IOW DO YOU I Believe Gasoline Taxes Are Too High!

## HOW DID YOU VOTE? No matter how you voted, these facts on gasoline taxes are important to you:

### • Everywhere in Texas, car owners pay 90¢ tax on every 10 gallons of gasoline they buy! • Gasoline taxes across the nation amount to a 50% sales tax – and that's five times as high as the tax rate on luxuries like diamonds and

• Since World War II, there have been three increases in the Federal gasoline tax alone. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 5 cents a gallon!

mink coats!

• In the last ten years gasoline taxes have skyrocketed 51%-yet the price of gasoline itself has risen only 5.5% during the same period!

• Each year the average motor vehicle owner in this state pays \$78 for gasoline taxes alone. That's just a few dollars less than the average week's pay for most people!

## HIGHWAYS AND GASOLINE TAXES

Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that all special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.

Where were Jim Mac and Gaye? The scandal knows!

Barbara-Jackie, Alta-Danny and Lynda-Bob and Carolyn-Taylor were seen at the Quanah game Friday night.

Seen at the ball game Thursday were Pat B. and Jimmy T. Seems Marcia and Carolee O. were "stuck up" Sunday. Are boys really worth all that?

Fauncine, why were you so blue Monday morning? Remember, if you don't at first succeed, try, try again

There seemed to be quite a bit of friction between several kids Saturday night. What about this, gang

The scandal wants to know what Wesley was running away from Saturday night. Sounded interesting!!

Kay seemed to have problems Saturday night. Did someone foul

up your plans? Surprise! A new steady are Sue and Wesley. Good luck! Joyce L. and Edward H. are

making it even more steady. She has an engagement ring now. Wow!

Carole Sue, seems you have a knack for collecting other people's problems. Have you learned to keep a secret, yet? Well, the scandal bug has "got off" at almost every town of interest including Quanah, Crowell, and Vernon. Be seeing you next week. Over and out!

In cowboy parlance, a woman who is looking for a husband is said to be "draggin' her rope."

#### RESIDENTIAL SUBSCRIBERS

Your "Phone Book" listing is important to you and your friends. Won't you check yours, and call us promptly if you wish to make a change.

If you've considered including other members of your family, now is the time to do it. Extra listings cost so little, make it so much easier for your friends.

### BUSINESS SUBSCRIBERS

Complete representation in the Yellow Pages will bring more customers to your door. And you can be sure of reaching many more buyers by listing under additional classifications.

Consider also the advantages of having directory representation for key people in your company. This added "exposure" really pays.

But time is short. To make sure you'll be properly represented in the new Directory, call our Business Office right away.

# REAR-ENGINE CORVAIR 95's-THE TRUCKS THAT BEGAN WITH 4 WHEELS AND A FRESH IDEA!

Here are high-capacity haulers that offer the most accessible load space you ever saw. Think of up to 1,900 pounds of whatever you haul riding on a highly maneuverable 95-inch wheelbase. This design's a beauty. Features 4-wheel independent suspension, integral body-frame build, thrifty air-cooled rear engine-all kinds of fresh new ideas about truck efficiency and economy.

# TORSION-SPRING CHEVROLETS-WORTH MORE **BECAUSE THEY WORK MORE!**

You actually feel the advantages of independent front suspension in the almost total absence of I-beam shimmy and wheel fight. The driver rides easy, the load's better protected, tires take less abuse, the whole truck is subjected to far less damaging road shock and vibration. Efficiency goes up. Profits follow. Look over the whole line - both types of Chevy trucks.
