COUNTRY HOME IS BURGLARIZED HERE LAST WEEK

The home of Mr. and Mrs. G. W. Wallen, south of town, was burglarized Wednesday night of last week and about \$300 worth of household goods were stolen and carried away. Mr. and Mrs. Wallen were away at the time, having gone to San Angelo to visit their daughter, Mrs. G. C. Rector, and their daughter, Mrs. J. W. Owens, was looking after the things at the Wallen home. The burglary was reported to Sheriff Campbell and he soon got on the job and commenced to look for some clue that would lead to the arrest of the burglar. Several Mexican camps were investigated but no trace found and the only man missing from the community was James Holiday, a harvest hand who was from near Matador and who had been working for Tom Ferguson in the harvest. This man it was learned knew the surroundings at the Wallen home and was aware of the fact that they were gone from home. An examination of the tracks made by the car that had backed up to the door of the Wallen home was used as a clue that led to the arrest of Holiday by the Matador sheriff. The goods were found and the man made confession to the burglary, as there was nothing else to do after he had been found with them. He is a young man and was generally thought to be a pretty nice fellow. The sheriff went after him and brought him back to Crowell where he made bond, some of his people at Matador standing for him. The goods stolen amounted to about \$300.00. Among them was a phonograph worth \$175, some bed clothes, an overcoat and other articles of value.

A FOURTH OF JULY "WEEK"

The Fourth of July will have an added significance this year on account of this being the 150th anniversary of the Declaration of American Independence, and the centennial of the death of its author, Thomas Jefferson.

For patriotic communities that wish to commemorate fittingly the usual occasion, the Fourth of July is to be more than a day, as a whole week is to be devoted to the celebration, covering all phases of the memorable occasion.

More thought ought to be given to the meaning of the Fourth of July because the celebration has come to be meaningless to a large majority of the people—just an opportunity for a holiday and a chance to make noise.

Beginning Monday, June 28, Patriot's Pledge of Faith Day will be celebrated in honor of the 150th anniversary of the day the Declaration, drafted by and in the handwriting of Thomas Jefferson, was first presented to the Continental Congress. While the mayor of Philadelphia is ringing the Liberty Bell at 11 a. m., it is suggested that governors and mayors throughout the land ring bells as the "Echo of the Liberty Bell."

Tuesday will be Universal Education Day in honor of the great American system of free education which Jefferson aided in establishing and Wednesday is Founders' Day, in recognition of the noble efforts of those who built upon a solid foundation the beginnings of a government destined to lead the world.

Thursday will be Greater America Day to celebrate the Louisiana Purchase by Jefferson, and Friday will be Signers' Day, in honor of the memory of the brave signers who proclaimed to the world a new doctrine of government—the immortal Declaration of Independence.

Saturday is to be Monticello Day to commemorate the establishment of the home of Jefferson as a national memorial to the author of the Declaration of Independence. Sunday has been designated as Jefferson Centennial Day, as this is the hundredth anniversary of his death, and Monday, July 5, is to be known as Sesqui-Centennial Independence Day in honor of the 150th birthday of the nation.

This is a program that is deserving of the best efforts of every community as it gives an opportunity to impress upon the young generation our obligation to those who built so wisely that we might enjoy liberty and happiness too the extent never before known in the history of the human race.

Mrs. W. R. Tuttle and family have reunion.

Mrs. Allie Lawrence and son, Ira, of Pledger, Texas, have returned home after spending a week visiting her mother, Mrs. W. R. Tuttle, and sisters, Mrs. H. L. Jinks of Quanah, Mrs. E. L. Howard, Mrs. D. E. Thomson and Mrs. C. E. Gafford. On Sunday, June 6, the family had reunion at the old home place on Pease River. This was the first time the family had all been together since Mr. Tuttle died six years ago.

It costs seven million dollars a year to blow the whistles on American locomotives, and most of our mortal blows our horns without cost.

Candidates to Speak at Rayland School House Sat. Night

The News was advised Monday to say that the candidates are to speak at the West Rayland school house Saturday night. Those who are interested will bear in mind and attend the speaking. And it is to be remembered that it is at the West Rayland school house. In all probability there will be a large crowd at the school house, since the people in that community are good to come out to a gathering and since those people are not so much interested in wheat farming, they will not likely be tied up in their work so that they can not come.

SURPRISE DINNER FOR MRS. BOND AT MARGARET

On Friday, June 11, the friends and neighbors of Mrs. M. Bond gave her a surprise birthday dinner at the home of Mrs. Cherry in Margaret. This was Mrs. Bond's seventy-eighth birthday. Guests began to arrive at 10:30 each bringing some good things to eat. Soon the three tables in Mrs. Cherry's spacious dining room were loaded down with fried chicken, salad, pickles, cakes, pies and many other good things. At the noon hour these things disappeared amidst much gayer and laughter. Late in the day the guests departed wishing Mrs. Bond many more happy birthdays. The following were present: Mr. and Mrs. Omev Monkres and three children, Mr. and Mrs. W. T. Dunn, Mr. and Mrs. C. L. Caven and two sons, Mr. and Mrs. J. B. R. Fox, Mr. and Mrs. M. Bond, Mr. and R. P. Womack, Mrs. D. G. Pauley and two daughters, Mrs. I. Hunter, Mrs. Martha Ayers, Mrs. W. A. Dunn, Mrs. W. H. Taylor, Mrs. B. G. Reinhardt, Mrs. T. M. Johnston, Mrs. C. C. Draper and son, Mrs. H. A. Hysinger and son, Mrs. Dennis Russell, Mrs. A. J. Fry, Mrs. W. F. Marlow, Mrs. Lula Bradford and three daughters, Mrs. J. L. Hunter Sr., Mrs. A. L. McGinnis, Mrs. Z. T. Fletcher and son, Mrs. J. L. Short, Mrs. J. A. Smith and daughter, Mrs. Mary F. Hunter and two children, Mrs. Cherry, Mrs. Jimmie Hembree and two children, Miss Irene Hunter, Miss Lillie Bell Stephens, T. F. Goodman and Mike Dunn.—A Friend.

Wheat Turning Out Very Well in Foard County

A number of threshers started out Monday and have been threshing since, and while few crops have been threshed in their entirety, enough have been to give an idea as to what the yield is going to be. T. V. Rascoe finished a crop of 96 acres, threshing 2080 bushels, making an average of 21 2-3 bushels to the acre. Dave Sollis finished his crop, making 21 bushels to the acre on the whole crop. His wheat tested Nos. 1 and 2. D. E. Todd reports an average of 25 bushels on the first 18 acres threshed and a test of 58. J. W. Bell reports 25 bushels to begin with. From reports it seems that the wheat is beginning to turn out better than was expected and it is probable that we may have an average yield of 20 bushels. If so it will be a profitable crop. Figured on that basis we may expect something like an 800,000 bushel crop in the county.

VIVIAN

(By Special Correspondent)

Bro. Taylor, pastor of the Baptist church of Crowell, preached at Vivian Sunday afternoon.

Mrs. R. S. Haskew was operated on Thursday of last week for appendicitis. She is getting along as well as could be expected.

Miss Ola Carter of Crowell spent Saturday night and Sunday with Miss Russie Rasberry.

Mr. and Mrs. T. W. Cooper took Mr. Cooper's mother to Quanah Sunday afternoon where she caught the train to visit a son in Oklahoma. They were accompanied to Quanah by Misses Doris Lewis and Mary Ennis Carter of Crowell.

Mr. and Mrs. Bert Matthews and daughter of Burkhurnett are here visiting Mrs. Matthews sister, Mrs. Egbert Fish.

Miss Mary Ennis Carter of Crowell is spending a few days with Miss Doris Lewis.

Mr. and Mrs. Bert Matthews and daughter, Louise, and Mrs. Egbert Fish and daughters were shopping in Paducah Monday afternoon.

Mr. and Mrs. Allen Fish and children and Mr. and Mrs. W. O. and Egbert Fish were visitors in Crowell Saturday.

Mrs. H. C. Frazier and children of Foard City spent Saturday in the home of Mr. and Mrs. Albert Fish. Beno Whatley of Wichita Falls is here visiting his parents, Mr. and Mrs. J. E. Whatley.

Citizen's military training camps teach men to fire straight but murder statistics indicate there is nothing the matter with the average American's aim.

Griffith Family Return from Trip to Coast Country

W. W. Griffith and entire family returned Sunday afternoon from an 1800 mile trip to the coast and back. The trip was made in their Chevrolet sedan and covered a period of twelve days. It included several of the larger cities of Texas, San Antonio, Austin, Fort Worth, Houston, Fort Arbur and Beaumont, and, of course, many of the smaller places. Leaving here they split the heart of Central West Texas and after reaching San Antonio swung back towards the east. Much of the interest of the trip centered around their stay at Port Arthur, where they visited relatives and went boat riding on the Gulf and fished and feasted to their hearts' satisfaction. They had a wonderful time according to Mr. Griffith and made the trip at a cost very little above that of staying at home. He says it cost him about \$5.50 a day, all expenses. Mr. Griffith made some observations that are interesting. One is that the crops in the southern portion of the state are rather late, that is, the cotton. Ordinarily the cotton ought to be laid by but he says it is about like it is in this country. Owing to much rain planting was late.

Mr. Griffith made some observations of the political situation and he finds that Dan Moody is really in the race for Governor. In the German settlements where Ferguson has always been strongest he reports those people as being lined up for Moody. The Germans themselves told him that they are going to support Moody. He further reports that according to the best information he could get Moody will carry Houston, Lynch Davidson's home. Mr. Griffith gave this not as his own prediction but as expressions of the sentiment of men with whom he talked. He found substantial men who are in position to know the political situation that are ready to wager that Moody will be Texas' next Governor.

Speaking of the automobile expenses and troubles he said they made the trip down to the coast, a distance of 962 miles on 35 gallons of gas and had no car trouble until they started back and there only punctures. They drove more than 1400 miles before they had a flat and the same puncture gave them trouble at different times because they did not have the tube vulcanized. Finally they stopped to have it patched and the station man told them that a cold patch would not stand a speed of 30 to 40 miles, so that trouble was eliminated at last when they had the patch vulcanized. They had the opportunity of seeing the stuffed carcass of one of the largest whales ever captured in the Gulf waters but for some reason did not see it. The whale was 55 feet in length. It is being prepared for shipment to the World's Fair at Philadelphia. Riding the waves out into the ocean 20 miles was some thrilling experience, especially when it appeared to times that they would be submerged beneath them. All together the trip was a pleasant and well worth all it cost.

CROWELL ICE COMPANY NOW MAKING ICE

Until last week after the opening of the season the Crowell Ice Company had been shipping ice from Abilene to Crowell but now they are manufacturing it here at home. All the machinery has been put in shape and much new machinery added since last year. Delay in getting all this perfected was the cause of the lateness in making the product at home. The company is making splendid ice. It's as good as can be made from the water we have, owing to the presence of so much mineral matter in it. This will be overcome, it is said, when soft water can be had from the lake.

GRASSHOPPERS LIKELY TO DAMAGE COTTON CROP

There has been heard a little complaint about the grasshoppers and some of the farmers are of the opinion that they are going to have to be fought again this year. If it appears certain that they must be dealt with, the sooner the better. And the last few years have proven that the most effective way to handle them is for all the farmers to fight them. It is mighty hard on a few to try to fight them when others around them do not. Concert of action, no doubt, will be worth much in getting the situation in hand before the pests get too bad. We notice they are appearing in Wilbarger County and the county agent and farmers are fortifying themselves against them by laying in a supply of poison.

Two More Teachers Elected by the Board

At the regular session recently the school board of the Crowell Independent School District elected two more teachers, Miss Lela McGuire of Tulsa, Texas, and Miss Carrie T. McDaniel of Clarksville.

The election of three other teachers will complete the faculty for the next school term. One is to be elected for the primary department and two for the elementary department.

Grasshoppers likely to damage cotton crop

Mrs. J. D. Maddrey and Mr. and Mrs. Joe Farabee of Wichita Falls, James Maddrey of Vernon, and Miss Novella Woods of Dallas and Miss Daisy Woods of Bonham were guests Sunday of Mrs. Sallie E. Woods and Miss Lottie Woods.

Crowell Men Go to Matador to Road Meeting

There was some disappointment to the party that went to Matador Tuesday to attend a road meeting called by Judge Glenn, but it will not prove unfruitful of good.

Judge Glenn had sent out a call to all the towns along the Lee Highway between the Oklahoma line and the New Mexico line to meet at Matador Tuesday to discuss the matter of marking the highway, but afterwards it developed that the meeting would be interrupted by matters unforeseen at the time the call was made, and Judge Glenn had cancelled it but we had not come into possession of this information and learned it only when we arrived at Matador.

But as stated above, the trip will not be unfruitful of good results, we believe, because advanced information of the purpose of the meeting is had by having gone. And when the meeting is held, as it will be, according to Judge Glenn, Crowell will be glad to send a delegation to help achieve the end in view.

The purpose of the meeting will be to decide upon a uniform plan of marking Lee Highway. This is the main thing, as we understand it. Of course, other matters will be threshed out and a general understanding among all who are interested in the great highway will be obtained in a get-together spirit. In a word it might be said that team work, or co-operation, is the end in view. Some towns have been a little slow to co-operate in putting over this great national highway, and that is a condition that can be remedied only among ourselves.

Those who made the trip from Crowell are H. E. Ferguson, Garland Burns, Decker Magee and H. L. Kinsey.

HONOR VISITORS

Mr. and Mrs. T. L. Hughton and Mr. and Mrs. J. R. Allee were hosts and hostesses last Friday evening to a large crowd of relatives and friends at the home of Mr. and Mrs. Hughton honoring Mr. and Mrs. E. Hutchison and daughter, Reid, of Covina, Cal., and Mrs. Luther Roberts of Dallas, and Mr. and Mrs. J. S. Williamson of Fort Worth, with a lawn party and basket picnic.

Along table was constructed on the lawn which was laden with many good things to eat and everything was provided for the comfort and enjoyment of all present.

Crowell Ice Company Now Making Ice

Until last week after the opening of the season the Crowell Ice Company had been shipping ice from Abilene to Crowell but now they are manufacturing it here at home.

All the machinery has been put in shape and much new machinery added since last year. Delay in getting all this perfected was the cause of the lateness in making the product at home.

The company is making splendid ice. It's as good as can be made from the water we have, owing to the presence of so much mineral matter in it. This will be overcome, it is said, when soft water can be had from the lake.

THE AUTO DEATH TOLL

Coming home, we find that Grand Old Texas has an unenviable death record from automobiles. From Austin comes the report that for 1925 there were 437 persons killed by automobiles. That is the number that were actually killed and does not take in the injuries not resulting in death. It is safe to say that at least 95 per cent of those deaths could have been prevented. There will be some unavoidable deaths from accidents. It happens with wagons and buggies and will happen with automobiles, but the vast majority are caused by reckless driving.

SATURDAY NIGHT LAST CHANCE TO GET NAME ON DEMOCRATIC TICKET

Saturday night, June 19th, is the last opportunity candidates will have to register and get their names on the ticket in the coming July primary. Candidates should take notice and file their names with the chairman of the County Democratic Executive Committee by that time or before.

WIND HURTS COTTON

Authentic reports come that some of the farmers east of Crowell on the sand suffered rather heavy losses Tuesday when the high winds whipped their cotton to the ground. Some, possibly all of the farmers suffering such losses, will plant again where the injury is worst. This is hard experience but it has happened that June planting made the best cotton, and it might do it again.

The days now are the longest of the year, making it necessary for the joy riders to stay up later than usual.

Grady Halbert to Enter Contest at Amarillo Convention

Grady Halbert of Foard City will enter a declamation contest at the convention of the West Texas Chamber of Commerce at Amarillo June 21, 22 and 23.

The chamber of commerce has offered a cash prize for the best declamation on the subject of the Home Town. This contest is open to under-graduates of high schools and Grady is the representative from this county. He is in the tenth grade and is 14 years of age.

All the papers were filed out and sent in Saturday. He will be given some training before going to the convention.

THE ABILENE TRIP

After being chosen delegates to the Northwest Texas League assembly, Ella Patton and I left Monday morning for Abilene where the conference was held. We arrived in Abilene at 5:25 and went straight to McMurry College where we registered and rooms were assigned for the week. Monday night the Abilene district leaguers entertained the delegates with a well planned social under the leadership of Miss Jessie Stell. Friday morning we began close work. One of our classes was with Rev. J. H. Hamblen of Clarendon.

We chose as conference president Mr. R. A. Oxford of Plainview; secretary, Miss Lewellyn Deason; treasurer, Miss McNeal of Munday, and Vernon district chose as its secretary, Mrs. Connie Johnson of Thalia. Certificates were given Friday night which closed the conference. Clarendon College will be the meeting place of the assembly next year. The main theme of the entire conference is "Youth for Christ" May God send his richest blessings upon the young life of the Northwest Texas Conference and bless us that we might be a blessing to him as well as to humanity, is our most earnest prayer.—Hazel Dykes.

County Judge Goes to Austin to Meet Commission

County Judge Jesse Owens, Judge Welch of Quanah and Senator J. D. Parnell of Wichita Falls went to Austin Monday to meet with the State Highway Commission Tuesday relative to getting the road between Crowell and Quanah designated as a state highway.

A move has been on foot some time to get this done but nothing could be accomplished in a definite way until the commission met. The News received a telegram from Judge Owens Tuesday afternoon stating that the road had been designated as a state highway and therefore the purpose of their Austin trip was attained.

Since the road becomes a state highway connecting the Gulf-Colo-rado with the Lee Highway we will get state aid. This will make it possible to buy the bridge across Pease River and make it a free bridge.

Those who have been interested in this matter must feel very grateful not only to the two county judges, Judge Owens and Judge Welch for the service they have rendered in the matter but also to Senator Parnell, who has also been a tireless worker in behalf of the proposition and much of the success of it is due to his willing service.

This link between the two great highways will be a feeder to Lee Highway that will increase the traffic over Lee Highway through Crowell. It is an achievement of which we may well be proud.

Motion to Designate

Motion by Mr. Cage, seconded by Mr. Moseley that subject to the inspection and approval of the Division Engineer, a highway be designated beginning at Crowell in Foard County, on into Hardeman County into the town of Quanah and to the Red River north of Quanah, this being an extension of Highway No. 31, and further that aid be granted to the extent of \$6,000.00 to match a like amount furnished by the counties. This action is being taken at this time for the reason that the counties have only until September 1st to exercise option for the purchase of bridge on Pease River, which would cost \$50,000.00. Hardeman and Foard Counties have heretofore put \$12,000.00 into this bridge, the allotment now being made being one-fourth of the original cost. Motion carried.

WIND HURTS COTTON

Authentic reports come that some of the farmers east of Crowell on the sand suffered rather heavy losses Tuesday when the high winds whipped their cotton to the ground. Some, possibly all of the farmers suffering such losses, will plant again where the injury is worst. This is hard experience but it has happened that June planting made the best cotton, and it might do it again.

The days now are the longest of the year, making it necessary for the joy riders to stay up later than usual.

ORIENT HAS ALL CARS NEEDED TO HANDLE WHEAT

J. J. Handley, the agent at the depot, says there will be no shortage in cars this year with which to handle the wheat crop of this county. He said they already have stacked along the line 400 cars to be used in moving the crop from this county and all they have to do is to call for them and they are pulled in as needed.

There were used in moving the big crop of 1924 about 500 cars and Mr. Handley thinks there will be needed about the same number this year. According to Mr. Handley the Orient employes are rushing around to handle the crop and will be very busy for the next several weeks. It's no small job to move a million bushels from a point like Crowell.

JIM AND DAN

Davidson has declared that Moody ought not to be in the race. There are a whole lot of folks who are quite certain that Dan is giving Lynch a lot of deep concern. Lynch is just in hard luck—that's all. Lynch tried to beat the Fergusons, and couldn't. If Dan Moody can't beat them, there is not a man in the State than can.—Snyder County Times-Signal.

Ferguson is trying to weave the Ku Klux Klan issue into the campaign this year, but he is having a hard go of it. His entire attention is devoted to fighting Moody, and he would make it appear that Dan is a Ku Klux. This is a very foolish idea—one that will lose him votes—for every person who has ever read anything relative to Dan Moody knows that he has been outstandingly opposed to the Ku Klux issue from the time it was first organized in Texas. His record is too plain on this point. But Ferguson is "grabbing at straws." He wants to weave the Ku Klux issue into the campaign in some way. Were his attentions not being wholly paid to Moody he would be trying to accuse Davidson of being a Klux sympathizer no doubt. Fact of the matter is, there is no more Ku Klux issue to be woven into the campaign. This organization has run its race. We will admit that it's hard on Jim because there is no Ku Klux issue any more, for he could certainly make capital of it if there was. It was this issue, and this issue only, that put him in as Governor—via the wife route—last election. Had it not been for that issue Ferguson would no more have dictated the policy of the Governor's office than would an ignorant East Texas darky. The thing that seems to be worrying Jim most is that he is following Ku Klux when there is no Ku Klux issue. It's another story of the boy and the wolf. Too bad, too bad that Jim can't get this issue into his "rock-throwing" race.—Paducah Post.

The Ferguson-Moody controversy has considerably enlivened the campaign for governor. Governor Ferguson issued a challenge to Attorney General Dan Moody that if he beat Mrs. Ferguson one vote in the first primary then she is to resign her office. On the other hand, if the Governor should beat Dan 25,000 votes, then he is to resign. The idea being that Texas would not want the candidate who was defeated as one of its important officers. No end of comment has been occasioned by what is termed by some as a political bet. The Attorney General has been criticized and commended for accepting the challenge, and perhaps when the thing finally simmers down most everybody will be of the same opinion as when the issue was sprung. Perhaps the larger number of voters have already made up their minds how they are going to vote in the governor's race, though some are yet in a quandary. Ordinarily the Banner has very positive opinions in such matters, though this is one time we are not going to jump in very heavy. The editor will probably vote for Lynch Davidson, but we'll not quarrel with any who vote for Dan. Nor will we quarrel with any who continue as friends of the Fergusons. We have opened our minds on them before, and our opinions have not changed. This much we'll have to say in fairness, and that is that Mr. Ferguson did the square thing with Baylor County on its road business, getting some action for us after our just claims had been continually deferred.—Baylor County Banner.

State Candidate Here This Week

Judge John W. Hornsby, candidate for Attorney General, was in Crowell Wednesday meeting people and working in the interest of his candidacy.

Judge Hornsby is now serving his fifth term as county attorney of Travis County.

Some men aspire to wealth so that they can have several homes to stay away from. Men take hard knocks to get to a place where they can enjoy soft living.

A Year From Today What will your Car be worth Then? Or in Two Years? Or in FIVE?

These vital questions create no worry in the minds of Dodge Brothers owners.

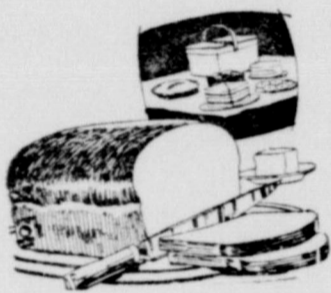

Six, eight and even ten years of faithful service—with mileage running well into six figures—is not an uncommon record for Dodge Brothers Motor Car.

In fact, 90% of all the cars Dodge Brothers have built are still in service—an astonishing record, when you think of it—and ample justification for Dodge Brothers well known slogan—**Long Life!**

Sheriff's Sale
THE STATE OF TEXAS,
County of Foard.

By virtue of an order of sale, issued by the clerk of the district court of Foard County, Texas, on the 1st day of June, 1926, as directed by the terms of a judgment rendered in said court on the 22nd day of September, 1925, in a certain cause wherein the State of Texas for the benefit of the City of Crowell as plaintiff, and Perry Powell and unknown owners, defendants, in favor of the said plaintiff, and against said defendant, Perry Powell and unknown owners, for the sum of thirty-one and 26-100 dollars (for State and County taxes, interest, penalty and costs), with interest on said sum at the rate of six per cent per annum from date of judgment, together with all costs of suit, and to me directed and delivered as sheriff of said Foard County, I have seized, levied upon, and will, on the first Tuesday in July, 1926, the same being the 6th day of said month, at the court house door of said Foard County, in the City of Crowell, between the hours of 10 o'clock, a. m. and 4 o'clock p. m. on said day proceed to sell for cash to the highest bidder all the right, title and interest of Perry Powell and unknown owners in and to the following described real estate, levied upon on the 1st day of June, 1926, as the property of Perry Powell and unknown owners, to-wit: Lot No. 21 in block No. 68 in the original town of Crowell, according to the recorded map in said town, subject, however, to the right of redemption the defendant, or any one interested therein, may have, and subject to any further rights the defendants, or any one interested therein, may be entitled to under the provisions of law. Said

sale to be made by me to satisfy

the above described judgment foreclosing the lien provided by law for the taxes, interest, penalty and costs against said real estate, in favor of the State of Texas, together with interest and the costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof. Said

sale will be made subject to the defendants right to redeem the said property within two years from the date of sale by complying with the provisions of law in such cases made and provided.

L. D. CAMPBELL, Sheriff,
Foard County, Texas,
Crowell, Texas, June 1st, 1926.

sale will be made subject to the de-

fendants right to redeem the said property within two years from the date of sale by complying with the provisions of law in such cases made and provided.

L. D. CAMPBELL, Sheriff,
Foard County, Texas,
Crowell, Texas, June 1st, 1926.

McCormick-Deering Weber Wagons

Weber Farm Wagons have been used on American farms for 80 years. That fact alone may not be POSITIVE proof of quality, but it must admitted that any manufacturing plant that has produced wagons for four score years must be making good ones. Further, you can rest assured that the Weber name has become known to a good many farmers in that length of time. Practically every community is the home of dozens of Webers, and every one in service is a testimonial to Weber quality. These facts combined with the Patented Fifth Wheel and the Patented Swivel Reach coupling to make the McCormick-Deering Webe the logical wagon choice. See our display of these good wagons.

KEEP YOUR MONEY BY YOU

Trading at home is a trite expression. It is worthy of the attention of every buyer of this county, just the same. The material prosperity of every inhabitant depends upon the gross amount of money that stays in circulation, locally. When you take your spending money out of this great pool you are certain to lower the level some. When hundreds of others follow your lead the effect upon local business is serious. We try to be reasonable in advocating home trading. It is a problem that requires the careful co-operation of merchants as well as buyers. Both must do their part in the fight to keep money at home.—Lubbock Avalanche.

Some of the farmers have been saying that wheat was going to be rather light but it seems since they have gone into it they have decided that it is pretty good wheat. The fact that the crop ripened very fast right at the last gave lots of people a scare. There never was a crop that is just what one would like for it to be, but this is one of the really great crops. It will be that if the average is not more than 18 or 20 bushels.

The Fergusons will, of course, disclaim any responsibility for the fact that next year the public school apportionment will be \$12 instead of \$14 per capita, but if it had been \$16 instead of \$14 they would have said, "Look what we have done!"

CHRISTIAN CHURCH NOTES

There will be ordination services at the Christian church next Lord's Day at 11 a. m. at which time those brothers and sisters who have been duly chosen to serve the congregation as elders, deacons and deaconesses will be scripturally set apart as God's servants to serve in the respective offices to which the church has elected them.

Also preaching services at 8:30 p. m. Subject, "Where are the dead? Is there a probation after death?"

A full attendance of the membership, strangers and friends of the church is desired. We are expecting you. The pastor will preach at Vivian at 3:30 p. m. the same day, Sunday, June 20th. Also Bro. C. V. Allen of Crowell will preach at Foard City on the same day at 3:30 p. m.

Let us all pray for a good and prosperous Lord's Day next Sunday. A. R. CAUDLE, Pastor.

Lost

Hand-tooled leather hand purse—lost on road between Vernon and Bayland, containing one coin purse with one dollar bill and small change, one vanity, small mirror, and sheet paper with oil map drawn in ink. Reward to finder. Return to Foard County News office, Crowell, Texas.

D. A. Mayhew, son of Rev. and Mrs. W. J. Mayhew, is spending a part of his vacation with his parents. As a sort of recreation he is working at the Hughston elevator. He is employed for the fourth year as athletic coach and teacher in Marlin High School.

It isn't a pleasant smile unless it pleases you to smile.

Mr. and Mrs. Bert Matthews and daughter, Louise, of Burkburnett were here this week visiting relatives. Mrs. Matthews was Mrs. M. J. Davis before her recent marriage to Mr. Matthews.

Notice by Publication

THE STATE OF TEXAS, County of Foard, in County Court.

THE STATE OF TEXAS, To the Sheriff or Any Constable of Foard County, Greeting:

You are hereby commanded to cause to be published in the Foard County News, a newspaper of general circulation published in said

county, at least once a week for ten (10) consecutive days before the return day hereof, the following notice:

THE STATE OF TEXAS

To all persons interested in the welfare of Lee Keesee et al, minors, you are hereby notified that J. N. Keesee has filed in the County Court of Foard County, Texas, an application for letters of guardianship upon the persons and estate of said minors, Lee Keesee et al, which said proceeding will be heard by said court on the 6th day of September, 1926, at the court house of said county, in Crowell, Texas, at which time all persons interested in said estate are required to appear and answer said proceeding, should they desire to do so.

Herein fail not, but have you be-

fore said court, on the first day of the next term thereof, this writ, with your return thereon showing how you have executed the same.

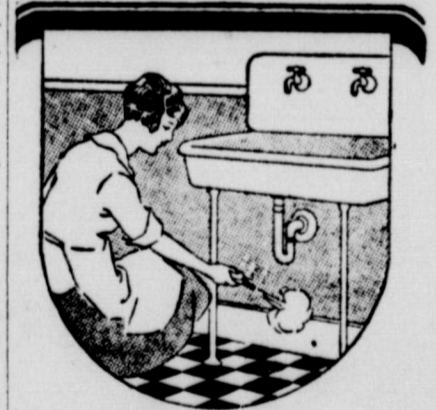

Witness my hand and official seal, at Crowell, this 15th day of June, 1926.

52 GRACE NORRIS, Clerk, County Court, Foard County, Texas.

Get Rid of Roaches

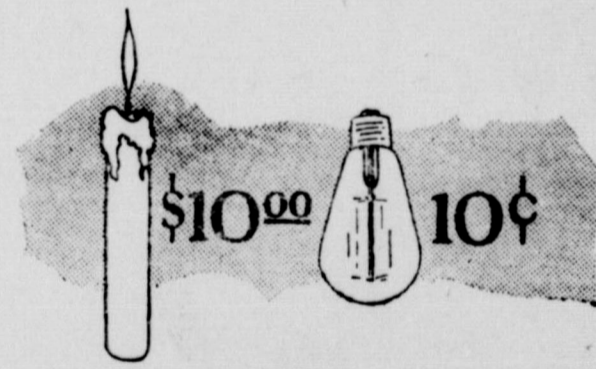

They crawl up water pipes and through cracks—but you can stop them forever. Bee Brand Insect Powder will kill every one. Sprinkle or blow it into every crevice—all around your kitchen and pantry. It's harmless to mankind, domestic animals, birds and pets of all kinds, but death to roaches.

It also kills Ants, Flies, Fleas, Mosquitoes, Water Bugs, Bed Bugs, Moths, Lice on Fowl, and many other house and garden insects.

Get Bee Brand in red sifting top cans at your grocer's or druggist's. Household sizes, 10c and 25c. Other sizes, 50c and \$1.00. Puffer gun, 10c.

If your dealer can't supply you, send us 25c for large household size. Give dealer's name and ask for free booklet, "It Kills Them," a guide for killing house and garden pests.

McCORMICK & Co., Baltimore, Md.

'Let's go back to candles'

Your answer would be "No". But have you ever realized how much cheaper electric light is than candle light?

If you lighted your home with candles tonight as you will light it by Edison MAZDA Lamps, your lighting bill would be 100 times greater.

Electric light is the cheapest light humanity has ever had. It costs even less than before the war and the average family now pays less for electric light than for cream for the breakfast coffee.

It's no real economy to stint on light, when even the most modest home can afford all the light it wants.

Doings in West Texas

(By West Texas C. of C.)

Ballinger—The sum of 200,000 pounds of wool are in storage at the Texas Compress Company's sheds here. This wool will be placed on sale June 15 with ten or fifteen buyers here from Boston, Chicago and Philadelphia.

Cisco—The local chamber of commerce has agreed to pay the railroad fare of all boys and girls who qualify to attend the farmer's short course to be held at A. & M. College in August. The county agent will pass on the qualification of the club members.

Childress—Childress will soon let contract for more than 30 additional blocks of paving. During 1925, the city contracted and laid 60 blocks of paving.

Vernon—More than seventy-five delegates are expected to attend the West Texas Chamber of Commerce Convention at Amarillo. Three cars of the special train has been reserved for Vernon, which will arrive in Amarillo the morning of the 21st, returning to Vernon at 5:45 the morning of the 24th.

Cisco—R. Q. Lee, president West Texas Chamber of Commerce, has just completed his Heart of Texas diversification tour, which included Coleman, Brownwood, Brady, San Saba, Mason, Fredericksburg, Llano, Burnet, Marble Falls, Goldthwaite, Hamilton and Hico. This is his last tour as president of the organization.

Littlefield—During the past week a modern and up-to-date tourist park has been completed here costing the sum of \$10,000. This park is equipped with every modern convenience that would speak for comfort and pleasure. The management owns its own water system, camp cottages, electric lights, stoves, cots, tables and chairs. Many shade trees are scattered over the grounds, also the park is equipped with showers.

Big Spring—The Big Spring Chamber of Commerce has secured teams, graders and other road machinery for work on the road from Big Spring to the oil fields southeast of town about sixteen miles. A pipe line is being laid from the new field to Coahoma which is located on the T & P nine miles east of Big Spring.

Lubbock—George Briggs, secretary at Eastland, and J. E. T. Peters, secretary at Cisco, will be two of the principal speakers at the convention of Texas commercial secretaries to be held here July 22 to 24 inclusive. This conference is the twentieth in the history of the organization, and is considered a school for commercial secretaries.

Summer Fabrics

THESE new fabrics lend themselves beautifully to cool, dainty frocks for summer. Soft clinging silks and crisp cottons are favored in the mode.

PRINTS ARE SMART

FLORAL patterns are lovely in the printed fabrics, especially marked by beauty and hue, for the summer mode is colorful. SPECIAL PRICES according to quality.

CROWELL DRY GOODS CO.

NO-NOX

MOTOR FUEL

STOPS KNOCKS

PUTS CARBON TO WORK

PUTTING the old demon, carbon, to work sounds like a paradox—nevertheless that's just what GULF No-Nox Motor Fuel does and here's how it happens: Compression is power. The more compression the more power. Greater compression is secured by reducing the displacement or space in the combustion chamber. Carbon deposits materially reduce this space—old time gasoline would not withstand this added carbon compression—clicks—knocks—pings or detonations of distress quickly following sudden acceleration or heavy pulls.

No-Nox withstands higher compression—stops the knocks or detonations, thereby increasing engine efficiency. GULF No-Nox and Carbon Deposits work together for more power and greater mileage.

Turns Mountains Into Mole Hills

This guarantee goes with it: GULF No-Nox Motor Fuel is Non-Noxious, Non-Poisonous and no more harmful to man or motor than ordinary gasoline—that it contains no *dope* of any kind—that the color is for identification only—that it positively will not heat the motor, winter or summer.

GULF No-Nox Motor Fuel is priced three cents per gallon higher than ordinary gasoline—and is worth it.

The Orange Gas—At the Sign of the Orange Disc
GULF REFINING COMPANY

Decatur—Almost a car load of sheep has been made up for distribution in Wise County. This idea was suggested and is being sponsored by the local chamber of commerce.

Truth crushed to earth will rise again, but pedestrians are not truth.

Notice of School Bond Election

STATE OF TEXAS,
County of Foard,
Crowell Independent School District.
To the resident property taxpaying voters of Crowell Independent School District:
Take notice that an election will be held on the 26th day of June, 1926, within said district, in obedience to an order duly entered by the Board of Trustees on the 1st day of June, 1926, which is as follows:
Whereas, there has been presented for the consideration of the Board of Trustees the petition of H. E. Ferguson and 31 other persons asking that an election be ordered upon the question of issuing bonds of said school district for the purpose of constructing and equipping a public free school building within said district, of brick and stone material, and purchasing a site therefor; and
Whereas, it appears to the satisfaction of the Board of Trustees that said petition is signed by at least twenty qualified property taxpaying voters of said school district, and is otherwise in conformity with law, the Board is of the opinion that said petition should be granted, and said election as prayed for should be ordered.
Therefore, be it ordered by the Board of Trustees of Crowell Independent School District:
That an election to be held in said Crowell Independent School District on the 26th day of June, 1926, which is not more than thirty days from the date of this order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident qualified property taxpaying

voters of said school district for their action thereupon:

Bd. Nos.	Mty. Date	Amt.
1	April 10, 1932	\$1,000.00
2	April 10, 1933	\$1,000.00
3	April 10, 1934	\$1,000.00
4	April 10, 1935	\$1,000.00
5	April 10, 1936	\$1,000.00
6	April 10, 1937	\$1,000.00
7	April 10, 1938	\$1,000.00
8	April 10, 1939	\$1,000.00
9	April 10, 1940	\$1,000.00
10	April 10, 1941	\$1,000.00
11-12	April 10, 1942	\$2,000.00
13-14	April 10, 1943	\$2,000.00
15-16	April 10, 1944	\$2,000.00
17-18	April 10, 1945	\$2,000.00
19-20	April 10, 1946	\$2,000.00
21-22	April 10, 1947	\$2,000.00
23-24	April 10, 1948	\$2,000.00
25-26	April 10, 1949	\$2,000.00
27-28	April 10, 1950	\$2,000.00
29-30	April 10, 1951	\$2,000.00
31-32	April 10, 1952	\$2,000.00
33-34	April 10, 1953	\$2,000.00
35-36	April 10, 1954	\$2,000.00
37-38	April 10, 1955	\$2,000.00
39-40	April 10, 1956	\$2,000.00
41-42	April 10, 1957	\$2,000.00
43-44	April 10, 1958	\$2,000.00
45-46	April 10, 1959	\$2,000.00
47-48	April 10, 1960	\$2,000.00
49-50	April 10, 1961	\$2,000.00
51-52	April 10, 1962	\$2,000.00
53-54	April 10, 1963	\$2,000.00
55-56	April 10, 1964	\$2,000.00
57-58	April 10, 1965	\$2,000.00
59-60	April 10, 1966	\$2,000.00

bearing interest at the rate of five

and one-half (5½) per cent per annum, payable semi-annually, for the purpose of constructing and equipping a public free school building of brick and stone material, and there shall be annually levied and collected on all of the taxable property in said school district, for the current year and annually thereafter while said bonds or any of them, are outstanding, a tax sufficient to pay the current interest on said bonds and to pay the principal thereof as the same become due (provided that the maintenance tax and the bond tax together for any one year shall never exceed One (\$1.00) dollar on the \$100.00 valuation of said property.)
The said election shall be held at the court house in the City of Crowell, in said Crowell Independent School District, and the following named persons are hereby appointed officers of said election: J. W. Beverly, judge; Maud Ferguson, clerk.
The ballots for said election shall have written or printed thereon the following: "For the issuance of the bonds and the levying of the tax in payment thereof."
"Against the issuance of the bonds and the levying of the tax in payment thereof."
Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other indicating his vote on the proposition.
None but resident qualified property taxpaying voters of said Independent School District shall be allowed to vote at said election.
The secretary of this Board of Trustees shall forthwith issue a notice of said election stating in substance the contents of this election order and the time and place of said election, and said secretary shall post a copy of such notices at three different places within the boundaries of said Crowell Independent School District, which posting shall be done not less than three weeks prior to the date fixed for said election.
Immediately after said election has been held the officers holding the same shall make returns of the results thereof to the Board of Trustees of said school district, and return the ballot box to the Secretary of said board for safekeeping.
The manner of holding said election shall be governed, as nearly as may be, by the General Election Laws as modified by Chapter 24 of the Acts passed by the Thirty-seventh Legislature at its regular session, 1921, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.
DR. J. M. HILL,
President of Trustees.
Attest:
B. F. ELLIS, Secretary.

SICKLY, PEEVISH CHILDREN
Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

MEETING OF DEMOCRATIC EXECUTIVE COMMITTEE MON.

As required by the Primary Election Laws of the State of Texas, I request the Democratic Executive Committee of Foard County to meet at Fred Reamels' office at the court house on Monday, June 21st, at 2 o'clock p. m., at which time the following business will be transacted:

- (a) Determine by lot the order in which the names of the various candidates shall appear on the ticket.
- (b) Estimate the cost of printing ballots, securing polling places, distributing stationery, etc., compensation of election officers and all other necessary expenses.
- (c) Apportioning such cost among the various candidates in such manner as is just and equitable.
- (d) Mail to each candidate a statement of the amount of such expenses apportioned to him or her, with the request that same be paid to County Chairman on or before June 28th.

The following constitute the Executive committee: A. D. Campbell, N. J. Roberts, S. M. Roberts, J. W. McCaskill, Elias Moore, J. P. Matthews, W. S. Tarver, A. Weatherall, C. E. Gafford, J. B. Easley, R. D. German, Frank Gilliland.
It is important that each member of the committee be present.
D. R. MAGEE,
County Chairman.

PUTTING AGE ON LIFE

The centenarian is more commonplace than he once was, but he is still rare enough to be good for mention in any newspaper. The time is coming, however, when living to be a hundred will be such an ordinary thing that no one will boast of it.
This, at least, is the view of Dr. S. J. Crumline, director of the American Child Health association, who believes the health of the nation to be improving so rapidly that everybody will soon have more than a sporting chance to live to be a hundred.
"If the things that we now know can be applied," he says, "we should add ten years within the next twenty to life expectancy. We have lengthened it ten years in the last fifteen and I believe we can add another ten in the next twenty, with proper progress. In 1936, it is my belief that centenarians will be common."
Great advances in scientific knowledge, the improved standards of medical schools and quickening interest in public health are among the principal reasons why advances in the age limit can be predicted with any degree of certainty.
Each year brings new conquests of dread diseases. The exact cause, course and cure of yellow fever, typhoid and diphtheria have been mastered in the past generation so that it is not improbable that ten years from now a death from one of these diseases will be the subject of a coroner's inquest to fix criminal responsibility.
The scientific discovery, however, is only half the battle. Knowledge must be spread to those who will be benefited by it. There must be a popular understanding of the value of health and how to keep it. Yeoman service is being done in this work by public health authorities, private practitioners, volunteer health agencies and the press.
And probably nobody will mind, even if it does eventually take the news value out of the centenarian!
Lost—Black traveling bag containing mostly baby clothing, on road between Knox City and Crowell Wednesday afternoon. Leave at News office and receive reward.
Wichita Falls—Bob Penick has been elected chairman of the On-to-Amarillo committee of the local chamber of commerce. Wichita Falls will operate a special train and will contest with San Antonio and Lubbock for the 1927 convention.
Most people who have nothing to do make the grievous error of doing it.

Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."
"Black-Draught is the very best laxative I have found. I always feel so much better after taking it."
"My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."
Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.
Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.
