

## Smith Will Leave June 5 on Washington Trip

MISS GAYLE SMITH

Gayle Smith, daughter of Mrs. Tom Smith of Marsden, has been named as one of the winners for an all-expense trip to Washington, D. C. She is a junior in Crowell High School where she takes part in a number of extra-curricular activities in the high school and has also acted as secretary for the group. Recently she appeared in a 12-piano festival. The last four years she has been pianist for the school of Crowell. She has been a member of the Future Teachers for three years and was vice president of the school. She represented her school in the interscholastic contest April 10 at Hollisburg, Mo. She has played basketball and also likes to play tennis. She wrote an essay on the importance of music in school and won in the senior division. The contest was sponsored by the Wichita Falls Symphony. She is a member of the First Baptist Church where she plays piano for the youth group. She was elected queen of the people's department. Gayle Duncan of Weaver School, Frederick, Okla., was the other winner from this year.

## Last Rites for Mrs. C. T. Schlagal Held Monday

Mrs. C. T. Schlagal, 91, longtime Crowell resident, died Saturday afternoon in the Crowell hospital. Funeral services were held on Monday afternoon at 2:30 at the First Baptist Church, with Rev. C. T. Aly of Wichita Falls, officiating. He was assisted by Rev. W. B. Fitzgerald of Petrolia, and the pastor, Rev. Glenn Willson. A special number for the service was a duet sung by Mrs. W. A. Dunn and Mrs. Bob Thomas with Mrs. Paul Shirley as organ accompanist. Burial was in the Crowell Cemetery with Womack Funeral Home in charge of arrangements. Pall bearers were Gay Todd, Mike Bird, Leslie Thomas, Doris Gentry, Henry Black and Charles Wyman. Widow of a former Crowell mayor, the late C. T. Schlagal, she was born Dec. 7, 1872, in Salem, Indiana, and moved to Foard County in 1907. Survivors include one son, Harry Schlagal of Crowell; five daughters, Mrs. E. Swain, Mrs. H. D. Nelson, Mrs. Ed McDaniel, Mrs. Floyd Thomas and Mrs. Clyde Owens, all of Crowell; 10 grandchildren, 26 great grandchildren, and 7 great great grandchildren.

Washington trip winners among five finalists from the Southwestern Rural Electric Association who submitted essays on the subject, "History of Southwest Rural Electric Association." They will join 31 young people from all over Oklahoma participating in the first Oklahoma Electric Cooperative Youth Tour to the nation's capital, June 5 through June 15. Expenses of the Youth Tour are being met by some twenty cooperatives in the state that sponsored essay-writing similar to the one sponsored by Southwest Rural Electric Association.

## 4-H Members Place High in District Contest

Saturday, May 2, was an important day for 31 Foard County 4-H boys and girls, because they were entering team demonstrations and judging contest in Extension District 3, 4-H Elimination Contest at Midwestern University in Wichita Falls. Foard County contestants won three first places, two second places, three third places, two fourth places, two sixth places and two seventh places.

Jon Ann Carter won first place in senior favorite foods, fruit and vegetable group. Jean Burkett won first place in senior public speaking and Ann Russell won first place in foods education activity. Suzetta Abston won second place in senior clothing education and Joan Williams won second in junior favorite foods, milk group. Jimmie Gillespie, Don Bill Statter, Edward Mechell and Steve Gray placed third in the senior land judging contest. This team was coached by Marvin Myers. Betty Ann Welch and Charlotte Drabek won third place with their senior co-op. demonstration. Harriet Halbert placed third in the junior division of the favorite foods, meat group. Winning fourth place in senior dairy cattle judging was the team composed of Bob Bird, Gary Tole, Larry Wright and Joe Ray Burkett. Larry Hughston, Terry Bird, Leslie Hopkins and Billy Hord placed fourth in junior dairy cattle judging. Margaret Kralicke and Pam Carter placed sixth in the junior civil defense contest. The senior rifle team coached by Walter Stapp, placed sixth. Steve Bell, Steve Weathered and Tommy McKee were on the team. Buff Nelson and Bettie Ann Burkett won seventh place in the junior safety contest. Joy Tra-week, Joylyn Haynie, Vicki Spikes and Billy Sue McClain were seventh place winners in the share-the-fun contest. Accompanying the group as leaders were Mrs. Kenneth Halbert, Mrs. Charlie Drabek, Mrs. Martin Kralicke, Floyd Thomas, Ray Iseng, Mrs. Loraine Carter, Mrs. Alton Abston, Mrs. Clarence Garrett, Cecelia Drabek, David Denton, Seth Halbert and Extension Agents Mrs. Virginia Iseng and Joe Burkett.

There were more than 600 4-H Club members and adult leaders in attendance from 22 counties in District 3. Over 400 of these 4-H club boys and girls competed in the various contests. Jon Ann Carter, Suzetta Abston and Jean Burkett were district winners in senior contests and will represent the district at Texas A&M University at the 4-H Round-Up June 2, 3 and 4. Mrs. Iseng and Mr. Burkett stated, "We would like to thank the Crowell School for its assistance and cooperation, as well as the adult leaders, and 4-H members who worked so hard preparing for the contest and making it a success."

## Many Books Have Been Donated to County Library

Many books, both adult and children, have been donated to the Foard County Library book shower which will be concluded in a few days, according to Mrs. Robert Kincaid, chairman. The Library Committee wishes to thank everyone who has made the shower a success. These donations will make possible an expanded summer reading program for the children of Foard County, and the Gilliland and Truscott communities. Information released by the State Library of Austin shows that a community with a library has an institution which benefits the town financially as well as culturally. Persons planning a trip to the library will often make "impulse" purchases after visiting the library. Individual donations of books make it possible for the small library to make better use of the money available for buying books. The people of Foard County are to be commended for the progressive civic spirit they have shown in supporting the library, members of the Library Committee believe.

## Crowell Board Approves Contract for Thalia Transfer

The school board of the Crowell Independent School District held its regular monthly meeting Monday night at 7:30 in the school secretary's office in the court house. C. G. Graves, Henry Black, L. A. Andrews and all members of the board were present. When the minutes of the board meeting of April 6 were read, they contained a motion that was passed "that all teachers be asked to retire upon reaching the age of 65." An equalization board was appointed and consists of Sam T. Knox, R. G. Nichols and E. C. King. Gordon Erwin was hired to manage the swimming pool this summer. He will receive \$200 per month salary, plus all the receipts from the concession, and half of private parties for the seven-day week job. Life guards will be appointed by Mr. Graves and Mr. Erwin at a later date. The swimming pool is still under lease from the city, and admission and season ticket prices will remain the same. Though it operated in the red last summer, the board decided the community needs its facilities for its youth. Action was taken to pay for the band uniforms that were bought this year, and for the purchase of two new school buses. Additional action was taken to buy a new mower for the football field out of the maintenance fund. A motion was made and carried that the Crowell Independent School District approve a contract with the Thalia School District to accept all their students for the period from Sept. 1, 1964, to August 31, 1965. The Thalia board will meet on May 11 and is expected to sign the contract at that time. The resignation of the band director, Albert Lykins, was read and accepted with regret. Though no action was taken, the board did discuss what possible action should be taken for Crowell colored students since Vernon is closing its Booker T. Washington High School. Because of low average daily attendance, the South Ward Elementary School in Crowell will lose one of its three teachers, and it will be necessary to transfer its students from the seventh through the twelfth grades. There are eighteen such students, and they reside all over the school district. There are 28 to 30 in grades 1-6. The board must decide (1) whether there is another high school in a neighboring town that will accept transfers; (2) cost per child—it was \$101 a year to send each to Vernon; and on that basis, it will take an estimated \$4,000 to transfer them; (3) solving of transportation problems as the residential area ranges to the far corners of the school district; (4) it was noted that integration is inevitable.

Cultivate a Pearl

Do you have problems? Are you about to "go under" from all the pressures you face? If you do have an unusually large amount of trouble, you might profit from studying the oyster. The poor little oyster often gets a grain of sand or some other bit of foreign matter lodged under his shell. He has no way of getting it out. It is really a big problem, but he does not give up simply because he cannot find a simple way to succeed. Instead, he begins to cover the object with a hard, smooth coating until it no longer causes pain. Thus, a pearl is formed. You can do the same thing. When you face hardships, you can use them to build the pearl

of your character. Instead of surrendering in defeat in the face of difficulties, you can grow in courage and in wisdom. You can strengthen your personal standards. You can smooth out your good qualities and erase the bad qualities until your character is truly a pearl of great value.

### Sympathy

The students and faculty of C. H. S. wish to express their sympathy to Mrs. Floyd Thomas, a fourth grade teacher, in the loss of her mother.

### Barbecue Honors Terri Thomas and Kenneth Carroll Friday Night

On Friday night, May 1, the beautiful back yard of Mr. and Mrs. Elton Carroll turned into a "barbecue ground" for a senior barbecue in honor of two of the graduates, Terri Thomas and Kenneth Carroll. Upon arrival, the guests were invited to the scene of the barbecue, and after the invocation by Dick Todd, every one was soon feasting on the delicious mutton, potato salad, red beans, and all the trimmings. By the time the food had been devoured, everyone was shivering for no one except Mrs. Manard

Crowell, Texas, May 7, 1964

had anticipated the need of a jacket. Into the house went the Carrolls, and out of the house came "seeds" of coats, jackets, sweaters. Soon, every one was comfortable and was "off to the rodeo," which had been cleverly devised by Mrs. Carroll for entertainment. The group, divided into the Dark Horses, Pumpkin Heads, Broken Noses, entered keen competition in barrel racing, quick draw, trick roping, herding the dogies. Judges were Mrs. Welch, Mrs. Manard and Mr. Todd. The group spent two hours in "impromptu" games. Those earlier-needed coats and jackets were soon discarded for everyone "warmed up" as they entered into the hilarious fun. No doubt some new records were set in high jumping, rope jumping, etc. The numerous pictures snapped may reveal some previously unknown abilities of students and adults alike.

At a late hour, in contemplation of early arising to make the car wash, the tired group, after thanking Mr. and Mrs. Jack Thomas, Mr. and Mrs. Cecil Carroll and Mr. and Mrs. Elton Carroll for such a "diversified" evening of entertainment, dragged their weary bodies homeward. Attending besides the seniors were Mr. and Mrs. James Welch, Mr. Black, Mrs. Manard, Mr. and Mrs. Dick Todd, Jan Carroll and Jackie Thomas.

### Congratulations, 4-H Winners

In Wichita Falls on Saturday, May 1, three students of CHS won first or second places in 4-H district competition.

Our student body would like to congratulate Jean Burkett, who won first in the speech division, Jon Ann Carter who was first in the table setting division, and Suzetta Abston who won second in clothing demonstration.

These students will represent the district at the state meet in June at Texas A&M.

### Senior Personalities

The senior personalities this week are Gambie McCarty and Carolyn Hickman.

Gambie McCarty is the eight-year-old, black-haired, blue-eyed son of Mr. and Mrs. M. D. McCarty.

His list of favorites include: color, blue; food, steak; subject, history; teacher, Coach Amonett; actress, Natalie Wood; actor, Richard Burton; song, Suspicion; and pastime, drag racing. His pet peeve is a smart aleck.

After graduating from Crowell High School, Gambie plans to attend Cisco Junior College.

Age, 17; height, 5' 3"; hair, brown; eyes, brown—these are the characteristics of Carolyn Joyce Hickman, the other senior personality. Carolyn has been student council officer for four years, serving this year as president; FHA officer, drill team captain, band officer, class officer. She also has been a member of the

band, stage band, and Wildcat staff.

Carolyn lists her favorites as the following: color, blue; song, Suspicion; singer, Johnny Mathis; actor, Troy Donahue; actress, Natalie Wood; food, steak; pastime, hunting and fishing; teacher, Mr. Black; subject, typing. She dislikes most a person who pretends to be something that he is not.

Carolyn believes that her parents, Mr. and Mrs. Jack Hickman, have been her greatest influence. After graduating, Miss Hickman plans to attend Draughon's Business College in Wichita Falls.

### FFA Team Enters State Meet

Last Friday, May 1, at 9 a. m., the FFA poultry team left for Texas A&M to compete in the state FFA meet. The boys making the trip were George Myers, Harvey Ward, James Allen Welch. Although the team got a pretty good score, it wasn't quite good enough to place. Mr. Myers accompanied the boys, and they returned at noon Sunday.

### FHA Girls Attend State Meet

Judy Little and Janell Gray, accompanied by Mrs. Ruth Kenner, attended the FHA state meeting in Austin May 1 and 2. Leaving here early Thursday morning, April 30, the group arrived in Austin about 4 p. m. in time to register for the meeting the next morning and to do some very necessary shopping for the family back home. "Cleopatra" was the main attraction on Thursday night.

The main speaker for the morning session was Robert T. Davis, Assistant Attorney General of Texas. In his discussion on "What Have You to Declare," he gave some excellent advice to teenagers on dating and manners in general.

The Friday night session held a surprise. The Brooks Trio, which has been on the Ed Sullivan show, appeared on the program. Various chapters were responsible for this program, and exchange students from Italy, Greece, Austria and Germany were featured.

A tea was given for the FHA members and sponsors in the Senate Chamber of the Capital building, and a tour of the building was taken. On Saturday morning, there was a business session followed by the installation of new officers. The Crowell delegation returned home late that afternoon.

### Physics Class Visits Altus Air Force Base

Monday, April 27, the physics class boarded a school bus and traveled to the Altus Air Force Base with their teacher, Mr. Welch.

The base includes the Eleventh Strategic Aerospace Wing, a division of the Strategic Air Command. The class was shown the B-52 bomber, the Atlas ICBM, the Hound Dog missile, and the Quail missile and was allowed to board the KC-135 tanker. Their escort, the base information officer, showed them the all-weather radar landing technique; the jet engine maintenance shop where a jet engine was being overhauled; the SAC war room, where the SAC crews are briefed; the radar control for the location and recognition of aircraft; the "red phone," which is connected directly to the North American Air Defense Command at Omaha, Nebraska, to be used in case of alert.

The physics students learned much about America's defense program as well as about some of the physics laws they had been studying.

### Library News

As the lazy days of summer approach, one can think of reading as a favorite pastime. There are many books found in the library that are just made for summer reading. There are novels of adventure, love, mystery, wars, etc., as well as non-fiction selections—biographies, travel, experiences. In fact, you name it, and the library more than likely has it. This summer would be a wonderful time to enlarge a person's knowledge found only in books and also a good time to get some reading done for those book reports coming up next year.

Students, you may check out as many books as you want for the summer. However, if you don't intend to return the book when it is due, please don't check it out! Books must be checked out no later than Friday, May 15. They are to be checked in at the beginning of school in September. So, hurry, hurry, hurry, before someone else gets the book you want!

### Senior Car Wash

To break the number of cars washed was the goal of the 1964 seniors who held the annual senior car wash at Adkins Phillips 66 station on Saturday, May 2. With a total of 96 cars washed, 32 cars greased, and 895 gallons sold, this goal was achieved. Also, sufficient funds to complete the financing of the senior trip "went over the top."

The seniors wish to thank Mr. Adkins for the use of his station, the many friends for their patronage, the class mothers for serving coffee and cookies, and the sponsors, James Welch and Henry Black, for their untiring efforts.

## ANNOUNCING AN UNUSUAL PIANO OFFER

A massed piano festival was sponsored in Vernon by the Vernon Musicians Club. The Norsworthy Music Center furnished the pianos for this wonderful concert in which 300 pupils, musicians and teachers participated. The 12 pianos used are all quality instruments. There are no "seconds" in the bunch and are recommended by the teachers and musicians here in Vernon as good pianos.

These pianos are all NEW and have not been used other than in this festival. Because of this, and the fact that we do not normally carry this large stock of pianos, they can be purchased at a big savings. In 39 years of continuous service the Norsworthy Music Center has never offered pianos at such BARGAIN PRICES and SUBSTANTIAL SAVINGS to our customers. The styles and finishes are in Mahogany, Walnut, Early American Maple and French Provincial in Fruitwood.

CALL US AT ONCE IF YOU ARE INTERESTED IN KNOWING THE DETAILS OF THIS UNUSUAL OFFER, as the sale will last only until these 12 pianos are sold. If you have no use for a piano, you may pass this information on to a relative or a friend in any town or state, who will appreciate it.

- NOTHING DOWN!
- 36 MONTHS TO PAY!

# THIRTY YEARS AGO

News items below were taken from the Thursday, May 10, 1934 issue of The Foard County News:

With public sentiment for clearing up the evils existing in Crowell's traffic situation the strongest in the history of the town, it is expected that local officials will receive the full support of the general public in the campaign started to improve the local situation.

Born to Mr. and Mrs. Henry LeRoy Ayers, Ayersville, May 9, a boy, Henry LeRoy Ayers Jr.

Floyd Thomas, resident of Crowell for many years, has succeeded Otis Ross as manager of the Quick Service Station.

Crowell's new Gulf Service Station opened this morning with Otis Ross as manager.

Camille Graves, daughter of Mr. and Mrs. I. T. Graves, who was injured Saturday afternoon in an auto accident, is resting satisfactorily.

The new pavement that adds 30 feet to the width of the street, will be opened on the west side of the square the latter part of this week.

A gas sand, gauging 18,000,000 cubic feet, was brought in at the Texas Company's L. K. Johnson No. 4, about 18 miles airline distance west of Crowell Tuesday morning about 11:30. Mud in the hole was blown over one hundred feet above the 122-foot derrick from the nine-inch casing for several minutes.

Thalia sophomore boys defeated a team made up of boys from the rest of the school in a basketball game Tuesday afternoon. Sophomore sharpshooters were J. C. and Beecher Wisdom, forwards; Havis Capps, center; J. D. Miller, Charles Earthman and Percy Taylor, guards. The other team included L. Z. Tole and Harold Banister, forwards; Roland Taylor, center; Houston Adkins and Cone Green, guards. Coach Clyde Fincher served as referee.

Mr. and Mrs. Hartley Easley and Mr. and Mrs. W. B. Tysinger and daughter, Joyzelle, attended the polo games at Electra Sunday, which were held in connection with the Electra horse show.

The "egg truck" of the Methodist Home at Waco will be in Crowell on Wednesday, May 23, and anyone having eggs that they wish to donate to this home are requested to have them available at that time.

Miss Rozella Bowers of Beaumont became the wife of Homer Johnson of Crowell in a wedding last Saturday at Frederick, Okla.

Election of officers, a discussion of vacation by Mrs. Hubert Brown, music by the Mother Singers and PTA news will feature the local PTA meeting Tuesday afternoon.

Miss Cassie Dockins has resigned as superintendent of Richards Memorial Hospital at Paducah and is here visiting relatives.

## Brother of A. L. Daniel Died in Levelland

Funeral services for Robert C. Daniel, 64, were held Monday morning in Fifth Street Baptist Church at Levelland. Mr. Daniel was the brother of A. L. Daniel of Crowell.

Burial was in the Plainview cemetery.

Mr. Daniel, a resident of Levelland four years, died Friday at his home. An employe of the Soil Conservation Service since 1945, he moved to Levelland from Plainview. He was a member of the Fifth Street Baptist Church.

Surviving are his wife, three sons, two daughters, two sisters, four brothers and 14 grandchildren.

Mr. and Mrs. A. L. Daniel of Crowell attended the services.

Mr. and Mrs. Dan Callaway and son, Kinne, of Snyder visited here Sunday of last week with his parents, Mr. and Mrs. Claude Callaway, and other relatives and friends.  
Mr. and Mrs. George Morgan of Venita, Okla., are the parents of a baby daughter, Dawnalea, born April 25, in Venita. The baby is the granddaughter of Mr. and Mrs. Guy Morgan of Venita, former Crowell residents.  
The Avon representatives of Crowell, Mrs. Henry Greening and Mrs. Jack Powers, attended a sales meeting in the Wilbarger auditorium Wednesday, April 30. The meeting was held by Mrs. Louise Morton, district manager of Wichita Falls and a field representative of Kansas City. Both Mrs. Powers and Mrs. Greening

received honor awards of achievement.  
W. T. Ross of Flomot visited last Friday night here with his brother, S. H. Ross, and wife. He was accompanied home by his wife who spent a week in the Crowell hospital.  
Miss Myrna Holman of Rankin, former Ford County Home Demonstration Agent, visited here Tuesday night and Wednesday of last week with Miss Maye Andrews. She has retired and is making her home in Rankin.  
A trip to Wichita Falls Municipal Airport was made Sunday by Mr. and Mrs. Jack Powers and son, Anthony, to see of her brother, John A. Greening, Mr. Greening accompanied Tony Quisenberry, the physical science sweepstakes winner of the Oilbelt Regional Science Fair, to Baltimore, Md. They were accompanied by Mrs. John A. Greening and daughters, Bernadette and Brenda. Mr. Greening will stay a week, returning next Sunday. While at Baltimore, he will take side trips to Gettysburg, Pa., and Washington, D. C.

**Water Sports Can Be Safe**  
Water sports are popular in America. Some 80 million Americans are participants. But before the summer is over, more than 6,000 will not be around to enjoy life unless they follow water safety rules, warns Joe Burkett, county agent.  
Drownings, he explains, account for more than 6,000 fatalities each year in the nation and ranks fourth among the major death-causing accidents. And, he emphasizes, the number of one-year-olds leads all other age groups in the number of fatalities. Small children should never be permitted to play around water unless closely supervised.  
About a third of the drownings occur while people are swimming or playing in the water and the other two-thirds result from falls into the water from docks, bridges or shores or while the person is fishing, boating or is engaging in non-swimming activities, says Burkett.  
A few simple rules could prevent many of the fatal accidents and the first rule is to know how to swim if you plan to engage in any type of water sport or activity. Learn to float, he adds, so you can rest in the water. Know the area in which you swim. Swim with others and never alone. Learn how to give mouth-to-mouth respiration. If you are a novice at swimming, don't get in water over your head and don't go into deep water after dark.  
Never engage in rough play in the water nor stay in the water during an electrical storm. Use the buddy system when swimming with groups and always wear a life preserver when boating or skiing, advises Burkett.  
If you have a farm pond, make it safe for swimming. Mark the swimming areas and post safety rules. Provide life saving devices such as a ring buoy, a long pole and ropes and it's a good idea to mark danger points such as stumps or sharp rocks, he says. Swimming, he adds, is one of the healthiest forms of outdoor recreation and by following common sense rules of safety can also be one of the most enjoyable.

**Teacher Rights Are Discussed**

Houston (AP)—The growing demand of teachers for more of a say in policies and programs is the biggest problem facing school boards today, says the new president of the National School Boards Association.  
W. Leonard Robinson of College Park, Ga., said the school boards "certainly think the teachers have a right to be heard," but all final decisions must be made by the board members.

**Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight**

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration.  
With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.  
It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

## Mrs. W. B. Johnson Honored at Tea Last Friday Afternoon

Mrs. W. B. Johnson, president-elect of the Santa Rosa District, Texas Federation of Women's Clubs, was honored at a tea Friday afternoon of last week in the Adelphian Club house in Crowell.

Club women registered from Wichita Falls, Burkburnett, Vernon, Chillicothe, Quanah, Paducah and Crowell. Mrs. Grover C. Johnson, out-going president of the district, was a special guest.

The tea table was laid with a white Madeira cloth. It was centered with a lovely arrangement of blue iris in a large silver bowl, accentuated by silver candelabra. Other appointments were crystal and silver. Arrangements of iris completed the decor throughout the club house.

Piano selections were played during the tea hours by Misses Elaine Crowell and Ella Ann Cates.

A total of 82 years of club work in the Adelphian Club was represented at the tea by Mrs. Johnson's family. Her mother, Mrs. Jim Bell of Austin, was a member of the local club in the 1920's; Mrs. Johnson's daughter, Mrs. H. N. Ekern, has been a member

since 1947; Mrs. Johnson joined the local club in 1924; and her granddaughter, Miss Jo Wynn Ekern, has been a member of the Sub-Junior Adelphian Club since 1960.

Mrs. Robert Kincaid is president of the Adelphian Club at the present time.

Other members of the house party included Mmes. Robert Kincaid, Bob Thomas, Glyndon Johnson, Curtis Barker and Ray Shirley. Approximately 80 guests called during the tea hours.

## Mrs. Macon Boddy Speaks at Luncheon Here May 1

Mrs. Macon Boddy of Henrietta gave a most animated yet informative talk on her experiences as a member of the late President Kennedy's Status of Women Committee, at the annual covered dish luncheon of the Adelphian Club held last Wednesday. Mrs. Boddy was introduced by Mrs. W. B. Johnson. Hostesses for the affair were Mmes. Henry Borchardt, H. N. Ekern and Gordon Erwin.

The report of the committee was submitted to President Kennedy last October after a two-year study. Mrs. Boddy was one of two selected from south of the

Mason-Dixon line, and was the only woman without a Ph.D. degree, though she does have a bachelor's degree from the University of Texas. Mrs. Boddy is the wife of a prominent rancher and cattleman, and is quite active in civic and political affairs. She was recently appointed as a member of the Board of Regents for Midwestern University by Governor John Connally.

In their committee meetings, Mrs. Boddy said they discussed and recommended universal divorce laws and child-support laws. Another point of interest she stressed was how women are discriminated against in many states, particularly in Texas, but that this must be corrected on the state level. She spoke on labor problems as well as other social and economic conditions that are affecting the lower-salaried population, especially the women. She ended her talk by delightfully describing the party she gave in the Frank Ihard home in Washington at the conclusion of the committee's functioning.

Guests for the affair were Mrs. Boddy, Mrs. Gus Lorraine of San Antonio, Mrs. Bruce Gibson of Vernon, Mrs. Jim Bell of Austin and Mrs. Paul Shirley of Crowell.

## Columbian Club

Texas counties and county court houses was the subject of a Texas Heritage program led by Mrs. Marion Crowell April 29 when the Columbian Club met in the home of Mrs. Jack W. Brown of Truscott.

Mrs. John Ray pointed out that Texas, with 254 counties, has more counties than any other state. Brewster County is the largest with 5,935 square miles and Rockwall County is the smallest. Loving County was the last to be organized. She displayed pictures from the collection of Mrs. N. J. Roberts showing the old Hardeman County court house at Margaret, the first Foard County court house and the Foard County court house as it appeared before the tornado. The first Foard County court house cost \$4,250.

Mrs. Crowell read a quiz on Texas. The questions and answers revealed that the west boundary of Foard County is considered the beginning of West Texas. She said that Clodige astonished Texans when he asked about the Alamo, "What is it?" but he pointed out that there are many historical spots in his part of the nation which Texans do not know about.

Mrs. N. J. Roberts, who collects information and pictures of Texas county court houses, loaned her scrapbooks and pictures for the program. The Foard County "historian" says she often receives letters asking for directions to the Cynthia Ann Parker capture site in Foard County. Mrs. Roberts said a historical marker designates the site, but no signs show the route from the highway to the site which is so famous in Texas history, nor is there any kind of park for tourists to picnic at when visiting the spot.

Mrs. Idema Chowning presided at the business meeting preceding the program. Mrs. D. R. Magee read the devotion from Matthew, the parable of the talents. Roll call was answered with historical facts about Texas. The club is invited to open house at the Vernon State Hospital. The club sponsors a patient at the hospital.

Named to the calendar committee were Mmes. Roy Barker, D. R. Magee and A. L. Daniel.

Over thirty books were brought to the meeting as part of members contribution to the Columbian Club share of the Foard County Library book shower.

## Truscott Camp Fire Girls

Truscott Camp Fire Girls and Blue Birds met Thursday, April 30, in the home of Bette Barry. Bette gave each girl a basket of souvenirs from Mexico and the guardian, Mrs. Jack W. Brown, showed slides of San Antonio, while the assistant guardian, Mrs. Harold Barry, described the pictures.

Kathy Eubank assisted in making plastic May baskets with pipe cleaner handles for the wild flower hunt and picnic which followed the slide show.

The Blue Birds received their parts in the fly up ceremonial which will be held Friday, May 22, in the home of Mrs. E. J. Jones, along with a tea for the mothers of members and the Trailseeker Award ceremonial for the Camp Fire Girls.

## Crowell Cemetery

Mrs. N. J. Roberts reports the following contributions to the support of the Crowell Cemetery in the month of April:

Mrs. Hines Clark, Corpus Christi, \$10.00; Mrs. Iva Ballard, \$4.00; Mr. and Mrs. Melvin Moore, Denver City, \$10.00; S. D. Roberts, Denton, \$10.00; Mr. and Mrs. Joe Orr, \$10.00; Mrs. Ruby Reinhardt, \$15.00; Mrs. Johnnie Lilly, Austin, \$10.00; Mrs. Cressie Erwin, \$20.00; Paul Shirley, \$25.00; Mrs. J. D. Kenner, \$15.00; Mrs. Charley Huskey, \$5.00; Mrs. Maude E. Rasberry, \$10.00; Mrs. J. M. Hill, \$10.00; Mrs. E. R. Roland, \$10.00; the J. W. Thompson family, \$10.00.

Mrs. Roberts added, "All memorials are acknowledged with appropriate cards and we especially thank J. N. Ribble and Mrs. W. O. Dunlap who sent a check for one hundred dollars in memory of their father, J. N. Ribble. We have recently purchased a new power mower which was badly needed. Many thanks to all contributors for this is our only means of caring for this ever-growing cemetery."

## Riverside H. D. Club

Mrs. Grover Moore gave a reading, "Grandma's Day," for the opening exercises when the Riverside Home Demonstration Club met at Mrs. Sam Kuehn's last Friday. The president, Mrs. H. L. Ayers, conducted the business meeting.

Mrs. Roy Ayers was program leader with a round table discussion on "the dread diseases," which was very helpful to all. The hostess, Mrs. Kuehn, served pink lemonade and cake to eleven members. The next meeting will be with Mrs. Henry Bice on May 19.

**SCIENCE FAIR WINNER**—Kenneth McKown, son of Mr. and Mrs. Lynn McKown of Memphis and nephew of Mr. and Mrs. Grover Cole of Crowell, was first place division winner in the Panhandle Science Fair. The 15-year-old freshman in high school started his science project last October. He has made all of his equipment except a small electric motor. He has received the Army Science award and also the National Aeronautical Space Administration award. He has been invited by Dr. Rufus Haysberg of NASA at Houston to visit the NASA center this summer and discuss plans for continuing the project next year. He plans to use small monkeys next year and to include in his study tests on various foods as well as gravitational force and its effects on learning.

**Growers Reminded of Wheat Program Signup Deadline**

May 15 is a date wheat growers should mark on their calendar, Ray Hysinger, Chairman, Agricultural Stabilization and Conservation County Committee, reminded producers this week. That date is the deadline for signing up to take part in the new 1964 voluntary wheat program. The sign-up now is underway in the ASCS county office.

The chairman emphasized that filing an application is the first step necessary to participate in the program. If you have signed a card stating that you intend to remain within your allotment does not mean that you have signed to participate in the 1964 voluntary wheat program. Be sure to check with the ASCS office to see that you have signed an application to participate. After that, a grower will need to (1) keep his wheat acreage within the farm's 1964 allotment, (2) set aside to conserving use an acreage equal to at least 11.11 per cent of his allotment in addition to maintaining the farm's normal acreage in conserving use, (3) stay within the allotment for any other allotment crop on the participating farm, and (4) stay within the wheat allotment on any other farm in which the producer has an interest in the wheat.

The voluntary wheat program offers participating growers diversion payments on the normal yield of the diverted acres; a price support loan (or purchase) for his entire production, based on the county loan rate of \$1.27 a bushel; and marketing certificates based on the normal production of his eligible wheat acreage. Under the voluntary program, certificates will not accompany the wheat when it is sold on the market. Hysinger says "You will receive the value of the certificates at the ASCS county office. If all the program provisions are met and the wheat acreage planted for harvest is destroyed by natural causes, the certificates serve as an insurance measure to the producers, the ASCS says.

Growers who are interested on in price support for their 1964 wheat crop may qualify for loans or purchases by
