## Cub Scout and Boy Scout Activities Listed for Month

The annual Blue and Gold Banquet for the Cub Scout Pack will be held in the basement of the Methodist Church on Monday evening, February 1. A large 50th anniversary cake will be placed in the center of the room and Cub Scouts will make table decorations depicting the 50 years of Scouting. The three dens of Cub Scouts will present a pageant that will tell the Scouting story for these 50 years.

The four patrols of the Boy Scout troop will make a 50th anniversary poster to be displayed in downtown Crowell during February. Tentative plans are being made for a golden anniversary basket supper for the Scouts and their families at the Methodist Church on Thursday evening, Feb. 11. Camp training will be the general Scoutcraft demonstrations during January at the troop meetings and if the weather permits, a model tent and campsite will be displayed for the family night demonstration February 11.

In January the annual banquet of the Northwest Texas Council will be held at the Midwestern University student center Tuesday, Jan. 19. Several Scouters and their wives from this community plan to attend this colorful banquet. During January and February the troop and pack committees of the No. 49 units in this community will not only be busy promoting the golden anniversary theme, but they will be setting up final plans to re-charter the troop and pack for 1960.

Chairman Leon Speer of the troop committee and chairman Tom Ellis of the pack committee list some committee plans: More effective troop and pack committees, more boys in the troop and pack, two-deep leadership in the troop and pack, four new den mothers in the pack, basic training and several additional training courses for all troop and pack committees and leaders, and more active community interest in the Scouting program of the local units, the central district and the Northwest Texas council.

More honors and greater privileges await the Scout and his parents in the Cubbing and Scouting program in this golden anniversary year of Scouting. A boy of Scout age—8 through—18 who wishes this opportunity to be a Scout in 1960 will pass up one of the greatest opportunities of his life to enjoy the fellowship of the most effective and most colorful and most respected program for boys in the world.

The great events of the year will be Boy Scout Sunday in the churches of America on February 7th; the National Boy Scout Jamboree at Colorado Springs, July 22-28; the Northwest Texas Council golden jubilee camporee at Wichita Falls on July 23, and the central district Cub Scout jubilee to be held on July 23.

## Mrs. Jno. Kilworth Died in Lawrence, Kansas, Dec. 13th

Mrs. John L. Kilworth, 89, died in a Lawrence, Kansas, hospital on Dec. 13, according to a letter received by Mr. and Mrs. Frank Halenack of Margaret from Mrs. C. F. O'Bryon, Mrs. Kilworth's sister-in-law.

Mrs. Kilworth and her late husband were well known here. They made annual visits to Crowell for many years when they owned a ranch in the southeast part of the county. They made their first trip to Foard County on horseback from Lawrence more than thirty years ago.

Mrs. Kilworth is survived by one brother, Dr. C. F. O'Bryon of Lawrence, four nephews, one niece, and one brother-in-law, Will Kilworth of Tacoma, Wash.

## Rotary Club Meeting

Glenn Goodwin was in charge of the program of the Rotary Club at the Wednesday noon meeting on January 6. Rev. Carl Hudson was the guest speaker and he talked on the Boy Scout movement, its origin in England and the first organization of Boy Scouts in America.

New student guests were Arlos Moore and Loy Hopkins. Rotarian Vance Favor of Quanah was a visitor.

## Last Rites for Mrs. Jack Whitley Held Saturday

### Former Resident Died in Blackwell, Okla., January 5th

Funeral services for Mrs. Jack Whitley, 72, of Blackwell, Okla., former Foard County resident, were held at the First Baptist Church in Crowell at 2 p. m. Saturday conducted by Rev. W. B. Fitzgerald of Thalia, assisted by Rev. Glenn Willson, pastor.

Mrs. Whitley died in Blackwell Tuesday, Jan. 5. Burial was in the Crowell Cemetery under the direction of Womack Funeral Home. Pall bearers were Jack Thomas, Ed McDaniel, Ruel Scott, Arnold Cox, Charlie Chatfield and J. B. Little. Assisting with flowers were Mrs. Emma Scott, Mrs. Ellen Bumpass, Mrs. Clara Cox, Mrs. Nannie McDaniel, Mrs. R. J. Thomas, Mrs. Lewis Ballard, Mrs. Bob Carroll, Mrs. Charlene Brown, and Mrs. Lois Simmons.

A special musical number for the services was a duet sung by Mrs. Kenneth Bingham and Mrs. Leo Cates with Mrs. Paul Shirley as accompanist. Clara Bell Cook was born Sept. 25, 1887, in Cooke County, Texas. She attended schools in Gainesville. On August 10, 1902, she was united in marriage to Jack Payton Whitley at Whitesboro. Ten children were born to this union, six daughters and four sons. Her husband preceded her in death June 30, 1939, and also an infant daughter who died at birth.

Mrs. Whitley and her late husband came to Foard County in 1907 and lived here until 1928 when they moved to Oklahoma. She was converted and baptized into the Missionary Baptist Church in Crowell in 1924. She faithfully attended the Church of the Nazarene until failing health prevented. For the past twelve years she had made her home with her daughter, Mrs. Ivan Ballard, in Blackwell.

Survivors include five daughters, Mrs. Ella Black, Mrs. Susie McDaniel and Mrs. Evelyn Kinsey, of Crowell; Mrs. Edith McBride and Mrs. Nannie Bell Ballard of Blackwell; four sons, William Whitley and Allen Whitley of Lamesa, Raymond Whitley of Pacasett, Okla., and James Whitley of Colorado Springs, Col.; forty-one grandchildren, forty great grandchildren, and many other relatives and friends.

## Former Residents Observed Golden Wedding Sunday

Mr. and Mrs. Walter Henry celebrated their 50th wedding anniversary Sunday, Jan. 10 in their home in Quanah. Their children were hosts and hostesses.

The two-tier cake with yellow roses and iced punch were served from a beautifully decorated table with gold colored cloth with white lace and gold candles, and a beautiful bouquet of yellow mums.

Two granddaughters, Miss Thelma Lee Henry and Mrs. Keith Maxwell, were in charge of serving.

William Walter Henry and Miss Nancy Alice McDaniel were united in marriage in the home of her parents, the late Mr. and Mrs. E. F. McDaniel, in the Talmadge community in Foard County on Jan. 16, 1910. They have five children living, three sons and two daughters. The oldest son passed away several years ago. One daughter, Bertha Meddlin of Twitty, Texas, was unable to attend the anniversary celebration.

Those attending were Mr. and Mrs. Leroy Henry, Billy Roy, Steve and Johnny, and Mrs. Keith Maxwell and son, Terry, of Vernon; Mr. and Mrs. B. E. Henry, Marvin, Melvin, Roy Don and Betty, of Plainview; Mrs. W. R. Evans, Nancy, Chris and S. J., of Sterly; Mr. and Mrs. Jim Henry, Thelma Lee, Jim, Larry and Dale, of Crowell.

Other relatives and friends were Mr. and Mrs. Sim Gamble, Mrs. W. O. McDaniel and Mrs. Bert Hanks of Crowell, Mrs. Dick Crosnoe and daughter of Margaret, Mr. and Mrs. Jack Henry and Mr. and Mrs. Bobby Henry and Nancy and Bobby Jr. of Electra, Mr. and Mrs. Ed Jones and Judy Kay of Elk City, Okla., Mr. and Mrs. Jake Roberts, John, Earl and Kenny, and Mr. and Mrs. John Houck and children of Quanah.

**Singing Sunday**  
There will be a singing at the Free Will Baptist Church beginning at 2 p. m. Sunday, Jan. 17. Everyone is welcome.

## News About Our Men in Service

Army Pfc. Donald W. Smith, son of Mr. and Mrs. L. B. Smith of Crowell, recently participated with the 8th Division's 18th Infantry in a field training exercise in Germany. The exercise, conducted under realistic combat conditions, was designed to determine the combat effectiveness of the infantry under extreme cold weather conditions.

Smith, an assistant rocket launcher gunner in the Infantry's Company A in Sandhofen, entered the Army in July 1958 and completed basic combat training at Fort Riley, Kansas.

The 23-year-old soldier is a 1955 graduate of Crowell High School. He attended Midwestern University. His wife, Clara, is with him in Germany. She is the daughter of Mr. and Mrs. Henry Faske, also of Crowell.

**Bank Deposits Less Than in October**  
Bank deposits in the Crowell State Bank for the period ending December 31 show a decrease from the statement of last October and also from the one a year ago.

Deposits at the end of 1959 totaled \$3,027,709.63, which is \$23,298.38 less than on October 6, 1959, and \$649,551.33 less than at the end of 1958.

## Gambleville H. D. Club

Mrs. J. C. Prosser will be hostess for the Gambleville Home Demonstration Club meeting on Jan. 15 at 2 p. m. New yearbooks will be distributed.

## FIRE DEPARTMENT RE-ORGANIZES AT MEETING THURSDAY; OUTLOOK GOOD FOR NO RATE RISE

### LAST DAY IS JAN. 31 FOR POLL TAX

### Scouts and Cubs Assist in Poll Tax Payment Project

1960 is an election year, locally, state-wide and nationally, and January 31 is the last day for paying a poll tax and qualifying to vote in these coming elections.

Members of the Boy Scouts and Cub Scouts were reminding local residents of this fact Saturday morning, as they distributed circulars which said, "Be a Good Citizen. Pay your 1960 poll tax before January 31st. A community good turn project, Boy Scouts of America, Troop and Pack 49, Crowell, Texas."

This is a very worthy project for these young men, and a large number of poll taxes will probably be paid due to their efforts.

## Raymond Werley of Thalia Died in Vernon Monday

### Last Rites Conducted Wednesday at Thalia Baptist Church

Raymond Werley, 31-year-old Thalia farmer, died in a Vernon hospital Monday night of a cerebral hemorrhage.

Funeral services for Mr. Werley were held at 3 p. m. Wednesday at the Thalia Baptist Church with the pastor, Rev. W. B. Fitzgerald, in charge. Interment was in East View Memorial Park at Vernon.

Mr. Werley was born May 3, 1928, at Chicota, Texas. He and the former Miss Wilma Woolsey were married at Thalia Sept. 1, 1956. He was a member of Thalia Baptist Church and the Thalia Masonic Lodge, and was a World War II veteran.

Surviving are his wife; a son, Dwayne Werley of Thalia; his mother, Mrs. Alice Werley of Thalia; three brothers, Donald Werley of Crowell, Jimmy Werley of Thalia and Denton Werley, stationed in Korea in military service; and five sisters, Mrs. Geneva Hair of Vernon, Mrs. Rose Marie Shultz of Grand Prairie, Mrs. Peggy Carroll of Crowell, Mrs. Mary Alice Wheatstone of Wichita Falls and Miss Karen Sue Werley of and Miss Carolyn Sue Werley of Wood Lake, Calif.

## Exceeds Total Gross Earnings

The Laurel, Montana, Outlook, says editorially: "The present national debt, one that must be paid, exceeds the total average gross earnings of all the nation's wage earners for a period greater than a year."

## Number of Firms in County Show Increase in 1959

Statistics released this week by A. J. Hemphill, manager of the Fort Worth office of Dun & Bradstreet Inc., reflect the growth of the business population in Foard County during the past year. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for January 1960, totaled 63 manufacturers, wholesalers and retailers in this area as compared to 61 in January 1959—an increase of 3 per cent for the period.

The reference book does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers. Therefore, the figures for businesses in Foard County would actually be higher than the 63 quoted above.

Hemphill added that during the past year, 36 changes were made in the Reference Book listings of Foard County businesses, including 12 names added, 9 names deleted, and 14 changes in the ratings of continuing businesses.

## Football Team to Be Honored at Banquet Friday

The banquet honoring the state semi-finalists Crowell Wildcat football team will be held tomorrow, Friday, night at 7 p. m. in the school cafeteria. Honored guests will be the football team, their dates, the coaches and their wives, and the majorettes and cheerleaders.

The CHS stage band will provide dinner music for the affair, and Dick Todd will serve as master of ceremonies.

## Wildcat to Be Drilled on Hitt & Statser Land

Dwight M. Ross Drilling Company, et al. Wichita Falls, have staked their No. 1 Hitt & Statser, a 6,600-foot project, slated 467 feet from north and 2,173 feet from east lines of section 430, H&T Co. survey, 934 feet south of the same operators' No. 1 S. B. Middlebrook, an indicated conglomerate discovery three miles west of Margaret.

Sand fracturing of the Middlebrook test took place Tuesday night, and outcome of that test will probably be made available Thursday.

## Heavy Snow Last Week Makes Total of .75 Inch of Moisture

The five-inch snow which fell early last week here brought a total of .75 of an inch moisture, according to the government gauge.

Fair and warm weather took over the latter part of the week and Saturday the mercury rose to 65 degrees and Sunday, the reading of 70 was the highest temperature recorded here since Dec. 7 when a high of 71 was reported. Monday was cloudy and a shower in Crowell before noon brought .07 inch rain. A cool front moved in Monday night and cleared the clouds away by Tuesday morning.

High and low temperature readings for the week follow:  
Thursday: high 40, low 25.  
Friday: high 50, low 26.  
Saturday: high 65, low 34.  
Sunday: high 70, low 40.  
Monday: high 68, low 50.  
Tuesday: high 70, low 54.  
Wednesday: high 64, low 43.

## Six New Vehicles

Six new vehicles were registered here during the past two weeks:  
Dec. 28, Oran Ford, 1960 Chevrolet truck; Dec. 29, Frank Wisdom, 1960 Chevrolet pickup; Dec. 30, Ware Davenport, 1960 Ford pickup; Dec. 31, Leon Speer, 1960 Ford 4-door; Jan. 7, C. D. Shamburver, 1960 Ford 4-door; Jan. 7, Furd Halsell & Son, 1960 Ford truck.

A large gathering of enthusiastic men which met last Thursday night at the fire hall gave promise of an effective re-organization of the Crowell Volunteer Fire Department, and possible relief from the big jump in fire insurance rates for Crowell businesses and homes promised by the State Fire Insurance Commission.

The commission has notified Crowell officials that if at least 17 firemen are not present at meetings twice each month, and if reports of such meetings are not filed with the commission in Austin, increase in the key rate will jump fire insurance premiums here to those of an unprotected town.

With the "get down to business" attitude of the eighteen men present Thursday, the cooperation of Crowell residents and the City government, it looks as if this increase can be avoided, and the Crowell Volunteer Fire Department can be an organization of which every able-bodied man in town would be proud to be a member.

## Basketball Team Wins 2, Loses 1, in Quanah Tourney

The Crowell High School boys basketball team won two games and lost one in the Quanah tournament last week. The Wildcats defeated Seymour 54 to 40 Thursday night and Memphis 80 to 30 on Friday night. They lost to the Quanah Indians by the narrow margin of 54 to 51 in the finals on Saturday night. This gives them a record of seven wins and four losses for the season. They have not lost a game in their own classification.

Gary Carpenter, center, and Fredrick Younce, forward, made the all-tournament team. Other boys playing for Crowell were Ivan Cates, Wesley Cummings, Bill Graves, Tom Crowell, Guy Todd, Bill Smith, Claude Sellers, Ronnie Bradford, Jim Mack Gaffard and Donnie Beesinger.

The Crowell girls lost their only game of the week to the Lockett team by the score of 54 to 45. This gives them a record of eight wins and two losses. Girls who represented Crowell were Mary Anne Myers, D'Lois Shultz, Lois Ann Painter, Helen Vessel, Margaret Faske, Ruth Ellen Short, Margie Rasberry and Dorothy Denton.

Both teams, boys and girls, will open their conference season with Paducah here on Friday night of next week.

## Hunting Seasons in Texas Ending; Quail Closes 16th

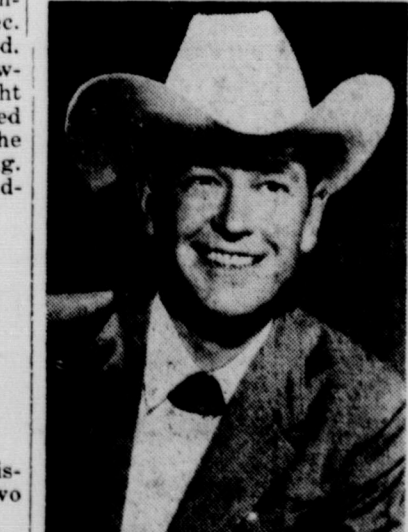

Austin—Goose season ended Friday, January 8, at sunset and the Texas quail season ends 30 minutes after sunset January 16. The closing of these two seasons end game hunting in Texas for the 1959-60 season.

## Joe B. Roberts Opens Architectural Office in Wichita Falls

Announcements were received here this week of the opening of an office in Wichita Falls by Joe B. Roberts, architect. Mr. Roberts was reared in Crowell and is well known here. He is a graduate of the University of Texas.

Mr. Roberts' office is located at 3113 Sherwood Lane, Wichita Falls.

## "MR. COWBOY"

Rex Allen, "Mr. Cowboy" of radio, movies, TV and recordings, and his horse KOKO will star in all 20 of the exciting rodeo performances at the Southwestern Exposition and Fat Stock Show in Fort Worth, January 29 thru February 7, 300 of America's top cowboys will compete in the rodeo events.

ment can be an organization of which every able-bodied man in town would be proud to be a member.

At the meeting last Thursday, fire truck assignments were made as follows:

City truck: Herman Kincheloe, driver; J. C. Kincheloe, assistant; hose crew, Leonard Toie, Martin Jones, Charles Branch, Cecil Davis and J. T. Hughton.

Jeep: Travis Vecera and Jim Maddux, drivers; hose crew, Joe Ray Settiff, Duane Boren and Frank Cooper.

GMC water truck: Joe Don Brown and Houston Adkins, drivers; and Norman Davis and Jack Wishon, crew.

Hose captain is Norman Davis, and Jack Spikes is lieutenant. Bill Thompson is pump instructor for the department.

Fund committee is composed of Norman Davis, Jake Woods, Martin Jones and Bill Thompson. Since the re-organization program started, over \$80.00 has been donated by Crowell residents to the purchase of equipment for the firemen. Plans call for each fireman to have a rain coat, overshoes, identification card and badge. Insurance has also been taken out to protect the fire fighters if injured in line of duty as a member of the department. All four of the fire department vehicles have been painted, and new hose is being purchased periodically to keep the supply of good hose in adequate quantities on the truck. A hose-cleaning rack has been built south of the city hall for use in washing the hose.

By-laws were adopted at the meeting. One of the interesting features of these is that if a member misses three consecutive practice sessions, and does not have a legitimate excuse, he is dropped from the roll, and is replaced.

Meeting dates are the second and fourth Thursdays of each month. Training sessions will begin January 14, with instruction being from the Fire Training Association manuals.

**Siren Signals**  
Fire Chief Pat Pittillo says that the siren signals are the same as in the past: 2 long blasts indicate a fire; 1 long, practice; and 3 short and 1 long, storm warning.

**Family Night**  
The firemen and their wives will be treated to a barbecued chicken supper at the fire hall on the evening of February 11 by the City. The city council voted some time ago to give the firemen a feed at least four times each year.

Attending the meeting Thursday night were: Chief Pittillo, Assistant Chief Dutch Hollenbaugh, secretary Clark Brown, Joe Don Brown, Charles Branch, Duane Boren, Cecil Davis, Norman Davis, J. T. Hughton, Herman Kincheloe, J. C. Kincheloe, Jim Maddux, Frank Cooper, Ray Shirley, Travis Vecera, Jack Spikes, Bill Thompson, Leonard Toie, Duane Cates and William Simmons, councilman.

## Postal Receipts Increase at Local Office During 1959

Postal receipts took a \$1,357.00 increase last year over the preceding year, according to figures released Monday by Postmaster Alva Spencer.

Receipts in the local post office during 1959 totaled \$20,366.00, and they were \$19,007.49 in 1958. This is a 6 per cent increase.

## Lions Club Meeting

The program for the Tuesday Lions Club meeting was a film, "Road to Happiness," which highlighted the activities at the Lions Crippled Children's Camp near Kerrville.

Several of the 24 Lions present listed plans to attend the mid-winter conference at Vernon Friday.

The program next week will be presented by Earl Hesse and the Crowell High School stage band. Jack Wishon was a visitor at the meeting.

## Down Town Bible Class

Twenty-seven men were present at the Sunday morning meeting of the Down Town Bible Class. Recie Womack brought the lesson, Buster Manning was in charge, Sam Mills led the singing and Mrs. Bill Klepper played piano accompaniment.

## Chapter to Meet Tonight

Crowell Chapter of Royal Arch Masons will hold a stated meeting at the lodge hall tonight at 7 o'clock. D. R. Magee, secretary, said Tuesday. All Royal Arch Masons are urged to be present.

## STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

Austin, Tex.—Most important date for the Texas voter this month is January 31.

After that it will be too late to get a poll tax receipt that will enable him to participate in this year's merry-go-round of political events.

Since 1960 is a presidential election year, lines will probably be long on the night of the 31st. Safest course is to do it now.

This year's poll tax receipts, for the first time, have a place for the owner's party affiliation to be stamped. But the voter doesn't have to decide this when he pays the tax. Decision is made when the holder casts his primary vote. A person who votes in the Democratic primary will have his receipt stamped "Democrat." That means he can't go to a Republican convention that evening.

Also, if he fails to go to the Democratic primary to vote and doesn't have his receipt stamped at all, he can't get into a Democratic precinct convention.

As far as the general election in November is concerned, the new party registration law apparently makes little difference. There would be no way for anyone to know whether the holder of a receipt stamped for one party voted that party's straight ticket in the general election.

**BLANKETS STATE**—First goal of the Johnson-for-President organization in Texas has been reached. Clubs have been organized in all 254 counties in the state, according to Director Larry Blackmon. Goal was reached just about a month after the state headquarters was set up in Austin. In addition, there are about six other clubs in Texas and several out of state. Supporters of Sen. Lyndon Johnson are expected to keep the state lively during the coming months.

**TRAFFIC TOLL CUT**—Tex-

ans were more careful than expected in their year-end travel.

Department of Public Safety predicted that 111 would be killed on the roads during the Christmas-New Year period. Tentative total is only 91. There may be more if some of those seriously injured do not recover.

**AUTO RATES BECOME ISSUE**—Pros and cons of the new merit rating system for auto insurance are expected to be at issue in the 1960 campaigns.

Some legislators have been highly critical of the plan to make drivers with accident and violation records pay more for insurance. Other lawmakers have defended it. Gov. Price Daniel says he favors correction of any inequities that may exist in the program. Industry is divided. A spokesman for the National Association of Independent Insurers has announced that his group will try to get the Insurance Board's plan replaced with a flexible rating law. Legislature has twice turned down flexible rating which allows companies to set their own rates. Other industry groups have endorsed the merit plan, some with statements that it may need adjustments, but should be given a fair trial.

**Could Happen in Farming**—"Dr. Robert B. Corbett, president of New Mexico State University, said in a speech recently that a few years ago young men were told not to take engineering because engineers were a dime a dozen. Today, he stated, men trained in engineering are the scarcest and most demanded in our economy."

"The same situation could conceivably develop in farming. Our population is increasing so rapidly that in 10 years, according to Dr. Corbett, unless the nation is careful, it may wake up and find itself incapable of providing food for that sharply expanding population."—Newberry, S. C., Observer.

A renegade rider in the Old West was one who was employed to visit distant ranches, gathering up any stock branded with his employer's brand and returning the stock home.

## About Your HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner of Health.

Healthful nutrition is a year round job. But as cooler weather comes to Texas, it becomes increasingly important to guard against falling victim of "winter susceptibility."

There really isn't any such term, but the fact of the matter is that bodily resistance may be lessened during fall and winter.

For this reason it is smart to observe, more than ever, the rules of good nutrition.

The well-fed family receives the basic foods in their daily diet. Food rich in protein should be served at every meal.

Meat, fish, poultry, eggs and milk (including milk products like cheese and ice cream) are the best sources of high quality protein. Other sources are cereals, peas, beans, and nuts.

A green or yellow vegetable should be served at least once a day. These contain essential vitamins and minerals. Because it cannot be stored in the body, vitamin C (from citrus fruits, tomatoes and other fresh or processed fruits and vegetables) is needed every day.

With the addition of these to round out meals according to tastes and appetites, the well-fed family is provided with all the nutrients needed for health and growth.

Breakfast is probably the most important meal of the day because you have gone without food for such a long period of time. One-third of our daily diet must be eaten at breakfast.

Breakfast is essential to chil-

dren. Fruit, meat, or eggs, and cereal or bread and butter and milk should be included in every breakfast.

Three good meals a day will go a long way toward keeping you fit through fall and winter and all year long. (A weekly feature of the Public Health Education Division, Texas State Department of Health.)

### In the News... 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Jan. 10, 1930:

The first general snow of this winter, estimated at from three to six inches, fell over Foard County and this section Wednesday night, the heaviest in several years.

Progress is reflected in annual reports of Foard County agents, Miss Virginia Freeman and Fred Rennels. A wide scope of activities is covered in work of the agents during 1929.

Miss Alene Thompson became the wife of Howard Williams of Thalia in a marriage ceremony in Altus, Okla., on Dec. 21.

Mrs. R. D. Pierce, 71, died at her home here Tuesday night at 11 o'clock, following a two-weeks serious illness.

Z. W. Smith, manager of Texas Natural Gas Co., reports that Crowell has fifty more gas meters now than it had at this time last year. There are 341 gas meters in Crowell at this time.

J. H. Harper and family have moved to a farm near Wellington in Collinsworth County. They had lived on the Jack Roberts farm since 1916.

C. B. Morris, commander of the Gordon J. Ford Post of the American Legion, announces an important meeting on Monday night.

The Gambleville school has been closed for about a week due to a few cases of diphtheria in that community.

Bob Belsler is working on a school building at Goodlett and expects to complete the brick work within a short time.

Mr. and Mrs. T. B. Richmond and Lynn Easley returned Tuesday from Carlsbad Caverns.

W. J. Long and son, Wilson, came in Wednesday from Post to look after business matters here.

Mrs. Florence Ragland, Mr. and Mrs. Will Riney and small daughter, and Mr. and Mrs. Beverly Ragland and two sons, who have been visiting Mr. and Mrs. C. W. Thompson, returned to Pilot Point Monday.

Fred Kinsey returned Monday from Pomona, Calif., where he had spent a year to the day.

Allen Cogdell, who is a clerk in the Dallas postoffice, came in Tuesday for a short visit and business trip.

W. O. McDaniel and Grover Cole returned Monday from Carlsbad, N. M.

### Tote Up the Bad News

"In the wake of the... death of President Eisenhower's tax-saving proposal for a government-private industry partnership in the development of Trinity River Project power, taxpayers may as well tote up all the bad news."

"Multiple millions of dollars were lost by local, state and federal governments because of Congressional insistence that Trinity be added to the growing domain of public power. Those millions must be added to the total bill that public power already has presented to the American taxpayer—5 billion, 500 million hard earned dollars."—Pasadena, Calif., Tribune.

### Get Out of the Market

"Several leading stock brokerage firms have inserted large advertisements in the leading newspapers of the country warning those who might succumb to speculative fever to get out of the market if they are in it on a shoe-string, and gambling merely for quick profits."

"This type of advertising is in the best interests of the stock brokerage industry, and may do a lot to achieve stability and avoid disaster on the New York stock market."—Salamanca, N. Y., Inquirer.

In 1843 the Navy's first prefabricated vessel, the USS Michigan, was launched at Erie, Pa. The ship was constructed at Pittsburgh and transported to Erie for assembly.

### Face of Russia Softens with Visit of Mikoyan

"In early 1959 the face (of Russia) softened, assumed a faint smile in the person of Anastas Mikoyan, who has been traversing this land handing candy to babies and speaking platitudes. Outwardly, the appearance is very warm and very human, sometimes winning. There are those who take heart from it and wonder if world peace is not possible after all."

"But a moment's logic warns us that the various faces of Russia are reflections of a single mind." — Oberlin, Kansas, Herald.

### Bonds Needed Rate Raise

Senator Byrd, a top fiscal expert, strongly supported President Eisenhower's request for legislation to remove the 4 1/4 per cent interest rate ceiling on long-term government bonds. The Senator pointed out that not a single Treasury bond is selling at par, and some have been selling as low as \$1. And only two Treasury notes have held par.

Senator Moffett Seeks Re-Election

Senator George Moffett of Chillicothe has authorized the News to announce his candidacy for re-election in this district, which is composed of Archer, Baylor, Little, Fannin, Harrison, King, Knox, Troup, Wilcox, Wilkes, and Young counties. In announcing his candidacy, Senator Moffett said:

"I want to thank the people of the 12th Senatorial District for the confidence they have shown in me. I have sincerely tried to justify that confidence by advancing sound governmental programs in this state. If re-elected, I expect to continue to do so. "The state's rapidly growing population demands a combination of social and necessary state services without unnecessary taxation. The best legislators must give thoughtful consideration to the expanding needs of our educational system, including both public schools and colleges. Texas certainly should be further than any other state in its support of public schools. Our attention must also be given to the growing needs of our state hospital system, which now totals over 11,000 inmates. The needs of our older citizens, state highways, health, and public safety agencies must likewise be properly recognized. Apparently, the State Institutions Commission, which is charged with the duty of establishing proper institutions, has made some mistakes, which deserve early correction."

There is a vegetable in our almost every meal need. In countless ways, vegetables — fresh, canned, frozen or dried — contribute to the health and vitality of the body. At the time of the year when fresh vegetables aren't plentiful in the market, our menus sometimes lack for vegetables.

Here is a recipe that will add interest, nutrients and taste to your menu.

Seasoned Potatoes 2 eggs beaten, 1 cup milk, 1 cup butter or margarine, melted, 1/2 cup salt, pepper, optional. Combine all ingredients, assembling about 1/2 cup of the crumbs for one. Place in well greased quart casserole. Cover with reserved crumbs. Bake in a moderate oven (350 degrees) 20 minutes or until crumbs are browned and a knife inserted near the center comes out clean. Serve promptly from casserole.

Junior Leaders' 4E Club

The Junior Leaders' 4E Club met January 7 at the Lower Town Bible Class room with Cecelia Deane, vice president, in charge. They discussed the plans for their square dance, and different committees reported what they had done in preparation toward the party.

They divided into different groups. Martha Fish and Joyce Latham gave a demonstration in a delicious salad, which the girls enjoyed very much. The next meeting will be Thursday, Jan. 13.

Senator Moffett, a member of a pro-life Southwest Texas family, in the first name of the 12th Senatorial District to represent it in the State Senate. He is well experienced in legislative matters, having served in both houses of the Texas Legislature. At the last regular session, he introduced the bill which makes Midwestern University at Wichita Falls a state university.

Senator Moffett has long supported scientific research for new and expanded uses of cotton and other farm products as the best solution to the farm surplus problem. He was recently selected by the Texas Farm Bureau as the "Man of the Year" for outstanding service to agriculture. The 1957 International Naval Review at Hampton Roads, Va., was the first held in U. S. waters in fifty years.

THIS WEEK

-In Washington with Clinton Davidson

The rapid shift of industry and population to urban centers has created problems which Congress will be asked to consider when it returns next January.

One of the bills introduced just before Congress adjourned dealt indirectly with this by proposing the creation of a Hoover-type Presidential Commission to consider the effect of this on small towns. Its purpose is to find ways to strengthen and increase opportunities in small towns, to solve with programs created by heavy urban industrialization and to assist small towns to grow and prosper as a vital part of our American private enterprise system.

Sen. Earl Warren, author of the bill to create an 18-man national commission on small town problems, emphasizes that "small towns are here to stay and they are here to grow" as an important part of our nation.

Small Town Advantages "Only in America," Sen. Warren said, "is there an institution such as our typical small town where one finds in a compact area many of the advantages and few of the disadvantages of life in any city in the world."

"Our American small towns bring together the advantages of residing in a community with people who estimate the character of a man by what he is rather than what he has," Sen. Warren said. The bill would direct the President to appoint an 18-man commission to include 12 members of Congress, six outstanding private citizens, and two from among mayors of small towns. The study would include towns of less than 10,000 population.

"Approval of this measure," the Senator said, "would result in the first nation-wide, town-by-town study of what makes our small towns tick and would provide us with the information needed to insure the growth and stability of our communities."

More Research Needed

Big cities with a concentration of industry and wealth spend hundreds of millions of dollars of research to promote growth and attract new industries. Many small towns lack the resources to make comparable studies. A commission can analyze the small towns, and it can come up with recommendations which will enable them to compare their advantages and opportunities in the directions of best implementing what they can do to create new enterprises, attract more people and capital, and move forward into the era of happier living and more progressive economic activity," the Senator said.

The commission would, among other things, "examine the possibilities" of recommending policies to the Federal Government whereby it could assist small towns economically through a wider dispersal of government procurement operations and in the location of

INSURANCE OF ALL KINDS YOUR Independent AGENT Hughston Insurance Agency

Federal facilities. Equally important is the fact that small towns of America have contributed greatly toward preservation of the home influences of the youth of the nation, and as a bulwark against the excesses and extremes which have weakened and ultimately destroyed many nations in the past.

Our Weekly Sermon

Most of the things people worry about do not happen. A man who constantly feared he would some day have a stroke collapsed on the floor when a sudden pain hit him. After a brief examination in hospital and to him, "Get up your feet, there's nothing the matter with you!" Shamedly, the man rose to his feet, realizing he was the victim of his own fears. Most of us also can remember things we have worried about that did not happen. Bad weather did not come when we had that vacation. When that loved one was ill, we feared the worst. But he did not die, he is still alive today. And the financial reverses we feared never happened. We are still eating and doing well at this very moment. And yet so many Christians con-

FREEDOM! WHAT FREEDOM January 14, 1960. Today is my birthday to me it is just another day, but it means more to our nation and to the young people at the age of ten years or less, than it ever will for me. Few people of that age will ever reach the age of 70 years, and even those that do will be in slavery beyond reason. In my 70 years, I have seen freedom of man perilled without cause; I have seen the church turned into a putrid stumple, and seen the Holy Bonds of Matrimony dissolved beyond repair. I have seen illegitimacy become glorified by the law, and bounties paid for same. Yes, I have seen all these things come to pass in our time; yet I am no Aristotle or Plato and have no preference to my name. In 1800, America was the idol of the world. A Government has been formed that would give free religious liberty to all its citizens, regardless of races. The hopes of every nation was to do business with, or live in America. A new world, where God was near every day in the year. A land of plenty; where the buffalo and the wild-goose roamed the plains and Rocky-mountains, and the wild turkey was found in the everglades and forested region. Every man could raise the cattle of his choice, and plant anything he cared to raise. Money was worth its equivalent in gold or silver, and a promissory note was as good as its institutor, and social welfare was in dignity of every God fearing man or woman. Where taxes were derived from the fertility of the soil instead of coercion of the citizenry. Where citizenship and a home was worth more than just money and fine clothes. Initiative to personally create or invent something new for mankind, was in the heart of every man or woman in those days. It was indeed a free world. Free range, free speech, free press, free religion, free schooling, free hunting and fishing, free buying and selling, free dinners to those in dire need in the cities, while the country side had plenty for those who would make an effort to prepare same. Don't you think it is time we Americans stopped giving away our freedom? William E. Wells (Paid Advertisement)

**News From the Congress**

by Frank Ikard, 13th Dis.

President Eisenhower this week delivered to the opening session of Congress the traditional State of the Union message which he presented at a joint session in the chamber of the House of Representatives before a capacity crowd of visitors and Congressmen. In his address, he touched a wide range of topics both domestic and international. In his fifty minute speech, these, briefly, were the high points:

He urged the passage of new farm legislation which would "gear production more close to markets, make costly surpluses manageable, and provide greater freedom in farm operations and steadily increase net farm incomes;" however, he made no specific proposals to accomplish his purpose.

The President said he would present Congress a balanced budget for 1961. He did not specify exactly how much the budget would be. His budget will be presented in his special budget message which will come later. No doubt his budget will set a new peace-time record. He indicated that he would recommend that moneys for space development be doubled and that defense expenditures continue at a high level. He also indicated that his requests will be equal to last year's budget or greater in every major category.

He also warned of continued inflation and commented that continually rising prices threatened to dry up foreign markets for United States goods as well as do irreparable harm to the domestic economy.

With reference to relations between this country and Russia, the President said there is evidence of an easing of the cold war but added that Russia's peace overtures must be tested by performance. He would encourage a broadening of communications between the United States and Russia and indicated negotiations on the ban of nuclear testing and disarmament may provide avenues through which tension can be eased.

In pointing out that in fourteen recent test launchings Atlas intercontinental ballistic missiles have landed an average of two miles from their target, the President stressed our enormous defense power.

This State of the Union address was in very broad, general terms. It will be interesting to see what the President's specific recommendations in all areas that he touched upon will be.

**Gun Safety Instruction**

An article in Today's Health says that organized gun safety instruction, on an extra-curricular basis, is now given in 10 states and dozens of individual school districts. Classes consist mainly of eight hours of classroom lecturing along with four hours of practice on a target range. Main points stressed: Treat every gun as if it were a loaded gun; keep the muzzle pointed in a safe direction; always keep the action open except when ready to fire; be sure of your backstop; be sure of your target; never mix alcohol and gunpowder; never hunt with persons in front or back of you; know your gun and ammunition.

#### Help Wanted!

Many of the CHS students hold after-school and week-end jobs. For some boys, this can mean as much as school supplies, clothes, food, car, and entertainment. For others, it is only "date bait." The girls work for everything from clothes to "mad money."

What we're asking is this: Should school students be forced to work in addition to doing school work? Or in reverse, should they be allowed to work if they want? Why, or why not?

Probably every student in our high school has faced the problem of whether or not he should work after school. Of course, there are advantages to be gained from an after school job. The student may learn to be more responsible, and he can gain business experience, as well as a certain amount of independence by earning his own money. However, there are also disadvantages to working after school. It may prevent his joining in school sports, restrict the number of dates he can have, and otherwise influence his social life. Therefore, it is up to the individual student to seriously consider both sides of the problem and then to make up his own mind.

School students shouldn't be forced to work; if they are made to do what they don't want to, they don't do a very good job. They don't enjoy it, either. If a student wants to work, then he can do a good job. It is a way of passing time and earning money for things he wants and needs.

### Senior of the Week

This week's featured senior, Gordon Fish, is a member of the CHS Band.

Gordon has a long list of favorites. Among them are the color blue, the food fried chicken, the song "Rising Bear," the actor Rock Hudson, and Dore Day, and the subject, band. His hardest subject is English IV. (This is almost unanimous.)

His parents are the most important people in the world because of all they have done for him.

Gordon's pet peeve is a person who doesn't wake him soon enough to get somewhere on time. Results? Late to school.

During his spare moments, Gordon can usually be found working with his short wave equipment or playing 42 with his buddies. He also enjoys hunting.

Gordon is 5'11" tall, and has black hair and blue green eyes.

After he graduates, he plans to attend ACC where he hopes to major in drafting. Gordon, all of us at CHS would like to wish you much success in all that you do in the future.

### Football Jackets and Sweaters Awarded

The CHS Wildcat football boys were partially rewarded for their outstanding achievement this year when they received the annual award jackets and sweaters last week. Twenty-three boys, including the two managers, received jackets, and seven boys received sweaters. Every boy received a patch in the shape of the state of Texas, with the words, "Semifinalists, 1954" printed on it.

Our head coach, Thayne Amos, also received an outstanding award. He was selected fourth in the "Coach of the Year" awards made by the Texas sports writers. The Fort Worth, Corpus Christi and Amarillo coaches took the top three places. The boys and coaches were guests of the Crowell Lions Club last week as a further honor. We're proud of our team and coaches. Congratulations to all of you!

### Martha Fish Contest Winner

Martha Fish has recently been named one of the top ten winners in the Youth Power Food Comes First Contest sponsored by the Farm Bureau organization. Martha, accompanied by Foard County Farm Bureau president, Glen Jones, and Mrs. Jones, spent January 8-9 in Austin to partake in the activities in honor of the winners. Registration and a get-acquainted party were on Friday.

At 7 a. m. Saturday, they were guests in the grand ballroom of the Stephen F. Austin Hotel. Each of the winners was interviewed after the breakfast by Warren Newberry, American field representative of the Texas Farm Bureau, of Vernon. He selected a boy from Lampasas and a girl from Moody as the two to represent the group on an expense paid trip to Youth Power Congress in Chicago. Congratulations, Martha!

### Band News and Views

The CHS Band is selecting music to play for Variety in Review. The members have been placed to play respective music according to their ability. The stage band called a rehearsal last Thursday, Monday and Tuesday nights. They are practicing for the football banquet to be held on Friday night. Well, because of a slack in events, news is scarce. See you next week.

### Water-Color Pastels

Last week I wrote about the color white and how it takes its place in the 1960 fashion scene. Well, spring pastels are right along beside it.

These "water color pastels" range from coral to mauve. The hottest of the new colors is chamomile—it looks yellow to me!

Dashing accessories can be worn with clothes of these colors. A large pin worn at the collar or waist adds force to the outfit. Shoes in pale neutral colors give more power to pale shades. The best hat shapes: beret, fez or sailor.

Don't use timid jewelry. Save last year's black pumps for something else. (Next year, maybe?) This goes for any black accessories except patent shoes or handbags.

Note: Plaid suits are being worn with striped shirts of the same pastels. Neutral shades, such as grey, can take a bright stripe. However, too much color contrast ruins the game.

### FHA Meets

The Crowell FHA chapter held its December meeting in the high school auditorium Monday night, Dec. 21. Carol Bell and Carole Fisch were leaders for the evening. Charlotte Sledge led the group in singing Christmas carols. Carolyn Aydelett brought the Christmas Story. The leaders had

prepared a beautiful Christmas tree from which gifts were distributed to each one present. The chapter presented Mrs. Kenner, the sponsor, with a beautiful pearl and rhinestone pin.

The hostesses, Dorothy Denton, Cecelia Drabek, Wilma Denton, and Carolyn Eubanks, served Christmas punch and cookies from an attractively decorated table.

### Attention Librarians!

The monthly meeting of the Library Club will be held Tuesday, Jan. 11, at 2:30 p. m. We hope all the librarians will attend and will be prepared to tell their new year's resolutions.

### News and Nonsense

Well, here we are again. Dates seem to have slacked off this week. Guess these 6 weeks tests have slowed them down! Disregarding all—Together Thursday night were Lynda - Taylor, Sue - Bobby. After the game at Quanah, Jo-Wes.

Together at the game Saturday night were Carria-Ronnie, Carol-Jim, Sue-Bobby, Mary Ellen-Don T., Alta Nell-Gerald H., Jo Carol.

New steady—Carria - Ronnie—will it last? Hope so! Broken steady—Lynda and Taylor. What happened, kids?

At the Plaza Sunday afternoon were Gaye-Jimmy Mack, Carria-Ronnie.

Together Friday and Sunday were Janey and Charles. It seems she was stranded in Vernon Saturday—with Pod! Cousins, though.

Question of the week—Are you going to get to go to the football banquet?

Everyone watch for some surprising couples the next few weeks. The scandal believes there are going to be some!

Q town seems to be causing Jo and Wes some troubles.

Happy gals Saturday night — Tootie and DeLois—Lucky and David called them!

At the Plaza Saturday night were Lynda-Taylor. Don't know who else—

Well, not much news this week. Remember the scandal locker!—News and nonsense—saying so long until next week!

### Menu

Monday: Light rolls, smothered beef cubes, English peas with carrots, whole kernel corn, celery strips, banana pudding.

Tuesday: Corn meal muffins, pinto beans, frito frank, creamed potatoes, buttered cabbage, cherry cobbler.

Wednesday: Barbecue on a bun, lettuce, tomatoes, pickles, onions, cheese wedges with crackers, potato chips, orange cake.

Thursday: Light rolls, meat balls with sauce, spaghetti, whole green beans, cabbage, carrot and celery salad, peanut butter and crackers, jello with marshmallows, coconut and cookies.

Friday: Light bread, salmon loaf, macaroni and tomatoes, butter beans, fresh tomatoes and cucumber slices, fresh fruit slices.

### J. L. (Bill) Bell Announces for Prec. One Commissioner

J. L. (Bill) Bell announces this week that he will be a candidate for Commissioner in Precinct No. One, subject to the action of the Democratic Primary. In announcing his candidacy, Mr. Bell states:

"Since I have served as Commissioner of this precinct in the past, I feel that the people of the precinct and the county know me and know my qualifications for the office, and any elaboration thereupon would be of little avail. I make but one promise in announcing for this office and that is, that if the people of the precinct see fit to elect me as commissioner, I shall do my very best to discharge the duties of the office, both to the precinct and to the county at large, in a fair and impartial manner and to use the knowledge that I have gained from experience in the office in the past to make a better commissioner and county officer. I shall appreciate your vote and influence."

### Poll on Khrushchev Visit

Following the Khrushchev visit Dr. George Gallup conducted a poll to find out whether the public thought the event good or bad. Results: 52 per cent said good; 19 per cent said bad; 29 per cent were neutral or had no opinion.

**Taking Page from Airlines**

"The hard pressed railroads are taking a page from the airlines industry and are intent on putting into effect a plan for strike insurance that would cover a road fully for its fixed charges if idled by a walkout.

"The railroad plan differs in manner but not in design from the plan put into effect last year by major airlines. Under the terms of the plan, each unstruck carrier pays to the struck line the additional net income it receives from diversion of the struck line's traffic."—Bellingham, Wn., Herald.

**Methodist W. S. C. S. Columbian Club Has Twentieth Anniversary Tea**

At a lovely tea given in the basement of the Methodist Church on Monday, January 11, the twentieth anniversary of the Woman's Society of Christian Service was celebrated. It was the time when the Missionary Society was made into the W. S. C. S. The guest register was presided over by Mrs. Grover Cole.

Mrs. Paul Shirley played soft music as the opening number. Mrs. Baylor Weathered announced the program and Mrs. D. R. Magee directed the singing of "When the Roll is Called Up Yonder," and "Blessed Assurance." Mrs. T. B. Klepper led in prayer.

Mrs. S. S. Bell, to open "Reminiscing Since 1940," asked Mrs. A. S. Hart to read a history of the Woman's Society written in 1928 by her mother, the late Mrs. J. M. Allee, a pioneer member of the group. In it, she related the ups and downs of the original number and their accomplishments.

Foreign work was taken up by Mrs. Bell, who reminisces of the work of the organization from 1940 until the present time. Mrs. Allee was given the first life membership in Crowell. The organization assumed the responsibility for buying seats for the present church when it was built, that being only one of the obligations assumed by the society since its organization.

Mrs. J. A. Bell, W. S. C. S. president, gave an inspiring devotional and directed a candle-lighting ceremony, lighting a white candle for prayer, a blue candle for loyalty and a yellow candle for money, all of which are outstanding phases of the work of the society. An offering was taken.

Each pioneer member received a pink carnation corsage, a gift from the Home Builders Circle.

A social hour was enjoyed when punch and cookies were served from a lovely tea table. Pictures were made of the group and the closing number was "God Be with You till We Meet Again."

**Mrs. Harris and Jay Christian Marry Here**

The marriage of Mrs. Dorothy Harris to Jay Christian was solemnized at the Free Will Baptist Church of Crowell at 4 o'clock on Saturday afternoon, Dec. 26. Rev. Bob Gill, pastor, officiated at the single ring ceremony.

Mrs. Paul Shirley played for the wedding. The bride was attired in a dark beige dress with brown accessories. Her flower was an orchid corsage.

Mr. and Mrs. Buster Manning of Crowell were the couple's attendants. Mrs. Manning was attired in a black and white two-piece dress with white and black accessories, and she wore a corsage of white roses.

Mrs. Christian is the daughter of Mr. and Mrs. W. A. Love of Crowell. Mr. Christian is the son of Mrs. Jim Christian of Crowell and the late Mr. Christian.

Only the relatives and a few close friends were present for the ceremony.

**Margaret H. D. Club**

Roll call was answered with "Why do you pay your poll tax," when the Margaret Home Demonstration Club met Jan. 8 in the home of Mrs. Joe Bledsoe. For the opening exercise, Mrs. Bledsoe read "Have you forgotten" and "A Club."

The president, Mrs. C. F. Bradford, was in charge of the business meeting at which time club committees were appointed and the yearbooks filled out. She announced the THDA meeting at Benjamin, Jan. 29 and a meeting for hat making to be held in Vernon Jan. 14.

Refreshments were served to 7 members.

The News is authorized this week to announce the candidacy of J. C. (Jake) Wisdom of Thalia for the office of sheriff, tax assessor and collector, of Foard County, subject to action of the Democratic primary.

Mr. Wisdom is 41 years old and has lived in the county all of his life. He is married and has four children.

In making his announcement, Mr. Wisdom released the following statement:

"I have had experience in law enforcement and feel that I can handle the duties of this important office satisfactorily if the voters of the county see fit to elect me. I expect to make a thorough campaign and hope to see every voter in the county. I will greatly appreciate your vote and influence."

**Famous Concert Group to Appear in Vernon on January 19th**

The Theatre Men, famed concert group organized from the vast resources of the Lyric Opera of Chicago, are coming to Vernon for a concert in the Wilbarger Auditorium on Jan. 19 at 8:15 p. m. With Margaret Lukaszewski soprano of the Opera, and Dan Burk, concert pianist, they have a company of 10 people.

This vocal ensemble is one of the most carefully selected at most expensively trained of touring concert groups today. It said that the musical staff of the Lyric Opera heard 1,200 auditions to choose 84 new professional ensemble singers. Then Bernard L. Zo, baritone, with one of the Opera's conductors, chose these people.

In March each season they begin regular three-weekly paid rehearsals, preparing for the following October's opening of the opera. In June this schedule is increased to five long, paid rehearsals each week, and under the Opera's own musical conductors.

The theatre men specialize in a new style of concert program featuring "theatre music," ranging from rousing old-fashioned opera choruses, to current Broadway shows. Several art-songs and ballads are included for variety.

Bernard Lizzo, the director, now in his fourth season as a regular baritone solo artist with the Lyric Opera, and Miss Lukaszewski frequently sing smaller solo parts. David Burk, their pianist, recently appeared in Orchestra Hall as soloist with the Chicago Symphony Orchestra.

Their appearance in Vernon is sponsored by the Wilbarger County Community Concert Association. The concert will be the second in a series of four concerts scheduled for the season.

**11 Million Russians Saved**

"American aid saved 11 million Russian lives—and this is a conservative estimate—during the famine of 1921-22. Most of the \$62 million cost was covered by the U. S. government or private American donations.

"It must therefore have come as an outrageous shock to Secretary of State Herter to be told recently by Soviet Deputy Premier Koslov that the American Relief Administration under Herbert Hoover had made Russia pay in gold for this humanitarian help. This was a lie, but it seems to have been what the ignorant Koslov had been told."—El Dorado, Kan., Times.

**Closer to Good Business**

"Almost everyone used to regard employing the handicapped as a kind of charity. The man who gave jobs to workers suffering from some sort of physical disadvantage was generally looked upon as a good-hearted fellow willing to assist others at some cost to himself.

"The heart has its reasons. So has the brain. And the brain, judging on the basis of experience, now informs us that employing the handicapped is a lot closer to good business than it is to charity."—Frononia, N. Y., Censor.

**Rise in Stock Ownership**

Keith Funston, president of the New York Stock Exchange, says that continuation of U. S. economic progress along with the rise in share ownership could lift the Exchange's daily average trading volume to some 4,500,000 shares by the mid-1960's. The post-war average has been around 1,700,000 shares. He adds that he is not making predictions, but that the figures cited represent possibilities to be considered as the idea of a "People's Capitalism" becomes more widespread.
