### New Oil Well Near Thalia Produces from New Horizon

#### Fain & McGaha Completion Is Week's Feature

Completion of Fain-McGaha's 1 1/2 J. G. Thompson oil well two miles northwest of Thalia, featured developments in Northwest Texas last week on account of the fact that this new well is producing an estimated 200 barrels daily from an entirely new lime formation. The well topped a formation at 174 feet showing saturation. After setting and cementing casing, formation was penetrated 10 feet and acid was applied. With recovery of the load the oil came in, filling the casing within a short time. The first application of acid consisted of one thousand gallons, this week more acid was pumped on the well and results from this application are now being awaited. Jimmie Maxwell, oil editor of the Wichita Daily Times, featured completion of this well in the section of the Times, Sunday. Dr. Cooper included his comment on it in the following statement: "Completion of the well in this way is the means of adding another producing horizon to the county. It pays have been producing from 1,950 and 900, with gas sands 1,450 and 2,450 feet. The Thompson pool boasts of five producers. The Fain & McGaha interests two, all Petroleum Corporation two, and the Wichtex company one." This well is located about 12 miles northeast of Crowell and in Section 44, Block 18, H. & T. Survey. No new developments of interest have taken place at the tests being drilled north and west of Crowell in Foard by James Blair Baker, Jr., and the Texas Company.

#### Veteran Minister Is Visiting in Home of Son Near This City

Dr. R. H. Cooper of Fayette, Mo., who is visiting in the home of his son, R. H. Cooper here, preached at the Methodist Church at the 11:00 o'clock service Sunday morning. In spite of his advanced age, Dr. Cooper delivered a splendid discourse on "Home," leaving much food for thought with his hearers. A male quartet, composed of R. H. Cooper, Jr., C. W. Thompson, A. Y. Beverly and T. T. Gightly, sang a special number at this service. Dr. Cooper is 87 years of age and has been in the ministry since early manhood. He was presiding elder of the Missouri conference, which extends from the Missouri River to Iowa, for 22 years. A large church has been erected on the campus of Central College at Fayette and named Rice H. Cooper Parish House in honor of Dr. Cooper. He received his D. D. degree from this college and all of his seven children have attended this institution.

#### COUNTY-WIDE FARMERS MEETING IN CROWELL TUESDAY; BANKHEAD COTTON ACT TO BE DISCUSSED

The Bankhead cotton act will be the chief topic of discussion at a farmers meeting to be held in the district court room in Crowell Tuesday afternoon, Nov. 6, at 2 o'clock. According to information coming from the Agricultural Adjustment Administration, farmers will be asked within the near future to register their will as to whether the Bankhead control program should continue in effect during the coming year. It is also stated that all of the individual cotton contracts resulting from the voluntary program will continue in effect in 1935. Other subjects will be discussed in order to give information that vitally affects the cotton producers of the county. According to information coming from the Agricultural Adjustment Administration, farmers will be asked within the near future to register their will as to whether the Bankhead control program should continue in effect during the coming year. It is also stated that all of the individual cotton contracts resulting from the voluntary program will continue in effect in 1935.

#### Terracing Planned By Foard Farmers

A number of farmers are planning to terrace their farms during the winter, according to information coming to Fred Rennels, county agent. Mr. Rennels requests that all those who plan to do such work report to him as early as possible so that a terracing schedule may be worked out and a date set to do the work on the various farms. A large amount of acreage has been terraced in the county during past years and its value has been proven during the drought for conservation of moisture and for the saving of soil during an exceptionally heavy down-pour of rain.

#### CHS Band Members Have New Uniforms

Members of the Crowell High School band, with L. T. Edwards as director, are the proud possessors of new uniforms, which consist of white trousers, caps and black fannel canes, lined with gold satin. One side folds back in military fashion. They also have a military collar. The 18 caps were made by Mrs. Tanner Billington. The caps are regular band caps in black with the words "E Pluribus Unum" at the front in gold letters. The first appearance of the boys in uniform was at the high school assembly program Tuesday. They also appeared before the Rotary Club Wednesday. The football game with Seymour tomorrow will mark the first time for the boys to appear in their new uniforms at a grid contest.

#### MUSICAL PROGRAM AT THALIA NEXT THURSDAY

The singing school of three weeks that is attracting large crowds at Thalia will come to a close on Thursday evening of next week with an interesting musical program at the Thalia school auditorium, beginning at 8 o'clock. Numbers by the Stamps quartet and accordion solos will be given in connection with the program.

#### GUESSING CARNIVAL AND NEGRO BATTLE ROYAL TO BE FEATURES OF PROGRAM FOR FIRST MONDAY

Trades Day in Crowell on Monday promises to be one of the best in the history of the regular First Monday events here and an extra large crowd is in prospect for the day. Over 50 local business firms co-operating in giving away attractive prizes of merchandise and services in connection with the "Guessing Carnival," which will be one of the features of the day. A negro battle royal at 3:30 o'clock in the afternoon is another entertaining feature for First Monday. Five negroes will enter a ring on the vacant lot across the street from the southeast corner of the square and proceed to fight with boxing gloves until only one remains in the ring. The regular monthly Trades Day in Crowell belongs to all of the people of this territory and these monthly events can be made better for all concerned if the people will bring items to town that they do not need and trade them for something they can use, which someone else may have. Free auctioneer service is also available during the day. According to present indications, many head of horses and mules will be in Crowell Trades Day and those having livestock that they wish to sell or trade should find the day a profitable one for this purpose. Besides the entertaining and trading features of the day, a glance at the ads in this issue furnishes abundant evidence of the many opportunities that Trades Day visitors will have to save money on every-day items. Don't miss this "Bigger and Better Trades Day!"

#### SEYMOUR PLAYS CHS TOMORROW IN DIST. 5 GAME

With the invasion of the Seymour Panthers here tomorrow afternoon, the Crowell Wildcats will likely have the stiffest opposition of the season on their own home grounds. Seymour beat Chillicothe 6 to 0 last week in handing the Eagles their first conference defeat. In the only conference game before that, the Panthers lost to the powerful Burkburnett Bulldogs by one touchdown, the score being 13 to 7. Perfect Attendance Record Probable starting line-ups for Friday's tilt indicate that the Panthers will outweigh the Wildcats. The Seymour line averages 161.8 pounds, while the Crowell forward wall will average 156.4 pounds. While the Seymour line averages over five pounds heavier than that of the Wildcats, the Crowell backfield will average 155 pounds to a 149-pound average for Seymour. For the two teams as a whole, the Seymour average is 157 pounds, compared with 155 pounds for Crowell. This will be the fourth conference game of the season for Crowell and the third for Seymour. Harold (Red) Clem, All-Southwestern Conference lineman with Baylor University last season, is the Seymour coach. One of the largest crowds of the season for a home game is expected for this contest, which will begin promptly at 3:30 o'clock.

#### LEADING POLO STARS PERFORM HERE NOV. 10-11

The fastest polo ever seen in Foard County is in prospect for Nov. 10 and 11 on the polo grounds two miles southeast of Crowell, at which time teams of polo stars representing Crowell and Wichita Falls will compete in matches sponsored by the Gordon J. Ford Post of the American Legion. Chas. H. Featherston of Trustcott will serve as captain of the Crowell team, which will include J. H. Minnick, Sr., Foard County rancher; Roy Barry of Oklahoma City, formerly of Crowell; George Oliver of New Jersey and Bobby Nields of Detroit. These five players will alternate in the local line-up. All rate 2-goal handicaps with the exception of Oliver, who is a five-goal player. Oliver is regarded as one of the best mallet men in polo. His first experience in polo was from a horse that Jim Minnick shipped from Foard to New Jersey several years ago. The star's father deals extensively in polo ponies and has purchased many horses from this section. Nields is a very promising young poloist from Detroit and in the last few years has had the opportunity of playing considerably with Cecil Smith, the champion polo player of the United States. He also secured his first polo experience on ponies from this section. Roy Barry, formerly of Crowell, has advanced faster in polo in the last few years than most any player in the association, according to the opinion of polo players. He recently played with Cecil Smith at Fort Worth and contributed two goals to help Smith's team to victory. Minnick and Featherston are veteran polo players and have long been regarded among the leading poloists of the Southwest. Ernest Fain will captain the Wichita Falls team, which also includes outstanding stars, two of whom, Horace Robbins and Luther Weeks, rate 3-goal handicaps.

#### PERSONS BRINGING IN MOST OLD CLOTHES TO BE GIVEN ONE DOLLAR

In promoting the old-clothes drive for needy persons, the local relief office is offering a prize of \$1.00 cash to the person bringing in the largest bundle of clothes to the relief office in the Ringgold building on First Monday, Trades Day.

#### NEW MOTOR VEHICLE

Jim Cook, Crowell, Chevrolet sedan.

#### TUES. WILL BE GEN. ELECTION DAY IN TEXAS

Tuesday, Nov. 6, is general election day in Texas and various other states of the nation. Since the Democratic primaries have already served in practically naming county and state officials in Texas, the principal interest in Tuesday's election in this state is centered on the eight proposed constitutional amendments, which must be passed upon by the voters of Texas. These eight proposed amendments were printed in full in issues of The Foard County News of several weeks ago. Anyone wishing to refer to them may do so at The News office if they do not have an issue containing the amendments.

#### Ragland Decides to Locate in E. Texas

P. T. (Red) Ragland, who left Crowell on Sept. 19 in a covered wagon drawn by two donkeys, has stopped short of his original goal, Arkansas, and has decided to locate in Red River County, near Avery. He reached there almost exactly one month after departing from Crowell. The following letter from Ragland was written at Clarksville on Oct. 23: "To the readers of The Foard County News: "I have found a location near the town of Avery in Red River County and I am now waiting to get money from Crowell to complete the deal. "I have bargained for 12 acres, all in timber. No house, but have a lot of nice straight trees which will build a log shanty. "This town of Avery is a well established market and is one and one-half miles east of where I am to locate. "I see in the papers where Prettie Boy Floyd came to the end of his rope. I fail to see how people can side with such persons. "The people of this place of Clarksville are of a friendly nature. More so than I expected to find. "The dog, Curley, is doing fine. Little Kate and Bonnie Parker are eating grass and resting after their long drive from Alford, which took me 11 days. "Kindest regards to all. "P. T. Ragland."

#### DISTRICT VETERINARIAN TO VISIT FOARD SOON

The district veterinarian for the U. S. government at Amarillo has been instructed to visit Foard County in the near future for the purpose of conducting T. B. tests on dairy cattle throughout the county.

#### COTTON GINNINGS

The latest government census report shows that there were 1859 bales of cotton ginned in Foard County from the crop of 1934 prior to Oct. 18, 1934, as compared with 10,467 bales ginned Oct. 18 from the crop of 1933.

#### Extra Copies This Week

This week The News is mailing six hundred extra copies of the paper to non-subscribers in Foard and adjoining counties. The purpose in doing this is two-fold. First, it is to advertise Trades Day in Crowell so that the people of this territory may come here on that day and trade items they do not need for something they can use, and also take advantage of the many bargains offered in merchandise and service by Crowell firms. The regular monthly Trades Day belongs to you as much as anyone else and you can do much to make it more profitable for yourself and others by bringing in livestock, or other items about the farm that you would like to trade. The business men of Crowell are spending money to help promote Trades Day and it is hoped that the people of this area will take advantage of the many opportunities to "trade" and "save" each First Monday. The second reason that The News is sending out extra copies this week is to promote our annual Fall subscription campaign. If you are not a regular subscriber to this paper, we trust that you will consider this a personal invitation to become one. During this Fall campaign, our regular yearly rate of \$2.00 has been reduced to \$1.50. Besides keeping you informed on matters of vital interest, we are sure that you can save several times the subscription price in one year by taking advantage of the bargains offered each week in the ads of local merchants. Your subscription will be greatly appreciated.

#### THROCKMORTON BEATEN 38-0 BY CROWELL HIGH

The Crowell Wildcats had little trouble in disposing of the Throckmorton Greyhounds by the score of 38 to 0 here last Friday afternoon in the third conference game of the year for both clubs. Possibly on account of the knowledge that they were meeting a weak opponent, the Wildcats did not play up to standard. Despite the fact that they were hopelessly outclassed in ability and weight, the Greyhounds may be given credit for being victors in the "lightning" department of the contest. The visitors held Crowell to only one touchdown in the first quarter. Crowell tallied twice in the second, once in the third and twice in the last period. Throckmorton failed to make a first down during the entire tilt and also failed to complete a pass in four attempts. Crowell's passing was much more ragged than usual, although 9 aerials were completed in 21 attempts, one of which was intercepted. Dick Todd and Lester Patton registered Crowell's six touchdowns. Todd chalking up 4 on runs of 40, 39, 7 and 3 yards, while Patton went over 2 yards on a double-reverse for one counter and was on the receiving end of a 16-yard pass from Todd for the other. First Quarter Several Crowell drives were ended by the fumble route, a situation (Continued on Page Six)

#### VISITOR TO PREACH

Judge J. O. Rouse of Vernon will fill the pulpit at the Baptist Church Sunday morning in the absence of the pastor, Rev. O. L. Savage, who will be in attendance at the State Baptist Convention in San Antonio. Judge Rouse will preach on "Christian Citizenship."

#### George Allison New Sinclair Agent Here

George Allison, local oil agent for many years, has secured the Crowell wholesale agency for the Sinclair Oil and Refining Co. and is now conducting this business from his office at the Kenner Service Station. The local Sinclair agency was recently in charge of George L. Hinds, who is now the Crowell agent for the Continental Oil Co.

### The FARMALL Tractor is the Best Investment Any Row-Crop Farmer Can Make

The owner of a McCormick-Deering Farmall Tractor has a tremendous advantage in row-crop farming. This original all-purpose tractor works so economically on every farm job—whether it's plowing, planting, cultivating, haying, harvesting, corn picking, etc.—that no row-crop farmer can afford to be without it. Now is the time to invest in Farmall power—you'll wonder why you didn't buy it long ago.

Come in and find out what the McCormick-Deering Farmall can do for you. There are two other Farmall sizes—the smaller Farmall 12 and the 3-plow Farmall.

ter." Ellen, even in the face of her mother's tragic hurry, couldn't quite grasp the seriousness of the letter...

"I'm going for the doctor," she half sobbed.

You'd have had to take it, anyway... And I'm glad—remember that, always, Ellen!—that it is just about all the money I have...

The way back led past the doctor's square white house. He wasn't in. But she left a message with the doctor's aged housekeeper...

Down the path she went, with its border of fading beauty, in through the wide open door. In the hallway she paused for a moment before a dim mirror and automatically fluffed her hair...

"Bring me my check book, dear." Ellen didn't speak. That tensed a desperation in that toneless voice, a need of hurry...

Notice to Hallowe'en-ers

Saturday is Hallowe'en, and every year some nuisance is committed in Crowell by thoughtless boys—and others, too—who tear up private property. Now, boys, this is not right. This year, I am going to leave it with you; I am going to have a sufficient force to watch all over the town, but I am not expecting to have to make a single arrest, for I know every boy in Crowell, and I believe that you are too manly to tear up the property of anyone. But if any of you are so ungrateful as to do such a thing, after I have placed so much confidence in you, I am going to enforce the law to the limit, if I get you.—Silas Moore, Marshal.

Mr. Claude Nichols and Miss Effie Boman were united in marriage Sunday, Nov. 1, at the home of the officiating minister, Rev. Emery of the Black community.

The bridegroom is one of our substantial farmers of the Black locality, and is well liked by his neighbors and others who know him best. His bride is the accomplished daughter of Mr. and Mrs. G. S. Boman. She is pretty and refined and numbers her friends by her acquaintances.

Hallowe'en Party

Misses Bomar and Klepper entertained a few of their friends at the Bomar home in this city Saturday evening. The guests were met at the street by two groaning ghosts who led them to the house. Miss Bomar met them at the door and directed them to a room where they were to remove their robes. In this room were several ghosts and a witch.

Many enjoyable games were played and much fun was had by all. A nice lunch consisting of pumpkin pie, cherry cider, ginger bread and orange juice was served to the following: Misses Thacker, Cates, Campbell, Brian, Hays, Ricks, Johnson and Woods; and

Messrs. Brian, Beverly, Fletcher, James, Woodall, Williams, Long, Adams, Crowell and Magee.

### TEXAS HISTORY IN THE MAKING

No. 5—Fort Griffin Was Redskin Poison

—Think—Talk—Write—Texas Centennial in 1936

General Robert E. Lee selected the site of Fort Griffin long before the Civil War, a high hill overlooking the Clear Fork of the Brazos River. There it was built in Shackelford county, 15 miles north of Albany, in 1867. The rollicking, six-gun town of the same name soon rose in the valley below. This was one of a line of forts that formed Texas' frontier against marauding Comanches. Most notable of Indian expeditions by troops of Fort Griffin was the famous McKenzie drive, which terminated when the Federals shot to death 1,000 Comanche horses in Tule Canyon in the Panhandle, so the Comanches couldn't travel to battle. Their bleached bones may still be seen. The upper picture above is the old quarters for officers at Fort Griffin as it is today, while below is the old bakery, with ovens still preserved. Fort Griffin was abandoned in 1881. Citizens of Shackelford county hope to make the site a state park. (Texas News Photos.)

**Senator Oneal Urges Support of Voters For Amendment No. 1**

To the Voters of Foard County: I desire to call your attention to one of the proposed Constitutional Amendments to be voted on November 6th. This Constitutional Amendment will appear as No. 1 on the ballot. It was submitted to you by Senate Concurrent Resolution No. 16 of which I am the author.

The purpose of this amendment is to permit the Legislature to classify property so that hundreds of millions of dollars worth, and probably billions of dollars worth, of property now paying no taxes at all may be classified, and a rate placed upon the same that will not drive it into hiding. This will bring in hundreds of millions of dollars worth of property for taxation, and thereby take a part of the burden of taxes off of real property and other tangible property that is now over-taxed.

The purpose of this amendment is for tax relief to the tax payers now overburdened, and to equalize the burden of taxation by giving the Legislature the authority to classify and fix rates on property now escaping taxation so that it will be brought to bear a share of the tax burden.

Desperate efforts are being made by those interests and individuals who own large amounts of this property that is now escaping taxation to defeat this amendment and thereby to continue to avoid carrying their share of governmental expenses. To scare the voters this organized group has put out all sorts of misrepresentations with reference to this amendment.

First, to scare the owners of small homesteads, they say it will repeal the homestead exemption amendment. This matter was fully gone into by myself and the Attorney General's department before the amendment was introduced in the legislature. There is absolutely nothing to that contention. I supported and voted for the homestead amendment and would be the last man in Texas to try to disturb it.

Second, they tell people interested in small corporations that this will permit the legislature to levy all sorts of taxes on these corporations. There is no more truth in this than in the statement with reference to the homestead exemption. The proposed amendment gives the legislature no authority that it does not already have, except to classify property. Every tax that can be levied under this constitutional amendment can be levied now, except that the legislature can not classify intangible property such as mortgage notes, deed of trust notes, vendor lien notes, stocks, and bonds etc., and thereby give them a lower tax rate than on tangible property.

It is a well known fact that you voters are fully aware that the property I have just mentioned now bears practically no part of taxation, although in many cases the vendors lien note or the deed of trust note, or the mortgage note is worth nearly as much as the land against which it has a lien, and the land bears its full burden of taxes.

Attorney General Allred is vigorously supporting the adoption of this amendment. He has given careful study to the subject, and emphatically states that the adop-

tion of the amendment is necessary for reforming our tax system.

Mr. L. A. Woods, State Superintendent of Public Instruction is supporting this amendment. In a statement given out by him on October 23rd, he said:

"There is no cross purpose between the agencies condemning Amendment No. 3 (tax limit) and the democratic nominee for governor, James V. Allred, in his efforts to see that Amendment No. 1 (classifying property) shall carry."

"As for myself, I can say that I am for Amendment No. 1 which is being supported by Attorney General Allred, and General Allred and myself are working together in our efforts to defeat Amendment No. 3."

Personally, I am of the opinion that the forces attempting to defeat Amendment No. 1 (the Classification Amendment) are bending their efforts towards imposing upon the people of Texas a high sales tax. Already there has been announced in the press a determined effort will be made at the next session of the legislature to impose a 3% gross sales tax upon the merchants of Texas.

If the people want tax relief, and tax reform they should not overlook this opportunity to vote for the same. Vote for proposed Amendment No. 1 on the ballot November 6th.

BEN G. ONEAL, Senator.

**Common Colds Often Signal Beginning of Serious Illness**

Austin, Texas, Nov. 1.—While the common cold is no respecter of seasons, increased prevalence is decidedly marked in the winter months. Unfortunately, familiarity with this condition has bred contempt for it. This is plainly indicated by the usual rejoinder, "Oh! I've just got a cold;" the inference, of course, being that while a cold is an annoying matter, after all it is an insignificant affliction. This attitude undoubtedly has been the cause of many needless deaths, to say nothing of prolonged and expensive illnesses," states Dr. John W. Brown, State Health Officer.

"One's resistance to many diseases, including colds, can be raised by increasing one's vitality by observing the fundamental living rules, namely: plenty of fresh air, good wholesome food, neither too much nor too little, sufficient rest, and the avoidance of habitual over-indulgence of devitalizing stimulants, including tea, coffee, tobacco and alcohol.

"If, however, in spite of ordinary precautions, a cold is contracted, it will pay to consider it seriously. Every cold should be viewed as the possible beginning of a serious illness. That means promptly seeking a physician's advice and explicitly following his directions. If he orders bed, then bed it should be. Incidentally, complete rest is one of the finest ways to overcome a cold in short order."

**Foard Clubs Will Have Recreational School on Tuesday**

Since play is an important element in the life of an individual or of a group the home demonstration clubs of the county plan to meet in their share. Representatives of the various clubs met on Tuesday afternoon at the Masonic Hall for a recreation school. Mrs. J. B. LaRue of the Margaret Club directed the games. These included both quiet games and such active ones as "Soldier's Joy," "Dan Tucker" and "Weaving the Wadmal."

Mrs. LaRue spent a lot of time in recreation work at Short Course and is well prepared to direct the work in the county.

**CANNING EXPERT WILL BE AT MARGARET NOV. 9**

Mrs. Ima C. Hensarling, representative of the Kerr Glass Company, will give a demonstration on the canned meal at the meeting of the County Federation in Margaret, Friday, November 9. She also has a number of canned products for display. Mrs. Hensarling has had much experience in this work and her demonstration will be well worth attending.

**MARGARET 4-H CLUB**

The Margaret 4-H Club girls met last Friday at the school and elected the following officers: Dorothy Bell, president; Floetta Bradford, vice president; Marjorie Bradford, secretary; Billie Kline, reporter, and Birk at Short Course. The president appointed a financial committee. The next meeting will be on Friday, Nov. 9.

**WEST RAYLAND 4-H CLUB**

The officers of the West Rayland 4-H Club were installed at the last meeting on Oct. 23. The following committees were appointed: financial—Dorothy Gregg, Velma Sitton, Ona Faye Derrington; exhibit—Ruby Lee Short, Bennie Lee Bradford, Elizabeth Whitten; recreation—Louise Tuggle, Irene Derrington, Margaret Gregg.

**VIVIAN 4-H CLUB**

Making of the county budget was the main discussion at the meeting of the Vivian 4-H Club last Thursday at the home of Mrs. Allen Fish with 14 members, 8 visitors and Miss Holman present. The meeting was an all-day affair with a covered dish luncheon at noon. The following officers were elected at the regular business meeting in the morning: Miss Rosalie Fish, president; Mrs. Aaron Nelson, vice president, and Mrs. Arthur Sandlin, secretary.

**GOOD CREEK H. D. CLUB**

Pellagra and goitre were studied by the Good Creek H. D. Club at its meeting with Mrs. Roy Cravey on Oct. 24.

**Throckmorton**

(Continued from Page 1) which made itself evident on the first offensive play of the game. Todd returned Smith's kick-off from the 37 to the 47. On the first play from scrimmage, a mix-up in the backfield caused a fumble which Hibbitts of Throckmorton recovered on the 15.

Failing to gain, Throckmorton punted over the goal line. Taking the ball on the 20, Crowell marched 80 yards to its first touchdown, with runs by Todd accounting for most of the yardage. Passes from Todd to James Joy and Raymond Gibson aided in the scoring drive, with Todd finally circling left end on the last down from 3 yards and the initial counter. Gober blocked the kick from placement for extra point and the score was: Crowell 6, Throckmorton 0.

**Second Quarter**

After two passes and a line play failed, Todd punted out of bounds on the 3-yard line. Paul McKown returned Blacksher's punt from the 35 to the 20 on the next play. Todd gained 9 yards and then added 3 more. Sam Crews, Jr., made 1 and then Todd crashed through center and a touchdown. His place-kick was good and the score was 13 to 0.

Crowell again took possession of the ball when the visitors punted shortly after receiving the kick-off. McKown returned to the Crowell 43. Crews ran 19 yards. Joy added 2 more and Todd made 51, putting the ball on Throckmorton's 40 yard line.

On the next play Todd was almost stopped on a crash through center, but regained his footing and with some fancy side-stepping and stiff-arming, he was off for 40 yards and another counter. A pass for the extra point failed. Crowell 19, Throckmorton 0.

**Third Quarter**

The Throckmorton defense tightened in the third quarter and Crowell did not come until late in the quarter. After two exchanges of punts, Crowell took the ball on the visitors' 30. Two line plays by Todd took the ball to the 20. Todd and Gibson failed to gain. A pass failed. On 4th down, Todd's pass to Joy put the ball on the 4. Todd hit center for 2. On a double-reverse, Patton took the ball around right end for a touchdown. The place kick failed and the score was 25 to 0.

**Last Quarter**

After advancing the ball to Throckmorton's 39, Todd went over center from that point for a touchdown. The kick for extra point was low and the score was 31 to 0.

**Summary**

First downs: Crowell 16, Throckmorton 0. Passes: Crowell tried 21, completed 9 and had 1 intercepted; Throckmorton tried 4, completed none and had none intercepted. Punts: Crowell 5, Throckmorton 13. Penalties: Crowell was penalized 3 times for 15 yards; Throckmorton 0.

# CROWELL AND ONLEY REMAIN AS ONLY UNDEFEATED GRID SQUADS IN DISTRICT 5-B COMPETITION

Crowell and Onley remained the only undefeated teams in District 5-B following games last Friday. Burk Burnett and Chillicothe suffered their first conference losses, while Seymour and Archer City registered their first victories.

In the feature tilt of the week, Onley's Cubs combined favorable breaks with smart football to defeat the powerful Burk Burnett Bulldogs 19 to 6 before over 2,500 people at Burk Burnett Friday night. The Bulldogs still have hopes of remaining in the district race by beating Crowell at Burk on Friday night, Nov. 9, followed by a Crowell victory over Onley on Nov. 23, which would cause a three-way tie, according to plans that Burk fans hope will materialize.

Seymour's Panthers, who tangle with Crowell tomorrow on the local gridiron, journeyed to Chillicothe last Friday and handed the Eagles their first conference defeat to the tune of 6 to 0.

Archer City beat Iowa Park 6 to 0 on Iowa Park's grounds and in the remaining district contest, Crowell beat Throckmorton 38 to 0.

Although Crowell and Onley are tied for the league lead, the Cubs naturally hold the favored position in the title race as a result of their disposal of Burk. The Bulldogs offer the only real threat in keeping Crowell and Onley

from meeting with undefeated records at Onley on Nov. 23.

Only two conference games will be played this week, with Seymour invading Crowell and Throckmorton playing host to Iowa Park in a contest which should break the tie for the cellar position.

**Onley Plays Vernon**

Onley faces one of the strongest teams in Northwest Texas in playing the Class A Vernon Lions at Onley Friday night.

Tipton, Okla., will play at Chillicothe, Burk Burnett and Archer City have open dates.

**District 5-B Standing**

Teams—	G.	W.	L.	T.	Pct.
Crowell	3	3	0	0	1.000
Onley	2	2	0	0	1.000
Burk Burnett	4	3	1	0	.750
Chillicothe	3	2	1	0	.667
Seymour	2	1	1	0	.500
Archer City	3	1	2	0	.333
Throckmorton	3	0	3	0	.000
Iowa Park	4	0	4	0	.000

**Games This Week**

- × Seymour at Crowell.
- × Vernon at Onley.
- × Iowa Park at Throckmorton.
- Tipton, Okla., at Chillicothe.
- Burk Burnett, open date.
- Archer City, open date.

**Results Last Week**

- Crowell 38, Throckmorton 0.
- Onley 19, Burk Burnett 6.
- Seymour 6, Chillicothe 0.
- Archer City 6, Iowa Park 0.

**COLLISION NEAR CROWELL**

Only slight injuries were suffered by the occupants of a Dodge coupe and a Ford truck when the two machines collided a few miles east of Crowell on Highway 28 last Friday morning, however the car and truck were badly damaged.

Mr. and Mrs. O. M. Stidham of Electra were occupants of the coupe. The truck belonged to J. L. Wingo of Knox City. Mr. and Mrs. Stidham were treated at the local hospital and returned to Electra the same day.

## COIL PISTON RINGS

Oil and Compression Rings reduce oil consumption to the absolute minimum, averaging one quart of oil in 500 to 1,000 miles. The oil in the crank case will retain a good lubricating body.

With Coil Oil and Compression Rings you can obtain everything possible in the way of piston ring performance.

Coil Oil and Compression Rings are moderately priced, and when it is considered that they actually restore compression and stop oil pumping even in cylinders worn enough to require new pistons—the price becomes even more attractive.

The Coil Oil and Compression Ring was designed to overcome these Piston Ring problems and it does this very thoroughly whether it be a new job, a reground block, or a badly worn cylinder.

Coil Rings are made in sizes to fit all cars, trucks, busses and tractors with pistons up to 9 inches in diameter. Fully guaranteed.

## SUNDAY SCHOOL LESSON

by Charles E. Dunn

Christian Growth. Lesson for Nov. 4: Luke 2:42-52.

Golden Text: 2nd Peter 3:18.

The appealing story of the boy Jesus in the temple, asking and answering questions, and astounding his elders by his wisdom, reminds us of the teaching task of the Christian Church. Every parish should provide abundant opportunity for the presentation and discussion of vital issues involved in the Christian vocation.

Rev. Charles E. Dunn

Protestantism is woefully weak in its exercise of the teaching function of the Roman Church puts it to shame. A Protestant

tant can attend his meeting-house for years, and never find out what Protestantism really is.

For this sad state of affairs the clergy are in part to blame. Vast numbers of them are not students. They spend far more on gasoline than on books. Many ministers do not aim to instruct their people at all. They aspire to be promoters, showmen, Chataqua managers. But the people are at fault. How much real reading, thinking and praying does the average person in the pew engage in? Not very much. His mind is pretty largely a blank. One is reminded of the complaint of Isaiah: "The ox knoweth his owner, and the ass his master's crib; but Israel doth not know, my people doth not consider."

What is the remedy? First of all we must glorify the teaching function of the ministry. Of course, the minister is a prophet as well as a priest, a shepherd, a friend, an administrator. But the minister is also a teacher whose duty it is to systematically instruct the flock committed to his care. Secondly we must put our energy into religious education rather than revivalism. It used to be said, "When is a school not a school? When is it a Sunday School?" May God speed the day when such a taunt will be out of place.

Examination was given Sunday afternoon to the Leadership Training Class conducted at the Christian Church under the direction of the pastor Rev. Paul J. Merrill. The following took the examination; Paul J. Merrill (the course was new to him as well as to the pupils), Mrs. R. L. Kincaid, Mrs. T. E. Womack, Mrs. John Long, Mrs. F. A. Davis, Mrs. Jim Cook, Mrs. J. H. Shultz, Miss Myrna Holman, Mrs. Jim Cates, Mrs. Marion Crowell and C. V. Allen. This course consisted of thirty-nine lessons covering things in pedagogy. The text was New Training for Service by C. J. Sharp, which text is a revision and enlargement of the old Moninger's Training for Service.

Rev. Merrill made this statement concerning the papers handed in on this examination: "This is the finest bunch of papers I have ever received on any examination I have ever given." Everyone passed with practically a hundred per cent grade, in fact, they were so fine that Rev. Merrill just conceded that all had earned a perfect grade.

In the near future Certificates will be awarded to these pupils, the certificates being furnished by the Standard Publishing Company of Cincinnati, Ohio.

### Christian Science Services

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 4.

The Golden Text is: "Whoso diggeth a pit shall fall therein; and he that rolleth a stone, it will return upon him." (Proverbs 26:27.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Return unto me, and I will return unto you, saith the Lord of hosts." (Malachi 3:7.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As the crude footprints of the past disappear from the dissolving paths of the present, we shall better understand the Science which governs these changes, and shall plant our feet on firmer ground. There should be painless progress, attended by life and peace instead of discord and death. (Page 224.)

The temperature of a carbon arc recently determined as 6,399 degrees Fahrenheit is the greatest man-made heat. It is brighter than the sun.

## Annual Husband's Evening Tuesday for Columbian Club

The annual Husband's Evening party of the Columbian Club was enjoyed by the club members with their gentlemen as guests at the home of Dr. and Mrs. R. L. Kincaid on Tuesday evening with Mrs. Kincaid, Mrs. F. A. Davis, Mrs. O. L. Savage, Mrs. C. A. Adams, Mrs. Alva Spencer and Miss Louise

Ball hostesses. The home was attractive in Hallowe'en decorations. Quartet tables were marked with Hallowe'en place cards and a delicious two-course dinner was served. Mrs. Bill Elliott, Misses Bertha Womack and Florene Miller assisted the hostesses in serving and Miss Mary Elizabeth Hughston played piano music throughout the dinner. The remainder of the evening was spent in games of 42, the appointments of which also followed the Hallowe'en motif. There were thirteen tables of players, and these included Misses Frankie Kirkpatrick, Allison Self and Myrna Holman as special guests. This occasion is always looked forward to with pleasure and this one proved to be most enjoyable.

## Autumn Party for Junior Class Mon.

The class mothers of the Junior class were hostesses to an Autumn party for the Juniors Monday evening in the Ringgold building. The building was appropriately decorated with shocks of fodder, black cats, and the mothers dressed as witches. Relay races and various other games were enjoyed throughout the evening, and the "House of Horrors" and "Dentist" were very exciting, as well as dreaded rooms. The refreshments consisted of ice cream, covered with chocolate, in orange husks, devil's food cake, and orange punch. J. M. Housouer, who was dressed as a tramp, won the prize for being the most suitably dressed.

## Miss Mable Lee Eddy and J. B. Fairchild Marry at Frederick

Miss Mable Lee Eddy, daughter of Mr. and Mrs. Joe E. Eddy of this city, became the wife of J. B. Fairchild in a marriage ceremony at Frederick, Okla., on Monday. Mrs. Fairchild was a member of the Senior Class of Crowell High School at the time of her marriage. She was elected "Miss Crowell of 1934" in a popularity contest which was conducted at the Rialto Theatre a few months ago. Mr. Fairchild was reared in Ardmore, Okla., and his mother now resides at Wilson. He was formerly employed at the Texas Company's plant in the west part of Foard County, but at present is employed by the same company at Burkburnett. The young couple are now at home in Burkburnett.

## GET-TOGETHER MEETING

A social meeting of the members of the Methodist Church was held in the basement of the church last Friday night with the pastor and his wife, Rev. and Mrs. Geo. E. Turrentine, and three children, as honor guests.

A bounteous picnic supper was served. Following the meal a sing-song was enjoyed with A. Y. Beverly leading and Mrs. Paul Shirley accompanying. Claude Callaway, a steward of the church, made a talk and Rev. Turrentine responded with encouraging words. The evening was an enjoyable one of fellowship and good-will.

## Interesting Radio Program Presented by Crowell P. T. A.

A program was presented by the Crowell P. T. A. over Radio Station KGKO at Wichita Falls last Friday morning at the Social Calendar Hour from 11:00 to 11:30. A P. T. A. program is featured at this hour each Friday morning, under the direction of Mrs. Grover C. Johnson, radio chairman of 13th P. T. A. district, through the courtesy of KGKO. Mrs. Johnson was the announcer for the broadcast, the first number of which was the State song, "A Little Child Shall Lead," sung by Mrs. A. F. Wright, accompanied by Mrs. A. L. Rucker. Mary Katharine McMillan, daughter of Mrs. A. F. McMillan, local P. T. A. president, gave a reading, "Tattletale." Mrs. R. L. Kincaid extended greetings from Crowell P. T. A. together with an instructive talk. A sextette, composed of Mrs. A. F. Wright, Mrs. C. W. Thompson, Mrs. T. B. Klepper, Mrs. W. W. Griffith, Mrs. J. R. Beverly and Mrs. Hub Speck, sang "The Bells of St. Marys," and the program was closed by Mrs. Rucker playing "A Little Child Shall Lead." The program was dedicated to Crowell Friends. In the studio during the program were Mesdames Hubert Brown, A. Y. Beverly, A. F. McMillan, O. R. Boman, W. C. McKown, J. E. Harwell and Eli Smith. Mrs. L. A. Beverly of Wichita Falls, a former Crowell P. T. A. president, was also present, as were several district officers, including Mrs. J. C. Murphy of Iowa Park, president of 13th district.

## Treasure Hunt Is Enjoyed by Seniors

A treasure hunt was enjoyed by members of the Senior Class of Crowell High School last Wednesday evening. Beginning on the Wildcat football field, the party was divided into two groups. The hunt that followed led the two groups to the gymnasium, Pat's cow lot, the court house, Phillips "66" Station, railroad track, steps on Red Ragland's porch and the 20-yard line on the football field. Burk Bell discovered the treasure 27 steps north on the 20-yard line. Games were played and enjoyed by all, after which chili and crackers were served. Yells were given for the class sponsor, Coach Graves, and Mrs. Graves.

## About Women

Miss Leslie Dingle, who was recently appointed riding instructor at Lake Erie College, in Painesville, O., rode from her home in New Bedford, Pa., a distance of 100 miles, on her 15-year-old saddle horse. Miss Mary G. Connor, formerly a stenographer in Portland, Ore., is now a government attorney in charge of the prosecution of 39 alleged racketeers in Chicago. Mrs. McKee of Willard, Mo., was recently awarded the state prize as the champion husband caller in a contest held at Springfield. Mrs. John T. Pratt, New York, has been made chairman of the newly created Fine Arts Foundation which will inaugurate a three-year campaign to further the cause of art and the American artist. Miss Florence M. Dart, of Philadelphia was elected president of the Federation of Women's Advertising Clubs of the World at its recent convention held in Berlin, Germany.

## This-That, Etc.

## Prize Statement

Following numerous games in which "Todd ran wild," we have had the pleasure of reading accounts in the home papers of the opposing players as to the "why" and "wherefores" that the Wildcat ace was not stopped, but it remained for a high school boy up at Matador to make the best remark of all in this respect. Writing the "Sports Report" for the Matador Tribune following Crowell's invasion there, the Matador youth summed things up with the statement: "The Matadors might have stopped Todd, but he had ten men to help him."

## Best in the State

And speaking of Todd, the highest praise yet, came this week in Boyce House's column, "High School Grid Notes," in the Fort Worth Star-Telegram with the following statement: "Dick Todd, Crowell's star who probably is the best backfield man in the State in either Class A or B, ran 70 yards for a touchdown against Matador recently, 45 yards for another and 50 yards after intercepting a pass for a third tally. Besides that he chunked a pass for one counter, Coach Weir of Vernon declares that Todd this season is as great a back as 'Red' Ratican of Childress was last year."

## Rival for Thompson

Crowell's famed "one-man pep squad," Chas. Thompson, now has a rival in the person of A. V. Milcap, who is also a fellow-worker in the Fox Grocery with Thompson. Milcap, a former Matador resident, returned to the old home town when Crowell invaded Matador and his vocal support for the Wildcats at that time definitely established him in a class with Thompson, according to local observers. Typo is a little skeptical of these reports and is still of the opinion that in a gymnasium, at least, Thompson is the world champion.

## More Predictions

In our predictions two weeks ago, we scored 800 in picking the winning teams, while last week the percentage dropped to .700. In ten predictions, we guessed wrong in picking Wichita Falls to beat Mineral Wells; Tech to beat Loyola, and T. C. U. to beat Centenary.

A .500 score this week will be satisfactory, for several games are real toss-ups. Anyway, our predictions are:

- Crowell 26, Seymour 0.
- Vernon 13, Olney 6.
- Throckmorton 20, Iowa Park 0.
- Tipton 13, Chillicothe 6.
- Wichita Falls 13, Childress 7.
- Quanah 7, Electra 0.
- S. M. U. 14, Texas 7.
- T. C. U. 20, Baylor 7.
- Arkansas 7, A. & M. 0.
- Rice 33, A. & I. 0.

## CROWELL BOYS FIGURE IN ST. MARY'S VICTORY

Guy Todd and Robert Oswalt of Crowell figured prominently in the victory of St. Mary's University over Westmoreland for the mythical championship of San Antonio last Saturday night. St. Mary's winning 7 to 6, according to press bulletin received by The News from St. Mary's University. Todd scored the Rattlers' touchdown. Gipson passed three times in succession to Oswalt, Willoughby and Todd, and then on three plays Todd drove the ball to the 2-yard line and then bucked it across for a touchdown. St. Mary's threatened to score three other times in the first half with Todd and Oswalt registering good gains. Oswalt was recently shifted from the line to the backfield.
