Free Chest X-Ray Program Slated Next Week End

The free chest x-ray program in the Down Town Bible room Friday and Saturday, Nov. 12 and 13, and is being sponsored by the Crowell Lions Club.

The program is being held in an effort to stimulate interest in the x-ray program here to get everyone in the county years of age or older to have a free x-ray.

It should be made clear to those who hesitate to come for an x-ray that he has nothing to lose and everything to gain by getting it. To begin with, the odds are in his favor. His x-ray will probably show a perfectly normal, healthy pair of lungs. On the other hand, suppose that he learns he has tuberculosis? Once in the early stage when it is easiest to cure. He is now in a position to arrest the insidious disease before it is too far advanced, regain his health in a hospital, and return to his family, to his work, to his place in the community.

But what happens to the man who has an unsuspected case of tuberculosis and who does not get a chest x-ray because he thinks what he doesn't know won't hurt him? Of course, it does hurt him. It is starting him all the time and it is making the disease of those that get it. His disease—undetected and untreated—can advance to a stage where treatment may be a long and difficult process. Then finally the disease is so far advanced that the symptoms cannot be ignored, he may start his fight back to health against impossible odds.

"I'm giving you people the facts, and I'm counting on you to pass them on. There is no selling point stronger than the truth. Take these basic facts with you. Anyone can have tuberculosis. Tuberculosis can be cured. Tuberculosis can be prevented and we are going to do it here in Foard County."

Friday and Saturday, November 5-6, Designated "Dollar Days" in Crowell

Friday and Saturday, November 5 and 6 will see the merchants of Crowell again offering shoppers of this area many money-saving bargains when the traditional Dollar Days are in effect in Crowell.

Crowell merchants handle complete lines of almost any type of merchandise. The consumer might want, and all people in this area are cordially invited to come to Crowell tomorrow and Saturday and take advantage of the many price slashes.

The monthly Dollar Days are sponsored by the Crowell Booster Club.

Texas Duck and Goose Season to Run from Nov. 5 through Jan. 3

Texas duck and goose hunters should have "a pretty good" season, judging by advance indications, said Howard D. Dodgen, Executive Secretary of the Game and Fish Commission.

The waterfowl season opens in Texas at noon Friday, Nov. 5, to continue through January 3. "Recent good rains in East Texas, and particularly along the Gulf Coast have provided a promising setting for the fall shoot," said the Executive Secretary.

He said reports from northern parts of the Central flyway indicated a fair population of ducks and apparently some increase in geese, especially snow geese. He added that "there is no great abundance, but enough to justify the liberal Texas season of 60 days."

Regulations are practically unchanged from last year. The duck limit is five per day, or ten in possession. The goose limit is five in the aggregate per day, or five in possession.

Shooting hours, after the opening day, are from one-half hour before sunrise until sunset. Guns must be plugged for a three-shell limit.

DOWN TOWN BIBLE CLASS

The Down Town Bible Class enjoyed an unusual musical program Sunday morning in the opening exercises when Elmo Hudgens, a former Crowell resident, and his daughter, Miss Ramona, rendered several musical numbers, including a piano solo by Miss Hudgens.

There were sixty-nine present, seven of whom were visitors. Leslie Thomas, the regular teacher, brought the morning message.

Mr. Hudgens announced that his group of singers appear on Radio Station KGNC in Amarillo every Saturday afternoon at 5:30.

Pretty Miss Loretta Gough of Young County, shown above, will represent 17 counties in this area at the Texas Farm Bureau Queen contest Nov. 8, at Galveston. She will compete against 12 other lovely Farm Bureau district queens.

Seismograph Crew Begins Operations South of Crowell

A seismograph crew of the National Geophysical Co., Inc., with headquarters in Dallas, arrived in Crowell Monday afternoon to do exploration work in the south part of the county.

The crew, which began work Tuesday morning, is composed of 14 men, with B. H. Flusche, party chief.

TO ATTEND BOARD MEETING

Rev. C. T. Aly, pastor of the First Baptist Church in Crowell, is one of 39 Baptists serving on the Wayland College Board of Trustees, which will have its first meeting of the 1954-55 session at Plainview on Nov. 8.

Mrs. J. L. Klepper of Los Angeles, Calif., is visiting this week in the home of Mr. and Mrs. T. B. Klepper. She visited last week with her brother, T. M. Westbrook, and family of Truscott.

Charley Pete Moody Killed in Highway Accident in Colorado Last Wednesday

Charley Pete Moody, 25, son of Mr. and Mrs. Criss Moody of Truscott, died on his way into Fort Morgan, Colo., last Wednesday morning, Oct. 27, after the cab of the truck he was driving was smashed by a bolter on a passing truck. He died of brain concussion and a broken jaw. The accident happened 22 miles north of Fort Morgan on Highway 52 in Weld County.

Funeral services for Moody were conducted in the Methodist Church in Truscott Saturday, Oct. 30, with a former pastor, Rev. Carl Hudson of Jayton, officiating. He was assisted by Rev. M. W. Reynolds, pastor of the church, and Rev. Wayne Ellis, pastor of the Truscott Baptist Church. A special musical number was sung by Lester Hickman.

Father of Mrs. Joe Smith Succumbs in Vernon Saturday

Ralph M. Cato, pioneer resident of Wilbarger County and father of Mrs. Joe Smith of Crowell, died about 9:30 p. m. Saturday in a Vernon hospital. He had suffered a cerebral hemorrhage Tuesday.

Funeral services were conducted at 2:30 p. m. Monday in the First Baptist Church in Vernon with Rev. Jack Merritt, pastor, in charge.

Burial was in East View Memorial Park under direction of Henderson Funeral Home.

Mr. Cato was born Jan. 1, 1884, in Grayson County and had been a resident of Wilbarger County since 1891. He was married to Miss Della Fox on Jan. 19, 1904, in Thalia.

Mr. Cato was a retired peace officer and farmer and at the time of his death was an honorary member of the Vernon Fire Department. He was a Mason and a member of the Baptist Church.

Survivors include his wife; a son, Early Cato of Rogers, Ark.; a daughter, Mrs. Joe Smith of Crowell; a daughter-in-law, Mrs. Guymon Cato of Vernon; four grandchildren, four great grandchildren, and a number of nephews and nieces.

MARKETS CATTLE

S. T. Crews of Crowell was on the Fort Worth market Monday of last week with a load of his cattle.

Texas Livestock Marketing Association, which handled the sale of the shipment reported that nineteen slaughter heifers averaged 586 pounds and brought \$17, and five other slaughter heifers in the shipment averaging \$87 brought \$15.

Swift & Co. was the buyer.

ROTARY CLUB

Program for the Rotary Club Wednesday at noon was presented by Rev. Grady Adeock and was a motion picture of scenes taken by him on a trip to the Holy Land three years ago.

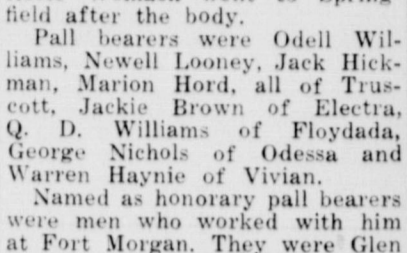

Visitors at the meeting were Rotary Vendors, E. V. Johnson, W. W. and three new student guests, J. M. Cates, Tony Jones and Ch. Gafford.

Farmer Living North of Thalia Finds Guar to Be Highly Profitable Crop

John Jokel, cooper with the Lower Pease River Soil Conservation District, is harvesting guar on his farm north of Thalia this week. Mr. Jokel has 55 acres of guar this year, some of which was planted in April and some in June.

Mr. Jokel says that the guar planted in June did as well if not better than that planted in April. He is harvesting 400 pounds of guar per acre this year in spite of the dry year. Guar seed retailed for about 10 cents per pound last planting season. Mr. Jokel is sold on guar as a soil building crop. He has been growing guar for several years now and says that it will increase crop yields following guar from 30 to 50 per cent.

"BEEF WEEK" SPEAKER

John Ben Shepperd, Texas aggressive young Attorney General, today addressed the Texas Beef Council's giant barbecue in Fort Worth, kicking off Beef Week in Texas. Plans were made to serve up to 1,000 Texas cattlemen and their guests, converging on "Cowtown" from all parts of the state.

Opening of New Slaton Station to Be Held Saturday

Opening of the new Tole's Slaton Service Station on West Commerce, 2 blocks west of the square, will be held Saturday, it was announced here Tuesday by C. L. Slaton of Quanah.

The new station, made of concrete blocks and stuccoed, has been under construction for the past two and one-half months. It is owned by M. O. and C. L. Slaton of Quanah, owners of the Slaton Oil Co.

The building for the office is 20x24 feet, with concrete driveways in front on which are located six gasoline pumps. The remainder of the area approaching the station has been graveled and hot-topped.

Leonard Tole, an experienced filling station operator of Crowell, will be manager of the new station.

At the opening Saturday there will be a free gift for each car, bubble gum for the kiddies, and one free gallon of gasoline with the purchase of 10 gallons.

News About Our Men in Service

S-Sgt. John Henry Reynolds is here spending a 30-day furlough visiting his parents, Mr. and Mrs. Charlie Reynolds, Sgt. Reynolds, who is in the Marine Corps, has just returned from Hawaii, where he has been stationed for the past two years.

Donald Reynolds, who has been stationed in England for some time, has been moved about 70 miles from his former location, and his new address is: A-2C Donald E. Reynolds, 514 Fighter Interceptor Sqdn., A. P. O. 198, New York, N. Y.

Roy Joe Cates and his mother, Mrs. Frank Cates, have recently returned to Crowell from California. Roy Joe received his discharge from the Air Force at Parks Air Force Base near San Francisco, on August 17. His mother had gone to Los Angeles, Calif., to visit her sons, Bill and R. B., intending to return home in September, but became ill and her trip home was delayed.

Joseph R. Coufal, native of the Thalia community, who is with the Marine Corps, 1st Eng. Div., in Korea, and son of Mr. and Mrs. R. J. Coufal of Jacksboro, has received injuries that may result in the loss of his right hand, according to a letter received from his mother. He is the grandson of Mrs. Etta Bell of Carriozo, N. M., and the great grandson of the late Mr. and Mrs. J. D. Johnson of Crowell.

HERE FROM NORMAN
Dr. Wm. Wade Fox and his sister, Mrs. Louis Squyers, formerly Miss Mary Fox, of Norman, Okla., and their uncle, John Donnell of Oklahoma City, were in Crowell for a short time late Monday afternoon. They were en route home after attending the funeral of R. M. Cato in Vernon. Dr. Fox and Mrs. Squyers reported that their father, W. W. Fox, pioneer resident of Foard County, passed away suddenly on May 8, 1953. He was apparently in good health and his death was unexpected.

Mrs. J. R. Beverly made a trip to Dallas this week and will return home today.

Crowell Wildcats to Play at Lockett Tonight at 7:30 o'Clock; Archer City Hands Wildcats 7-6 Loss Last Friday

The Crowell High School football team lost another heartbreaking game to the Archer City Wildcats last Friday night at Archer City by the score of 7 to 6. This makes the third time in the last seven years that Crowell has lost a game to Archer City by one point.

Crowell made 16 first downs to Archer's 2 and piled up 265 yards rushing to Archer City's 50. Crowell was playing without the services of its regular quarterback, Gordon Graves, who was injured in the Chillicothe game. However, Princess Gidney, freshman quarterback, did an excellent job on ball handling. Crowell had one touchdown called back due to a penalty; fumbled on Archer City's one-foot line on another occasion; and had two drives broken up due to penalties.

Archer City scored early in the game when Jimmy Pierce, swift Archer City back, returned a punt 55 yards for a touchdown. The same boy ran the extra point over that proved to be the deciding margin. Crowell came right back and drove 62 yards to paydirt with Gerry Knox. Roy Don Payne and Ray Gibson alternating on the ball carrying, Knox made the final ten yards. Gibson's extra point try was wide to leave the score 7 to 6.

Six Amendments Approved by Foard County Voters

Six of the proposed amendments to the State Constitution were approved by Foard County voters in Tuesday's general election. A very light vote was registered here with only about 360 ballots being cast.

Amendments approved in Foard County were: Old Age Assistance, Retirement Credits, Employee Benefits, Confederate Pension Fund, Military Voting; and Tax Officials.

Amendments rejected here were the following: State Salaries, Toll Road Grants, Women Jurors, Four Year Terms and Hospital Districts.

A baby daughter was born to Dr. and Mrs. C. D. Campbell in a Houston hospital on Oct. 26. Dr. Campbell is the son of Mr. and Mrs. Dwight Campbell.

Highway Accident in Kansas Last Thursday Takes Life of B. F. Tarver Jr.

B. F. Tarver Jr., son of Mr. and Mrs. B. F. Tarver Sr. of Thalia, was killed instantly last Thursday, Oct. 28, at 5:30 a. m., when his car hit the abutment of a small bridge on U. S. Highway 54, eight miles east of Kingman, Kansas. His companion, Herbert Cooper, of Macksville, Kan., was seriously injured but is recovering satisfactorily in a hospital in Kingman. Mr. Tarver was employed by Insulation & Special-Ins., of El Paso and was en route home after taking the business agent of the company, Hugh Thompson of Midland, to Wichita, Kansas, to catch a plane. The car was a total loss.

Funeral services for Mr. Tarver were held in the Baptist Church at Thalia Sunday afternoon at 2 o'clock with the pastor, Rev. W. B. Fitzgerald, officiating, assisted by Rev. Bob Oglesby, Methodist pastor, and Minister Howard Casada, of the Church of Christ of Thalia.

A special musical number, a duet, "Beyond the Sunset," was sung by G. B. Neill and Mrs. Delmar McBeath, with Mrs. Neill as accompanist.

Pall bearers were Ray Short, Glenn Swan, Bill Swan, Junior Swan, Hugh Thompson, James Cox, Bobbie Redwine and Charlie Moses. Flower bearers were Mrs. Mack Edens, Mrs. Hugh Thompson, Mrs. Roy, Dairman and Mrs. Bill Swan.

Womack Funeral Service of Crowell was in charge of arrangements.

Benjamin F. Tarver was born August 4, 1929, at Estelline. At the time of his death he was 25 years, two months and 24 days of age.

He is survived by his wife, Nadine; two sons, Bennie Ray and Danny Earl, of Macksville, Kansas; his parents, Mr. and Mrs. B. F. Tarver Sr. of Thalia; four brothers, J. W. of Wellington, Roy of Breckenridge, Joe of Odessa, and Ocie of Thalia; three sisters, Mrs. Milbern Gibbs of Wellington, Mrs. Carl Abel of Amarillo, Vida Jean Tarver of Thalia; a grandmother, Mrs. W. B. Morgan of Hedley, and a host of other relatives and friends.

Columbian Club to Present Speaker on Driver Education

Mrs. L. E. Dudley, president of the Texas Federation of Women's Clubs, and her executive committee, have adopted the plan to promote better driving from Texas drivers, and many speakers on driving problems will be presented.

A patrolman from the district Safety Department will be the speaker for the Columbian Club of Crowell, Mrs. V. W. Browning, president, will be hostess for this meeting which will be held Wednesday, Nov. 10, at 2:45 p. m. in the Down Town Bible Class room.

Mrs. Browning stated that "the general public is cordially invited to hear this speaker and it is hoped that groups from the clubs and civic organizations will be present as well as Columbian Club members, so that we may help to promote better driving."

Mr. and Mrs. Elmo Hudgens and daughter, Ramona, and Miss Wanda Goff of Pampa spent Sunday here visiting Mrs. Hudgens' mother, Mrs. Ike Everson, and other relatives and friends.

Band Parents Club Has Meeting Monday

The Band Parents Club met in the Band Hall Monday night, Nov. 1, for their regular meeting.

The band will sponsor the picture show, "Her Twelve Men," which will be shown on Tuesday, Wednesday and Thursday, Nov. 16, 17 and 18 at the Rialto Theatre. The picture stars Greer Garson and Robert Ryan and is in Technicolor. There will be two color cartoons as extra attractions.

The band students will make a house-to-house canvass to sell tickets on Thursday, Nov. 11.

Mr. and Mrs. Buster Cates served refreshments at the Monday night meeting.

TO CONFER DEFREE

Members of the Vernon Commandery will confer a Master Mason's degree at the Vernon Masonic hall Saturday evening beginning at 7:30 o'clock.

Refreshments will be served and all Master Masons are invited.

THERE ARE MORE GOOD PEOPLE

Almost all of us will agree to the fact that we all enjoyed a really nice Halloween. Proper homes produce proper "kids," and it looks as if everybody's been doing a wonderful job.

No longer is Halloween a night of terror and destruction. Adults ramble down the streets of town and casually discuss daily events. We can remember some years when this was not the order of events. Always one member of each family was presented with the job of guarding the home-stead.

In more recent years, activities are more fun as well as more sensible. The children get "trick or treating," and the older students are busy with parties and dances. Everyone agrees it is a much better way to celebrate a holiday.

FUTURE HOMEMAKERS OF AMERICA WEEK

Among the patriotic groups accepting the challenge of preserving our democracy is the Future Homemakers of America, a national organization of girls in junior and senior high schools. They study homemaking, and their main objective is a better home life.

The foundation of American democracy is the American home. Here, democratic ways are promoted. Sharing and respect for others' rights are instituted in the individual while at home.

Through this program of work, Future Homemakers seek to develop greater understanding among the families of the world, to promote more democracy in all phases of life, and to realize and accept responsibilities in the home. They emphasize safety and civil defense in their programs, and exchange letters and gifts with homemaking students in foreign countries.

This week, Oct. 31 - Nov. 6, has been declared Future Homemakers of America Week in Texas. Let's all renew our resolutions and be better citizens.

MOVIE PORTRAYS "MAGIC OF NASSAU"

A colorful, educational, and interesting film, "Magic of Nassau," was presented to the teachers and student body last Tuesday, Oct. 26.

A happy young married couple boarded a huge airliner for a beautiful honeymoon trip to the resort city, Nassau, in the Bahama Islands. Traveling along with this gay twosome, we were able to get a glimpse of the grandeur of the scenery along the way, not to mention the skilled architectural workmanship of the enormous buildings. Many sports and activities can be enjoyed in the resort such as swimming, water skiing, sightseeing, dancing, shopping, bicycle riding and horseback riding.

MEMORIES AND IDEALS STILL LIVE

Charley Pete Moody
 Teachers who taught Charley Pete Moody remember a good-natured, tall "all-around" youngster with a friendly smile.

Students and teachers who knew him extend their sympathy to his parents, Mr. and Mrs. Chris Moody, and to his little sister, Jeanette, who is in the sixth grade in Crowell Elementary School.

Charlie Pete had recently completed two years of service in Korea.

B. F. Tarver Jr.
 To Vida Jean and Occie Tarver and their parents, Mr. and Mrs. B. F. Tarver, we extend our sympathy as their brother, Junior Tarver, was killed in an automobile accident in Kansas last week.

A SMALL FAVOR

This year, as they have done for a number of years, the Future Homemakers of Crowell will send Christmas cards to state hospitals. Nothing was ever more appreciated than this small favor; so girls, let's all pitch in and help. Let's prove once more that the true spirit of Christmas is love and friendship and sharing.

MYSTERY SOLVED!

Have you wondered why the scandal that you have placed in the scandal locker No. 59 has never been put in the scandal sheet?

Well, the mystery is now solved. The locker has been locked with a combination lock, and the combination has been lost.

Last Monday the editors filed the lock off, and there was a pile of scandal two feet high in the locker. It was impossible to tell which were recent happenings; therefore, we threw the whole batch away.

Next week we will start with a clean slate and a new lock. The next time you put scandal in the locker, put it in before noon on Monday and you can be sure it will get in the paper.

Keep up the good work, and let's see if we can make another pile bigger than the last one in only one week's time.

DRAMA STUDENT TRIP PLANNED TO WICHITA

Midwestern has invited CHS speech students to Wichita Falls to see the play, "Ring Around the Moon," Saturday, Nov. 6.

"Ring Around the Moon" is a bit of drollery about fashionable life in Paris or almost anywhere—now or at almost any time. The authors poke fun at many of the foibles of wealthy folk and at their ineffectual attempts to use their money to buy happiness.

The school bus will leave at 6 p. m. Saturday and will return that night.

FOOTBALL AND CHICKEN - FASKE'S FAVORITES

If you should happen by any chance to see a cute senior girl about five foot seven with light brown hair "grabbling" in locker 145, you would know immediately that her name is Clara Faske.

She really enjoys watching a good football game, but when it

comes to participating she prefers volleyball, basketball or swimming! In her spare time you will see Clara reading newspapers, listening to popular music, seeing a movie starring Tony Curtis and June Allyson, playing the accordion, or reading a good book by authors such as Ernie Pyle. On the food list she prefers good old southern fried chicken topped with gravy, followed by a big piece of cherry pie.

After graduation from high school, Clara plans to continue her education by entering Midwestern University.

ELLIOTT PREFERS FOOTBALL AND BILLYE

DuWayne Elliott, a blond senior boy, reigning from Thalia, stands aglow in our spotlight for this week.

"Satch," as he is called by his friends, rates V. A. as his favorite subject, and the all-time favorite sport. Like any typical teenage boy, DuWayne longs for the day when he can loaf, fish and hunt. His favorite author is Pearl S. Buck, whose heart warming stories of the people of China capture the heart of America. He says that he knows very little about music, but enjoys any up to date song, although "Home Sweet Home" will always be outstanding to him.

In DuWayne's crystal ball, Billye McCoy occupies a prominent place.

ABSENCES

The following students were absent one-half day or more due to sickness: Elizabeth Davis, Jerry Thompson, June Ford, Albert Cates, Katie Polk, Mary Hudson, Mary Denton, Roma Jan Spikes and Dale Rettig.

The following students were absent one-half day or more due to other reasons: Jimmy New, Vida Tarver, Occie Tarver, Gaylon Whitley, Barbara Ford, Jerry Cates, Bobby Hopkins, Billy Hopkins and Joe Don Thompson.

GIRLS' BASKETBALL TEAM DRUBS MUNDAY

The Girls' Basketball team of Crowell met the Munday team in an exciting contest last Thursday, Oct. 29, in the Crowell gymnasium.

The grade school teams played for a half, and then the lively B teams took over the last half. However, the Munday B squad outscored Crowell with a final score of 30-25. Jo Ann Shultz was high point scorer for Crowell.

The A teams played last, and this proved to be a tough battle. With both squads hustling all the

way, the Crowell lassies finally topped the game with a five point lead. The final score was 38-33.

The Crowell defense looked especially good and was a beneficial factor in the victory. The guards are Sue Meason, Zonell Eddy and Charlene Borchardt. Maxine Walker also saw a lot of action.

The Crowell forwards, Frances Kincaid, Peggy Long and Billye Bell, looked very good as they dumped in a total of 38 points. Billye led in this department with 19 points.

KAT TELLS

The Kat prowled over the week end and this is what he saw: Buddy was home, and he and Patricia were together Friday and Saturday nights.

Brand new couple, Betty Jane and Ray.

Speaking of new couples, could Elizabeth and Sonny be one? Gerry helped Sue celebrate her birthday Saturday night. How old are you, Sue?

A couple that are seen rather regularly lately is Frances and Sammy.

Q-town had visitors from Crowell Saturday night. Barbara was there with Ted and Robert with Leona.

Maxine seemed to enjoy having Holly home. They were seen together Friday and Saturday nights. Spooking at the junior party Saturday night were Fran and Thaxton, Geraldine and Dwayne, Jackie and Jo Helen, Betty Jane and Ray, Coleman and Doris, Bud and Larue. We hear everyone had a good time.

Does anyone know why Thaxton was in such a hurry to leave? Who were the Lockett boys with Vera and Jonny Dee? "Trelle and Ronny were riding around Saturday night.

The hear the Sportatorium was exciting Saturday night. Seen there were Frances - Sammy, Betty Sue - Joe Jackson, Zonell - Joe Don.

Double daters Saturday night were J. C. - Carolyn and Aldon Shirley.

Although they say they were in a crowd Saturday night, it appears to the Kat that these couples were together. Jana - Ray, Sandra - Lowell, Elizabeth - Sonny. Also along were Roy Don and Joe.

Seen together Sunday night and every other night were Boyce and Peggy.

At the local flicks Saturday night were Nelda - J. M., Market - Ed, Ruth - James.

R. C. took Maxine to church Sunday night.

Was Carolyn with Billy John? If Zonell greets you with a "Howdy Pardner," it's just something she picked up at the Y Ranch with Joe Don and Anne

Home Demonstration Notes
 MRS. MARY D. BROWN

Don't forget Achievement Day is November 20. Each club is to have one educational exhibit besides bringing in things to show. Your EEE chairman is in charge of the educational exhibit but she can't do it all by herself. Only if you all help and all bring in things to show can we have any kind of Achievement Day. So don't let your club down. Remember, also that we are having the food sale at the same time. Each club is to have one poster up advertising this by Nov. 13.

Our recipe this week is for **Dried Fruit Bars**

1 cup sifted flour, 1/4 teaspoon baking powder, 1/2 teaspoon salt, 1/4 cup melted butter or margarine, 1 cup sugar, 2 eggs, well beaten, 1 cup chopped nuts, 1 cup chopped dried fruit, your choice of dates, apricots, prunes, or 1/3 cup raisins with 2/3 cup

CARD OF THANKS

We wish to express our thanks for the kindnesses shown us for the death of our dear son, brother, Charley Pete. May God's blessings be with you.
 Mr. and Mrs. Criss Moody and Jeanette.
 16-p

CARD OF THANKS

My sincere expression of thanks to the doctors and hospital staff also for each visit, the prayers and flowers while I was in the Foard County Hospital. God richly bless each of you my prayer.
 Mrs. Laura Wallace.
 16-1tp

CARD OF THANKS

I wish to thank each and everyone sincerely for sharing my sorrow.
 Your thoughtfulness is appreciated and will always be remembered.
 Mrs. B. F. Tarver Jr., Scooter and Danny Tarver, Mr. and Mrs. B. F. Tarver Sr. and Family.

Mrs. J. C. Cumley visited mother, Mrs. Hines Clark, Thursday night. Mr. and Mrs. Cumley are moving from Dallas to Houston to make their home.

Mr. and Mrs. T. L. Owens and children of Lovington, N. M., spent the week end with Mrs. Owens aunt, Miss Margaret Curtis.

chopped evaporated apples. Sift together flour, baking powder and salt. Mix in other ingredients in the order given. Use a shallow baking pan (9"x13") with waxed paper and spread batter mixture on it. Bake at 350 degrees F. (moderate oven) 25 or 30 minutes. Several minutes after removing from oven, cut into bars about 1"x3". Turn out on rack, peel off paper. Roll warm bars in confectioner's sugar.

Meet your local Santa Fe agent

Your local Santa Fe agent is a transportation expert. He is in business in this community to serve your shipping and travel needs—to see that you get the most for your money from Santa Fe services and facilities.

For shippers, your Santa Fe agent can supply complete information on freight rates, schedules, and the many services available to Santa Fe shippers. For travelers, he can sell tickets to any destination, secure train reservations, and provide complete travel information for any trip.

YOUR SANTA FE AGENT IS AS CLOSE TO YOU AS YOUR TELEPHONE. CALL HIM TODAY FOR EXPERT ADVICE ON YOUR TRANSPORTATION PROBLEMS.

Heart Disease Is Leading Cause of Deaths in Texas

Heart disease is the leading cause of death in Texas, declares Dr. Henry A. Holle, State Health Officer. It takes more lives each year than cancer, accidents or any other cause of death, in fact one third of all deaths are due to heart disease and the toll is rising. It can be curbed if you will have a periodic health examination by a qualified physician and follow his instructions for protecting your heart.

An annual physical examination sometimes brings to light adverse conditions, many of which can be corrected before they cause serious damage. Only a physician can recognize for certain the danger signals of heart trouble, and tell you how to care for yourself. If your physician tells you to slow down or reduce your weight, to cut down on your heart's workload, heed his advice. He wants to help you take care of your heart and to keep you in good health. There's no replacement possible.

The heart needs good care to stay in good running order. Almost anything you do affects your heart. The food you eat, the stairs you climb, the hours you sleep, the pace you set for yourself, your illnesses, the worries you brood over, the tension you live under—all affect your heart. These are the patterns of your life. These are what make you tick. These conditions play roles in making your heart the kind of heart it is. And there are indicators to warn you of trouble, if you look for them.

The heart can work at a fast pace, and under handicaps, for a

long time, because it draws on its reserve power. But when the reserve power of the heart begins to wear out, you experience some of the symptoms commonly associated with heart disease. You may experience a shortness of breath, pain over the heart or breast bone, swollen ankles, and heavy and uneven heart beats.

Gonzales Crippled Children's Center Has New Building

A new building for the Gonzales Warm Springs Foundation for Crippled Children has been completed and was dedicated on Sunday, Oct. 24. The dedication ceremony offered the general public an opportunity to visit and inspect the new Midland Building, which has already been occupied and enables the Foundation to extend its services to many more of the crippled children of Texas.

The completion of this building makes possible a centralization of some of the administrative fa-

ILITIES that have heretofore been located in four of the other buildings on the hospital grounds. The Midland Building now houses the administrative offices, staff offices, recreation room, lounge, library, commissary, therapy rooms, dining room and kitchen. In removing these functions from the nearby buildings, space will be available for forty additional beds. This will bring the total number of beds in the hospital to 140.

It is interesting to note that general hospitals are not usually equipped to render the long term, highly specialized and individualized rehabilitation services that are available at Gonzales Warm Springs Foundation. There is an ever increasing need for space in which the physically handicapped may begin a well planned program of rehabilitation under specialized direction in order to avoid a permanently handicapped life. When these factors are considered, it is easy to see the importance that can be attached to a new building and additional bed space at this Texas treatment center.

Ross Boothe, president of the Board of Directors for the Foundation, said, "We welcome people of Texas to visit the Foundation upon this memorable occasion to see the facilities and services that are available at this hospital, which was the first physical medicine and rehabilitation specialty hospital to be accredited by the American College of Surgeons. Its doors are open to any Texas child who can benefit, regardless of race, creed, color or financial condition."

which electric companies seek to construct hydroelectric projects at places like Niagara Falls, the Snake River, the Pacific Northwest and elsewhere. They have some queer ideas about the waste or conservation of the nation's natural resources.

When an electric company develops our water resources, it adds something to our national economy—it doesn't take something away. It uses funds entrusted to it by investors to construct a power project, and sells the resulting electricity at rates regulated by government bodies. Then like other businesses, it pays high taxes to federal, state and local governments—on the average 22 cents out of every dollar of revenue taken in—a real addition to public treasuries that helps hold down taxes for the rest of us.

Public power supporters would have the government use public funds (tax money) to build the same hydroelectric facilities, even though this adds to our taxes and government debt. Then they want federal and local agencies to market the electricity at rates based on exempting the public power bodies from all or most of the taxes that other utility companies have to pay.

In other words, they want to replace self supporting electric companies with a real "give-away" power system that opens a permanent hole in the public treasury.

Our Weekly Sermon

Prescription for Happiness

Over in England many years ago, a little man was working on the highways with pick and shovel. Gipsy Smith has related that "he was happy as a saved man knows how to be, his face shining like a quarter of an acre of sunshine." Not far off was a gypsy camp, and among the many tents was one in which lived a miserably unhappy man, one who knew he needed something, but did not know what he needed. In his tent, the only home he had, there lived with him five motherless children, dependent alone on their father for love and care.

as a guaranty that the bidder, if successful, will consummate the purchase. Proposals will be received on or before the hour and date set for the opening thereof, and must be in the hands of the official indicated by that time. The price bid for the property shall include the amount of \$11.40 to cover the cost of advertising the property as required by law. The right is reserved by the State Highway Commission to reject any and all proposals or to waive all technicalities. When submitted by mail, the bids shall be addressed to Mr. Palmer Massey, P. O. Box 829, Childress, Texas.

Bidding forms and any additional information may be obtained at the office of Mr. W. V. Favor, Sr., Maintenance Foreman, Quanah, Texas. Certified or Cashier's Check of the highest bidder may be retained until after the purchase is consummated. Check of all except the highest bidder will be returned within forty-eight hours after opening bids. 15-3tc

FREE WORLD RECORD

The free people of the world were better fed and better clothed during 1953 than in any previous year, as a result of the fact that these nations had the greatest gross production of goods and services in their history last year, according to Harold E. Stassen, director, Foreign Operations Agency.

Texas has slightly less than 5 per cent of the total U. S. population, but in 1951 it had more than 6 per cent of total TB deaths in the U. S.

NOTICE OF SALE

Sealed proposals for sale to the highest bidder for the purchase of the old warehouse and site at Crowell will be received at the office of the District Engineer, Childress, Texas, until 10 a. m., Nov. 16, 1954, and then opened and read publicly. The property is located on the northwest corner of State Hwy. 283 and Railroad Street and consists of 4 lots, total of 200' x 140', more or less. The property will be conveyed by quitclaim deed, and abstracts as furnished by the sellers to the State, with such corrective documents as required by the Attorney General, will be furnished to the purchaser. Bidders or authorized agents are invited to be present. Each proposal shall be accompanied with a Certified or Cashier's Check on a State or National Bank of Texas for \$50.00 made payable to the order of the State Highway Calves, sheep, rabbits, etc. During this first meeting of the new club year, the group studied about the maintenance and safety of tractors. Each boy was given a kit on taking care of tractors. This kit is to be completed and the best kit will be given an award. Commission of the State of Texas

New Outrigger Rear Springs

Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering.

And look what you see from the driver's seat

New Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view of the road ahead. And you can see all four fenders from the driver's seat!

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Brake and Clutch Pedals pivot at the top, swing downward with a light pressure of your toe.

A ventilating system that really works

Chevrolet's new High-Level Ventilating System takes in air at hood-high level, away from road heat, fumes and dust.

Even Air Conditioning, if you wish

Air is heated or cooled by a single highly efficient unit that requires no trunk space! (V8 models only.) It's just one of the wonderful extra-cost options Chevrolet offers!

Tubeless tires as standard equipment

You get this great tire advance at no extra cost! Proved tubeless tires give you greater protection against a blowout... deflate more slowly when punctured.

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Chevrolet and General Motors have started something—a whole new age of low-cost motoring —by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars. Lots of car buyers have wished for such a car. Lots of automotive engineers have dreamed about it. But there were plenty of reasons why it couldn't be done. Then Chevrolet and General Motors designed and built a car to fit the dream—the **Motoramic Chevrolet!** Come in and see how the Motoramic Chevrolet for '55 is far more than a completely new car. It's a whole new idea about cars!

Come in and meet the **motoramic Chevrolet**

Conservation Is a Local Matter

The President of the American Watershed Council, a national non-profit organization which believes that conservation is primarily a local matter, recently said that students of our water problems are generally agreed on three principles.

First, in the past, too much emphasis has been placed on

Dear Editor:

... the letters start. Then from all over the free world come such comments as those from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straightthinking people..."
 "I returned to school after a lapse of 10 years. I will get my degree from the college, but my education comes from the Monitor..."
 "The Monitor gives me ideas for my work..."
 "I truly enjoy its company..."

You, too, will find the Monitor informative, with complete world news. You will discover a constructive viewpoint in every news story. Use the coupon below.

flood control and not enough on flood prevention. Second, generation of hydroelectric power should be incidental to the primary purposes of flood control, reclamation or navigation in the planning of water projects. Third, a broad base of cooperation should be substituted for present dependency on single-purpose government agencies.

Actually, past water policy has, in large measure, been framed by men whose main goal was socialization of the nation's electric power facilities, and the creation of an iron-clad government monopoly in this field. Enormously costly downstream "flood control" dams were advocated and built which, when the time came, could do little or nothing about the floods, for the reason that they were full of water needed to turn the generators and produce power. The "big dam" craze was primarily the creation of social-minded cliques.

The three points made by the Watershed Council's president seem to be squarely in accord with present top-level thinking and the "partnership plan" for resources development. If such a plan is to succeed, the private power companies and local governments must be major factors, and the federal government must participate to the minimum extent. Then, and only then, can we have sound flood control and prevention coupled with efficient hydroelectric development. Last but not least, the saving to the taxpayers will be enormous.

A Texan died of tuberculosis every four hours and 28 minutes in 1951.

Practical Public Ownership

It's hard to imagine how completely our modern civilization would stop if the electric power supply were cut off. Because it reaches so broadly and deeply into every phase of modern activity, whether it be in the home, the hospital, the factory or the business house, the per capita consumption of electricity is a reliable indicator of a nation's development and progress, as well as its growth. In nine years since the end of World War II, the electric industry has doubled its generation capacity and long range forecasts indicate that only 11 years from now—in 1965—the demand for electric power will be double what it is now.

It took \$14,000,000,000 of capital investment to achieve this astounding expansion, unequalled anywhere in industrial history. Three million stockholders with faith in our private enterprise system put up the money along with some 90,000,000 other Americans who are indirect investors through ownership of life insurance policies, mutual savings bank deposits, pension funds, etc. America is growing and it is good business for the investor owned electric industry to be one step ahead. This is the dynamic story of private enterprise in action. It is also a story of real public ownership that strengthens freedom and opportunity.

Important "Jet" Alloys

The Nimonic and Inconel series of high nickel alloys constitute one of the most important groups of alloys developed to meet the demand of jet engine manufacturers for materials with resistance to heat and oxidation at elevated temperatures. These alloys, which are employed widely in components of aircraft gas turbines, will retain their strength at temperatures as high as 1500 degrees Fahrenheit.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Oct. 31, 1924:

Thirty-two new cars have been registered in the past two weeks, one Star, four Chevrolets and twenty-nine Fords.

In the general exhibit at the State Fair, Rob Cooper took first prize on red oats.

The morning of Oct. 24 was the coolest morning since spring gave way to summer.

The Thalia school opened Monday morning in the new building with 140 pupils and a full corps of teachers.

Three thousand bales of cotton had been weighed the first of the week and up towards 100 bales per day were being weighed, according to C. W. Thompson, public weigher.

Kelly Woodall came in this week from Knox City to accept a position with the Crowell Utilities Co. in the erection of the new lines now under construction. He was here with the Haskell Telephone Co., several months ago in construction work.

Miss Cassie Dockins, head nurse of the Knox City sanitarium, spent Wednesday with her parents, Mr. and Mrs. A. J. Dockins.

A. W. Lilly is opening a garage and filling station in Foard City.

Rev. J. H. Hamblen passed through Crowell Tuesday en route to Abilene to attend annual conference.

Miss Hattie Eldridge left Monday for Childress County where she will teach school.

Dick Seale was over from Vernon Wednesday and Thursday on a business mission.

N. J. Roberts and J. R. Beverly and wife are in Lubbock where the men are making arrangements to enter the real estate business.

Mr. and Mrs. J. N. Nislar visited Mr. and Mrs. T. B. Klepper from Sunday afternoon until Monday. They were en route from Gainesville to Lubbock to make their home.

Controlled Expansion Alloys

The most useful property of the alloys with 30 to 40 per cent nickel is their exceptionally low coefficient of expansion. These alloys are used for a series of industrial applications, such as measuring tapes in instruments requiring fixed points under varying temperatures, in the watch making industry and for bimetallic thermostats. The United States Bureau of Standards has found that tapes made of these alloys will vary less than one part in 500,000 after six months use in the field.

Nickel Alloy Steel Pipe

Concealed piping used for such diverse applications as indoor radiant heating and removal of snow from city streets is often made of nickel alloyed steel because of this alloy's resistance to corrosion. In addition, it can be readily threaded or welded.

Notes and Comments

Good music often achieves surprising results.

The other day we were in a crowd of two.

Mother's little man usually turns out to be just that.

A good dog is usually worth twice his weight in "good" friends.

Somehow the pretty girls get prettier each year, or are we getting old?

Coffee is good but more and more people are beginning to prefer money.

Speaking of dances, some achieve results and others achieve rhythm.

Travel is educational; it teaches appreciation of the home, among other things.

Age improves most wine and most people, although some people take a lot of aging.

Never be surprised at the doings of fellow human beings; nothing is too fantastic for some of them.

Most of the gossip in this community is one of two things; imagination or jealousy — or combinations thereof.

The successful business man, like the successful politician, advertises his wares regularly and intelligently.

If there are those who lie about the Communist menace in this country to win attention and votes, they are serving the Kremlin well.

The rest of the Roosevelt boys will have to do some fast thinking to get as much publicity as James has been given recently.

The world would be a nicer place to live in if just about everybody didn't have an axe to grind or a motive behind his (or her) behavior.

While we may be heading into rough times, it is well to remember the economists have been forecasting a recession every year for the last several years now, having been wrong, and may not have the answer this time.

Tuberculosis will strike 115,000 new victims in the U. S. this year, national statistics show. The 1950 census gave Texas approximately 5 per cent of the total U. S. population. In 1951, forty states had a lower TB death rate than Texas.

Pupils of Mrs. Allen Sanders Give Recitals

A series of small musicals was staged last week by the piano pupils of Mrs. Allen Sanders, in the home of their mothers. The recital was on Tuesday, Oct. 26, and was given by Mrs. Leon Speer. The children came dressed in Halloween costumes to play. Jo Wynn

Ekern, Ronnie Sue Oliphant, Sharon Everson and Mary Sue Speer sang songs, playing their own accompaniments. Sharon Everson, Beverly Thompson and Arcina Garrett played a trio, "Three Blind Mice," and solos. They also played a "March" with rhythm instruments.

On Wednesday, the musicale was at the home of Mrs. Nelson Oliphant. The living room was

suggestive of Halloween with its decorations, and the girls were dressed in their colorful costumes. Pupils who played solos were Sue Sanders, Carria Driver, Judy Barker, Carolyn Denton, Carolee Oliphant and Alta Nell Bartley.

Later in the afternoon on Wednesday, Mrs. Irving Fisch was hostess to a group of pupils and their mothers.

Charlotte Sledge, Danny Callaway, Jo Frances Long, Janie Bowers, Carole Fisch, Kay John-

son and Barbara Goodwin played piano solos. Danny Callaway and Janie Bowers also played "Oxen Duet" by Haydn.

Mrs. Grady Adcock's home was the place a group met on Thursday, Oct. 28, at 4:30. Mary Kay Coffey, Paula Sparks, Judy Adcock, Marolyn Denton and Judy Sandlin played for their mothers and other guests. The children, in costume, enjoyed a lively game after the program.

Another group met at the home

of Mrs. Houston Adkins. Pat Prosser, Roxie Adkins, Mary Ann Brown and Gay Johnston played solos. Pat and Roxie also played a duet, "Merry Shipmates."

All of the hostesses served refreshments. Every mother was present to hear her daughter play.

This week, Mrs. Moody Bursey was hostess to another group. Maxine Walker, Carolyn Bursey,

Noel Wilkins, Betty McKown, Sandra Campbell and Carolyn Sue Monkres played piano selections.

RUMMAGE SALE SATURDAY

The senior class of Crowell High School will have a rummage sale on the south side of Wehba's Cash Grocery Saturday, Nov. 6. Any donations will be appreciated. Call 52-R for pickups. 16-1tp

Plenty of money to loan on farms and ranches. Liberal prepayment privileges. No charge for inspection. See us.—Roberts-Beverly Abst. Co.

Mr. and Mrs. Joe Mark Magee and three children of Pampa visited over the week end in the home of his parents, Mr. and Mrs. R. R. Magee.

DO IT ELECTRICALLY!

Running a house may not be a bed of roses. But with Reddy Kilowatt, your electric servant, ready to serve you 24 hours a day, it's easier than it used to be.

Your electric servants save you time — save you work — let you enjoy spare time for relaxing, hobbies, outside activities. Just go through your home, look at all the electrical appliances that are ready to serve you at the flick of a switch.

Then, take a look at the family budget. Amazing, isn't it, that so much convenience, so much service can be yours for so little money. No doubt about it, your electric service is still the biggest bargain in your family's budget today!

Thomas Lee Tamplen and Miss Betty Brock Married Saturday

Marrriage vows for Thomas Lee Tamplen and Miss Betty Lou Brock were exchanged in a double ring ceremony at the parsonage of the First Baptist Church Saturday afternoon at 4:30 o'clock with only members of both families being present. Rev. C. T. Aly officiated at the ceremony.

The bride is the daughter of Mrs. Veatrice Brock and the late Mr. Brock. She chose a pink and white dress with black and white accessories for her wedding and carried a bouquet of white carnations on a white Bible. The tradition of wearing something old, something new, something borrowed and something blue was carried out.

The groom is the son of Mrs. Luther Tamplen and the late Mr. Tamplen, and has recently received his discharge from the Navy. He is operating his mother's farm east of Crowell where the couple will establish their home.

The couple made a short wedding trip to points in New Mexico, returning to Crowell Tuesday.

ADELPHIAN CLUB

The Adelpian Club met in regular session on Oct. 27. Mrs. Virgil Johnson called the meeting to order and welcomed the Sub-Junior Clubs of the Columbian and Adelpian Clubs as honor guests of the meeting.

The leader, Mrs. Lewis Sloan, introduced Mrs. George Gideon of Vernon as guest speaker. Mrs. Gideon is a very popular book reviewer and has graciously donated time and talent to various clubs in her home town. She reviewed the book "God Bless This House" by Nora Luff in a most entertaining manner, stressing various characters as generations passed, some giving their best to it, others destroying the work of past owners, but in spite of the trade-winds of life that buffeted about its occupants, the old ancestral mansion stood as a monument of architectural beauty lending charm to its landscape, loved by all of England that passed its way.

Mrs. Guy Todd, Mrs. H. N. Ekers and Mrs. Bill McClain were hostesses for the occasion. The Halloween scheme was used throughout the living room suite and a dainty tea table lent its charm to the Halloween motif.

Mrs. A. M. Hiatt of Vernon and Mrs. Mike Rasberry of Crowell were also guests at the meeting.

For Sale — Special on young parakeets, \$3.50 each. — Ma-jorie Oliphant. 16-27c

Margaret MRS. BAX MIDDLEBROOK

Mr. and Mrs. J. D. Mahoney of Quanah and Captain Bulah Mahoney of Lawton, Okla., spent Wednesday night with Mr. and Mrs. G. C. Wesley.

HALLOWEEN PARTY

The Ruth Class of the Baptist Church held a Halloween party in connection with a business session at the home of Mrs. Glenn Goodwin on Thursday evening.

An outstanding, helpful devotion was given by Mrs. W. F. Statser. The business session followed.

At the Halloween party, all those present were in costume and included Mesdames Ed Gafford, Carl Cox, Henry Dixon, W. F. Statser, Houston Adkins, Milburn Carroll, Otis Coffey, Dan Callaway and the hostess, Mrs. Goodwin. Visitors present were Mrs. Joe M. Macee of Pampa and Mrs. Walter Cates of Crowell.

Appropriate refreshments were served at the close of the meeting.

For Sale — 12,000 bundles of feed, partly headed. — W. R. Moore, Thalia, phone 2497. 16-37c
