

Lions Club Carnival Set for Mon., Tues., Wed.

The Lions Club Carnival, an annual event of the Crowell Lions Club, will be held Monday, Tuesday and Wednesday of next week, October 8, 9, and 10 on the southeast corner of the square.

In addition to the rides which will be here for the carnival, the local members will run a number of booths. Prizes will be awarded and a concession stand will be operated by the club members.

All money taken in at the carnival, above expenses, will be used in sponsoring local community service projects—one of which is to buy glasses for needy children.

The Crowell club is one of the many Lions Clubs in this area which use the carnival idea to raise money for their projects.

All area residents are invited to attend.

Poster Contest Winners

A poster contest to stimulate interest in the carnival was sponsored by the Lions Club in the first eight grades of the Crowell School. A total of 172 posters were entered in the contest, and Mrs. Wade Barker's fourth grade had 27 posters in the contest—the largest number of any class. Members of the class will receive all the ice cream they can eat.

First prize of \$10.00 went to Mrs. Gordon Cooper's room for a poster made by Rhonda Jan Vercera.

Second prize of \$7.50 was awarded to Miss M. Hays' room for a poster by Laura Lewellen.

A \$5.00 third prize went to Mrs. Grace Davis' room for a poster made by Brenda Lewellen and Debra Rasberry.

An out-of-town woman judged the posters Monday afternoon.

County's Cotton Total 152 Bales

A survey of Foard County's 4 gins earlier this week revealed that a total of 152 bales of 1962 cotton has been ginned thus far with harvest activities not expected to pick up much for a week or two.

The 1962 crop is abnormally late, due to adverse weather conditions during the planting season. A considerable acreage had to be replanted, some fields several times. Furthermore, recent rains and cool weather have checked cotton growth, increased insect control problems and delayed maturity.

Crowell-Quanah Football Receipts Total \$1,765.00

Gate receipts for the Crowell-Quanah football game here last Friday night were \$1,765.00. This was the largest crowd to witness a game here in several years.

After expenses are paid, each school should realize about \$800.00. Crowell's checks from the other non-conference games this season were as follows: Iowa Park, \$693.50; Memphis, \$293.00; and Matador, \$300.75.

Doris Gentry Injured in Tractor Accident Monday Morning

Doris Gentry suffered severe head injuries in a freak tractor accident Monday morning. Mr. Gentry, a butane dealer, was at a farm south of Crowell and was helping to start a tractor by pulling it with another tractor. Mr. Gentry, who was working between the tractors, got his head caught between the tractors.

He was rushed to the Foard County Hospital for treatment, and is improving satisfactorily.

Officers Elected by Junior Leaders Club

New officers for the Junior Leaders 4-H Club were elected at an organizational meeting held in the Community Center Tuesday afternoon of last week.

The new officers are Charles ten Brink, president; Lynda Mechell and Dena Todd, vice presidents; Jean Burkett, secretary; Gena Adcock and Dennis Garrett, reporters; Jean Burkett and Joe David Drabek, council delegates; Bobby Bond and Gena Adcock, alternate delegates; Arcina Garrett and Lee Looney, song leaders.

4-H Club Meeting

The 4H Club met in Mrs. Smith's room from 9 to 10 a. m. Tuesday. New officers elected are Gary Eddy, president; Danny Naylor, vice president; Gary Cates, secretary; Jesse Adams, reporter; Charles Nichols, delegate to the county council; Anthony Powers, song leader; Robert Walker, game leader. Next meeting will be in November.

September Rainfall of 5.29 Inches Near Double Average

Average September Rainfall Over County Is 2.8 Inches

After an extremely dry summer, Foard County's rainfall took a big jump during September when a number of rains throughout the 30 days brought a month's total of 5.29 inches. This amount is nearly double the average rainfall for September here of 2.8 inches.

Average rainfall for October in Foard County, according to the records at the Crowell State Bank, is 2.6 inches.

A norther blew into this area just after noon Sunday and dropped the temperature to a low of 55 degrees early Monday.

High and low temperatures for the past week follow:

Thursday: high 82, low 65.
Friday: high 80, low 59.
Saturday: high 82, low 60.
Sunday: high 80, low 64.
Monday: high 73, low 55.
Tuesday: high 74, low 54.
Wednesday: low 55.

P. T. A. Meets Last Tuesday Night

The Crowell Parent-Teacher Association held its first meeting of the school year at 7:30 p. m. Tuesday, Sept. 25, at the school cafeteria.

President Loraine Carter presented Grady Graves, who in turn asked R. D. Washington, a new member of the faculty, to give the invocation.

Mrs. James Welch, chairman of the program committee, announced that Henry Black and Gordon Erwin were serving with her as committee members and that interesting and instructive programs were being planned for the various meetings.

Gordon Erwin demonstrated the new portable view master, partially purchased with funds raised by the PTA last year. This machine, to be used only in grade school, has numerous outstanding features: it is a combined projector and screen using 16 mm. film; it can easily be rolled from one room to another to better serve during class room study; it does not require a dark room in order for clear production of the pictures. Mr. Erwin stated that at least two films will be received each week in the fields of social study and science.

To conclude the program, Mr. Graves briefly discussed the recommendations that the Accrediting Committee of the State Department of Education in Austin advised in regard to meeting satisfactory requirements in the local school system.

Refreshments were served to the twenty-six members present.

Mrs. Darvin Bell, chairman of the membership committee, urges all who are interested in the school to join the P. T. A. Dues are 50 cents per year, payable to Mrs. Bell or to President Loraine Carter.

Nineteen Attend Fire Department Meeting Thursday

Nineteen members of the Crowell Volunteer Fire Department attended the regular meeting last Thursday night.

Training included teaching several men to operate the trucks, testing pressure on various hoses, and making hook-ups from the truck to fire hydrants.

Oil Test to Be Drilled on Maude Raspberry Land

Jack Grace Production Co. has staked its No. 1 Maude E. Raspberry, 10 miles northwest of Crowell.

Location is 660 feet from north line, 570 feet from east line of section 15, block A, SPRR survey.

Farmers Gin Makes Improvements in Plant Facilities

The Farmers Gin in Crowell has made a number of improvements on its plant prior to the cotton ginning season.

The gin is now all-electrically operated and burrs are put through a high speed fan to kill pink boll worms.

This new process of handling the burrs has eliminated the burning of the burrs which in years past has provided so much discomfort to Crowell hay fever victims.

Cemetery Report

These are responsible for the upkeep of the cemetery in September, Mrs. N. J. Roberts says:

Mr. and Mrs. Lawrence Love-lady, Riverside, Calif., \$5.00; Johnnie Fay Easley, \$25.00; Nannie P. McDaniel, \$1.00; Mr. and Mrs. Roy Martin, Vernon, \$5.00; Mr. and Mrs. W. H. Magee, \$10.00; Belle Allee Estate, \$15.00; the Bursley family, \$10.00; Mrs. Eunice Bowley, \$5.00.

Mrs. Nona Backus and several local friends chose to make memorials which are acknowledged by appropriate cards.

Mrs. Roberts added, "For the second Saturday, we have opened the doors of our fall rummage sale. This program, and these volunteer gifts are our only means of support. We have no city tax as some cemeteries in our area, such as Vernon, Paducah and Childress, no foundation of any sort. So these donors such as are listed in our good paper from month to month are responsible for such as we have. Our operation expenses grow from month to month and our one caretaker is doing a wonderful job. We encourage planting native grass—it keeps down the weeds and is easily mowed. No bermuda, please. This is a good time to level graves and to plant grass. Please remember our rummage sale and we'd appreciate some helpers.

Quanah Defeats Wildcats 14-8

The Crowell High School football team lost to the AA Quanah team by a 14 to 8 score here Friday night before the largest crowd that has been in Wildcat stadium in several years. The time Crowell lost a game on home field was to the same team in 1958.

The Wildcats almost duplicated last year's performance at Quanah when they led in the scoring for three quarters to run off steam in the last period. Larger and more experienced boys finally overpowered the wild team in the last half. Crowell scored first and ran the ball over to make the score 6 to 0 at the halftime. This was until about the middle of the fourth quarter when the advantage paid off for Quanah boys. 195-pound Dan Shelton, fullback for the Indians, and quarterback Ridley were an outstanding ball play. Crowell, led by fullback Dale Doy-

al, had some good players on the field, to make a very interesting contest for most of the game.

Quanah received the opening kickoff on its own 20-yard line and marched to Crowell's 35 before losing the ball on downs. The Wildcats came right back with a good mixture of plays to chalk up five straight first downs. On Quanah's six, and third down, quarterback Dan Mike Bird tossed a flat pass to fullback Dale Doyal for a touchdown. Doyal ran the extra points over around left end to give Crowell the lead that stood up for three quarters. This score came just as the first period was over.

Quanah started their first touchdown drive on their own 36-yard line. The pay-off play came when quarterback Gibson, on a keeper play, ran 18 yards for the score. The Wildcat line held him on the try for extra points to give Crowell the lead at halftime.

The third quarter found the Quanah boys with things well in hand. Led by fullback Danny Shelton, they marched straight down the field for five first downs, but a clipping penalty and a fumble in their backfield cost them a score at this point.

Crowell took over in the fourth quarter, but was held by the big heavy Indian line, and was forced to kick. Quanah took the ball at mid-field and picked up three more first downs before fullback Danny Shelton plunged two yards for the clincher touchdown. Gibson ran the extra points over to make the final score 14 to 8 in Quanah's favor. An intercepted pass late in the game gave the Indians the ball deep in Wildcat territory, but they failed to score as the clock ran out.

Crowell out-played the Indians in the first half, chalking up nine first downs to six, but Quanah definitely had control of things during the second half and deserved the well-earned victory. Tackle Don Hatcher for Quanah and Jon Lee Black, tackle for the Wildcats, were probably the best linemen on the field. Injuries to two of Crowell's key men in the third quarter didn't help the Wildcat cause any. Guard Paul Bax Ekern received a broken hand, and half-back Bob Borchardt received a serious leg injury that sent him to the hospital.

The Wildcats will have an open date this Friday that will give them a much-needed rest before their opening conference game at Archer City next week. All-district end Junior Hopkins will probably be able to see some action in this important game. He was injured last summer during wheat harvest and has been unable to play thus far this season. The extent of Ekern's and Borchardt's injuries are not certain, but there is a possibility that they, too, will be able to play part of this contest.

Miss Bette Sue Orr Crowned Lions Club Queen in Houston

Some 250 persons were on hand Sunday night at John McReynolds Junior High in Houston for the Denver Harbor Lions Club presented their annual Beauty Queen Contest.

Miss Bette Sue Orr, sponsored by Reeder's Auto Supply, was crowned Queen for 1962-63. Miss Orr will be a special guest at all functions in the year to come. She is a student at Galena Park High School and is the daughter of Mr. and Mrs. Clois L. Orr of Bayou, near Houston. They are all former Foard County residents. The new queen is the granddaughter of Mr. and Mrs. Joe Marzaret and a niece of Mrs. Cornelia McDaniel of Crowell.

Rev. Russell McAnally Preach at Methodist Church Sunday

Rev. Russell McAnally, a former pastor of the Crowell Methodist Church, will preach at the evening service of the local church Sunday, October 7.

Dr. J. H. Hamblen, pastor of the Crowell church when the present building was built about 40 years ago, was here last Sunday and preached at both services. The return of former pastors to the church for a Sunday is part of the Methodist Church's 75th anniversary celebration.

Age of Excuses

There are not nearly enough people who—when they should—can say, "I have made a mistake" and will take full responsibility for it. Few will admit they have made the error, but even fewer will not try to place the blame elsewhere.

Accidents on the highway, failings in the classroom, shortcomings at home—all these and others can easily be shrugged off as someone else's fault. Even if fault can't be put on someone else, there's always one's environment or childhood to blame. Human beings have wills of their own. At least some of the time they must bear the responsibility for something they do. Although too many people resort to the refuge of an excuse, many more misunderstand constructive criticism; they defend their errors by unreasonably attacking the critic. The person who can't say, "I'm sorry, I made a mistake" can hardly be called a mature or well rounded person. Are you above the "age of excuses"?

Absences

The following students were absent a half day last week: Jimmy Pendergraft, Rosa Latimer, Dale Doyal, Patsy Hall, Sandra Hudgens, Charles Hall, Gena Adecock and Mike Cates were absent one day each, and the two or more days absences include Carolyn Akers, Billy Sokora, Cloma Brown. The one and one-half day absences include Kenneth Hough and Bobby Shrode.

Juniors Sell Magazines

It has been customary for many years for the Junior class to sell magazines to raise money for the Junior-Senior Banquet. This year the sales began on Sept. 21 and will end Oct. 5. A prize will be given to the highest salesman.

The juniors appreciate the support of the citizens of this area in this money making project. Remember—Friday is the last day to place a subscription. If no one has seen you but you need a magazine, please see any member of the Junior class or call its president, Philip Welch.

Senior Personality

A 5' 5" green eyed brunette is our senior personality this week. She is a member of the Assembly of God Church. Chicken fried steak and all the trimmings are among her favorite foods. Her easiest subject is bookkeeping; her hardest is English. Mrs. Manard is her favorite teacher. When she occasionally has extra time, she reads or plays the piano. During the past few years she has belonged to the Library Club, Spanish Club, and the Wildcat staff. Her plans for the future include "more schooling." She is planning to major in business at SAGC in Waxahachie. If you haven't figured out by now who our senior personality is, she is Marolyn Denton. Good luck, Marolyn.

A Garden of Books

A library is a garden of books. Just as a gardener tends his flowers that all might see and smell them, the librarian "tends" her books that all might see and read them. If the gardener is the only one who gains pleasure from his flowers, his work with them has been partially in vain. The same is true if no one but the librarian reads her books. Don't let our

librarians' work be for nothing. Read for book reports, and read for pleasure.

Menu

Monday: light rolls, roast, gravy, whole potatoes, tomato on lettuce, pineapple with cookie.
Tuesday: corn meal muffins, pinto beans, ham, spinach, beet pickles, crackers with peanut butter, rice peach pudding.
Wednesday: hot dogs, baked beans, peanut butter with crackers, vanilla cup cakes.
Thursday: light rolls, fried chicken, gravy, green beans, lettuce and tomato salad, peach halves.
Friday: tuna sandwiches, potato chips, cheese and crackers, apple sauce cake.

The Flapping Lip

The Indians nearly scalped us, but they didn't get the Lip. So here goes the Lip firing off for another good week.

Jimmie, why was Sandra mad Sunday afternoon?

Seen together Thursday night: Elaine-Dale, Jimmy-Sandra.

Where did a certain group of sophomore girls go Sunday night? Betty Ann, why don't you like Vernon? The Lip knows.

Feathers to those who performed Friday night in the half time from the Crowell and Quanah fans.

Jean, was Nolan mad at you Friday night? He should've been.

Why is Jimmy H. called "Chester"?

Broken steadies—John and Beverly. Now is your chance, Charles. Seen together over the week end were Linda and Bill, Elly and Boob, Jerry and Fauncine.

Ruthie, did you ever find out what Junior was going to tell you on Saturday night?

Gayle S., what were you doing in V town Saturday night?

Pat Brown, what's this we hear about your getting embarrassed so easily?

Why did Fauncine and Scherry keep a light burning all Saturday night? Was it that scary?

Dena, what were you doing at the pig pens?

Seen at the Plaza Saturday night were Scherry - Peanuts, Fauncine-Paul Bax, Ella Ann - Edward, Ronnie - Barbara, Ruth - Philip, Paula - Woody, Elaine - Dale.

Seen walking off the field Friday night were Shirley Mike-Ronnie, Jimmy H.-Sandra E., Dale-Elaine.

Together Tuesday night were Fauncine and M. L.

Together Saturday and Sunday were Judy L. and Henry F.

Together Friday night at the Lockett football game were Dale M. - Jimmie M., Sandra H. - Herbert D.

Mary Ann, why were you angry with Sammy Friday night? Could it have been because of somebody that you saw at the football game?

It appears that the flame between Paula and Woody is burning again.

Seen eating in Vernon Saturday night were Pat and Barry.

Linda, what was wrong with your car Thursday night? Did it take all five of you to fix it?

Betty Ann, couldn't you find a safer game? Lynda W. would appreciate it.

Bobby, were you jealous of Charles' dancing with Arcina? Why else would you trip them?

The spirit was up at the pep rally. Let's keep it that way.

Terri, who do you think is the cutest boy in CHS. Could it be S. K.

Sharon Golden, why are you called "Roses"? I'll bet Donna, Ruthie, Saunna and Sharon G. know.

Triangle of the week: Jimmy T., Pat B., and Jerry L.

Rosa Lee, why were you so disgusted Saturday night? Could L. W. have something to do with it?

Together Saturday night were Dale - Elaine, Jimmy - Sandra, Junior P. - Sharon.

It was good to have all the ex-CHS students supporting the team Friday night. A certain senior girl was glad to see the Mason boys here. How about that, Judy T.?

We hope the Wildcats injured by the Indians' hatchet will be able to meet and beat the Archer City Wildcats.

Hey, kids, just 31 weeks until school is out. Have a good open date this week and the Lip will flap again next week.

Twelve-Year Rivalry Tied

The rock-ribbed line of the Crowell Wildcats held their ground to the last play of the game on the three yard line. (Lots of prepositions.) This game against the Quanah Indians Friday night at Wildcat stadium climaxed the hardest fought game of the 1963 season. It made 6 games won, 6 lost with the Indians for the past 12 years.

In the first quarter Wildcat defense held the Indians and then drove the ball across the goal line. After the successful extra point try, the Wildcats had to leave the scoring to the Indians for the rest of the game. Several injuries slowed the Wildcats up, but they would not give up until the final whistle when the score stood at 14 to 8 in Quanah's favor.

The Wildcats now have two weeks to prepare for tough Archer City. This time is welcomed in order for Wildcats injured in the Quanah game to recuperate: Bob Borchardt and Jimmy Hudgens suffered knee injuries, and Paul Bax Ekern came out with a broken hand. Perhaps Junior Hopkins, who has been out all season, will be in that line-up on October 12 when the Crowell Wildcats meet the Archer City Wildcats at Archer City.

 The Martha Low GAS met for regular meeting Monday afternoon after school. Janis James led in the opening prayer. After the minutes were read and approved, roll was called with 11 of the 12 members present. The names of the missionaries who observed their birthdays Monday were read by Renee Daniel, and Joy Tra-week led in prayer for them. Joylyn Haynie turned the meeting over to Mrs. Stapp for a short devotional, and announcement was made about the installation of officers for the next meeting. Connie Whitley was welcomed as a new member.

Riverside H. D. Club

The Riverside H. D. Club met Tuesday, Sept. 11, in the Grover Moore home with Mrs. Bud Hardy as hostess. During the business hour, which was presided over by the president, Mrs. Billie Cleveland, the following officers were elected: president, Mrs. Cleveland; vice president, Mrs. Grover Moore; secretary and treasurer, Mrs. Sam Kuehn; council delegates, Mrs. Cap Adkins and Mrs. Roy Ayers. Mrs. Hardy served refreshments to 9 members and one visitor.
 Tuesday, Sept. 18, the club met with Mrs. Dave Shultz in her home. Mrs. Grover Moore brought the opening exercise. Roll call was answered by 7 members and 2 visitors. Two new members were received into the club. The hostess served bottled drinks and cookies. Next meeting will be with Mrs. Cap Adkins.

 Father Died Sept.
 26th in Memphis**

Walter T. Hightower, 80, of Memphis, father of former Foard County District Attorney Jack Hightower of Vernon, and also a cousin of G. L. Cole of Crowell, died Wednesday afternoon of last week in Memphis.

Funeral services were held Friday at 4 p. m. from the First Baptist Church of Memphis with burial in the Memphis cemetery.

Survivors include the widow, one son, one daughter, six grandchildren and several brothers and sisters.

Card of Thanks

I wish to express my sincere thanks and appreciation to all our friends for the flowers, cards, visits and gifts. I also want to thank Dr. Kralicke and Dr. Stapp and all the nurses for their kindness to me while in the hospital. God bless them all.

 Line Now on Display

All eight F-85 models for 1963
 have been styled specifically to
 give them more the look of an
 Oldsmobile, immediately identi-
 fiable as members of the Oldsmo-
 bile product family, it was an-
 nounced by J. F. Wolfram, Olds-
 mobile general manager and a vice
 president of General Motors.

"The more impressive look of
 this car," Wolfram said, "has been
 achieved by a styling theme of
 crisp, horizontal lines. Actual over-
 all length of the F-85 has been
 increased by only 4 inches, and
 the maneuverability of its 112-
 inch wheelbase has been retained."

Wolfram said that the public
 will see the 1963 F-85's as well
 as the 1963 edition of other Olds-
 mobile models when they are displayed
 at dealer show rooms today, Oct. 4.

"Our customers will also find
 numerous mechanical improve-
 ments in the new F-85's for econ-
 omy of maintenance, increased
 passenger comfort and safety, bet-
 ter handling and for smoother
 and quieter operation," he added.

The Hydra-Matic transmission,
 for example, is much smoother,
 comparable to the transmission on
 the full-sized Oldsmobile 88's and
 98's.

In discussing individual models

Senior Girl Scouts Attend Conference

The Senior Girl Scout Troop of Crowell attended the NorCenTex Girl Scout Council Senior Planning Board Conference held in Vernon last Saturday. The meeting was held from 9 a. m. until 4 p. m. and plans were made for the coming year for the Senior Scouts in this council. Troops from Wichita Falls, Sheppard Air Force Base, Burk Burnett, Crowell and Paducah were represented at the meeting.

The local troop is working on their five-star pin, and they discussed their service projects. They will baby-sit for P. T. A. meetings, collect needed clothing for the State Hospital, and plan to do some personal service for the Vernon State Hospital. They will assist any local service project when needed, and plan to learn first aid. Ideas were exchanged on an emergency service project, which is also a requirement for the five-star pin. The Crowell troop met its requirement of learning about the Council and the national organization by a talk by Mrs. Betty Bennett, the Council's professional worker.

Pictures of the Girl Scout Roundup held at Button Bay, Vermont, last August were shown. Over ten thousand Senior Girl Scouts from all over the world attended. Each Council was allowed to send two girls for every 100 Senior Scouts registered; thus the importance of increasing the membership in this council was stressed. Girls are selected on a competitive basis on knowledge of certain skills for these events. Other opportunities and activities for senior Scouts were presented; and though most of them had a 15 to 18 age requirement, the girls were encouraged to start preparing now.

The leader-in-training and counselor-in-training programs were highlighted. Tentative plans of a council-wide Senior Scout trip to

the Girl Scout Cabana in Cuernavaca, Mexico, were discussed by the council's program director, Mrs. John Eckert of Wichita Falls. The Crowell troop gave the closing ceremony. Those who attended were Ella Hollenbaugh, Gayle Russell, Rosa Lee Latimer, Karen Shirley, Dena Todd, Sharon Mapp, and their leader, Mrs. Ray Shirley.

W. S. C. S. Meeting

The social meeting of the Woman's Society of Christian Service met Monday afternoon in the Methodist Church basement. Hostess was Mrs. Grover Cole, assisted by Mrs. Clarence Bounds and Mrs. Fred Wehba. The program leader, Mrs. J. N. Ribble, talked on the honor parents of missionaries and deaconesses.

The program opened with a song. Mrs. Virgil Johnson brought a devotional on Christians being the "lights of the world." Mrs. Ribble led in prayer. A special song was beautifully sung by Mrs. Howard Ferguson. Refreshments of frosted punch, cookies and sandwiches were served at the close of the meeting.

Truscott H. D. Club

Mrs. J. M. Chowning was elected president of the Truscott Home Demonstration Club for the coming year at a meeting Sept. 27. Other officers elected to serve with her are: vice president, Mrs. W. M. Rake; secretary and reporter, Mrs. E. A. Tomaneck; treasurer, Mrs. H. P. Gillespie; county delegate, Mrs. W. O. Corder; and parliamentarian, Mrs. Jack Hickman. Installation services will be in December and the new officers will assume duties the first meeting in January.

Mrs. J. R. Brown presided during the business session which opened with a devotional by Mrs. Corder and a prayer by Mrs. W. O. Solomon. "What's new in fabrics and findings" was the pro-

gram topic. Mrs. Solomon told of the use and advantages of using the new nylon zippers. New fabrics, colors and textures were discussed by Mrs. H. M. Black, who also gave suggestions for the care and sewing of the new materials. Following the program, refreshments were served by the hostess, Mrs. Solomon. The next regular meeting will be Oct. 11 in the community center.

West Side H. D. Club

Mrs. Ann White was hostess to the West Side Home Demonstration Club Sept. 25 in the home of Mrs. C. S. Wishon. Mrs. S. H. Ross gave the opening exercise.

Mrs. L. G. Simmons gave council report. Results of the election of 1963 officers are: Mrs. Eunice Bowley, president; Mrs. C. S. Wishon, vice president; Mrs. Donald Norris, secretary-treasurer; Mrs. Jim Free, reporter.

The program was a "round-table" discussion on growing irises and other fall flowers.

Refreshments were served to 13 members. The next meeting will be with Mrs. Walter Thomson Oct. 9th.

T. E. L. Class

The T. E. L. Class of the First Baptist Church met Sept. 28 with May Solomon with Mrs. Ellie Bell assisting with hostess duties. Mrs. Bowley brought the devotional, "The Importance of Belief" using scripture from 3:3-21. Mrs. Ribble led in prayer. Mrs. Dunagan, president, presided over the business session. The class gave vote of thanks to out-going officers.

They had sentence prayers for the revival. After the election of officers and other business transactions, Mrs. Solomon led in a game and Bible quiz for the social hour. Refreshments were served to 12 members of the class.

Ten October Plentiful Emphasize Fall Abundance

October is the month of traditional farm abundance. It's the time when Grandpa and Grandma took inventory of their granaries, vegetable and fruit cellars, pantries and larders.

The fall inventory of foods is even more important today than it was in bygone years. Our living is more complex. More of us rely on others to supply our food needs, points out the Texas Agricultural Extension Service.

That's why the Agricultural Marketing Service, working with growers and the food trade, runs a monthly survey of our nation's supplies of foods.

Is there enough? What foods are more than ample?

Texas homemakers and other Americans again can rest assured. There is plenty for all this October. What's more, supplies of at least 10 foods are in excess of normal trade needs. That means they likely will be among your most economical food buys.

Three items—apples, broiler-fryers and cheese—are featured on AMS's October list of plentiful foods. Supplies are extra-huge. Also plentiful this month are frozen orange juice, cranberries, pears, grapes, potatoes, turkeys and rice.

Menu planners will do well to serve these foods often. Besides offering economy, they enhance fall meals with flavor, nutrition and color.

THIRTY YEARS AGO

News items below were taken from the Friday, October 7, 1932, issue of the Foard County News:

Crowell defeated Paducah 6 to 0 at Paducah last Friday afternoon in the opening football game of the 1932 season. The game was played in ankle-deep mud.

A telephone line and loud speaker system will enable Crowell fans to hear the Crowell-Olney football game at Olney Friday afternoon.

Born to Mr. and Mrs. John L. Hunter, Margaret, Oct. 2, a boy, John Lewis Jr.

Seven hundred and thirty-one head of Hereford cattle were placed on the Featherston Ranch, four miles west of Truscott, this week by the new owners of this ranch, The Featherston Investment Corporation of Wichita Falls.

Foard County had its first frost early Wednesday morning, Oct. 5; however, it was very light and no damage is expected to be suffered from it. The average date for the first frost in Foard County is Nov. 5; however, these first frosts are seldom killing.

Mr. and Mrs. Bud Minyard of Margaret entertained with a party Saturday night.

Eli Smith and Clint White made a trip to Abilene Sunday.

George Self returned Tuesday from a business trip to Dallas.

Mrs. J. L. Klepper returned to Crowell Monday from a visit with relatives in Truscott.

F. A. Davis was honored with a birthday dinner at his home Sunday.

Oran Chapman and Norman Gray were visitors in Wichita Falls Wednesday.

Mr. and Mrs. John Rader of Crowell spent the week end with Mr. and Mrs. W. R. Ferguson of Foard City.

Mr. and Mrs. Carl Haynie of Truscott gave a party for the young people last Saturday night in honor of the latter's sister, Pearl Honeycutt, who is visiting there.

Morris Diggs and Spencer Woodruff were Quannah visitors Saturday afternoon.

Mr. and Mrs. Claude Callaway and family of Crowell visited in the Foard City community Sunday.

L. V. Robertson has moved his photographic studio from the building next to Shelton Grocery to his residence one block south and two blocks east of the square.

For the first time since they were foes at the National Democratic convention in Chicago, Governor Franklin Roosevelt, Democratic nominee for president, and Alfred E. Smith, nominee in 1928, met with grins and handclaps at the Democratic state convention of New York in Albany on Tuesday of this week. In his reconciliation with Gov. Roosevelt, Smith made a speech in denouncing the Republic administration and in urging the New York Governor's election to the presidency.

CONTROL ROOM W.T.U. OAK CREEK PLANT

DATA LOGGER

Every minute of every hour of every day the "data logger" at the WTU Oak Creek plant scans the condition of all electrical and mechanical equipment. From the tiniest malfunction to a major emergency is noted and timed on the recorder to the left. The recorder on the right types the daily log.

The electronic scanning system, or brain, at Oak Creek is a major factor in helping to locate trouble whenever the data logger indicates something is wrong. The scanner also serves as a good news panel to say "all is well." It's just part of WTU's equipment complex... HELPING YOU LIVE BETTER ELECTRICALLY.

'Not Necessary'

From the New York World-Telegram and Sun: "When a Western railroad wanted to cut a freight rate, an ICC examiner ruled against the reduction because, he said, it was not necessary." The commission frequently rejects rate cuts on the ground that this might take business away from a competitor. "The troubles in our transportation system," President Kennedy said, "are deep." The troubles are 'deep' in a large measure because the transportation companies are over-regulated and mis-regulated by what the President called 'a patchwork of inconsistent and often obsolete' law."

SOIL IMPROVING AND "CASH" CROP of guar on Sam Kuehn farm. Guar was planted on land following harvest of wheat. Planting was in wheat straw, with the residue left on soil surface. Kuehn uses guar in his cropping rotation and usually plants cotton on land following guar. This year he is completing his Great Plains Conservation Program plan on his place.

Texas Horses Are Fewer, But Worth More

and there are more and more leaving the cattle trail for the bridge trail.

In Texas, where their use for working stock is legendary, horses are becoming pleasure animals, are being placed in more shows and used more for just plain riding. Their numbers declined on Texas farms and ranches about 27 per cent between 1954 and 1960, the specialist says. However, the total for the U. S. decreased some 36 per cent during the same period, and the Lone Star State still has more horses than any other.

Since the days of trail drives and the walking cultivator, the horse has taken on a new role in the U. S. and even in the great cattle state of Texas. According to Ed Uvacek, livestock marketing specialist at Texas A&M College, the number of horses in Texas and the U. S. is steadily declining

of the total livestock value in Texas which was more than all the goats or all the hogs, Uvacek says.

Thus while horses are generally becoming fewer, Texas can brag that it has the most, with the largest total farm value and worth more each than the nation's average horse.
