Austin, Tex. — In designating October 1 to 8 as National Newspaper Week in Texas, Governor Allan Shivers said "it is well to reflect upon the important part a fully informed press plays in our lives."

He continued by stating that "we are learning to appreciate our great press more and more as we see rigorous government control in many other countries suppress the free flow of news."

Shivers saluted the newspapers "great and small" as well as the men and women whose time and talents are used to make America's newspapers "the best on earth."

Newsboys Honored

October 2 has been designated by Governor Shivers as National Newspaperboy Day in Texas. In an official memorandum Shivers urged Texans to express appreciation and encouragement to "their carrier boys."

"They are an important part of the American System of free enterprise and free information," the Governor added.

Official Election Returns

It's now official that Governor Allan Shivers won his third term in office by a margin of 91,956 votes.

Final announcement of the official tabulation was made by the State Democratic Executive Committee which placed its overall totals slightly higher than the unofficial count made by the Texas Election Bureau.

Campaign Spending

Former gubernatorial candidate Ralph Yarborough poked a parting blast at Shivers, claiming the Governor's campaign expense totals "inaccurate."

Yarborough said he reported the true cost of his campaign but "we know the amount reported."

Shivers' reply was "no comment."

Yarborough reported \$279,722 in expenditures; Shivers \$285,121. Under Texas laws there is no limit on the amount that any candidate may spend in a campaign.

Democratic Convention

Governor Shivers' political forces came through as expected at the Democratic state convention in Mineral Wells, setting back liberal Democrats by a 4,317 to 1,739 roll-call.

Main fight against Shivers' control of the convention came from Harris County's liberal delegation. That group made a last ditch stand to obtain representation on the new executive committee.

November Election

Republican Tod R. Adams, 42-year-old Crockett lawyer will be Governor Shivers' opponent in the General election.

Representative Dudley T. Dougherty of Beville will run for the State Senate if a special election is called to select a successor to Senator John J. Bell of

HOPING FOR A SOFT SPOT

Land Program

Best bid for the final \$10 million worth of bonds to finance the Texas Veterans land-buying program came from the National City Bank of New York.

The firm offered an interest rate of 2.097 per cent.

With its last offering the Veterans Land Board will have issued \$100 million in bonds—the limit provided by the State Constitution.

Cattle Killing

Texas ranchers are rushing livestock to market before cold weather sets in. Prospects of another winter with little feed appear on the horizon.

USDA officials say showers in the trans-Pecos and High Plains regions helped grass and grain, but "not enough."

General rains are still needed by the whole state, according to USDA's farm and ranch survey.

Building Increases

Construction work during 1955 will shoot over the \$1 billion mark in Texas, reports the state's construction industry.

Texas cities will spend a total of almost \$795 million for con-
