Baylor County Commissioners Approve New Route for Seymour-Crowell Road

In a meeting Monday of last week in Seymour, the commissioners court of Baylor County approved the new route for the Seymour-Crowell highway as recently designated by the State Highway Department. The following news item appeared in last week's issue of the Baylor County Banner:

"The county commissioners court convened Monday for an all-day session, the first since the heavy rains of the past two weeks which kept them busy making road repairs in their respective precincts. All members, Vaughn Owen, C. D. Devrow, Carl Snyder, C. M. Caseberry and County Judge James F. Lester were present.

"Chief item on the agenda was disposition of the Crowell highway question. The commissioners had not met since a new route was approved by the State Highway Department. They voted favorably, or approved the new route as designated by the highway department, which goes out the Lake Kemp road to the end of the present pavement and angles in a general northwest direction, across the Wichita River, connecting with the previously designated route there.

"Additional right of way on the lake road will have to be bought, to increase the width to 120 feet. New right of way will have to be secured from the lake road to the Foard county line. An estimate of the cost will have to be determined before the commissioners will know if the project can be financed out of present tax structure, or if a bond issue will have to be voted.

"Foard County voters approved a bond issue to pay for their part of the highway last spring, at the time Baylor county defeated two issues."

NETHERLANDS OFFICIAL VISITS U. S. — Netherlands Foreign Minister Joseph Luns visited Secretary of State Dulles in Washington, D. C. Luns said he was "grateful for this useful opportunity for a frank exchange of views between two friendly governments." He said the conversation was so frank and confidential that he could not reveal its contents.

Grandson of Hugh Thompson Killed in Car Wreck Oct. 14

Sammy Wayne Long, 21, grandson of Hugh Thompson of Levelland, former Thalia resident, was killed instantly last Friday night in an automobile accident a short distance south of Levelland. He was the son of Sarvis Long of Levelland and the former Ellen Thompson, deceased.

Funeral services were held Sunday afternoon in the Austin Street Church of Christ in Levelland with burial in the city cemetery.

He is survived by his wife and 15-months old daughter; his father; one half sister and one half brother; his grandmother Long and grandfather, Hugh Thompson, all of Levelland, and several aunts, uncles and cousins.

Those attending the funeral from this vicinity were Mrs. Grover Nichols and Mrs. Tom Abston of Crowell, and Garland Thompson and Isabel Thompson of Vernon.

Wildkittens Defeat Vernon Team 20-0 Monday Night

Crowell won a double-header in football Monday night when the undefeated Crowell Grade School team, coached by Gordon Erwin and Glen Taylor, defeated the Vernon Grade School team 20 to 0 at Vernon. In a practice scrimmage made up of freshmen and sophomores, Crowell won by a 27 to 12 count.

Jimmy Henry scored all three of the Wildkittens' touchdowns on runs of 10, 25 and 22 yards. However, he received plenty of help from the other members of the Wildkitten squad: Fredrick Youree and Bill Graves, ends; Billy Smith, Joe Barry, Don Toie and Don Keith Lyons, tackles; Jerry Eubanks, Jackie Hickman and Gordon Fish, guards; Thomas Crowell, center; and Ivan Cates, Roy Ford, Duane Nichols and George Moss, backs.

Touchdowns were scored by the following Crowell boys in the "B" string scrimmage; two by Gerald Bradford, and one each by Roy Don Payne and Billy Everson. Other Crowell boys who saw service in this scrimmage were David Carpenter, Louis Rettig, Joe Calvin, and R. H. McCoy, ends; James Doyal, Dale Rettig, Duane Johnson, Eugene Monks and Ronald Yarborough, tackles; Ray Thomson, Gordon Cates and Don Lee Daniel, guards; Harvey Smith, center; and Henry Fiske, Gerald Bradford, Roy Don Payne, Larry Sledge, Delton Parkhill, Charles Todd, Billy Everson and Edward Howard, backs.

Larry Sledge did an excellent job at the quarterback post. With more experience, he should prove to be an able substitute to Prinitis Gidney, regular quarterback.

Mrs. Frank Chedester Dies in Edmond, Okla.

Mrs. Frank Chedester, 81, who was well known by many elderly residents of this community, passed away in a hospital at Edmond, Okla., last Saturday night. Funeral services and interment were held Monday afternoon. Her home was in Britton, Okla., a suburb of Oklahoma City.

Mrs. Chedester was Miss Bennie Howell before her marriage and was a niece of the late Mrs. J. G. Witherspoon. She was reared by Mr. and Mrs. Witherspoon who, at that time, operated a ranch south of Crowell.

Reserve Tickets Now on Sale for Crowell-Chillicothe Game

Three hundred reserve tickets for the Crowell-Chillicothe football game that is to be played in Chillicothe Friday night, went on sale here Wednesday. Tickets can be purchased at the following four places: DeLuxe Cafe, Ferguson Drug Store, Shirley-Youree Drug Store, and L. A. Andrews' office in the court house.

Chillicothe is undefeated for the season and boasts two conference victories. The Wildcats have won one conference game and lost one. They will have to upset Veon Scott & Co. to remain in the race for the district championship.

ELECTED TO WOMEN'S FORUM AT N. T. S. C.

Jean Whitby of Crowell has been elected as a sophomore representative to Women's Forum at North Texas State College.

Approximately 115 students voted for the 58 positions in the all-college election held Oct. 5.

Miss Whitby, the daughter of Mrs. John P. Cogdell, is a member of Alpha Lambda Delta honor society, Junior Mary Arden literary club, Women's Forum, and has pledged Alpha Delta Pi.

Foard County's Rural Traffic Accident Summary Released

Captain K. B. Hallmark Jr., commanding officer of the Wichita Falls district of the Texas Highway Patrol, has released Foard County's rural traffic accident summary for September, 1955.

The highway patrol investigated a total of two accidents with the following breakdown: 1 personal injury and 1 fatal accident.

Captain Hallmark reported a total property damage of \$1,120 with 2 persons injured and 2 killed. This is an increase of 2 accidents and 2 deaths for the same period of 1954.

Legion Members Urged to Pay Dues

Glenn Goodwin, adjutant of the Gordon J. Ford Post, American Legion, urges all Legionnaires to pay their dues before Nov. 1. The 13th District, of which the local post is a member, is leading all 21 districts in Texas in recruiting new members during the current membership drive. Adjutant Goodwin reports:

"Veterans are becoming increasingly aware of what the Legion has done and is doing for them," he stated.

The district already is beyond the halfway mark in its annual fall membership campaign and its quota.

Crowell Wildcats Defeat Holliday 34-0 Friday Night; Next Game at Chillicothe

The Crowell High School football team defeated the Holliday Eagles 34 to 0 in its second conference game of the season at Holliday last Friday night. The Wildcats scored their first touchdown early in the game on a 72-yard drive that culminated when Jerry Pittillo recovered Ray Gibson's fumble across the goal line. The second touchdown came after a 51-yard drive that Roy Don Payne carried over from 34 yards out. Jimmy Thaxton ran the extra point to leave the first quarter score 13 to 0.

Crowell scored only once in the second period on a 74-yard drive.

Thaxton followed some excellent blocking on the part of Crowell's line to make a 46-yard run for the third TD. Gibson kicked the extra point to leave the count 20 to 0 at halftime.

Two touchdowns were scored in the third quarter. One was on a 75-yard drive. Gibson made the last 15 yards on a nice run that was set up by key blocks by C. T. McDaniel and Lindell McBeath. Gibson again kicked the extra point. The last score came from a 73-yard drive that was set up by a 39-yard pass play from Prinitis Gidney to right end Dwayne Boren. Payne ran the last ten yards for the score. Gibson kicked the extra point to make the final score 34 to 0. Crowell used mostly reserves during the last quarter.

The bright spots in Crowell's playing were: three pass completions by Gidney for 57 yards; 169 yards running by Roy Don Payne for a 12-yard average, and the defensive playing of a couple of freshmen, David Carpenter and Gerald Bradford. The entire squad looked much better against the weak Holliday team. Jack Erwin stood out for the Eagles.

Crowell travels to Chillicothe this week to play the favored Chillicothe Eagles, who have been picked to win the district.

Students from the music department of Midwestern University in Wichita Falls gave a musical program for the Tuesday noon luncheon of the Crowell Lions Club. Members of the group were Mrs. Dorothy Hughes, Lon Anderson and Phil Baker, who were accompanied to Crowell by John Tower, member of the Midwestern faculty.

The program was in charge of Eddie Rickard, Crowell High School band director. Mr. Tower introduced the program which included two solos by Mrs. Hughes and two by Mr. Anderson, who also sang two duets. Mr. Baker served as pianist for all the numbers.

Mike Bird, president of the club, announced that the carnival sponsored by the club last Thursday, Friday and Saturday nights, netted the club over \$500.00 after all expenses had been paid. The money will be used by the sight conservation committee and for other worthy projects that may come up during the year.

Over 1,500 bales of cotton of the 1955 crop had been ginned by the five gins in the county by Wednesday at noon. The total number reported was 1,541.

Weather conditions have been ideal and the grade of the cotton is improving daily. Cotton picked immediately following the heavy rains showed considerable damage. The yield per acre promises to be better than was estimated at the first of the season. Cotton in the Rayland community is estimated to average one-half bale per acre.

The five gins in the county are the Farmers Co-Op. Gin and Crowell Gin in Crowell, West Texas Gin at Margaret, Farmers Co-Op. Gin at Thalia and the Rayland Gin at Rayland.

Three names have been added to the Crowell Cemetery Association's "\$25 Club" the money to be used in improving the sexton's house at the cemetery. Mrs. N. J. Roberts, president, announced this week. This brings the total number up to eleven. Mrs. Roberts stated:

The three new members of the club are Merl Kincaid, Mrs. W. R. Womack and Lawrence Kinsey of Carrollton.

She also had the following to say with reference to the rummage sale:

"The rummage sale scheduled for Saturday in Mrs. Selved's building on the west side of the square, is our first attempt to raise funds, other than volunteer gifts, in some ten or fifteen years.

"Proceeds from the sale will be applied on permanent improvements, and we are expecting whole-hearted support from all well-wishers.

"The building will be open Friday afternoon. Call me for further information."

Location Staked 6 Miles West for New Wildcat Oil Test

The drilling rig was moved Wednesday to the site of the T. D. Humphrey & Sons, Ltd., No. 1 Beryle Dodson Self, wildcat test six miles west of Crowell. Location is 330 feet from east line and 467 feet from south line of the north half of section 8, S. P. Ry. Co. survey, on the H-Anchorage Ranch.

Drilling will start within a short time.

YOUR CHANCES OF WINNING A PRIZE CONTEST

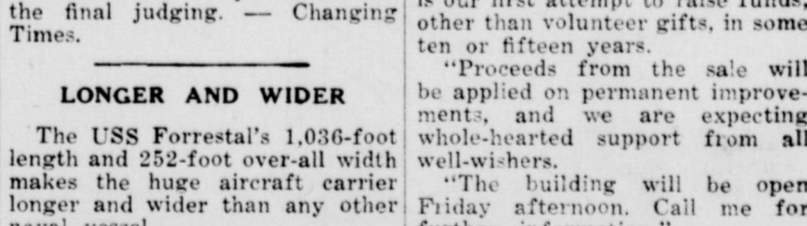

If you're thinking of entering a big prize contest, here are the statistics on your chances of winning. Twenty to 50 per cent of the entries are discarded at the onset for failing to observe the rules. As many as 20 per cent are dropped at the preliminary judging for ratings on originality, aptness and sincerity. Of those entries still remaining, most are eliminated by a rating chart. Perhaps 600 of the many thousands of entries will be passed on for the final judging. — Changing Times.

A TEN THOUSAND DOLLAR BILL

(From the Ram Page, San Angelo College paper)
The chances of a student at CHS ever seeing a \$10,000 bill, or of obtaining one are very slim. According to press reports, these bills in circulation in April, compared to 6,000 in 1940.
The government is not printing any new bills and those in circulation are gradually being retired to the vaults of the Federal Reserve System of the Treasury Department.
Maybe you are asking what one of these \$10,000 bills looks like. On one side is a portrait of Salmon Chase, first secretary of the treasury in the Lincoln cabinet. On the other side is an elaborate inscription made up of three words, "Ten Thousand Dollars."
It is said that 100 of these bills are framed in plate glass at the entrance to the Horseshoe Club in Las Vegas, Nevada—that amounts to one million dollars!
Most owners of \$10,000 bills are unknown. Naturally, banks demand to know the identity of anyone who tries to change one of the bills and they also want

to know where it came from. Although we doubtless have never seen a \$10,000 bill, this does not mean that we are by any means poor. We, the students of CHS, are rich in more than dollars and cents. We are given the opportunity of good friends, fine health, overall happiness, and the good fortune of attending one of the best schools in the biggest state in the country.

DALLAS FAIR ENLIVENED BY CROWELL FHA GIRLS

After the roaring time at the ball game last Friday night at Holliday, one would think that a bus ride to Dallas would be calm, cool and collected, but that person was deceived if he was thinking of the FHA buses. From the moment they stepped on the bus until they arrived in Dallas about 3:30 p. m., the girls chanted TV commercials, yodeled, flirted, etc. Sleep was the least of their worries.

Interests were Ice Capades, rides on the Midway, dress reviews, exhibitions, horse shows, Dancing Waters, Pajama Game, car racing, etc.

As the few stragglers crawled on the bus Saturday night at 9:30, they made their weary ways to the few unoccupied seats and collapsed, some of them tightly hugging their beautiful prize teddy bears.

The girls, sleepy as they were, continued noticing the sights. At approximately 9:45 they were staring wide eyed at a two story house when suddenly the bus screeched to a stop. "Fine time for a flat" thought all the kids, when, out of gloomy darkness came a yell, "All right, everybody out. We bunk here tonight." In a very short time the entire group settled down and the large house was quiet.

About 10 o'clock the next morning the trip homeward was begun. It was a drowsy but happy group that arrived in Crowell about 4:30 Sunday afternoon.

Those making the trip were George Fox, Mr. and Mrs. Allen Taylor and Rita, Mrs. Doyle Kenner, Mrs. Lewis Sloan, Mrs. Ray Duckworth, Mrs. G. L. Sledge, LaVoy Rummel, Peggy Long, Francryne Coffey, Doris Smith, Saundra Choate, Dana Roberts, Anna Marie Fiske, Roxiann Adkins, Judy Vaughn, Dianne Sledge, Margaret Bullion, Gayle Taylor, Gay Johnston, Mary Ann Brown, Jeanie Johnson, Bettie Knox, Patricia Prosser, Doris Cates, Louise Gordon, Janis Crowell, Patsy Mechell, Karen Hall, Carolyn Monkes.

CHS STUDENTS INSPIRED BY TALK
On Tuesday, Oct. 11, an assembly was held in the auditorium. Senior class president, Ray Gibson, introduced Rev. Grady Ad-

cock, who in turn introduced Rev. W. L. Porterfield, minister of the Methodist Church of Post. Rev. Porterfield was serving as evangelist for the Methodist revival. He gave a short but inspiring talk urging the students to walk circumspectly, carefully noticing everything in their path on their way through life.

FHA GIRLS STRIVE TO FURNISH COTTAGE

The FHA girls have really been energetic in selling candy for the homemaking cottage.

The girls have been divided into five teams, and all have been working hard because the winning team will be entertained by the losing team.

The team captains are Jo Helen Aly, Patricia Todd, De Anna Ferguson, Pat Cates, and Anna Marie Fiske. The money will be used to help furnish the cottage.

ATTENDS MEETING

Mrs. E. C. King, librarian, attended an all day meeting of the Texas Library Association in Snyder last Saturday. Miss Louisa Grace Erdman, author and lecturer and a friend of Mrs. King's, was the principal speaker. We have a number of Miss Erdman's books in the library.

NEWS, VIEWS AND INFO

What happened to those loyal Seniors who were going to help with the ducking pond Saturday night? Out of 12 who had signed up to help, only four kept their promise. How would you like to sit 45 minutes with cold, wet clothes? Oh, well, we can detect dependable people rather early in life.

The Juniors had the pleasure of ordering their Senior rings last Friday. They will be the same style as the classes have adopted a standard ring for CHS. The familiar figure of Lonnie Smith of the Bertf Jones Co. was missing this year. Their new salesman is Bob Shryve.

Blow, weep, blow! That is what many students and teachers have been doing since the weather has been so damp and there is so much pollen in the air.

The recent cool spell has caused the girls to bring out their pastel sweaters and wool skirts. Most of them are weary of ironing voluminous skirts and keeping petticoats starched stiff. Boys who were interviewed Monday gave the following opinion on female dress:

Ed Daniel: "I like full shirts and sweaters."
"Butch" Abston raised his eyebrows and said, "I like sweaters and straight skirts."
Joe Calvin: "I like sweaters and straight skirts."
Johnny Kajs hesitated and said,

"Shorts." But more seriously, he added, "high heels and sheath dresses."

Aldon Garrett has definite opinions on make-up and perfume—just enough to be pleasing, not enough to be conspicuous.
Jack Wishon (on Bermuda shorts): "They look kinda good on some girls."
J. C. McCoy likes little boy blouses.
"Butch" Jefferson: "I think that the new earrings containing perfume is a chic idea."

WET AS A DUCK

You've heard of the term, "wet as a duck." Well now you can reverse the phrase to "wet as a senior." Thursday, Friday and Saturday nights, the seniors sponsored the ducking pond at the Lions Club carnival. The seniors were heard shouting all over town, inviting people to come take part in the fun.

The shouting that you heard was only coming from the seniors who had the misfortune of falling into a tank of water when the ball happened to hit the mark.

The money taken in will be used for a trip for the seniors.

All the seniors wish to thank the freshmen who so willingly helped us make a success of this.

CHILDREN'S THEATRE PRODUCTION

On Saturday, Oct. 22 at 2:30 in the afternoon, Midwestern University Theatre will present "Jack and the Beanstalk" directed by V. A. Smith, a former Crowell graduate. Two other former graduates, Betty Sue Bartley, a member of the cast, and Joe Don Brown, with the stage crew, help make the play of interest to our town.

It is the old familiar tale with a few magical touches added. The beanstalk really grows! The harp speaks and moves, and the giant throws golden eggs. Little children will love the play. For any parents who wish to take their children, the admission is 50c and tickets may be purchased at the door.

FOOTBALL HAS DEFINITE EDUCATIONAL VALUES

The following article is condensed from an article in the October "Texas Outlook" written by Ross Shaw of Carr Junior High School in Orange.

"Football must be for the educational benefit of the student. If it is not, it serves no useful school purpose and should be left out of the school program.

"Good coaches realize that physical characteristics which unfortunately get the most recognition by football supporters are not as important as the mental characteristics such as respect, loyalty, confidence, aggressiveness, and team morale. A good coach affects the lives of his players and points them toward a full life as a solid citizen of the community."

"Those associated with athletics know that a boy who is disrespectful to his parents or his teachers will never make a top athlete, nor a real man. He will not be loyal to his coach or his teammates, and there will always be a glaring weakness in his play which a smart opponent will be able to exploit.

"Football is not good for all boys. Some are not physically able and some's mental attitude and behavior may be adversely affected. Only those that benefit from the program should be allowed to participate.

"One outstanding coach recently said this statement, 'Boys playing football for me should improve in classroom behavior. If they do not, I am not coaching, all I am doing is teaching technique. Teaching technique is only a minor part of coaching. Development of boys into men and good citizens is the major and most important part of coaching.'

CHS LIBRARY IMPROVED

Mrs. E. C. King, librarian, has been one of our busiest teachers since the school term began this year. Among other improvements, 27 feet of new shelf space have been added, and plans are underway for another section to be added on the south wall. Plans are also being made for a new magazine rack. A number of new books will be added to the library in the near future.

The students can cooperate by keeping the magazines in the racks and helping care for the books.

WILDCATS STOMP EAGLES

Crowell's Wildcats came back to life Friday night as they humbled Holliday's Eagles. Crowell's first score was made when tackle Jerry Pittillo recovered Ray Gibson's fumble in the end zone. One more touchdown came in the initial quarter as Roy Don Payne plunged over from the two. This score was set up by a 34 yard scamper by Payne. Thaxton ran the point over to make the score 13-0.

Only one score was made by Jimmy Thaxton on a 46 yard run. Gibson kicked the extra point. The score at halftime was 20-0.

The Wildcats showed that they weren't stopping in the second half as Gibson scored and converted. Another score was made in the third quarter after a 34 yard pass was completed to Duane Boren. Payne made this score and Gibson kicked the extra point.

During the fourth quarter the Crowell substitutes held back the

Eagles. The game ended with the lopsided score of 34-0. Crowell led in first downs 14 to 6 and led in rushing with 389 to 117. The Wildcats' passing was considerably better with 3 completions out of six attempts for 57 yards. The entire team looked very good, and freshmen David Carpenter and Gerald Bradford looked good on defense.

KNOTHOLE NEWS

With all the fairs, carnivals and ball games last week, it was rather hard for the scandal bug to keep up with everybody.

Seen having a good time after the ball game were Peggy Ann and Glenn.

Dates at the ball game were Peggy - Jimmy, Marilyn - Frank and DeAnna - Jimmy.

Be careful, boys; Dana Loy is on the trail of the average American male.

A new couple brewing! Patricia and C. T. But, hark! She had a date with Wayne Borchardt Monday night.

Hey boys, Get with it! Janie Wright hasn't been booked yet.

Say, Jack, we hear you have a secret admirer by the name of Judy Vaughn.

Lost and found department: Frank lost his ring, Marilyn found it. Finders keepers!

Test Found for Cattle Anaplasmosis
 Practical and dependable test the identity of carriers of the disease anaplasmosis in cattle has been perfected, according to the American Veterinary Medical Association.
 The test is similar to the Wassermann test and prom-

ises to make possible extensive farm-scale tests of a control program for this costly disease.
 Extensive experiments are planned for the South and West where this problem occurs most. Livestock health officials hope that within a year or two the experiments will show whether anaplasmosis can be controlled or even eradicated in a practical way. Anaplasmosis has gone unchecked

in this country for about 25 years, costing some 10 million dollars each year. It is caused by a protozoan parasite that destroys red blood corpuscles and causes high fever, anemia, weight loss, termination of milk production and other serious disturbances, and sometimes death.
 Diagnosis of this disease can be confirmed by a laboratory test called a complement fixation test. The AVMA adds that prompt veterinary diagnosis is essential in combatting the problem.

New Breed of Cattle Added to Texas Tech's Registered Herd

A new breed of cattle, the Beefmaster, is being added to Texas Tech's registered herd, the animal husbandry department has announced.

The Beefmasters are located at Pantech Farm, east of Amarillo. Other units of the Tech herd, located here, total 119 head, including registered Herefords, Aberdeen Angus and Brahman.

An agreement between the college and Dan Gibson, Snyder rancher, makes the Beefmaster additions possible.

Gibson allowed Agriculture Dean W. R. Stangel and Dr. R. H. Black, Tech animal husbandry department head, to select a Beefmaster herd of 29 bred females and a bull, to be kept at Pantech Farm until November, 1956.

At that date, Tech will return the herd to Gibson and keep the offspring for continued selective breeding and development.

Beefmasters are an American breed still in the process of establishment. E. C. Lasater of Falfurrias is credited with beginning the breed by crossing Brahman, Hereford and Shorthorn breeds.

So far the Pantech Beefmaster herd has produced 17 offspring, Dr. Black said. The College plans to keep 15 to 20 females for a foundation herd.

The Gibson gift is the latest in a long line of donations by cattlemen interested in Tech. Those gifts have enabled Tech to develop a top-flight herd of registered cattle during the past 29 years.

A Hottentot is a native of South Africa.

TAMPICO FLOODS KILL HUNDREDS — Tied up to housetops, a coastal freighter rides out the flood in the Panuco River in Tampico, Mexico. Some 75,000 Mexicans are trapped by the rising flood waters

in the Tampico area. U. S. Naval helicopters, participating in the rescue, have moved many hundreds of the refugees from flooded home sites. Authorities say the death toll is now over 600.

Auto Credit Terms Need Watching, Expert Says

Overselling of cars on "crazy" installment terms could lead to dissipation of future automobile markets, according to a leading automobile credit authority.

"Selling terms rather than merchandise has never proved to be sound business," said A. J. Blasco, vice president of the American Finance Conference, national association of independent automobile sales finance companies.

When dealers offer low down payments and extended terms, Blasco states, customers may be sold new cars when they should be sold late model used cars. "Here is a real danger of an eventual oversupply of used cars, with attendant harmful effect on

the new car market." Customer equity, Blasco says, has always been the "safety factor" in automobile credit. Down payments must offset depreciation, and installments must be large enough to maintain the customer's balance well under the car's current value.

Postmaster Announces Illustrated Pamphlet for Package Wrapping

Helpful facts about wrapping and shipping packages are contained in a well illustrated pamphlet entitled "Packaging and Wrapping Parcels for Mailing" available free at the Crowell post office. Postmaster Alva Spencer announced this week.

A new publication excerpted from the Postal Manual, this pamphlet describes the types and sizes of cartons best suited for outer and inner shipping containers; gives details for being shipped; lists hints on wrapping china-ware, stemware, framed pictures, books, and other goods; and gives instructions for marking various types of parcels to insure the quickest possible delivery.

Written instructions are highlighted by numerous illustrations showing how to wrap and tie packages securely. Drawings of various types of containers and boxes and the best way to use protective material to guard goods against breakage are also used.

"If used in conjunction with the free pamphlet, 'Domestic Postage Rates and Fees,' issued a few months ago, this pamphlet should answer practically all questions any user of the mails might have on fees, rates, special services, and protection of parcels in transit," Mr. Spencer commented.

The postmaster emphasized that much of the delay in delivery of parcels, particularly at Christmas, and most of the damage on route is due to lack of knowledge of basic rules to follow in mailing packages.

"I hope patrons of the Crowell post office will avail themselves of these two free pamphlets: 'Packaging and Wrapping Parcels for Mailing, Post Office Department Publication No. 2; and 'Domestic Postage Rates and Fees' Publication No. 3, which will answer most of their mailing questions, demonstrate the best methods of packing goods, and help the postal employees throughout the nation in their important work of moving the huge volume of Christmas parcels," Mr. Spencer concluded.

GREEK PRIME MINISTER DIES — Field Marshal Alexander Papagos, Prime Minister of Greece, died in Athens, Greece, at the age of 72. Papagos, a good friend of the United States, had been sick for the past nine months but he refused until the end to give up his office in the midst of the crisis over Cyprus.

"Darkness Hides Danger" Is Slogan of October Safety Drive

"Darkness hides danger." That's the slogan of the night traffic hazards program the Texas Safety Association, Department of Public Safety and the National Safety Council are conducting in Texas this month.

And, according to E. C. McFadden, vice president of Employers' Casualty Co. and president of Texas Safety Association, Inc., it's the nub of the whole night traffic hazards program.

"Hazards become more dangerous when they're not visible," Mr. McFadden said. "For example, a stalled car on a roadway is dangerous at any time, but at night it's doubly dangerous. An approaching driver can't see it until it comes within the range of his headlights. Then it suddenly looms up out of nowhere,

and the driver has a difficult time swerving or stopping his car in time to avoid hitting it."

Mr. McFadden said the same is true of holes in the road, pedestrians walking along the street or roadway, or any object that may lie in the driver's path.

"It's obvious," he said, "that the driver's best weapons against such night traffic hazards are a good pair of headlights, a speed that won't outrace those lights, and a constant attitude of alertness."

Mr. McFadden reminded motorists that although less driving is done in the hours of twilight, darkness and dawn than is done in daylight, the number of peo-

'56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR* certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

Cows opened weak to 50 cents lower to slaughter interests at Fort Worth Monday, but stocker buyers were active on kinds suitable to go back to the country and bought these steady. Mature steers and fat yearlings were steady, and bulls brought firm prices.

Stocker demand was again dominated by strong Southwestern demand, and good and choice sorts were sold at prices that were steady with last week's advances. However, the plainer kinds were inclined to lower levels.

Choice slaughter calves were steady, and the others sold around 50 cents lower. Cornbelt interests were still talking lower prices on all replacement cattle and calves, but the greening pastures in much of the Southwest influenced prices at Fort Worth more than Northern conditions.

Packers were uniformly pessimistic in view of the heavy cattle offerings of recent days.

Comparative prices included: good and choice slaughter steers and yearlings \$18-22; common to medium \$12-17; fat cows \$10-12; canners and cutters \$5.50-10; bulls \$9.50-13, few \$13.50. Good to choice slaughter calves \$16-18; yearling weights to \$19 or better when fancy; common and medium calves \$12-15; culls \$9-11. Stocker steer calves \$21.50 down; heifers \$18 down; steer yearlings \$19.75 down; stocker cows \$8-13.

are on feed Oct. 1 than a year ago. Texas, Arizona and Colorado are included in this report for the first time.

Cattle on feed in Texas Oct. 1 were estimated at \$4,000, against 49,000 July 1. Nine Cornbelt states report an increase of 25 per cent above a year ago.

Feeders in the 13 states reporting said that 73 per cent of their cattle would be marketed in the next three months.

Good and choice hogs sold steady with the low close of last week at Fort Worth Monday and topped at \$15.25 to \$15.50. This marked the lowest price here since December 1949.

Most Cornbelt points Monday reported top hogs around the \$15 marker or under, many of them at 8- or 9-year lows.

Less desirable weights and kinds drew \$13.50 to \$15 at Fort Worth. Sows sold at \$10 to \$14.

Surplus hogs from Cornbelt points are beginning to arrive in Texas in considerable numbers and these shipments will reach high tide within the next 60 days in all probability.

19 Per Cent More Cattle on Feed

USDA Crop Reporting Board report of cattle on feed in 13 states, released at Fort Worth's Agricultural Market News Office, says that 19 per cent more cattle

Austin, Tex. — Texas public schools will get state aid this year whether integrated or segregated. Right of both to state aid was upheld last week by the Texas Supreme Court. It says the U. S. Supreme Court decision overrules Texas' school segregation laws but does not force immediate integration.

Apparently the court action removed need for a special session of the legislature. Litigation originated in Big Spring. Suit was brought by the Texas Citizens Council in district court to prevent payment of state funds to mixed schools. High court judges, in effect, upheld District

of Mr. and Mrs. R. S. Carroll Sunday.

Mrs. Otis Gafford and Mrs. Leslie McAdams attended the sidewalk exhibit in Vernon Saturday.

Gordon Fish was a member of the Wildkitten football team who played Vernon Monday night.

Glenn Raspberry of Wichita Falls spent several days in the home of Mr. and Mrs. James Sandlin and helped James sow wheat.

Mr. and Mrs. Ernest Boren and Mr. and Mrs. J. E. Fairchild attended the Crowell - Holiday football game in Holliday Friday night.

Mrs. Leslie McAdams accompanied Mrs. Clyde Cobb to Tipton, Okla., Saturday where they attended open house and a barbecue at the Tipton Home.

Mrs. A. P. Barry of Charlie spent from Friday until Sunday in the home of her daughter, Mrs. Hartley Easley, and husband.

R. S. Carroll, who is employed at Quannah, spent the week end at home.

Mrs. Glenn Raspberry of Wichita Falls visited Mr. and Mrs. James Sandlin and daughters Wednesday.

Wheat sowing is in full swing in this community.

Mrs. Leslie McAdams participated in the flower show in Crowell Saturday.

Judge Charlie N. Sullivan's ruling that portions of state law requiring segregation are unconstitutional.

Atty. Gen. John Ben Shepperd and Duval Co. District Atty. Sam Burris were sharply critical of the court's opinion. They announced plans to file a motion for re-hearing and said they were considering a motion to disqualify Davidson. He had "expressed himself" on the cases before they came before him as a judge, they contended.

Meanwhile, Hunt and Hopkins County Bar Associations sent telegrams affirming their faith in the integrity of Davidson and the court. Hunt lawyers expressed regret that "politicians have seen fit to abuse Judge Davidson."

Hospitals Move Forward
A priority list has been set up to use the remaining \$10 million in the state hospital building fund during the next two years.

On the day a new medical and surgical building was dedicated at the Austin State Hospital, the State Board for Hospitals and Special Schools decided on this order for new projects, by cities: Mexia, Wichita Falls, Austin, San Antonio and Abilene.

Two others, one in Austin, one in Harlingen, are under construction now.

Governor Shivers spoke at the dedication of the \$1,312,000 medical-surgical hospital in Austin.

Narcotics Hearings Under Way
Texas has been labeled a "national gateway" for illegal narcotics trade from Mexico. Witnesses so testified before U. S. Sen. Price Daniel's subcommittee in Austin.

Department of Public Safety Director Homer Garrison charged that Mexican authorities are not cooperating with Texas officers in trying to halt the flow of dope across the border.

Garrison and W. E. Naylor, chief narcotics agent of the department, testified that 90 per cent of the heroin and 98 per cent of the marijuana reaching Texas or flowing through Texas, came from Mexico.

Daniel invited the Mexican secretary of state and the Mexican representative on the narcotics committee of the United Nations to attend hearings. They did not show up at Austin, however.

From Austin, hearings went to San Antonio, Houston, Dallas and Fort Worth.

Judge Criticized, Supported
Judge Lloyd Davidson of the Court of Criminal Appeals has been the target for both verbal brickbats and bouquets.

Davidson, a new judge, tipped the scales in the court's two-to-one decision nullifying 104 Duval County indictments on grounds the grand jury was illegally constituted.

Atty. Gen. John Ben Shepperd and Duval Co. District Atty. Sam Burris were sharply critical of the court's opinion. They announced plans to file a motion for re-hearing and said they were considering a motion to disqualify Davidson. He had "expressed himself" on the cases before they came before him as a judge, they contended.

Meanwhile, Hunt and Hopkins County Bar Associations sent telegrams affirming their faith in the integrity of Davidson and the court. Hunt lawyers expressed regret that "politicians have seen fit to abuse Judge Davidson."

Texas Farm Income Down
Texas farm income for the first eight months of the year dropped six per cent below 1954.

Decreases in prices of 10 of the 19 major farm commodities account for the slump, said the University of Texas Bureau of Business Research.

Reported down were cotton, cottonseed, wheat, oats, flax, rice, calves, hogs, wool and poultry. Corn prices remained about the same. Increases were noted for grain sorghum, peanuts, cattle, sheep and lambs, mohair, eggs, milk and fruits and vegetables.

Though cotton prices are down, prospective production is up. U. S. Department of Agriculture forecasts put the 1955 Texas crop at four million bales, 150,000 bales more than was expected a month ago. This would be two per cent more than in 1954, 18 per cent above average.

Ramsey Choice Explained
Lt. Gov. Ben Ramsey was chosen national Democratic committeeman, at the suggestion of U.

S. Sen. Lyndon B. Johnson, the Senator explained.

The suggestion was made to Governor Shivers, when the latter paid a visit to the Senator's ranch home where he is recuperating from a heart attack.

Johnson explained that when Shivers returned to Austin, he mentioned the discussion to Ramsey. The Lieutenant Governor then called Johnson to talk over the matter. Ramsey said he wasn't asking for the job, but would take it if it would help solve a difficult situation.

Further discussion between Johnson and House Speaker Sam Rayburn resulted in the choice which surprised many Texans.

WHERE DOES MORTGAGE MONEY COME FROM?

Last year Americans borrowed 23 billion dollars to buy houses. The biggest source of money came from savings and loan associations—36 per cent. Mortgage firms themselves were second with 19 per cent. Commercial banks accounted for 18 per cent while 13 per cent of the loans were made by individuals and 8 per cent was loaned by insurance companies. Mutual savings banks did 6 per cent of the mortgage loan business.—Changing Times.

(Continued from page 2) calls to Houston cost you plenty. Tearing up the town Sunday in his new (or should we say old) car was Larry Sledge.

By the way, Gaylor, did you ever see Judy Saturday? Say, Noel, we hear you had trouble with your quilt at the ball game.

Seen in Vernon Saturday night were Billy Joe and Arleta. Seen pretty regularly last week were Joyce and Kenneth Hopkins.

Seen wandering around at the fair Saturday as though they didn't know what was going on were Mrs. Sloan, Mrs. Kenner, Mrs. Sledge and Mrs. Duckworth.

Enjoying the carnival Thursday were Shirley and Eugene. Keeping steady company are Doris and John Coffey. Crazy combo, huh?

We hear Shorty Orr likes home town girls, especially redheads.

Seen at the Rialto Saturday night were Lindell, Winiford, Billy, Butch, Zody, Sue and Gerry.

Lindell, what's this we hear about you trying to break our ducking pond?

Thursday is spanking day, kids. Better have a good report card. Say, girls, have you noticed that cute little 3 toned model T running around over Crowell?

Zody, when are you planning on getting married? We hear Christmas isn't very far off for you.

Congratulations to Donna Norris for joining the engaged gals club.

Babs and Jimmy are seen every day at noon riding around. How about this, Ted?

Gail and Dean were sure having fun on the "hammer" Saturday evening.

College kids seen at home this week end were Sue Meason, Gerry Knox, Billy John Rader, Mike Wishon and Joe Don Brown.

We hear Karne Rose and her Jasper boys at Dallas surely had a nice time.

Crowell was a busy town last Thursday, Friday and Saturday nights.

Miss Virginia Tamplen and Mr. Whatley Wed Saturday Evening

The home of Mr. and Mrs. Kenneth Greening furnished the setting for a beautiful wedding Saturday evening at seven o'clock when Miss Virginia Tamplen, daughter of Mrs. Luther Tamplen and the late Mr. Tamplen, became the bride of Vernon Dale Whatley, son of Mr. and Mrs. L. L. Whatley.

Soft lights glowed over a background of white gladioli and greenery where Rev. G. C. Laney of Paducah, formerly of Margaret, read the double ring ceremony.

The bride chose a brown wool cashmere suit with beige and white accessories. She wore a corsage of white carnations.

Mrs. Greening was her sister's only attendant and wore a brown and beige suit with yellow accessories. Her corsage was yellow mums.

Mr. Greening served the groom as best man.

A reception was held in the home after the ceremony. The table was covered with a pink cloth with crocheted insets. Streamers of white satin with "Virginia and Vernon" inscribed in gold letters extended from the cake. A large pink and white two-tiered wedding cake centered the table and Mrs. Thomas Lee Tamplen of Crowell and Mrs. Ray Tamplen of Lubbock poured punch. Just the immediate mem-

Mrs. Westbrook Honored with Bridal Shower at Truscott

Mrs. Thomas G. Westbrook, a recent bride, was complimented with a lovely miscellaneous bridal shower on Friday afternoon, Oct. 14, in the home of Mrs. J. M. Chowning. Mrs. Chowning introduced the bride to the group. White carnation corsages were presented to the bride; her mother-in-law, Mrs. T. M. Westbrook of Truscott; and Mrs. Grady Chapman of Benjamin, her sister-in-law.

The bride went on a treasure hunt for her gifts. Other games were played and were directed by Mrs. Jack Hickman and Mrs. J. R. Brown.

In the dining room, the table was covered with a white satin cloth and the centerpiece was pink roses in a blue crystal bowl, surrounded by six candelabra. Roses were predominate throughout the house.

Refreshments were served to 25 guests and two out-of-town guests: Mrs. Joe W. English of Glen Rose and Mrs. Grady Chapman of Ben-

VIVIAN H. D. CLUB

"A well planned preparation and a well balanced, nutritious meal can be served in a little time as 25 minutes," said Mrs. Warren Haynie to the Vivian Home Demonstration Club which met with Mrs. Jack Thomas Thursday, Oct. 13.

Mrs. Haynie prepared and served veal scallopina, green lima beans, lettuce, rolls and ice cream pie and hot spiced tea.

Get-well cards were sent to Mrs. E. T. Evans, Mrs. T. S. Patton and Herbert Fish, and a sympathy card to Mrs. E. S. Shrode. A Halloween gift of money will be sent to Clara Smith of Abilene State Hospital, who the club sponsors.

A designated amount of cash will be included in the 1956 budget to help buy school lunches for needy children.

Officers elected are as follows: president, Mrs. Clyde Bowley; vice president, Mrs. Warren Haynie; secretary, Mrs. Jack Thomas; council delegates, Mrs. Arthur Sandlin and Mrs. James Sandlin; homestead demonstrator, Miss Myrtle Fish; home economics demonstrator, Mrs. James Sandlin.

The next meeting will be with Mrs. Gordon Erwin of Crowell Oct. 27. Those present were visitors: Mrs. Jessie Collins and Mrs. Andrew Calvin of Crowell and Mrs. J. B. Fairchild, and eleven members.

CO-LABORERS CLASS

Mrs. S. S. Bell, A. Y. Beverly, Geneva Potts and Parker Churchill were hostesses to members of the Co-Laborers Class of the Methodist Sunday School in the home of Mrs. Bell last Thursday for an all-day meeting at which a covered dish luncheon was featured at noon. Rev. and Mrs. Grady Adeock and son, Stanley, and Rev. W. L. Porterfield were guests.

The program was given before noon with Mrs. W. C. Erwin serving as leader. Rev. Adeock led in prayer and several songs were sung with Mrs. Paul Shirley playing piano accompaniment and Mrs. C. W. Thompson directing. The inspiring devotional was presented by Rev. Porterfield on Psalms I.

The business session also was held before noon. The committee reports were heard and it was voted to sponsor a Christmas tree at the church.

After lunch, gifts for shut-ins were made and wrapped, ready for giving. "Bless Be the Tie" was sung as a benediction. Seventeen members were present.

LOTTIE MOON AUXILIARY

The Lottie Moon Girls Auxiliary of the First Baptist Church met at the church on Monday afternoon at 5 o'clock.

The G. A. hymn, "We've a Story to Tell to the Nation," was sung and the group was led in prayer by Virginia Sue Kinsey.

Miss Kinsey had charge of the program on "The Women of the Bible." Those having parts were Genelle Wheeler, Cynthia Whitley, Yvonne Wheeler, Frances Whitley and Beverly Thompson.

This was followed by a short business session, after which Mrs. C. T. Aly dismissed the group with prayer.

There were nine present, including the counselor, co-counselor, and two new members.

MARGARET M. Y. F.

The Margaret M. Y. F. met last Tuesday night and the regular song service was held. The Sunday night meeting was held, and it was agreed that the M. Y. F. will meet at 6:30 p. m., rather than 7. Nine were present.

1955 Maid of Cotton Would Do It Again

What's it like to be Maid of Cotton?

DeLois Faulkner of Sallisaw, Oklahoma, 1955 Maid of Cotton, expresses it this way: "Being Maid of Cotton is like having the best of all dreams suddenly come true."

Would Dee recommend entering the 1956 Maid of Cotton contest? "After you've been Maid of Cotton, you can't help recommending to any girl that she enter the contest. I wish I could compete again this year."

What does Dee remember most about her tour, completed in mid-July? "It's too hard to pick out a particular point. When I think of the many wonderful cities and places I visited during my six and a half months on tour, or of the beautiful all-cotton wardrobe I brought home with me, or the new Ford I received at the end of the tour—why, all I can think of is that I wish I were starting all over again."

Dee obviously won't be competing for the title on the coming December 28 and 29 in Memphis, but a lot of other girls will be vying for the job of serving King Cotton.

The contest is open to any girl who was born in a cotton producing state, is between the ages of 19 and 25, who has never been married, and who is at least 5 feet, 5 inches tall. Application forms may be obtained by writing National Cotton Council, PO Box 9905, Memphis 12, Tennessee.

A ranaculturist is a person who raises frogs for market use.

Home Demonstration Notes

MRS. MARY D. BROWN

You know by now, I'm sure, that we've started our tailoring and are doing very well with it. We had our second meeting last Monday at my house and most of the leaders were ready to finish their skirts by the time they left that afternoon.

Janet Rasberry's dress did get to Dallas in plenty of time and even though we did not win, we enjoyed the trip very much and learned a great deal.

We received the price list on pecans. Large pieces are \$1.60 per pound and \$1.50 per pound for medium pieces. They are 5c a pound higher in 5-lb. boxes. We will mail our order on Oct. 28, so you must have it in by then.

On Tuesday morning, Oct. 18, Mrs. Fred Traueck, chairman of the EEE committee, met in my office with Mrs. Monroe Karcher, Mrs. Walter Johnson, Mrs. Parkier Churchill, and Mrs. Carl Shultz. With your approval the date for the Achievement Day will be moved to Nov. 19. Because of the heavy rains, we were a week late in starting our tailoring and we will not be through until Nov. 19.

For the Achievement Day, each club will be responsible for one educational exhibit and then a display of work and crafts they have done during the year. We will also have a section on Christmas gift suggestions or handmade gifts again this year.

Your EEE chairman will be responsible for seeing that your club has an educational exhibit—but she should not be responsible for the displays too.

Each club is to have one poster up by Nov. 12.

Each club is to decide on an educational exhibit they would like to have. They are also to vote on whether they want to have a covered dish dinner again. If we do have a covered dish dinner each one would need to bring plate, cup or glass, napkin, and silver for herself.

Also, each club is to decide whether they want to have a food sale at that time. At the first of the year, we voted to pay \$1.50 per member to council. This money buys our yearbooks, sends delegates to state and district meetings, and in general pays for our county-wide work. Each club may contribute this money any way they choose. They may take it out of the club treasury, they may each pay their own \$1.50, or they may have this food sale to make the money. However, if you vote to have this food sale, then let's do a nice job of it. Let's not bring cakes made from cake mix and expect to get \$2.50 or \$3.00 for them. Please—if you do vote to have a food sale, keep this in mind.

4-H CLUB MEETING

4-H Club of room 6b met on Tuesday, Oct. 11. Fire prevention and safety were discussed.

Class officers were elected, and are: Jerry Steltiff, president; Don Polk, vice president; Wendell Callaway, secretary; Danny Rader, reporter; and James Teal and Billy Womack, song leaders.

Next meeting will be Oct. 25.

CLUB BOYS ELECT OFFICERS

4H Club boys, 6a and 7b, met Tuesday of last week with county agent Joe Burkett in charge.

New officers were elected as follows: Jackie Hickman, president; Joe Barry, vice president; Jerry Don Eubanks, secretary; Guy Todd Jr., reporter; George Moss and Dewey Harris, song leaders.

Projects were discussed at this meeting for the 4-H Club Show of 1955-56.

100 NEW FAMILIES

What happens when a hundred new families arrive in a medium-sized city? To begin with, it means about 450 new people, including 100 children, 67 in grammar school, 33 in high school. This calls for 2.2 new rooms in grade school and 1.65 new rooms in high school, which will cost about \$120,000. Four new teachers will have to be hired. The 100 families will add about \$30,000 a year to the school operating budget.

Besides teachers, the city will need four fifths of a new employee in the police department and two thirds of a new fireman, upping the police budget by \$4,510 and the fire department budget by \$2,820. All sorts of extra jobs will have to be done from collect-

ing taxes to collecting garbage. Add four new city employees at total price of \$12,000 to \$15,000. The water department must pump 10,000 gallons more each day. Traffic will be increased by 140 cars and trucks. And the city may have to add 500 new volume to the city library, part of a visiting nurse, and, yes—a fraction of a cell in the town jail.
