

# THE FOARD COUNTY NEWS

AND CROWELL INDEX

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, OCT. 11, 1934

8 PAGES \$2.00 A YEAR

## TAX EXEMPTION CERTIFICATES MAY BE POOLED

All cotton producers who have a complete crop failure and wish to enter their tax exemption certificates in the government pool, are urged to do so at once. Farmers who are far enough ahead with their picking to determine how many surplus certificates they will have, are also urged to pool them at once, in case they intend to enter them in the government pool.

According to a letter received from the county agent's office Monday, there is a heavy demand for tax exemption certificates in the eastern part of the cotton belt and if farmers do not pool their surplus certificates immediately, these certificates will pay the tax in preference to waiting for the certificates at 4 cents per pound.

In order to enter the certificates in the pool, it will be necessary for each producer to present his certificate at the county agent's office and sign a trust agreement with the pool manager.

The pooled certificates are being sold at the price of 4 cents per pound or \$20.00 per bale. All producers who pool their certificates will receive this price, minus their pro-rata share of the cost of operating the pool.

In case all of the pooled certificates are not sold, then each producer will be paid for his pro-rata part and then receive the remainder of his certificates to be sold during the year.

All of the certificates issued to producers that had cotton during the base period, 1928 to 1932, have been received at the county agent's office and are now being delivered to producers. All farmers who had cotton during the base period who have not yet received their certificates are requested to call at once at Fred Rennels' office and receive them.

## ST. LOUIS CARDINALS WIN WORLD'S CHAMPIONSHIP

The most famous pair of brothers in baseball history, Jerome Herman (Dizzy) Dean, pitched the National League champions, the St. Louis Cardinals, to a World's championship, each pitcher accounting for two victories in giving their team the necessary four to win the World Series over the Detroit Tigers, champions of the American League.

The younger brother of the famous pair, "Daffy" Dean, 21, is pictured at the upper left. The one and only "Dizzy" is shown in the act of pitching in the center of the picture. Frankie Frisch, great second-baseman and manager of the World Champions, is shown at the lower left.

At the upper right, Mickey Cochrane, great catcher and manager of the Tigers, is shown greeting Henry Ford and son, Edsel Ford, at the Detroit opening of the series. The Detroit "million dollar" infield is shown at the lower right. Left to right, Owen, third base; Rogel, short stop; Gehring, second base, and Greenberg, first base.

## Broken Leg Suffered By Clarence McKown

Clarence McKown's left leg was severely broken above the ankle last Thursday afternoon while he was helping to unload oil casing from a freight car near the local depot.

This is the second time that he has suffered a broken leg. Over six years ago his right leg was broken when a bale of cotton fell on it in a compress at Vernon.

## FOARD COUNTY TEACHERS TO MEET TUESDAY

A meeting of all teachers in Foard County schools will be held in Crowell Tuesday evening at the high school auditorium and will serve as the annual teacher's institute and all teachers in the county are required to attend, according to the school law. The meeting is to begin at 7:30 o'clock.

The organization of the Foard County Interscholastic League for the 1934-35 term and the election of new officers for the Foard County Teachers' Association will constitute the main business coming before the meeting. W. M. Bralley, Thalia superintendent, was elected president of the association last year, and I. T. Graves, Crowell superintendent, was chosen as director-general of the Interscholastic League.

The meeting Tuesday night will also consist of talks and a program of entertainment.

## Cage Tilts Tonight and Friday at Gym

The Crowell High School gymnasium will be the scene of a basketball game tonight between Margaret and Medicine Mound, the initial tilt in the 1934 season of the Red River-Wichita Valley Cage Conference.

Other teams in the conference will open their seasons tomorrow night, Friday, with Thalia playing Odell in the Crowell gymnasium.

## ATTENDS MEDICAL MEET

Dr. Hines Clark was in Lubbock Tuesday and Wednesday to attend the sessions of the Panhandle District Medical Society. The two-day program included addresses from many well known doctors.

## SINGING AT THALIA

The public is invited to a singing at Thalia Sunday afternoon at 2:00 o'clock which will feature numbers by the Stamps quartet of Lubbock.

## B. Y. P. U. IS ORGANIZED IN FOARD CITY COMMUNITY

A B. Y. P. U. for the Foard City community has been organized and includes the following officers: F. U. Powell, president; Marcus Mills, vice president; Leila Barker, secretary-treasurer; Mrs. Ruth Marts, pianist; Floyd Ferguson, song leader; Mrs. Virgil Johnson and Curtis Barker, group captains. Everyone is invited to attend the sessions of the new organization each Sunday evening at 8:45 o'clock. The program for Sunday appears on the church page of this issue.

## Mrs. Robt. Washburn Buried Saturday in Crowell Cemetery

Mrs. Ida May Washburn, 20, wife of Robert Washburn, died last Friday night after becoming suddenly ill at her home near Crowell.

Following funeral services at the Crowell Baptist Church Saturday, the body was laid to rest in the Crowell Cemetery.

Ida May Eason, maiden name of the deceased, was born on Dec. 20, 1913, at Emery, Texas. She was married to Robert Washburn of Crowell on Feb. 6, 1932, who survives her, also surviving are her parents, Mr. and Mrs. E. H. Eason, four sisters, two brothers and a host of friends. One brother and one sister were unable to attend the funeral.

## APPENDICITIS OPERATION

Truman, 9-year-old son of Mr. and Mrs. R. L. Taylor, was taken to Quanah Wednesday afternoon, where he submitted to an appendicitis operation. He stood the operation well and latest reports indicate that he is getting along nicely.

## NEW MOTOR VEHICLES

New motor vehicles purchased and registered in Crowell during the past week follows:

Ralph McCoy, Crowell, Chevrolet coupe.

M. J. Girsch, Crowell, Ford touring car.

Phillips Petroleum Co., Amarillo, Chevrolet sedan delivery.

## FAIN-McGAHA REACHES OIL SAND IN TEST

After encountering an oil sand at a depth of around 2,070 feet, Fain-McGaha cemented casing Wednesday night at its J. G. Thompson No. 1, about two miles northwest of Thalia. After the cement has set for 72 hours an effort will be made to drill in the well.

## ARCHER CITY TO PLAY WILDCATS FRI. AFTERNOON

Wildcats will tangle with Wildcats when Archer City plays Crowell here Friday afternoon in the second District 5-B contest for both clubs. The Archer City Wildcats displayed plenty of fight last Friday in holding Chillicothe to only two touchdowns, the final score being 13 to 0 in favor of the Eagles.

Coach Jot Hodges of Archer City will arrive in Crowell around noon Friday with a squad of over twenty players. His probable starting line-up averages 145 pounds to the man, while the Crowell starters will average 153 pounds to the player.

Coach Grady Graves is planning a few changes in the local line-up for this game. Edward Jones, who has been used at end, will probably start this contest at center.

After missing service last week, Chester Graham will be ready to start at right guard, with W. F. Brisco at left guard, Stan Womack and Bill Dunn will likely be the starters at the tackle positions, with Capt. Lester Patton and Jim Riley Gafford holding down the end posts.

Sam Crews, Jr., and James Joy, two reserve backs who performed so creditably in the Iowa Park game, are slated to start as half-backs, with Raymond Gibson at quarter and Dick Todd at full-back.

Crowell's reserve strength is the best in the history of local football and each week it is becoming more of a problem to pick the most effective line-up, for it is practically a toss-up in deciding which Wildcats are best for certain positions in a number of instances.

As usual, the game will begin promptly at 3:30 o'clock.

## Crowell Cleaners Is Reopened This Week

The Crowell Cleaners has been reopened in Crowell by J. E. Cook of Knox City in a building on the north side of the square next to Womack Bros. Mr. Cook purchased the equipment of this shop from R. H. Cooper, Jr., who formerly conducted the business of the Crowell Cleaners in the building now occupied by Everybody's Food Store.

Mr. Cook had had 11 years experience in cleaning and pressing work. He and his wife are now making their home in Crowell.

Clifton French of Crowell has been employed by Mr. Cook to assist in conducting the business.

## Christmas Gift

The 90 days elapsing before Senate Bill No. 21 becomes effective will make it Christmas Day when the tightened regulations will apply to the Texas oil-producing industry. In the picture Col. E. C. Thompson, Texas Railroad Commission, looks on while Governor Ferguson signs this bill. (Texas News Photos.)

## BIRTHS

To Mr. and Mrs. Royce E. Ballinger, Good Creek, Oct. 6, a girl, Rita Sue.

To Mr. and Mrs. Otis Baldwin, Foard City, Oct. 7, a son, Gerald.

To Mr. and Mrs. Coy Lee Payne, Margaret, Oct. 7, a son.

## CROWELL WINS FIRST DIST. 5-B GAME LAST FRI.

With a team of reserves playing intact for at least one-half of the game, the Crowell Wildcats defeated the Iowa Park Hawks 7 to 0 here last Friday afternoon in the first conference tilt of the 1934 season for the local squad.

Crowell never once punted and even the second-stringers were able to make large gains with regularity. The Wildcats scored three touchdowns each in the first and second quarters, a touchdown and a safety in the third, and four touchdowns in the last period.

Dick Todd led the scoring attack with five touchdowns, one resulting from a 40-yard return of a punt, another from a run of 38 yards after intercepting a pass, and the other three on runs through the line and around end for 4 yards, 17 yards and 23 yards. Todd also ran 43 yards for another touchdown after intercepting a pass, but the score did not count and the ball was called back on account of a Crowell man being off-side.

Iowa Park's only first down and only completed pass was completed on the very last play of the game when Williams passed to Honeycutt to put the ball on the 50-yard line. This was also the only time that the Hawks reached midfield with the ball during the game. Crowell had a complete team of reserves on the field at the time.

## First Quarter

Crowell scored in the first few minutes of play after taking possession of the ball on the Iowa Park 32 following a punt shortly after Iowa Park had received the kick-off. Todd gained 14 yards, Horn 5 and Todd 9 to put the ball on the 4. Meason reached the goal line and fumbled, but Dunn recovered behind the goal line to give Crowell a touchdown. Todd's place-kick for extra point was low and the score was Crowell 6, Iowa Park 0.

Gibson scored the next touchdown on a 11-yard run around right end after the ball was advanced from Iowa Park's 42 on a 12-yard run by Horn, a 12-yard pass from Todd to Gibson, and a 7-yard run by Todd. Patton took Todd's pass for the extra point, making the score 13 to 0.

The last touchdown of the first quarter came with Horn carrying the ball across from the one-yard line after Todd had returned a punt 48 yards to the 32 and then advancing it to the one-yard line on two line plays. His place kick was good and the score was 20 to 0.

Saunders intercepted a Hawk pass on his 40 and Todd civiled right end for 22 yards, placing the ball on the 13 as the quarter ended.

## Second Quarter

Eight Crowell reserves went in as the quarter opened. Todd gained 3. Crews made 6, putting the ball on the 4, from which Todd

## NEW OIL TEST SPURRED IN ON McADAMS RANCH

The Texas Company's No. 6 L. K. Johnson oil test, 18 miles air-line distance west of Crowell, was spudded in Monday and with the use of the all-electric rotary rig over the location, drilling is proceeding at a rapid rate.

The other three producers in the Foard County field that have been completed during the past year by the Texas Company are on the L. K. Johnson ranch. The new test moves just across the line into the Leslie McAdams ranch and is located 530 feet east and 1,100 feet north of the southwest corner of Section No. 35, Block "L," S. P. Ry. Survey. The other three wells are in the adjoining section, No. 36.

## Baker-Beverly Test

After a delay of several weeks, regular drilling will be resumed in James Blair Baker's No. 1 J. W. Beverly, five and one-half miles north of Crowell, as soon as cement sets a sufficient length of time. Haliburton equipment was used in cementing casing at a depth of 2,090 feet this week.

Fishing for tools and drilling by collapsed casing caused considerable delay on this test.

## District Christian Convention Today at Haskell Church

Rev. Paul J. Merrill, pastor of the local Christian Church, and about one dozen others left Crowell this morning for Haskell to attend the annual convention of District No. 12 of the Christian Churches of Texas that is in session there today.

Rev. Merrill is president of this district, which embraces the following 13 counties: Foard, Knox, Haskell, Baylor, Hardeman, Wilbarger, Wichita, Clay, Archer, Jack, Young, Shackelford and Throckmorton.

C. V. Allen of Crowell is on the convention program and will address the convention on "The Problem of the Rural Church."

Two of the most prominent speakers on today's program are E. M. Waits of Fort Worth, president of Texas Christian University, and Judge Chas. Coombes of Stafford. Sessions of the convention will be held in the morning, at noon and in the afternoon and night.

Crowell delegates will invite District No. 12 to hold its 1935 convention in this city. Henrietta was the scene of the convention last year.

## AT HENDERSON TRIAL

P. D. Moseley and Vance Swain are in Henderson this week in connection with the trial of Laudea House, formerly of Crowell, who was recently arrested here. He is under indictment at Henderson for a murder committed in September, 1932.

## RELIEF OFFICE MOVED

The local relief office is now occupying quarters in the second story of the Ringold building, having been moved during the first part of the week from the location in the east hall of the court house basement that was used as the office space for the past few months.

## Mrs. Josef Coufal Is Taken by Death; Buried at Thalia

Funeral services were held in the Thalia Baptist Church last Thursday afternoon for Mrs. Josef Coufal, 75, who died Tuesday night, Oct. 2, at about 9:30 o'clock following a brief illness at her home in the West Rayland community. Following the services conducted by Rev. W. A. Reed, pastor of the church, interment took place in the Thalia Cemetery.

Mrs. Coufal was born in Bohemia on Feb. 24, 1859. Her maiden name was Anna Steiner. She was married to Josef Coufal in 1878. In 1881 Mr. and Mrs. Coufal came to the United States from Landes Crown and settled in Washington County, Texas. They lived in various parts of Texas and came to this section in 1905 from Texas and settled in Wilbarger County and then moved in 1910 to the community where each died. Mr. Coufal died on Jan. 29, 1930.

The following eight children survive: Mrs. Ben Wise of Cisco, Mrs. Joe Cerveny of Munday, Mrs. Charley Richter of Portales, N. M., Mrs. Charley Maehac of Margaret, Rudolph Coufal of Thalia, Joe Coufal and Misses Frances and Molly Coufal, who reside at the family home.

shoved it across. His place kick was wide and the score was 26 to 0. Todd's end run of 17 yards netted the next touchdown. A 9-yard (Continued on Page 4)

## Big Two of New NRA Chieftains

WASHINGTON... The appointment of these two men by President Roosevelt, to the board of five which make up the New National Industry Recovery Board, is being acclaimed with great favor. They are: (left), Sidney Hillman, President of the Amalgamated Clothing Workers, and (right), S. Clay Williams, former president of the Reynolds Tobacco Co. Both rate high in intelligent and progressive business ranks. The board will take over General Johnson's administrative duties, October 15.

## Cotton Chief Sends Important Message Regarding Program

The following telegram of important interest to cotton farmers has been sent Extension officials from C. A. Cobb, Chief of the Cotton Production Section at Washington:

"Please advise at once all county officials in charge of cotton program and otherwise give as wide publicity as possible to the following Regulations, especially Sections 101 to 106 provide on ways in which cotton tax exemption certificates may be lawfully transferred or assigned. Any transfer or assignment not in accordance with regulations is illegal and in such case both the permit disposing of certificate and certificate are subject to cancellation in Section 14-E of Act. No one is entitled to possession of certificates except cotton producers and transfer is legal only as above stated to enable growers to use certificates in ginning and marketing this year's crop." C. A. Cobb, Chief Cotton Production Section."

## Period to Apply for Seed Loans Ends Mon.

The 30-day extension on seed loans from the government will come to an end on Monday, Oct. 15, and all of those who intend to make application for seed loans in wheat, forage and other crops, are urged to attend to this matter at once by Julian Wright, who is in charge of the local seed and loan office.

He states that in all probability no further extension for applications will be made, as the present 30-day extension was considered entirely sufficient.

## Local Captain Back in Football Line-Up

Crowell football fans are happy over the return of Capt. Lester Patton to the local line-up. The 176-pound end and letter man for the past three years played for the first time this year in the game last Friday against Iowa Park. He had been out of games and practice prior to last week on account of an appendicitis operation on June 2.

Capt. Patton was one of the best tackles in the district last year and while it is regretted that his services were not available in the important Vernon game, it is comforting to local fans to know that he is back in the harness for the important conference tilts ahead.

Although he was unable to engage in the regular workouts, Capt. Patton was out for each practice session from the very first day that workouts started to offer assistance and encouragement to his Wildcats.

Items from Neighboring Communities

BLACK

(By Mrs. Grover Nichols)

Rev. Savage of Crowell filled his regular appointment here Sunday afternoon. J. W. Gibson also preached here at 3 o'clock and at Crowell at 7:30 o'clock Sunday evening.

Mr. and Mrs. Clint Simmons visited her father, George Naron, of Medicine Mound Thursday night. Mr. Naron had the misfortune of getting his leg broken when a team ran away with him one day last week.

Mr. and Mrs. Sherman Nichols and family of Crowell visited his

parents, Mr. and Mrs. Walter Nichols, and family Sunday.

Aldon Horn spent Tuesday night at Crowell visiting friends. Perry Hunter has been sick the past week.

Miss Holman of Crowell came out Friday and organized a girls' club.

Mr. and Mrs. Frank Moore and daughter, Thelma Lois, of Crowell attended church here Sunday afternoon.

Aldon and Raymond Horn, Hampton Oldham and Foy Nichols attended church at Thalia Sunday night.

Mr. and Mrs. George Kelly of Dan McKown one day last week.

Mrs. Sam Mills and daughter, Sammie Gene, of Crowell spent from Friday until Sunday with Mrs. Mills' parents, Mr. and Mrs. S. W. Geary, and family.

Mrs. Clint Simmons has been confined to her bed since Friday with a sprained back.

Miss Vetrice Collier of Medicine Mound is spending this week with Mrs. Lynn McKown and visiting friends here. She was a teacher in our school last year.

Mr. and Mrs. Thomas Bursey and family of Paducah visited his parents, Mr. and Mrs. Tom Bursey, and family Monday afternoon.

Mr. and Mrs. Jim Naron visited his father, George Naron, of Medicine Mound one day last week.

Travis Phillips and Howard Thomas of Frisco spent Sunday night with their uncle and aunt, Mr. and Mrs. Joe Phillips. Howard Thomas remained here to pull bolls for Grover Nichols while Travis Phillips went to Hale Center Monday to visit relatives.

Ann Sellwood of Haslemere, Eng., is so sensitive to earth tremors that an earthquake, as far distant as Japan causes her body to vibrate violently.

Suing for \$500 for the theft of his wife's love, A. D. Dampier of London was awarded \$2,500 by Lord Merrivale, the presiding justice.

Ends Aching Sore Muscles

For longer lasting, quicker relief, use Ballard's Snow Liniment which contains active ingredients to give a more than local action, thus bringing a surge of warmed blood to scatter congestion and more quickly soothe away the pain from aching muscles, sprains, strains, lumbago and lumbago. Ballard's Snow Liniment, 50c and 60c. (F&H) FERGUSON BROS. Druggists

Don't Prolong The Agony!

Alka-Seltzer

The New Pain-Relieving, Alkalizing, Effervescent Tablet

Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hope. By chance I tried Alka-Seltzer—am more than satisfied. Geo. Bennett, New York, N. Y.

Get a glass at your drug store soda fountain. Take home a 30 cent or 60 cent package.

Unique Vicks Formula Is Now Aiding Millions In Preventing Many Colds

Vicks Va-tro-nol, the unique aid in preventing colds, is now helping millions of adults and children to enjoy greater freedom from colds.

Va-tro-nol is especially designed for nose and throat, where most colds start. Va-tro-nol should be used at that first sneeze or nasal irritation—just a few drops up each nostril. Its timely use helps to prevent many colds—and to throw off colds in the early stages.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh)—Va-tro-nol penetrates deep into the nasal passages—reduces swollen membranes—clears away clogging mucus—brings comforting relief.

Va-tro-nol is powerful yet absolutely safe—for both children and adults. It has been clinically tested by physicians—and proved in everyday home use by millions.

Note: The remarkable success of Vicks Drops—for nose and throat—has brought scores of imitations. The trademark Va-tro-nol is your protection in getting this exclusive Vicks formula. Always ask for Vicks Va-tro-nol. Now in two generous sizes—30c and 50c.

Va-tro-nol and its companion product, Vicks VapoRub (the modern external treatment for colds) form the basis of Vicks Plan for Better Control of Colds—fully explained in each Vicks package.

MARGARET

(By Mrs. John Kerley)

Miss Laverne Eason of Childress was the guest of Miss Billy Morrison Saturday night.

Lewis Eason and brother of Childress visited their cousin, Mrs. Grant Morrison, and family Sunday.

Mr. and Mrs. Greer Reinhardt left Tuesday morning for Olton where they will visit his brother, Malcolm Tucker Reinhardt, and family before returning to their home in Los Angeles, Calif.

Woodrow Williams returned Sunday from several weeks' stay at Vernon. He will resume his work for Bax Middlebrook.

Word has been received by relatives here that Mrs. Mary Hunter, who is taking treatment in Oklahoma City, Okla., is doing fine.

Mr. and Mrs. Johnnie Wright spent from Friday until Sunday afternoon with her parents, Mr. and Mrs. Wiley Jonas, and other relatives of Wichita Falls. Mr. and Mrs. John Kerley went with them and visited her brother, Edgar Jackson, and family.

Miss Alice Hunter of Margaret is one of 17 students out of 400 students who made a high grade in an English test in Denton Teachers' College recently.

Mrs. Jimmie Larue and little son, Bartell, left Monday for several days' visit in Hamlin.

Miss Eva Dell Morrison is improved after an attack of appendicitis one day last week.

School will start here again Monday after being turned out 2 weeks for cotton picking.

Fred Taylor visited J. C. Davis and family of Rayland Sunday. Mrs. Taylor, who had spent the night there, returned with him.

Miss Ruth Reinhardt left Tuesday for Olton where she has accepted a position.

Twenty-nine persons besides the family attended the birthday dinner Sunday at the home of Mr. and Mrs. W. Ingle, honoring Mr. Ingle's birthday.

Mrs. Marvin Philips left Wednesday for Lubbock where she goes to spend the winter for her health.

Miss Ruby Smith, who is teaching at Lockett, spent the weekend with homefolks.

Mrs. V. A. McGinnis is ill with pneumonia at the home of her daughter, Mrs. Bertie Flowers, of Crowell.

Miss Margie Davis of Rayland is spending the week with her sister, Mrs. Fred Taylor.

Mrs. D. M. Ferebee of Vernon spent Tuesday night of last week with relatives here.

Bill and Buddie Foster of Lubbock are visiting their sister, Mrs. Ralph Bradford, and family.

Mr. and Mrs. L. L. Denton and children of Quanah visited her parents, Mr. and Mrs. W. Ingle, Sunday.

Oliver Henderson and family moved to Vernon Tuesday. They have lived here several years and will be missed very much by their many friends here.

Grady Weathers is better this week after having a rather serious hemorrhage Friday.

John Winston Bradford of West Rayland spent Saturday night with relatives here.

Mack Bradford of Medicine Mound visited his brother, J. L. Bradford, and other relatives here Sunday.

Mr. and Mrs. Temp Fletcher and daughter-in-law, Mrs. Carl Fletcher, and little daughter, Jenna Lee, of Holiday visited relatives here Sunday.

Mrs. W. A. Priest and children, Frank, Opal and Ruby, and Mrs. Studie Bradford visited John Bradford and family of West Rayland Saturday.

News has been received here that Randolph Boyd of Merton, formerly of this place, got his nose broken while playing football one day last week.

Mr. Choate, father of Mrs. Dolph Pauley, left Saturday for a visit with relatives in Oklahoma.

What's New

A French engineer claims to have discovered a method of extracting a cheap substitute for gasoline from sea water.

Discovery of a common basic substance in blood and chlorophyll supports the contention by some scientists that animals and plants sprang from the same ancestry.

A Russian scientist has controlled the sex of rabbits 180 times in 200 births. He separates the male and the female cells in the male sperm by electricity.

Sky-writing at 20,000 feet with "frozen" smoke is the latest advertising scheme in England.

An automatic parachute that is opened by springs ten meters from a taking off point has been successfully tested in Austria.

Coal wrapped in paper packages of convenient size to toss into the furnace is now being sold to eliminate the dirt and dust in handling the fuel.

A wingless type of autogyro, designed and constructed by Juan de la Cievva, has been tested at the airport of Hanworth, England.

During the last 49 years, Frank Luckingham, of East Hartford, Conn., has recovered 567 bodies of persons who have drowned in the waters of the Connecticut River.

Unique in hospital records is the case of Miss Mary Opydyke, of Ivyland, Pa., who recently, despite her 96 years, underwent an appendicitis operation, and who now is physically able to perform her daily home tasks.

TEXAS HISTORY IN THE MAKING

No. 3—The Alamo, Cradle of Texas Liberty

—Think—Talk—Write—Texas Centennial in 1936

This is the Alamo, "Cradle of Texas Liberty," pictured as it stands today. Here Travis, surrounded by Santa Anna's men, wrote: "The garrison will be put to the sword if the fort is taken... I shall never surrender or retreat... Victory or death!" Here 182 brave Texans died, besieged by 10,000 Mexican troops, in one of the most heroic struggles ever recorded in the pages of history. March 6, 1836, was this sad day for Texas, and the men who fell here only urged Texans on to victory and independence. The Alamo building was erected in 1744 (although an inscription on the wall bears the date 1754). Today this shrine stands in the heart of San Antonio, facing beautiful Alamo plaza. It was not a mission, but an overflow meeting place for Mission San Jose de Aguayo. Alamo means "Poplar tree" in Spanish, so the name translated into English, would be "Poplar Church." (Texas News Photos.)

THALIA

(By Minnie Wood)

Rev. Rothwell filled his regular appointment at the Christian Church here Sunday and Sunday night.

Mr. and Mrs. Paul Pickens of Vernon visited Mr. and Mrs. C. C. Battenfield here Sunday.

Don Bryson of Fort Sill, Okla., visited his sister, Mrs. E. S. Flesher, and family here Sunday.

H. W. Gray and family visited relatives in Spur last week-end.

Bill Short and family of Crowell visited Joe Huntley and family here Sunday.

Royce and Arlie Cato were visitors in Houston last week-end.

Mrs. C. C. Battenfield will present her expression pupils in a program at the High school auditorium Friday night, Oct. 19th, at 7:30. Everyone invited to attend.

E. H. Roberts and family and Mr. and Mrs. Leok Roberts visited Mr. and Mrs. Raymond Oliver near Knox City Sunday. Mr. and Mrs. Oliver are the proud parents of a baby boy, Dennis Arlen, born Sept. 29th.

Mr. and Mrs. Button Henry of Crowell were visitors in the Will Wood home a while Thursday afternoon.

Misses Jessie and Anna Lilah Oliver, who have been visiting their sister, Mrs. G. W. Scales, here the past few weeks, returned to their home in Knox City Saturday.

Mrs. W. E. Pigg, a recent bride, was given a lovely shower at the Baptist Church here Monday afternoon. About 35 ladies attended.

Mrs. J. K. Langley has returned home from several weeks' visit with her daughter in Sayre, Okla.

Rev. and Mrs. J. H. Hamblen of Vernon and Mrs. Roy Ricks of Perryton were visitors here a while Friday afternoon.

Mr. and Mrs. H. S. Davis of Grayback visited her parents, Mr. and Mrs. Dye, here a few days last week.

Mr. and Mrs. McLaughlin of Panhandle and Marshall Smith and family of Borger visited Mr. and Mrs. Mutt McKinley here Sunday.

Mrs. C. H. Wood and son, Larry, visited Mrs. Truett Neill and family in Rayland Wednesday.

G. W. Scales was a visitor in Knox City a while Saturday.

J. M. Jackson and J. A. Stovall were visitors in Fort Worth a few days last week.

The Baptist ladies sponsored a shower at the Baptist Church Tuesday afternoon of last week for Mr. and Mrs. Roland Taylor. There were about 50 ladies attended.

Mrs. B. F. Henry of Crowell visited Miss Minnie Wood a few days last week.

Mr. and Mrs. W. E. Pigg have returned from a visit with relatives on the Plains.

The ninth grade enjoyed a picnic at the Gribble Park Friday night. They were accompanied by Mr. and Mrs. Cone Green and Miss Opal Randolph.

Mr. and Mrs. Maurice Fite of Kings High attended church at the Christian Church here Sunday.

Mr. and Mrs. Cone Green visited relatives in Crowell last week-end.

Crowell, Texas, October 11, 1934

**DALLAS—PERFECT HOST**

Saturday morning newspaper men and women from all parts of the State thronged the lobby of the Baker Hotel in Dallas and registered at the Texas Press Association headquarters for participation in the courtesies of Press Day at the State Fair as guests of the Fair Association. The morning was spent in visiting and at noon a dinner was served to the newspaper visitors in the Crystal Ballroom of the Baker.

At the time the newspaper publishers registered there were provided with tickets to many more attractions at Fair Park than was possible to see in one afternoon. Tickets were also included for the big musical extravaganza, "The Show of a Century," from Broadway which made its first appearance at Fair Park Auditorium Saturday evening under the direction of Billy House, a Texas product. The show came direct from New York and its engagement lasts throughout the Fair.

The generous hospitality of the State Fair Association made it possible for many tired newspaper people of the state to gather in that city and spend a day in recreation and enjoyment free from work and worry. Mr. and Mrs. T. B. Klepper and son, Billie, were permitted to be among that number.

From was seen and heard the Fair is expected to be a greater success this year than for many years. There are a number of added attractions this year, chief among them perhaps is the horse racing.

So far as The News family is concerned the trip was thoroughly enjoyed and the privilege of being a guest in Dallas of the Fair Association was greatly appreciated.

**COTTON GRADE AND STAPLE REPORT**

The report released Saturday by the Division of Cotton Marketing at Austin, Texas, giving the quality of cotton produced in Texas indicates a very slight change in grades for the week. Extra

White, Strict Middling, and better, and better grades are reported as 34.2% of the cotton classed, and White, Strict Middling, and better is reported as 24.4%. Middling grades in White and Extra White standards are reported this week as 19.7%. Spotted Middling and better grades are estimated at 17.3% this week. This leaves a very small percentage for grades below Middling in this report.

The percentage of cotton shorter than 3/8 inch continues to increase, and this figure is reported as about one-fifth of the cotton classed this week. 3/8 inch cotton amounts to about 54%; and one-fifth of the cotton classed this week is 15/16 inch long. This leaves only 6% for all other lengths.

Different areas are producing a wide range of staples. All cotton is tenable in the Trans-Pecos area and only 46.5% is tenable in the High Plains area.

The total tenable cotton this week is 80%.

**EARLY BASEBALL**

The distinctively American game of baseball had its first crude beginnings about 100 years ago, and the first attempt to develop the game is generally credited to Abner Doubleday of Cooperstown, N. Y., in 1839.

In the early days the ball was extremely "lively," being made of two and a half ounces of rubber, covered with yarn and leather, and scores ran high. In the first intercollegiate game, between Amherst and Williams colleges, on July 1, 1859, Amherst won by the score of 66 to 32. The game lasted 26 innings, however, and there were 13 players on each side.

The first professional team was the Cincinnati Red Stockings, organized as an amateur club in 1866, and becoming a professional outfit in 1869. In that year it made a tour of the United States, meeting local amateur teams, winning 56 games and tying one during the season, averaging 42 runs per game, while its opponents averaged 10.

The first pitcher to throw a curved ball was Arthur Cummings, who introduced the innovation in 1868.

The oldest professional baseball league is the National League, organized in 1876 with eight teams: New York, Boston, Chicago, Philadelphia, St. Louis, Cincinnati, Louisville and Hartford. The American League was formed in 1900, the original clubs being Chicago, Buffalo, Cleveland, Indianapolis, Detroit, Kansas City, Milwaukee and Minneapolis.

It is just 50 years since the first "world's series" was played, when Providence, champions of the National League, defeated the Metropolitan of the old American Association, winning three out of a series of five games.

**THE BOOK**  
the first line of which reads, "The Holy Bible," and which contains Four Great Treasures  
**by BRUCE BARTON**

**A BOOK IS STARTED**

From Athens Paul went to Corinth, then the Panama of the ancient world where a boom was in progress waiting a government appropriation for the digging of the canal, which had still to wait seven hundred years. Bachelor as he was, Paul utilized more than any of the other apostles the abilities of women. In Corinth he was fortunate in finding a woman of talent, Priscilla, who with her husband, Aquila, took him in. He and they were tent makers and worked together; and Paul soon began to gather converts. The orthodox ruler of the synagogue, Sosthenes, did not like the way things were going and stirred up a crowd which hurried Paul before the Roman deputy, with the characteristically intolerant charge:

Bruce Barton

This fellow persuadeth men to worship God contrary to the law.

The deputy, Gallio, was brother to the philosopher Seneca and a man of solid common sense.

And when Paul was now about to open his mouth, Gallio said unto the Jews, If it were a matter of wrong or wicked lewdness, O ye Jews, reason would that I should bear with you:

But if it be a question of words and names, and of your law; look yet to it; for I will be no judge of such matters.

And he drove them from the judgment seat. With characteristic fickleness the crowd now turned on Sosthenes and administered a sound beating, which was in process when Gallio stepped out of the court room:

And Gallio cared for none of those things.

Paul, who had been beaten repeatedly and once stoned and left for dead, rather enjoyed the spectacle, and the thrashing did Sosthenes good, for he subsequently became a convert. Indeed, when Paul was at Ephesus a few years later Sosthenes was with him and appears in the enviable position of joint author of the letter to the home folk, the Corinthians:

Paul, called to be an apostle of Jesus Christ through the will of God, and Sosthenes our brother,

Unto the church of God which is at Corinth.

Sometimes it takes a sound beating to open a hard-shelled mind to new truth, and the subsequent results may be of great benefit.

It was in Corinth that Paul developed what came to be his method: simply to move along the Roman roads from city to city, selecting important and favorable centers and "digging in" for a stay of considerable length, and establishing a work that would radiate in different directions through the agency of his own helpers and such visitors as come to see him and took away with them the essentials of his message.

But another thing happened in Corinth in that autumn, a momentous thing. There the New Testament began to be written.

**Crowell Wins—**

(Continued from Page 1)

run by Joy and a 13-yard pass from Todd to Crews helped in this scoring drive. Joy took Todd's pass for the extra point to make the score 23 to 0. Todd left the game at this time.

Bob Lilly, who was playing his first regulation football after going in at the beginning of the second period, made the next touchdown. On a neat triple reverse play he took the ball and galloped around right end for 11 yards. Horn hit the line for the extra point to make the score 40 to 0. A 19-yard run by Horn and a 15-yard sprint by Joy put the ball in scoring position.

As the half ended Lilly took Wilson's punt and returned 22 yards to Iowa Park's 43-yard line. Crowell 40, Iowa Park 0.

**Third Quarter**

The complete team of Crowell reserves that played a major part of the second quarter again took the field as the second half opened. Joy returned the kick-off 23 yards to the 38. Crews gained 12 yards. A pass from Crews to Wiggins gained 26 yards, putting the ball on the 24. Crews picked up 9. Crews broke through to cross the goal line, but Crowell was called back and penalized 15 yards for holding.

Crews' pass to Brown gained 22 yards, putting the ball on the 8. Crews gained 2 and then 4. Loudamy recovered his fumble on the 5 on the next play. Lilly returned Wilson's punt from the 35 to the 23. Crews gained 4. Brown gained 18 yards on a pass from Wiggins to put the ball on the one-foot mark. Crews hit center for the touchdown and then passed to Lilly for the extra point, making the score 47 to 0.

Crowell next took possession of the ball when W. F. Statser, 110-pound Wildcat recovered Wilson's fumble on Iowa Park's 43. Joy broke through for 19 yards, but the ball was called back and Crowell penalized 5 yards. Wilson intercepted Crews' pass on the 27. After being shoved back to the 21 on three plays, the Iowa Park center's pass was high above the backfield's head and rolled across the goal line and into the end zone for an automatic safety, giving Crowell 2 points and making the score 49 to 0. The quarter ended with Iowa Park putting the ball in play by kicking off from 20 to Jones who returned 15 yards to Iowa Park's 42.

**Last Quarter**

The complete team of first stringers returned to the field for a workout of a few minutes. A spread formation pass failed. Williams of Iowa Park intercepted the next pass attempt. Crowell soon duplicated with Todd intercepting Wilson's pass on his 38 and running for a touchdown. His place kick was blocked and the score was 55 to 0.

After receiving the kick-off

and unable to gain, Iowa Park punted and Todd received the ball to race 40 yards for another touchdown. His pass to Meason failed and the score was 61 to 0.

Todd went through the entire Iowa Park team for 23 yards and the next touchdown. His place kick was blocked for extra point, and the score was 67 to 0. The scoring drive started when McKown returned a punt 36 yards to the 32. Patton's pass to Gibson put the ball on the 23, from which Todd scored.

The first team then left the field in a unit and 11 reserves came back. Iowa Park received the kick-off. Joy intercepted a pass and returned 24 yards to the Iowa Park 23. For the third time in the game J. M. Brown completed a long pass to put the ball in scoring position. This time he put the ball on the 3 after reaching high to take Wiggins' heave. Crews went through the line for a touchdown. His pass for extra point failed and the score was 73 to 0.

L. Bain returned Jones' kick-off from the 30 to the 36. Williams' pass to Honeycutt netted 14 yards as the game ended.

**Substitutions**

Crowell — Jones, Womack, Crews, Nichols, Lilly, D. Brisco, W. Brisco, Joy, Wiggins, Brown, Allen, R. Horn, Statser. Coach Graves used every eligible man on his squad.

Iowa Park — Wilson, Parish, Williams, Stripling, Jones, Smith, Loudamy, L. Bain, McKinney.

**Officials**  
Curtis Beaty (Texas U.) of Vernon referee; Dan Salkeld (T. C. U.) of Quanah, umpire; A. L. Huddleston (A. C. C.) of Vernon, head linesman.

**Summary**

First downs: Crowell 18, Iowa Park 1. Passes: Crowell tried 17, completed 7 and had 2 intercepted; Iowa Park tried 13, completed 1 and had 4 intercepted. Punts: Iowa Park punted 11 times; Crowell punted none. Penalties: Crowell was penalized 4 times for 30 yards; Iowa Park was penalized 2 times for 10 yards.

Of the 54,000 automobile dealers in the United States 5 years ago, 30,000 have relinquished business.

The state of New York has no gold, silver or coal deposits, but leads all states in the production of gypsum.

**PTA and Juniors to Present Play Next Thurs. and Friday**

That West Texas no longer need to depend on Eastern playwrights and producing companies for community plays will be evidenced here Thursday and Friday nights, Oct. 18 and 19, when the Crowell P. T. A., with the aid of the Junior class, offer "Widows and What-Not's" at the Crowell High School auditorium. The play was written by L. D. Gibson of Paducah.

The young writer, in collaboration with his wife, has written a musical comedy which has proven highly successful in some 10 or 15 cities where it has already been produced. Mr. Gibson is also manager of his company, the Metro Producing Company, which is proving as successful as his play.

Although a resident of Paducah, where he completed high school, Mr. Gibson has spent two years in Denver where he played stock and repertoire, while completing his play and final arrangements for his producing company. He has recently completed two more plays which will soon be on the market.

"Widows and What-Not's," a three-act musical comedy, is the type of play that will prove highly entertaining to all classes. The costumes, dance routines, and musical scores were especially designed and arranged for the bill.

With a sponsorship of the Crowell P. T. A., and assisted by the Junior Class, the cast and choruses, which total 102 local characters, will provide interest for the entire community.

The personnel of the cast and choruses is too large to name in entirety, but the all-star cast includes: Jo Griffith, as widow Craig, fresh from Reno, who comes to the Brown's boarding house in hopes of marrying a millionaire.

A. Y. Beverly as Mr. Houston, a millionaire stopping at the Brown's incognito. Louise Ball as Mrs. Orchard, an elderly lady who has charge of the boarding house, while Eli Smith, as Mr. Brown, and Mrs. Jim Moody as Mrs. Brown, are away on a vacation. Henry Black as Mr. Wallace, a middle aged man, just the type found in every boarding house, furnishes a triangular touch to the widow-millionaire romance.

Elsie Faye Roark as Blanche, daughter of Mrs. Orchard, is in love with Mr. Wallace. Geraldine Carter as Gloria, and Glen Rabbery, as Jack, and Lottie Russell as Francis, and Hubert Brown as Luhn, are all students staying at the boarding house. They are sentimentally inclined and furnish a collegiate air.

The real comedy element is furnished by Claude McLaughlin as Clay Gilbert, the "cullud" salesman of "Love Potions," and Mrs. H. Schindler, the colored maid. John Raso as the colored cab driver, will add to the array of care-chasing comedy.

"Widows and What-Not's" is a laugh from the opening chorus to the final curtain.

**Pan-American Hi-Way Will Aid Centennial**

Dallas, Texas, Oct. 6. (Special)—When Texans celebrate 100 years of freedom and progress in 1936 with appropriate ceremonies at San Antonio, Houston, Goliad, Brenham, Nacogdoches, Huntsville, Gonzales, Galveston, Dallas and other points identified with development of the State, they will have an opportunity to impress thousands of visitors, who will pass through Texas cities on their way to the glamorous land of Mexico. Fast becoming a popular vacation land for Americans, Mexico is due to enjoy a tremendous increase in automobile traffic by 1936 as the Pan-American Highway, extending from the Rio

Grande to Mexico City and points farther South will be opened by them. Texas will benefit by this travel and will have an opportunity to reap vast returns from the impression that can be made by proper observance of the Centennial.

President Franklin D. Roosevelt will be invited to come to Texas in 1935 when the Pan-American Highway is opened, thus calling it to the attention of citizens all over the Nation. Opening of the highway from Laredo to Monterey a few years ago brought a prosperity to Mexico City, which has climbed steadily to higher pinnacles even during the depression.

The opening of the Pan-American Highway, therefore, is expected to increase enormously automobile touring into Mexico and Texas, at the gateway, will benefit.

The earth's population is increasing by approximately 30,000,000 persons yearly.

Mrs. Caleb Counts of Long Beach, Calif., was here from Wednesday until Sunday visiting relatives. Mrs. Counts is returning from West Point, N. Y., where she visited her son, Gerald Counts, to Long Beach. She is also visiting her mother-in-law, Mrs. Elon Young, and Mr. and Mrs. E. C. Ray at Breckenridge and returned to Breckenridge Sunday, accompanied as far as Seymour by Mr. and Mrs. J. C. Self and Mr. and Mrs. H. K. Edwards, where they were met by Mr. and Mrs. Ray.

**CORRECTION**

Through error on the part of The News "Our Own Patterns" were advertised at 5c in the ad of Harwell's Variety last week. This price should have been 15c and The News is glad to make this correction.

**CROWELL, CHILICOTHE AND BURK TIED FOR DISTRICT LEAD; OLNEY PLAYS FIRST DIST. GAME FRIDAY**

Crowell, Chillicothe and Burk and Olney now occupy top positions in the standing of District 5, Class B of the Texas Interscholastic League football race, each having scored victories in their initial conference tilts. Olney, Throckmorton and Seymour are the only teams that have not yet played a district game, however, all games this week are conference affairs.

District games last week included Crowell's 73 to 0 victory over Iowa Park and Chillicothe's 13 to 0 win over Archer City. Olney was beaten 13 to 12 by the Class A Eastland club at Olney, however, the Cubs outplayed the visitors throughout most of the game, more than doubling them in the number of first downs and yardage gained from scrimmage. Eastland staged a rally in the final minutes of play to win.

Crowell, Chillicothe, Burk and Olney in a tie for the district lead, with prospects for the standing to remain that way until Oct. 26, at which time Olney tangles with Burk and Seymour with Chillicothe.

Other Games  
Although not in this district, the encounter that held the spotlight in Northwest Texas last week was Vernon's 18 to 7 upset of the Wichita Falls Coyotes, defending champions of District 5, Class A. The game at Vernon was witnessed by between 9,000 and 9,500 people, setting a new record for attendance at a football game in this section. Two long passes in the final minute of the first half gave the Coyotes their only touchdown.

So far Crowell has shown more offensive power against the Vernon Lions than have any of the four teams that they have played. Vernon plays Matador at Vernon this week and Childress invades Quanah in the district highlight. Wichita Falls journeys to Abilene.

**Seymour Gains Strength**

Seymour performed to the utmost satisfaction of Panther fans and surprised the district in beating Jacksboro 24 to 0 at Seymour in a non-conference affair. The Burk Burnett Bulldogs continued strong in downing Newcastle of District 6 by the score of 32 to 7 at Burk. Throckmorton played host to Knox City and won 12 to 0.

The outstanding conference game on the slate for this week will be Friday night between Burk and Seymour on Burk's lighted field. The Bulldogs are favored to win, however, they will no doubt find the going considerably tougher than in their past games.

Probably the weakest team of the district, Iowa Park, takes on its third tough opponent Friday in playing the Cubs at Olney, having played Crowell and Burk the two previous Fridays.

Archer City plays at Crowell and Chillicothe invades Throckmorton in the other two conference clashes.

Results this week should find

**District 5-B Standing**

	G.	W.	L.	T.	Pct.
Crowell	1	1	0	0	1.000
Chillicothe	1	1	0	0	1.000
Burk Burnett	1	1	0	0	1.000
Olney	0	0	0	0	.000
Seymour	0	0	0	0	.000
Archer City	1	0	1	0	.000
Throckmorton	0	0	0	0	.000
Iowa Park	2	0	2	0	.000

**Over 2,300 Enrolled Now at Texas Tech**

Lubbock, Texas, Oct. 8.—Friday's registration swelled the enrollment figure for the first semester of the tenth annual session at Texas Technological College to 2,282, according to President Bradford Knapp. This enrollment exceeds that of last year at the same time by 420 students, and that of any semester by a few less than 300, and shatters all records for first semester enrollment. The total is expected to reach 2,400 when registration for late students is complete. The tabulation of 2,282 does not include 105 part-time students.

**TIRES STOLEN**

The garage of Mr. and Mrs. M. J. Girsch at their home in the north part of Crowell was broken into last Friday night and the four wheels and tires of their Chevrolet sedan were stolen. No trace of the stolen property has been found.

**ATTEND MAYTAG MEETING**

C. V. and Owen Ketchersid, Mr. Cearley, and J. E. Atcheson and family attended a district meeting of Maytag dealers in Childress Tuesday night. Walter Rogers of Dallas, president of Southwestern Maytag Co., and J. J. Adams, division manager, were the principal speakers.

More than 1,000 Japanese ships have been equipped with radio sending sets.

**THIS BANK .. and FOARD COUNTY**

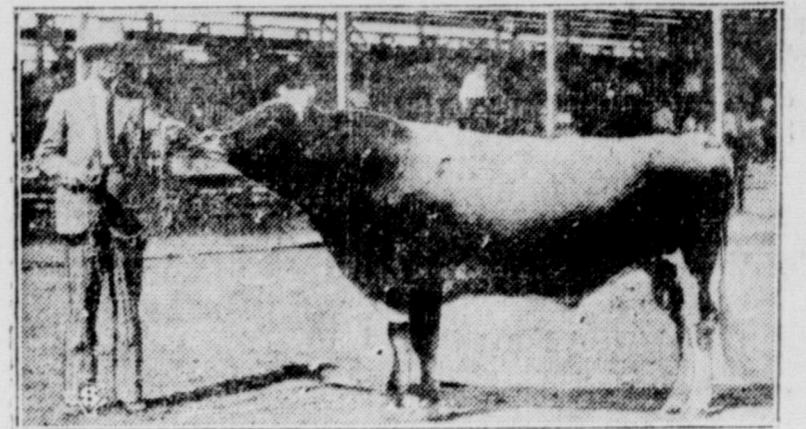

As a business institution a bank has two distinct relationships: It is a part of the country's credit machinery, promoting the exchange of goods and money, and contributing to the general reserve strength. And—

It is a local institution to which people turn with confidence for financial services of all kinds—depositing, borrowing, investing, to say nothing of requests for business information and advice.

"Dives and Lazarus," Part I—Leila Barker.  
Part II—Mr. Mills.

### Christian Science Services

"Are Sin, Disease and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 14.  
The Golden Text is: "The Lord is our judge, and the Lord is our law giver, the Lord is our king; He will save us" (Isaiah 33:22.)  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Whether is it easier to say to the sick of palsy, 'Thy sins be forgiven thee; or to say, 'Arise, and take up thy bed, and walk?' (Mark 2:9.)  
The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Sickness, sin, and death, being inharmonious, do not originate in God nor belong to His government. His law, rightly understood, destroys them. Jesus furnished proofs of these statements" (page 427.)

Cornstalks may be used to produce gas for cooking by a process discovered by chemists at the University of Illinois.

Rabbits in Australia cause damage estimated at between \$80,000,000 and \$150,000,000 annually, a sum comparable to the country's national debt.

## SUNDAY SCHOOL LESSON

by Charles E. Dunn

The Christian and His Bible.  
Lesson for October 14th. Acts 8:26-39.  
Golden Text: Psalm 119-97.

The story of Philip and the Ethiopian is very appealing. The picture of the eunuch seated in his chariot reading the prophecy of Isaiah, with the apostle beside him in the act of interpretation, appeals strongly to one's imagination.

Now many folk today are quite as puzzled when they read the Bible as was this Ethiopian. Their problem may be stated as follows: "Why should we go to the Bible for guidance, a book written ten centuries ago when life was so vastly different? Why not face our perplexities head-on, with our own vigor of mind and soul?"

Prof. Mary Lyman, of Union Seminary, has given an effective answer. She points out that the Bible has the advantage over contemporary culture in that it presents the issues of life in a simple and vivid form. Our age is enormously confused and complicated. In Bible times folk lived and thought more directly and naturally than they do now. It is a genuine help to begin with a simple, clear outlook of the Good Book.

Then, too, the Bible is essentially picturesque and dramatic. We can easily agree with Mrs. Lyman that pictures and drama are more convincing than argument, however skillful. Think of the amazing success of the Negro Bible play, "The Green Pastures," which ran for a full year and a half in New York before packed houses.

And we must remember that the Bible, in striking fashion, combines successfully the particular and the universal. Although written thousands of years ago from an entirely different background from that of today, it is as fresh and timely as ever.

Let us then learn to love the

Son of Hauptmann  
NEW YORK... Here is innocent little Manfred Hauptmann, 10 months old, whose father, Bruno Hauptmann is held in connection with the Lindbergh case. The only breakdown by Hauptmann occurred when his little son was brought to see him.

G.O.P.'s Empire  
NEW YORK... Robert (above), Park Commissioner of New York City, is the Republican date for Governor in G.O.P. to break the rule of G. Lehman-Parley in the Empire State.

SYNOPSIS

Weeks after a cream col-... Anne Cushing appears at... later Barry Duane. Her... complicated by rumors... her past life which she has... This secrecy event... to her separation with... after they return West... Gage, wealthy mill owner... wife visit the Duanes at... Cleo Pendleton, in... with Barry, joins them. Jim... a part of Anne's past... and says he has business... Barry's ranch. Anne follows... warn Paula Gage. Paula be... hysterical on hearing... Gage.

lived in a little town. He was there... only a few days, and when he went... I'd married him. And then I found... out that he was just a gambler... and we began traveling all over... the country—and I left him and... got a divorce. I never saw him... again until last May. And then I... got a letter from him, from Tia... Juana. He said the divorce wasn't... legal—and I was so frightened... because that meant that I wasn't... really married to you. But it was... not true at all—I found it out... later.

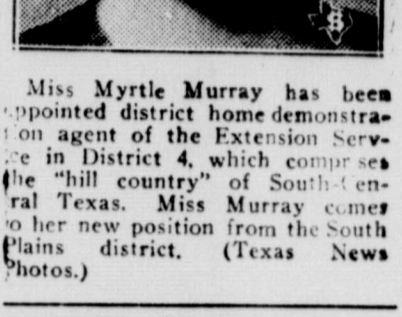

"What's the matter?" "Kennedy's around. He has just... gone off with one of the horses... Wrecked his car down the road... I'm starting for Trail's End." "I'm going with you." At the end of the passage... leading to the kitchen Martha ap-... peared. Her mouth was set primly... but her eyes had a snapping bright-... ness. "Ling says there's a kind of... funny pounding going on in the... garage. Who's out there, Boone?" "My gosh! Boone swallowed... hastily. 'I plumb forgot the lady!... Miss Cleo—she rode in with me.'... "What the devil is she doing in... the garage?" "Well, you see, Barry, comin'... back up the road I heard somebody... scream, and I just shot the car... straight into the garage and bolted... out to see if I could do any-... thing, and I plumb forgot every-... thing else. I musta been so excited... that I give the door a slam after... me, and that bar drops awful easy... Gets kinda second nature to shut... that door, Martha, you let the lady... out, won't you?" "I guess, I'd better, Boone." The car roared down to Trail's... End. There was no one there. Gage... roared, but his deliberate gaze... roamed cautiously around this... shabby little place where Paula's... sister had come to hide. He read... his letter, looked grim over it.

H. D. and 4-H CLUB ACTIVITIES

and song leader. Mrs. Garnet... Jones is the club sponsor. The... next meeting will be on Thurs-... day, Oct. 18.

"No More Dynamite for Me!"

And that's What YOU would Say, After Making the "Liquid Test" Described Here

DAVID H. WADSWORTH Cold Springs, Kentucky, discovered the value of a liquid laxative about three years ago, and would never use violence again in relieving a constipated condition.

If, by making one little change, you could relieve a condition of sluggishness within 24 hours, and feel about 100% better—would you do it?

David Wadsworth did. You can do the same. All that is necessary is to get your bowels in the right condition. But you can't do that by doing them violence.

Doctors and hospitals use liquid laxatives. They've seen the damage sometimes done by highly concentrated drugs in the form of pills or tablets! They know that a properly made liquid laxative containing senna (a natural laxative) does not do this harm. And they use a liquid laxative to relieve the bowels, because the dose can be easily regulated.

To Relieve Bowels

Constipated or sluggish bowels can never be corrected with violent purges. They can be safely relieved with Dr. Caldwell's Syrup Pepsin without forming the laxative habit. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative made from fine herbs, pure pepsin, senna and cascara. It is most agreeable to take. The comfortable bowel movement from Syrup Pepsin is a joyful relief

from the violent action of strong mineral drugs!

If you are a victim of "sluggish bowels"; an occasional sufferer from constipation, here's the secret of prompt and safe relief until nature restores your regularity. Use a liquid laxative.

Start tonight with Syrup Pepsin. If necessary to repeat the dose use less each day, until the bowels are moving regularly and thoroughly without any help at all.

If there is an occasional return of the trouble, Syrup Pepsin will comfort and relieve you again, as easily as it did the first time you ever took it.

Ask any druggist for a bottle of Dr. Caldwell's Syrup Pepsin, and make the "liquid test."

West Texas Utilities Company Week-End Specials and Electric Refrigeration Saves You Money You can economize as much as 20 per cent by buying at week-end specials and taking advantage of the perfect refrigeration offered in order to preserve your foods that you buy at these specials. With modern Electric Refrigeration — which assures safe preservation of perishable foods at all times — you can easily buy in sufficient quantities to effect this saving. Just think of the saving you can make . . . and you will only have to market once a week! The safe, constant, dependable refrigeration supplied by the new Frigidaire makes this economical practice possible. Frigidaire automatically maintains this constant cold of less than fifty degrees necessary for safe refrigeration. There is no trouble on your part — even defrosting is automatic. A trained representative will be glad to explain how the new Frigidaire pays for itself. Ask for a demonstration or ask any user of the Frigidaire. Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill? West Texas Utilities Company
