\$2.00 A YEAR

## T. N. Bell Will Attend W. T. C. C. Meeting at Cisco

Manager of the West Texas Chamber of Commerce Homer D. Wade has called a meeting of the executive board of the organization to meet at Cisco next Monday. T. N. Bell is a member of that board from Crowell and plans to attend the meeting.

Mr. Wade asks for a hearty cooperation in this matter and hopes to have a large attendance of the members of the board, first because it is the beginning of a new year and it is desired that plans be made for a great year for the organization in this country.

One of the things Mr. Wade is interested in is the oil development in West Texas. But that is only one of several things that he thinks should receive attention by the board. Others are conservation of water resources, a continuation of our diversified program, tax equalization, etc. Speaking of oil developments, Mr. Wade says that it is second only to agricultural developments of West Texas. This country has already assumed important rank, he says, in the production of oil and gas and it is not limited to any one or few localities, but is so wide spread throughout West Texas that it has taken on an aspect of commanding importance to this section.

"Our organization should foster and encourage the development of this great industry, which means so much to our material welfare", says Mr. Wade. He says further: "It should, furthermore, lend its every aid to their protection from unwise legislation. It should lend its every aid to encourage wise and wholesome legislation necessary not only to its development and operation, but to its conservation and legislation which may provide satisfactory marketing conditions. Particularly should our organization lend its aid to prevent the enactment of tax legislation which would be confiscatory or impose on the oil and gas industry more than its rightful and just proportion of taxes."

Mr. Wade seeks to place the organization just where it can be of the greatest service in this matter and at the meeting at Cisco there will likely be organized an oil and gas division of the West Texas Chamber of Commerce to give special attention to developments along this line.

### RECENT MARRIAGES

Following are two marriages, one of the persons in each case being well known to Crowell people:

Miss Zelma Owens was married to G. B. Humphries Wednesday night of last week at the residence of Elder A. B. Hughes in Vernon. They will make their home in Vernon where Mr. Humphries operates a music store. Miss Owens was a teacher in the primary grades of the Crowell school last year.

R. E. L. Patillo and Miss Anna Hanna were married on the night of June 4th at Quanah. Mr. Patillo has been county agent at Vernon since the first of the year. He was formerly county agent at Quanah. Miss Hanna was a teacher in the Quanah public schools last year. She was formerly a resident of Crowell, being a daughter of W. C. Hanna who resided in Crowell for several years, and also a sister to Dr. Hanna of Quanah.

### REAL HIGHWAY PROGRESS

The following paragraphs are taken from an editorial in the Vernon Record, which are interesting to automobile drivers in Foard, as well as in Wilbarger and other counties. The Record says:

"The announcement Saturday that the last concrete had been poured on the Colorado-Gulf highway in Clay County marks the completion of an important section of highway in Texas. Work will start within a few days on the Harrold-Oklaunion gap in Wilbarger County on the same highway.

"The completion of Clay County paving and the starting of work on our own unfinished stretch of road in this county means that by November 1 at the latest it will be possible to drive from Vernon to Fort Worth, Dallas, San Antonio and other important centers on hard-surfaced roads."

## County Judges and Commissioners Met at Seymour Saturday

County Judge J. E. Atcheson and Commissioners E. V. Halbert of Foard City, W. F. Thomson and Dave Solis all attended a district association of county judges and commissioners held at Seymour last Saturday. Only one of the commissioners, A. B. Wisdom, of Thalia, could not attend the meeting. Had it been so that he could have gone Foard County would have been one of the very few counties in the district with a 100 per cent representation.

These associations are held quarterly. The next one will be held at Munday and will be some time in August, the date yet to be determined.

They are very helpful to the county judges, as they offer opportunities for the discussion of problems common to these official bodies throughout this part of Texas.

## Revival Meeting Starts at Baptist Church Next Sun.

A revival campaign will be launched at the Baptist church next Sunday and will continue possibly for a couple of weeks at least.

Rev. J. Walter Moore of Fort Worth, a returned evangelist from China, will do the preaching.

A singer will be had from Fort Worth, but as yet he has not been decided upon.

The members of the Baptist church have met Rev. Moore, since he conducted a service at the church recently. He is said to be a very interesting speaker.

## Gas Went Over Top of Derrick Sunday

Crowell parties were at the well being drilled north of Thalia Sunday morning and they said that while an effort was being made to case off the gas it broke loose and shot mud ten feet above the derrick. The fact that the hole is 12 1/2 inches in diameter indicates that the pressure is very strong, since the gas is forced through such large opening.

It is said that more than 200 cars were on the grounds where the well is being drilled last Sunday. It is confidently believed that when deeper sands are reached a strong flow of either gas or oil will be discovered. The company has cased off the gas and is now drilling for real pay sand.

### CORRECTIONS

The News attention has been called to the fact that the name of Miss Lorena Randolph was not included in the list of high school graduates. Through an error it was left off the copy furnished the News for the programs and of course it was not discovered in the office when the list of graduates was published. Instead of there being 18 graduates there were 19.

Also last week when the News said that the five barrels of tar were burned at the rear of Womack Bros. furniture store it should have said they were partially consumed. Our attention was called to the fact that only a small portion of the tar was destroyed.

### HOSPITAL PATIENTS

Mrs. Willie Russell, who was operated on for appendicitis more than a week ago is getting along well and will soon have her former health.

W. M. Godwin is in the sanitarium, having undergone an operation for immediate relief from injuries sustained Thursday morning when he fell from a railroad car while unloading some lumber. He is getting along all right but will have no undergo another operation later, it is said.

S. A. Cook, former editor of the Beinville Democrat, Arcadia, La., was a visitor at the News office late Saturday afternoon. Mr. Cook has sold his plant in Louisiana and is prospecting in West Texas.

Fred Rennels and Mack Boswell made a business trip to Denison, McKinney and Dallas Monday.

## Good Seed and Terraced Land Make Good Yield

Two things have played an important part in the production of one of the best wheat crops in the county this year, and those are good seed and terraced land.

G. J. Benham of the Vivian community bought certified Kanred seed, the very best that could be found, and sowed it on all his wheat land, which had been well terraced, and now he has a crop of wheat already cut which appears to promise a yield of at least 15 bushels to the acre. This will be above the average for the county.

Mr. Benham is convinced that it pays to get good seed and also that it pays to have land terraced. The value of the terracing in this, as in most cases, is conserving of moisture.

## Wichita Falls C. of C. Representative Here

J. M. Malcolm Harrison, special representative of the chamber of commerce of Wichita Falls, was in Crowell Wednesday and Thursday of last week, working up an industrial survey of the City of Crowell. This valuable information consists of total bank deposits for the past two years, postoffice receipts for 1924, 1925 and 1926, railroad report in which is shown all freight, in-bound and out-bound, also cars for 1925 and 1926.

This survey gives many interesting notes of the City of Crowell, all of which the interested citizen will be glad to know. The representative states through the kindness of the secretary of the chamber of commerce and county agent he has obtained a wonderful report and same will be compiled in the Industrial and Traffic Department of the Wichita Falls Chamber of Commerce and copies of same will be sent to the chamber of commerce here for all to read who are interested in the welfare of Crowell.

The representative also called on the merchants, making same a good-will tour. In fact, working up friendly business relationships with the neighbor towns. He is selling Wichita Falls from a wholesale standpoint to the retailers of the trade territory. Mr. Harrison presented to each merchant in Crowell a territory map, also rate circular, complimentary from the Wichita Falls Chamber of Commerce through the local chamber here.

## Mrs. M. B. Patton Died Here Thursday

Mrs. M. B. Patton died at the sanitarium Thursday morning after having undergone a major operation Tuesday.

She is survived by her husband and three children, Mrs. Hubert Garrett, Harrold, Texas, Monty, 17-year old son, and Miss Agnes, 19. The family resides on the Hlavaty farm near Margaret.

As the News goes to press funeral arrangements have not been completed but burial will take place some time Friday at the cemetery at Thalia.

A sister, Miss Hannah Store, of Mineral Wells, and a niece, Miss Moby, of Fort Worth, are expected to arrive for the funeral.

### A RECORD

W. B. Jones furnishes the News with a record of two cows in the increase of their young either one of which is hard to beat. He has a three-quarter Holstein cow that is three years old and has had four calves, two sets of twins. He has a Jersey only thirteen months old that has a calf.

Such records are out of the ordinary.

W. B. Matthews and Price Bush came up Sunday. Mr. Matthews from his home in Denton and Mr. Bush from his home at Allen. Mr. Bush is looking after his farm interests and Mr. Matthews is visiting his old friends here. For some years prior to 1920, when he moved away, he was a resident of this county and having an opportunity to make us a visit he used it. He sees great improvements in Crowell and the country around since he went away. He reports wheat in Denton as being fairly good.

## Eight Cars Wheat Shipped Last Week Tested 59 and 60

The first week of the wheat shipping season closed last Saturday night with 8 cars as the record. Four of these were shipped by the Bell Grain Company and two by Hughston Grain Company. One car belonging to Hughston came from Foard City.

The test is excellent, as is shown by these eight cars. Four of those shipped by Bell Grain Company tested 60, while the other two tested 59. One of Hughston's cars tested 60 and the other 59.

If the first car shipment furnishes a criterion by which to estimate the quality of the grain, more of it will be in Class No. 1 than in any other. It is said generally that wheat looks good and where it is not harvested green the test is showing up splendidly.

## Eldorado Man Buys The Home Bakery

J. P. Jackson was here from Eldorado Monday and closed the deal for the Home Bakery plant which he will open up and operate soon.

Mr. Jackson is an experienced baker and has been engaged in that business in Eldorado. He will install new and modern machinery for the plant and expects to open for business between this and the first of July.

Mr. Jackson will come to Crowell to make this place his home and expects to give Crowell bakery products as good as can be bought anywhere and will build his business on their merits.

## Quanah Man Buys Mack's Restaurant

T. D. McElroy of Quanah several days ago bought Mack's Restaurant west of the old Smith Hotel from A. A. Murphy and has been in charge of the business for two weeks.

Mr. McElroy was in business with his brother at Quanah before coming to Crowell and was not intending to buy here when he did, but found what he thought to be an excellent opportunity and took it. He is an experienced restaurant man and likes his location and his splendid business.

He starts an ad in this issue of the News.

## Will Drill on Old Bomar Ranch

J. C. Thompson and J. W. Beverly went out in the Bomar pasture, 15 miles southwest from Crowell Thursday morning and located the southwest corner of Section No. 89, Block 44, near which point Blair & Clark will in a few days commence hauling out material for drilling an oil well.

Every ranchman and cowboy that ever worked in Foard County knows where Black Mountain is located.

This land now belongs to A. C. Adkins of Dallas.

### MARRIED

Mr. Herman Fox was married Sunday afternoon at 3 o'clock to Miss Louise Plunckett at the home of the bride's parents at Gould, Okla. The father of the bride, Rev. J. H. Plunckett, Baptist pastor at Gould, performed the ceremony.

The young couple left Wednesday afternoon for Crowell where they will make their home. Mr. Fox is associated with the Fox-Thompson Grocery of Crowell.

The friends of the young people here wish them all the happiness possible in their new relations.

Mr. J. F. Doolen and Miss Marion Laverne Dodson were married at the Methodist church at Mangum, Okla., at 8 o'clock Thursday night, June 2nd.

The bride is the daughter of Mr. and Mrs. M. H. Dodson, and the groom is the son of Mr. and Mrs. J. H. Doolen, both families residing at Mangum. Mr. Doolen is pharmacist at the Reader Drug Store.

The young couple arrived in Crowell Wednesday and are at home at Mrs. S. O. Woods', where they have light housekeeping rooms.

## Representatives for Epw'rh League Report Interesting Meeting

Edward Huffman and Miss Ila Lovelady, who represented the Epworth League of the Methodist church at Clarendon last week returned with a good report of the meeting.

Courses were given in Bible, Missions and Methods. The class in Methods was found especially interesting as it brought before the young people methods that produced the best results in each department of League work.

The loving cup, which is given to the district with the best standing, was carried away by the Stamford district. Plainview, her closest rival, had held the cup for three years.

Vernon District led all others in the pledges made to the Caperton Memorial Fund. The total district pledge, including personal pledges, amounted to more than five hundred dollars.

Vernon District has a fair chance of winning the loving cup next year if leagues can be organized in every pastoral charge. Miss Kirkpatrick of Vernon was appointed District Secretary. She is an enthusiastic league worker and every one is expecting this district to be near the top when the next assembly comes around.

## Lee Highway to Be Advertised When Aid Is Arranged

In a communication from Dr. S. M. Johnson, Washington, D. C., to one of our citizens, assurance is given that as soon as Federal aid is arranged for Lee Highway, twenty-three million automobile owners of America will be informed of the progress going forward to hard-surface the entire route.

That means, of course, that traffic will be diverted from other highways to Lee as soon as it becomes a road that can be traveled by tourists 365 days in the year. At present thousands of automobiles are going over the Bankhead south of us that would be passing through Crowell today if the Lee Highway were hard-surfaced. A few hundred miles out of the way amounts to comparatively nothing when a choice is to be made as between good roads and bad ones. But the shorter route will nearly always be chosen when the quality of the roads are the same. This, together with the advertising this county is getting all over the world, will lead tourists through West Texas when the road is completed.

Dr. Johnson's information given out to car owners will have the effect to keep the public informed as to the progress being made in the construction of this great transcontinental highway and they will be ready to use the road when it is finished.

### MR. ANDREWS EXPECTS TO COME HOME SUNDAY

Since his operation several days ago L. G. Andrews has been improving in a manner very satisfactory, and a card received here by his daughter, Miss May, Tuesday stated that he expected to be at home next Sunday.

The friends of Mr. Andrews and his family are glad to know that he has improved so well and that he will soon be back at home in Crowell.

Misses Sula May Gideon, Mildred Leath, Lilly Mahoney, all of Burkburnett, and Miss Mady Gladys of Vernon, were here from Friday until Sunday afternoon visiting Miss Georgia Ribble. Miss Georgia accompanied them to Vernon for a few days visit.

Weldon Cogdell received the gold plated pocket pencil given by Arthur Everts Co. of Dallas as a reward for finding the balloon released by Everts here when the Good Will Tour was made some weeks ago.

Rev. E. L. Mayfield, pastor of the Baptist church, attended an evangelistic conference at Fort Worth last week. He reports an interesting and profitable time.

Mrs. O. B. Harris and two children of Snyder, Texas, who had been here for several days visiting her parents, Mr. and Mrs. S. E. Scales, returned home Tuesday accompanied by Mrs. Eb Scales.

## Sudden Death Removes Another Citizen from Us

The death of C. E. Banister occurred suddenly Tuesday afternoon between 1 and 2 o'clock.

Mr. Banister had been at work at the Cameron lumber yard all day and just before his death he had gone to Mr. O'Connell's and gotten an ice cream and eaten it. He was in the rear of the Cameron building when he was seized with severe pain and called for a doctor, but before the doctor could arrive Mr. Banister had died.

The deceased was born in Detroit, Michigan, February 16, 1864, and came with his parents to Collin County, Texas, when about 14 years of age. They resided there until the 1887, when they came to Foard County. In 1898 he was married to Miss Alpha Kirkman and Crowell was their home until about ten years ago when they moved to Cleburne where they resided until three years ago. They moved back to Foard County, making Margaret their home for a time before returning to Crowell where they resided when Mr. Banister died June 7, 1927. The day of his burial was the 20th anniversary of his and Mrs. Banister's marriage.

He is survived by his wife and six children, John Banister, Mrs. G. E. Evans, Frank Banister, Mrs. C. S. Wishon, Helen and Margaret, all of Crowell except Mrs. Evans, who resides at Margaret. He is also survived by one brother, George Banister, of Redondo Beach, Calif.

Mr. Banister had not been in good health for some years but at the time of his death was apparently improving and for the last year or more had been able to do light work. He was a carpenter by trade and had helped to construct many of the buildings here in the years of the past.

Funeral services were held at his residence Wednesday afternoon at 3:30, after which the remains were placed in the Crowell cemetery.

## H. C. Cobb Answers Call of Death Sunday

H. C. Cobb, aged 80 years, died at the home of his son, Harry Cobb, of Rayland Sunday afternoon at 2 o'clock.

The deceased was born in London, Iowa, October 23, 1846, and moved from there with his family to Vernon in the year 1888. His wife passed away Feb. 15, 1925. For the last six and one-half years he had been blind and paralyzed and had made his home for the most part with his son, Harry. The body was taken to Tolbert Monday for interment by the side of his wife. He is survived by five sons, Harry, Clyde, George, Carl and Earl, and one daughter, Mrs. J. P. Davis, of Vernon.

## Gin Directors Meet and Elect Officers

The directors of the Farmers Cooperative Gin met last Saturday afternoon at the court house and elected the officers for the ensuing year, resulting as follows: S. Moore, president; C. E. Gafford, vice president; H. E. Davis, secretary-treasurer. All three were re-elections.

## Vernon Man Takes Own Life Thursday

News reached Crowell Thursday morning that Mr. Robinson of Vernon, the operator of the stage line from Vernon to Sweetwater, shot and killed himself at 4 o'clock Thursday morning. From the best information obtainable here the act was suicidal.

As a result of the tragedy the stage from Vernon south by way of Crowell did not run Thursday.

## Revival to Start at Christian Church

The announcement has been given out that a revival is to start at the Christian church Sunday, July 10th, and the invitation is extended to all to attend and contribute in every way possible to the success of a real religious revival.

You are asked to remember the date and be ready to enter into the revival with a will to work and pray that great good may be accomplished.

**THALIA**

(By Special Correspondent)

Rev. C. R. Payne of Vernon preached at the Baptist church here Sunday morning and Rev. Loyd of Rayland preached Sunday night. A large crowd attended each service. Mr. and Mrs. Homer Doty visited relatives here Tuesday. Mrs. J. C. Taylor and daughters, Jessie and Lucille, visited friends in Denton Friday and Friday night of last week. They were accompanied home by Miss Viola Taylor who has been attending the Teachers College there the past year. W. F. Wood and family and Mrs. Truett Neill visited in the M. B. Pat-

ton home near Margaret Monday afternoon. Funeral services for Miss Maudie Greenhouse were held at the Thalia cemetery Monday morning at 11 o'clock. Rev. Tomlinson of New Mexico and Rev. O'Kelly of Rayland conducted the services. Miss Maudie was 15 years of age and has lived near Rayland for several years. Ted Solomon and family and Mrs. Celeste Johnson of Crowell visited in the George Doty home here Tuesday. John Morris, who has been attending school at Clarendon the past few months, is visiting his parents, Mr. and Mrs. J. R. Morris, here this week. Miss Earl Byrd of Denton is visiting her sister, Mrs. Ben Hogan, here this week.

MEAT OF FIRST QUALITY

BAKERY GOODS UNSURPASSED

Not only do we handle the very best fresh and cured meats for the trade but we handle bakery products of all kinds. So when you call for your meats, you can also buy anything in the bakery line you may wish at our market.

Sanitary Market Que R. Miller, Prop.

You can't paint a house with "apple-sauce"

When anyone tells you that a "cheap," low price, inferior paint will cost you less than good old SWP—the best house paint money can buy—that's plain "apple-sauce," bunk, taffy, soft soap—or whatever you want to call it.

No cheap, inferior paint is as economical as SWP—because you need nearly twice as many gallons to do the job—and your paint job lasts only about half as long.

Don't be fooled by a low price per gallon. If you want the real truth about paint economy we have the facts. Come in and talk it over.

GUARANTEED!

SWP House Paint is guaranteed to look better, last longer, cost less per job and per year than any paint on the market.

See "Paint Headquarters"

Crews=Long Hardware Co. Crowell Thalia

treatment. Dr. and Mrs. R. D. German, Miss Eva Lee Cravey and Mrs. G. T. German were business visitors in Vernon Thursday.

Robert Dewey German visited his grandmother, Mrs. Martha Price, of Vernon a few days last week.

J. S. Gibson, Sr., Wyatt and John Gibson made a business trip to Thalia Thursday.

Mr. and Mrs. Arthur Graham of Vernon visited Ralph Gregg and family Sunday afternoon.

Among the Vernon visitors Saturday were, Mrs. J. W. Anderson and daughter, Katie, Mrs. Minnie Lyles, Mr. and Mrs. J. W. Craiger, Mr. and Mrs. L. G. Lawhorn and children, Dr. R. D. German, Mrs. Della German, J. F. Privett and son, Jessie, Willie Latham, Mr. Cozine, Mr. and Mrs. Oscar Maynard and daughter, Ruby, Pearl and Eunice Campbell and C. C. Woolley.

Dr. King of Vernon was called Friday to see Grandpa Cobb who is critically ill.

**THE FOARD COUNTY NEWS**  
KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter

Crowell, Texas, June 10, 1927

**WEEKLY NEWSPAPER STRONGLY INDORSED**

Alfred P. Sloan, Jr., president of the General Motors Corporation, recently gave a strong indorsement of the value of the country weekly newspaper.

In discussing this year's advertising campaign for General Motors Corporation, Mr. Sloan, among other things, said:

"I believe in the county weekly newspaper. I believe that no printed matter in the United States is more thoroughly read, or has more influence than the pages of these home town newspapers.—Manufacturer.

The News has a few more Lee Highway pamphlets for those who are interested in the road. These will be given away to those coming first. A large number has been given out within the last week. You can't read one of these with an open mind without becoming an enthusiastic booster for the Lee Highway. It will one day be the greatest transcontinental highway in America. Everything possible is being done to bring this road to completion so that it can be traveled from Washington to Los Angeles 365 days in the year. That time is not far in the future. With New Mexico and Arizona spanned with concrete the dream of its promoters will have been realized.

The probability of oil developments in Foard County should not lessen interest in agricultural and stock raising pursuits. These are the substantial and dependable sources of profit to the great majority of our people. They constitute the foundation of our prosperity and should not and will not be neglected. But, of course, if we have rich mineral resources, let them be developed. We shall be glad to see a healthy boom, but not one of such proportions as to bring overgrowth to country and town that must be followed by hurtful reaction.

Some people are always worrying about the outlook. If there is an abundance of rain they say everything is going to be drowned out, and even if there is just enough rain to make crops grow and brighten prospects they are afraid it will quit and things will get bad. If it is dry, everything has already gone to the bad and they are afraid conditions will never be any better. This country has come through decades of varying conditions and most of us are here in spite of our worries, which have not only done no good, but actual harm.

There has been no boom in Crowell but for several years a steady growth that gives the town the appearance of permanency. This is especially noticeable to those who have been away for the last half dozen years. The town's growth continues. Every week witnesses the erection of new homes which are to be occupied by citizens who have faith in the town and country. It is fine for people to own their homes, but we really need more houses to rent to those who come to stay for only a short while.

The completion of the high line into Crowell last week from Monday, which gives us electric connection with Abilene, brings to Crowell electric service as good as can be found in any city or town in West Texas. The West Texas Utilities Company is extending this service to hundreds of towns in the country and it will mean much to their development.

Foard County's half million bushel crop of wheat now being harvested will put a neat sum of money into circulation to help keep business moving until cotton and feed crops are made. This county has a distinct advantage over many West Texas counties in that it produces two staple crops—wheat and cotton.

Another site for an oil well has just been located in Foard County, this one 15 miles southwest of Crowell on the Bomar Ranch. Drilling is either going forward or will be soon on three sides of Crowell, one the east, south and west.

If we need them, let us have more gas stations, but along with them we ought to have a number of cream stations.

**County Federation Meeting**

The newly organized County Federation of Clubs held its first meeting in the district court room, Saturday, June 4th, at 4 p. m. All of the officers and members of the executive board were present.

Mrs. S. P. McLaughlin, program chairman for the day, took charge of the meeting, and the following program was rendered:

"America" by the club, led by Mrs. George Self.

Legislation for the prevention of signs upon highways.—Mrs. C. B. Morris.

What other States are doing to prevent the erection of signboards.—Mrs. Henry.

Reading—"A Voice from a Far Country."—Miss Mayfield.

A history of Lee Highway—Miss Jessalie Cates.

Song—"Long, Long Trail," led by Mrs. Self.

Address—"The Highway of Life."—Mrs. Kincaid.

Due to the very busy season many of the members were unable to be present. We are hoping that as soon as the harvest season is over every woman in Foard County will make an effort to attend these meetings. The next meeting will be held in the court room Saturday, July 2nd.—Press Reporter.

**B. Y. P. U. Program June 12, 1927**

Opening.  
Leader—Weldon Cogdell.

Subject—Bible Study Meeting, The Book of Esther

Scripture reading—Mrs. Ernest King.

Bible readers quiz—Donald Norris.

Introduction—Leader.

A romance of Providence—Allen Cogdell.

Vashti Deposed, Esther Elevated—May Andrews.

Haman Plots the Massacre of Jews.—Pauline Norris.

The part Mordecai plays.—John Wright.

Answering the Call to Consecration.—E. L. Mayfield, Jr.

Reading—Leeta Loyd.

Succeeding Steps in Her Plan.—Anna May Neill.

The Happy Outcome.—Rosa Lee McDaniel.

Secretary's Report.

Closing.

Mrs. J. B. Merrick and son, Roy, arrived last Sunday from Amarillo and will remain here during the harvest season.

**Card of Thanks**

We wish to express our heartfelt thanks to our neighbors and friends for their kindness and sympathy in the recent death of our husband and father. Also for the beautiful floral offering.  
Mrs. C. E. Banister and Children.

**TO HOLDERS OF SECOND LIBERTY LOAN BONDS**

**EXCHANGE OFFERING OF NEW TREASURY BONDS**

Notice is given of a new offering of UNITED STATES TREASURY BONDS, dated June 15, 1927, and bearing interest from that date at the rate of 4 1/2 per cent. The bonds will mature in twenty years, but may be called for redemption after sixteen years.

Second Liberty Loan bonds will be accepted in exchange at par. Accrued interest on the Second Liberty bonds offered for exchange will be paid as of June 15, 1927.

Second Liberty Loan bonds have been called for payment on November 15, 1927, and will cease to bear interest on that date. Holders of such bonds who desire to take advantage of the exchange offer should consult their bank or trust company at once. The exchange privilege will be available for a limited period only, and may expire about June 15th.

Further information may be obtained from banks or trust companies, or from any Federal Reserve Bank.

**"Co-Laborers Class"**  
On Thursday, May 26th, the Co-Laborers Class of the Methodist Sunday School met at the home of Mrs. Arthur McMillan with Mmes. McMillan, Erwin and Shook, hostesses. This lesson finished the study of the "Four Gospels" and the next lesson will be "The Acts" written by Luke.  
After several interesting contests a delicious ice course was served to the class members and Sister Mayhew and Sister Ament as guests. The class adjourned to meet again the last Thursday in June at 4 o'clock—Ast. Reporter.

Mr. and Mrs. Paul Williams of Breckenridge are spending the week with Mr. and Mrs. Arthur McMillan.

**Be Comfortable**

When the cold winter months come you put coal in the stove and make a fire in order that you may regulate the temperature so as to be comfortable. That's conducive to good health and comfort.

Why not apply the same principle in regulation of temperature in the summer? When the hot sweltering days come an electric fan is just the thing to set in motion the air. A cool breeze is sent through the house and you can perform your duties with comfort.

The cost of the fan is small and the expense of operation is so small as to be negligible.

Come in and let us show you the fan you need for either the office or the home.

**West Texas Utilities Company**

# A SERVICE INSTITUTION

Make the BANK OF CROWELL your financial headquarters—visit here often and feel free to ask for advice.

Think of this bank in the broader sense of an institution where business information and credit details can be obtained quickly and with willingness on the part of those imparting them.

If you will dismiss from your mind the view that our only function is to accept deposits and pay checks, we can greatly increase our value to you.

### FATHER'S DAY

Father's Day is to be celebrated Sunday, June 19, we are told. After Mother had been having her "Day" for several years, the idea occurred to someone that father also deserved a little niche in the family hall of fame, and so a "Day" was created for father.

No one will deny that father is entitled to a little credit. He has never received as much as mother—and the average father doesn't expect

Use Magnolia Gasoline and Magnolene Oil and get more mileage and better lubrication

CROWELL, TEXAS

it. Father's position has not inspired many poets to glorify him. He is just the breadwinner, the commonplace head of the house who likes three meals a day and a good place to rest his weary bones at night.

Father takes some pride in his home and his family. Though he may fuss about it now and then, he likes to do the odd jobs that fall to his lot to keep the home ship-shape.

Father is sometimes the supreme court of the home. He leaves the majority of the questions for settlement by mother, but when there is insurrection or a disposition to tear away from the restraints of home, it falls to his lot to make the decision. There are occasions when even his rulings are not respected and he has to use force. Of course, force is not resorted to as much as it once was. Some think that father doesn't exercise his authority quite as much as he should—and possibly he doesn't in some homes.

Father has his blemishes. He couldn't be mortal and be otherwise. If he's a good father, he will admit that he's not the whole "works" around the house, though he may storm around on occasion.

Father will also admit, if pressed for truth, that he doesn't exactly object to having someone make a fuss over him, and that he didn't find any good reason to remonstrate when some kind soul suggested recognizing father with a "Day".

### WHAT'S DOING IN WEST TEXAS

(By West Texas Cham. of Com.)

Miles—An up-to-date, 15-room hotel is under erection here. The building is a two-story structure, located in the heart of the town, and is under management of Joe Theile.

Breckenridge—A conference of oil men in the West Texas Chamber of Commerce territory has been called to meet here at 6 p. m., June 13, for the purpose of more fully coordinating efforts, and for taking some definite action on the recommendation for creation of an Oil and Gas Bureau of the West Texas Chamber. Members of the Texas Railroad Commission, the president of the Mid-Continent Oil and Gas Association and many other prominent professional leaders will attend the conference. The proposed Oil and Gas Bureau of the West Texas Chamber of Commerce would have for its purpose "the exploitation, conservation, protection, and development of the oil and gas industry of the West". The advisability of such a bureau will be discussed and decided upon at the Breckenridge meet.

Pyote—Organization of an active chamber of commerce was effected here recently at a mass meeting of the Pyote citizenship. Men from every phase of the commercial and civic life enlisted in membership of the body. Among officers elected were the following: Paul S. Cotner, president; A. J. Sifton, vice president; and J. J. Ross, secretary-manager.

Cisco—Notable and prominent leaders of West Texas and the State will be in attendance at the Board of Directors meeting of the West Texas Chamber of Commerce to be held here June 13. This gathering will mark the first official executive session to be held by the board appointed at the ninth annual convention. Momentous action is expected to characterize the meeting at which a comprehensive program for the year will be outlined.

Dalhart—Cream receipts for the Kaufman Creamery Company, which has been located in Dalhart for the past two years, totaled \$5300.60 for the month of May up to noon of May 27. This amount is more than twice the business of May, 1926. More than 450 farmers are patrons of the creamery. The establishment has promoted introduction of several carloads of dairy cattle.

Sweetwater—Sweetwater will be the assembling point for the distinguished personnel which will make up the motorcade party sponsored by the West Texas Chamber of Commerce to the Davis Mountain section of West Texas and to the scenic wonderland of Eastern New Mexico. Cars will gather here July 2, and will proceed with Alpine, Texas, and Clouderoft, New Mexico, as objective points, at which places district West Texas Chamber of Commerce conventions are scheduled. Short stops are to be made at towns en route, and three days will be spent in side trips to points in the Davis Mountains. One or two days will be spent in El Paso. An exploring party through the famed Carlsbad Caverns will climax and close the trip.

Slaton—Construction is in progress on between fifteen and twenty blocks of street paving in the residence section of the city. When completed, there will be 40 blocks of pavement in Slaton. It is all of brick laid on a concrete base.

McCamey—An emergency fire works system is under completion here, giving McCamey fire protection which it has needed since the town was first built. Actual proceedings have been started toward building a

#### SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

### Renew Your Health by Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs—once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 35 cts. At any drug store. (Adv.)

road to the Yates Oil Field, thereby giving McCamey additional 25 miles of trade territory and giving the town connection with the greatest shallow oil field in the world. Erection of \$200,000 worth of new schools is also underway. All these projects are being sponsored by the chamber of commerce which recently reorganized with the following new officers: Tryon Lewis, W. H.

Chiles, J. W. Schooler, G. L. Hildebrand, E. L. Cole. Cole is secretary-manager of the commercial body.

After the storm comes the calm—and also the Red Cross.

You have to be very good or very mean to be missed when you are gone.

# miles plus

DON'T expect a good average number of miles from a tankful of Summer Conoco Gasoline. Expect more.

And you won't be disappointed! Summer Conoco is especially refined to give you mileage—to cut down your cost per trip—to deliver real power under all motoring conditions.

So why not use the extra miles that are packed into Summer Conoco Gasoline?

Just make sure you are getting it by filling only where you see the Conoco sign—at service stations and garages.

# WHY Chevrolet can offer such marvelously fine cars at such remarkably low prices!

Only when you know the facts about the Chevrolet Motor Company is it possible to understand how Chevrolet can offer such marvelously fine cars at such remarkably low prices.

A unit of the General Motors Corporation, the Chevrolet Motor Company is backed by the vast resources and tremendous purchasing power of this mammoth organization. The twelve great Chevrolet factories are equipped with the most modern machinery known to engineering science . . . while

tremendous volume production makes possible enormous savings, both in the purchase of raw materials and in the manufacturing processes.

These savings Chevrolet passes on to the purchaser by providing the greatest dollar-for-dollar value in the history of the automotive industry.

Come to our showroom and see the Chevrolet models—and you will know why thousands of buyers are selecting Chevrolet each day!

### SHERIFF'S SALE

THE STATE OF TEXAS,  
County of Foard.

Notice is hereby given that by virtue of a certain execution issued out of the Honorable Justice Court of Foard County, of the 18th day of April, 1927, by M. M. Hart, Jr., Justice of the Peace, precinct No. 1, of said Foard County, for the sum of one hundred eighteen and 95-100 dollars and costs of suit, under an execution, in favor of W. R. Womack et al in a certain cause in said Court, No. 164, and styled W. R. Womack et al vs. Lizzie L. Henderson, administratrix of the estate of J. E. Collins, deceased, placed in my hands for service, I, L. D. Campbell as Sheriff of Foard County, Texas, did, on the 14th day of May, 1927, levy on certain real estate, situated in Foard County, Texas, described as follows, to-wit:

Lots 7 to 19 in block 63 in the original town of Crowell, and levied on as the property of J. E. Collins estate, deceased, and that on the first Tuesday in July, 1927, the same being the 5th day of said month, at the court house door, of Foard County, in the town of Crowell, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and execution, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said J. E. Collins Estate, deceased.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Foard County News, a newspaper published in Foard County.

Witness my hand, this 16th day of May, 1927.  
L. D. CAMPBELL, Sheriff,  
Foard County, Texas.

Andrew Jackson probably won more sobriquets than any other president of the United States. He is best known to history as "Old Hickory" and the "hero of the battle of New Orleans," but in his day he was given such nicknames as "Pointed Arrow," "Big Knife," "Sharp Knife," and "Military hero of the southwest," because of his prominence and efficiency in the border wars.

### A SPLENDID FEELING

That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using Herbine. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by

Stevenson—The Celestial Surgeon and Lanier—The Sympathy (extracts) by Hazel Dykes.  
All outsiders are invited to attend this meeting.

### JUNE IS HERE

June in the past has led us to anticipate some of the rare days that the poets have described. The poets have done well by June. The subject supplies inspiration enough for any maker of rhymes to do his level best.

If June behaves as is its custom, it deserves all that the great and the little poets have said about it. Occasionally June shows a rebellious spirit, but so rarely is this true that the exceptions prove the poet's rule

of universal praise for June.

This is the month of the year when nature perfects herself. April and May, now and then delightful, are but the preparatory stages. They set the scenery, prepare the seed, give life to the buds and bring out the foliage that provides the background for the lovely flowers that make June famous.

We may sing peans to June, but the month of brides and roses and sweet girl graduates and other things good to look upon would be a dismal failure without the hearty cooperation of April and May.

The law-makers who enacted the statute of limitations must have acted on the theory that time will cure everything.

The report is out that tending garden is good for you, but is regarded as a groundless rumor in many quarters.

Russians are said to be using eggs for money, which increases the opportunities for going broke.

Give us your blow-out troubles. We fix them.—Ivie's Station.

# MORE SPECIALS

Saturday Only

We still have a lot of Harvest Specials, and when these give out we will get more. Come in and buy your grocery needs at our store and save the difference. Might as well do it, you'll have that much more for something else. Following are a few of the many specials we have for Saturday:

**FIRST CHRISTIAN CHURCH**  
L. Guy Ament, Pastor  
The Christian church will hold a revival meeting beginning the second Sunday in July, which will be as need may be. Regular services Sunday 11 a. m. and 8:30 p. m. All are cordially invited to worship with us. Sunday School meets at 10 a. m., and there is a class for you. Bring some one along with you. Just be missionary in your life. Christian Endeavor meets at 7:30 p. m. The Fords and the Chevrolets are going. The W. M. S. meets next Monday at 4 p. m. at the church for their business and Bible study. Prayer meeting next Wednesday 8:30 p. m. All are invited to attend. The Children's Day program was fine last Sunday night. The children did themselves proud. The committee deserves a word of praise for the success. The offering was good.

Harvest Specials

The greatest reason why you should buy groceries at this store is because our tremendous buying power makes it possible for us to stock at the lowest possible prices. This saving to us is passed to our customers. Another reason why you should buy here is because we sell you good groceries, not cheap stuff at cheap prices.

These are strong drawing cards and hundreds are making this their buying place. We want others to be added to our growing list of customers. Be sure to buy your Harvest Groceries here.

Note the following specials for Saturday, June 11:

- CREAM OF COLLIN Flour, 48-lb. sack..\$1.95
- 1 GAL. APPLES, 1 GAL. PEACHES.....88c
