effectiveness of the system. Hearn suspected that others had died after escaping from the scene."

The "Swamp Skipper," used by Amphibious Construction Battalion 2, to tow new targets into marshy lowlands of Bloodsworth Island, the Navy's firing objective in Chesapeake Bay, has wheel 7 feet 10 inches high and 30 inches wide with horizontal "planes" or flaps on each wheel which enable it to navigate marshy terrain. It floats in deep water, skips over swampy land, and replaces shallow draft boats formerly used. It can be landed by LSM or LSU.

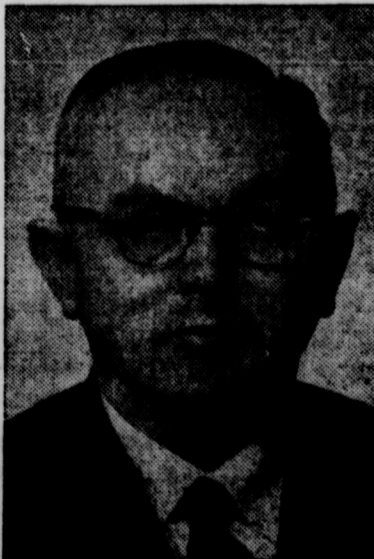

Approximately 1,400 of the Navy's 4,000 ships are now in "mothballs."

**Health Letter**

Texas State Department of Health, Austin, Texas, Geo. W. Cox, State Health Officer

Drug addiction is not in itself a crime but a disease, declared Dr. Geo. W. Cox, State Health Officer. It is viciously and deadly in that once the victim can no longer overcome his desire for drugs, he will resort to any illegality to obtain money to purchase the satisfaction of his craving. Increase in drug addiction is paralleled by crime increases.

Because of the increase of addiction among "teen agers," parents would do well to understand the habits of their offspring. No matter what the age, an addict takes on a sly, underhanded attempt to concealment. And it is only when the "teen-age" victim becomes embroiled in some police involvement that the shame is brought to the parents.

Boys and girls must be taught that it is not smart or sophisticated to use drugs in any of their narcotic forms, and they should understand the dangers involved. Once the habit is formed, it is difficult to overcome. While it is estimated that at least five per cent of narcotic addicts become so by means of repeated dosages of drugs to alleviate pain, the preponderance of addicts fall among those persons, normal in every respect, who seek adventure, and emotionally unstable persons who cannot face the realities of every day life.

Indications of drug addiction vary according to the method and the type of drug used. Among them are a strained expression, glassy stare of the eyes, trembling hands, swelling or redness in the partition of the nostrils; apparent puncture marks on the skin from hypodermic needles. Symptoms include running of the nose or tearing of the eyes, excessive yawning and sneezing, constant itching of the skin of the arms and legs and dilation of the pupils of the eyes.

While it has been said that a "little knowledge is a dangerous thing," there can be no doubt that a public-mind consciousness of the drug-addiction problem will do more to curb the situation. The prevention of addiction is a community problem. Once the habit is formed, it becomes a medical one. Do your part to prevent an addiction. Your child may be the next victim.

**LET'S TALK LIVESTOCK BY TED GOULDY**

Supplies of all kinds of livestock tapered off in the opening session of the week in Fort Worth and all around the major livestock market circle. Fed steers, yearlings and calves continued to make up the major portion of the supply.

Heavy pressure was reported on most of the fed cattle and fed calves with trading a bit or miss affair that resulted in either weak or unevenly lower prices on those classes. Cows were again in small supply and ruled steady. Bull prices were scaled downward.

Stocker cattle and calves were generally steady when quality and condition were desirable, but the less desirable kinds were unevenly lower in line with killers.

Hog prices edged higher. Top hogs moved to a \$20 top. Sows drew \$16 to \$17.50. Garbage feds usually sell at 25 to 50 cents or more discounts compared to grain finished hogs.

Fat lambs were stronger, some woolled lambs 50 cents up and some clipped fat lambs 50 cents to \$1 higher. Shorn lambs, No. 1 pelts, drew \$20.50 and some woolskins drew \$21.50 Monday. Feeders drew \$19.25 downward, after a slow opening. Old sheep were steady, slaughter ewes from \$7 to \$8.50. Yearlings sold from \$18

New officers were installed for the Gambelville Home Demonstration Club meeting at the home of Mrs. Archie Campbell on Jan. 2.

The constitution and by-laws of the organization were read. A drill on parliamentary procedure was conducted by Mrs. Andrew Calvin.

Members answered the roll call with their reasons for coming to club. New officers are: Mrs. A. B. Calvin, president; Mrs. J. C. Prosser, vice president; Mrs. W. J. Garrett, secretary; Mrs. Guy Morgan and Mrs. Clarence Garrett, council delegates; Mrs. Cecil Carroll, reporter; and Mrs. Milton Hunter and Mrs. Milburn Carroll, demonstrators.

Chairmen of committees as appointed by the president are: Mrs. Helen Monkes, finance and marketing; Mrs. W. J. Garrett and Mrs. Cecil Carroll, yearbook; Mrs. Archie Campbell, education, exhibition, and expansion; and Mrs. Jewel Smith, recreation. Refreshments were served by the hostess.

Good and choice fed steers and yearlings cashed at \$18 to \$25.50, the \$25.50 on some experimental steers from Beeville in South Texas. C. F. Brown, Rosebud, had a load of 848-lb. steers at \$19.50 and J. R. Depeu, Rosebud, had some weighing 804 lbs. at \$20. Gordon and Alton Bell, Foard County, had a load of 793-lb. steers at \$18.50. Volney O. Hildreth, Aledo, had 60 heifers at \$48-lbs. at \$22.50. A load of Hamilton County steers averaged \$39-lbs. at \$23. Common, plain and medium butcher stuff sold from \$12 to \$18. Fat cows sold for \$13 to \$15.50, and canners and cutters drew \$9 to \$13. Bulls cashed at \$10 to \$18.50.

Good and choice fat calves sold from \$18 to \$23, mostly \$22 down and cull, common and medium kinds ranged from \$10 to \$18. Stocker steer calves drew \$15 to \$24, and steer yearlings sold from \$22.50 down. Heifers and heifer calves sold mostly \$1 to \$2 under comparable steers, stocker cows drew \$12 to \$20.

The Jonesboro, Texas, FFA topped the lamb trade with some \$21.50 lambs and had some \$23 fed steers. Earl Sargent is instructor.

**AN ORDINANCE BY THE CITY OF CROWELL, TEXAS, FIXING A MAXIMUM RATE THAT MAY BE CHARGED BY A PERSON OR CORPORATION FURNISHING GAS TO THE INHABITANTS OF SAID CITY**

**Section 1**  
BE IT ORDAINED by the City Council of the City of Crowell, Texas, at a regular meeting held by the said Council on the 20th day of January, A. D. 1953, that the Texas Natural Gas Company, assignee of Culbertson Brothers Company, now furnishing gas to the City of Crowell and its inhabitants, and any other person or corporation that may hereafter furnish gas to the said City or its inhabitants, shall furnish gas to the inhabitants of said City for domestic and industrial use at not exceeding the following rates:

**Domestic Rate:**  
For the first 1,500 cubic feet or less used per month—\$1.30.  
For the next 28,300 cubic feet used per month—70c per M.  
For all over 29,800 cubic feet used per month—45c per M.  
**Industrial Rate:**  
For all gas used per month—30c per M.  
A minimum charge of \$1.30 per month shall be made, whether gas to that value at the above rates and charges, except the minimum charge, shall be discounted ten per cent of the same if paid in the office of the company on or before the due date shown in the bill, which due date shall be at least ten (10) days after the date such bill is placed in the mail addressed to the consumer.

**Section 2**  
That all of Section 11 of the ordinance dated September 20, 1927, providing for the granting of a franchise to Culbertson Brothers, a corporation, doing business in the State of Texas for the purpose of installing gas pipe and installing gas distribution system in the City of Crowell, Foard County, Texas, and providing rates to be charged by them or their assigns, which ordinance is recorded in Volume 60, page 217, of the Deed Records of Foard County, Texas, be, and the same is hereby repealed.

**Section 3**  
The rates and charges set forth in Section 1 may be changed and amended by either the City or the company furnishing gas in the manner provided by law.

**Section 4**  
This ordinance shall be published at the expense of the Texas Natural Gas Company.

This ordinance shall take effect from and after its passage, approval and publication as required by law.

The foregoing ordinance was duly read, passed, and approved at a regular meeting of the City Council of the City of Crowell, Texas, at a regular meeting of said council on this the 20th day of January, A. D. 1953.

**Mechanization Makes Farming Attractive**

It has only been a generation since the First World War started. On the average farm at that time there was a "hired man" who received a modest wage plus room and board. He helped with the chores, such as milking, and the ordinary work of the farm which was largely done with human and animal labor.

That war swallowed men by the millions, and when it was over many of them never returned to the farm. The Second World War imposed far greater strains on our manpower. At a time when farms had to produce record crops, the labor shortage was a devastating problem. The thing that saved the day was the ability of our industries to turn out labor-saving machines for peace, as well as weapons for war.

On the average farm today the "hired man" is virtually a thing of the past. Horses have disappeared. The tractor which uses fuel only while it works, instead of 365 days in the year, is the mode of power. The milking machine has taken the place of hand labor. Everything from land preparation, harvesting, irrigation, drainage, etc., is done with power equipment.

The ingenuity of our country's farm machinery manufacturers has enabled the family farm to become the backbone of our nation's food supply. Crops can go in on time with a minimum of labor. The elimination of back-breaking

### PERSONALS

Mr. and Mrs. Richard Chatfield of Sanger spent Wednesday and Thursday visiting in the home of his brother, Nick Chatfield, and family.

Plenty of money to loan on farms and ranches. Liberal prepayment privileges. No charge for inspection. See us.—Roberts-Beverly Abst. Co.

Mr. and Mrs. W. B. Carter are in Fort Worth visiting their son, Bill Carter, and family. They were accompanied to Fort Worth Tuesday by Mrs. J. R. Allee, who had been visiting here.

Mrs. Maude Rasberry and grandson, Glyndon Johnson, spent the week end in Lubbock, visiting Mr. and Mrs. Ernest Johnson. They report Mr. Johnson is recovering satisfactorily from a recent serious illness.

Harvey Blue is seriously ill in hospital in Kansas City, according to word received by his mother, Mrs. Ed Norris, Saturday. Miss Babe Blue of Rose City, Okla., has gone to Kansas City to be with her brother.

Mr. and Mrs. Monroe Cates and children, Duane, J. M., Jerry, Albert, Peggy and Iven, have recently moved to Crowell from Route 1, Thalia. Mr. Cates has bought the Fred Carr home in the northwest part of town where they are making their home.

### CARD OF THANKS

We wish to express our deepest gratitude to our many friends who helped so loyally in word and deed in our recent time of bereavement caused by the passing of our beloved mother and grandmother, Mrs. H. T. Capps. The Capps Family.

### CARD OF THANKS

We wish to express a very special "Thank you" to each one of our many friends who assisted us so faithfully and in so many ways in our homes during our recent bereavement in the loss of our dear Grandmother Capps. May God bless each one of you. Maggie Capps and Mr. and Mrs. Duane Capps.

### LIONS CLUB

Miss Marcia Kincaid, Lions Sweetheart, brought an excellent program to the Lions Club on Tuesday at noon. A quartet composed of Misses Sue Meason, Frances Kincaid, Billye Bell and Betty Bartley, sang several songs accompanied by Marcia. Tom McCandless, president, is in charge of the program next Tuesday at noon.

### BUSINESS BRIEFS

U. S. investment abroad totals \$12 million—70 per cent in Latin American and Canadian enterprises, the Chamber of Commerce of the United States points out.

Mr. and Mrs. Joe Roberts and son, Jackie, spent the week end here visiting in the home of Mr. and Mrs. N. J. Roberts.

### Flarebacks to Outdoor Season Chronicled in 'Texas Game and Fish'

Some rugged flarebacks to the peak outdoor season in Texas are chronicled in the December issue of Texas Game and Fish magazine.

Warden Ed Lacy more or less set the pace, according to the Executive Secretary, Lacy was prowling his beat out of Sanderson when his car was wrecked on an isolated road. He dragged himself from the ruins with four ribs and his collarbone broken; two badly twisted and bruised knees and internal injuries. Two hours later he completed the agonizing four mile journey to a ranchhouse and aid. He is recovering. The car was junked.

A Rockport motel operator found a hunter picking ducks in the middle of a cabin floor without benefit of paper or anything. The man left posthaste with his half picked waterfowl. The same man interrupted another hunter using a bedsheet to clean his gun. And up went the cost of hunting.

Warden Supervisor John E. Hearn of Cotulla reassured hunters that big, bad mountain lions wouldn't bother them. Hearn, chief of the Game and Fish Commission's predator control crew, has been carrying a cocked 30-30 for 25 years, ready for a lion to charge. He has trapped more than a hundred lions in that time and has traveled an estimated 3 million miles.

But the Texarkana News Digest did report that a timber wolf followed a hunting dog back to camp and was killed.

Game Warden Supervisor Tom Waddell of Eagle Lake reported he recently arrested a young man for killing a deer out of season, and then he determined he previously had arrested the youth's father, an uncle and two cousins, all at different times, but all on the same charge—shooting deer out of season.

### INDEPENDENT COLLEGES

Independent liberal arts colleges in this country are in so serious a financial condition that unless immediate help is secured from corporations, foundation and other private sources, many will be forced to rely on Federal aid, a three-year study revealed. Increased annual revenues of at least \$250,000,000 are needed by 1,500 colleges.

Esther Cleveland, born in 1893, was the only child ever born in the White House.

### Let's Talk Livestock

by Ted Gouldy

Many cattlemen in the Fort Worth territory have reported heavy death losses in recent weeks among the cattle herds of North Central Texas, and according to word from virtually all points in the Southwest, some similar losses are being reported.

Rather alarming symptoms, some of them similar to dread foot-and-mouth disease, have been reported and experts from the Bureau of Animal Industry, U. S. D. A., offices in Fort Worth hurried into the field for complete diagnosis of sick cattle.

Their examinations of cattle in Tarrant, Denton, Jack, Clay and Wichita Counties indicates no infectious disease. Dr. C. F. Layton, assistant inspector in charge, and Dr. H. L. Darby, chief of the Texas BAI force, reported at Fort Worth late last week that vitamin deficiency brought on by the dry weather during the summer and since was the major trouble.

Many of the cattle were off feed and in emaciated condition. Calves were being born dead, blindness and watery eyes were noted. Dr. Layton said, "This situation has been a long time developing and vitamin A deficiency is evident. There is no evidence of vesicular disease or contagion."

At this time, strenuous efforts are being made to get the cattle on vitamin and mineral fortified diets in efforts to get them to eating again and pull them through. It is believed the calf crop may be saved in many cases.

It had been believed earlier the cattle were suffering from Stomatitis brought about by eating oak leaves and moldy clover hay obtained through the drought hay relief program. Some ranchers thought their cotton seed cake had been contaminated. Some even thought vandals were poisoning cattle. Losses of 24 head at one ranch, 40 calves at another, and other smaller numbers have been reported.

It is believed that hundreds of thousands of cattle in the Southwest are in dangerously weakened condition due to lack of green feed and good pastures for the past year and that losses may run into very serious proportions.

Ranchers and farmers are urged to keep close watch for signs of mineral or vitamin needs among their cattle and sheep and get expert help from their veterinary and feed man before serious losses are incurred at the first sign that their stock needs this help.

### Austin Highlights

by Senator George Moffett

Governor Allan Shivers is the 35th person to become Governor of Texas in its 107 years of statehood. When he completes the term for which he was inaugurated this week, he will have served longer than any other person as the State's Chief Executive.

The State Constitution provides that the Governor's term of office shall be two years. No one has ever been elected Governor of Texas more than twice. However, Governor Shivers served almost a year and a half following the death of former Governor Jester in July, 1949. Governor Jester was the first Governor of Texas to die in office. In some states the term of the governor is four years and in one or two states it is three years. In a few states the constitution provides that the Governor may not succeed himself but must wait until someone else has served a full term before the same person can serve a second term. This is the case in Oklahoma and Louisiana.

The members of this session of the Legislature seem to be more serious minded than those of any other session that I have attended. Every member is receiving numerous requests for increased spending from the State Treasury and at the same time it is clear that most people believe that taxes are too heavy now. There are solid reasons for an increase in the State's support of the public school system and highway system as well as some other state activities.

Each year brings about a heavy statewide increase in the number of children enrolled in our schools, thus making more teachers absolutely necessary. We have built the best state highway system in the nation. It now requires three or four times as much to maintain it as it did twenty-five years ago, thus leaving much less for new construction.

It is a difficult task to reach the proper solution of these conflicting problems. I would welcome an expression from the people back home as to how these various questions should be solved.

### SPENDING IN U. S.

The Federal Reserve Board estimates that the nation's total spending for last year will be a record \$350,000,000,000, but the 1952 increase will be substantially less than in the past two years.

The word "hippopotamus" means river horse.

## SAVINGS

Savings and loan associations in the United States are growing faster than ever before in history. The chief reason is that people are saving more and spending less. In 1952 savings and loan associations all previous records of growth, in the United States will smash piling up assets of \$21,800,000,000 an increase 13 per cent greater than that shown during 1951, the previous record years.

## Sub-District W. S. C. S. Met at Thalia Last Thursday, Jan. 15

The Children's Sub-District W. S. C. S. met in the Thalia Methodist Church last Thursday with the president, Mrs. Howard Ferguson, presiding during the day. Mrs. Jack Welch was accompanist for the group singing.

The theme of the program was "A Charge to Keep." Those making talks on this subject during the morning session were Mrs. C. L. Johnson of Vernon and Mrs.

H. E. Monkres of Margaret. Following the talks Vance Barker of Foard City played two accordion numbers, followed by reports from local promotion secretaries. There were 10 district officers present, including three preachers and Rev. Hamilton, district superintendent, and wife.

The devotionals were given by Mrs. Sherman McBeath.

The meeting was dismissed at noon for covered dish luncheon.

Talks were made in the afternoon by Mrs. M. A. Walker of Crowell and Mrs. C. C. Campbell of Thalia.

Officers for 1953 were elected

and follow:

Mrs. J. E. Brock of Farmers Valley, president; Mrs. Oran Key of Vernon, vice president; and Mrs. W. L. Johnson of Foard City, secretary-treasurer.

Following the election of officers, Billy Johnson of Foard City sang the "Holy City," accompanied by Mrs. Jack Welch.

It was voted to accept an invitation from Vernon as the next meeting place.

## GAMBLEVILLE H. D. CLUB

Mrs. A. B. Calvin was hostess to the Gambleville Home Demonstration Club on Friday, Jan. 16.

The meeting was opened with the singing of the Eyes of Texas. Members answered the roll call with the piece of sewing equipment they desired most.

Mrs. Mary D. Brown, Acting Home Demonstration Agent, discussed the basic equipment necessary to make sewing pleasant. These articles should be obtained for about five dollars. If these are kept together in a container or sewing box, sewing will be made easier and faster. Some of the members expressed their desire to order articles as a group from a wholesale house.

A Valentine party was tentatively planned for the early part of February. Mrs. Henry Ross was awarded the hostess gift.

The next meeting will be Feb. 6 at the home of Mrs. Cecil Carroll. Mrs. Brown will discuss "Line and Design for You" at that time.

Refreshments were served to Mrs. Henry Ross and Mrs. Brown, visitors; and Mesdames Milton Hunter, Milburn Carroll, W. J. Garrett, Guy Morgan, J. C. Prosser, Cecil Carroll and the hostesses.

Miss Rebecca Calvin played piano selections during the social hour.

## FOARD CITY W. S. C. S.

The Foard City W. S. C. S. met at the church Monday, Jan. 19. "Blest Be the Tie" was sung as the opening hymn, followed with prayer by Mrs. Blake McDaniel. Minutes were read and approved. During the business session, names of boys in service from this community were given to each member so that they might write letters to the boys.

Mrs. Grady Halbert brought a very interesting devotional on "We Live in Deeds . . . not Days." She compared the long life of Methuselah with the short life of Jesus.

Mrs. Kenneth Halbert continued the Bible study from the third chapter of Genesis, on "The Fall of Man." She also brought the fourth chapter on "The First Murder."

The meeting was dismissed with prayer by Mrs. J. M. Barker.

## WEST SIDE H. D. CLUB

A quiz on Home Demonstration work was led by Mrs. Henry Edgwin when the West Side Club met with Mrs. E. A. Dunagan, on Tuesday, Jan. 13.

The new constitution for the club was read and adopted.

Committees for the new year were appointed by Mrs. Edgwin. Mrs. Oscar Gentry was appointed as finance chairman; Mrs. G. H. Kincheloe as yearbook chairman, and Mrs. C. R. Bryson, recreation chairman.

Nine club members answered roll call with "Why I Come to Club."

Mrs. Dunagan served a dainty plate of fruit cake and coffee.

The club will meet on Wednesday, Jan. 28, with Mrs. T. W. Cooper. This date change was made in order that Mrs. Brown may meet with another club on the regular date. At this time Mrs. Brown will give a demonstration on "Sewing."

## JUNIOR COLUMBIAN CLUB

The Sub-Junior Columbian Club met on January 14 in the home of F. C. Borchardt with Charlene Borchardt as hostess. Eight members and the sponsor, Mrs. Kenneth Halbert, were present. Due to sickness, the other sponsor, Mrs. Charlene Wishon, could not attend the meeting.

There was no program other than a discussion led by Mrs. Halbert on parliamentary procedure.

Officers for the following year were elected as follows: Billye Bell, president; CloVonne McKown, vice president; Frances Kincaid, recording secretary; Genevieve McDaniel, corresponding secretary; Patricia Todd, treasurer; Charlene Borchardt, parliamentarian; Barbara Fairchild, critic.

Delicious refreshments were served to the group by the hostess.

## B. & P. W. CLUB

Much mirth and merriment prevailed last Thursday evening when the Business and Professional Women's Club met at the home of Mrs. Irene O'Connell for an impersonation party.

After the identification of the local and national celebrities represented, among whom were Mamie Eisenhower, Greta Garbo, Minnie Pearl, Toby, Little Bo Peep and Mae West, pantomimes were enjoyed.

A delicious Chinese dinner was served by the hostesses, Audrey Collins, Gusta Davis and Lottie Russell, to thirteen members and one guest, Mrs. Bob Whitaker.

## JUNIOR ADELPHIAN CLUB

The Sub-Junior Adelpian Club met for its regular meeting Jan. 14 with Nelda Kay Brooks as hostess.

The program consisted of a film

Austin's big show — the 53rd Legislature—is now well under way. The legislators got down to real business this week. Last week the members convened for only one day.

They heard the message of Gov. Allan Shivers. And, in the House, Speaker Reuben Senterfitt appointed committees.

Then the House and Senate adjourned until this week.

Even so, progress was ahead of schedule. Usually, House committees cannot be appointed for some time after the election of a speaker.

But, Senterfitt's election was assured in advance. Thus he was able to have his appointments ready on the opening day.

Texas can increase its spending for necessary services without large boosting of taxes.

That was a cheerful note in the governor's address to the members. More money is coming in from existing revenue sources, so that the governor's recommended \$172,529,000 for general revenue appropriations is within the officially estimated state income for the next two years.

The budget is about \$6 million higher than the present level of state spending.

Additional money for roads, Governor Shivers believes, should come from another penny-a-gallon tax on gasoline. Otherwise, if the Legislature wants to spend more money, it should increase the natural gas transmission lines "if it can be done in a legal way," the chief executive said.

He recommended salary increases for state workers and teachers, and the construction of a \$6,725,000 tubercular hospital and buildings at the Texas School for the Deaf.

—tpa—

Freed from the legislative halls after adjournment, the newcomers among the solons were invited to attend an orientation seminar conducted by the University School of Law.

Twenty-five speakers, including public officials, university professors, lawmakers, and others told the freshman legislators something about their jobs.

But it was old stars to Senator George Moffatt of Chillicothe. He is in his 23rd year in the legislature and has served longer than any other lawmaker in Texas history.

The runner-up is C. E. Nicholson of Port Neches, who has served 22 years in the House.

Another veteran is Rep. S. J. Isaacks, 83, of El Paso. He was sworn in for the first time on January 13, 1903, but he has not served continuously and is now in his ninth term.

—tpa—

Helping the House with its business is Chief Clerk Clarence Jones of Trenton, who was re-elected to that position without a contest. Former Representative Omar Briggs of Denison defeated Former Representative W. A. Swindell of Commerce, 74 votes to 71, for sergeant-at-arms. But, Swindell will be chief doorkeeper. Fred Caldwell of Austin was re-elected reading clerk.

—tpa—

A legislator, like anybody else, has to look out for himself. Thus it was that both houses finally passed Senate Bill No. 1, which appropriates \$750,000 for mileage and per diem pay of members and employees and expenses of the session.

—tpa—

Senator Rogers Kelley of Edinburg was selected president pro-tempore of the upper house. Lieutenant Governor Ben Ramsey of San Augustine, by virtue of his elective office, is the regular presiding officer of the Senate.

—tpa—

As the session moved along, there seemed to be a fair chance that no new taxes would be imposed upon the people.

In his opening speech, Speaker Senterfitt echoed Governor Shivers' sentiments on economy. "Let us demonstrate that economy is truly an essential part of good government," he said.

Then, in his committee appointments, Senterfitt showed that he meant business—economy business. For example, he named a conservative, Representative Max C. Smith of San Marcos, as chairman of the appropriations committee, which passes on legislative spending.

—tpa—

Harmony was also a goal of the legislators, and a plea for this objective was voiced by Representative Bill Daniel of Liberty, brother of Senator Price Daniel.

On the opening day, Rep. Daniel asked to make Speaker Senterfitt's election unanimous, "so that there may be a mark of harmony, unity and accord. We should give our support to Mr. Senterfitt. So much must be done."

Rep. Daniel had at one time

considered opposing Senterfitt for the speaker's job, but later withdrew.

Among the dozens of bills before the legislature is one to outlaw the "Dallas Special," a long-bladed knife frequently employed in cutting and stabbing affairs.

State Health Officer Dr. George Cox, in commenting on the widespread attack of influenza which has hit some 400,000 Texans the past week, says it is "a mild form, but a mixed infection—much more difficult to treat."

Texas' top state officials are more than irked over President Truman's latest move. They are plain mad!

Truman's last-minute act of his administration in turning the tidelands over to the navy was proclaimed by Governor Shivers as sour grapes and an attempt to get back at Texas for choosing Texas-born Ike as President, over

Truman's candidate, Adlai Stevenson.

Land Commissioner Bascom Giles termed the action an outrage and Attorney General John Ben Shepperd declared the state might file an injunction.

The President's act did not increase his popularity around the statehouse.

President-Elect Eisenhower has said not once but often that he favored returning the tidelands to Texas and that he would sign such a bill if passed by congress.

Truman has twice vetoed such legislation.

—tpa—

Two activities of the 1951 legislature gained considerable attention. One was its decision and determination to re-district the state; the other an equal determination to outlaw gambling.

Strange as it may seem, the 1953 legislature had to resort to lottery to decide the length of terms of its members.

Senators filled a jar with names and each drew for the year that designated the number of years he shall serve. Even numbers meant two-year terms, odd numbers four year terms.

As a result, many of the timers will run again come next election. Among the winners are A. M. Aikin of Paris, Carlos Ashley of Searcy, Carlos Ashley of Searcy, Carlos Ashley of Searcy, S. Fuller of Port Arthur, B. Hardeman of San Antonio, Wardlaw Lane of Center, Lock of Lufkin, William T. Martin of Hillsboro, William T. Martin of Bryan, George Parkhouse of Dallas, Jimmy Phillips of Abilene, Andy Rogers of Abilene, Joe Russell of Roysse City, Joe Sadler of Abilene, and R. A. Aikin of Seguin.

Peculiarly enough, Aikin and Martin set up the drawing, and all three drew shorter
