your throat for 13 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The result is you usually sleep soundly the very first night, and the entire cough condition goes in a very short time.

The prescription is highly recommended for coughs, chest colds, hoarseness, and bronchitis, and is wonderful for children's coughs and spasmodic croup—no harmful drugs.

THAT'S WHAT A TRIP THROUGH OUR STORE IS BOUND TO BE

We have studied our business, have studied your tastes, until we are prepared to offer you more suggestions of good things to eat than you ever thought possible.

In addition to a full line of staple groceries we receive three times a week a shipment of fresh South Texas vegetables, and they are nice, too. You will make no mistake if you think of this store when you want fresh vege-tables. If anybody has them we are the store.

MAKE NO MISTAKE

When you start on that trip this spring, be sure that your car is full of Pennant 4D oil and gasoline. Then you will be certain of no trouble, because your engine will respond readily to every touch of the accelerator, and you will not be stranded along the road, out of gas or oil. You will be certain of the mileage it will give you.

True comfort in motoring comes from using high quality gasoline and oil, such as you always get here.

OUR NATIONAL DEFENSE

Although temporarily defeated, Brig. General Wm. Mitchell, who insisted on modernizing the government's system of national defense, won a signal victory.

The strength of his cause and fear of his ultimate triumph was admitted when he was demoted to a colonelcy.

He was bound up in war department red tape, and when he could not be gagged the only course open to his superiors who disagreed, was to send him to a flying field where he can be securely muzzled.

To the uniniated in the arts of war, the banishment of Mitchell looks like poor sportsmanship. It scarcely seems a fair way to get rid of an an-

If Mitchell's cause had merit, it deserved a fair hearing and adoption if found practical. If it did not have merit, it would have been proved impractical in time.

The people of the United States want the best national defense possible at the minimum of expense. If his theory was the best, the nation is suffering because of the bureaucratic system which permits the muzzling of an officer who was not afraid to say what he thought even though it meant his demotion.

The controversy dates back to 1921 when airships sank some battleships in a test. Ever since that time, when the need of a new defense policy was revealed, Mitchell has been a thorn in the side of the navy general board.

Mitchell demanded a separate department for aircraft, insisting that it be ranked equal with the navy and army. The navy board insisted the nation should rely on the steel armor and huge guns of its giant battleships as the basic element of sea defense, with aircraft purely auxiliary. The president accepted the navy board's view and Mitchell was left without a

Though he may have been demoted, Mitchell will be heard from. He promises to resign and run for congress and then he can't be muzzled.

Wind Storms Are Coming

Although windstorms may occur at any time, records show that they are particularly likely to come during the spring and summer months. It is impossible to tell where or when a devastating storm will strike and it pays to be prepared. Remember that windstorm Insurance adds but a relatively small amount to your regular Fire Insurance premium.

************************* 'olumbians Celebrate St Patrick's Day On Tuesday, March 17, the Colum Club enjoyed a delightful program combining the regular lesson with a number of items relative to St. Patrick's Day. Mrs. Leo Spencer was hostess at the home of Mrs. J. H. Lanier.

After a short business session, Mrs. J. R. Beverly as leader for the after-J. R. Beverly as leader for the afternoon, conducted the lesson. The story
for study was "Innocence" by Rose
Wilder Lane. Mrs. Beverly gave a
delightful resume of this charming
story and Mrs. Kincaid reviewed a
magazine article by Miss Lane on
"If I Could Live My Life Over Again."
In this article Miss Lane says, "I am
successful, happy and divorced but successful, happy and divorced—but I wish I was an old fashioned wife and mother." Two pleasing musical numbers were rendered, a piano solo by Mrs. Alva Spencer, and a violin solo by Miss Thelma Thompson. Mrs. S. P. Fergeson gave a reading, "St. Patrick's Birthday," which was instructive and pleasing. Mrs. O'Connell reviewed a feature article dealing with the story of St. Patrick and Mrs. Que Miller read a poem, "Shamrock." It was from every angle quite the nicest St. Patrick's program we

have ever rendered Special guests for the afternoon were Mrs. Alva Spencer, Miss Thelma Thompson, Mrs. T. M. Beverly, Mrs. Shults and Mrs. Moreman of Hedley. Also two of our associate members, Mrs. Lanier and Mrs. T. B. Klepper,

were very welcome guests.

The house was beautifully decorated Shamrocks and Green, suggestive

of the Good Saint. Misses Alyne Lanier and Frances Allison assisted in serving a delicous plate which also suggested the season with an ice mould of shamrock and dainty shamrock favors. Our next meeting will be with Mrs.

St. Patrick's Day Luncheon Mrs. A. Y. Beverly Mrs. Lawrence imsey and Miss Inez Sloan enterained the Adelphian Club with a lun-

Thirty guests were then ushered into another room and asked to find their places. The long table was beautiful in its color scheme of green and white, carried out by white flowers, colored glasses and favors in the shape of tall Irish hats.

Mrs. Henry presided as toastmis-ess. While the appetizing and plentiful luncheon was served the following musical program was enjoyed: Mother Macree—"The New Prima
