

Increase in Foard League

Foard County Little League had its last week, June 16-19. The State Bank defeated County Mill in both games of the two-game series, thus taking a two-game lead over the field. The game was split with Farmington.

The Cardinals beat the Cardinals on Tuesday night, then retook the performance by a re-score of 14-6 on Friday. The Cardinals and the Yankees split a pair with Farmington.

On Tuesday night, June 16, 6 p. m., the Cardinals and the Yankees split a pair with Farmington.

On Wednesday night, June 17, 6 p. m., the Cardinals and the Yankees split a pair with Farmington.

On Thursday night, June 18, 6 p. m., the Cardinals and the Yankees split a pair with Farmington.

On Friday night, June 19, 6 p. m., the Cardinals and the Yankees split a pair with Farmington.

Five Foard Residents Lose Driver's Licenses During Last Year

A total of five citizens of Foard County had their driver's license either suspended or denied a license during 1963. Of this total, three persons had their licenses suspended and two persons were denied a license.

Some of the major reasons for suspensions and denials of licenses included driving while drinking, 2; habitual violators, 1; aggravated assault with motor vehicle, 1; and driving while license suspended, 1.

During the year, 25,022 licenses were suspended with 8,632 licenses denied over the state. Drivers in the 20-year-old bracket had the most licenses suspended with 1,307.

The above information was obtained from the records of the Texas Department of Public Safety. The DPS is required by law to file every application for a driver's license received by it. These records include the name of every licensee to whom licenses are granted, and the name of every licensee whose driver's license or driving privilege has been cancelled, denied, suspended or revoked and after each such name note the reasons for such action.

The Department shall also file all accident records and abstracts of court records of convictions received by it under the laws of this state and in connection therewith maintain convenient records or make suitable notations in order that an individual record of each licensee showing the convictions of such licensee and the traffic accidents in which he has been involved shall be readily ascertainable and available for the consideration of the department upon any application for the renewal of a driver's license and at other suitable times.

Eight 4-H Leaders Take Course in Sewing at Vernon

"Getting the Most Out of Your Sewing Machine," a two-day training course for 4-H Clothing Leaders, was completed last week by eight leaders in Foard County.

The two-day session was conducted by the Texas Agricultural Extension Service in cooperation with the National 4-H Service Committee and the Singer Sewing Machine Co.

The course was designed to help 4-H clothing leaders make the most effective use of their sewing machine, and to show them how to teach 4-H Club girls. The course included demonstrations and individual practice sessions on adjustment and care of the sewing machine; adjustment for various weights, texture and thickness of fabrics; practical use of sewing machine attachments, and special training in teaching techniques and methods for working with 4-H Club members.

Miss Tinsley of Dallas taught the course in Vernon.

From the News . . .
THIRTY YEARS AGO

News items below were taken from the Thursday, June 28, 1934, issue of The Foard County News:

Miss Lora Whatley will be the Crowell sponsor at the Texas Cowboy Reunion in Stamford July 2, 3, and 4. Bill Bell will serve as her escort and will also compete in some of the rodeo events in connection with the Reunion.

A water carnival, including water polo and a water fight between two teams of Crowell firemen, will feature the program of entertainment in Crowell on Trades Day here Monday. Five roosters will also be tossed from the tops of local buildings during the day and to one leg of each rooster will be tied a one dollar bill. The person catching the rooster may keep both bird and dollar bill.

Foard County's official allotment of cotton that may be ginned in the county free of tax under the Bankhead law amounts to 7,941 bales, according to an announcement from government officials at Washington, D. C., last Friday.

Dink Russell of Margaret, pitcher with the Crowell baseball club, will probably be out of the lineup the rest of the season as the result of a fractured shoulder and rib that he suffered near Goodlett Monday night in an auto accident.

Mrs. George Hay and children of Waco, former residents of Crowell, are here this week visiting relatives.

John Allen Fish of Vivian suffered a broken arm in a fall from a horse at his home Wednesday evening.

Duane Capps has returned home from the Crowell hospital where he underwent an appendicitis operation several days ago.

Six garments have already been made by Marguerite Lewis of the Vivian 4-H Club in her clothing demonstration.

Mr. and Mrs. Walker Todd, Mr. and Mrs. John Todd, Misses Bernice Poland, Gussie and Hazel Todd, Dick Todd, Francis Todd and Mr. and Mrs. Melvin Todd of Wilson, Texas, enjoyed an outing at Medicine Park, Okla., over the week end.

On Thursday night, the W. M. S. will sell ice cream and cake at the Star Garage at Foard City. Everybody come.

The following five Foard County boys are to report at Wichita Falls on Monday to enlist for a period of six months in a camp of the U. S. Civilian Conservation Corps: Jewel Railsback and Robert Choate of Margaret, Freeman Hopkins and Truman Featherston of Thalia, and W. L. Thornton of Foard City.

The Baker-Beverly No. 1 oil test, 5 1/2 miles north of Crowell, was spudded in Wednesday morning.

Saturday of this week offers many people their final opportunity to save large amounts by paying their delinquent state, county and school taxes.

At least one load of wheat was stolen from M. S. Henry's granary a short distance south of Crowell last Friday. A lock on a gate leading to the granary was broken in opening the way for the truck that hauled the wheat off.

put back where it belongs," says Dr. John R. Mink of the University of Kentucky School of Dentistry.

Permanent teeth can be replaced, if they are treated quickly enough, and are likely to last six months to six years. There have been a number of instances where parents just push a loose tooth back onto the bond that holds it in the jaw, he says.

The trouble when a tooth is knocked out usually is that parents forget to bring the tooth with them when they come to the dentist.

"Even if it's dirty, we can clean it up and have a good chance of replanting it," Dr. Mink says.

Let Teeth Re-Grow, Says Dentist

If Johnny comes home with a front tooth in his hand instead of in his mouth, don't panic, says an official at the University of Kentucky School of Dentistry. He suggests that parents head for the nearest dentist's office on the double.

HOW MANY METERS IN A MILE ?

If you're talking about distance, there are 1609 meters in a mile. But, if you're referring to electric meters, it varies from 30, in densely populated areas, down to one or less per mile in some rural areas.

This marked difference in electric meters per mile is the reason the Rural Electrification Administration (REA) makes low interest loans to finance construction of electrical systems in rural America.

A rural electric program serving only one, or two, or perhaps three meters per mile was not considered profitable, and rural people had been denied the benefits only electricity could bring them.

So... rural people formed Electric Cooperatives, borrowed from the REA and built their own electrical systems.

These non-profit Electric Cooperatives are owned and operated by the consumers they serve. They are repaying their REA loans with interest... and they do pay their fair share of taxes.

marriage vows at the Oak Dale Methodist Church in a double ring ceremony officiated by Rev. Tony Campbell recently. The altar was decorated with baskets of white gladioli and a candelabra holding 28 white candles.

The bride is the daughter of Mr. and Mrs. Ed Mechell of Crowell. She was an honor graduate of Crowell High School and attended Tarleton State College in Stephenville the past year. Stephenville was the site for the wedding.

The groom is the son of Mr. and Mrs. Howard Johnson of San Angelo. He is an honor graduate of Tulpa High School and has attended Tarleton for the past two years.

The bride was given in marriage by her father. She wore a gown fashioned in white bridal satin with a semi-bell, floor length skirt and a fitted bodice with a low scooped neckline and small capped sleeves. Her veil flowed

to elbow length and she carried a bouquet of cascading small mums with a white orchid and satin streamers.

Miss Joy Jeffreys played traditional wedding selections.

Miss Cynthia Brown of Rising Star was the maid of honor. The best man was Ronnie Skies of San Angelo, and the groomsmen were Bert Johnson of San Angelo, brother of the groom, and Edward Mechell of Crowell, brother of the bride.

The mother of the bride was attired in a blue silk suit with bone accessories and a corsage of white carnations. Mrs. Johnson wore a pink linen dress with white accessories and a corsage of white carnations.

After the ceremony, a reception was held at the home of Mrs. Gaines, grandmother of the groom. The two-tiered white wedding cake was topped with a miniature bride and groom. The table was decorated with a blue satin cloth centered with an arrangement of blue carnations flanked by white tapers. Crystal appointments were used.

The couple took a short honeymoon to Bandera, Texas, and will reside at 239 S. Paddock, Stephenville.

Card of Thanks

Mrs. Graves and I are moving to Stephenville this week to make our new home. We want to thank our many friends here in Crowell for having made things so very pleasant during the 37 years that we have lived in Foard County. The cooperation that we have received from the patrons while working in your School System has been wonderful.

We shall always cherish the fond memories of our residence here and we want to assure you that Crowell will continue to be our second home. Each and every one of you is always welcome to visit with us at our new home which is located two miles out on the Hico road from Stephenville.

"Although supporters of federal medical care under social security for the aged were challenged two years ago to find one elderly person needing and seeking hospital care to whom it was denied because of poverty, they have yet to supply the name and address of a single one, according to the Chamber of Commerce of the United States. . . It suggests that the real issue is not whether the aged are receiving the hospital care they need, but whether the present system of providing care will be replaced by a compulsory federal system."

Mustang Hardtop

Some people just didn't realize how much Fords have changed. Then, they came in to see Mustang—and took their first good look around a Ford showroom. They saw the hottest line of cars in America . . . the "Car of the Year" Award winners . . . the best-built Fords ever. They saw cars so smartly styled, so easy to handle, so good to drive, that they made this the best sales year in Ford Division history even before the Mustang came out. They saw America's leading performance car—the Super Torque Ford (hardtop sales up 54%). They saw America's most famous personal luxury car—Thunderbird—with sales up 68% over last year's record. They found out why Falcon almost outsells Chevy II and Valiant combined. And why Fairlane is a pace-setter in its own field. One look can make you fall in love with any one of Ford's 46 models. A test drive can make you a Ford man forever.
