Improvement in several of the football boys has been noted at the end of spring training. Andrew Calvin has displayed plenty of ability in the backfield and at safety. George Carter, who practiced some last season, promises to be one of the main stays in the line next season. Mitchell Allee, center last year, has been shifted to quarterback and next season he should prove to be one of the best field generals in the history of Crowell High. Lester Patton, another sub in '31, has performed splendidly at tackle, and should be able to creditably fill one of the positions left vacant by John Todd and Recie Womack, two of the most famous tackles in in the history of Crowell High.

Production Declined

U. S. News & World Report recalls that in 1958 Khrushchev announced a plan to increase farm output 70 per cent by 1965. Production in 1961 would have had to show a rise of 20 per cent if the schedule was met. Actually, production declined by 6 per cent in the 1958-61 period.

ALEX SAIED

SAIED will make an HONEST effort to economize in Austin. As a business man Alex Saied knows how. No one could do worse in this department than Alex's incumbent opponent.

SAIED Pledges-

Texas Interstate Petroleum Com- Wallace.

- 1. NOT to SPEND YOUR tax dollar by using state vehicles and airplanes and pilots for his personal use.
- 2. To ECONOMIZE in expenses used to maintain legislative operation.
- 3. TO DO EVERYTHING POSSIBLE TO REVERSE the headlong rush toward complete socialism and spend and tax and spend and tax as exemplified by his opponent.
- 4. NOT to be a KEPT legislator—living it up as a guest of, and living off the various big money and lob-

byists interests. ALEX SAIED-will fight for legislationinstead of just talk-on these subjects-

- 1. Tighter laws on the sale and distribution of filthy literature.
- 2. Tighter laws on bootlegging and gambling.
- 3. Tighter laws on narcotic peddlers.

Alex Saied will introduce and fight for legislation to:

- 1. REQUIRE ALL LEGISLATORS AND STATE OFFICIALS TO REVEAL THEIR INCOME AND SOURCE OF INCOME.
- 2. Control communists and other subversives.

ALEX SAIED-Veteran, small town business man, outstanding civic leader, Deacon and a man you can trust.
