Cotton Vote Set for December 15

Cotton growers will make an important decision on Monday, December 15, Ray Hysinger, chairman of the Foard County Agricultural Stabilization and Conservation Committee, reminds farmers.

On that day, growers will vote in a referendum to decide whether marketing quotas will be in effect for their 1959 upland cotton crop. All farmers who are engaged in the production of upland cotton in 1958 will be eligible to vote in the referendum.

"If at least two-thirds of the growers voting approve the quotas," Mr. Hysinger explains, "marketing quotas will be in effect on all farms growing upland cotton in 1959, penalties will apply on 'excess' cotton, and growers will have an opportunity to elect a choice between complying with their 'regular'—Choice A—farm allotments or increasing their cotton acreage by as much as 40 percent; this second choice is called, Choice B.

"By complying with the Choice A allotment, a grower will be eligible for price support at the full level available—not less than 80 percent of parity in 1959; by complying with the Choice B allotment, a grower will be eligible for price support at a level 15 percent of parity lower than under the Choice A program.

"If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, only 'regular'—Choice A—allotments will be in effect, and price supports to eligible growers (those who comply with their 'regular' allotments) will be available at 50 percent of parity.

"In either case, acreage allotments of some kind will continue in effect for the 1959 cotton crop as a means of determining eligibility for the available price support."

Mr. Hysinger pointed out that legislation directs the Secretary of Agriculture to proclaim marketing quotas for the next upland cotton crop when the cotton supply exceeds normal. Quotas are not put into operation, however, unless they are approved by at least two-thirds of the growers voting in a referendum on the question.

EDITORIAL

Let's See a Movie!

In the November 6 issue you perhaps noticed the short article about Eldon Whitman, Robert Fish and Arlos Moore being called from study hall so often to show films. This is all a part of the visual-

education program of our school. It has been said that as a teacher, one picture is worth a thousand words, and nearly all of the up-to-date schools have been putting this method of teaching into practice during the past few years. Educational films can be obtained to cover nearly every subject taught; we have them about history, science, homemaking, Spanish, driver's education, even literature can now be supplemented with movies as "Macbeth," "Julius Caesar," etc.

The students really enjoy the films, and at the same time, they are more deeply impressed with what they see than with what they hear or read. Some may think that the "picture shows" are a waste of time, but they have been tried and proved all over the nation as a vital part of a well-rounded educational system.

We consider ourselves fortunate to have a movie and sound projector so that we can take advantage of the many opportunities offered by visual education.

Yea! Wildcats!

Wildcats Win District, Munday Trampled 50-6!

Well, we've done it again! We do hope this is getting to be an habitual happening—at least, it's two in a row and as we are losing only two players (Gerald Bradford and David Carpenter) why shouldn't we plan to win next year?

The game last Thursday against the Munday Moguls was "push over," and the Wildkittens got in some good practice there. We again would like to express the appreciation of the team, the coaches, cheer leaders, the band for the cooperation that has been given in so many ways to make the winning of the district a possibility.

We'll see you in Olney!

For Sale—Christmas Cakes

The Junior Class is having a very successful cake sale. The reported

number of sales up to now is 34, yielding a total intake of \$127.50. The class gets \$1.10 profit on each cake. The English fruit cakes are contracted for a Wichita Falls bakery and they sell at \$3.75 each. They are packed in a festive, practical cake tin and packaged in a colorful holiday box especially designed for mailing. They make perfect holiday desserts or well-received gifts.

We want to remind the class that the closing date on this sale will be Nov. 24. If anyone wishes to buy a cake and you do not have one to sell, please contact Mrs. Halbert, Jerry Clifton is the top salesman so far, with a record of 12 cakes sold.

Crowell Wildcats Meet Keller Indians in Bi-District Game Tomorrow Night

It's tomorrow night that our Wildcats meet the Keller Indians in the bi-district championship game at Olney at 8 p. m.

This game should be a real thriller as the teams have each been undefeated in district competition. Our team has played excellent ball this year. Our band and cheerleading sections have done a wonderful job—and we know that our student body and town fans will be in Olney tomorrow night to help our Wildcats beat the Indians and march on to regional play-off. Support the Wildcats!

Lillie Polk and J. W. Golden Are Senior Personalities

This is the moon! Two "outer space" people have just landed from earth. From their brain waves we can read that they are seniors in Crowell High School. Stand by for more information!

Lillie Polk is 5' 1" tall, has green eyes, brown hair, and is 18. Fried chicken and all the trimmings is Lillie's favorite food. Listening to good western rock and roll music plus watching a western movie and being with all her many friends are great pastimes for Lillie. Her very favorite actor and actress are Clint Walker and Debra Paget.

Lillie finds chemistry to be her hardest subject, but civics is a snap for her.

During her years in high school, she has been a member of the FHA, was elected a chapter officer of this organization, belonged to Dramatic Club, Sub Junior Adolphian Club, Library Club and pep squad.

After graduation, Lillie plans to attend Draughon's Business College in Lubbock to become a secretary.

J. W. Golden is 5' 8" tall, has green eyes, black hair, and is 18. Southern fried chicken, French fried potatoes, and pecan pie fill the way to this fellow's heart. (Did you gals get that straight?) J. W. enjoys a "rootin' tootin'" western movie, watching TV when

he is at home, working on his car, and listening to good music of any kind. Debbie Reynolds and Guy Madison rank tops as movie stars with him.

Chemistry seems to be unanimous today, it's J. W.'s hardest subject. V. A. and typing seem to come pretty natural to him, though. J. W. has been an FFA officer, belonged to the Dramatic Club, and 4H Club.

His pet peeve is "Stuck Up people," how true!

After graduation, J. W. will either go to the army or to a business school in Lubbock.

Best wishes to both of you swell kids!

Girls Basketball Team Beats Benjamin 41-30

The Crowell Hi girls ball club has marked up their first win of the season. They played Benjamin on their own home court and beat them 41-30 on Nov. 11, Tuesday night.

They will venture to Benjamin tonight for their third game of the season. Let's go out and back them!

Class of 1945 to Be Featured in November 27 Issue

We said we'd do it, and we're going to! What? In next week's issue we're going to give you the whereabouts of as many of the class of 1945 as possible.

How? We don't know the answer to this one, yet; but your cooperation will help. To date we've heard from exactly one of that class! Now, we won't be stopped, but if you parents of students who graduated that year would call Gayle Taylor or Mrs. Manard to inform them of the present location of your graduate of 1945, it would make things a bit easier for us! Information must be in by this Saturday noon. Please—won't you help us!

Band Beats

The CHS Band participated in the marching contest held in Wichita Falls Nov. 11. They came out with a record of which they are very proud. They rated "one" in inspection and "two" in marching and playing. This was among the highest ratings given to class A bands.

Since the band didn't have enough time to work up a complete new show for the Crowell-Munday ball game Thursday night, we just cut out part of our contest routine and formed a large C and honored the six seniors in our high school band while we

played our school song. The band is now practicing for two things: a half-time show for the game at Olney Friday and a parade at Quanah, Nov. 24. We'll see you too, at Olney!

Boys Beware!

The week of November 24-30 has been declared Twirp (the woman is requested to pay) Week by the Student Council. Each boy will wear a card on which he must keep a record of all things done for him by a girl. Different things, such as carrying books, having Coke dates, walking to classes, etc., will count a certain number of points.

Twirp Week will be climaxed by an assembly held on Dec. 1. At this time, the Twirp King (boy with the most points) will be crowned and will choose his queen.

Library Club News

The Crowell High School Library Club met Nov. 7 in Mrs. King's class room for a regular meeting. Mrs. King, the sponsor, 22 regular members, and two new members, Bonnie Little and Carolee Oliphant, were present.

Carolyn Aydelotte, president, called the meeting to order. Every member answered to the roll call with a comment on the last book she had read.

Thanksgiving was the theme for the program. Rachel Rodriguez read Psalms 100, and Mrs. King led the group in prayer. Joyce Howard read the poem, "Our Thanks to Thee."

Then, Mrs. King gave a sponsor's report, after which names were drawn for the Christmas party.

Beat Keller!

Students Receive New Testaments

As a courtesy of Gideon International, Testaments were recently distributed to students of the high school by Kenneth Curtis and J. M. Farris, business men of Wichita Falls. This is a far reaching enterprise as each school is given this service each year. Since the organization has been in action, millions of Testaments have been placed in the hands of youth and adults throughout the nation.

Master of Magic Presents Southern Assembly

Thomas Magrum, master of magic, presented the third Southern Assembly to the Crowell student body last Wednesday.

Magic — it can't be done — he did it! Mr. Magrum's original mysteries, marvelous illusions, sleight-of-hand, magic of spiritualism, and scientific paper folding created many thrills and laughs throughout his performance.

Assisting Mr. Magrum for parts of the program were Ivan Cates, Gerald Bradford, Roxie Adkins and Patricia Prosser. (He really cast his spell upon Ivan and Gerald!)

The program was enjoyed by all, and we are truly thankful that we have the privilege to enjoy such fine entertainment.

Attention, Ex-Students! Watch These Dates!

Class of 1939 to be featured December 4.

Class of 1934 to be featured December 11.

We've chosen these classes as the end of this school term will mark their 20th, 25th and 30th anniversaries respectively.

Please, let us hear from you! Remember, we must have the information by the week end previous to the date of publication!

Former Teachers Visit Here

Some of you will remember Miss Louise Ball who taught English here from 1927-1935, and Mrs. Troy Aiken (Miss Thelma Shaw) who taught here from 1927-1930. They visited the past weekend in the home of Mrs. Ruth (Patterson) Binner. Miss Ball taught for many years in Missouri, but she now teaches history in San Angelo. Mrs. Aiken, her husband and one son, a senior, live in San Angelo. She teaches the first grade there. They enjoyed renewing acquaintances while they were here.

Miss Lois Alexander, aunt of the bridegroom-elect, was hostess. The bride's colors, red and white, were carried out in a centerpiece arrangement of red gladioli and white chrysanthemums.

In the receiving line with the honoree were Mrs. Robert Lee Masten, mother of the bride-elect, and Mrs. H. K. Edwards of Crowell, mother of the groom-elect.

Members of the hostess party were Mrs. Edgar Williams, Mrs. S. L. Rollins, Mrs. Marvin Tillet, all of Sudan, Miss Evelyn Clowell, Mrs. Pearl Smith and Mrs. Floyd Samrow.

The wedding will take place November 28 in Sudan.

November Meeting of County Federation Held Last Friday

The Crowell Garden Club was hostess club to the November meeting of the Foard County Federation of Women's Clubs at the Adelphian Club house in Crowell Friday, November 14.

The Adelphian Club was in charge of the program for the day.

Mrs. Clarence Garrett presided, and during the business session gave the highlights of the interesting Texas Federated Club projects revealed at the Seventh District meeting in Lubbock and at the State Board meeting in Denton.

Mrs. Virgil Johnson brought the morning devotional on the Twelve Disciples—the men who knew Jesus Best. Charter profile silhouettes of the followers of Jesus gave their human faults and showed how by the events in their lives they grew to spiritual heights in love, wisdom and work—with the exception of one who allowed hidden resentment to destroy his soul.

After the bounteous covered-dish luncheon, the November Garden Club program was given. Mrs. Grover Phillips and Mrs. L. A. Andrews demonstrated the point-scoring of Thanksgiving tables and

seasonal arrangements. The following member clubs in Foard County were represented: Adelphian, Columbian and Garden Clubs in Crowell, and the West Side, Vivian, Foard City, Gambleville and Margaret Home Demonstration Clubs of the county.

Next meeting of the Federation will be on February 27 with Riverside as hostess club and with the Margaret Club in charge of the program.

Place and plans for the meeting will appear in the Foard County News at a later date.

H. D. Council Meets

The Foard County Home Demonstration Council met Saturday, Nov. 15, with 11 members and 2 visitors present, representing all 7 clubs.

Mrs. Clarence Garrett reported a total of \$90.26 in the treasury for next year. All committees gave annual reports. Vivian, Gambleville and Margaret reported they had voted to buy 3 chairs each. The other clubs will report in January. Final plans for Achievement Day, Nov. 22, were made.

In January each club member is to send into council a list of shrubs and flowers she is willing to exchange with others and an exchange day will be planned.

Council will meet again in January.

Home Builders Circle

Members of the Homebuilders Circle of the Methodist Church met in the home of Mrs. Sonny Eddy Tuesday evening.

Mrs. W. L. Johnson, as study leader, talked on "How to Be Successful." Mrs. Johnson enumerated ways for daily living, and ways to live for Christ successfully.

Mrs. Rusty Russell brought an autumn devotional, "When Leaves Turn Brown," basing her scripture lesson on the 96th Psalm. As a closing meditation, she read a Japanese version of the 23rd Psalm.

Mrs. Hulen Monkres dismissed the group, and an hour of informal visitation was enjoyed.

Mrs. Eddy served refreshments to the ten members present, and two visitors, Mrs. Jesse Whitfield and Mrs. Andrew Calvin.

West Side H. D. Club

The West Side Home Demonstration Club met November 11 at the home of Mrs. F. A. Davis.

Mrs. E. A. Dunagan opened the meeting by reading a poem about Thanksgiving. Roll call was answered with "the demonstration which helped me most."

Mrs. Mary Brown, H. D. Agent, gave an interesting and informative program on "Health and Accident Insurance." It was stressed that everyone should carry a good insurance policy in case of sickness or accident.

Refreshments were served to 9 members and three visitors, Mrs. Lewis Ballard, Mrs. Rob Banister and Miss Donna Norris.

The next meeting will be at the home of Mrs. L. G. Simmons on Tuesday, November 25.
