## Crowell Wildcats to Open 1953 Football Season with Non-Conference Contest with Seymour Panthers Friday Night

The Seymour Panthers will come to Crowell Friday night, September 11 to open the season for the Crowell High School football squad. Both of these teams won district championships last fall, Crowell in District 1A-9 and Seymour in 2A-4. Seymour was defeated by Childress in bi-district play and Crowell lost to Van in the quarter-finals of the State race. The Wildcats have four of their regulars back from last season and the Panthers have six.

Such stalwarts as Ginger Johnson, Jim Paul Norman and George Scott are missing from the Crowell lineup. Seymour will sorely miss Porter Smith, Bobby Norman and Bobby Morris. However, both teams have been picked to finish near the top in their respective districts again this year.

The Wildcats looked fairly good last Saturday night in their scrimmage at Floydada when they defeated the Whirlwinds by the score of 14 to 0. The line blocking was better than it was last spring, but it is still not as sharp as the regional championship line was last fall. James Denton is the only regular returning in the backfield. Wayne Borchardt, Gerry Knox and Gordon Graves came through in a fair manner last Saturday night.

The probable starting lineups for the Wildcat-Panther game are as follows:

## International Tea Held in Vernon Last Saturday

An International Tea for membership registration, with Mrs. Hubert Brown as speaker, launched the Vernon Branch of the American Association of University Women's 1953-54 year. Mrs. Brown discussed her recent tour of European countries with emphasis on education programs that are being carried out on the continent. In the Europe of today there are more questions than there are answers, more problems than there are solutions, and always a burning need for constructive and imaginative thinking to uncover the path through the maze of conflicting interests and goals which are their's. Mrs. Brown was assisted with her educational slides by Mrs. Ray Brown. Miss Ann Thomas, accompanied by Mrs. W. P. Thomas, sang two selections, "Go Lovely Rose" by Quilter, and "Romance" by Romberg.

An Administration and Program Planning Workshop for Area III will be held at Tarleton State College, October 3. Directors of the workshop will be Mrs. Edwin C. Ochsner, president of Texas Division, and Dr. Eleanor F. Dolan, associate in Higher Education, National Staff. For further details of workshop, contact Mrs. Ray Shirley of Crowell.

A tea table featuring Tritoma with jade foliage as its centerpiece was presided over by Mrs. Emory Hollar and Mrs. Ray Shirley. Miss Sherry Youngblood and Mrs. Bill Bond assisted in serving. Other hostesses were Mrs. Robert L. Wright, Ray Morgan, Barney Deason, Drew Cartwright, A. M. Hiatt, Ross Hendrix and J. B. Golden.

Mrs. J. H. Stiles and Miss Mary Rotramel, former presidents of the Frederick Branch, were out-of-town guests for the occasion. October 6 is the calendared date for the next meeting of the Vernon Branch.

Bro. McAnally stated that "All pastors of Foard County are invited to join with us as we seek to bring closer co-operation between the individual churches, the church and the school in all activities, and to direct the attention of the community toward the activities of the church life in the community. It was voted to report Sunday School, or morning Bible School, attendance of each church in the Foard County News each week. We want the people to know more of what the churches are doing. We are asking that all churches of the county co-operate in this endeavor. This organization desires the prayers of the entire community."

## County Agent Joe Burkett Advises Farmers to Treat Grain Seeds for Smuts and Blights for Better Yields

Planting time for winter grain is at hand and Joe Burkett, County Agent, reminds farmers that smut is likely to take a toll on seed not treated before planting. Reports that smut showed damaging amounts in Foard county during the past week and warns it will be worse unless precautions are taken at planting time. He lists as planting the best variety of grain, cleaning the seed, remove weed seeds and smut which may be present and treat the seed with a chemical treatment of the plant-

that producers use 1/2 ounce of Ceresan M or New Improved Ceresan per bushel of wheat seed. The cost is very small and in addition to controlling stinking smut, the treated seed germinate faster, more seed germinate which means a better stand and yield, says Burkett.

Loose smut of wheat is something else, explains Burkett. It too leaves empty black heads in the field but cannot be controlled with chemicals. It can be controlled by a difficult hot water treatment, however, Burkett suggests that it might be better to get clean wheat seed from growers who were not bothered with loose smut last season. Helminthosporium blight is a relatively new disease which attacks oats. It affects the roots and stems of oats causing weakened stems and later lodging. It can be controlled by the same chemicals used in treating seed for pro- tection against stinking smut, however, points out Burkett, the control may not be as complete as for the smut. Oat varieties which are attacked by the blight include some of the Victoria crosses as Futlex, Rustler, Ranger and Victor Grain. With limited wheat planting again in force, Burkett says, producers should use every proved production practice which will enable them to produce top yields as well as top quality wheat and chemically treating the planting seed is of major importance. It will mean extra bushels of top quality grain come harvest time next spring.

# WILDCAT

HI THERE

Golly, have you ever noticed how a friendly "hi there" can just float you up out of the "dumps" and make you feel right side up again?

Maybe there have been some pretty lonesome days for some this past week. With school starting and all the mad rush of the first week, it can surely be a bit confusing to a freshman or a new student. Right then and there plenty of that old "hi there" by a veteran CHSite can really make a mixed up newcomer think straighter. When they start handing out honors, please note that the friendliest guys and gals get their share.

## CLASS MEETINGS LAST WEEK NAME OFFICERS

No heated campaign speeches were held, no banners flung, no planned campaign, but the four classes met quietly last Thursday and elected leaders for 1953-54.

With top priority on electing faculty sponsors first, senior students voted on Henry Black, with James Welch as assistant. President of the senior class is Fred Barker. Veep is Larry Johnson with secretarial duties being filled by George Ann Davis. Reporter for the Wildcat was named Shirley Wehba. Class mothers are Mesdames George Davis, Wolford Thompson, Ed McDaniel, Homer Johnson and Floyd Borchardt.

Upperclassmen juniors voted Gerry Knox president. Helpmate for Gerry is DuWayne Elliott, chosen vice president. Secretary and treasurer being given separate offices, they are Gaylon Whitley and Frances Kincaid, respectively. Robert Kincaid was elected reporter. Junior class mothers are Mesdames Bill Bell, Merl Kincaid, Goodloe Meason, Bedford Smith and Sim V. Gamble. V. A. teacher, Marvin Myers, is sponsor.

The sophomores chose Jackie Walker as top man, Paul Glover vice president, Doris Cates secretary, Jerry Cates treasurer, and Francine Coffey as reporter. Our new band director, Mr. Rickard, was elected sponsor. Room moth-

ers are Mesdames Joe Eddy, J. B. Fairchild, Foster Davis, Milton Hunter and Gerald Knox.

The freshmen elected Devin McAnally as chief. Roma Spikes as veep, Anna Marie Paske secretary and treasurer, and Janis Crowell reporter. Mrs. Davis was unanimously chosen sponsor. The mothers of the entire class are going to help with "fish" functions.

## ANNUAL STAFF SELECTED FOR '53-'54

"The new officers have been selected for the annual staff of '53-'54," said Mrs. Vera Manard, faculty advisor. CloVonne McKown, George Ann Davis and Vance Barker will bear the responsibilities of being the associate editors.

The new business managers will be Paul Cooper and David Jackson, and the circulation managers for the individual classes will be: seniors Mary Lynn Hough, juniors Mike Wishon; sophomores Bill Halbert, freshmen Patricia Todd. The typist will be Rebecca Calvin.

I'm sure that everyone will agree that the selection was a good one, because these students will have their noses to the grindstone to make this year's annual a bigger and a better one than ever.

## OPEN WILDCAT STAFF POSITIONS FILLED FOR '53-'54

In a "gathering of the Wildcat clan" Thursday afternoon, Mrs. Sloan named senior Jean Whitby as editor of the school weekly, a position left open by the graduation of Marcia Kincaid. Editor's helpmate is also a senior, Genevieve McDaniel, named associate editor which was the position filled by Jean last year.

Several under and upper classmen were given by-lines for the first time, due to faithful work last year with no real position on the staff. Doris Cates, a sophomore, was named society editor with junior, Chun Gafford, being dubbed joke editor. The open sports reporter position vacated by Don Gobin and Roy Whitley has been filled by the capable and original Fred Barker. Staff members are sworn to secrecy on the appointment of scandal editor. FHA reporter is Nancy Hallmark, a junior. Dramatic reporter is Carolyn Bursey. Class reporters have been chosen as follows: senior Shirley Wehba, junior Robert Kincaid, sophomore Fran-

cine Coffey, and freshmen Janis Crowell.

Reporters assisting with news have been named also. They are Gordon Graves, George Ann Davis, James Denton, CloVonne McKown, Frances Kincaid, Nan Sue Shultz, Clara Paske, Billy McCoy and Billy Bell. Since Paul Cooper did such an excellent job as proof reader last year, he has been asked to keep his position. Rebecca Calvin has been chosen as typist this year. She will be assisted by members of the Wildcat staff.

It might be well to remark that characteristics necessary in a journalist are sincerity, originality, faithfulness, talent, previous experience and responsibility. Many of these influenced staff appointments this year.

## WELCOME TO C.H.S.

Thanks to the patience and hard work of the new band director, E. L. Rickard, the Crowell Wildcat Band has gotten off to a good start in both playing and marching. Mr. Rickard, who was the band director at Burk Burnett last year, states that the band looks good and is progressing nicely.

Mr. Rickard was born in Michigan, and he has also lived in New Orleans. He graduated from Orange High School and attended Midwestern University where he majored in music education. He graduated from Midwestern in 1950 and received a Bachelor of Music degree.

Mr. Rickard's family consists of his wife, Billie, whom he met while in college, and their six months old daughter, Kathrine Lynn. When asked about the baby, Mr. Rickard replied like all proud fathers, "She's the best there is."

His hobby is fishing and his favorite books are adventures and mysteries. A thick juicy steak is Mr. Rickard's idea of food "fit for a king."

To the newest faculty member of C.H.S. and his family, the student body extends its warmest Wildcat welcome.

## FRED BARKER SERVES AS SENIOR PRESIDENT

Because of his trustworthiness and previously proved ability, Fred Barker has been chosen president of the senior class this year.

Fred, who was also junior class president, is tall, dark and handsome. He is six feet with brown eyes and goes by the nickname "Squint." Just why he was tag-

ged with this we haven't been able to find out.

In spite of his outside activities, his grades are kept up where they should be. He says his favorite subject is study hall, but we believe he is kidding.

To give you some idea of Fred's likes and dislikes, let's just suppose that it is Saturday and we are going to follow him through what would be an ideal day. Of course, there is no school on Saturday. A good football game would make an ideal afternoon's entertainment followed by a supper of barbecued ribs. That night, as the close to a perfect day, he would see a movie starring Janet Leigh and Robert Mitchum.

Although his favorite pastime is loafing, he went on the harvest and followed that up with plowing for his dad. Every once in a while he goes hunting, gun and pal are included.

The senior class is proud of their president, for they know that Fred is just the man for the job.

## THE WILDCAT PURRS

Well, well, it's here again with the slamming of lockers, the mad rushes in the halls and the usual friendly quips.

Chun, did you have a good time in Chicago?

New couple (teady, we hear), Zonell and Grin.

Francene and Wayne are getting along fine. Good luck, kids. Who is Arleta's dream date? Could it be Coleman Self?

Why doesn't Rufus Whitman give the Crowell girls a chance? Nita June surely looks lonely this year. Wonder why?

New couple, Gloria Smithwick and Don Ruckman.

Tell us, Frances, who was the ACC boy you were with Thursday night?

Tilly, did you ever get that second typing lesson? Rough, ain't it?

Fred, do you still have a gal in "Q" town?

McBeath, is Coach really mean to you?

Does anyone know if Norman still goes to Vernon?

Yea! Wildcats—Nelda Kay really likes Truscott boys, especially Jimmy New.

Does anybody know how John W. got his nickname "Sheep"?

Seen Saturday night were George Ann and Cleve and Boyce and Peggy, two steady couples.

Norman Shultz and Genevieve McDaniel were seen making the rounds Saturday night. New

couple? Gaylon, who were you riding around with Saturday night? Was it Mary Lynn Hough?

Seems the freshmen girls have their eyes on Devin McAnally. Beat Seymour!

Welcome back, Boyce Cox and Lavert Robinson. Just returning from harvest these boys have enrolled a week late.

Sue Meason and Gerry Knox are in the clouds. This combination seems to be set for a long run.

Why were certain girls so unhappy Saturday night? (No football boys?)

Awfully glad to see Buddy and Patricia together again Sunday night. Other couples with them were Doyle and CloVonne and Jimmy and Nelda.

Happy to have seen Joan Roberts around here for a week. We're gonna miss her this year. Beat Seymour

Sorry to hear that Strader boy from Quana is in the hospital. It's rah-rah time again and the Crowell Wildcats are out to beat Seymour Friday night. Let's all go to the game and support our team.

## CHUCKLES BY CHUN

One day in science the teacher was explaining hybrids to her class. She asked "What would happen if you cross a mule with a cow? What would you get?"

"Milk with a kick in it," replied one student.

 Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

**You can see all around**  
 You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

**You get more power on less gas**  
 That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrill-King" engine.
