## Expert Flyer May Be Here Armistice Day

Arrangements are being made by the American Legion to have Mr. L. Lowry of Plainview to come here Armistice Day to assist in the celebration at that time in the way of airplane stunting and airplane fireworks. Mr. Lowry is a member of the American Legion and an expert flyer. He has one of the most modern planes that can be secured and purchased it new about two weeks ago from the Alexander Eaglerock Aircraft Factory. He will take up passengers during his stay here at popular prices.

The American Legion considers itself very fortunate in securing Mr. Lowry's services on such an attractive proposition. Mr. Lowry promises to fulfill a complete stunt program at different times during the day and will fly in a fireworks display at night if a proper field can be secured whereby cars can surround it to light it up. All that he asks for his stunt program is that the American Legion assist him in his passenger business. Ordinarily an organization is reluctant to recommend airplane rides due to the number of dangerous war time planes that are still touring the country but due to the fact that Mr. Lowry is an expert aviator and has one of the safest planes built, the local Legion does not hesitate to recommend his services to the people of Crowell who wish to enjoy an air ride, to repay Mr. Lowry for the courtesy he is extending us.

## Chevrolet Caravan Is to Visit Crowell

One of the greatest spectacles ever witnessed outside the realm of the circus parades will be seen here when the great Chevrolet Truck Caravan rolls into the city.

The Allen Chevrolet Company has arranged for this truck caravan to spend three or four hours in Crowell for the purpose of personally demonstrating the adaptability of their trucks for present day demands and to establish a closer relationship between the Chevrolet factory and truck users.

The caravan will consist of some twenty trucks, all equipped with the various types of bodies so readily adapted to Chevrolet ton and half ton trucks.

In the caravan there is also represented the leading wholesale and manufacturing companies, closely allied with the automobile and truck industry.

The Chevrolet caravan will be here Saturday, October 8th, instead of Monday instead of Monday, October 10, as previously announced.

Mr. Allen of the Allen Chevrolet Company is going to make October 8th a real Chevrolet day. The Chevrolet Truck Caravan, accompanied by many local Chevrolet owners and boosters will parade through the main sections of the city, after which a demonstration and program will be held in front of the Allen Chevrolet Company's place of business.

A program of entertainment has been provided that will include many novel things, such as radio broadcasting, a guessing contest in which cash prizes will be awarded, etc.

From all reports this caravan will be a thing so novel and so different from anything ever before seen in this city that an immense crowd will turn out for it.

## Estimated Ginners Report 3600 Bales

The gins in Crowell were visited Wednesday afternoon and figures procured as to the ginnings of the three plants here, which showed 1317 bales for all three.

Figures from the other gins over the county are not at hand but estimates place them at something like the following figures: Thalia's two gins, 1100; Rayland's one gin, 800; Margaret, 400.

By the end of the week the combined ginnings of the seven plants in the county should be around four thousand bales.

In all probability four times as much cotton has been ginned already as was ginned at the same time a year ago.

## One Dead, Six Others Burned in Margaret Fire

As a result of a fire originating from the explosion of a gas stove, fed by air pressure, at the home of C. C. Martin, Margaret, Texas, Friday afternoon about 6 o'clock, one member of the family, Henry Clay, 3 years of age, is dead and the home and all its contents are in ashes and six other members of the family are in Crowell where they are receiving treatment for burns received in the flames. Only two members of the family, Clara May, 11, and Vera Texas, 2, were uninjured.

The accident occurred when the family had all come in from the cotton field and Mr. Martin from trucking, and it was beginning to get dark. They were all chilly from the storm and rain that had just passed and had assembled in the kitchen where Mr. Martin was trying to light the gas stove for the family to warm by. The feed pipe was stopped up and one of the children was holding a lighted lantern close to the stove so that Mr. Martin could see how to unstop the pipe line, when suddenly the explosion occurred. The room was filled with flames and gas was scattered on the clothes of some of the family. Before he could begin to get the family from the building, Mr. Martin had to shed a portion of his burning clothes. He got all the family out except Henry Clay, 3 years of age, who was shut off from escape, and whose exact location in the building was not known until the walls fell in, revealing his charred body.

Mr. Martin and Nolan, the 14-year old son, were the most severely injured, but it is thought they will recover. Mr. Martin received severe burns on the face, hands and arms. Nolan was badly burned about the body and legs. Mrs. Martin, Louzeta, 7, J. L., 5, Clarence, Jr., 8, received less injurious burns and are able to be up. Clara May, 11, and Vera Texas, 2, were uninjured.

Mr. Martin and his family came from Knoxville, Tennessee, about three years ago, locating at Lampasas. From that place they moved to Margaret last spring, where they have made their home since. Mr. Martin being engaged in the trucking business. All the household goods except one rocker were destroyed in the fire.

The family was brought to Crowell where medical attention could be given them and they are located in the Max Miller house in West Crowell.

Funeral services were held at Margaret Saturday morning and the dead child buried in the cemetery there.

This is a most unfortunate affair, one that has elicited sympathy and help from many of the people here and at Margaret.

## GAMBLEVILLE (By Special Correspondent)

Mrs. Wade Odle was brought Sunday from the sanitarium to the home of her parents, Mr. and Mrs. T. D. Edwards, to spend a few weeks.

Carl Baker and family moved from the Sim Gamble place to the former's brother near Quannah to help with the cotton crop.

Farris Burnett of Keller, accompanied Ray Pyle and Mrs. Blevins came Wednesday of last week. He is helping Ray gather his crop.

A. L. McGinnis' garage burned one night this week. Negroes were living in it. The origin of the fire is unknown to the writer.

Mr. and Mrs. Shultz were shopping in Vernon Tuesday.

Little Ada Frances Conners was quite sick Tuesday.

Mr. and Mrs. E. A. Hurst of Baxter Springs, Kansas, are visiting the former's sister, Mrs. D. M. Shultz, and family. They came Sunday from Vernon to visit Mr. and Mrs. Shultz. All of their children were present but one, W. M. Shultz and family of Vernon. A good dinner was served to the visitors and in the afternoon Prof. Maddox and his band boys from Thalia furnished some enjoyable music. The band boys were O Neal Johnson, Lump Pittile, Royce and Willie Cato, Joe Johnson, Raymond Phillips, Roy and Ralph Shultz, Mr. and Mrs. Gus Neill and Mrs. Essie Haney rendered vocal and piano music later in the afternoon. There was a total of 60 persons who enjoyed the day together.

C. E. Stewart and family were in Crowell Saturday afternoon, also Mrs. Watson.

Mr. and Mrs. E. A. Hurst and Mrs. D. M. Shultz visited in Thalia Tuesday night and Wednesday with G. A. and J. L. Shultz and families.

## Commissioners Employ Engineer for Road Work

The county commissioners closed a contract with Byron Reese Monday to do the engineering work on Lee Highway. The contract has been sent to the State Highway department for final approval and when that body approves this action the county will be ready to start the survey work. It will likely be 30 days before it will be known whether the Highway Department approves or not. The probability is that there will be no objection to Mr. Reese, as he is now engaged in the same work for Hardeman County. He is known to the Highway Commission, since he not only did the engineering work for Clay County when they hard-surfaced their portion of the Gulf-Colorado Highway, but he has also done office work for the Highway Department.

The commissioners, feeling that very much depends upon the work of the engineer, have made a most diligent search for a capable engineer and they believe they have found the best available man. So they will proceed with confidence that they have thus far done well the foundation work.

Mr. Reese will occupy a room in the courthouse where he will do his office work and will be in position to start it as soon as the county is ready. He is working in Hardeman County with Mr. Nabers of Wilbarger at the present time.

The question will be asked hundreds of times as to when the road will be completed and ready for travel. The public is not concerned about the details of the work but want the finished product. Many of them wish they could drive out today on a hard-surfaced road, but it will be months and months, even a year, two years and then some, before the entire road across the county is ready for use. It is estimated that two years and a half at the very best must be had to complete the entire job. Liberal allowance should be made to this, and if it is put at three years we should feel that we have been fortunate indeed.

The men who are putting the job over are the commissioners and the county judge. They have a big job and there will be hundreds of problems to work out between this and the completion of the work. They realize the responsibility and they are going at it with caution. Such jobs are not done without hitches here and there, with possible delays, and maybe somebody will find a place to back up and kick, but patient waiting on the part of the public will be better as a rule.

We feel that it will not be long until the end of a long cherished vision can begin to be realized and Foard County will be lifted from the mud.

## Mrs. H. Hallmark's Father Died Oct. 2

Mrs. Harland Hallmark received a telegram October 3rd, stating that her father had died at his home in Kansas City, Kansas, on October 2nd.

Mrs. Hallmark's health is such that she could not attend the funeral.

Some weeks ago she visited him on account of his illness and it was thought at that time that he could not survive but he got better for a time.

## WIND DAMAGES HOME

The terrific wind storm that visited Crowell Friday afternoon did some minor damages, which is not uncommon for such winds, but the worst possibly was that done to S. D. Martin's new house at the Tourist Camp Ground. Mr. Martin is erecting a 14-room dwelling and had the house ready for the roof when the wind came, wrenching the frame so badly that one whole day was spent by the carpenters in straightening it up.

Some hail is reported in various communities but little damage was done by it.

## Foard County Exhibit Went to Dallas Wed.

County Agent Fred Rennels and Secretary of the Chamber of Commerce Mack Boswell left Wednesday with Foard County's agricultural exhibit to be made at the Dallas Fair. The last few days of preparation for the exhibit in assembling specimens of farm products were intensely busy ones for Messrs. Rennels and Boswell, but by staying on the job every minute of their time they got together a very fine lot of specimens. The attractiveness of the exhibit will depend largely upon the display made in the booth at Dallas.

The boys realize that they are up against the very keenest competition. There will be no less than 60 or 65 counties in Texas having exhibits at the fair this fall, and many of these are gotten up and arranged by professionals, men who have made a study of how to arrange and what to exhibit that will win high points in the contests. This being the situation Rennels and Boswell are not expecting to win the highest place among the exhibits. To be sure they shall be glad if they should win first place, or a place near the top, but in view of the fact that competition is so strong they do not expect it. Any county is fortunate if it wins fifteenth place. The sole object in making this agricultural exhibit is to advertise Foard County. Of course, it is worth something to get a favorable decision of the judges, but it is worth more to impress the thousands of visitors with the fact that we have one of the great agricultural sections of Texas right here in Foard County, and with the specimens of products that will be put on display at the fair and some facts as to the yield, especially of wheat, according to the Government figures, a very favorable impression can be made upon the minds of prospective land buyers and home builders for this country. And that is the purpose of the exhibit.

## Walls School Building Are Rapidly Rising

Those who have taken notice of the progress being made on the new school building doubtless have noticed that splendid progress is being made and it looks like it will not be a great while until it will be completed and ready for use.

When the building is completed, we shall have cause to be proud of it, no doubt. It is going to be one of the best, most substantial and modern school buildings in this section of the country.

At first there was a little uneasiness over the cement which is being used for mortar, some thinking it was too soft and brittle. It was not out of place that this matter be investigated and since it has been, we are assured of the fact that it is the best mortar that is being used in brick buildings today. This is known as Ft. Scott Hydraulic Cement, and is being used all over the country on the most costly buildings in the country, such as the Herring Hotel, Amarillo, costing a million dollars; Polk Street Methodist Church, in the same city, the cost of which is \$350,000; the City Auditorium, costing one and a half million; Scottish Rite Cathedral, a million and a half; and other buildings, all of San Antonio. There is a long list of others, including large hotels, and the county court house at Fort Worth, that are using this same cement as mortar. A number of others in Kansas City and St. Louis were also put up with it.

This cement begins to harden after about 30 days and makes a wall that is practically solid, so solid indeed, that it is said that the brick in a torn down building where it has been used can scarcely be salvaged.

We have the guarantee of the company putting this out and they ask only time to prove their claim of its merits.

We believe we shall have a building of which everybody will be proud.

Another objection to another party is that there is already a shortage of timber.

## Utilities Unite In West Texas

To simplify operations and accountings, a consolidation of all operating properties of the West Texas Utilities Company was effected Saturday by filing papers on these changes in the office of the Secretary of State at Austin, announces George W. Fry, president.

Properties such as the Central Power and Light Company and the Texas Plains Public Service Company, formerly affiliated concerns, were among those placed under the head and name of the West Texas Utilities Company, greatly enlarging that concern.

In addition to the properties of the West Texas Utilities Company as they existed prior to the change just made, the company acquires the Cisco Ice Company, the Abilene Ice Company, the West Texas Ice Company and the San Angelo Water, Light and Power Company, all of which have been under the control of the West Texas Utilities Company in the past. Other properties acquired by the company are the Quannah Light and Ice Company and a number of electric and ice properties heretofore operated by the Central Power and Light Company, among them being systems at Clarendon, Memphis, Childress, Vernon, Wellington, Shamrock, Estelina, Kirkland and several smaller places.

Properties of the West Texas Ice Company are at Haskell, Crowell, Matador, Menard, Stamford, Hamlin, Santa Anna, Coleman, Ballinger, San Angelo, McCamey and Big Lake.

These charter changes were made in part to simplify the corporate structure and in part for the purpose of enlarging the company by acquiring properties in the West Texas territory that have heretofore been owned and operated by affiliated companies.

## School at Vivian Opened Last Mon.

The Vivian school opened last Monday with a good attendance, according to information furnished here the News. This is one of the best schools in the county and employs four teachers as follows:

Bailey Rennels, principal; Misses Claudia and Ola Carter, intermediate, and Miss Cora Carter, primary.

The Vivian school has a good building well equipped, and it is thought that there will be eight months of school this year.

## A COMMENDABLE ACT

Through the generosity of the business men of Crowell subscriptions were made this week to a fund for the repairing of Mrs. Viola Locke's house. Mayor C. T. Schlagal, assisted by others, worked on the subscriptions and found every one ready to lend his assistance.

Eight carpenters donated their work and completed the job of roofing the house in one day and doing many other small jobs on the building to make it comfortable. The carpenters were L. I. Saunders, Bill Harrison, Rob Banister, King, Red Ragland, Jack Ballard, Dick Bond, and Kenney Woods.

Bob Belsler put up a new flue and Red Easley, Dayton Clapp and Earl Gee painted the house. M. S. Henry & Company repaired the gutting and did the tin work, all of which put the building in good shape.

## JAMESON (By Special Correspondent)

Quite a few from our community attended church at Black Sunday afternoon.

H. L. Jinks and family spent Sunday in the home of their son, W. G., north of Quannah.

R. G. Nichols and family were guests of relatives at Thalia last Sunday.

Mr. McFarlan and family of Black spent Sunday in the Pope home.

William Gaffard and sister, Miss Mary, and Misses Myrtle Duffie and Marie Jinks attended league and church Sunday night.

Miss Lois Thompson is back in school this week having been absent on account of having tonsillitis.

Mr. and Mrs. W. F. Hunter spent Sunday with Mother Hunter of Margaret.

John Shirley has sold his crop and stock to John Randolph and will give possession soon.

The wheat on thousands of acres in Foard County is now up and looking fine.

## Death Claims Another Foard County Pioneer

The death of Mrs. T. H. French last Thursday afternoon marks the passing of another of this county's pioneers.

The maiden name of the deceased was Miss Sarah B. Shannon. She was born in Rome, Ga., January 5, 1848, was converted at the age of 15, and was united with the Methodist church, South, remaining thereafter a faithful member. She was married to Thomas H. French September 30, 1872, to which union ten children, eight girls and two boys, were born. Three girls died in infancy. One son, James H. French, died July 13, 1917. The husband, Thomas H. French, died March 29, 1918.

The surviving children are, Mrs. Sam Russell, Mrs. Tennie Reid, Mrs. Lottie Pittile, Mrs. Celia Johnson, Mrs. Julia Swan, and Joe French, all of this county. She is also survived by 42 grandchildren and four great grandchildren.

An infant born to Mr. and Mrs. Hugh Jones, which died Thursday night and which was a great grandchild of Mrs. French, was buried in the grave with the body of Mrs. French.

A double service was held at the Thalia tabernacle Friday afternoon. Rev. T. M. Johnston, pastor of the Methodist church at Thalia and Margaret, conducting them, assisted by Rev. W. J. Mayhew of Crowell.

Mrs. French, her husband and family came from North Carolina to Foard County in the year 1901, which has been the home since that time.

## John Teal Reported to Be in Hospital in Los Angeles

A man who is thought to be John Teal was shot recently in California while trying to steal another man's wife and is now in a hospital in Los Angeles.

Some Foard County people, who reside in or near Los Angeles, and who knew John Teal when he was in this country, have been to the hospital and think the wounded man is John Teal.

A reward has been up for the arrest of Teal for murder in Bailey County some years ago and the sheriff of Bailey County, wants Mr. Campbell to go with him to Los Angeles to identify the man now in the hospital there. Mr. Campbell thinks since the man will be there at least there is no need to be in a hurry, for a month, even if he should recover, and it is said that he has an even chance for recovery. He thinks it is advisable to look into the matter and be reasonably well assured before making the trip that it will not be in vain.

## Assured That Advertising Pays

Some months ago a persistent advertiser, elated over the results of advertising figured his profits on a single line of merchandise sold and found that on that alone he had realized a profit on one day's sales sufficient to pay the advertising bill for one week. Several hundred dollars worth of other lines of goods were sold the same day which netted real profit. The consumer bought at close prices and saved money. The advertising merchant was after volume and got it. The advertising bill was a negligible item.

Another persistent advertiser whose ad appears in this paper from week to week, only last Saturday had to increase his help force to take care of the increased trade that had come by reason of advertising.

The business man who has become convinced that advertising pays and is wisely appropriating that knowledge to his business, possesses one of the leading fundamentals of success.

The purchasing public is watching for the opportunity to save cents on items and dollars on bills, which, in the run of a year, furnishes substantial protection to one's bank account.

## AFFIRMED ACTION OF DISTRICT COURT

The case of McBeath vs. L. D. Campbell was appealed and decision rendered in favor of Campbell by the higher court, according to information received here this week.

"Oldest in the United States"

### THALIA

(By Special Correspondent)

Rev. Reed of Lockett filled his regular appointment at the Baptist church here Sunday and Sunday night. A large crowd attended each service.

Mrs. Leta Rasor of Crowell visited her parents, Mr. and Mrs. T. M. Haney, here Monday.

O. C. Hammonds and Misses Marguerite Laubenthal and Lois Hammonds attended the Texas-Oklahoma Fair at Wichita Falls Saturday and Sunday.

Mrs. W. J. Long and Mrs. T. M. Haney attended a missionary meeting at Crowell Tuesday afternoon.

A baby girl was born to Mr. and Mrs. Bill Barrett Tuesday of last week.

Mrs. A. E. Tarver of Wichita Falls visited relatives here last week.

Mrs. F. A. Brown was shopping in Vernon Friday. She was accompanied by Mrs. George Burress of Crowell and W. D. Burress of this place.

Alex Neill, Jim and Gus Hammonds, Zerrel Mason, Mrs. Vonnie Edens and Mrs. G. T. Neill were Crowell visitors Saturday.

Mr. and Mrs. John Thompson Jr. visited relatives in Levelland from Friday to Sunday.

Mrs. Inez Solomon of Crowell visited her parents, Mr. and Mrs. Geo. Doty, here Saturday night and Sunday.

Mr. and Mrs. Mack Edens and Claude Baker visited friends in Vernon Sunday.

Funeral services for Grandma French were held at the union tabernacle here Friday afternoon at 3 o'clock. Rev. T. M. Johnston of Margaret conducted the services after which the body was laid to rest in the Thalia cemetery. Grandma French lived near Crowell at the time of her death but has lived near Thalia several years. She leaves many friends and relatives here to mourn her going.

Ben Stokes was a business visitor in Quanah one day last week.

W. S. Tarver and family visited relatives in Wichita Falls Saturday and Sunday and attended the fair.

Mrs. J. G. Thompson returned to her home here Monday after several months' visit with relatives on the Plains.

Mrs. J. C. Jones visited her parents, Rev. and Mrs. Frank McNair, of Lockett from Sunday to Wednesday of this week.

W. G. Chapman and family, Mr. and Mrs. E. J. McKinley, Wood Roberts, M. C. Adkins, C. H. Wood, and E. G. Grimsley and families were guests of Mr. and Mrs. H. W. Gray Sunday.

The ladies of the Methodist Missionary society will have a pie supper at the high school auditorium here Thursday night, Oct. 13. Every one is invited to attend.

The girls of the Thalia basket ball team went to Talmage Thursday afternoon and played a game with the girls there. The score was 32 and 14 in the Thalia girls' favor.

### MARGARET

(By Special Correspondent)

This entire community extended sympathy to Mr. and Mrs. C. C. Martin Friday night when their house was destroyed by fire when a gas-line stove exploded. There were 9 members in the Martin family and only two escaped without injuries, one four-year-old boy was burned to death. Mr. Martin and a fourteen-year-old boy are severely burned. The family was moved to Crowell, a nurse placed with them. A nice donation of clothing, household goods and about \$700 in cash was made by the community.

Mrs. John B. Bradford is visiting her daughter, Mrs. Clint Irwine, at Electra.

Alma Wesley, who is attending school at Quanah, visited her parents here last week-end.

W. T. Dunn has been on the sick list, also John Bradford.

Mr. and Mrs. Joe Bledsoe of Harold visited their parents here Saturday night and Sunday.

Toulon Middlebrook is staying with his sister, Mrs. Cap Mabry, in Electra attending school there.

Mr. and Mrs. J. D. Elston, Rev. and Mrs. T. M. Johnston and Miss Irene Hunter attended the preachers' and laymen's meeting at Quanah last Thursday.

Ocie Jones visited with Margaret Taylor Sunday.

Mrs. W. S. Wrenn has been visiting her sister, Mrs. Eldridge, of Quanah.

The Woman's Missionary society of the Methodist church met Monday in a mission study class after which a short business session was held. A delegate was elected to the district meeting which meets at Childress Friday, Oct. 7. Also plans were made for a bazaar that is to be had Saturday, Oct. 28, here at Margaret.

Opal Jones spent Sunday with Earl Hysinger started to school at Crowell last Monday.

There will be a musical recital at the school auditorium Friday night.

Mr. and Mrs. John Hunter and daughter, Irene, went to Wichita Falls Friday to see Mr. and Mrs. E. P. Ridley. Mrs. Ridley has been quite sick but they found her improved.

A roaming hog is blamed for an automobile accident, evidently trying to live up to the reputation the road hogs have established.

It's good policy to save for a rainy day, but don't make the mistake of spending it on a wet night.

The growing number of charge accounts is grounds for doubt that the woman always pays.

When the boyish bob goes out of style, the girls might try the convict clip.

DUSTING COTTON BY AEROPLANE TO BE DAILY FEATURE AT STATE FAIR OF TEXAS

One of the newest features added to the attractions at the State Fair will be an actual demonstration of dusting cotton by airplane to kill the boll weevil and the boll worm.

Lieut. Henry Tenney of Lone Oak, Texas, well known as the "Flying Ford Driver" and an experienced cotton doctor, will pilot the machine during the demonstrations, and will lecture on "The Advantages of Dusting Cotton."

A harmless powder will be used in the demonstration instead of the calcium arsenate, which is used for the cotton dusting.

Lieutenant Tenney has had wide experience in dusting cotton, having spent the past two summers doing the actual work on farms in Texas, Oklahoma and Arkansas.

WHAT'S THE USE

A crowd of 150,000 people spent approximately \$6,000,000, counting all expenditures, to see two fine physical specimens of manhood fight it out for ten rounds.

There might be endless discussion on the evils of prize fighting. It would be possible to figure scores of ways in which six millions of dollars might be used to better mankind.

There are thousands upon thousands of people who enjoy the sport. Many who never before were interested in pugilism after hearing the ring-side report over the radio.

Prize fighting seems to be an established American sport, and even though it has been professionalized more highly than any other sport, the promoters are still able to establish new records for attendance and gate receipts at each succeeding heavyweight contest.

An insanity inquest is in order for the New York man who refused to accept several thousand dollars in winnings because he believed Gene Tunney didn't win the championship bout fairly.

WHERE DO YOU BELONG?

Are you an extrovert or an introvert? Dr. Louis Bisch, a neuro-psychiatrist of New York, says that everybody falls into one of these two classes.

The extroverts are the type that succeed in business and introverts are exactly the opposite, the scientist avers. It is all a matter of emotion or no emotion, according to the analysis of the learned doctor.

The extroverts are the practical people, the so-called hard-headed business men who are never swayed by feeling, but steer a true course regardless of the obstacles that may be in the way.

The introverts are described as bundles of highly charged emotion. They are sensitive and more or less unstable; they feel more than they think and practical results do not interest them.

After this rather brief delineation of the two classes into which science has placed people, you may be able to classify yourself. Or can you?

Our notion is that such a hard and fixed rule cannot be applied to most people. Everyone has one or more friends that belong to the supposed practical class. Only little retro-spection will be needed to call to the mind instances where this "hard-boiled" type of citizen has emotions and is not ashamed to let his friends know it.

On the contrary, the introvert has a good, solid, substantial idea now and then. The dreamer, of course, is needed in the world, and on the average he will be found to be safe and sane most of the time.

Scientists notwithstanding, the extroverts and the introverts are very rare in life as we find it. Most all of us possess a little of the practical side and a little of the emotional side, in varying degrees, to be sure; so don't be alarmed if you feel that you are an introvert or an extrovert.

A FEW NEW FEATURES FOR YOUR ENTERTAINMENT AT TEXAS STATE FAIR

Here are twenty-five of the fifty new features (mostly free) which have been prepared for your entertainment at the 1927 State Fair of Texas, October 8 to 23:

- Free menagerie of wild animals. Polo games every other day. Free Six new exit gates for your convenience. The largest phonograph in the world. Free. Big league football games every Saturday afternoon. Daily exhibition of Mr. McElwyn in his special stable. Free. Thirteen days of fast horse racing with at least five races a day. Hog-calling contest for the Texas gold medal championship. Free. The largest Jersey Prize Cattle Show ever held in the world. Free. The most comprehensive Poultry Show ever offered in the Southwest. Free. Special free shows in Exposition Hall, Industrial Hall and Automobile Buildings. The best collection of blooded livestock ever assembled at any State Fair. Free. Parades, pageantry and masques on the grounds, Dallas Day, Tuesday, October 11. Free. Daily contests by the Aviation Cadets of America in the assembling of an aeroplane. Free. Horse Shows Sunday afternoons, October 16 and 23, with special exhibitions between classes. Demonstrations of the methods of distributing boll weevil poison over cotton fields by aeroplane. Free. A new three-quarter-mile race track. Free parking around the track, enabling you to see the races from your own car. Barnyard Golf, or horseshoe pitching tournament, open to all Texans for the state championship and prizes, medals, trophies, etc. Free. New playing field in the football stadium. New drainage system and new plan for handling the crowds through the entrances and aisles. The largest and by far the best display of prize winning agricultural products collected by the State Fair of Texas in the 41 years of its history. Free. A Junior Livestock Show, in a separate building, containing the entries made by the members of the Boys' and Girls' Calf, Pig and Lamb Clubs of Texas. Free. Exhibit of the 12 bronze models of the "Pioneer Mother," from which the half-million-dollar statue is to be erected, with voting contest to decide which model is most appropriate. Free. Special demonstration by Texas A. & M. College of the cotton industry complete from preparation of the ground for the seed to the delivery of the finished cloth to the consumer. Free. A new Midway, with hard-surfaced roads through the pavilions of the celebrated Morris and Castle Carnival shows, which this year are headed by the famous Singer's Midget Jazz Band and Orchestra. In the Auditorium the internationally successful comedy opera, "Countess Maritza," presented by the original Broadway company intact, every evening and Tuesday, Thursday, Saturday and Sunday matinees. Special exhibitions in front of the grandstand, including "Mr. McElwyn, the champion trotter of the world; the national champion team of road mares; ten big Hippodrome acts, with comiques and dancers, bands and vocal music; whippet races and day and night fireworks.

The above are but half of the really new features. The standard attractions are all there, as usual. Every visitor should provide himself with a copy of the folder, "How to See the State Fair," which is free. A perusal and the use of this folder will convince anyone that there are more striking, interesting and entertaining things to see at the 1927 State Fair than can be taken in in two or three days' visits. Send for your copy.

"SPECIAL DAYS" TO MEAN SOMETHING THIS YEAR AT TEXAS STATE FAIR

The "Special Days" at the State Fair of Texas, October 8 to 23, will mean something this year, according to President Harry Olmsted. On practically every one of the days set aside for a particular group a special program of entertainment has been arranged, in addition to the worlds of entertainment that will mark this year's fair as different from any hitherto held in Texas.

- A list of the special days, correct up to September 24, is as follows: Saturday, Oct. 8, Opening Day. Sunday, Oct. 9, All-Church Day. Monday, Oct. 10, Agricultural Exhibitors' Day, G. A. R. and W. R. C. Day. Tuesday, Oct. 11, Dallas Day and Red Men's Day. Wednesday, Oct. 12, Pioneer Mother's Day. Thursday, Oct. 13, Farmers' Marketing Association Day, Greig County Day. Friday, Oct. 14, Children's Day, Mississippi Day, Van Zandt County Day and Press Day. Saturday, Oct. 15, Traveling Men's Day, Tennessee Day, Hunt County Day, Texas Commercial Executives' Day, Deaf Day, All-College Day, and Press Day. Sunday, Oct. 16, Spanish War Veterans' Day. Monday, Oct. 17, Dairy Day and Texas Ginners' Day. Tuesday, Oct. 18, Confederate Veterans' Day. Wednesday, Oct. 19, Kentucky Day, "Odd Fellows" and Rebekahs' Day, "Cake Day" and Texas Congress of Mothers Day. Thursday, Oct. 20, Academy Day. Friday, Oct. 21, R. O. T. C. Day and Texas Federation of Music Clubs Day. Saturday, Oct. 22, U. of Mo. Day and American Bankers' Day. Sunday, Oct. 23, Fraternity Day, American Legion Day and Closing Day.

WRITE FOR YOUR COPY—FREE

Premium List and entry blanks Horseshoe Pitching Contest. Premium List and entry blanks Hog Calling Contest. order reserved sent tickets. Address: Roy Rupert, Secretary, State Fair of Texas, Dallas, Texas.

"Old Home Celebration" for Former Dallas Residents During The 16 Days of Texas State Fair

Former residents of Dallas are being sought throughout the United States and urged to return for an "Old Home Celebration" to last during the sixteen days of the State Fair of Texas. The celebration is under the auspices of the Junior Chamber of Commerce and the young men are working with their usual pep and enthusiasm to make it one of the outstanding features of the fair period. Dallas citizens are preparing lists of friends who have moved away and turning the names over to the committee who are sending special "Come Home to Texas" invitations to the wanderers. The Old Home Celebration is state-wide in its scope and all former Texans are being sought and urged to return at this time, when they may observe the progress the state has made since their departure. Hereafter seats for all performances in the Auditorium during the State Fair will be for sale on the grounds, as well as down town, it is announced.

You can buy these products with confidence

YOU are doubly assured of quality and continuing service when you buy a General Motors product. Behind the resources of these seven famous cars and of Frigidaire and Delco-Light stand the resources of the whole family of General Motors. Each is tested and

proved. And in the prices you pay for these products, you share in the economies of vast production. We invite you to learn more about these products by sending in the coupon below. Mail it today before you forget. No obligation, but interesting reading.

CHEVROLET. 7 models, \$525 to \$745. Amazing combination of beauty, performance and low price. 3-speed transmission. Beautiful Fisher Bodies. Duco finish. Fully equipped. Also truck chassis; 3/4-ton, \$395; 1-ton, \$495.

PONTIAC. 6 models, \$745 to \$925. Lowest priced six with Bodies by Fisher. Duco finish. Extra powerful engine. Value proved by ever-increasing sales.

OLDSMOBILE. 7 models, \$875 to \$1075. New lower prices round out Oldsmobile's master-stroke of General Motors' value-giving, 4-wheel brakes.

THE FOARD COUNTY NEWS

KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter

Crowell, Texas, October 7, 1927

Here are some staggering fire facts which should interest every person. In 1926 ten thousand persons were burned to death in America and twice that number injured by fire.

This publication does not intend to have much to say in the national campaign as to who shall run for President.

Ordinarily we are not in favor of rash deeds, but if the Texas hen persists in an egg strike, we wish somebody would knock her in the head with a poultry club.

Thousands of car accidents are said to be caused by loss of control of machine, while, as a matter of fact, many of them are due to lack of control of drivers.

With eggs selling at 45 cents a dozen in this October summer, by Christmas time it will cost a quarter to look at an egg.

The high school student who falls into the practice of riding "ponies" seldom masters the art of walking.

About the most useless fellow in the country is he who does nothing except hunt for something to kick about.

It will soon be time for us men to receive many solicitations to run for something by—our friend wives.

The father who used to study by midnight oil now has a son who rides by midnight gas.

We often have to stoop to embrace the opportunity to do an exalted deed.

The Brunk Players in Crowell All Next Week

Beginning Monday night October 10, the well-known Brunk Players will start a week's stay in Crowell. For years this excellent company has toured the State of Texas and become the favorite tented attraction of every section visited.

MUST OBSERVE SIGNS

Automobile drivers must observe the stop signs. That does not mean that you must merely slow down, but stop, as you are supposed to do.

R. J. THOMAS, City Marshal.

56 POSITIONS LAST MONTH—many more this month that we can't fill. Join our enthusiastic band of students now and a good position will be yours within a few months.

# Don't Let 'Em Rattle You

into believing these are a lot of out-of-date, out-of-style dresses. A manufactory in the East agreed to send us 36 dresses for a three-day sale. They came this morning and they are the best we ever saw for the money, so we are writing you about them.

They are made in the very best styles, of fine canton and satin faced crepe. All the popular shades, all sizes. Most of them have velvet trimming, which seems to be so popular this season.

For the three days sale, Friday, Saturday and Monday, we still have these on racks at the low price of \$11.75.

You must see these to appreciate their real value. See windows for display. Examine them and you will agree they are wonderful values.

Have also received shipment of new coats which we invite you to inspect.

SATURDAY WILL BE DOUBLE STAMP DAY. EVERYTHING YOU BUY YOU WILL GET DOUBLE TRADING STAMPS.

WE THANK YOU

### FIRST CHRISTIAN CHURCH

L. Guy Ament, Pastor

As God permits another week to pass and brings us to another day for worship, how we ought to praise Him for the privilege! Sunday is the day appointed for us. Let every disciple turn his steps to the Lord's house for the hour. Preaching Sunday morning at 11 and Sunday night at 7:30. All are invited and urged to be present. Sunday school meets at 10 a. m. and you are needed there too. Do not fail in your Lord's work. We cordially invite visitors and strangers within our gates to worship with us. May God's people be faithful to Him in all things. Come thou with us.

### LARGE POTATO

Mr. and Mrs. Boss Kenner brought to town yesterday a very large sweet potato, weighing 6 1/2 pounds. It was of the Porto Rica variety and is fine and smooth and is a product of the Kenner farm at Margaret.

They plan to send it to Rennels and Boswell who are in charge of Foard County's exhibit at the State Fair.

### DEATH OF TRUSCOTT MAN

George W. Brown, Sr., died at Truscott last Friday. W. R. Womack, local undertaker, embalmed the body of Mr. Brown and it was shipped to Robert Lee for burial Saturday night.

Mr. Brown had been a resident of Truscott for several years.

Datch our window for Candy Day Saturday, Oct 8th.—Nicholson Bros.

Yale flash lights and batteries.—Crews-Long Hdw. Co., Crowell and Thalia.

Armstrong linoleum, felt rugs, Gold Seal linoleum and rugs.—Womack Bros.

Trespass Notice—No trespassing of any kind allowed on the Teague estate.—Mrs. Pearl Kamstra.

John Wright, employee of M. S. Henry & Co.'s tin shop, visited his sister in Fort Worth last week.

A complete line of New Perfection stoves, wicks, ovens.—Crews-Long Hdw. Co., Crowell and Thalia.

Mr. and Mrs. E. A. Hurst of Baxter Springs, Kansas, are visiting Mr. and Mrs. D. M. Shultz. The former is a land owner in parts of Texas, Oklahoma and Kansas. He had not visited here for 7 or 8 years.

National Mazda light bulbs.—Crews-Long Hdw. Co., Crowell.

A new shipment of rugs arrived this week. Come and see them.—M. S. Henry & Co.

Every piece of china ware guaranteed two for one, if warps, checks or crazes.—Womack Bros.

Bachelor stoves and drums for cotton picking season.—Crews-Long Hdw. Co., Crowell and Thalia.

Miss Lena Ford, who underwent an operation at the Quannah sanitarium, is now at home and doing well.

We pay no commissions to paper hangers. Buy your paper—get any discount due yourself.—Womack Bros.

Morris Greeney, who has been employed in the Jeff Bruce barber shop for some time, and wife left last week for Mt. Pleasant, their former home, where they will again make their home.

## SEE THE TOTALS GROW!

The truest criterion of your financial condition is the question, "Are your savings increasing?" A man whose deposits continually exceed his withdrawals cannot "go broke." Deposit regularly and SEE THE TOTALS GROW.

## The First State Bank

# ANNOUNCEMENT

We wish to announce that we have secured the services of Mr. B. L. Pate as manager of the J. L. Jones store at Crowell.

Mr. Pate is a dry goods man of 15 years experience in large establishments, and therefore knows the dry goods business thoroughly. He not only knows goods, but he knows the wants and the needs of the public. He will have the assistance of his wife who also is familiar with the dry goods business.

It is the aim of the J. L. Jones Dry Goods Company to increase the stock of the store with good, dependable merchandise so that it will be in position to take care of the wants and needs of the public better in the future than ever before. Later we shall announce the standard brands of goods we handle.

We are here as one of the business institutions of the city to help make a better town and better country, and we solicit a share of the public patronage with the guarantee that you will get as good values here as anywhere. We expect to be pleased only when you are.

Come to see us and make this your buying place for dry goods and clothing.

## J. L. Jones & Co.

How are you going to keep boys and girls on the farm when automobiles and gasoline are so cheap. Optimistic people declare that youth is facing the dawn, and very often it does after a late dance.

### YOU ARE ASSURED

of getting the best possible values in Groceries when you buy from this store.

Every one knows that the groceryman must at least make a small profit on his goods, otherwise he could not stay in business. We have cut the margin of profit to the lowest notch that is consistent with good business practice and will always sell you groceries as cheap as any one can afford to sell them.

The service, too, is as good as the best.

Come to see us for your eats when in town, or phone us if you live here, and we will do the rest.

### HUGHSTON GROCERY COMPANY

### Buy Your Meat

From the meat market at Haney-Rasor Grocery. Fresh and cured meats of quality and courteous treatment are always here for our customers.

#### County Federation Program

The County Federation held its regular meeting Saturday, October 1st, at 3 p. m. in the courthouse.

The club voted to ask Mrs. Douglas of San Angelo to come to lecture on art, visiting the schools for a nominal sum. This is a splendid thing to do in connection with county art contests.

Mrs. Cap Morris of Thalia had prepared a most interesting program on "Book Week."

The program opened with the singing of "Auld Lang Syne" and "America the Beautiful." Mrs. Jack Roberts gave a most splendid talk on "How to Keep the Family at Home With Books." Mrs. Hubert Brown talked on the needs of state, county and school libraries and was indeed instructive. Mrs. Oswalt told "The Origin and Necessity of Book Week" in a well appointed talk. Mrs. Chas. Ferguson gave us valuable information on the new fiction of the day and also discussed the popularity of American authors in foreign lands.

The program ended with a discussion on "How to Secure a County Library." A good crowd was present considering the inclemency of the weather and each person went away realizing that the program was a valuable one to promote county interest.—A member.

Newcastle—A record crowd greeted the Graham fair boosters who visited this city October 1 in the interest of the annual Young County fair. Newcastle merchants reported a fine trade day.

### We Do All Kinds Repair Work

#### THE LEGION PILGRIMAGE

The pilgrimage of 15,000 Americans to France on the occasion of the convention of the American Legion in Paris, should have a most beneficial effect. The acceptance of the French invitation, while the legionnaires were actuated partially by a desire left buried under the poppies, is evidence enough of the friendly feeling the soldiers of a decade ago hold for their former allies.

The journey of 3,000 miles ought to impress the French people with the fact that their former comrades in arms still have a kindly feeling for them and that they wish to give expression to it in a very generous fashion.

Aside from the import of the excursion across the Atlantic, it should not be forgotten that few if any countries of the globe today could sustain such an expedition. That there were 15,000 people closely identified with the war, who could meet the expense of such a trip, is convincing testimony of the stable prosperity of the United States.

Every well wisher for the future of our country will hope that the legion's movement across the sea is fruitful. Coming at a time when a tariff treaty with France is in the making, and following a rather acrimonious dispute over the settlement of war debts, the French people may become more tolerant in their attitude toward Americans, when they find that this cross section of America, represented by the legionnaires and their friends, carries a message of friendliness and good will.

The Legion, from its very beginning, has been prompted by an evident desire to be of great service. The advance of the second A. E. F. upon Paris is a crowning achievement of the legion's nine years of beneficial work.

Paris gave the American Legion a wet reception in more than one way. Rain fell in torrents during the parade.

#### A SPLENDID FEELING

That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using Hebing. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by

Ferguson Bros. and Reeder Drug Co.

#### 56 POSITIONS LAST MONTH

The modern Perfection Oil Stove cooks merrily away while you do other things

Put your roast or cake into the Perfection Oven, your vegetables on to boil. Set the flames high or low, to suit your cooking needs. They will not "creep up." You can trust them to remain as you set them, while you work in the garden, finish a dress, or do other things.

When you touch a match to the wick, cooking begins. A solid column of clean heat is driven full force right to the cooking.

Intense heat covers the entire cooking surface of the utensils. That's why food is always so thoroughly cooked on the Perfection Stove—and not just in spots.

The modern Perfection Oil Stoves have many improvements which put them far ahead of any other oil stoves in cooking satisfaction, beauty, and convenience. Only in the newest Perfections will you find the attractive new gray color harmony and porcelain enamel tops.

Back of these newest Perfections stands the satisfaction of more than 4,500,000 Perfection owners.

Color in Newest Perfections!  
Gray porcelain enamel tops. Gray legs. Satin-black body finish. White enamel warming cabinets. Large white front ovens. —On newest Perfections, and all those with Super-tex burners.

#### Mrs. DeGraf Says—

"The steadiness of the Perfection flame aids good cooking. You are certain of good results."

Mrs. BELLE DEGRAF  
Home Economics Counsellor,  
San Francisco

Have your dealer demonstrate the newest Perfections. You can then see for yourself that they need no watching. One to five burner size. Priced from \$7.25 to \$13.

PERFECTION STOVE COMPANY, Dallas Branch—825 Trunk Ave.

## PERFECTION Oil Stoves & Ovens

German home Sunday.  
 Misses Bessie and Minnie Gibson of Thalia attended the box supper here Saturday night.  
 Mrs. Bill Parrish of Mission visited Mrs. E. D. German Tuesday.  
**WHAT'S DOING IN WEST TEXAS**  
 (By West Texas Ch. of Commerce)  
 El Paso—In recognition for the services rendered to the El Paso Country, the Border City, numerous towns in its trade territory, and a number of New Mexico cities have taken record affiliations with the West Texas Chamber of Commerce. This is the first time that the section has come in line with membership support in line with that given in other districts. El Paso's affiliation is approximately 500, ranking her next to Fort Worth in point of numbers. Fabens, Tornilla, Van Horn and Presidio, Texas, Hot Springs and Las Cruces, New Mexico, and Jaurez are the other new towns numbered as West Texas Chamber of Commerce members.  
 Sweetwater—Governor Dan Moody will be the featured speaker at the West Central District Convention of the West Texas Chamber of Commerce to be held here some time during the middle of November. Monte E. Owen, Sweetwater secretary, is already at work on plans for the meeting.  
 Abilene—Fire prevention week is to be observed in Texas from October 9 to 15. The West Texas Chamber of Commerce is calling attention to this observance in line with their aim to show that fire insurance companies should reduce losses and physical fire hazards rather than attempt to raise insurance rates.  
 Christoval—Christoval will be host to the thirty-fifth annual reunion of the United Confederate Veterans and Sons of Confederate Veterans and Texas October 7. The three day convention meets at San Angelo beginning October 6, but their second day session is to be held in this scenic beauty spot of the West.  
 Rising Star—Secretary Frank Robertson of the Rising Star Chamber of Commerce has completed collection of the fund subscribed by local business and professional men and firms for the work on the new May-Rising Star road, and settlement has been made for it.

Lawn—Conditions are very good around this place for sowing winter grains, and a number of farmers are contemplating planting oats and wheat. Cotton picking is well underway here.  
 Richland Springs—Engineers and surveyors are at work looking over the right-of-way for a proposed branch line of the Gulf Colorado and Santa Fe Railway from Richland Springs to Coleman.  
 Bowie—November 21 is the date that has been set for the 1927 Red River District Convention of the West Texas Chamber of Commerce to be held here. The 1926 convention was successively rained out, being scheduled to meet at Henrietta several times. A large attendance is expected for this year's meet.  
 Canyon—Canyon is now using natural gas as fuel. Several hundred homes are enjoying the new convenience and others are being piped.  
 Clarendon—The greatest exhibit of diversified products that Donley County has ever shown will feature the annual free fair to be held here October 14 and 15. One of the most outstanding displays will be that of the Cruse and Reynolds truck farm of Lelia Lake.

When you touch a match to the wick, cooking begins. A solid column of clean heat is driven full force right to the cooking.

Intense heat covers the entire cooking surface of the utensils. That's why food is always so thoroughly cooked on the Perfection Stove—and not just in spots.

The modern Perfection Oil Stoves have many improvements which put them far ahead of any other oil stoves in cooking satisfaction, beauty, and convenience. Only in the newest Perfections will you find the attractive new gray color harmony and porcelain enamel tops.

Back of these newest Perfections stands the satisfaction of more than 4,500,000 Perfection owners.

Color in Newest Perfections!  
Gray porcelain enamel tops. Gray legs. Satin-black body finish. White enamel warming cabinets. Large white front ovens. —On newest Perfections, and all those with Super-tax burners.

#### Mrs. DeGraf Says—

"The steadiness of the Perfection flame aids good cooking. You are certain of good results."

MRS. BELLE DEGRAF  
Home Economics Counsellor,  
San Francisco

Have your dealer demonstrate the newest Perfections. You can then see for yourself that they need no watching. One to five burner sizes. Priced from \$7.25 to \$13.

PERFECTION STOVE COMPANY, Dallas Branch—825 Trunk Ave.

## PERFECTION Oil Stoves & Ovens

WARNING: Use only genuine Perfection wicks on Perfection Stoves. They are stamped with red triangles. Others will cause fire or gas.

No smoke, noot or odor with Perfection long chimney burners.

Mr. and Mrs. Farrington of Chillicothe, Mrs. R. L. Jordon of Vernon, Mrs. W. C. Estes of Sherman, and Mrs. Jim Kinchloe and granddaughter, Tincy, visited in the Dr. R. D.

### WHAT'S DOING IN WEST TEXAS

(By West Texas Ch. of Commerce)

El Paso—In recognition for the services rendered to the El Paso Country, the Border City, numerous towns in its trade territory, and a number of New Mexico cities have taken record affiliations with the West Texas Chamber of Commerce. This is the first time that the section has come in with membership support in line with that given in other districts. El Paso's affiliation is approximately 500, ranking her next to Fort Worth in point of numbers. Fabens, Tornilla, Van Horn and Presidio, Texas, Hot Springs and Las Cruces, New Mexico, and Jaurez are the other new towns numbered as West Texas Chamber of Commerce members.

Sweetwater—Governor Dan Moody will be the featured speaker at the West Central District Convention of the West Texas Chamber of Commerce to be held here some time during the middle of November. Monte E. Owen, Sweetwater secretary, is already at work on plans for the meeting.

Abilene—Fire prevention week is to be observed in Texas from October 9 to 15. The West Texas Chamber of Commerce is calling attention to this observance in line with their aim to show that fire insurance companies should reduce losses and physical fire hazards rather than attempt to raise insurance rates.

Christoval—Christoval will be host to the thirty-fifth annual reunion of the United Confederate Veterans and Sons of Confederate Veterans and Texas October 7. The three day convention meets at San Angelo beginning October 6, but their second day session is to be held in this scenic beauty spot of the West.

Rising Star—Secretary Frank Robertson of the Rising Star Chamber of Commerce has completed collection of the fund subscribed by local business and professional men and firms for the work on the new May-Rising Star road, and settlement has been made for it.

Lawn—Conditions are very good around this place for sowing winter grains, and a number of farmers are contemplating planting oats and wheat. Cotton picking is well underway here.

Richland Springs—Engineers and surveyors are at work looking over the right-of-way for a proposed branch line of the Gulf Colorado and Santa Fe Railway from Richland Springs to Coleman.

Bowie—November 21 is the date that has been set for the 1927 Red River District Convention of the West Texas Chamber of Commerce to be held here. The 1926 convention was successively rained out, being scheduled to meet at Henrietta several times. A large attendance is expected for this year's meet.

Canyon—Canyon is now using natural gas as fuel. Several hundred homes are enjoying the new convenience and others are being piped.

Clarendon—The greatest exhibit of diversified products that Donley County has ever shown will feature the annual free fair to be held here October 14 and 15. One of the most outstanding displays will be that of the Cruse and Reynolds truck farm of Lelia Lake.

## INSURE

Your Chances

Your chances for success in any business undertaking are always better when you are insured.

The chances of misfortune overtaking you are always lessened when you are insured.

Chance may hinder or help you at a moment's notice—don't place any confidence in chance.

Insure your chances. Then you will be aided toward fortune and protected against misfortune at all times.

## The Staff of Life

Bread is said to be the staff of life, but it does not go well by itself. If there is an article of food that properly takes place as second staff of life it is meat. We have them both.

Quality of product is just as essential in one as in the other. That is a fact which we have not overlooked, and have therefore made every effort possible to dispense Quality products both in bread and meat. You get Quality in the highest degree when you buy "MY BREAD"

And you get Quality in as high degree as is possible when you buy our meats.

And two make a happy combination.

WHEN BETTER AUTOMOBILES ARE BUILT . . . BUICK WILL BUILD THEM

**You Need Never Change Your Oil if You Own a Buick**

Last year Buick said: "Change your oil only four times a year." Buick tests at that time had shown that oil changes would never be necessary, with the Oil Filter to remove impurities, and the Crankcase Ventilator to prevent oil dilution.

Now, more than a year has passed, and Buick owners in every section of the world—under every climatic condition—have also proved that you never need change your oil if you own a Buick—replenishment and inspection of the Buick Oil Filter only are required.

### SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 25c. Sold by Ferguson Bros. and Reeder Drug Co.

# Boys' Clothing

Our Fall Line of Boys' Suits are now on display and ready for your approval.

We have these suits to fit the little fellow and also the larger boys. Colors are principally light browns and dark blues, both of which are good for this season.

We invite you to call and see our line before you buy.

## Ladies Free Monday Night at the Rialto

WITH EVERY GENTLEMAN PURCHASING A TICKET

The picture for that night is "A Million Bid" with Dolores Costello who is conceded to be the most beautiful screen lady of the world. This great melodrama of the sea is intensely dramatic, giving Miss Costello the most superb emotional role of her unparalleled career. In support of Miss Costello are Warner Oland, Malcolm McGregor, and Betty Blythe.

A different program every night next week. Wednesday, "Rose of the Tenements;" Thursday, "Sensation Seekers;" Friday, "Circus Ace;" Saturday, "A Regular Scout;" besides Monday and Tuesday.

Yours truly,  
THE RIALTO.

### The Mothers' Self-Culture Club

The Mothers' Self-Culture Club met September 16 with Mrs. T. B. Klepper as hostess.

The new president, Mrs. A. Y. Beverly, in her opening address to the club, told of her hopes and plans for the club during the club year which is just beginning.

Mrs. John Long, being leader for the afternoon, brought out many essential factors influencing child character.

Refreshments were served to fifteen members and the following guests: Mrs. J. W. Klepper, Mrs. Chas. Thompson and Mrs. Ernest Crosnoe.—Reporter.

### P. T. A. MEETING

Tuesday, October 11, 4 p. m. Sing song led by Miss Inez Sloan. Leader—Mrs. T. P. Reeder. Things the ways and means committee hopes to accomplish.—Mrs. L. A. Beverly.

Table talk—suggestions for the ways and means committee.

Hostesses—Teachers and mothers of the third grade.

The membership drive closes with this meeting and a report of the contesting sides will be given. The losing side will entertain the winners at a future date. All members of the P. T. A. and others interested in the work are cordially invited to attend this meeting.—Reporter.

### THE PIONEER SPIRIT

The failure of a number of non-stop flights over the Pacific and Atlantic oceans has made even more significant the views of many people who, in the beginning, said they were foolhardy.

Many lives have been lost. It has been demonstrated that there is no certainty, no matter how careful the preparation, that an airman will ever reach his destination, once he sets out for a flight over a large body of water.

Lindbergh's success led aviators far and near to believe that it was a very simple matter. Experience has taught that the odds are heavily against the flier.

Though the efforts that have been made to overcome the elements that beset the flier at sea seem to be a losing game, it should never be forgotten that no achievement of any great value is ever realized without sacrifice. And the sacrifices are made by those possessing the crusading spirit of a pioneer.

Even in less hazardous undertakings, the pathfinder has ever been the object of ridicule. History teaches that most of the men to whom we owe an everlasting debt for discoveries of benefit to the human race, have been looked upon by those of their time as dreamers and foolish experimenters.

It would be much better to suspend judgement on the men who have been fired by the ambition to conquer new obstacles in the realm of flying. They are moved by the same impulses as the pathfinders gone before, to whom people of today are indebted for the countless things that help to make our civilization the highest ever known to mankind.

The spotlight covers comparatively little territory. It reveals the man high up, but never the men who are holding him up.

Your tongue tells when you need

Coated tongue, dry mouth, bad breath, muddy skin, groggy nerves and sour stomach suggest its use.

### Senior Party

The Senior Class of Crowell high school entertained Friday evening, Sept. 23, at 8 o'clock with a bunco party. The guests were ushered into the civics room which was artistically decorated with crepe paper of rose-pink and silver gray, colors of the class.

Everyone seemed to be having a wonderful time throughout the evening. Harold Walling, having won high score, proved his wonderful ability to play bunco as well as football.

A delicious course was enjoyed by all. As favors, animal crackers bearing these words, "Seniors '28," were used.

The Victrola music was appreciated by all. This party was the first entertainment the Seniors had given.—Reporter.

Saturday, Oct. 15—

Fred Thompson in "A REGULAR SCOUT"

## First for Finer Flavor —No Throat Irritation —No Cough

11,105\* doctors give written opinion

"Roxy," a favorite in Radio-land, writes:

"During a strenuous rehearsal, with the work entailed in operating the World's Largest Theatre, where one's nervous system is working under great pressure, there is nothing like a Lucky Strike cigarette. It does not impair the voice, and gives the mental relaxation so essential to carry on."

WHAT is the quality that Giuseppe Danise, Adam Didur, Queena Mario, Antonio Cortis, Lenore Ulric, Nanette Guilford, Wilton Lackaye, "Roxy," and other famous singers, actors, broadcasters and public speakers have found that makes LUCKY STRIKES delightful and of no possible injury to their voices?

For the answer we turned to medical men and asked them this question:

Do you think from your experience with LUCKY STRIKE cigarettes that they are less irritating to sensitive or tender throats than other cigarettes, whatever the reason?

11,105\* doctors answered this question "YES."

These figures represent the opinion and experience of doctors, those whose business it is to know.

"It's toasted"

No Throat Irritation—No Cough.

\*We have carefully had our experts examine 11,105 Lucky Strike cigarettes. The experts determined: L. BRAND, ROSE, DINE & MONTGOMERY, Agents, Crowell, Texas. New York, July 23, 1927.
