Local Tabulations of Agriculture Ballot Show Majority Favor Livestock Supports

by Ted Gouldy

Tabulation of the ballots from the home town county newspapers of Texas showed several surprising developments. Apparently a sizable number of "rugged individualists" among the voters took some additional time to study the matter of their late arriving ballots before their total from around 10 per cent in the last week's poll, up to 2.6 per cent of the total in the final.

Most voters had their own ideas as to what should be done, rather than voting for one of the proposals. The Jack County Herald reported a light turnout in most cases this week due to the fact that the ballot was run only one time. In order to prevent "spoils" the ballot it was felt that a light vote would more truly reflect the livestock producers' wishes. The wide coverage of the ballot that the various purposes accomplished their purpose in getting at the feeling of the voters.

Tabulation showed the removal of all supports for 2 per cent, an increase of 2 per cent over the first week. The proposal for supports

L. Kelly Employed as New Water Superintendent

As a result of a called meeting of the City Council held Friday afternoon for the purpose of selecting applicants for the water superintendent, A. L. Kelly of Brisco was appointed to replace the late superintendent, a position formerly held by C. R. Brisco.

Mr. Kelly assumed his new duties in this capacity Monday morning.

MR'S WIFE IN 'SITDOWN' Mrs. Barbara (Bobo) Rocker, coal miner's daughter and "Cinderella" bride of rich heir Winthrop Rockfeller, a newsman who she invaded his house. She wanted son, 4, to see our home." Rockfeller in Little Rock, Ark., reported to file divorce suit.

Three New Rooms Added to C. H. S. Band Hall This Summer; School Buys Fifty New Uniform Caps for Members

A 10 ft. by 36 ft. addition has been added to the Crowell School band hall. This will give the hall three more rooms, all size 10 ft. by 12 ft. One of these will be used for the office and the other two for practice rooms. Grady Graves, Superintendent, stated that most of the labor on this addition has been provided by the regular employees of the school which has cut down the cost considerably.

New Band Caps
Fifty new uniform caps have been purchased from the Sol

Frank Uniform Co. of San Antonio. They have a special high front and a design on the top. They are black trimmed in gold to match the uniforms. There have been one new twirler uniform and three new twirler headgears ordered from the Fruhauf Uniform Co. of Wichita, Kansas. This will make it possible for the band to have five twirlers next year, instead of four as they have had in the past.

Several of the band members have made plans to attend the band clinic at Midwestern University in August. Eddy Rickhard, Crowell's new band director, will arrive here in time to practice the band during the last week in August. He has a position with the Mississippi Highway Department this summer.

TOM McCANDLESS

Tom McCandless Appointed Deputy Governor of Lions

Tom McCandless, manager of the local Ben Franklin Store, was recently appointed deputy governor of the Lions Club in District 2E, which comprises some 77 clubs in this region of Texas. The appointment of the local merchant, made by District Governor O. L. Stoney of Cisco, was released last week, being effective immediately.

Prior to accepting this responsible position, second only to the governor who will preside over the large number of clubs including the mammoth Lions organizations in Fort Worth, Brownwood, Abilene, Sweetwater and Wichita Falls, Mr. McCandless served as secretary and president of the local club and zone chairman for this territory, a title he held before assuming the deputyship chores.

Official communications received from the Lions headquarters this week regarding the recent designation, stated that Lion McCandless will execute the duties given him in this capacity for the 1953-54 year.

High School Grads Now Eligible for Cadet Training

Continuing needs of the Air Force's Aviation Cadet Training Program have effected a change in eligibility requirements that now permits high school graduates to apply for the Aircraft Observer phase of aviation cadet training. Captain Alden C. Clark of Aviation Cadet Selection Team number 207, Webb Air Force Base, Big Spring, said this week.

The Air Force flying training program is divided into two phases, pilot and aircraft observer; and previously, two years of college were required of both type applicants. An immediate, critical need for applicants for aircraft observer training has brought about a reduction in educational requirements.

Training time is from 54 to 62 weeks, and upon graduation, cadets are commissioned Second Lieutenants in the United States Air Force Reserve. Such officers are required to serve a three year tour of active duty, and are paid \$438.58 monthly if single and \$455.68 if married.

High school graduates are acceptable for aircraft observer training but two years of college is required of applicants for pilot training.

Complete and detailed information regarding the Air Force Aviation Cadet Program may be obtained by writing the Aviation Cadet Selection Team, Webb Air Force Base, Big Spring, Texas.

Foard Farmer Gets Oil Wells on New Mexico Property

Lee Whitman of Vernon, retired Foard County farmer of the Thalia community, received his first royalty check Thursday from the two oil wells on his 640-acre tract of land in Lea County, N. Mex. The first well was brought in about three months ago and flowed 105 barrels per hour. A short time later, the second well was brought in and flowed 88 barrels per hour.

Both wells have been put on a proration of 250 barrels each per day.

Mr. Whitman bought this land a good many years ago and has 480 acres in cultivation. The farm is operated by his son, Hines Whitman.

Mr. Whitman was a visitor here Friday.

40,000 Pounds of Cotton Seed Pellets Received Here Last Thursday as First Shipment Under Government Program

The initial load of feed provided by the Government's drought disaster aid program arrived in Crowell last Thursday by truck and the 40,000 pounds of cotton seed pellets were rapidly distributed to the farmers and ranchers according to their application position.

Those who received feed in Thursday's shipment were issued one-half of their accrued total allotment for which they had previously applied. This procedure was adopted in an effort to satisfy the immediate desire of feed for as many cattlemen as possible.

Dwight L. Campbell, chairman of the drought disaster feed committee in this county, stated early this week that no further information has been released concerning future shipments, but further signified that when news of same is received, applicants will be notified immediately.

News from the Congress

by Congressman Frank Ikard
Washington, D. C., July 10, 1953 — This week, the House

acted on legislation that would provide additional credit to the farmers and ranchers in the drought disaster area. This bill would make available 16 million dollars immediately for loans, and authorizes the appropriation of additional funds for that purpose, which are expected to be at least a hundred million dollars. This bill authorizes 5 per cent loans above \$2,500.00 to farmers and ranchers who are jeopardized by drought disaster prices and who cannot obtain credit through ordinary channels. These loans will be screened by a local committee and farmers and ranchers applying must have, in the opinion of this committee, a good chance of working out their difficulties. There are also other loans provided for, which would be for any agricultural purpose, and any farmer or rancher in the disaster area is eligible. There is some doubt in my mind as to whether the program provided in this bill will really go far enough to meet the need in the drought distressed area unless there is a very broad interpretation given the law by those who administer it and unless there is sufficient money made available to carry out the program. I do not feel that 16 million dollars will do the job in the six states that are affected by the drought. Personally, I would have favored a guaranty loan program which would have been handled locally and would have cost the government a whole lot less money. I still feel that there is some chance that such a program will be enacted, but during the debate on this bill in the House, Congressman Hope of Kansas, who is the chairman of the Agriculture Committee of the House, assured us that after a reasonable trial of two or three weeks, if it were shown that this plan of credit did not work, then he would join with other interested Congressmen in seeing that some additional action would be taken, with regard to this matter, before Congress adjourns.

People here are becoming increasingly conscious of the fact that in addition to feed and credit, there must be something done to stabilize the livestock markets. The present government buying program is a step in the right direction, but it does not go far enough in that the purchase of 200 million tons of beef is insufficient to have the effect of really stabilizing and raising the cattle market. This program must be stepped up.

To give you an idea how little some people understand about the drought problem, during the debate on the credit bill yesterday in the House, while I was speaking on the bill, a Congressman from an Eastern state asked me if I didn't think it would be just as well if we would let five million head of cattle starve to death. He also expressed the opinion that the best way to handle the

farm program would be to let all the farmers go broke and the farms grow up in weeds. He further stated, as follows: "I grew up in this disaster area and most of my relatives still live within that area. I think it is an excellent place to be from and it would be good for a great many people if there were more people from there."

This sort of ridiculous stationary thinking makes it extremely difficult at times to get an effective program enacted to law. Thank goodness, a minority of the membership of the Congress.

Wind must travel at least one mile a minute to be a breeze.

now, he adds, will probably remain out until late fall or early winter and feeding them is a dead loss. Remove the hens that show a shrunken, dried-up comb, yellow beak, new feathers, yellow shanks and vent. Also hens that lack vigor and spend their time loafing should be given a one-way trip to town. A good egg producer must eat plenty of feed and drink lots of water and she can't do this by loafing. Of course, says Burkett, the poultryman must do his part by supplying the essentials needed by the hen. Producers are reminded that hens, like humans, don't care to spend a lot of time in the hot sunshine hunting for feed and water. When they cut down on consumption, a drop in egg production is sure to follow. And finally, the poultryman who does a good job of culling will be well paid for his trouble and at the same time, will be following one of the important practices of efficient poultry farm management.

Poultrymen Should Cull Laying Flocks for Best Production

Poultrymen who are in the egg producing business can keep profits up by following a rigid culling program through the summer months. Joe Burkett, County Agent, says cull the non-layers, keep egg production up and get the advantage of the favorable ratio between the price of eggs and feed. Hens that go out of production

It stands to reason...

Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want. When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today... for the twelfth straight production year. This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, it's the lowest-priced truck line of all! Come in and talk it over with us.

The drought burned on in Texas, but help was on the way. President Eisenhower flew to Amarillo for a conference with governors of the parched southwestern states. With the president were the secretary of agriculture and the federal civil defense administrator.

extend emergency credit to farmers and ranchers. A bill passed by the Senate would set up a revolving fund from which the Agriculture Department could make farm and ranch loans. A similar bill passed in the House. —tpa— The bill was reported out of the Senate Agriculture Committee of which Senator George D. Aiken, Republican of Vermont, is chairman. Aiken lamented that some people were trying to make money out of the Southwest's misfortune. Bankers wanted to handle the loans, he said, and grain operators wanted to handle the distribution of feed under the program. The senator commented: "I don't understand the workings of the minds of people, some of them thousands of miles away from the drought section, who are trying to figure out a way to profit from the situation." —tpa— Aiken was opposed to the suggestion of Senator Lyndon B. Johnson of Texas and others that

Secretary of Agriculture Ezra T. Benson start a government cattle-buying program to bolster prices. Aiken said a previous buying program was not very successful. Johnson said that the agriculture department had the money and the authority to buy cattle. The Texas senator contended that credit will do no good, nor will cheap feed and low freight rates, unless prices are improved. Benson has refused to support cattle prices or buy beef on the hoof to strengthen the market. —tpa— While Congress wrangled over emergency drought relief measures, the Production and Marketing Administration started feed going to parched Texas counties. C. H. Mosely of the Dallas PMA commodity office said 277 rail cars of corn, 114 of oats, and 4 of wheat were on their way to 100 points in the state. F. P. Biggs, PMA commodity director at New Orleans, stated that 6,154 tons of cottonseed meal and pellets were moving into Texas. All this feed was being sold at low prices and was being hauled by the railroads at half the usual rates. —tpa— Ranchmen at Dalhart, meanwhile, found backers for their proposal of federal price supports for cattle. They called stockmen from five states — Texas, Oklahoma, Kansas, New Mexico, and Colorado — to a meeting for the organization of an association to forward their campaign. —tpa— Governors of the same five states met at Amarillo the next day to talk about the drought. The conference was called by Governor Allan Shivers of Texas on a suggestion originally made by Governor Dan Thornton of Colorado. —tpa— A campaign to increase beef

In The News . . . 30 YEARS AGO

Items below were taken from the issue of the Foard County News of Friday, July 13, 1923: Up to Wednesday there had been more than 49 cars of wheat shipped from Foard County, according to figures given the News from the three elevators here. — County Agent Fred Rennels and thirty or forty of the 4-H Club boys went to Vernon Tuesday morning for a three-day encampment. — Charles Hathaway of Thalia, who has been in the employ of Edwards, Burns & Co., is going into the gent's furnishings business for himself in Thalia. — W. Here's the most for your truck dollar —the price tag proves it!

WHEN you look at a light-duty truck price, you've got to know what you get for your money.

In a GMC, it gets you Dual-Range Truck Hydra-Matic.* 3 speeds for stepping smartly through traffic—4 for economical open highway travel. Clutch repairs or replacements are never necessary. Engine and drive line can't be strained. Getaways are quicker at every stop.

In a GMC, it gets you 105 horsepower and 8.0 to 1 compression. Up to 19% more power than comparable sixes offer. Crisper response. Mileage noticeably better. And you get all this on non-premium fuel.

In a GMC, you get: new, self-energizing brakes—Synchro-Mesh transmission—recirculating ball-bearing steering—a 45-amp. generator—double-acting shock absorbers—a big, "Six-Footer" cab.

Remember, a GMC price-tag gets you all these things. That's what makes a GMC the biggest bargain you've ever driven! Come in and see for yourself!

*Standard equipment on Package Delivery models; optional at moderate extra cost on all others.

Small calves at side sold today at \$13 to \$17.50, would have done well at \$10 to \$12 three weeks ago. Stocker calves selling up to \$18.50, a few to \$18.75, were 25 to 50 cents up or more.

Slaughter cattle sold fully steady, and spots forced into higher levels by the stocker play. Slaughter calves were spotty, packers again taking a bearish view on the early rounds, but weakening from it in face of good shipper and stocker demand.

Hogs hit the highest peak of the year topping at \$26.25 and \$26.50 and sows drew \$20 to \$23. Pigs cashed at \$20 down.

Feeder lambs were up 50 cents, selling \$10 to \$15. Slaughter ewes were 50 cents higher at \$3.50 to \$5. Other sheep were fully steady.

Good and choice fed steers and yearlings sold from \$17 to \$22. Common and medium sorts sold from \$10 to \$15 with cull yearlings \$8 to \$10. Fat cows drew \$10 to \$14, a few heiferettes above that range. Canners and cutters drew \$7 to \$10, some shells under \$7. Bulls sold at \$8 to \$14.50.

Good and choice fat calves \$15 to \$19, some yearling weights around 500-600 lbs. or more to \$20.00 and above. Common and medium butcher calves drew \$10 to \$15, with culls \$7 to \$10.

Good and choice stocker steer calves \$15 to \$18.75, and a load of heifer calves topped at \$19. Stocker steer yearlings of the better kinds sold from \$14 to \$16.50. Stocker cows drew \$9 to \$14.50, a few above that range.

Good and choice fat lambs drew \$18 to \$23, and common and medium sorts sold for \$10 to \$15, with culls \$8 to \$10. Feeder and stocker lambs sold from \$10 to \$15. Old ewes drew \$3.50 to \$5, some solid mouthed ewes \$6 to \$6.50. Old wethers \$6 to \$8. Two-year-olds \$10 down. Fat yearling wethers drew \$10 to \$15, and feeder yearlings cashed at \$10 to \$12. Old bucks \$2 to \$3.

Dry carefully and thoroughly between your toes after bathing and as often as practical during the day. The disease is caused by a fungus which thrives on damp, perspiring feet.

Massage your feet with a mild rubbing alcohol. This will help prevent spreading the infection from one spot to another.

Dust a good fungicide powder or even an unscented talcum powder or powdered boric acid, between the toes, in stockings and shoes. If at all practical, change socks once during the day.

Swab all cracks or soggy areas between the toes with one part iodine diluted with ten parts of alcohol.

Wear absorbent socks and put a piece of cotton on areas between the toes where cracks or soggy areas are evident.

Don't use remedies which have been sold for eczema. Consult your physician if the cracks and blisters and soggy areas do not yield to these measures.

And keep this in mind: if athlete's foot is neglected, it can spread readily beyond the feet. The lesions will go deeper and deeper, and may cause critical damage.

THE VOICE OF FREEDOM

When the Declaration of Independence was signed by representatives of the 13 colonies in 1776... the news was months in reaching the farthest outposts of freedom in the new world.

Today, telephone service spans our nation and the entire globe, bringing the cities and towns of the 48 states within seconds of each other. And today, there are more telephones per person in America than in any other nation in the world.

This communication... the free interchange of ideas, thoughts and opinions... is at the basis of a free nation. It is the heart of America's freedom of speech. It is the motivating power behind America's system of free enterprise that has helped America grow from these fledgling 13 Colonies in 1776 to the greatest and most powerful nation in the world today.

When you pick up your phone to speak to someone across the street... or across the nation... remember, freedom is speaking, too!

Health Letter

Texas State Department of Health, Austin, Texas, Geo. W. Cox, M. D., State Health Officer.

You don't have to be a Mickey Mantle or a Babe Zaharias to be eligible for athlete's foot. You're qualified just by being human.

This ringworm foot infection can come to either sex at any age at any time, although it is probably more prevalent during summer months when feet are more apt to perspire.

You'll know you've got it when your feet begin itching and blistering, and when you see the soggy dead skin between the toes or on the soles. Take action then, and you can usually get rid of it in a hurry. But neglect it and you're in trouble.

Here are some suggestions from State Health Officer George W. Cox which will prevent athlete's foot or help you get rid of it if you have it now:

Bridal Shower Last Friday Afternoon Honors Mrs. Patterson

Mrs. M. S. Henry, Mrs. Hines Clark, Mrs. W. B. Tysinger and Mrs. D. R. Magee were hostesses at a lovely bridal shower given at the home of Mrs. Henry last Friday afternoon as a compliment to Mrs. Robert Patterson, who was, before her recent marriage, Miss Barbara White.

Mrs. Clark met the guests at the door and presented them to Mrs. Henry; Mrs. Patterson, the honoree; and Mrs. Clint White, mother of the bride.

Mrs. Tysinger showed the guests to the dining room where they were served by Mrs. Don Drake, sister of the bride, of Quanah, and Misses Carolyn Bursey, cousin of the bride, and CloVonne McKown. The table was beautifully decorated with an imported lace cloth over pink. Two crystal pheasants

placed in the center of the table created a special touch of charm, and a lovely arrangement of white gladioli encircled the punch bowl where green frosted punch was served with an assortment of cookies and mints.

Mrs. Paul Shirley furnished piano music throughout the afternoon.

Mrs. Magee directed the guests from the dining room into the gift room where later the guests registered in the bride's book presided over by Mrs. Moody Bursey.

The forthcoming marriage of Miss Moselle Hutton to Glenn Norris Jones, son of Mr. and Mrs. Glenn M. Jones of Crowell, has been announced by her parents, Mr. and Mrs. Jess Biddy of Paducah.

Hutton-Jones Nuptial Plans Are Revealed

The forthcoming marriage of Miss Moselle Hutton to Glenn Norris Jones, son of Mr. and Mrs. Glenn M. Jones of Crowell, has been announced by her parents, Mr. and Mrs. Jess Biddy of Paducah.

The bride-elect is a junior stu-

dent of Hardin-Simmons University in Abilene, where the groom-to-be is a senior.

The young couple plan to be married in the First Baptist Church in Paducah August 30.

RIVERSIDE H. D. CLUB

"Politeness is to always do and say the kindest things," said Mrs. W. A. Mussetter when the Riverside Home Demonstration Club met in the home of Mrs. John S. Ray on Tuesday afternoon, July 16.

The meeting was opened with the club repeating the club prayer, pledging allegiance to the flag, and singing "America." The club and their families will have a picnic at the home of Mrs. Cap Adkins, Thursday evening, July 16.

"What do we live for, if not to make the world less difficult for our children?" asked Mrs. Mussetter, as she led an interesting program on the subject, "Your Manners Are Showing."

Mrs. Louis Kieschnick showed the correct ways to join waists and skirts together when making dresses, also the right ways to hem different types of skirts.

The next meeting will be with Mrs. Ewald Schroeder on Tuesday, July 21, at 2:30 p. m. Refreshments were served to Mrs. A. J. Morris, visitor, and to members, Mesdames Cap Adkins, James Bowers, Ben Hopkins, Monroe Karcher, Louis Kieschnick, G. M. Moore, R. E. Moore, W. A. Mussetter, R. G. Whitten, George Wesley, John Zuhn and the hostess, Mrs. Ray.

Plans were made for a picnic which was held at the Springlake Country Club July 11. Members brought food and dishes for their families.

The hostess gift was awarded Mrs. Cecil Carroll. Names for secret pals were drawn.

The next meeting will be in the Virgil Smith home. At that time Mrs. Hulen Monkres' subject will be "Your Manners Are Showing."

Mrs. Prosser served refreshments to Mesdames Henry Ross, Ed Huskey, and Becky Smith, visitors, and to Mesdames Archie Campbell, Horace Phelps, A. B. Calvin, Guy Morgan, Milburn Carroll and Cecil Carroll, members.

HENRY CIRCLE

The Henry Circle met Monday, July 6, in the home of Mrs. Earl Manard with twelve members and one guest present.

Mrs. J. C. Prosser brought the devotional and Mrs. Moody Bursey gave "Laborers for Christ" and "Shirt-Sleeve Religion."

Bro. Sims from the colored church gave an interesting report on the Bible Training School in Amarillo, to which he was sent by the W.S.C.S.

The following officers were elected for the coming year: chairman, Mrs. Foster Davis; vice chairman, Mrs. John Rader; secretary and treasurer, Mrs. Irving Fisch; program chairman, Mrs. J. C. Prosser; and reporter, Mrs. Mason Brown.

THALIA IDLE HOUR CLUB

Mrs. Charlie Wood was hostess to the Idle Hour Club last Thursday, July 9.

After an hour of fun and entertainment the hostess served delicious refreshments to thirteen ladies, Mesdames Bill Moore, Wallis Scales, Clyde Self, John Wright, T. R. Cates Sr., Glenn Gamble, Raymond Grimm, A. B. Whitman, R. H. Cooper, W. A. Johnson, Allen Shultz, H. W. Banister and C. H. Wood.

The next meeting will be on Thursday, July 23, with Mrs. John Wright.

VIVIAN H. D. CLUB

The meeting of the Vivian H. D. Club was opened by the reading of the club collect in unison, led by Mrs. T. W. Cooper, when the club met with Mrs. Warren Haynie on Thursday, July 9 with twelve members and one visitor present. Roll call was answered by a health hint and Mrs. Arthur Sandlin gave the council report.

The club voted to go to Lake Pauline for encampment in August and also to suggest meat cookery for next year's club program.

Mrs. Johnny Marr and Mrs. Darwin Bell demonstrated sprinkling, ironing and folding a shirt, which ended the work simplification program for the year.

Miss Bernita Fish was the only visitor present and members present were Mrs. Allen Fish, Miss Myrtle Fish, Mrs. Dee Gilbert, Mrs. Arthur Sandlin, Mrs. James Sandlin, Mrs. T. W. Cooper, Mrs. Maude Raspberry, Mrs. Darwin Bell, Mrs. Clyde Bowley, Mrs. Johnny Marr, Mrs. W. O. Fish and the hostess, Mrs. Warren Haynie.

The place for the next meeting has not been decided.

GAMBLEVILLE H. D. CLUB

Health hints were given by members of the Gambleville Home Demonstration Club as they answered the roll call. The meeting was in the J. C. Prosser home on Friday, July 3.

Mrs. A. B. Calvin, president, conducted the business session.

Home Demonstration Notes

MRS. MARY D. BROWN

Council will meet this Saturday at 3:30 p. m. in my office. I hope all of you will try to attend as this is the last meeting of the summer and we have many things to decide. We will also at this meeting make final plans for the summer camp to be held in August.

I have in my office a new bulletin on making jellies, jams, preserves, marmalades, etc. If you would like to have a copy, let me know. I think you will enjoy using it as it has many excellent recipes.

Our recipe for this week is:

Beef Noodles
1 lb. ground beef, 2 tablespoons butter or margarine, 1 minced onion, 1 minced green pepper, 4 cups tomato juice, salt and pepper to taste, 1/2 teaspoon monosodium glutamate, grated Parmesan cheese, 1/2 pound uncooked fine egg noodles.

Heat the ground beef, minced onion and green pepper with the butter or margarine in skillet or Dutch oven. Cook until the meat is no longer red, stirring often. Add the tomato juice, salt, pepper and monosodium glutamate. Bring to a boil, stir in 1/2 pound of uncooked fine egg noodles. Cover and simmer 20 minutes, or until noodles are tender and liquid is absorbed, stirring frequently. Serve with grated Parmesan cheese. Serves 6.

FOARD CITY H. D. CLUB

Summer coolers, a very timely and interesting subject, was discussed by Mrs. Glen Jones at the Foard City Home Demonstration Club meeting Tuesday afternoon, July 7, at the recreation room. Mrs. Jones made and served delicious frozen delight and handed out recipes for this and other frozen desserts.

The members voted to entertain their families with a basket supper under the floodlights of the church Wednesday evening, July 15, at 7:30 o'clock.

Programs for August meetings were planned, the annual encampment was discussed, and a box, to be sent to the state hospital at Wichita Falls, was packed.

Two little visitors, Judy and Joy Traweck, were present with seven members, Mesdames W. M. Cox, Glen Jones, Tom Callaway, E. V. Halbert, Frank Welch, Harry Traweck and Fred Traweck.

The next meeting at the recreation room July 30 o'clock. Mrs. Floyd will bring the subject, "Manners Are Showing."
