## HOBO STEW OCT 29

Members of the Gambleville Home Demonstration Club extend an invitation to everyone to attend a Hobo Stew at the home of Mr. and Mrs. J. C. Prosser on October 29 at 6 p. m. All who come are asked to bring some food for the stew and eating utensils for their family.

## Crowell Wildcats to Meet Strong Chillicothe Eagles There Friday Night; Defeat Holliday Eagles 37-7 Last Week

The Crowell High School football team had very little trouble winning its second conference game and sixth straight victory of the season at Holliday last Friday night. The score was 37 to 7 with the Eagles' score coming in the fourth quarter against Crowell's second string.

## Crowell Schools Secure Two New Buses This Week

The Crowell School had two new buses delivered the past week. They are GMC's equipped with Wayne bodies. Allen Taylor, school bus foreman, picked one of these buses up in Fort Worth last Thursday and the other one in Dallas on Monday.

## News About Our Men in Service

Pvt. Buddy L. Rader, son of Mr. and Mrs. Lewis Rader, is now serving with an anti-aircraft artillery battalion at a base near Fairbanks, Alaska. Rader, who entered the service seven months ago, took his basic training at Fort Bliss. His address is Pvt. Buddy L. Rader, U. S. Btry. B, 93rd AAA, 120 MM Gun Bn., APO 731, c/o Postmaster, Seattle, Wash.

## Fourteen Children of Mrs. J. F. Russell Have Reunion Here

Mrs. J. F. Russell had fourteen of her children here for the week end for a family reunion. Only one, Mrs. Jeff Hardin of Kimball, Neb., was unable to be present.

## Meason Family Holds Reunion Here During Week End

The children of the late Mr. and Mrs. J. R. Meason, a pioneer couple of Foard County, gathered here for the week end for a family reunion at the home of Frank Meason. Although the parents were among the early settlers of Foard County, they left here in 1904, and moved to Big Sandy.

## DOWN TOWN BIBLE CLASS

There were approximately fifty men present at the Down Town Bible Class Sunday morning with Rev. Warren Everson teaching the lesson in the absence of the regular teacher, Leslie Thomas. The trio from the First Christian Church, Mr. and Mrs. Joe Ward and Mrs. Zelma Hulse, rendered two numbers in the opening exercises, with Mrs. Bedford Smith as accompanist. Mrs. W. W. Lemons played the piano for the group singing.

## TO BE INDUCTED

The following registrants from Crowell have been issued orders for induction Oct. 26, 1953: Vernon Brigham, volunteer, Joe Lee Gates and Roy Merl Whitley.

attempts. Jimmy Thaxton, substitute half-back, scampered fifty yards the first time he carried the ball to set Crowell's first touchdown up. He was injured on the play and was unable to participate after the initial quarter. Gerry Knox scored the touchdown from three yards out. Crowell scored again in the second quarter when Jimmy Everson carried over from the five. The halftime score was 12 to 0.

The Wildcats really got to rolling in the third quarter to mark up 19 points. James Pittillo ran 45 yards for one; Knox went over from the one after having galloped 42 yards to set the touchdown; and Everson went eight yards for the third TD during this quarter. Elliott kicked the extra point after the third touchdown of the game.

Jack Erwin, fast Holliday back, went sixty yards for the Eagles' only touchdown in the fourth quarter. Practically all of Crowell's lineup was made up of reserves when this run was made. Erwin also kicked the extra point.

## Methodist Church Revival to Start Thursday, Nov. 12

Thursday, Nov. 12, is the date set for the Crowell Methodist Church revival, according to the pastor, Rev. Russell McAnally. The meeting will last for ten days.

## Foard County Gets Rain Tuesday Night

Rain which measured .6 of an inch by the gauge at the Crowell State Bank fell over Foard County Tuesday night. The precipitation measured about the same over most of the county with the exception of the Margaret community where more than an inch was recorded.

## Meason Family Holds Reunion Here During Week End

The children of the late Mr. and Mrs. J. R. Meason, a pioneer couple of Foard County, gathered here for the week end for a family reunion at the home of Frank Meason. Although the parents were among the early settlers of Foard County, they left here in 1904, and moved to Big Sandy.

Those here for the reunion were Mr. and Mrs. R. L. Hightower of Covina, Calif., Mr. and Mrs. Millard Meason and Mr. and Mrs. Roy Meason of Big Sandy, Bill Meason of Longview and Mrs. John Dial of Dallas. One sister, Mrs. Tom Hazel of Big Sandy, was unable to be here on account of being ill.

Dinner was served at the home of Mr. Meason in the north part of town and, in addition to those already mentioned, his children and grandchildren were also present for the happy event. They were Mr. and Mrs. Goodloe Meason, Mr. and Mrs. Jack Lyons, Mr. and Mrs. J. T. Hughton and children, Mr. and Mrs. Kenneth Owenby, all of Crowell, and Mr. and Mrs. Que Meason and two children of Childress.

### THE FOUR-WAY TEST FOR THE YOUNGER GENERATION

"Well, Son," says the Older Generation as he prepares to shift the heavy burden of world problems from his bent shoulders to those of the Younger Generation. "Here you are, I'm mighty glad to get rid of these. There are even more of them than when I started. But I've learned a few things, and I'm going to pass them on to you. It seems to me

that if you'll stop and consider these rules before you do or say or even think anything that a good many of these problems will disappear.

"The first thing you ought to do before talking about another is to ask yourself if the statement is true. That will get rid of a lot of the world's problems right there. Take, for instance, the United States and Russia. They're about ready to start another world war. Why, I'll bet that if before they start spreading any more propaganda that if they'll ask themselves if it's true, before too long they can settle their differences peacefully.

"Another thing to consider as you weigh your actions is if it's fair to all concerned. If you'll do this there won't be any wars or strikes or crimes. If Germany had thought of this before she invaded Poland and Japan, before she bombed Pearl Harbor, World War II would never have been. "The next question to consider is if it will build good will and better friendship. If the nations that are "squabbling" over a peace treaty in Korea will apply this test, they can come up with about the best peace treaty this old world has even seen.

"The last thing is: 'Will it be beneficial to all concerned?' This pretty well takes care of everything for if everyone benefits, there won't be anything left to fight over.

"Well, I guess that's all. Good luck, Son."

The Younger Generation shoulders the pack. It is heavier than he had thought, but now that he has been given the key to the problems he can look to the future with hope. And someday when it is his turn to pass on the burden, it will be just a little lighter, and on down the ages it will become smaller and smaller until some day it will cease to be. Then man can begin a new age, a golden age, brought about by this humble beginning.

### THIS, THAT AND THE OTHER

A group of tired, worn out, but happy girls got back from the State Fair at Dallas last Sunday afternoon. They reported that they saw and did just about everything, and also had a wonderful time. We want to thank Mrs.

Claude Carroll, Mrs. George Fox, Marian Hays and Marilyn Hays who accompanied the FHA girls and Mrs. Kenner to Dallas. Among many other things that were brought back, we now have a new school bus which Allen Taylor drove home Monday.

The band has received an invitation to the homecoming parade at Chillicothe Friday afternoon. Mr. Rickard has accepted the invitation and the band will leave for the event about 1:00 p. m. Friday.

Has anyone ever seen so much theme writing! We all pity the English teachers who have to grade and choose the best ones from each class. Of course, as everyone knows, about 200 themes have been written on "The Four-Way Test" for the Rotary Club.

This has been a very dull week and not much news, so until something exciting happens, so long!

### ROGERS NOVELTY ACT COMES TO C. H. S.

Roger Ritenbaugh, a talented and versatile performer, appeared before the students and faculty of high school and elementary school last Tuesday morning to present the second in a series of Southern Assembly programs for this year.

Mr. Ritenbaugh has entertained at country clubs, supper rooms, and schools and universities throughout the East. He has studied at the Art Institute of Pittsburgh and the Jackson School of State and Radio on Broadway.

He entertained the audience with a variety program consisting of ventriloquism, amazing feats of juggling skill, unbelievable stunts in balancing on the bicycle, and he played a number of songs on cow bells.

Ritenbaugh proved his ability by presenting a program that first graders, as well as high schoolers, could enjoy. We are sure his skill and versatility will be remembered around CHS, and he will be welcomed back any time.

### SPANISH VERBS AND HORSES FASCINATE HER

She can draw, she can write, she's an A student, she makes friends easily, in fact there isn't much she can't do. Who else could we be talking about, but versatile senior, Genevieve McDaniel.

WARREN BECOMES 14TH CHIEF JUSTICE—Earl Warren, 62, resigning as governor of California, takes oath as 14th chief justice of the U. S. Supreme Court. Secretary of State Dulles (left), stands by as Warren swears on Bible. Warren succeeds the late Fred M. Vinson.

iel. Gena-dobber, as her friends call her, says that she has been told that her interests lean more to those boys might have than girls. She enjoys hunting, horseback riding, rodeos, and western novels by Zane Grey and Luke Short. Gena tells us that her favorite food is quail which, as she puts it, tastes much better when she shoots them herself.

Not many people would take a refresher course on a subject as difficult as Spanish, not any person but Genevieve. By the way, she makes A-pluses in it too.

Who would think that a calm, collected character such as this talented senior has a secret ambition to be a sports car racer. Only recently, she has aspired to become a champion of the sports car field.

This gal even finds time to be associate editor of the Wildcat and FHA historian this year.

Hardin-Simmons will be lucky to have Genevieve as a freshman interior decorator major next year. After all this, she hopes to own a ranch and raise horses. And if all these plans are carried out, don't you think we can call Genevieve a real successful person, and a credit to CHS?

### ANYTHING WESTERN, THAT'S FOR DUNN

Says Billy Ray Dunn, I'm a senior in Crowell High and I'm proud of it. Billy Ray, or "Cuckie Burr" as his friends call him, is eighteen years old, six feet tall

with black hair and brown eyes. He is a friendly, good humored guy who has many likes and few dislikes.

His favorite subject through high school has been VA. He has been on three different judging teams and was an officer in the FFA one year. He was on the livestock team his freshman year, the poultry team his sophomore year and the dairy team his junior year. This all comes naturally for Billy Ray, who lives on a farm at Good Creek.

"Cuck's" hobby, as well as a favorite sport, is hunting. He likes to hunt just about anything, but prefers quail. He enjoys fishing too, if the fish are biting good.

Some more of his likes are movies starring John Wayne or Randolph Scott. He likes anything edible, but specified fried chicken.

He said just play him hillbilly music, he has no favorite song. Just likes them all as long as someone else is putting the money in the juke box. "Cuck" enjoys football as a spectator sport, but as sport, well, a rodeo just can't be beat. For real fun just give him a rodeo with lots of good horses and mean bulls. He told us he likes to come to town on Saturday night and drive around the square with everyone else. Typical, isn't it?

As for his future after high school, he seems to be pretty undecided but said he would probably either work for Uncle Sam or farm. We want to wish him good luck in whichever it will be.

### C. H. S. WELCOMES NEW STUDENT

The new student you have been seeing around the hall is James Kennedy. In case you haven't already met him, be sure to get acquainted, and if you have met him, he probably has told you to call him Jim.

Jim, whose home is in Denison, has been in the Army, having entered when he was fifteen. He served in Korea for thirteen months.

When asked to tell us some of his favorites, he said that he thinks hillbilly music is the very best; baseball, and especially football, are his favorite sports; and for food, fried chicken is tops.

We want to say "welcome" to Jim Kennedy, and we hope he likes CHS as well as we do. Each of you students can help him by getting acquainted, and showing him we're glad to have him.

### CATS THROTTLE HOLLIDAY

The Crowell Wildcats remained undefeated and untied through six games last Friday night when they traveled to Holliday to cop their second conference victory 37-7.

Gerry Knox started the scoring off early in the first quarter, going over from the two-yard line after Jimmy Thaxton's fifty-yard sprint to the Eagle twelve. Elliott's kick was wide. In the second Jimmy Everson crashed over from the five. The kick was blocked to make the halftime score 12-0.

The Cats scored three TD's in the third with Pittillo going over from the two, Knox from the one, and Jimmy Everson from the eight after a blocked punt by Buddy Caddell on the Eagle 13. Everson scored again in the 4th on a 38-yard ramble.

The Eagles scored in the fourth against Wildcat reserves when halfback Jack Erwin broke loose for 50 yards and a touchdown. He also converted to make the Eagles the first team to score over six points on the Wildcats this season.

The Wildcats showed a well-

balanced attack rolling up 10 downs to Holliday's 2. James Pittillo and Buddy Caddell out defensively while Jimmy Everson did most of the carrying.

The Cats will meet a well-chilled club next Friday at Chillicothe which may develop into a close game.

### THE WILDCAT PURR

With the winning of the second conference game behind the Crowell Wildcats will Chillicothe Friday night.

Seems as though Gerald Anally has a habit of calling Arleta Teague's name on Sunday school. Could it be a new couple?

Looks as if Harper is interested in a cute little man. Who is she, Harper?

DeAnna, what was that call Glen made in speech? Norman Shultz seems to be a new admirer. Could it be Louise Gordon?

**Fruits of Freedom**

Under socialism, with its de-  
 struction of incentive and oppor-  
 tunity, scarcity is the rule and  
 actual want is common.  
 Under free enterprise, competi-  
 tion encourages and often forces  
 management and personnel to  
 constantly strive for better, more  
 economical production methods.  
 The result is abundance, and liv-  
 ing standards that would seem  
 unbelievable to the people of most  
 countries.  
 Coal is one first class example  
 of this truism. Most European  
 coal industries are either owned  
 or run by government. Our mines  
 are free. And in our mines wages,  
 working standards and productiv-  
 ity are so superior to and so far  
 ahead of Europe's as to make  
 comparisons next to impossible.  
 Much of Europe suffers from an  
 "energy hunger" due in large part  
 to inadequate coal production.  
 Here we have a coal industry  
 which has never failed to meet  
 any demand, no matter how great,  
 and "energy hunger" is as un-  
 known as actual human famine.  
 The greatest fruits of freedom  
 are of a spiritual nature. But we  
 must never forget that freedom  
 produces unparalleled material  
 fruits as well.

**Health Letter**  
**Texas State Department of Health,**  
**Austin, Texas, Geo. W. Cox, M.**  
**D., State Health Officer.**

Guilty of pretzel posture? Does  
 your body profile look like the  
 bent part of a capital "D"?  
 Then harken to the words of  
 State Health Officer Geo. W. Cox,  
 as he explains that good health  
 and appearance have their start-  
 ing point in good posture.  
 Here's how you, too, can obtain  
 the stance of a Grecian god or  
 goddess, as the case may be:  
 Hold your head high and pull  
 your chin in until your eye level  
 is parallel to the ground. Pull  
 your shoulders back and make  
 the shoulder blades form as near  
 a flat surface as possible. Raise  
 your chest up and push it forward  
 until the buttons strain. Draw  
 your abdomen up and in, and when  
 you breathe make sure it's your  
 chest that rises and falls rather  
 than the abdomen. Flatten the  
 lower part of your back, tucking  
 the buttocks as close under the  
 hips as possible. Tip your back  
 down. Hold your knees straight  
 but not stiff. Put your feet par-  
 allel, with the weight evenly bal-  
 anced.  
 A good posture can be had  
 without stiffness or strain, so  
 don't exaggerate.  
 Some people feel it is more  
 comfortable to walk, stand, or  
 sit in a slouchy position, drooped  
 over like a wilted weed. In your  
 vain attempt for more comfort  
 in daily activity, don't forget that  
 the true secret of good posture  
 is to keep the body well balanced  
 throughout the day.  
 The old saying has it that  
 "there's a place for everything,"  
 and Dr. Cox says that goes for  
 the human body. Each organ has  
 a specific space in which its func-  
 tion is performed. The vital or-  
 gans—heart, lungs, abdomen, etc.—  
 tend to be cramped when the  
 body is slumped over.  
 Cramped lungs cannot deliver  
 a full supply of oxygen; circula-  
 tion is slowed up when the heart  
 is cramped; and a cramped stom-  
 ach impairs digestion.  
 "Remember," the doctor cau-  
 tions, "true comfort and true  
 relaxation comes with good pos-  
 ture."  
 In street parlance that means  
 "straighten up, friend, you'll feel  
 better."

**Attorney General Releases List of All Opinions of His Office**

Austin (Spl.)—Attorney General John Ben Shepperd has released a list of all opinions of his office during the month of September. The office received 196 requests for advice or opinions and closed 194 opinion files during the month.

The office has won 97 per cent of all cases tried or appealed since the first of the year. A total of 959 cases have been won out of 988 tried. During the month of September 41 cases were tried, none of which were lost.

Opinions of general interest included the following:

A veteran is not entitled to register in Texas schools as a "resident" simply because he was stationed in Texas for one year. However, if he moved his family to Texas or bought a home in this State, the school receiving his application for enrollment should consider these facts in deciding whether or not he is a resident of Texas and therefore entitled to use the smaller registration fee.

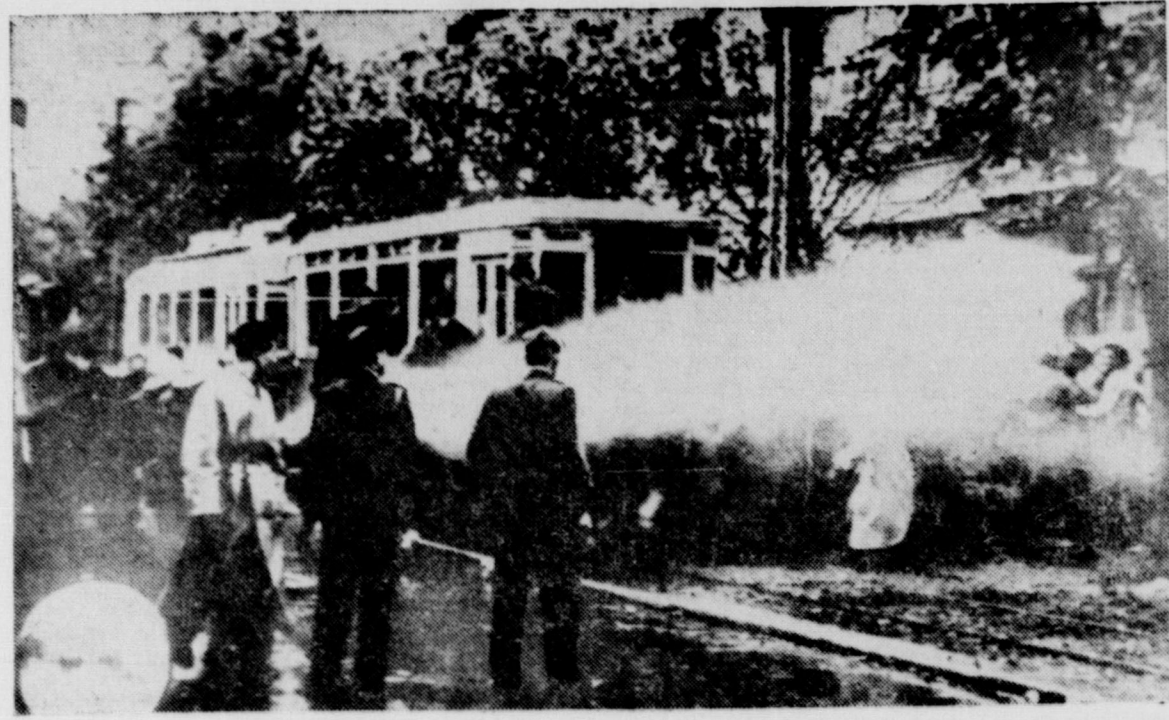

The county service officer, county librarian, county health officer, county health nurse, deputy county clerk, deputy sheriff and deputy county tax collectors are county employees and are covered by the County Workmen's Compensation Act.

The county agricultural agent and the county home demonstration agent are State employees and are not included by the County Workmen's Compensation Act. However, they are covered by the Federal Workmen's Compensation Act.

The county welfare case worker employed by the commissioners' court to help determine which persons should receive county support as paupers, idiots or lunatics, is a county employee, and as such is covered by the County Workmen's Compensation Act.

Tank trucks used by farmers to haul water over public highways are entitled to the 50 per cent reduction in registration fees as farm trucks. Their drivers must have driver's licenses, and if their gross weight exceeds 6,000 pounds the drivers are required to have commercial operator's licenses.

The University of Texas may air-condition its existing buildings. The county commissioners' court may contract with a city within the county to operate fire-

Fort Worth—A feature of the cattle trade at Fort Worth Monday was the arrival of a string of 41 cars of cattle from the Kerknot Ranch at Alpine. These cattle coming by rail comprised one of the largest such strings of cattle from one owner to arrive at market here in more than 20 years.

The cows and bulls in the shipment were cleanups and most of them carried considerable age. Also in the shipment were about 350 short-aged Summer calves. Most of these calves sold at \$15.50 with some culls at \$8. The cows sold with about three carloads at \$9.00 and about 30 carloads at \$7.50. Two or three cars of bulls sold at \$9.50 with a trim at \$8.50.

The cattle trade benefited by much lighter supplies at Fort Worth and all around the major marketing circle. Prices were fully steady to strong on all cattle and calves and instances on calves and yearlings were 50 cents or more higher.

Good and choice fed steers and yearlings sold from \$17 to \$23.50, while common and medium offerings drew \$9 to \$15, and cutter grades scored \$6 to \$9.

Fat cows cleared at \$8.50 to \$11, and canners and cutters drew \$5 to \$8.50. Bulls cashed at \$6 to \$11.50.

Good and choice slaughter calves sold from \$12 to \$15.50, a few fancy heavyweights sold from \$15.50 to \$16. Common and medium kinds sold from \$8 to

\$12, with culls at \$5 to \$7.

Good and choice stocker calves ranged from \$12 to \$15, with a few bought in the \$10 to \$17 field by speculative interests. Stocker and feeder steers yearlings of good to choice interest sold from \$10 to \$15, some feeding heifers at \$10.50, and some fleshy feeder steers at \$16. Stocker cows drew \$6 to \$7.

Butcher hogs were steady 75 cents higher at Fort Worth. Most sales of top hogs 50 to 60 cents higher. Top hogs sold \$22 to \$22.25 and a few hogs sold late at \$21.50. They were strong to 50 cents or higher.

Sheep and lambs were slow weak to lower. Lambs of large classes were 50 cents to \$1 lower. Ewes ruled weak to 25 cents more lower. Feeder lambs were mostly steady.

Good and choice butchers averaging 190 to 240 pounds for \$21.50 to \$22.25, and light and heavier weights cleared \$19.50 to \$21.50. Sows cashed \$19 to \$21.50.

One carload of choice slaughter lambs topped at \$17.50 while good and choice fat lambs sold at \$15 to \$17, and cull, common and medium kinds sold from \$14. Stocker and feeder lambs sold for \$10 to \$13. Some yearlings cashed at \$8 to \$12 and some spots on choice 25 to 30 cents higher.

Slaughter ewes cashed at \$10 to \$5.75. Solid-mouthed ewes from \$6 to \$6.50. Old basis around \$2 to \$2.50. Old ewes drew \$6 to \$8.

**CARD OF THANKS**

I want to thank everyone well as the doctors and nurses who were so thoughtful and kind to me when I was ill in the hospital. Also for the flowers, gifts, food, and for the kind words and thoughts that were done and said for me.

Eyes of all the nation were focused on Texas during President Eisenhower's visit. Entering the state by plane, the president proceeded to Sharyland, baronial home of Governor and Mrs. Shivers near Mission. Next on the program was a 65-mile drive to Falcon Dam, where Mr. Eisenhower was met by the Mexican ambassador to the United States. Crossing the international border, the president met President Adolfo Ruiz Cortines of Mexico on the steps of Nuevo Guerrero's municipal palace. The two presidents reviewed a festival in the plaza below the palace. Later Mr. Eisenhower and Sr. Cortines lunched together at Falcon Dam, then proceeded to the dedication ceremony, where both made speeches. After the ceremonies, President Eisenhower drove to Laredo and took a plane for Washington.

Chillicothe Masonic Lodge to Celebrate 50th Anniversary

Chillicothe Masonic Lodge No. 876 will celebrate its fiftieth anniversary at a special meeting on Monday night, Oct. 26, 1953. It will be an event of historical and fraternal interest. All Master Masons in this part of Texas are invited, and a large number have already indicated they will attend. The present Masonic lodge was organized in 1903 while Chillicothe was still an unincorporated village of about four hundred people. There were twenty charter members. Only one still survives—J. J. Glover of Vernon. He expects to attend the anniversary meeting. The Hon. Harvey Byrd of Waco, Grand Secretary of the State Organization, will be the principal speaker. He will be introduced by Sen. George Moffett, Grand Senior Warden of the Grand Lodge of Texas. Refreshments will be served beginning at 6 p. m. at the Lions Club hall, to all visiting Masons and members of the local lodge. A history of the Chillicothe Lodge has been printed for distribution at the forthcoming meeting. It was compiled principally by Past Master C. B. Haynes. Among other things it traces the ups and downs of securing suitable quarters for lodge meetings. In the beginning the lodge paid ten dollars per month for the entire second story of a large wooden building. They later bought the building, used it for 13 years, and sold it for \$175.00 profit. The lodge now owns a three-story brick building on a busy corner. Other items which show the vast changes in prices which have occurred over the years, include mention of payment of a restaurant bill, meals for six visiting Quannah brethren, \$1.50, and a swinging lamp for lodge room \$2.50. Currently, the Chillicothe lodge has 206 members, a considerably larger number than in the case of most towns of comparable size. Officers are Ivan Painter, worshipful master; J. D. Fields, senior warden; T. E. Duncan, junior warden; and J. A. Macaw, secretary.

Annual Social Science Conference Series to Be Held at Midwestern

The opening of the second annual Social Science Conference Series at Midwestern University in Wichita Falls has been announced by John G. Tower, assistant professor of history and political science. The first meeting will be held at 9:30 a. m. on Saturday, Oct. 24, in the Indian Room of the University Center on the campus of Midwestern. The topic for this session is 'The Historical Development of States' Rights vs. Centralization.' The case for States' Rights will be presented by Dr. John Cravens, and the case for Centralization will be presented by Prof. A. F. Edwards. The series is sponsored by the Department of History, Political Science, and Sociology, under the chairmanship of Dr. V. M. Smith. The public is cordially invited and urged to attend, it was announced. Following the presentations by the speakers, the floor will be opened to questions from the audience. There will be no admission charge. Glenn Norris Jones of Crowell is among the 1508 students enrolled in Hardin-Simmons University in Abilene for the fall semester. He is the son of Mr. and Mrs. Glenn M. Jones.

ive of the United States who has ever visited the Lower Rio Grande Valley. Warren G. Harding spent two weeks fishing in the Gulf of Mexico off Port Isabel in November, 1920, while he was president-elect. Eisenhower's visit with President Cortines of Mexico marks the fifth meeting between presidents of the United States and Mexico since 1912. Previously President Taft met Diaz at Juarez in 1912; Roosevelt met Avila Camacho at Monterrey in 1942; Truman met Miguel Aleman in Mexico City in 1947 and Aleman and Truman met in Washington in 1948.

Behind all the pomp and excitement of the Eisenhower visit to Texas, a political struggle was going on as three factions sought the favor of Texas voters. These were the Republicans, the Shivers or Conservative Democrats, and the Adlai Stevenson or Liberal Democrats. National Republican Chairman Leonard Hall concluded a visit to Texas after exhorting his party's members to whoop up their efforts. "If you work hard," he said in a speech at Houston, "it will not be long before we find as many Republicans in Texas as we find in New York." Meanwhile, Sam Rayburn, a leader of the so-called Liberal Democrats, doubted that the Republicans were getting anywhere very fast in Texas. He expressed himself at San Antonio as being glad that Hall had come down this way, and: "I hope they send all their big shots down here because I would be interested in hearing their excuses for not carrying out their glorious campaign pledges of 1952." In the third political camp, that of the Shivers Democrats, there was activity too, but it was mostly organization work—that hard and dreary but necessary precinct-level ringing of doorbells that has to be done in order to win.

Chillicothe Masonic Lodge to Celebrate 50th Anniversary

Chillicothe Masonic Lodge No. 876 will celebrate its fiftieth anniversary at a special meeting on Monday night, Oct. 26, 1953. It will be an event of historical and fraternal interest. All Master Masons in this part of Texas are invited, and a large number have already indicated they will attend. The present Masonic lodge was organized in 1903 while Chillicothe was still an unincorporated village of about four hundred people. There were twenty charter members. Only one still survives—J. J. Glover of Vernon. He expects to attend the anniversary meeting. The Hon. Harvey Byrd of Waco, Grand Secretary of the State Organization, will be the principal speaker. He will be introduced by Sen. George Moffett, Grand Senior Warden of the Grand Lodge of Texas. Refreshments will be served beginning at 6 p. m. at the Lions Club hall, to all visiting Masons and members of the local lodge. but there are areas which are still suffering from lack of moisture. Governor Shivers put off his decision on a special session until after a meeting in Kansas City with President Eisenhower and governors of other drought-affected states. "If the federal government is going to participate in a winter hay program," Shivers said, "I feel the states should also participate very strongly, by management, money, or otherwise. That may necessitate a session of the legislature." If called, the session would deal only with the hay plan, and not concern itself with teacher pay. There has been hope that money for teacher salary increases would become quickly available if the U. S. Supreme Court refused to consider the validity of a gas gathering tax passed by the Texas Legislature in 1951. Such a ruling would have had the effect of upholding the tax and would have made the tax revenues, now being collected under protest and unspent, subject to appropriation by the legislature for teacher pay hikes or any other purpose. But the court decided to hear arguments on the appeal of test cases brought by a number of pipeline companies. That takes time, and it will probably be next year before there is a supreme court decision in the case. More money for teachers is an essential and urgent proposition, says James A. Redmond of Beaumont, president of the Texas Association of School Boards. Speaking at a meeting of the association here, Redmond stated that unless something is done soon about the shortage of teachers things will "certainly become critical and can only result in further curtailment of education." Governor Shivers told the school board members that there is no disagreement about the need of teachers for a pay boost, but there is disagreement about how to bring it about. There must be a meeting of minds on how to effect the salary

increase, the governor said, or a special session of the legislature on the subject would get nowhere. J. Rutledge Hill of Dallas was named chairman of the state board of hospitals and special schools, succeeding James M. Windham of Livingston. James G. Dudley of Houston was elected vice chairman, succeeding Hill. Texas' system of hospitals for mental and tuberculosis cases is under the board's supervision. To find out whether the University of Texas system is operating in the most economical and efficient manner, a survey will be made of the administrative set-up, announced Tom Sealy of Midland, chairman of the university board of regents. Making the survey will be the Texas Research League, which will share the expense equally with the Ford Foundation. Costing \$100,000, the survey will include the main university, medical schools at Dallas and Galveston, a postgraduate medical training program, a dental school, a cancer research hospital, Texas Western College at El Paso, McDonald Observatory near Fort Davis, and the Institute of Marine Science. "It is one of the biggest educational institutions in the country," Sealy said, "with an operating budget of \$23 million a year."

SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Kemp Hotel, Wichita Falls, Thurs. and Fri. only, Oct. 29 and 30, from 9 A. M. to 4 P. M.

Mr. Shevnan says: The Zotic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly, no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

### Got \$5,800 to Spare?

Our national debt, which now is close to \$263,000,000,000, could be paid off immediately. All that is necessary is for each and every family in this country to donate \$5.874!

Yes — that's correct. Your family's share of our staggering debt is more than \$5,800. That is our heritage from a series of wars coupled with waste and financial recklessness in government. And that's why our biggest domestic problem is to cut government costs, to balance the budget, to start reducing the debt as soon as we can, and to reduce the tax burden.

### NURSE SHORTAGE

The nurse shortage in both military and civilian fields was emphasized at the recent National League of Nursing convention, when every young nurse was urged to serve a tour with one of the armed services. The League voted almost unanimously to admit practical nurses to membership.

(Continued from Page 2) together over the week end. Beat Chillicothe! Frances is surely getting to be a "Q Town" girl. How about that, Fran? We're sorry Carolyn Kay has been under the weather lately. Hope she gets to feeling better. We wonder how Gordon and James are feeling after the Sunday dinner Gwynne and Billye cooked for them. No wonder they looked kinda pale Monday morning. Cates and Nan Sue enjoyed some of the events at the fair. What's this we hear about one in particular? CloVonne seems to have a new admirer. His initials are Fred Barker. Lots of boys were lonesome over the week end. Reason, Dallas Fair. Oleta, who is driving Sunday night, you or Horace? Having a good time over the week end were George Ann and Cleve. How was the fair? Barbara sure had a sparkle in her eyes last week end. Seems Holly was home. We were glad to see George, Raymond, A. L. and Joan home over the week end. Shirley and Jean saw some familiar faces at Denton, Jimmy Stinebaugh and Don Gobin. Gilly Green and Carol Pogue are still being seen together often. Doyle was seen with CloVonne Saturday and Sunday nights. DuWayne B. and Geraldine H. are also a steady couple. Joe Vernon and Doris are nothing new either. Ronnie and Latrelle are still true blue.

Beat Chillicothe! Jo Helen must have a secret admirer, but we can't find out who it is. Triangle of the week, J. C. McCoy, Myrna Sprague, Cy Moore. Charlene Borchardt seems to have the taffy on Devin. Better watch out Gaylon. Wayne, don't you like speech? Oh, well, you pick her up enough anyway. Edward Daniels has taken a liking to Marketta Painter. Clara Fiske has been making eyes at Cy Moore. Seen at the show at Vernon were Karen Hall and Edgar Schoppa. Seems like Joe Don Brown and Roma Jan were kind of close during speech Friday. Those keys on the chair were so cute. Devin sure had a cute girl with him at the ball game Friday night. Welcome to Crowell CHS James Kennedy. We wonder how Betty Sue ever got to Dallas. Are you sure you didn't leave something at Dallas or Denton, gal? Well, that's all for now. Put your scandal in locker 59. Go to Chillicothe Friday night to root for the Cats. See you next week.

CHUN'S CHUCKLES

Gerry went up to the ticketman at the bus station and asked, "Will you sell me a round trip ticket?" "Yes, where to?" replied the seller. "Why, back here, of course," said Gerry. DuWayne and Gordon were walking through a big art exhibit at the Fair. Gordon stopped in front of something on the wall and said to DuWayne: "And I suppose this is one of those horrible things that are called modern art." "No," said DuWayne, "That's a mirror." Frances went up to the popcorn counter at the Plaza Theater, and asked him for a bag. "Do you want the five-cent bag or the ten-cent bag?" asked the popcorn man. "Well, what's the difference?" questioned Frances. "The ten-cent bag costs more," said the man. Caddell, "Let's cut English class." Pittillo, "Can't, I need the sleep." Mahogany trees are cut by the light of the moon because they are then freest of sap and of richer color. Horse races in which horses are entered before they are born are called futurities.

AIR LOSSES

In a report to Congress, the Air Force estimates that its net airplane losses in the fiscal year ending June 30 equaled "six wings worth of fighters." With an average of 75 fighters to a wing, that would be about 450 airplanes.

"Bigger pies, not smaller slices" We ran across a new word the other day... "demographer." That's a research man who studies statistics on births, deaths, populations. Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties. Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry. And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product. The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists. You can put your confidence in— GENERAL ELECTRIC

Our Weekly Sermon

Loving Someone You Have Never Seen Yes, it's possible to love someone you have never seen! In fact, a great many persons have done so, and are doing so today. Mark well, it is not someone they do not know, but someone they have never seen. Millions of persons love the Lord Jesus Christ, though they have never seen Him. But they know Him! Otherwise they would not, could not, love Him. But you see, they love Him because they know Him—by faith. They believe, and therefore rejoice because of the wonderful truths they know by faith. Peter speaks of this in his first epistle, where he says: "Jesus Christ, whom having not seen, ye love; in whom, though now ye see Him not, yet believing, ye rejoice with joy unspeakable and full of glory (1:7-8). By faith, we Christians know the Lord Jesus, His love, His grace, His salvation, His care, His provision, His protection, and a host of other things. And, since we know these things, and more especially because we know Him, we love Him and rejoice in Him. And what a glory such faith, such knowledge, and such rejoicing bring to us! It is beyond all description. And, furthermore, it is something of which no one, and no circumstance, can possibly deprive us. Such treasures can be the possession of anyone on earth—they all come through believing on the Lord Jesus Christ, the Son of the living God, as Saviour and Lord and Friend.

**National Business Women's Week Observed by Tea**

Business and professional women of Crowell were honor guests at a seated tea Sunday afternoon at the Adelpian Club House. Members of the Crowell Business and Professional Women's Club were hostesses for the event which was held in observance of National Business Women's Week.  
 Receiving the guests were Mrs. Fred Collins, president of the club, Miss Cora Carter, membership chairman, and Mrs. George Carlile, immediate past district director. Guests were registered by Miss Mayme Lee Collins.  
 A skit entitled "The Wrongster's Approach" was presented by Mrs. Carlile and Miss Carter, followed by "The Contrast." Through these skits interesting bits of information about the club — its history, aims and achievements were brought out. A flannel board demonstration of the club emblem was presented by Miss Collins. Incidental piano selections were played by Mrs. Alva Spencer during the afternoon.  
 The tea table was covered with a lace cloth and centered with the letters B&PW formed of purple bachelor buttons. Flanking the arrangement were candles in crystal holders, and the punch bowl was surrounded by golden pyreantha berries. Assisting with duties in the dining room were Miss Lottie Russell, Mrs. W. R. Womack, Mrs. Irving Fisch, Mrs. Bill McClain, Mrs. Cressie Erwin, and Mrs. L. E. Archer.

**GAMBLEVILLE H. D. CLUB**

Final plans for the annual Hobo Stew were made at a meeting of the Gambleville Home Demonstration Club in the home of Mrs. Cotton Owens, Oct. 15. Everyone is invited and is asked to bring something for the stew (potatoes, onions or canned goods) and dishes for their family. The affair will be at the J. C. Prosser farm on Oct. 29, at 6 p. m. Games of bingo with cakes as prizes will be sponsored by the club.  
 The roll call was answered with current events, Mrs. A. B. Calvin, president, conducted the business meeting. She appointed Mrs. Cotton Owens, Mrs. Horace Phelps and Mrs. J. C. Prosser to make arrangements for the Hobo Stew. All club members are asked to meet at the Prosser farm on Tuesday, Oct. 27.  
 The group voted to enter a contest with the other Home Demonstration Clubs to try to have the greatest percentage of members to make dresses for the previous, Nov. 14.  
 Mrs. Cecil Carroll drew the hostess gift.  
 As the demonstration for the day, Mrs. Owens made and served a sponge cake.  
 The roll call was answered by Mrs. Clarence Orr, a visitor, and members, Mesdames Archie Campbell, A. B. Calvin, J. C. Prosser, Alvie Smith, Milton Hunter, Horace Phelps, Cecil Carroll, and the hostess.

**JUNIOR ADELPHIAN CLUB**

The Sub-Junior Adelpian Club met on Wednesday, Oct. 7, at the Adelpian Club House. The program, "Getting the Most Out of Life" was led by George Ann Davis. The parts given were "You Become Someone Alone" by Zonell Eddy and "Why We Have Our Ups and Downs" by Gail Knox.  
 Sandwiches and Cokes were served by the hostess, Gwynne Johnson. After the program, the meeting was adjourned.

**THALIA BAPTIST W. M. S.**

The ladies of the Thalia Baptist W. M. S. met Monday afternoon for the regular monthly Royal Service program. Mrs. Mack Edens, program chairman and leader for the afternoon, with the help of several ladies, rendered a very interesting program.  
 Eleven ladies were present. After the program, they quilted on a quilt in the basement of the church.

**Agent Gives Hints on Enjoying Beauty of Autumn Foliage**

Enjoy the beauty of autumn foliage in your living room for decorative arrangements. According to Mary D. Brown, County Home Demonstration Agent, you can make them last longer by setting the ends of the stems in a solution of equal parts glycerine and water. As the leaves absorb the liquid, they turn a rich brown. After about three weeks the branches should be saturated. If the room is not too warm the branches will not need any more water.  
 Try this with magnolia, euonymus, photinia, pine needles, pine with immature cones, wax leaf ligustrum, Japanese ligustrum, other ligustrums and any other evergreen that holds its leaves well.  
 Crushing two inches of stem ends with a hammer helps the stem to take up the glycerine. If the top leaves do not brown as rapidly as the lower leaves, brush lightly with cotton dipped in glycerine. Branches of leaves treated this way last many years. When dusty they may be cleaned with cotton or a soft cloth dipped in glycerine or fine linseed oil which gives them a rich shine. When glycerine is not available, some flower arrangers use salad oil instead.

**BIRTHDAY PARTY**

Mrs. Charles Drabek entertained a group of friends of her daughter, Cecelia Ann, on Tuesday, Oct. 13, in celebration of her 11th birthday. The party was held at the home of her aunt, Mrs. Jack Turner, from 4 to 6 o'clock.  
 Outdoor games as peanut hunt, rope skipping and football, were enjoyed. Many birthday gifts were presented to the honoree. The birthday cake, which was baked by Mrs. Joe Drabek, grandmother of Cecelia Ann, was served with lemonade, ice cream and sandwiches to the eighteen guests who were present. The refreshments were served in the breeze-way of the home.

**COLUMBIAN CLUB**

Mrs. C. R. Ferguson was hostess to Columbian Club members in her home Wednesday afternoon, October 14.  
 Mrs. Grady Halbert was program leader and presented as the guest speaker, James Welch, who talked on "Safety in the Home." He told that almost as many accidents happen in the home as on the highways.  
 Mrs. Ferguson served a delicious refreshment course to members present and to Mr. Welch.

**Home Demonstration Notes**  
 MRS. MARY D. BROWN

As you know, Council met last Saturday for its annual meeting. At this meeting, Mrs. S. C. Kuehn, Council chairman, made a recommendation which I would like to pass on to you. She suggested that all club members visit Council at least once during the year to learn more about it. I think this is an excellent idea. Council is a committee made up of presidents and delegates from each club. This committee acts as a clearing house for ideas among the clubs. Without Council, many clubs would not have the opportunity to hear what the others are doing. Council meets the third Saturday of every month in my office at 2:30 p. m. and visitors are always welcome.  
 Mrs. Reed Smith Jr. of Vernon will give the training meeting on Christmas Gift Wrappings and Decorations to the Club leaders in November. Each club may have three leaders attend this meeting. We are very fortunate to have Mrs. Smith and I am sure you will enjoy her demonstrations and learn a great deal.  
 Our recipe this week is for:  
**Sweet Potato Ring**  
 3 pounds sweet potatoes, 3 eggs, 2 tablespoons melted butter, 1 teaspoon salt, 1 cup milk, nut halves (walnuts or pecans), brown sugar.  
 Boil and mash 3 lbs. sweet potatoes. Blend in well beaten egg yolks, melted butter, salt and milk. Fold in well beaten egg whites. Butter a ring mold well. Place nut halves around in it. Sprinkle with brown sugar. Cover with sweet potato mixture. Bake at 350 degrees (moderate oven) 45 minutes. Turn upside down on platter. Let stand 5 minutes. Remove pan. Fill ring with buttered green peas or green limas.

**HIGHER MAIL RATES?**

One hundred twenty-two of the nation's railroads have petitioned the Interstate Commerce Commission for a minimum increase of 45 per cent in their charges for carrying mail. The request, if granted, would add \$143,000,000 to the annual bill for transporting mail.

**Crowell Garden Club Host to Out-of-Town Visitors Last Friday**

Mrs. George Beavers, Mrs. Mark Neal and Mrs. John Carmichael, National Flower Show Judges, from Vernon, and Mrs. L. B. Slaughter of Electra, Mrs. J. B. Roberts of Quanah, and Mrs. George Mainard of Vernon, Junior Judges, were guests of the Crowell Garden Club last Friday afternoon.  
 A practice flower show that was judged with point-scoring comments by Mrs. Mainard on arrangements, and by Mrs. Slaughter on specimen flowers and plants, furnished the study program for the afternoon meeting of the club.  
 An unusual number of flowers, considering the season, were on display. Placement arrangements suitable to the home for piano, desk, occasional table and mantle, were featured.  
 Mrs. Glen Fox, Mrs. Horace Phelps and Mrs. Grover Phillips entered the flowers as entry committee for the club members only.  
 Mrs. M. O'Connell, Mrs. Guy Todd, Mrs. J. T. Brooks and Mrs. Lee Roy Stator, hostesses for the meeting, served punch, flower-faced sandwiches, cookies, nuts and mints from a beautifully appointed pink, green and white table. Eighteen club members and nine guests were present.  
 No total of blue ribbons was announced as the purpose of the

meeting was practice in point scoring rather than competition as is usual in the annual show.

**TO LECTURE AT PADUCAH**

Mrs. L. P. Johnson of Abilene, National Flower Show Judge, will lecture on "Fundamentals of Flower Arrangements" Oct. 29, 9 o'clock a. m. at the Paducah Coca Cola Club Room in Paducah. Crowell Garden Club members are cordially invited to attend. The Paducah Garden Club is sponsoring the event. There is a minimum charge of \$2.00 each.

**COMPLETES DELIVERY**

Pontiac, Mich. — The GMC Truck and Coach Division completed delivery of 1,400 GMC trucks under a 740,000 contract to the U. S. Navy, it was announced here by P. J. Monaghan, vice president of General Motors and general manager of the division.  
 The GMC's were regular commercial model 450's with 92-horsepower, two-speed constant and five-speed constant transmission. The model is rated at 19,500 lbs., gross weight.  
 The trucks included standard dumps, vans and tractors.  
 Warren G. Harding was first president to ride to his inaugural in an automobile.
