lanifold Irrigation System Installed in Grover Moore Farm Near Margaret

Grover Moore, cooperater with Lower Peace River Soil Conservation District, has put in a manifold irrigation system on his farm east of Margaret this year. This type of irrigation system is used primarily in areas where there is a limited water supply. The system generally has four to five wells drilled in line, about fifty to forty feet apart, and of the wells are joined together and operated by a centrifugal pump. By joining this number of wells together, there will normally be a substantial increase in the amount of water pumped over a conventional irrigation system.

Mr. Moore's irrigation well produces 350 gallons of water per minute and he plans to irrigate thirty-five to forty acres this season. He plans to use aluminum pipe, instead of ditches, to carry water to where it will be released on the field. Gated pipe will be used on the end of the line, which will release water for each row at the rate of 20 gallons per minute.

Other farmers who have irrigation wells in this vicinity are S. B. Farrar, Mrs. John S. Ray and Emmitt Martin. Mrs. Ray has two irrigation wells on her farm, one of which produces 450 gallons of water per minute.

C. C. Pechacek, cooperater with the local district, planted 38 acres of cropland to King Ranch bluestem grass last week. Pechacek seeded about three and one-half pounds of seed per acre using a regular grass drill owned by the local district.

SANTA ROSA FLOWER SHOW IS POSTPONED

The sixth annual Santa Rosa Horticultural Society flower show originally scheduled for April 16 has been postponed because of the freeze which occurred several weeks ago, according to Mrs. George Mainard, publicity chairman.

The show which attracts hundreds of visitors from the surrounding area will be held later. Also postponed was the pilgrimage to the Santa Rosa Ranch, home of Mrs. E. Paul Waggoner, honorary president and founder of the Santa Rosa Horticultural Society.

Membership in the society includes women from Wilbarger, Foard, Hardeman, Knox, Baylor, and Archer Counties.

LOCAL FLOWER SHOW HAS BEEN POSTPONED

The Crowell Garden Club's annual flower show originally scheduled for April 22 in the Down Town Bible Class Room, has been postponed.

The recent freezes are the cause of the postponement. There will be a called meeting of the Garden Club in the near future to discuss the feasibility of staging a show for this year and an announcement of that decision will be made at a later date.

County Federation to Install Officers at All-Day Meeting

Further preparations for the county-wide women's celebration at the Wesley camp ground north-east of Margaret on Friday, April 29, include the installation service during the morning business session. Mrs. Jack Roberts Jr. will install the following officers for the 1955-57 term: Mrs. Tom Callaway, president; Mrs. E. A. Dunagan, vice president; and Mrs. Horace Phelps, secretary-treasurer. This, with group singing and the devotional, will fill the morning program.

It is the desire of the committee to keep the afternoon program informal, so that the group may have plenty of time to visit; yet, each club is asked to share in the program. Should a member club wish to present an historical skit or reading, it would be appropriate. History of the county and experiences of the pioneer settlers will be the main theme. The committee hopes that this program will be the basis for planning a celebration of the county's sixty-fifth anniversary next year. Everyone in the county is invited to bring a covered dish and share in this program's fun.

The Garden Club's hostess committee will be responsible for bread, tea and coffee, in addition to their own covered dishes.

EASTER SERVICE

The sunrise Easter service at the Truscott Methodist Church was well attended. Every church in the community was represented on the program.

LIONS CLUB

Visitors at the Wednesday noon meeting of the Crowell Lions Club were Bob Cooper and Bob Magnus of Memphis. Mr. Magnus showed an interesting film. Tom McCandless was in charge of the program.

AN EDITORIAL

A dream in the minds of many Foard County citizens for several years will in the near future become a reality. Young people of the town and county have long wanted and needed a swimming pool here in Crowell, and through the efforts of several local businessmen and our progressive City government, the solicitation of the needed funds is in progress.

Learning to swim is a wonderful experience for every youngster, and one that many young people here have been deprived of in the past for the lack of an available place. Of course, boys have been swimming in tanks and rivers since time began, but the lack of adequate instruction and life guards have, in past years, claimed many lives. With a properly supervised swimming pool such as is planned here, every youngster will have the opportunity to learn to swim, an art which might possibly save his or someone else's life in future years.

The proposed swimming pool will cost about \$28,000, of which the City government will furnish \$20,000. The other \$8,000 must be raised by donations. In view of the many years of pleasure that a swimming pool will afford to the young people of this area (and some of the older ones, as well) donations should be as large as possible. Long after a liberal donation from each of us is given and forgotten about, our swimming pool will still be paying big dividends in the form of healthier and stronger youth.

Rites for Rev. M. G. Brotherton Held in Matador April 6

Funeral services for Rev. M. G. Brotherton, 66, former pastor of the Margaret and Thalia Methodist Churches, were conducted in the Matador Methodist Church Wednesday, April 6. Rev. Brotherton died at his home in Matador about 10:15 Monday morning, victim of a heart attack. He had retired from active ministry of the Methodist Church after serving the church for more than a third of a century.

Thirty-two Methodist preachers from over a wide area were present for the service, in addition to a large number of friends who traveled long distances to pay final tribute to his memory.

The sermon message was brought by Rev. E. L. Yeats of Roby.

Pall bearers were nephews of the deceased.

Following Masonic graveside rites, interment was made in Matador East Mound Cemetery.

Marvin Gibson Brotherton was born in Fayetteville, Tenn., Oct. 4, 1888, and moved with his family to Hunt County, Texas, in 1902. In 1918 he moved to Lockney and had resided in West Texas since that time. He was married in Wichita Falls, May 31, 1923, to Miss Mattie Robinson. Besides his wife, he is survived by two sons, M. G. Brotherton of Canon City, Colo., and Glen of Matador; also one brother and two sisters.

Rev. Brotherton began preaching in 1922 at Canyon and served churches in Kirkland, Floydada, McCaulley, Silverton, Vernon, Margaret, Thalia, Quitaque, Texhoma, Okla., Rotan and Matador. He was a Scottish Rite Mason and a member of the Matador Lions Club.

After serving as pastor of the Matador Church, he went to Rotan, but remained only a short time after being stricken with a heart ailment. He retired from the ministry and returned to Matador to make his home.

Those attending the funeral from Crowell were Rev. Grady Adcock, J. A. Stovall, Mr. and Mrs. J. M. Crowell and Sherman McBeath.

Program Complete for Santa Rosa Roundup May 9-14

The program has been completed for the 1955 Santa Rosa Roundup and Quarter Horse Show in Vernon May 9-14, according to Manager John Biggs of the W. T. Waggoner Estate.

The Beutler Brothers of Elk City, Okla., will produce the rodeo again, and Cy Tallon, famed Madison Square Garden rodeo announcer, will return for his fourth year.

Several new specialty acts have been added to the nightly performances, including Wilbur Plaugher, Jay Sisler and his Australian shepherd dogs, and the Lane trio, three "tumbling" beauties from Vancouver, Wash.

The quarter horse show, held on the rodeo grounds in nearby stock barns, is open to all quarter horses registered with either the American Quarter Horse Association or the National Horse Breeders Association, or others eligible under the show's rules.

The rodeo will present all the traditional rodeo events, attracting many world champions and former champions from throughout the nation.

Among the nationally-known performers here last year and expected back are Fouts Mansfield, Royce Sewalt, Bill Linderman, Todd Whately, Harry Tompkins, Jim Shoulders, Bill McGuire, Bud Spellman, Shoat Webster, Casey Tibbs and others.

Hailed by rodeo fans and fellow rodeo people alike as the most colorful young cowboy in present day competition, 27-year-old Casey Tibbs, Fort Pierre, S. D., is expected to enter the saddle bronc and bareback riding events.

All-around champion of the rodeo world in 1951, as well as saddle bronc and bareback champion for the same year, Tibbs was again world's champion in saddle bronc riding in 1953 and runner-up for the all-around honors. He has now been top man for the year in saddle bronc riding three times.

The prize money attracting performers is the same as last year—\$9,100, plus entry fees.

Ticket offices already have been opened in the Wilbarger Hotel in Vernon under the direction of H. A. McCarty, in charge of ticket sales since the show started in 1946.

NAMED SECOND BEST

Larry Phillips, son of Mr. and Mrs. Jack Phillips of Brawley, Calif., a former resident of Crowell and the grandson of Mr. and Mrs. Harry Schlagel of Crowell, was named the second best player in basketball of the Imperial Valley League in Southern California. Larry missed being the best player by two votes. Larry led the league in rebounds with over 15 per game. He was also third in scoring in the league with 13.3 average, on an excellent shooting of 52.1 per cent, and made third string all League in his sophomore year. He is a junior this year and he hopes to make one of the best players in California in his senior year.

Six feet, four inches tall, he plays forward on the Brawley Wildcats team. The Wildcats went into the SCIF finals, but were beaten. There are over 700 students in the Brawley Union High School. Larry attended the Crowell Grammar School.

Mr. Speer stated the following named persons have been working with him in the solicitation of funds: Lee Black, Henry Borchardt, Ray Shirley, Mike Bird, Grady Graves, Guy Todd, M. M. Welch, D. L. Campbell, Jack Seale, G. D. Self, J. T. Hughton, Gordon Erwin, Clark Hitt; and Messdames Henry Borchardt, Lee Black, Guy Todd, Clinton McLain, Glenn Goodwin, Tom Woods, Horace Phelps, J. M. Crowell, Mike Raspberry, Nelson Olliphant and Jack Sauls.

Starting next week, names of everyone who have contributed to the swimming pool fund will be printed in the News, in an effort by the committee to thank all those who have contributed.

Red Cross Quota Short About \$50

The quota in the Red Cross membership campaign for Foard County lacks about \$50.00 of being raised, according to information furnished the News by J. M. Crowell, county chairman. The quota for the county is \$1,335.00.

Anyone who has not contributed to the Red Cross fund drive is urged to do so at once, so that the quota can be reported in full at an early date. Mail contributions to Miss Margaret Curtis, secretary.

Since the tornado struck Crowell in 1942, Foard County for many years following raised its quota the first day of the campaign, which was a highly commendable thing to do, considering the great help the Red Cross gave the people of Crowell in their hour of need.

Whenever disaster strikes, the Red Cross is always there.

Baseball Attracts Sixteen Aspirants

Coach Gordon Erwin has sixteen boys working out each afternoon for the Crowell High School baseball team. This is the second year that Crowell has tried baseball since 1950. Most of the boys have been working out for track which gives them a late start in baseball. Their first district game will be at Quannah on Friday of next week. Quannah has had several practice games thus far this season. Coach Erwin is trying to line up a practice contest for next Tuesday.

The aspirants for this year's team are as follows: catcher, Gordon Graves and Dale Rettig; pitcher, Dwayne Boren and Mike Wishon; first base, Louis Rettig or one of the pitchers; second base, Edward Howard and Larry Sledge; third base, Dwayne Orr and Printess Gidney; shortstop, Billy John Rader and Roy Don Payne; outfield, Eddy Ketchersid, Joe Gordon, Joe Pruitt, Billy Eveson and Eugene Davis; Gordon Graves, Dwayne Boren, Mike Wishon and Billy John Rader are regulars back from last year's team.

JUNIOR-SENIOR BANQUET HELD THURSDAY NIGHT

The balmy spring night of Thursday, April 7, at the hour of 7:30 o'clock, the date of the year for Crowell High juniors and seniors annual Junior-Senior Banquet to which approximately eighty-five students and faculty members attended, was held at the school cafeteria.

As the proud upper classmen, clad in their best bib and tucker, entered the glamorized building, they left the simple, small town of Crowell, Texas, and became a part of their own exciting world for an evening of dining and dancing.

The enticing theme of "Moonlight and Roses" was completely carried out. Climbing roses had conquered the stern pillars, and

the long rows of tables had been converted into small tables romantically lighted by candles. A bright yellow moon rolled dazingly over a rose covered wishing well, near which rested a "love-seat." A vine covered rock wall encircled the area.

Ray Gibson, master of ceremonies, introduced Bill Halbert, who gave the welcome. Chun Gafford, senior president, with well-chosen words, gave the senior response. The Four Flats and a Sharp composed of Carolyn Monks, Shirley Fox, Sandy Sanders and Jana Black, sang "Moonlight and Roses" with Betty Davis as accompanist.

Following this came the reading of the senior will by Frances Kincaid. Zonell Eddy responded with the junior prophecy.

Savory aromas which drifted from the kitchen told of the delightful meal to come. On the menu were fried chicken, creamed potatoes, gravy, green beans, vegetable salad, olives, radishes, pickles, hot rolls, iced tea, and ice cream with cake. Many thanks to the cooks.

Providing music for the prom were the Lamplighters from Vernon. Ex-students, as well as current CHS visitors, enjoyed attending the prom.

The entire evening was enjoyed by everyone attending, but, naturally, there was a tremendous amount of work behind it. Many thanks to the sophomore girls for serving, to the room mothers who helped, to the merchants who donated their goods, and to the sponsor, Mr. Myers, and numerous other people who helped make the occasion possible.

WILL OF THE SENIOR CLASS OF 1955

by Frances Kincaid and Betty Sue Bartley

Tonight as the moonlight beams down upon our rose garden of memories, we, the senior class of 1955 reminisce over the happy and the sad times that we have shared together. Now with the closing of our high school days nearing, we shall declare our last will and testament.

To all of our beloved teachers who have been our inspiration for the past four years, we would like to leave a can of paint to mark the Mason Dixon line to keep the girls on the east and the boys on the west.

As individuals we wish to leave

you Juniors a remarkable pattern to follow and along with it one each of our most outstanding characteristics.

1. I, Denton Werley, leave my ability to entertain fifth period English class to Bobby Hopkins.

2. I, Jerry David Thompson, who have given up all hope of recovering my little harmonica, leave it to Mrs. Sloan in hopes that it will bring you many hours of joy.

3. I, Gaylon Whitley, leave my girls in every port and my daily attendance record to Jerry Cates and Larry Rader.

4. We, the true blue couple of CHS, Clara Fiske and Don Smith, leave our ability to stay together at noon without getting caught to Jimmy Thaxton and Francayne Coffey.

6. I, Wanda Murphy, leave my ability to hook a Q Town boy to Carolyn Bursey.

7. I, Joyce Ribble, who will be married in the near future, leave all of my childish ways of running around and flirting to Patsy Mehell and Donna Norris.

10. To Norma Hall, the class of '55 leaves their thanks for making CHS a friendlier place.

11. I, Rufus Whitman, leave my wishes that Gaylon Whitman will carry on the family tradition of being glamorous boy of CHS.

12. I, DuWayne Elliott, gladly leave all of Mrs. Elliott's favorite recipes to Geraldine Hrabal who will need them in the near future.

13. I, Sue Meason, am taking one of my boy friends with me, but I am leaving all of the rest of them to Barbara Fairchild in hope that she will take good care of them.

15. Mr. and Mrs. Gordon Graves leave their sympathy to Dwayne.

16. I, Lowell McKinley, reluctantly leave my Saturday night parties, but gladly leave my Sunday morning headaches to my buddy, Lindell McBeath.

17. I, Katie Polk, wish to leave my formula to stay thin and keep my school girl figure to all the poor overweight females left in CHS.

18. I, Gerry Knox, leave on so gladly, all the heartaches, tears, and pains that Sue has caused me to Jackie Malker with sympathy, hoping that he can get along better with Jo Helen than I did with Sue.

19. I, Frances Kincaid, leave my ability to play hooky without getting caught to Gail Knox, and

I know that she will make good use of it.

20. We, Billy John Rader and J. M. Cates, leave all claim to Nelda and her convertible to any lucky junior boy who doesn't mind getting his curls blown.

25. I, Eddy Ketchersid, wish to leave my musical ability to Joann Fox, and also the bass drum if you can use it.

26. I, Buddy Kelly, realizing that I have failed in giving you a gentle hint all these years, will my undying love to you, Arleta.

27. I, Carl Wharton, wish to leave my fine collection of Texas History report to Dwayne Orr.

28. I, Betty Bartley, leave my regular table at the Sportatorium to Jo Helen Aly, and my ability to drive to Patricia Todd.

33. I, Jim Kennedy, leave my ability to keep house and cook to Don Kidd.

34. I, Joe Don Brown, after careful consideration, have decided to leave my pickup, drag races, and my place in the contest play to Dale Jones in hope that he enjoys rehearsals as I did.

35. I, Thomas Stone, leave my curly black hair to Jody Gordon.

36. I, Sandee White, leave all the sweaters that I have outgrown to Pat Cates.

37. I, Joe Vernon Smith, wrote a book about how to remain a barbor and I gladly leave it to any boy who thinks marriage is the life.

38. To C. T. McDaniel, the entire senior class wills a year's pass to the Sportatorium.

39. I, Ann Rietmayer, leave my jokes and my boisterous laugh-

ter to Gerald Denton.
 40. To Zonell Eddy, the senior class of '55 leaves their deepest wishes that some day you will catch that crow. Need we say more.

PROPHECY

Here we are and here I am. The date is 1975. Today we are giving news of an unusual group of people who graduated from school in the class in Crowell in 1955. Although at that time its members showed some outstanding personalities, every member of the class has achieved notable success, and here is their record:

Buddy Kelly, who has always liked to drive his own car, and I do mean drive it, has just won the Indianapolis Speedway Races and is off to try the Round-the-World Marathon next.

Chun Gafford has just been appointed editor of The Saturday Evening Post. He plans to feature soon the stories of Mickey Spillene, which are the real life adventures of Lefty Kincaid, who spent 5 years recently in Sing-Sing.

Betty Bartley and Frances Kincaid have now succeeded in taking Judy Canova's and Ma Kettle's places as glamour girls of the screen.

John W. Wright is now owner of the world's largest sheep ranch. When anyone says hello to John, he replies with a very low Baa!

I imagine there are very few of you who have ever heard of Wanda Murphy. But really she is known to millions under another name, Mrs. Jack Driver. Perhaps some of you sent in names in the contest 25 years ago when her stage and screen name were selected. Now she is loved everywhere as "Grand Lady of the Dish Pan."

We wish to show our deepest sympathy to Shot Gun (Mike Wishon) for the death of his late wife, Christine Jorgenson.

Do you suffer from being unpopular, not entertaining your friends, or being bored by listening to them? Then Jerry Thompson will solve your problem with his new book "How to Gain Friends and Be Popular." The publishers, Rufus Whitman and Denton Werley, expect such a great volume of sales that they are pricing the books at 22¢ per copy.

The Metal Award for science service is to be awarded, we hear, to Eddy Ketchersid, that little bundle of brains who discovered a way to extract energy from a snowflake and make enough electricity to light a flashlight. Will wonders never cease?

Ronny Fox, even though he and Latrelle have five little boys, still has time to shine his shoes. He is making sure everyone's shoes are shined by working in Robert Love's barber shop at Tha-

At an early age, Billy John Rader acquired a taste for convertibles. He and his wife are now expecting a new arrival of six red and white convertibles for their daughters.

Universal Soap Laboratories will soon put on the market a new cleaning fluid taking the place of all soaps. Melted snow is the principal ingredient. It is said that it is a product of the work of the famous chemist, Joe Don Brown.

There seem to be several late arrivals tonight. There is Mary Hudson in her new chartrouse and pink Ford convertible; Kenneth Oliver in his new Cadillac Helicopter; Jim Kennedy and J. M. Cates in their new Mercury B-29; Thomas Stone in his single engine bomber; and Gaylon Whitley on his Schwynn Bicycle.

The Arabian custom of having more than one wife changed in the transfer from Arabia to the hands of Lucille Sparks. She now has a harem of boys. Her choice selections are Tony Jones, Jimmy New and Don Smith.

Billy Hopkins decided that since he did so much cooking at home he should get a little money for it. He is now chief cook and bottle washer in Joe Smith's exclusive Drive-In Cafe on Spitt-Cam Avenue in Fort Worth.

Tiny is very much pleased with Gordon and Billye. It is not very often that you see an entire volleyball team composed of sisters.

Flash!! Our own Billye and DuWayne Elliott are now enjoyed by millions of viewers on their new TV program, "How to Wash 150 Diapers in 15 Minutes." For more information along this line write Billye and DuWayne's happy bungalow, Clint, Texas.

Now we have the presentation of some of the Academy Awards. Miss Sue Meason wins the Oscar as the best supporting actress of 1975 for her marvelous portrayal in "Ha! Noon." She was the horse of our "Two Gun Romeo," Gerry Knox.

Three top actors and actresses

were also honored here in performances. They were Polk in "Kiss Me, I'm a Polk," and Coleman in "Man and Bathsheba." Lena Faye White grand performance. Here to the Moon," accepted the award for who was not back from to the moon.

Time has changed

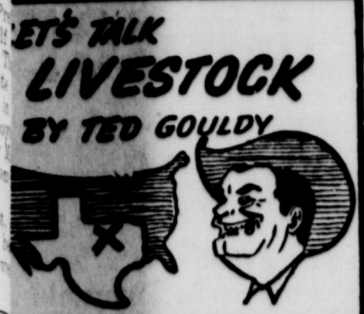

Today electricity even winds the clock... and does a better job of it than Grandmother ever did.

Keeping time is just one of the hundreds of ways electric service makes life easier, more convenient. And this is only the beginning. Many exciting, new electric servants are on the way.

What they'll bring you and your children is a whole new way of living.

Your electric company is working and planning ahead to make sure there will always be an ample supply of dependable, low-price electric power to serve you when you need it.

were on the weak side. Packers took a bearish stand on most cattle on the early rounds, but salesmen were able to get largely steady prices for fed steers, yearlings and heifers. Cows were weak, and packers complain that many of the cows are either off grain pasture or clover or other lush growth and are washy and low in the yield and grade, a seasonal development. High grade slaughter and high grade stocker calves sell readily at firm prices in the \$18 to \$22 field, while most slaughter kinds except a few fancy heavies check in at \$21.50 down. Medium and lower grades were steady to weak. "Green" calves and yearlings are a problem for the slaughter buyers right now, they say. Bulls

steady. **Fat Cattle Top \$23.50 to \$23.75**
Good and choice fed steers and yearlings topped at \$23.50 and \$23.75 at Fort Worth Monday, a load of experimentally fed steers from the Spur Station brought in by Paul Marion at \$23.50, and two loads of fed steers from a commercial feeder drew \$23.75, both these sales were above any made here last week when \$23 was the practical top. Fat cows \$11 to \$13.50, a few \$14. Loads of cows at \$13.50 from both East and West Texas were in the yards Monday. Good and choice slaughter and stocker calves \$18 to \$21.50, a few to \$22. Plainer kinds \$10 to \$17.

Since July, 1946, the Miceles have communicated only by notes on a bulletin board above the kitchen sink. After their quarrel, Micele, who had been living in one room of the house, moved out and Mrs. Micele filed suit for divorce.

Council will meet this Saturday, April 16, at 2:30 p. m. in my office. At that time the delegates to the District T.H.D.A. meeting in Archer City will give their report and I'm sure you will not want to miss this session now to attend.

Many of us are beginning to store our winter clothes. Before storing those winter woollens, be sure they are clean. Perspiration weakens wool, grills cuts it, and spots attract moths.

The two main classes of wool fabrics are worsteds (smooth, hard surfaces) and woollens (soft and fuzzy). Worsteds are generally not washable, but some woollens are. Fragile garments should

be washed by hand, sturdier ones may be done in the machine. Labels should tell you how to treat your woollens.

Before washing, give special treatment to spots and stains. Also measure your knitted garments so they can be pulled back into shape after washing.

Water temperature is important. Use lots of water and keep the temperature of both the time and the wash water at approximately 100 degrees. A mild soap and soft water give best results. White woollens can be safely bleached if necessary with a powdered bleach. Use only as directed by manufacturers.

Handle wet woollens as little as possible. When washing a fabric by hand keep it submerged and support it with both hands when taking it from the water. Never wring or twist. Excessive wringing causes fibers to mat or felt.

Dry woollens carefully. Never dry loosely knit or woven woollens in the automatic dryer, nor any woollens in direct heat from stoves, radiators, or direct sunlight. Some woollens are best dried by rolling the garment in a cloth towel. Dry knitted garments flat; don't hang with clothes pins or on hooks.

The method is to draw around knitted garments or absorption paper before washing. Pin the clean garment to the drawn figure to dry.

Press the woolen fabric while it is still damp. To prevent scorching, set the iron on "wool" and press on the wrong side through a damp cloth. If you use a board with a wool pad, the fabric surface will be softer. Steam-ironing gives good results with wool.

One recipe for wool is to use 2 cups flour, 4 teaspoons baking powder, 1 tablespoon sugar, 1 teaspoon salt, 4 tablespoons fat, 1 cup milk, 1 beaten egg, strawberries.

Put all ingredients, except the fat, and mix until product is smooth. Turn into lightly floured loaf or party cloth. Bake about 20 minutes or until dough is smooth. Divide dough into two equal parts. Pat and roll out one portion to fit a pie or cake pan making a layer 1/2 inch thick. Brush top lightly

Austin, Tex. — Easter bunny brought the golden egg! That, in an egg-shell, describes developments in the Capital City over the week end.

House members returned to Austin from the Easter holiday to discover that members of the revenue and taxation committee who remained on the job, had brought out a compromise tax bill. It promised \$45,000,000 in new money.

Chairman Stanton Stone and House Speaker Jim Lindsey regarded it as their number one project for the week.

Although the committee sidetracked Gov. Allan Shivers' single-shot bills and adopted Chairman Stone's omnibus bill, Governor Shivers said it was a workable basis for providing what is needed.

Actually, the bill gives Governor Shivers more than half of his announced desires. He praised the committee and asked that the balance of his "program" be restored somewhere along the way.

Approved by the committee was the one-cent per pack tax increase on cigarettes, asked by the governor. Also included was a one-cent per gallon gasoline tax, which was half what the governor suggested. An increase in beer operators license fees was injected into the bill as a concession to strong House sentiment to include beer in the new-money scheme. A fourth tax item was diesel fuel

at 1.5 cents per gallon.

Under the proposed levies, \$25,000,000 would be added to highway improvements annually, and \$20,000,000 would go into the general fund.

House Speaker Jim Lindsey took a strong stand for the compromise plan. Governor Shivers complimented him for the progress made over the long week end. Waiting for nearly \$60,000,000 in new money, before it can reach the governor, is the \$1,500,000 biennial appropriation now in conference committee.

Governor Shivers regretfully left the scene of action. He went with Mrs. Shivers to Chicago where she will receive treatment for an ear ailment. She had a mastoid operation last year.

Before leaving Texas, the gov-

ernor stated that he re-

turn 120-day session, May 10, might run beyond the four-month session, now drawing to a close. Shivers has expressed a new session for special sessions.

Charges continued against Bascom G. commissioner of the office.

Latest were four charges placed against District Attorney Le Travis County. It total charges to date 688.

Also charged on theft counts was J. Crystal City attor-
