Home Demonstration Notes
MRS. MARY D. BROWN
National Home Demonstration Week is May 3-9. I hope that each club in Foard County will plan some type of observance.
Some 40,000 Texas Home Demonstration Club women will be among the 7 million homemakers throughout the nation who will observe their 14th National Home Demonstration Club Week May 3-9. "Today's Home Builds Tomorrow's World" is serving as the national theme again this year.
During the week, most of the 1,600 home demonstration clubs in the state plan special activities to highlight their programs. Special exhibits, community programs, feature stories, radio and television programs, and tours are planned to inform other homemakers and families of the purposes of home demonstration work and show its contribution to family and community life.
The home demonstration program is planned by homemakers and carried on cooperatively by the Extension Service of the U. S. Department of Agriculture, the land-grant colleges and county governments. New research information in all phases of homemaking is brought to women and families through specialists, home demonstration agents and local leaders. Club members also conduct special programs in civil defense and encourage and assist with local 4-H club programs.
Our recipe this week is
Toffee Bars
1/2 cup brown sugar, 1/2 cup sugar, 1 cup shortening, 2 teaspoons vanilla, 1/2 teaspoon salt, 2 eggs, 1 cup flour, 1 cup uncooked rolled oats, one 12-oz. package semi-sweet chocolate pieces, melted, 1 cup chopped nuts.
Combine and beat thoroughly brown sugar, sugar, shortening, vanilla, salt and eggs. Add flour and oats; stir until well mixed. Spread evenly in 2 greased 8x8x2-inch pans. Bake at 350 degrees F. 20 minutes. Remove from oven and spread evenly with melted chocolate and nuts. Cool until chocolate is set. Cut into 1x4-inch bars. Makes 32 bars.

Survey Ordered on Bald Eagles
What is happening to the American bald eagle? Made famous as the national emblem, and representative of liberty and freedom, it is fast decreasing in numbers.
The National Audubon Society has instigated a study in an attempt to ascertain the present status of the species and the cause of its decline.
All field personnel of the Texas Game and Fish Commission have been asked officially to cooperate in this study. A notice has been sent out by Howard Dodgen, executive secretary, asking wardens, biologists and others, to cooperate in a three-year study.
They will be asked to report on finding nests, young eagles, and even sighting eagles in flight. They are to make confidential reports on the nesting area, so they will not be molested by the general public.
Mr. Dodgen also suggested sportsmen assist in the project by notifying game department personnel when these bald eagles or their nests are found. At the same time, he warned of the heavy penalty in court for the killing of these eagles.

President Sets Up Special Committee on Prices and Costs
"President Eisenhower... has set up a special cabinet committee on activities affecting prices and costs."
"Is it naive to hope that this committee will not quietly expire or become bound up in red tape? Or that it will flourish and conscientiously drive toward its goal—governmental policies that work against inflation, not for it?"—Beverly, Mass., Evening Times.

Why Gamble?
Yes, why gamble... when there's no chance of winning? That's the kind of gambling you're involved in when you drive your car beyond the recommended period without having the oil changed.
Although you may use the very best motor oil, such as Phillips 66 Trop-Artic*, there comes a time when the accumulation of impurities in the oil reduces its efficiency.
That's why lubrication experts say: the best motor protection is to use the best motor oil, and change it every 1,000 miles under average around-town driving conditions.
Be sure to let your Phillips 66 Dealer change oil for you on schedule.

Soil Stewardship Sunday Planned at Meeting in Quanah

Plans for the annual observance of Soil Stewardship Week May 3-10 were outlined at a dinner for area ministers Monday of last week in Quanah.

The dinner meeting was sponsored by the board of supervisors of the Lower Pease River Soil Conservation District. More than 20 ministers, businessmen, soil conservation service personnel and supervisors attended.

Grady Halbert, supervisor from Foard City, represented the board as master of ceremonies. W. C. Howard of Quanah, a supervisor and member of the board of directors of the National Association of SCD supervisors, outlined the program and asked for cooperation of ministers.

Ministers of various churches in Foard and Hardeman counties are asked to join with ministers all over the nation to emphasize the theme of "Saving Souls and Saving the Soil" for Sunday, May 3.

Rev. Carl Hudson, pastor of the Crowell Methodist Church, spoke briefly on the manner in which ministers can present the conservation of the soil to their churches.

Representing the various area churches were Rev. Clarence H. Mesley, Church of the Nazarene, Quanah; Rev. Edgar Carney, Prairie View Baptist Church; Rev. John W. Price, Chillicothe Methodist; Rev. Roy Canada, Chillicothe Baptist Church; Rev. Robert E. Orr, Willowview Baptist Church; Rev. Dudley Brazg, Quanah Baptist Chapel; Dr. W. E. Norman, First Baptist Church, (Quanah); Rev. Kie Quisenberry, St. Luke's Methodist, Quanah; Rev. M. Horace Brooks, Methodist Church, Quanah; Rev. Tommy Beck, Medicine Mound and Margaret Methodist Church; Rev. Hudson, Crowell; and Rev. Clarence Bounds.

Supervisors attending in addition to Howard and Halbert were O. T. Holmes, H. L. Ayers, Crowell, and Elton H. Howard, Goodlett.

Others attending included E. L. Grimes, Quanah; Arkley Bell, Chillicothe; County Agent Hood Wilks, Bomer Harris, SCS unit conservationist, Quanah; James H. Herring, SCS unit conservationist, Crowell; Rufus Karr, SCS conservationist, Quanah; and Weldon Herman, ASC office manager.

"Battle Hymn of the Republic," written by Julia Ward Howe, was first published in the Atlantic Monthly in 1862.

TELEVISION NEWS

We were right proud of the job we did for Mrs. Rob Cooper a short time ago. She called one night that something was burning up in her TV set . . . She was right. The power transformer was burnt to a crisp. Now a power transformer for a TV is a major item of repair and usually represents a rather expensive repair. Also it is an item that cannot be stocked in the usual TV shop, because an EXACT replacement is essential.

Next morning the old TV Doctor got on the telephone, located an exact replacement transformer, had it brought out on a laundry truck. It arrived about 3 p. m. that afternoon. We had the set "back in action" by about five o'clock that same afternoon. Result: Mrs. Cooper only missed one night's TV—the night wherein the transformer "conked" out (and—three or four days later—the insurance company had paid off!)

Moral: (Three of 'em!) FIRST, buy a standard brand TV. Parts are much easier to get. SECOND, trade with a good, solid TV repair shop, one who's genuinely interested in keeping your set playing. THIRD (And I'm NOT in the insurance business!), insure your furniture and your antenna. It really pays off in this country!

Contradictory Statements
"George Meany, president of the AFL-CIO, stated that labor would continue to play an even more important role in the political stage and if necessary would create a third party to achieve its objectives. At the same time Meany was quoted as saying, 'My advice to the business community, and I mean this seriously; they had better just send their money and stay out themselves.'"
"This is a most interesting statement from a man who also says in the same breath that his organization is dedicated 'to making America the leaders of the democracies of the world.' Labor leaders have every right to participate in political activity and to voice their aims and objectives. Businessmen, farmers and professional men have the same right. To threaten or deny any individual his rights to think or to act within the boundaries of the law is to de throne America as the leader of the democracies of the world."—Alma, Mich., Record.

Mr. and Mrs. W. T. Ross of Fismo spent Tuesday night here visiting Mr. Ross' brother, S. H. Ross, and wife. They were en route to Lake Buchanan to join Raymond Ross and family of Lubbock at his camp on the lake for a week's fishing.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin, Tex.—With just about three weeks left in the regular session, legislators will be under much pressure—to do many things and do them fast.

Each day that passes without agreement on financial matters heightens the possibility of a special session as soon as this one ends.

Many measures will be trampled under or pushed aside until '61. But as Speaker Waggoner Carr told the House, the problem of raising some new money "won't go away. It has to be faced."

NO EASY OUT—Like every other tax proposal made this session, the huge "something for everybody" omnibus tax bill recommended by the House Tax Committee brought howls of protest.

It would raise an estimated \$151,000,000 a year by raising some old taxes and placing new taxes on hundreds of items. Tabbed for increases are natural gas, motor vehicles, cigarettes, liquor, wine, beer licenses.

New targets include hotel rooms, restaurant meals, cigars, chewing tobacco, snuff, aircraft and auto parts, dozens of luxury items (jewelry, furs, cameras, watches, silver, etc.), radio and TV parts, business machines, commercial rentals, club dues, construction materials, dance studios, reducing salons.

Officially, the bill is known as Tax Committee substitute for H. B. 727. Unofficially, it's called a lot of other things.

House members showed no eagerness to rally behind this broad-based approach than they had for Gov. Price Daniel's less "spread out" plan.

GIVE LITTLE, TAKE LITTLE—Two appropriations bills of varying sizes have been passed by the House and Senate. Differences will be adjusted by a conference committee of members from the two houses.

Both bills call for spending nearly \$2,500,000,000 during the next two years. House bill is slightly larger. It calls for approximately \$333,000,000 from general revenue. Senate would spend only \$307,000,000 in general revenue.

To satisfy both houses, the conference committee will try to reach a compromise between these two figures. However it's worked out, it's already clear that spending will considerably exceed the \$331,000,000 spent from general fund for 1958-59.

ROUGH SLEDDING—Governor Daniel's "abandoned property act" barely squeaked by its first test on the House floor by a 71-69 vote.

Measure would allow the state to take over money and property unclaimed for seven years or more. Estimates of how much it would bring in immediately range from \$20,000,000 to \$50,000,000.

Many bankers fear such a law would cause people to be afraid to put their money in banks and decide to stick it in a sock instead.

Backers of the measure say the banks and other businesses are holding and getting the benefit of property that does not belong to them, should be used to benefit all the people.

CO-OP BILL SHUNTED ASIDE—A bill to allow rural electric coops a more "elbow room" has been sent to the Attorney General for an opinion.

Rep. Alonzo Jamison of Denton, sponsor, protested to the House State Affairs Committee that this would kill the bill. This late in the session, delay is usually fatal.

Highly controversial, the bill would allow coops to add new customers after the area of their lines is annexed to a city.

ADVERTISING BILL ADVANCES—A state-financed advertising program for Texas moved close to final enactment despite heated opposition from an advertising man in the Senate.

Proposed bill would create the Texas Development Board to supervise tourist advertising by the Highway Department and industry advertising by the Texas Industrial Commission.

Sen. George Parkhouse, an advertising man from Dallas, objected, not to the idea of state advertising, but to the way it would be handled. He declared the suggested \$100,000 appropriation would be wasted.

But the bill gained final approval in the Senate and next-to-final passage in the House.

FIRE-POLICE BILL GAINS—A shorter work week for many city firemen and policemen is near to legislative approval.

Senate has passed the bill finally, and a House committee has recommended passage.

Bill limits firemen's working hours to 72 in cities of 10,000 to 60,000 population, 63 hours in cities of 60,000 to 125,000, and 60 hours for all larger than 125,000. Policemen would work the same hours as other city employees. City officials have protested the measure would raise local expenses and aggravate an already acute revenue-raising problem.

Boy Scouts to Have Court of Honor April 30th

At the regular meeting of Boy Scout Troop No. 49, two new boys enrolled in the troop. They are William D. Simmons and Dennis Garrett. Only 9 boys plus the two new Scouts have not completed their Tenderfoot requirements. These boys felt that they could be ready for a Court of Honor on Thursday evening, April 30th. It was then decided that the first court of honor will be held in the sanctuary of the Methodist Church on that date. The parents of each boy are urged to be present and the general public is invited to attend.

Bob Borchardt was chosen as Senior Patrol Leader and will be in charge of the Tenderfoot recognition ceremony. Kenneth Carroll was selected as Troop Scriber, and will be responsible for the Troop records and reports. Troop Committee Chairman Leon Speer will be in charge of leader recognition and Advancement Chairman Bill Klepper will be in charge of the badge presentation.

The next urgent need of the Troop before the next step in boy advancement can be accomplished is the task of securing some \$250 worth of tents and outdoor camping materials. This need will be presented and discussed by the troop committee at the Court of Honor meeting. Scoutmaster DuWayne Elliott expressed hope that the troop will be able to secure their tents and outdoor equipment so that they may enjoy their first outdoor experience early in May. One of the advancement requirements for the Second Class rank is an over-night camp.

Interest is growing among the boys and each meeting is packed with new thrills and expectations. The Scouts and Cubs will sell Scout-O-Rama tickets beginning this Thursday. The proceeds for these tickets will be divided between the local Troop and Pack, and the expense fund of the annual Scout-O-Rama in Wichita Falls on May 8 and 9 at the 4-H Club barns. A group of Cubs and Scouts from this community are making plans to attend the Scout-O-Rama show this year. To add to the thrill of selling these tickets, 60 silver dollars have been handed to the lady of 60 "Mystery Houses" in the Council. There is at least one silver dollar in one "Mystery House" in each community where the tickets are being sold. The first boy, Cub or Scout, who invites this "Mystery House lady" to purchase a ticket to the Scout-O-Rama and presents the ticket for sale, will be given the silver dollar and a chance to win the "giant mystery prize" to be

Odds Are Against Success of Any Broadway Show
Veteran Broadway press agent Richard Maney writes in the New York Times Magazine: "Only 11 of the plays, musicals and theatrical whatnots produced in New York last season recovered their cost. Of the 44 flops—flop is the trade epithet for a reckless undertaking—16 perished within three weeks of their christening; another 13 were annulled short of 100 performances. This excess of disaster is dismaying, but modest. Over a five-year span the odds against success are longer. Mid-term returns indicate that in the current season duds will top debits by six to one."

The Word Is Insanity
In a recent column, Joseph Alsop writes with chilling vividness of the menace to this country of Soviet ballistic missiles. These weapons, of incredible destructive power, strike without warning. There is no doubt that, in the event of attack, the prime initial targets would be the bases of our principal retaliatory force—the Strategic Air Command.

The only measure that can be taken now to reduce the risk, Mr. Alsop goes on, is to put the SAC on a state of maximum air-borne alertness, with a certain percentage of its planes in the air at all times, armed and ready to blast the enemy on order. SAC's commander, General Power, has "begged the authorities in Washington

to permit this. But the cost would be in the neighborhood of a billion dollars a year, and he has been turned down for budgetary reasons.

So, we cannot spend a billion for what may be the most essential of all defensive measures in this period of terrible risk. But we do go on spending federal money by the buckets-ful for non-essential projects which could be abandoned or deferred, or undertaken by local government. And we spend more money by the buckets-ful for projects, such as socialized power, which would be carried on as a matter of routine by private enterprise if the government stepped out.

About the only word that covers this situation is "insanity."

by Frank Ikard, 13th Dis.

The shift of population from the northern and eastern part of the country to the Southwest was pointed out recently in a report released by the Post Office and Civil Service Committee of the House. This report was based upon a projection of the 1950 census of population and shows the really dramatic growth of the southwestern and western part of the country in the last ten years. Population growth means, of course, many things, not the least of which is representation in our government. The 435 seats of the House of Representatives are allocated among the several states according to population. This shift

pany for that number of years.

toward our part of the country means that the New England and Middle Atlantic States alone will lose ten members of the House while California and Texas between them will pick up these seats. Florida will gain 4 seats. Chief losers appear to be New York and Pennsylvania which will lose three seats in the House each. Massachusetts and Arkansas will both lose two. The reapportionment of the seats in the House of Representatives among the States as is finally determined by the 1960 census will become effective in the election for the 88th Congress in November of 1962.

West will propose for a continuance of the present status in Berlin which obviously will not be acceptable to the Russians; however, if this is turned down by the Russians, then the West will, no doubt, propose that East and West Berlin be combined into one city protected by a United Nations' guarantee of free access into and out of the city by both the East and the West. It is difficult to understand how the Russians could turn down such a proposal.

is discussed in a new leaflet released by the Texas Agricultural Extension Service, titled "Sorghum Alnum."

Sorghum alnum, a hybrid between Johnsongrass and a sorghum, is a short-lived perennial similar in appearance to Johnsongrass. It has wider leaves, larger stems, longer and more spreading heads, and the first-year growth is taller than Johnsongrass or sudangrass.

The primary use of sorghum alnum is as a grazing crop. The larger stems make it more difficult to cure for hay than Johnsongrass. Sorghum alnum has one distinct advantage over Sudan grass as a temporary summer pasture crop—it makes better grazing and produces more growth in late summer and fall. It

appears to be more drought tolerant than Sudan or Johnsongrass, particularly on sandy soils.

Although a perennial-type plant, survival the second and third growing seasons have been erratic. In view of past experience, it will have to be considered an annual grazing crop, or at least a weak perennial for use as temporary pasture, said E. M. Trew, extension pasture specialist.

The leaflet discusses the description of the plant, its adaptation, establishment and its management.

Copies of the leaflet are available from the local county agent.

Adelphian Club

The Adelphian Club met on Wednesday, April 15, at the club house with Miss Dorothy Erwin presiding.

Mrs. L. A. Andrews reviewed "Doctor Zhivago," a Russian novel by Boris Pasternak for which he won the 1958 Nobel Prize. Mr. Pasternak lives in Russia and has not been able to accept the award nor the \$10,000 which is in a bank in Sweden for him, because if he leaves Russia he will not be permitted to return. He prefers to remain in Russia and fight for the decay of Communism. The book appeared first in Italian translation, without the approval of the Russian Communist Party censorship. This is a story of revolutionary Russia with Zhivago, a physician and poet, as the focal figure whose life is interwoven with a variety of characters.

Through his experiences, the reader witnesses the outbreak and the consequences of the Revolution: army revolts, irrational killings, starvation, epidemics and Party incursions.

H. D. Council Meets

There were 12 members and 1 visitor present with 6 clubs represented at the Foard County Home Demonstration Council meeting Saturday.

Mrs. Virgil Johnson gave a report on 4-H Clubs and Mrs. C. M. Carroll gave the recreation report.

Council voted not to buy chairs for the H. D. office until they get a new agent. Mrs. Clyde Bowley, Mrs. V. A. Johnson and Mrs. Clarence Garrett gave reports on the THDA district meeting at Graham on April 7.

Miss Sadie Hatfield from A&M College will hold a landscaping school in the Memorial auditorium in Vernon Sept. 24 and 25. Everyone is invited to attend whether they are a club member or not.

Columbian Club

The Columbian Club met Wednesday, April 15, in the home of Mrs. J. M. Chowning in Truscott for study with the president presiding.

The devotional was given by Mrs. Fred Wehba from the 4th chapter of Philipians on Womanhood.

Mrs. Karl ten Brink was leader. Mrs. Grady Halbert discussed the new resolution to be presented at the G. F. C. in California. Mrs. ten Brink told of a nice vacation in Mexico.

One new member, Mrs. Hub Gillespie, was welcomed into the club.

Next meeting will be a covered dish dinner at the home of Mrs. John Ray and mother on April 22nd at 11:30 a. m.

Home Builders Circle

Mrs. Helen Monkes was the hostess for the Home Builders Circle that met in her home on Tuesday, April 14. A prayer by Mrs. Howard Ferguson opened the meeting followed by business items being discussed by the president, Mrs. Fred Collins.

"Lord, when I comest to Thy Kingdom, remember me," was a very touching devotional brought by Mrs. Clyde Eddy, taken from Luke 22:43; also followed by a poem, "If Jesus Came to Your House," being read. Mrs. Arthur Bell was in charge of the program. She read a very heart warming letter from Billy Graham, in which he asked for our prayers on his crusade in Sidney, Australia.

A Bible quiz game taken from Matthew 5, 8, 7 followed.

Mrs. Monkes closed the meeting with a prayer. Refreshments were served to the following members present: Mesdames Carl Hudson, Arthur Bell, Glen Shook, Dora Johnson, Helen Monkes, Fred Collins, Jess Whitfield, Howard Ferguson, Clyde James, Clyde Eddy, Bayler Weathered, and one visitor, Mrs. John Kinsey.

Troop 1 of Crowell Girl Scouts Has Meeting

Troop 1 of the Crowell Girl Scouts held its regular meeting Friday, April 18, at the home of its assistant Scout Leader, Mrs. Mike Rasberry. The muddy weather again prevented the girls from cleaning the Girl Scout house.

All but one of the girls passed their test on the Girl Scout laws, promise, slogan and handshake. They are to work on the rest of the Tenderfoot rank requirements for the next meeting.

The two leaders showed the girls how to make a hospital bed, and suggested to them that they practice it at home.

For fun, the girls were shown how to make cornstalks out of newspapers by their leader, Mrs. Ray Shirley. They closed the meeting with Ella Hollenbaugh leading in the flag salute and Girl Scout promise.

The whole troop was present, and there was one guest, Katry Eubank. Those who answered roll call were Sharon Mapp, Linda Whitley, Karen Shirley, Shirley Mike Rasberry, Dena Todd, Paula Vecera, Ella Hollenbaugh, Gail Russell, and Rosa Lee Latimer.

Gambleville H. D. Club

Thirteen members of the Gambleville Home Demonstration Club answered the roll call when they met in the home of Mrs. Herman Gentry on April 17. During the opening exercise, Mrs. Gentry read a scripture and led in prayer.

Mrs. James Sandlin, president, presided during the business session. Mrs. Clarence Garrett and Mrs. Elton Carroll reported on the District THDA meeting that they attended in Graham on April 7.

Announcement was made that County Federation will meet on April 30.

The program, entitled "Buying Clothes for Your Family," was given by Mrs. Glendon Russell. Mrs. Russell explained that one should consider the following points when buying any clothing: "what you need in color, style and fabric, what you can pay for it, what kind of care it will require, which current styles are most becoming to you and what accessories you will wear with the item."

Mrs. Russell won the hostess gift.

Mrs. Garrett and Mrs. Clyde Cobb entertained members and their families with a covered dish supper and forty-two party on April 18 at the community house. Mrs. C. S. Bartley and Mrs. Russell will be hostesses for the May party.

The next regular meeting will be May 1 in the home of Mrs. Baxter Gentry.

West Side H. D. Club

The West Side Home Demonstration Club met in the home of Mrs. Oscar Gentry April 14. The meeting was opened with collect for club women and prayer. Minutes were read and approved. Roll call was answered with a joke.

Mrs. Walter Thomson gave a demonstration on how to pack when going on a trip. She gave numerous pointers on packing, and how to pack in plastic bags. A check list tucked in the suit case is a reminder not to leave anything behind.

Refreshments were served to 9

The next meeting will be with Mrs. Tom King April 28.

Den 2 Cub Scout Meeting

Den 2 of the Crowell Cub Scouts held its regular meeting Wednesday, April 16, at the home of its Den Mother, Mrs. Ray Shirley. Mrs. Tom Ellis and Mrs. Chester Hord assisted.

The boys varnished their Mothers' Day gifts, and then made corn stalks from newspaper. This was

a craft their Den Mothers learned at the Cub Scout Leaders' School in Wichita Falls the day before. The Cubs then danced an Indian dance depicting their gratitude to the gods for the growth of the corn. The Den Chief, Ken Ferguson, led the boys in the chant and dance.

Cub Scout songs were sung and flag and living circle ceremonies closed the meeting. There was perfect attendance with Larry Ellis, Billy Hord, Randy Simmons, Doyle Goodwin, Bob Shirley, Dickie Statser and Joe Ray Burkett present.

Foard City H. D. Club

The Foard City Home Demonstration Club met Tuesday, April 21, with Mrs. Bonnie Johnson in charge. Mrs. W. M. Cox read "Prayer," as the opening exercises. Roll call was answered with what kind of craft they wanted in June. Minutes were read and approved.

Mrs. Fred Traweck gave council report. She reported Federation day will be April 30 and Vivian will be hostess and Thalia is to give the program. Also Mrs. Traweck gave a financial report of the club. She reported they had

\$46.49 in the bank.
Myrtle Callaway gave a talk on doing over her bedroom. She is the bedroom demonstrator and Bonnie Jones read some real good hints on buying clothing and how to dress.
Mrs. W. M. Cox, hostess, served cakes and Cokes to 9 members and 1 visitor.
Butch Borchardt drew the hostess gift.
