We want to be sure to remind everyone once again to get their entries in for the monthly Florida Scramble this Sunday. Entries opened Wednesday morning and will close at 5 p. m. Saturday. Only the first 72 members who enter are accepted. Absolutely no entries will be accepted after the deadline Saturday. Late entries cause too much difficulty with pairings to be feasible. Remember, the entry deadline: 5 p. m. Saturday.

Major League baseball has ended its most exciting season in years. The new divisional play has proven to be successful in attendance figures and fan interest. Now instead of two pennant races you have four. The playoffs provide a sort of semifinals to the World Series.

The League championship playoffs between the New York Mets and Atlanta Braves in the National League and the Baltimore Orioles and Minnesota Twins were worthwhile TV viewing, although the Mets and Orioles both won three straight.

If you all remember, back before the baseball season started, I felt compelled to make my predictions on the pennant races. Well, I guess its about time I own up to my blunders. In the American League, East, I predicted the Boston Red Sox who finished a distant third to Baltimore. In the West I picked the Minnesota Twins. Correct.

In the National League West I picked the San Francisco Giants who were barely nosed out by Atlanta. And in the National League East, I predicted the Chicago Cubs would win it going away. Well, they went away all right. Away back into second place after the tremendous surge of the Mets. (Whodda think it). Anyway one out of four wasn't a very good score. Maybe I'll try again next year.

Now for the pat on the back. Although my pennant predictions were a little off, to say the least, I did a little better on the Series. If you remember I picked the Mets in either four or five games over Baltimore. The Mets did it in four straight after losing the first game. It seems lately when superior pitching meets superior batting the pitchers usually come out on top. Well, I'm glad I got one right. It just goes to show you can't lose them all.

Cottage Kindergarten Enjoys Field Trips

CLYDE — The Cottage Kindergarten have been enjoying field trips during the last month. One was a trip to Baird, visiting the Baird Volunteer Fire Department. This was especially a treat to the youngsters.

Fire Chief Jim Higgins sounded the siren and sprayed water across the street from the big hose. Mr. Higgins showed the children found the fire station and explained the use of equipment in the station and on the truck.

They were led upstairs to the meeting room and given a brief talk about the proper ways to extinguish different types of fire and why not to keep oily or grease-soaked clothes around and to keep toy boxes free of trash and clutter. Much was gained by the helpful hints for the safety of children and their homes.

Accompanying the students were Mrs. Oscar Brown and Mrs. Tim Stone, and mothers Mrs. Harley Wheeler, Mrs. Joe Brooks and Mrs. B. J. Hudgins.

Corinne Blackburn Club Meets Oct. 13

BAIRD — The Corinne Blackburn Club met Monday night Oct. 13, in the home of Mrs. Terrell Williams, with Mrs. Claude Holley as co-hostess.

The program topic was "The State of The Family Forum." Miss Burma Warren gave introductory remarks. "For Better or Worse" was given by Mrs. Irvin Corn. Mrs. Conley Pruitt gave "Forecasts and Fantasies." Comments were given by Mmes. S. N. Dunlap Jr., Claude Holley, Juanita Daniels and Sybil Dickey. Summary and discussion concluded the program. Mrs. Terrell Williams led the members in repeating the Club Collect.

Refreshments were served to 18 members.

The next meeting will be a Federation Day program, Nov. 3, at 7:30 p. m. in the First United Methodist Church.

TRUE OR FALSE?

Can one be just a Christian? So many have the idea that one must join some denomination, and that one must be some "kind" of Christian. Being just a Christian, nothing more and nothing less, means more than merely being a good moral person. It means more than being on some church roll.

Being just a Christian means being what Paul was, and what the first century disciples were. You see, they were called simply "Christians." (Acts 11:26).

That meant that they believed in Jesus Christ and obeyed his commands spoken through the Apostles. Acts 2:37, 38. It meant that they were all in the same body (1 Cor. 12:13) and all worshipped in the same way (Acts 2:42). They did not follow different creeds, but were guided by the "faith once delivered to the saints (Jude 3).

We can be just Christians, as they were, if we do the same things they did, without adding our own ideas and "think-sos."

BULLDOGS LOSE TOUGH GAME TO COMANCHE

CLYDE — The Bulldogs lost a hard fought battle, 38-28 to Comanche there last Friday night. Bad breaks spoiled the Bulldog's bid for an opening district victory as they were in striking distance 25-20 and 32-28 in the 4th quarter, after trailing 19-6 at halftime.

The Bulldogs rushed for 167 yards and passed for 188, while amassing 14 first downs. Leading rushers for Clyde were Craig Loper with 81 yards and Gary Barr with 49. John Hoffman completed 18 of 28 passes with Johnny Pierce receiving 10 and Tim Copeland 6. One completion to Pierce was for 65 yards and a touchdown. Another reception by Copeland carried for 26 yards to the Comanche 1. Barr blasted over for 3 touchdowns of 1, 8 and 5 yards. Barr swept right end for two, and Hoffman passed to Pierce for two extra points.

The Bulldogs successfully completed two inside kicks by Ricky Gilmore, covered by Craig Loper.

Offensive linemen Craig Pruet, Bobby Gary and Mark Henagers had good nights, and Walter Bruton, Kyle Scott and

Al Henager were defensive standouts.

This Friday, at 7:30 p. m. the Bulldogs entertain the Cisco Lobos here. Cisco, the pre-season favorite, was tied 21-21 last week by Granbury.

BAIRD — Baird High School has been assigned to a new football district, according to a recent announcement by the UIL State Executive Committee. For the next two years, Baird will compete in District 7-A rather than 10-A.

Enrollment figures for the 1967-68 and 1968-69 school years were used in determining classification assignments. Requirements for Class A schools is a two year average enrollment of 120 to 229 students. Baird's average enrollment for the two year period was 120.4.
