## OVER 9 MILES COMPLETED ON FOARD PAVING

### Strike of Truck Drivers Lasts Only Short Time Here Monday Morning

The paving on the Lee Highway, or Highway 28, from Crowell to the Wilbarger County line, is about three-fifths complete at the present time, with nine and two-tenths miles of paving down. Over six miles of this amount has been completed from a point one mile west of Thalia toward Crowell. The rest has been completed from the Wilbarger line toward Thalia.

The paving proceeding toward Crowell is within two and one-half miles of the railroad crossing on the Highway. The concrete paving has now reached Arthur McMillian's place.

The recent cold spell has brought paving operations to a halt and just how soon the entire program will be completed will be determined by the kind of weather we have. Paving operations are halted when the temperature drops as low as 35 degrees.

A strike of the greater part of the truck drivers on the paving program lasted only a short while Monday morning when a satisfactory agreement as to pay was made by the truck drivers and officials of the McClung Construction Company.

The total mileage to be paved from Crowell to the Wilbarger County line is 15.83 miles. Thirteen and one-half miles from the Wilbarger line to Vernon have already been completed.

## Xmas Program At Luncheon of Rotary Club Wed.

H. E. Ferguson was in charge of one of the most interesting programs of the year at the Rotary luncheon Wednesday when a program reflecting the Christmas spirit throughout was given.

A truly wonderful Christmas pageant was given by the students of the fourth and fifth grades of the Crowell schools under the direction of Mrs. Ernest King and Mrs. Howard Bursey. About forty children took part in the pageant and it was put on in perfect manner and was thoroughly enjoyed.

Following the pageant Mrs. John S. Ray played a number of Christmas carols on the piano after which Mr. Ferguson made a short talk concerning Christmas, mentioning that the first public Christmas he enjoyed in Foard County took place in a dug-out. He pointed to the contrast of the program at that time to the one being given at the luncheon. Mrs. H. E. Ferguson followed by reciting an appropriate Edgar A. Guest poem concerning Christmas.

The program came to a close with John Ray acting as Santa Claus in the distribution of gifts from a tree that had been attractively decorated for the occasion.

Old Santa could not have handled the job better himself and Mr. Ray's clever remarks in connection with the distribution of gifts added much interest to the program. The members of the club drew names out of a hat last week and bought gifts for the person whose name they drew. Very appropriate gifts were received in most cases. Leo Spencer received a fire truck in order to protect his clients. Que Miller received an over-size sheriff's badge along with a cap pistol. Mack Boswell got an airplane and John Rasor received a new delivery truck loaded with groceries.

### CLARK TRAVELS OVER 1200 MILES TO BE WITH PATIENTS

Dr. Hines Clark has traveled over 1200 miles in the past week to look after patients. Friday he went to Spearman to treat a niece, Mrs. Caldwell, who has been seriously ill. He was accompanied by B. F. Ivie and both visited Mr. Ivie's daughter, Mrs. T. J. Boney, who has also been seriously ill at Spearman.

After returning to Crowell Saturday he left again Sunday for Austin to look after his nephew, Curtis Beatty, who received a broken leg in the Texas-A. & M. football game on Thanksgiving. Beatty has been having considerable trouble with his leg but it is getting along better now. Dr. Clark was accompanied by Wichita Falls to Austin by Mrs. D. P. Beatty, mother of Curtis, who remained with her son.

### CENSUS SUPERVISOR HERE

O. M. Unger of Plainview, head of the Census Bureau for District 2 of Texas, was a visitor in Crowell Thursday morning for the purpose of working out preliminary details for taking the 1930 census.

Mr. Unger stated that those wishing census jobs could send their applications to him at Plainview. Taking of the census will start on April 1st.

## Rebekahs and Odd Fellows to Have Xmas Tree Friday

A Christmas program will be given for Odd Fellows and Rebekahs and their families at the Odd Fellow hall Friday night, December 20th. A Christmas tree has also been arranged in connection with the program, according to a decision made at the last two meetings of the lodges.

E. W. Burrow is chairman of the decoration committee for the program. Mrs. Ruby Pierce, Mrs. P. S. Lovelady and Roy Johnson are also on this committee.

O. O. Hollingsworth is chairman of the fruit committee and a program is being arranged for the evening by a program committee consisting of Mrs. O. O. Hollingsworth, Mrs. W. O. Clary and Mrs. R. D. Oswald.

### Program Last Friday

A very interesting program was enjoyed by the Rebekahs at their regular meeting last Friday night. Mrs. Que Miller furnished piano solos in opening the program.

A reading and special song were given by Doris Oswald. Que Miller made an impressive talk on Odd Fellowship and Josephine Griffith followed with a vocal solo. Mrs. R. D. Oswald gave an excellent talk on "How to Keep a Lodge Alive." Several other talks were made by lodge members after which refreshments were served.

The program for the evening came to a close with a farewell song by Mrs. Roy Johnson.

## J. W. Bell Sells His Ranch at Valentine

J. W. Bell returned from Valentine, Texas, this week where he completed the sale of his ranch in Jeff Davis County.

The ranch contained 5,300 acres, 3,440 acres of which belonged to Mr. Bell and the rest under lease. It was located near Valentine. R. N. Everett of Valentine bought Mr. Bell's land for \$6.25 per acre and took over Mr. Bell's own lease on the rest of the ranch. Mr. Everett owns another large ranch near Valentine.

R. C. Bell, son of J. W. Bell, who has been living on the ranch, has returned to Crowell with his family and is now living on his father's farm, one mile east of Crowell.

Eight carloads of cattle were shipped from the ranch to Crowell this week by Mr. Bell.

### LOYD-POGUE

On December 15th, Leta Ferrel Loyd became the wife of Naylor Pogue in a ceremony performed at the home of the bride's sister, Mrs. E. S. Reynolds, of Chillicothe. Rev. Hardy, a former pastor of the Methodist church here, officiated. Only a few relatives were present.

Mrs. Pogue is the daughter of Mr. and Mrs. Charles Loyd and has spent the greater part of her life in Crowell. She graduated from Crowell High School in 1928 and attended Texas Woman's College one year. She has a host of friends here who wish her much happiness.

Mr. Pogue is the son of Mr. and Mrs. O. O. Pogue of Chillicothe. At the present time he is employed in his father's jewelry store. The young couple will make their home in Chillicothe.

## Banquet Enjoyed by Haskell Telephone Co. Employees Sat. Night

About thirty members of the crew of the Haskell Telephone Company and their ladies and guests were present at a banquet in the new telephone building Saturday night. The banquet was given for G. H. Williams, plant superintendent and his men, by the women of the Haskell Telephone Company.

A Christmas tree was enjoyed along with the banquet and Santa Claus arrived in plenty of time to distribute presents. Afterwards music was furnished by a string orchestra composed of Homer Johnson, Ebb Seales, Tom Stewart and Red Carroll. The turkey for the banquet was donated by W. B. Price, who is representing the Armour Creameries in Crowell.

Mr. Williams was presented with a gold watch during the banquet. The telephone building has just been completed and was decorated in the Christmas spirit throughout.

## 75 Degree Drop Within a Week

Within a week's time the temperature here dropped slightly above eighty degrees to five degrees. Last week and the early part of this one, Foard County people commented upon the exceedingly warm weather, many old-timers stating that they did not recall such high temperature for December in any other year.

Tuesday a cold norther arrived bringing with it the coldest weather of the year. Thursday morning the Bank of Crowell thermometer showed a temperature of five degrees above, according to Alton Bell.

## DEATH COMES TO BURREL JOHNSON MON.

## Xmas Pageant Is Given by Crowell School Students

One of the most beautiful and perfectly rendered pageants ever given before a Crowell audience has been seen by many Crowell people this week. Around forty students of the fourth and fifth grades have taken part in the pageant which has been put on under the direction of Mrs. Ernest King and Mrs. Howard Bursey, teachers of the fourth and fifth grades. Tuesday morning the pageant was presented before the high school student body and on the afternoon of the same day it was presented before the Parent-Teachers Association. Wednesday morning it was given before the students of the grammar grades and at noon Wednesday it was presented at the luncheon of the Rotary Club.

The pageant beautifully portrayed the nativity of Jesus Christ and the wise men and others.

Edith Marie Gover was the story teller, Mozell Lemons acted as Mary, and Chester Warren as Joseph. J. C. Ross, Ray Thomas and Alva Clary represented the three wise men; Junior Nelson, Lawrence Lovelady and W. F. Statser, the shepherds; and Emmett Lankford, Hampton Oldham, Fay Nichols, Raymond Gibson and Hazel Davis, the tax payers. The candle bearers were: Zell Perry, Tom Ray Roberts, Ann Mabe and Lois Evelyn Norris.

The choir was made up of the following: Melba Caldwell, Dorothy Erwin, Pauline Tarver, Thelma White, Juanita Schlagal, Addie Byrd, Juanita Talley, Ida Bell Castine, Sylvie Brisco, Goldie Brisco, Mary Lou Fudge, Florene Miller, Lewis Owens, Myrtle McKown, Dorothy Mapp, Glendon Reeder, Mary Elizabeth Hughston, Wistoria McFaden, Ola Sparks, Ada Evelyn Smith, Joe Eddy, Dupree Allen and Ocie Pearl Thompson.

## White Gift Service Will Be Presented Twice Sunday Night

In order that members of the other churches of the city may have an opportunity of being present at the White Gift Service, this pageant will be given twice Sunday night, the first performance beginning at 7:30 p. m. and the second one at 9 p. m.

Since other churches are having programs Sunday night and the fact that so many requested a second performance, caused the Christian Church to decide to present the pageant twice. Tickets to it are free and can be secured from Frank Crews or John Long at the Crews-Long Hardware Co. Everyone must have a ticket to be admitted to the service.

This is an adoration pageant, centering around the birth of Jesus. A large cast has been practicing on the pageant for about one month.

## ANOTHER OIL WELL BROUGHT IN AT THALIA

### Second Tarver Test Is Good For About 100 Barrels Daily Production

The Tarver-French No. 1 came in for about a one hundred barrel well last Thursday after being shot with ninety quarts of nitro-glycerine at a depth of 2003 to 2033 feet.

Sunday the test was put on pump and for a 24-hour period pumped 98 barrels of oil and a small amount of water. Oil from this test is now being pumped into the Sinclair pipeline.

This well is located about one-half mile southeast of Foard County's first oil producer, the Tarver No. 1. It is located about one mile north of Thalia.

The Wich-Tex No. 2 is drilling below 1800 feet and is likely to pick up the pay time about Saturday. The Humble-Matus No. 2 is now drilling below 1250 feet and is using gas from the Humble-Matus No. 1 for drilling purposes.

## Crowell Is Winner Over Paducah and Thalia Last Week

The Crowell Wildcats continued their victorious march in basketball by winning games over Paducah and Thalia last Friday and Saturday.

In a game played at Paducah Friday night Crowell won by a score of 27 to 19. Ralph Burrow and Ernest Spears were the outstanding stars of this contest. Spears contributed 14 of Crowell's points.

Crowell's starting line-up was: Ernest Spears and Ragsdale Lanier, forwards; Ralph Burrow, center; Bill Middleton and John Todd, guards. Ivan Wozencraft, Harold Hinds, Cotton Ganns and Ernest Patton also played for Crowell.

Paducah had had only three days of practice and no doubt will be able to show the Wildcats a much better game when they play here Friday night.

**Thalia Game**  
A fairly good crowd was present at the Crowell gymnasium Saturday night when the Wildcats won over Thalia by a score of 22 to 17. The game was an interesting one, especially along at the last when Thalia started on a scoring rampage that brought them within two points of Crowell's lead.

The first quarter ended with the score of 13 to 3, with Crowell leading, the half ended 15 to 5. With the beginning of the second period, Coach Graves ran in a second team and kept it in for over one quarter, until Thalia threatened to win the game. The third quarter ended with Crowell leading by a score of 19 to 12.

Sensational playing of the diminutive D. Phillips brought Thalia within two points of Crowell in the last quarter. Thalia's threatened victory was stopped when Coach Graves sent the regular men into the game again and the contest ended with the score of 22 to 17.

Bill Middleton and Ralph Burrow were the outstanding offensive stars for Crowell. Five points, by Ernest Spears in the last quarter aided greatly in Crowell's victory also. John Todd played his usual outstanding game at stationary guard. D. Phillips was the outstanding man for Thalia.

It now looks as if there will be a close fight between Margaret, Thalia and Crowell for the county championship this year. All of these teams have made an impressive record thus far and should be in the best shape of the year by the time the county tournament is played.

The line-up in the Thalia game was:

CROWELL	THALIA
Spears	F
Lanier	F
Burrow	F
Middleton	C
J. Todd	G
	G

Substitutions: Crowell—Ganns for Spears; Hines for Lanier; L. Wozencraft for Burrow; M. Wozencraft for Middleton. These substitutions were reversed in the last quarter, Thalia—Oliver for Whatley; D. Phillips for Kesse; E. Oliver for Wisdom.

Jimmy LaRue was an efficient referee for the game. Guy Todd, outstanding Crowell forward, has been out of the last two games due to an injured knee. He will likely stay out of all games until after Christmas. Crowell plays Paducah here Friday night.

Threw Money Away She Says

Breckenridge, Texas, Housewife Spent Hundreds Seeking Health—Orgatone Restores Her

"My troubles have been completely over since I began taking Orgatone and I'm enjoying the best health I have had in six years," said Mrs. M. L. McCormick of 302 South Flint St., Breckenridge, Texas.

"I spent several thousand dollars for medicine and treatments and underwent six different operations," she continued, "but it was just money thrown away, for I never got any relief from my suffering until I commenced taking Orgatone. I was practically an invalid for six years and my trouble was caused by the awful condition of my stomach. A great part of the time I was confined to my bed simply too weak to be up. I could eat but very little and that disagreed with me so I suffered terribly from gas. To make matters worse, I was attacked by nervousness which caused me no end of suffering and misery. I never got a good night's rest and would wake up in the morning feeling as tired and worn out as when I went to bed."

"Well I have just finished my fourth bottle of Orgatone and it is wonderful the way I have improved. I feel so well and strong I do all my house work without the least trouble. My appetite is fine and nothing disagrees with me. I have already gained eight pounds in weight and I sleep restfully and get up feeling refreshed every morning. The constipation has entirely disappeared and Orgatone deserves every bit of the credit."

Genuine Orgatone may be obtained in Crowell at the Reeder Drug Store. (Adv.)

BUY CHRISTMAS SEALS

The sale of Christmas seals, undertaken by the National Tuberculosis Association, is now on in Crowell and thousands of other communities in the United States.

The proceeds of the sale of these attractive little stickers are used to fight tuberculosis, the dread scourge of mankind. It is a cause that deserves the unstinted support of all citizens and we hope that the sale here will evidence our interest in the battle against the white plague.

THE SPIRIT OF CHRISTMAS

The Christmas season awakens in us, in common with every other human being in Christendom, the realization that whatever our personal animosities or our petty quarrels, there is this sublime occasion devoted to peace and good will on earth. It brings us to the consciousness that life is something more than selfish pursuit of happiness—that happiness of others is in reality our first concern. It elevates us to a higher level. It typifies not alone peace and good will but carries the essence of unselfishness and pure love, the most common expression of which is the giving of gifts.

When the influence of Christmas is so effective that its spirit shall guide the affairs of every day, the Utopian age, of which every mortal dreams, will have arrived.

We have this day and if we do not mar its ideal, its fruit will produce other days of the kind. In the making of a newspaper, we have an opportunity to view the conflicting forces of humanity. We see the good and the bad, the selfish and the unselfish. We believe that good is more active than bad.

If we have been able to promote the right, it has been due in large measure to the co-operation of our patrons. We sincerely hope that the support we have received will continue and grow. For all received, we are heartily thankful and in return in the spirit of Christmas, we extend our heartiest greetings and good wishes.

WELCOME SANTA CLAUS

Santa Claus, inevitable master of childish hearts, is about to pay his annual visit to the homes of Crowell and Foard County.

Children have already written or are writing their letters to the good Saint, making known their dream desires, and counting the days, and nights until he makes his magic entrance into their homes.

What man or woman can bear the thought of disappointed faith in the hearts of little children? What one of us would not give 'til it hurts in an effort to help fulfill juvenile hopes?

Let's make the heart of every child

in Foard County glad for one Christmas day. Let's see that every child in our community has a least one day of unalloyed happiness, a day of joy and gladness, a day when their dreams come true.

CHRISTMAS SERVICE

Crowell stores have taken on the spirit of the Yuletide season, and the welcome sign may be found at every place of business.

Never before in the history of the city have the stores been so completely stocked and jammed with Christmas suggestions, as they are today. Every merchant is sparing no effort to satisfy the demands which will be made upon him this Christmas.

The larger cities may offer "attractive" bargains, but the ones offered here are genuine and are not camouflaged with inferior merchandise serve as bait for other articles.

The stores here offer you service something that is lacking in the larger cities where there is a rush and hustle to push off the articles onto you, and then take on another customer. Here you have all the time you want in making selections; here you find the interest of the clerk with you; here you find equally, if not better, merchandise and at prices that compare favorably, if not lower, with stores which operate a tremendous overhead of expense.

The merchants of Crowell welcome you to their stores. Come here first. The chances are that your wants can be supplied more easily, more economically and more satisfactorily than anywhere else.

MARGARET CLUB

The Margaret home demonstration club met December 13th, at the home of Mrs. J. L. Hunter, Jr., with 14 members and 3 visitors present.

After a short business session the leader, Mrs. O. E. Haseloff, took charge. Mrs. S. B. Middlebrook read the 2nd chapter of Matthew, followed by a reading. The meaning of giving by Mrs. Melvin Moore. The Origin of Christmas was given by Mrs. J. L. Hunter, Jr. There were several readings given by little folks. Old Santa Claus also presented every one present with a little gift from a Christmas tree.

The hostess assisted by Miss Irene Hunter served chicken salad, whipped cream, hot chocolate and cake.

The meeting adjourned to meet with Mrs. O. E. Haseloff on January 13th.—Reporter.

CROWELL P. T. A.

The Crowell P. T. A. met in regular session on Tuesday afternoon, December 17th, with the teachers and mothers of the third grade as hostesses.

Mrs. King and Mrs. Bursley presented their pupils in a wonderful Christmas pageant. This was very impressive and forcefully reminded both mothers and children that there is something more sacred to be remembered and taught at Christmas times than the giving and receiving of presents. The children were attractively and carefully dressed. Every mother and father should have been present to feel the reverence with which each child acted its part.

After this there was a short paper on "Giving—Its Influence on Character," by Mrs. Andrews. Then came the business session.

The treasurer reported that \$25.45 was cleared in the tag day sales and that books to that amount had been purchased for the intermediate department. Plans were laid for sponsoring the picture show on Wednesday night and it was also voted to frame two pictures which had been given the high school.

Refreshments were served to those present. Several fathers and members who have not before been present were seen at this meeting. Your presence was appreciated and we hope you will come again.—Reporter.

**BYRD'S GREAT EXPLOIT**

Commander Byrd's exploit in the South Polar deserves all the praise that is being showered upon the American. His expedition, well equipped for its task, is a complete success.

While we have no idea that his latest flight was anything like as dangerous as that over the North Pole, it was by no means a cinch and the Byrd party deserves congratulations for its exploit.

**Christian Science**

Sunday, 11 A. M., Subject for Sunday, December 22, "Is the Universe Including Man Evolved by Atomic Force?"

Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

**The Christian Church**

Sure had a fine day at the Christian Church last Sunday. The attendance at the night service was the finest we have had in quite a while. That certainly was great folks and we want you to keep up the good work. If the Christians will back up the night service other folks will be interested too. The evangelistic service of the church is very important, and we want all to feel that they have a responsibility in this matter. If you talk to folks about their salvation during the week it will be easy to support the night service.

We have been made very happy because the tickets to the White Gift Service have almost all been taken. In order to serve the members of other churches we are giving the service twice. The second service will be at nine o'clock. Everybody be sure and see Frank Crowe or John Long for your tickets. We are more than glad to give the service a second time. Remember to get the tickets, for they are free for the asking. The Gift of Substance which will be made during the White Gift Service will go to raising the church debt. All over and above will go into a separate fund for the purpose of making improvements on the building from time to time.

Sunday School begins promptly at 9:45. All please be on time. We want every member of every class present Sunday morning. For remember we are to bring a birthday present for Jesus Sunday morning. His birthday will soon be here now, and that present will be presented at the manger during the White Gift Service Sunday night. Remember, too, that Santa Claus always visits good boys and girls on Sunday morning before Christmas at Sunday School. So please don't miss. Young and old are looking forward to the visit of the Spirit of Christmas Sunday morning.

White Gift Service Sunday night. First service will be at 7:30 sharp. Doors will open at 7 o'clock and close at 7:30. Be on time please, if you wish to gain admittance. No one will be allowed to enter during the service. For it is not an entertainment but a worship service centering around the events that took place at the birth of our Lord. Second service will begin at 9 o'clock. Don't fail to be on time. Please don't forget your tickets. The friendly church,  
JOHN G. CLARK.

**At the Methodist Church**

Last Sunday was a good day at our church in attendance. There were more in Sunday School than has been for several Sundays. The attendance at the preaching hours was the best it has been since I have been in the city. We appreciate this so much. We are doing our best to meet all the people as soon as possible. We want to serve the church in the very best way. To do this, we must know the people.

Next Sunday we hope to have a better day than last, in every way, in attendance and in interest. To get the very best out of the services it is necessary that everybody be present and on time.

Remember, the time for Sunday School to open is 9:45 a. m., (not 9:55), preaching at 11 a. m. and 7 p. m. Hi-League meets at 6 p. m. and the Senior League meets at 8:30 p. m. The Lord meet with us and bless us. I desire so much to preach to you at both hours. The subject for 11 a. m. is "There was no room for Him in the Inn," and at 7 p. m. the subject will be "The Word was made flesh and dwelt among us." I shall endeavor to bring you a real message from the Lord. I shall be delighted if you are present and I shall be disappointed if you are absent.

Your presence will have much to do with my being at my best in the delivery of the message.

These will be Christmas messages with a view of honoring God's gift to men, Jesus Christ.  
E. J. OSBORN.

**Baptist Church News**

There were 177 present in Sunday School last Sunday. Large crowds attended the preaching services morning and evening. A great spirit was on our people. Last Sunday was Sign-up Day for the coming year's budget. We did not get completely over, but we will go over the top, if every member does his best. Those who have not yet made their subscription will please see Brudge Andrews, our treasurer, and do so at your earliest convenience. May we start the new year with faith in God, gratitude to Him for His blessings during the past year, and prayer that 1930 will be the biggest year we ever lived.

Next Sunday the beginners and primaries will give a beautiful Christmas program. They will have their Christmas tree and we anticipate a great time for them. This is the season of good will to all. Let us make next Sunday a real Christmas Sunday. The pastor and family will leave for a short Christmas vacation next Monday, but will return in time for the Sunday services, December 29th.

The pastor will speak next Sunday on "Joy to the World," at the morning hour and "The Wonders of the Gospel," at the evening hour. May we have a full house.

**METHODIST W. M. S.**

The society met at the church Monday, December 9th, at 3 p. m. The scripture lesson "Stewardship" was taken from the 19th chapter of Matt., and was very interestingly given by Mrs. B. F. Hinds who directed the program for the afternoon. The "Old Rugged Cross," sung by Mrs. Van Orman and Mrs. McGowan was very much appreciated.

The following program on Stewardship was rendered: "Do you own what you possess?" Mrs. Jeff Bruce; "Separated portion," Mrs. Paul Shirley; "Budget Making," Mrs. W. H. Bell; "Miracle of Money," Mrs. B. F. Hinds; and "Business for Profit or Service," Mrs. T. L. Hughton. The service was closed by a prayer by Mrs. Osborn.

On Monday afternoon, December 16, Mesdames E. Crosoe, H. L. Kimsey and Jeff Bruce were hostesses to the Missionary Society in the home of Mrs. Crosoe. The first on the program was a playlet, entitled "How Much do you Know?" representing the Missionary Voice. This was presented by Mesdames M. S. Henry, Jimmy Doolen and George Self.

The scripture lesson concerning the "Nativity of Christ," was taken from the Gospel of Luke and was given by Mrs. Henry who was leader for the afternoon program was, "Bring Christ into our home." Mrs. H. E. Ferguson gave an interesting article on "Making the home a Christ Center." "Christ and Christmas," was given by Mrs. Sam Bell. Mrs. J. H. Lanier, Jr., read in a very interesting manner, "The loveliest Christmas of all." As a final number "Silent Night" was played on the Victrola after which we were dismissed by repeating the Lord's prayer. The hostesses served a dainty refreshment plate.—Pub. Supt.

### WIMODAUISIS

The December meeting of the Wimodausis was with Mrs. Jim Cates and Mrs. Pete Bell leader.

During the business session names were drawn for "secret friends". This is a new project to begin the new year by doing favors to friends whose names were chosen. At the end of three months there will be a revealing of names.

The program opened with a chapter from the Bible. Mrs. Hubert Brown explained the Christian origin of Christmas and gave some good suggestions for observing the day of Christ.

Many interesting facts of how peoples of other lands observe Christmas was given by Mrs. A. F. McMillian.

The true spirit of Christmas giving was the theme of Mrs. Toon Russell's talk, "The Meaning of Giving."

At the close of the program the members, under the direction of Miss Freeman, baked a fruit cake.

The hostess served cranberry short-cake, whipped cream and cocoa to members and Miss Freeman.—Reporter.

## One Act Play Is Presented by 8th Graders This Week

One of the most interesting programs of the year was presented at the high school auditorium Monday morning by the Freshman class. Entertainment was furnished the high school students and a number of others, with a one-act play entitled, "Mix Well and Stir." The play was sponsored again Wednesday night at the Rialto Theatre by the Parent-Teachers Association.

The play concerned the home life of Phil Grant and his wife, Jane Grant, played by Loraine Carger and Jimmy Lois Gafford, respectively.

Roy Mullins played the part of Phil's employer, Peter Doake, and Allie Mae Smith played the part of his wife, Mrs. Doake, a woman who had not forgotten old days and old ways. Jim Doak, their son, and something of an heir, was played by Melvin Joy. Bryce Kennedy, a little snob, was played by Clinton Bell. His wife, a little more of a snob, was played by Cecile McAnear. Peggy Thompson acted the part of Alice Williams, who was disappointed in love and Jo Roark represented Miss Perkins, a pettiskirted Paul Revere. Gentleman Joe and Slick Dick, burglars, were represented by Archie Campbell and Fred Spears.

### MRS. IRVING FISCH SHOWERED

Mrs. Herman Fox and Miss Nona Owens were joint hostesses at a shower complimenting Mrs. Irving Fisch, a recent bride, on last Thursday afternoon at 3:30 o'clock at the home of the former. The guests were met at the door by Mrs. Fox and Miss Owens piloted them into the dining room where punch was poured by Mrs. A. Y. Beverly.

The bride's book was very attractive and was presided over by Mrs. Roy Fox. After the guests had all assembled the following program was given: A reading, "If," by Mrs. I. T. Graves; a vocal solo, "Louise," by Carrie Maurice. Allee and three coasts, one to the bride by Mrs. R. L. Kincaid, to the mother by Mrs. T. L. Hughton and to the girls left behind by Miss Leoma Knox. Mrs. Robert Hudson played Victrola music at different times throughout the afternoon.

A telephone call was made for Mrs. Fisch and after answering the call she asked the guests to go with her through Fairyland which proved to be an array of beautiful gifts in the adjoining room. It was a veritable fairyland indeed. The gifts were arranged so that all could view them and they were not only beautiful but useful and numerous as well. They bespoke much love and good-will to the bride and groom. Mrs. Fisch responded with words of thanks and appreciation.

Before departure the guests were again served to punch.

### ADELPHIAN CLUB

Mrs. J. E. Harwell was hostess to members of the Adelpian Club and several guests Wednesday, Oct. 11. Mrs. George Self led a very interesting lesson on the subject, "As Seen on the Stage." The life, personality and works of two outstanding American dramatists of today, namely, Eugene O'Neill and Paul Green, were discussed.

O'Neill has been accepted as the outstanding American dramatist. His sordid and morose disposition tempers his plays to a great extent. He portrays the "seamy" side of life. "The Strange Interlude," is his best known drama.

Paul Green, who is in his early thirties, ranks second to O'Neill as a dramatist. He portrays incidents according to his own observations and deals with the negro and with the "poor white trash." "Abrahams Bosom," and "No Account Boy," are his two outstanding plays.

A lovely refreshment plate suggestive of the Christmas season was served to club members and Mrs. J. H. Lanier, Sr., Mrs. J. H. Lanier, Jr., Miss Thelma White and Miss Margaret Stephens. During the social hour Helen Harwell gave two delightful readings.—Reporter.

### TACKY PARTY

Mrs. Roscoe Eubank gave a 'tacky' party at her home last Wednesday night. Games were played during the evening and music was furnished by the Crowell orchestra. The prize for the tackiest girl was won by Miss Mabel McMurray and for the tackiest boy, Roscoe Eubank.

Those present were Mrs. Ruby Turner of Abilene, who is visiting Mrs. F. L. Butler; Misses Susie Tye, Georgia Ribble, Eula Mae Moore, Mabel McMurray, Mr. and Mrs. Lewis Ballard and Messrs. Smith, Williams, Moore, Worley, Scales, Huckabee, Bradford, Mrs. Butler and Mrs. Beauchamp.—Contributed.

### COLUMBIAN CLUB

Messdames T. M. Beverly, Ralph Bell, Thomas Hughton, A. R. Sanders and Miss Winnie Sell, with members of the Columbian Club enjoyed an impressive Christmas program Wednesday afternoon, December 11, when the club met with Mrs. M. L. Hughton.

In the roll call Christmas customs of different countries were given, also the origin of the custom of using the plum pudding, Christmas tree, yule log, boar's head, holly and mistletoe at Christmas time.

"Symposium of the Christ in Art" made the subject for the lesson and Mrs. R. L. Kincaid directed the program. Mrs. H. K. Edwards in discussing "Christ in Drama" described the Passion Play as it is enacted in different places. Mrs. Hines Clark told of the outstanding motion pictures that featured the theme of

the life of Christ. To illustrate her subject "Christ in Poetry," Mrs. J. C. Brian gave extracts from an anthology. Mrs. Kincaid in discussing "The Christ in Painting and in Music" stressed the importance of Christ in the world as a whole from every standpoint.

At the conclusion of the lesson the hostess served delicious refreshments. Mistletoe used in decorating the rooms and plate favors of holly sprays suggested the approaching holidays.

The club will usher in the New Year by observing open house in the home of Mrs. R. L. Kincaid on January 1.—Reporter.

### SENIOR CHRISTMAS PARTY

Mrs. S. S. Bell, the Senior Class mother, assisted by Mrs. I. T. Graves, honored the Senior Class with a party at her home Wednesday evening, December 18.

The rooms were artistically arranged in festoons, garlands, tinsel and other Christmas decorations.

In order that the guests might get a true Christmas spirit, various ones gave a brief talk on "What Christmas Means to Me." At the conclusion of this, Mrs. I. T. Graves read an interesting Christmas story.

The guests were then divided into groups in which their birthdays came and the groups gave stunts. Ragsdale Lanier received a prize for being the "best athlete" and Robert Oswald was given a box of candy for being the "hungeriest man."

The contests were followed by several games of 600. Mary Ragland Thompson and Henry Black won prizes for high score. The games were suddenly interrupted by the arrival of Santa Claus, Mr. I. T. Graves, who presented the good boys and girls with many gifts. Santa presented Mrs. Bell with a lovely vanity which was given her by her "children."

The Christmas color scheme was carried out in the appetizing plate consisting of sandwiches, salad, cake and hot chocolate which was served to the following: Harriett Evelyn Swain, Ragsdale Lanier, Margaret Calvin, Bettye Borchardt, Lucille Welch, Elizabeth Locke, Miss Margaret Stevens, Robert Oswald, Ernest Spears, Robert J. Thomas, Richard Ferguson, Ernest Patton, Joe Ben Roberts, Leo Horn, Una Lee Coffman, Mabel Ivie, Bonnie Morris, Virginia Sue Crowell, Avis Nixon, Charlie Pearce, Belle Locke, Everice Owens, Nancy Cogdell, Charles Smith, Ludell Green, Blanche Hays, Elsie Fay Roark, Mary R. ### MERRY CHRISTMAS

We'd like to use a lot of words and nice phrases to convey our greeting, but we don't know how to say it any better than just, "A Merry Christmas."

No, young man, we can't furnish the girl, but we certainly can supply the home. Isn't that fair enough?

Better insert a postscript in that letter of yours to Santa for him to bring you a built in ironing board. We have them and they can be installed in a few minutes.

A good little kid  
Is Oswald Dawes.  
He never writes letters  
To Santa Claus.

See that fellow with the happy look on his face this cold morning? It's the result of a pleasant, comfortable home. He burns LIVOLCO COAL.

THERE are natural affinities AND vice versa. You never SEE a cigarette case and a SAFETY pin in the same HANDBAG.

O. N. Baker just recently bought a quantity of Sheetrock. Another man who knows his Sheetrock.

Of course the difference between a flea and a dog is that a flea don't have to scratch his dogs.

Another thing the ultimate consumer pays is the salary of the bill collector.

A lot of girls around here don't have to wait for Christmas for well filled stockings.
