TEXAS PUBLIC SCHOOLS WEEK has been proclaimed by Governor Price Daniel for March 2-7. Receiving the proclamation for the ninth annual statewide observance is John McKee of Dallas (right) who has served as state chairman of the Texas Citizens' Committee for Public Schools Week since the week was inaugurated in 1950. Parents and other citizens are urged to visit their local schools during the week.

Crowell Schools List Activities Slated for Observance of Public School Week

March 1 through March 6 has been proclaimed as Public School Week throughout Texas by Gov. Price Daniel. The local school officials have made the following schedule of events in observance of this week.

The churches of the community are being asked to emphasize church participation on Sunday, March 1. The various departments in Crowell High School, including homemaking, vocational agriculture, science, band, library, and other departments extend a cordial invitation for visitation on Monday, March 2.

All pre-school children who begin school next year, along with their families, are invited to the school at 1:30 o'clock on Tuesday, March 3. They will be shown a short film in the high school auditorium, be given instructions for next year's registration, be served refreshments in the school cafeteria, and visit the first grade rooms. The officers of the various civic clubs of Crowell are invited to lunch with the school children in the school cafeteria on Wednesday, March 4. (Those who plan on accepting this invitation should notify one of the school principals.)

Open house will be held in all classrooms of the elementary

Increase Noted in Soil Conservation Work During 1958

Astonishing figures reflecting a continuing increase in soil and water conservation work are listed in the annual report recently released by the board of supervisors of the Lower Peace River Soil Conservation District.

Of the 1,824 farms and ranches in Foard and Hardeman Counties, which make up the district, there are 1,611 with District agreements. During the past year, 15 new co-operators were added and 43 Great Plains Conservation Program contracts were completed. The district embraces 871,040 acres of which 823,989 acres are agricultural land.

The district also won honors in six awards programs on a state and national level. These awards were outstanding district, outstanding supervisor, use of outside help, picture award, and outstanding newsletter.

Highlights for the district during the past year were: sponsoring a successful Soil Stewardship Week in which 10 pastors delivered soil stewardship sermons; holding grass and land judging contests for FFA and 4-H teams of the district; staging a deep-root plowing demonstration; and sponsoring a farm and ranch tour which attracted more than 100 people.

Following are the amounts of conservation practices applied in the district during 1958:

Cropland: Conservation crop rotation, 13,766 acres; contour farming, 9,771 acres; cover cropping, 3,651 acres; crop-residue utilization, 2,023 acres; rotation hay and pasture, 7,248 acres; strip cropping, 175 acres; stubble mulching, 4,812 acres; and soil improving crops, 7,655 acres.

Grassland: Brush control, 5,922 acres; deferred grazing, 13,443 acres; fertilizing, 385 acres; pasture planting, 267 acres; pitting, 23 acres; proper use, 32,384 acres; and range seeding, 3,910 acres.

Woodland: Windbreak planting (farmstead), 2 acres, and windbreak planting (field), 2 miles.

Wildlife: Fish pond improvement, 13; planned pollution, 85 acres; and wildlife area improvement, 99 acres.

Structural practices: Diversion construction, 6.1 miles; drainage, 4 acres; improved water application, 430 acres; land leveling, 18 acres; pond construction 56 each; stabilizing meadows, 5 each; terracing, 31 miles; waterway development, 63 acres; and water development, 18 each.

Members of the board of supervisors are Grady Halbert of Foard County, W. C. Howard of Quanah, H. L. Ayers of Riverside, and O. T. Holmes of Medicine Mound.

Junior Leaders 4-H Club Attends Party in Paducah Feb. 10

Feb. 10, the Crowell Junior Leaders attended a 4-H party given at Paducah by their junior leaders club.

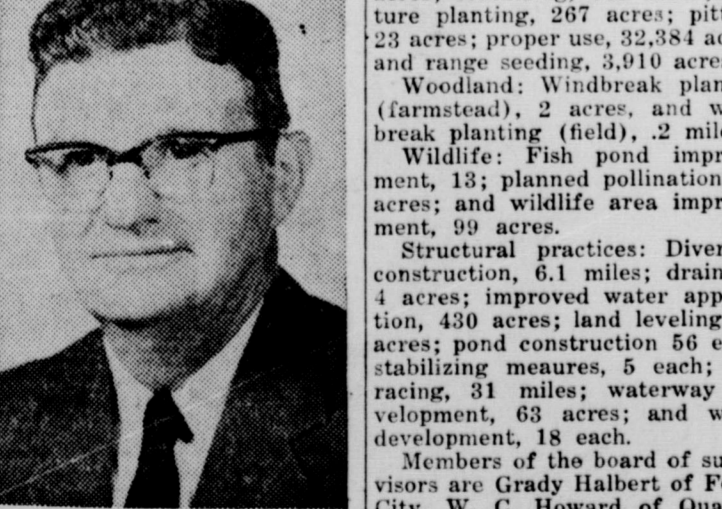

Get-acquainted games were played. Everyone also enjoyed the folk dancing and square dancing afterwards. Delicious refreshments of cakes, sandwiches and cookies were served by the Paducah club.

Those attending from Crowell were Janice Morris, Virginia Kinney, Gena Adcock, Cecelia Drabach, Martha Fish, Joe Wheeler, E. H. McCoy, Larry Hord, Carol Bell, Arlos Moore, Wanda Moore and adult leaders: Mr. and Mrs. Joe Burkett, Mr. and Mrs. Grover Moore and Mrs. Ray Brown.

Down Town Bible Class

Miss Janice Bowers sang two songs in the opening exercises of the Down Town Bible Class Sunday morning. She was accompanied by Mrs. W. W. Lemons.

Dick Todd was in charge of the meeting; Marcus Mills led the group singing; and Recie Womack taught the lesson to 29 men present.

John Royal of Menard, Texas, was named 1958's top soil conservationist in Texas during the Soil Conservation District Supervisors Convention in Abilene. He received the Texas Bank and Trust Company's Eighth Annual Award of \$100 for soil conservation.

Funeral Services for John W. Wright Held Thursday

Mail Carrier Died in Foard County Hospital Feb. 10th

Funeral services for John W. Wright, 50, prominent Thalia resident for many years and mail carrier on Route 1 out of Crowell Post Office, were held in the Thalia Baptist Church at 2:30 p. m. last Thursday, Feb. 12. The pastor, Rev. W. E. Fitzgerald, officiated, assisted by Harold Hunt, minister of Thalia Church of Christ, and Rev. C. T. Aly, pastor of the First Baptist Church in Crowell.

A special musical number for the services was a solo, "Crossing the Bar," sung by Jimmy Johnson, with Mrs. Walter Ramsey as accompanist.

Interment was in Wilbarger Memorial Park under the direction of Henderson Funeral Home of Vernon.

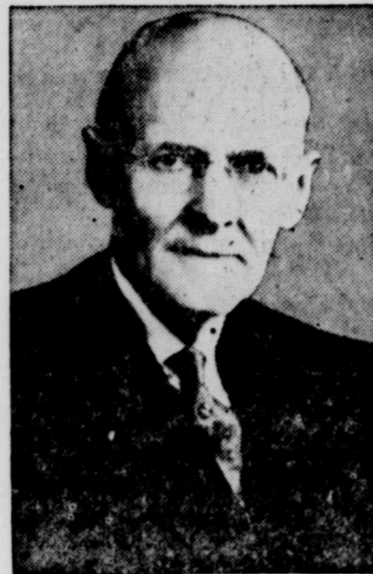

Pall bearers were Loyd Fox, Homer Martin, Jim Moore, J. M. Jackson, Cecil Carpenter and Bill Cates.

Mr. Wright was born Dec. 15, 1908, in Lazare, Texas. He moved to Foard County from Lufkin in 1935. The first two years of his residence at Thalia, he taught mathematics and science in Thalia school. Then he was appointed postmaster and had been in the postal service since that time.

On May 15, 1936, he was married to Miss Merle Banister in Vernon. She is the daughter of Mrs. H. W. Banister of Thalia and the late Mr. Banister.

Mr. Wright finished high school at Brownsville Junior College as valedictorian and received a B. S. degree at the University of Texas in 1934. He was treasurer of the Thalia Baptist Church, president of the Brotherhood, and taught the Men's Bible Class. He was secretary of the Thalia Masonic Lodge, past chairman of Foard County unit of National Foundation for Infantile Paralysis, past vice president of National League of Postmasters, Texas Branch, and a member of the board of directors for the Santa Rosa Telephone Company. He was a worthy and highly esteemed citizen of this area.

Survivors are his wife; a son, John W. Wright Jr., and two daughters, Miss Janie Wright and Miss Teresa Wright, all of Thalia; four brothers, Royce, Thomas, B. and Ernest, all of Napa, Calif.; and J. C. Wright of New Orleans; and four sisters, Mrs. M. T. Gibson and Mrs. Fred Cates, both of Lufkin, Mrs. C. C. Ford of Goodlett, and Miss Lizzie Wright of Napa.

World-Wide Service Club Celebrates 54th Birthday

Rotarians of Crowell this week joined with nearly half a million fellow-Rotarians on six continents as they commemorated the 54th anniversary of the founding of Rotary.

The first Rotary club was organized in Chicago, on Feb. 23, 1905, by Paul P. Harris, a young lawyer, who suggested the idea to a group of his friends. The name "Rotary" was selected because the first meetings of the club were held in rotation in the offices of its members.

For more than half a century, Rotary has grown in numbers and strength. In 1958, for example, nearly 400 new Rotary Clubs were organized in 51 countries. Today, Rotary is a world-wide service organization of more than 470,000 business and professional executives who are members of 10,040 Rotary clubs in 111 countries on six continents.

Referring to one of the projects in which the majority of Rotary clubs around the world are participating, Jack Seale, president of the local club, said that the Rotary Foundation Fellowships program was inaugurated as a memorial to the founder of Rotary, Paul P. Harris. "These Rotary Fellowships enable outstanding graduate students to live and study for one year in a country other than their own, as ambassadors of good will, on grants averaging \$2,600," he said.

More than 1,200 Rotary Fellowships have been awarded to students from 67 countries in the past 12 years for study in 43 countries, and Rotary International grants in this field of international understanding have amounted to more than \$3,000,000.

The music's outlandish — the lyrics don't fit—it's crazy and tuneless—but boy, what a hit!

LITTLE LEAGUE MEETING SET FOR MONDAY NIGHT

On Monday evening, Feb. 23, at 7:30 p. m. the high school auditorium, there will be a meeting of the citizens of this area who are interested in a Little League baseball program for boys. The local Lions Club is sponsoring the construction and operation of the playing field.

The Little League baseball program will be chartered to and operated by a citizens committee of elected officers. These officers will be elected each year at a community-wide meeting and these officers, along with the team managers and a director elected by each group sponsoring a team, will make up the Little League baseball board of directors.

The following officers will be elected from the floor on Monday evening: league president and vice president, who will plan and direct the league schedule of play; treasurer, who will direct the league's financial program; secretary, who will keep league records and make reports and file papers; player selection director, who will direct the selection of boys by the point system; chief umpire, who will train and direct the team umpires in their officiating; and chief scorer, who will train and direct the score keeper of each team.

The teams of 15 boys each will be sponsored by business firms, service clubs, groups of individuals, or any organization that desires to invest some money in a baseball program for boys. Each group that sponsors a team will select the manager for its team, two team umpires, a score keeper, and a director to represent their organization on the board of directors.

Rev. Carl Hudson stressed the fact that "if we are to have a Little League baseball program in our community this summer, these officers must be elected now and they must begin functioning because time is growing short to prepare for and to plan a summer baseball program. The failure of enough interested citizens in this program to show up on Monday evening, Feb. 23, could mean that a baseball program for our boys would have to be postponed until the summer of 1960, therefore it is urgent that every man and woman who is interested in Little League baseball in our community mark this date and meeting as a 'must'."

Most people pay too much for the things they get for nothing.

County Federation to Meet Friday, Feb. 27

The County Federation of Women's Clubs will meet at the Margaret Community House Friday, Feb. 27, with the Riverside H. D. Club as hostess and the Margaret H. D. Club bringing the program.

The meeting will begin at 10:30 and a covered dish lunch will be

March 7 Deadline for Filing for Place on City Ballot

Mrs. Fern McKown, City secretary, announced Wednesday morning that Saturday, March 7, is the last day for filing for a place on the City election ballot.

In the April City election, the offices of the mayor and four aldermen will be filled, Mrs. McKown stated.

Former Crowell Man Died in Odessa Thursday, Feb. 12

Jack Ballard, 64, of Odessa, brother of Lewis and Dick Ballard of Crowell, died in a Big Spring hospital Thursday, Feb. 12.

Funeral services for Mr. Ballard were held in a funeral home in Odessa last Friday. Pall bearers were Rayo Thompson, Fred Bacon, Richard Hensley, W. H. McCorkle, Ben Beasley and Weldon Hensley.

Mr. Ballard, a resident of Odessa for the last 18 years, died after a six day's stay in the hospital. He had been in ill health for more than a year, which had forced his retirement from Beck Construction Co.

He moved to Odessa with his family from Hobbs, N. M., in 1940.

Mr. Ballard was born in Greenfield, Ill., in 1893. He came to Texas with his parents at the age of 12 and the family settled at Thalia. He joined the army in 1918 in World War I and served overseas. He was married to Lela Ford on April 23, 1921, in Crowell.

Survivors include his wife; one daughter, Mrs. W. T. Isaac of Odessa; one son, Joe B. Ballard of Odessa, and the two brothers in Crowell.

Attending the funeral from Crowell were Lewis and Dick Ballard, and from Thalia, Mr. and Mrs. Oran Ford and Ernest Ford.

Fire Department to Sponsor Zogi Revue Here February 28th

Herman Kincheole, chief of the Crowell Volunteer Fire Department, announces this his organization is sponsoring the Zogi Revue for a personal appearance at the high school auditorium in Crowell on Feb. 28.

The Zogi Revue features "Stars of Today" and Prince Zogi in person. Zogi has been a favorite of the stage for a quarter of a century and has completed successful engagements in the heart of the entertainment world on both coasts.

The show promises to be full of humor, fantasy, music, illusions and exotic excursions into the world of make believe.

Advertising Campaign Starts This Week on Superior Chicken Feed

A six-week advertising campaign for Superior All-in-One feed by Ballard Feed & Seed begins in the News this week. "One feed is all you need from hatchery to henhouse," Dick Ballard, owner of the feed store, says.

"It starts, grows and matures chickens like no other chicken feed will do."

Contract Awarded for Widening US 70 in Cottle County

According to an announcement in the Star-Telegram Sunday, the contract for widening 15.2 miles, U. S. 70, grading, structures and paving from east city limits of Paducah to Foard County line was awarded to Cooper and Woodruff, Amarillo, for \$586,994.

Lions Club Meeting

Rev. Clarence Bounds of Margaret brought the program at the Tuesday noon meeting of the Lions Club. Twenty members were present.

The club expressed its hearty thanks to the people of Foard County for the overwhelming success of the play which was presented last Thursday and Friday. Special thanks are expressed to the cast. Much of the success of the event can be credited to the senior class members who sold advance tickets.

The proceeds, \$149.75, are to be used to promote Little League baseball for Foard County. The club urges continued support of the Little League campaign. A number of other clubs and organizations have expressed a spirit of cooperation. Much more financial support will be required to open the park this spring.

CAGE TEAMS DEFEAT HOLLIDAY TUESDAY

The Crowell High School basketball teams, both boys and girls, won their first game with Holliday here Tuesday night in a three-game play-off series. The boys nosed the favorite Eagles out 62 to 59, and the Crowell fems came through, as expected, with a 50 to 39 victory.

These same teams play again at Holliday tonight (Thursday), and in case there is a third game for the boys, it will be played on a neutral court on Saturday night. The winner of this series will be declared district 1A-11 champion. Crowell had previously won the western half championship in both boys and girls. Holliday had done likewise in the eastern zone.

Mardee Johnson for Holliday led in scoring for the girls with 25 points. The scoring for the Crowell girls was pretty well divided between Gayle Taylor, Pat Frosser and Judy Smith. They scored 18, 18 and 14, respectively. Crowell starting guards were Roxiann Adkins, Sandra Simmons, and D'Lois Shultz. Other Crowell girls who saw some action were Lois Ann Painter, Mary Anne Myers, Margaret Faske, Helen Vessel, Ruth Ellen Short and Margie Rasberry.

Fred Youree led the way in scoring for the Crowell boys with 25 points, but much of the glory should go to the Wildcat guards, Jimmy Rader and Ivan Cates. David Carpenter scored 13 points for Crowell. Gary Carpenter and Bill Graves played about two quarters each for the Wildcats. James Vandergrieff and Wendy Wilson divided scoring honors for the Eagles with 18 each. The Holliday boys play a very rough type of basketball and received 22 fouls in the contest. However, Gary Carpenter, center for Crowell, was the only player to foul out of the game. Crowell players connected with 18 out of 31 free shots to spell the difference in the contest.

Crowell girls will be favored again to win at Holliday and clinch their second consecutive district crown. The Holliday boys, winner of the district for the past two years, should receive the nod in their game.

J. L. Shultz Announces Plans to Re-Open Rialto Theatre

J. L. Shultz of Thalia has announced that he will re-open the Rialto Theatre on Saturday, Feb. 28. He plans to run the best movies available and the admission prices will be the same as previously.

Mr. Shultz will announce next week the feature movie for the opening, and also a schedule of the following week's attractions.

Grand Jury Indicts Two for Forgery in Monday Session

Two indictments were returned by the February term of the grand jury which met Monday morning. District Attorney Jack Hightower reported that the two indictments were returned against Bernice Henderson and Willie Daniels, local Negroes, who were charged with forgery. The men are being held in the Foard County jail.

Walter Ramsey served as foreman.

Philippine Missionaries to Speak at Methodist Church Next Monday

On Monday morning, Feb. 23, at 10 o'clock in the Crowell Methodist Church, Rev. and Mrs. Richard L. Deats will speak to and visit with the pastors, Commission on Mission members, and general church groups from the local Methodist Church, and Methodist groups from Margaret, Thalia, Foard City and Truscott.

Rev. and Mrs. Deats were commissioned as missionaries to the Philippine Islands in January. They will be supported by the Big Spring and Childress Districts of the Methodist Church in the Philippines as they do student work in and around Manila. This young missionary couple is scheduled to sail for the Philippines in March.

The Valuable Things of Life

Many people have the wrong conception of the valuable things of life. When these people think about things of value, they think of money, mink coats, expensive cars, and the material things of life in general. What are the real things of value?

In my opinion, nothing can be more valuable than the things that God has given. Foremost of these is the privilege of having an eternal home with Him. This is a privilege that each should recognize as the ultimate goal of life.

The beauty of a spring day, the crispness of the morning air, the

peacefulness of a lazy little stream running through the meadow, the enchantment of seeing a beautiful mountain scene for the first time—all these, too, are God's gifts to mankind. They are things of great value, but many people do not seem to realize this. They are valuable because they enrich the mind. An appreciation of God's gifts is built up in the mind of a person in a manner that no amount of riches could afford.

Then, there are also emotional sensations that are valuable. There is the thrill one gets when he sees a small child happy and contented. It is not good to be light-hearted all the time; therefore, a moment of serious meditation is often helpful.

The promise of an eternal home with God, the beauty of nature, the satisfaction of many emotional responses—these and many other things are typical of the genuinely valuable things of life. Each individual should try to show his love and appreciation for them.

Judy Johnson.

In Memory

We, the student body and faculty, wish to express our sincere sympathy to Janie Wright and her family in their recent sorrow. May God's richest blessings rest upon you and comfort you.

Business Men Address Students

The bookkeeping class has recently been honored by the visits of Ray Brown, president of the Crowell Investment Club, and Mel Kincaid, president of the Crowell State Bank.

Thursday, Mr. Brown talked to the students about the importance of good investments in stocks and bonds. He also told the class about the investment club and how it

operates. Tuesday, Mr. Kincaid explained to the students about the functions of the bank, the collecting of loans, and the F. D. I. C. Following his talk, he passed out coin purses to the girls and billfolds to the boys, compliments of the bank.

We, the members of the bookkeeping class, would like to express our appreciation to these men for their interest in our class.

News from Africa

We found proof last week that people are about the same everywhere. Kirk Walters received a long interesting letter from an 18-year-old African girl, Ina van der Merwe. It was one of several received from foreign countries by high school students as a result of the Student Letter Exchange.

Ina is an average student. She attends Voortekkes High School in Bethlehem, South Africa. Seven hundred students are enrolled in this school, and swimming, tennis, cricket, football, basketball, and hockey are their sports. English is a compulsory subject; other main courses are German, Latin, history, geography, physical science, music, art and, of course, African. The students ride school buses to and from school. The boys all wear uniforms, "loud" striped blazer jackets and either long or short trousers (very similar to our Ivy Leagues).

Ina is an amateur photographer, a winning elocutionist, a member of the Melodia Girls' Choir, a recording group, and her hobby is collecting antiques and albums of famous historical events and persons.

She sent several pictures including a photo of herself, some of her classmates, African scenery, a monument, and a native lion. Kirk has his pictures and will be glad to show them to you anytime.

We find it very interesting to hear from these far-off places and hope to learn more from as many countries as possible.

Of course, some people are never lucky. It was Buba, who wrote to a girl, 17 years old in Ceylon—wherever that is! Well, poor boys, instead of receiving a letter from her, he got a letter from the school stating girls were not permitted to correspond with foreign boys! Everyone is sympathizing with Buba, except Peggy—she's glad!!

Wildcat Teams Champs of the Western Half of 1A-11!

Tuesday, Feb. 11, the girls and boys teams won the championship of the western half of 1A-11 by defeating the mighty Munday Moguls. The boys game was a tough one, and the score was continually bouncing back and forth in favor of both teams. At the end of the first half, the score was 25-23 in favor of Crowell, but at the end of the third quarter, the score was 34-33, Munday. However, in the last quarter, Crowell really kept the net hot, by placing in 31 points to Munday's 12. The final score was 64-46, with Boob Carpenter scoring 29 points for Crowell for game honors. McAfee scored 17 points for Munday.

The girls' game also proved to be very interesting. The score at the end of the first quarter was 12-12, and at the end of the first half, the score was 25-25. However, in the last half, the Crowell girls gradually pulled ahead of Munday and kept the lead for the rest of the game. The guards played a tremendous defensive game. The final score was 51-45 in favor of Crowell, with Trammel of Munday scoring 28 points for game honors. Prosser followed her close by scoring 23 points for Crowell.

The boys B team had no trouble defeating Munday B, with the final score 66-34. Tom Crowell scored 16 points and Wes Cummings scored 12 points for Crowell; Russell scored 14 points for Munday. The Wildcat teams ventured to Electra Thursday, Feb. 12. The boys team played a hard game, but they just couldn't seem to get a lead on the mighty Electra Tigers. The final score was 49-46 in favor of Electra. Hayes for Electra scored 17 points for the game honors, and Youree scored 14 points for Crowell.

The girls team had no trouble defeating Electra, and the final score was 58-31. Taylor of Crowell scored 22 points, and Cansler of Electra scored 15. The B boys defeated Electra 57-10. Sellers scored 21 points for Crowell.

Student Council Representatives Attend District Meeting

On Saturday, Feb. 14, the Student Council officers and the sponsor, Mr. Myers, attended the District Student Council meeting at Archer City High School. Those attending were Fredrick Youree, George Moss and Sue Sanders, vice president, secretary and treasurer, respectively. The newly-elected officers who went besides Youree were Jerry Eubanks, vice president-elect, Jim Mac Gafford, secretary-elect, and Judy Sandlin, treasurer-elect.

At the meeting, new officers were elected for the Greenbelt District. Arrangements were made to go to Brownsville on a chartered bus. Our officers-elect will attend this meeting, also.

Roving Reporter's Report

Don't you think shirt waist dresses look neat? The flared skirts, roll-up sleeves, and open or Peter Pan collars really make up a cute outfit. I noticed that a number of Crowell High School girls own and wear shirt waist dresses. Last Monday Helen Vessel wore a light colored shirt waist that featured tiny stripes of varied colors. Carol Bell has one in red print; Margie Rasberry light tan. D'Lois Shultz's shirt waist dress is blue and black checks. On Wednesday, Dianne Sledge wore her shirt waist of tan and pink with a gold thread.

Last week, there were a number of outstanding fashions in addition to shirt waist dresses. Nearly all the candidates and campaign managers were dressed "to the hilt" on Thursday for speeches. I surely wish the boys looked as nice all the time as Freddy, Jim Mack, Ronny B., Gerald, Tom, Bill, and a few others did that day. Bettie Linda stood out too, in that gorgeous orange skirt and sweater set. Sue Sanders wore green; Fauncine Fairchild had on a floral print that featured a full paneled back. Friday was a good day for turquoise. Judy Johnson had a sheath in that color; Jerry Clifton wore a real pretty cowboy shirt of silk in turquoise. Bobby Powers had on a cowboy shirt of the brightest floral print I've seen! Buddy was all "decked out" in solid red last Friday.

Carolee Oliphant had on a pretty rose-tan skirt and sweater set Thursday. Dorothy Denton topped a multicolor plaid skirt with a neat black sweater.

Jerry and Ronald had matching guy sweaters that really are cute. Monday gave us "Tootsie" Short in a two piece middy suit. Mary Anne Myers had on a pretty blue skirt and sweater set. Mary Ann Brown turned up in a new hairdo. These are just bits and parts of Crowell fashion. We believe that "it's nice to be noticed," and we want you to know that we noticed you looked nice. Bye for now, Roving Reporter.

Library News

At the regular monthly meeting of the Library Club last Thursday in Mrs. King's room, the following 21 members were present: Peggy Cates, Dee Ann Christian, Barbara Goodwin, Roberta Hough, Lillie Polk, Patricia Pittillo, Vera Porter, Rachel Rodriguez, Lou Ann Summers, Helen Vessel, Dorothy Wehba, Sharon Wharton, Virginia Williamson, Wanda Moore, Joan Schwartz, Bonny Little, Caroline Denton, Wilma Denton, Genevieve Wheeler, Carolee Oliphant,

and Mrs. King. Hostesses were Lillie Polk, Lou Ann Summers and Roberta Hough.

In the absence of the president, Carolyn Aydelotte, Peggy Cates, vice president, conducted the meeting. In the business meeting, the group discussed the yearbook, member pens and a gift for the library; then Mrs. King discussed library discipline. For the program, Vera Porter gave a very interesting talk entitled "Libraries and Liberty." As the meeting was on Feb. 13, Virginia Williamson's interesting report on Abraham Lincoln was quite in keeping with the day. After the program, the club members discussed a tea for the faculty and the future freshmen to be given near the end of the year.

On behalf of the students and study hall teachers, the librarians wish to say thanks to the administration for the repair work being done in the library and study hall. The window frames have been varnished, the broken panes replaced, and well—we'll wait until the first sand storm to see if the rattles have been stopped. We hope so!

'59-'60 Student Council Officers Elected

Politics played a very important part at CHS last week as it was time for the annual Student Council election. Beginning early Tuesday morning, signs, posters, banners and every conceivable means of advertisement could be seen in the halls and over the campus. Then, on Thursday morning, the all-important campaign speeches were given in an assembly called for that purpose. Much interest was shown this year as the following eleven enthusiastic candidates sought office: president, Bill Graves and Fredrick Youree; vice president, George Moss, Mike Whitten and Jerry Eubanks; secretary, Jim Mack Gafford, Alta Bartley and Sue Sanders; and treasurer, Judy Barker, Judy Sandlin and Fauncine Fairchild.

In the primary election, Youree, Eubanks and Sandlin were elected to their various offices. In the run-off, Gafford defeated Sanders for secretary.

Our congratulations go to these four who shall lead the Student Council in its work next year. We're behind you all the way. We'd also like to congratulate the losers on the fine manner in which they received their loss. Without good sports such as these, our school would indeed not be what it is today.

Senior Class Expresses Thanks

The Senior class wishes to thank the Lions Club for allowing them to sell tickets to "Around the World in a Daze" on a commission basis. Special thanks go also to each person who bought a ticket from a senior.

Mary Anne Myers Makes the News

"Say—did you see—?" Yes, that was the number one question as soon as the Wichita paper was off the press on the morning of Feb. 9. There it was—nearly a full page picture of our own Mary Ann Myers and her champion steer, Jim Dandy.

Now, what's so unusual about a girl and a steer? Well, the most unusual thing was the fact that it was a demonstration of something new—entirely new, we'd say! It may even change the whole field of animal grooming. Yes, that "gal" was giving her beloved Jim Dandy a final grooming with a vacuum cleaner.

Mary Ann entered her steer in the Wichita Falls Junior Calf Show in heavy division and received a rating of "choice."

Congratulations!

Card of Thanks

I would like to express my deep appreciation to the students and teachers of Crowell High School for the acts of kindness bestowed upon me during the illness and death of my father, John W. Wright.

Janie Wright.

Junior Jive

Time rolls on, and so does the junior class, we hope. That banquet is A1 in everyone's mind right now. The theme committee, decoration committee, food committee, entertainment committee and committee for selecting committees met and decided absolutely nothing. But we are trying!

If you happen to run into anything that looks like an idea for a Jr.-Sr. banquet or better still, if you come across someone who has some money that he doesn't need and wants to donate, contact some of us immediately. We're only desperate!

Junior Class Reporter.

P. S. We prophesy that the class prophecy will prophesy many things of interest.

Recipe for Super Deluxe CHSite Boy

Take the body of David Carpenter, put into a mixing bowl and add the legs of Jimmy Rader, the feet of Boob Carpenter, the shoulders of Joe Barry, the arms of Fredrick Youree, the pair of long "typing" hands of Ronald Yarbrough. Mix well, then add a Bobby Barker face, set with the chin of Gerald Bradford, the nose of Buba Monks, eyes of Tom Crowell, topped with hair of Ivan Cates. Blend well, flavor with a few

drops of Jim Mack Gafford intelligence, Bill Taylor wit, Duane Johnson dependability, and Kirk Walters leadership.

Pour into well greased pan; sprinkle with a few drops of Melvin Johnson "jive." Bake in 350 degree oven and brown to the soft tan color of Jackie Hickman.

Cool and serve with a concoction of CHS feminine beauty.

I think that you'll agree that this is a recipe unsurpassed in this section of America.

Hey You!

If you have: walked under a ladder, eloped, crammed for a test, moved, studied your lessons, been drafted, been robbed, gotten the "tummy" ache, been poisoned (Kirk), fallen down stairs, bought a jalopy, been "stood up," been married, gone steady, had visitors, flunked a test, been murdered, sand papered a desk, been in a fight, vacuumed a cow, taken a book home, lost your teeth, won an election—

It is news! Turn it in to the scandal editor!

This was all that was turned in to the scandal editors this week. It seems as though George tries to tell little "white lies" and gets away with them. The scandal knows what happened Sunday, Feb. 8, and Saturday, Feb. 14.

Home Demonstration Notes

MRS. MARY D. BROWN

Council will meet this Saturday, Feb. 21, at 2:30 p. m. in my office. Let's all try to attend as we have many things to do. Don't forget that each club is to bring a list of shrubs they have that they are willing to exchange. Also each club is to report on whether or not they adopted all club recommendations.

After the council meeting, the THDA committee will meet to elect delegates to the spring district meeting to be held in Graham on April 7, and to elect a THDA chairman to take office after the state meeting.

Saturday we will also need to discuss our all day rally to be held in March. So again let me urge all council members to attend this meeting Saturday.

Our recipe this week is:

Planked Fish

3 to 4 pounds dressed fish, 1 and 1/2 teaspoons salt, dash pepper, 1/4 cup butter or other fat, melted, seasoned mashed potatoes, seasoned cooked vegetables, peas and carrots.

If hardwood plank is used, oil well and place in a cold oven to heat while oven preheats. Clean, wash and dry fish. Sprinkle inside and out with salt and pepper. Brush with butter. Place fish on plank or well-greased oven glass platter. Bake in a hot oven, 400 degrees, for 35 to 45 minutes or until fish flakes easily when tasted with a fork. Remove from oven; quickly arrange border of hot mashed potatoes around fish. Place in a broiler until potatoes are slightly browned, about 5 minutes. Remove; arrange hot vegetables around fish. Serves 6.

Common Courtesy Needed

"The recently passed Congressional Act on small boat regulations is a step in the right direction toward prevention of boating accidents. The regulation, however, to be effective must be strictly enforced in order to provide a measure of safety for all persons engaged in water sports and boating . . .

"Of course, there is always the one thing that could make boating and other activities safer, with or without regulations. The factor is the application of common courtesy on the part of boat operators, water skiers and fishermen to each other." — Foley, Ala. The Onlooker.

Females Outnumber Males

U. S. population is now above 175,500,000, according to the Census Bureau — 24,500,000 greater than in 1950. Females are slightly in the majority, with 50.5 per cent of the total. There are some 15 million people who have reached or passed 65.

Great Plains Soil Conservation Gains Momentum

By JAMES H. HERRING

The Great Plains Conservation Program is gaining momentum in Foard County. Fifty-two applications have been received to date, which consist of 55,590 acres. This is about one-eighth of the total county area.

Farmers and ranchers realize that the Great Plains Conservation Program supplements existing activities and does not replace any of them. They are using all existing programs and sources of assistance in developing and carrying out their plans, such as the Agricultural Conservation Program and the Soil Bank.

Of the 52 applications received, 14 are now contracts obligating about \$15,000. The program guarantees Federal cost-sharing for needed soil and water conservation practices for a long period (up to 10 years but not later than Dec. 31, 1971).

If you own, or otherwise control, for the period needed to carry out a plan of operations, a farm or ranch in Foard County or any other county designated in the 10 Great Plains States, you are eligible to participate in this voluntary program.

To participate in the program you must have a workable plan of operations that incorporates (1) needed land use changes (2) needed cropping and grazing systems, and (3) needed soil and water conservation practices in proper combinations.

Your plan of operations includes a schedule that calls for carrying out all measures in a period not to exceed 10 years. You then enter into a contract with the Secretary of Agriculture to carry out your plan. The contract includes your plan of operations, your time schedule for doing the planned jobs, and the amount of cost-shares to be paid by the Federal government.

Your cropland-acreage allotment will not be decreased by any actions you take in carrying out your plan under the Great Plains Conservation Program during the period of your contract. Mrs. There is no limitation on the amount of cost-shares you may earn per year under this program.

except a limitation of \$2,500 for cost-shares for improving dams or ponds for irrigation.

You may graze land under this contract, or use for other purposes consistent with good management, the land established in grass under your Great Plains Conservation Program contract. This contract, however, supplements and does not cancel other contracts or agreements you may have, such as those with the Soil Bank.

If you have carried out all or part of a soil and water conservation plan in cooperation with the Lower Pease River Soil Conservation District or through another program, you may still apply for cost-sharing help. The governing body of the district is cooperating in carrying out the Great Plains Conservation Program.

If you are interested in this program, you may apply at the Soil Conservation Service office in Crowell. You are responsible for making your own plan of operation, but you can get help from your local SCS technicians.

Cub Scout Den 2 Meeting

Cub Scout Den 2 held its regular meeting Wednesday, Feb. 11, at the home of the Den Mother, Mrs. Ray Shirley. Mrs. Chester Hord and Mrs. Tom Ellis assisted.

Cub songs and yells were used as the opening ceremony. The boys led and decorated heart-shaped cupcakes for their parents. They then made turtles out of bottle caps, pipe cleaners, and colored foil for their Blue and Gold Banquet to be held March 2. A flag ceremony under the direction of Den Chief Ken Ferguson, closed the meeting. Roll call was answered by Larry Ellis, Billy Hord, Joe Ray Burkett, Bob Shirley, Dickie Statter, Randy Simmons and Doyle Goodwin.

West Side H. D. Club

The West Side Home Demonstration Club met in the home of Mrs. Baylor Weathered Feb. 10. The meeting was opened by the collect for club women. Mrs. S. E. Tate read "Myself." Mrs. Oscar Gentry read an Ozark Mountain Mother's letter to her son. Roll call was answered by a suggestion on how to raise club funds. Minutes were read and approved.

Mrs. L. G. Simmons gave a report on the THDA district training meeting in Stamford. Mrs. Tom King received the hostess gift.

Refreshments were served to 9 members and 1 visitor. Mrs. Ed Norris. The club will meet in the home of Mrs. Albert Dunagan on Feb. 24.

Entertains in Seymour

Mrs. Richard Ferguson of Seymour entertained in her home with a luncheon on Friday, Feb. 13. The table and refreshments featured the Valentine theme. Places were marked with individual boxes of candy in heart shape.

Those attending from Crowell were Mesdames W. B. Johnson, Alton Bell, J. R. Beverly, T. S. Haney, Fred Youree and Henry Borchardt. Mrs. Bales and Mrs. Dixon of Seymour also attended. Mrs. Ferguson is a former resident of Crowell.

Y. W. A. Elects Officers

The Y. W. A. of the First Baptist Church met in the home of Mrs. W. F. Statter on Monday, Feb. 16. The following officers were elected: Margie Rasberry as president, Linda Johnson as vice president, and Barbara Goodwin as secretary-treasurer.

Plans are being made for the young women and their sponsor, Mrs. Statter, to attend the Y. W. A. houseparty at Hardin Simmons University at Abilene.

Homemakers Class Party

The Homemakers Class met in the home of Mrs. Faye Statter Tuesday night, Feb. 10. Mrs. Statter opened the meeting with prayer. Mrs. Bernice Thompson presided in the absence of the president and vice president. Mrs. Trula Woods brought the devotional.

Refreshments were served by Mrs. Statter to Mrs. Marie Gallaheer, Mrs. Bernice Thompson, Mrs. Trula Woods, Nicky Woods, Mrs. Harry Traweck and Karen Statter.

Notice

Under the patronage law; first, second and third class postmasters, and rural route carriers etc. are appointed by the county chairman. In the death of one of our carriers an appointment was made to fill that position left vacant. So many friends of the deceased came to me asking that the widow be allowed to hold the position left vacant by the death of her husband. Although an appointment had already been made; but after finding out that the widow wished to carry on with the route her husband left; the first appointment has been countermanded to give the postal authorities time to confer or in some way make provisions for the widow and children. In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Feb. 22, 1929:

Mrs. J. A. Wright, resident of this section since 1886, died at her home in Crowell early Thursday morning following a short serious illness.

Shell Petroleum Corp. has put up a Star 30 rig on the Tarver farm north of Thalia and drilling on the new test is now underway.

Tom Callaway of Foard City states that a flock of 115 White Leghorn hens ordinarily pays his family's grocery bill. Recently he bought \$25 worth of feed and sold over \$75 worth of eggs from it.

In the year 1928, Mr. and Mrs. Joe Drabek, who live two miles northwest of Crowell, sold over two thousand pounds of butter, and had a demand for twice that much. Mr. Drabek stated this week.

Mrs. Ray Pyle of Thalia, a resident of Foard County since her birth 35 years ago, died at her home Tuesday night following a ten-day illness. She was one of the most popular and best loved women in the Thalia community. She was the daughter of Mr. and Mrs. D. M. Shultz.

Local Masons will celebrate Washington's birthday Saturday night at the Masonic hall. Thomas M. Bartley of Waco, grand secretary of Royal Arch Masons, will speak. Judge Robert Cole of Vernon will also speak.

Mrs. M. M. Hart Jr. returned Sunday from a visit with Mrs. H. W. Cotner of Hollis, Okla.

Mr. and Mrs. Sam Bell and Mr. and Mrs. Grady Graves accompanied the Crowell basketball team to Childress last week.

Paul Shirley was called to Hamilton Sunday on account of the serious illness of his mother, Mrs. M. R. Shirley.

Miss Nina Taylor of Fort Worth visited Miss Ruth Patterson last Sunday.

Arthur McMillan returned home Saturday after attending a sales meeting of Ford Motor Co. in Dallas.

Miss Maye Andrews and Mrs. Byron Reese left Friday for Commerce to visit relatives of Mrs. Reese.

Mrs. Nora Boardman returned Sunday from Claremont where she had been nursing Mrs. A. T. Miller.

Rev. W. W. Smith and family completed moving into the Baptist parsonage Saturday morning.

Rotary Club Meeting

James Herring, of the Crowell work unit of the Lower Pease River Soil Conservation District, made a talk and gave a demonstration on soil conservation at the Wednesday noon meeting of the Rotary Club.

Visiting Rotarians were Vance Favor of Quannah, Sid Reid of Hollis, Okla., and L. D. Brooks of West Virginia. Another visitor was A. D. Starling.

Mrs. G. M. Canup returned Friday from a visit of two months in the homes of her children in Phoenix, Ariz.

News From the Congress

by Frank Ikard, 13th Dis.

The national debt now stands at the staggering sum of 283 billion dollars. The next fiscal year we will be paying something over \$8 billion in interest on this huge debt. Since the current trend is toward higher interest rates, shortly interest charges will amount to \$9.8 billion. If the debt does not increase, with an interest rate of 3 1/2 per cent, in twenty-eight years, we will have paid the total amount of the debt in interest but will still owe all of the principal. As long as the debt exists, we must pay the carrying charges unless we are willing to tear a sheet from the Communist book and repudiate the whole thing, which, of course, would be unthinkable.

What we desperately need is a plan to pay off this debt which would provide for definite and systematic retirement of this obligation. If we paid one per cent on the principal each year or 2.8 billion dollars, it would be \$485 billion cheaper than it would be to continue to pay the interest over the period of time it would take to pay the debt off with such payments. By making such payments of \$2.8 billion a year, we could retire the debt in one hundred years. This, of course, is a long time, but the adoption of a definite plan for repayment would be a beginning, and now is the time that we should get started. During the past four years the debt ceiling has been increased four times, and only once since World War II has there been any reduction in the total debt. We must face up to the challenge of true fiscal responsibility.

In times past Congress has by law provided that there be some definite plan of debt retirement. This was done during the Civil War and after World War I. In both instances the effect of these laws were wholesome and brought about a substantial reduction in government obligations. I intend to propose legislation that will require that there be included in the budget each year an amount not less than \$2.8 billion which shall be applied on the principal of the national debt. This, of course, would mean that our government expenditures would have to be at least \$2.8 billion less than our revenues.

Easy Home Carpet Cleaning Now Possible with New Product

Among the many wonderful things that science has produced to lighten the burden of those every day chores around the home is a new product called Blue Lustre. It can be used on all fine rugs and carpeting.

Unlike many old fashioned cleaners that may be inflammable or have obnoxious fumes, this new cleaner, developed through long research is non-flammable and odorless. A gentle harmless concentrate in liquid form, it is mixed with water and creates a billowy foam that is then applied to the carpet or rug with a long handled brush.

One of the most surprising features of this new cleaner is how suddenly the old colors spring back to life again revealing the beauty of old colors long forgotten.

The cleaning action of the Blue Lustre foam is unique for it penetrates the carpet soil, holding it in suspension which allows the easy removal of it along with the cleaning agent by vacuuming the rug or carpet. Since there is no gummy residue left in the carpet, it stays cleaner longer and the nap

Bass and Cats Sometimes Dine on Cotton Rats

Certain fish have varied appetites, and will eat nearly anything at one time or another, according to the Director of Inland Fisheries, Texas Game and Fish Commission.

This conclusion is based on samples taken from the stomachs of several fish. Such samples have included everything from rat

skulls to peanuts, sack and all. A skull taken from the stomach of a channel cat caught in Little River in Leon County was recently sent in for identification. It turned out to be that of a bristled cotton rat. This not only indicates that the rat spends some of his time swimming, but also that cats, even of the fish species, live up to tradition. The skull was compared with many others that had been found in other fish in the state. It proved to be the same as the others.

A Wichita Falls biologist stated that he also had found skulls in bass and cats in that area, indicating that rats must constitute a part of the diets of these two fish. Samples from fish taken at Belton Reservoir, which covered pean flats in certain areas, revealed that some of the fish there were pean-eaters.

In the case of the peanuts, one

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Tex.—The season of the "hard luck story" is in full swing.

Legislative committees have to do with taxing and spending are in almost constant sessions. On the one hand they hear from the state agencies that want more money—of their dire needs, of the gloomy future that awaits the state if their programs are under-financed.

Equally mournful are the stories of those who would be the targets of new taxes. It would be like putting up a "Keep Out of Texas" sign for new businesses and accompanying prosperity, say many business and civic leaders of the sharp new tax bites. Texas communities trying to build up their areas by bringing in money-making enterprises would have the rug pulled out from under them, say the tax critics.

In this arena of clashing viewpoints, the legislators must serve as both judge and jury. Few lawmakers expect to collect any nose-stays for their efforts—no matter how sincere or well-considered. Some expect they may have to dispense both goods—by cutting spending requests and raising taxes—all in one useful session.

BANE TO BUSINESS — As expected, business, large and small, take a dim view of Gov. Price Daniel's proposal to increase corporation franchise taxes.

Industry spokesmen told of probable increases of from 50 to 250 per cent in the amount they would have to pay. They complained, too, that they'd have to pay a tax whether they were making money or not, since the tax would be on capital, rather than

RURAL FALLOUT shelter, built of timber and designed to protect six persons at a cost of about \$500, has been endorsed by leaders of the nation's largest farm organizations. It was designed by the Office of Civil and Defense Mobilization. Additional details are available from OCOM's Operational Headquarters, Battle Creek, Mich.

income. Rep. J. E. Winfree of Houston, sponsor of the bill, told the business representatives, in effect, "It's this or something else."

UT PLEADS CASE — University of Texas "will sink back into mediocrity," declared exes and officials, unless the school gets a better appropriation deal than that proposed by the Legislative Budget Board.

University officials asked for a two-year appropriation of about \$34,000,000. Budget Board recommended \$27,920,024.

Dr. Logan Wilson told the House Appropriations Committee that people seemed willing to pay broad-based taxes for highways. Why not for higher education?

Thomas Jones, Austin attorney and spokesman for alumni, emphasized the importance of improved education to this country's position in international affairs. "I don't want it put in the history books that this generation kept the budget low and let the nation die," said Jones.

UT officials also said they would be opposed to establishing a third medical branch—at San Antonio, Austin or elsewhere—until they have gotten enough money to make "first class" the existing Dallas and Galveston branches.

PRISON PROBLEMS — Even more impassioned are the pleas of those concerned with appropriations for the Department of Corrections.

Texas Prison System is operated at about half the national average cost per inmate, says Supt. O. B. Ellis. For some years Board members have been warning of dangerously overcrowded conditions, and the need for more buildings.

Such a bond and personnel, as proposed by the Legislative Budget Board, would bring sheer calamity to the bulging prisons, in Ellis' view.

Prison System has an even more immediate pinch in that it hasn't money to finish out this fiscal year. It had a crop failure last year, when floods wiped out cotton on the prison farms.

Since the Prison System is heavily dependent on its own production, like any hard-hit farmer, needs some "cash money"—about \$500,000—to tide it over for this year.

SOMETHING'S GOTTA GO — We can't continue our present savings and take a budget cut too, Texas A&M Extension Service officials told legislators.

Budget Board recommended a slightly lower Extension Service appropriation for 1960 than it had for 1959. Service had asked for sizeable increase to help offset

extensive loss of county agents to better-salaried jobs in industry.

Spokesmen for the Farm Bureau and numerous other rural groups appeared before the House Appropriations Committee to plead the importance of Extension Service work.

DEADLINE EXTENDED — Senate General Investigating Committee, a creation of the last session, has until March 2 to complete its voluminous report.

After nearly 20 months of activity, the Committee had had 27 hearings, piled up 7,500 pages of testimony. All hearings were public, and some brought unsettling repercussions in the fields of insurance regulation and tax collecting.

Sen. Charles Herring of Austin, chairman, is recommending such work be continued by a Joint House-Senate Committee. There must be some sort of "watch dog," Herring believes, for the state's billion-dollar-a-year business.

SLOW DOWN! — Chronic speeders would soon find themselves getting around on shoe leather under a strict new measure proposed by Rep. Ben Lewis of Dallas.

Under the bill, the first speeding conviction would bring a 30-day license suspension; the second, a 60-day suspension; the third,

six months; and all thereafter, one year. A record of each conviction would be carried on the driver's license.

Speeding, Lewis pointed out, is regarded as a leading cause of accidents.

ANTI-HAIR-SPLITTING — "Harmless errors" would no longer be grounds for reversal of a criminal court conviction under a measure being sponsored by Rep. Tom James of Dallas.

Only "substantive errors" would require the throwing out of a trial court decision.

There has been some criticism in recent years of Court of Criminal Appeals decisions which nullified convictions because of such things as misspellings and typographical errors. James' bill was recommended by the Texas Law Enforcement Commission.

DENTISTS HELP

Philadelphia, Pa. — Cancer of the mouth appears to be on the increase, and a person's best chance for survival can come from an alert dentist, according to a report made to the American Medical Association recently.

The dentist is in the unique position of seeing his patient routinely every six months; this is not the case with a physician.

THIS WEEK —In Washington

With Clinton Davidson

There has grown up in relatively recent times a fourth branch of the federal government that, although little known outside of Washington, wields an important influence over every person in the country.

This fourth, known as "regulatory agencies," exercises all the functions of the other three—legislative, administrative and judicial.

These agencies have the authority to make rulings and decisions that have the full force of law, and then administer those rulings. They are not a part of our court system, but they exercise court powers.

There is no uniform code that governs their operations. Each has more or less made its own rules as it went along. Naturally, as a result each of the more than 30 such agencies operates under different procedures.

Three Hats
Congress over the past quarter

of a century has created so many boards, committees and commissions that it now has created special investigating committees to gather information to be used in adopting a "uniform code of ethics" for them.

Among the agencies, etc., involved are the Federal Communications Commission, the Federal Trade Commission, the Civil Aeronautics Administration, the Securities and Exchange Commission, the Interstate Commerce Commission, and a long list of others.

Those agencies, through their regulatory powers, exercise a life and death authority over almost every form of business. They determine such things as which radio or TV stations and programs you can listen to, where and when airplanes can fly and the fare they charge.

Almost no business of any consequence can operate without the permission and approval of one or more of these regulatory agencies. And, if they don't like the way you operate, they can put you out of business.

Wearing one of their three hats they can make laws. Under another they can act as a court to interpret those laws. Under still another they have the power to enforce their decisions.

Centralized Power
Probably the most significant

development in the field of federal government in the past generation has been the progressive shifting of legislative powers from Congress to these agencies, the increasing displacement of court functions by the growing number of administrative tribunals.

Although perhaps not the purpose, or the creation of agencies with combined legislative-administrative-judicial powers, rapidly leading us toward a powerful Central Government.

It is, I think, a dangerous lawmaking powers to delegate to agencies, not directly responsible to the people. It is equally dangerous to delegate court powers to any body which is not a part of our system of courts.

The framers of the Constitution wisely created three separate branches of government under a system of checks and balances. When a fourth, with all the powers of the other three, was created, a desperate gamble with our rights.

Many, and perhaps all, of our regulatory agencies are needed in our highly complex economy. The point here, and later article, is that we must come alert to the dangers of a system of "government by pro-

Miss Barbara Fairchild Becomes Bride of L. H. Wall Jr. in Church Ceremony

Miss Barbara Lee Fairchild of Crowell became the bride of L. H. Wall Jr. of Route 1, Vernon Saturday evening in the First Baptist Church in Crowell.

The bride is a daughter of Mr. and Mrs. J. B. Fairchild, Crowell, and the groom is a son of Mr. and Mrs. L. H. Wall of Route 1, Vernon.

Rev. C. T. Aly, pastor, performed the double ring ceremony before a white archway, centered with white wedding bells and covered with white pom chrysanthemums and jade greenery. Other background included spiral candelabra holding tall white tapers and sunburst arrangements of white gladioli and stock.

The couple knelt on a white satin prie dieu. Pews for the family were marked with white satin bows and greenery. The chapel windows and background were arrayed with candlelight and greenery.

Noel Wilkins furnished nuptial piano music and Rev. Rex Mauldin, pastor of the Munday Methodist Church and former pastor of the Fargo Methodist Church, sang "I Love You Truly," "The Wedding Prayer" and "The Lord's Prayer."

The bride, given in marriage by her father, looked lovely in a traditional gown of white pean de soie and French rose design lace. The gown was fashioned with a portrait neck line traced with seed pearls and iridescent sequins and long tapering sleeves of lace which ended in petal points over the wrists. From her slightly elongated bodice, the bride's immense skirt was complemented by an inset lace panel which extended into a full court train. Her triple-tiered veil of imported illusion fell from a matching regal crown of lace encrusted with sequins and pearls. The bride carried a white cattleya orchid surrounded by stock and white French carnations atop a white Bible. She carried out the old tradition of something old, something new, something borrowed and something blue, by wearing a blue garter, carrying a new white lace handkerchief studded with pearls, a gift from her aunt; a borrowed sapphire in her shoe and an old handkerchief in her Bible, which belonged to her late grandmother. To complete her ensemble, the bride wore a pearl necklace which was a gift from the groom.

Miss Jerry Ann Fairchild, Crowell, served her sister as maid of honor. Bridesmaids were Misses Fauscine Fairchild and Zenell Eddy, both of Crowell, and Miss Jane Phillips of Northside and Miss Marilyn Felty of Burk Burnett. The attendants wore identical dresses of anisea chiffon over tafeta. The gowns were designed with sweetheart necklines. The shirred bodices had brief sleeves which were complemented by short gloves. Joining the rounded waistlines were waltz length harem skirts, enhanced by a contour panel of satin down the center front. They wore a crown of matching satin and pearls which held small circle veils and matching satin pumps. They carried heart-shaped bouquets of white French carnations. All wore pearl necklaces, which were gifts from the bride.

Earl Mills of Burk Burnett and Mac Hamilton of Northside were candlelighters. Jackie Eddy, of Crowell acted as ring bearer and Miss Pam Carter, also of Crowell, was flower girl.

Sherman Dan Wall, Northside, served his brother as best man. Groomsmen were Terry Bourland of Northside, Charlie Byers and Dudley Wetsel, both of Wichita Falls. Earl Mills and Mac Hamilton also served as ushers.

For her daughter's wedding Mrs. Fairchild chose a toast colored lace dress with champagne accessories. Mrs. Wall, mother of the groom, was attired in a bone

pure silk suit with toast accessories. Both women wore corsages of champagne carnations.

Following the wedding, a reception was held in the church parlor. The bride's table was covered with a white satin cloth overlaid with net and centered with a heart shaped arrangement of French carnations flanked by crystal candelabra holding white tapers. Crystal and silver appointments and the white three-tiered wedding cake completed the setting.

The register table was covered with white satin and net and held a white anniversary candle, a gift from Mrs. George Beavers. The guests were registered in the musical bride's book.

Members of the house party included Mesdames Leonard Haseloff and Jackie McGee of Vernon; Mrs. Jim Noble of Lubbock; Miss Therese Jesko of Hereford; Miss Roma Jan Spikes of Crowell, and Mesdames DuWayne Elliott, J. T. Brooks, Gerry Knox, Milton Hunter, Dick Todd and Henry Fish, all of Crowell.

When the couple left for the wedding trip, the bride was wearing a wine-red suit with an imported mink collar. She wore black accessories and a white orchid corsage.

Following the short wedding trip, the bride and groom will establish residence in Columbus, Ga., where the groom will serve as a second lieutenant in the U. S. Army at Fort Benning for a period of six months.

Mrs. Wall, a graduate of Crowell High School, is a senior at Midwestern University in Wichita Falls, where she is majoring in secondary education and math. While attending MU, the bride served as majorante in the Indian Band, treasurer for the Siretette Social Club, vice president of Tau Beta Sigma, national honorary band sorority, junior class officer, ROTC Military Ball Queen, band sweetheart, Kappa Kappa Psi sweetheart and nominee for Homecoming Queen.

The groom graduated from Northside High School and Midwestern University. He is now working on his master's degree at MU. At Midwestern, he was a member of the Letterman's Club, having lettered on the varsity football, Officers Club, elected senior class favorite and also was a nominee for Lord Midwestern.

Rehearsal Dinner: The couple was honored with a rehearsal dinner, of which Mr. and Mrs. L. H. Wall Sr. were hosts. The dinner was held at the Hill Crest Country Club in Vernon Friday.

A Valentine motif was used in the decorations, which included a heart with pink carnations and white stock in a silver compote. Other attractions of the table decor were place cards and plate favors of white net rice bags tied with pink satin ribbon.

Baptist Church Honors Young People with Valentine Banquet

The First Baptist Church honored the young people with a Valentine banquet on Feb. 6. The banquet room was beautifully decorated with red and white crepe paper and red balloons.

Bill Graves served as master of ceremonies for the evening. The program was presented by students from Wayland Baptist College of Plainview.

The crowning of the King and Queen was a highlight of the evening with Miss Carolee Oliphant chosen as Queen and Denny Todd chosen as King. The runners-up were Barbara Goodwin and Jim Henry. The king and queen were selected on the basis of the percentage of grades from the Intermediate and Young People's Department.

There were 86 young people and their sponsors present at the banquet.

First Couple to Marry in Leadville, Colo., in 1959

The first couple to be married in Leadville, Colo., in the new year was Marie Hoffman of Gilman and Ralph Ernest Schooley. The couple exchanged marriage vows at 12:10 a. m. in the First Federated Church. Rev. Edward Jackson officiated at the single ring ceremony.

Attending the couple were Althea M. Patton and Byron Scott. Mr. and Mrs. Schooley obtained their marriage license at 5 p. m., Dec. 31, the last couple to obtain a marriage license in 1958 in Leadville and have the distinction of being the first couple married in Leadville in 1959.

Mrs. Schooley is the daughter of Mrs. Allie Pike of Crowell.

Study Club Meets at Thalia

The Tuesday Morning Study Club met with Mrs. Bill Hamilton on Feb. 2 at 10 a. m. All members participated in the devotional service and the lesson "Sunday Begins at Alarm Time" was presented by Mrs. Garner Berg.

Those present were Mrs. Bill Hamilton, Mrs. Duane Naylor and Richard, Mrs. Bob Cooper and Bob, Mrs. Billy Johnson and Debbie, Mrs. Beverly Gray and Karen and Mrs. Berg.

Another meeting of the club

was held Feb. 17 at the home of Mrs. Billy Johnson.

Devotionals were given by Mrs. Berg and the lesson entitled "When Death Comes to Your Family" was presented by Mrs. Duane Naylor. The group joined in a discussion period following the lesson. Refreshments were served to the following: Mrs. Duane Naylor and Richard, Mrs. Billy Hamiltons and Richard, Mrs. Bob Cooper and Bob, Mrs. Bill Hamilton and Mrs. Berg. The next meeting will be March 2 with Mrs. Duane Naylor.

Vivian H. D. Club

"A penny saved is a penny earned" is what the Vivian H. D. Club ladies had in mind when they met in an all-day meeting Feb. 12 in the home of Miss Myrtle Fish.

Hand made get-well cards were made from old cards, lace, glue, and what-have-you. Some very pretty cards were made.

The club is collecting old eye glasses and any old gold to send to make eye glasses for the needy.

6—THE FOARD CONNTY NEWS Crowell, Texas, Feb. 19, 1959

If anyone has any of these around the home, if they will give them to a Vivian club lady, she will see that they are sent to be made into glasses for someone that needs them.

A delicious covered dish dinner was served at the noon hour to eleven members and one new member, Mrs. Maude Fish, and three visitors, Mrs. Fred Diggs, Mrs. J. C. McCollum and Mrs.

R. C. Anderson. The next meeting will be Mrs. Leslie McAdams Feb. 26. The program will be "Colors Your Bedroom."
