What is fertilizer? Why should  
it be used? How much should be  
applied? These are questions often  
asked by the farmers in the Foard  
County portion of the Lower Pease  
River Soil Conservation District.  
Fertilizing is simply the process  
of adding natural or manufactured  
plant nutrient-containing materi-  
als, usually inorganic (other than  
lime or gypsum), to the soil. So  
called Norman R. Davis, Conserva-  
tionist with the local Soil Con-  
servation Service.

The whole idea of fertilizing,  
Davis continued, is to maintain or  
improve the chemical or biolog-  
ical condition of the soil; supply  
plant nutrients needed to stimu-  
late plant growth; and to help  
reduce soil and water losses by  
increasing the quantity of plant  
growth.

Fertilizer recommendations  
should be based on a soils analysis  
where one is available for each  
specific field, Davis stated. It is  
best for land owners or operators  
to secure an analysis for each field  
at least once during the conserva-  
tion cropping system, preferably  
at the beginning.

Things considered in making  
fertilizer recommendations are:  
soil analysis, previous cropping  
and fertilization history, antici-  
pated production, amount of resid-  
ue present, quantity and quality  
of irrigation water, if irrigated;  
soil characteristics; and efficiency  
of fertilizers.

For waterways, pastures, or  
areas to be planted to small grain,  
the fertilizer may be drilled or  
chiselled in or broadcast and plow-  
ed under before seeding.

For the established pasture or  
waterway, the fertilizer may be  
broadcast, drilled, or chiselled in.  
In years when soil moisture  
is low and surface moisture is be-  
low normal, fertilizing is not rec-  
ommended in any dry farming soil  
or pasture.

Applications of fertilizer, to be  
most effective, should be within  
eighty per cent of the recommend-  
ed rate, Davis concluded.

### Funeral Services For Mrs. Porter Held Saturday Afternoon

Funeral services for Nancy Jane Porter, 103 (pictured above on her 100th birthday) resident of Crowell since 1926, were conducted in the Crowell Methodist Church at 3 p. m. Saturday with Rev. Kenneth Bingham, pastor of the Assembly of God Church, in charge, assisted by Rev. John Fitzgerrel, pastor of the church.

Mrs. Porter died early Thursday morning in the home of a son, Clarence Porter in Crowell, after a long illness.

A special musical number for the services was a duet, "Farther Along," sung by Mr. and Mrs. Allison Denton, with Jimmy Alcorn of Wichita Falls as organ accompanist.

Burial was in the Crowell Cemetery directed by Womack Funeral Home.

Nancy Jane Eiland was born Dec. 15, 1857, in Mississippi. On Feb. 13, 1877, she was married to John Thomas Porter in that state. She had been a life-long member of the Methodist Church.

Nine children were born to this union, four sons and five daughters, five of whom survive. They are Clyde Porter, Clarence Porter, Mrs. T. W. Lewis and Miss Alma Porter, all of Crowell, and Mrs. J. T. Jones of Richfield, Kansas. She is also survived by 23 grandchildren, 81 great grandchildren, 46 great great grandchildren and seven great great great grandchildren.

Mrs. Porter came to Texas with her family July 21, 1894, and had lived in Crowell since 1926. She was very active until the last few years, and had a host of friends and was loved by everyone who knew her.

Pall bearers were Joe Don Brown, Haskell Knotts, Jimmy Henry, H. L. Ayers Jr., Tommy Adkins and Kenneth Pounds. Assisting with flowers were Mrs. Ernest Weaver, Betty Duncan, Mrs. Joyce Everson, Mrs. Allison Denton, Mrs. Warren Everson and Mrs. J. M. Barker.

Out-of-town relatives attending the funeral were Mr. and Mrs. Jack Riley and children of Hugaton, Kansas, Mr. and Mrs. Dock Gray and children and Mrs. Tommy Adkins of Happy; Mr. and Mrs. Kenneth Bonds and daughter, J. E. Porter and Willy Adams of Lubbock, Mr. and Mrs. Archie Porter and Mr. and Mrs. Billy Joe Porter and daughter of Amarillo, Mr. and Mrs. B. J. Collier and children of Chillicothe, Mr. and Mrs. O. E. Porter and children of Odessa, Mr. and Mrs. J. T. Porter of Arlington, Mr. and Mrs. Jim Alcorn of Wichita Falls, Mrs. Curtis Stone and son of Quanah, Mrs. George Mullinax of Coppell, Mr. and Mrs. Arthur Jones and Mr. and Mrs. J. T. Jones, Richfield, Kansas, Mr. and Mrs. J. C. Rader and children of Corsicana.

### Brother of Mrs. T. B. Klepper Died Saturday in San Antonio

W. K. Newton, brother of Mrs. T. B. Klepper of Crowell, died at his home in San Antonio Saturday after a long illness.

Funeral services were conducted in San Antonio Monday afternoon.

Mr. Newton had been a frequent visitor in the home of his sister here during past years.

## C. H. S. STUDENTS WIN IN DISTRICT MEET

Crowell High School won first in track and fourth in literary events at the district 11A Inter-scholastic League meet last week end. The following eight students qualified for the regional meet in Denton on April 21 and 22: Carole Sue Fisch, Wesley Cummings, John Stone, Gerald Howard, Don Welch, Jim Mack Gafford, Dale Henry and Ronnie Bradford. The following seven schools participated: Archer City,

### Government Offers Help in Wells for Livestock Water

Wells-for-Livestock-Water is one of several practices that Foard County ranchers are installing in the Great Plains Conservation Program, according to James Herring of the local Soil Conservation Service office.

Louis Stone has completed a livestock water well on the Gladys Crosnoe place six miles north of Crowell. Livestock water was a major concern to them, as it is to most ranchers in Foard County. Most of the west part of the county is underlain with gypsum and is difficult to find a pond site that will hold water, Mr. Herring continued.

Their plan in the Great Plains Conservation Program includes other practices in which they will earn federal cost-sharing assistance, said Mr. Herring. Some of these practices are: aerial spraying of mesquite, fencing, terracing, and seeding cropland to grass. And they intend to complete their plan by the end of 1963.

Mr. Herring announced that several other GPCP producers are applying practices as follows: Dick Todd constructed about a mile of fence; Roy C. Steele sodded a waterway and constructed 715 feet of net wire diversion; H. L. Ayers Jr. seeded 49 acres of cropland to grass; Jeff Bruce is seeding a waterway and nine acres cropland to grass; Murry Burkhardt is seeding 34 acres of cropland to grass; Grady Halbert is constructing a 12-acre waterway.

### Family Reunion Held at Foard City

Mrs. Laura Johnson, pioneer resident of Foard County, had a reunion of her family at the home of her son, Virgil Johnson, Sunday, April 9. All of her children were present: Audrey Johnson and wife of Estelline, Alta Wisdom of Hector, Ark., John Johnson and wife of Loco, Okla., and Mrs. J. M. Barker and family and Mr. and Mrs. Virgil Johnson of Crowell.

The grandchildren and great grandchildren who were present were: Max Wisdom and wife and sons, Larry, Bobby and Rickie, of Abernathy; John Wilfred Johnson, wife and son of Loco, Okla.; Geneva Campbell and daughter of Plainview; Don and Jerry Johnson of Estelline and Keaton Barker of Crowell.

Also present were Mrs. O. N. Baker and Johnny of Foard City, Miss Margie Rasberry of Crowell and Kennie Ownbey.

Mrs. Johnson is still enjoying maintaining her home, living alone west of Crowell. She is in good health.

### Revival Meeting to Begin Sunday at Thalia Baptist Church

A week's revival meeting will begin Sunday, April 16, at the Thalia Baptist Church and continue through the following Sunday, Rev. W. B. Fitzgerrel, pastor of the church, announced Tuesday.

Rev. Gene Suttle, pastor of the Pearl Street Baptist Church in Vernon, will be the evangelist for the services which will be held at 8 o'clock each evening.

Everyone is cordially invited to attend.

### Oil Production Up

Foard County oil production continued its upward trend again last week, according to the report of the North Texas District: Production in the county increased 18 barrels a day, from 2,580 barrels a day to 2,598 barrels a day last week.

When Have You Heard Something Good?

Have you ever stopped to analyze a news broadcast? This may sound like a strange question, but just stop and think. When have you heard something good? Our life is dominated by sensation. On television, in the papers, over the radio, the news of crime, murder and robbery commands the space of time. We hear of bad, especially about teen agers. Yet, we like this, we expect it. Why? You may answer, "Because this is what goes on in the world." Yes, terror and fear do happen, but there are good things, too. Every day "good" people do acts to help, not to hinder, others. There is still love and brotherhood in the world, and unfortunately we may forget. Don't be one of the masses who seek the daring, the startling. Be an individual, and don't be afraid to look for the good.

Tea Honors Senior Girls

The Homemaking II class honored the senior girls with a tea on Thursday of last week in the Home Economics cottage. The table was laid with a white linen cloth from which frosted tulip cake, sandwiches in shape of flow-

ers, and delicious punch were served, carrying out the Spring-time motif. Gay flower corsages which were made from multi-colored candles were given as favors. The senior girls appreciated the kindness of the Homemaking II class.

Congratulations, District Champs!

Our congratulations go to our fine track team that won the District Track Meet at Wichita Falls last Saturday, April 8. This is Crowell's first district track championship. The relay team composed of Don Welch, John Stone, Gerald Howard and Jim Mac Gafford, won first in the mile relay and second in the 440 relay. Dale Henry placed second in the mile run, and John Stone won first in the 880 dash. Gerald Howard won second in the 220 dash and third in the broad jump. Wesley Cummings won first in both the low and high hurdles and tied with Ronnie Bradford and another boy for first in the high jump. Wes also won second in the shot put and third in the 100 yard dash. Joe Barry placed sixth in discus throw. Don, Dale, Gerald, John, Jim Mac and Wes will travel to Denton on April 22 to participate in the Regional Interscholastic track meet at North Texas State College. Good luck, boys!

Senior Competes for Scholarship

Last Friday, Cecelia Drabek went to the University of Dallas to take a test which was given to decide who would receive the two 4-year scholarships to be awarded in September of this year. Some sixty participated in the testing program. We are keeping our fingers crossed for Cecelia.

Students Participate at Henrietta Meet

Mrs. Manard and Mr. Black accompanied a group of students to the District Interscholastic Literary Meet at Henrietta Friday, April 7. Carria Driver, Jerry Tole and Alta Bartley entered typing. Ronnie Bradford was alternate. Jo Ann Schwarz and Dorothy Denton participated in spelling. Alta Bartley and Carole Fisch in ready writing. Jo Carol Cooper and Roger Hoffman were contestants in poetry reading. Carole Fisch and David Powers in declamation. Carole won first in both ready writing and declamation, and she will enter the district meet at Denton April 22. Roger Hoffman placed third in boys' poetry reading; Jo Carol fourth in girls' division. Congratulations go to all these students.

Students Place in Essay Contest

Word was received last week from Marvin Garrett, Soil Conservation director, that three of our students had placed in the Save the Soil and Save Texas Conservation awards program sponsored by the Fort Worth Press.

The essays of Jo Ann Schwarz, Wanda Moore and Carole Sue Fisch were awarded 4th, 8th and 9th places, respectively, in Region I, composed of 52 counties in this section of Texas. Usually, some 3,000 essays are entered in this contest. The essay title was "Why I Believe in Soil Conservation."

The girls are invited to attend an awards dinner in Lubbock on May 23 at which time they will be given medals.

Congratulations, girls, for attaining this honor, thus keeping up our school's record. Only one year in the history of our entering the contest—some 15 years—have we failed to place from one to five winners. Our highest honor was in 1957 when Elizabeth Davis won the state award.

Senior Personality

This senior has a height of 5' 6", brown eyes, light brown hair. Sandra Dee and Pat Boone are her favorites at the movies. Broiled steak and combination salad are her favorite foods, and football is her favorite sport. Sewing is her favorite pastime; "Funny, funny" is her favorite expression; Paul Anka is her favorite singer. In 1958 she won a trip to Bastrop State 4-H Leadership Laboratory, and on Nov. 9, 1960, she won a trip to Chicago to attend the National 4-H Club Congress as Texas' home economics winner. Recently she has received the news that she won the God-Home-Country Award sponsored by the National Catholic Rural Life Conference.

Yes, her name is Cecelia Drabek. American history is her easiest subject; Spanish is her hardest. You will see her face in the annual this year as senior girl favorite and who's who in social studies. She is a member of the Junior Adelpian Club, Spanish Club, Junior Leaders 4-H Club, county and district 4-H Councils, pep squad, FHA, annual staff, and Wildcat staff. She is serving as reporter for the senior class. "Someone who 'smacks' when he chews" is her pet peeve. When asked who has influenced you most in life, she replied, "My parents, teachers, and county agents." After graduation, she plans to enter the University of Dallas.

Best of luck to you, Cecelia.

Cheerleaders Elected

On Wednesday, April 5, the cheerleaders for the 1961-62 season were elected by the girls of CHS. Alta Bartley was chosen head cheerleader. Others elected were Carria Driver, Elly Wehba, Jo Wynn Ekern, Barbara Bell and

Scherry Goodwin. The other girls who "tied out" were Gena Ramsey, Carolee Olliphant, Gena Adcock, Judy Sandlin, Judy Tra-week, Linda McClain, Rount Sue Olliphant, Betty Ann Welch, Mary Ann Ramsey and Sharon Everson.

Shots! Shots! Shots!

On Wednesday, April 5, Mrs. Betty Krabcke and Mrs. Frances Henry Ekern injected the students with the second and final diphtheria shots. Ouch! We're glad it's over, and we appreciate the work of those who have helped to make our students safe from a dreaded disease.

Senior Luncheon A Success

The senior-sponsored luncheon at the school cafeteria Saturday, April 8, was a wonderful success. The class earned over \$200.00. This money will help finance the senior trip. The seniors wish to thank the mothers who helped with the work and everyone who supported the project.

F. F. A. Chapter

The Crowell FFA chapter had four teams to advance to area at Stephenville. They left Friday at 1:30 p. m. with Mr. Myers. The poultry team consists of Bobby Bond, Jimmy Pendergraft, Kenny Owenby and Ray Aydelott. They won tenth. The boys on the other teams are as follows: Livestock: Jerry Latimer, Benjie Hopkins, Junior Hopkins. Dairy: James Borchardt, Pete Campbell, John Carl Borchardt and Carroll Chowning. Land: Jimmy Thompson, Joe David Drabek, Thomas Hopkins.

New Librarian

We have several new librarians. One of them is a freshman. She was born in Seymour May 4, 1947. Since that date she has attended seven different schools. She has no pets, just four brothers—Mel, Carl, Paul and John. Her parents are Glenn and Winnie; she has blondish brown hair, blue-green eyes, and she is 5' 8" tall. Nelda Chappell's favorite book is Little Women.

So we now have another librarian ready to help you, any time.

Vernon to Present Senior Play

The senior class of Vernon High School will present "The Egg and I" at the Wilburger Memorial Auditorium on April 18 at 8 p. m. Price of admission is \$1.00 for adults and 50¢ for students. Complimentary tickets were given to four CHS students—Jo Carol Cooper, Kay Johnson, Bob Borchardt and Carolee Fisch.

Trees! Shrubs! Grass!

On April 10, the Student Council took time out to beautify the school grounds. Three weeping willow trees, one red bud tree, and some pampas grass were set out.

The weeping willows were donated by Mr. Black. The Student Council bought the red bud tree. The pampas grass was moved to a different bed so that it would not be hidden by the trees. The school would like to thank the ones who helped with this project.

How to Dress for Daytime Play

How you dress for day time play (Saturday afternoon date, patio party, picnic) takes special fashion tactics. A dress fresh to eyes of school friends, a dress—gay, flattering, and demure—what's best? The new country girl look—tiny waist, swingy skirt, bright candy color, miles of very gay trimmings—is the best. To dress the country girl way, combine gay colors—with bravado. For foolproof results, plan everything from hair bands to shoes around the colors (1) a sash, (2) dress fabrics or (3) multicolored braiding. The gayest color schemes include: vivid blue with green, lemon, yellow and swinging pink, lilac, blue and plum.

Find a fabric that's wonderfully new. Use bold twin print, demure gingham stripe (with embroidered look), wild modern art abstraction, off beat colored cotton solids. Add aprons to dresses, or sew trimming on the skirt for an apron look. Make a peasant blouse—in a soft fabric, puffy sleeved.

For special effect, add ruffles, rick rack, eyelid, peasant braid, applique, lace, ribbons. Consider a ribbon belt around your waist. Band your hair in velvet. Wear enameled jewelry in circle pins, bangle bracelets, berrets—in wonderful shock colors. Choose shoes in very bright or light colors, never black.

Hits and Misses

Hello! This is what fell out of the "grab bag" this week. Everyone's really been having a high time! Wonder if Jimmy and Pat got much studying done Thursday night? The scandal heard they didn't even get one problem worked. Couples at church Friday night were Gena-Gerald, Carolyn-Dale,

Vivian

MRS. W. O. FISH

Mr. and Mrs. John Faust of Pasadena, Calif., and Mr. and Mrs. Ed Adams of Crowell visited Mrs. W. O. Fish Thursday.

Riding around in Crowell Sunday were Jimmy-Pat, Gena-Gerald. What was running around Don's car up at Linda's Friday night?

Jo Wynn, Sharon and Ruth—what were you all doing at the spillway Sunday?

Linda, for whom were you looking Sunday? We heard you found him in another car.

Couples at church Sunday night were Ruth-James, Riley, Carria-Ronnie, Dale-girl from Quamah, Donald-girl from Quamah, David-Janice, Pete-girl from Quannah.

From the looks of Saturday night, Faske is keeping things from the Spanish class!

Couples at the Plaza Saturday night were Vicky-Claude, Margaret-Miles, Sharon-Billy Doyle, Kay-Robert, Sue-Jackie, Carolyn-Bryant, Carria-Ronnie, Elly-Boob, Wes, Delton, Jon Lee, Terry and James.

What is Tim's new nickname? Could it be "Mama?" The scandal wants to know what happened to Rhetta and Larry? Why not "mend the fences?" Jo Carol-James, Lynda-Boob were seen climbing mountains Sunday. Oh! Wonder who's to sign the wrong name to her paper. Wonder who's it will be?

Together Sunday afternoon and night were Kay and Robert, Kay, why did you feel like one of the Rutledge family Sunday? Do you always wear sister Sunny's clothes? John Stone was seen making tracks to Thalia Sunday. Wonder where he was going and what was so important? Together Thursday and Friday nights were Faunecine and Jerry. This sounds like it's kind of steady.

Elly and Boob seemed to be mad at each other Saturday. Where did you go, Boob? Seems as if Carol, Carole Sue and Faunecine ran into an unexpected rain shower Sunday. There weren't any clouds either! Could this have anything to do with why Faunecine wouldn't go with Sammy.

Together Sunday night were Boob-Elly, Carolyn-Bryant. We hear they finally called Claudette. See ya' around and about! Watch out for the Phantoms and stay out of meanness.

I am deeply appreciative of the vote confidence given to me in the city election last week. I trust that I shall manifest this spirit of civic interest which was manifested. The efficient operation of a municipality involves much thought and work. I am full cognizant of the many responsibilities that the office of mayor incur. It shall be my endeavor to work for the interest of the City of Crowell and its inhabitants in as fair and impartial manner as I know how. The city officials will need the cooperation and advice of its citizens to help carry out our aims. Each of us has a civic responsibility. Let's make Crowell a better town. Respectfully, Henry Black, Mayor-Elect, City of Crowell.

Would you trade your pocket change for \$1,000? Just 63¢ a day will do it! You'd be surprised how much the money you carry in your change pocket, saved regularly, can add up to. By putting away only 63¢ a day for one month, you'd have enough to buy a \$25 Series E Savings Bond. Keep it up for forty months, and you'd find yourself owning a neat stack of Bonds worth \$1,000 at maturity. The nice part about this \$1,000 nest egg is it only costs \$750. And you pay for it with money that probably would have gone down the drain. SOME ADVANTAGES OF U. S. BONDS: You can save automatically with the Payroll Savings Plan. You now earn 3% interest to maturity. You invest without risk under a U. S. Government guarantee. Your money can't be lost or stolen. You can get your money, with interest, anytime you want it. You save more than money—you help your Government pay for the peace. You save more than money with U.S. Savings Bonds Buy them where you work or bank CROWELL STATE BANK

**Financial Troubles of Federal Highway Program Stressed**

From a Wall Street Journal editorial on the financial troubles of the multi-billion dollar federal highway program: "... the simple truth of the matter is that this enormously expensive road system is required not for the pleasure driver but industry; the highway is a roadbed for truck transportation exactly as a rail line is for the railroads. But the railroads have had to not only build and maintain their own roadbeds, but in addition are taxed by every county, town and hamlet for the 'privilege' of bringing freight and passengers into the community."

**Air Force Used 5.9 Billion Gallons of Fuel Last Year**

Can you visualize a string of loaded railroad tank cars 5,083 miles long—nearly twice the distance from New York to San Francisco? If you can, you have an idea of the amount of aviation fuel used by the U. S. Air Force last year. It came to a record 5.9 billion gallons. In addition to fuel, some 600 separate classes and specifications of petroleum products are used by this arm of our defense system.

### Our Freedoms Are Ebbing Away

"The federal government has usurped the right to take the wage of Americans and spend it all over the world, and even use a great part of it to force upon us a way of life we do not want. "The federal government is in competition with private business, and runs its business tax free, while exacting exorbitant taxes from free enterprise. . . . It is later than we think . . . and a time when only Americans should be placed on guard. Our freedoms are ebbing away."—Prentiss, Miss. Headlight.

#### AQUA-VERSARY

Aquarena, San Marcos, Texas—Mr. and Mrs. Bob Smith and daughters, left to right, Barbara Ann and Cathy Lynn, shown here can no doubt boast the title of the most aquatic family in America if not the entire world. Seven years ago Bob and Mary Beth accomplished the unbelievable when they were married underwater in the headwaters of the famed San Marcos River. Life magazine, newsreels and newspaper headlines across the country carried the story of their unique marriage which stemmed from an under-water romance as performers in the well known Aquarena Submarine Theatre Shows.

This scene shows the Smiths during a rather spectacular celebration of their seventh wedding anniversary. All four little and big Smiths went "down under" for an appearance at the Submarine Theatre.

In March 1860, the first U. S. Marines were assigned to Washington for the purpose of guarding the construction of the Navy Yard there. Two years later Washington was established as the U. S. Marine Corps headquarters.

## Mike Wishon, Miss Gloria Grant United in Sunrise Ceremony

Miss Gloria Judith Grant became the bride of Michael Vernon Wishon in a sunrise service at 6 a. m. in the Calvary Baptist Church in Vernon Saturday. The bride is a daughter of Mr. and Mrs. T. D. Grant, 2711 Main, Vernon. The groom is a son of Mr. and Mrs. Carl Wishon of Crowell.

Rev. E. G. Clark performed the double ring ceremony. Mrs. Bob Benton, organist, provided traditional nuptial music throughout the ceremony.

The bride, given in marriage by her father, wore a street length white satin strapless sheath with an overdress of white embroidered eyelet cotton with a full skirt. The overdress featured a scooped neckline and fitted wrist length sleeves. Her circular shoulder length veil of illusion was fastened to a band of miniature white flowers. Her only jewelry was a strand of pearls. Her bouquet was a white orchid with stephanotis and white cascading ribbons tied in love knots atop a white Bible. Miss Marthella Bunch attended

the bride as maid of honor. She was attired in a powder blue street length dress of silk organza with a scooped neckline and three quarter length sleeves. The full skirt was gathered into a tight waistband and accented with a blue sash of deeper blue. She carried a bouquet of white gladiolus and satin ribbons in a cascade arrangement.

Robert Kincaid of Crowell attended the groom as best man. For her daughter's wedding, Mrs. Grant chose a beige linen suit with black accessories. She wore a corsage of white roses. Mrs. Wishon wore a print silk dress with a corsage of white roses.

A reception was held in the home of the bride's parents following the ceremony. The bride's table was covered with a white lace cloth over blue linen centered with an arrangement of blue and white carnations. The three-tiered white cake was decorated with blue flowers and topped with a miniature bride and groom. Miss Flossie Smith of Rochester, aunt of the bride, Miss Marthella Bunch, Mrs. Weldon Dickerson and Miss Delretha Taylor assisted with the serving.

Other members of the house party included Mesdames Bill Hilliard, Guy Hilliard, Wayne Graham of Electra and Mrs. W. E. Smith of Rochester.

For the wedding trip to Lake Texoma, the bride chose a green linen suit with white accessories and an orchid from her bridal bouquet. The couple will be at home April 10 at 1504 Texas St., Vernon.

The bride is a graduate of Vernon High School where she was a majorette, a member of the FTA, DE and band. She is presently employed at O'Neal's Jewel-

ry. The groom is a graduate of Crowell High School and attended Paris Junior College. He is presently employed at the Circle W Barbecue.

## Wedding Plans of Miss Elizabeth Davis Told at Tea

Mr. and Mrs. Foster Davis have announced the engagement of their daughter, Miss Elizabeth Davis, to Jerry Lynn Francis of Denver, Colorado, son of Mr. and Mrs. J. H. Francis of Longview.

The wedding date of June 30 was revealed to close friends at a tea recently in the Davis home. The refreshment table was laid with an Italian cutwork cloth and centered with a silver epergne filled with roses, candytuft and smilax. White candles in branched silver candelabra and other appointments of silver, completed the setting.

Similar arrangements of roses, candytuft and smilax elsewhere in the room featured the bride-elect's chosen colors of pink and white.

Mrs. Tom Davis of Vernon, the bride-elect's aunt, alternated at the tea service with Mrs. Russell Beverly.

Little Miss Leslie Davis of Vernon presented the announcement to each guest. Miss Kathy Kahler of Dallas, cousin of the bride-elect, presided at the guest registry, alternating with Mrs. Robert Kincaid. Others in the house party were Miss Roma Jan Spikes and Miss Betsy Ferguson and Mrs. Richard Ferguson of Seymour.

Mrs. Agnes Muller of Dallas, aunt of the bride-elect, assisted Miss Davis and her mother in greeting guests.

## Everybody's Money Used to Help Few

President Arthur H. Motley of the Chamber of Commerce of the United States, says: "Today tens of millions of dollars are grabbed in lump sums out of the U. S. treasury — out of everybody's pocket — to build a waterways project benefiting only a small area; to build sewers or sidewalks or clear up a blighted downtown area in some community which has found a new way to shirk local responsibility."

"Public welfare is big business in the United States... The largest amount of aid is given to dependent children. Three million of them received a billion dollars assistance last year. Deserting fathers and illegitimacy are at the root of this problem... Public welfare is big business and so is its administration... and the cost falls on those who pay the taxes."—Gillespie, Ill., News.

THIRTY YEARS AGO

News items below were taken from the Friday, April 10, 1931, issue of The Foard County News:

Following the general business trend, C. C. Martin, Foard County farmer, evidently is a believer in mass production. Although the harvest season has not arrived, yet the following were produced recently on the farm in just one week: a baby boy, Bert Crum Martin; two calves, one colt and eighteen puppies.

A twelve-foot oil sand was topped in the Texas-Johnson oil test Sunday at a depth of 3,296 feet. It is reported that a fair showing of oil was made, however, the sand was passed up and drilling is continuing.

R. G. Nichols, Leo Spencer, N. J. Roberts and S. T. Knox were elected trustees for the Crowell Independent School District in an election conducted here Saturday.

Objectives of New Feed Grain Program Outlined

The feed grain legislation, signed into law on March 22 by President Kennedy, has four purposes. They are to increase farm income; prevent further buildup of the feed grain surplus and reduce it if possible; help assure the consumer of fair and stable prices for meat, poultry and dairy products and reduce the ultimate feed grain program costs to taxpayers.

According to Joe Burkett, county agent, the program is voluntary and applies only to 1961. All field and grain sorghum whether for grain, fodder or silage are covered and cooperators are being asked to reduce their 1961 plantings of these crops by at least 20 per cent below the 1959-60 average acreage.

Cooperating farmers will be eligible for support prices—\$1.93 per cwt. on grain sorghums, \$1.20 per bushel on corn, 92c per bushel on barley, 62c for oats and \$1.02 per bushel for rye. The non-cooperator will not be eligible for price support on any of these crops.

Spring Is Here: Check Snakes, Birds and Boats

Spring is here in full bloom. Birds are pairing off, snakes are coming out and boats are being put into the water.

These things are of special significance to the Game and Fish Commission, according to Howard Dodgen, executive secretary.

Concerning birds, he suggests every person who is interested in bird life get a copy of the Field Guide to the Birds of Texas by Roger Tory Peterson, who prepared this handbook especially for bird lovers of Texas.

A cooperater, Burkett said, agrees to reduce by at least 20 per cent his grain sorghum or corn acreage for 1961 below his 1959-60 average.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Tex.—Texas Senate now has a tax bill—one designed to wipe out about half the deficit that is expected to be about \$63,000,000 when the new fiscal year starts September 1.

Revenue-raising measures must be passed by the House before they can be considered by the Senate, and the upper chamber has waited with polite impatience for the House to send it something to work on.

Passed 86-to-69 by the House was the so-called "loophole bill" by Rep. Charles Ballman of Borger.

It is a sort of catchall bill that (1) plugs up some leaks in the revenue bill passed last session, taxing central air conditioners, juke boxes, etc., (2) provides for a transfer of 1 per cent of the permanent school fund to the available school fund, (3) sets up a two-factor formula for corporate franchise taxes and (4) levies a state gift tax of one-half the federal gift tax.

Captain of the Bailman bill is broad enough that a variety of other money raising plans could be added to it should legislators be able to agree to them.

Meanwhile, the House Revenue and Taxation Committee still has a lot of other tax bills in the mill. Three sales tax bills were sent to subcommittee, as well as a hotly debated proposal to levy a 10 per cent tax on trading stamps.

A trading company spokesman said there is only a three per cent profit on the operation and that a 10 per cent tax would put them out of business.

On the other hand, stamps were attacked as "counterfeit money" and an unnecessary burden on both merchant and consumer.

STRIKE THREE—Texas Supreme Court made short work of a 1959-passed tax law that many lawmakers had hoped would be a potent future revenue raiser.

Without issuing an opinion, the high court agreed with the trial court and civil appeals court that the severance beneficiary tax on gas is unconstitutional.

Although three state courts have turned thumbs down on the gas tax, the last chapter remains to be written by the U. S. Supreme Court. As passed in 1959, the gas tax was low (1 1/2 per cent of market value), but supporters had indicated that if the law survived its court battles, the rate would be raised to bring in more money.

LADIES SCORE IN HOUSE

House has passed and sent to Senate a proposed constitutional amendment that would automatically erase all statutes that women differently from men.

Rep. Ben Atwell's very amendment states that "under the law shall not be abridged because of sex."

Senators have misgivings causing such sweeping change in the law. Some 44 statutes will be affected.

LOAN FIGHT SHAPES House members are coming grips with one of the toughest issues—regulation of small loan companies.

House Committee on Banking reported to the floor a bill authorized by Rep. Craig of Houston. It is being subject to widespread criticism, but long-time veteran of the legislation effort, declared the bill was going to satisfy interested factions.

Cole's bill would allow a scale that sets up a rate of just under 40 per cent on loans of \$100 and gradually to about 11 per cent on a \$3,000 loan. It also allows "reasonable insurance charges" rates set by the State Board of Insurance.

Abner McCall of Waco, a man of a statewide committee sound loan laws, said the rates were too high and to limit on credit insurance should be clearly defined.

PHONE RATES STUDIED House State Affairs Committee is studying a bill by Rep. Struce of Campbell that would regulate telephone rates in the hands of the Texas Commission.

Representative Struce says as is one of two states that not have this sort of regulation, and other states have rates.
