S. E. Scales Died Suddenly at Home Here Friday

Resident of Crowell and Foard County for Past Twenty-Eight Years

S. E. Scales, 54, died suddenly at her home in Crowell last Friday at about 3 p. m. Although Mrs. Scales had been in bad health for some years, she did not become seriously ill until about one-half hour before she died. She had been able to sit at a table at dinner and shortly after a sinking spell occurred.

Mrs. Scales was well known in Crowell and Foard County having lived in this city and county for twenty-eight years. She is survived by her husband, one son, E. H. Scales; two daughters, Mrs. Erteague of McAllister, Oklahoma, Mrs. O. B. Harris of Dallas; one son, Mollie Oliver of Thalia; five grand children.

Lula Shaw was born in Wilbourn County in 1875 and in 1893 she was the wife of S. E. Scales and she and her children were in this union. Four children were born to them, three of whom are living. They lived in Milan County until 1901 when they moved to a farm in the Black community. They lived on J. F. Long farm near Thalia in 1902 and moved to Crowell in 1920 where they have since lived.

Mrs. Scales was a member of the First Church for thirty-six years and was deeply loved by the many who knew her. Funeral services were held at the Thalia Cemetery at 10 a. m. Saturday with Rev. W. W. Smith, pastor of the Crowell Baptist church, officiating.

Interment was made in a grave by the side of that of her oldest son, who died during the war at Dix, New Jersey. Pall bearers were Sam Russell, W. F. Wood, Gentry, Tom Russell, Herman Gentry and O. O. Hollingsworth. All members of the family were present at the funeral with the exception of Mrs. Teague.

Bass & Dillard To Start New Oil Test

A derrick is being erected by Bass & Dillard, independent operators of Wichita Falls, on the Robert farm, about three miles west of Thalia.

Location for the test was made 660 north and west of the southeast corner of the northwest quarter of section 27, H. & T. C. Railway survey, Block A. The test is about one and one-half miles northwest of the town now being drilled by Shell Petroleum Corporation.

The erection of the derrick has already been completed and drilling started soon. Drillers have already started to Crowell. The Dixie Oil company is associated with Bass & Dillard in the drilling of this test.

Trustees Elect Two New Teachers Fri.

At the regular monthly meeting of the board of trustees of the Crowell Independent School District Friday afternoon, the following were elected: Miss Francis Hill and Miss Miss Schlagel were elected to positions as teachers of the Crowell primary school for next year. Miss Hill will graduate from Oklahoma University this year and Miss Schlagel is now a student in Texas at Lubbock.

The school faculty is now complete in the exception of one teacher in high school. Miss Self and Miss L. Patterson have been advanced in teaching positions in the grammar school to the high school. Miss Anna Shaw has been made principal of the intermediate department to succeed Miss Self. Miss Lottie Woods is principal of the primary department.

HOSPITAL NOTES

H. O'Neal of Alvord has partial regained consciousness since his injury in a dynamite explosion about five days ago. He is getting along well at present.

Mrs. W. H. Pate had a slight operation at the hospital Monday.

Mrs. Wayne Dishman was operated on for appendicitis at the hospital Thursday.

Howard Bursley who was operated on for appendicitis last Thursday, was removed to his home Wednesday.

Local Grocery Stores Will Close at 7 p. m.

Announcement was made this week that the following grocery stores, including the Rasmussen, M. System, Fox Brothers, Sanitary Market and Grocery, the Key Grocery and Shelton Grocery will close at 7 p. m. on all week days with the exception of Saturday.

Local Boys Return From Austin Meet

Walker Todd, track coach, and seven Crowell boys returned from Austin Sunday where they participated in the state interscholastic meet that was held there three days last week.

Crowell's debating team, Jim Allee Hart and Preston Rettig, were in the semi-finals in their contest having drawn a "bye" at first. They were eliminated by Brackenridge High of San Antonio, the team that won the contest from Abilene in the finals. The coach of the San Antonio team highly complimented the Crowell boys and stated that they had their material in as good shape as any other team in the state.

Guy Todd met with an unfortunate accident while the Crowell boys were running the mile relay. While rounding a corner the sharp spike from an opponent's shoe pierced his foot and while Crowell was right up with the leader until this accident which eliminated them from a chance to place in the finals. San Angelo won the relay, setting a new low mark for the event. They also won the state meet by scoring 19 points. San Angelo's team won the recent Kansas, S. M. U., Drake and Texas University relays.

Bill Bell placed fifth in one of the two mile run contests and gave a very creditable performance. Members of the relay team were Jack Lankford, Arthur Bell, Ernest Spears and Guy Todd.

Coach Todd and the boys visited many interesting points at Austin including the Legislature that was in session.

Demonstration Clubs Progressing in County

Much interest is being shown throughout Foard County in the work of the home demonstration clubs for women and the girls. Clubs that have been organized by Miss Freeman, home demonstration agent.

At a meeting in Foard City Tuesday, 22 girls were present and all had completed making their aprons and caps which is one of their projects.

Practically all of the girls clubs have raised the major part of the funds necessary to send their outstanding representative to the A. & M. Short Course this summer. Through box suppers, plays and other means, the clubs of Rayland, Vivian, Foard City and Gambelville have raised the greater part of the \$25 that is required to pay the expenses for the trip to the Short Course. The clubs of Ayersville and Thalia are arranging a play and ice cream supper, respectively, for raising their funds.

Women's clubs are also staging plays and hen drives to send delegates to College Station.

Thalia Organizes

With the organization of a women's club at Thalia last Friday, there are now ten women's clubs in the county and six girls clubs. Mrs. C. B. Morris was elected president of the Thalia Club; Mrs. Tucker Matthews, vice-president and Mrs. J. G. Thompson, secretary.

A meeting of the home demonstration council was held in Miss Freeman's office Saturday. A committee was appointed at this meeting to arrange for prizes for the winners of the house dress contest that will be conducted in June. A \$15 prize is to be given to the first place winner and \$10 and \$5 prizes for the next in order. A number of women have already completed their dresses for this contest.

Judge Robert Cole Speaks to Rotarians

Judge Robert Cole of Vernon was the principal speaker at the Rotary Luncheon Wednesday. In his talk he mentioned a number of defects with the present court system and told why it was difficult to secure convictions in various cases. He gave an account of a recent case at Vernon of illustrate his point.

Short talks were made at the luncheon by Lamoine Smith and Hugh Lane of Chicago and a discussion of the proposed new calendar change was also given. Rev. W. W. Smith, pastor of the Baptist Church, was accepted as a new member.

COLLEGE EXAMINATIONS

College entrance examinations are being held this week in the court house under the direction of J. E. Atchison, county superintendent. The examinations started Tuesday and will be completed Friday.

Examinations are being given to five rural students here on all subjects covered in the rural schools.

Those taking the examinations are Irene Nichols and Maurine Bostic of Black; Tollie Steele, Evelyn Steele and Robert Steele of Four Corners; Marion Cooper is giving the examinations.

MARRIAGE LICENSES

During the past week Mrs. Ida Reavis, county clerk, issued the following marriage licenses: Willie Mason and Miss Opal Noyes of Wichita Falls; and Ygnosier Delgado and Leonor Sanchez.

Crowell High Will Graduate Largest Class In History

Twenty Girls and Sixteen Boys Will Receive Diplomas On May 21st

Thirty-six students will receive their diplomas from Crowell High School at graduation exercises that are to be held Friday night, May 21, in the high school auditorium. This is the largest senior class in the history of Crowell High School and is about thirty per cent larger than the class of last year when 25 graduated.

Gertrude Connell with a one year average of 90.3 is valedictorian of the class of '29, while Eva Todd with a one year average of 89.8 is salutatorian.

Jim Allee Hart is honor student among the boys with an average of 88.5 and is followed by Preston Rettig with an average of 87.5.

Eva Todd's four year average of 84.7 is the highest in the class and is followed by that of Price Lovelady who has an average of 83.95. Scholarships will be awarded to the girls and boys making the highest one year and four year averages.

Those to receive diplomas this year are Virgie Callaway, Edith Carter, Mary Ennis Carter, Bernice Coffey, Dorothy Coffey, Gertrude Connell, Inez Johnson, Virgie Johnson, Emma Kempf, Elizabeth Kincaid, Jewel Mullins, Pauline Norris, Marie Randolph, Annie Russell, Grace Russell, Zell Sanders, Edith Schooley, Rachel Stewart, Eva Todd, Bernice Webb, Lewis Bell, Herman Bell, Moody Bursley, Weldon Cogdell, Charles Ferguson, William Gafford, Charlie Harper, Jim Allee Hart, Ernest Johnson, Homer Johnson, Ewin Lankford, Marcus Mills, Preston Rettig, Vance Swain and Jack Welch.

The above group includes 20 girls and 16 boys. Miss Autie Anthony is the class teacher and sponsor.

Kincaid Bill Voted By Committee Tues.

Austin, Texas, May 7. (INS)—The house bill by Representative Kincaid authorizing the sterilization of the inmates in the state asylums, under certain restrictions, today had been reported out of committee favorably. The bill passed the house during the regular session of the legislature but was defeated in the senate.

Dr. R. L. Kincaid of this city is the author of the bill requiring the sterilization of the mentally unfit in the institutions provided for them and his bill has received favorable comment from the leading newspapers of the state and various other authorities. While it passed the house last regular session, it was killed by a senate committee.

Dr. Kincaid insists that the mentally unfit are increasing faster than means can be provided for taking care of them and to combat this tremendously increasing burden that is falling upon the state, the hot bed of the situation must be eliminated and this can be done by sterilizing the unfit in state institutions under proper safeguards. The plan has already exhibited its value to humanity in other states.

Small Son of I. H. Ellison Died Sat.

J. H., 18 months old son of Mr. and Mrs. I. H. Ellison of the Ayersville community, died at the Crowell Hospital early Saturday morning following serious illness of more than two weeks as the result of complications from a case of the flu.

The little child is survived by its parents, three brothers and two sisters. The Ellisons live on Henry Ayers' place, four miles northeast of Margaret.

Funeral services were held at the home Sunday afternoon with Rev. O. B. Annis officiating. Interment followed in the Thalia Cemetery. Pall bearers were Bryan Blevins, Henry Ayers, Buster Hairston, and H. C. Payne.

The Famous Will Hold Formal Opening Sat.

The Famous Dry Goods Store will occupy its new location in the Lanier Building for the first time Saturday. In connection with the opening in the new location, Irving Fisch, manager, stated that refreshments will be served from 1 to 5 p. m.

Extensive improvements have been made in the store and it will present a very attractive appearance when opened to the public Saturday.

C. L. Klepper of Quanah was here Saturday looking after business. Mr. Klepper's oldest son, Marvin, is in the West Indies, having gone there several months ago with another young man from Quanah, who recently died of typhoid fever, and one from California, who was killed. Marvin is coming home as soon as he can get out of that country.

Local Boy Wins His First Baseball Game

In the first game that he has pitched this year, William Bell of the Abilene Aces of the West Texas League, hurled his team to a 5 to 3 victory over the Coleman Bobcats at Abilene Monday.

Bell allowed Coleman seven scattered hits and scored one of his team's runs after he had walked and was driven home by the circuit clout of a teammate. This game marked Bell's debut in professional baseball.

Mrs. Sallie E. Woods and Miss Lottie Woods and Mr. and Mrs. T. B. Klepper and son, Billie, spent last Friday night in Wichita Falls, the former two visiting Miss Ethel Ross and the latter attending the Passion Play at the Memorial Auditorium. They returned home Saturday morning accompanied by Miss Ross who visited here until Sunday afternoon.

Scout Training School Will Be Held Friday 17th

No Meeting This Friday Due To Serious Illness of Mother of Executive

The most interesting events that Crowell men may have the opportunity of attending in some time, at the scout leadership training schools that will be held here each Friday night for the next five weeks. The first of the sessions were held last Friday night in the basement of the Baptist Church and all of those that attended are very enthusiastic about the work and are planning to attend the remaining sessions.

J. Ben Parrish of Quanah, district executive of the Quanah Parker Area Council, is conducting the schools. Rev. Woodie W. Smith, chairman of the leadership and training committee of the local organization, has invited every man in the community interested in any way in the scout movement, to attend these schools.

No meeting will be held this Friday night due to the fact that the mother of Ben Parrish is at the point of death in Dallas.

Those attending Friday night were surprised at the pleasure they were afforded from learning regular boy scout work. Immediately upon starting the meeting, Mr. Parrish organized the group into two patrols and the men were treated just as though they were boy scouts for the rest of the evening.

Home Demonstration Yearbook Completed

The 1929 yearbooks for the home demonstration clubs of Foard County were off the press at the News office Saturday and have now been placed in the hands of the ten women's clubs of the county.

The book, containing 28 pages, was made possible through advertising space bought by local business firms and one Margaret firm and Miss Virginia Freeman, home demonstration agent, and officials of the women's clubs have asked the News to express their sincerest appreciation to these firms for their assistance.

The yearbook was arranged by Miss Freeman and gives the entire program for the meetings of the home demonstration clubs throughout the year. Forms for records, club meeting dates and a variety of other subjects are included in the book. Two hundred of the books were printed.

Good Baseball Game Promised for Friday

O. O. Hollingsworth, manager of the local ball club, stated that a large crowd is expected to see the baseball game at the Crowell ball park Friday when the Coombs brothers baseball team will be here to meet the local nine. The Coombs brothers team is the only one in the United States composed entirely of brothers and has attracted much attention throughout the country.

Crowell's probable line-up and batting order for Friday's game is: Crews—2b; Graves—c. f.; C. Ashford—s. s.; G. Bell—1b; Hallmark—p. f.; Pete Bell—l. f.; Housouer or Jack Roberts, Jr.—2b; Mints—; Mints—p. Additional players that are regular members of the team are George Cates, James Ashford, E. F. Henry, Clarence Davis, Hyd Haney; pitchers—Glenn Jones, Grady Graves and Jim La Rue.

It is hoped that a good crowd will attend the game for the Crowell team has just started operations and the support of the town is needed to help take care of various expenses entailed. The game will begin promptly at 3:30. Announcement is also made that Crowell will play the Quanah baseball team at Quanah Sunday.

Methodist Revival Came to End Sunday

Six weeks of consecutive revival meetings came to an end Sunday night when Rev. W. R. McCarter, pastor, preached the concluding sermon of the Methodist revival that has been held for the past two weeks. A good crowd was present to hear the excellent sermon and two additions to the church was made. A total of 47 were received into the church during this revival.

Beginning six weeks ago, the Presbyterian Church held a revival for two weeks with Rev. E. C. Cargill of Seymour as evangelist. The Baptist Church followed with Rev. W. W. Smith, local pastor, conducting two weeks services with Mr. and Mrs. H. E. Ogden of Chanute, Kansas, in charge of music. All local talent was used in the Methodist revival that has just closed. J. A. Wright was in charge of music and made a capable leader in this respect.

It is the unanimous opinion of all that the revivals have been outstanding successes in every respect and that they have accomplished much good for the whole community. The earnest efforts that have been put forth by the local pastors and church workers and the co-operation of all the churches in the revivals are to be highly commended.

The revival for the Christian Church will be held in August.

First Week Jurors Dismissed Wednesday

Judge Robert Cole dismissed the first week jurors in district court here Wednesday. No cases came before the jury.

The grand jury was still in session Thursday and returned two indictments, one felony and one misdemeanor.

Roscoe Tips, colored, was indicted on a charge of aggravated assault in connection with the severe beating that he recently gave his wife.

Tommy Nelson, colored, was indicted on a charge of assault with intent to murder. Nelson is charged with shooting into a car driven by E. S. Lacy of Vernon when Lacy failed to pick him up near Foard City last March.

Attend Safety Meeting

A meeting of the safety league of District E of the West Texas Utilities Company was held Wednesday at the club house of the company at Lake Pauline. Representatives from the towns of this district were present at the meeting which was presided over by Eli Smith, president.

Those attending from Crowell were Mr. Smith, Mr. and Mrs. W. O. Clary, L. L. Pettit, L. E. Myers, Mrs. H. H. Hallmark, Miss Marion Check and Mrs. Ida Cheek.

WILL VISIT BOSTON

Mrs. G. W. Walthall will leave tomorrow for Bowie where she will join friends for an overland trip to Boston, New York, Washington, D. C., and other points of interest in that section of the United States. At Boston she will attend the annual meeting and election of officers at the Mother Church, Church of Christ, Scientist. At this meeting will also be heard reports from churches all over the world. This will be an interesting and valuable trip for Mrs. Walthall and she anticipates a great time.

Highway No. 51 Is Pushed in Meetings At 4 Towns Tues.

Simultaneous Meetings Held in Crowell, Truscott, Benjamin and Knox City

About twenty-five men of Crowell and Foard County were present at a meeting Tuesday morning in the court house for the purpose of discussing matters pertaining to Highway 51 which runs through the county, north and south.

Carl Guin, secretary of the Quannah Chamber of Commerce, headed a delegation from that city that attended the meeting. Those from Quanah were R. S. Reed and B. F. Caldwell, Hardeman County commissioners, Mason Harwell and A. B. Wey, members of the highway committee.

Mr. Guin explained the action that was being taken on the highway through Hardeman and of the paving work in Oklahoma that would soon connect with it. He pointed out that unless action was taken on No. 51 that Federal designation on this route would be lost to one of the two north and south highways that were being pushed east and west of here whose routes pass through Vernon and Paducah.

County Judge J. E. Atchison and E. V. Halbert, W. F. Thomson and A. B. Wisdom, commissioners, were present at the meeting. Judge Atchison announced plans of the court in dealing with the matter and stated that it was of utmost importance to give the matter immediate attention. In discussion at the meeting it was brought out that several counties have recently been granted aid by the state for grade and drainage structures and it is felt that with the \$27,000.00 that was provided for the Crowell to Foard City road in the bond issue and additional aid from the state, that Highway 51 through Foard County could be greatly improved as a result.

Foard, Knox and Haskell are the only counties on No. 51 that have not made provisions for improving the north and south highway and it is believed that an excellent opportunity is provided for No. 51 to become the first connected north and south highway west of Fort Worth. It was brought out at the meeting that Foard County's valuations were not enough and that the present bonded indebtedness was too heavy to make a bond issue here practical for improving the highway. It is the general belief that the State Highway Commission will soon have charge of all paving in the state and that the paving of 51 will result much earlier if preliminary steps toward that end are taken by the counties on its route.

Francis and Son New Owners of Texas Cafe

A. J. Francis and son, Haskell, have purchased the interest of Sidney Miller and Frank Hukill in the Texas Cafe and are now operating this restaurant that is located on the north side of the square.

Sidney Miller is now employed by W. B. Tysinger at the Elite Cafe.

Mrs. Sam Rosenthal received a diploma from the Gossard School of Cosmetology at Dallas last week. The knowledge that she gained in this line will be used in her services at Blaw & Rosenthal.

One shudders to think what it will take to constitute disorderly conduct a hundred years from now.

Over 2,000,000 Feet Gas in Johnson No. 1

Between two and three million feet of gas was reached at a depth of 3720 feet in L. K. Johnson No. 1 test of the Humble Oil and Refining Company last Thursday night.

The test is located about 16 miles west of Crowell in the northeast corner of Section 37, Block L of S. P. Ry. Survey.

BELDING-HALL

The Finest of All Refrigerators

No longer do you need to put off buying a new refrigerator because some day you may install mechanical refrigeration. The BELDING-HALL Refrigerator may be used now for ice and can be equipped with any mechanical unit later on.

AIR-TIGHT

THICK CORK

CONSTRUCTION

INSULATION

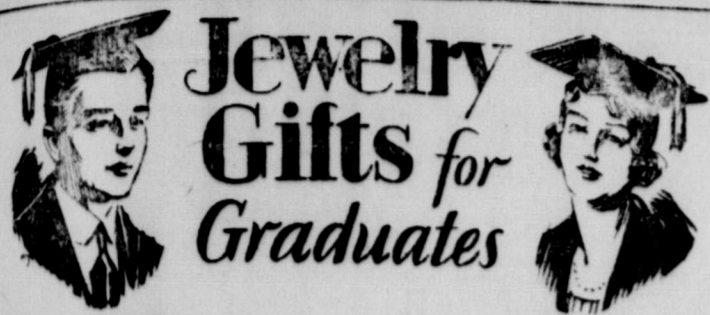

COLDEST OF ALL

Belding-Hall refrigerators are built to maintain the lowest temperatures and will save you money on your ice bills. The thick cork insulation—in the wall and in tight-closing doors—makes the ice last longer and at the same time Belding-Hall air-tight construction insures that your refrigerator will have a circulation of a drier and colder COLD to preserve your foods, sweet, crisp and fresh.

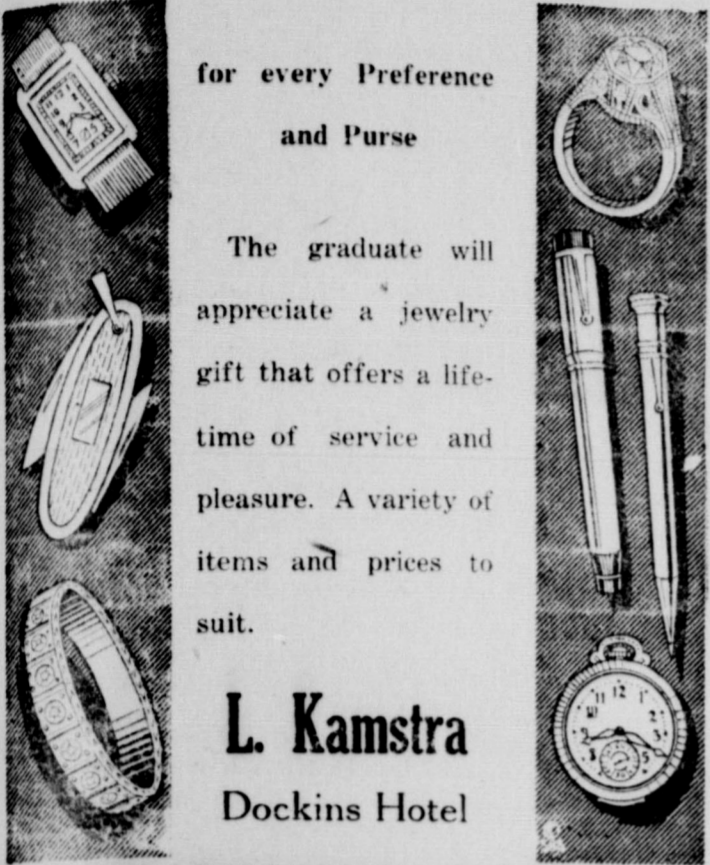

A Good Refrigerator Will Save You Money and Will Guard Your Health.

The graduate will appreciate a jewelry gift that offers a lifetime of service and pleasure. A variety of items and prices to suit.

L. Kamstra
Dockins Hotel

FOARD CITY

(By Special Correspondent)

Miss Victoria McDaniel spent the week-end at Stamford where she visited friends.

Miss Bernice Bailey spent the week-end at Gamberville with relatives and friends.

The Methodist Missionary Ladies entertained their husbands Saturday night with a seal where they served cake and ice cream. Every one reported a nice time.

J. A. Canup, Mr. and Mrs. John Canup and Mr. and Mrs. J. A. Canup of Dallas have been visiting Mr. and Mrs. G. M. Canup at Foard City. They returned to their home the last of the week.

Brother Holt filled his regular appointment Sunday and Sunday night. A large crowd attended both services.

Miss Bessie Dollar and Elmer Pitts of Truscott were visiting relatives and friends of this community Sunday.

Mr. and Mrs. Frank Welch and sons, Norman and Jack, Mr. and Mrs. Grady McLain and son, Huston, went to Lake Pauline Sunday.

Mr. and Mrs. Bailey and son, Ed, Jr., attended the show at Truscott Saturday night.

Mr. and Mrs. J. H. Jackson and children have gone to Collin County where they will visit relatives and friends.

Mr. and Mrs. Ernie Lambert and baby left for Collin County one day last week. They will spend some time visiting relatives and friends.

There were a good many from Foard City that went to Lake Kemp last week. A good many fish were reported caught.

Mr. and Mrs. Ed Bailey and son, Ed, Jr., and Mr. and Mrs. S. H. Boyd and children visited Mr. and Mrs. J. F. Bailey Sunday of Gamberville.

The W. M. U. met at 3 p. m. Monday and had an interesting meeting. Mrs. S. E. Crosnoe gave a lecture on Missionary Life, which was enjoyed by all. Mrs. J. L. Farrar organized a girl's auxiliary and all the girls are invited to come. They will meet on the same day their mothers meet for the W. M. U.

The Girls 4-H club met Monday with Bernice Bailey and their program for the month of May is cooking.

Mrs. Tanner Billington from Crowell spent Monday with her parents, Mr. and Mrs. Owens.

RAYLAND

(By Special Correspondent)

Mr. and Mrs. J. C. Greenway have moved to Floydada where he has accepted a position as teacher.

There will be a Mother's Day program rendered at the Baptist Church Sunday morning beginning promptly at 10 o'clock. Every one is invited. Rev. Reed will deliver a Mother's Day sermon after the program.

L. D. Mansel and family moved to Rayland Saturday.

Mr. and Mrs. J. C. Greenway have been visiting relatives at Gail.

Mrs. Harry Cobb went to Quannah Saturday to be at the bedside of her mother who is very ill.

Mr. and Mrs. C. C. Austin spent Sunday with J. L. Rennels and wife of West Rayland.

Mr. and Mrs. Ernell W. Brooks of Vernon spent the week-end with Ira V. Younger and wife.

Mrs. G. T. German and son, Robert, and Mrs. Martha German spent Sunday with Mr. and Mrs. Buster Kinchloe of Kinchloe.

Mr. and Mrs. Earl Gregg of Post, Ralph Gregg and Miss Eula Mae Gregg of West Rayland visited A. C. Crisp and wife Thursday night.

Mr. and Mrs. H. W. Young made a business trip to Crowell Sunday.

Mr. and Mrs. Ernell W. Brooks of Vernon, Ralph Gregg, Thelma Young, Eula Mae Gregg of West Rayland, Mr. and Mrs. R. A. Rutledge, Mr. and Mrs. Ira V. Younger, Buster Crisp, Jerry Young and Jess Gregg enjoyed ice cream and cake at the home of Mrs. A. C. Crisp Sunday afternoon.

Mrs. R. A. Rutledge visited Mrs. R. M. Gregg who is very ill at Kings' Hospital, Friday.

The Ladies Home Demonstration Club will meet with Mrs. A. C. Crisp on Tuesday, May 14.

TEXON TALES

Well, I dunno what that thing is that Jimmy Minnick found but we gotta bird we will swap for it. Some guys found this bird walking around a salt-water pool and he is about 18 inches high but its body is not any bigger than a pigeon's. The breast and neck is bright pink and the wings is a dark black with real light white spots. The legs is a foot long and slim, with webb feet. Gotta long slim bill about 3 inches long and about the size of a middle-sized straw and turns up on the end. Its bill does. It is such a strange bird we didn't know what he is so we have named her Oscar.

We played some more baseball here last Saturday with McCamey. We run in 27 scores while they got only 3. So that's the way we play.

They was a hardboiled guy came to the post office and demanded his mail. The clerk says, well, what's your name and he says, why that is none of your business and if I have any mail why my name will be on it.

We don't have grass-widows no more. They are skim-milk widows—been separated, you know.

A bird stopped at a filling station and says, "am I on the right road?" So the filling station guy says why where do you want to go and the other guy says why wherever this road goes is where I want to go and the filling station guy says why I've been here high onto five years and that road is still right there where it always was at.

TEXON TATTLER

CARD OF THANKS

We take this method of thanking our dear friends for the many courtesies shown us during the illness and death of our little son and brother, My God bless you.
I. H. ELLISON AND FAMILY.

666,000 BOYS AND GIRLS ENROLLED IN 4-H CLUBS

Boys and girls in 4-H clubs in 1928 numbered 47,000 more than in the year previous, according to advance tabulations of county agents' reports to Washington. In 1927 there were 619,712 boys and girls enrolled in club work in agriculture and home economics and 399,197 of these completed the projects which they undertook. The advance figures for 1928 indicate an enrollment of more than 666,000, with 447,000 members completing their work.

Wichita People Excited Over Orgatone

"There's No Question About Orgatone Delivering The Goods," Declares Well Known Farmer

East, West, North and South, all over Wichita Falls, Orgatone is the talk of the town. People by the hundreds are now taking the sensational new medicine and reporting remarkable returns to health, strength and energy.

Statements such as the following from W. R. Bell, residing on rural route 6, a well known farmer, while apparently amazing are heard every day on all sides. Orgatone has indeed captured Wichita Falls. In his statement of the relief his wife secured by the use of this great preparation, Mr. Bell says:

"There's no question about this Orgatone delivering the goods—it's different from any other medicine I ever saw as day light is from dark. For over fourteen years before my wife got Orgatone she suffered from stomach trouble of the worst kind. Instead of digesting, food seemed to lie like lead in the pit of her stomach, and she would bloat with gas and suffer from indigestion pains until she was simply miserable. This condition seemed to be worse at night when she would lie down, and naturally it greatly interfered with her getting any restful sleep. Why, many times she would simply have to get up and walk the floor, and in spite of all she could do her condition seemed to get worse all the time.

"Well, sir, it's different with her today, for this new medicine, Orgatone, has certainly fixed her up in fine shape. She can eat as she pleases now, sleeps like a top every night and feels in the pink of condition when she starts her house work in the mornings. It's a real pleasure to tell others about Orgatone, for I believe it will help them the same as it has my wife."

Orgatone is the sensation of the day—over 500,000 bottles were sold in four months in three states.

Genuine Orgatone may be obtained in Crowell at the Reeder Drug Company.

(Adv.)

NOTICE TO MEMBERS OF THE AMERICAN LEGION

There will be an important meeting of the American Legion on Monday, May 13th. All members are urged to be present.

Many a safe blower probably got his early experience trying to open a can of sardines with the little tool that is furnished with the can.

If all of the resolutions that are passed in a year were laid end to end—they wouldn't get any place in particular.

GERMOZONE

BIG SAMPLE FOR YOU

the LIFE SAVER For Chicks!

We consider Germozone the greatest remedy made for diarrhoeas and bowel troubles in baby chicks. We are so anxious to have every poultry raiser in our community try Germozone, that for a limited time we are offering a 40c bottle for 10c. One to a family. Bring the attached coupon.

No matter how carefully you clean up each day, danger of digestive disorders and bowel troubles are always present. Drinking water and utensils are so easily contaminated, food particles escape your notice and become moldy, droppings and disease germs are carried into the feed troughs on the chicks' feet.

Take no chances. Germozone purifies the drinking water and, even more important, it kills disease germs, and guards against infection, in crop, stomach and intestines.

Don't worry about the incurable diseases. They are rare, and sanitation internally and externally is the most you can do. The big things with chicks is your protection against the troubles that are so likely to come.

A teaspoonful of Germozone in a quart of drinking water three times a week—such a simple, inexpensive little care! Yet what a difference it makes to the chicks—and to you!

"Best First Try for Sick Chicks"

For more than 20 years Germozone has been the great remedy for nasal, crop and bowel disorders. It acts quickly against the germs and poisons, and helps to heal the affected membrane lining. There is nothing else just like Germozone. It is especially valuable in case of sour crop, simple diarrhoeas, lumber neck, ptomaine poisoning, chilling, musty foods, colds, canker, swollen head, and as an aid in repairing the damage done by worms and by coarctosis.

BRING THIS COUPON

Don't lose your chicks. Get started with Germozone now. Bring the coupon and 10c and get this 40-cent bottle; also a free copy of the 1929 Lee Way Book, a 64 page text book on Disease of Poultry and Stock. Your bottle is here. Come and get it NOW.

Why GERMOZONE Saves Chicks

Germozone is more than just a mixture of Permanganate and water; in addition to Permanganate it contains four other ingredients. Permanganate is like a cap in a cap pistol; in Germozone it is the cap in the shell of a shotgun. When Permanganate reaches the food in the crop it quickly breaks down and, like the blast of the cap in the cap pistol, that's as far as it goes. But in Germozone the breaking down of the Permanganate "sets off" a charge of Chlorine from the other four ingredients. Chlorine, the powerful antiseptic, carries on through into the intestines, counteracts infection, and cleanses and soothes the irritated membrane.

Germozone purifies the drinking water, but this alone is not enough. To stop diarrhoeas, the medicine must reach the intestines. Germozone does this.

Lumber neck, Bill owned by H. Reeder, Arkland, New Mexico shows it three days later, after treatment with Germozone.

I will try Germozone which you so highly recommend. Give me the 40c bottle for 10c, as per your trial offer.

FERCESON BROTHERS

An optimist is a fellow in this day and age who hopes that if he gets hit by a auto, it will be driven by a doctor.

At this time of the year one surmises that animals are not the only things skinned so that women can wear beautiful furs.

The difference between a bow tie and the snap-on type, is usually about fifteen minutes.

An insurance man says that seven hours are enough sleep. Most of us didn't know they ever slept.

With a cigarette as good as Camels the simple truth is enough

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels are made of the choicest tobaccos grown—cured and blended with expert care.

Camels are mild and mellow.

The taste of Camels is smooth and satisfying.

Camels are cool and refreshing.

The fragrance of Camels is always pleasant, indoors or out.

They do not tire the taste nor leave any cigaretty after-taste.

© 1929, R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

Just try these tests!

Two strands of cord exactly the same length. One is Goodyear SUPERTWIST, the other usual standard cord. Tension is applied by these machines.

Snap! the standard cord breaks. SUPERTWIST remains intact.

Let's try it again with fresh strands—same length. Tension is exerted, then relaxed. SUPERTWIST springs back taut like a rubber band. The other cord sags—no elasticity—it's dead.

Goodyear Tires are made of SUPERTWIST.

Supertwist gives and recovers to road shocks, while ordinary cords react as you have seen.

SUPERTWIST is another exclusive feature of Goodyear Tires.

May we make these tests for you and show you why you should INSIST on Goodyear?

**"BOUNTY PLAN" BEST FOR
REAL FARM RELIEF**

Representative Marvin Jones, of
Texas, is a firm believer in the
"bounty plan" of real relief for
American farmers.

He and a number of other Con-
gressmen and Senators propose to
wage a vigorous campaign to have a
"bounty plan" incorporated in the
farm relief legislation enacted at the
present extra session.

Representative Jones, in announc-
ing that he would "fight the Hoover
plan to the last ditch," declared that
it merely postpones farm relief for
many years.

He declared the export bounty
plan would immediately raise the
prices of farm products in the United
States hundreds of millions of dol-
lars and cost the Treasury only about
\$146,000,000 a year.

The export bounty plan as urged
by the National Grange, he explained,
provided for the payment out of
tariff receipts of one-half the tariff
upon exported farm products.

The debentures would be payable
to the farmer or whoever exported
the product.

"Its direct advantage would be \$10
additional a bale on cotton, or \$150,-
000,000 additional prices to the
southern farmers," Representative
Jones said. "Twenty cents a bushel
on wheat, or \$160,000,000 additional
in increased prices to the wheat
growers, would result."

He asserted a similar plan had
been tried successfully in Germany,
Sweden, Czechoslovakia, and parti-
ally in France.

Reports on the feasibility of the
debenture plan have been called for
by the President from three Govern-
ment departments, Agriculture, Com-
merce, and Treasury. These will be
sent to congressional committees
later for their guidance.

The Senate bill, aside from the de-
benture plan, carried approximately
the same terms as the House bill, in-
cluding the creation of a Federal
farm board, the formation of stabil-
ization corporations for each crop,
and Federal aid for cooperatives.

**TEXAS HOLDS RECORD
FOR HEAVIEST PIGS**

Farmers of 30 states competing in
the 1928 hog-raising contest pro-
duced 492 litters of pigs, that weighed
a ton or more at six months of age,
according to figures compiled in
Washington.

Pennsylvania, with 65 ton litters,
produced a larger number than any
other state, holding the same position
as last year. Ohio was next with 48
ton litters, followed by Indiana with
41, and Tennessee with 40.

Idaho produced the heaviest litter
in this year's contest, a litter of 14
pigs totaling 4,156 pounds at six
months of age.

Texas holds the record for the

heaviest weight of individual pigs in
a litter, an eight-pig litter having
reached an average weight of 390
pounds in 180 days.

MOTHER'S DAY OBSERVANCE

American homes are preparing to
pay their annual tribute to mother-
hood Sunday, May 12, and programs
will emphasize the important place
which she holds in the family life.
Tributes will be paid to her worth
and central position in the institu-
tion of the family, which is still the
basis of our social system.

The home life revolves about the
mother. Usually she is the one who
gives tone and direction to its ac-
tivities. Father, to be sure, contrib-
utes his part, but after all it is the
mother who creates the atmosphere
that gives charm to the home.

To set aside a day in which the
family pauses to recognize her ac-
complishments and her important
place is a fine tribute to pay to her.
Millions of mothers will be reminded
of the respect and love of their hus-
bands, and the affection of their
children on Mother's Day. Many
thousands of sons and daughters, who
have forgotten to write home for
months, will send an epistle that will
cheer and comfort their mothers. The
letters, and flowers, and the boxes
of candy will gladden the hearts of
many mothers on that day.

But why single out only one day
or one week for this purpose, and
then express the affection with a
gift. Why not speak a helpful and
cheering word whenever opportunity
presents itself year in and out. A
wee bit of recognition of this kind,
coming in the weeks in which there
is no Mother's Day observance, will
accomplish much more in making her
happy than will the card or token
that she receives because Mother's
Day reminded a son or daughter of
his or her negligence and forgetful-
ness.

The spontaneous words of appre-
ciation and love that are spoken when
no special occasion prompts them
are much more effective and gracious
than those which are conventionally
uttered on Mother's Day.

Mother's Day this year is a good
starting place for a continuous appre-
ciation of a mother's love and affec-
tion. If the sentiments of the cele-
bration this year arouse in all of us
a keener desire to show an apprecia-
tion every day of the year, the ob-
servance will have created a fine at-
titude toward our mothers, which will
make their lives happier and more
cheerful for the manifestations of
love which we are showing daily.

All who participate in the large
number of programs that have been
arranged this year will receive in-
spiration for a better and more con-
stant love for their mothers. The
purpose of the day will be richly served
if hundreds return to their homes
keenly alert to fill the hearts of their
mothers with happiness. A mother
cares more for a cheery greeting and
a kind word of appreciation that ha-
bitually comes from her sons and
daughters than she does for costly
gifts occasionally given.

ODD FELLOWS VISIT QUANAH

Twenty-five Odd Fellows from the
local lodge conferred the initiatory
degree at a regular meeting of the
Quanah Odd Fellows in Quanah Mon-
day night.

Those attending the meeting from
Crowell were: O. O. Hollingsworth,
Byron Davis, W. O. Clary, Tom King,
Eli Smith, Ernest King, A. L. Davis,
W. W. Griffith, E. F. Henry, Curly
Spears, Roy Johnson, Elmer Briscoe,
Frank Briscoe, Ben Mason, Weldon
Cogdell, Jim Shook, Dick Crosnoe,
Clyde Hollingsworth, Lee Roy Stat-
ser, John Daniels, John Daniels, Jr.,
Sam Mills and A. T. Schooley.

**Half Million New
Chevrolets On Road
Since January 1st**

Evidence of the wide-spread popu-
larity of the new six cylinder Chev-
rolet was revealed here today in an
announcement by R. H. Grant, vice-
president of the Chevrolet Motor
Company in charge of sales, that
more than a half million of the new
cars have been placed on the road
since the first of the year.

A significant feature of this
achievement, it was noted, is the fact
that Chevrolet in four months time
built a greater number of six cylin-
der cars than any other automobile
manufacturers has ever produced in
an entire year.

This figure would have been even
greater, Mr. Grant pointed out, if
Chevrolet had been able to take im-
mediate care of the tremendous vol-
ume of orders, with which the fac-
tory has been flooded since the in-
troduction of the new car.

"Nearly every month this year has
seen a new monthly production rec-
ord. In order to satisfy the demand
for cars pouring in from nearly ev-
ery section of the country, output
has been steadily increased as fast
as consistent with the precision man-
ufacturing methods which Chevrolet
employs," said Mr. Grant.

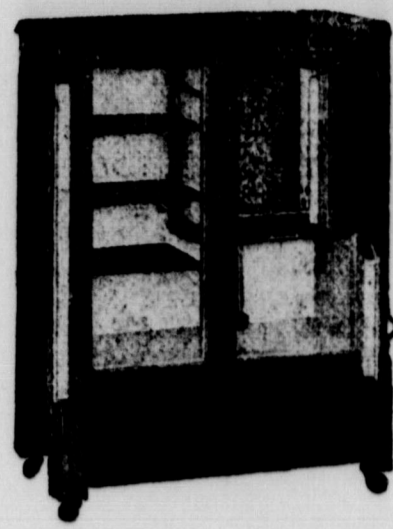

To signify the achievement of
placing on the road more than 500,-
000 cars in less than four months
time, Chevrolet has secured John
Philip Sousa and his world famous
band for an hour's broadcast over
a nation wide hook-up Monday night.
It will be the first time that the ce-
lebrated March King has been heard
over the radio. The radio debut of
the famous band master will come
over the air during the regular Gen-
eral Motors "Family Hour," starting
at 8:30 p. m., Eastern Standard time,
Monday night.

The first reader was brought
to America in 1892 by a mission-
ary.

A catalogue of earthquakes regis-
tered by seismological observatories
all over the world between 1918 and
1924 has been made in England.

To be exempted from paying school
taxes in Italy a father must have ten

tionality.

THE NORTHLAND

THE ICE CHAMBER

All ice compartments are so built that the metal parts
which holds the ice set in away from the refrigerator walls
which provides, in addition to the free air circulation, a
maximum amount of radiation. In this way they cool
much quicker than other refrigerators. Radiation saves
ice, especially when the food chamber doors are frequent-
ly opened. An extra heavy guage galvanized iron is used
in the ice chamber linings. Ice chambers and shelves are
easily accessible and can be removed for cleaning.

**When TIME COUNTS
in your COTTONFIELD**

**THIS CASE 2-Row Cultivator with pipe beams doubles
your efficiency. Saves wages and does excellent work.**

This easily handled Case Cultivator has the famous wheel
guide-gang shift feature with pedal con-
trol. A light touch of the foot turns the
wheels and shifts the gangs to follow the
most irregular row. Stirs every bit of
ground—gets the weeds—dodges the plants
that are out of line.

The lever control tongue truck provides
instant suction adjustment. A master
lever raises or lowers all gangs at once—
saves time and effort in turning. Gangs
and frame adjustable to width of rows.

Most of the weight is carried on the thor-
oughly lubricated, easy-running, maga-
zine type wheel bearings to insure light
draft. Wheels, rigidly trussed, run straight
and true even after years of constant work.

Let us show you this fast-working, effi-
cient cultivator—drop in when you're in
town. A-1 service all the time.

ATTENDED FAMILY REUNION

T. B. Richmond, Jr., returned Tuesday from the G. M. Ranch near Dunlap, Texas, where he attended a family reunion that was held Monday in honor of the 80th birthday of his grandmother, Mrs. Andrew J. Womack.

All ten children of the family were present and more than forty grandchildren were also there, according to Mr. Richmond. Five generations of the family were also represented in the reunion which was attended by about 150 relatives of Mr. and Mrs. Womack.

Mr. Womack is 94 years of age and is an early settler of this part of Texas, having settled near Goodlett in 1886. He is also a veteran of the Civil War, having fought in the Confederate army.

Baptist Church News

Last Sunday was a splendid day with Crowell Baptists. The Sunday School and preaching services were well attended. The pastor spoke on the Bible teaching of "The Lord's Supper." Many said it was the best on the subject they ever heard. Others said, "You help me to understand the scripture."

The B. Y. P. U.'s were well attended. The Junior-Primary Union gave a wonderful program in the closing hour. By special order the evening worship hour was called off for the Methodist revival.

Next Sunday: Sunday School at 9:45; preaching at 11 a. m.; B. Y. P. U.'s at 6:45 and preaching at 7:45 p. m.

At the morning hour special music, solos, duets, quartets, choir specials and old hymns by congregation. Pastor's subject: "20th Century Mothers." The church will be decorated with flowers by the young women's class. Evening subject: "The Gospel, the Power of God." The Smith family will have charge of this service. Lamoine D. Smith of Chicago, who led the music in his father's evangelistic meetings for two years will lead the singing. Miss Gladys H. Smith who is a professional pipe organist will play the piano, and one special song will be given by the whole family. The special song was written by Mrs. Woodie W. Smith. Prayer services, Wednesday evening at 7:45. Teachers council at 7 p. m.

Gamberville Community Club

The Gamberville Community Club met at the home of Mrs. F. J. Jonas on May 2nd, for a social meeting.

As this was to be our last meeting before Mother's Day, a program was arranged to be presented on that day.

The program will be as follows: Song, "Precious Memories," by the club; The Lord's Prayer, by the club; Reading by Venetia Carroll; Song, "Tell Mother I'll be There," Ella Maye Blevins, Opal Carroll; Louise Pechacek and Venetia Carroll; Reading, "Mother"—Ella Maye Blevins; Vocal solo—Venetia Carroll; Talk, "Mothers"—Mrs. Holeman.

Refreshments consisting of cake and lemonade were served to 21 ladies. We were glad to have Mrs. C. D. Hall and Louise Pechacek of Black to meet with us. We were also glad to have Mrs. Will Gamble and Mrs. Herman Greening join our club.

The next meeting will be at the home of Mrs. Lee Morgan on May 15th, with the demonstration on the alteration of commercial patterns. Every member is urged to attend and visitors are always welcome.—Reporter.

Churches

Christian Science Services

Sunday, 11 A. M. Subject for Sunday, May 12, "Adam and Fallen Man."

Sunday School 9:30. Wednesday evening service 8:00. The public is cordially invited.

At The Christian Church

There will be special services in honor of Mother at Sunday School, morning preaching service and at the evening service. All these services will be interesting and inspiring.

Conveyances will be provided for all who desire them. Bro. A. T. Schooley's Sunday School class of Intermediate boys is to provide automobiles to carry all those who need conveyances to the services. Please communicate with Bro. Schooley or some of his boys for such service.

Attend Sunday School in honor of Mother.

C. V. ALLEN, Reporter.

Methodist Church

Sunday School at 10 o'clock with teachers and classes for all. Sunday is being made Home-Coming Day for the Home and Cradle Roll departments of our school and a large attendance is expected.

Special transportation to and from the service will be provided if desired.

Mother's Day's services with appropriate music and sermon at 11 o'clock. Parents who desire to have their children dedicated to God in Holy Baptism may bring them to this service.

Preaching at Black school house Sunday afternoon at 3 o'clock. Senior League meets at 7:15 and evening worship at 8 o'clock.

Woman's Missionary Society meets Monday afternoon at 4 o'clock.

W. R. McCARTER.

Methodist Y. W. M. S.

The Young Women's Missionary Society of the Methodist Church met with Miss Georgia Ribble on Monday, April 22nd, at 6 o'clock, in a special meeting with Miss Georgia Ribble as leader of the devotional service.

Refreshments were served to Mrs. Jack Brian, Misses Cornelia Beidleman, Lottie Russell, Pearl and Zeli Zauders, Ila Lovelady, Wilma Bail, Ella Patton and the hostess.

On Monday, May 6th, the society met in the Methodist Church for a Bible study, with Mrs. Jack Brian as leader.

All of the young women are invited to attend these meetings.—Reporter.

Christian Endeavor Program

Leader—Vera Patton. Peptogram—J. D. Bursey. Scripture Reading and Comment—Mary Alice Shannon. Sentences Prayers. Leader's Talk. Talk, Parents as Leaders—Ernest Spears.

Library Brownings—Roy Mullins. Talk, Leadership in Forming a Child's Character—Lela Patton. Knox and Elizabeth Kincaid. Quotable Poetry—Leoma Knox and Elizabeth Kincaid.

Talk, Ways in which Parents may Encourage their Children—Edith Schooley.—Reporter.

Presbyterian Y. W. M. S.

The Young Women's Missionary Society of the Presbyterian Church met with Misses Martha and Annie Rettig on Monday, April 22nd. A very interesting program on Africa was held.

On Monday, May 6th, we met with Miss Frankie Kirkpatrick with Miss Gussie Rich as leader. This is a new organization and we need your help. Come and join us.—Reporter.

Methodist W. M. S.

The Missionary Society of the M. E. Church met for a Bible study at the church on April 29th. Mrs. Clint White gave an outline of Second Corinthians, Mrs. Edwards gave one of Galathians and Mrs. A. Y. Beverly one on Ephesians. The three books were discussed and applications of them were made to the modern church.

Among the good thoughts that were brought out was this one, the poor Christians in Macedonia begged for an opportunity to give and gave beyond their power because they first gave themselves. We must give ourselves before we are interested in giving our time, talents and all that we have.

The lesson was indeed an inspiration and made us feel that we want to do more for the Christ who died for us.

At the close of the meeting Miss Purcell led in a very impressive devotional.

For the next lesson we will have Philippians, Colossians and First and Second Thessalonians.

The society met again on May 6th in a regular business meeting. Good reports were given by the different officers and other work was planned. The president, Mrs. A. Y. Beverly, led the devotional at the close of the meeting and asked each one to tell what effect the meeting had on them. Each one had been inspired to live better lives and do more work for the upbuilding of the kingdom.

We were very glad to have Mrs. Paul Shirley as a new member.—Reporter.

Home Coming

May 12th will be the Home Coming for the Home Department of the Methodist Sunday School. This means much to the Sunday School, to your pastor and to your superintendent so we hope for all that possibly can to attend Sunday School on this day. This is also Mother's Day and we expect a large crowd at all services.

If you have no conveyance phone me and I will be glad to arrange one for you.

MRS. J. W. KLEPPER.

Now Feels Finest In Twenty Years

"Sargon was a Godsend to me, and I bless the day I first bought it; I feel like a new man," said J. F. Porter, of Keller, Texas. Mr. Porter is

J. F. PORTER

73 years old and has been a deacon in the Missionary Baptist Church 52 years. He is also a Mason.

"I suffered day and night for the past three years with stomach trouble. My gall bladder gave me serious trouble and pain. A most severe pain would strike me about two or three o'clock in the morning and would continue for hours. My entire system was out of order. I was so constipated I had to take laxatives almost every night.

"I put off buying Sargon for weeks, but read so many endorsements for it from good people in Ft. Worth that I bought some, and it has worked wonderfully for me. I would not believe such results could be accomplished unless I had had the experience myself. Those terrible pains are gone and I sleep the night through. My stomach is right now and I eat what I please. I am strong and feel twenty years younger. My gall bladder doesn't bother me; my liver is active, and I am no longer constipated.

"I feel it my duty to my fellow-man to tell how Sargon has benefited me."

Sargon may be obtained in Crowell at the Reeder Drug Company. (Adv.)

What the church needs to attract more men is that some kind of initiatory work should be put on when a new member is added.

VIVIAN CLUB

The club of Vivian met April 30th, at the home of Mrs. Dave Boren with 14 members present. Mrs. Nora Stanley joined the club bringing the total membership to 22.

Miss Freeman, home demonstration agent, gave a talk on the A. and M. Short Course and the club decided on a play as a plan for raising money for sending one to the course. Miss Freeman tried different colored materials on all to show the women the color best suited for them.

The next meeting will be held May 9, at the home of Mrs. Clyde Bowley and all women of the community are urged to attend.—Reporter.

WHAT'S DOING IN WEST TEXAS

(By West Texas Cham. of Com.)

Snyder's air-mindedness is growing with the arrival of the first home-owned plane, a Curtiss-Robin Mono-plane with OX-5 motor (80 horse-power), for the nearly completed airport. The port is unique in that it has such equipment that pilots and passengers need not leave the field to eat or sleep.

Hereford real estate records indicate that within a few years the great cattleman's paradise will soon become the land of the crop grower. The 110 transfers of agricultural land recently completed around the town has had a total acreage of 48,175 acres of approximately 75 sections, averaging 438 acres.

Petersburg's chamber of commerce is actively working to secure natural gas for the town. A committee arranged to go to Amarillo and confer with the gas company there on the proposition.

White Deer has recently organized a chamber of commerce and elected Ouis Dean, president, and G. H. Russell, editor of the White Deer Review, secretary. Regular meetings were inaugurated at the Palo Verde cafe on Mondays.

Cisco entertained the Brazos Valley Pecan Growers' association on April 27th. J. H. Berkett, owner of the famous Berkett pecan tree from which more trees in West Texas are budded than any other, was present. Berkett was presented with a bronze plaque in recognition of his influence on the growth of the industry.

Quitague's entrants in the local City Beautification contest have passed 21, with more entries coming in every day. Prizes aggregating to \$50.00 are to be awarded place winners in the contest. Judges are to be chosen from town landscaping experts.

Junction's new ice cream plant will have a daily capacity of five hundred gallons of cream and will be modern as any to be found in the state. All new and the latest machinery is to be installed in the plant which will be a stucco building of Spanish architecture.

Laredo begins her shipment of Bermuda onions early and has already shipped over 200 car loads. Special train loads carrying from 75 to 100 cars will leave the town nightly while prices remain good. Then dealers will be prorated as to the amount they can ship in order to prevent the glutting of the market.

The Levelland Ice Company completed the installation of its plant recently and began freezing ice. The ice is clear and I. F. Lea, the manager, states that water in Levelland is particularly adapted to making fine ice according to the methods used. This is a new industry for Levelland and another mark of its progress.

A Clarendon paper announces that Donley County home demonstration club women have closed their living room contest and announced the winners as Mrs. N. L. Jones of Ashola, first in the class with expense of less than \$50.00 and Mrs. O. R. Culwell of Hedley, first in the class with an expenditure of over \$50.00.

Anson will entertain the third annual meeting of the Dal-Paso-Cheyenne Highway association on May 8. Invitations have been extended the highway commissioners of both Texas and New Mexico to attend this meeting. Plans for a motorcade to begin at Shreveport, La., will be made.

Big Springs' first quarterly meeting of the chamber of commerce was attended by more than 400 people. The main topic of discussion was the building of good roads. Howard County will soon vote on a road bond to pave both highways out of Big Springs, and this course was highly recommended by those present.

The Canyon Episcopal church has broken ground for the erection of a new home for their student welfare worker who is stationed in Canyon. The brick cottage will be planned to suit the needs of large student gatherings and for entertainment of visiting officers of the Church.

NOTICE

To the party who dumped cans and trash in the street north of P. P. Cooper's residence, please take notice of this warning and remove same or prosecution will follow.
R. J. THOMAS, City Marshal.

Einstein says that gravity is not instantaneous. Probably he never slipped on a banana peel.

Fashionette's

NOTES OF FASHION and Store News

And sport togs loom larger and larger on the horizon of Fashion! One piece and two piece—of flat crepes and knit materials—and combinations of the two. A clever new little sports frock in two piece with a silk knit sweater in a number of colors and they are only \$5.95.

Chartreuse and fruit yellows are the big colors now. Orchid is still very good and is seen more than at the beginning of the season.

A number of smart new bags are seen in straw to match the popular show hats this season. Mesh bags in pastel shades are growing in importance as summer advances. They are such charming complement to the summery clothes.

The head of our ready-to-wear department has just returned from a successful term of the Gossard school of corseting. This course makes her a graduate corsetiere and we feel that the ladies of Crowell will appreciate the effort we make at all times to give them efficient, trained service.

For the woman who wants comfort and beauty combined in her shoes, we have some of the best numbers we have ever shown. They are made with arch supports and come in Lido Sand and black, in a number of charming models.

The flops for the young miss are here! All the girls are wearing flops now, but these are the first we've had for the little girls.

Don't forget to remember Mother on her day—next Sunday. We have a number of both useful and frivolous gifts for her—gifts any mother will appreciate.

For Friday Special we will sell any lady's hat in the house for \$1.00! On Saturday we will have a number of specials. Come in and see them.

Blaw and Rosenthal
CROWELL, TEXAS

Crowell Schools Will Sponsor Show Wed.

The high school and grammar school of Crowell will crown their respective queens, Elizabeth Kincaid and Prudence Coffey, in a program to be given at the Rialto Theatre next Wednesday evening.

A program furnished by prominent entertainers of Crowell is being arranged and the princesses and duchesses of each class have been selected to attend the queen.

Those selected are, Freshmen—Lois Nichols; Sophomores—Mary Frances Self and Dessa Housouer; Juniors—Leoma Knox and Lueli Green; Seniors—Grace Russell. Each girl will have a boy attendant.

Jack Welch is the high school king and W. C. Green is the grammar school king. Vance Swain, Ragsdale Lanier, Harold Hinds, George Davis and Bill Middleton are attendants to princesses and duchesses.

Railroads Offer Low Rates to Short Course

College Station, Texas, May 16—Cooperation of Texas railroads through special rates in bringing the crowds to the twentieth annual Farmers Short Course at the A. & M. College of Texas this summer, to be held the week of July 29, is assured, according to H. H. Williamson, vice-director and state agent of the Extension Service under supervision of which the short course is held. A rate of one cent a mile in each direction has been announced by the Southern Pacific Lines and other roads are expected to make attractive rates also, he said.

Plans are under way here for taking care of the largest attendance in the history of this state-wide farm gathering. Last year's attendance numbered 5,000 of which one-third were boys and girls. Authorities at the college expect facilities here to be taxed to the limit during the coming gathering.

Instruction to be offered will follow much the same lines as in the past, courses to be available in field crops, gardening, horticulture, poultry raising, dairying, general live stock, insect and disease control, clothing, construction, nutrition health and sanitation, interior and exterior home improvement and marketing. Specialists of the school of agriculture, Agricultural Experiment Station and Extension Service will have charge of the various programs with the aid of a corps of authorities invited from other Texas institutions and from other states.

Contrary to common belief, it takes three to make a marriage, and likewise a divorce.

KEEPING UP OLD ROADS

With an automobile owned by practically every family in the land, the problem of good roads is an intensely local issue in every community. State highways can not be built around every farm, but every farmer must get to town through roads.

Old roads upon which money has been spent for grading and graveling can not be recklessly "scrapped" without tremendous loss to the taxpayers. How to protect the old, worn-out rock surface and save the well-packed foundation for further use, has been a considerable problem.

Today, however, methods have

been developed for widening and surfacing these old roads or to down, narrow pavements, saving the old road investment by giving rural communities of smooth, hard surfaced highways at a price they can afford to "Salvage the old roads" should come a slogan of every rural community.

Taxes are high on automobiles in Venice, but what would one do with a machine over there anyway?

Mr. Hoover will not be the president to find Congress more a bother, than a help.

Out Fishin'

A feller isn't thinkin' mean, Out fishin';
His thoughts are mostly good and clean, Out fishin';
He doesn't knock his fellow man,
Or harbor any grudges then;
A feller's at his finest when, Out fishin';
The rich are comrades to the poor, Out fishin';
All brothers of a common lure, Out fishin';
The urchin with the pin and string
Can chum with millionaire and king, Out fishin';
A feller's glad to be a friend, Out fishin';
A helpin' hand he'll always lend, Out fishin';
The brotherhood of rod and line,
An' sky and stream is always fine;
Men come real close to God's design, Out fishin';
A feller isn't plotting schemes, Out fishin';
He's only busy with his dreams, Out fishin';
His livery's a coat of tan,
His creed to do the best he can;
A feller's mostly always man, Out fishin'.
