#### Science Rebuilds Our World

If it were not for science, we would still be living in caves and carrying clubs for protection. Science probably started with the invention of crude weapons and the discovery of fire. From this point onward, man has continued to make discoveries which have led to other and great discoveries.

Science has removed many superstitious beliefs about our environment. The witch doctor with his old remedies, which usually did more harm than good, has been replaced by the modern doctor who can perform miracles on

the body. Now, thanks to new drugs and a greater knowledge of the body and its ailments, we have a longer life expectancy than did any of our ancestors.

Science has provided us with many inventions which make life easier and more comfortable. Work previously done by hand is now done by machinery. Unlike our grandfathers, who went to bed at sundown, we can turn on the electric lights and continue our work or play. We can't imagine having to go to bed without first relaxing in our easy chair and watching television for a couple of hours.

We are also able to enjoy better and more nourishing food than our forefathers had. Through refrigeration, we eat fresh meat and vegetables during all seasons. Science has also produced superior types of meat, vegetables, and fruits for our consumption.

Instead of living in drafty caves, we now live in beautiful homes where the temperature and humidity are automatically controlled.

We sleep in nice soft beds and not on the floor. We depend on our electric blankets, not a pile of quilts, to keep us warm. We are told that soon we will even be cooled by an electric blanket.

Science has even shrunk the size of the world. Through modern communication and methods of travel, the nations once many days apart are only minutes and hours apart. Once it took six dangerous weeks to cross the Atlantic Ocean. Now it is crossed comfortably in six hours.

For countless centuries, man wondered about the sun, the moon, and the stars. Science is fast answering many of these questions and will probably continue to do so.

Truly, science has and is continuing to rebuild our world. Thanks to science, we can look forward to a longer, healthier, and more pleasant life.

#### Students Win Honors at Regional Meet

On Friday, April 24, our school was represented by four students at the regional meet held in Denton. Monte Churchill and Tom Crowell placed second in tennis doubles. There were seven teams entered. Clyde school won first.

Bill Graves entered poetry reading and Bill Taylor entered extemporaneous speech. These students were accompanied to Denton by Mr. Hitt.

On Saturday, April 25, Jim Henry and George Moss represented our school in the regional track events. Henry entered the 220 yard dash. Moss entered the high hurdles and high jump, winning third place in the latter event.

Coach Amonett accompanied these boys to Denton. Congratulations, boys!

#### Mr. Black Honors Spanish Class

Mr. Black gave the Spanish class a delicious breakfast at his hide-away at Foard City Wednesday morning of last week. The class is indebted to Mrs. Marion Crowell for bringing a delicious pan of doughnuts for the group.

Herbert Edwards and Recie Womack were the official cooks, and they were assisted by Mr. and Mrs. Clark Hitt, Merl Kincaid, and Mrs. Crowell.

The class consists of Tom Crowell, president; Mary Ann Brown, Monte Churchill, Bill Graves, Roberta Hough, Arlos Moore, Vera Porter, Rachel Rodriguez, Sharon Wharton, Janie Wright and Fred Youree.

The class wishes to thank Mr. Black for the breakfast.

#### Band Receives Second Division Rating at Regional Contest

The Crowell High School Band received a second division rating in concert playing and sight reading at the Region XIV contest in Wichita Falls last Saturday. Only two other bands in class A received higher ratings, Archer City, which received one in a concert and two in sight reading, and Holliday, which received a second in concert and a first in sight reading. This is the same rating the Crowell band received last year and is considered quite an accomplishment, after such heavy losses by graduation last year.

The students making the trip were Gena Adcock, Barbara Bell, Bobby Bond, Judy Borchardt, Janie Bowers, Helen ten Brink, Charles ten Brink, Mary Ann Brown, Linda Caddell, Wendell

Callaway, Marcia Carroll, Sue Cates, Jo Wynn Ekern, Faunce Fairchild, Jerry Fairchild, Gordon Fish, Robert Fish, Martha Fish, Barbara Goodwin, Gary Griffith, Carolyn Hickman, Judy Johnson, Jeanie Johnson, Virginia Kinsey, Wanda James, Lydia Lopez, Tim Mason, Kerry Mason, Lynda Mechell, Linda McClain, Janise Morris, M. L. Speer, Louis Sprague, Bill Sokora, Paula Sparks, Linda Teague, Beverly Thompson, Dorothy Webba, Janie Wright, Charlotte Sledge, Kenneth Campbell.

#### Girls Attend State FHA Meeting

The FHA state meeting was attended in Dallas April 23-25, by Marcia Carroll, Peggy Cates and Cecelia Drabek and they were accompanied by Mrs. Doyle Kenner. The theme of the meeting was "FHA in a Changing World."

There were 360 girls to receive their state degrees. Friday night, Areas VI and X furnished a very enjoyable program, "Texas Our Texas." The girls gained many new ideas to use in Crowell FHA work. They also had many unforgettable experiences in Dallas.

#### Seniors to Be Honored

On May 5, at high noon, the ladies of the Methodist Church will serve a dinner in the church basement in honor of the Senior class. This has come to be an annual affair, to which each class looks forward.

#### College Education Pays!

Does it pay in dollars and cents to obtain a college education? This question is answered by a brochure sent out by the East Texas State College. The United States Census Bureau listed these figures as to what the average man can expect to earn during a lifetime: grade school education, \$116,000; high school education, \$165,000; two years of college, \$190,000; and college graduate, \$268,000.

#### Prosser and Werley—Senior Personalities

As the kids walk through the halls of CHS, they notice a very attractive girl walking aimlessly beside a gay carefree boy. These two people, Pat Prosser and Jimmy Dean Werley, complete the list of seniors, whose personalities have been recorded in this column.

Pat is 5' 7 1/2" in height, with brown eyes and blonde hair, and she is 17 years old.

For a delicious meal, Pat chooses shrimp and french fries, topped off with strawberry short cake.

For pastimes, Pat likes to go on dates, play tennis, and listen to the radio.

While listening to the radio, she especially likes to hear "Only You" played on a French violin, and she also likes to hear popular "rock and roll" music. Pat likes every kind of movie, but especially those starring Yul Brynner, Sandra Dee and Paul Newman.

People who drive close behind other cars in town is her pet peeve.

Pat's most admired persons are her mother and daddy, because they always help her in every way that they can.

Chemistry is her favorite subject, and any kind of math is the most disliked. Her favorite teacher is Henry Black.

Pat has played basketball and volleyball for 4 years, has been in FHA, Dramatics Club, Thespian, officer of the Sub-Junior Adelpian Club, Wildcat staff, and class officer.

After school, Pat is going to become a registered nurse by going to school at Corpus Christi. We know that in anything Pat does, she will succeed.

Good luck, Pat!

Jimmy Dean is 5' 10" in height, with blue eyes and brown hair.

For a good meal, Jimmy likes ham, potato salad, and hot rolls, topped off with strawberry short-cake.

In idle time, Jimmy likes to ride around, listen to the radio, and go on dates.

While listening to the radio, he especially likes to hear "That's Why" by Jackie Wilson, and he also likes to listen to popular "rock and roll" music. He likes mystery movies, with the stars, Jeff Chandler and Sandra Dee.

His pet peeve is someone who always tries to start an argument.

Jimmy most admires his mother, because she is always there when he needs her.

His favorite subject is typing under his favorite teacher, Henry Black, but his most disliked subject is American History.

Jimmy has been in the FFA, serving as a livestock judge, and a dairy judge.

After school, Jimmy plans to work for a while and then later try to become a highway patrolman. In anything Jimmy Dean tries in life, we know he will be a great success.

Good luck, Jimmy!

#### Chemistry Classes Visit Acme

Tuesday morning, the chemistry classes piled into the bus with their destination being the Acme Bestwall Gypsum Mine and Sheet-rock Manufacturing Plant. Their

guide, "Smokey," conducted them on a tour in which the gypsum mine itself was the first stop. After entering the mine by means of an inclined ramp, they saw the huge chunks of rock being transported into the mine from an open pit, crushed into small pieces, and conveyed into the plant. Next, they were shown the open pit from which all operations of extracting the rock are now taking place. There, they saw and understood more clearly how the heavy machines operate.

Then, they visited the manufacturing plant where they saw all the phases of the manufacturing of sheetrock from the earliest stages through the loading for transportation.

A stop at the laboratory where tests and analyses are carried on was also in order. The lab technician was kind enough to give samples of products of the mine to all of the students. These were autographed and dated to remind the classes of a very interesting and enlightening experience.

Each phase of the tour was very ably explained by "Smokey," and when the time for leaving came, everyone was sorry to go.

Of course, everyone knows that no one can visit a gypsum mine without getting dusty and thirsty, so Cokes at Dutch's were enjoyed by all. Then, the classes returned to CHS to tell everyone what an exciting trip they had missed.

#### Freshman Class Party

On Friday night, April 24, the Freshman Class had a hayride and Weiner roast for their last class function of the year. About forty hungry people enjoyed the event that climaxed at the North Pocket Park where the cry seemed to be "Bring on the weiners." The class wishes to thank Mr. Myers, sponsor, and the class mothers for providing for them numerous parties and entertainment during the school term.

#### Roving Reporter's Report

Have you ever considered how much the type person that you are determines the type clothing that you wear? Consider it for a moment. The color of your hair and eyes, the tone or color texture of your skin, and your own inner feelings definitely affect what you wear.

Bettie Linda with blonde hair just wouldn't be Bettie Linda to us at all. We expect her to dress and act "like a redhead." Jimmy Rader as a lone, tall, lanky cowboy wouldn't be the Jimmy we know either. He is classified in our minds, and we expect him to dress and act the part. Everyone with whom we are well acquainted suggests a definite type of person, and we demand that each conform to our ideas in order to be accepted in our standards of society.

You are expected, by your friends, to meet their ideas of the type of person they believe you to be, both in dress and mannerisms.

It's not easy to live up to being someone you are not. You cannot successfully pretend to be a personality other than your own and make the pretense believable. People may gradually accept the existence of your pretense, but they will still accept you for what you really are—a fake. We can often fool ourselves into believing we are deceiving others, but somehow the rest of the world man-

ages to look through the screen of make-believe that we build. In order to be accepted as a person and not just as a wall of pretending, we must face ourselves as we really are. All right, perhaps the "real" you is not so fascinating or so interesting as the "pretending" you, but it is more convincing and more acceptable. Until we learn to accept and respect our true selves, we can't expect other people to believe in us.

Act like yourself. Dress like yourself! Just being you can be fun.

Just me, Roving Reporter.

#### About the Library

An interested student can find all the education which is possible for him to absorb in a library. Unfortunately, no student can justly claim that a class is dull or his time empty as long as the library remains open.

The library at CHS is designed to help the students become better educated men and women. It is open from 8 a. m. until 3:30 p. m. Monday through Friday, and the librarian will come earlier and stay later if a student needs help.

Within the library will be found books covering a multitude of subjects; there is something on almost any and every thing. State and local newspapers are available to readers, while regular copies are received of around 25 periodicals. Information in these magazines may be located through indexes and guides.

The library is a good place for reading, research, and study. Available are all the aids to scholarship which a student may need.

Recent additions to the CHS library of interest to both faculty and students include the Guide to Career Information, Charting Your Course, Preparing the Research Paper, and How to Plan for College.

Recent additions to the CHS library of interest to both faculty and students include the Guide to Career Information, Charting Your Course, Preparing the Research Paper, and How to Plan for College.

#### Enchilada Supper

The Spanish Club—"Los Picaros"—observed its last social function of the school year last Monday evening with an enchilada supper at the home of Recie Womack. In observance of its final meeting, each member was required to eat a jalapeno. R. H. McCoy proved to be a real jalapeno consumer.

A delicious meal consisting of enchiladas, ensalada de legumbres, frijoles, tortillas an dulce was served to the group. The Spanish Club wishes to thank Mr. Womack for demonstrating his ability as a chef. Jeff Bell was a guest of the club.

#### This'sa and That'ta

Hey, Mary Anne M., who is "Stick"?

Say, Linda J., do you still want a date with "Kinchie"?

Carolyn A., why wouldn't you go with Roy Don Sunday? Are you playing "hard to get"?

Triangle of the week: Dorothy-Roy Martin-Wanda James.

Wanda, why couldn't you remember the boy's name you were with Sunday? Did he shake you up that much?

Triangle of the week: Jerry Bob-Dorothy B-Boob.

Why was Judy singing "Goodbye Jimmy Goodbye" Friday night?

Kirk, what happened to you in the show at Lubbock? Was she

MRS. C. H. WOOD

H. W. Banister accompanied sister, Mrs. Grover Nicholson and Mrs. Ed Adams of Crowell, open house at the state fair south of Vernon Sunday. Mrs. W. A. Johnson visited and Mrs. S. R. Taylor of Crowell visited Mr. and Mrs. J. Taylor one day last week. Mrs. W. A. Johnson visited Mrs. Williams and Mrs. Willie

Garrett in Crowell last Friday. Mrs. W. G. Chapman visited her sister, Mrs. S. J. Boman, in Vernon Wednesday of last week. Maggie Capps visited Duane and family in Vernon Saturday night. Roy Self accompanied the Dalton Thompsons of Vernon to Lake Kemp Friday fishing. Louise Horton of Wichita Falls visited Maggie Capps Thursday. Mr. and Mrs. Jake Wisdom and children visited Sunday with her brother, George O. Streit, and family at Electra. Mr. and Mrs. Sim V. Gamble and Mike spent the week end with their daughter, Mrs. Keith Frost, and family in Amarillo and stop-

ped in Childress for a visit with her mother, Mrs. W. R. Pearson, and Mr. Pearson. Mr. and Mrs. John Strickland of Vernon spent Saturday night with his sister, Mrs. Maggie Hammonds. Mrs. Billy Johnson and daughter, Debbie, and Karen Gray spent last Friday with Mrs. Johnson's parents, Mr. and Mrs. Homer Black, at Truscott. Mrs. J. C. Taylor and Mrs. Maggie Hammonds attended church in Vernon Saturday night. B. A. Whitman returned home from Lovington, N. M., Friday. Mrs. T. R. Cates Jr. made a trip to Paducah Thursday. Rev. E. E. White of Childress preached at the Methodist Church here Sunday night and conduct-

ed 4th quarterly conference following the service. Due to the illness of his son in Crowell hospital last week, Rev. Garner Berg was unable to attend classes at SMU in Dallas. Mrs. Jessie Miller of Vernon spent Sunday with her parents, Mr. and Mrs. J. C. Taylor. Guests in the home of Rev. and Mrs. W. B. Fitzgerald Sunday were Mrs. Dick Farris of Lawton, Okla., and her son, Bill Farris, from Boise, Idaho. Mr. and Mrs. Roy Adhams of Wichita Falls visited Sunday with Mr. and Mrs. Loyd Fox and attended services at the Baptist Church. April Aguire of Vernon spent from Thursday to Saturday in the home of Mr. and Mrs. Raymond

Grimm. Mrs. H. P. Huntsman and son, Raymond, of Knox City visited Sunday with her sister, Mrs. Dee Powers, and family. Eudale Oliver and son, Floyd, made a business trip to Lubbock last Saturday and visited the Raymond Oliver family in Hale Center. Mrs. O'Neal Johnson was returned home from the Crowell hospital last Friday. Sunday guests in the home of Mr. and Mrs. J. M. Jackson were his sisters, Mrs. John Duggan and husband of Nocona, Mrs. Leeman Hunter of Pasadena and Miss Elmer Jackson, a missionary from Rio de Janeiro, Brazil, who had with her a native girl from Rio, Miss Nancy de Goes Deguer, who is attending the Baptist seminary at Fort Worth. Mr. and Mrs. Floyd Oliver visited Sunday with her parents, Mr. and Mrs. H. B. Eavenson, in Vernon. Mrs. J. F. Matthews Jr. visited last Thursday with her mother, Mrs. Clarence Bounds, at Margaret. G. W. Scales of Vernon visited last Friday with Mr. and Mrs. Eudale Oliver. Mr. and Mrs. Denzil McBeath of Abilene spent the week end with the J. L. McBeath, the Homer and Delmar McBeath families. Mr. and Mrs. Wayne Mason and daughter of Dallas visited the Ben Hogans, the H. M. McBeaths and J. L. McBeaths, Mrs. Maggie Hammonds and Mrs. Bob Bell, last week. They were accompanied by Mrs. Ralph Mason and son, Don, of Harrold. Mr. and Mrs. Bob Main and children moved from Crowell to Thalia last week. Mr. and Mrs. Elbert Perkins and daughters of El Paso were Sunday guests in the home of his sister, Mrs. Roy Shultz, and family. Mrs. Dalton Railsback and son, Scott, and her brother, Coleman Self, of Amarillo, visited last week with their parents, Mr. and Mrs. Clyde Self, and also their sister, Mrs. T. R. Cates Jr., and family. Mr. and Mrs. S. R. Taylor and daughter of Denton visited Mrs. Taylor's sister and husband, Mr. and Mrs. Ben Hogan, last week end. Mrs. Beverly Gray was brought home from the Crowell hospital Saturday. Mr. and Mrs. Oran Chapman of Amarillo visited during the week end with his mother, Mrs. W. G. Chapman, here and with Oran's wife's mother in Crowell. Barry Berg was brought home from the Crowell hospital Friday. Mr. and Mrs. Clyde Self attended the funeral of John Lawrence in Altus, Okla., last week. He was the grandfather of their son-in-law, Elmer Laurence, of Wichita Falls. Mrs. Howard Bursey took her first and second grade pupils on a field day trip Wednesday of last week. They went to Quanah where they made a tour of the round house, then to the park for a picnic lunch. After lunch, they caught the train at Quanah and rode to Vernon where they visited the jail and the green house, and Allingham park for a short play period and refreshments before the return trip home by school bus, driven by Homer McBeath. There were 10 ladies accompanying them: Mesdames Bob Cooper, Jesse Moore, Duane Naylor, Fred Gray, H. W. Gray, Billy Hammonds, Johnny Zuhn, Robert Hammonds, Charles Bursey and the hostess, Mrs. Howard Bursey. James McBeath of Mineral Wells visited last week with his parents and his small son, Glen, returned home with him for a few days' visit. Will Johnson visited Sunday with his aunt, Mrs. B. W. Johnson, in Altus, Okla. Roy Self made a business trip to Wichita Falls Friday. Mr. and Mrs. Tom Abston of Crowell visited their son, Alton Abston, and family Friday night.

**Truscott**

MISS MARY K. CHOWNING

Carl Haynie made a business trip to Wichita Falls Friday. He was accompanied by his son, Warren Haynie, of Vivian. Mr. and Mrs. Loyd McLaughlin and daughter, Kay, of Carlsbad, N. M., and Mr. and Mrs. Dennis Eubank and girls, Mary, Debbie, Denise and Margaret, of Post home of their parents, Mr. and Mrs. J. C. Eubank. Mr. and Mrs. A. S. Tarpley spent several days this week visiting in the home of their son, Dan Tarpley, and family in Lubbock. The Baylor-Knox Workers conference met at the Baptist Church in Truscott Monday night. Miss Mary Ann Brown has recently spent a week in Abilene visiting ACC where she will enroll this June as a freshman. John Bullion is ill in the hospital in Snyder. He was accompanied there by his wife and son, Paul. Mr. and Mrs. Raymond Hennon of Wichita Falls spent the week end here visiting her parents, Mr. and Mrs. Horace Haynie, and their son, Junior Hennon. Junior will join them in Wichita Falls when the school term is over. Miss Nettie Black of Crowell spent the week end visiting in the home of her parents, Mr. and Mrs. H. M. Black, here. Mr. and Mrs. N. L. Looney and

family spent the week end in Dallas visiting the ice show. They also visited his mother in Dublin. Mr. and Mrs. W. W. Sledge spent the week end in Big Spring visiting their son, Bill, and family. Charlotte Sledge, Mary Ann Brown, Linda Caddell and other members of the CHS band from Truscott were in Wichita Falls Saturday. Rev. A. G. Abbott of Electra preached the morning services at the Christian Church here Sunday. A large group of people from this community attended the Farmers Co-Op Elevator's annual barbecue dinner Saturday, April 25, in Gilliland at the school house. Underwoods' of Wichita Falls served the noon meal. Joe Reed Jones and brother, Babe Jones of Floydada, and Mr. and Mrs. Bill Rake of Vernon visited relatives and friends here Saturday and attended the barbecue at Gilliland.

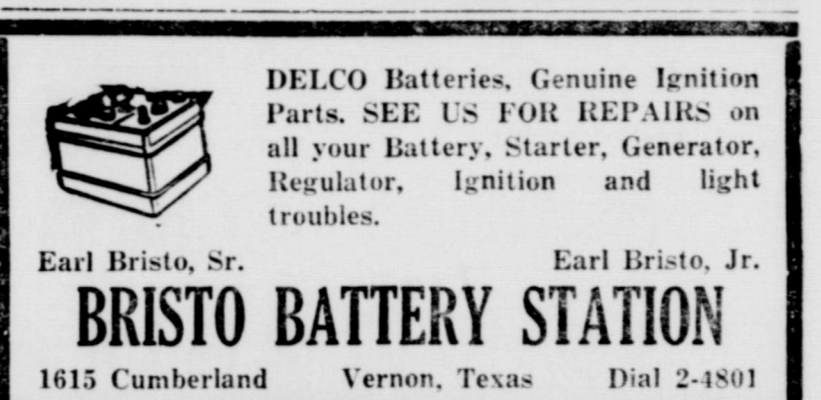

Card of Thanks  
I want to thank the nurses and Dr. Kralicke for being so nice to me while I was in the hospital. I would also like to thank the ones that sent me cards and flowers. May God bless you all.

## Attends Executive Board Meeting in Wichita Falls

Rev. Carl Hudson attended the meeting of Executive Board of the Northwest Texas Council of Boy Scouts of America on Thursday evening, April 23, in Wichita Falls. Rev. Hudson reported that the business of the evening should concern every person interested in Scouting in this entire area. The single problem discussed was the fact that only \$53,000 of a needed \$66,000 Council budget is available to date. Unless the other \$13,000 in additional revenue can be obtained in the next month, then the Executive Board will be forced to curtail professional service to Scouting units in the area—such as Pack and Troop 49 in Crowell.

Rev. Hudson stated that the problem arises out of many Scouting situations like this in Crowell into which the Council has poured some \$700.00 in materials, literature, training, and profession-

al service and has received in return from financial campaigns only \$274.75. An educational program was launched to inform the local communities of the needs of Scouting on the Council level. Without the Council organization and Council Camp, Camp-orees, Scout-O-Rama, and other Scouting events and training offered on a Council level, Scouting in Crowell or in any other community would be impossible, even if the community could provide thousands of dollars for such a program. Scouting is a nation-wide, region-wide, council-wide, and district-wide organization. If the community does not participate in the total program of Scouting, then the principles, laws, and ideals of Scouting are violated and contradicted, he said.

Rev. Hudson will become a part of a team of volunteer Scouters who will begin this educational program in the towns and communities of the Council in the hope that a better understanding of the total program of Scouting can become common knowledge of the people of this area.

Automobile-bicycle collisions during 1958 injured 59,300 persons.

Speed was blamed for more than 40 per cent of the traffic deaths and injuries in the U. S. during 1958.

## In the News . . . 30 YEARS AGO

News items below were taken from the Friday, May 3, 1929, issue of The Foard County News:

Margaret, Vivian, Ayersville and Foard City have already held closing exercises for their schools.

Crowell High School's debating team, Preston Rettig and Jim Alice Hart, and five track men, Bill Bell, Jack Lankford, Ernest Spears, Guy Todd and Arthur Bell, left for Austin Wednesday where they will take part in the state interscholastic meet.

Mrs. John Ray of West Rayland was installed as president of the County Federation Wednesday, replacing Mrs. M. S. Henry of Crowell.

T. B. Richmond, manager of the Rialto Theatre, stated that May is the third anniversary of the Crowell theater.

Mr. and Mrs. Paul Wallace of Crowell attended the school exercises at West Rayland Friday night.

Mrs. J. B. Rasberry and children were shopping in Paducah Saturday afternoon.

The Crowell baseball club lost the first game it played this season to Thalia at the local ball park last Thursday by a score of 10 to 3.

Edwin Greening is now in Dallas working for the A&P chain stores.

R. H. Cooper Jr. has accepted a position with the Quick Service Station.

The Foard City H. D. Club will meet Tuesday with Mrs. G. M. Canup.

Mrs. Tom Russell and Mrs. Hubert Brown were hostesses to the Co-Laborers Class at a covered dish dinner in the home of Mrs. Russell Thursday.

Mrs. J. J. McCoy stated that even better poultry profits are being made this year on the McCoy farm in the Black community than were made last year when \$1,080 was cleared from 100 hens.

Mrs. Jeff Bruce was hostess to members of the Adelpian Club Wednesday.

Howard Buryse was operated on for appendicitis at the hospital Thursday afternoon.

Miss Frankie Kirkpatrick was hostess Friday evening honoring ex-students of Trinity University.

J. C. Wisdom, 4H club boy of Thalia, guessed the number of eggs in a bowl at the Claude Callaway farm last Tuesday and received 2 settings of eggs as a prize.

One of the most interesting events of the baseball season in Crowell this year is expected next Friday when the local club will play the famous Coombs family baseball club at the ball park. There are 17 members of the Coombs family. They are being brought here through the efforts of O. O. Hollingsworth and Gordon Bell.

Miss Elizabeth Kincaid, daughter of Dr. and Mrs. R. L. Kincaid, was presented in an unusually interesting fine arts recital at the home of the family last Thursday evening.

### All-Church Hymn Festival to Be Held Paducah May 3rd

The Euterpean Music Guild of Paducah is sponsoring its annual All-Church Hymn Festival on May 3 at the First Methodist Church in Paducah at 10:00 AM. This is in observance of Music Week.

The public is invited to attend.

### 4-H Club Meeting

The 6th grade 4H boys held their 7th meeting on Wednesday, April 22. The boys are about going to district camp at Lake Pauline. Some of the boys who have gone are about the camp.

The boys who gave a report on safety were Ken Ferguson, Halbert, Ronnie Denton and Traveek. Joe gave the boys of paper for a test. The test about steers. Some of the sang songs. The boys' next meeting will be May 5.—Freddie 6th grade reporter.

In 1958, more than 48 per cent of the traffic injuries resulted from week end accidents.

## TELEVISION NEWS

One of my customers showed me this cartoon: A TV serviceman was talking over his telephone, saying: "Yes, Mrs. Jones, we're testing your picture tube right now, and I feel sure it'll hafta be replaced." At the same time, he saw—out of the corner of his eye—his assistant who, in carrying Mrs. Jones' TV thru the door, had smashed the picture tube against the doorknob, with glass flying everywhere. Honest, folks, we don't test picture tubes that way here at Crowell Radio & Television. (We just hit 'em with a big hammer instead!)

Seriously, though, Foard County picture tubes, as a whole, have really given good service. Some of my customers have sets SEVEN years old with their original picture tube still in 'em. Actually, some of these people have become accustomed to a dark picture—one without clean-cut definition and contrast. They just don't know what they're missing. Right this summer is sure a fine time to replace that old kinescope (picture tube) with a brand new G. E. . . . G. E. is the company that pioneered the field in ALUMINIZED picture tubes. And, while we're changing out the picture tube, let us replace all the weak small tubes. Many sets are being operated with SEVERAL weak tubes.

### Iris Show at Quartz Mountain Lodge to Be Held Saturday

The Quartz Mountain Iris Society, organized in April, 1958, will stage its first Iris Show on May 2 at the Quartz Mountain Lodge, located in the Quartz Mountain State Park, near Altus, Okla.

With almost one hundred members, the society meets quarterly in January, April, July and October, to study better growing methods and arranging. This first show will use the theme of "Drifting with Iris" and entries will be taken beginning at 7 a. m. and continue until 11 a. m., and will be open to the public beginning at 2 p. m. and continue until 8 p. m. Driftwood is being used to carry out the theme of the show.

Exhibitions in this show are open to all amateur growers and the public is cordially invited to participate in competition in the thirty-six classes of bearded iris: Mohr class, Apogons and collections of tall bearded iris, and also in the twelve classes of arrangements. A special invitation is extended to viewers to attend the show.

The show will be judged by accredited judges and awards from the American Iris Society will be presented to winners.

Members of the society from Foard County include Mrs. L. A. Andrews and Mrs. Jack Roberts of Crowell, and Mrs. Grover C. Phillips of Thalia.

Mr. and Mrs. Lewis Ballard have returned home from Odessa where they visited for several days. They took Mrs. Ballard's father, M. C. Ribble, who will spend a while in the home of another daughter, Mrs. George Wilkins, and husband in Odessa. They also visited their son, F. L. Ballard, in Levelland.

and Senate chambers last year. It may be pretty hot, they say, before a majority of both houses come to agreement on new taxes.

House members systematically cut to pieces the big omnibus tax bill (HB 727). As originally proposed, it would have raised \$300,000,000, mostly from scores of new selective sales taxes on items ranging from face paint to house paint. After members got through cutting out the things that brought the loudest howls, it was down to less than one-fourth its starting size.

It was then given preliminary approval (second reading) by the narrowest of votes, 74 to 72, counting Speaker Waggoner Carr's "yes" vote. Carr stepped down from the speaker's rostrum to plead with members to pass the bill, even though it had been stripped to practically nothing, so as to "get something to the Senate."

Senate cannot consider a tax bill until it has been passed by the House. But for the Senate, getting the shattered fragments of HB 727 is like getting four wheels and some broken glass with the invitation to make an automobile.

**TASK AHEAD**—In the days that remain until May 12, or in special sessions thereafter, the Legislature faces these decisions:

1. Appropriations — House has passed a bill calling for \$322,000,000 in general revenue; Senate, a bill for \$302,000,000. Differences must be adjusted in conference committee, which neither presiding officer seemed in a hurry to appoint. This could mean some sort of agreement that there would be no final decision on the appropriations bill until a tax program emerges.

2. Taxes — Either house's spending bill, with the deficit added in, would require something around \$200,000,000 in new tax money. This much, it seems certain, must be found, somewhere.

3. School improvement—Backers of the Hale-Aikin Committee program will push for adoption of at least part of that program. It would add some \$100,000,000 a year to state expenses.

**ABANDONED PROPERTY** — "ABANDONED" — In a vote that surprised many, the House killed the abandoned property bill, 80 to 67.

Proposed measure would have allowed the state to take over

dormant bank accounts and property held by insurance companies, utilities and oil and gas companies if it had gone unclaimed seven years.

Some felt that Gov. Price Daniel, who had fought strenuously for the bill, might regard its defeat as third term fodder. He said at one time its passage meant more to him than anything since the tidelands.

Afterward, the governor said "the fight has just begun." He was critical of Speaker Carr for having allowed the measure to come to a vote when it did.

**WHAT'S THE USE**—Senators refused, 16 to 15, to take up Sen. A. M. Aikin's bill to improve schools and raise teacher pay.

Those who opposed said passing the bill before tax money is found wouldn't bring a "crying dime" to the teachers.

Hopeful teachers could take some comfort from the fact that

some who voted against considering the bill said they would favor it when money is on hand.

**Rotary Club Meeting**  
Glen Goodwin was in charge of the program for the Wednesday noon meeting of the Rotary Club with Grady Halbert making an interesting and instructive talk on Rotary membership.

Visitors were Rotarian Sid Reed of Hollis, Okla., and Norman Davis of Crowell. New student guests were Kirk Walters, Jimmy Rader, Eldon Whitman, Dale Johnson and Ronald Yarbrough.

Mrs. Clint White returned home last week after being in the Quanah hospital for the past three weeks during which time she underwent surgery.

Mortality rate of persons contracting cholera is 30 to 80 per cent.

Weekly Sermon Saved by Another Three minutes to live — but saved! U. S. airman Burlen Jones of Franklin County, Ark., is alive today thanks to the quick action of an intern and a nurse. Capt. Eljls Rollett of White Plains, N. Y., was on duty at the third air force hospital recently when he noticed Jones, his patient, thrashing about in his sleep. He immediately diagnosed ventricular fibrillation — a quivering of the heart muscle which prevents it from beating. With only three minutes to restore breathing and circulation, Nurse Rollett began to operate. Nurse Winifred A. Rowley of Waterbury, Conn., placed her lips to Jones' mouth and forced air into his lungs. The delicate operation has been performed successfully under emergency conditions only five times in medical history. Jones' case makes it sixth, for which he is thankful. As much as the young airman might have wished to help himself, he was powerless. He was completely dependent on the actions and wisdom of others. So it is with our acceptance before God. The Bible makes it clear that a person can do nothing to earn or merit his salvation. "Not by works of righteousness which we have done..." (Titus 3:5a). Instead, we rest on what Jesus Christ has done for us: "but according to His mercy he saved us..." (Titus 3:5b). "Knowing that a man is not justified by the faith of Jesus Christ, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the law: for by the works of the law shall no flesh be justified" (Galatians 2:16). "Thy work alone, O Christ, Can ease this weight of sin; Thy blood alone, O Lamb of God, Can give me peace within."

Riverside MRS. CAP ADKINS

Charles Kidwell spent the week end in Denton. Janie Bowers accompanied the Crowell High School band to Wichita Falls Saturday. Grover Moore accompanied Joe Burkett to Seymour Tuesday to a cotton meeting. Ewald and Clarence Schwarz have returned to Austin after a visit here with their parents, Mr. and Mrs. Herman Schwarz. Mr. and Mrs. Frank Farrar of Olton and his mother, Mrs. Lawson Farrar of Lubbock, visited Mr. and Mrs. S. B. Farrar and family during the week end. Mr. and Mrs. Roy Ayers visited in Seymour Sunday, and also attended open house at the state hospital near Vernon. Mr. and Mrs. R. G. Whitten visited her brother, J. Q. Simmonds, and wife of Vernon Saturday afternoon.

THE WILDCAT (Continued from page 2)

cute? Duane, Margie, Kay, Joyce, Dale, Gerald and Bonnie enjoyed a trip to Palo Duro Canyon, West Texas State College and Boys Ranch over the week end. What were the CHS boys doing Sunday afternoon? The scandal knows. Boob, whose pictures were you using Sunday afternoon? Together Sunday night were Alta-Jerry, Jo-Wes, Carria-George, Bobby-Ginger. It seems as though Kay believes in expensive ways of communicating. Seen in Quannah Sunday afternoon at the show were Jo Carol-Miles, Judy-Mike. Having fun Sunday afternoon were Charles-Janie, Gaye-Jimmy Mack. Say, Pat, R. do you and Sandra H. always share your boy friends? Seen in Quannah Saturday night were Jerry-Ronald, Gayle-Billy, Mary Ann-Albert, Wanda-Don, Boob-Q town girl. There is another eligible sophomore boy since Elly-Taylor broke up Saturday night. Bobby, we hear that you had a visitor Saturday night. What about this?

Menu

Monday: light rolls, creole spaghetti, potatoes creamed, buttered English peas, celery, lettuce and pepper salad, and apple Betty. Home Demonstration Notes MRS. MARY D. BROWN This will be my last column as your Home Demonstration agent and it is not easy for me to write. I have thoroughly enjoyed my work with all of you here and I'm sure that I will miss it. I particularly appreciate that you all have been so cooperative and easy to work with. You will have a new agent soon and I'm sure that you will extend to her the same kindness and cooperation that I have received. Until your new agent comes, I hope that all of you will continue your club work just as if there were an agent here. Our recipe this week is: Hot Pork Pie 1 1/2 lbs. ground pork shoulder, 6 slices fresh bread, cubed, 1 cup water or consommé, 1 1/2 teaspoons salt, 1/4 teaspoon ground nutmeg, 1 tablespoon Worcestershire sauce, pastry for two crust pie. Combine and simmer all ingredients for 30 minutes. Cool mixture slightly before pouring into pie shells. Affix top crust over filling, seal and crimp edges. Slash top to permit steam to escape and bake at 450 degrees F. 30 minutes or until crust is a golden brown. Serve hot. Card playing is known to date back at least to the 12th century.

J. L. SHULTZ Jewelry and Watch Repair Bring us your watch for repairs. We repair any kind of watch. Work guaranteed. Temporarily located in lobby of Rialto Theatre.

## Co-Laborers Class Meets

The social meeting of the Co-Laborers Class of the Methodist Sunday School was held in the home of Mrs. T. B. Klepper on Thursday afternoon when Mrs. Paul Shirley was co-hostess with Mrs. Klepper.

Mrs. Guy Bounds, class president, directed the business session, at which time reports of officers and committee chairmen were heard. Plans were made for further activities.

Twenty-one ladies were present. Mrs. C. W. Thompson was devotional leader using Ps. 51:10 as her scripture reading. She read several appropriate poems stressing the thought, "Create within me a clean heart, O God." She concluded the devotional with a prayer.

A number of songs were sung. Mrs. Charlie Bryson was lesson leader of the final chapter of "Disciples to Such a Lord," the book for the year's study. She explained it well.

At the close of the lesson period, Mrs. Allen Sanders conducted a clever diversion.

The hostesses served a buffet salad plate to those present.

## 4-H Club Meeting

7th grade 4H met in Mr. Taylor's room. The secretary read the minutes of the last meeting. Mr. Burkett went over the boys' projects. Joe David Drabek and Nolan Tele gave reports on how to judge swine. Next and last meeting will be May 6.—Barry Barber, reporter.

## BUD'S MACHINERY NEWS

This writer will attempt a series of articles which I hope will be of general interest to farm and ranch families of this area. We'll try to have items concerning agriculture and machinery in general, a little humor, and a mention now and then about the products that keep my front door open, and pay Tully and Bill.

While visiting Loren Robertson recently, he said he would like me to meet his new tractor driver. He said long hours, missing dinner, labor unions, or nothing bothered this driver, and he never gets tired. The tractor was running itself, with a guide out in front—for deep breaking. I have noticed others using this labor-saving practice, such as Horace Taylor and Ed Long. It will probably be used on tractors pulling one-way plows in the future.

Roy Ayers, H. L. Ayers, Newell Hofmann and I tried a new Case 800 tractor with Case-O-Matic Drive recently on Roy's farm. We were trying it with a conventional drive tractor, pulling a 12-shank chisel plow. H. L. said, "It's the greatest thing since the invention of round wheels, back in the Cave Man times."

Marriage—the difference between painting the town, and painting the back porch.

An optimist sees an opportunity in every calamity—  
A pessimist sees a calamity in every opportunity.

CLINTON (BUD) McLAIN

## Den 2 Cub Scout Meeting

Den 2 of the Crowell Cub Scouts held its regular meeting Wednesday, April 22, at the home of its Den Mother, Mrs. Ray Shirley. Mrs. Chester Hord and Mrs. Tom Ellis assisted.

The Den Chief, Ken Ferguson, showed the boys how to make a fire, and they roasted marshmallows. They also learned songs out of their new Cub Scout song book. The Cubs voted to go on a hike and weiner roast next Wednesday.

The Cubmaster, Carl Hudson, discussed the Scoutmaster that will be held in Wichita Falls May 8 and 9. The living circle closed the meeting with Joe Ray Burkett.

## Larry Ellis, Billy Hord, Dickie Stanser, Randy Simmons and Bob Shirley participating.

## 4-H Club Meeting

The 5th grade 4-H boys met in Mrs. Black's room at 9 a. m. April 22. The president called the meeting to order and the secretary read the minutes of the last month. Then they turned the meeting over to Mr. Burkett.

The boys talked about their projects and added things to them. The boys talked about cattle and had a test on parts of the steer. Some of the boys got record books on gardening, safety, and beef. The boys sang songs until it was

## time to go. Next meeting will be at 9 a. m. May 5. The boys are planning on talking on wildlife.

## Baptist Social Friday Night

Adult I Training Union of the First Baptist Church held a weiner roast and social Friday night in the yard of the Norman Davis home.

Thirty-nine members, children and guests attended.

Games and fellowship were enjoyed following the meal.

Cars that did not have the right of way injured 608,400 and killed 3,890 persons on U. S. highways in 1958.

## Assembly of God C. A. Group Attends Rally in Quanah

The C. A. group of the Assembly of God Church and many of their parents, plus the pastor and his family, attended the District C. A. Rally in the Assembly of God Church in Quanah Monday night. They enjoyed singing and saw film of last year's youth camp.

Crowell came in second for the banner this time.

Drivers under 25 years of age were involved in 27 per cent of the fatal accidents in 1958.

## Down Town Bible Class

Charles Branch conducted opening exercises of the Down Town Bible Class Sunday morning in the absence of Dickie Stanser.

Mrs. Howard Ferguson and W. W. Lemons favored the class with a duet, with Mrs. Kay Bingham as piano accompanist.

Thirty-one men were present. Recie Womack, regular teacher, delivered the morning lesson.

Motor vehicle accidents in 1958 totaled 2,825,000 on U. S. highways during 1958.
