Club Members Meet at Texas-Oklahoma Fair

Two Foard County 4-H boys took part in the Junior Contest held at the Texas-Oklahoma Fair Saturday, Sept. 28.

Club boys entered two in dairy judging, two teams in stock judging, and two in grass judging.

Dairy teams won third and fourth places. Dale Johnson was high individual in scoring was presented with an envelope. The third place team was presented an in-banner. There were twenty-eight 4-H and FFA boys.

One of the livestock teams in the first five. The members of this team were: John Paul Bax Ekern, Gerald and Junior Hopkins. John was second high point in the contest and he had an engraved plaque.

There were twenty-eight teams in this contest with a total of 112 boys participating. The livestock team with Todd, Joe Drabek, Jerry and Nolan Tole, did not win the top five.

The grass identification teams made up of the following: Duane Johnson, R. H. Mc Coy, Joe Wheeler, Jerry Setiff, Morgan, Charles ten and Donald Hinkle. Neither these teams placed in the contest.

No. 1 grass team with R. H. Mc Coy, Joe Wheeler, Jerry and George Morgan had luck on Thursday, Sept. 27 when they won second place pennant in a grass identification contest sponsored by the Peace River Soil Conservation District and held in Quanah. Charles ten Brink was an aide on this team.

Results of Good Advertising Are Often Amazing Even to Advertising Men

By T. B. KLEPPER

Results of good advertising are so impressive that even those who are in the business of selling space are amazed.

Several weeks ago a real estate agent in a southern city ran a promotion on a new development project in their local newspaper. No other advertising medium was used—just a special section in one newspaper.

The newspaper used for the promotion has a circulation of 30,000. On the basis of expenditures the real estate company felt that their advertising would be worthwhile if it could bring 3,000 visitors to a model home display.

After the promotion the company wrote an enthusiastic letter of appreciation to the newspaper. A tally of visitors showed that 22,000 people turned out to see the new home. The advertising had been 700 per cent more effective than the company's expectations.

In this case the number of people stimulated to action by newspaper advertising totaled 70 per cent of the newspaper's circulation. This was true even though the readers had to travel to a distant suburban section to take action on the advertising.

Plenty of proof can be presented to show that nearly everyone reads local newspaper advertising. In instances such as the real estate promotion the "nearby" could be eliminated; for, apparently everyone in the local community reads some newspaper advertising.

And, more important, if the advertising touches the right interests, nearly everyone will act on newspaper advertising.

The "B" string was made up of freshmen and sophomores. Boys of freshmen and sophomores. Boys of freshmen and sophomores.

H. P. Gillespie Succumbs After Lengthy Illness

Funeral Services for Truscott Resident Held Sunday

Funeral services for H. P. Gillespie, 68, long-time resident and farmer of the Truscott community, were held in the Truscott Baptist Church in Truscott Sunday afternoon at 3 o'clock conducted by Rev. C. T. Aly, pastor of the Truscott Baptist Church. He was assisted by Rev. E. W. (Jack) Davis, pastor of the Truscott Church, and Leslie Thomas of Crowell.

Mr. Gillespie died in the Foard County Hospital last Friday after a long period of declining health. He had been in the Foard County Hospital for the past eight weeks. A special musical number was a solo, "When They Ring Those Golden Bells," sung by Robert Earl Dennis of Lubbock.

Interment was in the Truscott Cemetery under the direction of Womack Funeral Home of Crowell.

Pall bearers were Bill Rake of Vernon, John Black, Homer M. Black, Edgar J. Jones and Delbert Cook of Truscott, Jack Spikes, Jack Thomas and Howard Bell of Crowell.

Assisting with flowers were Mrs. Homer Black, Mrs. Edgar Jones, Mrs. W. R. Owens, Mrs. Jack Brown, Mrs. John Black, Mrs. J. G. Adcock and Mrs. Delbert Cook of Truscott, Mrs. Bill Rake of Vernon, Mrs. Howard Bell, Mrs. Hazel Thomas, Mrs. Irving Fish and Mrs. Truda Swint of Crowell.

Herbert P. Gillespie was born July 26, 1889. On June 4, 1922, he was united in marriage to Miss Essie Marie Chowning of Truscott. To this union, two sons were born, James Henry and Joe Ed. He was preceded in death by his parents, Coleman and one brother, Charlie, of Truscott.

He was a member of the Truscott Baptist Church, a veteran of World War I, and a member of the Last Man's Club of Knox County. Mr. Gillespie was a highly respected citizen of Knox and Foard Counties and surrounding territory and had many friends.

Survivors include his wife of Truscott; two sons, J. H. of Wichita Falls and Joe Ed. of Ackery; six grandsons; one sister, Mrs. Katherine Christiansen of Tucson. (Continued on back page)

J. D. Carroll Died at Quanah Friday

Funeral services for J. D. Carroll, pioneer Quanah merchant and brother of Mrs. Leslie McAdams of Crowell, were held at the home in Quanah Sunday afternoon at 3:30. Burial was in the Quanah Cemetery.

Mrs. McAdams was en route to California with her niece, Mrs. Pete Chamberlain, and family of Penns Grove, N. J., to visit her other two brothers, R. S. Carroll of Pomona and Homer Carroll of San Diego, Calif., at the time of her brother's death. She was accompanied to Albuquerque, N. M., by her daughter and son-in-law, Mr. and Mrs. Otis Gaffard.

Mr. Carroll was born and reared in Quanah. His father, J. D. Carroll Sr., was one of the pioneer hardware merchants and one of the founders of the city of Quanah.

He was a veteran of World War I and served some time with the armed forces in France.

He is survived by his wife, one daughter, one son, and two brothers and one sister, and three grandchildren.

FIRE DEPARTMENT ANSWERS TWO CALLS

The Crowell Volunteer Fire Department was called out Monday and Tuesday afternoons to extinguish blazes. The city trash truck caught fire Monday afternoon in the east part of town, and the department put out a grass fire south of town Tuesday afternoon.

Rotary Club

New student guests from the high school to the Rotary Club for this month are Sonny Cates and James Choate. Jack Seale is the new program for the next quarter.

Program Wednesday was in charge of Decker Magee and Rotarians enjoyed pictures shown by Mrs. W. B. Tysinger, which she took on her six-weeks tour of Europe this summer.

MOVE TO CROWELL

Mr. and Mrs. Raymon Rasberry and daughters moved from the Vivian community last week to the W. R. Ferguson rent house recently completed on North Main Street.

News About Our Men in Service

Rudy Hinkle, Robert Love, Jerry Clifton and Delton Parkhill, who volunteered last week for three years' duty in the Army, left Sunday for Fort Carson, Colo., where they will take basic training.

James W. Williamson, son of Mr. and Mrs. John J. Williamson of Crowell, graduated from recruit training Sept. 21 at the Naval Training Center, San Diego, Calif.

Williamson has been here visiting his parents.

Army Sgt. First Class Tommy J. Waggoner was recently selected as a member of the Southern Area Command Honor Guard in Munich. Sgt. Waggoner was chosen for his outstanding appearance, precision drill ability and consistently high efficiency rating. The son of Mrs. Virgie Towry, Route 2, Crowell, he arrived overseas on this tour of duty in August 1955 from an assignment at Ft. Bragg, N. C. He entered the Army in 1948. Among his awards, Waggoner holds the Bronze Star Medal and the Combat Infantryman Badge.

Crowell Wildcats Continue Winning Ways with 14-7 Victory Over Matador

The Crowell High School football team knocked the Matador High School team from the undefeated ranks here last Friday night to the tune of 14 to 7. This team came to Crowell boasting wins over Petersburg, Loraine, and Spur, and the Bullfighters' exhibition here did not hurt their reputation. However, Crowell did outplay them in every phase of the statistics and certainly deserved the well-earned victory.

Game at a glance:

Crowell	Matador
14 First downs	10
246 Yds. gained rushing	224
70 Yds. gained passing	15
5 of 7 Passes completed	2 of 4
1 Passes intercepted	0
2 Fumbles lost	3-30
4-39 Punt average	3-30
4-40 Penalties	1-15

Matador outplayed Crowell in the first half but neither team was able to score. The Bullfighters were camping on the Wildcat 10-yard line early in the second quarter due to fleet-footed D. Graham's 45-yard scamper. The play was terminated on the ten after Quarterback Graham had lateraled off to G. Pipkin. Graham tried the line once before passing to S. Jackson, right end.

Crowell Wildcats to Open District Race with Iowa Park Here Friday Night

The Crowell High School football team will open its 1957 district race here tomorrow (Friday) night with the Iowa Park Hawks offering the opposition. The Hawks have won over Crowell for the past two years, but the Wildcats will definitely be picked to take this game. Crowell has won three out of four practice games while the Hawks have not been able to break into the win column thus far this season.

The Crowell boys came through the Matador game without any additional injuries but Roy Don Payne, halfback for the Wildcats, is still ailing from a strained ankle. This will be Crowell's last home game until October 25.

Probable starting lineups for the Crowell-Iowa Park conference football game that is to be played at Wildcat stadium tomorrow (Friday) night at 8 o'clock:

Crowell	Wt.	Pos.	Iowa Park	Wt.	No.
41 David Carpenter	165	Left End	155	Donald Morgan	30
33 Jerry Pittillo	168	Left Tackle	190	James Paris	70
54 R. H. McCoy	160	Left Guard	160	Fred Boswell	80
60 Bill Graves	150	Center	165	Lee Holloway	83
46 Billy Everson	150	Right Guard	160	Larry Hall	51
55 Dale Rettig	162	Right Tackle	175	James Low	71
25 Harvey Smith	167	Right End	150	Bill Sims	82
40 Ivan Cates	145	Quarterback	150	Jimmy Harris	21
21 Printess Gidney	155	Left Half	145	Tommy Stark	22
23 Gerald Bradford	148	Right Half	135	David Parkey	10
37 Ray Thomson	160	Fullback	165	Malcolm Berry	73

Wildcats Start Rolling

The Wildcats started to rolling about mid-way of this same quarter. Taking the ball on their own 47-yard line, they ran only two plays to score. Gerald Bradford right half, scampered 25 yards and fullback Ray Thomson went around left end for the final 28 yards to pay dirt. The Crowell line deserves much praise for their blocking on both of these plays.

Harvey Smith, the Wildcat with the educated toe, booted a perfect field goal to knot the score 7 to 7. With only two minutes left before the half, Crowell scored again. Bradford intercepted a Matador pass about middle of the field. Quarterback Ivan Cates handed off to left half Printess Gidney and he in turn, passed to left end David Carpenter for 33 yards. Thomson made two at the line before Crowell drew a 15-yard penalty. Gidney passed again to Carpenter for 17 yards. Thomson went off left tackle for six and the score that cinched the ball game, Smith again kicked the extra point to make the final count 14 to 7.

The Wildcats outplayed Matador during the last half holding them to two first downs. However, the Bullfighters continued to be a threat with their fast backs almost breaking away at various times. They did make one 16-yard run and another 32-yard run. The Wildcats came close to scoring twice in the last half. One of these threats bogged down on Matador's 8-yard line.

Harvey Smith averaged 39 yards on his punts for the evening, besides making both extra points good. Roy Don Payne came in at times to pick up needed yardage for the Cats, Jim Henry and Tom Crowell, along with Ivan Cates, continued to do yeoman duty on defense. Crowell's line did excellent blocking at times to open the way for Wildcat backs. D. Graham's offensive playing and L. Fair, 200-pound tackle, on defense, were outstanding for Matador.

First Four Football Games Net \$1471.43

The receipts for Crowell High School football games thus far this season are as follows:

Total receipts at Seymour game here, \$863.65; less expenses (including check to Seymour), \$511.69; net \$351.96.

Check from Memphis, \$333.10. Check from Quanah, \$512.72. Total receipts at Matador game here, \$705.50; less expenses (including check to Matador), \$431.85; net, \$273.65.

Net income from first four games, \$1,471.43.

Polio Vaccinations Set for Oct. 11-12

The Salk Vaccine for Foard County's "all-out polio vaccination program" has arrived in Crowell after considerable delay caused by production difficulties, according to an announcement by John W. Wright, chairman of the vaccination committee. Mr. Wright said, "It was hoped last Spring that this vaccine would arrive much earlier; however, Foard County has been fortunate that no polio has been reported in the county this summer. People who start the series of Salk shots now can be fully protected by next spring when paralytic polio may again become a menace to family life, earning capacities and careers."

A polio vaccination room under the direction of M. M. Kralieck, county health officer, will be set up at the Crowell Community Center. (Continued on back page)

WHICH WAY—SUCCESS!

The purpose of attending school to gain knowledge is sometimes overlooked by the student in his rush for getting assignments, cramming for tests, and working on extracurricular activities.

I know many in CHS, including myself, that can (and do) cram for a test the night before, pass the test, then promptly forget everything about it. We were to take the same examination a week later, we would probably fail.

That is the easy way around academic requirements. There are too many things a student can find to put ahead of his studies. Although he does well, is this student taking the best advantage of the free education provided by the state?

Clubs and outside activities are definitely necessary for developing interests and social poise. Hobbies and week end relaxation are welcomed breaks in the daily grind, but, along with these, stud-

ies are just as necessary. Were bouquets given with six-week grades, the bouquets of gaudiness should be given to the students who despite affiliations with sports, band, student council, and annual or newspaper work still manage to keep up their grades.

However, the bouquets of orchids should be reserved for the few students who actually manage to acquire a little knowledge along the way. These should be very rare orchids, too, for the assimilation of knowledge is no easy task.

The foresighted student who puts study as number one on the list of the things to do will find it pays the greatest dividends.

WORK PROGRESSING ON '58 YEARBOOK

Thursday and Friday, Mr. Byars, photographer from Norma Greene Studio, Vernon, made 108 individual pictures of CHS students. These pictures will be printed in the '58 Roundup. All high school boys wore white shirts, black ties and dark coats. Senior and sophomore girls wore black sweaters and white collars. Junior and freshmen girls wore white sweaters and black collars.

Friday afternoon, Sept. 27, George Morgan and James Choate went to Vernon to sell ads for the annual.

LIBRARY NEWS

Did you pass by the library Friday? If so, you probably saw Emmett Kelly, the clown, standing on top of the filing cabinet. Emmett was loaned to the library by his owner, R. H. McCoy. R. H. won Emmett at an auction sponsored by the Junior Class. The librarians think that Emmett looks cute in the library office, and we sincerely hope that you will too. Thank you, R. H., for lending Emmett to us.

BAND NEWS

Much work and practice went into preparing the half-time show for the Matador game. Since Matador does not have a marching band, the full time was given to us, and, too, this was sort of a home-coming game. Hope you all enjoyed it.

We're all extra especially proud of our combo formed by Mr. Hesse on saxophone, James Choate on trombone, Kerry Brown playing bass, Noel Wilkins at the piano, Eugene Davis on trumpet, and Margie Rashberry on drums. They really play good music. We know that everyone at the dance Friday night really loved them. Don't you agree that we have a good reason to be proud?

Mr. Hesse has moved his furniture to Crowell, and the work on his house is nearly done. Everyone is definitely glad to welcome Mrs. Hesse and the children.

The band is excitingly preparing to visit the State Fair at the Texas at Dallas again this year. We had a great time last year, and we're sure that this year will be even better.

SENIOR GIRL OF THE WEEK

Dear fellow students, This week we interviewed Sandra Sanders as Senior Girl of the Week, and I, the interviewer, found out some very interesting things.

For instance, Sandra stands 5' 8", has blonde hair and green eyes. She is federation counselor for Sub-Junior Adelpian Club, works on the paper and annual staffs, and is a majorite for the Wildcat Band.

Sandra's favorite foods are fried chicken and chocolate cake, while her favorite music is "woodoo" slang, commonly known as "rock 'n' roll."

In school, she considers typing her easiest subject with Algebra II as her hardest.

Any movie meets Sandra's approval as long as it stars Mr. McGoo.

Due to security reasons, name-

ly my security, I am unable to state my findings of what Sandra is planning to do after graduation, but we'll go ahead and wish her luck anyway!

SENIOR BOY OF THE WEEK

We picked Jerry Pittillo as our senior boy for this week's interview. "Tilly," as we all know him, stands 6' 1" and he has green eyes and red hair.

Football is Tilly's favorite sport and he plays tackle on the Wildcat "A" team. His favorite subject is V. A., of which he is the president, and his hardest subject is English.

Fried quail is Tilly's favorite food, and any kind of music, except "long hair" music, is all right with him.

For a pastime, Tilly prefers either hunting or fishing.

After graduation, Jerry plans to find a good job somewhere. So, whatever you decide to do, Tilly, we wish you the best of luck.

JUNIORS HOLD ASSEMBLY

The students really enjoyed the program that the juniors presented last Friday, Sept. 27. Ray Thomson, president of the student council, introduced Jimmy Rader, president of the Junior Class. The Dream Weavers — Mr. Hesse, James Choate, Eugene Davis, Margie Rashberry, Kerry Brown and Noel Wilkins, played several numbers.

Next, the drawing for Emmett, the clown, took place. E. C. King was the lucky winner. Mr. and Mrs. King decided to auction Emmett off in order to raise more money for the Junior Class. Mrs. Lena Davis started the bidding at one dollar. (She really wanted that clown, too.) R. H. McCoy finally won it by bidding eight dollars.

Sorry, Mrs. Davis! R. H. loaned it to the library. Thanks a million, R. H.!

The juniors really secured magazine orders this year. Mary Brown, with \$132.00, had the highest in sales; therefore, she is entitled to a nice award which she will choose later.

The class fund received the 8 dollars auction money, and also an additional ten dollars prize money. Peggy Cates' name was drawn as the lucky prize winner, but she had not sold the required five subscriptions.

Mrs. King wishes to thank all of the students who participated in the sale of the magazines, also all of the people who donated money to the Junior Class, and the ones who bid on Emmett, and the many people who subscribed for magazines. So from Mrs. King to all of you, "Thanks a million."

CAT SCRATCHES

Here I am again! Who? Why, Tagalong Tabby, of course!

Wednesday morning I couldn't think of a bit of mischief to get into! No, not a bit! Then I remembered I hadn't even paid a visit to the homemaking cottage. So off I started across the street. I almost didn't make it. Just as I got in the middle of the street—zoom—a car flew by! Boy, I really did scurry after that! Very quietly I crept up to the big window of the building and peeped in.

I saw a bunch of girls waving cloth around. Some were pulling material through a big machine. I couldn't imagine what they were doing! I just had to get inside! I crept beside the door, waiting for someone to open it. Finally a girl came out the door, and I darted in! Of all the chatter! I thought for a moment I was in a monkey cage! I still didn't know what they were doing. After watching them for awhile, I came to the conclusion that they were merely talking as they were making clothes! Poor Mrs. Kenner! I'll bet those seamstresses drive her crazy! Just as I was about to leave, I stepped on a pin! My poor paw! I'll bet it will be sore for weeks.

Monday morning as I was bounding toward school, I noticed all the band kids were out on the football field. Since I was locked in the uniform room the last time I paid the band a visit, I decided to sneak over to see what they were doing. First, they divided up into groups each with a leader. I thought they were getting ready to play games. I was sadly mistaken. Soon, everyone was marching around in different directions. I thought now would be the time to observe the different types of marchers.

First, there's the dragger. No matter how fast the others are marching, the draggers are always a step or two behind. Of course, there's the jumper too; he's always a step or two ahead of everyone else. I don't believe in evolution, but when I saw the next type, I almost changed by belief! I'm referring to the snake type; those people can't walk in a straight line even when they're walking on the yard marker. They weave from one side of the football field to the other. The most interesting are those who get out of step and try to get back in step. Some jump into the air—about 3 feet—swish their legs back and forth, and come down in a knock-kneed position (How else could you come down after all that?) Then there's some who just shuffle their feet around and hope for the best! However, no matter how funny these things may be, I must admit these blunders are the forerunner of a good show in marching. See ya!—Tabby.

Tomorrow is the greatest labor-saving device of today.

DEFENSE OF "ROCK AND ROLL" MUSIC

1. Contrary to public opinion, rock and roll music is refined and educational. Example: song about world famous composer, "Roll Over Beethoven."

2. Contrary to public opinion, rock and roll music is often about scientific things. Example: song about the medical profession — "Transfusion."

3. Contrary to public opinion, rock and roll music teaches neatness and cleanliness. Example: keeping footwear clean, as suggested in song, "Stay Off My Blue Suede Shoes."

EX-STUDENT WRITES TO MRS. DAVIS

We are always glad to know the whereabouts of any ex-student of CHS. Therefore, we were pleased when Mrs. Davis told us of a recent letter that she had received from Mrs. Ken Howard, the former Eva Rae Gaslin, who attended our school a few years ago.

Upon leaving Crowell, she attended Brigham Young University at Provo, Utah, for two years. At present, she, her husband, Ken, and small son, Mike, are living at Pleasant Grove, 40 miles south of Salt Lake City. Her husband is assistant manager of a supermarket in Provo, a near-by town. Her brother, Bill, wife and small daughter also live there, and Bill is a student in the university with a major in secondary education.

So, Eva Rae and Bill — we're glad to hear from you and hope that occasionally you will remember your days in CHS.

CLUB SPONSORS DANCE

After the ball game Friday night the Sub-Junior Columbian Club sponsored a dance at the community house. The guests were greeted by Mrs. Percy Taylor and Mr. and Mrs. Kenneth Halbert. The theme was "Beat Matador." Of course, the fabulous black and gold colors were carried out. Music was furnished by the Dream Weavers. Delicious punch was served by the hostesses.

The club wishes to express its thanks to Mr. Hesse, Eugene Davis, Noel Wilkins, James Choate, Margie Rashberry and Kerry Brown who are members of the Dream Weavers. Everyone has agreed that the music was "the most!" Thanks again, everybody, for making the dance such a success.

DRAMATIC CLUB MEETS

A meeting of the Dramatic Club was held Monday morning in the high school auditorium. Play books entitled "Tom Sawyer" were given out to different members of the club.

The try-out for this "round play" is scheduled for tonight, Thursday, Oct. 4. All members of the club who are interested in being in the cast are urged to be there.

A regular schedule for the club meetings was set for every third Thursday night at 7 o'clock. At this time various types of dramatic entertainment will be presented by different members of the club.

The Sub-Junior Adelpian Club met Wednesday, Sept. 25, at the Adelpian Club house.

The meeting was called to order by the president, Jana Black. The business meeting was followed by roll call, answered by "What I did this summer."

Jerry Fairchild was the program leader. Wanda Moore gave a talk on "What Good Are Managers?"

Cokes and sandwiches were served by the hostess, Lillie Polk.

The Sub-Junior Columbian Club met in the home of Miss Kay Johnson on Sept. 25. The meeting was called to order by the president, Miss Roxiann Adkins. Business was discussed, and the program was given by Misses Sue Bursey and Sandra Campbell.

Delicious refreshments were served by the hostess.

We won! We won 14-7! We won! We won over Matador!

CHOATE'S CHUCKLES

One way to stop the annoying rattle in the back of your car is to let her ride in the front seat.

Person speaking of his hotel room during a heat wave: "If I leave the key in the door, I cut off all the ventilation."

Movie producer to assistant: "When I want your opinion, I'll give it to you!"

SOPHOMORES HAVE HAYRIDE

Wow! Did the sophomores have fun Saturday night, Sept. 28, on a hayride.

The "wagon" left the high school about 5:30 p. m., and, after an incident or two while touring Margaret, returned to the Moody Bursey home for a Weiner

roast. After eating, the group had to make the drag—and the second time around was too much. Ask the kids! However, everyone arrived home safely and reportedly had a good time. Special thanks to Mr. and Mrs. L. E. Painter, Mrs. Henry Borchardt, and Moody Bursey for being our chaperones.

CHEMIST EXPLAINS USE OF PETROCHEMICALS

Last Wednesday, Sept. 25, Mr. Gamble, accompanied by his assistant, Mr. Black, presented a demonstration on the use of petrochemicals. They are employed with the Petroleum Pipeline Co. From a magic barrel, Mr. Gamble showed us a few of the many articles that are made with the use of oil. Nylon is one of the first of these materials that we heard about.

Thank you, Mr. Gamble and Mr. Black, for an educational show.

TATTLE TALE

Once again, we've heard all we've seen all, and now we tell all!

Janis Morris — Mike Whitten, Wanda Moore — Miles Welch were seen in Quannah Saturday night. Man, don't these "Fish" get around.

Seen over the week end—Janet and Jack Johnson. What about this, Janet?

Harold W.-Jo Ann and Ruth Ellen-Ronnie were seen at the T-O Fair Saturday. Have fun, kids?

Claw the Hawks!

Couples seen at the Sock Hop: Carolyn — Ted, Patty — Butch, Judy — Speedy, Jana — Larry, Elizabeth — Sonny, Judy Barker-Geo. Moss, Sue — Jackie.

It seems that this week end was very exciting, or was it? Judy George, Alta — Dale, Kay — Boob parted ways—so sorry, kids.

Seen in Vernon Saturday night: Roxie — Gerald, Bettie Linda — David, Sandra — Donald, Patty — Butch, Elizabeth — Sonny, Jana — Larry.

Man, Mr. Hesse is the "most" on that sax, all us tattle tales think his little combo is the great-

est.

There is hay all over town. Reason, sophs had a hay ride Saturday night. Bill - Jo Frances, Fredrick - D'Lois especially seemed to have enjoyed it. All the girls had a "wild" time afterwards at a slumber party.

Seen Sunday night were Bobby-Kay, Fast work, gal.

Judy was seen with a "sailor boy." What about this, Judy?

Seen at the ball game Friday night—Ginger and J. M.

Making their rounds over the week end—Judy-Harvey.

Beat Iowa Park!

It seems that Janie Bowers has her eye on a cute sophomore boy. Better catch and hang on to him.

Two 6th grade girls have their eyes on Gerald Bradford. You had better watch them, Roxie. They may be rough.

Jana — Larry and Lizzy — Sonny enjoyed the "Fats Domino Show" Monday night.

Be sure and put your scandal in locker 59! Remember, this is your paper.

It seems Jerry — Billy Lyan, Jeanie — Wayland (Seymour), and Roxie — Gerald explored the country Sunday afternoon.

Carolyn — Ted were seen in Quannah Sunday afternoon.

All the FHA and band kids are making plans for the fair. Remember Friday night will be the Wildcats' first conference game. So, let's go out and root for those fighting cats.

Seen in Vernon Sunday night were Margie — Duane, Ginger — J. M., Janet — Jack Johnson.

Seen in Crowell making the usual drag were Albert-Mary Ann. Well, kiddies, I guess that's about all we know. So, we'll see you around, and you'd better be good or we'll tell on ya.

Hang the Hawks!

 With
 If I told you the government has a proposition that will return you \$11 for every \$1 you invest and possibly save your life, you might be surprised.

But, that is a fact. Bertram D. Tallamy, Federal Highway Administrator, told us about it. It is the government's new highway construction program authorized by Congress just over a year ago.

"We are not guessing," Tallamy explained. "Those figures are based on actual tests and experience. The motorist who drives 10,000 miles a year will pay in 88 in added taxes and get \$92 in reduced costs of operating his car."

Studies made by Bureau of Public Roads experts show that the average cost of operating an automobile is 1c a mile less on a road built to modern standards than on the present average road.

On 10,000 miles of driving that would amount to a saving of \$100. Added taxes on gasoline and tires would amount to \$8. In addition, the accident rate on improved roads is 65 per cent lower than the national average.

"Last year," Tallamy pointed out, "40,000 Americans lost their lives and 1,400,000 were injured in traffic accidents. The national rate was 6.4 fatalities per 100 million miles of travel."

Where modern, planned access highways have been built, the death rate has been cut in half and the accident rate by two-thirds. The saving in property damage alone will amount to three-quarters of a billion dollars a year when the system is completed.

The 41,000-mile interstate highway building program is off to a good start. Tallamy told us "we have progressed at a satisfactory rate and we are on schedule."

During the first year surveys were completed and contracts awarded for more than 1,500 miles of express highways and 24,000 miles of primary and secondary roads. By 1973, when the system is due to be completed, it will include 250,000 miles of new and re-built express, state and local roads and streets.

The program is being financed on a "pay-as-we-ride" system with funds derived from taxes on gasoline, trucks and tires. Collections during the first year amounted to \$1.5 billion.

Contracts awarded during the first year totaled more than \$3 billion. The Federal government pays 90 per cent of the cost on the interstate system and matches the states 50-50 on the primary and secondary roads.

The biggest obstacle to completion of the program within the original 13-year period planned has been rising costs of construction. Costs already are up 15 to 20 per cent over earliest estimates.

Congress specifically directed the Roads Bureau to limit construction payments to funds available from added tax revenue. Tallamy estimates this will stretch out the construction period to 16 years and may add \$10 billion or more to the estimated \$33.1 billion cost.

The interstate system, when

Oil Production Is Causing California City to Sink

When oil production causes land to sink, threatening millions of dollars worth of industrial property, it is a problem too unique for a petroleum engineer to ignore.

For that reason Prof. W. L. Ducker, Texas Tech petroleum engineering department head, has made a trip to Long Beach, Calif., to make a quick survey of the Long Beach Subsidence.

As oil is pumped out of that petroleum-rich area, the land is sinking. Extensive damage to building foundations, bridges, oil well casing and power cables is the result. While such subsidence is not uncommon in oil fields, this is the first case of land sinking under a large industrial area.

Ducker found that oil companies will attempt to prevent further settling by water injection back into oil reservoirs.

completed, will link 90 per cent of all cities of 50,000 or more population and will serve 20 per cent of all motor vehicle travel, Tallamy said.

"Even that won't mean that we will have completed our highway system," he added. "After that we'll have to continue to expand the system to meet the growing need for more and better highways."

In The News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Sept. 30, 1927:

The September term of district court covered a period of only one week and adjourned Tuesday until the February term in 1928. This was thought best because there remained no urgent cases on the docket and the weather was very disagreeable.

The cotton crop is being gathered much more rapidly than last year. Up to September 23, the ginners' report showed 1,050 bales as against 180 last year. Up to Sept. 29, George Allison, public weigher, had weighed 1812 bales as against 879 last year.

A new department, domestic science, has been added to the Crowell School curriculum for the first time.

The coldest wave of the season with light rains struck Foard County Monday bringing the temperature down to around 58.

Ed L. Thompson, 52, died Tuesday at his home after an illness of several months. He was born Feb. 25, 1875, in Collin County and came to Foard County with his parents in 1887. He married Miss Serena Johnson in 1907. His wife and 7 children survive.

Crowell's high school football team snatched victory from the first game of the season when it met Chillicothe here Friday, the score being 18 to 0 in favor of Crowell.

The County Federation of Clubs met Saturday, Oct. 1, at 3 p. m.

Seventy-five per cent of every tax dollar is expended for education and good roads, S. M. N. Harris, state superintendent of public instruction at Austin, stated recently.

The Hilton Hotel in Abilene, heralded as the largest and finest hotel between Fort Worth and Los Angeles, was opened to the public the week of September 19.

The Chevrolet building on the north side of the square, owned by L. D. Fox, will be enlarged to take care of the fast growing business of the Allen Chevrolet Co. The Chaney-Alton partnership has been dissolved and Mr. Chaney is now operating the Chaney Chevrolet Company at Quannah. R. W. Bell, star salesman for the Chaney-Alton Chevrolet Co. for the past year, because of his selling achievements won a place as a member of the 72 Car Club, an honor desired by every salesman and won by few.

County Agent Fred Rennels has some of the finest specimens of maize, fetterita, kaffir and other feed grains ever seen on display in the court house.

800,000 CARS ON HAND

U. S. News & World Report finds that dealers had about 800,000 1957 automobiles still in stock on September 1—a record number for so late in the year.

Texas Press Head Urges Public to Visit Local Newspaper

Jimmie Gillentine, president of the Texas Press Association, urged all Texans to visit their hometown newspaper sometime this week in the 18th annual observance of National Newspaper Week.

"We want all newspaper readers to have an opportunity to witness the actual operation of a newspaper plant during the week of October 1-8," emphasized Gillentine, who is also publisher of the Hereford Brand.

"Texas newspaper men and women, who devote a great deal of their time and talents each year to the success of special weeks, will be reflecting, in their columns and news stories, thoughts on the Constitutional guarantee of freedom of the press and the threats to it," Gillentine continued.

"Many will remind their readers of the first threat which ended in the classic trial of John Peter Zenger in 1735, and firmly established freedom of the press," the TPA president pointed out, "and others will review present day threats, represented by secret or closed-door meetings of public bodies."

Gov. Price Daniel, in an official proclamation honoring the Texas Press Association, succinctly summarizes the importance of this basic freedom:

"Our Constitutional guarantee of freedom of the press is a guarantee of an individual's right to own and to control a printing press without subservience to the government. That guarantee established the fact that a free government of free men does not need to live in fear of the thoughts and words of its free citizens."

Thomas Jefferson once said: "Were it left for me to decide whether we should have a government without newspapers or newspapers without government, I should not hesitate to prefer the latter."

Governor Daniel seems to concur when he says, "the freedom of America depends on the freedom of the press. The free flow of information to the public is essential to the preservation of our American way of life, and we must be continually vigilant against any efforts to impede this freedom of information."

Theme for the week is "Your Newspaper Serves," and both the Newspaper Association Managers Inc. and Texas Press Association, which jointly sponsor National Newspaper Week in Texas, invite newspaper readers everywhere to join in the observation this week.

W. M. S. Leadership Clinic Held at Truscott Church

The Baylor-Knox W. M. S. Leadership Clinic was held at the Truscott Baptist Church Wednesday, Sept. 25, with Mrs. E. W. Davis conducting the devotional.

District guests were Mrs. Overton Neal of Quannah, Mrs. Lockett of Vernon, Mrs. Taylor of Byers, Mrs. Faust of Graham, Mrs. Robert Falls of Wichita Falls, Mrs. Sarratt from the Wilbarzer-Foard Association, Mrs. Karr of Paducah, Mrs. U. S. Lucky of the Red Fork Association.

Each of the district officers taught interesting classes on the different phases of WMS work.

After lunch was served, a business meeting of the association was held for the following officers elected for the 1957-58 year in Baylor-Knox Association:

Mrs. A. D. Jones of Seymour, president; Mrs. L. D. Jones of Seymour, treasurer; Mrs. Roy Moseley of Seymour, secretary; Mrs. W. Dodd of Benjamin, YWA secretary; Mrs. D. M. Willett of Seymour, G. Descendants of Foard Co. Couple Have Reunion

A reunion of relatives of the late Mr. and Mrs. E. F. McDaniel of Foard County was held at Alhambra Park in Vernon Sunday, Sept. 22, with a basket dinner. Games were enjoyed by the young folks throughout the day. In the afternoon, a singing was held with Mrs. Truett Neill of Monrovia, Calif., as pianist, and Pat McDaniel of Crowell as leader.

Pictures were taken during the day and moving pictures were taken by Mr. and Mrs. Bobby Henry, which will be shown next year. Pat McDaniel acted as master of ceremonies and it was decided to meet again next year on the same date. Highlight of the day's entertainment was an old-fashioned foot race between Sim Gamble, 81, and Mrs. Nannie McDaniel, 72. There were 82 people in attendance.

There are only two daughters left in this family, Mrs. Alice Henry of Quannah and Mrs. Mae Gilmer of Brisco. Mrs. Gilmer was unable to attend.

Those present were Mr. and Mrs. Burton Moore of Crosbyton, Mrs. Emma Moore and grandson, Terry, of Cherokee, Okla., Ed Jones and family of Oklahoma City, H. Adams and family of Archer City, Mr. and Mrs. Bill Evans and family of Amarillo, Mr. and Mrs. Bobby Henry and daughter and Mr. and Mrs. Jack Henry of Electra, Mr. and Mrs. Walter Henry and two granddaughters of Quannah, Mr. and Mrs. Wm. Simmons and family, Mrs. Bert Hanks, Mrs. W. O. McDaniel, Pat McDaniel and family, Gordon Erwin and family, Charlie McDaniel and family, Jim Henry and family of Crowell, LeRoy Henry and family and Mrs. Henry Presley and Marine, Mrs. Frank Wood and children, Jerry and Isla, Mr. and Mrs. Robert Dozier and George Herman Dozier of Dallas and Amarillo, Boots Henry and family of Plainview, Mr. and Mrs. Truett Neill of Monrovia, Calif., and Mr. and Mrs. Sim Gamble of Thalia.

Wins Prize of Oil Picture of Farm

Grady Halbert has just been notified that he has been named as one of twenty-five Texas farmers and ranchers selected to receive an unusual reward in recognition of the excellent soil and water conservation work done on his land. This word has just come from W. C. Howard, president of the Association of Texas Soil Conservation Districts which is co-sponsoring this awards program with the Great Southwest Life Insurance Company of Dallas.

This unusual award will be a beautiful 18x24-inch oil colored and framed aerial photograph of Mr. Halbert's farm.

This beautiful picture will be presented to Mr. Halbert after it has been exhibited at different fairs and shows in the state, after being displayed at the January 15-17 convention of Texas Soil Conservation District Supervisors at Corpus Christi.

The first public showing of these beautiful pictures will be at the October 5-20 State Fair of Texas, Dallas, where they can be seen in the Agricultural Building.

This is the first year of this awards program and Mr. Halbert is to be congratulated for being selected as one of the first year's award winners. Selection of the twenty-five outstanding conservationists was made from nominations submitted by the 172 Texas Soil Conservation Districts. From this list of nominations the 25 directors of the Association and Texas Soil Conservation Districts then selected one farmer or rancher from his group of districts to receive this award. Selections were based on the progress made in applying sound soil and water conservation program on their farm or ranch lands.

Mr. Halbert is a cooperator of the Lower Pease River Soil Conservation District which named him as their farmer or rancher doing the most outstanding soil and water conservation work in this district during 1956.

Cemetery Fund Donors Listed

The following have made possible the upkeep of the Crowell Cemetery during the month of September, according to a report released Tuesday by Mrs. N. J. Roberts, president:

Johnnie Mathews, \$5.00; the Stephens family, by Mrs. C. T. Murphy, \$10.00; Nona Olds, \$3.00; Mrs. T. E. Womack, Carrollton, \$5.00; Mr. and Mrs. Johnnie L. Gamble, LaPorte, \$10.00; R. R. Magee, \$5.00; Belle Allee Estate, \$15.00; Helen Higginbotham, \$5.00; Mrs. S. E. Tate, \$4.72; Mrs. I. M. Cates Estate, \$14.72; Mrs. J. S. Long, \$5.00; Mrs. Dale E. Grimes, Lubbock, \$10.00; Mrs. Harvey Turnbough, Lubbock, \$10.00; Mrs. G. J. Benham, \$5.00; Maude E. Rasberry, \$10.00; O. H. Scott, \$10.00; Nomie Pierce, \$10.00; A. D. Campbell Bulkeley, Van Nuys, Calif., \$10.00; Mrs. Mary Weaver, \$10.00; Heirs of Charley O. Patton, \$19.73.

Mrs. Roberts stated: "Recently our streets have been repaired in places, along with work on the road from the highway. The lawn mower has been back in service. Extra help was used one week and our cemetery has been thoroughly gone over. The county commissioners have promised to do more gravelevelling with the material furnished by Bax Middlebrook."

"There has been much favorable comment on the general appearance of our cemetery, and we urge friends to visit our grounds and see what is being done with their gifts. Through the summer our donations fell far short of our requirements and we've been obliged to use our small reserve."

"We plan a rummage sale later, probably about the middle of the month. We shall expect the cooperation and assistance of all interested friends."

State Fair of Texas to Open October 5 and Closes Oct. 20

The 1957 State Fair of Texas will open Saturday, Oct. 5, for sixteen days and will run through Sunday, Oct. 20.

The traditional opening day parade through downtown Dallas will start at 10 a. m. Saturday and will be led by Governor Price Daniel, who will then officially open the Fair.

The opening day will be Rural Youth Day, and more than 100,000 Four-H club boys and girls, Future Farmers and Future Homemakers are expected to attend from every corner of Texas.

Top entertainment attractions of the Fair this year include "My Fair Lady," the Ice Capades, the Aut Swenson Thrillcade, the free Aztec-Mayan Spectacular, the Jimmy Savo Show, and of course the million-dollar Midway.

A total of 4,813 head of livestock from 20 states have been entered in the Pan-American Livestock Exposition and the Junior Livestock Show. The beef and dairy cattle, swine, sheep and goats entered in the Pan-American will be on display throughout the first week of the Fair, and the steers, dairy heifers, lambs and pigs of the Junior shows will be brought in during the second week. There will be horse shows all three week ends of the Fair.

Unusual things to see at the Fair will include the "miracle" kitchen that performs household tasks electronically, a replica of the earth satellite, the Army's newest guided missile, Santa Fe Railroad's antique Cyrus K. Holiday train, free home-sewing fashion shows, the futuristic "idea cars" in the Automobile Show, the big Food Show, the International Center with exhibits from many foreign countries, the latest farm machinery, the Agriculture Show and its bounteous product displays and literally a thousand-and-one other free exhibits.

Newspaper Want Ads Serve Millions

This is National Newspaper Week and the theme for the year's observance is "Your Paper Serves." Millions of people will attest to the fact that the important services of a newspaper is its "Want Ad" section so aptly called "the market of millions." In this vast marketplace, big and little people seek mutual advantage.

But the Want Ads are more than that—they fulfill a need and heal distress

Austin, Tex.—How much will Texas' drought-shocked farm economy be able to come back, thanks to 1957 rains?

U. S. Bureau of Crop Estimates says Texas' 1957 cash income, from all farm and ranch products, may be as much as \$200,000,000 higher than last year.

Actual statistics now are not so rosy. Reports from the University of Texas Bureau of Business Research show cash income, as of July, down 13 per cent from July of last year. Farm income for July is 70 per cent of the 1947-49 average.

"Farm income," says a BBR analyst, "is still the most depressed sector of the Texas economy, although rising prices and a better outlook for crops give some grounds for optimism."

Some attribute the poor cash showing in reports thus far to lateness of crops in areas where continued spring rains delayed planting.

Whatever final statistics show, most farmers and farm observers seem to regard 1957 as the beginning of better things. It rained. And though the rains may have washed out cotton, rotted melons and mildewed grain, it "put a season in the ground."

LITTLE ROCK REPERCUSSIONS—News from Little Rock, Ark., brought expressions of concern and disapproval from the Texas Capitol.

Gov. Price Daniel, on hearing the President had sent in federal troops to enforce school integration, fired off a telegram to the White House. Such action, said Daniel, was "reminiscent of the tactics of Reconstruction Days."

"Does this mean you will occupy with troops every non-integrated school in the South?" the Governor asked. "If so, your action will destroy the public school systems and good will among the races which most of us in the South have labored so hard to preserve."

U. S. Sen. Lyndon B. Johnson, who was in the State Capitol at the time, for a Democratic women's gathering, said he was "concerned and disturbed."

"I think there should be no troops from either side patrolling our school campuses," said Johnson.

NEW LAWS SUGGESTED—Spectators of the ICT investigations are no longer interested in what BenJacek Cage did or didn't do. Or in what he says or doesn't say. They are more interested in the effect the ICT matter will have on future insurance regulations.

Cage answered a few general questions for the Senate investigating committee. But he refused to answer 90 others on grounds of possible self incrimination.

However, officials of the State Insurance Department spoke to the committee specifically and without hesitation. Commissioner William A. Harrison suggested need for possible legislation in four areas:

1. Board authority to determine the competence of management and to pass on management contracts. (Jack Cage Co. had a management contract with ICT).

2. More board control over financial record keeping by companies.

3. Change in the minimum capital requirements for organizing a company (presumably to require more capital).

4. Changes in insurance investment restrictions.

FLU FURCRE FADES—After the shock of the first flare-up, most Texans seemed resigned to living with the Asian flu threat for a while.

Although cases tripped (to 9,151) in a week, health officials in some areas reported a decline. Some said they felt they were "over the hump."

SHOEMAKE'S POLICY DROPPED—An Austin district judge has ordered the state receiver to stop paying premiums on A. B. Shoemaker's giant insurance policy. Value of the gradually diminishing policy was down to \$719,000.

At one time the policy would have been worth \$1,000,000 on Shoemaker's death. Money would have been added to the assets of the bankrupt US Trust and Guaranty Co.

Shoemaker attempted to kill himself after his company collapsed. His death seemed imminent, and the \$20,000-a-year premiums were kept paid. Now, doctors say Shoemaker may live another 15 years.

TUG O' WATER—Water contests are back in the news. City of San Antonio has been trying for more than three years to get permission to take 100,000 acre feet of water annually from Canyon Dam to be built near New Braunfels. Guadalupe-Blanco River Authority opposed the request, and last July the State Water Board turned down San Antonio's application.

with the Water Board. It gained permission to take 385,000 acre feet a year from tributaries of the Trinity. Enough, presumably, to care for the city's needs until the year 2000.

But there were protests, both from within and without Fort Worth. Board said permit is a new type which will protect the supply of downstream users.

SCHOOL PANEL—House Speaker Waggoner Carr added 3 more to the committee which is to study means for handling Texas' growing school population. They are Mrs. Will Miller of Corsicana, Nat Williams of Lubbock and Stone Wells of Houston.

Appointment of six persons by Governor Daniel will complete the 24-member committee.

SCHOOL BUS LAW—There still are people who don't observe Texas' school bus law, say state officials. Seven were killed in school bus collisions last year.

Wide publicity on the provisions of the law are urged by Education, Highway and Safety Department officials. Basically, the laws say:

1. A driver meeting or overtaking a school bus that has stopped to load or discharge passengers must stop immediately. He may then proceed cautiously at not more than 10 miles per hour.

2. Law does not apply in city limits or on a divided highway where the bus is on a different roadway from the other vehicle.

PROBLEM SOLVED
Houston, Tex.—When Mrs. Nellie Harris, operator for Southwestern Bell Telephone Co., decided to take her lunch to work, her six-year-old son, Charles, was worried. How, he wondered, would he be able to tell her lunch from all the others?

Came the solution: Charles announced he would write her name on the sack.

Sure enough, at noon Mrs. Harris had no trouble finding her lunch. Scrawled all across the front was: "M-O-T-H-E-R."

QUALITY LOSS EXPENSIVE
Thousands of dollars are lost annually by poultrymen and egg handlers because of quality loss due to improper handling of eggs from the time they are laid until consumers use them. Heat, age and humidity are the three biggest enemies, says F. Z. Beamblossom, extension poultry marketing specialist.

Fish Hatcheries Have Heaviest Year in History

More than thirty thousand applications for additional fish from Texas hatcheries were on the books Sept. 1, when time for taking applications for this year's production closed. This figure has been given by Joe Marks, chief engineer of the Game and Fish Commission.

"This year's hatchery production will amount to some 13 million fish distributed to lakes, ponds and streams throughout the state," Mr. Marks said.

Production of the hatcheries was curtailed some because of flood damage, principally at the San Angelo hatchery. Repair work at this hatchery has been in progress for some time, and the water supply to the hatchery will be completed in another 30 days. Meantime, bids are now being taken on additional drainage work.

An engineer was sent to the Dundee hatchery near Wichita Falls this week to survey improvements that must be made there, as well as to repair damage.

"Heavy rains in the spring filled every farm tank in Texas," Marks said. "Many of these tanks had never been stocked before. We are attempting to supply them with fish as fast as possible."

The first blood transfusion, according to record, was given to Pope Innocent VIII in 1492.

COUNTY FEDERATION

The first meeting of the 1957-58 year of the Foard County Federation of Women's Clubs was held Sept. 26 at the Methodist Church in Thalia.

The hostess club was the Thalia Home Demonstration Club and the program was brought by the Vivian Home Demonstration Club with Mrs. Warren Haynie as leader. Mrs. Clyde Bowley brought the devotional. Mrs. H. W. Gray was pianist and Mrs. J. A. Marr was song leader for the day.

Mrs. Verda Bell resigned as secretary-treasurer and Mrs. J. A. Marr was elected. All the clubs in Foard County were represented.

After a delicious luncheon held in the basement of the church, the afternoon session was opened by the president, Mrs. Clarence Garrett, who introduced the leader. Mrs. Haynie introduced the speaker, Rev. C. T. Aly, who spoke on his recent visit to the Caribbean Islands.

MARGARET W. S. C. S.

The Margaret Methodist W. S. C. S. entertained the Baptist W. M. S. Monday with a social in the home of Mrs. Claud Orr.

The meeting opened by the group singing "Take My Life and Let It Be." Mrs. Joe Bledsoe led in prayer.

The devotional was given by Mrs. W. A. Dunn. Her subject was "Walking with Christ." She said every person has to learn to walk four roads if he is to walk with Christ: the road of conversion, the road of service, the road of suffering and the road of eternal fellowship.

Mrs. Arthur Bell conducted a Bible quiz and was in charge of the recreation.

Mrs. Orr served a delicious refreshment plate to the following ladies: Mrs. W. R. McCurley, Mrs. C. T. Murphy, Mrs. Joe Bledsoe, Mrs. Hugh Shultz, Mrs. A. L. McGinnis, Mrs. Tom Smith, Mrs. C. F. Bradford, Mrs. Bob Thomas, Mrs. Roy Ayers, Mrs. George Wesley, Mrs. Tommy Beck, Mrs. W. A. Dunn, Mrs. James Bowers, Mrs. W. F. Bradford, Mrs. Arthur Bell, Mrs. J. S. Owens, Mrs. W. H. Tamplin, Mrs. Earl Ingle, Mrs. J. C. Hysinger, Mrs. Ray Hysinger and Mrs. Joe Orr.

W. M. S. MEETS

The Woman's Missionary Society of the Baptist Church met Monday afternoon at the home of Mrs. Glen Goodwin at 3:30 for the purpose of installing officers for the coming year.

Rev. C. T. Aly conducted the installation service with a wonderful address, comparing the W. M. S. of the church with a convoy of ships loaded with important cargo.

The officers installed were as follows: Mrs. W. F. Stataer, president; Mrs. Martin Jones, vice president; Mrs. Walter Cates, secretary-treasurer; Mrs. E. C. King, mission study chairman; Mrs. Leo Cates and Mrs. Glenn Goodwin, program chairman; Mrs. Alyn Williams, community missions chairman; Mrs. Claude McLaughlin, pianist; Bro. Aly, Bible study chairman.

Others present were Mesdames Guy Todd, Johnny Marr, Clark Hitt, Homer Zeibig, Maude Raspberry, Josie Long, Donna Weir, Tom Cooper. Refreshments were served by the hostess.

VIVIAN H. D. CLUB

Eight members of the Vivian Home Demonstration Club and four visitors met in the home of Mrs. Claudius Carroll on Friday, Sept. 27, at 2:30 o'clock.

Mrs. Warren Haynie, president, was in charge of the meeting. Roll call was answered by "how we can help our state hospitals." Mrs. Allen Fish gave a talk on Mental Health. Next meeting will be with Mrs. Allen Fish Oct. 10 with the program on Christmas bouquets and dried flowers.

The club party for September was also in the home of Mrs. Claudius Carroll Saturday night at which time Mrs. Mary Brown gave a talk to the men of the club on making a will. There were 23 present. Games of 42 were played after the talk.

A refreshment plate was served by the hostess at both meetings.

CO-LABORERS CLASS

The social meeting of the Co-Laborers Class of the Methodist Sunday School met in the classroom of the church on Thursday afternoon, Sept. 26, with Mesdames S. S. Bell, Geneva Potts and J. N. Ribble as hostesses.

Mrs. Lewis Ballard, president, conducted a short business meeting before the lesson.

The Book of James was the subject of the afternoon's lesson and was led by Mrs. Ribble. The song, "Yield Not to Temptation" was sung by the group, Mrs. Allen Sanders playing piano accompaniment and Mrs. C. W. Thompson leading.

Mrs. Hines Clark, as assistant leader, gave the devotional. Mrs. Ribble reviewed and presented

the Book of James. Mrs. Thompson closed the meeting with prayer.

A salad plate of refreshments was served to nineteen members by the hostesses.

WEST SIDE H. D. CLUB

Drying and dying your bouquets was a very interesting demonstration given by Mrs. E. A. Dunagan and Mrs. Baylor Weathered when the West Side Home Demonstration Club met in the home of Mrs. A. Jones Sept. 10.

"Hang your weeds upside down for the ones you wish to be straight in your bouquet. Stand others in a bottle to make droop" were some of the interesting facts given. "Pets Carrier" was read by Mrs. W. Thompson and opened the meeting. Minutes were read and approved, and business discussed. Mrs. Dunagan asked that all orders for pecans be turned in before November.

The next meeting was planned to be held at Mrs. D. Norris' on Oct. 8. Refreshments were served to 10 members and two visitors.

SUB-JR. ADELPHIAN CLUB

The Sub-Junior Adelpian Club met Wednesday, Sept. 25, at the Adelpian Club house with Lilly Polk as hostess. Refreshments were served after the business meeting.

The program, by Wanda Moore, followed. After the program, the meeting adjourned.

CLASSIC STOMACH-ACHE

Napoleon died thinking he had cancer and a post mortem by five English physicians confirmed the self-diagnosis. According to a recent report by two Chicago physicians, however, it wasn't. The emperor died of an ailment better known to twentieth century doctors—peptic ulcer. The Napoleonic stance, hand thrust under tunic, they say, was an effort to relieve the pain of the ulcer-caused stomach-ache.

RIGHT-TO-WORK LAWS

Those queried in a recent survey made by the American Institute of Public Opinion favored right-to-work laws by a two-to-one margin. In the highly industrialized East, sentiment against the closed shop ran to 70 per cent, with 22 per cent in favor and the remainder undecided.

Polio Vaccine . . .

up in downtown Crowell Friday and Saturday, Oct. 11-12. This room will be manned by volunteer nurses and workmen. Inoculations will be given for \$1.00 per shot on these two days and all Foard County residents under 40 years of age are especially urged by Mr. Wright to take advantage of this mass inoculation program. "This is an effort to get everybody inoculated and those who feel unable to pay the dollar will be given the shots free with no questions asked. The second shot will be given in November," Mr. Wright continued.

"Only 4,130 cases of polio had been reported across the nation through Sept. 7 this year compared with 9,759 for the same period last year. The Salk vaccine is

credited with this fine record, but let's make sure that there is not a single case in our county in 1958," Mr. Wright concluded. Further details will be given in next week's News.

Football Game . . .

(Continued from page 1)

playing in the backfield for Crowell in this scrimmage were Bobby Barker, Ivan Cates, Jerry Eubanks, Dewey Harris, Jim Henry, Jackie Hickman, George Moss and Guy Todd. The linemen for Crowell were Joe Barry, Delton Brown, Gary Carpenter, Tom Crowell, Charley Gidney, Bill Graves, Taylor Johnson, Duane Nichols, Bobby Powers, Bill Smith, Bryant Thompson and Don Welch.

These practice games for these youngsters should give Crowell an assurance of good players for

the regular teams in the future. They are coached by Gordon Erwin and Glen Taylor. Crowell Grade School and "B" teams will play next Monday night.

Newspaper's First Obligation to Public is to Print the News

The first obligation of the newspaper is to print the news. The second is to guide public opinion by interpretation. The third is to furnish wholesome entertainment for readers. The fourth is to be of service to the community. The fifth obligation is a very important function financially—to merchandise goods or services through its advertisements.

To those critics who take a cynical attitude toward a news-

paper's activities to obtain advertising, we would remind them that there is nothing more silent than a closed newspaper.

Newspapers like to feel that they are performing a special public service. When they are good newspapers, they undoubtedly are. But so do all honest useful businesses perform a public service—even a special public service. They who build homes certainly do so. The growers and distributors of food obviously are essential in our scheme of things. So are the merchants, the bankers, the doctors, the lawyers, the laborers, the craftsmen—a long, long list of occupations. Newspaper people should not feel that they alone are striving to perform a special public service. All sincere workmen are trying to do that.

GRASS ROOTS ECONOMY

The Tax Foundation estimates that new spending appropriations were \$6.1 billion under the President's budget request. It estimates this to "strongly increase economy demand" and more of the same.
