County in Oklahoma Votes Bonds to Pave 35 Miles Lee Highway

According to a letter received by the secretary of the chamber of commerce here from Dr. S. M. Johnson of Washington City, Stephens County, Oklahoma, has just voted bonds to concrete 35 miles of Lee Highway across the county.

In his letter Mr. Johnson expresses gratification over the fact that Foard County is considering the matter of hard-surfacing the highway through this county and says he expects Wilbarger County to take similar action within the near future. He is gratified at the interest being taken along the road to pave and sees a hopeful outlook for the achievement of the aim of the association to pave the road entirely across the continent. Little by little this is being done and the East is now beginning to expect the West to take the work up in earnest and connect up with that portion of the country, much of which has already been paved.

In this connection it might be said that there are more than \$400 behind in the dues owed the association by individuals in this county. The secretary of the chamber of commerce here has a list of the names of those and he asks that they come in and pay them as early as possible. This can be paid to George Self, the secretary, and it will be forwarded to Dr. Johnson.

Every one should realize that Lee Highway is one of the greatest roads in the United States and it can and will be built only through the cooperation of the people through whose territory it passes.

Water Shortage Is Reported by Council

According to a statement issued this week and sent to the homes in Crowell there is a water shortage in Crowell.

The statement says that by reason of the long drouth the water supply is very limited, and at the same time the consumption is greater and the supply less than usual.

The council urges the people of Crowell to conserve their water in order that we may have sufficient quantity to fight fires should a fire occur. It is urged that the people use as little water as possible for domestic purposes and not to use any for gardens or lawns.

It is asked that the people abide by these requests for a few days until the present situation is relieved.

It is probable that we have been a little reckless in the use of water, and if we find it necessary to conserve water, as is evident by this appeal of the city council, we will only be in line with practically every other town in this portion of the country. It becomes necessary with practically all of them to use water sparingly at times.

Large Crowd Attends Musical Program at Methodist Church

The musical program given at the Methodist church auditorium Friday night of last week under the direction of the promoters of music memory contests in the schools of the county and consisting of numbers used in these contests and rendered by local talent, was attended by a large audience and from the many expressions of appreciation, one would judge that the program was greatly enjoyed.

The aim of the music memory contests is to cultivate in the young folk an appreciation of good music, and it is our prediction that it will be fruitful of good results.

Gets Arm Wrenched by Kick of Ford Car

Henry Hays was carrying his right arm in a sling Saturday as the result of getting it hurt when a Ford car got gay and kicked him. It did not break the arm but wrenched it severely, tearing the ligaments from the bone and disabling the member.

Some folks may think they can hold a little thing like a Ford, said Mr. Hays, but a 22-horse-power engine is too much for him, and when one gets to wanting to kick he thinks it is time to get out of the way, and even then, sometimes, as in his case, one gets away too late.

Heaven Pointed to As a Prepared Place For Prepared People

The sermon of the pastor of the Methodist church Sunday morning dealt with the life hereafter and with one's acceptance or rejection of the Christ. Few men he said do not accept Christ as a historical fact, but there is a difference in accepting him as a historical fact and accepting him as a personal Savior. And belief in his resurrection as a reality is fundamental to the Christian religion. The question is, what does his resurrection mean to one as an individual?

He spoke of his going to prepare a place for his people and associated with that thought is the one of human preparation for that place. Two preparations are or should be in progress, preparing a place and preparing a people for that place. We are especially interested in the preparation of people, including one's self, for that prepared place. He pointed out the fact that the unprepared man would feel himself out of place in heaven if it were possible for him to reach that happy abode. Men whose lives have been contaminated with sin to the extent that they love darkness rather than light would be miserable in heaven.

The life beyond is the real life, according to the preacher. This life is nothing, as compared with the life to come. And if it were possible for one to live here in this world of sin always, it would become so monotonous that one would not want it to continue forever. Where there is spiritual growth in a life there is a craving for something better and death is the opening of the door to the great life. It was pointed out that development in heaven would continue. There will be greater expansion of the spiritual life there, new explorations and achievements forever.

At the evening hour much time was given to the revival of religion. In its need of revival seasons religion is not unlike matters of business. There come times in business life when it needs something to stimulate it to greater action, something out of the ordinary, something to lift to a higher plane.

The preacher does not think sensational revivals are worth the cost. They must awaken the deeper recesses of the soul, something which sensation does not do. They must go to the bottom of the life and make it better and more fruitful of good results.

Another thing stressed is that a real revival must begin in the heart of the church, that if there should be a large number of unsaved people brought into the church unless environments in the church are such as to nourish the new-born souls they would soon go back into sin. The church must be prepared to take care of the converts.

Then backsliders need a revival that they may be awakened and brought to see their duty. There are those in every town who are down and out. The revival should have the effect of bringing these back into active duty.

Then the unsaved need the revival because of the special opportunity it offers them to change the current of their lives by conversion and regeneration.

The preacher thinks little of a revival that the evangelist carries away in his vest pocket. It does not last. Too many get on the sensational religious wave and ride into the church but never return until the revival season comes again. He would not have such a so-called revival but wants it to be as deep as life itself. No other kind will last.

Baptist Pastor Leaves for New Field in Oklahoma

After a stay of nearly five years here as pastor of the Baptist church, Rev. J. E. Billington with his family left Wednesday for Cleveland, Okla., where he will have the pastorate of the Baptist church there.

The church here is taking steps to procure a pastor to fill the vacancy caused by the resignation of Rev. Billington.

P. B. Madrey of Wichita Falls spent last week end with Mrs. Sallie E. Woods and daughter, Miss Lottie. Mr. Madrey is connected with Ginn & Co., manufacturers of school books.

Planning to Have Sunday School Rally at Gambleville in May

The News has been informed that a Sunday School rally will be had at Gambleville school house the second Sunday in May, if present plans mature.

Our informant also said that there would be dinner on the ground besides a program both in the forenoon and afternoon.

The Gambleville people now have one of the liveliest Sunday Schools in any rural community in the country. Only last Sunday they had an Easter egg hunt in connection with their Sunday School work in which a hundred youngsters were engaged.

Those people had a fine program about four years ago and those who enjoyed it together with the excellent feed they brought out have not forgotten the occasion. In all probability the 1925 rally will be a bigger occasion than the one four years ago. A program will likely be prepared and printed later.

Orient Railroad Is Said to Be in Better Condition Than Ever

That is speaking of the road's financial condition. Officials of the road, we understand, report that it has been paying expenses, possibly a little more, for several months.

All friends of the Orient, and that includes most people whom the road serves, have been hopeful that its financial situation would be settled so that they might not be disturbed by an occasional announcement that funds were exhausted. We are really and truly glad that the road has been reorganized and that the outlook is the brightest it has ever been. It is hoped that it has passed through its crisis and is now a permanent road and will some day be one of the great trunk lines of this country.

We have never believed that the road would be junked because its service is too imperative, even though it does traverse a somewhat sparsely settled country a portion of the way. It has become established as a fact, we hope, that the road is needed as much as many of the long-established lines.

It has rendered faithful service through these years of its checkered career and here is hoping that it will from here out be a real financial success.

Revival at Methodist Church Is Going Well

It is not overstating facts to say that the revival at the Methodist church is making good progress.

Almost from the very first there has been good interest, as is manifested by the splendid attendance. This is not confined to the membership of the Methodist church but there is always a good representation of the other churches of the town. That is very fine. It was intended that the revival should be for Crowell.

Rev. Fuller, the pastor, is doing earnest preaching and is telling men of their sins. He is dealing with sin and not with persons. His appeals are strong that men should cease from wickedness and throw their lives in the direction of right. A good portion of the time has been given to an effort to awaken the Christian forces of the town that they might put themselves in the attitude that would make a real revival possible and then to take care of the fruits of such revival afterwards.

He is getting hearty response and there is every reason to believe that a great meeting will be the result.

Paducah Band Here Next Sun. Afternoon

The Paducah band, consisting of 32 members, will be here Sunday, as announced in last week's paper, and will give a concert on the court house lawn at 4 o'clock.

A program of the concert appears in the columns of this issue.

Mrs. J. G. Thompson and daughters, Mrs. Tom Abston and Miss Leona Thompson, were in town yesterday morning en route from the Black community where they visited Mr. and Mrs. R. G. Nichols, to their home in Thalia. Miss Leona is at home from school in Abilene for a few days visit.

New Gin To Be Duplicate of One Destroyed by Fire

The new gin to be built by the Farmers Co-operative Society of Crowell will be practically a duplicate of the one that was destroyed by fire some months ago.

This was the decision of the building committee and a trip has already been made to Dallas and the machinery purchased for the gin.

It was felt that it would be safe to do that rather than try to enlarge. Besides it can be done with the money now in hand and there will be nothing to hinder the work or to delay it in any way.

According to information given the News work is expected to be started as soon as possible on the new gin so that it may be completed when the next ginning season opens this fall.

Wheat Is About Gone According to Farmers' Reports Over County

The general opinion is that plenty of moisture from now on until harvest could do little to benefit the wheat crop. The drouth has held on too long and small grain has passed the stage where it could be benefitted very much.

There are a few however, who say that with plenty of rain they will make some wheat. But those are cases where the ground was summer fallowed and the moisture has been conserved better than on grounds that were plowed and sowed last fall.

This county has had a few local showers within the last week or so, but they have done very little good.

There is one advantage in the wheat's giving evidence of failure early and that is that the land can be planted to row crops and should the summer seasons be fairly good row crops might be expected.

Foard City Revival Closed Monday Night

The Foard City revival closed Monday night, having been in progress a little more than a week.

Rev. Tankersley, pastor of the Baptist church, at which the revival was held, reports a splendid revival, not only in his church but among the people of that community, regardless of their denominational affiliations. There was much Bible reading during the week and he says one of the leading features of the revival. There were 220,000 verses read during the revival.

Ten persons were converted and fourteen were added to the Baptist church. The ordinance of baptism was attended to Sunday afternoon.

The church has been greatly helped by this revival and an effort will be made to have a place of worship of its own. At present the one church building at Foard City is jointly owned by the Baptists and Methodists but the Baptists feel that their interests would be better conserved if they owned their own building.

Rev. Hickey is a live evangelist and deals with the great fundamentals of religion and so his messages were helpful to all who had open minds for the truth.

He returned this week to his home in Abilene. Rev. Tankersley says he will be available for services for the next few weeks wherever a church is contemplating a revival.

Lightning Strikes Chimney of Residence

Lightning struck the chimney of Dow Miller's house Sunday night when a small cloud came up and did a little damage to it and put his lights out of commission. Some of the telephones were also injured by the electricity but no serious damage has been reported.

Hubert Hopson and bride who were married recently in Fort Worth were here Wednesday visiting in the home of his uncle, J. H. Lanier. They were on their way to Plainview where they will make their home.

Mr. and Mrs. S. J. Ferguson arrived home yesterday after an absence of three weeks. They visited a sister of Mrs. Ferguson at Laredo after which they toured the Rio Grande Valley.

In its recent special session the senate ratified nineteen treaties of peace, not counting the one that came when the senate adjourned.

Sponsors Elected to Represent Crowell at Mineral Wells Meeting

The committee appointed to select two sponsors to represent Crowell at the Mineral Wells convention of the West Texas Chamber of Commerce in May have chosen Mrs. George D. Self as Madam Crowell and Miss Verna Henson as Miss Crowell. Mr. Self will accompany his wife and Gordon Gribble was chosen as escort for Miss Henson.

Photographs of Madam and Miss Crowell are being sent to the publicity committee at Mineral Wells and their pictures will appear in some daily paper within a short while.

Presbyterians Will Have Revival Here in Aug., Commencing 30

Rev. Shurtleff of Rochester occupied the pulpit at the Presbyterian church here Sunday.

It was decided by the Presbyterians that they have a revival, starting the fourth Sunday in August.

It has not been decided definitely who they will have as their preacher, but they expect to get a strong man and they want to have a genuine religious revival.

The News will be in possession of the information later as to who their man will be and will make announcement.

Quannah Pioneer Merchant Dies Saturday Night

Quannah's oldest merchant, J. D. Carroll, died of acute indigestion Saturday night.

Homer Carroll, the oldest son, had been to see his father at seven o'clock. The old gentleman had been indisposed and was in bed but expected to be up again the next morning. He seemed to be in good spirits, and Homer left him without misgivings. But when Dick Carroll and his wife came home an hour afterwards they found him dead, and it is believed that he must have died in his sleep.

Mr. Carroll was over 72 years old, and a kind and public-spirited citizen. A native of Henry County, Ga., he and J. B. Stitler engaged in the hardware business in Corsicana at first, coming to Quannah in 1889. He was the first man we met when coming to Quannah, and we shall never forget the cordial reception he gave us.

Few men enjoyed the friendship of so many prominent people all over the state, several of whom have traveled far to attend the funeral, which is to take place this afternoon.

Mrs. Carroll having died several years ago, the following children are mourning his loss: Mrs. Bell Odell, Mrs. Jennie B. McAdams, Homer Carroll, J. D. Carroll and R. S. Carroll.—Quannah Tribune-Chief.

Chillicothe Defeats Crowell in Fri.'s Game

The Chillicothe high school team had it in for the Crowell team enough that they put it on our boys to the tune of 8 to 4 last Friday. But since our boys had shown less sympathy for the Chillicothe team when they played them on their own grounds, one could hardly blame them.

The game was won here on the errors of the Crowell team. That is not saying that the Chillicothe boys did not play good ball, but it means that if Crowell had made fewer errors results would have been different. They may have been too confident of winning.

Orient Starts Extension of Line

Wichita, Kansas, April 14.—The first extension of the Kansas City, Mexico and Orient Railway Company's lines into Mexico will be made at once, E. H. Shaffler, general manager announced Tuesday. This is the first extension since the reorganization of the road. Shaffler ordered 2,000 tons of steel rails shipped to Chihuahua to be used in building 11½ miles of track east of Marque toward the United States-Mexico border. The improvement will complete a part of a 60-mile gap.

Sixty per cent of the cases of jaw dislocation are found among women, a physician says. All of which proves nothing we didn't already know.

District Stock Judging Contest to Be on May 2nd

The district stock judging contest will be on May 2nd, at Amarillo.

Stock to be judged will be one class of Jersey cattle, one class of Holstein cows, one class of Hereford cattle, one class of Duroc Jersey sows or gilts and one class of Poland China sows.

The boys who go to Amarillo on that day to enter the judging contest will be extended courtesies by the Board of City Development of Amarillo. They will be given a lunch by that body on May 2nd.

It will be remembered that Foard County won in the stock judging contest last year at Childress and now has the cup. If the boys should win again this year, our information is that they will come into permanent possession of the cup. That is winning it two years in succession carries the right of ownership.

Those who went from Foard County last year are Howard Benham, S. E. Middlebrook and Bud Dunn.

The stock to be judged are numbered in numerical order and the judge pass their judgment on them, giving their reasons for their decision. All the points in their decisions are weighed and the prize awarded on their merits. The winning team may not judge as the deciding judge would but it does not have to win.

It is a greater honor for this county to have won the cup in the last year's contest than is generally conceded and it is hoped that Foard County will be represented at Amarillo to hold what has already been won.

It will be worth while to make every effort possible to send boys up there and County Agent Fred Renfels is doing what he can in this matter.

Kansas City Man Sees Need of a Hotel Here

A Kansas City man who spent several days in Crowell last December made the following assertion in a letter to a Crowell business man not long ago:

"I am certainly pleased to know there is so much optimism in respect to prospective oil wells around Crowell. If oil were brought in in your territory it would possibly result in bringing a lot of new business to Crowell, but undoubtedly Quannah or one of the other larger towns nearby would reap the real benefit from this discovery."

This party is of this opinion on account of the hotel situation here. And in that particular he is not unlike our own people. Everybody here realizes that we need better hotel accommodations, the hotel men, themselves, are boosters for better accommodations. But they are not in position to finance a proposition of that kind. The fact is no one in Crowell is in shape to do it, so it seems that outside capital will have to be invited to take care of the situation.

This is printed merely to show that whatever efforts have been and are now being made to get a modern hotel for this place is primarily to meet a public demand, and one, too that is becoming greater all the time.

64 Cars Cattle to Move Out This Week

Including shipments yesterday, today and tomorrow there will go out from Crowell this week 64 cars of cattle.

J. W. Bell and Sam Russell are shipping to the Wichita markets 4 cars Saturday. Glenn Offield and Paul Shirley were planning the first of the week to ship yesterday 25 cars and Baxter Johnson 35 cars, all to grazing lands in Kansas.

Jim Cook and family who had been here for a month visiting Mrs. Cook's parents, Mr. and Mrs. I. M. Cates, and who had also made a visit with Mr. Cook's parents, Mr. and Mrs. J. W. Cook, at Pilot Point, left yesterday for their home near Nolan, N. M.

The Margaret school closed this week. The commencement program will be rendered tonight. On Sunday evening Rev. O. P. Clark of Vernon will preach the baccalaureate sermon at the Methodist of that city.

A number of Crowell citizens attended the funeral of J. D. Carroll in Quannah Monday afternoon.

SUGGESTIONS TO PURCHASERS OF REFRIGERATORS

Little house-maid says an ice box keeps things cool.

In buying a REFRIGERATOR keep the following points in view, every one of which is a prominent feature in the "CHALLENGE LINE."

The preservation of good is the first and most vital point. To obtain this end requires a low temperature and absolute dry air. These conditions can only be obtained by a perfect circulation of air in the refrigerator.

The second vital point in a refrigerator is the ECONOMICAL use of ice. The FIRST COST is not the only thing to be considered when purchasing a refrigerator. The ECONOMICAL use of ICE is of the greatest importance. A good refrigerator will last a long time, and how many times its first cost must be expended in ice during that time.

The refrigerator must be made of kiln-dried lumber, well-made. It must have in addition a lining of non-conducting material which is water-proof, air-tight and odorless. It must be provided with drip pipe and trap. It must have both inside and outside case of wood.

THE CHALLENGE LINE AND THE WHITE MOUNTAIN LINE have all these. And we also have the BEST PRICE because of buying in pool car.

Womack Bros.

Arthur Sandlin and S. J. Lewis made a business trip to Benjamin last Saturday.

H. Young and son, Roy, Egbert Fish and Frank Blacklock made a business trip to Crowell Monday.

Mr. and Mrs. I. A. Foster and children, Mr. and Mrs. Lee Foster and small son were visiting in our community Sunday.

Mrs. H. H. Fish and children of Paducah spent Sunday night in the

home of Mr. and Mrs. W. O. Fish.

Mrs. Allen Fish and Miss Jewel Fish were shopping in Crowell last Friday.

Mr. and Mrs. A. L. Walling and sons, R. L. and Arthur, of Crowell spent Sunday with Mr. and Mrs. Egbert Fish.

Mr. and Mrs. W. O. Fish spent Sunday with Mrs. Fish's mother, Mrs. W. H. Adams, of Crowell.

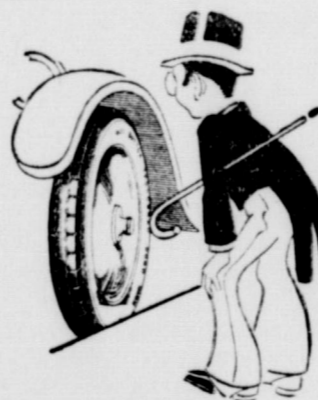

Walter and Hugh Reynolds of Portales, N. M., spent a few days last

week visiting their sister, Mrs. J. B. Raspberry.

Miss Viola Denton of Ogden spent Saturday night and Sunday with Miss Russle Raspberry.

The people of this community gathered at the school house Sunday and had church services and dinner on the ground. Bro. Wheatley of Crowell preached a good sermon in the afternoon.

H. H. Fish of Paducah was in our community Monday afternoon.

Unusual Service Is the Unusual Thing with Dayton Thorobred Cords

The car owner who thinks the car owner who thinks one tire is just about as good as another has never had experience with Dayton Thorobred Extra-Ply Cords. True there are so many good tires being made these days that it is fairly difficult to distinguish between the so-called better grades of tires. But the Dayton Thorobred Cord is not simply a good tire, based on the more generally accepted standards, but an extraordinary great tire of a standard that leaves no basis for comparison.

McCormick-Deering Cultivators

Styles and Equipment for Every Kind of Row Crop

Right here in our store is an interesting display of McCormick-Deering Cultivators in styles and with proper equipment for cultivating all row crops grown locally. We can satisfy you perfectly, whether you want the very newest labor-saving two-row or a single-row rider or walker.

We heartily recommend the McCormick Deering two-row for all farmers with 20 acres or more

to cultivate. It has all of the mechanical refinements of our single-row cultivators, with the added advantage of permitting one man to accomplish 90 percent more each working day. It's a three-horse profit maker.

Drop in at our store and see our full line of McCormick-Deering Cultivators. We'll gladly point out their advantages to you.

Crews-Long Hardware Co.

BACK BAD TODAY?

Then Find the Cause and Correct It As Other Crowell Folks Have

There's little rest or peace for the backache sufferer. Days are tired and weary—Night brings no respite. Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep. Why continue to be so miserable? Why not use a stimulant diuretic to the kidneys? Use Doan's Pills. Your neighbors recommend Doan's. Read this Crowell case: A. G. Ketchersid, prop. barber shop, Crowell, says: "My back was giving me trouble and I suffered with a dull, throbbing ache. At times, sharp, knife-like pains cut into my kidneys. If I stooped over, my back was so sore and stiff, it was a hard task to straighten up again. Someone recommended Doan's Pills for backache and I am glad to say upon using them all backache left me." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Fox & Thompson Grocery

THE FOARD COUNTY NEWS

KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, April 17, 1925

The cheap show—that is cheap in quality—comes along once in a while to separate the fool from his money, and it nearly always succeeds. It soon has around a bunch of victims yelling at the top of their voices at some low grade of entertainment that is too sorry for decent people to patronize. It takes out of the country hard-earned dimes and quarters that are needed to apply on honest debts for essential living supplies. Maybe it's a grocery bill or a dry goods account or a newspaper subscription. Or possibly it is the saving of a few weeks hard work at one time intended to be applied in the purchase of something worth while. Some time in life an ordeal comes and all those dimes are needed to help meet the financial demands of those times, but the show took that money and has never been heard of since. The fool has been separated from his money and has nothing to show for it but an empty purse. The poor fool always has a hard time, and no wonder. He has never been guilty of ever having a serious thought about life generally. He may some time realize that he has been a sucker and that he was caught with red-worm bait.

Some towns in the West are taking steps to head off the grasshoppers before they get a start. Sweetwater is one of them. The Chamber of Commerce of that city has ordered a carload of arsenic to be used by the farmers of Nolan County and a united effort will be made to destroy the pests. Other towns in the country are taking the same steps. The News has been informed that arsenic can be purchased in quantities at a price something like half that sold at retail and it seems that it would be a very good thing if an effort could be made here to kill the hoppers as soon as possible. It was proven that where they were fought last year it was worth the effort. There are many instances where it proved very beneficial. In others where it was not done entire crops almost were destroyed. United action of the farmers, we believe, would result in the control of the situation.

Practically all of the business establishments of Crowell are closing their doors for the morning revival services. This shows a very fine spirit on the part of the business men here. People should never be so sordid by business interests that they can not give the little time asked to matters of this kind, the most important of all things. The church is very modest in its request for a little of the public's time.

Now the sampede is started toward Florida. They have discovered that that sunny land is a veritable garden of Eden after several centuries. But next it will be somewhere else. Our opinion is that about as good thing as we can do is to stay with Foard County, boost it to beat the band and after a while somebody will discover that sweet Eden lies between Pease and Wichita Rivers.

One should not feel hard towards snubbers. They can't help doing the little things and they should be pitied rather than censured.

All West Texas Getting Ready to Attend Convention

Mineral Wells, Texas, April 11, 1925.—Amarillo advises its special train for the annual convention of the West Texas Chamber of Commerce is fully arranged and that in addition to its own citizenship, will bring representatives from a number of neighboring towns and with it will come Canadian and the Canyon Normal bands. The special will arrive in Mineral Wells Tuesday morning and will be met upon arrival by the Old Grey Mare Band which will become the official band for the Amarillo delegation and Mrs. May Peterson Thompson, who is sponsor for the famous Old Grey Mare Band, will take her place with the band.

The convention headquarters have also been advised that Wichita Falls has signed up for a large special train to be known as the Red River Valley Special. The announcement is made by Wichita Falls that it will be in the race for the 1927 convention. It will be the first time the "city that faith built" has been represented at the annual convention with a special train.

"500 is our number" writes Wm. Oehse, vice president of the San Antonio Chamber of Commerce, which means the Alamo City will be heard from at the annual convention.

These and many other special trains will add color and enthusiasm to the convention.

"The President's Official Party" is the designation that is given the San Angelo delegation which will attend the convention. While figures have not been given, it is very sure San Angelo will have one of the largest and most enthusiastic delegations at the convention. Several weeks ago the Board of City Development of San Angelo secured the convention hall for Monday night, May 4, and will stage a comic opera complimentary to the convention and this event is going to be a feature that will be enjoyed by the thousands who will attend.

"All roads lead to Mineral Wells." That will be absolutely a correct statement about May 1. People from all over West Texas will be planning for a pilgrimage either on special trains, day trains, auto caravans and other modes of travel to the city of health giving waters—Mineral Wells.

The City of Mineral Wells, the host town of the West Texas Chamber of Commerce Convention, is especially favorably located in the matter of accessibility to motor traffic. It has three branches of the Bankhead Highway, also the FFF Highway and a number of other improved roads leading to it. These will accommodate the thousands that will come by automobile all over the West. In addition to the highways, special train service will be given and there will be nothing lacking in facilities to reach the convention city.

The request is made that parties expecting to camp during their stay in Mineral Wells reserve tents and cots at an early date and full information can be secured by writing the chairman of the camp site committee, Chamber of Commerce, Mineral Wells.

THE STATE OF TEXAS

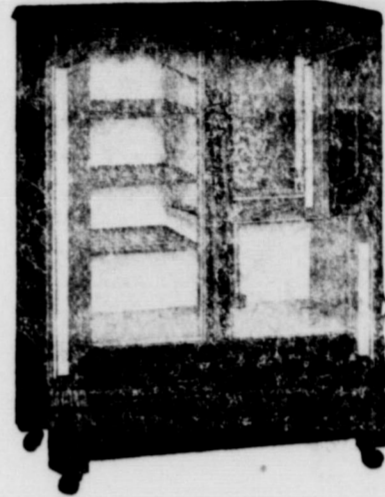

To the sheriff or any constable of Foard County—Greeting:

You are hereby commanded to summon Ansallen Prewett, J. W. Colbert, A. Prewitt, D. M. Prewitt, H. B. Prewitt, J. C. Alford, S. S. Alford, S. S. Alford, Mollie E. Gilliam, E. J. Gilliam, G. W. Prewitt, C. M. Prewitt, C. H. Silliman, L. S. Spivey, A. W. Melton, R. A. Cole, Mary E. Hale, Mrs. Rowena T. Cates, and the legal representatives of all the above named defendants, and his, hers and their heirs, and their legal representatives, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the district court of Foard County, to be holden at the court house thereof, in Crowell, Texas, on the first Monday in May, A. D. 1925, the same being the 4th day of May, A. D. 1925, then and there to answer a petition filed in said court on the 2nd day of April, A. D. 1925, in a suit, numbered on the docket of said court No. 1229, wherein Crawford Land Company, is plaintiff, and Ansallen Prewett, J. W. Colbert, A. Prewitt, D. M. Prewitt, H. B. Prewitt, J. C. Alford, S. S. Alford, S. S. Alford, Mollie E. Gilliam, E. J. Gilliam, G. W. Prewitt, C. M. Prewitt, C. H. Silliman, L. S. Spivey, A. W. Melton, R. A. Cole, Mary E. Hale, Mrs. Rowena T. Cates, and the legal representatives of all the above named defendants, and his, her and their heirs, and their legal representatives, are defendants, and a brief statement of plaintiff's cause of action, being as follows:

That on or about the 1st day of March, 1925, plaintiff was lawfully seized and possessed of the following described land and premises situated in Foard County, Texas, holding and claims the same in fee simple, to-wit: Beginning at the N. W. Cor. of the Ansallen Prewett survey; thence E. 537 yds.; thence S. 650 yds.; thence E. 1363 yds.; thence S. 650 yds.; thence W. 1900 yds.; thence N. 1900 yds. to the place of beginning, that on or about the 1st day of March, 1925, the defendants unlawfully entered upon said premises and ejected plaintiff there-

"What is business honesty?" a magazine writer asks. It's selling goods for all they are worth and no more.

Crowell Dry Goods Co.

What has become of the old-fashioned man who objected to raising the windows because he couldn't heat the whole outdoors?

The American fleet leaves San Francisco this month to attack Hawaii, but when the attack is made, the fleet will have its fingers crossed.

Money may talk, but it never talks back.

Thought is bolder than speech. Don't think out loud.

THE TEMPTATION TO SPEED

The warm spring days and the spring-like atmosphere is bringing out every conceivable kind of automobile.

The temptation to speed is great. Some drivers can't resist it, judging from the way cars have been traveling about Crowell during the past few days.

The only time to prevent serious, perhaps fatal, accidents from fast driving, is before they happen.

Clearly a word to the wise should be sufficient. If the speedsters persist, officers should not hesitate to make arrests because there is no reason why the lives of pedestrians and sensible drivers of automobiles should be jeopardized.

When we get the roads all paved, someone will be selling airplanes for a dollar down and a dollar a week.

It's remarkable the punishment some automobiles can stand on the road and in the repair shop.

Cramped and Suffered

"My back and head would ache, and I had to go to bed," says Mrs. W. L. Ennis, of Worthyville, Ky. "I just could not stay up, for I would cramp and suffer so. I was very nervous. My children would 'get on my nerves.' It wasn't a pleasure for me to try to go anywhere, I felt so bad. My mother had taken

CARDUI

For Female Troubles

at one time, so she insisted that I try it. I took four bottles of Cardui, and if one should see me now they wouldn't think I had ever been sick.

"I have gained twenty pounds, and my cheeks are rosy. I feel just fine. I am regular and haven't the pain.

"Life is a pleasure. I can do my work with ease. I give Cardui the praise."

Cardui has relieved many thousands of cases of pain and female trouble, and should help you, too. Take Cardui.

At All Druggists'

BAPTISTS HAVE BIG GAIN OTHER LANDS

FOREIGN MISSIONS SHOW LARGE RESULTS IN PAST TEN YEARS UNDER DR. LOVE.

TAKE OFFERINGS IN APRIL

Every Church and Individual Will Be Asked to Share in Supporting Enlarged Program.—All Interests Will Be Pushed.

No department of Southern Baptist work has shown greater progress in recent years than that of foreign missions.

Dr. J. F. Love, corresponding secretary of the Foreign Mission Board, located at Richmond, Va., is just completing ten years of service in that capacity, and the survey conducted by Dr. Alldredge shows that during that time the receipts of the board have been \$16,149,994.94, whereas the receipts for the entire 78 years of the board's history have been \$24,915,794.86, showing that two-thirds of the total receipts of the board since its organization in 1845 have come in during Dr. Love's administration.

DR. J. F. LOVE
Secretary Baptist Foreign Mission Board

Results on Foreign Fields Large. Indicating the results which these larger receipts have made possible on the foreign fields, it is pointed out that whereas the Foreign Mission Board was operating in only seven countries ten years ago, it is now at work in seventeen countries, representing Europe, Asia, Africa, North and South America. In that brief period of time the number of foreign churches has grown from 289 to 1905, the number of mission stations other than churches from 45 to 298, number of baptisms per year from 5,252 to 12,856, members of the churches from 29,991 to 111,872, number of houses of worship from 248 to 819, number of Sunday schools from 542 to 1,511, pupils enrolled in the Sunday schools from 22,023 to 76,594, contributions by the foreign churches from \$91,159.69 per year to \$444,568, number of American missionaries on the field from 278 to 544, number of native Christian workers employed from 634 to 2,494, number of mission residences owned by the board from 65 to 129, number of mission schools from 339 to 850, number of pupils in these schools from 339 to 599, number of pupils in these schools from which 59 per cent of all the converts won by the missionaries come, from 9,375 to 35,196, number of American medical missionaries employed from 12 to 19, and number of medical treatments given per year from 74,829 to 294,422.

So extensive has become the foreign mission work, as well as that of home missions, state missions, Christian education, hospitals, orphanages and the work of ministerial relief fostered by Southern Baptists, that the denomination has grouped all these interests into one general program known as the 1925 Program of Southern Baptists, and all the 28,000 local white Baptist churches of the South are being asked to put on a budget that will adequately provide for all these causes. The budget to be raised through an every-member canvass of the churches every year.

Take Special Offerings in April. Inasmuch as a number of the churches have not yet completed their canvasses and many churches which put it on did not enlist every member, the Headquarters Committee of the 1925 Program, in co-operation with the various state secretaries, is asking that Sunday, April 19, be observed as a day of special offerings in the churches for all the objects embraced in this general program. Where a church holds its regular services on some other Sunday than April 19, that congregation is asked to observe the day of its regular worship with special offerings for these causes. By reason of the recent rapid expansion of all the general causes of the denomination, and to enable the boards and other agencies to discharge their heavy obligations, an effort is being made to raise a minimum of \$4,000,000 in cash during the first four months of 1925. It is with a view to enlisting as nearly as possible every one of the 3,500,000 white Baptists of the South in this undertaking that the special offerings for the month of April were suggested.

BIG FREE BAND CONCERT

Sunday afternoon the Paducah Chamber of Commerce Band will give a free concert on the court house lawn at 4 p. m., under the direction of Fred H. Roberts. The program follows:

- March, "American Legion" by Chas. Parker.
- March, "King of the Winds," by J. S. Taylor.
- Serenade, "An Autumn Romance," by K. L. King.
- Trombone Smear, "Trombone Blues" by Fred Jewell.
- Cornet Solo, "Commodore Polka," by Paris Chambers, played by Mr. Roberts.
- Concert Waltz, "Norma's Dream," by Herrold Bennett.
- Overture, "Irion Count" by K. L. King.
- Waltz Ballad, "Faded Love Letters," R. Moore, sang by Miss McCarthy, accompanied by band.
- March, "In Honour Bound," by W. H. Kiefer.

Medley, "Paducah Hash," re-arranged by Fred H. Roberts. America.

High school orators once spoke, "Beyond Italy Lies the Alps." Now it's "Beyond the Constitution Lie the Amendments."

Grandma Fox Reaches California Safely According to Letter

El Centro, Calif., April 11, 1925.
Editor Foard County News,
Crowell, Texas.

Dear Sir:
It was Grandma's request when she arrived that I write you. I have certainly neglected to do so, I'll admit, but better late than not at all.

I have made two trips to see her since she has been visiting the folks and found her feeling well both times. She was somewhat surprised and overjoyed to think she made the trip so easily and I am sure it will be the same for her return. We are sure a hard time convincing her of the fact.

Because of the fact that some of us are working in different parts of the state Grandma found the Truesdell family somewhat scattered, but we made it a special point to all be together once while she was here. It certainly is wonderful to have her with us again. We did want Grandpa Fox to come so badly. We are sure he would have enjoyed the trip very much.

My home county, Imperial Valley, is certainly prosperous this year. We have shipped ten thousand cars of lettuce upstate and about one week more to ship. We have thirty-five thousand acres of cantaloupes to start shipping about May 1st.

Through the News, I wish to extend my best regards to every one.

Sincerely yours,
Wm. Ethridge Truesdell.

Swenson, his heirs and legal representatives; Clarence Swenson, his heirs and legal representatives; James B. Stubbs, his heirs and legal representatives; Charles J. Stubbs, his heirs and legal representatives; Homer Romin, his heirs and legal representatives; Earl Swenson, his heirs and legal representatives; defendants, and a brief statement of plaintiff's action being as follows:

That on the first day of January, A. D. 1925, plaintiffs were lawfully seized and possessed of the following described property, situated in Foard County, Texas, holding and claiming the same in fee simple, to-wit: Six hundred forty acres of land the William Richardson Survey and described by metes and bounds as follows: Beginning at the N. E. corner of the William Richardson Survey; thence south 1900 varas; thence west 1900 varas; thence north 1900 varas; thence east 1900 varas; to the place of beginning.

That on the day and year aforesaid defendants unlawfully entered upon said premises and ejected plaintiffs therefrom, and unlawfully withheld from them the possession thereof.

That the plaintiffs have had and held peaceably, continuous and adverse possession under title of color of title, from and under the State of Texas, of the lands and tenements herein claimed and described in this petition for more than three years, and this they are ready to verify.

That plaintiffs further plead in their behalf and say that they should have possession of the herein described land and premises, because they say that they and those under whom they are claiming, claim the same under deeds registered, have had peaceful, continuous and adverse possession of the lands and tenements herein described, and have been enjoying the same, and paying all taxes due thereon, for a period of more than five years before the commencement of this suit, and this they are ready to verify.

Alleging further plaintiffs allege that they have had and held peaceably the lands described herein, and adverse possession of same, cultivating, using and enjoying the same for a period of more than ten years before the commencement of this suit, and this they are ready to verify.

Plaintiffs pray judgment of the court, that defendants be cited to appear and answer this petition, that plaintiffs have judgment for title and possession of said above described land and premises, and cost of suit, etc.

Herein fail not but have you before said court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court at office in Crowell, Texas, on this the first day of April, A. D. 1925

(Seal) GRACE NORRIS, Clerk,
43 District Court, Foard Co., Texas.

Paducah Band Gives Concerts Monday

Lundgren's West Texas Serenaders, one of Paducah's bands, which was here Monday afternoon and night in connection with the high school play that was put on at the Crowell Theatre Monday night, gave a number of concerts in different parts of the business section of town, one of which was in front of News office. This band, under the direction of Prof. Lundgren, who gives private lessons on band instruments in Paducah, renders good snappy music and was enjoyed by the large crowds who congregated down town to hear it play. The members of the band are all young, the youngest being about six years old. The band was accompanied around town by Dow W. Tate, superintendent of the Paducah schools.

EX-GOVERNOR NOW FEDERAL PRISONER TEACHES SUNDAY SCHOOL FOR THE CONVICTS

Atlanta, Ga., April 14.—Warren T. McCray, already a former Governor, convicted lawbreaker and Federal prisoner, is now a Sunday school teacher.

McCray teaches a class of 300 prisoners at the Atlanta Federal penitentiary, where he himself is serving a term for using the mails to defraud.

Each Sunday the former Governor of Indiana takes his Bible in his hand, mounts the rostrum and describes the narrow path to his errand fellow-inmates. Although prison officials are unusually reticent, it is understood McCray's activity is considered very helpful.

Whether the new role of the former Governor is filled in fiery or reserved manner is not divulged. McCray's latest adventure makes him a full-fledged participant in prison activity as he already was editor of the prison paper, Good Words.

Applied psychology is advanced as a cure for automobile accidents, but applied brakes serve the purpose better.

France is having a financial crisis, the same as that impending in every household when the new spring models come out.

Newspaper editors will not put the crossword puzzle and sport news on the same page, if they want to prevent family discord.

OUR PRICES AS GOOD AS THE BEST

Cicero Smith Lumber Co.

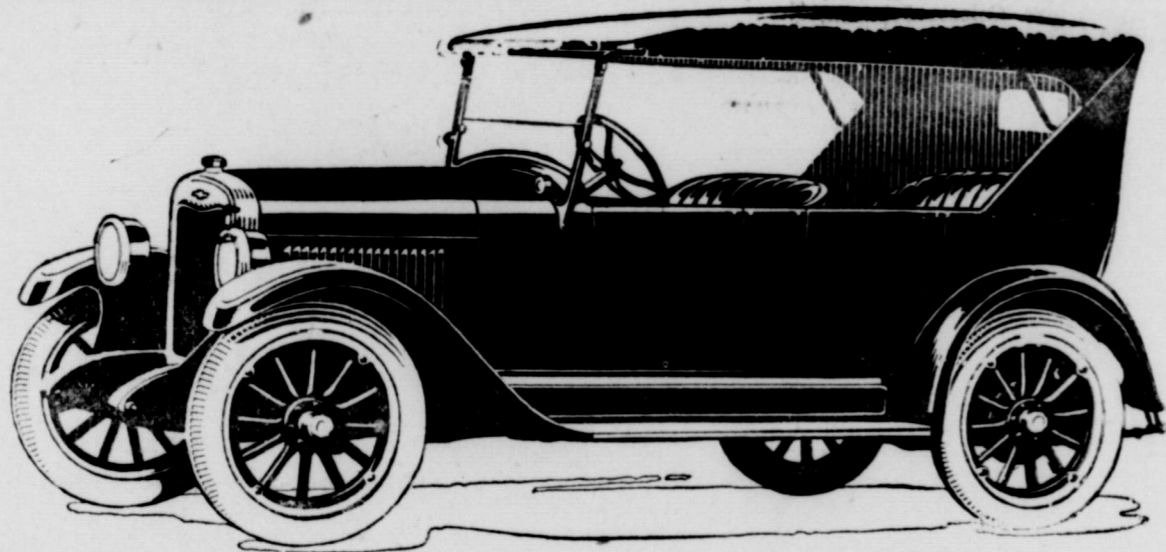

The Orient R. R.

THE KANSAS CITY, MEXICO & ORIENT COMPANY serves the public as a necessity and must be sustained in rendering the service that is demanded by the people.

The MOTOR TRUCK and the AUTO SERVICE CARS are undependable conveniences, burdened with no obligations similar to that of the railroad.

The interest of the people and that of the railroad is mutual, and the public should recognize the necessity of that measure of patronage of the railroad that would entitle them to the service that they demand.

J. J. HANDLEY, Agent, K. C. M. & O Ry.

This cut represents the New Chevrolet touring car. It has many new features, making it far superior to the older models, and yet the price puts it within the reach of the man who wants an all-service car of durability. Not only is it that but it possesses those splendid features that put it in the class of stylish cars.

It is beautiful, durable, low in cost of transportation and low in purchase price. Thus it possesses a combination of those things that make it the practical car for the practical man.

Thalia News Items

(By Special Correspondent)

Rev. T. M. Johnson of Margaret filled his regular appointment at the Methodist church Sunday morning. The bad weather prevented having services Sunday night.

A large crowd attended the party given by Misses Lora Lee and Ruby French at their home here Saturday night. Each one reports a nice time.

Minnie Wood and Mrs. M. C. Adkins entertained their Sunday school classes Sunday afternoon with an Easter egg hunt.

Mrs. Lora Causey and children of Vernon are visiting her mother, Mrs. W. A. Reid, of this place this week.

Miss Faye Randolph, who has been attending a business college at Tulsa, Okla., came in Friday for a few days visit with her parents here.

Mr. and Mrs. Fred Gaines of Electra visited H. W. Banister and family here Monday.

Alton Harbin of Ft. Worth came Monday to visit his wife who has been with her mother here for a few weeks.

Rev. Cooper of Frederick, Okla., preached at the Christian church here Sunday.

Faye Randolph, Mrs. John Thompson Jr. and Mrs. J. G. Thompson went to Abilene Monday to visit the latter's daughter, Miss Leona Thompson, who is attending a business college there. Leona returned home with them for a few days visit.

Charlie Campbell, John Wishon and Miss Texia Glover of Crowell attended the party at Joe French's Saturday night.

Mrs. J. A. Abston and her sister, Mrs. Colston of Wellington, visited relatives in Rayland Sunday.

H. L. Fisher and A. D. Boyd attended a Knights Templar Easter service in Quannah Sunday.

Mrs. McClung of Quannah came in Friday for a few days visit with Mr. and Mrs. H. L. Fisher of this place.

W. G. Chapman and son, Oran, Grover Phillips and Brown Franklin went to Electra Sunday to attend a Knights Templar Easter service.

J. R. Solomon and family were Crowell visitors Monday.

Mr. and Mrs. A. T. Miller returned to their home in Clarendon Tuesday after a few weeks' visit with their daughter, Mrs. C. B. Morris, and family of this place.

The following attended the musical entertainment at the Methodist church in Crowell last Friday night: M. C. Adkins and family, Leon Solomon, Truett Neill, Annie Laurie Wood, Anna Maye Neill, Mattye and Lillian Reid, Ruby French, Evah Jo Nettles and Agnes Patton.

Mr. and Mrs. A. C. Phillips visited relatives in Quannah Sunday. Mr. Phillips will remain at that place for a few days.

Rev. T. M. Johnston and wife of Margaret, H. W. Grey and family and Minnie Wood visited in the M. C. Adkins home Sunday.

Mr. and Mrs. George Doty left Tuesday for Meadow, Texas, to visit their daughter, Mrs. Celeste Johnson, of that place. They will also visit in Lorenzo before returning home.

Funeral services for Emmett Young, who died at his home near Rayland Saturday were held at the Thalia cemetery at 3 o'clock Sunday afternoon. Rev. Ray of Rayland conducted the services. A large crowd attended. Lewis Selvidge visited homefolks in Henrietta last week-end.

Truett Neill, George Jones, Jack Wood, Joe Johnson and Misses Mattye and Lillian Reid, were Vernon visitors Saturday.

For Sale

Bart Fox estate consisting of one 8-room house in West Crowell, in block 110, four 50-foot lots. Price \$1500, \$500 cash, balance terms. South one-half of block 109, price \$200, and other lots very cheap. 640 acres of land in New Mexico, bargain. Residence lots in Northeast Vernon.

Have a large list of residence property, farm and ranch lands, oil leases. Come in and tell me what you are in the market for.—J. W. McCaskill, 43

Notice to Car Drivers

The marshal wishes to call to the attention of all automobile owners and drivers to the careless way in which their cars are parked. There has been considerable double parking going on and this is against the law. All cars when parked should be headed into the curb at 45 percent angle. Also there are restricted zones, that is near the corners and near fire plugs. Please see to it that no cars are parked in these places. We do not wish to have to fine any one for this carelessness but if the practice continues we will have to do so. We also wish to call attention to the general driving public that the fire trucks have the right of way and all cars should pull into the curb until the trucks get by. We will appreciate your co-operation in carrying out these suggestions.

R. J. THOMAS,
City Marshal.

Good picked cotton seed, Mebane Triumph, \$1.00 per bushel at my place.—W. B. Griffin.

"SERVICE"

This is a word having a broad meaning, and Federal Extra Service Tires really give extra service, more mileage, less trouble, satisfaction.

THE STATE OF TEXAS
To the sheriff or any constable of Foard County—Greeting:
You are hereby commanded to summon Augustus J. Butts, W. T. Blythe, Mrs. W. T. Blythe, Charles E. Hen-

derson, A. W. Melton, Edward Butts, James T. Butts, W. F. Henderson, Mrs. Emma Henderson, J. K. Milam, Walter Jordan, Della Jordan, R. C. Johnson and Romina Johnson, their heir and legal representatives, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the district court of Foard County, Texas, on the first Monday in May, A. D. 1925, the same being the 4th day of May, A. D. 1925, then and there to answer a petition filed in said court on the 1st day of April, A. D. 1925, in a suit, numbered on the docket of said court No. 1227, wherein The Crawford Land Company and L. H. Williams, are plaintiffs, and Augustus J. Butts, W. T. Blythe, Mrs. W. T. Blythe, Charles E. Anderson, A. W. Melton, Edward Butts, James T. Butts, W. F. Henderson, Mrs. Emma Henderson, J. K. Milam, Walter Jordan, Della Jordan, R. C. Johnson and Romina Johnson, their heirs and legal representatives, are defendants, and a brief statement of plaintiff's cause of action, being as follows:

That plaintiffs were on or about the 1st day of January, A. D. 1925, lawfully seized and possessed of the following described land and premises situated in Foard County, Texas, holding and claiming same in fee simple, to-wit:

Beginning at the N. W. cor. of a 640 acre survey in the name of A. Prewett; thence S. 1900 varas, the S. W. Cor. said Prewett survey; thence W. 1150 varas, a stake in prairie; thence N. 1900 varas, a stake; thence E. 1150 varas to place of beginning.

That on or about the 1st day of January, 1925, defendants unlawfully entered upon said premises and ejected plaintiffs therefrom, and unlawfully withholds from plaintiffs the possession thereof; that plaintiffs have had and held peaceable, continuous and adverse possession under color of title for more than three years; that they have had held peaceable, continuous and adverse possession for more than five years, by deeds duly registered, using and enjoying the same, paying all taxes due thereon; that they and those under whom they claim have a good and perfect right and title to said land and have held peaceable and adverse possession of same, cultivating, using and enjoying the same for more than ten years prior to the filing of this suit.

Wherefore plaintiff prays judgment of the court, that the defendants be cited to appear and answer in this behalf, and that plaintiff have judgment for the title and possession of said above described land and premises, and that writ of restitution issue, and for costs of suit, and for such other and further relief, special and general, in law and in equity, that it herein fail not but have you before said court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Crowell, Texas, on this first day of April, A. D. 1925.
(Seal) GRACE NORRIS, Clerk,
43 District Court, Foard Co., Texas.
