Parents are being urged by the Library committee to register their children in the Foard County Library Summer Reading Course.

For only 35 cents, all the children in a family can enjoy a summer membership in the library. This offer is made to all families in Truscott, Gilliland and Foard County.

Registration for the summer reading course is open any time between 9 a. m. and 5 p. m. Monday thru Friday at the court house in Crowell. Mrs. Veatrice Brock will be glad to answer any questions about the course.

Those who read 12 books will receive a certificate at the end of the summer. By taking the certificate to either Crowell drug store, young readers can receive one free ice cream or drink.

The summer reading course is open to all young people, two years through high school. Pre-school children can qualify by having their mothers read them 12 books.

Teachers say that reading is the key to all education. Parents can help their children in school next year by providing a reading opportunity this summer. If a child has had trouble with reading during the school year, he will be helped if he joins the reading course where he can learn that reading can be like ice cream, "fun to take even if it is good for you."

The recent library shower added several inexpensive books to the children's section. The library committee is also planning to re-arrange the children's section soon.

Anyone interested in helping the committee should contact Mrs. Robert Kincaid, chairman. Volunteer help is needed for posters, book displays, catalog work, publicity and increasing the library membership. Mrs. Roy C. Daniel of Truscott has completed three attractive posters featuring "Reading Is the Key."

## WILDCAT

EDITORIAL

### Thank You

It is fitting that the last editorial be an expression of thanks from the seniors to all those who have helped them throughout their school years.

First, our thanks go to our parents who have encouraged us in our studies and have, at times, made us get our lessons and attend school. We are glad now that we did accomplish our goal of getting a high school education.

Then, of course, we thank all of the teachers who gave their "blood, sweat, and tears," the three R's of a teacher. Thank you, grade school, junior high, and high school teachers. Though we don't often show it, we are grateful for the knowledge you've imparted to us—the "book learning" and also the tips for a better life. Special thanks go to Supt. Grady Graves and Principal Henry Black.

We also wish to thank those people in town who have honored us with parties, have given us graduation gifts, and have sponsored us in the senior work days and the senior car wash.

As editor of the Wildcat, I wish to give a special thanks to all the reporters and typists who helped with the paper this year and to the Kleppers for giving the space in The Foard County News, but most of all, I wish to thank Mrs. Manard for so willingly giving her time and efforts in sponsoring the Wildcat.

To all of you—Thanks!!

### The History of the 1964 Senior Class

Of the forty-three graduating seniors, only thirty began in the Crowell first grade in 1952. Those that did begin here are Nancy Archer, Carla Browder, Carolyn Hickman, Kathy James, Ronni Oliphant, Terri Thomas, Beverly Thompson, Arcina Garrett, Joyce Little, Judy Little, Elizabeth Pittillo, Ruth Sanders, Linda Hall, Judy Howard Cates, Yvonne Wheeler, Barbara Bell Black, LaRue Gidney, Barry Barker, Jon Lee Black, John Carl Borchardt, Junior Denton, Larry Henry, Woody Lemons, Philip Welch, Bobby Bond, Kenneth Campbell, Jerry Latimer, James Corder, Dennis Garrett, Charles Hall and Mike Shrode.

The other members joined this class in different grades. Jo Wynn Ekern attended school in Montana her first year and joined the class the second year.

Paula Sparks and Nelda Chappell joined the class in the second grade. Nelda left the class in the sixth grade to attend school in Richardson, Texas, and then attended school in Toyah, Texas. She returned to the 1963-64 class in her freshman year.

From Gilliland came Kenneth Carroll who joined the class in the sixth grade.

Kathy James left in the eighth grade and returned to be with the class in her sophomore year. John Schilling joined the class in the eighth grade.

Gamble McCarty attended Thalia Grade School until the sixth grade. He then attended grade school in Crowell and spent his freshman year in Crowell High School. Leaving Crowell in his sophomore year, he attended Vernon High School until the middle of his junior year. It was then that he rejoined the class.

Several students joined the class for the first time in the freshman year. Two students, Beverly Gray and Patricia Cates, transferred from Thalia, Kenney Ownbey came from Seminole; James Neeley from Yale, Okla.

In the senior year, three members were added: Jimmie Moore who had transferred from Thalia as a freshman, Fleta Smith who came from Friona, and Brenda Durham, after having been away from Crowell for several years.

The following were tentative plans of the seniors as they left last Friday for the long-awaited senior trip. Friday, May 15, at 12:15 p. m., the seniors left dear old Crowell High and journeyed toward San Antonio by chartered bus. The schedule called for their arriving in San Antonio at 10 p. m.; they had reservations at the Granada Hotel, which is deep in the heart of San Antonio. In San Antonio, they planned to visit

many famous places—the Alamo, Brackenridge Park and Zoo, missions, etc. Saturday night they planned to dine on a river boat going down the San Antonio River.

Sunday, the seniors planned to be Laredo bound. In Laredo, they were to stay at the La Pasada Hotel and were to be guests of Mr. and Mrs. H. D. Storey Jr. at a Mexican dinner to honor their niece, Beverlie Gray.

Monday, the seniors were to be going to Galveston for fun in the sun. In Galveston, reservation were made at the Jack Tarr Motel. Of course, no trip to Galveston would be complete without a swim in the cool waters of the Gulf of Mexico, a meal in an exotic restaurant, and a tour of many places of interest. The plans called for their return to Crowell Wednesday, no doubt, fatigued, tanned, blistered, but not disgusted, with the memories of the wonderful trip still fresh in their minds.

Class mothers making the trip were Mmes. Ruby Hickman, Hallie Sanders, Thelma Lemons, Bernice Carroll, Lillie Welch, Thelma Garrett, Flossie Thomas, Juanita Garrett, Betty Gray and Prudence Barker. The bus driver was Herschel Johnson. Also accompanying the seniors were the sponsors, James Welch and Henry Black.

In the conversation that follows, Terry Mason found out that he was the last remaining member of the class as others had either died or were killed when the "ole Crowell High School" had fallen on them during the class reunion of 1975.

Terry then asked the doctor what each of the students had done with his or her individual life. The doctor sent his nurse for his file on that group. It revealed the following facts about his classmates.

since the class of '64 has graduated. One of the members of the class who moved to Odessa in his sophomore year has been in a coma for these twelve years as the result of an explosion in a chemistry class. As he is coming out of his long sleep, Dr. Tra-week is summoned to examine him.

back to CHS to teach or to coach. Larry Henry lost about half his hair due to baldness. He decided he looked like a coach, so he came back to CHS and replaced Mr. Amonett.

Then there was Carolyn Hickman, who as Student Council president, held the job of "boss" during her senior year. The experience proved profitable; she came back to Crowell and replaced Henry Black as superintendent.

Carla Browder, "the whiz kid of bookkeeping," replaced Mrs. Todd way back in '68 when she got out of college.

The "brains" of the class of '64 turned out to be failures. They both went to college starting as freshmen in '65 but never succeeded in graduating. They were home between semesters when they were killed in the cave-in. Yes, you have probably guessed it by now—Nelda Chappell and John Schilling.

The two that turned out kind of like a fairy tale were Ronni Sue Oliphant and Terri Thomas—they became the first women "astronauts" to storm the moon.

Bobby Bond and Philip Welch

became very well known, wide celebrities with their nets. Too much credit should be given to them however their talented singer, Pat Cates, deserves a lot of the credit. She has made this three-some known.

Mike (Sleepy) Shrode many different types of work finally got tired of working. He came back to Crowell and over the combined job of singing Algebra II and English.

Another senior of '64 was came pretty well known, Kathy James. Kathy became very well-paid model for magazines as Photo and Photo.

Kenneth Carroll had just ten out of Huntsville State when he was killed in the cave-in. He was sent to Huntsville in 1966, not as an inmate, but as an entertainer. He was the "clown" at the weekly radio performances.

Woody Lemons owned a profitable little business in town Crowell. He pawned hisings of 3 cigars, 13 ballpens, and 4 coke bottle tops.

a shoe shine kit. "Ole" could give one of the lines in the state! "Ole" Gray married Charlie and a house full of "ten"  
The Gidney married Kenney and made a very good wife. Bill had been campaigning downtown Dallas since he

graduated and was home visiting relatives and classmates for the week of the reunion.  
Judy and Joy Little became pretty well known in the sports world. They were known as the "Big Littles." They played guard and tackle for the Baltimore Colts.  
Ruth Sanders and Paula Sparks really set the world on fire with their burlesque act in the circus. Their motto, "Let us entertain you" became well known.  
Beverly Thompson, Brenda Durham and Jimmie Moore were killed six years ago in a one-car accident on the road between Crowell and Vernon.

John Carl Borchardt and Kenneth (Pete) Campbell owned a very nice little sporting goods store. Don't know how they made their payments on the "ole place." I heard they sold goods below cost.  
The two Garretts, Arcina and Dennis, decided to put their talents to good use. So, back in 1969, Dennis opened a "Hair-Do Shoppe" in Las Vegas, and Arcina was his partner.  
Nancy Archer came back to Crowell after graduating from college and took over the job as the judge's secretary.  
Gamble McCarty decided that his experience as usher in the

Plaza at Vernon was too valuable to let pass away; after graduation he went to Vernon and bought the Plaza.  
Jo Wynn Ekern, known for her friendliness in high school, kept this talent. In 1974, she was acclaimed the "friendliest" of the "Earthites," winning over several of the "Marsites" in festivities celebrating the tenth anniversary of the conquest of Mars.  
Crowell has never had a person to go to the Olympic games. James Neeley was to have gone to the 1978 Olympic games to participate in the tennis matches, but alas, the disaster kept him from going.

The next of the senior class to meet death was your little buddy, James Corder. Mr. Corder did many things in his short life. He became a wealthy man when he bought half-ownership of the Coca Cola Co., and he drank up more Cokes than his half of the profits. He wasn't able to be at the reunion for last year he committed suicide.  
As you can see, Mr. Mason, you are the last remaining member of the class of which you were once a part. As a high school student, my bookkeeping teacher always taught me to close out my files; so, Mr. Mason you needed to die as a favor to me, but since you didn't, well, I hate to do this but . . . (doctor draws gun).  
The patient sees his end is near as the doctor draws his gun, and begs for mercy, but alas it is too late, for as he cries, "No, no doc," the gun discharges two quick shots.

All the girls got a whipping with a ruler.  
Barry and Kathy got married by the railroad track.  
Jo Wynn and Barry were officially engaged with his mother's engagement ring.  
We gave each other shots with pencils.  
There was the "Ivan Cates Fan Club" and "Halloween night."  
Everyone got 70 in citizenship in the 8th grade.  
Kathy J. ate a bug in the first grade.  
Kenneth Carroll and Junior had a fight over Gail Rader.  
Larry Henry put a snake down Barbara's back.  
The wild steadies of a week were Jo Wynn-Danny Phipps, Ruth-Jon Lee, Arcina-Jimmy Pendergraft, Bobby-Terri, Mike S. Carolyn, Beverlie-Billy Sokora, Paula-Mike Shrode, Ruth-Terry M., Jo Wynn-Jimmy Hudgens, Junior-Gail Rader, Carolyn-Phillip, Arcina-James, Paula-Jimmy Pendergraft.

### Rotary Club

Miss Carolyn Hickman, president of the Student Council of Crowell High School, told members of the Rotary Club some of the activities of the Student Council at the meeting last Wednesday. Among the aims are to build better student leadership and to promote worthwhile functions for the entire High School student body. Miss Hollis Halbert, who has been elected as a Student Council officer for next year, told of the trip the new officers took to the Texas Association of Student Councils convention in Houston last month.  
Grady Halbert was in charge of the program. Short talks were also made by Walker Todd, a visitor from Quantah who is advisor for the Student Council of Quantah High School, and Marvin Myers, advisor for the local council.

### Remember When?

The little red chair in the first grade was often used.  
Woody Frank said, "Arcina, is that you?" at Ronni Sue's slumber party. It was Ronni's mother.  
Mike Shrode and Carolyn broke up in the fifth grade, and Arcina cried.  
A boy slapped Jo Wynn, and Paula threw a book at him.  
The ballet class was composed of Terri, Jo Wynn, Nancy, Ruth, Carolyn, Ronni Sue.  
Woody Frank and Jo Wynn broke up over Terri.  
Barry "swallowed his teeth" in freshman English class.  
Coach Wall caught Beverlie drinking a Coke in class.  
Elizabeth had to sit in "the red chair" because Judy L. wanted her mirror.  
Joy liked to ride back from lunch with James Corder.  
Beverlie and Paula had a fight because Beverlie pulled her hair.  
Dennis asked Barbara to marry

## PUT A TIGER IN YOUR TANK!

New Power-formula Enco Extra gasoline boosts power three ways... preserves the power of new engines... restores lost power to many older engines:

1. Cleaning Power! Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits to improve power and mileage.

2. Firing Power! Spark plug and cylinder de-

posits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits to help your engine fire smoothly and efficiently.

3. Octane Power! Octane requirements for new cars are up again this year. New Enco Extra has the high octane that most cars now need for full performance, smooth acceleration and passing power without knocking.

You'll get something extra for your money with New Power-formula Enco Extra—it's like putting a tiger in your tank! Happy Motoring!

From the News . . .

## THIRTY YEARS AGO

News items below were taken from the Thursday, May 17, 1934, issue of The Ford County News:

Rain that fell over most of the county Monday amounted to one-half inch at Crowell.

There are now 215 families on the local relief rolls, and any of these men would be glad to work for you. In this number, there is certain to be someone who can do the job as you want it done."

After playing the last two games away from home, the Crowell baseball club will play its next Red River Valley League game here Sunday with Vernon.

City officials wish to express their appreciation for the response to their appeal for cooperation on the part of motorists in correcting local traffic evils.

### Quanah to Host 3-Day Pioneer Days Celebration

The old west with all its color and pageantry will come to life in Quanah this week end during the visit of the famed Rolling Plains Mule Train of Spearman. People of this area were issued a special invitation to attend the three-day Pioneer Days celebration during a visit of Wagon Train boosters from Quanah last Saturday morning.

Featuring an authentic pioneer wedding and a pioneer hootenanny, the celebration will get underway Friday afternoon between 4 and 5 p. m. with the arrival of the Mule Train on its 500-mile trek from Spearman to Graham.

Around 10 a. m. Saturday an old fiddlers contest will be staged on the court house lawn followed by a "Quick Draw Contest" to decide the top gun of North Texas and Oklahoma. **With the Bible**  
 Can the Law Save?  
 This writer does not wear clerical garb, but somehow when he visits a church away from home, someone is apt to step up to him and ask: "Are you by any chance a minister?"  
 Acts 13 tells how this once happened to Paul and Barnabas. They had entered a synagogue as strangers and simply sat down to listen. After "the reading of the law and the prophets," however, the leaders of the service sent someone to ask them: "If ye men and brethren have some word of exhortation for the people, say on" (vers. 14,15). Somehow Paul and Barnabas had been recognized as men of God.  
 The custom at that time was to read a passage from the law and then some passage in which the prophets urged the people to observe the law. This was followed by an exhortation by one or more of the religious leaders present.  
 Well, Paul did have a word of exhortation for the people, but it would be somewhat of a surprise. Getting to the point of his message, he preached to them Christ and the resurrection and closed his talk with the words: "Be it known unto you, therefore, men and brethren, that by this Man is preached unto you the forgiveness of sins; and by Him all that believe are justified from all things, from which ye could not be justified by the law of Moses" (vers. 38,39).  
 This was the gist of his "exhortation": Don't trust in the law for salvation—trust in Christ, who died for your sins. This makes sense and it agrees with the Bible as a whole. "By the law is the knowledge of sin" (Rom. 3:20); "it was added be-

**UNFAIR TO WOMEN**

**George Corse believes that women who do the same jobs as men should receive the same pay as men.**  
**The present congressman evidently does not think so, as he voted against H. Res. No. 362, which provided for consideration of equal pay for women for equal work (May 23, 1963).**  
**Respectfully, George Corse Jr.**

cause of transgression" (Gal. 3: 19); "for as many as are of the works of the law are under a curse" (Gal. 3:10); but "Christ hath redeemed us from the curse of the law, being made a curse for us" (Gal. 3:13). "Therefore we conclude that a man is justified by faith, without the deeds of the law" (Rom. 3:23).  
 It should be obvious that the law can only condemn sinners, but it is also a fact that Christ died for sinners, to save them from the condemnation of the law. "Therefore, being justified by faith we have peace with God, through our Lord Jesus Christ" (Rom. 5:1).
