NEW CROWELL EAGLE SCOUTS

Freddie Wehba, Barry Barker, Stephen Kralicke, Ken Ferguson

Four Crowell Boys Awarded Eagle Badges Thursday

Four new Eagle Scouts, the first twenty years for Crowell, were inducted into the highest rank in the Boy Scouts of America in a ceremonial ceremony at the San Antonio Community Center on Thursday night. Praised for their high achievement, they were also named "marked men" from whom the best will always be expected. Receiving the Eagle rank were Barry Barker, 16, son of Mr. and Mrs. C. V. Barker; Ken Ferguson, son of Mr. and Mrs. Chester Ferguson; Stephen Kralicke, 14, son of Mr. and Mrs. Martin Kralicke; and Freddie Wehba, 15, son of Mr. and Mrs. Fred Wehba.

Parents participated in the ceremonies, directed by Joe A. Hughes, district leader for the district of Wichita Falls, along with the Eagle Scouts Phil Jones, Dennis Barker, Ross Serold and Bob Griffin. All of Vernon, presented challenges to the four new Scouts as a crest, signifying honesty, loyalty, courage and service.

Dr. Tom Lindsey, Vernon, district leadership training chairman, presented the "charge" to the Scouts, while W. R. Moore Jr., chief of Vernon, district advancement chairman, District Executive Bill McGlaugh and Council Executive Mel Smith of Vernon, played roles in the installation.

In a ceremony following the awarding of the Eagle ranks, Ray Shirley, Scoutmaster of the local troop, named Ernest Mark Magee as the Scout of the Year of Crowell, and said that the young Scout had lived according to the Scout Oath more nearly than any other member of the troop. He is the son of Joe Mark Magee of Houston, and grandson of Mr. and Mrs. R. R. Magee, with whom he makes his home.

Scoutmaster Shirley stated that the Scout who wins the Scout of the Year for three years will keep the trophy as a permanent possession.

Refreshments were served at the conclusion of the program by the Senior Girl Scout Troop and their leader, Mrs. Ray Shirley.

Wildcats-Eagles Meet Friday

Crowell High School's most important football game of the season thus far will be played tomorrow (Friday) night at 7:30 o'clock when the Chillicothe Eagles come here for a conference game. Chillicothe is the only undefeated team in the district, having won six games, four non-conference and two conference.

Their district victories have been over Holliday and Paducah by rather decisive scores. The Wildcats will be fighting to remain in the district race as they have lost their only outing in conference play.

The Wildcats would like nothing better than to upset their old rivals, the Chillicothe Eagles, who are breezing along with a perfect record that places them in the high ten for the state race, a place that the Crowell team has enjoyed for the past several years. The Crowell team is slightly crippled up for this important contest, but Coaches Thayne Amnett and L. H. Wall will have eleven men on the field for the opening whistle.

Probable starting line-ups for the game follow:

Funeral Services for Lester Ownbey Held Last Friday

Mr. Ownbey Died Late Wednesday After Long Illness

Funeral services for J. Lester Ownbey were held at the First Baptist Church on Friday, Oct. 12. Services were conducted by Rev. H. H. Haston, pastor of Free Will Baptist Church, of which the deceased was a member. Rev. Haston was assisted by Judge Leslie Thomas. Two numbers were sung by the choir with Mrs. Walter Stapp at the organ and Mrs. Woodrow Lemons at the piano. Mrs. Howard Ferguson sang "Pearly White City."

Death came to Mr. Ownbey late Wednesday, Oct. 10, after an illness of two years. He was born in Union County, Georgia, on Aug. 19, 1887. The family moved to the Indian Territory for some seven years before coming to Foard County in 1906 to establish their permanent residence.

On Feb. 21, 1915, he was married to Miss Maggie Honeycutt. Three sons preceded Mr. Ownbey in death: Edgar and Luther died in early years and Bill lost his life in France in November, 1941, during World War II. The surviving children were present for the funeral service. They are two daughters, Mrs. Virgil Johnson, Crowell and Mrs. Clyde Alverson, Fort Worth; two sons, Roy of Dallas and Kenneth of Snyder. Eight grandchildren also survive. They are Mrs. Malcolm Martin and Shelby Ownbey, Seminole; Duane Johnson and Kenney Ownbey, Crowell; Darrell and Danny Ownbey, Snyder; and Paul Mark and Paula Ruth Alverson, Fort Worth. One brother, Frank Ownbey, also survives.

During Mr. Ownbey's long residence in Foard County, he was recognized for his devotion to his family and friends.

Out of town relatives and friends present for the services were Mr. and Mrs. Alton Cavin, Wichita Falls; Mr. and Mrs. Carl Haynie, Truscott; Mr. and Mrs. Jack Honeycutt, Odessa; Mr. and Mrs. Clinton Ford and Mrs. Clyde Barbee, Goodlett; and Mr. and Mrs. Buster Reid, Olustee, Okla. Pall bearers were Henry Johnson, Jeff Bell, Richard Johnson, Glenn Shook, Fred Borchardt and Floyd Thomas. The following assisted with the flowers: Mrs. Chester Hord, Mrs. Jeff Webster, Mrs. Cornelia McDaniel, Mrs. C. N. Barker, Mrs. Glenn Shook and Mrs. Evelyn Campbell.

Interment was in the Crowell Cemetery under the direction of Womack Funeral Home.

Last Call for Cub Scout Program to Be Made Tonight

October 18 (tonight) has been set as the deadline for boys eight through ten years of age to register as Cub Scouts. There will be a meeting of the boys and their parents in the basement of the First Baptist Church at 7 p. m. Since Cub Scouting is a family-centered program, no boy will be allowed to register unless his parents are present. The parents must express an interest in their son by a willingness to cooperate in the program.

Applications for membership were distributed at school Wednesday, and the parents are urged to have their son's application completed, and to bring it to the Thursday night meeting.

This will be the second time the District Scout Executive has called a meeting in Crowell to try to re-organize Cub Scouting. There were so few parents present at the meeting last Thursday that nothing could be accomplished. His schedule will not permit him to come again this year for organizational purposes, so all parents who are interested in having their son in the Cub Scout program should be at the First Baptist Church Thursday (tonight) at 7 p. m.

Wildcats Lose Conference Opener to Archer City

The Crowell High School football team had the most ground yardage at Archer City last Friday night, but the Archer County Wildcats came out on top in scoring with a 14 to 0 count. This was Crowell's first conference loss in six years. The Crowell boys made several good drives but on each occasion they lost the ball on pass interceptions, penalties, or fumbles.

The Archer City team, led by fullback Barney Oliver, deserved the victory. This gave that team two victories and no losses in district play. Their first score came after Crowell had lost the ball on a fumble about the middle of the field. Quarterback Donny Linscott ran the final 17 yards for the TD. Their second touchdown resulted from a line plunge by fullback Barney Oliver from three yards out. This score was set up by a pass interception. Oliver did most of the ball carrying on this 57-yard drive. Lannie Yeager, halfback, kicked both extra points.

Left halfback Dale Doyal did some fancy ball carrying for Crowell and racked up over 100 yards in the game, but it just wasn't in the books for the Foard County Wildcats to score. The fact should not be overlooked that all of the Crowell players were playing hard all of the way, but dame fortune would not smile on them. Quarterback Dan Mike Bird and guard John Carl Borchardt were injured to the extent that they will probably have to miss this week's game.

Fire Damages Home of Mrs. Lillian Cates Early Sunday

Fire early Sunday morning damaged the home of Mrs. Lillian Cates in the north part of Crowell. The fire was extinguished by the Crowell Volunteer Fire Department, after the alarm was sounded about 5 a. m. Sunday. Heavy damage to a bedroom and the roof was reported, as well as furniture damage.

Twenty Firemen Attend Meeting

Twenty members of the Crowell Volunteer Fire Department attended the regular meeting of that organization last Thursday night. The members checked 1,300 feet of hose under 200 pounds pressure. The hose was on the Ford truck.

Type II Vaccine Slated Oct. 21

Foard County residents will have an opportunity to become immune to Type II polio Sunday, Oct. 21, when Sabin oral polio vaccine, type II, is administered on a mass basis.

The Crowell Community Center will be used for type II and the hours again will be from 1 p. m. to 5 p. m.

All persons over the age of three months are urged to take the type II vaccine regardless of whether Salk shots have been taken and regardless of whether or not type I Sabin vaccine has been taken.

According to the original schedule for immunization, type III

vaccine was scheduled to be given at the time now scheduled for type II. Type II vaccine had been scheduled for administering in December because it takes longer to eliminate from the system.

Type III vaccine, under investigation by the U. S. Surgeon General, still is under consideration for administering here. Type III vaccine still is licensed by the federal government and has been approved for dosages by the Texas Health Department.

Type II vaccine is being given now, even though it takes longer to eliminate from the system, because it is one of the two types of Sabin oral vaccine which has been given unqualified approval by the Surgeon General as being safe and effective.

If the type III vaccine comes out from under the cloud it presently is under, plans are to give in the late winter or early spring.

When type I was given, a total of 1,590 persons took the vaccine here. Officials expressed the hope that the turnout will be even larger this time because the administration of oral vaccine wipes out not only polio in the person who takes the dosage, but also eliminates the possibility of that person becoming a carrier of the dread, crippling disease.

The administering of the vaccine will be speeded up if each head of household will fill out the registration form for his family between now and Sunday and present the completed form at the community center.

The form appears on page 5.

Meeting of Parents Club to Be Held Tonight at Center

Glen Goodwin, president of the Parents Club, has called a meeting of the members and all parents who are interested in youth, to meet at the Community Center Thursday evening, Oct. 18, at 7:30 o'clock.

There are a number of problems that are to be taken up in the meeting, states Mr. Goodwin. They include the election of officers, the making of plans for a financial drive for the community center, and the receiving of suggestions for completing the center.

The Community Center and Teen Town are for the benefit of a large area, and it is hoped that a representative crowd will be present.

Be Kind to Teachers

An overworked and unpraised position in Crowell High School is that of our teachers. These men and women devote much of their time and effort to our education, not only in the classroom but also outside of school. They teach students practical things as well as "book learning."

The college records of ex-students from CHS point out our teachers' ability to teach their subjects well. Often students in college write back and thank the teachers for preparing them for college work and encourage them to continue to impress on their students the importance of a good high school foundation.

Many high school students do not realize how much the teachers do for them. They don't see that the tests, themes, reports, etc., are for their own benefit.

Senior Personality

When you hear the last name—Sandlin, do you think of "Hunt," "Blackie," "Frenchie" or just Judy? Her activities have been very numerous these past years, including basketball, Spanish Club, Library Club, FHA, pep squad, Wildcat staff, Student Council, Junior Leaders, and Junior Adelpian Club. This year she is a cheer leader, senior favorite, wittiest girl, secretary of Library Club, president of the FHA, and treasurer of the Junior Adelpian Club.

She is influenced most by her parents. Mrs. Manard's English class is a "high spot" in her day. Spanish is her easiest subject, and algebra II is her hardest.

Among her favorites are the following: food, shrimp; color, blue; singer, Elvis Presley; television program, "Empire" and all late shows. For pastime, she enjoys listening to records and moving her furniture around. Her ambition is to attend college. Good luck, Judy Sandlin.

Sports

Friday night, Oct. 12, at Archer City, a determined little group of Wildcats from Archer City ran a group of Wildcats from Crowell off the field to the tune of 14-0.

This Friday, the Crowell fans will see a determined little group of Wildcats from Crowell play a much better ball game against the undefeated Chillicothe Eagles at Crowell. Come out and support the Wildcats!

Harmony and Discord

Who will be chosen governor? This was the question asked at the band's Friday night half time show at the Crowell-Archer City game. First, a huge question mark was formed while the band played "Who." Next, the band formed the word Cox and played "For He's a Jolly Good Fellow." Then, they marched into the letters J. C. for John Connally and played "Happy Days Are Here Again."

To complete the performance, the band formed two company fronts and played "America."

Each formation was accentuated by the Wildcatettes who strutted to the various tunes, twirling Cox and Connally campaign posters.

Sunday afternoon found the band in Vernon for the semi-pro football game between the Vernon Vikings and the Wichita Falls Kings. They performed the half-time show used at the Quanah game.

What Girls Have in Their Purses

I accidentally went through some girls' purses last week. See if you can guess whom they belong to by the "junk" I found in them.

As I looked into the first purse, I found green eyeshadow, a pair of glasses, a comb, a brush, a clothes brush, a rain cap, a compact, lipstick, two annual-ad pads, a scratch pad, a billfold, a fingernail file and emery board, cough drops, a bottle of black ink, one stick of gum, a box of matches, two show ticket stubs, two pencils and a ball point, a tube of Clearasil, and eleven bobby pins.

The second purse I looked into was also full. In it I found a pair of scissors, a pin cushion with pins, a compact, a fountain pen and two pencils, a ball point, a tape measure, a box of bobby pins, a black scarf, a Kleenex, nine \$1 bills and a quarter, a rain cap, a glass case, six tubes of lipstick, a tracing wheel, some clippers, drill team show for Chillicothe game, three pieces of notebook paper, a yellow piece of paper with school schedule, a compass, a comb, and one aspirin.

In the last purse, I found a 1962 yearbook, a pair of glasses, a compact, a billfold, a sewing kit, two combs, sun glasses, two lipsticks, suede brush, fingernail file, emery board, a pencil and a ball point, a mirror, Anacin, Kleenex, rain cap, and a contact lens case. For those who are confused as to the owners of the purses, they belong to Lynda Mechell, Pat Cates and Linda McClain, respectively.

GOVERNOR SIGNS PROCLAMATION—Governor Price Daniel signs the official proclamation designating the week of October 14-19 as Screwworm Eradication Week in Texas. With the Governor are, left to right: Pearce Johnson, general counsel for the Southwest Animal Health Research Foundation; Dr. R. G. Garrett, executive director for the Texas Animal Health Commission; C. G. Scruggs, president of the Foundation and editor of the Progressive Farmer magazine; and Dolph Briscoe, SWAHRF trustee and former president of the Texas and Southwestern Cattle Raisers Association. Governor Daniel praised the efforts of the Foundation, the Commission and the U. S. Department of Agriculture for their joint program to eradicate from the Southwest the pest that costs livestock producers an estimated annual loss of \$100 million.

Ruthie, did Sharon's "redshirt" turn into a blue shirt?
Saunna, why aren't you going to wash your black comb anymore?

Why is Rickie called Mr. M.?
Where was the Henry car Saturday night? Could some freshman girl know?

It seems like Beverly had some trouble on the band bus going home. What about this, Charles and Bobby?

Linda and Judy S., did you enjoy your 45 minute ride on the ferris wheel?

Linda, what is your new nickname?

Otis, you'd better watch Corde. Looks like he's trying to steal your girl.

Why does Rosa watch birds nowadays?

Since one of our big ball games is to be played tomorrow night, let's everyone come to the bonfire tonight at 7:30 p. m. Let's get some school spirit and defeat the Chillicothe Eagles!

Social Security Tax Reports Due Oct. 31

Employers should mail social security tax reports to the Internal Revenue Service by October 31, 1962, on the wages paid their employees during the calendar quarter ending September 30, 1962, according to Erton F. Tate, district manager of the Wichita Falls social security office.

Tate pointed out that in order to make sure that the employee receives credit for the wages reported, his social security number as well as his name must be shown on the report exactly as on his social security account number card.

If an employee does not have a social security account number, ask him to contact the Wichita Falls social security district office and apply for one. If he has lost his card, have him take or send the stub from the old card to the district office and he will get a duplicate card. If he has lost the stub also, he should contact the social security officer who will arrange to get a duplicate for him.

If a woman changes her name, be sure that the name on the quarterly report is the same name as on her social security card. If she hasn't changed the name on her card, have her contact the social security office to get her correct name on the card. Do not report the new name until you are sure the name is changed on her social security records.

These application forms will be furnished upon request to employers for their employees' convenience in applying for a social security card.

At sundown, long shadows and fading light make it increasingly difficult for drivers to spot traffic hazards and stop in time. The veteran patrol supervisor said, "make it a habit to turn on your driving lights at the first hint of dusk and always use them properly."
A union official, Richard Rappitoni of the International Brotherhood of Electrical Workers says: "Of the 1,728 municipal electric systems in the U. S., only three per cent even recognize the union. Of the 1,057 REA cooperatives, only 17 per cent recognize the union. In the investor-owned, business-managed utilities, 92 per cent are organized. . . . We have opposed and will continue to oppose the extension of government ownership of electric light and power facilities. . . ."

Two Accidents in
County Last Month

The Highway Patrol investigated two rural accidents in Foard County during the month, according to Sgt. D. R. Dowdy, patrol supervisor of this area.

Union Official
Favors Privately-
Owned Utilities

These wrecks accounted for two persons injured and an estimated property damage of \$170.00.
The rural accident summary for Foard County from January through September of 1962 shows a total of 15 crashes. As a result of these crashes, there were ten persons injured and estimated property damage of \$9,865.00.
"Accidents Go Up When the Sun Goes Down," is a slogan so true. Darkness hides danger, giving the driver a false sense of security. That is the reason traffic accidents increase during October's shorter days and longer nights. National statistics show that the traffic death rate at night is three times the daylight rate, and more than half of all accidents occur after sundown, despite reduction in the volume of traffic.

From the News
THIRTY YEARS AGO

News items below were taken from the Friday, Oct. 21, 1932, issue of the Foard County News:

The Crowell city lake was stocked with 500 bass and 500 crappie fish Wednesday. The fish came from the state hatchery at San Marcos.

Crowell and Megargel will meet here Friday afternoon at 3:30 o'clock in the Wildcats' second home game of this season. This will be a conference contest.

Foard County's boys 4-H Clubs were represented this year at the Dallas Fair by John Cogdell of Crowell, Charlie Haseloff of Margaret, and Joe Royce Huntley of Thalia.

A great amount of interest is being shown in the community Achievement Days that are being conducted by the home demonstration clubs of Foard County. Community days have already taken place in Catesville, Vivian, Margaret, Gambleville, Good Creek and West Side.

A three-act play, "My Irish Rose," will be given by the senior class of Thalia High School at the school auditorium Saturday night. Those in the cast are C. L. Fincher, Arlie Cato, John Tole, A. B. McElroy, Hearrell Seales, Otis Tole, Juanita Huntley, Anna Mark Adkins, Willie Lindsey, Jeanette Bratcher, Tommy Grimsley, and Mary Grace Shultz.

Rev. L. R. Hogan of Fort Worth, field man for the Presbyterian Church, is conducting services each evening at the Four Corner School.

The Thursday Bridge Club was entertained last week by Miss Gusta Davis at her home.

Mutt McKinley returned Monday from a visit with relatives at Lorenzo.

All indications point to the fact that the celebration in Crowell on Nov. 11 will be one of the most successful events in the history of this county.

A free flying circus, with six men and three airplanes, will be held here on Saturday and Sunday. The landing field for this event is located one mile east of Crowell and is next to the Vernon highway.

A survey will be made to determine the best route for Highway 16 paving in this county. The state has practically agreed to pave this highway if the right-of-way is furnished. A survey on Highway 16 in Knox County has also been ordered.

THE WEATHER

After a week of hot, summer-like weather, a norther blew into this area Monday night and dropped the mercury to the upper 50's Wednesday morning. Skies were cloudy Wednesday morning, and rain was forecast for this area.

High and low temperatures recorded here during the past week follow:

Thursday: high 92, low 69.
 Friday: high 91, low 67.
 Saturday: high 89, low 70.
 Sunday: high 91, low 66.
 Monday: high 90, low 64.
 Tuesday: high 72, low 62.
 Wednesday: low 59.

To Preach Here Sunday

Dr. Dallas D. Denison, a former pastor of the Crowell Methodist Church, will preach at the local Methodist Church Sunday.

Rev. George E. Turrentine, also a former pastor, will be at the local church on Oct. 28.

The visits of former pastors to the church is in observance of the church's 75th anniversary.

Junior Leaders

The Foard County Junior Leaders met in the community center Tuesday. Karen Shirley was elected treasurer. The club will meet each first and third Tuesday of the month. Refreshments were served by Dena Todd and Karen Shirley. Betty Ann Welch and Lanette Lemons were elected pinists.

Those on the program were Arcina Garrett, Lee Looney, Jean Burkett, Joe Drabek and Charles ten Brink.

EXCITING! GO '63 CHEVY II

SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delco-tron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's. **CHEVROLET** the more people depend on

New Policy to Be Adopted on Printing "Stale" News Events

The News would like to once again stress to reporters for the various clubs, and also anyone who reports parties, showers, and other social happenings, that when they fail to report the event for over one week, the report ceases to be news and becomes more a matter of "history."

Frequently, reports of club meetings are not turned in until the club has had another meeting.

From this date forward, any club report or report of any other meeting or party that is turned in to this office two weeks or more after the event has happened, will not be printed.

Tax Story

The Montana Oil Journal tells a tax story: "Do you know that no baseball player in the nation can ever hope to net as much money as was paid Babe Ruth, 50 years ago?"

"In 1911 Ruth was paid \$80,000—and he had \$68,535 left over after taxes. . . . To have the same amount of money left today, after

We're telling America about the business and industrial advantages

KEY TO GROWTH

... IN THE CENTER OF THE SOUTHWEST

American business and industry are on the move... looking toward growing areas, new markets, and expanding profit opportunities.

Our service area—the fast-growing CENTER OF THE SOUTHWEST—is one such region, because the Southwest is growing 25% faster than the Nation.

That is why we are engaged in a continuing program designed to tell American business leaders about the advantages of this portion of West Texas.

We advertise the area in national publications, mail information material to selected lists, and make personal visits to many prospects.

As this is written, a WTU Representative is in the northern and eastern industrial areas of the country, calling on key executives whose companies are looking our way. They, like WTU, are convinced that this area faces GROWTH UNLIMITED.
