Mrs. J. W. Wishon Died December 31st

Mrs. J. W. Wishon died at her home near Crowell on December 31st, after an illness of several days with a severe attack of pneumonia.

The deceased was born June 3, 1874, and was therefore in her 52nd year at the time of her death.

She was married to J. W. Wishon about 30 years ago and soon afterwards the couple came to this country and located west of Crowell where they resided since.

The deceased is survived by her husband, J. W. Wishon, four sons, Charley, Carl, John, and one daughter, Miss Geneva Wishon, all of Crowell and all being at home and unmarried except Carl. She is also survived by her mother, Mrs. Mattie Worsham, of Henrietta, one sister, Mrs. Mintie Berry, of Henrietta, three brothers, Homer D. and Elbert Worsham of Henrietta, and Charlie Worsham of Temple, Okla. All the surviving relatives were present to attend the funeral which took place at the Methodist church Friday, Jan. 1, Rev. W. J. Mayhew, pastor of the Methodist church and Rev. S. A. Taylor, pastor of the Baptist church, conducting the services.

Mrs. Wishon was one of those great womanly characters who had lived well her life and who was loved and respected by her countless friends in this county. They regret very much her untimely passing. Her place cannot be filled either in the home or in the community.

The large company of friends gathered to attend the funeral services, as well as the beautiful floral offering, attest the high esteem in which Mrs. Wishon was held. Interment took place in the Crowell cemetery.

Terracing Demonstration Next Tuesday, Jan. 12th

A terracing demonstration will be held on the T. D. Roberts farm three miles west of Crowell next Tuesday January 12. M. R. Bentley who is engineering specialist of the A. & A. College of Texas will be here to put on the work and will give a lecture on the value, kinds and proper construction of terraces.

There are over thirty farms terraced in this county at the present time and many other farm owners are contemplating terracing work in the near future, so for this reason and the general information of all those interested, Mr. Bentley has been secured to assist with this work. One of the local tractor dealers has agreed to furnish the power and machinery for this work, which will also be instructive to those interested in tractor farming.

There are many things that may be said about the value of terracing. A report will be made of Mr. Bentley's work in the next issue of the paper.

Mrs. M. C. Adkins of the Thalia community who has been seriously ill for several days was brought to the Crowell sanitarium Monday for treatment. She underwent a surgical operation Wednesday and is reported to be resting very well at this time.

W. C. Perry is seriously ill at the home of his daughter, Mrs. A. N. Vernon, Vernon, Texas. Mr. Perry had a stroke of paralysis several days ago and has been unable to speak since. It is feared that he will not recover from the stroke, although there have been slight indications of improvement.

Mr. and Mrs. Baxter Johnson and small daughter visited Mrs. Johnson's parents, Prof. and Mrs. R. C. Campbell, at Pampa during the holidays. They were accompanied home by Miss Christine Campbell who visited here for several days.

Mr. and Mrs. C. B. Williams and children of Amarillo were here and spent the holidays with Mr. Williams' mother, Mrs. B. F. Ringgold. Mr. Williams made a trip to Fort Worth while here.

The sons of Rev. and Mrs. W. J. Mayhew, Leaird, superintendent of schools at Ackerly, Texas; Moody, linotype operator on the Brownwood News; Dewey, athletic coach in public schools of Marlin, were here to spend Christmas with their parents.

Bill Meadors and family are moving back to Clarendon, their former home. Mr. Meadors has been with Swain's Garage since he has been here, having come to this place for the benefit of his health. His health has been improved and he returns to his farm near Clarendon.

Crowell Boys and Girls at Different Schools

It seems very interesting to me to think of the large number of Crowell boys and girls who are away at school and to think of the wide variety of schools that have representatives from here.

I have tried to list them and find in the C. I. A. at Denton, Loretta Kincaid and Juanita Campbell; Clarendon College is represented by Fred Kimssey, Forest Burk, Georgia Ribble and Emma Belle Hunter.

McMurray College at Abilene has two Crowell boys, Owen Cook and Edward Huffman, while Simmons College at Abilene has two girls and one boy, Annie Lee Long, Ola Carter and Alvin Borchardt.

Were we to go up to the Oklahoma State University at Norman we would find one boy, Roy Sloan, and to go down to our own State University at Austin we find one girl, Mary Sam Crews, and one boy, Merl Kincaid. Baylor University at Waco, Texas, has two boys and one girl, Gordon and Alton Bell, and Mildred Cogdell. Belton Baylor at Belton had one girl, Geneva Wishon.

S. M. U. at Dallas has one boy, Jack Roberts Jr., as has also the DeCATUR College, Bailey Rennels. Austin College at Sherman also has one boy, Glenn M. Jones. The Junior College at Wichita Falls goes them one better and has two girls, Marion Cooper and Irene Patton, but the Trinity University at Waxahachie does as well with two Crowell girls, Frankie Kirkpatrick and Beulah Patton.

St. Mary's Academy at Wichita Falls comes in for two girls, Elsie Schindler and Elizabeth O'Connell. Business schools have called two girls and one boy, Bevie Jewel Ringgold is attending at Abilene while Louise Pechacek goes to Fort Worth, as also does Virgil Greer.

There may be some I have overlooked, but I dare say you had not missed that many boys and girls.

Former Foard County Citizen Dies at Denton

The death of A. Bird occurred at his home in Denton, Texas, on December 26th, the cause of his death being apoplexy. He had experienced two strokes of the disease at different times before this and the third attack was not a surprise. Mr. Bird was 66 years, 9 months and 23 days of age at the time of his death.

The deceased had resided in Foard County several years, but moved to Denton in 1920 where he and his family have resided since. He had owned a farm between Crowell and Thalia since the family moved here several years ago from Waco.

He is survived by his wife and one son and two daughters. These are Mrs. A. Bird, the widow, Roe Bird and Miss Earl Bird, all of Denton and Mrs. Ben Hogan of Thalia, all of whom were present at the time of his death.

Mr. Bird had been a member of the Baptist church for many years and was a member of the Masonic fraternity. Funeral services were held at the home, conducted by the pastor of the Baptist church, after which burial services were in charge of the Masonic order. Burial took place at Denton.

Mr. Bird was well known in Foard County and was an honored and respected citizen.

Crowell Business Men Dcnate Liberally to County Poultry Show

The business men of Crowell made donations to the Foard County Annual Poultry Show now in progress, to the amount of \$204.50. This indicates the interest the business men have in poultry raising. They are coming to realize that it is one of the big industries of this country. Such public interest will go far towards putting Foard County in the front ranks of the counties of the West in the poultry industry.

Gin Report Shows Nearly 16,000 Bales

The ginners' report of the Foard County cotton crop shows that we had ginned up to Dec. 21st, 15,096, as against 16,469 up to the same time in 1924. It looks now like the crop will prove to be only a few bales shorter than that of 1924, which was just a little more than 18,000 bales.

Three Men Hurt in Car Wreck Last Friday

W. S. Crosnoe, Lloyd Little, Bud Johnson, and Buford Randolph were the victims of a car wreck Friday afternoon about 4 o'clock near the farm of W. A. Cogdell, six miles southwest of Crowell.

All were injured except Randolph, who escaped unhurt. Crosnoe was most seriously injured of any of the occupants of the car and was nursed in the hospital here for some days.

The accident happened as they swerved the car to avoid running into a ditch extending into the road, which caused the rear of the car to slide off into the ditch on the opposite side, overturning and smashing the car completely.

Eldon Crosnoe, brother to W. S., who was hurt in the accident, also happened to an accident as he and his family were returning from a visit to Mrs. Crosnoe's relatives at Denton, when they plunged into a truck near Electra which stopped in front of them without giving a signal. Their car was remodeled but no one was hurt.

Miss Jewel Fish Weds J. M. Sosebee of Anson

A very ardent courtship beginning several months ago found its fruition on Christmas day at the home of Rev. P. R. Huckleberry in Vernon when Mr. J. M. Sosebee of Anson, Texas, and Miss Jewel Fish of Vivian, Texas, were united in the holy bonds of matrimony.

The bride and groom accompanied by Mr. and Mrs. Ebert Fish and son, Herbert, parents and brother of the bride, together with Mr. and Mrs. Allen Fish and Grandma Fish, motored on the morning of that day from the bride's home to Vernon arriving at 10:30 a. m. After the ceremony was said uniting them in marriage and a very brief visit the party motored back to the home of the bride's parents where a sumptuous turkey dinner with all its trimmings awaited them.

The groom is one of Anson's promising young business men who taught school at Vivian for two years. The bride was one of Vivian's popular young ladies.

Their many friends wish for them a happy journey over the sea of life.

Miss Bess Thompson Weds Oklahoma Man

A wedding of unusual interest and beauty was solemnized Thursday evening, Dec. 24, at the home of Mr. and Mrs. J. H. Self when Miss Bess Thompson was married to Mr. Harold Cotner, Rev. W. J. Mayhew officiating with the ring ceremony.

The reception rooms were lovely with decorations of holly and Christmas wreaths. Tall silver vases with white and yellow chrysantheums and lace ferns were placed about the rooms.

In the living room where the ceremony was performed, an improvised altar was arranged before an effective background of ferns, potted plants and dainty white flowers. An overhanging arch of holly and trailing vines completed the bower where the wedding party stood.

Mrs. S. A. Taylor, accompanied by Mrs. Alva Spencer, sang "The Hour That Gave Me You," by Dempsey, as a prenuptial solo. As the soft strains of Mendelssohn's Wedding March, played by Miss Mary Sam Crews, fell upon the air, the two maids, Misses Winnie Self and Vera Crews, entered together. Miss Self was gowned in orchid crepe with ostrich trimmings, while Miss Crews wore a blue crepe draped over satin. They each carried silver vases. Mrs. H. J. Fast of Dallas, matron of honor, and sister of the bride, entered alone. She wore beautiful yellow chiffon velvet, heavily trimmed with rhinestones. In her hair she wore a bandeau of rhinestones and sapphires. The groom, preceded by the best man, Mr. Paul Cotner, his brother, awaited his bride at the altar. The bride entered on the arm of her father who gave her in marriage. She wore a lovely creation of blue chiffon embroidered in pink roses. The skirt was draped in gold lace and for the foundation metal cloth was used. She wore gold slippers and a gold bandeau in her hair.

The solemnity of the occasion was enhanced by "The Flower Song," played softly during the ceremony. An informal reception was held when hosts of friends congratulated the happy couple. The bride's traveling dress was dark green with fur trimmings to harmonize. After a few days visit at Wichita Falls, various points in Oklahoma and Crowell they left for Oklahoma City where they will make their home.

Mrs. Cotner is the second daughter of Mr. and Mrs. J. C. Thompson, was graduated from high school and spent one year at Kidd-Key where she specialized in piano. She was a member of the popular social set and was prominent in the social activities of the town.

The groom is the youngest brother of Mrs. A. Y. Norman of this city, and is employed as auditor with a large business concern of Oklahoma City.

West Texas Utilities Co. Put in Flood Lights

Within the last two weeks the West Texas Utilities Company have been installing flood lights in the alleys. They have two, one in the alley at the rear of the Bank of Crowell and one back of the First State Bank. These flood lights throw brilliant lights all the way down the alleys and are a wonderful aid to the night watchman in keeping close watch at night.

Presbyterians Change Date of Appointment

The appointment of the Presbyterian minister for Crowell has been on the second and fourth Sundays in each month. They have been changed to come on the first and third Sundays.

This arrangement was made before last Sunday but not in time to get the notice in the last paper before Christmas.

Young Crowell Couple Married in November

The facts of the marriage of Mr. Raymond Bell and Miss Thelma Thompson did not reach the News until recently, so we could not publish it earlier. The young couple drove over to Benjamin on Nov. 21, 1925, where they procured license and were married by the justice of the peace at that place.

Mr. Bell is the only son of Mr. and Mrs. John Bell and the bride is the youngest daughter of Mr. and Mrs. J. C. Thompson of Crowell.

They will make their home at the old home place formerly occupied by Mr. and Mrs. John Bell.

Crowell Postoffice Goes to Second Class

Cash receipts from postal sales at the Crowell postoffice last year were sufficient to bring the office from the third to the second class standing.

The entire sales, including money orders and stamps amounted to more than \$52,000. There were sold 6,026 money orders, receipts from which were \$43,970.65. Sale of stamps amounted to \$8,233.82. Stamp sales being the basis and \$8,000 being the required amount.

The change becomes effective July 1, 1926. Some changes will be put into effect at that time. More clerk hire will be allowed and shorter working hours will be required. Under the change it will be possible to carry a larger stock of supplies, etc.

This shows that the country is undergoing a steady growth and development. This development will continue and so Crowell as a third class office is now a thing of the past.

WINS PRIZE ON THEME

Some weeks ago when the West Texas Utilities Company were demonstrating their electric stoves here they offered a \$7.50 pair of electric curling irons as a prize for the best theme on electric stove. The offer was made only to high school students. Miss Elizabeth Kincaid was awarded the prize.

The judges did not know who wrote the various themes, since they were sent in and were judged by number. Mrs. M. L. Shockley, factory representative, who was here demonstrating the stoves, examined the papers.

The West Texas Utilities Company expect to have the theme appear in their quarter-page ad in this paper next week.

R. A. Lancaster of Eastland is here in the interest of the Modern Woodmen of America. Mr. Lancaster put on work at Knox City and wants to make a campaign for membership here. He will likely be here for some weeks.

I. E. Huffaker and family of Denton spent the holidays with Mrs. Huffaker's parents, Mr. and Mrs. G. W. Wallen, and other relatives.

B. C. Newton and son, Ritchey, of Marietta, Okla., spent Christmas day and the balance of the week with his sister, Mrs. T. B. Klepper, and family.

Mr. and Mrs. Howell Burton and children of Munday were here visiting Mrs. G. W. Walthall and others during the holidays.

Fire Destroys Home of Mr. and Mrs. C. J. Smith

Early Friday morning between five and six o'clock the home of Mr. and Mrs. C. J. Smith was destroyed by fire. The home was about 17 miles west of Floydada. The Smith family resided in Foard County for several years, having moved away about a year ago, and they have many friends here who will regret to hear of their misfortune.

Just how the house caught on fire is not known but Mr. Smith thinks it caught from a stove pipe. Practically everything was a complete loss. Mr. Smith carried some insurance.

D. W. Pyle Is in the Race for Tax Assessor

D. W. Pyle of Thalia announces in this issue for tax assessor of Foard County subject to the action of the Democratic primary.

Mr. Pyle needs no introduction to the people of this county, since he has resided here for a number of years and is well known over the county. It is enough to say that he wishes it known that he is in the race and will make it upon his merits as a citizen fully competent to take care of the duties of the office. He expects to make a clean campaign and will make an effort to see every voter personally before the primary comes off in July.

Mr. Pyle is one of our very best citizens and should be the winner in the election he will fill the office with credit to himself and with an efficient service that will meet the demands of the public.

JESSE OWENS.

Lee Whatley Offers for County Assessor

Lee Whatley, a well known young man, possessing splendid business qualifications, and an upright and deserving citizen, offers himself as a candidate for the office of tax assessor subject to the action of the Democratic primary in July.

Mr. Whatley has resided in this county a number of years and a portion of the time has been in the employ of the Vaughn Gin as book-keeper. He will make a thorough canvass of the voters of the county on his own merits and not on the demerits of an opponent. He is a worthy young man and fully competent to discharge the duties of the office he seeks. He has never asked for an office before and feels that he is entitled to the consideration of the voters.

Miss Maye Andrews Stands for Re-Election

Miss Maye Andrews is a candidate for re-election to the office of county treasurer. She has held the office for one term and is now asking for the second term.

Miss Andrews' record justifies her in expecting the support of the voters for a second term. She has made the county an efficient public servant and will make every possible effort to hold her high record.

Her announcement, of course, is subject to the action of the Democratic primary in July.

Mrs. D. L. Reavis Announces for Clerk

Subject to the action of the Democratic primary, Mrs. D. L. Reavis announces for the office of county and district clerk.

Mrs. Reavis feels that she is competent to fill the office with credit and offers herself as a candidate upon her own merits. She has resided in this county most of her life and is known to most of the citizens of the county. She had the opportunity of acquainting herself with duties and responsibilities of the Clerk's office during her stay in Oregon when her husband was in charge of that office there and so she is not seeking the office unmindful of its responsibilities.

Mrs. Reavis wishes to say that she is in the race to a finish and wants the public to know that she will make a race without magnifying the demerits of any opponent. She will appreciate the public's appreciation of her claims. She expects to make a personal canvass of the county and will try to see every voter.

Miss Jode Brian who is teaching at children made a trip to Moran during the holidays, visiting a sister of Mrs. Womack.

Orient Will Soon Have Pullman Service

Station Agent J. J. Handley announces that Pullman car service will be put on by the Orient from Altus to Sweetwater in the near future. Definite time for this service has not been announced.

Truscott Soon to Have Electric Lights

The West Texas Utilities Company have put in the posts from Benjamin to Truscott and will begin to string the wire next week for the lighting of that town.

To the Voters of Foard County

Having served a number of years as a teacher in the public schools and three years as County Judge, and being familiar with the office work of each county office, I believe that I am in a position to know something about the public welfare and that I can render efficient service as Sheriff and Tax Collector. I therefore announce my candidacy for that office.

I mean to conduct my campaign in a clean and upright manner. I hope that I can meet each of you personally but if I fail I hope that you will give me your kind consideration any way. I believe in promotion and if elected will do my best to make a good officer.

JESSE OWENS.

Miss Kate White in Race for Clerk

Miss Kate White makes her announcement in this issue for the office of county and district clerk, subject to the action of the Democratic primary.

Miss White has spent much time in the clerk's office as assistant for the past two years and is familiar with all the duties and responsibilities of the office. If elected she would make a very capable public official. She has been practically reared in Foard County and some years ago took a business course, which she finds very helpful to her in any kind of public service she may wish to engage.

FOR COUNTY JUDGE

Judge R. D. Oswalt is a candidate for the office of County Judge.

Judge Oswalt has resided in Crowell three or four years and has been before the public as a practicing attorney. He has made good and is building a splendid practice, which bespeaks his ability as an attorney. He will make Foard County an excellent county judge if he is elected.

FOR DISTRICT ATTORNEY

Authorizes C. Y. Welch of Quanah authorizes the News to make the announcement for him for district attorney for this judicial district.

Judge Welch is known to a number of Foard County people, having lived at Quanah many years and served as county judge for 7 years, a position which he now holds. He is comparatively young but is recognized as a man of splendid ability as a lawyer. He will no doubt make us an efficient district attorney if he is elected.

ART CONTEST NOTES

An article treating one or more of the contest pictures will appear in Foard County News each week. Next week Mrs. Oscar Bonan will discuss "Arrival of the Shepherds" by Lerolle and "Shoeing the Bay Mare" by Landseer. These articles will not only be interesting but will give the people generally a clearer conception of the art work.

Teachers, let us not be content to merely teach the children the bare facts of the pictures but try to make each one a vital part of their life and above all use them as a basis for instilling into the child life a love and appreciation of good pictures.

MRS. R. E. SPARKS,
Director of Art Contest, Interscholastic League, Foard County.

T. F. Hill and wife were visitors in Fort Worth and other points in that portion of the state during the holidays.

Nearly 19 Years of Steady Progress in Furniture and Undertaking Business

February 7th, 1907, we began our small Furniture and Undertaking Business in a small wooden store, 20 ft. by 40 ft., with a very small capital.

We were willing to Serve—willing to work—eager to Please, jealous of our "Good Will" asset.

Now, January 1926—almost 19 years later we are still in same business in a large brick building, 50 feet by 100 feet, stocked with Thousands of Dollars worth of **DEPENDABLE MERCHANDISE.**

We are still willing to work, still willing to serve, still anxious to please, and above all to retain the **GOOD WILL** of everyone.

We carry the very best lines of everything. Many lines being Nationally Advertised and sold the world over. A square for you means a square meal for us.

Judgment in Buying

Buying foodstuffs doesn't consist simply in shoving your money over the counter and taking the goods home. Anybody can do that, but it takes good judgment to buy wisely.

Ask your friends what they think of our store. They will tell you that they buy from us because they get what they want and are never overcharged. They buy wisely because they know where they are buying. They buy from us because they know we are dependable.

Try our store a few times and your own judgment will tell you that you have made no mistake.

GOOD CREEK ITEMS (By Special Correspondence)

Quite a few of the Good Creek people spent the holidays in Crowell.

We were very sorry to hear that Perry Hinkle was sick at Crowell during the holidays.

Mr. and Mrs. Button Henry and baby have gone to Thalia to help his father pick cotton.

G. L. Scott is reported suffering very much with rheumatism of the hips.

Nugent Birdsong has returned from a trip out on the Plains. He said they sure had some sand storms on the Plains where he was.

Mrs. F. F. Arp was called to the bedside of her father in East Texas. She has returned and reported him much improved.

John Daniel and wife spent Sunday evening with their daughter five miles-northeast of Thalia.

Grandma Birdsong was on the puny list during the holidays.

Streeter Hanks of Altus, Okla., was out on a visit a few days ago to see his sister, Mrs. John Daniel. He also visited his father, brother and sister, J. R. Hanks, Bert Hanks and Mrs. Travis Hayes, at Crowell. He reported no feed raised where he lived and not much cotton.

Andy Hinkle and daughter spent the holidays in Oklahoma.

Several young people of Crowell were at the party at Mrs. F. F. Arp's a few nights ago.

J. R. Hanks of Crowell was in the Good Creek community a few days ago.

Nugent Birdsong and John Daniel are still working hard heading maize. Hurry boys, and get it out, the barns may need it this year.

Some of our farmers here have several bales of cotton in the field yet. Mr. Dunn is painting his house and barn. He says that he believes paint is cheaper than lumber.

H. E. Davis of Crowell was in our community last week looking over his farm.

Owen Wilson of Estillene is expected back in our community every day. He lived here a few years ago and will reside on J. R. Hanks' farm. We welcome him back in our community and wish him a happy new year.

Mr. Reynolds and Mr. Arp were in Crowell Thursday afternoon.

Jim Barker from Hollis spent the holidays with his cousins, Charley and Frelis Hinkle.

The farmers are happy over the nice shower.

Shower for New Bride

At the home of Mrs. C. W. Thompson on the afternoon of December 23, Mrs. Pearl Carter was hostess at a shower honoring her niece, Mrs. Harold Cotner, formerly Miss Bess Thompson, who was married on

Christmas Eve. The house was attractively decorated with cut flowers of the season and Christmas decorations. The guests were asked to register and to write a favorite recipe. Mrs. L. A. Beverly presided at the register. After a musical program consisting of violin selections by Mrs. Raymond Bell and a vocal solo by Mrs. Adolphus Wright, Mrs. R. L. Kincaid addressing herself to the bride, spoke of the different bells that had brought happiness to her throughout her life, the tinkling bells of Santa Claus in her childhood, the school bells of youth, then the wedding bells of womanhood and at this time bells were really heard in the distance and a miniature Santa Claus, in the personage of Fred Allen Beverly, came in with a huge white sleigh which he drew before the bride. The sleigh was found to contain a wonderful array of beautiful gifts, tokens of love from friends and loved ones.

Punch was served throughout the afternoon by Mrs. Raymond Bell and Miss Bevie Jewell Ringgold.

MUSIC MEMORY CONTEST

A meeting for the purpose of beginning the work in the music memory contest for 1926 will be held Saturday afternoon, Jan. 9, at 2:00 in the court house. All teachers who worked in the contest last year and all others who are interested and who wish to conduct the work in their school are urged to be present. The list of selections to be used will appear in a column of this paper in the near future. Watch for music memory notes.

There is nothing like the holidays except more of it.

Absence of presents never makes the heart grow fonder.

A tailor can make a man, but he can't make him pay.

A Christmas horn makes a good funnel, if you need one.

A pocket knows when Christmas comes, too. It has that holy feeling.

'FARM WITH FARMALLS'

How's This for a Real Cultivating Outfit?

The Texas FARMALL Is the Gem of ALL WORK—The Boon to the Cotton Farmer!

The FARMALL'S speed, flexible power, and adaptability to all work enables *one man* and his all-purpose outfit to plow, till, plant, and cultivate 200 (and even more) acres of intensively farmed land with extraordinary success. With this efficient combination of power and machines the average man can produce many times as much as is possible with old-time, mule-drawn outfits. With such modern equipment you can cut your production costs to the bone, and so earn a better living and be more independent about it.

The McCormick-Deering Texas FARMALL embodies many of the most important features of regular McCormick-Deering tractors. Foremost among these are the sturdy engine and the power take-off. In addition, the FARMALL offers perfect adaptability to all Texas row crop operations. It was built for your work. Come in and let us show and demonstrate this-money-making outfit to you.

THE BAPTIST CHURCH

Are you willing to be a highway over which Jesus Christ shall come to your town and into the lives of your friends and neighbors? Right of way costs something. When President Garfield was shot he was taken to a quiet, isolated house where he could have absolute quiet and rest in his fight for life, and a special railway was constructed to facilitate the bringing of doctors, nurses and loved ones to his bedside. The engineer laid out the line to cross a farmer's front yard, but he refused to grant the right of way until they explained to him that it was for the President, when he exclaimed, "That is different. Why, if that railroad is for the President, you can run it through my house." Are you willing to give Him right of way across your front yard? It may run right through some of your plans, or social engagements, or business appointments. But, will you give Him the right of way?

Just as the Devil took Jesus into the mountain and showed Him the kingdom of the world, and the glory of them; and said unto Him, "All these things will I give thee; if thou wilt fall down and worship me," just so he is today offering the world and its pleasures to our young men and women in exchange for their allegiance. Grace Livingstone Hill in her book, "The Tryst," pictures the struggle in the soul of the story's hero in the face of the devil's inducements, but because of his faith in the Lord Jesus Christ he wins the victory, and not only becomes a great minister of the Gospel, but "All these other things were added unto him" because of his loyalty.

Sunday School each Sunday 9:45 a. m.

Preaching each Sunday 11:00 a. m. and 7:00 p. m.

Subject for a. m. "Faith: What it is and Why it means so much." P. M. "Christ Jesus our example in temptation."

You are welcome to all these services.

S. A. TAYLOR, Pastor.

in the house that she was taking, so she immediately began giving it to me. In a few days I got all right. "Last fall I got run-down in health. I was weak and puny and I began to suffer. I would get so I could hardly walk. Having taken Cardui before, I sent to the store for a bottle of it. Almost from the first dose I could feel an improvement. "Cardui has helped me a lot and I am glad to recommend it. I don't feel like the same woman I was last fall. My appetite is good now, and I'm sure it's Cardui that's made it pick up." Columbian Club

One of the enjoyable social affairs of the Christmas holidays was a charming entertainment tendered the members of the Columbian Club on Wednesday afternoon, December 30, at the home of Mrs. R. L. Kincaid on North Main Street. Plume chrysanthemums and red carnations furnished the adornment for the reception suite of Mrs. Kincaid's home.

A very delightful musical program was given with Misses Mary Sam Crews and Frances Clark, Mmes. Alva Spencer, Adolphus Wright, Tom Bell and S. A. Taylor contributing pleasing numbers. Two very clever contests furnished much merriment for the guests, and the victors, Mmes. N. J. Roberts, John Ray, T. B. Klepper and Miss Jode Brian were presented with lovely chrysanthemums.

The refreshment feature consisted of an attractive plate luncheon in which the hostess used red carnations as plate favors.

Those other than the club members who enjoyed Mrs. Kincaid's hospitality were: Mmes. Alex Krause, West Point, Neb., A. E. Propps, Knox City; Walter Hoffman, Vernon; Tom Beverly, Adolphus Wright and Alva Spencer, Jode Brian, Litha Crews, Mary Sam Crews, Zoe Lyles, Chillicothe; Miss Stevens of Vernon.—Reporter.

Watch out at THE DANGER LINE!

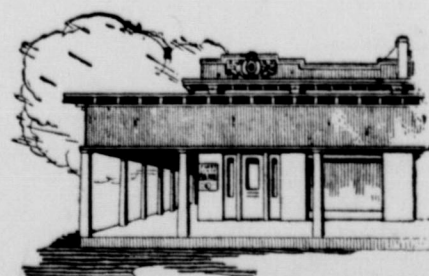

THE Danger Line extends around each tooth at the gum margin. You can see it if you will look in a mirror. It's just a tiny V-shaped crevice, but it collects food, and that food ferments, causing acids which lead to Acid Decay often to Pyorrhea.

Squibb's Dental Cream, made with Squibb's Milk of Magnesia, does more to protect your teeth from Acid Decay and Pyorrhea than any other dental cream. It safely neutralizes the acids. It protects for hours. It cleans thoroughly and beautifully. It has a pleasing flavor that all will like. Come to us for Squibb's Dental Cream, or Squibb's Milk of Magnesia, or real drug store service.

Family Reunion

The home of G. W. Wallen, six miles south of Crowell, was one among the many where were gathered the children around the family fire-side on Christmas Eve, to remain during the holidays. The home home was beautifully decorated with the Christmas colors and the 16-lb. turkey adorned the dining table in the midst of the appropriate accessories in abundance.

Not all the children could be present at this time but there were 21 present, children, grandchildren and great grandchildren, and ten visitors during the day.

The children present included Mr. and Mrs. I. E. Huffaker and son, Herbert, of Denton, Mr. and Mrs. Joe W. Owens and children of Crowell, and Miss Fay Owens who is at home from school at Oklahoma City, and Mr. and Mrs. O. E. Connell and children of Crowell, and Mr. and Mrs. John L. Hunter Jr. of Margaret, and Mrs. G. C. Rector of San Angelo.

Mr. and Mrs. Wallen are past their three score and ten years in this world and count it great joy to be able to celebrate the birth of the Christ each year and to have their children at home with them. We wish for them yet many more years among us.

Shower for Mrs. Raymond Bell

Miss Bevie Jewell Ringgold entertained at her home on the afternoon of Monday, Dec. 28, with a shower, complimentary to Mrs. Raymond Bell, who was before her marriage a few weeks ago, Miss Thelma Thompson, Mrs. Alva Spencer gave a beautiful violin solo and Mrs. Adolphus Wright sang in her usual charming way. A clever contest was had which consisted of making a bridal veil from a newspaper and the prize, which was a rolling pin, was won by Mrs. Pittillo and which she presented to the bride. Toasts were given—Miss Anna Lee Long giving a toast to the bride, Miss Ola Carter to the groom, Miss Althea Saunders to the mothers, Miss Mildred Nicholson to the girls left behind. At this time, Miss Bevie Jewell Ringgold in most fitting words, presented Mrs. Bell with the gifts which were numerous useful and beautiful. Lunch was served during the afternoon.

To the Memory of Mrs. J. W. Wishon

Since God has written upon the flower that sweetens the air, upon the breeze that rocks the flower upon its stem, upon the raindrop that swells the mighty river, upon smallest dew-drops that refresh the smallest sprig of moss that rears its head in the desert, upon the ocean that rocks every swimmer in its channel, and every shell that sleeps in the cavern of the deep, upon all he has written, "None of us liveth." And here we find one who held the greatest beauty and blessings, the royal gifts of the soul. That they were music to some, fragrance to others, and life to all. With a fixed purpose in life, a grand aim, grand in its character, she knew the power she possessed. What position in life she was designed to fill, what duties were resting upon her, what she was capable of being, what fields of profit and pleasure were open to her, and how much joy and pleasure she would find in the true life of womanly activity, she made every circumstance bend to her will for the accomplishment of this noble purpose. That there is no nobler attainment this side of the spirit land than lofty womanhood, with that pure ambition that craved this crown for her mortal brow. Loveliness of spirit was her sceptre and her sword, for it was both the emblem and the instrument of her conquest, her influence flowing from her sensibilities, her gentleness, and her tenderness. Her kindness was that of pity, love and comfort. A word of comfort to the desponding. A word of encouragement to the faint-hearted, of sympathy to the bereaved, and of consolation to the dying. Her words of tenderness gushing in upon the soul were jewels in the heart never to be forgotten. Her life and religion were such that gave to life all its importance, to eternity all its glory. Today she is heir to the brightest glories, the sweetest pleasures, the noblest privileges, and the brightest honors in the Kingdom of God. Brighter than the rising sun that shed its rays on Mammon's Statue, and awakened music in the heart of stone.

T. E. L. Class

Mrs. A. G. Bell was hostess to the T. E. L. Class in the home of Mrs. Joe Couch December 17th. Mrs. Maude Hinds conducted the devotional and read as a Christmas story the birth of the Savior. Mrs. Taylor sang a special song, "The Rose of Sharon." Then the class took up the regular order of business. At the conclusion of which the hostess with her assistants, little Miss Frances Couch and Master Jeff Bell, passed a most delicious refreshment plate. The house was pretty in its Christmas decorations and every one enjoyed the meeting very much. There were 13 members present and Mrs. A. Y. Bev-

erly was a guest for the afternoon. Next class meeting will be Jan. 14. The T. E. L. Class urges that every member be in class next Sunday and let's make 1926 our banner year.—Reporter

Terracing Demonstration

Tuesday, January 12th

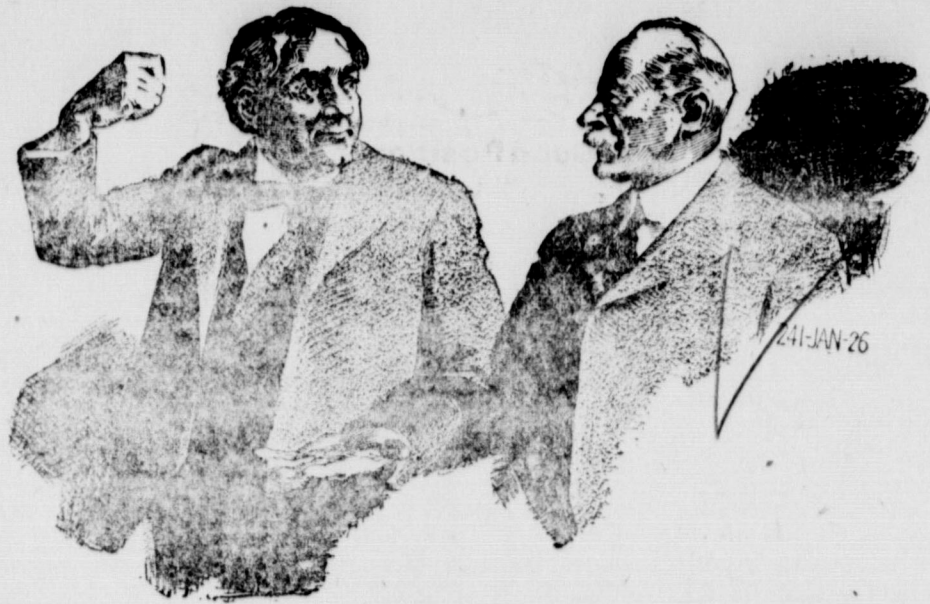

Next Tuesday, January 12th, we will hold a very interesting demonstration on T. D. Roberts' farm three miles west of Crowell, on A. F. Cannon's old place. We are working in conjunction with Fred Rennels, county agent. Mr. Rennels has arranged for a special agricultural engineer, M. R. Bentley, to come from College Station to assist in the terracing. We will also demonstrate all the new model Fordson implements, such as a three-disc side plow, Tandem Disc Harrow, 2-Disc Drag Plow, 2-row Lister and Martin Ditcher.

The demonstration will start about ten o'clock and run through the day. If you are interested in terracing be sure to come. We feel that every farm can be made more productive if it is terraced and the cost is small.

Be sure to be there. Where? Three miles west of Crowell on A. F. Cannon old place. When? Tuesnay, Jan. 12th. Come.

A Reunion at Thalia

On Christmas day the home of Mrs. Lizzie Williams, better known throughout the county as Grandma Williams, was the scene of the first reunion of all her children and grandchildren since the marriages of her children at Christmas time. The reunion was planned when word was received that her son, C. L. Williams and wife from Brownfield, Texas, would be with her on Christmas day. At about 11 o'clock Christmas day the children began to arrive at Mrs. Williams' home with mysteriously packed packages and also well filled baskets of food from which issued very appetizing odors of baked hen, as substitute for turkey, to greet the nostrils of all present. Mrs. Williams' nap was soon filled with many nice presents, not only from her children and grandchildren, but also with those sent from her many friends throughout the community.

After the distributing of the many presents to the different members of the family, dinner was soon announced. There were two well-filled tables, the sons, sons-in-law, grandsons and Mrs. Williams eating at the first table, and the daughters, daughters-in-law and granddaughters eating at the second. Each one departed from the table declaring that he did not know which was the worse—to be hungry or too well "filled." Throughout the afternoon reminiscences of the past were brought up and the afternoon soon wore away into evening, the different children gradually taking their departure. Those present at the reunion were: Mr. and Mrs. P. T. Gamble, Mr. and Mrs. O. M. Grimm, Mr. and Mrs. C. L. Williams and the grandchildren, Glenn, Texas, Wayne and Beatrice Gamble, and Raymond, Ruth and Jesse Grimm. All reside in the Thalia community except C. L. Williams and wife who live in Brownfield, Texas, Mr. Williams being a very progressive hardware merchant of that town. All living children and grandchildren were present.

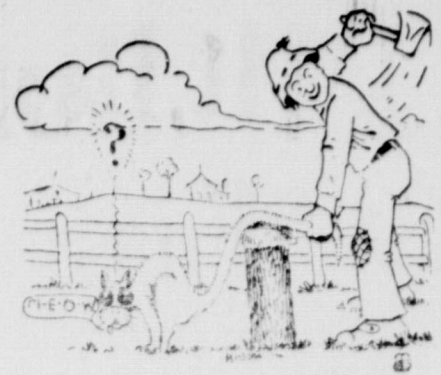

Although this is not one of the largest families in Foard County, it is probably one of the oldest and best known, Mrs. Williams having come to this county with her husband and children in December, 1895, and has since resided in different parts of the county. For several years she and her husband, who died in 1914, and son, Howard, lived southeast of Crowell on the land purchased on coming to this county. In 1922 she and Howard moved to the Thalia community in order to be close to her daughters, Mrs. Grimm and Mrs. Gamble. Mrs. Williams is seventy-eight years of age and still attends to her domestic duties well for herself and her son, Howard, who has never married.—Contributed.

Celebrates 69th Birthday

On Thursday, December 31, 1925, the children and grandchildren of J. M. Jonas came to his home in Crowell with any number of good things to eat in honor of his birthday, he being 69 years old on that date. It was also the birthday of F. J. Jonas, he being 40 years old on that day.

Mr. Jonas was born in Butler County, Mo., in 1856, and came to Texas when only a small boy. He lived for many years in Dallas County near Grand Prairie. In 1901 he moved with his family to the Indian Territory near what is now Duncan, Okla., living there six years and then coming to Foard County in the latter part of 1907, and has since made this his home.

Mr. and Mrs. Jonas have five children living, two of whom could not be present on this occasion, Mrs. W. B. Clark of Decatur, Texas, and J. M. Jonas Jr. of Colorado, Texas. They have sixteen grandchildren and one great grand child. All of the grandchildren were present except two, Jerry and Vernon Clark, of Decatur.

Those present were, J. W. Jonas and family, F. J. Jonas and family, C. D. Hall and family, J. H. Olds, Elsie, Reva and Marshall Jonas, and Leo Clark. We all wish for Mr. Jonas many happy returns of the day.—Contributed.

The Better BUICK

Starts easily

Buick motor cars are designed to run efficiently in every temperature, and under every climatic condition. Buicks start quickly, even at zero. The new, high-speed starting motor accomplishes this most desirable result.

Runs smoothly

Buick Automatic Heat Control reduces another cold-weather starting annoyance—that of bucking, spitting, misfiring engines. The exclusive Buick feature heats the fuel supply, and saves gasoline, automatically and immediately.

Stops safely

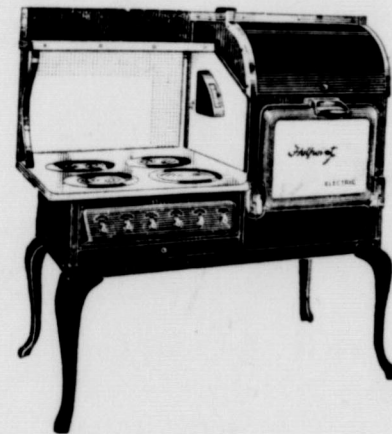

In rain, snow or sleet Buick mechanical 4-wheel brakes stop the car firmly, in a straight line. Neither heat nor cold affects the direct mechanical action of these brakes. There is no liquid in them to expand, contract or leak away.

and the Buick engine is full-pressure lubricated

The Buick engine is full-pressure lubricated. Every part gets a flood of oil as soon as the engine starts, every day in the year. An emergency feed tube siphons oil to the pump, even though the cold has congealed the oil around the pump screen.

Quick Way to Stop Night Coughing

New Method Is Remarkably Effective

No need to put up with that distressing, weakening, sleep-robbing night cough another night. For there is a simple but very effective treatment which, usually with a single dose, stops all irritation and lets you sleep soundly the whole night through.

This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You take just one teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the direct cause of night coughing. So the coughing stops quickly and you sleep all night undisturbed.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for a breakfast. Eat what you please—no dieting.

Semester Examination Schedule

Monday, January 12, our examinations for the first semester begin. All first period classes will be given Monday morning, second period classes Monday afternoon, third period classes Tuesday morning, fourth period classes Tuesday afternoon, fifth period classes Wednesday morning, sixth period classes Wednesday afternoon, seventh period classes Thursday morning.

Before any pupil is permitted to take the examination and receive credit for this semester's work, his record must be clear. No pupil will be permitted to take the examination if there are any charges against him until those charges have been settled. Should there be any books lost or misplaced said books must be paid for or found and turned in before the examination in that subject is taken, or the person to whom the book was issued will not be permitted to enter the examination. Neither will he receive credit for work done until examination is taken. Be here when your examinations are given for none will be given again soon unless those missing are under the directions of a physician and bring a written excuse from said physician showing cause of absence, or some other unavoidable reason.

Thursday afternoon and Friday morning pupils will be registered for the second semester's work. According to previous announcement all who sign up for work the second semester will be required to pay a fifty cent library fee and this fee must be paid when enrolled. We must keep our library up to the requirements of a first class school and to do this it is necessary for us to collect this small fee at this time.

Report cards will be given out Friday at 2 o'clock, Jan. 15, in high school and intermediate departments. All pupils are expected to be here at that time for their reports.

Resolutions—Mrs. J. W. Wishon

We, the committee, appointed by the president of the Adelpian Club respectfully submit the following resolutions on the death of our member, Mrs. J. W. Wishon: Whereas, it has pleased our Heavenly Father to call home one of our most faithful and loyal members; and that the members of the Adelpian Club are desirous of giving expressions of their grief and of the great loss sustained by our club; therefore be it resolved that in the death of Mrs. Wishon the club has lost one of the strongest, most active, and beloved members; that her exemplary life full of good words, her painstaking and thrifty household activity, her devoted motherhood, combined with a modesty, cheerfulness, and affectionate nature, a conscientious aspiration for higher things, a spirit touched with heavenly light; and as a club we cherish the memories of her life and activities; therefore be
