NEW THRILLS

Everyone enjoys a new sensation that is pleasant. Many have experimented to their own displeasure with the ordinary Ford Oils that saturate the market and solicit the unsuspecting buyer with flashy statements, but if you want the thrill of satisfaction, go to your dealer and demand that your Ford be rejuvenated by filling the crank case

This is not a quack patent medicine prescription for your Ford ails but is a compounded oil refined after methods most up-to-date, and placed on the market by a company in operation continuously for a period of seventy years, only after a most exhaustive and painstaking experiment. A new THRILL awaits you on the first mile of your journey in your Ford car after you have filled the crank case with PENNANT 4D OIL.

A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

N the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just as essential to the old as to the young. Many old folks have learned the value of Doan's Pills when a stimulant diuretic to the kidneys is required. Scanty or No salts no nausea nor the burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of Doan's. Ask your neighbor!

SAVE CLOTHES

By Using An Electric Washing Machine

We have told you about the saving in the cost of washing clothes with an electric washing machine, but that is only one of the points of saving. Another, and a very important one, is that of saving wear and tear of clothing.

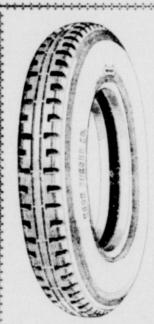

The method by which the famous Federal Washing machine operates, oscillation, means a big saving to clothes. Rubbing and thus wearing out the clothes is eliminated. In other words, the dirt is simply removed without injury to garments.

How Many Miles Will Your Ford Run

On A Gallon of Gasoline?

CONTEST-

On Saturday, March the 5th, at 2 o'clock in the afternoon we are going to have a Mileage Contest on the New Improved Ford Car. All Ford cars of the improved type, that is, 1926 or 1927 model cars will be permitted to enter.

We are going to give \$15.00 in repair work or merchandise to the Open Ford and a like amount to the Closed Ford running the fartherest in this Elimination contest. Then on March the 8th, at Vernon, the two cars winning in Foard County will go to Vernon and compete with two cars that win in a like contest at Vernon, Chillicothe, Quanah, Paducah, Matador and Benjamin. The prizes in the Final Contest will be as follows: \$100.00 to the open car running the most miles on a gallon of gasoline; \$50.00 to the second. A like amount to both the first and second in the closed car type. Here is your chance to win some easy money. It will not cost you a red cent

The following are the rules governing the contest:

- 1. No entrance fee and no expense.
- 2. All cars entered in the contest must be of the late improved type, Standard equipment with Holley Vaporizer, Balloon tires and starter.
- 3. No special or stripped down jobs or chassis allowed, but must be standard equipment as furnished by the Ford Motor Company.
- 4. Gasoline tanks to be drained and one gallon to be put in tank, which will be sealed by a judge before starting.
 - 5. No special or high test gasoline will be used in this test, ordinary gasoline of anybody's make.
- 6. No one connected with the Ford Motor Company branch, or any dealers' organization, or members of their families will be permitted to enter.
- 7. Cars will proceed from a starting point to be announced later, and continue over a designated route until car stops from lack of gasoline. Cars shall not move from the spot until the official referee arrives to record the exact mileage obtained from the speedometer on a Lincoln car previously tested by the judges.

This is a plain contest and no tricks in it at all. Come in and we will be glad to tell you the ways to get the

COMMUNITY HARMONY

Only one perfect man ever lived on earth. This is a good thought to keep in mind when we feel in the mood of condemning our friends and neighbors for their acts or imaginary faults. Every community can get along in peace and harmony if its people will but remember, "If there be one among you without sin, let him cast the first stone."

To paraphrase, "If there be one among us without fault, let him criticize others." In one sense of the word, we all live in glass houses, and anyone living in this type of home who throws stones may expect to get

It is a form of retribution that is eminently deserved. None of us has reached the state of perfection where we may assume a "holier than thou" attitude and expect not to get some unfavorable reaction. Most criticism of other people is unfair because it is based on incomplete facts.
