Former Thalia Farmer, F. W. Butler, Died in Vernon

F. W. Butler, retired farmer, died at his home in Vernon Friday morning after an illness of three weeks. He would have been 79 on Dec. 18.

Funeral services were conducted at 3 p. m. Sunday in Sullivan Memorial Home in Vernon by Elmer J. A. Netherlin, pastor of the Baptist Church. Burial was in East View Memorial Park. Mr. Butler was born Dec. 18, 1881, in Palo Pinto County and moved to near Thalia in Foard County in 1920. He farmed there until he retired and moved to Vernon in 1952.

He and the former Miss Addie were married at Santo, Texas, May 19, 1907. He had been a member of the Primitive Baptist church in Vernon 28 years.

Surviving are his wife; one son, Shel Butler of Chillicothe; 3 daughters, Mrs. Ima Callahan of Joplin, Mrs. Iva Ruth McBeath of Vernon and Mrs. Eva Lou Gray of Dallas; three sisters, Mattie Gould of Weatherford, A. C. Edwards of Amherst, Mrs. Bert Riley of Canton; brother, Zack Butler of Weatherford; 12 grandchildren and six great-grandchildren.

Rotary Club
The president Grady Halbert died at the Wednesday noon meeting on Dec. 7 of the Rotary in the absence of the president, James Herring.

Grady Graves was in charge of the program with Dr. Walter making a talk on rabies. The seriousness of so many dogs in town that have not been vaccinated. Dr. Stapp said rabies can be controlled. A control of rabies was also discussed.

Plans were made for the annual Christmas party for Rotarians at the Rotary Annex and the tented date set for Tuesday evening, Dec. 20.

Rotarian Vance Favor of Quanah was a visitor.

FOOTBALL BOYS GET JACKETS

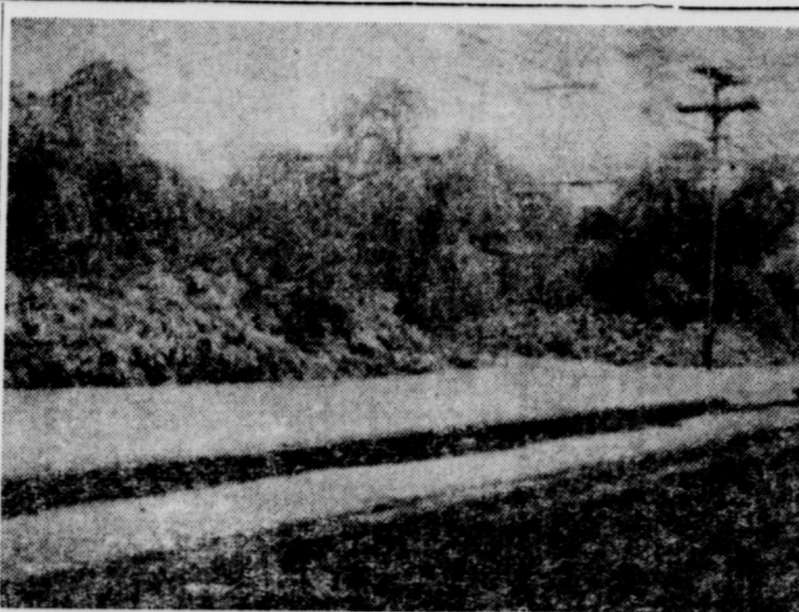

The Crowell High School football boys were presented their award jackets and sweaters in an assembly program at the High School auditorium last Friday morning.

Supt. Grady Graves made a few complimentary remarks to open the program. Coach Thayne Amnett presented the awards. Miss Carole Fisch was given a present for her help during the season in arranging rides home after the work-outs.

The jackets are black, trimmed in old gold, with leather sleeves. The sweaters are also black and gold.

The following twenty-one boys received jackets: Gary Carpenter, Wesley Cummings, George Moss, Guy Todd Jr., Don Welch, Jackie Hickman, Bill Smith, Taylor Johnson and Joe Barry, seniors; Dale Henry, Ronnie Bradford, John Stone, Gerald Howard, Jim Mac Gafford, Danny Rader, James Borchardt and Jerry Setliff, juniors; Dale Doyal, Bob Borchardt, Paul Bax Ekern and Junior Hopkins, sophomores. The four managers, Don Polk, Kenneth Carroll, Nolan Tole and Kenneth Campbell, also received jackets.

The eight boys who received reserve sweaters were: Larry Henry, John Carl Borchardt, Jimmy Hudgens, Jon Lee Black, James Corde, Terry Mason, Mike Shroder and Bill Fitzgerald.

Sunday Marks 100th Anniversary of Re-Capture of Cynthia Ann Parker

J. Henry Ray of Vernon reminds the News that December 18 marks the 100th anniversary of the re-capture of Cynthia Ann Parker from the Comanche Indians at the mouth of Mule Creek on Pease River east of Margaret. Mr. Ray's letter follows:

"Attention is directed to the 18th of December as marking the 100 years since the Battle of Pease River. This event furnished the story of Cynthia Ann Parker, and that of her son, Chief Quanah Parker, which followed.

"Among other incidents of history marking the closing days of the Plains Indians in Texas, the recovery of the white woman captive from Comanche Indians at the Battle of Pease River Dec. 18, 1860, stands alone in dramatic composition with real life stories connected with Texas Indians.

"Recovery of twenty-seven flint knives from a cache in the bank of Mule Creek during the spring of 1940 would indicate this campsite where the battle occurred was in use for preparing buffalo meat for tribal use, not necessarily for attack on Texas settlers."

Cynthia Ann Parker, the little girl who was captured by the Comanche Indians in 1836, became an Indian in habits, became the squaw of a mighty chief and the mother of one of the greatest leaders among the Plains Indians. She was re-captured by Capt. Sullivan (Sul) Ross at the battle of Pease River nine miles northeast of Crowell on Dec. 18, 1860.

A monument was erected at the site of the battle in 1936.

HAMMONDS LAND GETS NEW DUAL PRODUCER

Tom B. Medders, Wichita Falls, No. 1 G. Hammonds, 600 feet from south and 1,760 feet from east lines of section 15, block 8, H&TC survey, has been dually completed as a Cisco sand discovery five miles northeast of Thalia in Foard County.

The discovery pumped 91 barrels of 36 gravity oil, plus 35 per cent water, daily from the Cisco through perforations at 2,600 to 2,631 feet.

From the Canyon, it pumped 84 barrels of 39.8 gravity oil, plus 10 per cent water, daily from open hole at 3,107 to 3,210 feet. Operator has suggested Main 2,600-foot Cisco sand as the new pool name.

New Telephone Numbers for Crowell Jan. 16

Telephone customers in Crowell will be assigned a new type of telephone number when the new directories become effective January 16, 1961.

Known as the All Number Calling (ANC) plan, each telephone number will be composed of seven digits. F. A. Robinette, district manager, explained that the new system eventually will replace the more familiar two letter-five number (2L-5N) system inaugurated when the telephone industry first launched its long range program to permit operators and customers to dial direct from one city to another.

The new numbering plan will eliminate some previous dialing errors resulting from confusion between the numerals 1 and letter I and numeral zero and the letter O.

In Crowell's case, the MU will be changed to 68 and there will be no further change in numbers, and no change in dialing.

Fred T. Calvert Dies in Santa Paula, Calif.

Fred T. Calvert, 61, died suddenly of a heart attack on Nov. 17, while working as a route man for a laundry. Until about a year ago, he was circulation manager for the Daily Chronicle in Santa Paula, Calif.

Born in Osage, Kansas on Feb. 18, 1899, Calvert had lived in Santa Paula for the last nine years and was an active member of the Presbyterian Church and the Lions Club. He is survived by his wife, Mary E. Calvert, who is well known in Crowell; a daughter, Sue, of the home; two other daughters, Mrs. Pat Stiles of Tulare and Mrs. Frances Ann Arthur of Wichita Falls; a stepson, Joe Dodd of Key West, Fla.; two grandsons and two granddaughters.

"Xmas" Originated in Early Christian Church

The word Xmas as a form of Christmas originated in the early Christian Church, reports World Book Encyclopedia. In Greek, X is the first letter of Christ's name. It was often used as a holy symbol.

HEAVY SNOW FALLS HERE LAST SATURDAY

The first real blast of winter struck Foard County last week, bringing rain, sleet and snow in rapid succession and making driving conditions hazardous on streets and highways.

The wintry storm was the climax of cold, wet weather which has held this section in its grip for more than a week.

Wednesday of last week, rain fell intermittently all day, and on Thursday and Friday, rain and sleet fell, and on Saturday, a heavy snow blanketed this area to a depth of four or five inches. Total moisture received from the various forms of moisture which fell last week was 2.35 inches—all of which soaked in.

The snow melted Sunday for the most part, and a slight warming trend began. However, it was

short-lived, as a new front moved in Monday, holding the day's high temperature reading to 32 degrees, and a low Monday night of 27 degrees.

Rain and freezing temperatures teamed up Wednesday morning of last week to cause two wrecks two minutes apart at the Pease River bridge between Crowell and Quanah.

Involved in the two accidents were a 1959 Ford pickup driven by William Purcell of Childress, and a 1958 Ford driven by Mrs. Joyce White Drake of Quanah.

The pickup hit the bridge first, slid out of control, crashed into one railing and then the other. Two minutes later, Mrs. Drake's car ended up 30 feet behind the pickup.

Highway Patrolman Chester Fant, investigating officer, said no one was injured. Damage to the Ford was estimated at \$700 and to the pickup \$500.

Mrs. Drake, daughter of Mr. and Mrs. Clint White of Crowell, was en route here to attend the open house of the West Texas Utilities Company.

The snow and freezing rain caused considerable damage to tree limbs over town, and also broke power and telephone lines.

Wednesday was clear and cold—the first day skies have not been overcast here since Monday of last week.

High and low temperatures recorded here during the past week follow:

Thursday: high 40, low 38.
Friday: high 32, low 30.
Saturday: high 32, low 31.
Sunday: high 36, low 27.
Monday: high 32, low 31.
Tuesday: high 37, low 27.
Wednesday: low 31.

Yule Program at Christian Church

Bro. Charles E. Burgen, Minister of the First Christian Church, Crowell, announced Tuesday that the annual Christmas program will be Wednesday, Dec. 21, at 7.

The program consists of special music by the senior and junior choirs, recitations by the children, and a pageant by the young people entitled "Come to the Stable."

Everyone is invited to attend.

Miss Judy Johnson on Dean's Honor Roll at Lubbock College

Miss Judy Johnson, daughter of Mrs. Celeste Johnson of Thalia, was one of the seventeen students of Lubbock Christian College who made the Dean's Honor Roll.

Miss Johnson completed the first nine weeks period with a grade-point average of 2.7. An average of 2.5 is required to be eligible for the honor roll, according to Dr. H. O. Wilson, LCC registrar.

Santa Claus Makes Annual Visit to Crowell Last Friday Afternoon

Old Santa Claus was hampered by the bad weather last Friday afternoon, but he came to Crowell anyway, and gave candy to the kiddies and visited with them.

Due to the inclement weather, Santa Claus appeared at the High School auditorium, instead of downtown, as was originally planned.

Crowell Lodge Notes 60th Anniversary

The Crowell Masonic Lodge observed its 60th anniversary last Saturday night at a meeting in the local hall.

H. L. Ayers Jr., worshipful master, presided at the meeting and the principal speaker was Jack Hightower of Vernon. Mr. Hightower made an appropriate and challenging address. He is the new district deputy grand master for the 90th Masonic District.

The cold, snowy weather sharply reduced the expected large attendance of area Masons.

Oil Production Down

Foard County oil production dropped one barrel a day last week to 2,426 barrels daily. Previous week's production was 2,427 barrels daily.

Fourteen Injured in Accidents in County Thus Far in 1960

Santa has never failed to make his rounds yet, possibly because he uses an air-borne sleigh for transportation. But judging from the record, if the jolly old gent had to use Foard County highways, he might not get to your house for Christmas.

So far this year in this county, automobile accidents have injured 14 persons, and have caused property damage amounting to \$12,932.00.

In November the Highway Patrol investigated 5 accidents in this county. These wrecks accounted for two injured and property damage of \$3,085.00.

"Ninety-seven persons were killed in Texas automobile mishaps during the Christmas-New Year holiday period last year," Highway Patrol Sergeant D. R. Dowdy warned. "Sixty-eight per cent of these deaths occurred on rural roads and highways. Therefore, motorists should drive with caution when making holiday trips this year."

Schools to Turn Out Next Thursday for Christmas

According to Superintendent Grady Graves, the Crowell Public Schools will turn out for the Christmas holidays next Thursday morning at 11 o'clock. Classes will be resumed on Tuesday, January 3.

The two spring holidays will be March 10 to make it possible for the teachers to attend the District T. S. T. A. convention in Vernon, and March 31 for Easter. School will be out on Friday, May 19, this school year.

Sandra Choate Sings in Dallas Church Choir

Miss Sandra Choate, a graduate of Crowell High School and St. Paul's School of Nursing in Dallas, was a member of the choir of one hundred and sixty-six that rendered "The Messiah" by George Frederick Handel at the First Methodist Church in Dallas on Dec. 4, with full orchestra accompaniment. Robert E. Goodrich Jr. is pastor of the church.

Miss Choate is the daughter of Mr. and Mrs. Gilbert Choate of Cleburne, former Margaret residents, and the granddaughter of Mrs. J. J. Choate of Margaret. The Messiah consists of four parts, the prophecy, the birth, the passion and the resurrection.

The Japanese version of Santa Claus is the ancient god Hoteiosho, who has eyes in back of his head to help him see how children behave, according to World Book Encyclopedia.

ENJOY TRIP TO HAWAII—Among the J. I. Case Co. dealers who attended the Hawaii world premier and dealer sales conference in Honolulu are Mr. and Mrs. Clinton (Bud) McLain of Crowell and A. D. Starling, Dallas branch territorial supervisor. The trip was awarded Mr. and Mrs. McLain on the basis of sales performance.

Foreign Exchange Student

Last week CHS received a new addition, Felipe Rios — a student from Guanajuato, Mexico — arrived. He will be in Crowell for two months as a guest of the Spanish Club. This is a new experience for our school since this is the first time that an exchange student has come here.

I talked to several students to find out their opinion of what our school and town will profit from this experience.

Jeanette Moody: We will all have a better understanding of

our neighbors to the South by being around Felipe and understanding his customs. If exchange programs were carried on throughout the world, this world would certainly be a better place. We could learn the ways of other countries, and in return, they would learn our ways. A peaceful world might be the result of such an undertaking.

Ronnie Bradford: I think it is very good for Felipe to be here because he can get a better understanding of the American way of life—our schools, homes, etc. We can learn foreign ways of life that we have never known before. I think that it is exceptional for a school this small to have this opportunity.

Football Boys Receive Jackets

On Thursday, Dec. 18, the student body of CHS was assembled for the presentation of jackets and sweaters to the 1960 Crowell Wildcats by Coach Amoret. The jackets are black with black leather sleeves and gold emblems. The following twenty-one lettermen received jackets: seniors, Joe Barry, George Moss, Guy Todd Jr., Taylor Johnson (the preceding were all co-captains), Don Welch, Wesley Cummings, Bill Smith, Jackie Hickman and Gary Carpenter; juniors, Ronnie Bradford, John Stone, Dale Henry, Gerald Howard, Jim Mac Gaffard, Danny Rader, James Borchardt, Jerry Setliff; sophomores, Dale Doyal, Bob Borchardt, Paul Bax Ekern, Junior Hopkins, Jon Lee Black, Mike Shrode, Terry Mason, James Corder, Jimmy Hudgens, John Carl Borchardt and Larry Henry; freshmen, received sweaters, Bill Fitzgerald, who is a transfer student from Vernon also was awarded a sweater. Managers Don Polk, Kenneth Carroll, Nolan Tole and Kenneth Campbell were presented jackets for their fine work this season. Carol Fisch, who called rides for the football boys, was also given a gift.

Seniors of the Week

This senior of the week has blue eyes, brown hair, and a height of 5' 9 1/2". Basketball is her favorite sport. At the movies she enjoys Robert Wagner and Natalie Wood. She has been a class officer for three years. She has been elected as class favorite in 1959, student council officer in 1957, FHA officer for three years, most athletic in 1960, and most courteous in 1958.

By now, I don't have to tell you

that her name is Margaret Fiske. She is a member of Spanish Club, typist for Wildcat, member of Student council and pep squad. Margaret was on B basketball team for two years, and for the past two years, she has been a member of A basketball team. Her easiest subject is bookkeeping, and her hardest is Spanish. When she was asked her pet peeve, she replied, "A person that pretends to be something that he isn't." All types of food are enjoyed by Margaret. "I can't believe it" is her favorite expression. Margaret's parents and Mrs. Manard have influenced her the most in life. After graduation, she plans to attend either Midwestern University or the University of Texas.

Best of luck in the future, Margaret.

Tony Curtis and Debbie Reynolds are this senior girl's favorites at the movies. She likes chicken fried steak better than any other food. She has blue eyes, blond hair, and a height of 5' 3". Her favorite sport is football. "Oh gosh" is her pet expression, and her pet peeve is "someone who tries to be something that he isn't." American history is her easiest subject; the hardest is English IV. Her favorite pastime is writing to Gary.

Who else could she be but Barbara Goodwin Griffith. After this semester, she plans to start working in Lawton, Okla., as a secretary. She is a member of the CHS band that won state sweepstakes at the T & O Fair. She has received her chapter and junior degrees in homemaking and a certificate in bookkeeping. She is a member of FHA, Junior Adelpian Club, Dramatics Club, band, and Library Club.

She replied when asked who had influenced her most in life, "my parents and teachers have influenced me most in life because they have tried to show me the right things to do."

Best of luck in your job in Lawton, in your married life, and in the future.

Senior Girls Take Test

On Tuesday, Dec. 6, seventeen senior girls took the Betty Crocker test. This test is given nationwide; two winners from each state will go to a national meeting in Maryland; there one national winner is selected. The contest papers are graded by a Betty Crocker committee. We're eager to know which girl will be our local winner.

Band Squeaks

Those band jackets finally arrived last Wednesday! Naturally, Janice, Dorothy and Martha are wearing them everywhere in order to show them off. Almost everyone has noticed that the girls deviated from the usual black jacket and chose a gold jacket with white leather sleeves, and a black and white emblem. These jackets

were presented to the senior members of the band. The student body would like to congratulate these girls for their never-ceasing efforts in regard to the functioning of the band. Their jackets have been well-earned.

Student Council Meets

The Student Council met Dec. 12, 4th period. The meeting was called to order by presiding officer, Jackie Hickman. The minutes were read and approved.

The members of the Student Council will attend the FTA meeting in Vernon Dec. 19. This will be a joint Christmas meeting sponsored by the AAUW and the Delta Kappa Gamma. A telegram of congratulations and good wishes will be sent to Albany from our school.

Next meeting will be Jan. 3, fifth period.

Introducing S. M. U.

Last week the Wildcat introduced San Antonio's Trinity University; this week SMU is the college in the spotlight. Southern Methodist University is located within the city limits of University Park, approximately five miles from the business district of Dallas.

An applicant to the freshman class of the College of Arts and Sciences must be a graduate of an accredited high school and should have the following twelve academic units: English 4, math 3, foreign language 2, natural science 1, social science 2. For the pre-business program, the preceding credits with the exception of two units of a foreign language are required. Tuition per semester at SMU is \$325. Student service fee is \$37.50. Board amounts to \$220. Rooms range from \$100 to \$125 for men and from \$125 to \$150 for women.

Additional information may be received by writing Director of Admissions, SMU, Dallas 22, Tex.

F. H. A.

Several freshman girls have been working toward their FHA junior degrees by cleaning rooms and keeping children for the teachers. Elizabeth Pittillo, Barbara Bell, Ronni Sue Oliphant, Terri Thomas and LaRue Gidney clean the home ec rooms each Friday. Ruth Sanders and Carolyn Hickman keep the first and second grades one period each day. Beverly Thompson and Judy Little keep the bus children every day. Cloma Brown helps Mrs. Welch one period every day, and Nelda Chappell and Yvonne Wheeler clean Mrs. Todd's room every Friday.

Santa Claus Visits CHS

In spite of the bad weather, Old Santa Claus made his long-awaited trip to Crowell last Friday at 2:30 p. m. He had to make

a last minute change in plans and came to the school house instead of to the business district. First, he took the Christmas orders of the little children; then he welcomed the school children. While he was doing this, some of the business men handed out bags of Christmas goodies—candy, nuts, fruits. These were provided by the merchants of the town.

During the entire time, the Wildcat band played music in keeping with the Christmas spirit. When everyone had talked with Santa, he left to keep his appointment with some other group.

Farewell to '60's

This week let's give the 1960's a good look and see how we have rated during this wonderful year. How many of you lead your friends in the fashions that they follow: loose, easy fitting jackets; full, box pleated skirts; big bags; pointed pumps, leotards, bangle bracelets, smooth hair do, dramatic eyes, paler lipsticks?

The fashions change from year to year; sometimes the change is immense—sometimes the change is only minor. From '60-'61, I see the change will only be minor.

The 1960's have gone back to the "Roaring Twenties" in fashion; I feel that 1961 will be more like the 20's than this year was.

Let's all try to be more "fashion-conscious" in 1961 than ever before—even if the fashions are a re-run of the 1920's.

560 Texans Expected to Die from Injuries in Falls During 1960

Statistics indicate that this year we can expect approximately 560 Texans to die from injuries sustained in falls. In 1959 there were 595 such deaths—down from 627 in 1958.

There is no guarantee that the downward trend will continue. The sad fact is that these are not injuries to workmen on telephone poles or oil derricks. Except for a few they are mostly same-level falls occurring to older persons.

Final tabulations are not available for 1959, but in 1958 a majority total of 420 accidental deaths from falls involved persons between the ages of 70 and 94.

This same pattern evolves year after year. Most deaths occurring

among the rest of the age span are also the result of home accidents from falls.

Older people are naturally more prone to falls because of varying degrees of infirmity accompanying the aging process.

However, many home falls are preventable provided a sound plan of battle is followed to combat this number one home-accident killer.

For instance: in stairwells and hallways, adequate light must be provided night and day to avoid tripping or missing a step. A lamp or flashlight should be handy by the bedside. Another safety factor is to have hand rails even for a one or two step stairway.

Carelessness with electric cords make ideal trippers for old people and high-heeled ladies. Make sure no cords are exposed in walking areas.

Many a throw rug has thrown someone for a permanent loss. They should be tacked down or have non-slip pads underneath to prevent this all too common accident.

Spilled liquids need to be wiped up immediately. There is nothing slicker than a kitchen floor with bacon grease spilled on it.

Many accidents occur in the bathtub or shower. A rubber mat and grab bar for the bathtub or shower makes good sense. Put a grab bar by the toilet also. A practical present for grandparents would be the installation of such bars in their home. A weekly feature from Public Health Education Division, Texas State Department of Health.)

Black Death was the name given to the plagues which swept 14th century Europe, taking some 25 million lives.

Cannot Continue to Go Up and Still Be Security

"When Social Security tax were first levied in 1937, the minimum combined annual tax on employer and employee amounted \$60—or \$30 each. By 1959, combined tax on employers and employees will be \$432—or \$216 each. Since 1957, when more people became beneficiaries, the fund has been declining because it has been paying out more than it received. The deficit in 1960 amounted to \$1.7 billion.

should be destroyed.

After the bin and surrounding area have been thoroughly cleaned, they should be sprayed with a 2 1/2 per cent solution of either Methoxychlor, TDE or premium grade Malathion. Methoxychlor and TDE are also available as wettable powders and emulsion concentrates.

Dusts can also give satisfactory protection against insect pests. Toxaphene (20 per cent), DDT (5 per cent), or malathion (4-5 per cent) should be mixed with the seed at the rate of 2 oz. per bushel.

Burkett warns that treated seed should never be crushed or used for feed.

Hints Offered on Storing Cotton Planting Seed

Do you store your own cotton planting seed? If you do, it would be a good idea to check the seed for stored grain pests. Joe Burkett, county agent, says these pests occasionally infest stored cottonseed. This is especially true if a large percentage of the seed are cracked or if the seed is stored in infested bins.

Cottonseed should only be stored in bins that have been thoroughly cleaned of waste material such as old grain, trash or feed sacks, the agent says. Sometimes it is necessary to sweep the ceiling and walls and clean the floor to remove hidden waste. It is also a good practice to cover cracks with builder's molding to prevent seed from collecting in them. Waste grain, seed and other materials beneath and near the bins

Motorists Contribute More to Total Cost of Government

"Motorists as a group of taxpayers contribute more to the total cost of government in the United States than any other single user, profession or occupation."

"One of the interstate highway program penny-per-gallon taxes is due to expire June 30, 1961, but don't wager Congress will relinquish its hold on \$600 million so readily."—Kittanning, Pa., Leader-Times.

Not Ordinary Politician

"If he had been an ordinary man or just another politician, Ezra Taft Benson would have long since disappeared from the Washington scene. . . . Throughout his term of office, it has been his lot to enforce laws he believed unsound and to administer a program of waste and extravagance, which he could not get Congress to change. In doing this, he has had to shoulder all the blame, all the Congressional ire for policies which would not work. . . . When he goes back to Utah the United States will lose the services of a man who was not afraid to think straight in a world of political confusion."—Chester, S. C., Reporter.

Less Freedom for American People

"... Who would deny that the average American today has much less personal freedom than he had prior to 1914? In scores—perhaps hundreds—of ways, big and little, his life has become regulated. . . . In some states today a man is told—with government sanction—that he may work only if he joins a labor union. . . . Another rarely noted, is the curb on the citizen's right to protest. That right is basic; and the most effective of all protests is the refusal to pay taxes. . . . But how can a man refuse to pay a tax that is deducted from his wages?"—Franklin, N. C., Press.

One-Fourth of All Store Sales Come During Christmas

Stores in the U. S. depend on Christmas shoppers for one-fourth of all the sales they make during the entire year, reports World Book Encyclopedia.

DPS Predicts 90 Traffic Deaths During 1960 Holiday Season

The Department of Public Safety has predicted 90 traffic deaths during the 1960 Christmas holiday season. But in an effort to reduce that grim figure, the Department of Public Safety has assigned all officers to round-the-clock duty using all means available to rid the highways of those twin menaces to public safety—the drinking driver and the speeding driver.

Miss Janet Ann Raspberry Honored at Pre-Nuptial Shower

A bridal shower was given for Miss Janet Ann Raspberry, bride-elect of Jerry Doyle Cates, on Saturday, December 10, at the Adelpian Club house. Calling hours were from 3 to 4 o'clock.

Mrs. Virgil Johnson received the guests and presented them to the bride-to-be and her mother, Mrs. Ramon Raspberry. Mrs. Cloyd Ray Condren, sister of the honoree, presided at the guest register. Mrs. Layton Mayes and Miss Peggy Cates poured punch from a Festeria punch bowl. The table was beautifully decorated with the bride's chosen colors of lilac and white. Lilac chrysanthemums encircled a white styrofoam cone with lilac trim. The table was covered with an off-white linen cloth.

Three grandmothers of the betrothed pair were present: Mrs. E. E. Asher of Paducah, Mrs. T. R. Cates Sr. of Thalia and Mrs. Maude Raspberry of Crowell.

Ed McDaniels Honor Australian Visitor

The Ed McDaniel home was recently the scene of a delightful dinner honoring Miss Bronte Gooden, a guest in the Glen Fox home. A special feature of the delicious dinner was the quail which Miss Gooden had never before tasted.

The lovely table was covered with a white linen cloth and laid with china and crystal and centered with a low arrangement of white chrysanthemums.

Guests were Mr. and Mrs. Glen Fox, Miss Gooden, Kenneth Fox and the host and hostess.

C. T. Hords Hosts at Farewell Dinner for Miss Bronte Gooden

Last Thursday evening, Mr. and Mrs. C. T. Hord were hosts at a lovely farewell dinner party complimenting Miss Bronte Gooden, who left on Sunday for her home in Adelaide, Australia.

The living room and dining area were beautifully decorated in the Christmas motif and the Christmas theme was carried out on the beautifully-appointed table which was laid with an imported cut-work cloth and set with Bavarian china and crystal.

Present were Mr. and Mrs. Glyndon Johnson, Mr. and Mrs. Glen Fox, Kenneth Fox, Miss Gooden, Ken Ferguson, Billy Hord and the host and hostess.

Spaghetti Supper Honors Miss Gooden

Miss Jean Whitby was hostess at an informal "Spaghetti Supper" recently complimenting Miss Bronte Gooden. Following the evening meal, Miss Whitby delighted her guests by analyzing their hand writing.

Those present were Mr. and Mrs. Joe Lee and Buddy Hingst of Vernon, Mr. and Mrs. Glyndon Johnson, Kenneth Fox, Miss Gooden and the hostess.

Garden Club

The Crowell Garden Club met in the home of Mrs. R. J. Thomas Friday afternoon, Dec. 9, with Mrs. Clarence Garrett as co-hostess with Mrs. Thomas. This being the annual Christmas meeting, Mrs. Thomas had her home beautifully decorated for the occasion.

Mrs. Virgil Johnson, president, presided and after dispatching such business as dues, reports and correspondence, an interesting program was presented.

Mrs. L. A. Andrews reported on the recent flower arrangement demonstration at the Vernon auditorium and Mrs. Jack Roberts had prepared a paper on American birds—mentioning in her report those peculiar to this particular area. She listed the names of about 50 species that are common to this locality. Open discussion by the members disclosed that there are more geese, ducks and cranes to the east of here than usual and fewer of the common variety of small birds; in fact, practically none in trees and yards this fall. Could it be that crop poisons have taken their toll? Mrs. Roberts asked.

A delicious refreshment plate was served to 13 members.

Columbian Club

At the home of Mrs. Roy Fox Wednesday, Nov. 30, the Columbian Club met for the study of Old Mexico. The president being absent, the meeting was presided over by Mrs. Gerald Knox.

The devotional was given by Mrs. R. J. Thomas reading from 1st Corinthians, 13th chapter. A motion was made to send gifts to the state hospital at Vernon.

Mrs. Knox was leader for the lesson. Mrs. Ed Roark gave some of the history and told about the customs of Old Mexico and about the customs of the people. Also, Mrs. Jack Roberts told of what Mexico City represents, also showed some articles that came from there, and also told about the food. One new member, Mrs. Homer Black, was welcomed into the club.

The hostess served delicious refreshments to 12 members. The next meeting will be the Christmas program at the home of Mrs. Karl ten Brink on Dec. 14.

Fidelis Class

The Fidelis Class of the Baptist Church met Dec. 6 in the home of Mrs. Sherman Nichols. Mrs. Jewel Solis and Mrs. Alma Wallace were co-hostesses with Mrs. Nichols. The meeting was opened by prayer by Mrs. Russle Horde. A Christmas story was given by Mrs. Ruth Stapp after which Christmas carols were sung by the group. Gifts were exchanged from a beautifully decorated tree.

Refreshments were served to the following: Mesdames Hazel Walker, Lora Bell, Russle Horde, Geraldine Smith, Olive Denton, Roberta Barker, Marie Callaway, Sally Archer, Opal Marr, Miss Maye Andrews and one visitor, Mrs. Ruth Stapp.

Home Demonstration Notes

We are very pleased that Mrs. Elton Carroll has been selected to the 4-H Committee of the Texas Home Demonstration Association.

Help your family guard against "The Christmas Cold."

Fatigue, too much food and not the right kind, tension and excitement, all are factors in lowering body resistance to the common cold. The holiday season can easily set the stage for sniffles or a really bad cold.

Food makes a difference. Start family members with a good, wholesome breakfast every day. Plan for simple, balanced meals during the holiday rush. Eat at regular times as much as possible. Reserve the sweet or rich foods for meal-time dessert. Keep in-between meal refreshment snacks light and nutritious. Fruits, fruit juices, crisp, colorful vegetables served with special dips can be just as tasty and appealing as rich, heavy foods.

Tension and fatigue may be hard to control when the rush starts. But proper food before and during the busy season will help keep resistance up.

Try serving this during the cold holiday season:

Wassail Cup

2 cups sugar, 2 cups water, 6 cloves, 1 stick cinnamon, 1/2 tsp. allspice berries, 1 tab. grated lemon rind, 1 tab. grated orange rind, 1 tab. chopped, candied ginger, 1 and 1/2 cups orange juice, 3/4 cup lemon juice, 2 cups apple cider.

Boil sugar and water together for 5 minutes. Add cloves, cinnamon, allspice berries, lemon rind, orange rind and ginger. Cover and let stand for several hours. Add orange juice, lemon juice and apple cider. Bring to a simmer and serve hot.

Home Fire Hazards Increase at Christmas

Stop and think what would happen should a spark get into the tinsel and tissue paper that usually packs a house at Christmas. Santa might have a chimney to come down, but he wouldn't have a house to leave the gifts in. Fire safety is especially important during the holiday season because of

added hazards, warns Joe Burkett, county agent.

One of the principal fire hazards is that beautiful tree in the corner of the living room. The agent says that this danger can be minimized by selecting a freshly cut tree shortly before Christmas. The tree can be kept fresh by cutting the bottom diagonally and placing it in water or wet sand.

Placing the tree is also important. It should be placed so it will not block exits, and should be kept well away from the fireplace, stove, powerful electric lights or other sources of heat.

The agent recommends that only Underwriters Laboratories approved lights be used on the tree. Lights which have been used before should be checked for frayed wires or damaged sockets. Electrical circuits should not be overloaded with additional lights, toys or appliances.

Only nonflammable decorations should be used on the tree, and tree lights should be turned off when no one is at home or when

the family retires. As soon as the needles begin to dry and fall, the tree should be discarded.

Fire safety should not be confined to the tree alone. Discarded wrappings and packages should be put in the trash can as soon as possible. Smokers should also be extra careful where they lay cigarettes, cigars and pipes.

Make sure that Santa does something besides a chimney when he visits your home. Observe the basic rules of home safety to keep the Christmas season a happy one, the agent concludes.

A Christmas Thought—Or Two

Christmas will have a double meaning this year for movie star Rita Gam. There'll be the usual decorating and gift-buying, with Savings Bonds for family members. But the birthday of Christ should have added significance for her after completing her latest film, "King of Kings." This newest film story on the life of Christ is due for release early next year. Meanwhile, Rita is preparing to enrich her children's Christmas with United States Savings Bonds. "I've always found Savings Bonds ideal gifts for Christmas," she says. "And in the case of my two children, they will have a good supply to help meet their college expenses when they grow up." The 32-year-old actress has been a star of stage, screen, and television since her teens.
