CROWELL, FOARD COUNTY, TEXAS, THURSDAY, AUGUST 29, 1963

Foard County's Oil Bowl Princess Receives Compliment in Letter

The following letter was received by the News from the Falls Chamber of Commerce: "On August 16th, 1963, the Maskat Shrine of Wichita Falls, Texas, staged its 26th Annual Oil Bowl Princess Classic, the proceeds of which are always among the states of Texas and Oklahoma to benefit crippled children.

"The Wichita Falls Chamber of Commerce was again as the Maskat Shrine to provide the 2nd Oil Bowl Queens Pageant half-time activities for the girls. It was a genuine pleasure to have a part in this worthwhile project and the beauty and quality of the princesses, who made this success it was. The city of your fine city can be justly proud of your 1963 Oil Bowl Princess for she was exemplary of grace, poise, beauty and ability that the outstanding can girls of today possess. Mary Ann Ramsey represented Crowell High School.

"We would be proud to have her as a citizen of Wichita Falls and to be her home."

MR. AND MRS. FRANK HALENCAK

Two Capps Named Deputy Sheriff in Wilbarger County

James Capps, native of Thalia, former deputy sheriff of Wilbarger County, has been appointed deputy by Sheriff Loran Halencak of Wilbarger County. Mr. Capps' appointment brings the number of deputies on the sheriff's staff to three field deputies and an office deputy.

Martha Fish Receives Nurses Cap at Denton Ceremony

Martha Fish, daughter of Mr. and Mrs. Henry Fish of Crowell and student at Texas Women's University College of Nursing in Denton, was among 110 students receiving a cap in a mass ceremony Friday, August 23.

Over 100 Attend Youth Conference Here Saturday

More than 100 young people of junior high, senior high and college age, and also a number of adults attended the Greater Foard County Youth Conference held Saturday in the Crowell Methodist Church.

The steering committee which organized the conference was composed of John Feizzerel, Glenn Wilson, R. C. McCord, Kenneth Bingham, Warren Everson, all local preachers; and the following lay members: Leon Speer, Jeff Bell, M. M. Welch, Ora Mae Fox, Mrs. Howard Ferguson, Mrs. Audrey Collins, Mrs. W. L. Johnson and Mrs. W. F. Statter, plus Wichita Falls and Seymour Christian businessmen.

The youth conference was conducted by the Gerry Craft Evangelistic Association, a non-profit, Christian organization made up of a professional football player, a Texas wrestling champion, a world Olympic gold medal winner and other men and women dedicated to the purpose of training adults and young people in methods of applying New Testament principles to their daily lives.

On Dean's Honor Roll at A. C. C.

Jerry Setliff, son of Mr. and Mrs. Ennis Setliff of Crowell, has been named to the dean's honor roll at Abilene Christian College for the spring semester of the school. Jerry will be a sophomore chemical engineering major at the college this fall.

Down Town Bible Class

Recie Womack brought the lesson Sunday morning to 28 members of the Down Town Bible Class. Bill Bell presided and introduced a special musical number by Mrs. Leo Cates, Cecil Driver and Charles Branch. Miss Ella Ann Cates played piano accompaniment and Rev. Clarence Bounds led the singing.

Rotary Club

Dr. Walter Stapp showed colored slides of a trip he and his family made to Old Mexico for the program at the Rotary Club Wednesday of last week.

Visitors were Rotarian Vance Favor of Quannah, and Cecil Driver, Warren Haynie and Albert Lykins of Crowell.

CHS Football Team and Lockett to Scrimmage

The Crowell High School football team will journey to Lockett tonight (Thursday) for its first scrimmage of the season. The affair will start at 7:30 o'clock.

Head Coach Thayne Amonett says he will try to work most of his 31 boys into the scrimmage, but will rely mainly on the following players: Larry Henry, Dan Mike Bird, Paul Campbell, Steve Kralicke, Mike Gamble, Rickey Trawek, Randy Adkins and Mike Payne, backs; Ronny Clifton, Jon Lee Black, Gary Taylor and Randy Smith, ends; Mike Shrode, Tommy Carpenter and Lee Looney, tackles; James Corder, John Carl Borchardt, Otis Johnson and Toye McCurley, guards; and Bill Harris, center.

The starting line-up will average 155 pounds in weight without Carpenter. It jumps to 160 pounds per man with the freshman tackle playing. It looks like several of the freshmen will see much service this season, especially Carpenter, Looney, and Payne.

The opening game of the season for the Wildcats will be with the 2A Iowa Park Hawks here next week.

Gilliland Home Coming to Be Held Sunday, September 1

A homecoming of all former residents of Gilliland will be held Sunday, Sept. 1, in the Gilliland School gym.

The homecoming will be an all-day affair and everyone is asked to bring a basket lunch.

Kills Two Big Rattlers Last Friday Morning

Jim Davis, who lives north of town, was showing two large rattlers he killed Friday morning. The two snakes were together when Mr. Davis killed them. One had 12 rattlers and the other 9.

Lions Club Meeting

The Crowell Lions Club met Tuesday noon with most of the members present. President Travis Vecera presided and informed the members that he wanted "each to work with vigor during our zone contest promoting community service."

Lion R. C. McCord introduced Dr. C. P. Herndon as the guest speaker. Dr. Herndon is minister of the First Christian Church in Dodge City, Kansas, and he gave an interesting program on how to build a church. He is now holding a revival at the local First Christian Church and he invited all to attend.

Other guests were Printess Gidney and Marion Crowell.

New Technology

New technology will enable oilmen to find and develop economically more oil and gas fields between 15,000 and 20,000 feet deep and eventually reservoirs deeper than 30,000 feet, says an officer of the Continental Oil Co.

Booster Club Hears Talk by Copper Testing Chief

Twenty-five Crowell businesses were represented at a meeting of the Booster Club last Thursday night in the Community Center, at which time W. H. Mendenhall of Wichita Falls, who is in charge of the copper ore testing on the Johnson-Ekern ranch northwest of Crowell, explained to the group what his company's plans are in their search for copper here.

Mr. Mendenhall said that when he came to Crowell early this year, he was to drill 2,600 test holes and analyze the core drillings for their copper content. As of Wednesday of last week, he had drilled 731 of these test holes and had proven a total of 550,000 tons of copper ore. A minimum of 1,000,000 tons of ore must be proven in the field before his company would begin the mining operation.

According to Mr. Mendenhall, 3½ million years ago this area was the bottom of the Permian Sea, which extended from Kansas to the Permian Basin area of west Texas. Since that time, what he called a "lazy swamp" precipitated the copper out of the soil in the quantities found at the test site.

Mendenhall and his crew expect to be testing at the area until sometime early next year, and he says that if the million tons of ore can be proven to be in the area, his company will spend about \$700,000 in constructing a mill to process the ore. This mill would employ about 25 or 30 men for a 10-year period.

He and his crew have already spent around \$74,000 here in testing the site. In one particular area tested, he said that a 45x150-foot plot proved to contain 1,500 tons of ore. The ore tested thus far is 12 to 14 per cent copper, which Mr. Mendenhall says is an extremely high grade ore.

Booster Club Makes Plans
In the Booster Club meeting following Mr. Mendenhall's interesting talk, President Frank Cooper announced that Jack Seale, Merl Kincaid, Cecil Driver, Houston Adkins and Irving Fisch are members of the board of directors and will work with the three officers: Mr. Cooper; J. H. Gillespie, vice president; and Ray Shirley, secretary-treasurer.

In order to have money with which to put on the annual Christmas opening and any other worthwhile project the club may undertake, the group voted to pay \$2.00 per month as dues for each business.

The club also agreed to sponsor a Trades Day in Crowell, details of which will be worked out in the near future. Also discussed and to be investigated further is the possibility of a retail credit association for Crowell merchants.

Next meeting of the club will be on Thursday night, September 12.

Dove Season to Open in Foard County Sunday

Dove season in Foard County will begin Sunday, September 1, and continue through Wednesday, October 30, Game Warden Charles Talbert announced Tuesday.

Hunting during this 60-day season will be from 12 noon until sunset each day, with no dove hunting permitted in the morning.

Game Warden Talbert said that shotguns used to hunt dove must be permanently plugged to hold not more than 3 shells. Daily bag limit is 10 birds with 20 in possession.

Mr. Talbert also said that shooting dove on a public road or from a vehicle is a violation of the law. No license is required of residents hunting in their own county, but out-of-county hunters must have a license.

Talbert added that from his observations around the county, the dove population this year is limited, and generally, he does not forecast very good hunting.

Hot, Dry Weather Continues Here

The hot, dry weather which has burned up crops all over the county and put an immense strain on the City Water Works here in Crowell, continues over this area this week. Forty-four days since June 28—a total of 60—the temperature here has risen to at least 100 degrees.

High and low temperatures recorded during the past week follow:

- Aug. 22: high 103, low 72.
- Aug. 23: high 103, low 80.
- Aug. 24: high 107, low 79.
- Aug. 25: high 94, low 80.
- Aug. 26: high 100, low 75.
- Aug. 27: high 101, low 75.
- Aug. 28: low 78.

Forty-Four Attend Family Reunion

The tenth annual reunion of the family of the late Victor Johnson was held Sunday, August 25, in the Community Center here in Crowell with 44 members of the family present.

The group enjoyed a discussion of the International Sunday School lesson at 11:30 with J. V. Johnson of Loco, Okla., as leader. Singing was led by A. R. Edelman of Estelline, a friend of the family. Miss Elizabeth Edelman of Fort Worth was pianist.

The group enjoyed a basket lunch together at noon and had a very enjoyable time visiting until about 4:30 p. m.

The reunion will be held here again in 1964 on the fourth Sunday in August.

Five New Vehicles

Five new vehicles were registered here last week, as follows: Aug. 19, Theran L. Slape, 1963 Ford 4-door; Aug. 19, Texas Ford, 1963 Ford 4-door; Aug. 20, Lawrence M. Cox, 1963 Ford 4-door; Aug. 21, Beryl Dodson Self, 1963 Ford pickup; Aug. 22, Kincaid Ranch, 1963 Ford pickup.

Nine Crowell Businesses Lose Money to Burglars

Senior Leaders to Honor 8th Graders with Hawaiian Luau

The members of the Foard County 4-H Junior Leaders Club are entertaining the eighth graders with a Hawaiian Luau Friday night at 7 p. m. at the Youth Center.

All eighth graders who are interested in becoming a member of the Foard County 4-H Junior Leaders Club are urged to attend the luau.

The Junior Leader girls are preparing the food and the boys are decorating for the occasion. This fall, the county agents are expecting a good group of Junior Leaders and have some interesting educational programs planned.

Janette Moody on Dean's Honor List

Miss Janette Moody was named the Dean's Honor List at Texas Tech, Lubbock, for the spring semester.

Miss Moody is the daughter of Mr. and Mrs. Criss Moody of Crowell.

July Savings Bonds Sales in County Total \$17,650

July E and H Savings Bonds sales in Foard County totaled \$17,650, according to George Self, chairman of the Foard County Savings Bonds Committee. This figure represents 52 per cent of the 1963 sales goal of \$100,000. Sales here thus far this year are \$52,016.

Savings Bonds sales in Texas for the first 7 months of 1963 totaled \$87,895,038, which represents 58.4 per cent of the state goal of \$150,600,000.

Car Hits Cow on Rayland Highway

Mr. and Mrs. John Jokol of the Rayland community were bruised and shaken up when their late model car hit a cow which ran across the road one mile west of Rayland early Wednesday morning of last week.

The cow was killed and the Jokol auto heavily damaged.

Mrs. Ray Pyle in Vernon Satur-
day.

**One Mark of
Dictatorship Is Rigid
Control of Labor Force**

"One mark of dictatorship, fas-
cist or communist, is rigid con-
trol of the labor force. Just re-
cently, Cuba, which is now per-
fecting the tools of dictatorship,
announced that from now on all
employment must be handled
through the state employment
service . . . we are heading in the
same direction here . . . A num-
ber of people connected with U.
S. Employment Service have made
it plain that they want to do all
the job placement in the country.
In the Employment Security Re-
view it is stated that "It is intend-
ed that the employment office in
each locality will become the com-
munity manpower center."—Qua-
kertown, Pa., Free Press.

**It's a Toss-Up
Which Is Worse**

From the New York Times: "It's
a toss-up which is worse: the sound
of a transistor radio outdoors or
the sight of the person who lov-
ingly carries it, usually walking
about open-mouthed and/or glass-
eyed. Transistor radios, espec-
ially . . . outdoors . . . are a blight
on the landscape and to the ear-
drums. Adult children and child-
ish adults use them as mating
calls and conversation pieces. Sit
on the grass or a park bench and
a pointy-headed addict will sit
nearby and blast off. Carriers
(remember Typhoid Mary?) play
them loudly at ball games, even
at music festivals. Passengers play
them in buses, and other fanatics
play them at the beaches."

**Two Minutes
 With the Bible**

Do You Understand?

When Philip the Evangelist heard the Ethiopian prince reading Isaiah 53, he asked him: "Understandest thou what thou readest?" (Acts 8:30). This is a question we should continually keep asking ourselves as we read the holy Scriptures.

Many religious people do not much care whether or not they understand what they read if only it warms their hearts! To them the Bible is little more than a fetish. Taking only those Scriptures which appeal to them and leaving the rest, they actually feel themselves quite spiritual and often talk about believing the Bible whether or not they understand it.

But such "spirituality" is far from honoring to God, and such "faith" is blind and superstitious at best. While it is true that the Bible teaches many truths which we believe though they are beyond our comprehension, yet to believe what it says we must first understand what it says. God would have us read His Word and believe it intelligently. Indeed, true faith will want to understand more and more of God's Word. One who does not care whether or not he understands what God has said is not really interested in knowing what God has said. Such a person will take any passage that suits his fancy and use it as he wishes, for his "faith" is based, not on an understanding of what God has said, but on his own will.

The Church would be stronger and more aggressive if more of God's people had a deep desire to know and understand what God has said to them, and if those in the pulpit had the single passion to understand God's Word and help others to understand it.

In Mark 6:34 we read that our Lord was "moved with compassion" toward the multitudes because He saw them "as sheep not having a shepherd; and He began to teach them many things."

The reason so many people can do no more than hope for salvation, is because they have never even been taught God's simple plan of salvation, how "Christ died for sinners" so that they might be justified "by grace, through faith." We must begin our study of the Bible by understanding and believing this great truth.

**Progress Made
 Against Diseases**

Dr. Austin Smith, President of the Pharmaceutical Manufacturers Association, writes in West Coast Druggist: "Last year 50,000 substances were screened for anti-cancer activity, and about 175 were in clinical use. Progress against Hodgkin's disease and leukemia was made. Hormonal treatment in heart disease showed promise. Immunization against tuberculosis seemed possible. Oral polio vaccine became available, and a measles vaccine was in final testing. There were new developments in a dozen other areas, including multiple sclerosis, mental illness, infertility, and even the common cold."

FRIGIDAIRE

1964 FLAMELESS ELECTRIC DRYERS

Your best wife saver and clothes-saver — the new 1964 Frigidaire flameless clothes dryers!

Dries breeze fresh, safer than sunshine. Flowing Heat tumbles clothes gently on a cushion of air, pampers finest fabrics! No sun-fading — clothes stay color-bright!

In many dryers, lint cleaning's a chore. Not with Frigidaire! Easy-reach, no-stoop lint screen in door of every Frigidaire dryer takes the headache out of lint cleaning. Fine mesh catches even tiny particles.

Better than all outdoors! Automatic Dry control thinks for itself — shuts dryer off when clothes are just-right dry! Ends drying time guesswork.

FREE INSTALLATION for WTU customers, eliminating the costly expense of the plumbing connection necessary for flame type dryers.

Yours for as little as \$5.20 a month

From the News...

THIRTY YEARS AGO

News items below were taken from the Thursday, Aug. 31, 1933, issue of The Foard County News:

Foard County went dry on each of three questions concerning repeal of the 18th amendment and beer in the election here Saturday. The final state vote gave Texas a substantial majority for the vets, thus making Texas the 23rd state to approve repeal.

Miss Elsie Faye Roark was elected substitute teacher for the Crowell schools at a meeting of the board of trustees here Tuesday night.

Births: To Mr. and Mrs. Gordon Bell of Crowell at St. Paul Hospital, Dallas, Aug. 28, a boy, Gordon Jr. To Mr. and Mrs. Joseph P. Rader, Foard City, Aug. 26, a girl, Mary Alice. To Mr. and Mrs. Rex Traweck, Foard City, Aug. 22, a girl, Peggy Joyce.

General rains over Foard County Saturday and Monday brought the total rainfall for August to 3.22 inches.

Foard County wheat farmers began this week to sign up their allotment of acreage in cooperation with the Federal government to control the wheat acreage of the county for the years 1934 and 1935.

Information concerning the sale of pigs and sows to the government under the Emergency Hog-Marketing Program has been received by Fred Kennels, county agent.

Mr. and Mrs. John Sandlin and son of Seminole, Okla., came last Thursday to visit with his brother, Arthur Sandlin, and family.

Glen Fox and Miss Vera Cates were united in marriage Saturday afternoon in Frederick, Okla.

J. C. Taylor and children, Jessie and Percy, were in Tyler last Thursday.

Mr. and Mrs. Ebb Seales and children and Mrs. M. F. Crowell Jr. returned Sunday night from a visit in Taylor and Austin.

Coach Grady Graves has sent word that active football practice will begin Monday afternoon at 4 o'clock.

Roy Ricks has returned from Electra where he has been in the employ of Cicero Smith Lumber Co. for several weeks.

Our milk prices: quart 10c, half-gallon 15c and gallon 30c. Delivered every morning, Joe Drabek.

Joe Di Maggio, 18-year-old schoolboy, has Pacific Coast league baseball fans all buzzing. Playing with the San Francisco Seals he set a new record by hitting safely in fifty consecutive games.

Mrs. Fred Traweck and daughters, Anita and Juanita, visited in Durant, Okla., a few days last week.

Greedy Landowner Can Ruin Fishing

"Some landowners would ruin the fishing in their stock tanks if they did not first find out about proper stocking," says Kenneth C. Jurgens, inland fisheries supervisor for the Texas Game and Fish Commission at Rockport. Some landowners apply for repeated restocking of hatchery raised fish for tanks that are already overstocked.

One landowner recently applied for fish for his 30.5 acre lake. Game department records showed that the lake was stocked in 1962, so a game warden was asked to investigate the need for more fish. The warden found the lake consisted of three surface acres instead of 30.5 and that bass in the 10-inch class could be caught "almost every cast." Needless to say, the application was not approved.

Fish, like livestock, can quickly overstock a given area unless tremendous fishing pressure is applied. "It is almost impossible," said Jurgens, "to fish a stock tank hard enough to prevent overstocking by the natural spawn of bass and sunfish. When fishing becomes poor in stock tanks, it does not always mean that the waters need more fish." Too many fish is usually much worse than too few.

Can Be Stopped Only by Greater Force: Frank S. Meyer in National Review says: "Communism . . . is a power machine whose essence is the drive to world conquest, a drive conducted on all levels but backed always by the threat of ruthless use of armed force and limited by no moral criterion, only by the criterion of probable success. It can be stopped only by force greater than the force of which it disposes."

The Bank for International Settlements comments: "The economy of the United States during the past year has continued to be afflicted by . . . a serious balance-of-payments deficit, without significant improvement. . . . Designing schemes . . . will not solve the problem . . . the situation calls for more vigorous measures."

Smith has received a message that her sister, Mrs. Homer Barham of Dublin, former Truscott resident, is seriously ill with a stroke.

Central Flyway Duck Hunters Will Have Bigger Bag Limits

Duck hunters in the Central Flyway will have bigger bag limits and a longer season to look forward to when the 1963-1964 seasons open this fall. The Central Flyway states of North and South Dakota, Nebraska, Kansas, Oklahoma, Texas and those parts of Montana, Wyoming, Colorado, and New Mexico lying east of the Continental Divide have been given options of selecting 35 consecutive days of duck shooting or split seasons totaling 32 days, according to the Bureau of Sport Fisheries and Wildlife. Daily bag and possession limits of four and eight were approved by Secretary of the Interior Stewart L. Udall. This is double the bag and possession limit of the 1962 season in the Central Flyway.

The restriction on taking mallard ducks continues this year, with only two mallards allowed in the daily bag and four in possession. Mallard breeding populations set an all time low in 1962 and have not shown marked recovery this year. Average mallard production is expected this year from the lowered breeding populations, and the Bureau hopes that continued restrictions will allow for an increase in the 1964 mallard breeding stock. Bag and possession limits on

Corn Belt Still First in Fed Cattle, But Slipping

Although the Corn Belt still ranks first in the production of fed cattle, this region is rapidly losing its monopoly in the cattle feeding business, says Ed Uvacek, livestock marketing specialist, Texas Agricultural Extension Service. In the early 1930's the Corn Belt accounted for 83 per cent of all cattle on feed, but in 1963 only 7.9 million head, or 67 per cent of the fed cattle were from these states. The western states now report over five times as many cattle and calves on feed as they did 30 years ago, says Uvacek. Texas is not the least of the competitors for a part of this cattle feeding business, says Uvacek. The state will feed three times as many cattle and calves in 1963 as it did in 1958. This means that more than 850 thousand head should be marketed from Texas feedlots this year, he says. The increased production of feed grain, a stronger demand for fed beef, and good supplies of feeder calves have stimulated cattle feeding in Texas, says the specialist.
