Wild Character, Says Preacher Who Addressed Graduates

The auditorium and the balcony crowded Sunday evening at the Methodist church when Rev. O. P. delivered the baccalaureate sermon to the graduating class of the well high school. The main thought in the address was the human achievements of a nature that are temporal and are only a means to an end. The end is the end of life. Education is a short cut to success in life, as success is generally considered, but it is the equipment with which to enter a life of service to mankind. It is therefore one of the means by which one is enabled to live life in fullness. But life is a failure if we make our investments in things temporal. There must be greater investments than these. They are good so long as they go but they are not the life. The most important investment in all the world is in the Kingdom of God. God and His Kingdom are sponsors for all that is good, and the moral. All these things are to do with the soul and therefore are eternal. To live up to one's privileges and opportunities he must love, truth, holiness, right living. If one does not give more service he receives under circumstances that will permit. He becomes a liability rather than an asset if he is trying to get what he pleases. Each individual owes the world a life service and in the discharge of that duty he becomes an asset and in a measure fills the places God intended should fill.

The State of Texas vs. Eugene Wells. Three years in State industrial school for boys.

The State of Texas vs. Nathaniel Wells. Three years State industrial school for boys.

Grand Jury's Report
Crowell, Texas, May 14, 1924.
In the District Court of Foard County, Texas.
To the Honorable J. V. Leak, judge of said court:
We, the grand jury empaneled at the May term, A. D. 1924, of this honorable court, beg to submit the following report:
We have carefully and diligently inquired into all violations of the law brought to our knowledge, having examined a great number of witnesses. We find that the officers of our county are doing everything possible to bring the offenders to justice, which we wish to commend. We desire to thank the county and district officers for assisting us during our deliberations.
We have heretofore turned into this court two felony indictments, and herewith submit one felony indictment and four misdemeanors.
We have finished our labor and beg to be finally discharged.
Respectfully submitted,
C. P. SANDIFER, Foreman.

MARRIED

Mr. Ernest King and Miss Violet Butler were married at the Presbyterian parsonage in Fort Worth Sunday at 8 A. M., the Rev. Thompson, pastor of the church officiating. They arrived in Crowell Monday where they will make their home, having rented rooms from Mrs. J. M. Teel.
The home of the bride was Grafrod, Texas. The groom has been reared in this county, being the oldest son of Mr. and Mrs. T. J. King of R. B. Edwards Co. as clerk.
Their friends extend congratulations and best wishes.

Property Holders Prefer Amasite to Brick for Pavement

The property holders met with the aldermen Tuesday night and voted a change in the street paving program, deciding to use amasite instead of brick. The contractor was called up and came to Crowell and the contract was changed to substitute amasite instead of brick as was at first decided upon.
As was stated in last week's paper amasite comes 10c per yard cheaper than brick and quite a number of property holders had seen the work being done at Quanah and thought the change advisable. They think amasite is just as good as brick and will be a little less expensive.
The mayor wishes it to be understood that he never favored the change and it was made over his protest. He is thoroughly convinced that brick cannot be surpassed as a durable material and wishing to give Crowell a job he thought would last and give the best service he never could consent to the change.
However, since the property holders are bearing the heaviest individual expense it is up to them to make whatever choice of material they see fit.

Dog Acts Strangely and Is Killed; Child Is Taken to Austin

The little son of Mr. and Mrs. Bob Belsher owned a little Collie pup with which the child passed many pleasant hours playing. But not many days ago the dog began to have fits and Belsher had it killed. There arose much anxiety on the part of the mother over the safety of the child which had at one time eaten crackers with the dog, the child giving the dog a bite and then taking a bite himself, and the mother feared that the child might in that way get hydrophobia germs in its system. To play safe they took the child to the Pasteur Institute at Austin and consulted a doctor relative to the matter. It was a great relief to Mr. and Mrs. Belsher to know that there was no danger of the child's getting the poison in his system in that way, but that the germs would have to enter through an abrasion of the skin.

New Garage Will Be Completed in About Two Weeks

The new brick garage of the Self Motor Company is nearing completion and will be ready for occupancy within about two weeks.
The event of its completion will be commemorated by a public gathering, so we are informed, and preparations will soon be made for the event.
The new building is one of the best in this part of the state. It was built according to the Ford plan and will be thoroughly modern in every particular. It will be one of which Self Motor Company may well be proud and will be an asset to the business interests of the town and country.

Cotton Association Nominates T. M. Haney As a Director Again

Delegates from the various counties of the cotton association of this section of the state met at Vernon Saturday and named T. M. Haney as director from this district. Two men were placed in nomination, Haney being first choice and G. W. Sizemore of Seymour as second choice.
There are 19 directors selected by the various districts of Texas and two chosen by appointment, one by the Governor and one by the president of A. & M. College, making 21 directors.
Mr. Haney has served ever since the association was organized and has proven one of the safest and wisest men on the board of directors. He has worked with untiring zeal for the interests of the association with the one aim of benefitting the farmers of this section and many of his ideas have been tested out and found to be sound. The association can not do a better thing than to re-elect Mr. Haney.
The counties comprising this district are: Hardeman, Foard, Wichita, Wilbarger, Palo Pinto, Wise, Young, Parker and Jack.

S. E. Scales Asks For Clerk's Office

S. E. Scales, well known all over Foard County, authorizes the News to place his name before the voters of the county as a candidate for County and District clerk.
Mr. Scales enters the race after much solicitation has been made and considerable pressure brought to bear upon him to run and he has finally consented.
That Mr. Scales is well qualified for the position is well known, and that he is a man in every way worthy of public trust goes without saying.
His candidacy is subject to the action of the Democratic primary in July and he asks that he be given due consideration. He will meekly submit to the will of the voters whatever that may be.
He expects to make a thorough canvass of the county and see everybody before the primary.

Commencement Exercises of Crowell School Draw Good Crowd Monday Night

Although the weather was threatening, the program at the Baptist church Monday night was fairly well attended.
Members of the graduating class having individual parts in the exercises were: salutatory, Miss Ada Hysinger; class oration, Jack Roberts; class poem, Miss Lennis Woods; class history, Miss Lozelle Kincaid; class prophecy, Miss Hattie Vecera; valedictory, Miss Pauline Haynes.
The class address was delivered by Prof. R. N. Richardson, professor of history in Simmons College.
Mr. Richardson used as the basis of his speech the opening up of the old wells of Abraham which had been filled up by the enemy and the digging of new wells in the valley of Gogah by Isaac, the application being made to fundamentals of life as left us by our fathers. In a general way he spoke of the reconstruction days in Texas when our fathers underwent the most trying period of the history of the State when they were laying the foundation of this great commonwealth.
There was the well of Bravery left by the pioneers whose great lives have enriched Texas history as nothing else could, and these deeds of bravery are not confined to things done by men, but the good women had a part in it all in the sacrifices they made to help build homes.
There is the well of Faithfulness. He spoke of the faithfulness of the cowboy who was on duty always and never swerved from his tasks, even in the face of many dangers. The cowboy, said the speaker, is the most striking character of American history and furnishes an example of faithfulness unsurpassed by any class of men.
The well of Hospitality is another that characterized the early settlers of this country. The old timers never turned the stranger down but always threw their doors open to them that they might share whatever they possessed to make them comfortable as

Soldier Bonus Bill Becomes a Law

Washington, May 19.—An eleventh-hour drive from the White House fell short of its mark and the soldier bonus bill, the football of two Congresses, has become a law, the Senate overriding the President's veto by a vote of 59 to 35.
In a second trip through the Senate the bill drew the support of thirty Republicans, including many staunch administration followers, twenty-seven Democrats and the two Farmer-Laborites. Voting to uphold the President's veto were seventeen Republicans and nine Democrats. Eleven were absent. Three more votes against the bill would have killed it.
Action Comes Suddenly
The action by the Senate Monday came suddenly and the quick decision was made in a dramatic atmosphere. Because of the President's success in winning over four out of seven indecisive Senators at a breakfast conference at the White House Monday morning, it had been held that his supporters would try to delay action on the bill, in the hope of winning others.
A single effort at delay was made when the bill was called up, Senator Reed of Pennsylvania asking unanimous consent for postponement of a vote until Saturday. This was objected to by Senator Ashurst (Dem.) of Arizona. Both Senator Curtis, Republican whip, and Senator Robinson, Democratic floor leader, then said they thought that most Senators had made up their minds, and while cries of "Vote! Vote!" resounded through the chamber, President Cummins ordered a roll call.
Outcome in Doubt
There was great tension on the floor and in the packed galleries as the roll was called, as the outcome was in doubt all the way. A roar of applause from the galleries, taken up by several Senators on the floor, came when Cummins announced that the bill had passed over the veto. There were shouts of laughter from the Democratic side when Cummins announced that the sergeant at arms would clear the galleries if the confusion did not subside.
Many in the gallery who did not hear the last part of Cummins' admonition began to rise to go out. They were joined by a majority of others in the gallery, who realized that the show was over as the Senate settled down to humdrum consideration of the Gooding railroad bill.

Former Crowell Girl Is Married

Items in the Seymour Banner and the Wichita papers recently bore news of the marriage of Miss Louise McDonald to Mr. Harry Wimers, both of Seymour, on May 11.
The bride is well known in Crowell, having resided here for a number of years with her parents and having been in the employ of the Haskell Telephone Co. for some time. She was chief operator for the telephone company at Seymour.

Important Dates for Voters and Candidates

It might be well for each voter in the county and each candidate, as well, make a memorandum of these dates.
June 27, is when the Democratic State convention is held in Austin. Need not say anything about what is likely to happen down there on that day, for no one knows. It promises to be a warm time.
June 2, is the latest day on which district and state candidates may announce. So that if a fellow comes in after June 2, he will find the door closed and he will not really get in. County candidates are not barred so early.
June 9, the state executive committee must meet and certify names of candidates for state offices for the ballot.
June 14, is the last day on which a person for county or precinct office may announce.
June 16, is set for the county executive committee to get together and determine the order in which names of candidates must appear on the ticket for the primary.
June 23, is the last day of grace in paying ballot fees.
July 10 to 23, inclusive, is the time within which a voter may file his ballot with the county clerk, in case he expects to be out of the county on election day.
July 26, is primary election day for all political parties.
August 2nd, is the time for the holding of both Democratic and Republican county conventions.
August 12, is state convention day for the Republicans.
August 23, is the time to hold any run-off elections that must be held.
September 2nd, is date for State convention of the Democratic party.

Will Spend Summer in California University

Prof. W. A. Stephenson left Tuesday for his home at McCauley, Texas. Mr. Stephenson has served as principal of the Crowell school for the term just closed and was re-elected, but goes away of his own accord. He expects to spend the summer in the State University of California pursuing his studies.
Mr. Stephenson leaves Crowell with the high esteem of practically all, if not all, the patrons of the school and the people of our town. He is a worthy young man and has high ideals.

PADUCAH MAKES TEST FOR CITY WATER SUPPLY

Paducah, Cottle County, Texas, May 19.—The City Council here reports that everything is in readiness for the test for city water supply. This test is being drilled seven miles northwest of Paducah, and it is estimated that it will take sixty days to make a complete test. If the test proves satisfactory a bond issue of \$75,000 will be voted to pipe the water into town.

Young Lady Has Narrow Escape When Horse Falls with Her

Monday at Baxter Johnson's ranch Miss Christine Campbell had a narrow escape when a horse which she was riding fell with her. Being fond of horseback riding the young lady anticipated a joyful ride, but the horse was too full of life to hold himself to a moderate gate, and not consulting the young lady about it, soon broke to run. Miss Campbell turned the reins loose and held to the horn of the saddle. Baxter Johnson, seeing that the horse was running, tried to overtake him on another horse, but that made him run the harder. He was brought to a standstill as he tried to jump a ravine and was not cleared enough to make a safe landing. The horse fell and the young lady went in one direction and the horse in another.
She came out of the accident with only a few bruised places on her face and arms.

Postal Service Men of Four Counties to Meet Here May 30th

The Rural Carriers' Association and the Four Counties Service Council will meet in the district court room here on May 30th.
Representatives are expected from the four counties, Wilbarger, Knox, Baylor and Foard and should there be a full representation there will be 32 rural carriers and 23 post masters.
These men will constitute a body serving at least 15,000 or 20,000 people in the four counties which have a population of about 35,000.
The forenoon session will open at 10 o'clock and will constitute the business session of the Rural Carriers.
At noon the chamber of commerce will serve lunch to the body.
At 1:30 P. M. the joint session will open and the following will be the order of the program:
Called to order by Chairman Leo Spencer.
Greetings from Chamber of Commerce by George Self.
Response by J. E. Clark.
The development and benefits of the postal service.—Judge Owens.
The relation of the post office to the business man.—M. S. Henry.
Rural carriers' advantages.—B. F. Elliott, Vernon.
The benefit of the retirement act to Civil Service employees.—C. B. Graham, Margaret.
The importance of belonging to the association.—J. E. Atcheson, Crowell.
The attitude of the Department and Congress toward R. I. C.—C. H. Hollman, Vernon.
Query box.—J. H. Atterbury, Benjamine, in charge.
Election of officers.
Selecting the next meeting place.
Adjournment.

Co-Operative Society Organized at Foard City Wednesday Night

A very fine spirit of co-operation was manifested Wednesday night at a Foard City meeting of the citizens at which time a co-operative society was organized with 20 members for the purpose of buying the Bell elevator.
The officers of the society are: E. V. Halbert, president; Frank Weatherall, secretary; A. J. Blakmore, Tom Callaway, J. H. McDaniel and U. C. Kader, directors.
The Foard City county is one of the leading wheat sections of the county and it is estimated that there are from 60,000 to 90,000 bushels of wheat handled at that place when crops around normal. It should be about 60,000 this year.

Harvest Labor Situation to Be Discussed by Farmers

The wheat farmers will hold a meeting at the district court room in Crowell next Saturday afternoon, May 24, at 3:30 o'clock to discuss the harvest labor situation.
It is necessary to know about how many hands that will be needed, if any, so that arrangements can be made to get them.
Everybody be there.

Attending Embalmers' Annual Convention

Mr. and Mrs. W. R. Womack left Sunday afternoon for Dallas where Mr. Womack has been attending the Embalmers' Association which convened in that city Tuesday and lasting four days. There will be three days of the convention proper, the last day being given to examination work.
Mrs. Womack has been visiting in Dallas. They expect to spend at least ten days on the trip.

A CORRECTION

In the formula for mixing the poison bait for grasshoppers in last week's issue it was stated to use 6 lbs. of oranges to a 25 lb. mixture. It should have been six oranges to a 25 lb. mixture.
The spring fur trade is reported dull, due to the cold weather.

Chamber of Commerce Taking Steps to Put on Big County Fair

The Foard County Chamber of Commerce will not be found asleep this year in putting on a county fair. Some organization must back the proposition and since the services of the chamber of commerce are available we might as well use them.
At a recent meeting officers were elected to head the matter. Leo Spencer was elected as chairman. Judge Jesse Owens was selected to take charge of the grounds. Fred Kennels will have the agricultural feature, Ben Easley, the rodeo and George Self will be advertising man.
These men want it to be understood that they are going after a county fair in earnest this year. They will commence in good time to get things ready and will succeed.
In all probability, it is said, we will have three days instead of two, as we have been having. We are growing and can't remain in the same old clothes always. That is the way our leaders think about it and they are right. Three days will not be too much time to spend in a county fair. We shall have more of everything to exhibit, more and better agricultural products, and if there should be an exhibit of livestock and poultry we should be compelled to expand.
In speaking of a county fair we would like to call attention to the fact that it has never been a failure. On the other hand interest has grown from year to year and with each succeeding season we have put on a better fair than the preceding one. We must continue to do it.
Another thing to be said is that preparation should commence now. The better crops we have the better will be the exhibits, and by the way the better will be our enthusiasm and zeal in pulling a show worth while. Conditions are favorable and in all probability this will be one of the best years for a big county fair, and also for taking some of our products down to Dallas and showing them at the state fair.

Vernon Defeats Crowell in Last Game of Season

The game played here Saturday afternoon between Vernon high school and Crowell high school resulted in a victory for Vernon, 8 to 2.
In the first few innings the two teams seemed to be well matched and no gains were made on either side but about the third inning the Vernon boys took the lead and held it throughout the game.

FINAL TRY-OUT OF MUSIC MEMORY CONTEST WAS HELD FRIDAY, APRIL 25

The final try-out in the music memory contest was held Friday afternoon, April 25th.
The pieces studied during the contest were:
Thunder March, Sousa; By the Waters of Minnetonka, Lieurance; Anvil Chorus, Verdi; Hungarian Rhapsody No. 1, Liszt; Hungarian Rhapsody No. 2, Liszt; A Perfect Day, Bond; A Hunt in the Black Forest, Voelker; Old Folks at Home, Foster; Espoir, Mottel; In a Clock Store, Orth; Funiculi, Funicula, Denza; O Sole Mio, Capua; In the Hall of the Mountain King, Grieg; Antra's Dance, Grieg.
The contestants from the first four grades were graded on their ability to recognize the composition and to give its correct name and the name of the composer.
The contestants from the intermediate grades were graded on recognition of compositions, correct name of its composer and on the spelling of both the title and the name of composer.
The individuals making highest per cent from each department, were awarded a prize and the room team, consisting of four from each room, making the highest group percent were given a prize.
In the primary department there were thirteen children who scored 100 per cent. These were:
First Grade—Lewis Brown, Mattie Bell Greening, Wila May Graham.
Second Grade—Mary Eva Meason, John Henry Salsbery, Josephine Griffith, Elouise Saunders.
Third Grade—Mary Laura Womack, Dessa Houghsouer, Olga Moore, Leslie Thomas.
Fourth Grade—Evelyn Sloan, Leila Ben Allee.
Since there were so many scoring 100 per cent and only one prize, the children drew for the prize, Evelyn Sloan receiving the lucky number.
The room teams of both the second and third grades scored 100 per cent and a prize will be given each room.
Three from the intermediate department scored 100. They were Carrie Maurice Allee, Lucile Welch and Dorothy Florence Hinds. Carrie Maurice Allee drew the number which gave her the prize. The winning room team was that from 6B.
The prizes awarded are beautiful prints, framed, of masterpieces of art.
The contest was financed by the Columbian Club. The records necessary to the contest and the prizes were given by the club.
While this is the first attempt on the part of both the club and teachers to conduct a music memory contest in the school here, and though it has been of limited scope, all who have been interested or have had a part in conducting the contest feel that it has been entirely worth while and hope to carry it on in the future.

Gold Seal Congoleum

Gold Seal Congoleum Rugs, all sizes and Armstrong's 12-ft. wide Linoleum

Also Bird & Sons' "Neponset" Rugs and Duralin Floor Covering. Many varied and beautiful patterns.

This month is Gold Seal Congoleum National Advertising Campaign. Every daily paper of note, every magazine and periodical and many trade journals carry big advertisements featuring Gold Seal Congoleum and Rugs.

How About a Piece of Meat?

The highest degree of satisfaction accompanies any choice of serving when meat from our shop is used. It makes no difference what your tastes may be, we are here to serve you and we go to any length to do it.

The established quality of meat is maintained by our constant effort to excel.

Bert Bain

Groceries

The habit of serving our customers a little more promptly and pleasantly than they expect—of giving each order as careful attention as though it were the only thing we had to do in the entire day's work, and the practice of selecting the best of our high quality stock for each customer, all combine to make this a most satisfactory store at which to trade.

FLOUR

If you have been using our famous "Marchal Neil" flour you know what it is and you are satisfied, no doubt, with it, but if you have not been using it join our growing company of satisfied customers before the sun sets. Then you can rise in the morning to enjoy what has been absent in the bread quality of your breakfast.

C. C. McLAUGHLIN, Prop., Phone 230

Want a Cup of Real Coffee?

There is always a question mark about everything one does not know. If there is any question mark about the M. J. B. Coffee we want to help remove it. Have you tried the M. J. B.? If so maybe you know what it is. If you have not then you want to be sure to come to the demonstration that will be at our store tomorrow, Saturday, May 24.

Drop in and get a cup of real coffee that is good from the first drop to the bottom of the cup. It would be impossible to describe the pleasing taste of the wonderful coffee that has been brought to its present high quality, but you will know when you have come to our store and taken a cup of it.

Of course we are selling this coffee, but we shall not expect you to say "give me a bucket of M. J. B. Coffee" when you start to leave unless its merits have been thoroughly proven to you. We'll risk the coffee taking care of itself. All we want you to do is to come to our store and get a cup.

AYERSVILLE NEWS

(By Special Correspondent)

Steve Choat of near Snyder, Okla., spent from Saturday until Monday with his sister, Mrs. Dolph Pauley, and family.

J. C. Carpenter and family of Chillicothe spent Sunday with J. A. Smith and family.

Mrs. W. H. Minyard had a stroke of paralysis last week.

Vernon Pyle and family and D. W. Pyle and wife of Crowell visited their brother and son, R. L. Pyle, and family of Vernon Sunday.

V. A. McGinnis and Charlie Blevins in company with Mr. Goodman and son, Lon, of Margaret were fishing at Lake Pauline last Friday.

Mr. Blakemore and family of Foard City and Lester Blakemore of Oklahoma spent Sunday with their daughter and sister, Mrs. Ed Peacock, and husband.

Quite a number from here attended the sacred harp singing at Thalia Sunday.

Mr. and Mrs. Northam and son and grandbaby of Chillicothe visited J. L. Short and family a few days this week.

J. W. Davis and family are attending the bedside of their daughter and sister, Mrs. John Bradford, in the Crowell sanitarium this week, who underwent an operation Monday.

Mrs. Harrison was brought home from the sanitarium at Crowell and is improving.

There will be no singing at the school house Sunday afternoon on account of the all day singing at Rayland.

Mrs. Clyde Graham and daughter, Miss Edith, of Margaret spent Sunday with her mother, Mrs. Kirkman.

Mr. and Mrs. Herman Greening of Crowell spent Tuesday with Will Gamble and family.

Misses Jode Brian, Zoe Liles and Cleo Moreman and Doyle Kenner and Glenn Shults of Crowell were callers in the D. M. Shultz home Sunday afternoon.

Mrs. Allston, Mrs. Alfred Derrington, Mr. Parkhill and family and Bert Bell were Vernon visitors Saturday.

Ernest Flowers and family and Homer Zeibig, wife and little daughter of Crowell visited H. L. Shultz and family Sunday afternoon.

Ray Pyle and family accompanied G. A. Shultz and family to Vernon Wednesday to do some repair work on Mrs. G. A. Shultz's dwelling house and while there visited Mrs. C. D. Haney at the Vernon hospital.

We, Ray Pyle and wife, lost our hen house by fire last Friday while trying to rid it of insects, but by the much appreciated assistance of our neighbors it was extinguished without losing anything else except a hen and six little chickens.

Dave Shultz Jr. had charge of the drug store at Thalia Wednesday while Allen Shultz was in Vernon.

Foot Comfort

For treatment of CORNS, Callouses, Warts, and patches of Horny Skin we know of no better remedy than Rexall Corn Solvent. It is supplied in the form of a paint and is easily applied by means of a glass rod which is also provided. Its use is very simple and requires no other attention than after thoroughly washing and drying the corn and surrounding skin apply the Rexall Corn Solvent directly to the part. As it dries a thin protective coating is formed over the growth. The application should be repeated twice a day for from four to six days, and then the parts soaked in warm water, when the corn or other growth may be readily picked or rubbed off.

BLACK COMMUNITY NEWS

(By Special Correspondent)

There was a school picnic and a fishing party last Saturday. A large crowd attended and it was enjoyed by all present.

A spelling match was held at the school house last Friday night with a large crowd present.

William Adress has returned home from Vivian where he had been working.

Mr. and Mrs. Eldon Crosnoe and son, Harvey, of Foard City spent Sunday with Miss Minnie Douglas.

Our school will close Friday, May 23rd. A nice program is being prepared. All are invited to attend.

A singing was held at Ed Adress' home Sunday night with a large crowd present to enjoy the singing.

Miss Veda Clifford of Vernon is here visiting relatives.

Prof. A. Hart was on the sick list the first of the week. Miss Veda Clifford taught in his place while he was absent from the school room.

Gordon Cooper of Crowell was in this community Sunday.

There was a candy breaking at the home of Riley Free Saturday night. All present report a nice time.

Misses Edith and Vergie Jonas of Crowell were visiting in this community this week.

Jim Clifford and wife of Jameson visited relatives in this community Sunday.

Laziness is some times mistaken for leisure.

The cost of living is high if you make it that way.

Don't Think

Because We Talk Quality So Much That Our Prices Are High

YOU GET QUALITY AND QUANTITY WHEN YOU TRADE WITH US

There are many articles in our stock of groceries that we could sell cheaper if we were willing to sell the lower grades, but our experience has taught us that there is no economy in saving our customers a cent or two on an article by sacrificing quality.

Don't forget that we give you both quality and quantity, thus making a happy combination that makes your dollar go further at this store in buying real values.

CROWELL, TEXAS

THE FOARD COUNTY NEWS

KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, May 23, 1924

It is said that Webb County, Texas, will grow a million dollar crop of spinach this year. Who would have thought that much spinach would have been grown in a dozen states in one year? Some of us were not introduced to Spinach until a few years ago and with many it is as uncommon as polk salad. But people not far from us are recording most surprising achievements in many ways. We should not be surprised to hear of some fellow starting a lamb's quarter farm in this country some of these days and making a huge fortune out of it. Truly Texas is a great state and offers unbounded opportunities to the man who has plenty of brawn and a fair amount of brains. Where is there a half dozen counties in any other state that has produced a million dollar crop of spinach in one year? Come to Texas and stop over in Foard.

Uncle Sam is not closing the door against the Japs because they are not an intelligent and industrious race of people, as we understand it, but because he must take steps to prevent the growth of a motley population, which would likely prove disastrous to this government. Amalgamation of races is not desirable and could never become a reality. Uncle Sam would have been wise if he had closed the door many years ago. Our country would be a thousand times better off if we had none of the colored brethren among us. It is better for them to live to themselves and for whites to live to themselves. The safety of the government and happiness and prosperity of our country depends more than one might think upon keeping our population Caucasian, at least, and Anglo-Saxon as nearly as possible.

Will H. Hays is president of the Motion Picture Producers & Distributors of America. He gets \$300,000 a year and has a three-year contract, according to the Industrial News Bureau. Will gets nearly a thousand dollars a day for his services. While we do not covet Bill his huge salary, yet it is doubtful if any man's actual services are worth a thousand a day to any concern. There are thousands of men today who could handle Hays' job as well as he does who are getting less than \$25,000 a year. But Hays became nationally known when he put Harding's election over and is making capital out of his reputation and the public is furnishing the capital.

The Bonus Bill has finally passed both houses over the President's veto and becomes a law. Something else must now be dug up over which to wage political fights. Both great parties must try to make the "deer people" think they are fighting their battles and would give their lives for them if it comes to a show-down. There are wide differences of opinions on the Bonus Bill and time only can prove whether it is wise or not to pass the law. It will also prove whether the bid made for votes through it will prove wise.

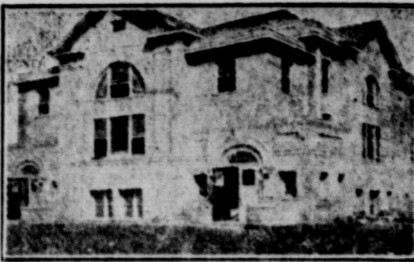

It is claimed by some that the radio, telephone and automobile are three leading agencies in keeping the boys and girls on the farm. They will help to do it, but they are not all. Education as to the reality of the empty and hollow life in the city and the allurements that are powerless to satisfy the restless youth of the land are the great things that must be relied upon.

According to statistics the wealth of this nation is \$320,000,000,000, which means that our individual portion, when it is equally divided, will be \$3,200. In better shape financially than we thought and if we can make the groceryman see it as we do there ought to be little difficulty in getting credit accommodations.

Paducah is going after water. There has been some talk of paving in that city but it seems to have been dropped. One thing Paducah has already done that is in the class of big achievements is the building of an up-to-the-minute high school building.

Get ready for the county fair. Foard County ought to make this the biggest fair year yet and we can do it if we will try. Let's commence in time to put it over in good shape.

Another thing we would like to know is whether or not the delegates that will be instructed will know any more afterwards?

Methodist Church T. C. Willett, Pastor

The Church with a MESSAGE and a WELCOME

11 A. M. — Services — 8:00 P. M.

Want to Know You Better

The church has a definite service to perform. Its purpose is to help humanity. It wants your help in its efforts to help others. We want to know you better. Won't you come to church next Sunday, shake hands and say you are ready to help in the greatest work on earth today—the work of bringing the world to Christ.

The pastor will preach at both hours next Sunday.

M. N. Kenner closed a deal Wednesday whereby he sold a half interest in his new filling station to F. A. Davis. Mr. Davis owns a farm on Pease river where he has resided since coming to Foard County. He is a good, substantial citizen and we are glad to have him enter the business circles of Crowell and become a citizen of our town.

Mr. and Mrs. R. T. Groves left Wednesday for Lubbock where they will make their future home. Mr. and Mrs. Groves have been residing in Crowell for the past two years, Mr. Groves practicing law, and Mrs. Groves being employed in the Crowell school. They have made many friends during their stay here who regret their leaving.

"The Way of the Man," Patheserial, at the Crowell Theatre beginning Thursday and Friday, May 22 and 23. The greatest romance, drama and action story of American life. 49

Spenders Are Seldom Savers

As long as money is in your pocket, there is a temptation to spend it.

When deposited to your account in a safe and reliable bank, such as ours, there is a desire to keep it.

Many a successful man attributes his success to the cultivation of a habit to keep his money in the bank and instead of taking from it, add to it little by little. Men have started out with small salaries and saved in that way until they accumulated money with which they could do something worth while.

Get the habit. Try saving part of what you make by putting it in the bank and you will be surprised how rapidly it will grow.

THE FIRST STATE BANK

CROWELL, TEXAS

CITY ORDINANCE

A Resolution ordering a public hearing and that notice thereof be given to property owners and others interested in street improvement ordered to be constructed on the streets hereinafter named, approving plans and statement of the consulting engineer of the City of Crowell, F. E. Devlin, and estimates of special assessments to be made and levied, and for other purposes.

I, J. Edgar Kimsey, city secretary of the City of Crowell, Texas, in pursuance of the hereinafter resolution, do hereby give notice of the publication of the same, of the matters and things therein contained, which resolution is as follows, to-wit:

Resolution of the City Council of the City of Crowell, Texas, determining the necessity of levying an assessment against the property and the owners thereof, abutting upon the streets hereinafter named, for a part of the cost of improving said streets, fixing the time for the hearing of the owners of said property concerning the same, and directing the City Secretary to give notice of the said hearing, as required by section 8 of chapter 11 of title 22 of the revised statutes of Texas as passed by the 31st Legislature.

WHEREAS, the City Council has heretofore, by resolution, ordered the improvement of Main Street between the south line of Donnell Street and the north line of Austin Street; Commerce street between the east line of Main Street and west line of Houston Street, same to be paved with 2-inch Amesite on 5-inch concrete base, and the building of curbs and gutters on said streets, and doing such other work as may be found necessary for the proper performance of this improvement, in accordance with the plans and specifications now on file in the office of the city clerk.

WHEREAS, in accordance with section 2 of resolution entitled a resolution to carry into effect chapter 11 Title 22 of the revised statutes of the State of Texas, authorizing cities and towns which have accepted the benefits thereof to improve the streets, highways and public places thereof after advertising for bids for said work of improving said streets between the points above named, has been let to Jordan Construction Co., and.

WHEREAS, a contract has been entered into between the said City and the said Jordan Construction Co. on the 9th day of May, 1924, for the performance of said work, and.

WHEREAS, the said Jordan Construction Co. has duly given bond for the performance of said work, and for the maintenance of same, and the consulting engineer of Crowell, F. E. Devlin, has, in accordance with section 2 of said resolution, filed his report with the City Council as to the cost of said improvements, and as to other matters by the City Council.

NOW THEREFORE, be it resolved by the City Council of the City of Crowell, Texas, that the report or statement filed by the consulting engineer, having been duly examined, is hereby, in all things approved, and.

BE IT FURTHER RESOLVED, that part of the cost of the said im-

provements shall be assessed against the abutting property upon the streets so to be improved and the owners thereof, and that the total cost of said improvements shall be paid and defrayed as follows:

(a) The City of Crowell shall pay an amount only, equal to one-fourth of the amount of the total cost of paving, grading, curb and gutters, and that part of storm sewers directly serving the paving district, together with catch basins and man-holes, and engineering and incidental fees.

(b) After deducting the City's proportion of one-fourth of the cost, and engineering and incidental fees, the total remaining cost of such improvements shall be paid by owners of property abutting upon the streets heretofore named.

An amount equal to three-fourths of the whole cost of said improvements shall be paid by said property owners and shall be assessed against them and their respective parcels of land abutting upon said streets, and said streets to be improved and their property in accordance with Article 1011, Revised Statutes of Texas, and the ordinances of the City of Crowell, after the hearing herein mentioned, and.

That the said cost which may be assessed against said property and its owners shall be in accordance with the front foot plan in proportion as the frontage of said property is to the total frontage of the property on said street to be improved, but, that no assessment shall be made against any of said property or its owners in excess of special benefit in enhanced values herein mentioned.

That the part of said cost to be paid by said property owners and assessed against them and their property abutting upon the said streets shall be paid in six equal installments, the first installment due and payable within 30 days from the completion of each district, with interest thereon from date until paid at the rate of 8 per cent, per annum, and one payment on the first day of September of each consecutive year thereafter until said 6 installments are paid in full, together with the interest thereon due, provided, however, that any property owners may, before maturity pay one or more installments thereof, by paying the principal and interest up to the date of such payment.

WHEREAS, according to the report or statement of said consulting engineer hereby approved by the City Council, the total estimate cost of such improvements is \$52,888.92 and the proportion and amount to be assessed against abutting property and its owner is as follows:

For paving, including curb and gutter, etc. \$41,307.00
City's portion \$11,581.92

WHEREAS, according to said report the names and owners of said property and the description of their property and the amount contemplated to be assessed against each lot or parcel and its owners are as follows:

Assessment Chargeable to Property Owners in Crowell, Texas.
Street Improvement District No. 1, the same being, Main Street from the north boundary line of Austin Street to the south boundary line of California Street and from the north boundary line of California Street to the south boundary line of Commerce Street and from the north boundary line of Commerce Street to the south boundary line of Donnell Street.

WEST SIDE:

Table with columns: Owner, Blk. No., Lot No., Front Feet, Rate Paving, Cost Paving. Lists property owners and their respective assessment amounts for West Side.

EAST SIDE

Table with columns: Owner, Blk. No., Lot No., Front Feet, Rate Paving, Cost Paving. Lists property owners and their respective assessment amounts for East Side.

District No. 2, the same being, Commerce Street from the east property line of Main Street to the west property line of Houston Street.

SOUTH SIDE

Table with columns: Owner, Blk. No., Lot No., Front Feet, Rate Paving, Cost Paving. Lists property owners and their respective assessment amounts for South Side.

NORTH SIDE

Table with columns: Owner, Blk. No., Lot No., Front Feet, Rate Paving, Cost Paving. Lists property owners and their respective assessment amounts for North Side.

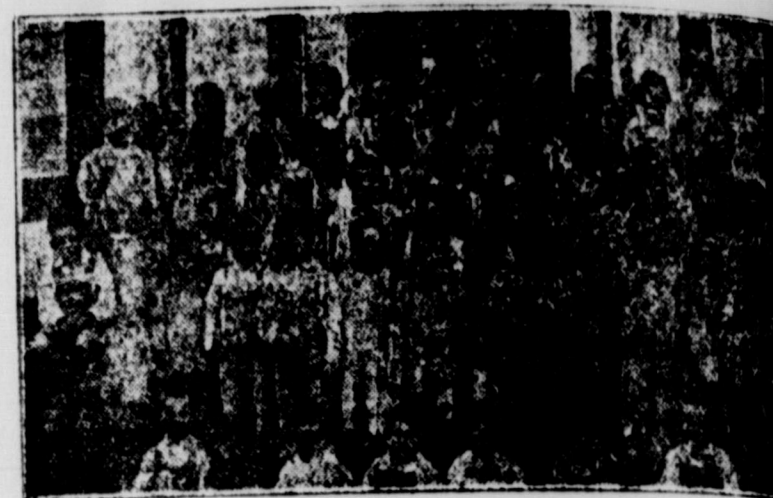

Be it further resolved that the remaining portion of the whole cost of making said improvements, to-wit, that portion remaining after deducting the amount herein named to be paid by the City of Crowell, and herein named to be assessed against the said owners and their property, shall be payable to the contractors by the said owners of abutting property respectively, as shall be agreed on between the said contractor and the respective owners, by private contract in writing, the terms and conditions of which shall be agreed to by the said contractor and the said owners, respectively.

NOW, THEREFORE, be it further resolved that a hearing shall be given to said owners or their agents or attorneys and all persons interested in said matter as to said assessments, as to amounts to be assessed against each owner and his property, and as to the benefits to said property by reason of said improvements, or any other matter or thing in connection herewith, which hearing shall be at the City Hall in the City of Crowell, Foard County, Texas, on the 13th day of June, A. D. 1924, at 10 o'clock, A. M., at which time, all of said owners, their agents or attorneys or persons interested in said property are notified to appear and be heard; at which hearing, said owners or other persons may appear by counsel or in person and may offer evidence and said hearing shall be adjourned from day to day until fully accomplished, and the City Secretary of the City of Crowell, Texas, is hereby further ordered and directed to give notice of said hearing by mailing notices of said hearing to said owners, their agents or attorneys, and by publication hereof as required by Chapter 11, Title 22, of the Revised Statutes of Texas, and be it further resolved that this resolution take effect from and after its passage.

Approved this, the 9th day of May, A. D., 1924.
C. T. SCHLAGAL, Mayor.
Attest: J. EDGAR KIMSEY, Secretary.

Baptist Campaign Has Put \$4,000,000 Into Care of South's Orphan Children

Benevolent Phases of Forward Movement Are Set Out In Statement From Headquarters—Hospitals and Ministerial Relief Greatly Extended

A Group of Happy Homeless Boys Provided for in a Baptist Orphanage.

Of the \$4,000,000 that has been collected in cash on the Baptist 75 Million Campaign to January 1, 1924, the sum of \$7,732,981.63 has gone to such benevolent work as caring for orphan children, healing the sick and ministering to aged, worn-out preachers. It is announced by the headquarters of the Campaign.

\$4,000,000 Went to Orphanages. More than half of the benevolent fund, or \$2,399,192.63, has gone to the 31 Baptist orphanages of the South, two of which have been established as a result of this movement and all of which have been greatly helped by this forward program. Nearly 1,500 orphan boys and girls are being housed, fed, clothed, educated and trained for Christian citizenship in these orphanages and the Campaign has put between \$800,000 and \$900,000 into the maintenance of these institutions each year. The orphanages are now caring for more children than their normal capacities permit, but despite this extra effort the institutions have been compelled to turn down the applications of 1,000 other orphan boys and girls, simply because there was no room for them.

Sick and Suffering Aided. Large advance has been made in the ministry of Southern Baptists to the sick and suffering during the four years of the Campaign. At the time this movement was inaugurated Southern Baptists were operating twelve hospitals. The number now in operation has grown to 23, six others are practically completed and ready for service, while two more have been projected. At the time the Campaign began the value of Southern Baptist hospital property

was \$2,237,000, while today it has grown to approximately \$4,000,000. Among the institutions already mentioned the number of hospital beds has increased from 1,600 to 3,900.

During the four years of the Campaign a total of 170,000 patients have been treated in these hospitals, approximately \$1,000,000 worth of medical service has been performed (bare for needy but deserving people).

825 Old Preachers Helped. Into the work of ministerial relief the Campaign has put the sum of \$1,460,132.31. More than 100,000 has been put into supplying the needs of aged and dependent ministers and their families. This movement has sent the efforts of four years far more than Southern Baptists ever done for old preachers and their families prior to the inauguration of this forward movement. At the same time the Relief and Assistance Board has gathered an interesting and noteworthy record of relief since of more than \$600,000 has been gathered for its ministry and an interest-bearing fund of more than \$1,000,000 has been accumulated for the relief of the aged and infirm.

An effort is being made to complete the 75 Million Campaign to its successful completion during 1924. It is announced by the headquarters of the Campaign that the work is well advanced and forces are at work in every state in the territory of the Southern Baptist Convention with a view to enlisting the churches in the final drive discharge of the \$4,000,000 sum in this five-year movement.

The star athlete who never exercises the muscles of his brain will have to learn that life is a game that takes something more than physical development.

Columbian Club

With Mrs. L. A. Spencer hosts the members of the Columbian Club held their last regular session of the club year, Thursday afternoon, May 16.

One of the outstanding features of the meeting was the report of Mrs. T. L. Hughston, who represented the club at the Seventh District convention. She gave an intensely interesting account of the proceedings of the meeting.

"James Whitecomb Riley" formed the subject of the lesson with Mrs. C. A. Adams leading. After giving a splendid sketch of the author Mrs. Adams read "The Raggedy Man" and "Little Orphan Annie." "Out to Old Aunt Mary's" was read and discussed by Mrs. O'Connell. One of Riley's best loved poems, "An Old Sweetheart of Mine," was given by Mrs. Russell Beverly.

During the social hour the hostess offered a palatable refreshment table. Miss Ennis Johnson of Houston, Mmes. J. H. Larrier and F. H. Crews were club guests.

The names of Mmes. H. Schindler and Oscar Boman have recently been added to the club roster.

The Columbians will observe their annual club picnic Thursday evening, May 29, at Parker's Lake.—Reporter.

Party for Little Folks

Miss Dorothy Pauline McKown was hostess to a number of her friends at a lawn party to celebrate her fifth birthday one afternoon last week. At the appointed time the guests began to arrive and the honoree was the recipient of many beautiful gifts. A number of games were played and afterward an ice course was served. Those present were: Misses Katherine Ferguson, Mildred Horn, Mary Elizabeth Hughston, Peggy Thompson, Rosemary Crawford, Ruth Ferguson, Genevieve Ferguson, Rada Mursey, Edna Mae Huckleberry and Joe Roark; Masters F. L. Rennels, Sam Crews Jr., Milton Margee, Junior Nelson, Glendon Reeder, Stanley Womack, Tom Ray Roberts and Lewis Owens.—Contributed.

Sick Headache. I have used Black-Draught when needed for the past 25 years, says Mrs. Emma Grimes, of Forbes, Mo. I began taking it for a bad case of constipation. I would get constipated and feel just miserable—sluggish, tired, a bad taste in my mouth, and soon my head would begin hurting and I would have a severe sick headache. I don't know just who started me to taking Thedford's BLACK-DRAUGHT but it did the work. It just seemed to cleanse the liver. Very soon I felt like new. When I found Black-Draught so easy to take and easy acting, I began to use it in time and would not have sick headaches. Constipation causes the system to re-absorb poisons that may cause great pain and much danger to your health. Take Thedford's Black-Draught. It will stimulate the liver and help to drive out the poisons. Sold by all dealers. Costs only one cent a dose. E-104

1892 **R.B. Edwards Co.** 1924

Herman Halsell of Sanderson sends in renewal for the News a year. He is employed by the G. H. & S. A. railroad and says most of their east bound business has been tied up on account of the California foot and mouth disease. He says, however, that the band is being lifted and he expects business to pick up. He also says the range is fine this year.

Miss Ethel Ross, Spanish and Latin teacher in the Crowell high school for the past two years, left Tuesday for Bishop where she will visit relatives a short time before going to Mexico City to pursue the study of these two languages.

Mrs. A. Y. Beverly and small son, Joe Wallace, left Sunday for Normangee to visit Mrs. Beverly's parents, Mr. and Mrs. B. W. Wallace. Mr. Beverly accompanied them to Vernon in a car Sunday morning where they took the train.

Coming! "My American Wife," a Paramount picture starring Gloria Swanson, at Crowell Theatre Thursday and Friday, May 29 and 30. This is a big, colorful production and throbbing with exciting action. 49

W. H. Stephens was here from Vernon last week-end to attend the graduating exercises of the Crowell high school, his granddaughter, Miss Loretta Kincaid, being one of the graduates.

I am delivering milk in the City of Crowell at 12½ cents single quart, 20 cents for half gallon, 5 cents quart skimmed milk.—W. E. Emery. 48

J. B. Harrison was here Sunday from Paducah and was accompanied home by his wife and children who had spent the week here with her parents, Mr. and Mrs. L. G. Andrews.

Notice by Publication
THE STATE OF TEXAS,
County of Foard. In County Court.

The State of Texas
To the Sheriff or Any Constable of Foard County, GREETING:
You Are Hereby Commanded to cause to be published in the Foard County News, a newspaper of general circulation published in said county, at least once a week for ten consecutive days before the return day hereof, the following notice:

THE STATE OF TEXAS.
To All Persons Interested in the estate of D. J. Collins and M. J. Collins, deceased, Mattie Schlagal has filed in the County Court of Foard County, an

Coffee Demonstration

There will be a demonstration of the M. J. B. Coffee at our store Saturday, May 24, tomorrow. It's as well to remember the date as anything.

This will be an opportunity for you to get a correct idea of the merits of the celebrated M. J. B. Coffee. It will be put absolutely on its merits and you will be the judge.

It is also well to remember the event, as well as the date, so do not forget. Associate M. J. B. Coffee now with tomorrow, then come to our store and see what you see and learn what you learn.

If you want coffee and see this demonstration and learn that the M. J. B. is a thousand times better than the cheap grades and a little higher, you will take a bucket home with you or put in your next order for one.

Come and don't forget it.

Massie-Stovall Gro. Co.

What About the Granary

Soon the thoughts of many farmers are going to be directed to the wheat harvest.

Perhaps you had not given it much thought, but maybe you will need some repairs for your granary. Possibly you will need a new one. If so now is the best time to figure on your needs. In a few days everything will be in a rush and you will not have time then.

Whatever you may need come in and let us know them and figure with you.

Cicero Smith Lbr. Co.
