SEVENTY-EIGHTH YEAR

NUMBER 18

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, NOVEMBER 13, 1958

EIGHT PAGES

4-H AWARDS PRESENTED TO FOARD CO. YOUTHS

Seventy-four Foard County 4-H boys and girls were awarded medals for outstanding 4-H Club work for Monday night, Nov. 10, at a program held in the First Baptist Church in Crowell. About 230 parents and other interested persons attended the annual gathering.

These medals are awarded each year by the Extension Service of Texas A&M College.

The program Monday night was sponsored by the Farmers Co-Op. Elevator Association and the Foard County 4-H Council. Wanda Moore, chairman of the Council, presided. Junior Hopkins gave the welcome and explained the purpose of the program. Then Bob Borchardt recognized special guests. Carol Bell and Janice Bowers presented Mrs. Mary Brown, Home Demonstration Agent, with a corsage, and Joe Burkett, County Agricultural Agent, with a sash and a tie set from the 4-H Club boys and girls of Foard County.

Arlos Moore told the group about the trip to Bastrop this summer by six Foard County 4-H youths. He explained how they had won and what the trip meant to them. Margie Rasberry, Cecelia Drabek and Larry Ford showed and discussed some of the slides made on this trip.

The following girls were awarded:

medals:

Achievement Awards: Linda Mechell and Wanda Moore. Beautification of Home Grounds: Betty Ann Welch. Citizenship: Janet Rasberry. Clothing: Earlyn Hammonds, Gena Adcock, Cecelia Drabek, Arcina Garrett.

Dairy Foods Demonstration: Joyce Latimer, Judy Sandlin, Sherry Sandlin.

Dress Revue: Evelyn Fiske, Linda McClain, Kay Johnson, Delores Eubanks, Judy Barker.

Electric: Carol Bell. Food preparation: Judy Tra-week, Vicky Norman, Patricia Cates, Marcia Carroll.

Girls Home Economics: Jean Burkett, Mary Sue Speer, Gaye Ramsey, Mary Ann Ramsey.

Home Improvement: Janise Morris, Helen ten Brink, Carra Browder.

Leadership: Margie Rasberry. Recreation: Carra Driver. Safety: Janice Bowers.

Gold Star: Cecelia Drabek.

Boys Awards

The following 4-H Club boys were awarded medals:

Achievement Award: Joe David Drabek and M. L. Speer.

Boys Agricultural Award: Duane Johnson, John Carl Borchardt, Charles Carroll and Bobby Bond.

Citizenship Award: R. H. McCoy.

Electric Award: Mickey Chapman, Mike Shrode and Ronnie Bradford.

Dairy Award: James Borchardt. Entomology Award: Jimmy Thompson and Dennis Garrett.

Field Crops Award: Larry Ford, Ken Ferguson and Karl Bell.

Garden Award: J. W. Golden, Woody Frank Lemons, Jerry Latimer and Bobby Chapman.

Leadership Award: Arlos Moore. Poultry Award: Joe Wheeler, Donald Hinkle, Junior Hopkins and Mike Cates.

Recreational Leadership Award: George Morgan.

Safety Award: Ricky Tra-week, Seth Halbert and Otis Smith.

Soil and Water Conservation Award: Charles ten Brink, Jerry Settiff, Bob Borchardt and Jim Mack Gaffard.

Swine Award: Kenneth Carroll, Gerald Howard, Kenneth Campbell and Gary Edens.

Tractor Maintenance Award: Keaton Barker, Philip Welch, Barry Barker, Denny Todd and Don Welch.

Gold Star Award: Arlos Moore.

Social Security Representative to Be in Crowell Today

A representative of the Social Security Administration will be in Crowell at the court house on Thursday, Nov. 13, beginning at 10 a. m.

Persons who desire information or assistance in social security matters are invited to meet with the representative.

Federation to Meet Friday

The Foard County Federation of Women's Clubs will meet Friday, Nov. 14, at 10:30 a. m. for a regular covered dish luncheon meeting at the Adelpian Club house. The Crowell Garden Club will be the hostess club with the Adelpian Club in charge of the program.

The afternoon session will be the regular November meeting of the Crowell Garden Club.

Every club woman in Foard County is cordially invited to attend.

Chapter to Meet Tonight

Crowell Chapter No. 276, Royal Arch Masons, will hold a regular meeting tonight, Thursday, at 7:30 o'clock at the Crowell Masonic Hall, Cecil Carroll, High Priest.

Tickets will go on sale at the DeLuxe Cafe, Ferguson Drug and Shirley-Youree Drug on Monday night.

Keller completed its season last week with a perfect district record of six wins and no losses. The Indians have scored 250 points to their opponents' 80. Crowell has scored 280 points to their opponents' 92. This does not include Crowell's game with Munday that is to be played at Munday tonight.

The Chamber of Commerce members of Olney will take care of all the details of the game, including cost of tickets, ticket sell-

News About Our Men in Service

James W. Williamson, electrician's mate fireman, USN, son of Mrs. John J. Williamson of Crowell, is serving aboard the attack transport USS Magoffin, newly assigned to the British Crown Colony, Hong Kong, as the U. S. Seventh Fleet Station Ship.

The Magoffin's mission is to coordinate all activities for U. S. military personnel in the Colony area. Since leaving San Diego, Calif., last May, the transport has visited Singapore and Okinawa.

Complete County Returns Listed for General Election

Complete returns from the general election of Tuesday, Nov. 4, for Foard County County follow:

Governor: Daniel 365, Mayer 21. Senator: Yarborough 347, Whit-tensburg, 31.

Amendment No. 1 (annual sessions): 46 for, 283 against.

No. 2 (county pensions): 81 for and 234 against.

No. 3 (filling vacancies): 181 for, 141 against.

No. 4 (candidate eligibility): 177 for, 153 against.

No. 5 (city elections): 119 for and 186 against.

No. 6 (Ranger pensions): 146 for, 180 against.

No. 7 (state advertising): 104 for, 213 against.

No. 8 (medical payments): 186 for, 156 against.

No. 9 (hospital districts): 120 for, 197 against.

Breakfast to Kick Off Fund-Raising Drive for Boy Scouts

At 7 a. m., Nov. 14 in the Down Town Bible Class room, some 25 local men are scheduled to eat breakfast together and kick off the annual finance campaign for the Boy Scouts of America.

The plans, under the direction of District Scout Executive Bob Tillerson of Vernon and Rev. Carl Hudson, include the visiting of some 125 men in this community.

Each person visited will be offered an opportunity to make an investment in the boyhood of this area through the support of the Boy Scouts of America.

If anyone is missed in this visitation on Friday, and desires to make a contribution to the Scouting program, they are urged to take or send the check to Mike Bird or Glen Goodwin, the visitation team majors.

Lions Club Votes to Sponsor Christmas Opening This Year

Crowell Lions Club at its regular weekly meeting Tuesday noon, voted to sponsor the annual Christmas opening in Crowell this year. Date of the opening has not yet been set, and the club will contact local business men soon about the details of the event.

In previous years, the Christmas opening was promoted by the Crowell Booster Club.

For the program Tuesday, Lions were shown a film by the Army recruiter of this area. There were 19 present.

THE WEATHER

Warm days, cool nights and no rain tells the story of Foard County weather for the past three weeks. High and low temperatures for the past week follow:

Thursday: high 60, low 40. Friday: high 76, low 36. Saturday: high 64, low 44. Sunday: high 75, low 45. Monday: high 73, low 44. Tuesday: high 76, low 50. Wednesday: high 74, low 48.

Precipitation from Jan. 1, 1957, to this time last year measured 35.49 inches; however, rain recorded so far in 1958 is 20.45 inches—15.04 inches less than last year.

This area needs a good rain at this time for the grain crop, and also to fill up the tanks on the farms and ranches.

Leave for Germany

Captain and Mrs. Edwin Hoffman and two children, Sharon and Douglas, left last Thursday for New York City en route to Germany where Captain Hoffman will be stationed for three years. Mrs. Hoffman and children made their home here for about four months while he was overseas. He returned to the States to move his family and they will make the trip by plane, leaving New York last Sunday.

Mrs. Hoffman is the daughter of Mr. and Mrs. Bill Beesinger of Crowell.

WILDCATS CINCH DISTRICT 1A-11 CHAMPIONSHIP WITH 40-0 VICTORY OVER PADUCAH LAST FRIDAY

Plans Being Made to Revive Cub and Scouting Programs in Foard County

District Scout Executive Bob Tillerson of Vernon and Rev. Carl Hudson, pastor of the local Methodist Church, have been laying plans for the revival of the Scouting program in Crowell. From a survey of the boys of Scouting age in the Crowell school, made in September, there are 30 boys interested in being or in becoming Cub Scouts and 36 boys interested in Scouting.

On October 2, a meeting was called for Cub Scouts and their parents in the Methodist Church. At this meeting the problems involved in reviving the Cub program were discussed. Three major problems presented themselves.

There is a vital need for three men to take the lead in the program, as committee chairman, Cubmaster and Assistant Cubmaster. The second need is for at least six women, Cub mothers, to take the leadership role as Den mothers. The third problem is a place for the Dens and the Pack to meet; weekly Den meetings and monthly gatherings of Den members and their parents in a Pack meeting.

While the search for adequate places for the Den meetings each week and for a meeting hall large enough and adequate for the monthly Pack meetings continues,

plans are being made to secure and to train leadership for both the Cubs and the planned Boy Scout Troop.

On Monday evening, December 1, at 7 o'clock a place to be announced later, Scout Tillerson and a team of volunteer Scouters who make up the Cub and Scout district training teams, will conduct the first of three training sessions in Crowell.

Rev. Hudson expressed the hope that enough interested parents will begin to plan now to attend these training courses that from this group, trained in the fundamentals of Scouting, there can be selected a Cub Scout Pack Committee, a Boy Scout Troop Committee, a Cubmaster and assistant Cubmaster, several Den Mothers, a Scoutmaster and assistant Scoutmaster, and an Explorer advisor for older Scouts.

"From this trained group, not only should we be able to provide the leadership required for a Scouting program, but we should have a large group of parents who know what Scouting is all about and who will provide the enthusiasm to make the Pack and Troop go," expressed Bro. Hudson.

Rev. and Mrs. Hudson, who are both trained Scouters, express the desire to offer advanced Scout training for the local unit leaders, once the Pack and Troop are functioning, through the cooperation of the District and Council executives and the District and Council training teams.

"Scout workers and leaders who know their job and how to do their job well, find the responsibilities of Scouting not an unpleasant burden, but a rewarding privilege and joy," explained Bro. Hudson.

"If you are interested in helping boys to grow into responsible citizens, creative and constructive in their ambitions and desires, whether you are a parent of a boy or not, you are invited to enroll in the Scout leadership training courses for three sessions beginning on December 1 in our community," Bro. Hudson concluded.

HOSPITAL NOTES

FOARD COUNTY HOSPITAL

Patients In:

Lynette Bell, Vernon. Oscar Whiffey. Jim Riley Gaffard. Mrs. Jim Servatius and infant son of Vernon. Mrs. Eddie Swain and infant daughter. W. B. Fitzgerald. Mrs. Juanita Fox.

Mrs. M. N. Kenner. Mrs. Manuel Garza, Paducah. John Harper. Rance Taylor. Janee Taylor.

Patients Dismissed:

Mrs. Oran Ford. Mrs. Mallie Haskew. Mrs. Mattie Davis. W. K. Dishman. B. F. Sanders. Mrs. Mary Bell of Vernon. Lawrence Green. Mrs. Jewel Sells. Mrs. J. A. Stovall. Suzanne Kubicek. Judy Tra-week. Troy Reed, Gilliland.

Colored Boy Injured in Accidental Shooting Last Monday Night

John Thomas Harper received a flesh wound in his left shoulder Monday, when a shotgun accidentally discharged in the hands of Herbert Lee Lane. The boys had been hunting rabbits and when Herbert Lee started to go home, he picked up his gun, and it accidentally discharged.

John Thomas was taken to the hospital and his condition is reported to be satisfactory.

Crowell Businesses Move to New Locations

Several changes in locations were made last week and the week before of Crowell business firms.

Miss Dorothy Erwin moved the Downtown Floral Shop from the corner Bird building to the Graham building on North Main next to the Down Town Bible Class.

The A. S. C. office was moved into the Bird building vacated by the floral shop.

Travis Fox moved his grocery stock from a building on West Commerce to the Fox building vacated by the Down Town Bible Class.

Five New Vehicles

Five new vehicles have been registered here since Nov. 3. They follow:

Nov. 3, Lewis Ballard, 1959 Ford 4-door; Nov. 7, Ernest E. Jones, 1959 Oldsmobile 4-door; Nov. 7, D. D. Chewing, 1959 Chevrolet 4-door; Nov. 7, A. B. Calvin, 1959 Chevrolet 4-door; Nov. 7, G. A. and Ed Lowrance, 1959 Chevrolet flatbed.

Grand Jury Session Held Last Monday

Junior Booker and his mother, Pauline Booker, were each indicted for assault with intent to murder of Eulasee Coleman. The mother and son are alleged to have attacked Coleman with a knife last September 26.

This action was taken by the Foard County grand jury in session last Monday.

The grand jury also added additional counts to indictments previously returned against W. L. Yarborough for alleged cattle theft. The court has transferred the Yarborough cases to Vernon after the defendant filed a motion for a change of venue in which he alleged he would be unable to secure a fair trial in Crowell. The cases have been set for trial Monday, November 24, in Vernon. District Attorney Jack Hightower said this week.

Wildcat Staked Near Margaret

A 6200-foot venture has been staked 1½ miles northwest of Margaret. It is the Virginia Coal, Iron & Coke Company, Dallas, No. 1 Cora MacVold, 660 feet from south and 330 feet from east lines of southwest quarter of southwest quarter of section 394, block A, H&TC survey.

Kadane & Sons, Wichita Falls, are the drilling contractors.

Union Thanksgiving Service Being Planned

The annual Union Thanksgiving worship service for the Crowell community will be held in the Crowell Baptist Church.

Following the tradition of rotating the host church and the denomination of the speaker, Ministerial Alliance president, Rev. Kenneth Bingham, is seeking to secure an Assembly of God minister as guest preacher. Rev. Bingham will direct the worship service with the assistance of Rev. C. T. Aly, the host pastor.

A union choir will lead in the singing worship and will offer special music. This union choir will work under the direction of Earl Hesse, director of the Baptist choir. All persons who will sing in this union choir are urged to contact Mr. Hesse for the name of hymn selections and the time and place of practice sessions.

MYF Meeting Scheduled at Foard City Monday Evening

The monthly meeting of the Methodist Youth Fellowship of the eastern Sub-District of the Childress District will be held on Monday evening, November 17, at 7 p. m. at the Foard City Church.

Cecelia Drabek and Arlos Moore Win 1958 County 4-H Gold Star Awards

Cecelia Drabek and Arlos Moore have been named as winners of the 1958 4-H Gold Star Awards for Foard County. These awards are given each year by the Texas A&M Extension Service to the outstanding 4-H club boy and girl in each county.

Cecelia and Arlos received these awards last Monday night at the third annual Achievement Awards program. On December 6, they will be honored at the District Gold Star banquet in Vernon.

Cecelia, daughter of Mr. and Mrs. Charles Joe Drabek, is 16 years old and has been in 4-H club work for 6 years. Her demonstrations have included clothing, food preparation, gardening, canning and freezing, yard improvement, home improvement, and leadership.

She helped to organize the Junior Leaders Club three years ago, and is now vice president of that club. As a Junior Leader he has attended District Camp two years, helped plan and conduct three county camps, helped plan several county-wide project shows and attended two recreational leadership training schools held by Miss Lucille Moore, recreation specialist, Extension Service, Texas A&M College.

He has won county 4-H medals in leadership, boys' agriculture, field crops, achievement, poultry, entomology, soil and water conservation and garden.

In 1958 Arlos won a trip to the Texas 4-H Leadership Training Lab at Bastrop. He was a member of the third place District Electric Team.

He helped put up exhibits in county-wide observance of National Farm Safety Week and National 4-H Week.

Since 1952 the local school districts of Texas have spent \$662,000,000 for school house construction.

Cotton Harvest in Foard County Nears Completion

The cotton harvest in Foard County, which reached 7,030 bales Tuesday afternoon, is estimated to be from 75 to 85 per cent completed.

The Farmers Co-Op. Gin has ginned 745 bales, Barker Gin at Margaret 1,148, Thalia Farmers Co-Op. Gin 1,862 and the Ray and Gin 2,275.

The per-acre yield is much better than was expected at the beginning of the season and weather conditions have been ideal for the harvest season.

It is estimated that 40 per cent of the cotton ginned by the Ray and Gin comes from Wilberger County since the gin is located almost on the line between the two counties.

Veterans Have Annual Barbecue

A large number of Foard County veterans and their families attended the annual Veterans Day barbecue at the community house last Tuesday.

Following a barbecued chicken dinner, A-2C Robert J. Cassidy and S-Sgt. Donald F. Monn of Albus Air Force Base gave a demonstration on judo. Airman Cassidy gave a short history of judo and stated that it was developed by a Japanese man in 1882. Judo is similar, but superior to jiu jitsu, Airman Cassidy stated. He attended judo school while stationed in Japan, is holder of a first degree black belt. Sgt. Monn has a third degree brown belt. The degree and color of the belt worn by judo participants is indicative of their proficiency in the sport.

The airman demonstrated various throws, and showed how to disarm an assailant armed with a gun and a knife. Accompanying the judo experts to Crowell were A2C Richard L. Ford of the Altus AFB information service, and A3C Charles Oglin and A3C Donald Phipps of the Transportation Corps.

Ray Ilseing, commander of the VFW Post, presided at the meeting.

BI-DISTRICT GAME TO BE PLAYED AT OLNEY

The bi-district championship football game between Crowell, champions of District 11A, and Keller, champions of District 12A, will be played at Olney on Friday night, November 21, at 8 o'clock.

Mike Bird, President of Crowell School Board, Superintendent Grady Graves, and Coach Thayne Amoneit represented Crowell at the Olney meeting last Monday morning. Randall Simpson, Superintendent of Keller Schools, and Coach Paul Allen represented Keller.

The Chamber of Commerce members of Olney will take care of all the details of the game, including cost of tickets, ticket sell-

ing, parking of cars, etc. The price of tickets will be \$1.50 for adults and 75c for children. However, the pre-game price of these tickets will be \$1.25 and 50c if purchased before Friday of next week.

Tickets will go on sale at the DeLuxe Cafe, Ferguson Drug and Shirley-Youree Drug on Monday night.

Keller completed its season last week with a perfect district record of six wins and no losses. The Indians have scored 250 points to their opponents' 80. Crowell has scored 280 points to their opponents' 92. This does not include Crowell's game with Munday that is to be played at Munday tonight.

The Chamber of Commerce members of Olney will take care of all the details of the game, including cost of tickets, ticket sell-

EDITORIAL

Calling All Ex-Students!
 (Especially the Class of 1945)

In response to the editorial in the October 30th Wildcat issue in which we printed some of the high school news of years ago to prove that we teen-agers of today are just typical of the youth of any age, we received the following letter.

To who it may concern:
 You're wrong — writer of Oct.

Ernest Weaver
 Automobile and
 Tractor Repair
 Welch Bldg. North of Jail
 Phone MU 4-3811

30th editor for the "Wildcat!" Those reprints from past years weren't just "interesting little bits of nothing." They were "great big somethings" to us now "ole middle agers" who years ago strolled those same corridors and sat in those same auditorium seats that you proudly call yours!

We loved the black and gold of those Wildcats, fussed about the teachers just as you do—and I tell you true—reading such as this (the editorial) would soon again put "The Wildcat" as a choice bit of reading in Mr. Klepper's weekly; just as it is with CHS students today (I bet!)—and was then (I know!)

An ex-student column is almost as good an idea as a homecoming, which never seems to materialize there. Those of us who've "grown up and gone away" realize that the burden of work of an undertaking would rest on those there, but I am firmly convinced that it would be well worth the trouble. Every place, except Crowell, seems to have some sort of a homecoming. Why can't we? There are lots who'd help if we knew what to do!

Another point of error — your last sentence of the editorial that prompted all this. I quote "just let us grow up, and we'll forget our childish ways!" You're wrong again! As you do grow up, you will remember, rather than forget, all the fun and friendship, all the teachers, and the trials that make up those wonderful high school "doze." (Perhaps Mrs. Manard remembers that I'm not so hot at spelling, but that was intentional!)

Forgive me please, for raving like a frustrated journalist (hold-over, I guess, from the years I enjoyed working on the Wildcat staff) but if you can use the power of the press to bring about an ex-student column or even a homecoming celebration, then my little bit of time and effort won't be in vain!

Didn't mean to criticize your editorial. You proved your point very well indeed. Congratulations to the entire staff on a job well done, and best wishes for a fine

year.
 Sincerely,
 Ada Jane Magee, Class of '45 (used to be).
 Mrs. Jim Franks, Mother of 2! (Now)

Thanks, Ada Jane, for your inspiring message! We'd truly like to have an ex-student column each week—of course, only and other former students—can make this possible. We'd like to give it a try—using your class of 1945 first. So, will all of you graduates of that year write us a card or letter telling of your whereabouts—your family — your occupation, etc. (address your letter to Gayle Taylor). Please get it to us by Nov. 23, so that it will appear in the November 27 issue.

Watch each paper to see which class is to be featured next.
 We're counting on you, ex-students of "Dear Ole CHS!"

Wildcats Defeat Dragons
 in Last Home Game

Yes, our last home game has been played, and we've really had an unusually good season, don't you think?

Let's review hastily what has taken place on our Wildcat field this year.
 Sept. 12, Crowell 42, Chillietho 6, good! Sept. 19, Crowell 0, Quannah 12, well—a bad beginning made a good ending—or was it a bad beginning? I hardly think so—for our boys did about their best playing in that opener game at home. Lady Luck was just against us—that's all!

Oct. 10, Crowell 46, Holliday 14—good!
 Oct. 17, Crowell 46, Henrietta 12—good!
 Nov. 7, Crowell 40, Qaducuh 0—good!

So, we feel that even though some of you were unable to attend out-of-town games, you were able, anyway, to see our boys at their best. Some other things helped make the season for our home folks good to. For example: weather, good! Support by fans, good! Senior stand support, good! Band and pep squad, good! Nothing bad, except it's all over, all too soon! Don't forget tonight's game — Wildcats vs. Munday Moguls, Time,

7:30 p. m. Place, Munday Field.
 Student Council
 Representatives Attend
 District Meet

On Nov. 1, the Student Council officers and sponsor went to Iowa Park to a district meeting. Those making the trip were Jimmy Rader, Fredrick Youree, George Joss, Sue Sanders, Bill Taylor and Mr. Myers.

They each attended different discussion groups in which the problems, programs, and activities were discussed. Much was learned which will be of benefit to our council.

Everyone really enjoyed the trip, and it is hoped that our school will also be represented at the spring district meeting.

Jeannie Johnson and R. H. McCoy—Senior Personalities

While watching the "close" ball game last Friday night, two seniors got so excited that they jumped off the stadium when Crowell made the last touchdown. Here are some of the comments made by other students about them.

Jeannie Johnson is a cute senior that's 5' 3" tall, has brown eyes, brown hair, and is seventeen.

The most difficult subject for Jeannie is chemistry, but the easiest one is American history.
 Shrimp and fried potatoes really hit the spot when it comes to eating. Bushels of this kind of food looked "yummy" to Jeannie.

Time out for a movie — Miss Brigitte Bardot and fabulous Jeff Chandler are tops with Jeannie. You can count on her being there watching anywhere they are showing.

Jeannie enjoys watching a good football game or water skiing. Her pet peeves are conceited boys and files. What a mixture!

This year Jeannie has been elected band sweetheart and the wittiest girl; also she is a member of the Wildcat staff, and the Sub-Junior Columbian Club, and she has been a majorette for three years.

She plans to attend ACC and become a child psychologist after

graduation.

R. H. McCoy is 6' 2" tall, has black curly hair, brown eyes, and is seventeen.

Believe it or not, his easiest subjects are chemistry and English, while the hardest ones are bookkeeping and Spanish.

R. H. likes all kinds of food, but his very favorite is tender steak with all the trimmings, topped with strawberry shortcake and whipped cream. Delicious!

Brigitte, Brigitte, Brigitte and more Brigitte Bardot is his favorite of favorite stars. (One track mind.)

Football is his favorite spectator sport. His pet peeve is a car that can't run or a convertible. I agree on the first! He is on the Wildcat staff and is generally a very well-liked fellow on the campus.

After graduation he will probably enter the army in the medical corps, then he will go on to Rice Institute at Houston to study to become a doctor.

Let's Dedicate??

It's Only Make Believe: Straight A pluses.
 One Night: graduation.
 Tears on My Pillow: Day after report cards come out.
 Lonesome Town: Crowell.
 It's All in the Game: Wildcats to Moguls.

Summer Time Blues: All students.
 The Day That the Rain Came: Everyone with straight hair.
 It's So Easy to Fall in Love: Judy and Patsy.

Crazy Eyes for You: Teachers to students.
 Please Love Me Forever: Departing graduates.
 Don't Get Around Much Anymore: Those who had more than two F's.

The Very Thought of You: senior trip.
 I'm Gonna Sit Right Down and Write Myself a Letter: Written excuses.

FHA and FFA Hold
 Joint Meeting

The theme of the FHA and FFA joint meeting held Thursday night, Nov. 6, in the auditorium was "To Tell the Truth."

A jacket was presented to the FFA sweetheart, Margie Rasberry, by Larry Hord, FFA president. A pin was presented to the FHA beau, Ronald Yarbrough, by the FHA president, Gayle Taylor.

A skit, "I've Got a Secret," was given by Kirk Walters, Bill Graves, Jo Frances Long, George Moss, Pat Prosser, Jerry Fairchild, Slim Nichols, Gerald Bradford, Bettie Knox and Roxiann Adkins.

Delicious refreshments were served by the hostesses afterwards at the Homemaking Cottage.

Girls' Basketball Season
 Gets Underway

Last Tuesday night, Nov. 4, the girls basketball team started off the '58-59 season in a game with Lockett.

The B game was a run away with Crowell leading by 32-10 at the final score. Those playing in the game were Lois Ann Painter, Helen Vessel, Margie Rasberry, Mary Akers, Ruth Ellen Short, Margaret Faske, Dorothy Nell Denton and Pat Ribble.

In the A game though, it was quite a different story. The Wildcats were leading as the second half began, but the final score tallied out 52-56, a Lockett victory!

This was the first game played by the Crowell team, but the fifth for Lockett. Participating in this game as forwards were Judy Vaughn, Pat Prosser, Gayle Taylor; guards were Roxie Adkins, D'Lois Shultz, Sandra Simmons, Helen Vessel and Mary Akers.

Thanks for Senior Support!
 The Senior Class expresses its deep appreciation for the wonder-

ful way everyone has patronized the senior stand this year. Also, we extend special thanks to Mr. Hesse, Bud Halsell and Jimmy Johnson for playing at the Victory Dance last Friday night. It was a complete success, and one which all the students enjoyed very, very much. The room mothers — Mrs. Percy Taylor, Mrs. Virgil Johnson, Mrs. Houston Adkins, Mrs. Gerald Knox and Mrs. Cecil Carpenter—contributed much to our success, as did all the senior mothers who so willingly sent home-made goods to sell for the home games. Last, but not least, we thank our sponsors, Mr. Black and Mr. Welch, for helping us so much.

Sincerely,
 The Senior Class.

This'sa and That'ia

Seen at church out at Foard City Sunday night were Kay-Boob, Margie-Duane.

Everyone wants to know what was wrong with Duane Johnson, Karl Bell and Joe Barry Saturday night. They seemed to be having a mighty good time.

Jo Carol-Bryant and George-Carla are going steady now. Good luck from all the kids of CHS.

Where did Margie take off to Saturday night with big sister, Perky? The scandal knows! Klunk! Klunk!

Carol-Dale were seen over at Vernon Saturday night. They went to the drive-in.

Kay and Carol seemed unhappy Sunday afternoon. What was wrong, girls? Weren't there any interesting males around?

What was Wesley doing to Bobby and Don Sunday afternoon? All the onlookers could see were Don and Bobby crawling out of Don's car as fast as they could.

Who was Linda Caddell with Sunday night? The only thing we know is that he was from Seymour and didn't have any hair on his head.

Ginger didn't have much fun Saturday night, but we're all glad to see that all her troubles are over now.

Sandra has a new boy friend from Knox City. His name is Sam Anderson. Good luck, Sandy.

Bobby Barker has a new girl friend from Dumas. Her name is Sherry and she is a real doll. Lots of luck, Bob.

Seen together Saturday night were Guy Jr. and Sharon. Is this a new love affair springing up in our midst?

Gayle and Bill seem to have up a mighty good case. How about this, kids?

Seems as though Pat and Jimmy Dean are the steadiest steady in CHS. They are together not only through the week, but every Friday, Saturday and Sunday. Keep

it up, kids.
 Having a good time at the show in Quannah Sunday night were Jerry Ann-Ronald and Jo Frances Wesley.
 Sandra Simmons and Judy Hollenbaugh were riding around with Larry Hord and Joe Wheeler Saturday night.

What happened to "Miss Kitties," Judy Hollenbaugh's date Saturday night. We hear he went to Quannah.

At the joint FHA meeting last Thursday night were Charlotte-Pod, Peggy-Bubba, Jerry-Ronald, Roxie-Gerald, Pat-Jimmy, Dean-Carla-George, Sue-Jackie.

Linda Teague has been going with Tommy pretty steadily. Why don't you tell us his name and where he is from, Linda.

Couples at the Plaza Saturday night were Gerald-Roxie, David-Bettie Linda, Earlyn-John, Wesley-Jo Frances, George-Carla, Jimmy-Ernestine, and Freddie-Barbara.

Kay Ann, are you and David Powers going steady?
 Who was this Cynthia Whitley with over the week end?
 Engagement of the week—Peggy Whitley-George Brown.

Rachel Wilkins and Floyd Whitley seem to make a nice couple.
 Bill and Marquita were seen in Quannah Saturday night.

Jeannie Johnson had quite a surprise Saturday night. Reason was Eugene came home. Ain't love grand, Jeannie?

Linda Johnson and Carolyn Aydelotte were with two Gilliland boys—Teddy Horn and Alton Burgess, last week end.

Judy Borchardt had a fabulous time at Fort Worth last week end. She went there for the A&M-SMU game with Ben Whitfield.

Why is everyone congratulating Charlotte Sledge? The scandal

Electric COOKING

COSTS
 LESS
 THAN
 3¢
 A
 MEAL

YOU COOK BETTER... LIVE BETTER...
 Electrically

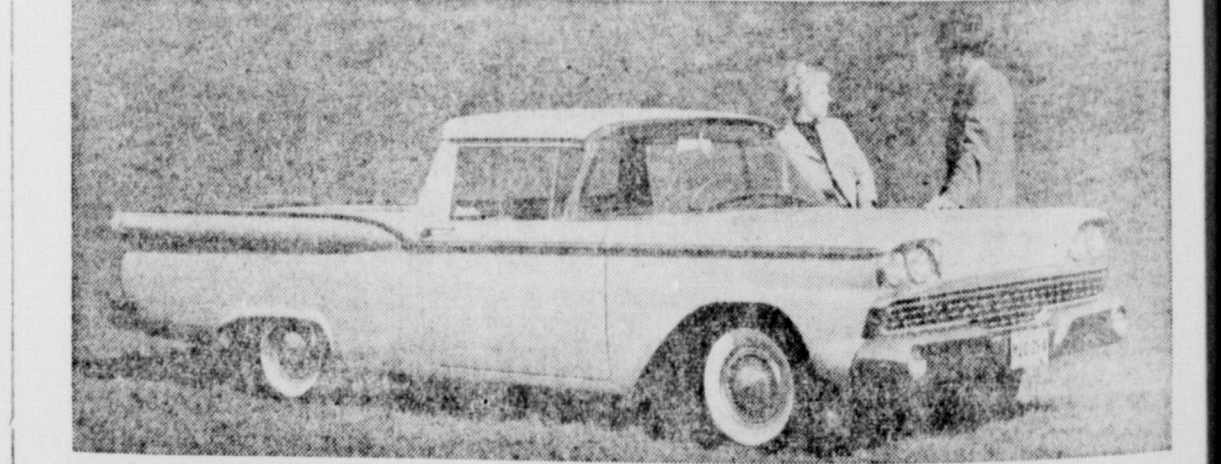

You'll feel like singing in your kitchen... when you cook with a new automatic Frigidaire electric range.

There's more leisure time for you because your automatic timer and temperature control takes the guess work out of cooking... starts and stops oven and surface units so that you don't even have to watch food cook. And so inexpensive... to cook the modern, clean, electric way costs the average family served by WTU about \$2.34 a month.

Why put it off? Cook and Live Better Electrically.

The Ford Custom Rancher, first prestige pickup of its kind in the industry, is completely restyled for 1959. The Custom Rancher has the same clean, tasteful styling of the 1959 Ford station wagons and a new, longer 118-inch wheelbase. The nominal body length of seven feet means a bigger loadspace for cargo of all sorts. The Rancher has the same luxurious interior as the 1959 Ford Country Sedan.

First Grade—Sollis

Mrs. Sollis was absent from school because she was in the hospital. We missed her and hope she will be well soon.

First Grade—Sloan

We liked our substitute teachers—Mrs. Jack Welch and Mrs. Lyn McDaniel.

First Grade—Sloan

As November starts, Mrs. Sloan's first grade is drawing pictures of pilgrims. Each is thankful for his home, country, and most of all they are thankful for Jesus.

The students are learning to count by their new cats with numbers on them. Almost all of them recognize the numbers to 20 and some can count to 100.

The line leaders for this week are Lea Anne Taylor and Robert Towry. The host and hostess for this week are Buz Rasberry and Ann Williams. Other helpers are Rosie Muniz, Ronald Hall, Pat Smith, Anthony Powers, and Lea Ann Taylor.

Second Grade—Graves

The second graders and their teacher, Mrs. Graves, are studying about soil. They have planted four pansy plants. They filled a box with a layer of pebbles, dirt, peat moss and then dug four little holes and planted the pansies. They placed the box by the window so the plants could get sunlight. When spring comes they will have lots of pansy blossoms.

Third Grade—Cooper

This week Mrs. Cooper's room will be learning new Thanksgiving songs, and will also be drawing Thanksgiving pictures. The class will read the story of the first Thanksgiving and then make a play from it. All of the children will be in the play.

Third Grade—Hays

Recently Miss Hays was encouraging her third grade pupils to attend the Sunday school and church of their choice. On a recent Monday morning she asked how many attended the day before. Most hands went up. A few minutes later a little boy, Gary James, gave his reason for his absence. He said, "Miss Hays, I had to go to Vernon yesterday to stay with Granny. Mother had to go to Brownwood to be with Auntie because she is inspecting a baby."

Fourth Grade—Thomas

Mrs. Thomas had an art contest, and Mrs. Bounds was judge. Sandra Chowning won first, Vicki Spikes second, and Charlotte Drabek third. Michael Payne and Dexter Daniel have been ill this week. Phyllis Gallaher had a birthday this week.

Fourth Grade—Bounds

Johnny Wilkins is the leading student in geography this week. The girls all made 100 in spelling. Hugh Norman has the boys' highest in arithmetic, and Lanette Lemons is high for the girls. Sharon Hoffman left for Germany and Rosendo Diaz returned to Mathis. Teams of threes are working on Eskimo land and Indians in Canada. They have made pictures in each unit in geography. The room is attractively arranged and decorated with interesting pictures representing different things they have learned. Halloween was celebrated with a nice party.

Fifth Grade—Hays

The fifth grade pupils from Miss Hays' class went leaf hunting last week. They gathered various types of fall leaves to use for decorating their room. Some of the leaves were placed in attractive designs on wax paper, then covered with wax paper and pressed with a warm iron to make the edges stay together. Now the leaves are arranged attractively on the bulletin board.

Fifth Grade—Black

Miss Black's room is studying how metals are used for coins. They are locating mints on a map.

Sixth Grade—Davis

25 pupils in grade 6B have about 130 rocks in their collection they started this year. Some of the rocks are potash, uranium ore, fool's gold, and others. The rocks have been found in Wyoming, Colorado, Missouri and Texas. The following pupils have helped make this collection: Seth Halbert, Scherry Goodwin, Otis Johnson, Gayle Smith and Sandra Ellis.

Basketball

There were about 25 boys reporting for basketball and about 11 will be the starting line-up. The coaches are Gordon Erwin and Glen Taylor.

Seventh Grade—Hitt

In celebration of National Book Week, Mrs. Hitt's room presented the play "The Book Fair King." In the play were Barbara Bell, Carolyn Hickman, Terry Mason, James Corder, Mike Shrode, Jon Black, Jo Wynn Ekern, Helen ten Brink, Kenneth Carroll, John Carl Borchardt, Ruth Sanders, Paula Sparks, Kenneth Campbell, Larry

Foard County 4-H Clubs will Observe Achievement Day

The 4-H Clubs of Foard County under the statewide theme—Learn Today, Lead Tomorrow—will observe their annual Achievement Day on Nov. 15, according to County Extension Agents Mrs. Mary Brown and Joe Burkett.

From the first county agent organized boys corn club in 1908 has come the greatly expanded demonstration and character building 4-H programs of today. Membership has grown from the original 25 corn club members in Jack County to more than 111,000 in Texas, and demonstrations and activities now cover every phase of agriculture and homemaking. Throughout the 50-year period of 4-H club work in Texas, the demonstration has remained the basis for conducting the youth phase of Agricultural Extension Service work. Today, 4-H members still learn to do by doing and their classrooms are the farms, ranches and homes of Texas.

In 1919 in Coleman County, the first beef calf club was organized and the first statewide rally for corn club boys was held at the State Fair in Dallas. A feature of the rally was a parade of 1,500 boys, each carrying a stalk of corn, through the downtown section of the city.

In 1912, girls for the first time were enrolled in tomato clubs. The first was in Milam County, and Mrs. Edna Trigg was the first home demonstration agent. Growing tomatoes and canning were the major demonstrations.

Around 1911, the 4-H emblem was adopted nationally and a man who was later to serve as Extension Director in Texas, the late O. B. Martin, played a major role in this development. He was the first 4-H club leader of the United States Department of Agriculture.

With the passage of the Smith-Lever Act in 1914, the Agricultural Extension Service, as known today, came into being, and 4-H development became more rapid and better organized.

With the formation of the National Committee on Boys and Girls Week and National 4-H Congress in Chicago, Texas 4-H members became congress participants, and today, one of the most cherished of all 4-H awards is a trip to Club Congress.

From the beginning, parents, adult leaders and friends of 4-H have all played important roles in developing the programs and activities which have kept 4-H abreast of the changes in agriculture and home economics. But today as yesterday, 4-H training is aimed primarily at making its members better citizens and the

Eighth Grade—Welch

The eighth grade class has been collecting insects that represent five different wing types. We have painted cigar boxes to put them in.

demonstrations are the chief teaching techniques.

\$1 Billion Paid in Railroad Unemployment Insurance

On September 5, the one billionth dollar in unemployment benefits was paid out under the Railroad Unemployment Insurance Act. In the 19 years of the program's operation, the number of

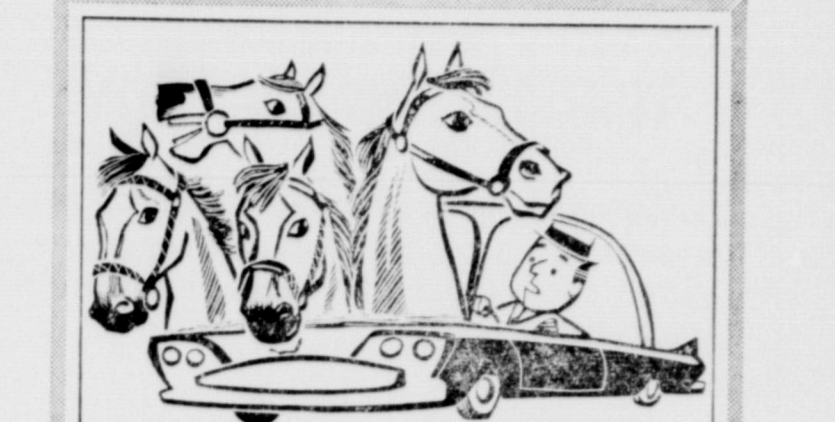

railroad men and women drawing benefits in any one year has varied from a low of 5,000 in 1943-44 to a high of 505,000 in 1949-50.

The Union of Soviet Socialist Republics was organized as a federation on Dec. 30, 1922.

The major part of the rapid growth in school population has occurred in 110 of Texas' 254 counties.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, Tex.—Texas' No. 1 industry is still "up against it." Oil industry leaders and state government officials are pressing harder for an effective federal plan to restrict oil imports.

Gen. Ernest O. Thompson, member of the Texas Railroad Commission, has called for "positive remedial action immediately."

"Oil and oil products imported into the United States continue to mount and absorb more and more of our domestic market demand," said Thompson. "This restricts domestic exploration and development and continues to make the United States more and more dependent on foreign oil. Foreign oil cannot be counted as available

in case of war." Thompson implied that he thought mandatory limits on oil importing should be set. (At present only a voluntary limitation program is in effect.) Thompson noted that lead and zinc imports had been cut by presidential order and "some such action must be taken in regard to imports of oil and petroleum products."

In meetings over the state, industry spokesmen talked in equally urgent terms. Lester Clark, Breckenridge producer, told the Independent Petroleum Association of America that the oil business is "sick."

"Since 1955, total well completions are off 21 per cent, exploratory crews have fallen 25 per cent, wildcatting is down 28 per cent and rotary rigs are off 33 per cent," reported Clark.

At another meeting the Gulf Coast Association of Geological Societies was told that during the first half of this year total oil imports increased 5.3 per cent while domestic demand slumped 4.7 per cent below the 1957 average. Impact of this on the domestic industry was a 13.7 per cent cutback and a \$3,000,000 a day loss in income.

Foreign oil production is increasing faster than foreign demand, Jerome J. O'Brien of Monterey Oil Co. told the geological group. Foreign oil interests, therefore, are dependent on getting a share of American buying—the one big oil market in the world. Biggest question in the industry, said O'Brien, is who will get this American market.

Undersecretary of the Interior Elmer F. Bennett told Texans the President's special cabinet committee on fuels is studying proposed plans to cut back imports. But, he said, the administration would not be "stamped into mandatory controls."

TOUCHY TOPIC—Next legislature is forewarned of the difficulties that will be involved in passing any law on industrial safety.

A meeting of the Joint Commission on Industrial Safety developed into heated disagreement and ended in a deadlock. Commission Chairman M. B. Blair wanted the group to approve and recommend to the legislature a plan for a state system of safety regulation and inspection in industry. Rep. Joe Pool of Dallas urged that no recommendation be made until public hearings had been held to get labor and employer views.

Blair's proposal was rejected. Pool's was approved by a 4-3 vote, but Chairman Blair ruled the motion out of order. It ended with agreement to send the Commission's collected data to the governor and legislature with no recommendation.

Commission is a nine-member

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Nov. 9, 1928:

From reports it appears that Herbert Hoover has won the most signal victory in his campaign for President that has even been recorded in the history of our country. In this county, Hoover polled 441 votes and Al Smith 466.

City Marshal R. J. Thomas recovered a stolen car here Wednesday after it had been driven to town and parked in front of Cameron Lumber Co.

Frank Hukill and A. W. Smith have opened the Texas Cafe, a new eating place on the north side of the square.

P. S. Rowe, operator of the Farmers Produce, estimates that he has bought and shipped approximately \$17,000 worth of poultry and cream during the seven months he has been here.

Leo Spencer this week purchased the half interest of T. D. Roberts in the insurance business of Spencer & Roberts.

Mrs. Paul Fields of Quannah is here visiting Mrs. Paul Shirley and other friends.

J. A. Stovall of Thalia was in town Tuesday.

Miss Beulah Patton, teacher in the Goodlett Schools, was at home to spend the week end with her parents, Mr. and Mrs. G. H. Patton.

Mrs. Thelma Bell is in Wichita Falls this week buying a permanent wave machine.

R. O. Ross was here from Flo-mot Monday on his way to Rayland to meet his wife who had been in Mineral Wells for her health.

Millard Phillips and family were here Sunday and Monday from Littlefield visiting the family of G. E. Davis.

Mrs. H. W. Cotner of Hollis, Okla., was here last week visiting her parents, Mr. and Mrs. J. C. Thompson.

T. B. Richmond, Sam Rosenthal, Floyd Thomas and Mrs. Jesse West went to Paducah Tuesday night to be present at the opening of the theatre in its new quarters.

Donald Norris came in last Saturday from Lockney where he had spent the last three months.

N. P. Ferguson returned last Thursday from Paducah where he visited the family of his daughter, Mrs. Charlie Graham.

group authorized by the last legislature to study and make suggestions on industrial safety laws to the upcoming session.

END OF ROAD—Former Rep. James E. Cox of Conroe has lost what apparently is the last battle in his fight against a two-year prison sentence.

Court of Criminal Appeals slammed the door when it refused Cox on a re-hearing. Cox was convicted in a Travis County court last fall. In June the Appeals Court, by a 2-1 decision, upheld the conviction.

Cox was charged with agreeing to accept a \$5,000 bribe in return for killing a bill to outlaw practice of naturopathy. He withdrew from the legislature after the difficulty developed but has steadfastly maintained his innocence.

DIABLO DAM PUSHED—Both Gov. Price Daniel and the State Board of Water Engineers have given their official approval to plans for construction of Diablo Dam on the Rio Grande River.

Need for the dam was dramatically illustrated by the heavy floods on the Rio Grande, said J. T. Ellis Jr., the governor's aide in water matters. Rampant waters caused an estimated \$7,000,000 property damage, and about \$31,900,000 worth of water was lost for useful purposes.

Next step toward getting the dam is for the International Boundary and Water Commission to prepare final plans and go to Congress for an appropriation. Diablo will be a joint project of the U. S. and Mexico with this country put-

ting up \$48,600,000 of the \$80,000,000 cost.

LOAN PLAN CHALLENGED—Atty. Gen. Will Wilson has filed suit to test the constitutionality of a law permitting "certificate plan" loans.

Three nationwide finance companies are defendants in the suit. Wilson contends the certificate plan, though permitted by law, violates the constitutional prohibition against charging more than 10 per cent interest.

Under the plan a borrower may get a sum of money for a year and agree to pay 10 per cent interest on the total amount. But he is required to repay the money in monthly installments. Hence, except for the first month he is paying interest on money he does not have.

Hunters, as Well as Quail, Expected to Be Plentiful This Year

Early reports have indicated there'll be a big crop of quail for the opening of the season Dec. 1. Now indications also point to a good crop of quail hunters, according to the assistant director of wildlife restoration of the Game and Fish Commission.

"We've had a lot of good food and cover this year, and a wonderful hatch of birds," he said. "Our men from every part of Texas tell us that conditions are excellent and birds are plentiful."

The quail season begins Dec. 1 and ends Jan. 16. The limit is 12 birds per day, or 36 in possession. Applications are still coming in

INSURANCE OF ALL KINDS

Hughston Insurance Agency

Phone MU 4-3371

Night Phone MU 4-4551

for the public hunts to be held on the Gene Dowe Wildlife Management area in the Panhandle.

These hunts are scheduled for Dec. 6, Dec. 20, Jan. 3 and Jan. 15. All applications must be in the Game Commission office in Austin by 8 a. m., Nov. 14. A drawing then will be held.

The hunters will be paired, with 10 pairs of hunters each day, for a total of 80 hunters. Only persons over 17 will be given permits. The bag limit on this area is 10 birds per person.

Shooters are urged to bring their own dogs. There is a heavy growth of flowering weeds and

Work on Methodist Church to Be Completed Soon

The general contract work on the installation of the duct work are nearing completion in the local Methodist Church. The heating and cooling machinery is due this week. Following the arrival of the machinery, completed installation should occur in about two weeks.

Texas ranks 25th among the 48 states in average salary paid teachers.

dogs are needed to prevent loss of birds.

The 6th grade 4H Club met in Mrs. Davenport's room Nov. 4, with 27 present. They talked on making curtains. She showed them how to decorate them also. The song leader, Ella Ann Cates, led in some songs.

March of Dimes for 1959 Has Quota of \$65,000,000

The \$65,000,000 March of Dimes campaign in 1959 against the major crippling diseases of arthritis, birth defects (congenital malformations) and polio is the greatest health challenge ever presented to the American people, John W. Wright, Foard County chairman of the National Foundation, said this week.

"If the public responds with the same overwhelming support it gave in the crucial days of the polio battle," he said, "a scientific crusade will be launched which could lead to even greater medical victories than the Salk vaccine." He pointed out with proper public support, scientists backed by the March of Dimes could quickly follow up the promising research and rehabilitation leads uncovered in polio, thereby offering new hope in discovering the cause and prevention of arthritis and birth defects.

Returning from a Dallas meeting of March of Dimes county leaders from Oklahoma, Arkansas and Texas, Mr. Wright emphasized that the medical program for which the March of Dimes is campaigning in 1959 is the most comprehensive ever formulated by a voluntary health organization.

He cited the remarks of March of Dimes president, Basil O'Connor, who announced last July that in the future the organization would be an organized force in the health field, with initial goals flexible enough to meet new problems as they arise. O'Connor outlined a broad program which would first fit the successful polio fighting group against arthritis and birth defects in a three-pronged assault through research, professional education and patient aid. Care and rehabilitation of all polio victims is to be continued as in the past, and beginning in 1959, direct patient aid will be offered to young people under 19 suffering from arthritis and certain types of birth defects.

"The entrance of the March of Dimes into the fight against these diseases which cripple hundreds of thousands of persons each year will give new hope to those who suffer from them just as the formation of the National Foundation for Infantile Paralysis gave new hope to polio victims in 1938," Mr. Wright said.

Commenting on the scope of these problems, he declared that arthritis and the other rheumatic diseases cripple more Americans than any other chronic disease, with doctors estimating that there are more than 11,000,000 persons now affected. Birth defects, which afflict more than 250,000 children each year, are described by the American Academy of Pediatricians as the nation's greatest unmet childhood health problem.

At the same time, Mr. Wright noted that polio will still require a major share of March of Dimes funds in 1959. Local National Foundation chapters will spend approximately \$19,000,000 on direct aid to patients this year; they still have more than 50,000 patients on their rolls, most of them long term cases. And since many areas, principally those where use of the Salk vaccine is least widespread, report more polio cases this year than in 1957, the polio needs in 1959 can still be expected to be substantial, he said.

The 1958 March of Dimes last January raised \$35,000,000 in the last national appeal exclusively for polio, and the 1959 appeal, to be held January 2-31, must virtually double last winter's effort, the campaign leader said.

"This means that all of us must double our efforts in the next four months. There must be twice as many volunteers at work, twice as many activities and events planned, twice as much effort devoted to public education. And it also means that people of our area must contribute twice as much to the March of Dimes as in past years if this great program of service to the people is to be inaugurated in 1959."

Orpha and Neely Asaneely of Frederick, Okla., visited here with their sister, Mrs. Mattie Davis, while she was in the hospital this week.

Miss Marjorie Brock of Wichita Falls spent Wednesday here visiting her mother, Mrs. Veatrice Brock, and other relatives and friends.

Mr. and Mrs. Tom Allen and small son, Phillip, left last Friday for their home in San Diego, Calif., after a short visit here with Mrs. Allen's parents, Mr. and Mrs. John E. Long, and other relatives.

Mr. and Mrs. Jim Cook returned home last week end from a two weeks stay in Oklahoma City where they attended the wedding of Joe B. Cook. Jim Cook submitted to surgery on his eye at the Wesley Hospital there.

Paul Manning, minister of the First Christian Church, and his wife spent several days in Dallas last week in connection with church work. They were accompanied to Dallas by Mr. and Mrs. Allen Fish, who visited their sons, John A. and Hughes Fish, and families.

Texas spent \$255 per child in average daily attendance in 1956-57, which ranked 32nd among the 48 states.

Increase in Prices

Economic Intelligent points out that an annual increase of only one per cent in prices means cutting the value of the dollar in half in 70 years. A 2 per cent annual increase cuts it half in 35 years. And a three per cent annual increase does the damage in 25 years.

By 1962 the number of scholars in Texas public schools will approximate 2,500,000.

Algebra Blues

My hair is turning silvery white, I sigh, "Ah, woe is me!" I burn the midnight oil each night. To prove that Y equals Z. Variety is the spice of life. I really can't say why—I simply then reverse the strife. And prove that Z equals Y. The unknown quantity is such, That X plus Z is Y. And conversely YZ is much more complicated—why? Two negatives make a positive, That is the rule, I guess. Algebraically when I say "no" twice, I really mean "yes." Coach Erwin says it's just as plain. And simple as can be. But when I've racked my weary

THE WILDCAT

(Continued from page 2) Linda J., Wanda James and Mary Ann Myers went to the show in Vernon Sunday. We were glad to see that the Victory Dance was such a success Friday night. Everyone really enjoyed it. It was good to see so many ex-students at the game Friday. We are always glad to see you!

Tuesday: corn meal muffins, pinto beans with ham, spinach, deviled eggs, cheese on cracker slices, gelatin salad, rice, peach, coconut pudding. Wednesday: light rolls, fried chicken, gravy, creamed potatoes, lettuce and tomato salad, peach slices with cream topping. Thursday: hamburgers, potato chips, peanut butter on crackers, fresh fruit, apple, banana and grapes. Friday: light rolls and butter, tuna fish salad, English peas, creamed potatoes, pepper, onion, tomato rings, fruit salad and cookies.

Science Department News

A number of things are going on in the science department which are interesting. The biology students are conducting a number of individual student research projects as a part of their course this year. The following is a brief outline of several of the projects: 1. Constructing a balanced aquarium. Here the word "balanced" is emphasized. This aquarium is unique in that it is constructed inside a 5 gallon glass water bottle. The soil, sand, aquatic plants, water, fish, snails, and a bullfrog tadpole are all sealed inside the bottle to insure that nothing enters the little "community" except light and nothing leaves. It will be the purpose of this demonstration to prove that any ecological system must be "balanced" in order to endure any length of time. The water, food and oxygen must be used over and over in order to continue to provide the basic needs of the organisms living in it. This demonstration is being conducted by Jo Frances Long, Ruth Short, D'Lois Shultz and Tim Mason. It is on display in the science department, and those interested in viewing it may do so.

Science Department News

2. Construction of a terrarium. We have two groups working on two units, one a desert habitat and the other a tropical habitat. The desert unit is completed and contains soil, rocks, sand, cactus and other desert plants and a number of desert or dry land animals. The tropical unit is abuilding and will contain tropical plants, amphibians, and water animals. These units are little communities like the ones found on a vast scale in nature and are small enough to be brought in the classroom. They are contained in glass enclosures mounted on wooden bases. When completed, they will be on display. Kirk Walters, Bill Smith and Jerry Eubanks are working on the desert unit and Kay Johnson, Margie Rasberry, Miles Welch and Mike Whitten are working on the tropical unit. 3. Culturing micro-organisms. Cecelia Drabek and Margaret Paske are conducting a research project which consists of culturing micro-organisms on sterile agar culture plates. The plates will be inoculated with organisms taken from beneath fingernails, from the drinking fountain, from the lips of used Coke bottles, and other interesting places in order to determine what type of organism may be lurking there. 4. Leaf collections. Several students are making collections of common plant leaves found in our community. These are being pressed and dried and will be mounted and labeled according to species and type. They will be displayed in the department and will be used later in a study of plants. 5. Nutrition study with white rats. Martha Fish is planning this project. She will work out several diets, one complete and the others deficient in some essential food, element or vitamin to determine what effect it has on the growth and well-being of the rats. 6. Plastic embedding. Mary Ann Myers plans to make plastic mounts of a number of small animals by embedding them in solid plastic. They are very useful and interesting in a study of small animal forms. She is now making her collections and preserving them for future embedding. 7. Effects of light on the growth of plants. Dorothy Nell Denton is planning a project to show how light affects the growth of plants. She will use small plants grown from sprouted seeds and place them behind cellophane windows set in one side of a light-tight box. The cellophane will be of several different colors in order to determine which of the sun's seven colors are most beneficial to plant growth. 8. Culturing fruit flies. This project has not been accepted by a student as yet, but the flies have been collected and are ready for use. It is a rather difficult project which should challenge some industrious student. The fruit fly, scientifically known as the Drosophila, is a small gnat-like fly which is frequently seen in the home flying about bananas and other fruit. They make ideal organisms with which to conduct research dealing with inheritance and genetics. They are so small that they must be viewed with a hand lens and must be put to sleep with ether before being handled. However, the results obtained from crossing various individuals are quite beneficial in proving the laws on inheritance. 9. Another project which is under consideration is a study of the chick embryo. The science department is indebted to Herman Schwartz, father of Jo Ann, for his gift of a 100-egg electric incubator for the department. With this incubator it is planned to study the developing chick embryo in its various stages from about four days until it hatches. A different chicken egg must be broken in order to study the separate stages of development, as the embryo dies when the shell is opened. This project is as yet unsigned. James Welch, science

Riverside

MRS. CAP ADKINS Mr. and Mrs. Frank Ward returned Friday from an extended visit with their son, Weston, of Grapevine. Mr. and Mrs. Henry Bice spent Friday with their daughter, Mrs. Bud Showers, and family of Dallas, en route to Palestine for a family reunion in the homes of Mrs. Bice's sisters, Mesdames Johnnie Bice and C. J. Mallard, and families. Norman Shultz of Arlington is here visiting his parents, Mr. and Mrs. Dave Shultz, and Billy Doyle. Mr. and Mrs. Denzil McBeath of Abilene visited their nephew, Delmar McBeath, and family during the week end. Mr. and Mrs. Floyd Ferguson of Crowell spent Sunday with her parents, Mr. and Mrs. L. Kempf, and family. Mr. and Mrs. R. B. Abbott of Fort Worth visited their nephew, Delmar McBeath, and family Sunday. Mrs. L. H. Hammonds and sister, Mrs. E. M. Black, and Mr. Black of Pueblo, Colo., have returned from a visit with their cousin, Mrs. Bessie Blake, of Fayetteville, Ark., and other relatives in Arkansas. Mr. and Mrs. Thomas Holland of Fort Worth and Mr. and Mrs. Donald Holland of Lubbock visited their parents, Mr. and Mrs. Oliver Holland, during the week end. Mrs. Johnnie Matus and children visited her brother, Emil Mott, and family of Seymour Monday. Mr. and Mrs. Leon Taylor and family and Theresa Wright of Thalia visited Mr. Taylor's brother, R. J. Taylor, and wife of Quannah Sunday. Mr. and Mrs. Dave Shultz and Billy Doyle and Norman Shultz of Arlington visited Sunday and Monday with their son and brother, Louis Pyle, and family of Floydada. Mr. and Mrs. Jimmy Farrar and family of Brownfield spent the week end with their brother, S. B. Farrar, and family. Mr. and Mrs. Bob Wascher left Thursday for their home at Urbana, Ill., after visiting her mother and sister, Mrs. J. K. Langley and Mrs. L. H. Hammonds. Mrs. D. H. Shelton has been visiting her daughter, Mrs. Leo Zajick, and family of Quannah. Mr. and Mrs. Cap Adkins visited Mr. and Mrs. Bob Huntley and Mr. and Mrs. Bill Anderson, all of Vernon, Sunday afternoon. Mr. and Mrs. Richard Kempf and Linda Price of Farmers Valley spent Sunday with his parents, Mr. and Mrs. Louis Kempf, and family. Pete Matthews visited his grandmother, Mrs. Nova Matthews, of Oklaunion over the week end. Mr. and Mrs. Robert Kubicek and family visited his brother, Henry Kubicek, and family of Quannah Sunday. Charles Farrar of Canyon spent the week end with his parents, Mr. and Mrs. Alton Farrar. Johnnie Jones of Vernon visited his granddaughter, Mrs. Ward Kuehn, and Mr. Kuehn Monday. Mr. and Mrs. N. J. Roberts and Mrs. B. W. Self of Crowell visited Mrs. John S. Ray and mother Sunday. A number from this community attended funeral services for Mrs. J. M. Brown at Vernon Monday. Mr. and Mrs. Thad Hopkins and family of Good Creek visited her sister, Mrs. Robert Hudgens, and family Sunday. Mr. and Mrs. Louis Ward and family of Wichita Falls visited his parents, Mr. and Mrs. Frank Ward, Sunday. Mr. and Mrs. E. M. Black left Tuesday for their home in Pueblo, Colo., after visiting her sister, Mrs. L. H. Hammonds, and family. Mrs. Thomas Holland of Fort Worth visited Mr. and Mrs. Charley Gray Saturday. Mr. and Mrs. Grover Moore and children visited his brother, Rufus Moore, and family of White City Sunday and helped them observe their 23rd wedding anniversary. Mr. and Mrs. Joe Richter visited their daughter, Mrs. Frankie Vanek, and family of Vernon Sunday. Mr. and Mrs. Bernie Richards and Mrs. Cleve Prince and son of Vernon visited Mr. and Mrs. R. N. Swan and family Sunday. Mesdames Elizabeth Earhman and Brenda and Janice Whitten and sons, all of Vernon, and Mrs. Herschell Butler and Ann of Chillicothe visited Mr. and Mrs. R. G. Whitten Sunday afternoon. A number from this community attended the annual awards program of the 4H Clubs of Foard County at Crowell Monday night. Those receiving awards from this community were Arlos and Wanda Moore, Janis Morris, Linda Mechell and Janie Bowers. Visitors in the home of Mr. and Mrs. Alton Farrar during the week

THIS WEEK

-In Washington With Clinton Davidson The official "farm story" now being distributed from Washington could convince many city people and Congress that all farmers are rolling in unprecedented prosperity and wealth. That would be a serious mistake. There is danger that some of the more recent favorable farm news will be so over-emphasized as to obscure the still serious difficulties which farmers face. The farm news, generally, is indisputably good. Good weather and careful planning have enabled farmers to produce bumper crops this year. The total is a new record high, 10 per cent above any previous year. The average of prices received by farmers has been rising faster than farm costs for almost two years. Beef cattle and hog prices have been especially favorable to producers. Farm income high. Farm income per capita is at an all-time record high. Secretary of Agriculture Ezra Benson has pointed out in a number of recent speeches. It still, however, is only about half the non-farm average. Net farm income, after payment of production costs, has been running nearly one-fifth higher this year than a year ago. Mr. Benson points out, "Agriculture," he emphasizes, "is increasingly prosperous, expanding and free." Others, less optimistic, point out that bumper crops are not an unmixed blessing; that the result is an increase in our already burdensome surplus. There is every indication that farm surpluses will continue to be a serious national problem. While per capita farm income is up, total farm income is 25 per cent below 1952—\$12 billion compared with \$16 billion. The difference is explained by the fact that there are fewer farmers. Purchasing Power Down. Although income measured in dollars is up, because of inflation farmers can buy less with 1958 income than they could with much smaller income in 1940. It is what you can buy with the dollars you have, not the number of dollars, that counts. Farmers now own an estimated \$188 billion worth of real estate and other property, against which they have mortgages totaling \$11 billion. That, too, is largely a result of inflation rather than in-

MRS. T. B. KLEPPER, Editor
PHONE 43 OR 165

Miss Fairchild, L. H. Wall Jr. Schedule Mid-February Nuptials

Mr. and Mrs. J. B. Fairchild of Crowell have announced the approaching marriage of their daughter, Barbara Lee of Wichita Falls, to L. H. Wall Jr., also of Wichita Falls.

Parents of the prospective groom are Mr. and Mrs. L. H. Wall of Vernon.

The couple will exchange vows February 14 in the First Baptist Church in Crowell, with the pastor, Rev. C. T. Ahy, as officiant. Miss Fairchild, a graduate of Crowell High School, is a junior student at Midwestern University where she is majoring in math and secondary education.

While attending MU, the bride-elect served as majorette in the Indian Band, treasurer for the Spurette Social Club, vice president of Tau Beta Sigma, national honorary band sorority, junior class officer, ROTC Military Ball queen, band sweetheart, and Kappa Kappa Psi sweetheart. She is at present on the Homcoming staff committee, serving as chairman of special events for MU Homecoming and is also a nominee for Homecoming Queen.

A graduate of Northside High School and MU, the groom is now working on his master's degree at Midwestern. He will report to Fort Benning, Ga., in March for six months where he will serve as second lieutenant.

At MU, the groom-elect was a member of the Letterman's Club, having lettered on the varsity football team. Officers Club, elected senior class favorite and also was a nominee for Lord Midwestern.

Thalia H. D. Club

The Thalia Home Demonstration Club met Nov. 6 in the Thalia School cafeteria with Mrs. Ed Huskey presiding. Mrs. Mary Brown, County HD Agent, gave a very interesting and informative pro-

gram on "Health and Accident Insurance," and then a business session was held.

Roll call was answered to with "The demonstration which helped me most" by 14 members. Minutes were read and approved. Mrs. Anna Belle Henry gave the EEE report on plans for the Achievement Day to be held later this month.

Officers were elected for 1959 and the following members will be the new officers:

President, Mrs. Robert Hammonds; vice president, Mrs. Pat Payne; sec-treas., Mrs. Mona Moore; Council delegates, Mrs. T. R. Cates Sr. and Mrs. B. A. Whitman; reporter, Mrs. Ed Huskey; demonstrator, Mrs. W. A. Johnson; finance and marketing, Mrs. W. G. Chapman; yearbook, Mrs. Beatrice McCarty; EEE, Mrs. H. W. Gray; recreation, Mrs. Ed Huskey.

The club voted to have an all-day meeting Friday, Nov. 14, in the basement of the Methodist Church. Members will work on craft for Achievement Day. There will be a covered dish dinner and all members are urged to attend. Mrs. W. A. Johnson, hostess, served pop and cookies to 14 members and one new member, Mrs. Garner Berg. Mrs. Mona Moore drew the hostess gift.

4-H Council Has Meeting

The Foard County 4-H Council met Thursday, Nov. 6, to make final plans for the awards program and Achievement Day.

Committees were set up for the awards program as follows: General chairman, Wanda Moore; arrangement committee, Ricky Trawick, Ken Ferguson, Bob Borchardt, Jerry Latimer; decorating committee, Jo Wynn Ekern, Rosa Latimer, Linda McClain, Geneva Adecock, Scherry Goodwin; serving committee, Pat Brown, Jo Wynn Ekern, Elaine Crowell, Judy Little, Margie Rasberry, Cecelia Drabek, Carol Bell and Jamie Bowers; clean-up committee, Arlos Moore, R. H. McCoy and Wanda Moore.

Council voted to have a mat put in the paper advertising achievement day. Members also voted to meet Thursday afternoon to set up exhibits for achievement day.

Homemakers' Class Meeting

The Homemakers Class of the First Baptist Church met Tuesday night with Mrs. Ed Gafford for the regular monthly social

meeting. Mrs. Guy Todd led in prayer and presided in the absence of the president. Mrs. Clyde Russell gave the devotional on "Seven thoughts which guide us each day."

Refreshments were served to Mesdames Guy Todd, Lester Patton, Milburn Carroll, Clyde Russell and the hostess, Mrs. Gafford.

Church School Attendance

Home Demonstration Notes

MRS. MARY D. BROWN

Already we have had a number of calls about another order of pecans. However, this week we were notified that pecans are now \$1.17 a lb. We will send the order in on Nov. 22 at our Achievement Day, so be sure and turn your order into your local marketing chairman.

Don't forget also that our Achievement Day will be Nov.

22 at the Down Town Bible Classroom which is located near the post office now.

Council will meet this Saturday, Nov. 15, for our last meeting of the year. Let's all try to attend. Our recipe this week is:

Mexican Mac
2 cups macaroni, 1 pound bulk chili or 1 No. 2 can chili, 1-2 cup grated cheese.
Cook macaroni until tender. Drain and combine with chili. Place in greased casserole. Sprinkle with cheese. Bake at 350 degrees F. for 30 minutes. Serves 6.

The 254 Hale-Aikin County Committees reported a current shortage of 3,373 classrooms and a need for 20,657 additional classrooms during the next five years.

462 Texans Up for December Call

The state quota for Texas draft boards in December calls for 462 men, Col. Morris S. Schwartz, state Selective Service director, announced this week.

The state's December call of 462 compares with a quota of 556 for November, already announced. The December call is the state's share of a national quota of 11,000 men, all for the Army.

The state director also announced that 1,979 men were scheduled to take pre-induction mental and physical examinations in December.

For the local board, induction

call for December will be on the 2nd, and physical examination call will be on Dec. 16.

The December quota will be filled with men who are at least 22 years old on December 1, with the exception of volunteers or delinquents, who may be younger.

Men scheduled to leave for Army service in December will depart from December 1 through 9, and those going for examination are scheduled from December 1 through 17.

Be sure before you shoot. This is advice to waterfowl hunters this year because of the mixed bag limits on ducks and geese. Get a copy of the latest game laws from your local game warden or sporting goods dealer.

How to make a teen-ager believe in Santa:

Give her a color telephone of her very own and you'll make her the happiest young lady in town this Christmas!

What's more, a phone of her own leaves mother's and dad's line free for their exclusive use.

There's a choice of ten attractive colors to blend or contrast with the décor of her room (or his). And the cost of an additional telephone, in color, is only pennies per day!

It's the easiest Christmas shopping you can do—and a gift that's appreciated all year. Just call our Business Office, and we'll do our best to arrange the installation at your convenience.

ASK ABOUT THE LOW COST!
