Life's Choices

As young people, nearly everything we do—in school work, in young people's organizations, in our daily affairs, in dealing with people—is to prepare for the future. We are constantly making impressions upon younger people who perhaps idolize us and also upon older people who are eager or anxious to see how we shape our future. The way we turn out is up to us; it's our choice.

In building our future, our lives are like houses; all the small bricks go toward making a strong house. Any bad brick makes the house weaker, too many weak bricks make the house a bad risk. So, also are our lives; a few bad practices make our lives unstable; too many bad practices make our lives

failures. How we build our lives is up to us; it's our choice.

When we are offered a drink or a cigarette, it's our choice whether or not to accept it. We argue, "Everyone else does it, so why shouldn't we?" But we must remember that the way of the crowd is sometimes the easiest way out. Doing whatever seems to be the most fun may be degrading our character instead of building it up to the desirable traits that are so well-liked by all intelligent people. People recognize weakness in our character. Too many undesirable traits mean loss of jobs, lack of friends, and creation of bad influences. To gain greater perfection in character, we should not only be dependable but should also respect life's moral code. What we make of our lives is up to us; it's our choice!

Junior Class Sells Magazines

Confusion reigned Thursday when the Junior Class assembled to receive instruction for beginning the annual magazine selling project. The representative from the magazine company acquainted the class with methods of selling, changes in the price and selections list, possible prizes, and over-all profit. To promote enthusiasm and sales, the class was divided into two groups with Jo Frances Long and Judy Johnson serving as captains. The initial goal was set at \$800, and the individual goal is 7 subscriptions per student. It was explained that this would yield sufficient profit for the year's activities. A \$10 prize and a final best salesman award were selected as prizes by the class. Closing date for the sale is Oct. 29.

Watch for the Year 1973 A. D.

Perhaps you have noticed Coach "Tiny" Taylor walking on air the past few weeks as he has gone about his daily tasks of teaching and coaching. No doubt he has been thinking about that husky football player who will be famous in the world of sports about the year 1973.

Well, Tuesday, Oct. 14, saw the beginning of his dream come true to the tune of 8 pounds of squirming, bright eyed joy. We predict, however, that it will be in basketball instead of in football that fame for the Taylor name will be gained. May we present to you Janie Dawn and Ranie Denise Taylor, weighing in at 3 and 3 1/4 and 4 and 1 1/4 pounds respectively. We are glad the father sur-

lived. Congratulations, Coach and Mrs. Taylor.

Seniors Raise Money at Carnival

At the recent Lions Club Carnival, many of our enterprising seniors were seen hard at work. They were operating a "ducking pond," and because of the cool weather, we really call it work!

The three nights the stand was run netted \$57.00 for the Senior Class. We would like to express our appreciation to Mr. Hesse for so willingly riding the "ducking seat."

Also, the Sub-Junior Columbian Band would like to thank Mr. Hesse and Coach Erwin for permitting to be "smeared" with pie meringue.

We appreciate the Lions Club letting us share in their fund-raising project.

Miss Jeannie Johnson Crowned Band Sweetheart

At the game last Friday night, the band crowned Miss Jeannie Johnson sweetheart for 1958-59. She was chosen from four nominees, the other three being Mary Ann Brown, Judy Johnson and Jerry Ann Fairchild.

The band formed a huge crown honoring the sweetheart and played "Let Me Call You Sweetheart" while Melvin Johnson, band president, drove the four nominees on to the field in a 1959 Chevrolet. The nominees were escorted to the center of the crown to the tune of "The Coronation March." The band then played a fanfare and it was announced that Miss Jeannie Johnson was the band sweetheart. Melvin presented her with a crown, a bouquet of mums, a plaque stating that she was our band sweetheart, and for good measure—he threw in a kiss.

Then he escorted her off the field while the band played "Miss America."

Congratulations, Jeannie!

In Sympathy

On a recent occasion, the wife of each of the male faculty members was asked to wear a dress to match her husband's hair.

We deeply regret that Mrs. Hesse was unable to attend.

Highway Patrolman Speaks at Assembly

Marshal Matt Dillon (D. L. Cooper, highway patrolman from Jack County) entertained the

Crowell High School last Wednesday with a real "shootum up" program.

He demonstrated the shooting of many types of pistols. I'd hate for him to take a "crack" at me—for he was just plain good. He also gave some good advice on safety with guns.

Marshal Dillon (Mr. Cooper) had a gun duel with Wyatt Earp (Henry Black), and since both are heroes, neither was killed. He ended the program with a few very humorous jokes and the wise slogan, "Watch the driver behind the car in front of you!"

Ball Players Plan to Retire in Near Future

I walked through the halls the other day and overheard some of the boys "talking ball." Gerald Bradford's comment was "Well, unless we win district, I guess I'll 'retire' after three more games."

That statement put me to thinking. My, how time does fly! It doesn't seem possible that the season is nearly over.

It's queer, isn't it? Last year there were Dale and Louis Rettig, Ray Thomson, Harvey Smith, Printess Gidney, Roy Don Payne, Bill Everson and Jerry Pittillo who were the senior members. We had to see them go, but this year we've made replacements, and now we'll soon "retire" Gerald Bradford and David Carpenter from the squad—but next year, others will take their places—and so on and on—it's just one after another that passes this way and then moves on to bigger and better things. Speaking of retiring this year, we'll see the retirement of others, too, who have become very familiar faces at the ball games. There's Betty Linda Knox, drum major; Jeannie Johnson and Jerry Fairchild, majorettes; also, Roxie Adkins and Judy Vaughn, cheerleaders.

Well, so much for this. We'd like to congratulate the Wildcats on their 40-14 victory over the Henrietta Bearcats in our stadium last Friday night.

When somebody said as the final whistle blew, "Revenge is sweet," it was no doubt thinking of the Henrietta victory over us last year in the bi-district play off.

Let's keep our district record clear. Let's beat Archer City tomorrow night!

A Word to Our Readers

Last week when the Foard County News came off the press, several students asked in regard to certain articles that they expected

to be in the Wildcat section, but which failed to appear.

Perhaps we've never made clear the situation in regard to such. There is no set space that Mr. Klepper can promise us for each week's issue. There is no way that he can possibly know in advance the amount of news, the number of advertisements, etc., that he will have to print. Therefore, we try to get in about the same amount of material each week. Most of the time it all "goes in," but occasionally, as on last week—there's not enough space. Please rest assured that if articles are held back they will appear the following week.

The Wildcat staff does wish to say, "Thank you, Mr. Klepper and Bill for allowing us to publish our weekly copies, and we know that often you sacrifice space that you need in order that we may have room."

Senior Sillyies

1. I call my girl muscles, because she's in everyone's arms.

2. Ode to a lighter: "My Old Flame."

3. She didn't know a thing about archery, but she surely kept her beau in a quiver.

4. Will somebody turn off the pilot light 'cause I'm riding the range tonight.

5. Get out the meatballs, mother, we're coming to a fork in the road.

6. Dedicated to Gerald Bradford and David Carpenter, "Laughing on the Outside, Crying on the Inside."

7. My girl friend has a nose like a banana; so now she's one of the bunch.

8. Girlie, Girlie, get the Ipana, mother just hit into a wax banana.

9. She was only a real estate agent, but she certainly knew a "lot."

10. I call my umbrella "Adam" 'cause one of its ribs is missing.

11. I call her "bicarbonate of soda" because she's always "after meals."

Pet Peeves

Mr. Hesse: People missing band practice.

Linda Caddell: People who ask "dumb" questions.

Margie Rasberry: Boys.

Pat Prosser: People smoking at the table.

Mr. Black: I'd better not voice it.

R. H. McCoy: Girls with sack dresses.

Gay Ramsey: Jimmy Mack.

Jimmy Mack Gafford: Gaye.

Bill Graves: People that don't get their Spanish papers.

Roxie Adkins: somebody chomping his chewing gum.

Charlie Gidney: studying.

Jerry Clifton: English reports.

Judy Borchardt: People who can't understand things when you explain them.

Jack Hickman: White shirts, ties, and dress coats.

Bobby Barker: School.

Guy Tod: Poetry.

Boob Carpenter: Oh, I like everything. I have no pet peeves! (How unusual.)

Jeannie Johnson: Conceited boys.

Gerald Bradford: Girls.

Lou Ann Summers: People who think they know it all.

Ronald Yarbrough: Teachers who think they know more than you do!!!

Bill Taylor: Watching someone drink sour clabber.

Southern School Assembly

Charles K. Ramsden — world traveler, scientist, musician, and lecturer — entertained the Crowell School study body Oct. 8 with the second Southern Assembly of the year.

Mr. Ramsden has perfected a new instrument called the electronic novator. With this instrument, the effects of the train, the organ, animals and numerous other sounds, were produced with amazing reality. A bombing raid was produced so realistically that one could almost see it.

During his performance, he played the ukelele in such a manner as to make it sound like a small orchestra. Tom tom rhythms

were transmitted through the human body to the ukelele because of his new developments in the hub-harmonic field. Mary Brown and Dianne Sledge helped Mr. Ramsden with this part of the program.

One of Mr. Ramsden's unusual demonstrations was the playing of music on a stretched rubber band on the surface of which had been placed a static electric charge and gamma radiation. This was done by rubbing the rubber band with a piece of uranium ore. Cosmic rays from the stars and other radiations were demonstrated with his special electronic geiger counter.

This program was adaptable to all age groups with a clearly spoken lecture throughout, and it was generously seasoned with clean entertainment and humor tempered by the highest moral tone. It is the only program of its kind in the world—combining science, music and entertainment!

Checking on Last Year's Seniors

When a student graduates from high school, he is considered as being out in life on his own. Eighteen students who graduated from CHS this past year are now enrolled in schools to further their knowledge in some specific field.

Those attending colleges and universities in our own state of Texas are: Charlie Bell, Baylor; Kerry Brown, Texas Tech; Gordon Cates, North Texas; James Choate and Eugene Davis, Hardin Simmons; George Morgan, TCU; Roy Thomson, Texas Tech; Noel Wilkins, Midwestern University; Jana Black, Tech; Elizabeth Davis, North Texas; Shirley Fox, Tech; Mary Hall, ACC; and Dale Rettig, North Texas. Janet Rasberry is attending a nursing school in Amarillo. One of the students, Sandra Campbell, is attending Mid-West Bible College at Oklahoma City. Attending various business colleges are Patty McGinnis, Fort Worth; Ginger Rasberry, Amarillo; Joanne Shultz, Wichita Falls; Betty McKown, Fort Worth, and Shirley Hough, Tyler.

Four of the seniors are now keeping and providing for a home of their own. Carolyn Monkrea Kyle is working as a bookkeeper in Quanaha where her husband is employed. Sandra Sanders Holland is in Lubbock where Donald is attending school. Jimmy Weaver and his wife are living in Amarillo, and James Grady McDaniell and his wife are living in Wichita Falls.

The armed services have claimed their share too. Louis Rettig has enlisted in the Texas National Guard and will soon leave for boot camp in Arkansas. Johnny Odell is in the army stationed at Fort Carson, Colo.

Billy Everson, Printess Gidney, Larry Love, Roy Don Payne, Jerry Pittillo, Jerry Bob Sellers, Harvey Smith, Robert Wheeler, La Rue Diggs, Thelma Henry, Lula Kennedy and Wanda Akers Ray are still seen around Crowell. Some are working here, and others are awaiting jobs.

We wish you the best in whatever you are doing. Your success will bring us happiness; your failure will bring us disappointment!

Congratulations

We wish to congratulate various members of last year's band for carrying on an interest in music in the colleges they are attending. James Choate and Eugene Davis are in the Hardin Simmons

Cowboy Band, Kerry Brown playing in the Tech ROTC band. George Morgan is in the Band, and Noel Wilkins is in Midwestern Band. We know you have a "tootin'" good time. Congratulations!

This'sa and That'ta

Couples together at the camp after the game were Gayle-Peddie, Jerry-Larry, Jeannie-Joe, Barbara-Joe, Judy-Jim, Jo-Fran, Wesley, Buba-Peggy, Pat-Jim, Carol-Dale, Carria-Don, Dale-D'Lois, Roxie-Jimmy.

Visiting in Quanaha Saturday night were Joe-Barbara, Sarah-Julian Harlan, Bill G. Marquis, Gary-Judy, Janis-Jerry, Jerry-Don.

Having fun in Vernon Saturday night were Roxie-Jimmy, Wes-Jo, Kay-Boob, Carria-Don, Car-Dale, Patsy-Louis, Ginger-Boob, Judy-Jim.

It seems as if Roxie met couple of girls in Vernon Sunday afternoon. Are they friends enemies, Roxie? Jimmy-Ernestine, Freddie-Barbara were seen together Sunday night.

We hear that Bettie, Chae-Jeanne and Pod had a marriage time at the Tech-Baylor game Saturday.

Couples at Barbara Gooden party Wednesday night were Joyce-Henry, Dorothy-Boob, Barbara, and a triangle, La-Barbara.

Home Demonstration Notes

MRS. MARY D. BROWN

I will be out of the office next week. We are having an Extension Agents' Conference at College Station.

We have had a number of calls about a night time clothing construction workshop. We will try to have one in November. Watch the paper for a notice of time and place. This workshop will take 1 planning meeting and then 4 meetings on construction. If you are interested in learning the newest methods of clothing construction, plan now to attend. Remember, it is open to everyone in the county. Our recipe this week is:

Macaroni with Cheese Sauce
2 cups uncooked macaroni, 4 tablespoons butter or margarine, 3 tablespoons flour, 2 and 1/2 cups milk, 2 cups grated cheese, 1 teaspoon salt, 1/8 teaspoon pepper, 1/2 cup sliced stuffed olives (optional).
Cook macaroni until tender, drain. Make white sauce of fat, flour and milk. Add cheese (save some for garnish), salt and pepper; stir until cheese is melted; add olives. Arrange macaroni in a

greased shallow baking dish and pour sauce over it.
Garnish with remaining cheese. Heat until cheese is slightly melted. Serves 6.

4-H Club Meeting

The 6th grade 4H had its second meeting Tuesday, Oct. 21. They are talking about what they are going to show for the stock show in February.

Joe said that we have 9 million rats in Texas. They are really giving us trouble. Joe passes a picture of rats that stay in the house. Seth Halbert passes out a 4H book named Farmstead Safety. In this book there are 62 hazards. The booklet has things in it that we correct. For instance, sloppy sleeve on working on tractor. The sleeve could catch on fire easy. So be very careful on machinery and other things. There are many many things on this page. The boys are correcting it.

Falls Second Most Frequent Source of Accidental Death

Falls are the second most frequent source of accidental death in the United States, according to the National Safety Council. They cause nearly 21,000 deaths a year. No. 1 accidental killer: motor vehicle accidents.

The optimist sees things as they should be—not as they are.

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Oct. 19, 1928:

Funeral services for Mrs. I. Hunter, resident here since 1891, were held at the home of her son, John L. Hunter, last Saturday afternoon. She was born Jan. 4, 1852.

Forest Burk came in last Thursday from Big Spring where he had been employed by the Humble Pipe Line Co. He is confined to his bed with typhoid fever.

The marriage of Miss Myrtle Hunter to Roy Ingram of Amarillo took place at the Methodist parsonage here last week.

The cotton on M. L. Cribbs' farm is making a bale to the acre this year. Last year it produced 3 bales to the acre. The farm is located northeast of Thalia.

The cotton report of Oct. 1 gave Foard County 972 bales. A visit to the five gins in the county this week revealed that there had been 2,768 bales ginned to date.

Sam Mills of the Wallace & Mills barber shop is in Quanah working in the shop of J. R. Eldridge, formerly of Crowell.

On Tuesday afternoon at the home of Mrs. W. B. Johnson, Mrs. Johnson and Mrs. Paul Shirley were hostesses at a beautiful party honoring Miss Frances Clark, bride-elect of Leonard Male.

Mr. and Mrs. Jimmie Cotton and Mrs. J. H. Shults went to Dallas Saturday. Mrs. Shults to visit her son, Grady, and Mr. and Mrs. Cotton to visit his mother in Van Alstyne.

Rev. C. E. Jameson, pastor of the Methodist Church at Memphis, filled the pulpit at the Crowell Methodist Church Sunday.

The Adelpian Club met Wednesday in the home of Mrs. George Self with Miss Inez Sloan as leader.

Mesdames H. Schindler, Elsie Goodwin, J. R. and A. Y. Beverly were in Wichita Falls last Friday to see Al Jolson's "Singing Fool."

Misses Barbara Cryer, Ruth Patterson, Thelma White, Thelma Shaw and Inez Sloan, teachers in the Crowell school, attended the State Fair in Dallas last week end.

Lee Roy Cox is moving from Foard City to Lubbock.

Mr. and Mrs. M. L. Hughton and Mrs. T. L. Hughton were among those who saw Al Jolson's "Singing Fool" in Wichita Falls last Saturday.

Junior Leaders 4-H

The Junior Leaders 4-H Club met Wednesday, Oct. 15, in the Down Town Bible Class room. Officers elected were Arlos Moore, president; Cecelia Drabek, vice president; Carol Bell, secretary-treasurer; Martha Fish, reporter; and Wanda Moore, council delegate.

It was decided that the club members would go to Vernon for a skating party on Wednesday, Oct. 22.

Refreshments were served. Next meeting will be held in the county agent's office on Nov. 11.

81,000 Persons a Week Are Injured in Home Accidents

Each week, according to the National Safety Council, 81,000 persons are injured in home accidents—an average of an injury every eight seconds. More than four million persons are hurt in home accidents annually, and about 28,000 persons are killed.

Mileage Death Rate Drops

About the same number of persons were killed in auto accidents in 1957 as 21 years previously, according to the National Safety Council. However, the mileage death rate (number of deaths per 100 million vehicle miles) dropped from 15.1 to 5.9 in 1957.

All habits are stepping stones—some lead up, others down.

More Fishing Licenses Sold Last Season

Fishing license sales almost doubled during the fiscal year ending August 31, according to the fiscal director of the Game and Fish Commission. Texans bought 782,338 resident fishing licenses this year as compared with 1956-57 sales of 430,704.

"The increase is due mainly to broader coverage since some exemptions were eliminated in the present fishing license law," the director said. This was the first year a license was required to fish in coastal waters, and with any kind of bait when using a winding device.

Resident hunting licenses totaled 399,765. This is a slight decline from the 413,819 licenses sold in 1956-57, the director said, but all other types of licenses showed increases.

Revenue from fishing license sales was \$1,564,710, while hunting licenses brought in \$1,199,320. Total sales of all types of licenses was \$3,165,931.

Violators of game and fish laws

spent \$93,472 on fines and court costs. Law enforcement expenditure, however, was \$1,431,273.

Total income to the Game and Fish Commission in 1957-58 was \$4,832,313.91. Services rendered to the public for the year cost \$4,920,830.97.

Dale Robertson to Appear at Fat Stock Show in Fort Worth

Dale Robertson, star of TV's western series, "Tales of Wells Fargo," has been signed to star in the 1959 Southwestern Exposition and Fat Stock Show, January 30 through February 8.

Robertson, a native of Oklahoma, is a singer and an expert horseman. He will be featured in a special act designed for rodeo audiences.

The rodeo atmosphere is not strange to the television actor. He didn't get his western drawl and naturalness in an acting school. He was born in Oklahoma City and during summer vacations from college, he worked as a cowboy on his family's ranch. Besides the usual fence riding tasks, he trained

Ford 1959 Truck Line Introduces More Fuel Economy

"Ford's 1959 truck line introduces greater fuel economy, new advancements in economical maintenance and traditional rugged

dependability that means cost savings to truckers in all lines of business," Wilbur Chase Jr., Ford Division truck marketing manager, said this week.

Only Ford offers the greater economy and durability of short-stroke design in every engine, Mr. Chase added. Rigid "deep-block" construction provides greater strength for longer engine life.

Ford's 139 horsepower six-cylinder engine, which Mr. Chase said is the most modern "six" in the industry, has improved fuel economy capabilities in the high speed or increased load range.

The 223 cubic inch "six" gives better fuel metering, and the carburetor and spark control valve have been designed for greater fuel economy and better performance. For greater durability, this engine has such heavy duty features as free-turn valves, chrome plated top piston rings and aluminum alloy pistons with integral steel struts.

Operation of the V-8's has been improved with a new series of carburetors, new tappets of special heat-treated iron, new exhaust manifold gasket, a new air cleaner element, new fuel pump filter, new oil pan baffle for better lubrication and longer engine life, and modified combustion chambers for greater fuel economy.

Wasteful Federal Spending

"... We don't wish to sound unpatriotic... surely the defense of our West Coast takes priority over college, industry or even local welfare; it's just that we can't help wondering why the Navy spends millions building at Pleasanton, tears it down only to rebuild a hundred miles south of here; while the Air Force spends new millions here, then a year later spends it all over again at Santa Maria, Fairfield, etc., etc."

"But for the life of us, every time we write a pay check and lob off 20 per cent for Uncle Sam, or pick up a bottle of our favorite joy juice (we've stepped up our consumption considerably of late)

and realize that 50 per cent or more goes to Uncle, then we just can't help wondering... — Pleasanton, Calif., Times.

The days are growing much shorter—just like the funds of the man who has been on vacation.

Luncheon Friday Honors Presidents of Federated Clubs

The Foard County Federation had a lovely luncheon for Mrs. Ben Boyd of Denton, President of the Texas Federation of Women's Clubs, and Mrs. A. T. Cocanougher, president of Seventh District, at the Down Town Bible Class room last Friday. Around fifty clubwomen registered, including an excellent representation from the Sub-Junior Club girls.

Mrs. Boyd spoke on the six "S's" of Federation—self, service, security, social, strength and satisfaction. In discussing the merits of these factors, she stressed that women play a most important role today—not only in their homes, but in civic, state and national affairs. She urged clubwomen to run for school boards, and serve in other city and civic capacities, for a woman's point of view is necessary. She remarked that the general American public has become complacent, and was in line to lose state's rights as well as other constitutional privileges unless it stood up for its own convictions. Women must assert themselves for "freedom is not free."

Her views of the federation's motto, "Unity in Diversity" emphasized the importance of joining together for a common cause. That one person or even one club will rarely have influence, but that a group of people or a federation of clubs can attain almost unbelievable goals in unity, though they have diversified interests, such as clubwomen have.

Her projects this administration are mainly in the scholarship field. She retains three scholarships already set up—the Latin American, Penny Art and Penny Music Scholarship funds—and is establishing one enabling high school graduate girls to receive a professional nursing degree. She hopes to acquire \$10,000 from clubwomen over the state, whereby the fund will remain perpetual and only the interest will be used for the scholarships. These scholarships are being established through the Texas Women's University, the college the federated club women of Texas founded. Mrs. Boyd stated the professional nursing degree is essential as Texas State laws require hospital supervisors to have a nursing degree rather than just a registered nurse (R. N.) diploma. She is establishing this scholarship to help alleviate the nursing shortage and to assist in elevating the standing of the nursing profession as a whole.

Her international project is CARE packages to Greece. Mrs. Cocanougher's talk mainly was to assert that Seventh District will follow the state's projects and program in their entirety. She stated they were so important that she did not want to include anything else for this district, but aim solely for their achievement. She encouraged all clubwomen to attend and be active in their clubs, and to work diligently for a local civic project, as well as to support the nursing scholarship program.

At the close of the luncheon, a contribution from the County Federation and members present, was given to Mrs. Boyd for the scholarship fund.

Mrs. Robert Hudgins Honored with Bridal Shower at Margaret

The Margaret community house was the scene of a lovely miscellaneous shower honoring Mr. and Mrs. Charles Hudgins last Friday afternoon.

The receiving line was composed of the bride, Mrs. Hudgins; the groom's mother, Mrs. Robert Hudgins; and the groom's grandmother, Mrs. Will Hudgins of Ralls. Punch and cookies were served from a lace-covered table decorated in fall greenery, by Mrs. A. L. McGinnis, assisted by Mrs. W. A. Dunn. Mrs. Jack McGinnis presided at the lovely bride's book. Mrs. Dumas Hopkins and Mrs. C. T. Murphy had charge of the many lovely and useful gifts.

The list of hostesses included Mrs. Dennis Russell, Mrs. Bill Bond, Mrs. Anell Hall, Mrs. Dumas Hopkins, Mrs. C. T. Murphy, Mrs. Jack McGinnis, Mrs. W. A. Dunn and Mrs. Roy Ayers.

Some people seem to think clocks were made to enable them to tell just how late they'll be for appointments.

In the absence of Miss Dorothy Erwin, Mrs. Virgil Johnson presided at the regular meeting of the Adelphian Club October 15. After a short business session, the program was in charge of Clark Hitt, grade school principal, who in turn presented, with the assistance of Joe Burkett, county agent, a film entitled, "A Question in Time," which stressed the point of discovery and treatment of cancer in the earliest stages possible. Many questions were asked in the film, and answered in a manner of interest to members.

Refreshments were served to 15 members and three guests, Mr. Hitt, Mr. Burkett and Miss Nancy Beth Archer.

Mrs. Luke Archer and Mrs. L. A. Andrews were hostesses for the afternoon.

Columbian Club

The Columbian Club met at the home of Mrs. Grady Halbert on Wednesday, Oct. 15, for a study of nursing.

The president presided. Plans were made to attend the county federation luncheon. Mrs. Jack Roberts gave the devotional. The roll call was answered by giving some great man or woman of the past or present.

Mrs. R. J. Thomas was leader for the study, and introduced the speaker, Miss Martha Rettig, who gave a very interesting talk on the need of more nurses and the training they should have. Refreshments were served to 16 members and three guests, Mrs. E. P. Starnes, Miss Rettig and Mrs. E. V. Halbert.

The next meeting will be at the home of Mrs. Fred Youree on Oct. 29.

Home Builders Circle

The Home Builders Circle met in the home of Mrs. Fred Collins Tuesday, Oct. 14.

The circle voted to feed a school child for one month.

The meeting was opened with prayer by Mrs. Glenn Shook and the group sang "Higher Ground," led by Mrs. Virgil Johnson. Mrs. Jack James brought an interesting program entitled "Humbly Serving God," and Mrs. Virgil Johnson brought a very inspiring devotional on "Jesus' Promises."

The closing prayer was led by Mrs. Jack Welch. The members drew names to be revealed at the Christmas party.

Refreshments were served to the following members, Mesdames Jack James, Clyde James, Arthur Bell, Boss Johnson, Howard Ferguson, Carl Hudson, Sonny Eddy, Glenn Shook, two visitors, Mrs. Virgil Johnson and Mrs. Jack Welch, and the hostess, Mrs. Collins.

Homemakers' Class Meeting

The Homemakers Class of the First Baptist Church met in the home of Mrs. Marjorie Taylor on Monday night. Mrs. Marie Galleher led the group in prayer. Mrs. Bernice Thompson gave a very inspirational devotional.

The following officers were elected for the coming year: Mrs. Marjorie Taylor, president; Mrs. Bernice Carroll, vice president; Mrs. Opal Carroll, secretary; Mrs. Iona Adkins, assistant secretary; Mrs. Nancy Jo Gafford, class mistress; Mrs. Margaret Patton, Mrs. Thelma Todd and Mrs. Trula Woods, group captains.

Various games were enjoyed and delicious refreshments were served to the following: Mesdames Iona Adkins, Nancy Jo Gafford, Opal Carroll, Marie Galleher, Laverne Russell, Bernice Carroll, Lucille Carter, Bernice Thompson, Mabel Fairchild, Trula Woods, and the hostess, Mrs. Marjorie Taylor.

Gambleville H. D. Club

The second meeting in October, which was Friday, the 17th, of the Gambleville Home Demonstration Club was in the home of Mrs. Martin Thompson. Mrs. Elton Carroll presided with the secretary-treasurer, Mrs. Thelma Garrett, calling the roll and reading the minutes. For the opening exercise, Mrs. Thompson read a clever poem entitled, "The Darkey Hal-lower."

The program, "Family Business, Centers and Family Savings," were also discussed by Mrs. Thompson, which stressed that sound business methods can mean better living for any family.

Refreshments were served to the following: Mesdames Cecil Carroll, Elton Carroll, Bob Abston, Frank Cates, Clarence Garrett, Charlie Bartley, Archie Campbell, Jack Thomas, J. C. Prosser and daughter, Lessley Faye, and the hostess, Mrs. Thompson.

West Side H. D. Club

"What and How Do You Save" was the program given at the West Side Home Demonstration Club when it met October 14 in the home of Mrs. Bert Mathews.

Mrs. S. E. Tate and Mrs. Mathews were appointed by the president, Mrs. Donald Norris, as a committee to nominate officers to

be elected for the coming year. Mrs. Walter Thomson gave the program on saving and Mrs. S. E. Tate received the hostess gift.

Refreshments were served to 8 members and 3 visitors, Mrs. F. A. Davis, Mrs. O. B. Davis and Mrs. Ed Norris.

The next meeting will be with Mrs. Donald Norris October 28 with a program on kitchen storage to be given by Mrs. Norris and Mrs. L. G. Simmons.

Party for Mrs. Teague

Mesdames Bob Thomas of Margaret, Ector Solis, Sherman Nichols and Clyde Cobb of Crowell, served as hostesses for an open house party Saturday morning at

the home of Mrs. Cobb honoring Mrs. Irwin Teague of Inglewood, Calif., who has been visiting relatives here and at Thalia.

Mrs. Teague is the daughter of the late Mr. and Mrs. Sam Scales, pioneer residents of this community.

Social Security Reports for Domestic Workers Are Due in October

Social security reports on domestic workers for the July-September quarter are due in October. Erton F. Tate, manager of the Wichita Falls social security office, said this week.

Under the present law, most domestic employees, such as gard-

eners, cooks, maids, and housekeepers, are covered under social security. Employers of these and other household workers must report the cash wages paid and permit the social security tax of 4 1/2 per cent of the employee's wages.

In cases where the domestic employee has earned less than \$50 cash in the quarter, the employer does not have to make any report.

Mr. Tate stressed the point that these wage reports are extremely important to the domestic employee, since old-age, survivors, and disability insurance benefits under social security are figured on the basis of the amount of earnings credited to a person's

account. The form used in making the return on household employees requires only a few minutes to complete and may be obtained from the office of the District Director of Internal Revenue in Dallas.

4-H Club Meeting

The 5th grade 4H boys met in Miss Black's room Oct. 21, with rodents and their control the topic of discussion. Duane Simmons was excused from school and went to the rat program downtown and he found out that the poison can make a chicken stop laying eggs and if a dog or cat eats a rat that is poisoned, it makes it sick.

The 4H boys continued to talk about safety. They discussed farm-

stead safety. Next meeting be Nov. 4. Before that time, boys will check their farms for hazards that may cause accidents and correct them. Each member will make a report at the next meeting on the hazards he finds at his home and how he corrected them.
