Ed Dunn Succumbs Unexpectedly Here Wednesday

Funeral Services Held at Margaret Methodist Church

Funeral services for Ed Dunn, 62, native of the Margaret commu- nity in Foard County, were held in the Margaret Methodist Church Friday at 3 p. m. with Rev. Warren Everson, pastor of Bethel Church in Crowell, officiating. He was assisted by Rev. E. H. Martin, pastor of the Margaret Methodist Church, and Rev. L. M. Cox, pas- tor of the Margaret Baptist Church.

Burial was in the Crowell Cem- etery.

Pall bearers were Jake Wis- dom, Joe Bledsoe, Dink Russell, John Wheeler, Jim Hill Erwin, Ray Hysinger, Jim Owens and Baylor Weatherred.

A special musical number at the service was a vocal duet by Mrs. W. A. Dunn and Mrs. Bob Thomas.

Mr. Dunn died unexpectedly Wednesday afternoon of last week in the Foard County Hospital following a stroke.

Born May 14, 1900 in the Marg- aret community to the late Mr. and Mrs. W. T. Dunn, a pioneer Foard County couple, he had lived in Crowell for the past seventeen years. He served four years in the Army during World War II and was a member of the Veterans of Foreign Wars. He served one term as Foard County sheriff and tax assessor following his return from the military. He retired recently as a mail carrier from Vernon to Crowell. Mr. Dunn had accumu- lated a host of friends in this community where he had lived most of his life.

Mr. Dunn was converted at an early age and was a member of the Methodist Church.

Survivors include three brothers, W. A. Dunn of Margaret, T. B. Dunn of Mantea, Calif., and Mike Dunn of Freeport; four sisters, Mrs. Bax Middlebrook, Mrs. John Taylor and Mrs. Arthur Bell, all of Margaret, and Mrs. Ona Belle Roberts of Elida, N. M.; several nieces, nephews and other relatives, and a host of friends.

Cloud Monday Sends Foard Residents to Cellar

Foard County residents went scurrying for cellars Monday afternoon as a heavy black cloud bore down on this area from the northwest and reports were received over television of 100-mile- per-hour winds in the cloud. How- ever, the high winds missed Crow- ell and a very light shower fell. The storm went north of Crowell and hit Quanah, according to re- ports.

The cloud preceded a cool front and dropped the temperature some 20 degrees in just a few minutes Monday afternoon.

High and low temperature read- ings for the week follow:

Thursday: high 90, low 68.
Friday: high 92, low 73.
Saturday: high 92, low 74.
Sunday: high 93, low 74.
Monday: high 94, low 75.
Tuesday: high 90, low 68.
Wednesday: low 73.

RODEO ANNOUNCER

Rev. Jerry Boles, Presbyterian minister of Stamford, Texas, has been for several years announcer and chief crier of the Texas Cow- boy Reunion which is held this year July 2, 3, and 4. Rev. Boles is widely known as an evangelist but is best liked by the thousands of cowhands and spectators who come each year to the Reunion and to hear him repeat the cries of the Old West. This year more than 600 cowhands are expected to com- pete on the three days of July 2, 3, and 4.

LIONS CLUB INSTALLS OFFICERS

A large crowd of Lions Club members, their families and guests attended the annual installation of officers program at the Sand- for Club Hut Tuesday night.

Ray Shirley was installed as the new president; Travis Vecera, first vice president; Charles Branch, second vice president; Dr. Martin Kralicke, third vice president; Roy Long, Lion tamer; Miss Betty Ann Welch, sweetheart; Jon Lee Black, tail twister; Lee Black and Jack Welch are new directors, and the hold-over directors are Houston Adkins and Henry Borchardt. The new officers were installed by Walter Coleman of Wichita Falls, zone chairman and deputy district governor-elect. Guest speaker for the evening was Orin Brewer, Vernon newspaperman.

Ray Ilseung has served as president during the past year.

Dr. Martin Kralicke presented the Senior Scholarship plaque to Miss Alta Nell Bartley, and keys to Misses Carla Driver and Jean- ette Moody, and Ronny Bradford and Jerry Setliff.

Rusty Russell and Joe Don Brown served as chairmen for the barbecue supper which was served preceding the program.

As a part of Mr. Shirley's pro- gram for the club next year, the Crowell Lions Club will award at the 1963 installation a "Lions Club Member of the Year" award.

Sunday School Day at Methodist Church to Be Held Sunday

Sunday has been proclaimed "Sunday School Day" at the Crow- ell Methodist Church and an in- tensive drive is underway to have everyone who is a member of the Sunday School of the local church to be present Sunday.

In addition to the Sunday School day, pictures of all the classes will be made for publication in a book- let to be printed in commemora- tion of the local church's seventy- fifth anniversary, which will be held later this year.

Twenty-Three G. A.'s to Attend Galaxy in San Antonio

Four cars of G. A. girls and sponsors from the Baptist Church will leave next week to attend the G. A. Galaxy in San Antonio. Both of the Intermediate Auxiliaries will be represented. The entire enrollment of the Martha Low Auxiliary, 100 per cent, plans to attend in cars driven by Mrs. Loraine Carter, Mrs. Chester Hard and Mrs. Walter Stapp. In this group will be Billy Sue McClain, Frances and Lela Jo Cates, Renee Daniel, Joylyn Haynie, Joy Tra-week, Virginia Stapp, Deborah Jones, Jan Ann Carter, Janis James and Lanette Lemons. Accompanying them as additional sponsors will be Mrs. J. A. Marr and Miss Judy Tra-week. This group will leave on Monday and will see Longhorn Cavern at Burnet and the state capitol in Austin. The Jackie Short G. A.'s including Ella Ann Cates, Sherry Goodwin, Nelda Chappell, guest Ronni Sue Oliphant, and sponsors Mrs. Glen Goodwin and Mrs. Glenn Wilson, will leave Crowell Tuesday morning.

More than 6200 Texas G. A.'s have already pre-registered for the Galaxy, which is an observance of the 50th anniversary of Girls' Auxiliary. Scheduled for the opening session Tuesday night is a dramatic, large-scale pageant portraying the history of G. A. and the impact of its influence all over the world. Well-known religious personalities from points scattered over the globe will be featured in the Wednesday and Thursday sessions, including Rev. Ross Cogins, formerly of Wichita Falls and later of Indonesia. One highlight that the Crowell girls are anticipating is an autograph-snap-shot party Wednesday afternoon

at which they will meet missionaries and other workers they have studied about in their programs. At the Wednesday night session, the 6200 G. A.'s will wear emblems indicating their Forward Steps rank attained, including crowns for the queens, scepters, capes, etc.

After the Galaxy is concluded at noon Thursday, the girls will remain in San Antonio to see a bit of the city, and will return to Crowell on Friday and Saturday.

Ice Cream Social

The Lydia Class of the First Baptist Church had an ice cream social Monday night at the church. The Fred Priests showed slides of their travels to many countries which were very beautiful and informative.

Those attending were the Warren Haynies, Wilma Cates and children, the Clyde Russells, A. W. Tanners, Glenn Willsons, Walter Stapps, Fred Priests, Ora Mae Fox, Charles Branches and a visitor, Paula Johnson.

Riverside H. D. Club

When the Riverside H. D. Club met in the home of Mrs. Roy Ayers on June 5, Mrs. Monroe Karcher gave a very interesting and detailed account of the "Laundry Workshop" held at Lake Pauline on May 24. Then she gave a demonstration on testing water for hardness to determine the amount of soap or detergent needed for each load of laundry.

As each member had brought samples of water from her well, she made the test for hardness.

Following this, the hostess served bottled drinks and cookies to nine members and a social hour was enjoyed, during which a number received secret pal gifts.

MISS CAROLYN BELL

Engagement of Miss Carolyn Bell and Dr. Pierce Announced

Mr. and Mrs. Alton Bell announce the engagement of their daughter, Miss Carolyn Bell, to Dr. George Emory Pierce of Baltimore, Maryland. Dr. Pierce is the son of Mrs. George Owens Pierce of Saratoga, Wyoming, and the late Mr. Pierce.

Miss Bell is a graduate of Baylor University and Dr. Pierce graduated from the University of Wyoming and Johns Hopkins Medical School.

A fall wedding is planned.

Granddaughter of Local Woman to Marry August 11

Mr. and Mrs. W. J. Wood of Wichita Falls announce the engagement and approaching marriage of their daughter, Barbara Ann Solis, to Mark Van-Buren Massey Jr. of El Paso. He is the son of Mr. and Mrs. M. V. Massey of El Paso.

Miss Solis, the granddaughter of Mrs. Bruno Bergt of Crowell, is a 1961 graduate of Wichita Falls High School where she was a member of Tri-Hi-Y and Girls Club. She was presented as a Junior Forum debutante. She has attended North Texas State University for the past two years.

Massey is a graduate of Denton High School and North Texas State University where he was a member of Lambda Chi Alpha fraternity. He is employed at Mack Massey Rambler in El Paso.

The couple will exchange vows in the First Baptist Church chapel in Wichita Falls August 11.

Brownies Attending Paducah Day Camp

Ten members of the Brownie Troop in Crowell are attending the Girl Scout Day Camp in Paducah this week. The camp is being held from 9 to 2:30, Monday through Friday. Three Senior Scouts, Ella Hollenbaugh, Shirley Mike Rasberry and Rosa Lee Latimer, are also attending and are receiving experience as camp aides.

This camp is held in Paducah because Crowell does not have enough registered Girl Scouts in all levels of scouting to warrant holding one in Crowell. It is hoped that since extensive leadership training will be offered during the coming school year, that more troops will be organized so that an established Day Camp can be held in Crowell next summer. A survey conducted by the neighborhood chairman indicates that girls from the second grade on up are very interested in having Girl Scouting available; and it is felt that there are some adults who would like to lead these girls if proper training were offered. All that Crowell needs to do is to

have eight interested adults, and a training course will be offered here by the council. If four more troops were registered, day camping in Crowell would become a reality next summer.

Adult leaders from Crowell helping as unit leaders are Mrs. Ray Shirley and Mrs. R. J. Owens. Transportation has been furnished by Mrs. Bud Myers, Mrs. Vernon Garrett, Mrs. Prince, Mrs. Howard Bell and the two leaders. Brownies attending are Sherry Prince, Kristi McLain, Shayne Garrett, Peggy Rasberry, Kay Shirley, Sara Bell, Peggy Welch, Diane Myers, Rita Coffey and Mike Owens.

H. D. Council Has Meeting Saturday

The Foard County Home Demonstration Council met in the H. D. Agent's office Thursday, June 14, at 2:30 p. m. with four clubs and 8 delegates and two visitors present with Mrs. Dwayne Boren, council chairman, and Mrs. Elton Carroll as secretary in the absence of Mrs. E. A. Dunagan. The presiding reports of club meetings were given by Mrs. Glenn Jones, Foard City; Mrs. Elton Carroll, Gambleville; Mrs. Hugh Shultz, Margaret; and Mrs. L. G. Simmons, West Side. The EEE chairman, Mrs. Warren Haynie, asked that each club have a booth for achievement day in November and the proceeds will go to each club, while the bakery sale will go to council.

The yearbook chairman, Mrs. L. G. Simmons, asked that all clubs make out two programs and "thought for the day" to be used for the new yearbook.

These programs are to be sent to Mrs. Simmons in July. The yearbook committee will have an all-day meeting to compile these for the new book Sept. 5.

The civil defense chairman, Mrs. Clyde Cobb, asked the presidents of West Side and Gambleville to send in the cellar surveys to her as soon as finished.

The state meeting will be held in Dallas at the Baker Hotel Sept. 19. The following delegates were elected: Mrs. Verda Bell, Mrs. Glenn Jones, Mrs. Reba Calvin; alternates, Mrs. Grover Moore and Mrs. E. A. Dunagan.

The first club program for July will be given by 4-H, but the club presidents are to let the agent, Joe Burkett, know when their club will have this program.

Mrs. Simmons and Mrs. Cobb served refreshments and all the clubs and council gave gifts to the H. D. Agent, Mrs. Janet Carroll. She will leave the last of June for her work near Houston.

Mrs. Carroll's mother, Mrs. Ross Blain, was here for the council meeting. The next council meeting will be Sept. 13, at 2:30 p. m.

The following were present: Mrs. Glenn Jones, Mrs. Grover Owens, Mrs. Hugh Shultz, Mrs. Elton Carroll, Mrs. Ross Blair, Mrs. L. G. Simmons, Mrs. Dwayne Boren, Mrs. Warren Haynie, Mrs. Carroll and Mrs. Clyde Cobb.

G. A. Meeting

The Martha Low Intermediate Girls Auxiliary of the First Baptist Church had a regular meeting on June 18 at 5:30 in Mrs. Walter Stapp's home. The president, Jan Ann Carter, called on Lanette Lemons to lead in opening prayer. They repeated the G. A. Allegiance together. The prayer chairman, Deborah Jones, read the prayer calendar, the names of missionaries whose birthdays fall on that day. Virginia Stapp led in prayer for them. The secretary, Joy Tra-week, read the minutes and called the roll. Mrs. Stapp announced that the next meeting would be a joint meeting at the church on July 2. The president turned the meeting over to Frances Cates, the program chairman. She brought an interesting program called "Report on Pakistan." After the closing prayer led by Deborah Jones, they discussed summer missionaries and the state G. A. meeting and then were served Cokes.

Truscott H. D. Club

Rev. Homer Stephens was guest speaker at a meeting of the Truscott Home Demonstration Club June 14. In discussing "The Alcohol and Narcotic Problem," he stated that younger people should be educated of the dangers and evils of drugs and alcohol, and gave causes for some becoming addicted.

Mrs. J. M. Chowning conducted the business session which opened with songs, scripture reading, and prayer led by Mrs. W. M. Rake. A letter of appreciation for clothing sent to Vernon State Hospital was read by Mrs. E. J. Jones.

The hostess, Mrs. H. M. Black, served refreshments at the close of the meeting. The group will meet in the community center on June 28.

There Are So Few of Them

"Tax experts reveal that if Uncle Sam seized all individual income over \$25,000 a year, it would run the government not quite 3 days. If he confiscated all income over \$10,000 a year, it would carry the government only 18 1/2 days. Lincoln said that God must have loved the poor people, he made so many of them. By the same token, you can't run the government on the rich, there are so few of them."—Bethel, Me., Citizen.

Team	Standings	W	L	%
Farmers Elevator		5	2	.715
Rotary		6	3	.667
Foard County Mill		5	4	.556
V. F. W.		1	8	.111

I wish I had a crystal ball . . . sure, to see how this ever-so-tight Little League race of this summer is coming out. As this column is being written (Sunday night, June 17th), Farmers Elevator is leading the league; but by the time you are reading this, the third place team may be in first place, or in a first place tie, with the now-on-top Farmers Elevator in third place. A tight race? Yes, the best yet! (Rotary and Farmers Elevator must split a pair, with Foard County Mill winning both games over V. F. W. for this to happen, of course.)

Signs of Wet Times: Domingo was umpire-in-chief for the second straight game. The new balls had all been fouled off the field of play. Ye Umpire sighted Robert Walker picking up a ball right behind the screen. "Hey, you," shouted old Blind Tom, "throw me that. Throw it on over." So Robert Walker did as Domingo had instructed. He threw it over the screen squarely into the hands of the startled official. It was not a horsehide, however. 'Twas a big, fat, green bullfrog!

On Friday night, June 15, Buddy Myers and Ronnie Evenson literally took the Frank Cooper cream-cones right out of the mouths of the VFW Vets as they hit home runs that accounted for 7 runs. Incidentally, although I don't keep accurate record on such things, I believe Ronnie Evenson and Bob Bird are tied for the home run lead with three each, and about a half-dozen fellows have hit a couple . . . boys like Larry Hughton, Joe Mike Fish, Buddy Myers and Lynn Rader.

It wouldn't be amiss, I'm sure, to start calling Gary Tole "Mister Center Field," for his play out in that middle pasture has been nothing less than sensational this season. It's just an automatic out when you hit one into the air out center field way . . . and in his last 7 times at bat, he has racked up 7 hits!

In Lee J. Whitley and T. Crews the PeeWee League has a couple of real crowd-pleasers this year. You can add another name to that list this year, one name, Tanner, a little guy with a big fast ball. With these two fellows in action, you'll see a fast baseball unreled this year by the PeeWees.

It's an ill wind, etc., etc., recent heavy rains played havoc with our crops, but have opened the outfield grass until it's almost solid. Thanks, Houston Adkins, Charlie Branch, for your operations last Thursday. You had the entire field look as neat as a young boy's brand new burr haircut!

Sets New High

Cash dividend payments common shareholders of companies listed on the New York Stock Exchange in the first quarter 1962 set a new high for the consecutive year. Total payments for the three months came to \$55,678,710, a gain of 6.4 per cent over disbursements made the same companies in the comparable period a year earlier.

TWICE AS MUCH COOLING

With the patented features of Paramount Coolers.

Yes! This famous Paramount 5000 c.f.m. evaporative cooler gives you up to twice as much cooling because of these patented features:

- Many coolers lose as much as 70% of cooling efficiency because dust, dirt and salts clog the filters. Patented No-Clog Sta-Fresh Filters are guaranteed clog-proof, assuring 100% cooling efficiency all summer long.
- Filters saturated with water become heavy and often sag and settle from the top, drawing hot, unfiltered, uncooled air into the cooler which may create as much as a 70% cooling loss. Patented Grip-Lock Filter Holders are guaranteed to prevent sagging and settling of filters assuring 100% cool, clean, filtered air.
- Without correct water trough adjustment, sections of the filters remain dry, resulting in substantial cooling loss and costly service expense. Patented Free-Flo Visible Water Troughs with external adjustment assure 100% saturation, and 100% cooling for the entire life of the cooler.
- Added feature — Patented Window Closing Attachment lets you close and lock your window. Eliminates entry of dust, rain and drafts into your home.

Ignorance of the Value of Competition

"One of the reasons we are losing ground in our fight to defend our constitutional Republic and its private enterprise system of economy is ignorance of the value of competition and free enterprise and the profit motive. In fact, 'profit' and 'capitalism' are getting to be sneer words, whereas they are, in truth, essential to the preservation of individual liberty."—Corona Del Mar, Calif., Ensign.

OUR BARN IS FULL

(Editor's note: The following editorial appeared in the Sunday, June 17, issue of The Dallas Morning News. Considering it to be outstanding in every word, we reprint it here.)

One could easily become cynical—maybe one should—when he sips his morning coffee and reads in a newspaper what has happened the day before. A few examples, in one issue:

- A free-wheeling New York financier skipped the country—he's a suspect in the withdrawal of \$2,000,000 from the firm he headed.
- A baby-sitter in Akron strangled a 13-month-old infant with a silk stocking.
- A Texas judge was indicted for failing to file income tax returns.
- Congressmen said "blackmail" was being used by the present administration to influence their decisions on legislation.
- And, of course, the bizarre developments of Billie Sol Estes, allotments and anhydrous ammonia.

You put the 80-page paper down and ask yourself: What's wrong with us all? Where is honor, where is honesty—and what has happened to a country built solidly on sacrifice and self-abnegation? You remind yourself that good still triumphs over evil; that those who live by the laws of God are in the heavy majority.

But you also know that only the foolish can be indifferent to the corruption and back-alley ethics that occur with sickening frequency. If it's not slanted oil drilling in Texas, it's stolen votes in Chicago, embezzlement in Brooklyn, Billie Sol and B Girls.

Let us forget, the rotten in our human barrels can despoil the pure. One weak nerve weakens the entire spine, and when the spine is weak, the body wilts.

Let's face it, we have lived high, wide and recklessly handsome since those sacrificial days 20 years ago when we fought in our higher hours against Hitler.

In the generation since, our incomes have more than doubled. So has our crime.

Giving to charities has tripled. So has the breeding of illegitimate children.

We boast that factory workers make upwards of \$3 an hour, but in that 60 minutes the nation commits 300 serious felonies.

We spend \$50,000,000 a year on pep pills to be alert by day—and an equal amount on sleeping pills to be numb at night.

More young people go to church than ever before, says a dispatch—but 10- to 17-year-olds commit 62 per cent of all auto thefts, 55 per cent of the burglaries and 30 per cent of the rapes. Why such conduct, which stuns the sensibilities of the conscientious?

Basically, we think, it is the lure of abundance and the passion for ease. Material opulence is no sin; to acquire it by a corrupt cunning is.

To want, and to work for, the material blessings of this life is admirable; but once acquired, to give them priority over the spirit and the soul is to poison the fibers of morality.

In reading and deploring these scandalous improprieties, one realizes, too, the sad examples of a government which penalizes sacrifice, discourages thrift, rewards indolence and operates increasingly on the Freudian theory that the individual has no real responsibility—he is just the helpless victim of a society whom the government must protect, excuse and support.

That government taxes the most successful 90 cents out of each dollar earned, then recommends that loafers be given up to \$40 a week six months of the year for not working.

When the successful die, nearly half of what they have accumulated after a life of hard work—and which legitimately belongs to their loved ones—is taken by a government which has no moral right to it. Is this economic justice—or is it theft?

By law, this government permits unions to conspire in a strike that can drive an industry's back to the wall—but, by law, if that industry conspires against the union it is prosecuted in court. Such injustice by law breeds immorality outside the law.

Boys drafted into the Army are put on bread and water if they disobey orders; union carpenters making \$6 an hour at a strategic missile base sit down and strike and are rewarded with \$6.35.

An occasional ray of human light encourages. Bill Thompson and Byron Ford, West Texas fertilizer dealers, will sell everything they have so that 50 farmers will get back \$60,000 lost in the Estes deals. And at this writing nobody has jumped out of a window in a market plunge that has dropped the value of securities \$100,000,000,000 since January.

But it's time for us all to pull a Book down from its dusty shelf. As a nation we have become like the man in Christ's parable whose barn was full and who ate, drank and made merry.

We should re-read some basics: "Thou shalt not steal . . . thou shalt not covet thy neighbor's goods . . . go to the ant, thou slugard, consider her ways and be wise."

That is the Holy Bible, not Freud. That must be America, if it climbs to the heights and leaves on the parchments of history a story of noble aspirations.

From the News

THIRTY YEARS AGO

News items below were taken from the Friday, June 24, 1932, issue of The Foard County News:

Crowell has established an excellent fire record so far for 1932 and with about half of the year already gone, only two fire alarms have been turned in to the local fire department.

The Crowell State Bank is permitting depositors to withdraw funds from the individual accounts by signed receipts in order that they may avoid the new two-cent tax on checks that became effective Tuesday under the new federal revenue bill.

George W. Armstrong of Fort Worth will speak in Crowell on Tuesday evening in the interest of his candidacy for governor for Texas.

Born to Mr. and Mrs. Lawrence P. Glover, Foard City, June 16, a boy, Joe Madison.

The following were operated on for the removal of tonsils at the local hospital on Tuesday: John Lee and Jean Orr, Billy Scott Bruce, Delton Myers, Marjorie Marlow, Lewis Doyle Gibson, Miss Alta B. Tamplin, Miss Pauline Donaldson and Charles Diggs.

June is proving to be a much wetter month in Foard County than has been the case during the past few years. Already over four inches have been recorded at Crowell this month.

Joe Marlow of Wichita Falls and Joe M. Slama of Burkburnett were in Crowell Tuesday in the interest of the candidacy of Tom E. Hunter of Wichita Falls for governor.

Miss Maybell Haskew and Warren Everson, both of the Vivian community, were married Saturday by Claude Callaway, county judge, in his office here.

Mr. and Mrs. Irving Fisch of Huntington Park, Calif., are here visiting relatives.

H. D. Poland reports the unusual occurrence of small Irish potatoes growing above the ground in his garden.

Mesdames G. C. Walker and E. S. Haggard of Dallas are here visiting their sister, Mrs. S. S. Bell, and family.

Mr. and Mrs. Gordon Cooper and three small sons visited Mr. and Mrs. Delmar Powell of Quitaque last week end.

A nail came near piercing completely through the right hand of Arthur McMillan while he was at work at Self Truck and Tractor Company on Monday.

Karl L. Koelker and Chas. Hines of Joplin, Mo., representing New York mining interests, left here Wednesday after spending a few days securing samples of copper ore on the W. B. Johnson ranch in the northwest part of the county.

Mrs. John Raser celebrated the fifth birthday of her little son, John Thomas, Tuesday afternoon with a party for him and his little friends.

The Texas A&M Research Foundation was established in 1944.

Six former students of Texas A&M College won the nation's highest award, the Medal of Honor, during World War II.

Purcell Supports Amendments to Farm Bill

Congressman Graham Purcell this week announced his support of two amendments to the farm bill now pending before the House of Representatives, H. R. 11222.

Purcell said one amendment provides a greater freedom of choice for farmers who grow feed grains than is now provided in the bill. The bill now provides that if 2/3 of the feed grain producers in a referendum do not vote for mandatory controls there will be no support program on feed grain in 1963 and thereafter. The amendment provides that if quotas are voted down by the producers, a 50 per cent of party support loan shall be provided. This is in order to give the producers a less drastic alternative to mandatory controls in the event farmers vote down the control program.

Purcell, a member of the House Committee on Agriculture, repeated his former stand that any program adopted must be aimed at reducing the huge surplus stocks now being stored at the expense of taxpayers. The cost of this storage is now \$1 billion per year.

The other amendment supported by Congressman Purcell provides that in the event that cotton or a similar commodity was destroyed by weather or other circumstances so late in the season that replanting is impractical, farmers would have the option of planting feed grains on the acreage allotted for the other commodity.

A vote on the farm bill is expected this week in the House. It has already passed the Senate.

Two Minutes With the Bible

Why God Waits

St. Peter was not wrong when he declared at Pentecost that the last days had begun (Acts 2:16, 17). They had indeed begun, but God had a secret purpose to give the world a period of grace before putting down its rebellion and sending Christ to reign.

This secret purpose concerning "the dispensation of grace" is the subject of Paul's epistles, but it is interesting to see how Peter's last message explains this interruption in God's prophesied program and the delay in Christ's return to reign. First, he says in II Peter 3:8:

"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years and a thousand years as one day." Mark well, this is not our feeble explanation now as to the delay in Christ's return. This statement was made at the beginning of this time of waiting, at the dawn of the age of grace. But let us go on with Peter's declaration:

"The Lord is not slack concerning His promise . . . but is long-suffering to us-ward, not willing that any should perish, but that all should come to repentance" (Ver. 9).

So the delay in Christ's return to judge and reign should not be counted "slackness" or laxness, but longsuffering. Thus the apostle goes on to say: "And account that the longsuffering of our Lord is salvation . . ."

Where did Peter get this information? How did he know about "the dispensation of the grace of God"? Verse 15 explains:

INSURANCE OF ALL KINDS

Hughston Insurance Agency

"Even as our beloved brother Paul also, according to the wisdom given unto him hath written unto you." To Paul particularly was committed "the gospel of the grace of God" which we proclaim today (Acts 20:24).

July Plentiful Foods Are Ideal Hot-Weather Fare

There's delightfully cool summer eating in store for Texas homemakers who shop the "plentiful foods" route this July, suggests the Texas Agricultural Extension Service.

The July list features tender turkey, exceptionally economical and ideal for warm-weather sandwiches, salads, or patio barbecues. Turkeys in storage are more than 40 per cent higher than a year ago. Live turkey prices have been running the lowest since 1942.

Then, consider these additional menu sparklers: milk and all tables from local and county gardens; fresh, juicy peaches; cantaloupes; and all, refreshing orange juice. All are on the July list of plentiful foods, as determined by Agricultural Marketing Service cooperation with producers of the food trade. Supplies of exceed normal trade needs.

Consumers who buy and plentiful and in-season food, stand to take advantage of lower prices, broader selection, quality, special retail programs and ready availability through the week.

"Actually our founding fathers had some things down pretty well. They believed that after the vinity of God nothing is so as the dignity of the individual. . . . They didn't believe in munism, Fascism or Socialism. They believed in the free price and the equalizing of profit and loss as opposed to totalitarian regimentation. Florence, Ala., Herald.

The Real Answer

Why are people enthralled by the promise of something for nothing through socialistic government? Will this kill frugality and thrift? Socialism leads to inhumanity for so much waste of time and energy are spent in filling out forms, with people checking on each other's honesty and eligibility to receive governmental aid that the productive machinery becomes bedeviled to such a degree it will be unable to maintain our present standard of living. Furthermore, it kills the incentive to produce by confiscating that portion of the results of ingenuity and application of effort above a certain level. The level to be determined by some non-productive bureaucrat. Capitalistic Free Enterprise is the answer for it lets each person decide what he wants to do and rewards according to how well those selected tasks have been done.—Ralph E. Lyne, Taylor, Mich.

Will Create Additional Sales of Commodities

Eventual results of European Common Market policies will create additional sales for a number of farm commodities, while immediate results may discourage trade in certain commodities, according to the Master of the National Grange. Exports of U. S. commodities not extensively produced in Common Market countries, such as cotton and oil seeds, will be increased materially. Others which compete with domestic production of member countries will not fair so well.

The truck that's as good as your word

When you promise something will be there, a Chevrolet truck will help you keep your word almost to the point of monotony. It will do its job over and over and over again, with seldom any trouble, at very low cost. What more can you ask from a truck? Because of their reliability, people have put more Chevrolet trucks to work every year since 1937. That's a strong vote of confidence. If good service is vital to your business, make your truck a Chevrolet and make your word more dependable than a Chevrolet. Call your neighborhood Chevrolet dealer soon.

Here's the "telephone man"

He is called an "installer". But his job goes far beyond that.

It is true that he installs your new telephone or extension.

But, when unanticipated repairs are needed, he prevents delay by carrying necessary parts in his truck.

And, he is trained to be of assistance to customers in many ways, including proper placement of your telephone.

As your "telephone man" he is one of many of us here at General Telephone who works hard to provide you with good service from the world's most necessary convenience.

Annual Santa Rosa Roundup Now in Progress at Vernon

Thousands of people descend on Vernon annually for the colorful Santa Rosa Roundup—by automobile, train and plane.

A more rugged group of individuals, however, are trail riders from Frederic and Altus, Okla., who traditionally make the trip by horseback.

These two groups—with 75 to 125 horsemen in each of them—may be joined by a third group of trail riders for this year's big Santa Rosa Rodeo and Quarter Horse Show, scheduled for June 20 to 23 at E. Paul Waggoner's fabulous arena south of Vernon.

Riders from Quanah have indicated they are planning a thirty-mile trail ride to the Roundup—renowned as one of the Southwest's greatest rodeo productions.

This year's Roundup will include an expanded quarter horse show,

 Bruises on Tomatoes**

"The government has virtually completed its expensive research project into the factors that contribute to bruises on tomatoes.

"You, through your government, paid to learn that if tomatoes are dropped on a hard surface they are likely to be bruised. . . We might add that if a truck runs over a ripe tomato it virtually ruins it. We are sending a bill to the government for this information."—Wynne, Ark., Progress.

Everybody Knows

"Everybody — including the wild liberals—know that giving away the nation's patrimony, paying out more than is warranted by productivity and all of the devices which provide government handouts must sooner or later be halted, or catastrophe will engulf America.  "It is not a pleasant subject to talk about continual erosion of the dollar, and to think that the great country we live in, abundant in raw materials and natural resources... would find itself in the monetary mess that looms on the horizon. How long will the American public be fooled?" — Palmer, Alas., The Frontiersman.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford
 TEXAS PRESS ASSOCIATION

Austin, Tex.—Texas' crime situation looks a little better. FBI reports covering the first three months of 1962, based on statistics from the 12 largest cities, show major crimes down 6.7 per cent.
 Across the U. S. in cities of comparable size, major crime rates rose one per cent.
 Texas' crime rate actually is down in number of crimes reported from 1961, despite a population growth during the year of some 200,000.
 OUT OF JOBS—Finding a job in Texas is a little easier these days.
 Texas Employment Commission reports April unemployment at 4.3 per cent of the labor force as compared to 5.4 per cent a year ago.
 Average factory wages rose from \$91.21 a week last year to \$96.10 this April. Range was wide, however, depending on the industry.
 Leatherwork was the lowest paid, an average of \$52.13 a week. Oil workers got the most, an average of \$132.07 weekly.
 Number of Texans working outside agriculture now has passed the 3,000,000 mark. Houston had 19,800 unemployed; Dallas 16,000. Statewide, 375,000 persons are working at agriculture. This makes the total working force 3,629,400.
 TOO MANY COLLEGES? — Dr. Ralph Green of the Texas Commission on Higher Education thinks the Legislature should quit creating four-year, state-supported colleges.

He told a House Committee on Saving Taxes that 20 state colleges are about enough.
 Legislators have extended state support to four new colleges in the last four years. Biggest of the new ones, the University of Houston, will enter the state system this fall. This will substantially increase the state's higher education bill.
 U. of H now ranks second in size to the University of Texas.
 WATER SUPPLY — Texas enters the summer with its major reservoirs 76 per cent full.
 Texas Water Commission reports that May rains couldn't keep up with use and evaporation, so the water supplies shrunk by 291,000 acre feet.
 As June opened, supplies were 76 per cent of capacity, compared with 83 per cent a year ago.
 LIVESTOCK RULES AMENDED — The Texas Animal Health Commission, after hearing pleas of livestock market operators, relaxed rules designed to speed up the eradication or at least control of brucellosis (undulant fever).
 Commission action amending the rules came just before they were to go into effect June 15.
 Before the change, the rules would have required testing for brucellosis before cattle could be moved from one market to another.
 As amended, the rule says the cattle may move from one approved market to another approved market without having to take the test. This was put on a trial basis.
 Restriction of movement was opposed by representatives of the big stockyards at San Antonio, Fort Worth and Houston. Auction markets also had an ardent champion present.
 James D. Sartwell, president of Houston's Port City Stockyards, said the economic effect of the proposed rule could be "dangerous," particularly so in view of "the predicted downturn in cattle prices now beginning."
 Sartwell said Texas' cattle inventory includes many so-called "two-way" cattle, entirely dependent on market conditions, which are sold as either stocker or slaughter animals.
 Most of these two-way cattle, he said, also are "trader" cattle and loom large as a volume moving from interior markets, purchased by a trader and consigned to the terminals for resale. He saw danger to this cattle movement in the proposed regulation.
 G. C. Hazelstein of San Antonio's Union Stockyards felt livestock leaving any market should meet the requirements of its destination. But he said he was interested in protecting the regulation and didn't believe the regulation did that.
 John M. Lewis, general manager of the Fort Worth Stockyards, thought the Commission proposal would "strangle" the price-making terminal markets.
 Charles Davis, operator of auction markets at Wichita Falls and Mineral Wells, suggested that animals should be tested when going "to the country"—but not from market to market. He called the rule unnecessary and a waste of time and money.
 Norman Moser, commission member from DeKalb, said he didn't want to impose anything on the industry that would be harmful.
 Dr. R. G. Garrett, the Commission's executive director, didn't oppose the amendment but believed it would delay the testing program.

SAFE FOURTH OF JULY — Gov. Price Daniel urged the 5,000,000 Texas drivers to help hold down the traffic death list during the July 4th holidays.
 "Slow down and live" is the theme of the traffic safety campaign by which Texas traffic people hope to hold down the death rate below the statistician's predictions.
 July 4th comes on Wednesday this year, so fewer Texans will kill themselves on the highway than when the holiday falls near a week end.
 CROOKED HOLES — Tedious job of checking suspected oil wells in East Texas continues.
 Railroad Commission and Attorney General's Department spokesmen say it will take several months to finish the job.
 Four more oil operators were enjoined from interfering with Commission checks of their wells. In two weeks, only 23 wells have been checked out of "several hundred" that Atty. Gen. Will Wilson

thinks will have to be investigated before they can write an end to the East Texas investigation.
 Wilson has obtained donations from major oil companies to finance the surveys to see if holes were diverted so as to reach oil under someone else's lease. So he has taken over direction of the surveying from the Railroad Commission.
 FIRING RESUMES — There was only a brief respite from campaigning after Democratic primaries.
 John Connally, the Democratic nominee for governor, and Jack Cox, the Republican nominee, both had their chance to talk at the meetings of their respective state executive committees Saturday, convening to canvass the returns.
 Campaigns will start in earnest September 18, when both parties have their state conventions.
 But the two young gubernatorial nominees both have state campaign headquarters in operation in Austin. They sound like they plan all-out campaigns in the summer and fall.
 Sen. John Tower will be a major campaigner for the Republicans. Vice President Lyndon B. Johnson and Sen. Ralph Yarborough will take to the stump for the Democrats.
 They are beginning to make this look like a two-party state. Whether the label sticks depends on what the voters say on November 6th.
 SAFE DRIVING PLAN — The State Board of Insurance will hold hearing June 29th on automobile insurance rates and rules.
 High on the agenda will be proposals to revise drastically the "safe driving insurance plan" by which those with accidents or traffic law violations pay more, while those without them pay less.
 Statisticians say the plan has cut rates for 78 per cent, raised them for 22 per cent. But the complaints about the plan being received by legislators indicates

that even those who save aren't too happy with the possibility that one slip might run up their rates.
 Drastic revision is possible. Without revision of the plan, a rate cut is in the cards. But if penalty provisions are reduced, it may wipe out the chance of a rate cut.
 Board members and the insurance industry are divided as to what to do. Largest of the insurance agents' associations is taking a poll of its members to see what they—and their customers—think should be done about it.

Card of Thanks
 We wish to thank Dr. Stapp and Dr. Kralicek, all the very wonderful nurses, aids, cooks and all the other thoughtful people who were so nice to and considerate of us during our son's (Jimmie Roger Austin) recent stay in the Foard County Hospital. Crowell has a hospital to be proud of. May God bless each and every one of you.
 Mr. and Mrs. Jim Austin. 50-1tc

New Depreciation Schedule for Business
 Secretary of the Treasury Dillon has announced that new depreciation schedules for business will be announced soon. Depreciable lives of the equipment affected will be significantly shorter, on the average, than those now prescribed. Additionally, he went on, the new guidelines and standards will be designed to achieve these three major objectives: "First, simplicity—for the taxpayer and the tax administrators. Second, objectivity—to minimize controversy about depreciation schedules. Third, uniformity—to assure evenhanded application of the new rules to all businesses in similar circumstances, regardless of their location or which revenue agent they deal with."

To My Friends and Customers...
 I have sold my Service Station to Roy Merl and Gaylon Whitley. As most of you know I have been in this business for many years. I could not have been in this business the many years that I have if it had not been for your wonderful loyalty and friendship. I realize this very much and I also want you to know that it wasn't easy to make the decision to give up my customers with whom I have enjoyed serving and associating.
 Roy Merl and Gaylon are two young men who grew up in our town. They are both graduates of Crowell High School. Both have excellent athletic records while in school, and both are very interested in any civic or athletic activities. They know how to take care of your car needs and are very anxious to serve you. They will appreciate very much your continued patronage at their station and I will consider it a personal favor if you will give these boys a trial.
 My family joins me in saying thanks for the many wonderful years we have served you. We wish each of you the best of everything through the years ahead.
 Most sincerely yours,
 J. G. COOPER, CROWELL, TEXAS
