## FOARD COUNTY FARM BUREAU ELECTED OFFICERS

### R. B. Bell Elected President and S. W. Gentry As Vice Pres.

The Foard County Farm Bureau met at 2 p. m. Saturday in the district court room and elected a president and vice-president of the organization. The death of J. B. Rasberry, who was president of the county Farm Bureau, made it necessary to elect a president, and since R. B. Bell was vice-president and was elected as president Saturday to fill the place made vacant by Mr. Rasberry's death, that also created a vacancy in the office of the vice-presidency. S. W. Gentry was chosen for that place.

Other matters of importance were attended to. Delegates who had been sent to a Dallas meeting recently made their report, which was to the effect that matters pertaining to the membership of the Farm Bureau Cotton Association, which has become somewhat unsatisfactory to some of the members, were in process of being corrected, and it was the opinion of those making the report that the matter would be worked out in a short while. It was their opinion the men at the head of the Association wanted to do the right thing but that some mistakes had been made, due largely to the fact that the machinery of the proposition was very intricate.

According to T. M. Haney, who has been at Dallas for some time, and who is now there looking after matters as one of the directors, the most serious thing now confronting the Association is a recent decision handed down by the Civil Court of Appeals favorable to J. C. Stovall of Ellis County in a case appealed by the Texas Farm Bureau Association from the District Court of Waxahachie. Mr. Haney read a letter in which Mr. John T. Orr, president of the association, pointed out that the way is now open to the Supreme Court of Texas where the constitutionality of all laws must be passed upon.

The concluding paragraph of the communication from Mr. Orr carries some hope of a rehearing, however, as is shown in the following: "The wide sweeping decision by the Galveston court in favor of the Farm Bureau movement, is not touched by the action of the Dallas court, except in the one particular—that is, whether or not the contract is equally binding on both parties. The Galveston court says it is; the Dallas court says it is not. We are immediately making a motion for a rehearing of the Stovall case. If favorable results are not obtained that way, we shall appeal to the Supreme Court to decide the difference between the two appellate courts. We have one lower court against us. We have one lower court for us, and not only this one but the Supreme Court in each of the states where co-operative marketing principles have stood the test."

### Mitchell-Thomson

Mr. Fred Mitchell and Miss Lometa Thomson were quietly married at the Methodist parsonage last Monday evening by Rev. T. C. Willett.

Mrs. Mitchell is the daughter of Mr. and Mrs. D. E. Thomson of this city. Mr. Mitchell is a prominent young man of this county.

They left immediately for Electra where they will make their home.

The many friends extend congratulations and wish them much success.

### B. Y. P. U. Program

Subject—Building for the Kingdom. Leader—Annie Mae Ellis. Scripture lesson, Luke 12:1-12. Building for the Kingdom through the teaching of a full Gospel.—Susie Ohman.

Supporting our training institutions—Mary Billington.

Supporting our church forces—Linda Nash.

Better housing of our churches—Annie Ellis.

Our hospitals and orphanages—Leta Thompson.

Benediction.

Honest people should welcome an investigating committee. It removes any doubt that might lurk in their minds.

## The Cost of a System of National Highways

A system of 150,000 miles of National Highways, built and forever maintained by the National Government, will give our nation the greatest road system of the world.

"Bind the states together in a common brotherhood and thus perpetuate and preserve the Union."

Built and forever maintained by the National Government, we will have a system of State highways and a main county road north and south and east and west in every one of all the 3,014 counties in all the 48 states.

They will cost six billions of dollars. If built in 20 years, this means each year three hundred millions, or for each person in the United States, each year for 20 years, three dollars, and for the average family of four persons each year twelve dollars.

But as New York, Pennsylvania, New Jersey, New Hampshire, Vermont, Massachusetts, Rhode Island, and Connecticut, having only five per cent of the area of the United States, have one-half the national wealth, these nine states in the north-eastern corner of our country will pay one half the cost of building and forever maintaining 142,500 miles of National Highways in the other 39 states of the Union. Therefore, all the remaining 39 states would have to pay per capita only \$1.50 a year. But upon building these National Highways their cost will be paid back by loads two to eight times those hauled on poor roads.

These 39 states of the West, Middle West and South have 300 senators and representatives in Congress, a majority of 124 votes. Therefore, the West, Middle West and South have the power to gain National Highways at half their cost, and maintenance forever.—National Highway Association.

## NEFF SIGNS BILL FOR SCHOOL AID

### \$3,000,000 Is Appropriated to Supplement Available Fund

House bill No. 1, appropriating \$3,000,000 to be added to the available school fund during the scholastic year from August 31, 1922, to August 31, 1923, was signed by Governor Neff Saturday and is now in effect.

That means that the per capita apportionment will be raised from \$10 to about \$12. For Foard County it will mean about \$3,000 more than we would have had if the bill had not passed. It will give Crowell about \$1,000 more money.

An amendment was inserted by the Senate providing that no part of the appropriation is to be used for the payment of increases in salaries, the purpose being that it should be used exclusively for the prolongation of the school term. We understand, of course, that this has no reference to salaries agreed upon at the beginning of the school term.

### For City Marshal

E. T. Meason authorizes the announcement of his name for City Marshal. Mr. Meason is too well known for it to become necessary for the News to give him an introduction. He was here many years before the present News force heard of him. "Uncle" Ben, as he is familiarly called, is known by everybody. He asks for the office because he thinks he can handle the job. He has never asked for a public office before. "Uncle" Ben is entitled to your consideration.

### District Deputy Grand Master to Visit Crowell Masonic Lodge

W. H. Stroud of Odell, District Deputy Grand Master of Texas, will be in Crowell on Wednesday evening, March 7th, in the interest of the interest of the National Masonic Service Association. He will be accompanied by an able lecturer of statewide reputation who will lecture at the Masonic hall and the lecture will be illustrated with stereopticon views. Every Mason in the county should be present, and the Crowell lodge especially invites the members of the Thalia lodge to be with them on this occasion. Those who have heard this lecture state that it is very instructive and also highly entertaining. Important questions of the day and questions of special interest to Masons will be discussed.

## YODER LIGHT AND POWER CO. TO PUT IN ANOTHER ENGINE

D. P. Yoder was here from Snyder Thursday and Friday of last week and stated that the Yoder Light & Power Company would put in another 85-horsepower engine, like the one now in use, with another generator, exciter, cooling tower and everything complete. Work is being done now to get the foundation in as soon as possible for this machinery.

Mr. Yoder says this will make the light plant here able to take care of a town twice the size of Crowell. The most annoying thing the people of Crowell have had to contend with has been the interruption of service on account of breakdowns. The present little cause for complaint of service from any other source, and Mr. Yoder says that the installing of this additional engine will remove all danger of interruption of service for a period longer than just enough to get another engine started in case something goes wrong with the one in operation.

As to a 24-hour service he says that is not possible with the present amount of load and present rates, but that this is contemplated when the load will warrant the operation of one plant from midnight until morning at a loss. All plants he says operate at a loss during this period in towns of less than 5,000 people.

The duplicate unit will do away with the necessity of doing all repair work on Sunday and will make Sunday morning service possible.

Mr. Yoder would have us know that the business hardly warrants the expenditure the company is making under present conditions, but that it intends to keep ahead of all demands for electrical power, even though it may be some time before extra power is needed.

The News believes it speaks the sentiments of the people of Crowell when it says that the main thing we have contended for is service, and we have been willing to pay a good price for it, as we are doing. But while there has been some complaint on the price there has been more on the service.

The people of Crowell are pleased to know that an additional engine is going in to insure the people of Crowell an uninterrupted service which they feel they are entitled to. And there is little complaint at the service, so far as the News knows, except because of the interruptions.

### Automobile Accident

J. H. Lanier, son of Mr. and Mrs. J. H. Lanier, happened to an accident one day last week when a front tire of the delivery car burst as he was passing over the crossing west of T. M. Beverly's place. When the tire gave way the car headed towards Mr. Beverly's fence and when Lanier brought it back the unruly thing headed for a telephone post on the opposite side of the street, and the sudden steering of the car back threw the machine on its side. J. H. was thrown from the car, sustaining a fractured arm and a badly lacerated thumb by broken glass.

### Intermediate League Program

Leader—Marion Cooper. Scripture lesson, Matt. 24:41-51. To what is the Kingdom of Heaven likened in Matt. 25:14?—Lottie Russell. What was given unto the First Servant? Matt. 25:15.—Clarabelle Gaines. What was given unto the Second Servant? Matt. 25:16.—Opal Ribble. What disposition did the First Servant make of his talents?—Hazel Dykes. Search questions for the leaguers: To whom is the man traveling in far country likened unto? Why did the servants not all receive the same number of talents? Why was the one talent taken away from the man who had taken such good care of it? Do you think it was fair to take this man's talent away from him?

The little town of Jayton recently had a fire loss of \$25,000, two drug stores, postoffice and hardware store, with most of their contents being destroyed.

The town of Rule has voted a \$53,000 bond issue for a water system.

## KNOX CITY PEOPLE INSPECT CROWELL'S WATER SYSTEM

In view of the fact that Knox City has voted bonds and will install a water system, and in view of the fact also that those people are figuring with Mr. Noland, who superintended the building of the Crowell water works, they were interested in our plant to the extent that the mayor of that town together with four other leading citizens came to Crowell Tuesday and looked over our water works. They were very much pleased with Mr. Noland's work here and think we have a very fine water works system. All of Mr. Noland's work, both in the construction of highways and the building of the city's water works, was satisfactory to all concerned, and they stand today as an evidence of his efficiency in his line of work.

The Knox City visitors were Mayor Arnold, T. P. Frizzell, E. O. Jamison, M. N. Warren and J. C. Parrish. Knox City has voted a bond issue of \$45,000, we understand, for water. That amount should be sufficient because the town has an abundance of sheet water at a shallow depth.

## Congressman from Texas Uses Fists on Floor of House

Washington, Feb. 17.—A physical clash on the floor of the House between Representative Wingo, Democrat of Arkansas, and Representative Jones of Texas, in which blows were struck, threw the chamber into wild disorder this afternoon. Wingo attacked Jones during a debate and a dozen other Congressmen entered the fray amid flying fists to separate the belligerents.

No one was injured, although it appeared a small-sized riot was in progress for a while.

While the two Congressmen were wrestling in a center aisle, scores of other members shouted for the sergeant-at-arms, who was not in sight. Above the tumult pounded the gavel of the Speaker, wielded by Representative McArthur, Republican of Oregon. Neither Wingo nor Jones paid any attention to their colleagues, but continued to wield their fists.

A dozen members leaped upon them, pulled them apart and forced them into nearby seats. Order was finally restored, Wingo leaving the chamber while Jones apologized to the House for his conduct.

The clash was the result of debate over proposed changes in the existing Farm Land Bank system. Wingo, in charge of Democratic opposition to the bill, was charged by Jones with "only acting under the guise of opposition" and "really favored the bill."

"I object to the implication of bad faith," Wingo shouted and strode down an aisle toward Jones. He grabbed the latter by the collar of his shirt and both men flailed at each other with their fists.

While shouts rose from all parts of the chamber for the sergeant-at-arms, other members succeeded in parting the two Congressmen.

In analogizing to the House later Jones disclaimed any intention of reflecting upon Wingo's "good faith" in opposing the legislation under debate.

Effective February 1, James E. Rutherford of Chillicothe was appointed Tax Commissioner for the Orient lines in addition to his duties of Traveling Freight and Passenger Agent, conferring on tax matters for Texas with General Attorney Alex Collins at San Angelo, and for Kansas and Oklahoma with General Attorney E. A. Boyd at Wichita, Kansas. Mr. Rutherford's headquarters will be at Chillicothe.

Miss Margaret Fallon was here several days this week from Fort Worth visiting in the home of T. M. Beverly and with other friends. Miss Fallon is a trained nurse and has had a number of cases here, this time she was called to Thalia to nurse Ed Shannon and Jim Rogers. She returned home Tuesday and went to Vernon with Mr. and Mrs. J. R. Beverly, Mrs. T. M. Beverly and T. L. Hoghton.

A large crowd from the Methodist Sunday School were in Quannah yesterday attending a Sunday School convention.

## Two Men Died Only Few Hours Apart

The News was ready to go to press last Thursday afternoon when the news came of the death of Jim Rogers and Ed Shannon of near Thalia came to us and it was possible to merely mention the fact.

The two men were living in the same house, that of Mr. Shannon, Mr. Shannon being a single man and Mr. Rogers having a family, consisting of a wife and three children. At the time of the illness of the two men Mrs. Rogers was in a sanitarium at Vernon, having undergone an operation and was unable to be at home. The death of Mr. Rogers occurred at 10:30 a. m. Thursday and that of Mr. Shannon about the middle of the afternoon of the same day, both deaths having resulted from pneumonia, which developed from the flu.

The body of Mr. Rogers was buried at Thalia Friday. That of Mr. Shannon was not held until Saturday so that his brother and his wife and Mr. Shannon's mother could arrive from Arkansas. Interment took place Saturday at Thalia under auspices of the Thalia Masonic Lodge.

Mr. Shannon came to this country about 14 years ago and was about 45 years of age when he died. He was born and reared in Arkansas, but

elevered over a large portion of the West before locating in Foard County.

Rogers came from Hunt County some seven or eight years ago and for about five years he and his family had been living with Shannon.

## HIGH SCHOOL BASE BALL TEAM STARTS WORK-OUTS

### Coach Tate Plans Extensive Schedule with Enthusiastic Championship Material

The base ball High School boys began an enthusiastic spring workout last Monday. Excellent spirits were fostered and engendered by spring weather and Coach Tate's men worked in a snappy manner that betokened unquenchable spirit.

The nine is considerably strengthened by additions, notably Awbrey at pitcher and center, and should show this part of West Texas where to headin.

The skipper predicts a successful season and the views of the fans coincide. An extensive schedule is planned and it is intended that no week shall pass without a game. Authentic dates are as follows:

Chillicothe at Crowell, March 2; Crowell at Chillicothe, March 9; Knox City at Crowell, March 16; Crowell at Paducah, March 23; Paducah at Crowell, March 30; Crowell at Knox City, April 6.

### At the Methodist Church

Our Sunday School workers have been meeting each evening this week in the study of the "Pupil," the first unit of our Teacher-Training course, under the leadership of Rev. W. H. Terry, Sunday School Field Secretary of the Northwest Texas Conference. There has been about twenty of us each evening and all seemed to have enjoyed the course. Bro. Terry says that he is well pleased with the progress of the class and expects all who will take the examination to pass. Rev. Terry will be with us over Sunday and will fill the pulpit both morning and evening. Subject for morning sermon, "God's program for the propagation of revealed religion among men." Evening subject, "Present day aspects of the religious educational movement."

Rev. Terry is a forceful and eloquent speaker, a man with wide experience and thoroughly equipped to handle his subjects. You will miss one of the best things that will come to our church this year if you miss these two sermon-addresses. Come and worship with us. A welcome and a message await you at the Methodist church.

T. C. WILLETT, Pastor

H. J. Byer was in the office Monday from the Jamison community and said he was going to go to Quannah to work. He has been in the employ of Charlie Machac. He says there is lots of plowing going on in the Jamison community since the fine rains came and that the farmers are preparing to plant a big cotton crop this spring.

News was received here last week of the birth of a baby girl, Margaret Inez, to Mr. and Mrs. Johnnie Long of Magdalena, N. M.

## THINKS AUTO FUND WILL TAKE CARE OF THE HIGHWAYS

### County Judge Sees No Reason Why Roads Should Not Be Maintained

County Judge Jesse Owens thinks we may rest assured that the present automobile fund is sufficient to take care of the highways of the county. A few weeks ago the News published a report of the fund and the books at the treasurer's office show that we have a good balance, as much or perhaps a little more than when the fund was created in the year 1920.

The roads, says Judge Owens, are now in good condition all over the county, since they have been gone over with the drag, and under ordinary conditions there is no reason to expect them to be otherwise, except at certain periods when it is very dry and traffic is heavy, but they need only a little rain at these times and then to be gone over once to put them up again.

We are all proud of the roads. They are a big advertisement for us, and instead of allowing them to go down we are going to keep them up and make them better from time to time. Sentiment favors it, and sentiment is the power that makes things effective.

We are glad to see a section of Foard County's roads shown in a booklet issued by the Lee Highway Association in Washington. It is a credit to the enterprising spirit of our people and it means that we are included with that large bunch of people along this transcontinental route that make things come to pass.

### New Preacher Pounded

After a little more than a week's sojourn in this thriving metropolis of Foard County we were made the recipients of an unusually bountiful pounding of the membership of the Christian church. On Friday afternoon the advance agents began their maneuvers, and before eventide several visits were made to our home by representatives of several of our enterprising grocers and our kitchen began to be filled with good things to eat. Well about 8:00 p. m. the real army made its attack and after the attack was over and the truce was made, we found a very large part of the church membership had loaded the dining table with fruits, vegetables, flour, meat and lard. Yes even a fine large sugar cured ham. Surely we will never forget this kind expression of love, and our prayer to God is that He may richly bless in every good way this entire community. We shall strive as best we can to make a worthy citizen, and we crave the good will, and earnest co-operation of your entire citizenship, to the end that working together we may be able to make our community one of the brightest spots in our beloved state and nation.

We trust you will feel perfectly free to use us in any way wherein we are capable of rendering service. Crowell is now our home. We are for Crowell first, secondly, thirdly and even all the time. Recognizing that every good and perfect gift cometh from the "Father of Lights," let us all, "Seek first the Kingdom of God and its righteousness," and then we have the promise that every needful thing will be ours to enjoy.

In conclusion, the Christian Church seeks an opportunity to serve. We shall always strive to make our services inspirational, educational and spiritual. If you have no church home, we offer you a hearty welcome. Strangers once only, shall be our motto. Services again next Sunday as follows: Bible School 10:00 a. m., communion 11:00 a. m., preaching 11:20. Subject, "What Jesus Means to Me." Preaching 7:30 p. m. Subject, "Our Peculiar Message."

Will preach at Vivian Sunday afternoon at 3:00. Again urging your presence at every possible service, we are yours to serve.

P. R. Huckleberry and Family.

Dr. M. M. Hart, Q. R. Miller, S. E. Seales, Joe W. Beverly, A. M. Lough miller, were in Thalia Saturday afternoon to assist in the Masonic ceremonies attending the burial of J. E. Shannon.

### THALIA ITEMS (By Special Correspondent)

Johnie Capps of Burkburnett is visiting his parents here this week.

Miss Ethel Haney of Vernon visited relatives here last week.

Mr. and Mrs. Everett Haney were here from Vernon last week visiting relatives.

Rev. Cox of Vernon delivered a fine sermon at the Baptist church here Sunday night.

Homer Wilhite is prospecting in New Mexico this week.

George Self and Henry Gribble were in this vicinity Thursday from Crowell.

Mrs. Pete Gamble and son, Glen, were in Crowell Saturday where Glen had some dental work done.

Mr. and Mrs. Grover Nichols and Mrs. Tom Abston were in Crowell Saturday. Mrs. Abston had dental work done.

Mrs. Maggie Killon left Saturday for Lubbock to attend the trial of the man that killed her husband.

Mr. and Mrs. Joe French are the proud parents of twin boys, Vernon and Herman, who arrived the 14th.

A singing was held in the M. J. Phillips home Sunday afternoon.

Joe Huntley and family of Lockett visited relatives here yesterday.

Mr. Wethers and Kebe Short, both of whom recently underwent operations in Vernon, have returned home and are improving.

Charley Husky has returned home from Crowell where he underwent an operation at the sanitarium recently.

Miss Josie Langley returned home from the Denton Normal last week.

Miss Emma Maine went to Chillum to visit her mother. She will finish an unexpired term.

Messrs. Hayes and Ashbey, tinners of this town, were in this vicinity this week.

They are working on the gutter for H. W. Banister.

A young boy preacher by the name of Smith from Abilene Christian College filled the pulpit at the Church of Christ here the 2nd Sunday.

A Mr. Walker and a friend of Paducah were here Wednesday looking for cotton seed to plant.

Mr. and Mrs. James E. Dockery visited friends and relatives at Tolbert last week.

Lenard Henderson of the Black community is working for Hugh Thompson this week.

Walter Shultz of near Margaret was in this vicinity last week trading.

Lee Shultz and Arthur Phillips made a business trip to Vera, Texas, recently.

W. I. Awbrey and children have been here from Crowell visiting during the last week.

Hiram Grey and family have recently installed a radiophone in their home.

Bob Huntley and family visited her parents, Mr. and Mrs. Brazwell near Vernon last week.

Sam Russell and family of Crowell attended the funeral of their cousin, Ed Shannon here Saturday.

Mr. and Mrs. Sam Scales and his mother of Crowell attended the funeral of Jim Rogers and Ed Shannon Friday and Saturday.

Bro. Thomas E. Millholland and Tillet Teddee of Vernon preached at the Church of Christ here Sunday at 11 a. m. and at 3 p. m.

Luke Johnson is having 65 acres of his pasture land broken up. Walter Johnson and Hugh Thompson will cultivate it this year.

Will Grimm of Guyton, Okla., visited his brother, Orval, a few days last week.

Judge Owens paid the school a visit and delivered an interesting lecture a few days ago. Every one was glad to see him as he was a teacher here so long.

Ed Shannon and Jim Rogers both died at their home Thursday of last week. Mr. Rogers was buried Friday and Mr. Shannon Saturday in the Thalia cemetery.

Claude Shannon and wife and his mother, Mrs. F. L. Norris, of Fayetteville, Ark., and Harley Shannon of Tulsa, Okla., were here to attend the funeral of their brother and son, Ed Shannon.

Mrs. W. F. Reed and mother, Grandma French of the Bell community, attended the funeral of Ed Shannon, Mrs. French's nephew.

Mr. and Mrs. Ben Henderson, Mr. and Mrs. McDonald, Mr. and Mrs. Grezes, Mrs. Campbell, Mr. Campbell, Reed Smith, Mr. Curtis, Mrs. T. E. Millholland, Bro. Teddee's son and others whose names we failed to get of Vernon attended services at the Church of Christ here last Sunday.

Rev. McNair has a movement on foot to organize a boy scout company. Already the Girl's Campfire has been organized with Mrs. Fred Brown as leader.

Thalia has quite a lot of improvement going on. A. C. Phillips is remodeling and adding to his garage. M. L. Self and Harley Capps are erecting a new modern garage. The old school building has been torn down and the Masons will erect a new Masonic hall, and with the Lee High-

# Now Is the Time to Renew--Make All Old Things Like New

For over 12 years we have steadily sold "Sole Proof" colored varnish. It has given 100 per cent satisfaction. Any person can apply it safely. The new name for the best varnish is "WATER SPAR." No kind of water, hot, cold, salt or otherwise, will turn it white. Absolutely reliable. Use it on everything in the house from floors to furniture. We carry a nice assortment of Johnson's prepared interior finishes. Wood dye, prepared wax liquid and paste, crack pack, Floor Hide paint, wall paper.

### Philathean Valentine Party

Class No. 11)

The members of the Philathean Class, and a few invited guests met in the home of Mr. and Mrs. T. B. Klepper Thursday evening of last week with Misses Annice Sanders and Jennie Belle Ray as the charming hostesses.

Hearts and arrows arranged in artistic design made the home beautiful.

The guests were entertained with progressive hearts, Miss Floy Cheek and Mr. Charlie Wishon receiving high scores. Each received a gigantic stick of candy in Valentine colors. Diminutive sticks of candy were given to Mrs. Klepper and Miss Annice Sanders as booty prizes.

Following this excitement the

# PAINT UP

The season is about here for us to paint up and make our premises look fresh and attractive. This will likely be the order of things more than usual because of the fact that home beautifying is almost certain. We have the water with which to grow shrubbery and flowers, and of course, no one will consider the home attractive with flowers and such things unless the house has the repairs that will make it look good. That repair may be merely a coat of paint. If so, you will find what you need in our celebrated brand of

### WEST RAYLAND NEWS

(By Special Correspondent)

The flu which has been raging in our community has just about gone and most everybody are able to be up.

Blanche and Ruth Parker are here from Wichita Falls visiting their parents.

Cap Adkins motored to Crowell Monday afternoon with Mr. and Mrs. Edwards, the latter had some dental work done.

Cap Morris has been on the sick list this week.

Mrs. Choate who was taken ill at the Scales home Wednesday night was taken to her home in Crowell Thursday by Otis Burrson and wife.

J. W. Huntley of Crowell was in this community on business Monday. Dick Coffman and Wallace Scales were business visitors in Clarendon the first of the week.

Claude Shannon and wife and Mrs. Norris, brother and mother of Ed Shannon were here from Fayetteville, Ark., to attend his funeral.

Harley Shannon of Tulsa, Okla., came in Saturday night on account of the death of his brother, Ed. He returned to his home Monday night.

Our community was saddened last Thursday by the death of Ed Shannon and Jim Rogers, both men had flu and later contracted pneumonia. These men were well known here and have a host of friends who will regret to hear of their deaths. Mr. Rogers was buried Friday afternoon in the Thalia cemetery, funeral services being conducted at his home by Rev. McNair of Thalia. Mr. Shannon was buried on Saturday afternoon at Thalia cemetery. His funeral was also held at the home by Rev. McNair, after which the body was turned over to the Masons of which order he was a member. We extend our sympathy to the bereaved ones of both men.

Edith Prescott came home from Vernon last week where she had undergone an operation for appendicitis.

Friday afternoon a truck load of youngsters from Margaret high, including the basket ball girls, left

place owned by Jimmie Cantrell. Mr. Cantrell will move to Floydada.

Mrs. Eric Wheeler has been confined to her bed for several days with the flu.

Edith Prescott came home from Vernon last week where she had undergone an operation for appendicitis.

Edith Prescott came home from Vernon last week where she had undergone an operation for appendicitis.

Edith Prescott came home from Vernon last week where she had undergone an operation for appendicitis.

Edith Prescott came home from Vernon last week where she had undergone an operation for appendicitis.

The vast majority of coughs, some of which might eventually prove very harmful, are caused by disease germs.

The ordinary uncomplicated cough with which everyone is familiar, lasting from a few days to a few weeks, is the condition for which Rexall Cherry Bark Cough Syrup was designed.

The most common form of cough, which multiplies rapidly, producing irritation and cough. When you feel a dryness of the throat, tightness of the chest, a feeling of smothering, fever or headache, combined with a tight rasping cough, you have a cough that should be treated immediately.

Rexall Cherry Bark Cough Syrup is a good cough treatment for this condition and one that soothes the bronchial tube.

on yard and \$2.00 out of pen, per setting of 15. These chickens took 1st, 2nd and 3rd prizes at county fair. If you want plenty of eggs use this breed of chickens.—M. L. Gover, Foard City, Texas. 38p

Posted—YL pastures in Foard, Cottle and Hardeman counties are posted. No wood hauling, fishing or hunting allowed. This means you—stay out and avoid trouble.—R. E. Thatcher. 35p

I have for sale the Collins Wagon Yard, 1 block from public square. This is a good place for mattress factory or laundry. For information apply to J. E. Collins, Crowell, Tex. 35p

You will save seed and get a better stand by using the John Deere and Oliver lists.—M. S. Henry & Co.

Raise more poultry this year. Get a Buckeye incubator and have an early hatch.—M. S. Henry & Co.

### MARGARET NEWS

(By Special Correspondent)

Margaret to meet and play the Talmage team at Rayland. The score was 20 to 5 in favor of Margaret. The girls not satisfied with this victory, were up and ready early the next morning for another game. About noon they, with a number of boosters, left Margaret, crossed Pease River, and after a rough ride over several miles of jungles came to a little white school house known as Bailey High. Here they stopped in answer to their challenge to play. After an exciting game with the score 26 to 8 in Margaret's favor, they returned home across the same jungles, but in high spirits, for they had proved to Bailey High that they had too much step, too much pep, to play again—"A country school." Hurrah for Margaret's undefeated girls' basket ball team, who with their step, their pep, bring home the victories!

Ben Wright from Chattanooga is visiting relatives and friends in Margaret.

Hylton Moore from Farmers Valley community visited in Margaret Sunday.

Harden Russell is spending the week with homefolks here.

Mrs. Ibb Middlebrook entertained the B. Y. P. U. in her home last Friday evening. Music was rendered by Misses Forbes and Goodman. Games were played that were enjoyable to both young and old, after which refreshments were served.

Miss Walden's room will entertain in the Baptist Church Friday evening at 7:30, Feb. 23, for the purpose of making money to buy some equipment for the room. Every one is invited to come.

Uncle Jake Middlebrook shipped thirteen hundred chickens to Quanah Monday.

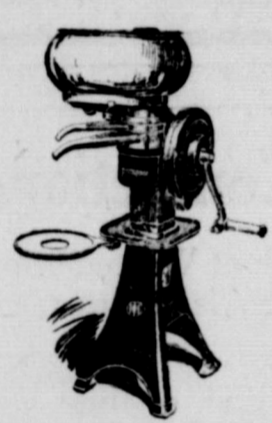

Some of those attending the game between Margaret and Bailey High Saturday were, Rev. J. B. McCrory, T. P. Hunter, Prof. Hewlett, Misses Mangrum, Walden, Fry, Goodman and Bradford. Also a large portion of the school children.

No trespassing or hunting permitted in my pasture.—Furd Halsell, Jr.

**Knox City Sanitarium**

A nice quiet homelike place, where you can have the comforts of a home with the advantages of a light, sanitary, up-to-date operating room ready for any emergency. Under the care of the best of nurses with my careful personal attention.

Crowell, Texas, February 23, 1923

**Commissioners' Court Proceedings—February Term**

**February Term**  
The proposition of turning town property in the town of Margaret back into acreage was rejected. The court voted unanimously against it.  
Discussion of a road up the railroad north of Margaret was asked for by E. Middlebrook. The court instructed him to get a petition.  
Dr. J. M. Hill was appointed county health officer for the next two years. The court voted unanimously in favor of Dr. Hill.  
The court ordered that the Bank of Crowell be selected as the county depository until the next regular time for the selection of a depository.  
The monthly report of L. D. Campbell, tax collector, was examined and approved.

It was ordered by the court that \$50.00 be transferred from the general fund to the public building fund.  
The monthly report of Fred Renels, county agent, was examined and approved.  
It is ordered by the court that the roof of the courthouse be repaired, same to be paid at the rate of \$2.50 per day.  
It is ordered by the court that D. L. Reavis be employed to prepare a list of State abstract Nos. to be sent to the general land office for correction.  
The City Council met with the court and discussed the proposition of paving Main street. Owing to the county's financial standing the court decided to postpone the proposition until a later date.  
It was ordered that \$1,000.00 be transferred from the public building

Voting precinct No. 11—H. E. Davis and W. A. Hanks.

**HUSBANDS' EVENING WITH THE COLUMBIANS**

Thursday evening of last week at the home of Mr. and Mrs. O'Connell, Madams S. J. Ferguson, S. P. Ferguson, Geo. Allison and M. O'Connell, were hostesses to the Columbian ladies and their husbands or escorts as the case happened to be. Promptly at 7:30 a beautifully appointed Valentine dinner was served. Fifty-two guests were seated at thirteen card tables, and the hostesses assisted by little Frances Allison dressed as the Queen of Hearts, served a bountiful four-course dinner consisting of turkey and its accessories; salad, cherry pie with whipped cream; and coffee. The reception suite and tables were elaborately decorated in hearts and baskets of after-dinner mints.

After the dinner the tables were cleared and we enjoyed ten delightful games of "42." J. L. Hunter and Miss Brian winning prizes for high scores.

Husbands' evening is always the major occasion of the Columbian calendar but this one was quite the best one we have ever known.—Reporter.

**Presbyterian Church Services**

Next Sunday the Sunday School will meet at 10 o'clock. At 11 o'clock service the pastor will present a panorama of Presbyterian work around the world. This will be very instructive and helpful, and should be heard if possible by every member of the church. Evening service at 7:15. Preaching by the pastor. Visitors always welcome.

# How Women Can Serve

In the old days cottage industry was as important as the rest of the world's work. There was yarn to spin, cloth to weave and dye, garments to be stitched by hand. It was woman's industry that clothed the world.

Home industry carries on again today much as in the past. The spinning wheel has long ago stopped its hum, but in its place may be heard the whirl of the sewing machine, stitching garments with lightning speed. For women, more and more are learning how easy it is to sew. With patterns and materials of today they are learning to fashion garments for themselves.

Come in and see the lovely fabrics in our piece goods department. You will enjoy shopping around, absorbing new ideas for Springtime dress-making, and inspecting our complete assortment of everything needed for Home Sewing.

We will be more than glad to help you buy or not.

# Self Dry Goods Co.

Service Value Quality

Born to Dr. and Mrs. Hines Clark last Friday a 9 3/4 pound boy.

You will find best chocolate candy at White Front Confectionery.

Primrose cream separator, greater capacity with less labor.—J. H. Self & Sons.

If you want a cake, pie or dressed chicken come to the postoffice Sat., March 3rd. 36

Plenty of mesquite wood at my farm 6 miles southeast of Crowell.—Sam Russell.

Bonnet and apron sale tomorrow at P. O. given by Missionary Society of M. E. church.

Light hauling wanted. Call me at W. R. Womack's Furniture Store.—T. T. Kuykendall. 35

McKibbin of Vernon is showing a wonderful line of sport oxfords. Prices \$4.95 to \$7.50.

Two dozen White Leghorn hens for sale. Price, \$1.00 each.—Mrs. E. D. Shaw, Thalia, Texas.

Meet me at miscellaneous and bakery sale Sat., March 3rd, for aprons, bonnets and good cats. 36

Mr. and Mrs. C. P. Sandifer left Wednesday for Dallas where they will be for two or three weeks.

Fullblood Rhode Island Red eggs \$1.00 per setting of 15 eggs.—Mrs. Pete Gamble, Thalia, Texas. 40p

You should see "Homestead" shown at Theatre Wednesday and Thursday nights, a very fine picture.

Don't forget to pay cash at Russell's Saturday as they will donate a percentage to Dorcas Sunday School class.

For Sale—Good, heavy oats at 60c per bu. Have little Johnson grass seed in them.—J. S. Ray, at farm on Pease River.

The ladies of the Missionary Society of the Methodist church will have a bonnet and apron sale Saturday, Feb. 24, at postoffice.

## Care and Management of Breeding Stock

By F. W. Kazmeier, Poultry Expert, Universal Mills, Fort Worth, Texas. (All Rights Reserved)

It is no more than right to expect that if the breeding stock is not properly managed and mated, the results for the entire year are going to be more or less unsatisfactory. This is certainly true. The care and management of the breeding stock is one of the most important things in the poultry yard. It is important from every standpoint.

In the first place, the only way to make improvement in the offspring is to first make improvement in the breeding stock. It still is true that to a certain extent like produces like. The poultry breeder is going to be successful, just as successful as he or she is in the making up or the mating of the breeding pen. If improperly mated, no progress will be made. For this reason go out to your breeding pen and take a good look at it. Do you feel that it is an improvement over last year's mating. If not then now is the time to make the change. Surely you do not want to go backward. Study the individuals closely and see that they are first of all true representatives of the breed that you should be eliminated from the breeding pen at once.

The breeding pen should be given the best of care and feed. Of the two care is even more important than feed. In these days and time of artificial feeding and lighting it is well to remember that the same will affect the health and vitality of the breeding stock, and then of course will show in the chicks. For this reason we have found it very unwise to use artificial light on the breeding pen. It is better to force our breeding stock for a very heavy egg-production. What we gain in number of eggs we lose in increased number of infertile eggs, and in addition the entire lot of chicks are lowered in vitality. If people can ever appreciate the importance of producing strong chicks, that are easy to raise, they will give the care and feeding of the breeding stock more care and attention. It is easy and a pleasure to raise strong and vigorous chicks. How much easier and more pleasant to take care of a healthy and vigorous lot of chicks than a lot, that every morning you get up, you hesitate to go out to the brooder house because you feel sure it will be necessary to remove a lot of dead ones. Few people appreciate the fact that it is a pleasure to raise strong and vigorous chicks. Few people appreciate the fact that most anyone can raise vigorous chicks. It takes an expert to raise more or less weak chicks. After these weak chicks

are raised, they are unprofitable at the best. At the present time we have over 5000 baby chicks on our yards, and they are all doing fine. The chief reason for this is that we made a special effort to give them good care, and on top of this nature's been kind enough to allow weather that will and did allow the chicks to enjoy free range and plenty of green food. Our fertility this year has run remarkably high chiefly due to the fact that the weather has provided an abundance of green food and allowed the birds to enjoy themselves in the open. These two factors mean more to producing strong and vigorous chicks than any others.

**Free Range Is Important**  
The breeding stock should be given a large yard or better they should be allowed free range. If for any reason you cannot do this, then be sure to allow for poor fertility, hatchability and weakened chicks, that are going to be more or less hard to raise without losing a large mortality. Of all the things that the breeding stock should have we consider free range the most important. We have for many years observed that stock on restricted range or worse in small yards, seldom if ever produces as many or as strong chicks. It means all the difference in the world when you come to raising the chicks. Chicks from closely yarded stock will not do as well, will not grow as well, will not develop or mature as early and will not be as profitable after they are raised. GIVE YOUR BREEDING STOCK FREE RANGE. IF NECESSARY PLACE THEM IN A MOVABLE HOUSE AWAY FROM THE REST OF THE FARM BUILDINGS AND FLOCKS, OUT IN THE ORCHARD, WOODLOT OR PASTURE. HERE LET THEM ENJOY FREE RANGE.

**Green Food Is Very Important**  
Last year in Petaluma, one of the greatest poultry growing sections in the country, the large, mammoth hatcheries were reporting a great infertility of the eggs. The trouble appeared to be universal. Everybody was complaining of the same trouble. Experts were called and finally they stumbled onto the cause; "a lack of green food." As soon as nature provided an abundance of green food the fertility increased a great deal, and the chicks were much healthier. A lack of green food not only causes a poor fertility of the eggs but is an even greater factor in lowering the vitality of the chicks. PROVIDE YOUR BREEDING STOCK WITH AN ABUNDANCE OF GREEN FOOD OF SOME KIND. Breeding stock that is short of green food will most surely produce weak chicks. The essential elements, like vitamins are lacking and causing the lowered vitality of the chicks and as a result they are more subject to disease and all kinds of ailments and troubles.

**Milk Is a Wonderful Feed for Breeding Stock**  
For several years we have noticed that the breeding stock that is fed plenty of milk, produces eggs that are higher in fertility and hatchability but what is much more important the chicks when hatched appear larger and are of course much stronger. It is a pleasure to raise these chicks. They appear fluffier and stronger in every respect.

We are inclined to believe that people can afford to make a special effort to provide the breeding pen with some kind of milk to drink. We have found it wise to feed a good egg mash to our breeding stock that contains a great deal of dried butter milk rather than a large amount of meat scraps. We have found that egg mashes that derive a large part of their protein from dried butter milk are much superior to the common egg mashes that derive their protein contents from meat scraps or some similar product. Such mashes will cause a large number of infertile eggs, but what is worse actually will affect the vitality of the breeding stock. The very heavy feeding of cotton seed meal is sure to cause trouble when it comes to hatching the eggs and raising the chicks. We found one man that had been feeding cotton seed meal in the egg mash, to the extent of 25 per cent. The eggs from his flock were extremely low in fertility and hatchability and the few chicks that were hatched were weak and hard to raise. We do not think it wise to feed more than 5 per cent of the egg mash cotton seed meal. A very heavy feeding will cause a great mortality in the mature stock, so that it stands to reason that it must even more so affect the offspring and it surely does.

**Exercise Is Very Important**  
One reason chickens on free range produce strong chicks is because they always get plenty of exercise. It is quite a problem to get hens to exer-

## Four Reasons Why You Should Buy Your Ford Car This Month

I. The unprecedented demand for Ford Cars throughout the winter months has taken the entire output of the Ford plants working at capacity, indicating that the demand this Spring will be far in excess of the number of Ford Cars that can possibly be built.

II. January was the tenth consecutive month in which retail deliveries exceeded 100,000 Ford Cars and Trucks. Requirements for February, the month when preparations are already under way for Spring business, called for 148,407 Cars and Trucks—more than 24,000 in excess of the number we can possibly produce.

III. Ford dealers in many parts of the country are already finding it necessary to specify future delivery dates on Ford Products because there are no reserve stocks to draw from.

IV. Your order placed now will protect you against delay or disappointment later on—it is the only way you can be assured of reasonably prompt delivery.

We consider it important to give you these facts, so that if you are planning to purchase a Ford Car, Truck or Fordson Tractor for use this Spring or Summer you can list your order at once and take advantage of our dealer's first opportunity to make delivery.

A Small Deposit and Easy Payments if Desired

cise enough where they are closely confined. In fact we are inclined to believe that it is impossible to get them to exercise sufficiently to produce strong chicks. The next best thing is to provide a deep and loose and dry litter at least 18 inches deep. Feed all cracked grain in this litter, about twice a day. In the case of market egg-production stock, we recommend but one feeding of grains a day, because we are anxious to get them to eat great quantities of egg mash.

In the case of breeding stock, however, it is different. We want them not to eat too much of the egg mash, and for this reason we recommend the feeding of a little grain in the litter in the morning and another feeding about 4 o'clock in the afternoon. The breeders should consume about one pound of egg mash to every two pounds of grain. This will lower the egg-production, but it will increase the fertility and vitality of the chicks hatched. This is more important than number of eggs. In the case

of feeding for heavy egg-production we have found that the hens should consume two pounds of egg mash to every one pound of grain.

Keep plenty of fresh water and grit before the hens all the time. Keep them free from vermin and the house free from mites and blue bugs.

According to a statement issued by the Department of Labor at Washington, living expenses have advanced within the last year 13 per cent.

Topping everything in point of Style and Beauty and Attractiveness in the New Spring Hats

In announcing the addition of our New Millinery Dept. we wish also to announce that we are offering some splendid bargains in Late New Creations for the New Season

**The Crowell Dry Goods Company, Inc.**  
Crowell, Texas

**THE STATE OF TEXAS**

the Sheriff or Any Constable of Foard County—Greetings: You Are Hereby Commanded to summon E. M. Phillips by making publication of this citation once in

each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 48th Judicial District; to appear at the next regular term of the District Court of Foard County, Texas, to be held at the Court House thereof, in Crowell on the first Monday in April A. D. 1923, the same being the 2nd day of April, A. D. 1923, then and there to answer a petition filed in said court on the 20th day of January, A. D. 1923, in a suit numbered on the docket of said court, No. 1161, wherein Dora Phillips is plaintiff and E. M. Phillips is defendant, and the cause of action being alleged as follows:

That plaintiff has been a bona fide resident of Foard County, Texas, for more than twelve months and of the State of Texas for more than two years immediately next preceding the filing of this suit. That the plaintiff and defendant were married in Johnson County, Texas, in the year 1905 and that they lived together until the year 1919, when the said defendant left and wholly abandoned the plaintiff, and that he left her with the intention of abandoning her, and that she has not heard from him since then and that he has not communicated with her in any way since that time and that his residence or place of abode is wholly unknown to her at this time, and that he has not contributed to her support or to the support of her children since said date. That plaintiff always treated defendant with kindness, consideration and affection. That there were born to

plaintiff and defendant seven children, to-wit: Sidney, age 17 years, Luellen, age 15 years, Daisy, age 13, Lena, age 11 years, Jack, age 9 years and Shelton, age 8 and E. M., age 4 years.

Plaintiff prays for the care and custody of the said children and says that she has cared for their education and support for the past four or five years and can do so now.

Wherefore plaintiff prays for citation and that on the trial of said cause that she have judgment of divorce, annulling and setting aside the marriage contract between plaintiff and defendant, and for the care and custody of the said children and for all legal and equitable relief, that she may show herself entitled in law or equity and as in duty bound will ever pray.

Herein Fail Not, but have you before said Court, on said first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Crowell, Texas, this 22nd day of January, A. D. 1923.

GRACE G. NORRIS,  
36 Clerk, District Court, Foard County, Texas.

**Adelphian Club**

The Adelphian Club met at the home of Mrs. A. D. Campbell on Wednesday afternoon, Feb. 7.

A business session was held during which the executive committee reported having contributed fifteen dollars towards the fund being raised for the school picture machine.

The calendar committee submitted a report presenting courses of study for consideration by the club. A motion carried that a course under the direction of the Canyon Normal or the University of Texas be used, the exact nature of the course to be selected by the committee.

The critic, Mrs. Yoder, gave her report in the form of an original poem using as a theme the club creed.

The lesson for the afternoon was a study of the "New Irish Drama." A report on the origin and characteristics of the Irish drama was given and the three following representative one-act plays were discussed: "The Hour Glass," by W. B. Yeats, "Riders to the Sea," by J. M. Synge, and "The Rising of the Moon," by Lady Gregory. These writers were the leading spirits of the "New Irish Drama" movements and their plays, while wholly Irish in their setting and dialect are universal in their theme and appeal.

At the close of the lesson the hostess served chicken salad, tea and angel food cake.—Reporter.

**Bible in Schools Bill Is Killed in Senate**

Austin, Texas, Feb. 9.—The Senate bill to require the reading of Bible passages in the public schools was killed by the indefinite postponement route in the Senate Friday afternoon. Senator Bailey was responsible for calling the bill from the table, where it was laid subject to call some time ago, and apparently had been forgotten.

The action of the Senator from De Witt followed repeated objections to his suggestions for adjournment until Monday, based on contention that the Senate did not have a quorum. The bill is dead for the session.

After withdrawing one motion to adjourn on objection being raised he made another shortly after. On objection being again made, Mr. Bailey said:

"Well, I'll give you something to do," and he called up the bill requiring the reading of Bible passages in the public schools. Mr. Wood moved that further consideration of the bill be postponed indefinitely. Mr. Bailey followed with motion that the previous question be ordered, cutting off debate. The bill was announced indefinitely postponed in viva voce vote being taken.

**Columbian Club**

Mrs. J. R. Beverly was hostess to the Columbian Club on Wednesday afternoon Feb. 7.

An original program, led by Mrs. F. H. Crews, proved an exceptionally attractive and interesting form of entertainment. Each club member contributed something original to the program, many members receiving much applause and showing real talent. Pleasing features of the program were dialogues, verses, Columbian Log, a song without words—contest and some very helpful ideas for housekeepers.

After the adjournment of the study session the hostess served a delicious two-course luncheon the menu comprising creamed chicken, cranberry jelly, potato chips, perfection salad, mince pie, cheese straws and coffee. Meses. Harry J. East of Mexia and T. M. Beverly were guests of the club.

The next club meeting will be "Husband's Evening" on Thursday, Feb. 15, with Meses. M. O'Connell, George Allison, S. J. and S. P. Ferguson hostesses, at the home of Mrs. O'Connell.—Reporter.

**MOTHER! MOVE CHILD'S BOWELS**

"California Fig Syrup" is Child's Best Laxative

Hurry Mother! A teaspoonful of "California Fig Syrup" now will thoroughly clean the little bowels and in a few hours you have a well, playful child again. Even if cross, feverish, bilious, constipated or full of cold, children love its "fruity" taste, and mothers can rest easy because it never fails to work all the souring food

and nasty bile right out of the stomach and bowels without griping or upsetting the child. Tell your druggist you want only the genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother, you must say "California." Refuse any imitation.

**A Wish**

"I have taken Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak, too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of

**CARDUI**

The Woman's Tonic

Her condition was much better. We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, and this country wasn't built up, and it made it hard for us.

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work."

# AN INVITATION

We extend to you a very urgent invitation to visit our Ready-to-Wear and Millinery departments every day for the next few weeks. The new things have been arriving for the past ten days and are now ready for your most exacting inspection. They'll continue to come for the next three weeks. Our buyers have made a particular study of the style preferences of the women of Crowell and surrounding territory and we know we can please you.

In our Millinery Section we can assure you of everything absolutely new. There isn't a hat in the house that has been here more than ten days. Miss Finklea has served you as trimmer for the past two seasons and is therefore familiar with your particular taste in hats. She kept you constantly in mind while buying and has now, in stock, a special hat for you. Come and see it. If you don't like it she'll make you one that you do like. Remember we make hats for your approval.

In Ready-to-Wear we are bountifully supplied with clever new styles, wonderful new materials, and in those shades that are in demand. We want you to come in and look, try on every garment in the house, whether you have any intention of buying or not. It is a genuine pleasure to show the new styles for this Spring in—

SUITS PRICED FROM \$21.50 to \$32.50  
CAPES PRICED FROM \$12.50 to \$22.50  
THREE PIECE SUITS \$25.00 to \$32.50  
DRESSES \$12.50 to \$35.00

WE EXTEND TO YOU A VERY PERSONAL INVITATION TO "COME ON IN AND LOOK"

1892 **R.B. Edwards Co.** 1922

Oldest and Largest

Busiest and Best

The trial of Maj. W. L. Culberson for the killing of M. C. Lamar at Wichita Falls resulted in the failure of the jury to reach a decision, the vote standing at 11 to 1 in favor of acquittal. The jury was dismissed.

The sentiment in favor of the employment of county agents in West Texas has grown until now 21 counties has this service, according to J. R. Edmonds, district agent.

## Notice in Probate

THE STATE OF TEXAS,  
To the Sheriff or Any Constable of Foard County, Greeting:  
You Are Hereby Commanded to cause to be published for ten days, exclusive of the day of publication, before the return day hereof, in some newspaper published in your county, a copy of the following notice:

THE STATE OF TEXAS,  
To all persons interested in the estate of Leo Hlavaty, deceased, Rosie Hlavaty has filed an application in the county court of Foard County, on the 5th day of February, 1923, for the probate of the written will of Leo Hlavaty, which is filed in court, together with said will, which said application will be heard by said court on the 5th day of March, 1923, at the court house of said county, in Crowell, at which time all persons who are interested in said estate are required to appear and answer said application, should they desire to do so.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Crowell, Texas, this 5th day of February, 1923.

GRACE G. NORRIS, Clerk,  
County Court, Foard Co., Texas.

## AYERSVILLE NEWS

Mr. and Mrs. Dunn and Mrs. Verda Bell of Margaret spent Thursday of last week with Mrs. Curtis Bradford. Mrs. E. W. Burrow is quite sick this week with bronchitis.

Mr. and Mrs. Will Gamble attended the funerals of Jim Rogers and Ed Shaanon at Thalia Friday and Saturday.

Mr. and Mrs. Tom Wayland made several trips to Vernon last week to see Mr. Wayland's sister, Mrs. Jim Rogers, who has been critically ill in a sanitarium at that place.

G. A. Shultz sold sixteen head of cattle last week from his farm in this community to Bax Middlebrook of Marzaret.

Mrs. Sim Gamble and Mr. and Mrs. W. A. Johnson went to Jamison Sunday afternoon to see the former's daughter, Mrs. Forest Durham, and baby both of whom were quite sick.

Mrs. Carl Taylor and Mrs. Winnie McBeth are on the sick list this week.

Miss Bessie Matthews and Willi Watts remained over to visit a few weeks with Mr. and Mrs. Hugh Shultz.

Hugh Shultz went to Dixie Tuesday and bought some seed oats from Ed Cates.

Tom Cates of Crowell called at the D. M. Shultz home Tuesday and got some trees and rose bushes.

Mr. and Mrs. Will Gamble visited their children, Johnnie Gamble and family, and Mr. and Mrs. Herman Greening near Crowell Saturday night and Sunday.

J. L. Shultz and family, Jessie Wheeler and Viola Taylor of Thalia were callers at the D. M. Shultz home Sunday afternoon.

R. W. Ingle received for his 79th birthday, which was the 7th inst., one-fourth of a cake from his daughter, Mrs. Lucy Scroggins of San Antonio. The cake was baked for the daughter's birthday and weighed 11 lbs. It was stated in a letter from Mrs. Scroggins.

Greek Davis and son, S. A., returned from Ft. Worth Wednesday of last week where S. A. had his tonsils and adenoids removed.

D. W. Pyle and wife of Crowell spent Saturday night and Sunday with their daughter, Mrs. E. W. Burrow, and family.

Mrs. Lee Morgan and Mrs. Dora Phillips returned from Eldorado Wednesday of last week where they had gone on account of the serious illness of their mother, who died on Monday. There were only two weeks and three days between the deaths of their father and mother.

It may be better to be a man's first love, but some women are convinced that it is safer to be his last.

As long as you keep your secrets to yourself there will be no danger of other people spilling the beans.

Knox City voted bonds for water on Feb. 13, showing a majority of 63 for bonds.

Work is reported to be going forward on the preliminaries on the building of a new water system for Quanah. It is expected that within three months Quanah will be getting water from the new source.

Most "compliments" are a veneer covering a half truth. But many people like them.

Why shouldn't a fellow feel good when nice things are said about him? Nobody wants to hear the bald truth.

Of course, there is some people not known minds. They have no

# IF SICK, BILIOUS! START YOUR LIVER

Don't Take Calomel! "Dodson's Liver Tone" Acts Better  
Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Read Guarantee

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a dose of harmless Dodson's Liver Tone. Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents a spoonful and if it doesn't stop you right up and make you feel and vigorous I want you to go to the store and get your money back. Dodson's Liver Tone is the best medicine; entirely vegetable, it can not salivate or make you
