SIX LOCAL BOYS QUALIFY TO GO TO STATE MEET

FOARD COUNTY CONTESTANTS MAKE IMPRESSIVE SHOWING IN DISTRICT MEET AT CHILDRIS SATURDAY

Crowell and Foard County made a very creditable showing at the district interscholastic meet at Childers Friday and Saturday. While not winning first in any literary events at this meet Crowell qualified six men in track and field events for the state meet at Austin.

In the district Latin tournament that was taking place at Vernon at the same time, Mary Ragland Thompson won first place in the second year division. Crowell's victory of a few weeks ago in the one-act play tournament of this district, gave this city an impressive list of victories.

Arthur Bell set a new record for the mile run in the district meet, making this distance in four minutes and fifty-seven seconds. Bill Bell won this event last year. Ivan Wozeneraft took first in the five foot and eight inches. John Rader of Foard City won first in the broad jump.

Crowell's relay team, composed of Ralph Burrow, Crews Cooper, Guy Todd and Ernest Spears, won second place with Chillicothe first and Childers third. By winning second place, the Crowell boys are qualified to go to Austin and to receive medals.

Ernest Spears won second in the 80 yard run and Guy Todd won fourth in the 120 yard high hurdles. Ralph Cogdell won third in tennis singles.

In the literary events Fred Allen Beverly won third in the junior boys declamation. Oneita Derrington of West Rayland won second in the senior girls declamation. It is felt that Crowell would have won first in the girls debate if a swollen tonsil had not proven almost disastrous to Elsie Faye Roark's voice on the day of the meeting. Violet Atcheson was the other debater. Quannah won this event and the Crowell girls had formerly defeated the Quannah girls in a practice debate.

Those from Crowell that will go to attend the state meet at Austin on May 1st, 2nd and 3rd, are Ivan Wozeneraft, Arthur Bell, Guy Todd, Ernest Spears, and Crews Cooper. John Rader of Foard City will also attend the meet. The Interscholastic League of the state will pay the expense for five of the boys and other steps are now being taken here to secure \$17 for the expense of sending all of the boys that qualified for the state meet. Crowell had 5 track men to go to Austin last year and two boy debaters.

Chillicothe won highest honors in the track and field events, while Childers scored the greatest number of points for both athletic and literary events. Quannah won first in the literary events. Childers hospitably entertained more than 600 entrants in the various contests.

Beauchamp Gives His Views in Race For State Representative

O. D. Beauchamp, who announced in the News last week for representative of the 114th District in the State Legislature, is now serving his second term as county attorney of Foard. He came to Crowell five years ago from Wichita Falls and taught in the Black school for one year and has since served as county attorney.

He received his license to practice law in 1920 after attending Texas University. He was born in Wise County in 1896.

The following statement is made by Mr. Beauchamp concerning his candidacy:

"In announcing for the legislature it is my belief that the candidate should let the people know where he stands so that the voter will not cast his or her ballot blindly. We are living in a period of time when wealth is in the hands of a few; monopolies, mergers, chains and combinations of industries are fastly destroying and making slaves out of the farmer and the working man. Times have never been as hard in many a year as they are now. There

Fire Destroys Bradford Home at Margaret Sat.

The residence occupied by Curtis Bradford and family, on the farm of Mrs. J. W. Johnson, two and one-half miles north of Margaret, was completely destroyed by fire Saturday afternoon while all of the family was in Crowell.

Not a single item in the house was saved. The origin of the fire is unknown. The family is now making its home with Mr. Bradford's mother, Mrs. Sudie Bradford, in Margaret. Friends of the family at both Margaret and Crowell raised a donation for the unfortunate family.

Easter Cantata at Methodist Church Sunday Evening

"The Thorn Crowned King," an Easter cantata, featured by musical numbers will be given at the Methodist Church Sunday evening with the Baptist, Methodist and Presbyterian churches co-operating. Mrs. Woodie W. Smith is the director of the cantata and Mrs. A. L. Rucker is the pianist.

The cantata is the story in song of the crucifixion and resurrection of Christ and the special numbers throughout, consisting of solos, duets, a trio and quartet together with the choruses, make it beautiful and impressive.

Vocal solos will be given by Mrs. J. R. Beverly, Rev. Woodie W. Smith, Mrs. Jimmie Doolen, Mrs. Adolphus Wright and A. Y. Beverly. Other vocal numbers will be given by a trio composed of Mrs. W. W. Griffith, Mrs. Adolphus Wright, and Mrs. Hub Speck; a duet with Mrs. C. W. Thompson and Mrs. T. B. Klepper; a double duet with R. H. Cooper, B. F. Ivie, W. W. Smith and E. A. Dunagan; a quartet with Mrs. Jimmie Doolen, Miss Lottie Woods, R. H. Cooper and E. A. Dunagan, and the choir.

A great deal of preparation has been made for this cantata and the public is urged to attend it.

IS EVERY ONE IN THE CENSUS?

Complete Census Report Is of Great Importance to Crowell and Foard County; Co-operation By All is Needed

For the next ten years the outside world will judge the population of Crowell and Foard County by the official government census that has practically been completed here. Various maps, statistics, almanacs and other sources, up to 1940, will list the local population according to the 1930 census figures.

Census enumerators everywhere have encountered some difficulty in taking the census and no doubt there are a number of instances in which persons have been entirely overlooked.

Every man or woman interested in the welfare of his community should take it upon themselves to take a few hours, if necessary, and check up and see if everyone in this city or county has been enumerated.

Anyone who has not been enumerated is requested to send his or her name to Mrs. Pearl Carter at Quannah, enumerator for the city of Crowell, and she will return a census blank. The Foard County News will also be glad to take anyone's name and see that it is placed with the proper authorities.

There are a number of people here on the highway paving program, the city paving work, telephone work, and oil work, most of whom are entitled to be listed in the local census, that may not be enumerated.

Won't you help to see that the local census is complete? Let's make it a popular question to ask all local people if they have been enumerated and if they know of anyone who has not been enumerated. Wouldn't it be worth any trouble that we might go to if we can find persons that the census escaped? Any person that intends to be in Crowell or Foard County for only a short while is entitled to be enumerated here if he or she has not been enumerated elsewhere. In justice to your town and county, help make the census complete.

Carrie Maurice Allee Becomes Wife of John Wishon Here Wed.

A pretty wedding was solemnized on Wednesday morning at 9 o'clock at the home of Mr. and Mrs. J. R. Allee when their daughter, Miss Carrie Maurice Allee, became the bride of John Wishon. With Mrs. Allen Sanders accompanying at the piano, Edward Huffman rendered as the pre-nuptial song "At Dawning," by Cadman. With the first strains of Mendelssohn's Wedding March, the wedding party entered the living room, which was attractive with cut flowers of the season. Rev. B. J. Osborn was followed by Miss Lella Ben Allee, sister of the bride, as maid of honor and Paul Crews, as best man. The bride and groom then entered and stood before an improvised altar of ferns where the impressive ring ceremony was given. "The Flower Song" was softly played by Mrs. Sanders throughout the ceremony.

Miss Lella Ben Allee was attired in purple georgette dress with black hat and carried a bouquet of sweet peas. The bride wore a beautiful ensemble in two shades of blue, with hat and accessories harmonizing and carried a pretty bride's bouquet of snapdragons and fern.

Immediately after receiving the congratulations of the friends and relatives present, Mr. and Mrs. Wishon left for Houston, Galveston, San Antonio and New Orleans. Upon their return they will make their home here.

Mrs. Wishon is the daughter of Mr. and Mrs. J. R. Allee and granddaughter of Mrs. J. M. Allee, who is a pioneer of this county, and also of G. A. Mitchell, another pioneer. Both families are held in the highest esteem and Mrs. Wishon is very popular among the younger set. She is a graduate of the 1928 class of Crowell High School and last year attended Texas Woman's College at Fort Worth.

Mr. Wishon is also of a pioneer family. He is the son of J. W. Wishon, who for many years has been a successful ranchman of this section. He has attended Wentworth Military Institute at Kansas City, the Powell Training School at Dallas and Baylor University at Waco.

The young couple have the best wishes of a host of friends in entering upon their new life.

Graduating Exercises for Margaret Schools Held Mon. and Tues.

The school at Margaret came to a close this week after completing a term of seven and one-half months. Commencement exercises for the high school were held Tuesday. Rev. Foster Russell addressed the graduates and T. R. Cox, superintendent, presented the diplomas. Ethel Kempf gave the valedictory and Billie Jake Middlebrook, the salutatory. A reading was given by Faye Shaw.

The exercises for the grammar school were held Monday. Rev. John Hugh Banister gave the address of the evening and Miss Claudia Carter presented the certificates. The invocation was given by Mrs. I. W. Middlebrook. Mozetta Middlebrook gave the valedictory and Faye Ingle, the salutatory. Garland Taylor gave a reading.

The members of the high school class are: Billie Jake Middlebrook, Faye Shaw, May Shaw, Ethel Kempf, Mary Riethmayer, John Herman Taylor, Cecil Ray Moore, Walter Hysinger, Ross Malone, William Bradford, Woodrow Holman, Hubert Smith, and Neff Middlebrook. The Margaret High School goes through the 10th grade.

Those graduating from the grammar school were: Faye Ingle, Alice Brooks Hunter, Beatrice Reinhardt, Oneita White, Essie McGuire, Mozetta Middlebrook and Garland Taylor.

L. M. Clayton Pleased With His Results in the Poultry Business

L. M. Clayton of this city was a visitor at the News office Wednesday to tell of his poultry record. "I am not sure but I believe that I have received as many eggs according to the number of chickens as anybody in the county," he stated.

He now has a total of 268 White Leghorn hens that started laying December 12th, 1929. Mr. Clayton started his poultry flock last May and June he built a 22 by 44 foot chicken house on the Chas. Weeks style, and then he secured a number of baby chicks.

He is so pleased with the poultry business that he is now working to increase his flock to 500 hens.

Egg Record
During the exceedingly cold month of January the hens produced a total of 2,669 eggs, an average of almost ten eggs to the hen. The receipts from the eggs during that month were \$102 above the eggs consumed by the family of four.

In February the egg production was almost doubled with a total production of 4,304 eggs, or an average of 19.8 per hen. The receipts for that month were \$89.50. In March the production was 5,767 eggs, an average of 21.52 eggs per hen. The egg receipts for March totaled \$96.00, not counting the home consumption of the eggs.

Mr. Clayton stated that his feed bill for both his Jersey cow and chickens was around \$45.00 per month.

Mr. Clayton does not believe in letting his chickens cover a very wide range. He said that he believed too much running around would decrease the egg production. "I believe in giving my chickens all they can eat so they can save their energy in running around to put into egg production," he said.

Famous Lecturer From Michigan to Speak Here Tues. April 22

Arrangements have been made for Dr. George W. Morrow of Detroit, Michigan, to speak here at a community service on Temperance and Law Enforcement. The service will be held at the Methodist Church, at 8 p. m., Tuesday April 22nd.

Dr. Morrow has been in the Temperance work for a quarter of a century. He was state superintendent of the Anti-Saloon League of Michigan back before the ratification of the 18th Amendment, has been a national lecturer for a number of years, has been on the Chataqua platform, and is a pleasing speaker.

To Dr. Morrow, the late Dr. Wayne B. Wheeler wrote: "We are at the beginning of a new age, when the real value of humanity will have greater recognition. You have helped mightily in ushering in this new order. Future generations will be indebted to you for your sacrifice and labors."

He has the faculty of crowding much thought into the fewest words. Hence his addresses are brief. His message is always stimulating, and with a wholesome vein of humor. His personality is one of the best.

He will have a three-reel picture entitled, "The Triumph of Justice," which shows some of the inside workings of the enforcement of our prohibition laws, and is a most interesting and attractive picture.

REPAIRS AT BALL PARK

The fence around the ball park is being repaired this week by the Crowell baseball club and a few other improvements are being made for the baseball season. Crowell plays Medicine Mound here Saturday and Quannah here Sunday.

Ben G. Oneal Seeks Senate Nomination From 23rd District

Ben G. Oneal, for 14 years active in the civic and professional life of Wichita Falls, has authorized the News to announce his candidacy for the Democratic nomination as senator of the 23rd district, composed of Archer, Baylor, Clay, Foard, Hardeman, Knox, Wichita, Wilbarger and Young counties.

In addition to his long service in West Texas as an attorney and his activities in general civic affairs, Mr. Oneal has been particularly prominent in the conservation campaigns exemplified in the work of the Izaak Walton League for the protection of game and fish and places for outdoor recreation. He has been president of the Wichita chapter of the Walton League for three years, is an officer of the national Walton League, has been the leader in much special legislation affecting this district, and has directed the work recently of establishing rearing ponds for fish at the three Wichita lakes.

Mr. Oneal was reared in Stephens county, near Breckenridge, and attended the public schools in that city, later attending the University of Texas where he received his law degree after four years in that school. He entered practice in Weatherford and for seven years was associated with Fritz Lanham, now congressman from Fort Worth. Mr. Oneal moved to Wichita Falls in 1916, and has been a practicing attorney there since that time. He is associated with Bernard Martin in the law firm of Martin & Oneal.

"I hereby announce to the voters of Foard County my candidacy for the Democratic nomination as Senator for the 23rd senatorial district, composed of Archer, Baylor, Clay, Foard, Hardeman, Knox, Wichita, Wilbarger and Young counties, with a brief statement on certain matters that I consider of vital concern to the people of this district.

"Taxation is a necessary burden of civilized government. But this burden should be as light as sound economy can make the same; and in periods of business depression, or 'hard times,' as we commonly say,

State President of Women's Clubs Here April 26th

Mrs. R. F. Lindsey of Mt. Pleasant, Texas, state president of the Texas Federation of Women's Clubs will be the honor guest at the Foard County Federation meeting here April 26th, Saturday.

Officers of the federation are working to make this meeting the most successful one that has yet been held in Foard County.

It is hoped that every woman in the county will avail herself of the opportunity to hear Mrs. Lindsey at this meeting. She has a record of being a splendid speaker.

Every woman in the county is invited to bring a covered dish, plate, cup, fork and spoon for the lunch at noon at the basement of the Methodist church. The meeting will open at 10 a. m. and the program for it will be announced in the next issue of the News.

HIGHWAY WORK INTO CROWELL ABOUT ENDED

If paving material holds out, the McClure Construction Company will have every bit of the concrete poured on its Foard County paving program and Crowell will then be connected by hard surfaced roads with practically every major city of the state.

Thursday afternoon the concrete mixer lacked only a few blocks of being to the court house square. It is now thought that by May 15th all of the pavement will be open to traffic.

The dirt on the stretch of the pavement running through Thalia will be removed this week. It is necessary for the concrete to be covered for three weeks before the dirt is removed.

Mrs. J. A. Mercer Died Sunday at Farm Home On B. J. Smith Ranch

Mrs. J. A. Mercer died Sunday at her home on the B. J. Smith ranch, about 12 miles southwest of Crowell. She had been very ill for the past ninety days. Funeral services were held Monday afternoon at the Crowell Cemetery with Rev. John G. Clark officiating.

Mrs. Mercer came here with her family about three years ago from Decatur. She was born on June 6th, 1894, and was married April 27th, 1913. Her husband still survives her along with the six children that were born to this union. The children range in ages from two to fifteen. Her father, J. P. Dillard of Ryan, Oklahoma, also survives her. She joined the church at an early age.

62ND WEDDING ANNIVERSARY FOR WOMACKS

PIONEER FOARD COUNTY COUPLE BELIEVED TO BE MARRIED LONGER THAN ANY ELSE IN THIS SECTION

Wednesday, April 16th, marked the sixty-second wedding anniversary of Mr. and Mrs. R. P. Womack of this city. It is believed that no other couple in Foard County or anywhere in this immediate section has been married longer than they.

Due to Mr. Womack's ill-health no attempt was made for any celebration of the event although the observance of this day brought many happy memories to the old couple.

Mr. and Mrs. Womack were married at Brandon, Mississippi, in 1868, following a courtship of two years in the section near Jackson, Mississippi, where both were born and raised. About two or three years following their marriage they moved to Louisiana and then in 1879 they moved to Dallas County. In 1882 they settled in Baylor County and after remaining there four years they moved with their family to Hardeman County, the part of which later became Foard, and settled on a place on north Beaver Creek, about four miles southwest of Crowell in 1885. Since that time they have remained here and have lived in their present home in Crowell for the past twenty years.

Nine of the 11 children born to this couple are now living along with 22 grandchildren and one great-grandchild, Joe Reavis Spencer, 7 years of age, son of Mr. and Mrs. Alva Spencer. The children are Mrs. C. C. Ribble, Mrs. H. L. Kinsey, Mrs. Ben Greening, Mrs. Ida Reavis, Mrs. Clarence McKown, W. R. Womack and E. S. Womack, all of Crowell; Eugene Womack, Dallas; and Mrs. J. R. Hutchinson, San Dimas, California.

"The best thing about our married life is the large family we have raised," Mr. Womack stated. "We have done our best to raise our family right and we are proud of the fact that there is not a black sheep in the group and that who have had no family rackets."

Mr. Womack is a veteran of the Civil War, having served two and one-half years with the Confederate army, with the 46th Mississippi Regiment, Company D, under General French. He joined the army with his father, who died of typhoid fever while in the service. An older brother of Mr. Womack also died in service with the Confederate army. However, Mr. Womack was knocked down by a fragment of a shell at Kennesaw Mountain and slightly wounded, for the only injury that he received in the war.

He was in battle throughout the siege of Vicksburg and it was about that time that his father died in a hospital at Vicksburg. He also took part in a number of other major engagements.

Mr. Womack stated that he had nothing to do now but remain at home most of the time due to ill-health and that he certainly appreciated company and would be greatly pleased to have visitors.

Installation of New Switchboard Now Taking Place

The new flashlight switchboard for the Haskell Telephone Company arrived here last week and it is now being installed in the new building by a factory representative.

The arrival of the switchboard in this city was delayed considerably by the factory, however, G. H. Williams, superintendent of the Haskell system, stated his company would do its best to make up for some of this lost time by working extra hours and he feels that Crowell will be using the new system not later than May 10.

The new telephones are already being installed over the town but cannot be used on the present system and the old ones will not be removed until the completion of the new system.

Names of Ex-Service Men to Be Placed on Bronze Tablet Here

All ex-service men are requested to send their name and address to any of the following officials of the local Gordon J. Ford Post of the American Legion: Clint White, A. Y. Beverly, Dr. Hines Clark or Que Miller.

It is necessary that the local post have the names of all ex-service men in order that their names may be placed on a bronze tablet that is to be placed in connection with the soldier and sailor statues on the court house lawn.

The two statues for the monument here are now being made. The doughboy statue is now being made in New York City and the sailor statue is being made in Italy. It is being made of Italian marble.

INSTRUMENT BOXES STOLEN

Two expensive instrument boxes, belonging to the torsion balance crew of the Gulf Production Company, were stolen last week about two miles north of Foard City, on the highway. A \$25 reward for their recovery is offered by the Gulf.

is as much wealth in the country as there ever has been but only a chosen few have it. I believe that every farmer's child and every laboring man's child has the same right to a chance in life as the child of the man of great wealth, and I firmly believe that the very foundation of our existence depends upon helping the farmer first. I am in favor of a law which will give a farmer as much or more for the cotton that he raises on fifty acres as he now gets for one hundred acres of cotton. Give the farmer something for what he has to sell and he won't have to borrow at high interest, and any second grade pupil has got sense enough to know that if the farmer has money the town will also prosper, therefore I say, help the farmer first.

I favor a law that will prevent this vicious practice.

It has been my experience as a close observer that if steps are first taken to prevent crime by removing the cause, that there will be fewer law violations. What Texas needs is a few good laws with teeth in them, laws that will work in practice instead of in theory.

"It has come to my notice that the horse racing (pari-mutuel) betting bill will be a subject for consideration at the next legislature. I would vote against such a measure. Detailed Information
on Poultry Flocks Is
Kept by 3 Farmers

March was a fairly good month for
poultry, according to the records of
F. L. Ownbey, S. E. Tate and Joe L.
Orr, who are keeping records on their
flocks in connection with the A- and
M- Extension Service through Fred
Rennels, county agent.

Mr. Orr showed the greatest in-
come of the men reporting. His flock
of 220 White Leghorn hens produced
a total of 4,960 eggs, an average of
21.5 to the hen. Egg sales amounted
to \$99.21 and the sale of fowls
brought the total income to \$130.46.
The feed cost was \$19.25, making the
net income \$111.21. This flock was
not fed grain put picked it up from
the barnyard and feed pens.

S. E. Tate received a total of 3,-
705 eggs from 218 hens. He re-
ceived a total of \$102.74 from the
sale of eggs and fowls. The feed
and oil cost, for brooding chicks, was
\$58.40, leaving an income of \$44.34.
F. L. Ownbey produced 4,933 eggs
from 240 hens. He sold nothing but
eggs and the receipts amounted to
\$74.30. He bought a considerable
amount of feed which cost \$50.55
leaving an income above feed cost of
\$23.75.

Dr. Clark Attended
Reunion for Class of
1895 Texas A. & M.

Dr. Hines Clark attended an un-
usually interesting class reunion at
Texas A. and M. College celebrating
the 35th anniversary of the Class of
1895. Dr. Clark received his Bachelor
of Science degree in that class.

Of the thirty-two members of this
class, only three have died and
twenty-two of the number were pre-
sent at the reunion, which is the first
one held by that class. Another one
is planned for 1935. The reunion
last week was held in conjunction
with the reunion of the Class of
1900, only ten members of the 1900
class were present.

Dr. Clark stated that there were
managers of railroads and farmers
represented in this class. F. M. Law,
president of the First National Bank
of Houston; R. A. Watkins, vice-
president and general manager of the

Southern Pacific Railroad; and Ar-
thur P. Duggan, former president of
the West Texas Chamber of Com-
merce are a few of the distinguished
members of this class. Bank presi-
dents, retired capitalists, managers
of big industrial enterprises, doctors,
civil engineers and various other
lines of business are also represented
by the class members. Two of the
number are now on the board of re-
gents for A. and M. Eight of the
number served in the World War.

Friday and Saturday
Were Big Days for
Local Produce Men

J. K. McBeath, of the Farmers-
Produce Company, was a visitor at
the News office Wednesday and
brought an interesting report with
him. He stated that Friday and Sat-
urday of last week his firm purchas-
ed more produce from the farmers
than at any other time that he has
been in business.

A total of 1,350 dozen eggs were
purchased along with 2,200 pounds
of chickens and 23 large cans of
cream. He also reported a sale of
much feed and field seeds. Over \$700
were paid out to the farmers for their
products on the two days, according
to Mr. McBeath.

A. L. Johnson stated that Friday
and Saturday were big days for him
in the purchase of eggs also.

Gold Diggers of
Broadway Mon.

"Gold Diggers of Broadway," hail-
ed as the best talking picture that
has been produced by the thousands
that have seen it, will be at the Rialto
Monday and Tuesday. This is a one
hundred per cent talking picture and
is filmed entirely in natural color.

Broadway's greatest stars are in-
cluded in this picture which is es-
pecially featured by musical hits and
an entertaining plot. Ann Penning-
ton, outstanding star of many Broad-
way revues and musical comedies, is
one of the featured players. Lilyan
Tashman, Conway Tearle, Nick
Lucas, Helen Foster, Gertrude Short,
Neely Edwards, Lee Moran, Nancy
Welford, Winnie Lightner and Albert
Gran are just a few of the stars in
this picture.

A number of Crowell people have
recently seen this picture and many
declare it to be the most entertain-
ing picture that they have ever seen.

Vilma Banky will play in the all-
talking picture, "A Lady to Love,"
that is to be shown next Wednesday
and Thursday.

The last silent pictures at the Rial-
to will be shown here next Friday
and Saturday, April 26th and 27th.
T. B. Richmond, local manager, has
arranged to have contracts cancelled
on a number of silent productions and
after next week talking pictures will
be shown exclusively.

WHY EVERY FARM IN
FOARD COUNTY SHOULD
HAVE 300 LAYING
HENS

By Lona Johnson

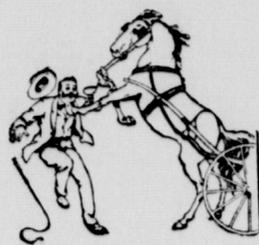

There are a number of reasons
why every farmer in Foard County
should have three hundred laying
hens, but one of the most important
of these is the direct benefit to the
farmer himself. Since he collects
most of his income in the fall; he
is apt to spend more than is wise be-
fore the first of the year. This
means that in the spring months he
must curtail his expenditures unless
he has an additional income.

The farmer who has a large flock
of laying hens helps his country
keep its trade balance, for if Foard
County prospers we must not buy as
much as we sell.

Owing to the late season and the
irregularity of the rainfall vegeta-
bles do not always do well. Espe-
cially is this true to the southern part
of the county which is mostly mixed
land. Hence the people of Foard
County use lots of shipped-in vegeta-
bles.

Foard County is well suited to
poultry raising, having an abundance
of sunshine and being well drained.
The farmer who has three hundred
laying hens not only takes care of
the vegetable bill but the entire food
bill as well.

The farmers are using more and
more tractors every year which means
they are using less grain. When
the demand for grain has lessened
there is apt to be an over production
of cotton which is almost as disaster-
ous as a drought. I am speaking

from the viewpoint of the farmer.
If every farmer in Foard County had
three hundred laying hens to feed
he would raise more grain to feed
them on, the result would be a few
less acres of cotton and if this were
general there would be a better price
for cotton.

prices. They might even dress their
own friers and put them in cold
storage.
Now that Crowell has the conven-
ience of a home hatchery it is not
necessary to invest so much money
to secure three hundred laying hens,
for they can raise them themselves.
The farmer that has three hundred
laying hens profits directly and in-
directly. He is furnishing a perfect

food for the many people who cannot
keep hens and is insuring his family
against the depression of the spring
months when most of us want to im-
prove our surroundings and follow
the example of nature and dress-up.
When there are three hundred lay-
ing hens on every farm in Foard
County there will be no more sighing
for farm relief for it will have be-
come a reality.

for Economical Transportation

it's wise
to choose
a SIX!

There is one sure way to get greater
value in a low-priced car today—
choose a Six!

This greater value is instantly
obvious when you drive a Chevrolet
Six. You notice first of all its
greater smoothness. There is no
tremor in the steering wheel—no
rattle in the floor boards—no rumble
or drumming in the body.

In addition to the finer perform-
ance of its six-cylinder motor, the
new Chevrolet gives you truly
remarkable economy.

Its six-cylinder smoothness saves
the entire car from the strain and
wear of vibration. This, of course,
lowers the cost of maintenance and
assures a longer-lasting, longer-
satisfying automobile.

From the standpoint of operating
expense, Chevrolet is equally eco-
nomical. No other automobile con-
sumes less gasoline and oil. No other
shows a lower expense for tires. And

no other car costs less for service.

Because of its modern engineering,
Chevrolet also assures a high re-
sale value.

Chevrolet gives you fully-enclosed,
weather-proof, 4-wheel brakes; a
modern fuel system—with the
gasoline tank mounted in the rear;
four long semi-elliptic springs,
mounted lengthwise in the direc-
tion of car travel. It gives you
beautiful Fisher bodies built of
combination hardwood-and-steel.
It gives you a heavy, rigidly-braced
channel-steel frame. And it gives
you a full ball bearing steering
mechanism.

Before you decide on any car in the
low-price field, see and drive the
Chevrolet Six. The more thor-
oughly you investigate, the more
certain you are to conclude that
it's wise to choose a Six—for value,
for performance . . . and for eco-
nomical transportation!

Two Baseball Games Won by Crowell Over Quannah and Margaret

After losing its first game of the season to a Wichita Falls club, the Crowell baseball team came back strong Saturday and Sunday to take victories over Margaret and Quannah. Margaret lost to Crowell at the local park Saturday by the score of 17 to 5. The batteries for Crowell were Raspberry and Henry, and for Margaret, Russell and Dunn.

In the game at Quannah Sunday the Crowell batters hit everything the pitcher threw.

The box score for the Quannah game follows:

Table with columns: Player, Ab, R, H, Po, A, E. Rows include Crowell, Crews, Beverly, Sloan, La Rue, Ashford, Bell, Gray, Jones, Henry, Roberts, IKnowlton, Raspberry.

SEVERAL IMPROVEMENTS

B. F. Ivie has installed two new gasoline pumps at his station this week and has now taken over a complete line of Panhandle oils and gas that he will retail.

The erection of a new and attractive awning at the Rialto Theatre has been completed.

The stone work on the Bank of Crowell is being rubbed down in order to give it an attractive appearance. The space of about two feet between the court house and the walk that is surrounding it is being filled in with concrete. This space was originally meant for flower beds but rains caused water to drain into the basement of the court house at several places.

Construction on the home of H. K. Edwards is nearing completion.

Gain of Almost 100 Is Shown in Final Check on Scholastics

A final check of the scholastics for the Crowell Independent District shows a total of 720 students of scholastic age for this school district. This is an increase of almost one hundred over last year, as the census for 1929-30 showed 626 scholastics. The census for 1930-31 reveals the fact that there will be close to one hundred first graders in the local schools next year. This will be by far the greatest first grade class in the history of the local schools.

Sunday, 11 A. M., Subject for Sunday, April 20, "Doctrine of Atonement." Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

Baptist Church News

Next Sunday the pastor will preach at 11 o'clock from the theme, "The Risen Lord." He will have just returned from a two week's revival at Wichita Falls. There will be special Easter music by the choir. The Easter cantata that was to have been delivered at the Baptist Church Sunday evening will be at the Methodist Church by special arrangements and mutual agreement. This will be a great occasion for Crowell musicians.

The Baptist Brotherhood will meet Monday evening at 7 o'clock in the church basement. Luncheon will be served by our ladies. Each member is requested to be present. The luncheon is served at 7 p. m. so that the men can come from their places of business direct and eat their supper.

We have been having a great revival in Wichita Falls. There has been 20 conversions. The pastor will arrive in Crowell Saturday.

WOODIE W. SMITH.

The Christian Church

As next Sunday is Easter Sunday we are going to begin the day right with a Sunrise Service at 5:45. Everyone is invited to attend. We are going to expect everyone to come to Sunday School and church next Sunday morning. The morning service will be the closing service for our Evangelistic meeting. We are turning our services out for the close of the Methodist meeting and the cantata which will be given there by the various churches. We urge all of our people to attend this service at the Methodist Church Sunday night.

Don't forget the hour. Easter Sunrise Service, 5:45. Sunday School at 9:45. Morning service, 11 o'clock. Young People's Christian Endeavor at 6:30. Cantata at the Methodist church at 7:30. The Friendly Church welcomes you.

Ben G. Oneal

(Continued from Page 1)

The government should follow the policy of the prudent business man and reduce expenses. I am opposed to increased burden of taxation during such periods as we are now passing through and favor any reduction that may safely be made.

"I do not believe this district receives the same returns for what it pays to the state government as other parts of the state. My course, if elected to the Senate, will be to procure more for what we pay in.

"Practically every one of the nine counties composing the 23rd senatorial district is an oil producing

BEN G. ONEAL

county. The oil industry, as is well known, is now in a critical condition. Neither the land owner nor the oil producer is realizing what he is entitled to from the oil on his land or his lease. When the oil under the land is exhausted that resource is gone. For that reason, if the owner of the oil, whether land owner or lease holder, is to realize the value of his property, better conditions must prevail. Constant discussion of methods to have the landowner and the producer get the benefit of his property is going on. As a result thereof the legislature has recently passed a relief measure which it is believed will to some extent help the situation. When a further solution of this question has been found, if a member of the state senate will favor such additional action as the legislature may legally and in justice to other interests be able to take for the benefit of the oil industry. The welfare of practically this whole district demands such action, as the oil business is one of the main industries that has built up this section, and its present condition adversely affects, directly or indirectly, the prosperity of almost the entire citizenship of this district.

"Both as a citizen and as a lawyer I favor a simplification of our judicial procedure in the interest of economy and of speedier disposition of litigation, both civil and criminal.

"The penitentiary situation demands the careful consideration of every member of the legislature. The last special session enacted some legislation affecting the penitentiary. The result of this should be manifest by the time the next legislature convenes. I shall, if elected to the senate, make a careful personal study and investigation of the whole problem to the end that I may support legislation for a definite policy that will be to the best interest of the entire state.

"It is now a well recognized principle that it is the duty of the state to furnish public education for the children to the end that they may be more prosperous, better and happier citizens. This is a debt that the present generation owes to the coming generations. I favor a continued liberal policy on the part of the state in carrying out this duty to the children of every class. This necessarily means a liberal policy toward the teachers.

"I do not feel that the duty of the government towards the future generations closes with the matter of education. We are constantly voting bonds to raise money for present improvements, which we may enjoy. But these bonds usually run for a long term of years and the coming generations will be required to pay them off, whether the improvements are still in existence or have been worn out. And while we are leaving to future generations this indebtedness and this burden, I believe that we should leave to them also some of the natural advantages and pleasures that have been ours, with no expense on our part. I refer to the great outdoors and the beneficial recreations that we have had and particularly the matter of game and fish. If I shall represent this district in the senate, I will follow officially the same course that I have followed as a private individual in bending every effort towards saving and bettering for the younger generation and future generations the fishing, hunting and other outdoor recreations that we have enjoyed.

"In the course of the campaign I expect to visit all parts of the district in the interest of my candidacy."

Argotane Given Endorsement by Farmer Residing At Charlie, Texas

"It surely was a lucky day for me when I began taking Argotane," said C. B. Wright of Charlie, Texas, a well known farmer, while in Wichita Falls, talking with the Argotane representative recently.

"For 20 years I suffered with the worst sort of stomach trouble, and had hardly any appetite, and what little I did manage to eat, would sour on my stomach about as soon as I ate it. Gas would form and I suffered so with shortness of breath I could hardly go about my work.

"I suffered from dizzy and bilious spells and had a bad case of constipation. I was always having bladder trouble, and would bloat up until I was just miserable. I wasn't able to eat the things I liked, for I would have such severe indigestion pains I couldn't hardly stand it. Nearly every summer I would have to go to bed and stay there on account of my ailments, and I took all kinds of medicine which certainly cost me a small fortune, but nothing helped me the least bit.

"Argotane was advertised, and so many people were talking about it, I began taking it. I am on my third bottle and feel simply fine. All of my gall bladder trouble has disappeared and I eat anything I want. All of the gas pains and bloating spells are gone, and I'm not dizzy or bilious any more. All of this summer I have been up and around, and have done more and harder work than I have in several years. Argotane is the best medicine I have ever taken and I have doctored my troubles for 20 long years. I am glad to give this statement to you in hopes that others will be benefited as I have."

Genuine Argotane may be bought in Crowell at the Reeder Drug Store. (Adv.)

Birthdays Party

In honor of her sixth birthday, little Dot Thompson entertained a host of her friends, March 27. The following were present: Misses Armine Hart, Lora Thacker, Bessie Hays, Minnie and Hilda Logan, Annie, Eva and Mattie Bennett, Fannie Dee and Doris Jones, Lelia Womack and Maud and Robby Adams, and Messrs. Walford Thompson and Gordon Bell. Little Dot proved herself a charming hostess and all report a most enjoyable evening and went away wishing her many happy birthdays.

Thacker Literary Society

The following young men have been selected by the Thacker Literary Society of the high school to contest for the oratorical medal during commencement: Fite Crowell, Russell Beverly, Beaty Andrews, Archie Campbell, Tully Klepper and Cliff Crowell. The contest will be a debate on the question, resolved: That the Philippines should be granted autonomy.

Claude McLaughlin returned Monday from an extended visit to his grandmother's at Sulphur Springs.

Party at Wishon Home

The young people of Crowell were entertained by Mr. and Mrs. J. W. Wishon at their lovely home on the hill west of town last Saturday evening, April 1. Only a few were present, but these report a great time. At a late hour "light refreshments" were served. Among the distinguished guests were Messrs. Bert William Self, Napoleon Bonaparte, Henry Longfellow, Theodore Roosevelt, and Booker T. Washington, and Mesdames Carrie Nation and Lucindy Rainwater.

James W. Hays Dies

James W. Hays died at his home near Crowell April 1st. 'Uncle Jim,' as he was familiarly called, was born in Tennessee in 1829 and he was a member of the Cumberland Presbyterian church. His funeral was preached at the Baptist Church by Rev. S. O. Woods.

He is survived by six children: Flem Hays, Mrs. Mary McReynolds, J. F. and Henry Hays, Mrs. Jessie Meason and Mrs. Bernice Cash. Mrs. Maggie Cates, another child, is dead.

Joe Klepper says he has a fine prospect for a crop, and that he is cultivating 100 acres of his farm, and to our surprise he says he is doing his own work. Joe thinks the farmer is the fellow, and we think he's right.

B. F. Ringgold has received a lot of new material and will now proceed to finish his business house at the

northwest corner of the square. Mr. Ringgold has been hindered in the building because it was impossible to get freight moved during the rainy weather.

Uncle Jim Ashford is repainting his house, varnishing his bedsteads, cleaning up his furniture, clearing off the yard, filling up the gullies and otherwise changing the appearance of things about his home. We presume it is a precautionary measure against malignant fevers. We recommend his course.

Miss Pearl Thompson of Harrisonville was in the city last Tuesday.

Capt. Roark from Cottonwood was in the city yesterday and speaks optimistically of our crop prospects.

Mrs. John Allison boasts of eating home grown vegetables this week, such as lettuce, mustard, turnip greens, radishes and onions. How's that for Crowell?

"No Medicine Ever Helped Me As Did Konjola."

Tulsa Lady is Enthusiastic About New Medicine—"Best in the World," She Says

"No medicine ever helped me as did Konjola," said Mrs. G. I. Crabaugh, 739 Quaker Street, Tulsa. "For more than nine years I had trouble with my stomach. Gas accumulated after meals and I bloated terribly. The pains and pressure often made me short of breath and

dizzy. Constipation was another of my worries and I became an almost daily user of cathartics. I had terrible headaches and found it difficult to sleep. My nerves became badly affected and my general condition badly run down.

"I am delighted with the results I obtained from Konjola. Before I had finished the second bottle my constipation had been relieved and my stomach greatly improved. As I kept on with this great medicine my general health improved until I am feeling better today than I have in a long time. I have an excellent appetite and eat heartily without distress. Even neuritis which attacked me occasionally has been totally driven from my system. I cannot say too much in praise of this great medicine.

Though Konjola works quickly, six to eight bottles are recommended as a fair trial. Although many people are benefitted within a few weeks, the longer period is best.

Konjola is sold in Crowell at Ferguson Bros. Drug Store, and by all the best druggists in all towns throughout this entire section.

SOCIETY

MOTHERS SELF CULTURE CLUB

The Mother's Club met Friday, April 11, with Mrs. Leo Spencer.

Mrs. T. B. Klepper was leader and was assisted by Mrs. George Burruss and Mrs. G. K. Reading. The lesson was on Greek Sculpture. Mrs. Klepper and Mrs. Burruss gave the history of Greek Sculpture while Mrs. Reading gave sculptures of the Vatican and the Capitol at Rome, and other sculptures as well.

Miss Peggy Thompson was a guest and gave a reading, "Mothers of Men," by Joaquin Miller, which was much appreciated by all.

Mrs. Shirley gave a beautiful piano selection, "Love Dream," by Brown. The hostess served an ice course to the members present.

SWASTIKA CLUB

The coming Easter season was beautifully suggested in the table decorations and refreshment plate when Mrs. L. Kimsey entertained the

Swastika Club and guests with a bridge party last Thursday afternoon. Lovely boxes of Easter candies were given to Mrs. O'Connell and Mrs. Alton Bell for high score and second high score, respectively.

Mesdames Boman and Doolen were guests of the afternoon.—Reporter.

MARGARET CLUB

Mrs. O. E. Haseloff was hostess to the Margaret Club ladies April 11th, at her home one and a half miles north of Margaret.

Mrs. J. L. Hunter, Jr., was leader for the afternoon.

The program was the main points to consider in making children's clothes. These were discussed by Mesdames Verda Bell, Moseetta Cherie and Edna Owens after which Miss Freeman gave an interesting and demonstration on the subject.

The meeting adjourned to meet with Mrs. W. T. Dunn, April 25th, with Mrs. Haseloff as leader.

After several contests were enjoyed at the hostess, assisted by Mesdames Agnes Dunn and Floria Hunter served a dainty plate consisting of salad with whipped cream and angel food cake to the 16 members, one visitor and Miss Freeman.—Reporter.

Class of 1911 of C. H. S. Holds All-Day Reunion

The Class of 1911 of Crowell High School held an all-day reunion last Thursday at the home of Mrs. Clyde McKown, honoring Mrs. W. C. Baker of Weslaco. At noon a covered dish luncheon was served to the following members of the class that were present for the unique occasion: Mrs. Baker, Mrs. George Hinds, Mrs. F. A. Davis, Mrs. Paul Shirley, Mrs. Clarence McKown, Miss Minnie Ringgold, Mrs. Clyde McKown and Decker R. Magee, the only male member of the class that was present.

Throughout the day various forms of entertainment were enjoyed. The recounting of old times by the happy group especially featured the day.

High School Players Entertain Rotarians

The Rotary luncheon Wednesday was featured by the one-act play, "Two Crooks and A Lady," which was presented by the local high school cast which won the district contest this year with the play. The cast is now in Abilene to take part in the regional tournament.

Plans for the conference of the 41st District of Rotary at Temple on April 23rd and 24th were made and the club voted upon instructions for delegates. Several members of the local club are planning to attend the annual meet.

The guests at the luncheon were: Mrs. I. T. Graves, director of the play; Lella Ben Allee, Evelyn Sloan, Leoma Knox, Ragsdale Lanier, Ernest Patton and Recie Womack, all members of the cast.

Al Jolson Show to Be Given for Co. Library

The Rialto Theatre will give twenty-five per cent of its receipts April 28th and 29th, Monday and Tuesday, to the County Federation of Women's Clubs for the county library funds.

The Al Jolson picture, "Say It With Songs," will be given at that time. The picture is hailed as one of the best "talkies" that has yet been made and it is especially popular for its many song hits.

The picture is being given for a worthy cause and it is hoped that a good crowd will be present for the show.

CROWELL WOMAN HONORED

Mrs. Baxter Johnson of this city has been honored by being placed upon the program for Fine Arts evening at the District Federation of Women's Clubs which is to be held at Pampa next week. Mrs. Johnson will give two readings.

Senior Play, 'Stop Thief' To Be Given Here Soon

The cast for the Senior play, "Stop Thief," has been selected and rehearsals for it are now in full progress. It will be presented in the near future.

"Stop Thief," a Samuel French production, is a twenty-five dollar royalty play and it has met with great success in New York and other parts of the nation.

Henry Black, senior sponsor, is coaching the play. Those in its cast are: Robert Oswald, Elsie Fay Roark, Ragsdale Lanier, Harriett, Evelyn Swaim, Ludell Green, Charlie Ashford, Arthur Bell, Leoma Knox, Ernest Patton, Everie Owens, Joe Ben Roberts, Charles Smith, Leo Horn, Guy Todd, Ernest Spears and Ralph Cogdell.

Foard City W. M. Society

Foard City W. M. S. met April 14 and enjoyed a good program led by Mrs. Claude Callaway. Scriptures read and commented on by leader were Matt. 5:13-16; Mark 4:3-14; Luke 11:33-40. Mrs. Canup gave an interesting talk on Institute at Laredo, Texas; Mrs. Merriman on Institute at Pharr, Texas; Mrs. Welch on Vashti Schools at Thomasville, Ga.

The society was dismissed by president, Mrs. Ruth Marts, to meet again April 28th at 2:30. All members are urged to be present.—Reporter.

Milton Magee New Kite Flying Champion Here

F. L. Rennels, Jr., is no longer the kite flying champion of Foard County as Milton Magee, son of Mr. and Mrs. R. R. Magee, now claims the championship with a record of keeping his kite in the air for twenty-three hours and thirty minutes, about seven hours better than F. L.'s record of last week.

Mr. and Mrs. John Ray are visiting in the Rio Grande Valley.

TEXON TALES (Some silly sayings)

We have been looking around for another nigger-shooter. When we get two we aim to make a pair of spurs outta 'em.

Looks like all the banks is broke. We gave checks on nine different ones and they all came back marked "no funds."

Some guys write checks, some issue them while some birds draw them. Anytime a gink "gives" you a check look for it to come back to you. He don't mind giving them because they ain't worth nothing.

Some people save part of what they are making right now. Others spend what they aim to make later on.

They was a demonstration of the unemployed in San Antonio last week. 1200 men without work. At the same time they was 160 jobs wanting men to do the work right in the same town. Now, a man needing work and who will work but can not find nothing to do, that is mighty bad. While a man needing work and can find it but won't work. Well, that is mighty bad.

One of our experts figured out how much time the employees waste here in the field but he did not figure in the time he wasted figuring it out. That bird who claimed the earth is flat must of had an easy riding car.

Our doctor says we can get insomnia from dogs. Our neighbors cats is what causes it too, but he probably doesn't have neighbors with cats. Insomnia, then, is a disease caused by the neighbors keeping dogs and cats.

A good horse nowadays is hard to find.

ONE THIMBLEFUL - A DAY'S FEED FOR ONE CHICK!

THINK OF IT! One tiny thimbleful... all the feed a chick can put in its little crop in one day. On this tiny bit it must live... grow... build bones... build muscles... start feathers. Think of the job feed has to do!

They must depend on feed for so many things! They get them all in Purina Chick Startena (mash) or Purina All-Mash Startena Chow... 12 different ingredients in every thimbleful. Cod-liver oil... dried buttermilk... alfalfa flour... granulated meat... these and eight others are there!

These 12 ingredients... think how carefully they must be mixed to make every thimbleful alike. Purina Startena and All-Mash Startena Chow are mixed over and over again... 950 times just to be thorough! You will find the same care taken with Baby Chick Chow (scratch)... to be fed with Startena until your chicks are six weeks old... and with Purina Growena (mash) and Purina Intermediate Hen Chow (scratch)... to be fed from then on until the pullets are laying at 16 weeks.

How little feed a chick eats... just one thimbleful a day... yet how important it is... how much depends on it... the chick's very life... its growth... what the pullets will do for you next fall and winter when eggs are sure to be worth good money. You can afford to feed only the best... Purina Poultry Chow.
