## Thomas Awarded Local Graduates Here Last Week

Large crowds were in attendance at the graduation exercises at the grammar and high schools here last week.

The grammar school program was held Thursday night and the high school program on Friday night. Both took place in the high school auditorium.

Rennels was the principal at the grammar school program and gave an interesting address. He reviewed their work in the grammar grades and the mental tests they received there would serve as a basis in making ready for high school work.

The principal of the high school, Mrs. J. F. Powers, gave a duet and numbers by the fifth grade and the graduating class completed the musical program. Miss Ruth Patterson played professionally and Rev. W. W. Womack accompanied her.

Diplomas were awarded by Mrs. J. F. Powers to the following: Mary Frances Woods, Taylor, Orville Orr, Peggy Mason, Herbert Rettig, Vena Evelyn Tarvin, Darwin Bell, Todd, Jo Roark, Pauline George, Lillian Gene Bell, George Melvin Joy, Cecile McAnear, Mallins, Fred Spears, Juanita Gray, Floy Wozencraft, Archie Bell, Wilborn Clary, Louise Verna Parker, Lois Schlanke, Mae Smith, Iris Thompson, and Mae Zeibig.

High School Program  
The principal at the high school exercises, Dr. Kincaid, addressed local graduates. His remarks proved very interesting. He stated that the principal wants for success in life were health, cleanliness of mind, energy, and good health, and that it was their greatest gift and that they should cherish it.

Dr. Kincaid emphasized the importance of choosing a calling. He stated that the graduates should let their natural inclination lead them in choosing their life. "Choose that which you like," he advised Dr. Kincaid. "There are thousands of opportunities in this world and anyone with good health, energy, and good health, can make a success of it."

Thirty-two Graduated  
Mrs. Sam Crews played the piano as thirty-two students, eleven girls and fifteen boys, attended the graduation regalia, took their oaths on the stage. Rev. J. F. Powers gave the benediction. Miss Elizabeth G. Gledhill followed with a reading. The valedictory by Gertrude Connelly recited Dr. Kincaid's address. Following the presentation of diplomas by I. T. Graves, superintendent, Rev. W. W. Smith rendered benediction.

FOARD COUNTY COMMISSIONER VISITING SON  
Mr. Bruce, a pioneer citizen and organizer of this county for fourteen years, commissioner of the county, was here last week and the first time in twenty years.

One School Now Progress in County  
Friday brought to a close the year of practically all of the schools in Foard County with the exception of the school at the town of Westonville which will continue to operate an eight month school year.

While in Denton they were present at the graduation exercises of the North Texas State Teachers College when the B. S. degree was conferred upon Mr. and Mrs. Warden's daughter, Herbert Huffaker.

## McClung Construction Co. Awarded Contract For Paving Lee Hi-way

McClung Construction Company of Fort Worth was awarded the contract for paving the Lee Highway, State Highway No. 28, from Crowell to the Wilbarger County line by the State Highway Commission at Austin last Friday.

Byron Reese, resident engineer of the State Highway Department, was present at the letting of the Foard contract last week. He stated that the commission in five minutes awarded a total of one and one-half million dollars for Foard, Wilbarger, Archer and Carson Counties. Around \$7,000,000 in contracts were let by the Highway Commission at this session and about \$3,000,000 will be used for allotments for work to come up at the next meeting.

The paving in Foard County will amount to 15.83 miles and that the Wilbarger will amount to 13.50 miles. It is expected that work on this program will begin within a month's time. The company is given fifteen days to make bond and a few days to actually start work.

The contract specifies that the paving must be completed within 130 working days, which indicates that there should be a paved road between Crowell and Vernon by December.

## Progress of Houston Impresses Womack

W. R. Womack returned last week from Houston where he attended the state convention of funeral directors and embalmers.

Mr. Womack stated that he was particularly impressed with the development that was taking place at Houston' port and stated that he believed it would make Houston the largest city in the state. Dredging is still taking place at the port and mud is being pumped into the swamps and many acres of land are being reclaimed, according to Mr. Womack.

He said that he was surprised to find that the largest ocean liners were pulling right into the port which is formed by a 24-mile channel from Galveston Bay. Liners from 3 to 4 hundred feet long were at the port when he was there and liners 600 feet long also use it. Most of the loading docks are now about 5 miles from Houston but work on cutting of a head is now taking place which will enable the largest ships to come right up to Houston.

The world's largest cotton warehouse is now located at the port and last year 2,300,000 bales of cotton were shipped from the port and 4,000 boats of every description loaded there last year.

The port cost \$20,000,000, Houston and the U. S. Government bearing an equal part of the expense of the project. Most every type of industry in the world now has loading docks at the Houston port. Mr. Womack stated that he noticed an extra large crane with a large magnet on its end lifting scrap iron from freight cars onto ships destined for Italy. He said the magnet picked up pieces weighing more than 500 pounds.

## OIL OUTLOOK IN FOARD COUNTY BRIGHTENS WITH RISE IN CRUDE

### Oil Scouts Predict That Foard County Will Be Next Big North Texas Field; Leasing Activity Expected

The recent rise in the price of crude oil has been reflected to a certain degree in increased interest in Foard County leases. While leases are not as yet changing hands in this territory a greater interest is manifested by oil men and operators in general.

On the whole prospects for further development in this section are very good, as indicated by the fact that a small percentage of leases have been allowed to forfeit and most of these were leases bought for protection on drilling wells that have since proved to be dry holes.

Mr. Stephens stated that it is the opinion of practically all of the Wichita Falls operators that North Texas' next big oil field will be found in Foard County, perhaps in the Thalia territory. He predicts that with the probable further increase of oil prices, leases and royalties in Foard County will find a ready market in the future.

J. Waggoner Caldwell, Jr., Chief Scout of the Prairie Oil and Gas Company was a business visitor in the office of the Bell-Roberts Land and Abstract Company Tuesday.

Mr. Lutz, former vice-president of the National Oil Scouts' Association and now publisher of their official organ, "The Swab," was a visitor in the Roberts office Tuesday.

He is the founder of "The Swab" which is a magazine of national circulation among oil men and stated that it was his intention soon to publish an article in the magazine dealing with petroleum potentialities of Foard County.

Mr. Lutz is very optimistic concerning the possibilities of an oil field in the territory surrounding the town of Thalia. He said he had been told that about sixteen miles west of here.

## RAY KEECH IS MEMORIAL DAY RACE WINNER

### ONE MAN IS KILLED IN NATIONAL SPEED CLASSIC

At 3:14 p. m. Thursday, Ray Keech drove his Simplex Special to victory in the Memorial Day automobile races at Indianapolis, making the five hundred mile race in 5 hours, 7 minutes and 42 seconds.

Louis Meyer, winner of the national race at Indianapolis last year, took second place when Lew Moore had an extremely unfortunate accident. Moore seemed certain to win second place and was on the next to the last lap when his racer caught fire, requiring him to leave the race with Meyer proceeding to 2nd and Jimmy Gleason to third.

Other Counties Must Make Provision For Highway Number 51  
The Foard County Commissioners Court last week notified the State Highway Commission that this county was ready to put up its money if two to one aid was granted by the state for securing right-of-way and providing grade and drainage structures on Highway No. 51 which runs north and south through Crowell and Foard County.

Memorial Services For I.O.O.F. and Rebekahs  
Memorial services for departed Odd Fellows and Rebekahs of the Crowell and surrounding lodges, will be held Sunday, June 9th at 3 p. m. in the Baptist church.

Rev. Woodie W. Smith will preach for the memorial services and other numbers have been arranged for the services. Following the church program, appropriate services will be held at the Crowell Cemetery for the following departed members of both organizations: Ben Allison, Bob Fletcher, W. R. Tuttle, T. M. Beverly, J. B. Rasberry, L. N. Johnson, and A. H. Bennett, and for the Rebekahs, Miss Laura Ferguson. Their graves will be decorated at this service.

S. W. Burks Dies at Tom Bean, Texas  
S. W. Burks, a former resident of Crowell and Foard County, died at Tom Bean in Grayson County Monday following an illness of about one month. Mr. Burks has been living in this county at different times for many years and only a few months ago moved to Tom Bean where he and his family were making their home at the time of his death.

Back From Convention  
"It was the greatest conventional ever expect to attend," said H. E. Ferguson in commenting on the Tertiary International Convention at Dallas, from which he returned Thursday. He returned with Mr. and Mrs. John Rasor who also attended the convention.

Mrs. Leonard Clements and daughter returned to their home in Lufkin, Texas, Thursday after spending several weeks visiting her parents, Mr. and Mrs. E. J. Smith.

## Scout Training Schools Will Be Resumed Friday

After being delayed for about three weeks due to the death of the mother of Ben Parrish, district scout executive, weather conditions, and the graduation exercises, the scout leadership training school will be resumed here Friday night in the basement of the Baptist Church under the direction of Mr. Parrish.

The first course was attended by a number of local men and Rev. R. O. Browder, pastor of the Methodist Church of Truscott, who is planning to bring a number of Truscott men to the meeting here Friday.

Every man in this section interested in scouting is urged to attend these courses which will be held each Friday night for the next five weeks. No one obligates himself to the scout movement by taking the course. Through these courses one has the opportunity of learning all about the scout movement and how it is conducted.

Rainfall For May Is Heaviest Since 1919  
The total rainfall for May at Crowell is the heaviest since 1919 according to the records of the First State Bank. Rain this month amounted to 7.65 inches compared with 8.67 inches for 1919.

Tarver No. 1 Making 20,000,000 Feet Gas  
With a new 12,000,000 foot gas sand, the Tarver No. 1, eleven miles northwest of Crowell, and about 2 miles northwest of Thalia, is now the largest gas well in Foard County.

Memorial Services For I.O.O.F. and Rebekahs  
Memorial services for departed Odd Fellows and Rebekahs of the Crowell and surrounding lodges, will be held Sunday, June 9th at 3 p. m. in the Baptist church.

Rev. Woodie W. Smith will preach for the memorial services and other numbers have been arranged for the services. Following the church program, appropriate services will be held at the Crowell Cemetery for the following departed members of both organizations: Ben Allison, Bob Fletcher, W. R. Tuttle, T. M. Beverly, J. B. Rasberry, L. N. Johnson, and A. H. Bennett, and for the Rebekahs, Miss Laura Ferguson. Their graves will be decorated at this service.

S. W. Burks Dies at Tom Bean, Texas  
S. W. Burks, a former resident of Crowell and Foard County, died at Tom Bean in Grayson County Monday following an illness of about one month. Mr. Burks has been living in this county at different times for many years and only a few months ago moved to Tom Bean where he and his family were making their home at the time of his death.

Back From Convention  
"It was the greatest conventional ever expect to attend," said H. E. Ferguson in commenting on the Tertiary International Convention at Dallas, from which he returned Thursday. He returned with Mr. and Mrs. John Rasor who also attended the convention.

Mrs. Leonard Clements and daughter returned to their home in Lufkin, Texas, Thursday after spending several weeks visiting her parents, Mr. and Mrs. E. J. Smith.

## Sixty Foard County Women Attend Dress Contest at Vernon

Sixty women of Foard County representing every home demonstration club of the county, were in Vernon Wednesday afternoon for the final judging of the house dress contest for that county.

The Foard County women carried their lunches which they ate at a Vernon park. The garments that were judged were displayed in an exhibit in the office of Miss Emma Carter, agent of Wilbarger County. The office is in the new court house.

Rickard Bros. Buy White Way Station  
Adrian Thompson sold his interest in the White Way Filling Station this week to Joe and Ben Rickard who took over the management of the station Tuesday.

Huskey Test Reaches Depth of 800 Feet  
Bass and Dillard, independent oil operators of Wichita Falls, have reached a depth of over 800 feet in the Huskey No. 1 that is being drilled in the southeast corner of the northwest quarter of Section 276, Block A. H. & T. C. Ry. Survey.

Fishing for Tools In Johnson No. 1  
Tools which were lost in the L. K. Johnson No. 1 test of the Humble Oil and Refining Company about three weeks ago have not been recovered and it is thought by drillers that some time will elapse before the recovery of the tools is made.

Wichita Falls Man Given Tel. Contract  
S. A. Rosser, contractor of Wichita Falls, was the lowest bidder on the contract for the new two-story brick building of the Haskell Telephone Company that is to be built here.

HERE FROM OLD MEXICO  
R. M. Ayers of Tampico, Old Mexico, arrived here last Sunday for a visit with his mother and brother, J. H. Ayers, who lives in the Ayersville Community.

Mrs. H. Schindler visited in Wichita Falls Tuesday. Her daughter, Elsie, returned to Crowell with her.

Wichita Falls Man Given Tel. Contract  
S. A. Rosser, contractor of Wichita Falls, was the lowest bidder on the contract for the new two-story brick building of the Haskell Telephone Company that is to be built here.

Mrs. H. Schindler visited in Wichita Falls Tuesday. Her daughter, Elsie, returned to Crowell with her.

**VIVIAN**

(By Special Correspondent)

Miss Bessie Fish who has been teaching near Anson returned home Monday.

Mrs. H. G. Downing and small sons of Vernon are here visiting relatives.

Bro. Bryant, Presbyterian pastor of Anson, filled his regular appointment at the Vivian school house Sunday. An ice cream supper is to be given at the home of Miss Russle Rasberry.

on Friday night, May 31, for the benefit of the 4-H Club girls. This money is to be used to send one of the girls to the A & M Short course. Every one is invited to come.

**CHICKEN THIEVES CAUGHT**

Jack Roden, deputy sheriff at Margaret, caught two chicken thieves following the loss of thirteen Rhode Island hens and three turkeys near Margaret last week. Following the loss a general alarm was sent out and it was later discovered by Mr. Roden that the poultry had been sold in Margaret which led to the capture of the thieves.

**THALIA**

(By Special Correspondent)

A large crowd attended the commencement exercises at the high school auditorium here Friday night of last week. Mrs. C. B. Morris delivered the address to the graduates.

Mr. and Mrs. W. C. Jones left Tuesday for their summer vacation. They will visit relatives in Knox City, Abilene and Ranger, after which they will leave on a six weeks tour visiting relatives in Missouri and Virginia. They will also go to New York City before returning here for the next school term.

T. M. Haney and Miss Lucille Shultz went to Abilene Saturday and returned Sunday. Miss Velma Haney returned home with them for a few week's visit.

John Morris is visiting his parents here this week. He has just finished a school term at Hedley.

Pushing a lawn mower is the best outdoor tonic. Everyone needs to get some fresh air and exercise. The only trouble with birth control is, that so far it has failed to eliminate the black sheep.

**PUSHES DIVERSIFICATION**

Herman Fox of Fox Brothers Grocery is a strong believer in dry cows and poultry as sidelines to farming activities and is constantly urging farmers to follow that route. He stated that their store is now buying over three hundred pounds of butter each week from the farms and that they are buying all the eggs from them that can possibly be secured. He stressed the importance of infertile eggs for market purposes. Mr. Fox stated that over one-fourth of their former customers by their grocery bills from their incomes from their chickens and cows, had said that there was no reason why every farmer in the county could do the same.

**Worth More Than a World of Money**

Since Taking Orgatone Wichita Woman is Now Able to Do Own Housework

"I would rather be well and happy like I am since taking Orgatone than to have all the money in the world," declared Mrs. Bessie Coe, of 25 Ave. C, Wichita Falls. "Before I took Orgatone, I had stomach trouble and headaches so bad that I could hardly stand it. I was extremely nervous, my breath was short and I felt miserable all the time. "My son advised me to take Orgatone and at the time I started I really did not feel like doing my own house work, but it's different now I am getting as healthy as I ever was in my life. The headaches and stomach pains have all left me and I do all my work and look after my family without the least trouble. I can eat a good hearty meal and never have a sign of indigestion. I am the least nervous any more, sleep like a child every night and am as well as I ever was. I can't find words to express my thankfulness for what Orgatone has done, it is nothing short of wonderful."

Genuine Orgatone may be obtained in Crowell at the Reeder Drug (Adv.)

Fire interrupted a wedding on other day in one of our cities, but went out. That is more than a bridegroom can do now.

**Years of service in MODEL T FORDS**

THE Model T was so strongly and sturdily built that it is still rendering reliable, economical service to motorists in every section of the country. Millions of these cars can be put in shape for two, three and five more years of use at very small cost.

So that you may have this work done economically and satisfactorily, the Ford Motor Company is still devoting a considerable section of its plants to the manufacture of Model T parts. It will continue to do so as long as they are needed by Model T owners. The following list gives the approximate labor charges for reconditioning the Model T Ford:—

Engine	
Tune motor (including replacement of commutator case, brush and vibrator points if necessary)	\$1.00
Grind valves and clean carbon	\$3.75 to 4.00
Overhaul carburetor	1.50
Refine detachable car transmission bands	1.50
Install new pistons or connecting rods	6.00
Tighten all main bearings	6.00
Overhaul motor and transmission	\$20.00 to 25.00
Rear System	
Replace rear axle assembly	2.50
Install universal joint	3.00
Refine brake shoes	1.50
Replace rear axle shaft, drive shaft pinion, or drive gear	5.00
Overhaul complete rear axle assembly	\$5.75 to 7.00
Rebush spring and perches	1.75
Oil and graphite springs	3.00
Front System	
Overhaul front axle	\$4.00 to 5.00
Rebush spindle bodies and arms (both sides)	2.50
Replace or straighten spindle connecting rod	.75
Tighten radius rod or steering ball cap	.50
Tighten all sockets and joints of front end	1.50
Replace front spring tie bolt or new leaf	2.50
Straighten front axle	3.00
Chassis	
Replace rear fender	1.75
Overhaul steering gear	3.50
Repair muffler	1.00
Overhaul radiator	7.50
Repaint Coupe	25.00
Repaint Sedan	25.00
Repaint Touring Car	20.00
Reupholster Runabout	8.00
Reupholster Touring Car	15.00
Replace top deck (Coupe or Sedan)	4.00
Overhaul starting motor	3.00
Overhaul generator	2.00

These prices are approximate and are for labor only, because the need and number of new parts depend on the condition of each car. The charge for these parts is low, however, because of the established Ford policy of manufacturing and selling at a small margin of profit.

Mrs. Story from Wylie is visiting her daughter, Mrs. Percy Stone.

Just another good thing added to the other good things of life

**CAMEL CIGARETTES**

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained . . . by the world's largest organization of expert tobacco men . . . it never varies.

Smoke Camels as liberally as you choose . . . they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, May 31, 1929

Texas Aviators Break All Endurance Records

It remained for two Texans; one a cowboy just two years ago and the other, a former farm hand and railroad mechanic; to break the world's endurance record for any type of aircraft. Reg Robbins and Jim Kelly performed this remarkable feat at Fort Worth last week and their second hand plane and motor, which had covered 50,000 miles before the contest, came to earth at Fort Worth Sunday at about 4 p. m. after remaining aloft for over a week and breaking the record that was recently set by the tri-motored plane of the army, "Question Mark," by nearly a day.

The plane was refueled in the air on about 20 occasions by another plane which lowered a hose to the "Fort Worth" and usually about 110 gallons were transferred on each occasion. Cowboy Jim Kelly performed the dangerous task of climbing out within a few inches of the whirling propeller to grease the rocker arms on the motor, a task which he performed a number of times and on one occasion the propeller struck his belt buckle which caused a slight dent which is believed to have indirectly caused the plane to finally come down as the plane fought a rain and electrical storm all Saturday night and moisture settling in this dent caused the propeller to warp and crack. Kelly stated that they would have stayed up until the "Fourth of July" if the propeller had not gone wrong.

Jesse Brown Witnessed Event

Jesse Brown was in Fort Worth shortly after the "Fort Worth" took the air and saw the refueling operations take place. He went from Ft. Worth to Austin and then returned Sunday in time to see the plane land. He was also present at Fort Worth at 7:33 p. m. Saturday night when the record of the "Question Mark" was broken. He said that whistles, sirens, auto horns, and every kind of noise maker available was turned loose in Fort Worth at that time.

Brown stated that Lindbergh could not have been accorded a greater reception in Paris than the 30 to 35 thousand people gave Kelly and Robbins when they landed at Fort Worth

Sunday. Many Crowell people took advantage of listening to the radio broadcast direct from the field and to also listen to the heroes talk over a nation-wide chain of stations at 10 o'clock Sunday night.

Former Crowell Man Establishes Airport

Snyder claims to have the finest airport in the United States for a city below 100,000 population. D. P. Yoder, formerly owner of the light plant here, established the airport which is located within a mile of the square. It contains a large acreage and has all the facilities required to give it an A-1 rating by the government. A hangar, refueling facilities, lights, water and various other conveniences are available at this airport.

Crowell Will Play Thalia Here Friday

The Crowell baseball club will play Thalia here this Friday. The game is to be played at the local ball park and an interesting contest is expected.

Thalia has won two games from Crowell this season, however, Crowell has strengthened its team since that time and is expecting to provide an interesting contest for fans. William Bell, who has been with the Abilene club of the West Texas League, is now in Crowell and will play for the local team.

The Crowell and Thalia teams will go to Truscott Sunday where they will play Truscott in a double-header.

DR. CLARK RETURNS

Dr. Hines Clark returned Monday night from a trip to the southern part of the state. He attended a medical convention in Brownsville and stated that he was required to travel on only 67 miles of dirt road in making the trip to that city. He left Austin Monday arriving here Monday night.

Dr. O. J. Emery who has been here in the absence of Dr. Clark returned Thursday to Knox City.

With the detour season here, we will have to begin believing in signs, regardless of whether we want to.

When you swing a hoe, it is sweating, but when you swing a golf club, it is generally perspiration.

Just as one gets through paying the Easter bills, along comes the itch for summer clothes.

The time that the average man puts in working amounts to eight years of his life.

Nunns Are Liberal Donors to College

Plainview, May 30—Mr. and Mrs. J. L. Nunn of Amarillo announced the gift of a gymnasium to Wayland Baptist College at Plainview at commencement exercises Wednesday. The announcement was made by Judge H. C. Pipkin of Amarillo.

The building for the gymnasium will cost \$20,000 exclusive of equipment. The gymnasium will fill a long felt need of the college. It will be 76 by 84 feet in dimensions, will have a seating capacity of 600 persons, and will be located on the southwest corner of the campus.

Nunns Heavy Givers

Dr. J. E. Nunn, father of J. L. Nunn, is a member of the board of trustees and is the donor of the Nunn Library of the college. He is also responsible for improvements at the institution and instigated the drive which cleared Wayland of all debts. He has given freely to the institution and is donor of the \$250,000 endowment now being raised.

Dr. Nunn was present at the graduating exercises when 27 students received their diplomas. The college yearbook, "The Traveler," was dedicated to Dr. Nunn this year.

The old-fashioned man who wouldn't spend twenty minutes currying his horse, has a son today who spends nearly all forenoon Sundays in dolling up the car so he can take his best girl out riding.

An attempt is being made to introduce California birds and fish into the Hawaiian Islands.

Hardware, Furniture, Implements  
Plumbing and Sheet Metal

ROADSIDE MARKETS

Roadside markets will soon become common; many of them will be profitable, while there will be a stand here and there that will become permanent. Some time ago the owner of a roadside stand located on the National road advertised his place of business for sale, guaranteeing that his annual sales amounted to \$5,000. Inasmuch as practically all goods sold were produced on the little farm this was a profitable business.

The roadside market, however, literally means the selling at the front gate produce taken from the farm. The list of goods so offered can be

made as long as the owner likes. Business can start early in the spring and continue until freezing weather. The amount of business done will depend on the individuality of the owner of the stand, the goods offered and their appearance. These conditions are being largely looked after by the state health officers, who have more work to do since the coming of the roadside market. The fact is, these places where "fresh country produce" can be bought will become as permanent in season, as the department store. The paved roads have brought to the doors of progressive families a business that is still new but one that has come to stay.

In line with the activity of Ford Motor Company to stimulate interest in aviation, the Rapids Motor Company, Ford dealers of Rapids, South Dakota, own and operate a government licensed airport landing field, equipped with the test power night-landing lights.

A painter was arrested the day for slapping a girl. He professed to see if the paint was

The General Electric Refrigerator sets a new standard of quiet.—M. S. Henry & Co.  
Mr. and Mrs. J. B. Markham of Stamford are here this week visiting their daughter, Mrs. Leo Spencer, and family.

WEATHER, WE ALWAYS HAVE

Ruskin said of the weather: "Sunshine is delicious, rain is refreshing, wind is bracing, snow is exhilarating—there is no such thing as bad weather—there are only different kinds of good weather."  
He is right, and the talk of the weather is probably the greatest waste of human energy in the world today. It is the most common topic of conversation in every group, and yet, not one jot or tittle of the weather can be changed, were mankind to turn all its attention to that subject and neglect all others.  
We can change the effect of the weather upon ourselves by securing heat and by adding weight of clothing in cold weather and reducing both in warmer weather. That is all that we can do. If people would be content to accept the weather as Ruskin saw it, what a tremendous saving in time and effort would be made; all of which could be applied to useful pursuits with profit to everybody.

THE BEST TONIC

The days of sunshine are just ahead. There is no greater tonic for a weakened system than the warm penetrating rays of the sunshine. It is nature's most skillful physician.  
To get its real benefits, one must be in the sun and get the direct rays. Sitting by the closed window and feeling its warmth does not bring the beneficial results that can be acquired by spending as much time as possible outdoors.  
For those who have the time to give to a garden, great blessings are in store. Men and women who fall in love with their little plot of ground in the back yard about this time of year are certain to have a healthful, happy summer.  
The annual coat of tan will be becoming and the exercise for the muscles will add years to your life.

### Marquette On Market After 1st of June

The new Marquette which will be offered to the public June 1st is an exclusively built and designed product of the Buick Motor Company. The motor and all of the other mechanical parts of the new six will be built and assembled in units of the mill and a half long Buick plant. Preparations have been under way at the Buick factory since last December to house the manufacture of the motors for this new addition to the Buick line.

### New Texas Record For Corporations Set

Austin, Texas, May 30.—Establishing a new record for April, 262 new corporations were granted charters by the Secretary of State to operate in Texas, according to Bernard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas.

### Supply of Cotton Is Less Than Last Year

Austin, Texas, May 30.—On May 1 the indicated supply of cotton in the United States totaled 4,846,000 bales, compared to 5,583,000 bales on May 1, 1928, according to Bernard Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas.

### Churches

#### REVIVAL BEGINS SATURDAY

An evangelistic party consisting of D. Heckman of Amarillo, H. Shields of Wyoming, and I. Phelps of Denver, will begin a revival here Saturday night in a tent four blocks west of the court house.

The services to be given have a connection with any of the modernisms that interpret scripture to their own liking, according to I. Phelps. All three men conducting the revival are preachers and will deliver messages and conduct the singing to the revival.

Mr. Phelps stated that the public is cordially invited to attend the services. It has not been determined as to how long the meeting will last.

#### Baptist Church News

The church has been equipped with electric buzzers and it was interesting last Sunday to see the promptness in obeying orders according to signals. One lady was so eager to be obedient that when the first signal was given for the closing of the lesson she was up and half way out of the class room before her colleague could stop her. This kind of alertness will have much to do with building an efficient Sunday School.

The people were kind enough to say that the morning message was the best they had ever heard on the 8th chapter of Romans. One man said that the evening message was even better than that of the morning.

The singing was fine at each service. The pastor closed his morning message by singing one of his own compositions written on the chapter from which he preached, Mrs. Wright sang "I Am Satisfied With Jesus."

The B. Y. P. U.'s were teeming with new life and with the return of E. C. King, director, we hope to see many new members next Sunday. The Junior Union will have charge of the special program which comes just before the preaching service.

Next Sunday, Sunday School, 9:45, preaching, 11 a. m., and 8 p. m., and B. Y. P. U. at 7. A glad welcome to all. The morning message will be from some part of the eighth chapter of Romans and the evening sermon will be "The Man Who Turned His Feet."

WOODIE W. SMITH.

#### Christian Science

Sunday, 11 A. M., Subject for Sunday, June 2, "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced."

Sunday School at 9:30, Wednesday evening service at 8:00. The public is cordially invited.

#### Methodist Church

There will be all the regular services at the Methodist church Sunday.

Sunday School at 9:45 under capable management with classes and trained teachers for all.

Worship at 11 a. m. and 8 p. m. Junior church at 11 o'clock for boys and girls from 7 to 14 years of age.

Senior League at 7:15. Woman's Missionary Society meets Monday afternoon at 4 o'clock. W. R. McCARTER.

#### Christian Church

Don't forget the Children's Day program next Sunday evening.

Remember the basket picnic next Tuesday. The plan is for all to meet at the church at about 9:30 a. m. and proceed from there to the F. A. Davis farm just this side of Pease River bridge on the west side of the road. Lunch will be served at 1 o'clock under the trees. Games and various kinds of entertainment will be provided.

Don't miss the morning sermon Sunday. "Cooperation" will be the subject and it will be worth your while to hear it.

The Gospel Team held a very interesting service at Claytonville last Sunday afternoon.

C. V. ALLEN, Reporter.

#### Senior Epworth League

The Senior Epworth League elected new officers Sunday night. They are: Granville Lanier, president; Richard Ferguson, vice-president; Pearl Saunders, secretary; Gussie Todd, treasurer; Wilma Ball, 1st dept. supt.; Mildred Johnson, 2nd dept. supt.; Ella Patton, 3rd dept. supt.; Eva Todd, 4th dept. supt.; Zell Saunders, corresponding secretary.

All young people who are not attending a young peoples' organization are invited to attend the League.

Ila Lovelady, Ella Patton and Edward Huffman attended a Cabinet meeting of the Vernon District which was held at Quanah last Tuesday annual assembly which is to be held next night. Plans were made for the in Abilene, June 10-14. Vernon is in the race for the loving cup. We need your help. Come to League Sunday and find out what is going on.—Reporter.

### Ranchmen's Round-up at Sonora Aug. 6-7

College Station, Texas, May 30.—Various important phases of the livestock industry will be discussed by recognized authorities in that field at the fifth annual Ranchmen's Round-up to be held August 6-7 at Sonora ranch experiment station of the Texas Agricultural Experiment Station, A & M College of Texas. The ranch station, located thirty miles south of Sonora, in Sutton and Edwards counties, is the scene of continuous research work in connection with the problems of the sheep, Angora goat and cattle industries of that region. The annual round-up or meeting affords opportunity for ranchmen and others of Southwest Texas to gather for the discussion of problems and to observe the work in progress. Reports of the work under way will be made by members of the Texas Experiment Station staff and of the United States Department cooperating in the study of livestock problems at the station.

Attendance at the four previous round-ups has ranged from 2,000 to 4,000 people and, according to A. B. Conner, director of the Texas Experiment Station here, this year's meeting is expected to equal if not exceed the attendance of past gatherings. Social and recreational events are included in the program.

The Sonora station is centrally located in the Edwards Plateau region, known all over the United States for its production of fine-wool sheep and Angora goats. Texas ranks first of all the states in the production of wool and produces 84 per cent of the Nation's mohair crop.

# ON DISPLAY SATURDAY JUNE 1ST

### A NEW SIX AT A PRICE WITHIN THE REACH OF MILLIONS

On Saturday, Buick will present the new Marquette—designed by Buick engineers and built in Buick factories. Marketed as an additional member of the Buick family, it will in no way affect Buick itself. Buick will continue to express the policies that made it the leader of the fine car field for the past quarter-century. In the smart, comfortable bodies of the Marquette you will recognize the fine hand of Fisher design. In its balance and poise you will see experienced engineering. And in performance—that final standard by which all cars are judged—you will find the Marquette leading its price class by an impressive margin. Be on hand when this eventful new car is shown Saturday. See what a remarkable new automobile Buick has produced at a price within the reach of millions.

Misses Annie Mae and Mable Hall are spending the week with their sister, Mrs. Claudie Carroll, of Gambleville.

**TEXON TALES**

Some men here are thinking of planting rice this summer if it keeps raining. Three years ago this country was too dry for rattlesnakes but now the frogs are dying from malaria. I never have decided if me or Cicero Smith has the best jokes but Tom Bevely says mine couldn't be no worse. Won't hurt nothing to keep on then. A boy here calls his girl "door-knob" because he says she is something to adore. Another guy says he has never been able to eat but one egg on an empty stomach as after he ett one he ain't got no empty stomach no more. Some birds hauls off and says—"A gentleman is a man who is clean both inside and out, who neither looks up to the rich nor down to the poor; who can lose without squaking and win without bragging; who is considerate of women, children and old people; who is too brave to lie, too generous to cheat and who takes his share of the world and lets others have theirs." Maybe that is why gentlemen are so scarce. Every time it thunders loud down here Pease River bridge goes out up there. Yours 'till a horned frog toots his horn.

**TEXON TATTLER.**

**Preaches Good of Sargon To Friends**  
"Since taking Sargon I have felt in better health than in the last five years. My stomach was in such an upset condition that most everything I ate soured instead of digesting properly. I would have such bloating pains after each meal that I hated to eat. About twelve years ago I had a fall, injuring my hip and knee, and I have been troubled with rheumatism in my joints ever since."

MRS. LULA E. PETERSON

"An inactive liver caused me to be constipated and I was continually taking laxatives. I had many a restless night from this suffering and would be as tired in the mornings as though I had never gone to bed. Nothing I took helped me. "Sargon made me feel like a different woman. My appetite has come back and I enjoy meals. My stomach is soothed and my digestion improved so I don't suffer bad effects after eating. The rheumatism disappeared and I rest much better at night. I get up in the morning feeling refreshed and full of life and energy. "Sargon Soft Mass Pills toned up my liver and rid me of constipation in a natural manner. My whole system is reconditioned and filled with new health. "Sargon has helped me so remarkably that I am preaching to all my friends about its benefits and will continue to praise this wonderful medicine every chance I get." The above statement was made recently by Mrs. Lula E. Peterson, highly respected resident of 7814 Sherman St., Houston. Mrs. Peterson is a member of the Royal Neighbors society and also belongs to the Baptist church. Sargon may be obtained in Crowell at the Reeder Drug Co. (Adv.)

**Half And Half**

**COTTON SEED**

I have some eight-hundred bushels of genuine Half and Half planting seed left for sale. **"HURRY WITH THE SERVICE CAR THE OIL BROKE DOWN" DON'T LET THIS HAPPEN TO YOU**

STRANDED five miles from nowhere because the oil wouldn't do its job! Has that happened to you? If it has, the chances are that you were not particular the last time you had the crankcase drained — or perhaps you ran too long without changing the oil. This will be a slack summer for service cars if motorists will remember two things: first, to change oil regularly, and secondly, to use only a brand of oil which they know from their own experience or the experience of others will stand up under the most trying conditions of motor operation.

You can depend upon any oil which has the backing of the Continental Oil Company. These are the brands which have been tried and tested — in the laboratory and on the road. They lubricate thoroughly, protect every moving part and stand up under intense heat. Ask for these brands at leading service stations and garages.

**CONTINENTAL OIL COMPANY**  
Producers, Refiners and Marketers of high-grade petroleum products in Arizona, Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming

**EXTRA LIFE for your car**

Conoco Amalie is 100% Pennsylvania Oil—refined from premium crudes by a special process. Universally recommended by automotive engineers and lubrication experts. Through exhaustive laboratory and road tests it has demonstrated its ability to lubricate properly under the most trying conditions of motor operation.

Golf Tournament Is Taking Place Here

Eliminations are being held this week to determine the champion golfer of the local country club...

WILL SECURE DEGREE

Miss Frances Hill, daughter of Dr. and Mrs. J. M. Hill, will receive her A. B. degree at the commencement program to be held at the University of Oklahoma at Norman on June 4th.

RETURNED FROM AUSTIN

Mr. and Mrs. Byron Reese returned from Austin Saturday night. They came through Dallas where Mr. Reese secured another German Police dog from his uncle there.

ATTENDED LOAN MEETING

J. C. Thompson, C. E. Gafford and Mr. and Mrs. C. P. Sandifer attended the district meeting of the National Farm Loan Association of the Federal Bank that was held in Vernon Tuesday.

A number of officials of the Federal Land Bank of Houston were present at this meeting which is one of the fourteen that are being held throughout the state.

SOCIETY

MADAMS BEVERLY AND WILLIAMSON ENTERTAIN

A most delightful party was that given last Friday afternoon at the home of Mrs. J. R. Beverly with Mrs. Beverly and Mrs. John Williamson joint hostesses.

The guest list follows: Mesdames Tom Bell, A. Y. Beverly, Bob Allen, Gordon Bell, Alton Bell, Lee Allan Beverly, Hines Clark, Sam Crews, H. K. Edwards, S. J. Ferguson, T. S. Hines, Joe Johnson, Baxter Johnson, T. B. Klepper, Howard Bursey, M. M. Hart, Jr., D. E. Magee, W. C. McKown, M. O'Connell, Bryan O'Connell, John Ray, Jack Roberts, H. Schindler, Paul Shirley, Charles Thompson, T. P. Reeder, M. L. Hughton, T. L. Hughton, Earl Norman, G. D. Self, Lawrence Kinsey, Alton Brooks, Essie Brown, C. Q. Crawford, Bob Cooper, L. A. Andrews, Que Miller, Sam Bell, M. S. Henry, John Rasser, Lena Shaver, Misses Winnie Self, Lottie Woods, Mary Sam Crews and Caroline Shaver.

COLUMBIAN CLUB

The Columbians celebrated the close of their nineteenth year as a federated club on May 23, with a forty-two party at the home of Mrs. T. N. Bell with Mrs. Gordon Bell as hostess.

At the suggestion of Mrs. T. L. Hughton the club gave Mrs. Que Miller a rising vote of thanks for her two years of faithful service as president.

MOTHER'S SELF-CULTURE CLUB

Mrs. Earl Norman was hostess to the Mother's Self-Culture Club on April 25, at the home of Mrs. A. Y. Norman. Mrs. Clint White was leader for the afternoon and was assisted by Mrs. Eli Smith and Mrs. T. F. Hughton.

On May 9, the Club met with Mrs. Adolphus Wright. Mrs. T. F. Hughton was leader of the lesson which was a study of Luther Burbank. She was assisted by Mesdames D. E. Magee and George Burress.

BRIDGETTES

On Monday evening, May 27, Mr. Walker Todd, Misses Cornelia Beidman, Lottie Russell, Gussie Todd and Gusta Mae Davis entertained the Bridgettes and guests at the home of Mrs. J. R. Flesher.

MUSIC RECITAL

The music pupils of Mrs. S. J. Crews and Miss Mary Sam Crews were presented by their teachers at a recital Tuesday evening.

MARRIAGE LICENSE

A marriage license was issued Wednesday at the county clerk's office to Bill Portwood and Jozie Prichard, both of Seymour.

Fashionettes and Store News

An announcement that is sure to please! The new summer "Nelly" dresses are here! They are fussy and tailored—brightly colored and softly shaded—but cool and lacy, each one.

There are some values in our ready-to-wear department in dresses now. Every long sleeved silk dress is reduced one-third.

Friday and Saturday are going to be Red Letter Days in this store. We are going to have two of the biggest "Dollar Days" that have been known in this country.

Bathing suit time is here. We have the suits—all prices—and all the accessories that are needed.

Blaw and Rosenthal CROWELL, TEXAS

METHODIST W. M. S.

The Missionary Society of the M. Church met in social meeting at the home of Mrs. Hines Clark on May 27.

Mrs. Baxter Johnson led the devotional in a very impressive way and stressed the point that people are not always guilty when they tremble but tremble from being misunderstood.

It being a social service program, our social service superintendent, Mrs. Joe Johnson, was leader for the afternoon.

We were glad to have the Young People's Society meet with us and also to have Mrs. Alice Thompson of Rock Springs, Texas, and Mrs. Williamson as guests.

The society will meet at the church regular business meeting on June 3th.—Reporter.

CLAYTONVILLE CLUB

The Claytonville Home Demonstration Club met with Mrs. R. E. Love last Wednesday. An interesting meeting was held after the usual order of business and Miss Virginia Freeman gave a talk on the value of good appearance and how to acquire good taste in dress.

After refreshments were served the meeting adjourned to meet with Mrs. G. C. Owens on June 12. Mrs. Grace Davis will be leader and work on house dresses will take place.—Reporter.

TRIFLING WITH UNCLE SAM

It has long been an established fact that to use the American flag as a drapery or advertisement, is a violation of the law, and rightfully so, and a new angle to the patriotic side of life appeared recently.

"Uncle Sam" has been semi-officially recognized as "the Government," and an advertiser who has carried a picture of the venerable old gentleman, along with a statement that "Uncle Sam recommends" a particular variety of goods has been compelled to discontinue the use of the words, "Uncle Sam" either independently or in connection or combination with any other word or words which imply that his products have been approved or indorsed in any manner whatsoever by the United States government.

Thus the dignity of this sentimental individual has been vindicated again—this time in the name of honest and better business.

Total fuel consumption of the Rouge Plant of the Ford Motor Company during the past year was 12,700 carloads, enough to make a coal train 100 miles long.

"Read This Letter"

To the Members of the Mutual Protective Life Association (A LOCAL MUTUAL AID)

We feel congratulated on having such loyal members, who are so willing to respond to every call.

"This is home insurance for home people."

"We are going over the top."

L. E. PIPER, Pres. L. A. FOSTER, Sec. Treas. Room 205 Waggoner Nat'l Bldg VERNON, TEXAS

Lon Chaney At Rialto Monday and Tuesday

Lon Chaney, the most famous of all character actors and star in such pictures as "Tell It to the Marines," "Road to Mandalay," "When London Sleeps," "Hunchback of Notre Dame," and many other great productions will play the principal role in his greatest picture, "Laugh, Clown, Laugh," which will be shown at the Rialto Monday and Tuesday.

Chaney plays a clown role in this famous picture which is directed by Herbert Brenon, the director who produced "Beau Geste," "Peter Pan" and many others.

A massive reproduction of a great European theatre and other elaborate settings lend lavishness to this drama. The picture is adapted by Metro-Goldwyn-Mayer from the celebrated stage drama by Belasco.

ATTENDING ROTARY MEET

John Rasser, M. S. Henry and Henry Ferguson are attending the meeting of Rotary International at Dallas this week. Fifty-two nations of the world are represented at this meeting.

ACCEPTS TAILOR POSITION

E. J. McBride of Quanah has accepted a position with the Nails Cleaners and Tailors here and is working at that shop. His wife moved here in a few days.

Mrs. McBride is the daughter of C. J. Miller, Crowell agent for Quanah Steam Laundry.

Summer School Will Last 6 Weeks

Summer school opened in Crowell Monday morning and at the present time about twenty students are enrolled for courses this summer.

Mrs. F. A. Davis is in charge of the school which will last for six weeks. Work completed in the summer school will count the same as that completed during the regular term and a number of students are taking advantage of making up work and orders to complete courses in order to complete work in school quicker.

QUANAH DEFEATED CROWELL

Quanah defeated Crowell 31-14 in a baseball game at Quanah Sunday. It is reported that the game was held before a large crowd and heavy gale caused loose playing.

Charles Ashford was the star of the day at bat, securing five hits of five times at bat, including three runs and a double.
