

THE FOARD COUNTY NEWS

AND CROWELL INDEX

VOLUME XL NO. 32

CROWELL, FOARD COUNTY, TEXAS, FRIDAY, JANUARY 30, 1931

8 PAGES \$2.00 A YEAR

APPLICATIONS ARE MADE FOR DROUTH LOANS

Twenty-five blanks necessary for securing drouth relief loans reached Crowell Tuesday and all had been used by Foard County farmers by Thursday. Additional blanks from Washington were expected by Thursday night, according to Fred Rennels, county agent.

With the Foard County Agricultural Credit Corporation now in operation and the fact that Foard is one of the thirty-six counties of Texas eligible for drouth relief loans, farmers of this county now have two sources for loans that are not to be found in many counties of the state, or even in this immediate section.

Counties in Texas that are certified for drouth relief loans are Archer, Baylor, Clay, Callahan, Childress, Coleman, Comanche, Cottle, Crosby, Dickens, Eastland, Erath, Fisher, Foard, Floyd, Garza, Hall, Hardeman, Haskell, Jones, Kent, Knox, Lubbock, Lynn, McCullough, Mitchell, Motley, Nolan, Rannels, Scurry, Shackelford, Stephens, Stone-wall, Taylor, Throckmorton, Wichita and Young.

After the applications of Foard farmers for drouth relief loans are approved by the county committee composed of H. W. Gray, R. L. Kincaid and N. J. Roberts, they are forwarded to the St. Louis office from which final approval is made and funds distributed.

Counties in 12 states are eligible for loans from the \$45,000,000 emergency relief appropriation of the government. Texas has been allotted \$3,750,000 of this amount.

Local Red Cross to Receive \$112 from Will Rogers Tickets

Thirty-eight tickets to the Will Rogers benefit performance in Wichita Falls Friday, Jan. 30, were sold in Crowell. Thirty-seven of these tickets sold at \$2.50 each and one sold for \$20.00.

As a result the local chapter of the Red Cross will receive \$112.50 from the sale of the tickets and every penny from the sales remain in Crowell.

City Council Passes Ordinance Calling for Fire Prevention Board

An ordinance establishing a fire prevention board, providing for its membership, its organization and duties was passed by the city council on January 22. Those named on the board are A. Y. Beverly, Mrs. R. L. Kincaid, R. J. Thomas, fire marshal and John Rasor, fire chief.

The ordinance was passed at the request of the Texas Fire Insurance Department. According to information from that body, approximately 2,500 citizens of Texas lost their lives as a direct result of fire from 1920 to 1929. Also during this period of time records of fire losses reveal that the people of Texas have suffered an annual fire waste of approximately \$20,000,000 yearly.

These losses have reached a proportion of an economic burden. The annual fire losses affect the cost of living. When structures demolished by fire are not rebuilt, taxes formerly paid on them must be prorated over other properties. Heavy fire losses also increase tax levies by making some definite means of controlling fires necessary to the safety and progress of the community. Heavy losses naturally affect insurance rates adversely. It is for such reasons as the ones mentioned above the fire prevention boards are being appointed in cities over the state.

The new ordinance calls for a meeting of the board at least once every four months. The board is to advise the city government and officials as to the best means and ways of prevention and extinguishing of fires and also as to best ways to discourage and apprehend and to convict for the crime of arson. The city attorney is the legal adviser for the board.

ANOTHER GOOD RAIN FALLS IN FOARD COUNTY

Foard County was again benefited by a slow falling rain Monday which amounted to 4 1/4 of an inch at Crowell and was about the same over the entire county. Together with the half inch of rain that fell over the county on January 9 and 10, the total rainfall for January has been almost an inch.

The total moisture from the snow remained on the ground during the last January amounted to one inch.

Everyone seems to be jubilant over wheat prospects and many older state that wheat prospects are best they have seen in the history of Foard County.

Foard County Ginnings Show Drop of Nearly 10,000 Bales in 1930

Cotton ginnings in Foard County amount to approximately 4,321 bales at the present time.

The ginnings for each gin of the county follow:

Farmers Gin, Crowell	625
Crowell Gin Co	246
Thalia, Farmers	943
Thalia Gin Co	876
Margaret Gin	741
Rayland Gin	890
TOTAL	4,321

At practically the same time last year the ginnings amounted to 14,498 bales in Foard County.

Richmond Takes Over Ownership of Rialto

T. B. Richmond is the owner of the Rialto Theatre, which he formerly owned in partnership with R. W. Simpson of Paducah and J. A. Nelson of Fort Worth. The purchase was made from W. R. Womack, who recently took over the theatre. The theatre is housed in Mr. Womack's building.

"Good Intentions," starring Edmond Lowe, is to be shown Thursday, Friday and Saturday of this week. Two programs each week, each running three days, will take place at the Rialto in the future, if business justifies, according to Mr. Richmond, who stated that he had booked a strong line of pictures. Both a feature and comedy will be shown with each program.

Mr. Richmond stated that he was making every effort to secure only the best and most decent pictures produced and hopes that his efforts will be supported by the people of this community.

Eggs at fifteen cents per dozen will be taken at the Rialto in exchange for tickets and baby chicks will also be accepted at the regular market price.

POST OFFICE SECURES TEN YEAR LEASE

The Post Office Department has secured a ten-year lease for the building in which it is now located from Oscar Hall of Paducah, owner of the building.

Mr. Hall is to have work started soon for remodeling the interior of the building and new fixtures are to be put in by the government.

Grover Cole Receives Interesting Letter from Brother in China

Grover Cole received an interesting letter this week from his brother, Kinloch Cole, who is living in Tsingtau, China, with his family. He is a foreman in the factory of the British Cigarette Company. It has been about 18 years since he left Crowell.

In his letter he stated that his two eldest children were in school and were getting along nicely. He, the eldest, is taking piano lessons and plans to have Frances study the violin after she has had groundwork in piano are being made. "My wife and I are both healthy and I am putting on weight all the time. I now weigh 207 and never felt better in my life. I think I am getting younger instead of older, but when I look at my children I realize that such is not the case," he wrote.

"We would all like very much to go to the States to live but it means a big change for me as I must start over again, which means quite a loss, and just what I'd do when I did get back home is quite a problem for me. Anyway the reports we have been receiving about conditions in the States for the past few months has thrown cold water on any desire which I had for an early change. But I can't imagine conditions are near as bad as the reports in the papers would lead us to believe.

"Of course business here in China has received a big set-back due to the drop in silver and there is little prospect for an early improvement, but still most people out here are making some kind of living.

"I didn't miss a line in the last bundle of Foard County News you sent me, in fact I read every advertisement and through these I learned a lot about what many of my old friends were doing, and could also get an idea how they were getting along.

"Pass my regards along to my friends and tell them some day I'll be back to do it personally."

TO POLO TOURNAMENT

Glen Offield and Tom Shirley left Wednesday for Augusta, Georgia, where Mr. Offield will take part in a polo tournament in that city. Paul Shirley and Mr. Offield have a number of polo ponies in Augusta which they hope to sell during the tournament.

CROWELL IS PLACED ON ROUTE OF CARLSBAD CAVERN HIGHWAY AT ALTUS, OKLAHOMA, MEETING

Members of the Foard County commissioners court, including County Judge Claude Callaway and W. F. Thomson, E. V. Halbert, A. B. Wisdom and J. C. Hysinger, commissioners, and George Self and H. E. Ferguson attended the annual meeting of the Carlsbad Cavern Highway Association in Altus, Okla., Monday.

The local delegates returned to Crowell enthusiastic over the results accomplished at the meeting. Delegates voted unanimously to designate the Texas-Oklahoma route from Altus, through Olustee, Eldorado, Quanah, Crowell and Paducah. This highway was originated with Quanah on the route from Oklahoma City to Carlsbad, New Mexico, with the highway designated from Quanah to Paducah, along the route of the Q. A. & P. Railway. Later the association decided to place Crowell on the route to Paducah due to the fact that the road from Quanah straight through to Paducah is neither a State nor Federal highway and the distance by way of Crowell is only a few miles greater, and it is on Texas Highway 51 from Quanah to Crowell and Texas Highway 28 and U. S. Highway 70 from Crowell to Paducah.

A few months ago the association changed the routing from Altus to Paducah, by way of Hollis, Okla., and Childress, and the route was placed in the Federal system as U. S. Highway No. 62. The route was changed due to the fact that the highway had to cross a toll bridge at Red River, north of Quanah. However, construction of a free bridge across the river is now taking place and through the combined efforts of the towns on the Altus-Quanah-Crowell route, an alternate designation by the association for this route was secured, although a stiff fight at the meeting was necessary to accomplish this, according to local delegates. It is now hoped that this alternate route will be placed in Federal system, since U. S. highways are eligible to receive aid from the Federal government.

Plan International Highway Steps toward extending the Carlsbad Cavern Highway north and east to Montreal, and south and west from Chihuahua to Mexico City were also taken at the meeting, in which about 300 representatives were present.

J. H. Hankins of Lubbock was re-elected president of the association and vice presidents were named as follows: C. W. Snyder, Altus; Luke Roberts, Loving, N. M.; Andres Ortiz, governor of Chihuahua. J. J. Kirkpatrick of Oklahoma City was

MUCH INTEREST BEING SHOWN IN FARMERS SHORT COURSE THAT IS TO BE HELD IN CROWELL FEB. 9-10

Much interest over this entire section is being expressed in the Farmers Short Course that is to be conducted here Feb. 9 and 10, Monday and Tuesday, at the high school auditorium and indications are that great crowds will greet each session. Despite the high standard of the lectures, demonstrations and motion pictures, no admission charge of any kind will be made at any of the meetings. The short course is to be held for no other purpose than to help the people solve their many problems of the farm, the home and the community and to not only interest them but to encourage and inspire them as well.

New thoughts, new ideas based upon scientific experiments and investigations conducted by many colleges, and upon practical experiences of "dirt farmers" everywhere, will be presented in the belief that they will be of help to all in meeting the difficulties that are constantly encountered.

These facts will be presented by men and women who are numbered among the best agricultural lecturers and demonstrators in the country in a manner that is fascinating and interesting.

A.&M. Clothing Expert in Crowell, Feb. 9-10

Mrs. Dora Barnes, clothing specialist of the A. & M. Extension Service will be in Crowell February 9 and 10 in connection with a two-day school on wardrobe demonstration and construction of foundation patterns.

The wardrobe demonstrator from each club of the county and one other woman from each club are requested to attend the school, which will be held in the district court room, beginning at 9 o'clock in the morning. Each woman is requested to bring the following: scissors, needles, pins, tape measure, five yards of inexpensive unbleached muslin, or any kind of cheap material.

There will be a short course going on at the high school auditorium on the same dates, however it is not connected with Mrs. Barnes work.

Would Forgive Debtors

Albert H. Wiggin, great New York banker, says world business will be stabilized and depression cured if the U. S. will reduce the debts other nations owe us.

MRS. GRADY GRAVES WITH MOTHER AT BIG SPRING

Mrs. Grady Graves was called to Big Spring Sunday as the result of the serious illness of her mother, Mrs. Pegues. Mrs. Graves left Sunday night, accompanied by her husband, for Big Spring.

Word was received from Mr. Graves Thursday to the effect that Mrs. Pegues was expected to die most any time and that she had been unconscious for the last two days.

again chosen as treasurer. Quanah was chosen as the meeting place for the 1932 convention.

Extension planned in the meeting would take the highway across Arkansas, Kentucky, Ohio, Pennsylvania, and New York, from its present Oklahoma City terminus.

Sessions of the convention were conducted in two languages and Cesar Mireles, personal representative of the governor of Chihuahua, was assisted by an interpreter. Mireles is director of mines, industry, commerce and the state highway commission of Chihuahua. He told through the state and in Mexico at the opportunity to extend the highway and expressed the belief that the road would be of great benefit to business conditions and international trade.

Former Foard County Resident Died Fri. at Home Near Brownfield

J. W. Carroll, resident of Foard County for many years, died at his home near Brownfield last Friday morning. He is survived by two brothers, G. Y. and C. W. Carroll, who live in Foard County. Mrs. C. A. Bowley, Mrs. A. J. Sandlin and Mrs. Ely Jones of the Vivian community are daughters that are surviving. They left for Brownfield last Thursday night to be at Mr. Carroll's bedside.

Theo Ferguson Receives Bad Scald at Ft. Worth

Theo Ferguson, son of Mr. and Mrs. Tom Ferguson of this city, was very painfully scalded Saturday in a Fort Worth cafe, where he was working, as the result of a pan of hot water spilling over the greater part of both legs as he was preparing to pour it into a coffee urn. He was taken to the Baptist Hospital.

Mrs. Ferguson left here Sunday for Fort Worth to be with her son. She was accompanied by her son, Richard, who also lives in Ft. Worth and who drove to Crowell after her. The scald was described as a rather serious one.

Byron Reese Appointed Co. Resident Engineer

The State Highway Department has again appointed Byron Reese as resident engineer for Foard County. He will have charge of the engineering work in connection with the work of paving of about five miles west of Crowell on Highway 28, for which contract has been let to Froemming Construction Company of Seymour. Mr. Reese was resident engineer here until a few months ago.

Mr. and Mrs. Reese will move from Wichita Falls Saturday and will make their home in the Frank Crews residence.

No announcement as to when construction will start has yet been made.

WEST RAYLAND HAS EXCELLENT RURAL SCHOOL

A representative of The News had the pleasure of visiting the West Rayland school last Friday. This school is completely standardized, according to state requirements and has as high a rating as offered a rural school, according to J. Bailey Rennels, principal. All grades, through the tenth, are taught in the institution.

On visiting the school one is first impressed with the neat appearance of the grounds and equipment, the substantial frame structure in which the school is housed, and by the sight of both a U. S. and Texas flag floating from a flag pole at the front of the school yard. These flags are raised each morning as school begins and then lowered at the conclusion of each school day. Mr. Rennels stated that he thought the West Rayland school was the only one in the county to possess and fly the Lone Star flag.

The school building contains four class rooms and an auditorium, capable of seating 225 persons. The auditorium is very attractive for a rural school and contains up-to-date opera seats.

A teacherage and garage is also maintained for the principal of the school and is located just north of the school building.

The West Rayland school burned to the ground in 1927, however, it was replaced in about 20 days and the new building is practically the same in appearance as the old one. In various parts of the building are located about 8 or 10 copies of paintings by eminent artists. The primary department has all proper equipment and an excellent library for a school of this size, is maintained. It contains four complete sets of encyclopaedias and about 200 other books.

The faculty of the school is made up of the following: J. Bailey Rennels, principal; Mrs. Luther Streit, W. A. Reed and Mrs. Bailey Rennels, secretaries. Frank Ward is the other member of the board.

For the first time the school has a Parent-Teachers Association, which was organized early in the school year with Mrs. C. L. Adkins as president and Mrs. Bailey Rennels, secretary. The addition of playground equipment is the principal project in which the association is now interested.

Boys and girls athletics have a popular part in the recreational activities of the school and as a rule the school puts out excellent basketball teams, that being the main sport there. There are three basketball courts located on the school grounds.

In speaking of the former students of the school, Mr. Rennels estimated that in the last 12 or 15 years, at least 45 of these had gone to college and were now filling places in various phases of world-wide activity. Two of the school's graduates, Carl Matthews and Arthur avis, became members of the faculty at the North Texas State Teachers College at Denton.

OLNEY VICTOR OVER CROWELL LAST FRIDAY

Crowell High School met its first defeat of the season here last Friday night at the hands of Olney High School Cubs with the score of 25 to 20. The game was by far the best and most exciting that has been played here this year and the large crowd of fans that packed the gymnasium were given plenty of thrills from the opening whistle to the last second of play.

With the beginning of the last 55 seconds of the game the score was tied 20-20. John Todd knotted the count with a field goal after Olney had let for most of the game. Crowell was in the lead at the end of the first quarter, 7 to 4. Capt. W. Gilmore of Olney scored the first field goal of the game with a long shot and Goode followed shortly afterward with another before Crowell was able to count. Middleton scored the first goal for Crowell.

In the second half Crowell passed badly, fumbled the ball and in general were unable to make their machine function properly. In this period Olney scored 5 points to Crowell's 2 and the period ended 12 to 9 in the Cubs' favor.

Each team made point in the third quarter. Trailing by three points with the beginning of the last period, Crowell removed the gap in the last minute of play to tie the score 20-20. However, Wright and Capt. Gilmore broke loose with two well deserved field goals to win the game. Capt. John Todd was the outstanding player for Crowell. He handled his position at standing guard in an excellent manner and also scored 5 points. Capt. Gilmore, Wright and West featured for the visitors.

Profit of \$415.93 on 283 Chickens Shown by Foard City Woman

A profit of \$415.43 from a flock of 283 chickens was realized in 1930 by Mrs. W. B. Jones of Foard City, according to a report turned in to Miss Dosca Hale, home demonstration agent. Mrs. Jones was the poultry demonstrator for the Foard City club.

The records kept from Nov. 1, 1929, through October, 1930, show the following figures:

On Nov. 1, 1929, had 283 hens and 15 males.

On Nov. 1, 1930, had 308 hens and 22 males, showing an increase of 25 hens and 7 males, valued at \$35.50. Total receipts for the year were \$720.83.

Total expenses for the year were \$304.90, leaving a profit of \$415.93.

"We culled our old flock of 283 down to 150 before the year was out, thus the remainder of the flock is new stock and have been well culled," Mrs. Jones stated.

Used Car Oil "We cleaned everything once a week and sprayed the property with used oil. We find it will keep fleas, lice and other pests down. Its costs nothing to get this as it can be secured from oil stations by going after it. We keep our flock pretty well on meat by killing rabbits and allowing the chickens to peck the meat off," Mrs. Jones said.

DEFERRED TAX PAYMENT BILL TO GOVERNOR

Final action on tax payment relief in Texas was left with Gov. Ross Sterling Wednesday after both houses passed a bill drafted by a free conference committee calling for a deferred payment in collecting 1930 taxes. The bill does not apply to auto, city, school and poll taxes.

The bill as adopted was a compromise between the Oneal and Weinert bills. Ben G. Oneal of Wichita Falls, who was prominently identified with the bill, is the senator from this district.

Under the provisions of the bill, 1930 taxes if paid by Oct. 15 would escape the delinquent tax penalty, although interest of 10 per cent per year would be charged from Feb. 1. After Oct. 15, a delinquent tax penalty of 5 per cent would be imposed on all unpaid taxes.

Items from Neighboring Communities

THALIA

(By Special Correspondent)

Mr. and Mrs. Wright Randolph and Mr. and Mrs. Raymond Britt of Amarillo visited last week-end with H. R. Randolph and family.

Miss Shirley Short, who has been making her home in McKinney the past year, returned to her home here Saturday.

C. B. Morris and family, who were called to the bedside of Mrs. A. T. Miller in Clarendon several days ago, returned to their home here Sunday. They report Mrs. Miller slowly improving.

Mr. Bryant and family of Rock Crossing visited Fred Coursey and family here last week-end.

Simmons Band to Play for Ice Men's Meeting

Abilene, Texas, January 27—The internationally famous Cowboy Band of Simmons University, Abilene, has been engaged for the formal opening of the Southwestern Ice Manufacturer's annual convention, to be held at Mineral Wells, Texas, February 4, 5, 6, according to information received.

ceived from the West Texas Utilities Company, under which sponsorship the musical organization will appear.

Arrangements were completed yesterday between the West Texas Utilities Company and G. B. Sandefer, business manager of the band.

The Simmons Cowboys will present the same program with which they delighted thousands on their recent European trip, providing a stage show for the delegates to the convention, and entertainment for the annual banquet of the Home Service Division of the Association, to be held the night of February 3, at the Baker Hotel, Mineral Wells.

A thirty-five piece band, special acts, novelty singing, and John Regan, English cowboy, bullwhip-crocker and star roper will be features of the program.

Convention headquarters are at the Baker Hotel, Mineral Wells, Texas. The convention is scheduled to start the morning of February 4th, at

which time the Cowboys will provide a half-hour's entertainment.

The Chinese attach bamboo rattles to the tails of pigeons and ten to the music produced as the pigeons fly about.

MARGARET

(By Special Correspondent)

Tucker Reinhardt, Dennis Russell and Tom Anderson made a business trip to Quannah one day last week.

Gilbert Choate made a business trip to Elmer, Okla., Wednesday.

Mrs. W. R. McCurley returned Tuesday from Roff, Okla.

Mrs. Sam Pankey visited friends here Wednesday before going to Burkburnett. She was accompanied by her husband.

Mr. and Mrs. Charlie Wishon of Crowell visited Mrs. Alice Evans Sunday evening. Mrs. G. E. Evans and little son, Kenneth, returned home with them after spending the day there.

W. T. Dunn and Arthur Bell made a business trip to Vernon Tuesday.

Mr. and Mrs. Green Sikes made a business trip to Vernon Tuesday.

Edgar and Cortus Henderson of Medicine Mound visited their brother, Oliver Henderson, and family Sunday.

Joe Orr made a business trip to Vernon Friday.

Mr. and Mrs. Bill Bond and little son, Wilson V., and Mrs. Ab Dunn were Vernon visitors Saturday.

Mrs. Henry Ayers left Wednesday for a week's visit with her aunt, Mrs. J. H. Talley, of Garland, Texas.

After some delay in obtaining possession of the house, Haskell McCurley and family have moved to Rock Crossing.

John Wozencraft and Alvin Hysinger of Olton, Texas, spent Friday night and Saturday with relatives here.

Mr. and Mrs. John Mahoney of Quannah visited in the home of Mrs. George Wesley Sunday. Mrs. Mahoney remained here for a week's visit with relatives.

Mr. and Mrs. Floyd Curlee of Amarillo and Mr. and Mrs. Carl Roberts and children of Thalia spent Saturday with Mr. and Mrs. J. H. Roberts.

Mr. and Mrs. Jimmie LaRue visited his parents at Chillicothe Sunday.

L. Kempf purchased a new Farm-all at Crowell Monday.

Misses Bertha and Jewel Priest were shopping in Crowell Saturday.

Gilbert Choate visited friends in Lone Wolf, Oklahoma, Sunday.

Ben Bradford of West Rayland, who was ill last week, visited relatives here Monday.

W. A. Priest and W. E. Taylor were Quannah visitors Saturday afternoon.

L. A. Goodman made a business trip to Vernon Friday.

Mrs. Sudie Bradford returned from West Rayland Tuesday.

Miss Audria Starnes spent the week-end with home folks at Thalia.

John Rasor, Frank Hill, Leslie Moore, Ebb Scales and Jim Cates of Crowell attended services at the Christian Church Sunday afternoon.

S. J. Boman and family visited relatives in Thalia Sunday.

Grandmother Wesley, who was ill last week, is improving.

In due respect of our departed loved ones, we should make every effort to attend the cemetery working at Thalia February 4th, and do our bit, which is badly needed. Everyone is requested to attend.

Juanita Boman is on the sick list this week.

Dince Huckie of Thalia and Miss Beedie Raliback were united in marriage Saturday.

How One Woman Lost 20 Lbs. of Fat

Lost Her Double Chin
Lost Her Prominent Hips
Lost Her Sluggishness
Gained Physical Vigor
Gained in Vivaciousness
Gained a Shapely Figure

If you're fat—first remove the cause!

Take one half teaspoonful of KRUSCHEN SALTS in a glass of hot water before breakfast every morning—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85 cent bottle of KRUSCHEN SALTS at Fergeson Bros., drug store (lasts 4 weeks). If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

Mrs. Mame Carey of Buffalo, N. Y., writes: "Since I began taking Kruschen Salts I have lost 20 pounds and I feel as if I had lost 50 pounds—I feel so good and the best part of it all is that I eat anything I like."

Bad Case Rheumatism Yields to Crazy Water

Will Always Praise the Crazy
Water Treatment

When I came to Mineral Wells about twenty days ago, I had rheumatism so badly in my thigh I could hardly walk without my husband's help.

Your Crazy Water and Mineral Baths have done me so much good, I can go anywhere without any assistance. I will always praise the Mineral Baths and Crazy Water for the good they have done me, and I advise anyone suffering from rheumatism or constipation to visit the Crazy Water Hotel at Mineral Wells, Texas.

Mrs. D. E. Schiltz,
Ponca City, Oklahoma.
The new, million dollar, Crazy Water Hotel at Mineral Wells, Texas,

PREVENT THE FLU

We have word that Flu is increasing in the East and in some of the European countries, so let's be careful and use every precaution to keep fit and be prepared to combat any signs of this much dreaded disease.

We give you a list of preventatives and remedies:

- | | |
|---------------------------|------------------------|
| Rex Mentho | Cod Liver Oil |
| Vapure | Cold Tablets |
| Mentholatum | Catarrh Jelly |
| Mi 31 Solution | Vick's Salve |
| First Aid Germicidal Soap | Fergeson Liver Pills |
| Atomizers and Sprays | Throat Gargle |
| Aspirin Tablets | Laxatives of All Kinds |
| Cherry Bark Cough Syrup | |

FERGESON BROTHERS

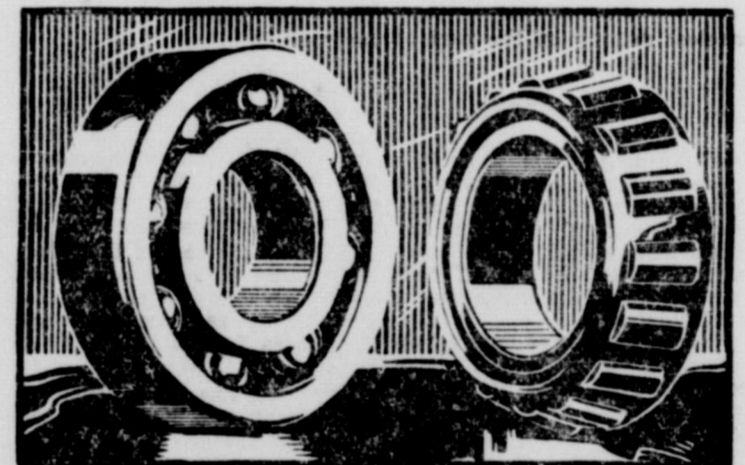

covers an entire block of ground. It is modern, fire proof and complete in every detail. It is natural to think it would be expensive to stop at this magnificent hotel; yet, you can enjoy its genuine hospitality, pleasing service and receive the benefits of the Crazy Mineral Treatment at very reasonable rates. If you have rheumatism, stomach trouble, diabetes, colitis, kidney trouble or any chronic ailment brought on by faulty elimination, we urge you to write the Crazy Water Hotel, Mineral Wells, Texas.

for full and complete information about their treatment.

As a test of innocence or guilt a man suspected of a crime in India is sometimes given rice to chew, on the theory that if he is guilty his mouth will dry from fear and he will be unable to swallow the dry rice.

New Dutch 75-cent air mail stamps are to bear a picture of Van der Hoop, the Dutch aviator who first flew from Holland to Java, in 1924.

FORD SMOOTHNESS

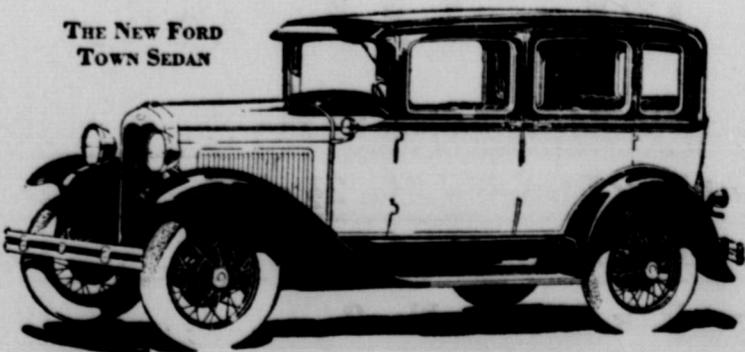

The new Ford has more than twenty ball and roller bearings

EVIDENCE of the high quality built into the new Ford is the extensive use of ball and roller bearings. There are more than twenty in all — an unusually large number. Each bearing is adequate in size and carefully selected for the work it has to do.

At some points in the Ford chassis you will find ball bearings. At others, roller bearings are used regardless of their higher cost. The deciding factor is the performance of the car.

The extensive use of ball and roller bearings in the new Ford insures smoother operation, saves gasoline, increases speed and power, gives quicker pick-up, decreases noise, and gives greater reliability and longer life to vital moving parts.

Other outstanding features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, three-quarter floating rear axle, Rustless Steel, the extensive use of fine steel forgings, and unusual accuracy in manufacturing.

LOW PRICES OF FORD CARS

\$430 to \$630

F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can purchase a Ford on economical terms through the Authorized Ford Finance Plans of the Universal Credit Company.

Crowell, Texas, January 30, 1931

A GRATIFYING REPORT

Only four percent more fatalities resulted from automobile accidents in the United States in 1930, than in 1929, according to a press association's report. For the year before the increase was 13 per cent over 1928.

32,500 from automobiles, it is gratifying to learn that the increase was not as great as the year before. Accidents to school children also did not register a gain over the preceding year.

While motor vehicle accidents accounted for well over 30 per cent of the nation's accidental death toll last year, they accounted for but 15 per cent of accidents to school children. The report covers the first 4 months of the school year, September to January.

Motor vehicle accidents lead all other causes of accidental death throughout the country as a whole by a wide margin but, among school children, they occur only one-half as frequently as home accidents. It would be misleading to imply that they are only half as important, however, because of the nature of the injuries. The report shows that one out of 40 motor vehicle accidents was fatal, while only one out of 155 other accidents resulted in death.

The report brings to light some interesting facts showing how the seasons change the nature of accidents, as well as those in school buildings, showed striking increases. School ground accidents showed a substantial decrease despite the fact that the coming of ice and snow usually add to the accident hazards with which children have to contend.

One of the most interesting facts disclosed in the report is that in all grades more than half of the motor vehicle accidents occurred at times and places other than when the student was on his way to or from school. This points directly to such activities as playing in the streets, and running out in the street without watching carefully for approaching automobiles.

Among the younger pupils, the chief cause of motor vehicle accidents is lack of care in crossing the streets; among high school students, careless driving on the part of students themselves.

SAFETY IN CHECKS

One of the subjects most prolific in the way of texts for comment is that of the safety provided by banks to persons to engage in financial transactions of any kind. Many more persons should adopt the plan of making payments of all kinds by checks instead of currency.

Every few days the newspapers publish accounts of thefts which have been committed in cases of persons who withdraw sums of money from the banks, or use money they have kept in their homes for payments on property or other transactions.

A bank check eliminates all possibility of loss of money in making payments. Bankers are particular to know that persons presenting checks for payment are entitled to the money, and even if a check is stolen it is highly improbable that it can be negotiated by the thief. Banks require identification before making payment on checks, and the writer of the check can immediately stop payment on it if it is stolen.

Persons who keep money in considerable amounts in the home do so at their own risk. Would-be-thieves have means of securing information which may not be suspected by the person who keeps money in his home, or they may even take a chance of finding currency hidden about the house. The resulting loss is the same.

There is no reason why any individual should draw currency from the bank when a check will complete a financial transaction; neither is

Don't Leave All the Work to Uncle Sam

By Albert T. Reid

there any excuse for a person who receives money undertake to be his own banker.

ALMOST A LOST ART

Because so many more people ride than did before the automobile came into general use, people are frequently reminded that they do not walk enough. They are told that due to the increasing number of automobiles and other forms of rapid transportation, the use of legs has been lessened to such an extent that there appears to be some danger of forgetting their function in the process of locomotion.

Walking has numerous valuable functions, including exercise, diversion and assistance in health maintenance, according to a noted physician. Walking develops muscles, removes excess weight, improves digestion, stimulates circulation and increases lung capacity.

These are some of the advantages of walking that are advanced by its advocates, but we should not lose sight of the fact that walking is not a panacea for all ills to which man is heir.

Walking has its disadvantages, which may account for its seeming unpopularity. While it promises bodily development and improves health and may be properly classed as recreation, it is not strenuous and there is not the chance for excellent that other sports offer.

A man or woman may walk over a golf course most of the day, but without the stimulus of the game, would not walk a step; in fact, would use a motor car to go a block.

The vast majority of people treat everyone better than themselves. Appraise them of this fact and they will freely admit it. They gamble with health—which means happiness—relying on their "good luck" in escaping the ills befalling those who refuse to heed the warning signs before it is too late.

Walking has advantages aside from the health standpoint. It takes people from the crowd; it offers opportunity for thinking; it is stimulating and makes the mind more alert and the eye more observant, so that the beauties of nature may better be appreciated.

Another Link of Pavement on No. 28 Is Open to Traffic

A stretch of pavement from Paducah, east toward Crowell, on Highway 28 for about four miles, is now open to traffic. Cottle County now has pavement on Highway 28 from Paducah, west to the Motley County line and this additional stretch. The State Highway commission let a contract last week for paving the remaining distance on Highway 28 in Cottle County to the Foard line.

Pavement on State Highway No. 28 has gained rapid strides in the last few years. The route is now paved entirely across Wilbarger County. Highway 28 starts at the Oklahoma line, in the northeast part of Wilbarger County at Red River. It proceeds due west, almost to the New Mexico line, joining State Highway No. 7 at Muleshoe, Highway 7 then runs to the New Mexico line, near Clovis.

In Foard County the route is paved from the Wilbarger line to Crowell and contract has been let for the pavement of nearly five more miles out of Crowell, with excellent prospects for a contract next month that will complete the route across Foard County.

Next in line is Cottle County. Only 11.4 miles in that county are yet to be paved on No. 28 and the contract for that stretch was let last week.

While the grade and drainage structures on the route through Motley County, the next county, have

been practically completed, no contract for pavement has been let, although the bonds for this purpose were voted in 1927.

After Motley comes Floyd, the only county between Hale County and the Oklahoma line that has made no arrangements for pavement. In Hale County the Highway is now paved from the Floyd line to Plainview and a contract has been let for paving from Plainview to the Lamb County line. No further arrangements for paving from there to the New Mexico line have been made.

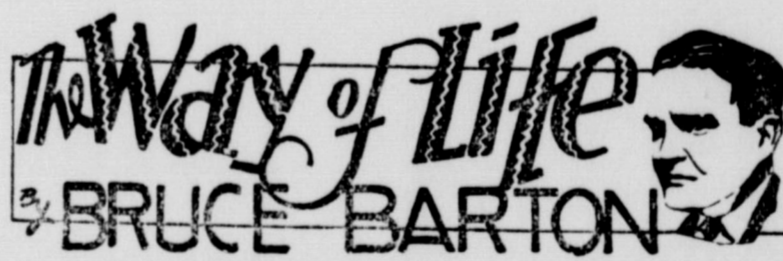

United States Highway No. 70 passes over most of Highway 28. This federal highway starts in on the Atlantic Coast at Beauford, North Carolina, and runs to Holbrook, Arizona, where it joins U. S. Highway No. 66, which runs into Los Angeles. U. S. N. 70 joins Texas No. 28 at Vernon. This highway has markers spaced a mile apart on its entire route.

MINIATURE POOL TABLE OPERATORS NOTICE

Those operating miniature pool tables in Foard County should refrain from such operations at once in order to avoid prosecution. The operation of such is a violation of Article 4668 of the revised civil statutes of 1925 and notice is hereby given that this law will be enforced by proper officials.

R. D. OSWALT,
County Attorney.

The person who steps in front of a moving automobile can scarcely be said to be "a step ahead."

WHAT DOES YOUR BUTCHER SAY?

One day last winter I was riding with the gentleman who runs a lively stable and provides food and lodging for my horse. It was some weeks after the stock market unpleasantness.

"How is business?" I asked him.

He answered that he had never known it to be worse. "Only a few of our horses are saddle horses," he said. "The others are owned by the butchers and bakers and candlestick makers who supply the fashionable people on Park and Fifth Avenues. And do you know that those little merchants can't collect enough even to pay my oats bills? It is terrible."

A little later I was repeating the conversation to a friend who makes his home in a fashionable suburb. He has ample means but, compared with some of the multi-millionaires whose estates are in the same community, he is comparatively poor.

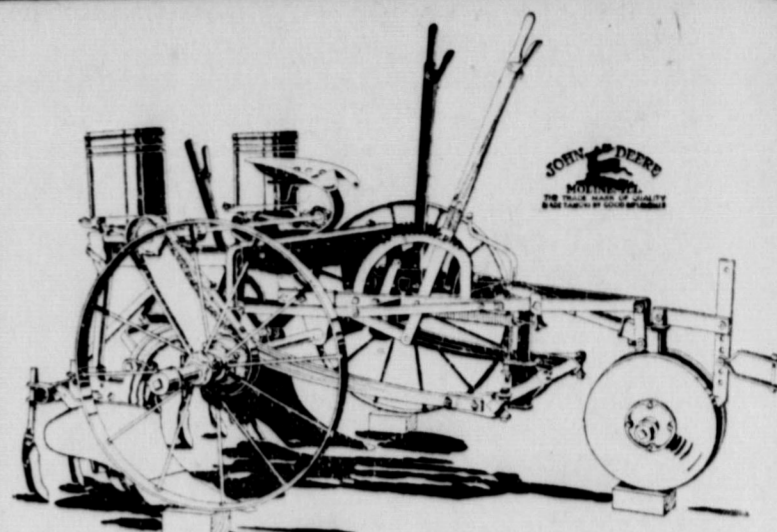

He told me that he had been protesting mildly to the butcher about the steady increase in his meat bills. "I do not understand," he had said. "We always pay promptly on the first of the month. We do not eat extravagantly, and yet our meat seems to cost us more all the time."

The butcher confessed that the bills were high. He shrugged his shoulders helplessly. "What am I to do? You and the other people of moderate means are the only ones who pay your bills. The rich men on my lists keep me waiting for six months or even a year. Everybody's meat costs more in consequence."

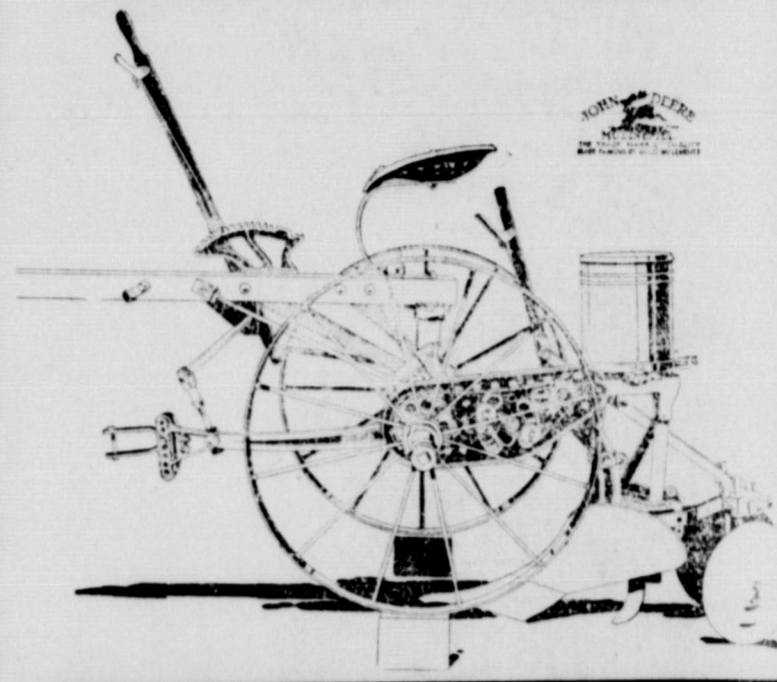

I suppose the percentage of four-flushers in the Park Avenue district and in the New York suburbs is very high. There must be thousands of families struggling to "keep up with the Joneses." But all over the country the same thing occurs to a greater or less degree. It is due not merely to the fact that people are living beyond their means. Much of it is nothing more or less than downright thoughtlessness.

I used to be a great believer in reforms. I enrolled in causes and supported high candidates, and was generally loud and vigorous.

In my old age I have come to feel that most of our troubles would be washed away if we would only be just reasonably courteous and decent to one another.

Those that made the scholarship honor roll were David Sollis, H. E. Bothe, R. D. Stewart, Maggie Starnes, Wanda V. Gamble, Stella Ruth Wright, Virginia Ruth Higgs and James Starnes.

New Water Pipe to Be Put in by City

The City of Crowell is to start work soon on replacing water laterals from the northwest corner of the square for a distance of five blocks west on Highway 28. Cast iron and copper service pipe will replace the old pipe. This is being done before the paving on the highway is put down, as this type of pipe lasts indefinitely and after it is put down there will be no necessity of having to cut through the pavement to reach it, since there is no danger of rust causing leaks. Work is to begin as soon as material arrives, according to Grover Cole, city water superintendent, who will be in charge of the work.

Munday Is Loser in Game with Wildcats

The Munday Meguls lost to Crowell High School Saturday night by the score of 32 to 16 in a rather poorly played game at the Crowell gymnasium. The visitors were held scoreless during the first quarter, which ended 11 to 0. Crowell led 22 to 5 at the half and 29 to 9 at the end of the third quarter. Munday scored 7 points to Crowell's 3 in the last quarter, after Coach Grady Graves had put a completely new team on the court. Rayburn was outstanding for Munday, scoring 12 of their 16 points. Even though he played at standing guard, for most of the game, he was high point man for Crowell with ten points. He accounted for the first two field goals of the game. While some of the Crowell players have been decidedly off form in the last two games, John has continued to play in his usual excellent and dependable manner. He played center most of the last half.

Foard County People Take Prominent Part at Missionary Meeting

Mrs. A. O. Hood of Margaret was elected zone leader for zone No. 1 for the new year at an all-day meeting of approximately 100 missionary society workers at Farmers Valley Methodist Church in Wilbarger County last Friday. Mrs. C. B. Morris of Thalia is the retiring zone leader.

Miss Emily Purcell of this city was elected program chairman and Mrs. W. W. Oliver of Harrold, secretary. Missionary societies from the following churches were represented at the meeting: Crowell, Margaret, Thalia, Elhot, Harrold, Farmers Valley, Odell, Vernon, Tolbert, Wesley Chapel and Fargo. There were 12 ladies from Crowell.

Rev. A. O. Hood led the devotional in the morning session from II Timothy, 2nd chapter, and made a talk on leadership. This was followed by special music by three ladies from Farmers Valley.

A bounteous lunch was served at noon. This was prepared and served by eleven members of the Farmers Valley society.

The devotional in the afternoon was led by Rev. R. A. Stewart, presiding elder of the Vernon district. He talked on Christian Conduct basing his thoughts on the 12th chapter of Romans. He stressed the fact that our relation should be right with God and also with our fellowman. Each should be of one member with God, practicing co-operation in all of our service.

The training hour was spent by dividing the departments into different groups with Mrs. Geo. Self of this city presiding at the session for the superintendents of study; Miss Emily Purcell presided over the superintendents of social service session, and Mrs. Hood presided at the superintendents of publicity and literature session.

Mrs. J. R. Huie of Vernon presided at the meeting in the absence of Mrs. C. B. Morris. The next meeting will be held at Tolbert in July.

FOARD CITY (By Special Correspondent)

Toots Beidleman, Annie, Grace and Lottie Russell, and Mrs. Lovelady of Crowell spent Friday with Mrs. Blake McDaniel.

Iosla Dollar of Sweetwater is visiting relatives here.

Mr. and Mrs. Farrar entertained with a party Friday night.

The Foard City boys played basketball with the Rayland boys Friday night. The score was 13 to 8 in favor of Foard City.

Ernest Patton and Charlie Ashford of Crowell spent the week-end with Mr. and Mrs. Farrar.

Tom Moody and Horace Eubanks of Truscott visited in this community Saturday night.

Rev. Browder filled his appointment at the church Sunday and Sunday night.

Shorty Randolph and Hugh Simmons of Truscott attended the party at Mr. and Mrs. Farrar's Friday night.

Marriage is a gamble in which everyone doesn't hold good hands, according to the divorce court records.

DECLAMATION RULES RECEIVED

A copy of the new revised Constitution and Rules of the University Interscholastic League has been received by Miss Mattie Russell, recently elected director of declamation in this county.

"The declamation contest," said Miss Russell, "is conducted in eight different divisions, four divisions for high schools and four for rural schools. The junior division is now open to contestants who were more than ten and less than fifteen years of age on the first day of last September and who are bona fide students in any member-school in this county. The senior division is open to contestants more than fifteen and less than twenty on the first day of last September. The junior divisions, both boys and girls, use standard poetry for declaiming, and the senior division, both boys and girls, use standard prose.

"This contest is designed to train boys and girls in sincere and effective public speaking and at the same time contribute to their mental enrichment by requiring them to memorize prose and poetry by the great literary masters. It is hoped that there will be a large number of entries in this contest in our county meet."

ATTEND WORKERS COUNCIL

The Baptist Workers Council of Foard and Wilbarger counties met Tuesday at Oklaunion with Rev. Woodie W. Smith, Mrs. R. D. Oswald, Mrs. Tanner Billington, and Mrs. Herman Fox in attendance from Crowell.

Rev. Smith preached the sermon at the 11 o'clock services. Mrs. Os-

walt had charge of the women's work. At the board meeting it was decided that the Wilbarger-Foard Baptist Association raise the quota for missions eight per cent over last year. A flying squadron is to be organized soon to visit all churches and hold mission rallies. Rev. Smith is chairman of the move.

ROTARY LUNCHEON

H. E. Ferguson was in charge of the luncheon of the Rotary Club Wednesday. Rev. Woodie W. Smith was the principal speaker on the program and in his talk he told of the importance of putting the church first in all matters.

Bert W. Self conducted a "middle name" roll call at the beginning of the program. A short account of the Rotary Emblem was given by Mr. Ferguson.

E. D. Cody was a visitor at the luncheon. One hundred per cent attendance was registered.

There are about 25,000 wild goats on the Catalina islands, descended from domestic Spanish goats brought there in the sixteenth century.

A recent discovery of a silk cocoon dating back to 3000 B. C. showed that the silk industry in China is at least 1,000 years older than had been supposed.

Whether tea is known as black or green depends on the method of preparing the leaves.

When the quartets quit singing Sweet Adeline, we may safely conclude that prohibition is effective.

THE KEY TO SUCCESS

The man who achieves high honor or fame
After all is just human; you are the same.
The man who becomes a millionaire, too,
Is merely a man and so are you.
We develop our talents by what we do;
Great men may have less talent than you.
But unless in yourself you surely believe
You will in this world very little achieve.
The First State Bank has found a man
Seldom does more than he thinks he can.

(Copr. 1927 Adam Brown Hunter)

International Sunday School Lesson for February 1st

JESUS THE GREAT PHYSICIAN

Luke 4:38-44; 5:12-16

Rev. Samuel D. Price, D. D.

Jesus is now well started in the second year of His public ministry and the work centers in Galilee. During the year, following the Temptation, He wrought in Judea. One incident is remembered by all: the conversion with Nicodemus which gives us the great truth in John 3:16. The rejection by His fellow townsmen in Nazareth caused Jesus to make Capernaum the center of activity.

The months that follow cover the period of popular favor. In the language of today, the Nazarene was first page news. This was due in part to the frequency of His miracles. People were alert to see what He would do next.

Simon Peter had been called as a disciple, and later as one of the apostles. As Jesus entered that home in Capernaum He learned that the mother-in-law was bedridden with a prostrating fever. With a word of divine power the Almighty spoke her into health which was so complete that this woman could at once assist in the hospitality made necessary by the guests. Likewise salvation and the forgiveness of sins is an act rather than a process. When conditions have been met, Jesus speaks and it is done.

Modern medical missions are prophesied in the marvellous work of the Healer that afternoon. When people learned that the Great Physician was in their midst and was ready to help any, kindly friends hastened to bring the sick of all that community into His presence.

Even the dread disease of leprosy was subject to His word of power. From that miracle Jesus withdrew that He might maintain His spiritual strength through personal prayer unto the Father.

CHURCHES

Christian Science

Sunday, 11 a. m. Subject for Sunday, February 1st, "Love."
Sunday School at 9:30. Wednesday evening service at 8:00.
The public is cordially invited.

At the Methodist Church

Sunday School, 9:45 a. m.
Preaching 11 a. m. and 6:45 p. m.
League 6 p. m.
Woman's Missionary Society Monday 2 p. m.

Prayermeeting, Wednesday 7 p. m.
Last Sunday, the first Sunday after the revival meeting, the attendance was satisfactory. It was thrilling. It looks like that the membership is stirred up to the point of interest that promises to continue in the future of our church life. God grant that it may be so. It speaks well for any community that fills the churches on Sundays. I am sure that God will be well pleased, and will bless us if we fill His house of worship regularly.

We had 274 present in Sunday School. I am sure that we can make it even 300. The League was well attended. We are counting on our young people.

This announcement will appear in the notices in the future: "Prayermeeting, Wednesday 7 p. m." Please keep this in mind, and be present to contribute a part in the service.

Meet us at the Methodist church next Sunday morning. The Lord bless you.

B. J. OSBORN.

The Church of Christ

Last Sunday was a fine day at the Church of Christ. The morning service was greeted with a nice crowd and good interest was manifested by all. The sermon was upon the great theme, "Ye Must Be Born Again." The Church was made to rejoice by one who had wandered away from the faith, returning to the shepherd's fold, and the fellowship of the church.

The night service was also an enjoyable one for all present. With the efforts of the day we have no reason to think the church was not edified in truth and love and every individual engaging in the services made stronger in the cause of Christ.

The Church of Christ invites one and all to its services, a hearty welcome and a warm reception awaits you. Services each Sunday morning at 10:30 and at 7:00 p. m.

E. J. SMITH.

Baptist Church News

The largest Sunday School last Sunday in the history of our church. Everybody was on the job and happy. Christianity is the most joyous thing in the world. No worldly pleasure can compare with it. No good time equal to that of serving the Lord.

A large increase in the B. Y. P. U.'s and both preaching services were well attended. The singing was fine and the pastor did his best, preaching from the theme, "Go Forth," Sunday morning and "The Seven Piece Armor" in the evening.

A large number of the new members were present. Boss Rorark and Z. W. Smith were elected official handshakers and took up their new work at the evening hour. They did a good job of it too, believe me. Other new members assisted in receiving the offering, others accepted places as teachers or substitute teachers. We face a new day in Crowell for God and the churches. Duke Wallace was elected choir director for the Sunday School and Mrs. Woodie W. Smith was elected church choir director. The orchestra played to the delight of all present.

About one hundred were present at our prayer meeting Wednesday evening. Most everyone gave testimony of the joy found in trusting the Lord. We were all thrilled at the testimonies of the new members.

Wednesday evening at the prayer-meeting hour the choir will be reorganized. Officers and teachers of the Sunday School will also have a meeting Wednesday evening.

Next Sunday, Sunday School 9:45, preaching at 11 a. m. and 7 p. m., B. Y. P. U.'s 6 p. m., Women's work at 3 p. m. Monday. We will have baptizing again next Sunday evening at the preaching service. There are a number approved for baptism who were not present last Tuesday night. We hope all will be ready next Sunday night. Come on in, the water will be fine.

Come and welcome.

WOODIE W. SMITH, Pastor.

Epworth League Program

Subject—What it is to grow in grace and what is the goal?

Leaders—Ted Burrow.

Trio—Evelyn Sloan, Peggy Thompson, Lella Ben Allee.

Scripture reading.

Leader's talk.

Reading—Fay Callaway.

What do we mean by the growth

of grace?—Eddie May Oliphant.
What is the goal of growth in grace?—Billie Draper.
Youth and age look at life—Mildred Cogdell.
Song. Benediction.

Presbyterian Church

I shall strive to be at the church Friday night for choir drill and in the pulpit Sunday morning and evening. Let us all remember that the results of the great Crimm meeting are going to be just what we shall make them. Crimm did his bit, now let's do ours and cultivate and develop the results and make the harvest one long to be remembered.

Let us all be in our places at the various churches with well prepared lessons, a happy smile and a warm hand shake.

May I suggest that we cultivate more of the spirit of friendliness, one church toward the other. Did it ever occur to us that a visit of the members of the various churches might inspire and very greatly encourage the pastors and members, so I most cordially invite any and all to come visit with us and worship us. You may do more good than you have thought possible.

Brethren, let's make Crowell a real church-going town, one that can show its appreciations of fellowship, one with the other. I shall heartily join with the other pastors to help in every way I can to develop the very best possible citizen and church fellowship and brotherly love. I shall be glad to see you.

Sincerely,
J. T. BRYANT, Pastor.

Senior B. Y. P. U.

Subject—The motive for christian living.
Scripture—John 14:1-15; Acts 17:23-28.

Introduction—Margaret Calvin.
The three fold purpose of Christ's mission on earth—Juanita Thompson.
Christians are to proclaim God—Carl Ivie.

Christians are to live the Christ life—Mabel Ivie.

Christians are to spread the Gospel of Salvation—Mallsa Dawson.

Everyone is invited to the B. Y. P. U. service. Come, you will enjoy yourself in doing work for God and studying His plans of salvation. Bring your friends along also, don't leave them behind.—Group Capt.

Christian Endeavor Program

Subject—The C. E. society in church program.

Leader—Margaret Cates.

Leader's Talk.

Reading of Minutes—Secretary.

Answer at roll call with verse of scripture.

Scripture—II Timothy 2:1-15—Jewel Mullins

C. E. furnishes church leaders—Marjorie Schooley.

What C. E. pledge says—Lillie Mae Edgin.

C. E. Evangelism—Elsie Mae Cook.

Ways C. E. can serve—Frank Cates.

Aid to pastor and church—Roy Mullins.

What others say—Mrs. Jim Cates.

We had about twenty out for C. E. last Sunday evening. Let's have thirty next Sunday. Come, we welcome you.

Margaret Methodist W. M. S.

The Margaret Methodist W. M. S. met Monday afternoon at 2:30 p. m. at the home of Mrs. George Wesley.

A very interesting program was given with Mrs. Leo Owens as leader and Mrs. Melvin Moore, Mrs. John L. Hunter Jr. and Mrs. S. H. Hembree.

We have taken up our Mission study so will not meet again until the fourth Monday in February. We will meet then with Mrs. W. J. Dunn with Mrs. Melvin Moore as leader.

After the business meeting, refreshments were served to eleven members and one visitor, Mrs. J. D. Mahoney, of Quanah. She is the guest of her sister, Mrs. George Wesley.

SAME PRESCRIPTION

HE WROTE IN 1892

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as today. People lived normal lives, ate plain, wholesome food, and got plenty of fresh air. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe bowel stimulant.

This prescription has proven its worth and is now the largest selling liquid laxative. It has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds, fevers. At your druggist, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

Christian Science Churches

"Truth" was the lesson-sermon subject in all Churches of Christ, Scientist, Sunday, January 25.

Isaiah 25:1 furnished the golden text: "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth."

The following verses from the Bible were included in the service (Deuteronomy 32:3,4): "Because I will publish the name of the Lord; ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he."

Among the citations read from the

Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, this from the preface, p. vii: "Independent of doctrines and honored systems, knocks at the tal of humanity. Contentment the past and the cold conventionalities of materialism are crum away. Ignorance of God is no less the stepping stone to faith."

Another good way to study scripture is to stand by and watch a try to start a stalled automobile a country road.

Once upon a time, when a man in love, the barber and the store got rich; now the filling tions get rich.

Musings of the Owl

The author of this Big Dust describes us as just a plain cabbage leaf. Thanks, but we grew from our own roots and are not any relation to Mistletoe.

It is an old saying that if you speak to a man of his success, he will tell you that he is a self made man. If you speak to him of his failure he will reply that he is the victim of circumstance.

With some pupils, athletics is a pleasant way to spend their leisure time; with others it approaches professionalism.

We have noticed that whenever a person can slip through the world and never annoy anyone, he seldom ever does them any good either. Any truly successful man makes friends by making enemies.

Water will seek its level. Yeah, and most people are that way too.

Some people claim that they do things through emotion and then explain that they are very unemotional.

We notice that the social life around school is on the decline, but when spring will soon come along, when the young man's heart turns to thoughts of love.

Although we know that, al that glitters is not gold, we, through nature, reach for the glitter just the same.

Love is like water, it usually flows in channels of least resistance.

Napoleon met his "Waterloo," and

PERSONALS

The two first grades made a tour through high school Thursday. They played games in the gymnasium and sang songs in the balcony of the auditorium.

The grade school's chapel was a sing-song from the new books that the P. T. A. bought.

Mrs. Sam Crews and her music pupils will have charge of the grammar chapel program next Wednesday.

Mr. and Mrs. C. G. Graves went to Big Springs because of the illness of Mrs. Graves' mother. Mrs. Miller is teaching in Mrs. Graves' place.

Miss Peggy Thompson was seen wearing stockings today.

PRESIDENT OF SENIOR CLASS LEAVES

The Senior Class has been left without a pilot to stand at the helm of the ship and steer it through the rest of the journey. Our worthy president, Henry Teague, has gone to Flagstaff, Arizona, where he will attend school.

Henry has proved to be a very capable and efficient president, therefore his presence will be greatly missed. We wish to thank him for the many thoughtful deeds that he had done for us. His participations in school activities has been a great asset. We shall never forget him. We wish him success and a "bon voyage."
The Senior Class.

HEADLIGHTS OF C. H. S.

In English 4 J. D. Todd asked who wrote Aesop's fables.

Elbert Griffith wanted to know how long the hundred year war lasted.

Billie Draper believes firmly that pebbles are put in fish bowls for the fish to sleep on.

Francis Todd thought Carlsbad Cavern was a wagon train going to Carlsbad.

Catherine F.—"Do you know that your dog barks all night?"
Clinton—Yes, but don't worry about him, he sleeps all right in the day time.

Alyne wants to know if Bull Run was a cattle stampede.

Ollie Mae Argues that President Hoover's cabinet is "built in" while Ruth Malone says it isn't and is white enamel.

John—"When did you first know you loved me?"
Catherine—"When I began to get mad when people said you were brainless and ugly."

Ralph Burrow—How would you classify a telephone girl? Is hers a professional or an occupation?
Roy—Neither, it's a calling.

Jim Lois (on biology field trip)—Where do those large rocks come from?
Mr. Todd—A glacier brought them down.

Jim Lois—But where is the glacier?
Mr. Todd—It has gone back for more rocks.

Three little words have been boiled down by the fish to—I flunked Spanish.

Famous last words heard in C. H. S.—If poison fails, take English 4.

Anyone wishing a remedy for epilepsy or the like please consult Henry Black.

TWO WILDCAT BOOSTERS SAY—

We wonder if the Owl is lazy or ill of late. He evidently has a bad cold or something since he did not hoot last week.

We wish to congratulate the basketball boys on their exceedingly fine record. We think we couldn't do better ourselves.

Some year or two ago Miss Ball intended to make school teaching her life profession, but now we think she has changed her mind to "higher and mightier" things.

These pre-exam days are over and gone is the talk about how can one get the exam questions.

We, as a body of two, doubt if the Freshman's prayer is really as bad as that of the Senior, who has to pass to graduate.

This reminds us of the days when we had to sit up and listen to those teachers, day in and day out. We can truthfully say that we are glad we are out, although we still long for those old C. H. S. good times.

To end this silly jumble, we now serve notice that we won't tell who writes these lines, and furthermore, we don't think that any of you can guess.

We are just starting at this writing game as you can readily see.
Yours till C. H. S. girls stop flirting.

You'll often wonder who.

THINGS I NEVER KNEW TILL NOW

That C. H. S. students are missed so much when they move away.

That the home economics class is being turned into a beauty parlor, as there is a very urgent need.

That Recie Womack thinks his Dad runs his business into the ground.

That when Miss Ball gets to Heaven all she will have to tell them is that she taught the Latin II Class of

Crowell High School in 1930-31. The pearly gates will swing open to her.

That Mrs. E. King will not answer the telephone at the ward school.

That Miss Ellis is so rushed with postal service at this time of this year.

That Miss White received a package of red capsules from New York City for her trouble. We hope she found relief.

That Elsie Mae Cook thinks that P. E. means Physical Exhibition.

A TRAGEDY

Time—past.
Place—C. H. S.

Cast—She, a blonde; he, a brunette.

She sees her Romeo at ball game. He plays a sensational game. He talks to her between halves. A case of love at first sight. He buys her a birthday present. Fate enters. She departs, but lover accompanies her. Amid tears they say farewell.

Result—Two broken hearts.
Moral—Let not a pretty face entice thee.

Judge J. E. Rait got a letter addressed not with a name, but with a photo of himself pasted over the words: Omaha, Neb.

Many different breeds to select from.
SETTINGS EVERY MONDAY

Mrs. Corra Harris, famous novelist of Cartersville, Ga., says she's going to keep her dog but she wants to sell her mule. She advertised it in the local paper thus: "Black mare mule, weight 1300 pounds. Fond of radishes, will bite when urged to do so. Balks only twice a year, beginning of each working season; small dose of peppercorn administered makes her go like house afire. Never has told her age, but reckoned 13 years old."

The Life-Blood of Industry

The work of the newly-organized Texas All-State Committee will have a stimulating effect on West Texas industry. It will not only increase the production of manufacturing plants already located in this vast empire, but will bring new factories and new capital into the territory.

For efficient and economical operation of any business relying upon motive power for its production work, electric current supplied by the ever-ready, dependable transmission line system is an absolute necessity. In no other way can the manufacturer be assured of a constant, flexible supply of energy.

When new industries locate in West Texas, they will choose the towns in which transmission line service is available. The West Texas Utilities Company . . . with its three major generating stations, twenty-two auxiliary plants, and over 2,500 miles of transmission line . . . is rendering dependable electric service to 120 prosperous cities, towns and communities in West Texas, the "Land of Opportunity." It is furnishing them with the very life-blood of industry, so necessary to permanent growth and development.

Excellent Attendance at Baptist Brotherhood

The Baptist Brotherhood met Tuesday evening in the basement of the Baptist Church, where a luncheon was served to the forty-two men present by the women of the church. A number of new members were received.

Fred Rennels was in charge of the program. Leo Spencer spoke on the importance of quick action on the part of the lay members of the church in all business meetings of the church. L. A. Andrews spoke on church finances, explaining the budget plan as the most workable. John Rasor told how leadership was being developed among the men of his church. Rev. Woodie W. Smith spoke on developing the spiritual life in the church.

A male quartet composed of E. C. King, E. A. Dunagan, Duke Wallace and Rev. Smith sang two numbers.

Rev. Smith also gave a vocal solo. Mrs. Smith accompanied the singers at the piano.

H. K. Edwards is president of the brotherhood and L. A. Andrews is secretary.

J. R. Gamble Surprised on 79th Birthday Sun.

The children and grand children of J. R. Gamble gave him quite a surprise by assembling with well filled baskets Sunday about noon at his home in Crowell to celebrate his 79th birthday and the 55th birthday of his son, Sim.

The children present were, Sim and family, Will Gamble and wife, Pete Gamble and son, Wayne, Mack Gamble and family, Mrs. Mollie Free and children, and George Gamble. The grandchildren present were, Frank Gamble and family, Johnnie Gamble and family, Mrs. Zola Greening and son, Kenneth, Perry Gamble and family, Mrs. Edward Brock and family, Mrs. Edward's cousin, Mrs. Belle Allee, was also present.

Others present besides relatives were, Mrs. V. V. Vaden and daughter, Grace, Mrs. W. L. Pittman, Mr. and Mrs. Carl Howry.—Contributed.

HOT DOG ROAST

Last Thursday evening, January 22, a weenie roast was enjoyed by Misses Ruth Patterson, Thelma White, Barbara Cryer, Louise Ball, Eddie Mae Oliphant, Florence Griffith, Gussie Todd, Topsis Lovelady, Lottie and Grace Russell, Toots Beidleman and Virgie Callaway, Messrs. Doyle Kenner, Fred Kinsey, Henry and Lee Black, Joe Welch, Henry Boyhardt, Glenn Jones, Granville Lanier, Merl Kincaid and Mr. and Mrs. Walker Toccia.

COLUMBIAN CLUB

The Columbian club held their regular meeting on last Wednesday at the home of Mrs. M. O'Connell.

Various phases of life in India were studied. Mrs. John Ray discussed the cause of recent unrest in India. Mrs. Jack Roberts told interesting facts concerning Ghandi, the leader of revolution in India. An account of travels in India, and the conditions encountered there, was given by Mrs. C. R. Ferguson.

Mary Elizabeth Hughton played "Song of India" and gave "Golden Slippers" as an encore.

Delicious refreshments were served to the club members. Miss Elizabeth O'Connell and Mary Elizabeth Hughton assisted Mrs. O'Connell in serving.—Reporter.

MARGARET CLUB

The Margaret Club met in the home of Mrs. Leo Owens with Mrs. Curtis Bradford hostess and Mrs. Ab Dunn leader, with poultry as the subject. There were 14 members present.

The next meeting will be with Mrs. C. W. Ross as hostess with Mrs. Bill Bond, leader.—Reporter.

CO-LABORERS CLASS

Madams Grover Cole and Gordon Cooper entertained the Co-Laborers Class January 22nd.

The roll call was answered with current events. Jude and Revelations were studied and discussed, with Mrs. Allen Sanders as leader. Rev. Osborn helped explain Revelations.

After an interesting contest a delicious plate was served to twenty-five members and Rev. Osborn.—Reporter.

MOTHERS SELF CULTURE CLUB

The Mothers Self Culture Club met with Mrs. A. Wright at the home of her mother, Mrs. J. H. Carter, on January 23rd.

Mrs. T. F. Hughton was leader of the lesson on "Importation and Cities in Texas." Mrs. W. B. Tysinger read a very interesting paper "Barge about the canal at Houston. Mrs. Andrews and Mrs. E. E. Smith told of ten important cities in Texas.

A delicious plate of cheese sandwiches, olives, cake and whipped cream and coffee was served to the members.—Reporter.

VIVIAN CLUB

The Vivian Club met January 22nd with Mrs. Guy Easley as hostess. There were 10 members and 1 visitor present. The subject for discussion was poultry. Mrs. J. B. Rasberry led the program.

Mrs. Guy Easley and Mrs. J. H. Myres were appointed as our representatives for the wardrobe demonstration to be held at Crowell, February 9 and 10.

One of the members brought one pint of whole wheat prepared without the pressure cooker. Miss Hale asked that we give the recipe for publication, which follows:

Soak wheat over night, in the morning rub briskly with hands, put in new water and cook 60 minutes. To each pint of wheat add 1 level teaspoon of salt, serve with cream and sugar.

The club had an enjoyable afternoon and adjourned to meet Feb. 12 with Mrs. J. H. Myres as hostess.—Reporter.

WEST RAYLAND 4-H CLUB

The West Rayland 4-H Club was organized January 13, with twenty members. The following officers were elected: President, Merledene Whitten; vice president, Geraldene Whitten; secretary, Ray Flinn; reporter, Thelma Young; song leader, Gypsy Farrar.

Miss Hale outlined the club work and told us about the different kinds of work that we were to do.

We learned the club pledge and the club prayer. Each club girl chose the project that she wished to follow.

The club will meet again February 16.—Reporter.

PLANS FOR CLUB HOUSE ARE DISCUSSED AT FOARD CITY

Plans for the purchase of a club house for the Foard City Home Demonstration Club were discussed at the last meeting of that group, Jan. 20th, at the home of Mrs. Verdine Halbert.

It was voted that, beginning with 1931, a yearly membership fee of 25 cents will be charged to aid in paying for the club house. Various other methods of raising money were discussed. Among those was the plan for each member to sell a hen and donate the proceeds to the fund. Each member who fails to prepare a part for the bi-weekly meeting will be fined.

A part of the meeting was given to discussion of poultry raising methods. Different methods of raising poultry by various members were discussed and criticized.

The next meeting of the club is to be held at the home of Mrs. Ruth Marts Tuesday afternoon, Feb. 3rd, at 2:00 o'clock. Means of making living rooms attractive and comfortable will be the topic to be considered at that time. Plans for the proposed club house will be furthered at the meeting.—Reporter.

M. E. Missionary Society

The Missionary Society of the M. E. Church met in a social meeting at the home of Mrs. A. Y. Beverly on Monday afternoon with Mesdames Beverly and M. S. Henry hostesses. Miss Emily Purcell led an impressive devotional. Mrs. Jeff Bruce, though not able to be present, had prepared a very inspiring talk on "Stewardship" which was given by Mrs. Geo. Self. A pledge service was then held in which pledges were made for the coming year.

Mrs. W. B. Johnson conducted the social period which consisted of a contest, a screen test, in which the local women took part and a talk on the famous men whose birthdays occur in this month. This was given by Mrs. J. R. Beverly.

A refreshment plate containing sandwiches, pie and hot tea was served to 19 members, 1 new member and two visitors. The next meeting which will be a business meeting will be held at the church next Monday afternoon at 3 o'clock.

Thalia Loses to Wichita Falls Methodists Sat.

The Thalia town basketball team, champions of the West Texas League, lost a game in the last two minutes of play by a score of 41 to 36 to the First Methodist Church quintet of Wichita Falls Saturday night at the Harold school gymnasium. The Methodists carried off the first half flag of the Wichita Falls Sunday school league.

Thalia's basketweavers, after leading practically all of the game and holding a three-point lead with only two minutes to play, saw a brilliant Methodist performer, Coyal Francis, quickly erase their lead by setting the dizzy pace of one point each fifteen seconds, tossing four field goals. He scored a total of 14 points. Gotchie Mints, Thalia center, hung up 10 points for second honors.

If as much enthusiasm could be aroused over community development as over a basketball game, Crowell would soon be moving along at a rapid clip.

HONOR ROLL IS ANNOUNCED FOR THIRD 6 WEEKS

Superintendent I. T. Graves has turned over a list of students to The News who have completed the requirements to have their names placed on the honor roll for the third six weeks term of school. The list follows:

Scholarship honor roll for high school:

J. M. Crowell, George Fox, Dan Hines Clark, Crockett Fox, Faye Callaway, Peggy Thompson, Cecil McAnear, Rosalie Drabek, Jo Roark, Jeff Bell, Margaret Calvin, Iris Thompson, Annie Veceera, Pauline Donaldson, Mary Frances Self, Bertha Womack, Bonnie Cogdell, Florence Bell, Jimmy Lois Gafford, Elsie Mae Cook, Stanley Womack, Lona Johnson, Mildred Callaway, Lella Ben Allee, Evelyn Sloan.

High Honor Roll

Leslie Thomas, Merle Smith, Maggie Meason, Mary Gafford, Ida Pearl Harris.

Pupils on Scholarship Honor Roll in the Intermediate Department:

Dorothy Erwin, Evelyn Lee Cauton, Ann Mabe, Florene Miller, Glendon Reeder, Tom Ray Roberts, Ada Evelyn Smith, Ray Thomas, Peggy Cooper, Mary Byrl Bell, Myrthall Ketchersid, Ruth Sellers, Merrill Allee, Dorothy Pauline McKown, Banks Campbell, Effie Griffin, Edward Briscoe, Geraldine Carter, Bernice Poland, Mattie Bell Greening, Elsie Mae Cook, Stanley Womack.

Pupils on High Honor Roll in the Intermediate Department:

Billy Carter, Alva Clary, Mary Lou Fudge, Mary Elizabeth Hughton, Sam Crews Jr., Fred Allen Beverly, Frank Hofues, Ala Ketchersid, Lida Sue Gorrell.

Pupils that have been neither tardy or absent in the Intermediate Department for the past six weeks:

Billy Carter, Alva Clary, Reubin Dockins, Joe Eddy, Mary Lou Fudge, Mary Elizabeth Hughton, Lawrence Lovelady, Junior Nelson, Louis Owens, J. C. Ross, Ada Evelyn Smith, Brown Spears, Ray Thomas, Ada Beidleman, Fred Allen Beverly, Weldon Bradshaw, Mary Edna Barsey, Geraldine Carter, George Bailey Cook, Ruth Fox, Frank Hofues, Beulah Ivie, Ala Ketchersid, Bernice Poland, John Cogdell, Frank Meason, Mark Saunders, Mary Byrl Bell, Peggy Cooper, Ruth Ferguson, Ocie Pearl Thompson, Merrill Allee, Banks Campbell, Sam Crews, Marshall Jonas, Bob Lilly, Fred Mabe, Goodlow Meason, Lida Sue Gorrell, Frances Ivie, Elsie Mae Cook, Stanley Womack, D. S. Todd, Lester Patton, W. F. Briscoe, Dupree Allen.

Pupils on High Honor Roll in the Primary Department:

A. Y. Bell, R. C. Bell, Joe Wallace Beverly, Doris Campbell, Iva Ruth Gafford, Doris Campbell, Iva Ruth Gafford, Faye Griffin, Beverly Hughton, Reed Sanders, Virginia Adams, Halley Pauline Sellers, Ernestine Barnett, B. J. Henry, Billie Ownbey, Tom Alton Andrews, Minnie Ola Ballard, Ted Crosnoe, Charles Stuart Clark, Jennie D. PAY YOUR SCHOOL TAX

We believe that every patron of the Thalia Public School is anxious to have the school continue for nine months.

This can only be accomplished by each Tax Payer paying his school tax.

Thalia School now has 11½ units of affiliation	Requested this year 4½ units of affiliation
Total units required 16 (complete affiliation)	

One of the requirements of affiliation is that a nine months term of school be maintained.

If Thalia School is to obtain more affiliation, or even hold the credits already obtained, it will be necessary that the people of the Thalia School District pay their School Tax.

LET'S ALL DO OUR BEST FOR A 9 MONTHS SCHOOL.

Thalia School Board
