A Summary of Oil Activities in Foard County

The following article was prepared by Mack Boswell, secretary of the Chamber of Commerce, and sent to the daily papers Monday and for the information of the readers of the Foard County, who may not have seen this item in the dailies are herewith reproducing it. It is a summary of the oil activities in Foard County and is full of good information. From time to time the News has printed much of this information, but have never given a summary of the whole. The following furnishes interesting reading for home people as well as for those abroad:

Crowell has been the center of the largest leasing campaign for the past few months of any section of Texas without oil production. Approximately 190,000 acres of land in Foard County or rather one-half of the entire acreage has been leased to 32 major Texas operators and a great number of individuals. Practically every major Texas company is represented with leases in Foard County.

The Marland company has four drilling blocks over the county including 25,000 acres; Texas Company has two blocks including 15,000 acres; Roxana, three blocks including 17,000 acres; McCluney interests of St. Louis, three blocks including 20,000 acres; Sun, one block including 10,000 acres; California, one 8000 acre block; Shasta, one 5000 acre block; Humble, three blocks including 20,000 acres; Adkins, Clark and Blair, three blocks including 14,000 acres; Deep-Rock, one 3000 acre block; and J. D. Wright, two blocks including 8000 acres.

Practically every section of the county has been checker-boarded with leases and wells are now being drilled in various sections of the county. The Humble is down over 2000 feet with their well west of Crowell and the Sun is drilling a well in the northwest part of the county. Adkins, Clark and Blair of Dallas have made a contract with Big X 4-Ranch for the drilling of a well on the old Bomar ranch 15 miles southwest of Crowell. Roxana company is now putting up a rig about two miles northeast of Crowell. It is expected that the Texas Company will announce a location for a well within a week.

A large number of geological crews have been working out of Crowell for the past few months. Roxana has especially been represented with a large number of geological crews who have made headquarters at Crowell. Texas Company also has a large number of geologists covering the county. A number of other companies have also made geological surveys over Foard County.

A number of core tests are being made east of Crowell at the present and a few others have already been completed. Fain & McGaha, founders of the Fluhman field 24 miles east of Crowell, have made several core tests. The Fluhman field is one of the newest in Texas and is a heavy producer.

The Manhattan is the most recent company to lease land in Foard County. They now have a block of about 7000 acres on the Ben Easley ranch, 15 miles northwest of Crowell and are now having a geological survey made on their leases.

With the great amount of interest being shown by the large companies and with half the acreage of Foard County in leases, the general opinion at Crowell is that this city has an excellent chance of becoming an oil center.

Four Corners Votes Against Tax Raise

The voters of Four Corners School district voted in an election last Saturday on the question of raising the special school tax in that precinct from 50 cents to \$1.00 on the \$100 valuation and the proposition lost by about a two-thirds majority. The vote was reported to be 7 for and 2 against.

Mr. and Mrs. T. L. Hughton and Mr. Hughton's brother, A. P. Hughton, left Tuesday for Clarendon where Mrs. Hughton will visit while the gentlemen make a tour of the Plains.

The Safety League Has Meeting at Matador April 20

The Safety League, composed of the employees of the West Texas Utilities Company, had their monthly meeting at Matador, April 20th, and the following attended from Crowell: Mr. and Mrs. W. E. Maddox, Mr. and Mrs. George Hargrove, Mrs. M. R. Matthews, D. U. Baker and W. O. Clary. Besides these seven from Crowell and those at Matador there were eight of the employees of the company from Paducah to attend the meeting.

Officers for the ensuing year were elected, Mrs. Maddox as chairman and Mrs. Hargrove as secretary. The next meeting will be held in Crowell and will be some time in May, possibly about the 15th.

Barn Destroyed by Fire Wednesday

The barn at the home of C. A. Solis, a few miles northeast of town, was destroyed by fire Wednesday morning while Mr. Solis was away at work in the field. Although Mrs. Solis was at home, she had not discovered the fire until the alarm was given by a neighbor.

Besides the building there was a lot of cane and about three tons of maize and a good set of harness burned. The entire loss, Mr. Solis thinks, would approximate \$1,000. There was no insurance on the property.

With the assistance of neighbors a large granary within a few feet of the barn was saved from destruction by carrying water from a well and throwing it on the endangered building.

Mr. Solis said the flame was first discovered in the top of the building and he has no idea as to the origin of the fire.

Large Crowd Sees Polo Game Sunday at Minnick Ranch

The polo game Sunday afternoon at the Minnick ranch drew a large crowd from Crowell and other nearby towns, as well as a number from distant places.

One of the interesting features of the afternoon was the steeple chase, a feature not having been had in connection with polo tournaments here before. The grounds are favorable for the steeple chase and are surrounded with picturesque beauty and attraction. The chase could be viewed from the top of the breaks which affords a view for miles along the Wichita Valley. This was something many of our people had never seen before and they enjoyed it very much. Pictures were made of this by representatives of the Pathe News, and will be run on the screen in many play houses over the country.

The space surrounding the grounds for the polo game was lined with cars, there being possibly 350 or 400 cars, which would indicate that 1500 or 2,000 people were present. Perhaps there were not so many people present as would have been had the weather been a little warmer. Overcoats were worn and then one was not any too comfortable. If next Sunday is more sunny in all probability there will be twice as many to see the closing game of the tournament for this year.

Fort Reno won Sunday's game over Wichita Falls, 10 to 7. Ray Embree of Oklahoma University won the steeple chase, while Jim Minnick was second. In the quarter mile race in which there were eleven entries Jim Minnick, Jr., won.

Wheat Crop Is In Need of Rain

While the wheat crop is not suffering very badly, it is showing signs of a need of rain, so some of the farmers say.

There has appeared quite a lot of rust, due, it is said, to the heavy dew we have been having, but most of the farmers say there is little damage done by the rust at the present stage of wheat. The cool weather for the last two weeks has been a help to the wheat and it looks better than it did some days ago.

A good rain would help the crop wonderfully.

Special Feature at Polo Grounds Sunday

Besides the closing game to be played Sunday at the polo grounds between Wichita Falls and Fort Reno, there will be stunt flying by Ray Shifflett. The banner act mystery, "Stealing a Ride on an Airplane," will be a wonderful stunt. He will land Rosie Durand on the ground from his plane while flying at a speed of 50 miles an hour.

This will be an extra attraction Sunday for which there will be no additional charge.

THE ROAD BOND ELECTION CARRIES BY BIG MAJORITY

Foard County's \$400,000 road bond election Wednesday went over by a good strong majority.

The election was carried without an organized effort. So far as we know the work that was done for and against was that of individuals. The vote cast does not represent the full voting strength of the county, but it shows that the majority of the tax payers are willing to bear the burden of road building.

This election was for bonds with which to build 54 miles of road in the county, about 40 miles on Lee Highway and the remainder for a paved road to Foard City and one to Margaret, each connecting with the Lee Highway at Crowell.

The county expects aid from the State and Federal Governments to help build Lee Highway and the road to Foard City, but the Margaret road will be financed by the county alone. Foard County's election Wednesday means that Lee Highway will be built across the county, connecting on the east at the Wilbarger County line and on the west with Cottle County, both of which have already voted bonds. Also Motley County has voted bonds to pave across that county. That means that the four counties, Wilbarger, Foard, Cottle and Motley, will build their stretch of the Lee Highway, a distance of approximately 100 miles. Elections will be held in the other counties west of these four in the near future and it is expected that they will carry.

The progress of the move to pave has reached a stage where it will not cease until the work is done. The election in Foard County by boxes Wednesday is as follows:

	For	Against
Crowell	442	85
Foard City	24	51
Thalia	112	22
Rayland	24	25
Margaret	25	60

Mr. Schlagal Returns From Visit to Mother

C. T. Schlagal returned Thursday of last week from a visit with his mother at Paris, Ill. His visit covered a period of about a week.

Mr. Schlagal's mother is 88 years of age and had suffered an attack of paralysis, from which she is recovering very satisfactorily. Although his mother is advanced in years, Mr. Schlagal says she has retained her mental faculties remarkably well and really appears no older than she did ten years ago. She is very active for one of her age and only a short time ago was she induced to give up house work and make her home with the children. She is the mother of a family of eleven.

Mr. Schlagal passed through the flood stricken area and says that one who has not seen it can not conceive of the awfulness of the situation. Homes and all were swept away and a large portion of the Mississippi Valley is under water. Many lost their lives and thousands were rendered homeless. The track of a portion of the railroad over which he rode was under water and many of the passengers took positions on the train where they thought they might leap and take chances on escaping if anything went wrong. Mr. Schlagal saw one poor fellow marooned in a car on the top of a little rise surrounded by water for more than a mile in every direction. He thinks that the people who have escaped such disasters as have come to those people in the Mississippi Valley should find it a pleasure to lend financial assistance to those unfortunate people.

Floyd County Farmers Interested in Our Gin

Four farmers of Floydada were here Wednesday seeking information relative to the farmers co-operative gin here. These men are J. R. Rutledge, A. W. Dunn, Ben Gully, Tom Gill.

Farmers of Floyd County are planning to build a gin on the order of the co-operative gin of Crowell. They had learned of the success of the gin here and wanted information as to the conditions that had contributed to its success.

CROWELL TOMORROW

Arrangements have been made whereby the News expects to start at once a department in the paper called "Crowell Tomorrow." This will be a section of cuts of children in Crowell ranging in ages from three months to six years. G. H. Parr of Corpus Christi will handle the photographic work and the cut service for the News.

Just how long this will run has not been definitely decided, but in all probability at least a couple of months.

No charges are made to the individual for making these pictures and running them in the paper. Mr. Parr expects to make calls and ask for the privilege of making photographs of the kiddies and this will serve as an introduction of him to you. It is a very attractive department of a paper and we believe you will appreciate it.

Mr. and Mrs. H. T. Kenner and sons, Elbert C. and John, left yesterday for Hext to visit her father, J. H. Goble. They will likely go to the Valley before returning.

ty line and on the west with Cottle County, both of which have already voted bonds. Also Motley County has voted bonds to pave across that county. That means that the four counties, Wilbarger, Foard, Cottle and Motley, will build their stretch of the Lee Highway, a distance of approximately 100 miles. Elections will be held in the other counties west of these four in the near future and it is expected that they will carry.

Celebrated 82nd Birthday Sunday

The 82nd birthday of Uncle Jimmie Ashford was celebrated at his home here last Sunday. The birthday came on Monday, April 25, but Sunday was the day of celebration and Mrs. Ashford and her daughter, Mrs. Homer Cauthan, prepared the dinner at which there were thirty guests, including members of the family. The visitors were, Mrs. Dr. Adams, Mrs. Victor Johnson, Mrs. Nannie Newman, Uncle Bill Wheeler, John Stegar, J. C. Harrison, Bill Harrison, John Greening, wife and two daughters, Miss Avis Vaught, Miss May Belle Goode, Ed Adams and daughter, Freddie Hazel, Mr. Birdwell, Mrs. Dave Kerley and Mrs. Laura Newman and two sons. Members of the family and immediate relatives were Mr. and Mrs. Jas. Ashford and children, Mrs. Homer Cauthan and family and Wallace Connor.

Fire Department Called Sat. Night

About 11 o'clock Saturday night the fire department was called when a blaze was discovered in the rear of the M. S. Henry & Co.'s hardware store. It proved to be in an ash can which had contained trash and excelsior. This had accumulated through the day and since there is an ordinance against burning trash in the evening, this was left with the intention of burning it next morning. There is no way to explain satisfactorily how this little fire occurred. It might have proved serious had it not been discovered early. Comparatively no damage was done. When the store was closed about 8 o'clock there was no sign of a blaze to be seen.

State Federation Officers Visit in Crowell

Mrs. J. U. Fields, State president of Texas Federation of Women's Clubs, of Haskell; Mrs. I. E. Cole, state chairman of religious music, Amarillo; Mrs. J. L. Young, state chairman of the department of American home, Mineral Wells; Mrs. Day Mills, general federation director, Texarkana; Mrs. W. I. Whitsell, state chairman of education in the home, Canadian; Mrs. W. S. Douglas, state chairman of art, San Angelo; Mrs. R. Q. Lee, state treasurer, Cisco; and Mrs. J. H. Jernigan, of Childress, were week-end visitors in the home of Mr. and Mrs. M. S. Henry. Mrs. Henry is state chairman of industrial art.

Services at Black School House Sunday

Rev. W. J. Mayhew advises that there will be services at Black School House next Sunday afternoon at 3 o'clock.

Bro. Mayhew preaches once a month at that place and has splendid congregations to hear him.

THE SENIOR PLAY

Very few traveling shows are worth attending. The best plays that have ever been staged in Crowell are those gotten up by home talent. The play, "The Whole Town's Talking," rendered at the opera house Wednesday evening of last week by the senior class of the Crowell High School under the direction of Miss Lettie Arrington is to be classed among the best. The patronage was splendid, considering weather interference.

Mrs. Martha Tennie Wright Died Last Thursday, April 21

The death of Mrs. Martha Tennie Wright occurred at the home near Foard City Thursday of last week.

Mrs. Wright was born June 12, 1887. She is survived by her husband and six children ranging in ages from 4 to 19, all of whom are at home.

Funeral services were held at the Methodist church at Foard City Friday, Rev. Mayhew, pastor of the Crowell Methodist church, having charge of the services. The body was placed in the Foard City cemetery.

Mrs. Wright had been a member of the Methodist church a number of years.

Haskell Telephone Co. Making Improvements

The rural telephone line of the Haskell Telephone Co. running to the Vivian community which has been under construction for some time is almost completed, according to Joe Allen, local manager. The line represents an expenditure of more than \$3,000 and is first class in every particular. The poles used in the construction of this line are 18-foot Black Diamond.

S. W. Scott of San Antonio, president of the company, and John W. Pace of Haskell, general manager, were here last week and made an inspection of the line.

Another improvement the company will make soon is the running of a cable up the alley one block east of the square to the north part of town, at a cost of around \$3,000. This will eliminate much trouble in wires getting crossed and will insure better service to patrons.

Pathe Pictures Will Give Crowell Big Advertisement

Fred Bockelman and Mr. Allbright of Dallas, representing the Pathe News, were here Sunday with cameras to take pictures of the tournament at the Minnick ranch for the Pathe News and for the Fox News, and they took over 400 feet of pictures of the polo game and steeple chase.

The Pathe News is shown before fifty millions of people each week and the Fox News before almost as many. It would be conservative to say that these pictures will be shown before seventy-five million people a week. Crowell will be given as the center near which these took place and will get an immense amount of advertising from the pictures.

T. N. Bell took care of these gentlemen while they were in Crowell and they have nothing but words of praise for the hospitality and courtesies shown them not only by Mr. Bell but by all the people they met while in our little city. They were very favorably impressed with our town, country and the people, and where they go they will have good words to say for us.

NEWS ADDS NEW FOLDER

For some time the News has been trying to get enough money together to make the initial payment on an attached newspaper folder and finally it succeeded and now it has a new Omaha folder that takes the papers off the press and folds them without a man having to feed them through, except when there is an insert. In that case an extra hand is required to feed the insert.

This new piece of machinery will not only do better service than the old folder did, but it will save time, and time is too frequently a scarce article in a print shop.

We have had the folder a couple of weeks but had made no announcement of the fact because we like to learn the tricks of any new piece of machinery before we try to show it off. It behaves itself very nicely and we feel that we shall soon fall in love with it.

Soen to Return to Open Up His Store

A letter was received from I. Fisch Monday stating that he would soon return to open up his store. He has been in New York City for the past three or four months.

Rev. and Mrs. W. J. Mayhew and Mrs. Sam Crews of Crowell, and Mrs. J. L. Hunter of Margaret attended the annual conference of the Woman's Missionary Society at Abilene last week.

Rally Friday Night Was Well Attended Here

A get-together meeting held at the Methodist church Friday evening was a very good one. Bands and music makers from Thalia, Rayland, Foard City, Margaret and Crowell were present and contributed in a wonderful way to the entertainment of the audience. It has been discovered that Foard County has plenty of musical talent and all it needs is development.

Representatives of the women's clubs, including Mrs. J. U. Fields, president Texas Federated Women's Clubs, were present to lend their assistance to the occasion and a number of them made splendid talks relative to the activities of commercial organizations as community builders. We were commended especially by Mrs. Fields for perfecting an organization that looks to the development of the county and not to Crowell alone. It has been the aim of the promoters of the Foard County Chamber of Commerce to make it one that includes the entire county. It has achieved something worth while if it has won recognition as an organization with such a purpose.

The opportunity was given individuals to become members of the Foard County Chamber of Commerce by making a pledge of \$6.00 a year as annual membership fees and a large number enrolled as new members.

The promoters of this organization have tried to make known the fact that it is man power the organization needs. While it wants membership fees, these without the personal assistance of the individual in every way possible would not guarantee its success.

It has been pointed out that it needs men as well as money. Every member constitutes a part of the organization and should so regard himself.

Keep in Trim!

Good Elimination Is Essential to Good Health.

THE kidneys are the blood filters. If they fail to function properly there is apt to be a retention of toxic poisons in the blood. A dull, languid feeling and, sometimes, toxic backaches, headaches, and dizziness are symptoms of this condition. Further evidence of improper kidney function is often found in burning or scanty passage of secretions. Each year more and more people are learning the value of **Doan's Pills**, a stimulant diuretic, in this condition. Scarcely a nook or hamlet anywhere but has many enthusiastic users. Ask your neighbor!

GRANDPA PERRY PASSED AWAY

Joe Y. Perry was born April 22, 1845 in Shelby County, Ala., and died at the home of his daughter, Mrs. J. L. Kinchloe, near Crowell, April 26, 1927. He was married to Martha Parker in Commanche County, Texas, August 3, 1873. To this union three children were born, two daughters and a son, Mrs. J. L. Kinchloe of Crowell, T. J. Perry of Oilton, Texas, and Mrs. J. M. Williams who preceded her father to the better world.

He was converted and united with the Baptist church in his early married life. Through the years he lived a consecrated and consistent Christian life. The funeral was conducted from the Baptist church at 10:30 Wednesday morning. After appropriate words of tenderness and comfort by Bro. Foster of Vernon, the body was laid to rest under a cover of beautiful spring flowers.

ELECTRIC STOVES

Don't allow the summer months to find you cooking with an oil or coal stove. It's too hot and life is too short to worry ver the inconvenience and discomforts of the hot stove through the summer.

The better way is to let us install a Hotpoint Electric stove for you. Then your summer cooking will become a real pleasure.

The cost of operation is not large and the purchase of a Hotpoint is made easy and put within the reach of all.

Come in and let us talk the matter over.

Seniors Entertain Juniors
On Friday evening, April 22, the Seniors entertained the Juniors at the home of Gusta Davis. Punch was served to the guests as they entered. When every one had arrived we took our places and spent a very pleasant evening playing bunco. Delicious refreshments were served to about 25. At a late hour we bade

a reluctant goodnight, declaring this event to be one of the most pleasant of the year.—Contributed.

Mothers Self Culture Club
On March 25, the Mothers Self Culture Club met with Mrs. John Long as hostess. Then on the following Friday, April 1, Mrs. Baxter Johnson was hostess.

The club met in regular session April 15 with Mrs. L. A. Andrews. Mrs. Baxter Johnson gave an instructive paper on Africa, proving that this once dark country is advancing more rapidly than most people realize. Mrs. Paul Shirley gave interesting events from Standley's diary. Mrs. Andrews and Mrs. Clint White told of different customs and practices of the Africans.

After dainty refreshments the club adjourned to meet April 29 with Mrs. Leo Spencer.—Reporter.

A Resolution ordering a public hearing and that notice thereof be given to property owners and others interested in construction of sidewalks ordered to be constructed upon, along and across the property hereinafter described, and estimate of special assessments to be made and levied for the purpose of paying for the construction of same.

I. J. T. Billington, city secretary of the City of Crowell, Texas, in pursuance of the hereinafter resolution, do hereby give notice of the publication of the same, and directing the secretary of the City of Crowell, Texas, to give notice of said hearing as required by Article 1093, chapter 9, Title 28, of the Revised Civil Statutes of 1925, of the State of Texas.

Whereas, the City Council of the City of Crowell, Texas, ordered the construction of permanent sidewalks upon, along and across the north side of lot No. 1, and the north end of lots Nos. 24, 23, 22, 21, 20 and 19, in block No. 92, in the original town of Crowell, Foard County, Texas, same to be constructed with sand, gravel and cement. Also lot No. 7 in block No. 7 in said town.

Whereas, in accordance with section 2 of resolution entitled a resolution to carry into effect Chapter 9, Title 28 of the Revised Civil Statutes of Texas, of 1925, authorizing cities and towns which have accepted the benefits thereof, to improve streets, highways and public places.

Now therefore, be it resolved, that the cost of constructing said sidewalks shall be assessed against the property to be improved, and the owners thereof, and shall be due and payable July 1, 1927, with interest thereon from date this date at the rate of 8 per cent per annum until paid.

Assessment chargeable to property in Crowell, Texas.
Lot No. 21, block 92, A. Haley, \$20.00.
Lot No. 20, west 18 feet, block 92, B. W. Crowell, \$14.40.
Lot No. 24 in block No. 92, \$20.00, unknown owner.
Lot No. 7, in block 7, \$49.60, Mrs. C. R. Nix, 62 feet.

Be it further resolved, that a hearing shall be given to said owners or their agents, or attorneys, and all persons interested in said matter as to said assessments, as to amounts to be assessed against each owner and his property, and as to the benefits to said property by reason of said improvements, or any matter of thing in connection herewith, which hearing shall be had at the city hall in the City of Crowell, Foard County, Texas, on the 10th day of May, A. D. 1927, at 10 o'clock, a. m., at which time all of said owners, their agents or attorneys, or persons interested in said property are notified to appear and be heard; at which hearing, said owners or other persons may be heard by counsel or in person and may offer evidence and said hearing shall be adjourned from day to day until fully accomplished, and the city secretary of the City of Crowell, is hereby further ordered and directed to give notice of said hearing by publication hereof as required by Article 1093, chapter 9, title 28, of the Revised Civil Statutes of Texas, of 1925, and be it further resolved that this resolution take effect from and after its passage.

Approved this 19th day of April, A. D. 1927.
G. D. SELF, Mayor.

Everything you expect from your **MOTOR FUEL**

MOTORISTS who drive the year 'round with Conoco Gasoline know they are getting their money's worth. They know it because Conoco never fails in any of the three important tests upon which Gasoline should be judged. Conoco starts without overtaxing the battery; it delivers a snappy pick-up for traffic driving; it releases full power to the pistons with the resulting extra mileage.

Is it any wonder that car owners who know invariably fill their tanks at the Conoco sign.

LUNCHEON

Saturday morning at 10 o'clock the club women of Crowell and a number from the various community clubs assembled in the auditorium of the Methodist church where some beautiful and inspiring addresses were delivered by the visiting State club women.

Mrs. Cole of Amarillo gave an ardent appeal for improvement in sacred music. Mrs. Douglas, as usual, championed art in home and school. Mrs. Young insisted on better equipped homes. Mrs. Lee presented claims and importance of the Biennial to be held in San Antonio in 1928. Mrs. Jernigan brought greetings from Childress. Mrs. Whitsel urged that more attention be given education in the home, especially the art of current speech. Mrs. Mills gave a clever account of her visits to Northern and Eastern cities and some lessons that might be useful in our own state. Mrs. Sam Crews rendered a beautiful piano solo, and Mrs. Baxter Johnson read two poems especially appropriate for the occasion. Mrs. Fields, State President of Texas Federation of Women's Clubs, closed the program with one of her enthusiastic addresses that fired us with a determination to be more worth while women.

At noon a bountiful covered dish luncheon was served in the basement of the church. Everything good to eat was in evidence and we truly enjoyed the lunch and social hour.

Crowell women are glad to have the privilege of coming in contact with visiting women of such culture and purpose in life.

BREAKFAST HONORING WEEK-END GUESTS

One of the prettiest courtesies extended Mrs. M. S. Henry and her week-end guests, was a beautifully appointed breakfast tendered by Madams Sam Bell and George Self at the beautiful new home of Mrs. Bell. Those who enjoyed the early morning drive and the wonderful scene from the hill-top home were: Mrs. J. U. Fields, Haskell; Mrs. Day Mills, Texarkana; Mrs. I. D. Cole, Amarillo; Mrs. W. I. Whitsel, Canadian; Mrs. Jernigan, Childress; Mrs. R. L. Lee, Cisco; Mrs. J. L. Young, Mineral Wells; Mrs. W. S. Douglas, San Angelo; and Madams Baxter Johnson, R. L. Kincaid and M. S. Henry, Crowell.

The Co-Laborers Class

The Co-Laborers Class met at the Methodist church, Thursday, April 21, with Mesdames Clyde McKown and Gordon Cooper as hostesses.

During the business session the class voted to help pay for the work being done in the Methodist parsonage, and Mrs. Hubert Brown was elected as assistant reporter.

The Bible study, taken from the "Four Gospels," was led by Mrs. Allen Sanders.

These lessons are becoming more interesting each month and every member is urged to attend class meetings and take this Bible study with us.

After a very interesting contest, dainty refreshments were served by the hostesses.—Asst. Reporter.

THE STATE OF TEXAS

To the Sheriff or Any Constable of Foard County—Greeting:

You are hereby commanded to summon Howard Duvall by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 44th Judicial District; to appear at the next regular term of the District Court of Foard County, Texas, to be held at the court house thereof, in Crowell on the first Monday in May, A. D. 1927, the same being the 2nd day of May, A. D. 1927, then and there to answer a petition filed in said court on the 2nd day of April, A. D. 1927, in a suit numbered on the docket of said court, No. 1306, wherein Nellie Duvall, plaintiff, and Howard Duvall, defendant, and the cause of action being alleged as follows: Said petition alleging, plaintiff prays for a divorce upon the grounds of cruel treatment, and prays for judgment dissolving said marriage relations and restoration of her maiden name, for cost of suit and for such other relief, special and general, in law and in equity, that she may be justly entitled to, etc.

Herein fail not, but have you before said court, on said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Crowell, Texas, this 6th day of April, A. D. 1927.

At Presbyterian Church

Regular bi-monthly services will be held at the Presbyterian church Sunday, May 1st, Sunday School beginning at 10 o'clock followed immediately by the morning service at 11. Evening service will begin at 8 o'clock. We have been having some good singing at the evening services by giving each individual the opportunity to select his or her own favorite hymn to be sung. We will continue this and you are invited to come and help us.

The pastor will deliver a sermon on the New Service Pension Plan at the Sunday morning service. The great move now on in the lay portion of the church to administer justice to the church's servants in the way of remuneration after active service more nearly commensurate with the standard of work done by giving each retired minister and widows and orphans of ministers, adequate living pensions. It is the greatest move the Presbyterian Church of America has ever undertaken in this line. The drive is on now in Amarillo Presbytery to help raise the \$15,000,000 needed with the plan working in the various churches.

The message for the evening service will be taken from the Gospel according to Luke, third chapter, sixteenth verse—"He shall baptize you with the Holy Ghost and with fire." The subject will be "Burning Church." A message on enthusiasm. Come and be welcomed to worship with us.

L. H. SMITH, Pastor.

P. T. A. TEA

On Saturday afternoon, April 23, the beautiful new home of Mr. and Mrs. Bert Self was the scene of a Silver Tea given by the Parent-Teacher Association of Crowell. A splendid program was given consisting of a piano solo by Mrs. Sam Crews, a vocal solo by Mrs. Adolphus Wright, a short talk by Mrs. Self, president of the association, and a talk by Mrs. R. L. Kincaid relative to the work of the P. T. A. in Crowell, a talk which was interesting and inspirational. The visiting State club officers were guests and each gave a few words of greeting and encouragement and Mrs. J. U. Fields gave a splendid address which was greatly enjoyed.

Punch was served by Mrs. A. T. Chaney and Misses Sloan, Patterson and Cryer. The teachers and mothers were stationed throughout the home assisting the hostess in entertaining.

A neat sum was realized which will be used for the needs of the school. The direct purpose of the tea was to get as many people as possible interested in the work of the P. T. A. and to become members. It is an organization vital to our school and to our community and one in which the parents of every school child should have an interest.

L. V. Robertson visited an old friend in Junction last week returning home this week.

COMINE TO CROWELL

Dr. Hamilton, specialist, in internal medicine demonstrating his system of treating disease and deformities without surgical operation, will give free treatment at the Commercial Hotel Wednesday, May 11. Hours: noon to 5 p. m. Thursday, May 12, office hours: 8 to 11 a. m.

One Day Only

Dr. Hamilton is well known in Texas and has many patients. He will give his professional services free to all those who call on him this visit.

Dr. Hamilton is a regular graduate in medicine and surgery. He visits professionally the more important towns and cities and offers to all who call on this trip his services free of charge.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, goitre, tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers, and slow growth in children.

If you have been ailing for any length of time and do not get any better do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date and that his services on this trip will be free, making only a charge for medicines in cases which are accepted for treatment.

All that is asked in return for these professional services, is that those treated tell their neighbors as to how they have been benefitted.

Married ladies must be accompanied by their husbands.

Address: Dr. Hamilton, Medical Laboratory, Boston Block, Minneapolis, Minn.
