Home Demonstration Notes
MRS. MARY D. BROWN

Let's all try to make this the biggest and best Achievement Day we've ever had. Remember, if you come for lunch, you will need to bring a covered dish, silver and cup or glass. Council will furnish plates, napkins, bread and coffee. Council meets this Saturday also. This is annual report day, so if you have not already done so, please have your reports ready to turn in. We will not ask each club to report on at least one outstanding thing they've done during the year.

Also at this council meeting we will need to elect officers for the coming year, so I'm sure everyone will want to attend.

Too, at this meeting I'll present the "surprises" to council members who have a perfect attendance record.

The clubs are taking orders for pecans again this year. They will be 88c per pound and orders must be in by Saturday, Nov. 17.

SWEET FREEDOM'S RING

Last week Americans everywhere took part in our greatest American privilege, that of having a vote in the election of America's chief executive, the President.

For whom would you have voted? If the candidate of your preference lost, doubtless you were disappointed—for a while—but by now you are probably willing to trust the fate of our great nation to the hands of the choice of the majority. That's the way it should be.

I think that the exercise of the voting privilege cannot be urged too greatly. My hope is that I shall never hear an ex-CHSite who is of voting age say, "My vote won't count anyway." If an ex-CHSite—or any other red blooded American of voting age—fails to vote, then may he be gracious enough to keep quiet if the time should come to doubt the competence of America's chief executive.

Americans have the privilege of

"gripping" and voting is their "gripping license." A non-voter can afford to be only a "non-griper."

So when your time comes, be like the fellow in the song, and if a flood comes on election day, "Swim or float, or buy a boat, but go and VOTE!"

GET YOUR POLIO VACCINE SHOTS NOW!

Millions of American high school students are facing 1957 unprotected against polio, despite the fact that about one of every seven cases of the disease occurs among teen agers and serious crippling occurs more frequently among young people and adults.

Polio continues to disable and kill. Thousands of Americans have been stricken so far this year. But now—for the first time in history—we have a weapon to combat the disease. The Salk vaccine is today in plentiful supply. With widespread use, it can virtually eliminate paralytic polio.

Between right now and next spring millions of American high schoolers must receive three shots of Salk vaccine. Why now? Because full immunization requires a period of eight months. People who want to have the full protection of the Salk vaccine in next summer's polio season must start the three-shot course now. It would be a tragic waste if, through carelessness, neglect or apathy, thousands of youngsters were condemned to face this terrible disease.

Realizing many CHSites have not had their polio vaccine shots, the Student Council has decided to sponsor a polio vaccine drive. In the next few weeks, you will be seeing films, hearing talks, and listening to discussions—all urging you to get your polio shots.

POLIO FILM IS SHOWN

In order to stress the importance of the polio vaccine, the Student Council sponsored a film, "The National Foundation for Infantile Paralysis" which the high school students viewed Monday afternoon.

Mr. Black urged everyone who has not had at least one shot to take his three shots within the next eight months. He presented the fact that the two doctors of Crowell agreed to lower the price from \$5.00 per shot to \$3.00 each during the duration of the polio drive.

We urge the parents, as well as the students, to consider this offer for who can tell what tomorrow will hold for us.

DISTRICT I MEETING

"Today's Youth — Tomorrow's Adults" was the theme of the District I FHA meeting Nov. 10 in Quanah. De Anna Ferguson opened the meeting; superintendent of schools, W. E. Hancock, welcomed the group to Quanah. The highlight of the meeting was the speech by Dr. Travis White, president of Midwestern University.

In her president's message, De Anna put up pieces of a rose to symbolize the various highlights of her presidency. The rose is the flower of the FHA organization.

Crowell is proud of two sophomore girls and wishes to congratulate them for taking district offices for next year. They are Bettie Knox, who will serve as recording secretary, and Roxiann Adkins, who will be pianist.

Those attending from Crowell were Mrs. Doyle Kenner, Mrs. P. D. Ferguson, De Anna Ferguson, Lavoy Rummel, Dianne Sledge, Saundra Choate, Jennie White, Beverly Kelly, Judy Vaughn, Pat Prosser, Bettie Knox, Roxiann Adkins, Linda Teague and Anna Marie Fiske.

CLOSE OF FRIENDSHIP WEEK

The close of Friendship Week was observed by the students of CHS last Friday as they assembled in the auditorium to hear an excellent skit by Mrs. Moody Bursey. She acted out a scene about attending a football game.

The band and pep club added to the fun with their weekly pep rally. After the yells and band selections were presented, the students returned to class. Everyone agreed that Friendship Week was a big success.

ABSENCES—NOV. 5-9

The following students were absent one-half day or more for sickness: Larry Sledge, Judy Johnson, Linda Harris, Louise Gordon, Beverly Kelly, Roy Hensley, Billy Everson, Ronnie Owens, Jana Black and Wanda Akers.

These students were absent one-half day or more for working and other reasons: Roy Chism, Peggy Langford, Harvey Smith, Roy Don Payne, Larry Sledge, Dale Rettig, Eugene Monkros, James Doyal, Curtis Stone, Robert James, Albert Cates, Melvin Washburn, Jimmy Williamson, Johnny Odell and Roy Ford.

CLASSROOM TEACHERS ASSOCIATION

The Crowell Classroom Teachers Association met Wednesday afternoon, Nov. 7, in the cafeteria for their regular meeting.

Mrs. Newell Hofmann, president, presided over the business meeting. Mrs. Jewel Sollis was program chairman for the afternoon. She introduced the teachers who recently attended the fall TCTA workshop for District VII in Seymour. Each gave a brief summary of the important phases of the program presented. Mrs. E. C. King attended, but her name was inadvertently left off the list

stated in last week's paper. Hostesses were Mesdames Gordon Cooper, Grady Graves and Lewis Sloan.

KEYHOLE KAPERS

We dedicate this column to the girls hurt in the wreck Sunday afternoon. Something old—Jack's car. Something new—'56 Cadillac, something borrowed—Lady Luck, something blue—Bubba's car.

Seriously, we are certainly glad that none of the people were hurt seriously in the wreck Sunday.

Seems as though Anna Marie is spending most of her time after school at her mail box. What is so interesting there, Anna Marie?

Why was Linda Johnson so happy when she saw the green Ford? The scandal bug knows!

The scandal bug also wonders why "Twitich" is so interested in Quannah?

Did everyone enjoy the Canteen Friday night? Real crazy, wasn't it? Let's make this canteen go over big, what do you say?

If anyone wants to take a slightly hard English test, just go ask Mrs. Manard for one. She will "fix you up" with a "dilly." Just ask the English IV students if you don't believe us!

Couples seen at Vernon Saturday night were Jana - Larry, Roxie-Ray, Lowell-Janis and Gayle Taylor with some boy we never saw before. Who is he, Gayle?

Mangle the Moguls! We wish to take this opportunity to thank everyone who helped work on the canteen for their excellent help. Let's pack the buck and make it go over big!

Flash! We just received word that Nell Johnson is engaged to an Oklahoman named Gordon Jones! Congratulations to you, Nell!

Well, well, well! Did you people know that Ray and Roxie are back in the saddle again?

Couples seen at the canteen Friday night were Jana - Larry, Jerry - Roy Don, Ray - Roxie, Butch - Marilyn, and Janis - Lowell.

People seen at Vernon Sunday night were Roma - Bill, and Elizabeth-Aldon.

Wanda James is floating on a cloud nowadays. Couldn't it be because of "Monkey," could it?

Sue Bursey, you and Jo Frances Long were seen at Quannah Saturday night. What were you people doing over there?

Freddie, who are these girls you and Calvin have been going to see at Quannah? Why don't you

boys let the rest of us in on this? Charlotte Sledge enjoys going to Gilliland a lot, so we hear.

Hark! Tidings of great joy! Crowell beat Paducah!

Hey, you cats! Everyone gets labeled "sissy" who doesn't have his polio shot by the end of next week.

Well, people, this is it. Please drive carefully!

HOW'S YOUR VOCABULARY?

Do you know that the singular forms of some nouns end in "is" and the plural ends in "es"? Examples are the following: bases, crises, crises, thesis, theses, analysis, analyses, synopsis, synopses.

HOME-EC NEWS

Because the homemaking girls have been working so hard, Mrs. Kenner has chosen as best housekeepers of the week, Jeanie White, Mary Ann Myers, Carolyn Aydelott and Vera Porter. Best cooks of the week are Janie Bowers and Sue Bursey.

LITERARY PUZZLE

This is an unusual paragraph. Any man, woman or child would think it normal upon first contact, but if you study it, you, too, can know what is unusual about it. Do you know?

(Answer: There is not a single "e," the most overworked letter in the alphabet, in the above paragraph.)

WHAT I SAW IN THE STUDY HALL

In a single first period study hall, I have observed much activity which centered around our library. These following things I noticed without even "breaking" my normal course of study:

Lowell Page, Janis Crowell and Butch Abston used the big dictionary on the stand.

Saundra Choate used the English dictionary on the encyclopedia shelves.

Mrs. King helped Rachel Rodriguez in her search for information about the author of a book.

Books were turned in by Janis Crowell and DeAnna Ferguson. These were returned to the shelves by a library assistant, Lavoy Rummel.

Butch Abston, Ruth Hinkle and Mr. Welch read the newspaper.

Butch Abston, Roma Jan Spikes and doubtless others read some of the magazines on display.

Anna Marie Fiske checked out

a Readers Digest for her civics report.

As our reader can plainly see, the CHS Library is constantly busy. We of the library hope that you come to us for help in solving your library problems.

CLUE NEWS

On Wed., Nov. 7, the Sub-Junior Adelpian Club held its regular meeting. Plans for making money for the holiday dance on Dec. 27 were discussed. A short program consisting of an article on fan clubs by Judy Borchardt and a report on Italy by Sally Dixon was enjoyed by the club members. Following the delicious refreshments served by the hostesses, Jerry Fairchild, the meeting was adjourned.

GEORGE'S GAGS

The parson was walking down the main street of the village when he met one of his parishioners. "And how's your cold, Mr. Jones?" he asked after greetings were over.

"Very stubborn," replied Jones. "That's too bad," sympathized the preacher. "And how's your wife?"

"About the same," was his reply.

At a country picnic last summer, Slim refused a third helping of pie, saying to the waitress who was encouraging him, "I gotta watch my weight, you know."

"Yes," the woman replied, "and how handy it is—right out there where you can see it."

Two confirmed bachelors sat talking and finally got around to cooking.

"I got a cookbook once," said one, "but I never could do anything with it."

"Too much fancy work in it, eh?"

"You said it. Every one of those recipes began the same way — 'Take a clean dish'—and that settled me."

The modern Sir Walter Raleigh says, "Jump, lady, you can make it. I did."

CARD OF THANKS

I would like to express my deep appreciation for the visits, flowers and cards, the kind care of Dr. Raines and the nurses during the time I was in the hospital. May God bless you all.

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere. It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter. It's the hardtop styling. Fairlane sedans have the hardtop look of Victrolas! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history. In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp.

Wise man say:
"Don't wait for TOMORROW when you can get it today!"

CROWELL GARDEN CLUB

The Crowell Garden Club met on Friday, Nov. 9, at the home of Mrs. R. J. Thomas with Mrs. Fred Traweek as co-hostesses.

Ten members, including two new members from Truscott, Mrs. C. W. Chowning and Mrs. Jack Whitaker, were present.

The president, Mrs. Grover Phillips, had charge of a brief business session, after which Mrs. L. A. Andrews had charge of the program.

Mrs. Andrews spoke on accessories and their relationship to both the flower arrangement and the container. She stressed the importance of their suitability, both as to size and color. She also stated that an accessory should have some purpose other than beauty when used in flower arranging. She also gave a brief review of a previous lesson stressing the Japanese style of arranging and an arrangement with a suitable accessory. Mrs. Phillips also made an arrangement at the club showing that only a few flowers are needed to make a lovely arrangement and showing some of the techniques that Mrs. Howard S. Kittel, who is immediate ex-governor of District II, Garden Clubs, illustrated in her lecture before the Santa Rosa Council of Garden Clubs in Vernon last week.

Refreshments of sandwiches, cookies and hot spiced tea were served to one visitor, Mrs. J. M. Marr, and ten members.

Due to Thanksgiving falling on the regular meeting date, the club will meet next time with Miss Norma Fish on Tuesday, Nov. 27, at 2:30. Mrs. Jack Thomas and Miss Myrtle Fish will demonstrate "Christmas decorations that can be made at home."

FOARD CITY W. S. C. S.

On Monday, Oct. 22, members of the Foard City Women's Society of Christian Service met at the church with the president, Mrs. V. A. Johnson, presiding. It was voted that Betty Campbell, recent graduate of McMurry College who is preparing for missionary duties in Latin America, be added to the present two missionaries, Marcia Hinds and Joyce Hill, whose salary contributions are

projects of the Foard City W.S.C.S.

The second lesson of the current course of study, "The Church in Southeast Asia," was interestingly discussed by Mrs. Johnson, leader of the afternoon's program. Mrs. Blake McDaniel was in charge of the leaflet program. "Ways of Praying" was the subject of Mrs. Jack Welch's devotional. Following sentence prayers, Mrs. Fred Traweek dismissed the meeting with a prayer. Mrs. V. A. Johnson was hostess

to the organization on Monday.

Nov. 5. Following a brief business meeting, a film "The Life in My Hands" was shown in connection with the study of "The Church in Southeast Asia." The devotional was brought by Mrs. Jack Welch. Refreshments were served to the following: Mrs. Jack Welch, Mrs. J. M. Barker, Mrs. Laura Johnson, Mrs. Blake McDaniel, Mrs. Jess Autry, Peggy Jan Welch, Mrs. Grady Halbert, and the hostess.

WEST SIDE H. D. CLUB

The West Side Club met Nov. 13 in the home of Mrs. Jack Lyons. Club opened with the T. H. D. A. creed and followed with the Lord's Prayer read in unison. Roll call was answered with "What I'd like to receive for Christmas."

A very interesting program on first aid was given. Mrs. S. E. Tate told of first aids to use until the doctor comes. Mrs. Donald

Norris displayed a first aid

that should be kept in every home. Refreshments were served to members. Club meets Nov. 27 with Mrs. J. T. King.

Hubert Brown of Crowell attended the funeral of their son, Mrs. Roy Biggerstaff, near Sherman last Sunday.
